AUTHORITY: §§1 and 2, NRS 501.105, 502.160, 501.181, 502.142

A REGULATION relating to wildlife; clarifying issuance of elk incentive tags; excluding “spike” elk, “spike” elk hunts and “spike” elk tags from the equation of determining issuance of elk incentive tags; and other matters relating thereto.

NAC 502.42279 Award, issuance and use of tags; fees. ([NRS 501.105](#), [501.181](#), [502.142](#), [502.160](#))

1. The Department will award special incentive elk tags based on the following formula:

$$\frac{\frac{NP}{NE} \times \frac{DP}{365} \times \frac{NT}{TSH}}{1}$$

(NP ÷ NE) × (DP ÷ 365) × (NT + TSH)

where:

NP = The number of elk using the private land of the landowner applicant.

NE = The total number of elk in the actual elk use area in which the private land is located.

DP = The number of days the elk use the private land during the year.

NT = The total number of antlered, *excluding “spike,”* elk tags that were issued during the previous year.

TSH = The total number of spike elk harvested in the previous year in the unit or units within the management area or areas in which the private land is located.

2. A group of landowners, lessees or managers may apply to receive special incentive elk tags for their combined private lands. The group may allocate the tags among the members of the group at its discretion.

3. The issuance of special incentive elk tags will not result in a reduction of the total number of antlered, *excluding “spike,”* elk tags issued to the public during a year below the quota for antlered elk tags established by the Commission for 1997, which was 186 tags.

4. A special incentive elk tag is valid for both sexes of elk.

5. A landowner applicant to whom a special incentive elk tag is issued pursuant to this section may:

(a) Use the tag himself or herself if the landowner applicant holds a valid hunting license issued from this State; or

(b) Transfer the tag to another person who holds a valid hunting license issued from this State for any price upon which the parties mutually agree.

6. The Department will charge the same fees for a special incentive elk tag and for the processing of an application for a special incentive elk tag that are charged for an elk tag and for the processing of an application for an elk tag set forth in [NRS 502.250](#).

7. An applicant who applies for a special incentive elk tag must indicate on the application the *antlered, excluding "spike," elk* hunt for which he or she is applying. The Department will not issue a tag to the applicant for the hunt indicated on the application unless the Commission has established ~~ta~~ *an antlered, excluding "spike," elk* hunt in the unit or units within the management area or areas in which the private land is located.

8. The Department will indicate on each special incentive elk tag it issues pursuant to this section the period during which the tag is valid and the unit or units within the management area or areas in which the private land is located for which the tag is valid.

9. A person possessing a valid special incentive elk tag shall hunt only:

(a) During the period indicated on the tag issued pursuant to this section, *which may only coincide with an antlered, excluding "spike," elk hunt established by the Commission;*

(b) With the weapon designated for that hunt; and

(c) In the unit or units within the management area or areas in which the private land is located, as indicated on the tag.
