

**PROPOSED REGULATION OF THE
STATE BOARD OF PHARMACY**

LCB File No. R121-08

June 3, 2008

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1 and 2, NRS 639.070 and 639.1371.

A REGULATION relating to pharmacy; revising provisions governing the requirements for registration and renewal as pharmaceutical technicians; and providing other matters properly relating thereto.

Section 1. NAC 639.240 is hereby amended to read as follows:

639.240 1. No person may perform the duties of a pharmaceutical technician until he has been issued a certificate of registration.

2. An applicant for registration as a pharmaceutical technician must:

(a) Be 18 years of age or older;

(b) Be a high school graduate or the equivalent;

(c) Not have been convicted of any felony or a misdemeanor involving moral turpitude, dishonesty or the unlawful possession, sale or use of drugs;

(d) Have no history of drug abuse; and

(e) Have complied with one of the following requirements:

(1) The successful completion of a program of training for pharmaceutical technicians, including, but not limited to, a program of training offered by a postsecondary school, that is approved by the Board pursuant to NAC 639.256.

(2) Registration in another state as a pharmaceutical technician if the requirements for registration in that state are equivalent to the requirements of this State.

(3) If the state in which the applicant has been employed does not offer registration, licensure or certification as a pharmaceutical technician:

(I) The successful completion of at least 1,500 hours of experience in a pharmacy in that state performing the duties set forth in paragraph (c) of subsection 3 of NRS 639.1371 during the 3 years immediately preceding the date on which his application was submitted;

(II) The successful completion of at least 350 hours of employment in a pharmacy in this State; and

(III) The acquisition of a written statement to the Board from the managing pharmacist of the pharmacy referred to in sub-subparagraph (II) stating that the applicant, during his employment, demonstrated competence to perform the tasks assigned to him.

↪ Such an applicant must register as a pharmaceutical technician in training before he completes the requirements of sub-subparagraph (II).

(4) The successful completion of at least 1,500 hours of training and experience as a pharmaceutical technician in training. A pharmaceutical technician in training may accumulate certified hours of training from each place of employment.

(5) The successful completion of a program of training for pharmaceutical technicians conducted by a branch of the Armed Forces of the United States.

(6) Certification by the Pharmacy Technician Certification Board *or the Institute for the Certification of Pharmacy Technicians* as a pharmacy technician if:

(I) The applicant successfully completes a program of training for pharmaceutical technicians conducted by a postsecondary school in another state; and

(II) The program is accredited or otherwise approved by the appropriate regulatory authority in that state.

3. An applicant who attended a school outside the United States must submit to an organization which evaluates educational credentials a copy of the transcript of his academic record from that school for a determination of whether the grades the applicant received are substantially equivalent to the grades required for an applicant who attended a school, or a program of training for pharmaceutical technicians that is accredited by the American Society of Health-System Pharmacists, in the United States. The applicant must ensure that a copy of the organization's evaluation of the transcript is submitted to the Board.

4. Upon receipt of an application and the required fee, the Executive Secretary shall, unless he has good cause to deny the registration, issue a certificate of registration to the pharmaceutical technician.

Sec. 2. NAC 639.254 is hereby amended to read as follows:

639.254 1. The owner and managing pharmacist of a pharmacy shall provide training for pharmaceutical technicians working in or for the pharmacy that ensures the continuing competency of those technicians. Except as otherwise provided in this section, the training must consist of initial training upon employment and at least 12 hours of in-service training during the 2-year period immediately preceding the renewal of the registration of the pharmaceutical technician.

2. The managing pharmacist shall maintain a written record of the initial training and the annual training completed by each pharmaceutical technician working in or for the pharmacy that contains:

(a) The name and signature of the person receiving the training;

- (b) The date or dates on which the training was received;
- (c) The number of hours of training received;
- (d) A general description of the topics covered; and
- (e) The name of the person or provider conducting the training.

3. A pharmaceutical technician may substitute the completion of the continuing education necessary for recertification by the Pharmacy Technician Certification Board *or the Institute for the Certification of Pharmacy Technicians* for the biennial in-service training required by subsection 1.
