BDR 44-14
SB 398

EXECUTIVE AGENCY
FISCAL NOTE

AGENCY'S ESTIMATES

Date Prepared: April 8, 2023

Agency Submitting: Nevada System of Higher Education

Items of Revenue or Expense, or Both	Fiscal Year 2022-23	Fiscal Year 2023-24	Fiscal Year 2024-25	Effect on Future Biennia
Total	0	0	0	0

Explanation (Use Additional Sheets of Attachments, if required)

The Nevada System of Higher Education has reviewed the proposed legislation and is unable to determine the extent of fiscal impact it would have on the System at this time since the list of countries, businesses, and entitles in which NSHE would not be allowed to purchase an unmanned aerial vehicle (UAV), or other equipment or service related to the operation of a UAV has yet to be published. NSHE anticipates replacement costs for all of its institutions who possess UAV devices if such a list should exclude a country, business, or entity from which the current devices were purchased. NSHE institutions would be unable to procure replacement parts, maintenance, or other required service as a result, and this would require the purchase of new fleets. This replacement cost does not factor in the additional time NSHE institutional faculty and staff would need to identify and procure replacement devices, nor the cost for training and registration of staff on the new devices.
