AUTHORITY: § 1, NRS 391.019.

A REGULATION relating to educational personnel; removing certain duplicative reporting requirements of school districts; repealing regulations relating to requests for exceptions for teachers teaching outside their area of endorsement; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the board of trustees of each school district in this State to prepare an annual report of accountability, including information on personnel, teachers and other licensed educational personnel and paraprofessionals employed by the school district. (NRS 385A.070, 385A.220, 385A.230) Existing regulations: (1) require the superintendent of each school district to submit a list of the district’s licensed teachers and their teaching assignments to the Superintendent of Public Instruction; and (2) provide a process for the superintendent of a school district to submit a request for an exception for teachers in the school district who are teaching outside their area of endorsement. (NAC 391.146-391.158) This regulation removes the duplicative reporting requirement and the process for requesting an exception.

Section 1. NAC 391.146, 391.148, 391.150, 391.152, 391.154, 391.156 and 391.158 are hereby repealed.

1. Secondary license; or
2. License to teach middle school or junior high school education,
↳ to teach outside his or her area of endorsement.

391.148 Applicability of provisions. (NRS 391.019) NAC 391.146 to 391.158, inclusive, do not apply to any teacher who received a secondary license:

2. On or after September 1, 1980, and before January 1, 1992, if the teacher:
 - (a) Submits a notarized affidavit stating that he or she has been teaching outside his or her area of endorsement for not less than 3 years before January 1, 1992; and

(b) Has, as of January 1, 1992, completed in a manner satisfactory to the Superintendent of Public Instruction not less than the equivalent of 6 semester hours of credit in the subject he or she is teaching which is outside his or her area of endorsement.

391.150 Submission of lists: List of teachers and teaching assignments; list of teachers teaching outside area of endorsement. (NRS 391.019)

The request must be in the form prescribed by the Department.

2. A request for an exception must:

(a) Be accompanied by evidence that the licensed teacher has been notified by the district that:

(1) The request is being made; and

(2) He or she has a right to object to the request.

(b) Include a statement demonstrating that extenuating circumstances exist which justify an exception. These circumstances may include:

(1) The number of pupils enrolled in the school;

(2) The unavailability of teachers holding the required endorsement;

(3) Unusual temporary conditions such as double sessions or problems with the facilities of a school; and

(4) The unavailability of an endorsement for a teaching license in the area being taught.

(c) Be accompanied by evidence that all reasonable alternatives have been explored.

(d) Include a plan outlining how the district will eliminate future requests for the same exception.

3. A licensed teacher for whom an exception has been requested may submit a written objection to the Superintendent of Public Instruction within 60 days after receiving notice that the request for the exception is being made.

391.154 Request for exception: Action by Superintendent of Public Instruction. (NRS 391.019) Upon receiving a request for an exception, the Superintendent of Public Instruction shall:

1. On or before December 15, give written notice of whether the request for an exception is granted or denied to the superintendent who requested the exception and the teacher for whom the request was made.

2. If the request for an exception:

(a) Relates to a course in the humanities, an elective course of study or a course that is supplemental to the basic curriculum prescribed by the Board; and

(b) Is for a teacher who is assigned to teach outside his or her area of endorsement at a middle, junior high, secondary or combined school that has less than 300 pupils enrolled and is located at least 30 miles from a school where the subject is taught by persons who have received endorsements in that area,

↳ the Superintendent of Public Instruction may extend the exception for 2 years if the superintendent of the school district submits to the Superintendent of Public Instruction a plan by which the conditions that necessitated the request can be eliminated within the period of the extension.

3. The Superintendent of Public Instruction may grant an exception for longer than 2 school years to a teacher of a program of alternative education who teaches outside his or her area of endorsement.

4. As used in this section:
