The changes to NAC 450B in LCB File No. R079-22 are to remove obstacles for advancement that now longer serve the public's best interest and include the following changes:

- Proposed new regulations removing the advanced emergency medical technician the requirement.

1. Anticipated effects on the business which NAC 450B regulates:

A. *Adverse effects:* None. The proposed regulations will produce negligible impact on small businesses.

- B. *Beneficial*: None reported.
 - C. *Immediate*: None reported.
 - D. *Long-term*: None reported.
2. Anticipated effects on the public:
- A. *Adverse*: None.
 - B. *Beneficial*: Better trained emergency staff
 - C. *Immediate*: Better trained emergency staff
 - D. *Long-term*: Better trained emergency staff
3. The seven (7) responses were reviewed manually for positive and negative impacts upon small business. All seven (7) indicated no negative nor positive direct impact. All seven indicated no negative indirect impact. Six of the seven response indicated an indirect benefit.
4. There is no anticipated cost to the agency for enforcement of the proposed regulations.
5. The proposed regulations do not overlap or duplicate state, federal or other law or regulation.
6. The proposed regulations do not establish a new fee or increase an existing fee.

Persons wishing to comment upon the proposed action of the Board of Health may appear at the scheduled public hearing or may address their comments, data, views or arguments, in written form, to the Board's Secretary, Lisa Sherych, no later than August 24, 2022, at the following address:
