

Informational Statement Form-revised – R092-25

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 633.

1. A clear and concise explanation of the need for the adopted regulation.

The proposed additions and modifications to Nevada Administrative Code (“NAC”) Chapter 633 are necessary to ensure compliance of the Nevada State Board of Osteopathic Medicine (“the “Board”) with the requirements of newly passed Assembly Bill (“A.B.”) 56, signed into law in June 2025. These draft additions and modifications create requirements set forth in NAC 633 relating to osteopathic medicine; making various conforming changes providing for biennial license renewals for certain licensees rather than annual renewal of such licenses; making various conforming changes providing for continuing education requirements for osteopathic physicians and physician assistants necessary for renewal of such licenses; and making various conforming changes to the amount of certain fees the Board may charge, including the fees for the issuance and renewal of licenses for osteopathic physicians and physician assistants.

2. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.
