

Notice Of Intent to Act Upon a Regulation

Notice of Hearing for the Repeal of Regulations

of the Nevada State Board of Podiatry

The Nevada State Board of Podiatry will hold a public hearing at 6:00 p.m., on the 9th of March of 2026, at the offices of the Nevada State Board of Podiatry at 6170 Mae Anne Ave., Ste. 1, Reno, NV 89523 The purpose of the hearing is to receive comments from all interested persons regarding the repeal of regulations that pertain to chapter 635 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. As set forth in Executive Order 2023-003, the Board has been directed to review its regulations (NAC 635) and identify at least ten (10) regulations for removal.
2. This regulation eliminates duplicative provisions of the Nevada Administrative Code concerning procedures before the Board.
3. A copy of the proposed regulations to be repealed is attached to this notice.
4. There should be no economic effect of the repeal of the regulations as the regulations had become duplicative of other regulations in the Nevada Administrative Code. The adverse effect of the repeal is that there will be no rules of practice before the Board but such rules already exist in NRS chapters 233B and 622A. The beneficial effects will make the regulations less repetitive. The immediate effect will be a simplification of NAC chapter 635. The long-term effect will make regulations less repetitive.
5. Most of the Board's licensees work for small businesses. All were provided drafts of the repealed regulations by email. No comments were received at any time in writing or by testimony. The regulations concern procedures before the Board and are not related to practice or economic issues.
6. The estimated cost to the agency for enforcement of the proposed regulations is none.

7. The duplication for the repealed regulations appears in NRS 233B and NRS 622A.

8. The repealed regulations were not required under federal law.

9. The regulation does not include provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

10. The repealed regulation does not establish a new fee or increases an existing fee.

11. Persons wishing to comment upon the proposed action of the Nevada State Board of Podiatry may appear at the scheduled public hearing or may address their comments, data, views, or arguments, in written form, to Nevada State Board of Podiatry 6170 Mae Anne Ave., Ste. 1, Reno, NV 89523. Written submissions must be received by the Nevada State Board of Podiatry on or before March 2, 2026. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Nevada State Board of Podiatry may proceed immediately to act upon any written submissions.

A copy of this notice and the regulation to be repealed will be on file at the State Library, Archives and Public Records, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during business hours. Additional copies of the notice and the regulation to be repealed will be available at 6170 Mae Anne Ave., Ste. 1, Reno, NV 89523 and <http://podiatry.nv.gov> for inspection and copying by members of the public during business hours. Upon adoption of any regulation, the agency, if requested to do so by an

interested person, either before adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption and incorporate therein its reason for overruling the consideration urged against its adoption.
