**SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608**

Date: October 28, 2014

RE: Proposed Adoption of Regulations Revising NAC 391.237: Endorsements to teach English as second language; endorsement as professional teacher of English as second language.

I, Dale A.R. Erquiaga, being duly appointed Superintendent of Public Instruction, do hereby certify that, to the best of my knowledge or belief:

1. The proposed changes to the regulations NAC 391.237 are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden. The Department of Education has relied on the expert knowledge of Department staff and the Attorney General's Office the impact is solely on school districts and the Department of Education.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Department's activities and present no new cost of enforcement.
4. Comment has not been solicited from small business, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,
