**NAC 632.192 Expiration and renewal of license or certificate.**

1. Each licensee or holder of a certificate who wishes to renew his or her license or certificate must submit an application for renewal of the license or certificate to the Board before the expiration of the license or certificate. The application for renewal must be received by the Board on or before the end of the business day on which the authorization to practice expires.

2. The Board will find that the licensee or holder of the certificate has made sufficient application for renewal of the authorization to practice and will renew that person's license or certificate if:

(a) The application for renewal is:

(1) Truthful, accurate and complete, and made on the form supplied by the Board.  
 (2) Accompanied by payment of the required fee. If the fee is paid in a form other than cash, it must be made on an account with a sufficient amount of money for payment of the instrument or by a valid debit or credit card.

(3) Accompanied by proof that the requirement of continuing education is met.

(4) Accompanied by a complete set of the applicant's fingerprints ~~[or two completed fingerprint cards, if so required by the Board]~~.

(5) Accompanied by proof that the licensee has satisfied the requirements of subsection 4, if the application is for renewal of a license and the licensee has not practiced nursing during the immediately preceding 5-year period.

(6) Accompanied by the attestation required pursuant to NAC 632.193, if the application is for the renewal of a certificate to practice as a nursing assistant or medication aide - certified.

(b) The applicant attests that he or she committed no act which could subject his or her application to denial nor developed any condition which may interfere with his or her ability to practice in a safe and effective manner.

3. If an application does not meet the requirements of subsection 2, the staff of the Board will not renew the license or certificate. If the applicant makes an application to appear before the Board, the staff may issue a temporary license or certificate which remains valid for not more than 6 months after the date on which the temporary license or certificate was issued. If the license or certificate is not renewed because the applicant paid the required fee with an instrument written on an account with an insufficient amount of money for payment of the instrument, the staff may require the payment of a late fee and a fee to cover the administrative cost of handling the instrument.

4. An applicant for renewal of a license who has not practiced nursing during the immediately preceding 5-year period must complete a course or program approved by the Board if the applicant has otherwise satisfied the requirements for renewal set forth in this chapter and chapter 632 of NRS. The Board may issue to the applicant a temporary license for not more than 6 months after the date on which it was issued for the sole purpose of completing the course or program in which the applicant is enrolled. Upon submission of evidence of completion of the course or program, the Board will issue to the applicant a permanent license if he or she has satisfied the requirements of subsection 2.

5. An original license or certificate is valid for the period from the date of issuance to the licensee's or certificate holder's second birthday after issuance. Thereafter, each license or certificate will expire biennially on the licensee's or certificate holder's birthday. In a leap year the license or certificate of a licensee or certificate holder born on February 29 expires on February 28.

**NAC 632.193 Renewal of certificate: Requirements; training programs; audits by Board to ensure compliance with certain requirements.**

1. To renew his or her certificate, a nursing assistant must submit to the Board an attestation, on a form provided by the Board, attesting that he or she has completed:

(a) Twenty-four hours of continuing training in the immediately preceding 2 years; and

(b) At least 40 hours of employment as a nursing assistant under the direct supervision of a registered nurse or licensed practical nurse during the 2 years immediately preceding the date of the renewal of the certificate;

or

(c) *a passing score on the competency evaluation test completed during the 2 years immediately preceding the date of the renewal of the certificate.*

2. To renew his or her certificate, a medication aide - certified must submit to the Board an attestation, on a form provided by the Board, attesting that he or she has completed:

(a) Twenty-four hours of continuing training in the immediately preceding 2 years; and

(b) At least 200 hours of employment as a medication aide - certified under the direct supervision of an advanced practice registered nurse or a registered nurse during the 2 years immediately preceding the date of the renewal of the certificate.

3. The certificate of completion must include:
  - (a) The name of the participant;
  - (b) The name of the training program;
  - (c) The number of hours of the training program;
  - (d) The name and signature of the instructor who taught the training program; and
  - (e) The date and location of the training program.
4. To be satisfactory to the Board a training program must relate to standards of care in nursing and must consist of one of the following:
  - (a) Training in the facility in which the nursing assistant or medication aide - certified works;
  - (b) An academic study or all of the courses required to obtain a license to practice as a registered nurse or a licensed practical nurse, if a nursing assistant or medication aide - certified is pursuing such a license, or both;
  - (c) A workshop conducted by a provider of continuing education that has been approved by the Board; or
  - (d) An online course for nursing assistants or medication aides - certified, as applicable.
5. A medical facility, educational institution or other organization that offers a training program must keep a record of the information required pursuant to subsection 3 for at least 4 years.
6. The Board will perform random audits of nursing assistants or medication aides - certified for compliance with the requirement for supervised employment set forth in paragraph (b) of subsection 1 or paragraph (b) of subsection 2, as applicable. If audited by the Board, a nursing assistant or medication aide - certified must prove that he or she has complied with the requirement for supervised employment set forth in paragraph (b) of subsection 1 or paragraph (b) of subsection 2, as applicable, by submitting to the Board a letter written by the employer of the nursing assistant or medication aide - certified on the stationery of the employer or on a form prescribed by the Board and must include in the letter or on the form:
  - (a) The name of the nursing assistant or medication aide - certified;
  - (b) The name of the employer;
  - (c) A statement indicating that, since his or her last renewal by the Board, the:
    - (1) Nursing assistant provided at least 40 hours of nursing services or services related to the scope of practice of a nursing assistant for monetary compensation under the direct supervision of a registered nurse or licensed practical nurse; or
    - (2) Medication aide - certified provided at least 200 hours of nursing services or services related to the scope of practice of a medication aide - certified for monetary compensation under the direct supervision of an advanced practice registered nurse or a registered nurse; and
  - (d) Any other information the Board may require for the renewal of the certificate.

**NAC 632.2595 License to dispense controlled substances, poisons, dangerous drugs and devices.**

1. The State Board of Nursing will make eligible, and notify the Nevada State Board of Pharmacy of the eligibility [~~issue a license~~] to dispense controlled substances, poisons,

dangerous drugs and devices to an advanced practice registered nurse if the advanced practice registered nurse {;

~~—(a) S] successfully completes an examination administered by the State Board of Nursing on Nevada law relating to pharmacy; and~~

~~[(b) Submits to the State Board of Nursing his or her affidavit verifying that he or she has made application with the State Board of Pharmacy for a certificate of registration.~~

~~—2. An advanced practice registered nurse who receives a certificate of registration from the State Board of Pharmacy shall, upon receipt, submit a copy of the certificate to the State Board of Nursing.]~~

**NAC 632.285 Change in role, population of focus or location of practice.**

An advanced practice registered nurse shall immediately {;

~~—1. S] submit to the Board a new application for a license if there is any change in his or her role or population of focus. [; and~~

~~2. Notify the Board in writing of any change in the location of the practice of the advanced practice registered nurse.]~~

To harmonize Assembly Bill 401 of the 82<sup>nd</sup> (2023) Nevada Legislative Session and NAC 632.675

**NAC 632.675 Faculty: General requirements.**

1. A program of nursing must have a competent and stable faculty. The majority of the members of the faculty must be full-time employees.

2. Of the faculty who are hired after August 13, 2004:

(a) At least 75 percent of the members must hold at least a master's degree with a major in nursing and have completed training which is related to the area of teaching of the member; and

(b) Except as otherwise provided in subsection 3, the remainder of such members, if any, must hold at least:

(1) A master's or doctoral degree with a major in nursing;

(2) A bachelor's degree with a major in nursing and a master's or doctoral degree in a field related to nursing; or

(3) A graduate degree from an accredited school of nursing as defined in NRS 632.011.

3. The Executive Director of the Board may, for good cause shown, waive the requirements of paragraph (b) of subsection 2.

4. The members of the faculty shall develop and evaluate the curriculum and the educational practices of the program.

5. Except as otherwise provided in this subsection, in courses relating to the care of patients, there must be at least one member of the faculty for every *twelve* [eight] students. [~~The Executive Director of the Board may, upon a showing of good cause, waive the requirement.~~]

6. A program of nursing that uses the personnel of a clinical facility as preceptors to instruct the clinical experience of students must require:

(a) Each preceptor to have clinical expertise and to have demonstrated competence in the specialty of the students whom he or she will instruct;

(b) Each preceptor to be approved by the faculty of the program of nursing;

(c) The faculty of the program of nursing to provide to each preceptor an orientation concerning the roles and responsibilities of students, members of the faculty and preceptors; and

(d) The faculty of the program of nursing to develop written objectives and provide a copy of those objectives to each preceptor,

↳ before the preceptor begins his or her instruction of the students.

7. In addition to the requirements set forth in subsection 6, a program of nursing that uses the personnel of a clinical facility as preceptors to instruct the clinical experience of students:

(a) Must ensure that each preceptor is assigned to instruct not more than two students at the same time;

(b) Must designate a member of the faculty to serve as a liaison between the preceptor and each student who participates in the clinical experience;

(c) Must require that each preceptor be present in the clinical facility and available to the students at all times when the students provide nursing services to patients; and

(d) May use a preceptor to reinforce basic nursing skills or to teach nursing skills which build on the basic nursing skills that the students have acquired.

8. There must be at least one qualified administrator for each department or division of the program.

9. If a university or college offers a program of nursing for more than one level of preparation, there must be one person who is responsible for each such level.

**Small Business Impact Statement  
NRS 233B.0608(2)-(4) and 233B.0609**

**LCB File R035-23**

**1. SUMMARY OF COMMENTS RECEIVED FROM SMALL BUSINESSES. NRS 233B.0609(1)(a)**

These regulations are offered in response to the Governor's Emergency Orders calling for the amendment or repeal of Nursing Board regulations with the goal of streamlining, clarifying, reducing or otherwise providing for the general welfare of the State of Nevada without unnecessarily inhibiting economic growth. The Nursing Board discussed these regulations at a regularly scheduled Board meeting before the regulations were presented to the Legislative Counsel Bureau. The Board received no comments. Additional comments will be solicited at the workshop and hearing for this regulation.

**HOW WAS THE ANALYSIS CONDUCTED? NRS 233B.0609(1)(b).**

Upon receipt of the Governor's Emergency Orders, Nursing Board staff analyzed all the regulations found in NAC chapter 632 with the goal of streamlining, clarifying, reducing or otherwise providing for the general welfare of the State of Nevada without unnecessarily inhibiting economic growth. So, the entire goal of the offered regulations is to reduce impacts on small businesses.

**2. ESTIMATED ECONOMIC EFFECT ON SMALL BUSINESSES THE REGULATION IS TO REGULATE. NRS 233B.0609(1)(c)**

**(a) BOTH ADVERSE AND BENEFICIAL EFFECTS**

- (1) Adverse: This regulation will have no adverse effects on Nevada small businesses.
- (2) Beneficial: This regulation will be beneficial to small businesses in the streamlining, clarifying, reducing or otherwise providing for the general welfare of the State of Nevada without unnecessarily inhibiting economic growth.

**(b) BOTH DIRECT AND INDIRECT EFFECTS**

- (1) Direct: These regulations will be a direct effect on nursing licenses or certificate holders, when regulations are clarified or reduced.
- (2) Indirect: These regulations will have an indirect effect on nursing licenses or certificate holders, when regulations are clarified or reduced.

**3. METHODS CONSIDERED TO REDUCE IMPACT ON SMALL BUSINESSES. NRS 233B.0909(1)(d)**

Several meetings were held with Nursing Board staff to determine which regulations could be offered for the purpose of clarifying, reducing or otherwise providing for the general welfare of the State of Nevada without unnecessarily inhibiting economic growth.

4. ESTIMATED COST OF ENFORCEMENT NRS 233B.0909(1)(e)

The regulation will not create any additional requirements or costs for Board staff to enforce the regulation.

5. FEE CHANGES NRS 233B.0909(1)(f)

This regulation will have no impact on fees.

6. DUPLICATIVE PROVISIONS. NRS 233B.0909(1)(g)

This regulation does not duplicate any existing federal, state, or local standards.

REASONS FOR CONCLUSIONS. NRS 233B.0609(1)(h)

These regulations are being offered with the specific intent to reduce any impacts on small businesses. There is nothing provided in this regulation which would negatively impact small businesses in Nevada.

I, Cathy Dinauer, Executive Director of the Nevada State Board of Nursing, hereby certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small businesses and that this statement was prepared properly, and the information contained herein is accurate. **LCB File R\_\_\_-23**

**1. SUMMARY OF COMMENTS RECEIVED FROM SMALL BUSINESSES. NRS 233B.0609(1)(a)**

The Nevada Legislature passed Senate Bill 336 during the 2023 Session of the Nevada Legislature. SB 336 changes the scope of practice of a Certified Registered Nurse Anesthetist (CRNA), but only in Critical Access Hospitals. Additionally, CRNAs are now required to have a level of supervision by an MD or DO. While it is not anticipated there will be an impact on small businesses in Nevada, there were no comments received from small businesses during the legislative process. Public comments will be obtained during the workshop and hearing process.

**HOW WAS THE ANALYSIS CONDUCTED? NRS 233B.0609(1)(b).**

This regulation is offered to align NAC chapter 632 with SB 336. There was no analysis for impacts on small business during the legislative process.

- (2) Beneficial: It is anticipated this regulation will be beneficial to small businesses in Nevada.

**(b) BOTH DIRECT AND INDIRECT EFFECTS**

- (1) Direct: It is anticipated this regulation will be a direct beneficial effect on small businesses.
- (2) Indirect: It is anticipated this regulations will have a beneficial indirect effect on small businesses.

**3. METHODS CONSIDERED TO REDUCE IMPACT ON SMALL BUSINESSES. NRS 233B.0909(1)(d)**

This regulation is offered to align NAC chapter 632 with SB 336. There was no analysis for impacts on small business during the legislative process.

**4. ESTIMATED COST OF ENFORCEMENT NRS 233B.0909(1)(e)**

The regulation will not create any additional requirements or costs for Board staff to enforce the regulation.

5. FEE CHANGES NRS 233B.0909(1)(f)
