Human Resources and Education

CHAPTER.....

AN ACT relating to education; establishing an Advisory Council on Parental Involvement; authorizing teachers in elementary schools to provide reports to parents and legal guardians of pupils under certain circumstances; requiring support teams established for certain schools to review certain information; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Sections 2-4 of this bill establish an Advisory Council on Parental Involvement and prescribe the membership and duties of the Advisory Council.

The statewide system of accountability for public schools requires that public schools be designated each year based upon adequate yearly progress. (NRS 385.3623) A support team must be established for each public school that is designated as demonstrating need for improvement for 3 consecutive years or more. (NRS 385.3721) Each support team is required to review certain information pertaining to the school and revise the school’s plan to improve accordingly. (NRS 385.3741) **Section 5** of this bill requires the support team to review information provided to the support team concerning educational involvement accords and reports provided to parents and legal guardians by elementary school teachers.

Section 6 of this bill authorizes a teacher in an elementary school to provide to each parent and legal guardian of a pupil enrolled in the school, on a form prescribed by the Department of Education, a report containing certain information about the pupil and the involvement of the parent or legal guardian in the education of his child. Aggregate information concerning any completed reports must be provided to the support team established for the school, if a support team has been established.

Under existing law, each public school is required to provide to each parent or legal guardian of a pupil an educational involvement accord. The accord provides information concerning the responsibilities of the parent or legal guardian, the pupil and the school in the education of the pupil. (NRS 392.4575) **Section 7** of this bill requires principals of schools designated as demonstrating need for improvement for 3 consecutive years or more to provide aggregate information concerning the accords to the support team established for the school.

Under existing law, each classroom teacher is required to provide the code of honor relating to cheating to the parent or legal guardian of each pupil enrolled in his class as part of the educational involvement accord. (NRS 392.4575) **Section 8** of this bill requires provision of the code of honor relating to cheating to the pupil as well as his parent or legal guardian for their signature on that document. (NRS 392.461)
