LCB File No. R115-16

November 3, 2016

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1 and 3-7, NRS 489.336; §2, NRS 489.251.

A REGULATION relating to manufactured housing; providing requirements for an application for a certificate of ownership for certain mobile homes or manufactured homes; revising provisions relating to the application for and issuance of a limited lien resale license; revising provisions relating to standards for installation of mobile homes and manufactured homes; making various other changes relating to limited lien resale licenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the Manufactured Housing Division of the Department of Business and Industry to adopt regulations for the issuance of a limited lien resale license authorizing the resale of a used mobile home that is either purchased at a sale to enforce a lien or acquired through a voluntary surrender by the owner. (NRS 489.336) Existing regulations provide for the issuance of such a license. (NAC 489.775, 489.780, 489.790)

Section 1 of this regulation provides that an application for a certificate of ownership for a mobile home or manufactured home that was acquired through a voluntary surrender must be accompanied by an affidavit stating that the home was acquired through a voluntary surrender. **Sections 5 and 6** of this regulation provide for the application for and issuance of a limited lien resale license for the resale of a mobile home or manufactured home acquired through a voluntary surrender.

Existing regulation requires that an application for a limited resale license be accompanied by, among other documents, a copy of the business license issued for the mobile home park at which the mobile home or manufactured home to which the license will apply is located. (NAC 489.775) **Section 5** clarifies that the license is a limited lien resale license and changes this requirement to provide that a copy of the state business registration of the mobile home park is required instead of a copy of the business license.

Existing law requires the Administrator of the Manufactured Housing Division to adopt regulations pertaining to installation safety standards for mobile homes and manufactured homes.

(NRS 489.251) **Section 2** of this regulation updates the publication information of a safety manual adopted by reference by the Administrator and updates information regarding the availability of the manual. (NAC 489.416)

Section 1. Chapter 489 of NAC is hereby amended by adding thereto a new section to read as follows:

An application for a certificate of ownership for a mobile home or manufactured home acquired through a voluntary surrender must be accompanied by an affidavit on a form supplied by the Division stating that the mobile home or manufactured home was acquired by the landlord or manager of the mobile home park through a voluntary surrender by the owner of the mobile home or manufactured home.

Sec. 2. NAC 489.416 is hereby amended to read as follows:

The Administrator hereby adopts by reference the *Nevada Manufactured Home, Mobile Home and Commercial Coach Installation Standards* in the edition most recently published by the Nevada ~~{Manufactured}~~ Housing ~~{Association}~~ *Alliance* and the Modular Building Institute of Nevada, unless the Administrator determines pursuant to subsection 3 that the most recent edition is not suitable for this State.

2. If the Administrator provisionally determines that the most recent edition is not suitable, the Administrator will hold a public hearing to review this determination. If, after the hearing, the Administrator finally determines that the most recent edition is not

suitable for this State, he or she will, within 30 days after that determination, give notice that the edition is not adopted by reference.
