INTERSCHOLASTIC ACTIVITIES ASSOCIATION**

**LCB File No. R021-25**

January 16, 2026

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§ 1-3 and 5-19, NRS 385B.060; § 4, NRS 385B.060 and 385B.090.

A REGULATION relating to interscholastic activities; revising provisions governing eligibility to participate in a sanctioned sport; providing certain penalties for persons engaged in athletic recruitment; creating procedures for an appeal submitted to a school district; revising provisions governing appeals submitted to the Executive Director of the Nevada Interscholastic Activities Association; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires the Nevada Interscholastic Activities Association to adopt rules and regulations concerning interscholastic athletic events. (NRS 385B.060)

Existing regulations provide that a pupil who transfers to another school and who does not qualify for immediate eligibility under existing law is presumed ineligible to participate in any sanctioned sport at the school to which the pupil transfers for 180 school days. (NAC 385B.716) **Section 10** of this regulation: (1) revises this presumption by providing that it applies only if the pupil's name appeared on a roster of the Association during the preceding 180 school days; (2) makes the presumption applicable to both pupils who transfer to another school and pupils who enroll in a school for the first time; and (3) authorizes a pupil, parent or legal guardian to apply for a waiver of the presumption. **Section 2** of this regulation sets forth requirements for the submission and approval of an application for such a waiver and provides that a pupil to whom the Association grants a waiver is eligible to participate in any sanctioned sport.

**Section 3** of this regulation creates a separate, nonwaivable presumption of ineligibility that applies to a pupil who enrolls in a school for the first time or transfers to another school if, during the year immediately preceding the enrollment or transfer, the pupil: (1) participated in an athletic event as a member of a team affiliated with the school in which the pupil enrolls or to which the pupil transfers; or (2) received athletic instruction from a person affiliated with such a school.

Existing law provides that certain pupils who transfer to a school are immediately eligible to participate and practice in any sanctioned sport or other interscholastic activity or event at the school. (NRS 385B.130, as amended by section 7 of Assembly Bill No. 184, chapter 261, Statutes of Nevada 2025, at page 1802) **Section 5** of this regulation requires a pupil who

qualifies for immediate eligibility to notify the Association, using a process approved by the Association, of the applicable eligibility criterion.

Existing law prohibits certain persons from engaging in athletic recruitment and pupils from transferring to or enrolling in a school as the result of athletic recruitment. Existing law also sets forth certain penalties for such actions. (Section 3 of Assembly Bill No. 184, chapter 261, Statutes of Nevada 2025, at page 1797) Existing regulations authorize the Association to impose additional penalties for violations of chapter 385B of NAC. (NAC 385B.960) **Section 6** of this regulation revises prohibitions against athletic recruitment to provide that a person who commits certain actions is subject to such additional penalties.

**Section 7** of this regulation eliminates certain stipulations that a school district must adhere to if the school district adopts additional requirements for eligibility that are stricter than those set forth by the Association. (NAC 385B.704)

**Section 8** of this regulation: (1) provides that a pupil enrolled in a school based on a residential affidavit, rather than an affidavit of residency, is not eligible to participate in any sanctioned sport at the school for 180 days; and (2) defines the term “residential affidavit” for the purposes of **section 8**. **Section 8** additionally provides that, in addition to a pupil who begins ninth grade at a private school, a pupil who begins ninth grade at a charter school, magnet school or vocational or technical school that serves all pupils located within the zone of attendance of the residence of a parent or legal guardian of the pupil is eligible to participate in a sanctioned sport at the applicable school. (NAC 385B.712)

Existing regulations provide that a pupil who establishes eligibility to participate in a sanctioned sport using certain evidence and, within 1 year after doing so, reestablishes a residence in his or her former school district or zone of attendance, is ineligible to participate in interscholastic activities for 180 school days unless the pupil complies with certain provisions. (NAC 385B.714) **Section 9** of this regulation instead provides that such a pupil is ineligible to participate in any sanctioned sport at the former school unless he or she complies with the provisions of **section 2**. **Section 9** additionally revises the types of evidence a pupil or his or her parent or legal guardian may submit.

**Section 11** of this regulation revises provisions governing the rebuttal of certain presumptions of ineligibility by requiring proof that the parent who has physical custody of the pupil, rather than legal custody, resides within the applicable zone of attendance. **Section 11** also eliminates provisions that: (1) exempt a school district from complying with certain requirements; and (2) authorize a school district to request approval to deviate from regulations adopted by the Association. (NAC 385B.718)

Existing regulations require a pupil to attend the school located in the zone of attendance of the residence of the pupil to be eligible to participate in a sanctioned sport, unless an exception applies. (NAC 385B.712) Under existing regulations, one such exception provides that a pupil who does not reside within the zone of attendance of a magnet school or a vocational or technical school located within a school is eligible to participate in any sanctioned sport at the school. (NAC 385B.722) **Section 12** of this regulation eliminates this exception and instead authorizes a pupil who, after enrolling in grade 9, attends such a school to apply for a waiver of the requirement. **Section 12** also sets forth the requirements governing the submission and approval of an application for such a waiver.

**Section 13** of this regulation eliminates provisions governing the eligibility of a homeschooled child to participate in a sanctioned sport after withdrawing from a school in which the child was enrolled. (NAC 385B.734)

**Section 14** of this regulation clarifies that certain provisions governing the eligibility of siblings to participate in a sanctioned sport apply to pupils enrolled in public school. **Section 14** also authorizes a pupil who resides in an area affected by a change in the zone of attendance of a school to transfer from one school to another school under certain circumstances. (NRS 385B.736)

Existing regulations: (1) prohibit a pupil from practicing or participating in any sanctioned sport for more than one school during a season; and (2) authorize the Executive Director of the Association to waive this prohibition under certain circumstances. (NAC 385B.740) **Section 15** of this regulation revises the circumstances under which the Executive Director may grant such a waiver.

**Section 16** of this regulation expands the circumstances under which a pupil who is ineligible to participate in a sanctioned sport because of a transfer may reestablish eligibility. (NAC 385B.742)

Existing regulations authorize a pupil who wishes to transfer schools to apply for a waiver from eligibility requirements. (NAC 385B.744) **Section 17** of this regulation specifies: (1) the circumstances under which a pupil may apply for such a waiver; (2) the eligibility requirement that may be waived; and (3) the procedures for submitting and approving an application.

**Section 19** of this regulation repeals provisions governing the eligibility of: (1) pupils who obtain a waiver to attend a magnet school or a vocational or technical school that is located within a school; and (2) pupils who are assigned to option-zoned schools. (NAC 385B.720, 385B.728)

Existing law requires the rules and regulations of the Association to provide for adequate review procedures for disputes concerning the decisions and activities of the Association. (NRS 385B.090) Existing law additionally: (1) provides that a pupil or school aggrieved by a final decision or order made pursuant to a regulation adopted by the Association may appeal the decision or order to the Executive Director; and (2) authorizes a pupil or school who is aggrieved by a decision or order made pursuant to such an appeal to further appeal to the school district within which the pupil is enrolled or the school is located. (NRS 385B.100, as amended by section 6 of Assembly Bill No. 184, chapter 261, Statutes of Nevada 2025, at page 1801) **Section 4** of this regulation sets forth the procedures that a school district, or a person designated by the school district to hear such an appeal, must follow. **Section 18** of this regulation revises provisions governing appeals submitted to the Executive Director.

**Section 1.** Chapter 385B of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this regulation.

When a pupil initially enrolls in a school, one residence of the pupil must be identified as the residence of the pupil within the zone of attendance of the school regardless of the number of homes in which the pupil may actually reside and that school is the pupil's school of residence for the purposes of determining eligibility to participate in a sanctioned sport.

2. A pupil enrolled in a school based on ~~{an}~~ *a residential* affidavit ~~{of residency}~~ is not eligible to participate in any sanctioned sport at the school for 180 school days beginning on the date on which the pupil first attends the school.

3. A pupil whose parents are divorced or separated is eligible to participate in a sanctioned sport at the school that is located within the zone of attendance of the residence of the parent having primary physical custody of the pupil as determined pursuant to subsection 1.

4. If the primary physical custody of a pupil whose parents are divorced or separated is jointly shared at the separate residences of the parents and if the pupil:

(a) Was enrolled in a member school at the time of the divorce or separation, the pupil remains eligible to participate in a sanctioned sport at that member school.

(b) Was not enrolled in a member school at the time of the divorce or separation, the school in which the pupil initially enrolls in ninth grade in accordance with subsection 1 is the pupil's school of residence for the purposes of eligibility to participate in a sanctioned sport.

5. A pupil who begins ninth grade at a private school , *charter school, magnet school or vocational or technical school* that serves all pupils who are located within the zone of attendance of the residence of a parent or legal guardian of the pupil is eligible to participate in a sanctioned sport at the ~~{private}~~ *applicable* school.

6. For the purposes of this chapter, the Association will not recognize a temporary guardianship that is granted without the approval of a court pursuant to NRS 159A.205 or 159A.215.

7. A pupil is not eligible to participate in a sanctioned sport at a school that is located within the zone of attendance of the legal guardian of the pupil unless the legal guardian has complied with subsection 3 of NAC 385B.718.

*8. As used in this section, “residential affidavit” means an affidavit submitted to a school by the parent or legal guardian of a pupil which indicates that the pupil and his or her parent or legal guardian reside in the home of another person who is not the pupil’s parent or legal guardian and whose home is located within the zone of attendance of the school in which the pupil is located.*

**Sec. 9.** NAC 385B.714 is hereby amended to read as follows:

385B.714 1. The burden of proof rests with a parent or legal guardian of a pupil, or a pupil if he or she is 18 years of age or older and does not live with a parent or legal guardian, to prove to the satisfaction of the school district or the Executive Director, as appropriate, that the pupil has established a residence within the zone of attendance of a school.

2. A pupil who is 18 years of age or older and does not live with a parent or legal guardian must comply with subsection 6 of NAC 385B.718 to establish residency.

(b) That the new residence is located within the zone of attendance of the school at which eligibility is sought; and

(c) That the pupil and his or her parent or legal guardian no longer reside at the former residence. Evidence submitted pursuant to this paragraph must include, without limitation, information and documentation establishing that:

(1) The former residence has been sold or transferred from the legal ownership or possession of the parent or legal guardian;

(2) The transfer of personal property ordinarily associated with a legitimate change of residence has been completed; and

(3) The former residence is not currently being used by the parent or legal guardian or by any other relative of the pupil or parent or legal guardian under circumstances in which the school district or Executive Director may reasonably infer that the pupil has not changed residences and the request is an attempt to circumvent the requirements for eligibility to participate in a sanctioned sport prohibited pursuant to NAC 385B.776.

4. The evidence required pursuant to *paragraphs (a) and (b) of* subsection 3 may include, without limitation:

(a) A document indicating ~~the sale of the former residence and~~ the issuance of the deed for the new residence to the pupil, parent or legal guardian;

**Sec. 10.** NAC 385B.716 is hereby amended to read as follows:

385B.716 1. ~~{Any}~~ *Except as otherwise provided in subsection 2, a* pupil who *enrolls in a school for the first time or* transfers to another school is presumed ineligible to participate in any sanctioned sport *in which the pupil's name appeared on a roster of the Association during the previous 180 school days* at the school to which the pupil transfers for 180 school days.

2. ~~{The presumption set forth in subsection 1 applies to a pupil who transfers from:~~

- (a) The parents of the pupil are unfit or incapable of maintaining or caring for the pupil; or
- (b) The pupil is a delinquent who will benefit from the guardianship.

4. The exception set forth in subsection 3 applies only to a pupil for whom a legal guardian is appointed by a court of competent jurisdiction for the best interests of the pupil. If the Association determines that a legal guardianship has been established to circumvent the provisions of this chapter, the Association will refuse to recognize the legal guardianship and determine the eligibility of the pupil as if no legal guardianship existed.

8. A pupil who is eligible to participate in a sanctioned sport pursuant to this section and who, within 1 year after becoming eligible, returns to the pupil's former residence or a residence in the school district from which he or she transferred is ineligible to participate in ~~the~~ *any* sanctioned sport for 180 school days after the date on which the pupil returns to that residence.

~~{9.—A school district consisting of more than one school is not required to comply with the requirements of this section if the school district imposes requirements that are stricter than the requirements set forth in this section.~~

~~—10.—Except as otherwise provided in NRS 385B.170, if a high school is opened in a school district specified in subsection 9, the school district may submit a request to the Association to deviate from the regulations adopted by the Association relating to the transfer of pupils. ### **NAC 385B.720 (NRS 385B.060)**

1. Except as otherwise provided in subsection 2, an eligible pupil who attends a school for at least 180 school days and transfers from a school to another school within the zone of attendance is ineligible to participate in any sanctioned sport in which the pupil's name appeared on a roster of the Association for 180 school days after the date of the transfer. If the pupil transfers within the first 180 school days, he or she is ineligible:

(a) For the remainder of the school year in which he or she transfers; and

(b) For 180 school days after the date of the transfer.

2. A pupil who resides with a parent or legal guardian, or who is emancipated, and resides in an area that is affected by a change in the zone of attendance of a school, may transfer from a school to another school, regardless of whether the change in the zone of attendance was initiated to establish the zone of attendance for a new school or to carry out the rezoning of an existing school.

3. A pupil specified in subsection 2 may transfer from a school to another school pursuant to that subsection:

(a) Not more than once; and

(b) Only if the transfer is completed on or before the beginning of the school year in which the change in the zone of attendance occurred.

**NAC 385B.728 (NRS 385B.060)**

1. A pupil who is assigned to an option-zoned school by a school district may establish eligibility to participate in a sanctioned sport in accordance with this section.

2. A pupil specified in subsection 1 who attends his or her school of residence remains eligible at that school. The pupil may choose to attend an option-zoned school at any time, and is immediately eligible to participate in a sanctioned sport at that option-zoned school. If the pupil transfers between schools that are located within an option zone, the pupil is ineligible to participate in a sanctioned sport for 180 school days after the initial transfer.

3. A pupil specified in subsection 1 who initially chooses to attend an option-zoned school is immediately eligible to participate in any sanctioned sport that is offered by the option-zoned school. A pupil who initially chooses to attend an option-zoned school and who, after attending the option-zoned school, transfers to his or her school of residence, becomes ineligible for the remainder of the school year in which the transfer occurs and for an additional 180 school days in any sport in which the pupil's name appeared on a roster of the Association during the period he or she attended the option-zoned school.

4. If a school district has more than one school located within the school district and the school district rezones its boundaries during a school year, the school district is not required, during that school year, to comply with the provisions of NAC 385B.718. The provisions of

subsection 2 of NAC 385B.720 apply to any pupil of a school who is affected by the rezoning. A pupil who is adversely affected by the rezoning may not appeal the decision of the school district to the Association.

5. As used in this section, “option-zoned school” means a school for which a school district authorizes a pupil who does not reside within the zone of attendance of the school to attend the school. The term includes a magnet school.
