EXPLANATION – Matter in *italics* is new; matter in brackets [omitted material] is material to be omitted.

AUTHORITY: § 1, NRS 385.080.

A REGULATION relating to education; repealing provisions governing programs for persons with disabilities with unique needs; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under the federal Individuals with Disabilities Education Act, state and local agencies that accept federal funding under the Act must make available to persons with disabilities between the ages of 3 to 21, inclusive, a free appropriate public education, which, in certain cases, may require the placement of such a person at a private school or facility if a free appropriate public education cannot be provided by the local educational agency. (20 U.S.C. § 1412(a))

Senate Bill No. 508 of the 2015 Legislative Session repealed various provisions concerning the provision of special education programs and related services to certain persons with disabilities in this State, including, without limitation, provisions which required the Superintendent of Public Instruction to provide such programs and services by, if necessary, arranging for the placement of an eligible person with a disability in an institution, foster home or other residential facility either inside or outside of the school district in which the person resides. (Chapter 536, Statutes of Nevada 2015, at page 3701) Existing regulations set forth certain procedures related to these repealed provisions, including, without limitation, requirements for: (1) evaluating a person with a disability who is considered for placement outside of the school district; (2) applications by school districts to the Superintendent of Public Instruction for approval of such placement; and (3) assessing the progress of a person with a disability who receives such a placement. (NAC 388.460-388.488) This regulation repeals these provisions to conform with the repeal of the related provisions of law effectuated by Senate Bill No. 508.

Section 1. NAC 388.460, 388.462, 388.464, 388.466, 388.468, 388.470, 388.472, 388.474,

388.476, 388.478, 388.480, 388.482, 388.484, 388.486 and 388.488 are hereby repealed.
