EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-10, NRS 385B.060.

A REGULATION relating to interscholastic activities; revising provisions relating to the eligibility of pupils to participate in a sanctioned sport; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires the Nevada Interscholastic Activities Association to adopt rules and regulations concerning interscholastic athletic events. (NRS 385B.060) In general, existing regulations: (1) prescribe requirements governing the eligibility of pupils to participate in a sanctioned sport; and (2) authorize a pupil who is adversely affected by a determination of his or her eligibility to participate in a sanctioned sport to appeal the determination. (NAC 385B.712, 385B.716, 385B.908, 385B.910) Existing regulations generally provide that a pupil who transfers from one school to another school is presumed to be ineligible to participate in any sanctioned sport at the school to which the pupil transfers for 180 school days. (NAC 385B.716) **Section 6** of this regulation provides that, for 180 school days after a pupil enrolls in a school for the first time, the pupil is presumed to be ineligible to participate in any sanctioned sport in which his or her name appeared on a roster of the Association during the previous 180 school days.

With certain exceptions, existing regulations authorize a pupil who transfers from one school to another school or his or her parent or legal guardian to rebut the presumption of ineligibility by filing an appeal. (NAC 385B.716) **Sections 2 and 6** of this regulation authorize a pupil who is subject to the presumption of ineligibility set forth in **section 6** or his or her parent or legal guardian to apply to the Association for a one-time waiver of the presumption. **Section 2** also: (1) requires the Association to approve an application under certain circumstances; and (2) makes a pupil to whom the Association grants a waiver eligible to participate in any sanctioned sport. **Sections 7 and 8** of this regulation make conforming changes relating to the authorization of certain pupils, parents and legal guardians to obtain a one-time waiver of the presumption of ineligibility pursuant to **section 2**.

Existing regulations prohibit a pupil who transfers from one school to another school or his or her parent or legal guardian from rebutting the presumption of ineligibility if the pupil: (1) participated in an athletic event as a member of a team that is affiliated with the school to which the pupil transferred; or (2) received athletic instruction from a person who is affiliated with the

school to which the pupil transferred. (NAC 385B.716) **Section 6** eliminates this prohibition. **Section 3** of this regulation instead provides that a pupil who enrolls in a school for the first time or who transfers from one school to another school is ineligible to participate in any sanctioned sport at the school in which the pupil enrolls or to which the pupil transfers for 180 school days if the pupil: (1) participated in an athletic event as a member of a team that is affiliated with the school to which the pupil transferred; or (2) received athletic instruction from a person who is affiliated with the school to which the pupil transferred.

Existing regulations make certain pupils who transfer from one school to another school ineligible to participate in any sanctioned sport in which the pupil's name appeared on a roster of the Association for 180 school days after the date of the transfer. Existing regulations additionally authorize a pupil who resides with his or her parent or legal guardian, or who is emancipated, to, not more than once, transfer to another school if the pupil resides in an area that is affected by a change in the zone of attendance of a school. (NAC 385B.720) **Sections 3, 8 and 10** of this regulation repeal, reenact, reorganize and revise these provisions. **Section 5** of this regulation makes a conforming change relating to the reorganization of these provisions.

Existing regulations make a pupil who enrolls in a school based on an affidavit of residency ineligible to participate in any sanctioned sport at the school for 180 school days. (NAC 385B.712) **Section 4** of this regulation: (1) replaces the term "affidavit of residency" with the term "residential affidavit"; and (2) defines "residential affidavit" for purposes of the prohibition.

Existing regulations provide that a pupil who begins ninth grade at a private school is eligible to participate in a sanctioned sport at the school. (NAC 385B.712) **Section 4** additionally makes a pupil who begins ninth grade at a charter school, magnet school or vocational or technical school eligible to participate in a sanctioned sport at the applicable school.

Existing regulations generally provide that, to be eligible to participate in a sanctioned sport, a pupil must attend the school that is located in the zone of attendance of the residence of the pupil and his or her parent or legal guardian. (NAC 385B.712) **Section 9** of this regulation authorizes a pupil who attends a school that is not located in his or her zone of attendance to apply to the Association for a one-time waiver of the requirement. **Section 9** also: (1) requires the Association to approve an application under certain circumstances; and (2) makes a pupil to whom the Association grants a waiver eligible to participate in a sanctioned sport at any level other than varsity.

Existing regulations prescribe specific requirements concerning the eligibility of a pupil who is enrolled in a magnet school, vocational or technical school or option-zoned school to participate in a sanctioned sport at the school. (NAC 385B.722, 385B.728) **Section 10** eliminates these requirements.

**Section 1.** Chapter 385B of NAC is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this regulation.

**Sec. 2. 1.** *A pupil who enrolls in a school for the first time or who transfers from one school to another school or a parent or legal guardian of the pupil may apply to the Association for a waiver of the presumption of ineligibility set forth in NAC 385B.716.*

*2. An application submitted pursuant to subsection 1 must be submitted using a process approved by the Association. A pupil or a parent or legal guardian of the pupil may not apply more than once for a waiver pursuant to this section.*

*3. The Association will approve an application submitted pursuant to subsection 1 if the pupil:*

*(a) Complies with any applicable policies or regulations of the Association and the school district in which the school attended by the pupil is located; and*

*(b) Has not previously received a waiver pursuant to this section.*

*4. If the Association approves an application submitted pursuant to subsection 1, the pupil is eligible to participate in any sanctioned sport.*

*5. Any subsequent transfer of a pupil to whom the Association grants a waiver pursuant to this section is subject to the presumption of ineligibility set forth in NAC 385B.716.*

**Sec. 3.** *A pupil who enrolls in a school for the first time or who transfers from one school to another school is ineligible to participate in any sanctioned sport at the school in which the pupil enrolls or to which the pupil transfers for 180 school days if, within the year immediately preceding the date of enrollment or date of transfer, the pupil:*

*1. Participated in an athletic event as a member of a team that is affiliated with the school in which the pupil enrolls or to which the pupil transfers, including, without limitation, an athletic event sponsored or conducted by the Amateur Athletic Union, the American Legion or a similar organization specified by the Executive Director; or*

*2. Received any athletic instruction from a person who is affiliated with the school in which the pupil enrolls or to which the pupil transfers.*

**Sec. 4.** NAC 385B.712 is hereby amended to read as follows:

385B.712 1. Except as otherwise provided in this section, to be eligible to participate in a sanctioned sport, a pupil must attend the school that is located in the zone of attendance of the residence of the pupil and his or her parent or legal guardian. When a pupil initially enrolls in a school, one residence of the pupil must be identified as the residence of the pupil within the zone of attendance of the school regardless of the number of homes in which the pupil may actually reside and that school is the pupil's school of residence for the purposes of determining eligibility to participate in a sanctioned sport.

2. A pupil enrolled in a school based on ~~an~~ *a residential* affidavit ~~of residency~~ is not eligible to participate in any sanctioned sport at the school for 180 school days beginning on the date on which the pupil first attends the school.

3. A pupil whose parents are divorced or separated is eligible to participate in a sanctioned sport at the school that is located within the zone of attendance of the residence of the parent having primary physical custody of the pupil as determined pursuant to subsection 1.

4. If the primary physical custody of a pupil whose parents are divorced or separated is jointly shared at the separate residences of the parents and if the pupil:

(a) Was enrolled in a member school at the time of the divorce or separation, the pupil remains eligible to participate in a sanctioned sport at that member school.

(b) Was not enrolled in a member school at the time of the divorce or separation, the school in which the pupil initially enrolls in ninth grade in accordance with subsection 1 is the pupil's school of residence for the purposes of eligibility to participate in a sanctioned sport.

5. A pupil who begins ninth grade at a private school, *charter school, magnet school or vocational or technical school* that serves all pupils who are located within the zone of

attendance of the residence of a parent or legal guardian of the pupil is eligible to participate in a sanctioned sport at the ~~private~~ *applicable* school.

6. For the purposes of this chapter, the Association will not recognize a temporary guardianship that is granted without the approval of a court pursuant to NRS 159A.205 or 159A.215.

7. A pupil is not eligible to participate in a sanctioned sport at a school that is located within the zone of attendance of the legal guardian of the pupil unless the legal guardian has complied with subsection 3 of NAC 385B.718.

*8. As used in this section, “residential affidavit” means an affidavit submitted to a school by the parent or legal guardian of a pupil which indicates that the pupil and his or her parent or legal guardian reside in the home of another person who is not the pupil’s parent or legal guardian and whose home is located within the zone of attendance of the school in which the pupil is enrolled.*

**Sec. 5.** NAC 385B.714 is hereby amended to read as follows:

385B.714 1. The burden of proof rests with a parent or legal guardian of a pupil, or a pupil if he or she is 18 years of age or older and does not live with a parent or legal guardian, to prove to the satisfaction of the school district or the Executive Director, as appropriate, that the pupil has established a residence within the zone of attendance of a school.

2. A pupil who is 18 years of age or older and does not live with a parent or legal guardian must comply with subsection 6 of NAC 385B.718 to establish residency.

3. If a pupil has a new residence, to establish residency pursuant to this section, the pupil or his or her parent or legal guardian must submit to the school district or Executive Director, as appropriate, evidence establishing to the satisfaction of the school district or Executive Director:

(a) The right of the pupil and each parent or legal guardian with whom the pupil resided at the former residence to use the new residence for the purpose of establishing eligibility to participate in a sanctioned sport;

(b) That the new residence is located within the zone of attendance of the school at which eligibility is sought; and

(c) That the pupil and his or her parent or legal guardian no longer reside at the former residence. Evidence submitted pursuant to this paragraph must include, without limitation, information and documentation establishing that:

(2) The transfer of personal property ordinarily associated with a legitimate change of residence has been completed; and

(3) The former residence is not currently being used by the parent or legal guardian or by any other relative of the pupil or parent or legal guardian under circumstances in which the school district or Executive Director may reasonably infer that the pupil has not changed residences and the request is an attempt to circumvent the requirements for eligibility to participate in a sanctioned sport prohibited pursuant to NAC 385B.776.

4. The evidence required pursuant to subsection 3 may include, without limitation:

(a) A document indicating the sale of the former residence and the issuance of the deed for the new residence to the pupil, parent or legal guardian;

(g) Any other evidence indicating that the pupil and the parent or legal guardian reside at the new address.

5. If a pupil establishes eligibility to participate in a sanctioned sport pursuant to subsection 3 and, within 1 year after establishing that eligibility, reestablishes a residence in his or her former school district or zone of attendance, the pupil is ineligible to participate in interscholastic activities at the former school for 180 school days unless the pupil ~~has complied~~ *complies* with the provisions of ~~NAC 385B.720~~ *section 3 of this regulation*.

**385B.720 Pupil who transfers to another school within same zone of attendance or after change in zone of attendance. (NRS 385B.060)**

1. Except as otherwise provided in subsection 2, an eligible pupil who attends a school for at least 180 school days and transfers from a school to another school within the zone of attendance is ineligible to participate in any sanctioned sport in which the pupil's name appeared on a roster of the Association for 180 school days after the date of the transfer. If the pupil transfers within the first 180 school days, he or she is ineligible:

- (a) For the remainder of the school year in which he or she transfers; and
- (b) For 180 school days after the date of the transfer.

2. A pupil who resides with a parent or legal guardian, or who is emancipated, and resides in an area that is affected by a change in the zone of attendance of a school, may transfer from a school to another school, regardless of whether the change in the zone of attendance was initiated to establish the zone of attendance for a new school or to carry out the rezoning of an existing school.

3. A pupil specified in subsection 2 may transfer from a school to another school pursuant to that subsection:

- (a) Not more than once; and

(b) Only if the transfer is completed on or before the beginning of the school year in which the change in the zone of attendance occurred.

**385B.722 Pupil who is approved to attend magnet school or vocational or technical school that offers sanctioned sport. (NRS 385B.060)**

1. A pupil who does not reside within the zone of attendance of a magnet school or a vocational or technical school that is located within a school, and who obtains a waiver to attend the program of the magnet school or vocational or technical school, is eligible to participate in any sanctioned sport at the school.

2. To establish eligibility pursuant to subsection 1, the pupil must:

(a) Comply with the requirements of the magnet school or vocational or technical school for filing an application;

(b) Comply with the requirements to participate in the program of the magnet school or vocational or technical school;

(c) Enroll in the courses required for pupils participating in the program of the magnet school or vocational or technical school; and

(d) Maintain eligibility to complete the program of the magnet school or vocational or technical school.

3. During the period in which the pupil is enrolled in the magnet school or vocational or technical school, the pupil may participate only in a sanctioned sport that is offered by the school in which the magnet school or vocational or technical school is located.

4. A pupil who is approved to enroll in a magnet school or a vocational or technical school and fails to comply with the requirements of subsection 2, or who does not complete the program of the magnet school or vocational or technical school, becomes immediately ineligible to

participate in a sanctioned sport at the school in which the magnet school or vocational or technical school is located for 180 school days.

5. A pupil who is accepted into the program of a magnet school or a vocational or technical school and who, after acceptance into the program, chooses to return to his or her school of residence, becomes ineligible for the remainder of the school year in which the transfer occurs and for an additional 180 school days in any sanctioned sport in which the pupil's name appeared on a roster of the Association during the period he or she attended the magnet school or vocational or technical school.

**385B.728 Pupil assigned to option-zoned school; effect of rezoning of boundaries of certain school districts during school year. (NRS 385B.060)**

1. A pupil who is assigned to an option-zoned school by a school district may establish eligibility to participate in a sanctioned sport in accordance with this section.

2. A pupil specified in subsection 1 who attends his or her school of residence remains eligible at that school. The pupil may choose to attend an option-zoned school at any time, and is immediately eligible to participate in a sanctioned sport at that option-zoned school. If the pupil transfers between schools that are located within an option zone, the pupil is ineligible to participate in a sanctioned sport for 180 school days after the initial transfer.

3. A pupil specified in subsection 1 who initially chooses to attend an option-zoned school is immediately eligible to participate in any sanctioned sport that is offered by the option-zoned school. A pupil who initially chooses to attend an option-zoned school and who, after attending the option-zoned school, transfers to his or her school of residence, becomes ineligible for the remainder of the school year in which the transfer occurs and for an additional 180 school days

in any sport in which the pupil's name appeared on a roster of the Association during the period he or she attended the option-zoned school.

4. If a school district has more than one school located within the school district and the school district rezones its boundaries during a school year, the school district is not required, during that school year, to comply with the provisions of NAC 385B.718. The provisions of subsection 2 of NAC 385B.720 apply to any pupil of a school who is affected by the rezoning. A pupil who is adversely affected by the rezoning may not appeal the decision of the school district to the Association.

5. As used in this section, "option-zoned school" means a school for which a school district authorizes a pupil who does not reside within the zone of attendance of the school to attend the school. The term includes a magnet school.
