Notice of Hearing for the Adoption, Amendment or Repeal of Regulations of
The Department of Business and Industry, Division of Insurance

The State of Nevada, Department of Business and Industry, Division of Insurance (“Division”), (775) 687-0700, will hold a public hearing at **9:30 a.m. on September 29, 2017**, in the 1st Floor Hearing Room, 1818 East College Parkway, Suite 103, Carson City, Nevada 89706. Interested persons may also participate through a simultaneous videoconference conducted in the 4th Floor Nevada Room at the Nevada State Business Center/Division of Insurance, 3300 West Sahara Avenue, Suite 275, Las Vegas, Nevada 89102. The purpose of the hearing is to receive comments from all interested persons regarding the adoption, amendment or repeal of regulations pertaining to chapter 679B of the Nevada Administrative Code (“NAC”).

The following information is provided pursuant to the requirements of Nevada Revised Statutes (“NRS”) 233B.0603 and the directives of the Governor:

LCB File No. R026-17. Electronic Transactions For Insurance-Related Notices.

A regulation relating to insurance; setting forth requirements for the verification or acknowledgement of receipt for certain notices that are delivered by electronic means; and providing other matters properly relating thereto.

- (1) Why is the regulation necessary and what is its purpose?

The purpose of this regulation is to clarify the verification process for the electronic delivery of a notice or document pertaining to an insurance transaction. The notices addressed by this regulation include any notice required pursuant to NRS 687B.310 to 687B.420, inclusive, which encompass notices of cancellation, non-renewal, anniversary cancellation, and renewal with altered terms. The proposed regulation further clarifies that, if an insurer is unable to obtain verification of electronic receipt by the policyholder, the insurer must deliver or mail the notice to the insured in accordance with subsection 6 of NRS 687B.310.

- (2) What are the terms or substance of the proposed regulation?

The proposed regulation amends NAC 679B.0409(5) to clarify the verification process for the electronic delivery of a notice or document pertaining to an insurance transaction for notices required pursuant to NRS 687B.310 to 687B.420, and for the insurer to deliver or mail the notice in accordance with subsection 6 of NRS 687B.310 if an insurer is unable to obtain verification of receipt of the electronic delivery by the policyholder.

- (3) What is the anticipated impact of the regulation on the problem(s)?

The proposed regulation provides guidelines to the insurers on the steps they must take to first verify the electronic delivery of notices/documents, including notices of cancellation and non-renewal of

insurance. It further clarifies the insurers' duty if electronic verification is not achieved. The anticipated effect of the regulation is that insureds (public) will not have an insurance policy terminated without receiving proper notice.

(4) Do other regulations address the same problem(s)?

No.

(5) Are alternate forms of regulation sufficient to address the problem(s)?

No.

(6) What value does the regulation have to the public?

This is a consumer-friendly regulation which ensures that members of the public do not unknowingly have their insurance policies cancelled or non-renewed, or remain unaware of any other notification by their insurer, simply because of a failure of electronic delivery of insurance-related notices.

(7) What is the anticipated economic benefit of the regulation?

THE COMMISSIONER OF INSURANCE**

LCB File No. R026-17

September 12, 2017

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §1, NRS 679B.130 and 679B.136 and section 7 of Assembly Bill No. 455, chapter 134, Statutes of Nevada 2017, at page 612.

A REGULATION relating to insurance; setting forth requirements for the verification or acknowledgment of receipt for certain notices that are delivered by electronic means; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Commissioner of Insurance to adopt reasonable regulations for the administration of the Nevada Insurance Code and as required to ensure compliance with federal law relating to insurance. (NRS 679B.130) Existing law further requires the Commissioner to adopt regulations governing the: (1) use of electronic signatures, and the acceptance and transmission of electronic records and payments, including transactions relating to insurance; and (2) electronic filing of forms and payment of fees, and the storage and reproduction of records, filed with the Division of Insurance of the Department of Business and Industry. (NRS 679B.136)

During the 2017 Legislative Session, the Legislature enacted Assembly Bill No. 455, which authorizes a notice to a party or any other document that is required to be provided as part of an insurance transaction to be delivered by electronic means in certain circumstances. That bill further authorizes certain notices that require verification or acknowledgment of receipt of such a notice to be delivered by electronic means only if the electronic form used for delivery provides for verification or acknowledgment of receipt. (Sections 2-12 of Assembly Bill No. 455, chapter 134, Statutes of Nevada 2017, at pages 611-613)

This regulation requires an insurer to obtain from an insured a verification or acknowledgment of receipt for certain notices if such a notice is delivered by electronic means. Such verification or acknowledgment of receipt for certain notices must be obtained by: (1) the insured using an electronic signature to verify or acknowledge receipt of the notice; (2) the notice being posted on the Internet website of the insurer with there being evidence that the insured downloaded, printed or otherwise verified or acknowledged receipt of the notice; or (3) the notice being transmitted to the insured through an application on a personal electronic device with there being evidence that the insured logged into the application and viewed or otherwise verified or acknowledged receipt of the notice. If such a verification or acknowledgment of

receipt for certain notices is not obtained within 3 days after a notice to an insured is delivered by electronic means, the notice must be personally delivered to the insured or mailed first class or certified to the insured.

Section 1. NAC 679B.0409 is hereby amended to read as follows:

679B.0409 1. Except as otherwise provided in NRS 691D.330 and NAC 691D.300, an insurer shall not conduct a transaction by electronic means, including, without limitation, transactions involving claims, electronic signatures, electronic payments or other insurance-related records in electronic form, unless each person who is a party to the transaction agrees to conduct the transaction by electronic means.

2. If a person who is a party to a transaction agrees to conduct the transaction by electronic means, the insurer shall document the agreement, including, without limitation:

- (a) The name of the person agreeing to conduct the transaction by electronic means;
- (b) The type of transaction that the person has agreed to conduct by electronic means; and
- (c) The date and time of the agreement.

3. A person who agrees to conduct a transaction by electronic means may limit the types of transactions which he or she agrees to conduct by electronic means.

4. If an insurer is required to retain a record, the insurer may retain the record electronically if the insurer is able accurately to reproduce the record upon the request of a person who is entitled to a copy of the record, including, without limitation, an insured, a claimant and the Commissioner.

5. ~~If a notice to an insured required pursuant to NRS 687B.320 to 687B.350, inclusive, is delivered by electronic means pursuant to NRS 691D.330 and NAC 691D.300, an insurer shall not provide a notice which terminates a policy of insurance, including, without limitation, a notice of cancellation or nonrenewal, solely by electronic means.~~ *If a notice to an insured required pursuant to NRS 687B.320 to 687B.350, inclusive, is delivered by electronic means pursuant*

to sections 2 to 12, inclusive, of Assembly Bill No. 455, chapter 134, Statutes of Nevada 2017, at pages 611-613, the insurer shall obtain from the insured a verification or acknowledgment of receipt of the notice in one of the following ways:

(a) The insured uses an electronic signature to verify or acknowledge receipt of the notice;

(b) The notice is posted on the Internet website of the insurer in such a manner that it is secured by a password, biometric identifier or other technology and there is evidence demonstrating that the insured:

(1) Used the password, biometric identifier or other technology to access the notice posted on the Internet website of the insurer; and

(2) Downloaded, printed or otherwise verified or acknowledged receipt of the notice; or

(c) The notice is transmitted to the insured through an application on a personal electronic device that is secured by a password, biometric identifier or other technology and there is evidence demonstrating that the insured:

(1) Used the password, biometric identifier or other technology to access the notice transmitted to the insured through the application; and

(2) Viewed or otherwise verified or acknowledged receipt of the notice.

6. If the insurer does not receive verification or acknowledgment of receipt of the notice pursuant to subsection 5 within 3 days after a notice to an insured required pursuant to NRS 687B.320 to 687B.350, inclusive, is delivered by electronic means pursuant to sections 2 to 12, inclusive, of Assembly Bill No. 455, chapter 134, Statutes of Nevada 2017, at pages 611-613, the notice must be personally delivered to the insured or mailed first class or certified to the insured at the address of the insured last known by the insurer pursuant to subsection 6 of NRS 687B.310.

ELECTRONIC TRANSACTIONS FOR INSURANCE-RELATED NOTICES:

This proposed regulation amends NAC 679B.0409, which allows an insurer to conduct insurance transactions with a policyholder electronically, to clarify the verification process for the delivery of a notice of policy termination, such as a notice of cancellation or non-renewal, electronically.

EFFECTIVE DATE OF REGULATION:

Upon filing with the Nevada Secretary of State

1. BACKGROUND.

Assembly Bill 455 (2017) amends Chapter 680A of the NRS to allow insurers to provide a notice or other document required by law as part of an insurance transaction by electronic means and deems a delivery by electronic means to satisfy a requirement for delivery in physical form. Section 7 of AB 455 (2017) further requires the delivery by electronic means of a notice or other document which requires verification or acknowledgment of receipt to be in an electronic form that allows for verification or acknowledgment of receipt and requires such a notice or other document to be delivered by any other delivery method authorized by law if a verification or acknowledgment of receipt is not received within 3 days after electronic delivery.

2. DESCRIPTION OF SOLICITATION SHOWING A CONCERTED EFFORT. NRS 233B.0608(1).

A solicitation of this regulation was not made with small businesses in Nevada, as none of the proposed changes in this regulation impact small business. The changes proposed in this regulation would only impact insurance companies, governing their use of electronic notices, and would pose a very small change from existing practices.

3. DOES THE PROPOSED REGULATION IMPOSE A DIRECT AND SIGNIFICANT ECONOMIC BURDEN UPON A SMALL BUSINESS OR DIRECTLY RESTRICT THE FORMATION, OPERATION OR EXPANSION OF A SMALL BUSINESS? NRS 233B.0608(1).

☒ NO

☐ YES

4. HOW WAS THAT CONCLUSION REACHED? NRS 233B.0608(3).

The proposed regulation relaxes requirements on insurers while protecting insureds from having their policy canceled without their knowledge. The existing regulation prohibited an insurer from sending a notice terminating a policy of insurance solely by electronic means. The proposed regulation allows sending such notices electronically provided that there is a means for verification of receipt by the insured.

I, BARBARA D. RICHARDSON, Commissioner of Insurance for the State of Nevada, hereby certify to the best of my knowledge or belief a concerted effort was made to determine the impact of the proposed regulation on small businesses and that this statement was prepared properly and the information contained herein is accurate.
