AN ACT relating to motor vehicles; revising certain provisions governing the fees charged by a short-term lessor of passenger cars; revising certain provisions concerning the liability of such a lessor for damages caused by the short-term lessee of passenger cars under certain circumstances; increasing the governmental services fee on short-term leases of passenger cars; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law, a short-term lessor of passenger cars is required to collect  
2 from its customers a governmental services fee of 6 percent and a recovery  
3 surcharge fee of 4 percent of the adjusted total cost of leasing the car. The lessor is  
4 allowed to retain a portion of the money from the recovery surcharge fee as  
5 reimbursement of its costs to license and register its vehicles, and is required to  
6 remit the remaining amount of that fee, and the full amount of the 6 percent  
7 governmental services fee, to the State. (NRS 482.313) **Section 6** of this bill  
8 increases the amount of the governmental services fee from 6 to 10 percent and  
9 eliminates the 4 percent recovery surcharge fee. In place of that fee, **section 8** of  
10 this bill authorizes a short-term lessor to impose an additional charge on each lease  
11 to allow the lessor to recover the full amount of its vehicle licensing costs. **Section**  
12 **8** also authorizes a short-term lessor to impose additional charges to recover other  
13 costs that the lessor incurs as a condition of doing business, such as concession fees  
14 that the lessor must pay to an airport or other facility for the privilege of operating  
15 at the facility, and to recover the amount of any fees that the lessor pays on behalf  
16 of the short-term lessee. **Section 8** also requires that the short-term lessor must  
17 separately identify and clearly disclose the amount of each additional charge in the  
18 quotation or other statement of estimated charges for the lease of the car and in the  
19 lease agreement. (NRS 482.3158)

20 **Section 4** of this bill provides that if a short-term lessor leases a passenger car  
21 to a short-term lessee for a specified period, and the lessee returns the car before the  
22 end of the period, the lessor is not allowed to charge the lessee for the full period,  
23 but only for the time that the lessee had possession of the passenger car.

24 Under existing law, persons injured as a result of the negligence of the short-  
25 term lessee of a passenger car or of another person driving the car with the lessee's  
26 permission are entitled to receive payment from the lessee or other driver for their  
27 actual damages up to at least the statutory minimum amount. If an injured person's  
28 actual damages exceed the amount of that coverage, he is also entitled to recover up  
29 to at least the statutory minimum amounts from the liability coverage that the short-  
30 term lessor of the passenger car is required to provide as a condition of registering  
31 the car. (NRS 482.295, 482.305; *Salas v. Allstate Rent-A-Car, Inc.*, 116 Nev. 1165  
32 (2000), *Hall v. Enter. Leasing Co.-West*, 122 Nev. Adv. Op. 59, 137 P.3d 1104,  
33 (2006)) **Section 5** of this bill provides that the liability coverage or other form of  
34 financial responsibility provided by a short-term lessor may be used to satisfy a  
35 claim for damages caused by the negligence of the short-term lessee or his  
36 permittee in operating the vehicle only to a certain extent. **Section 5** also provides  
37 that a short-term lessor of a motor vehicle who provides the mandatory insurance or  
38 other financial security in the statutory minimum amounts is not liable for any  
39 damages caused by the negligence of the short-term lessee or his permittee in  
40 operating the rented vehicle if: (1) the short-term lessee or his permittee has  
41 liability coverage up to the statutory minimum amounts; (2) the injured person has  
42 uninsured vehicle coverage in amounts up to the statutory minimum amounts; or  
43 (3) the short-term lessee or his permittee violates a term or condition of the short-  
44 term lease agreement. (NRS 482.305) **Section 9** of this bill amends the definition of  
45 "uninsured motor vehicle" to include a leased passenger car for which the short-  
46 term lessor has provided liability coverage up to the statutory minimum amounts,  
47 but which is operated by a short-term lessee or other driver with his permission  
48 who does not have liability coverage in at least the statutory minimum statutory  
49 amounts. (NRS 690B.020)
