EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §§ 1-3, NRS 385B.060.

A REGULATION relating to interscholastic activities; revising the penalties for certain violations relating to interscholastic activities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the Nevada Interscholastic Activities Association controls, supervises and regulates all interscholastic athletic events and other interscholastic events in public schools and is required to adopt rules and regulations governing those events. (NRS 385B.050, 385B.060)

Existing regulations authorize the Association to impose certain penalties for a violation of the regulations adopted by the Association concerning interscholastic events, including, without limitation, the imposition of fines and issuance of sanctions. (NAC 385B.960) **Section 3** of this regulation revises the penalties which the Association is authorized to impose to include: (1) the imposition of a fine of \$250 for a first violation or \$500 for a second or subsequent violation; or (2) the issuance of a sanction indicating the occurrence of misconduct and the imposition of a fine of \$1,000 for a first violation or \$1,500 for a second or subsequent violation.

Existing law requires the Association to adopt regulations relating to spirit squads, including standards of safety for each event, competition or other activity engaged in by a spirit squad of a school that is a member of the Association. (NRS 385B.060) Existing regulations require an application to the Association for the sanctioning of a competition or event for spirit squads to be submitted not later than 30 days before the competition or event. If such an application is not timely submitted but is nonetheless approved by the Association, existing regulations require the applicant to pay a penalty of \$100. (NAC 385B.564) **Section 1** of this regulation increases the penalty to \$250.

Existing regulations authorize the Association to impose a penalty of \$500 against a school if a spirit squad of the school attends or participates in a competition or event that is not sanctioned by the Association. (NAC 385B.566) **Section 2** of this regulation increases the penalty to \$1,000. **Section 2** also removes a reference to an obsolete Internet website of the Association.

Section 1. NAC 385B.564 is hereby amended to read as follows:
