TO: All Interested Parties

FROM: Assemblyman James Ohrenschall, Chair, Legislative Commission's Committee to Study the Deposits and Refunds on Recycled Products (Assembly Bill 427, Chapter 462, *Statutes of Nevada 2011*)

SUBJECT: **Solicitation of Recommendations for Possible Consideration by the Legislative Commission's Committee to Study the Deposits and Refunds on Recycled Products**

The final meeting of the Legislative Commission's Committee to Study the Deposits and Refunds on Recycled Products for the 2011-2012 Legislative Interim will be held on Tuesday, June 26, 2012, in Las Vegas, Nevada (with videoconference to the Legislative Building in Carson City, Nevada). As you may be aware, Committee staff reviews all meeting materials and testimony received and heard during the interim period and develops a listing of potential recommendations for possible consideration by the Committee during the work session phase of this final meeting. This listing is used to assist in the preparation of the final work session document.

I am also inviting all interested parties to provide recommendations, in writing, for possible consideration by the Committee during the work session. Furthermore, please note that the agenda for the Committee's upcoming meeting in Las Vegas (to be held on Tuesday, May 29, 2012, in Room 4401 of the Grant Sawyer State Office Building, 555 East Washington Avenue with videoconference to Room 3138 of the Legislative Building in Carson City) includes an opportunity for the public to personally provide suggestions for Committee action. If you are unable to provide recommendations in person at the Committee's May 29, 2012, meeting, please **provide any written suggestions for recommendations along with appropriate background information to Committee staff no later than 5 p.m. on Friday, June 8, 2012.** Submissions may be sent to staff at the following address:

Electronic submissions are encouraged and can be sent to the following electronic mail address: mstewart@lcb.state.nv.us.

Please be advised that the Committee has a limited number of bill draft requests that may be submitted for consideration by the 2013 Legislature. In addition to requesting the drafting of legislation, the Committee may write letters to key individuals and organizations and vote to place position statements in the final report. It should be noted that **submission of a recommendation to the Committee does not guarantee its placement on the final work session document.**

Thank you for your interest in the Legislative Commission's Committee to Study the Deposits and Refunds on Recycled Products. As always, please feel free to contact Committee staff or me if we may be of any assistance to you.
