A REGULATION relating to elections; requiring county clerks to mail written notices after each primary or general election to certain registered voters under certain circumstances; requiring county clerks to mail written notices to all registered voters in odd-numbered years under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires, under certain circumstances, that county clerks designate certain registered voters as inactive. (NRS 293.530) If a registered voter is designated as inactive, the county clerk is not required to send the registered voter mail ballots or sample ballots in future elections. (NRS 293.269911, 293.269913, 293C.263, 293C.26312; NAC 293.412) A registered voter who is designated as inactive may still vote in person at a polling place. (NAC 293.412)

Section 2 of this regulation requires, for purposes of determining whether a registered voter must be designated as an inactive voter after a primary election or general election, each county clerk to mail written notice that complies with the applicable requirements of federal and state law to every registered voter in the county for whom a sample ballot or mail ballot that was mailed to the registered voter for the primary election or general election was returned by the United States Postal Service as undeliverable.

Section 3 of this regulation requires that, on or before certain deadlines in odd-numbered years, each county clerk mail written notice that complies with the applicable requirements of federal and state law to every registered voter in the county to confirm the address of the registered voter. **Section 3** further authorizes the county clerk to submit a request to the Secretary of State for the Office of the Secretary of State to mail such written notices.

Section 4 of this regulation clarifies that the provisions of **sections 2 and 3** shall not be construed to prohibit a county clerk from cancelling the voter registration of a person under certain circumstances, including if the person: (1) dies; (2) is convicted of a felony and is currently incarcerated; or (3) requests that his or her voter registration be cancelled.

Section 1. Chapter 293 of NAC is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this regulation.
