The information required by NRS 233B.066 is provided below:

**1. A clear and concise explanation of the need for the adopted regulation.**

NRS 293.124 provides the Secretary of State, as the Chief Officer of Elections for the State of Nevada, the authority to adopt such regulations as are necessary to carry out the provisions of title 24 of NRS. The purpose of this proposed regulation is to ensure timely and accurate notification of legislative vacancies by requiring that any legislator who resigns notify the Secretary of State within five business days, in addition to notifying the Governor as required by law. This promotes efficient administration of elections and filing processes by ensuring that the appropriate election officials are promptly informed.

**2. A description of how public comment was solicited, a summary of the public response and an explanation of how other interested persons may obtain a copy of the summary.**

The Office of the Secretary of State solicited comment on the proposed amendment by posting a notice with links to the full text of the proposed amendment to the LCB Administrative Regulation Notices website, Secretary of State's website, and Nevada Public Notice website as well as posting notices and agendas in numerous public locations pursuant to NRS 233B.

All 17 county clerks and registrars were given a copy of all notices and proposed text along with the guidance to distribute to anyone who may be interested.

A workshop was held regarding this regulation on January 16, 2026 and the adoption hearing was held on February 17, 2026. The notices, proposed text, and link to the video of the workshop and adoption hearing are posted at the following website:

<https://www.nvsos.gov/sos/elections/election-resources/elections-regulations-2026/>

Written comments received prior to each adoption hearing are available upon request.

There was limited public response about this regulation. The comments received generally expressed concern that the regulation might alter statutory requirements for legislative resignation. In response, it was clarified that the regulation does not change the law but simply encourages providing a courtesy copy of the resignation to appropriate officials to improve communication and administrative clarity.
