## A REGULATION relating to the registration of pharmaceutical technician in training and other matters properly relating thereto.

**NAC 639.242 Registration of pharmaceutical technician in training; grounds for denial of application for registration; expiration of registration; certification by managing pharmacist. (NRS 639.070, 639.1371)**

1. An applicant for registration as a pharmaceutical technician in training must:
  - (a) Be **18** **16** years of age or older;
  - (b) Be a high school graduate or the equivalent **or be enrolled in a high school or equivalent**; and
  - (c) Participate in training while on the job and acquire experience that is commensurate with the duties of his or her employment.
2. The Board may deny an application for registration as a pharmaceutical technician in training if the applicant has:
  - (a) Been convicted of any felony or a misdemeanor involving moral turpitude, dishonesty or the unlawful possession, sale or use of drugs; or
  - (b) A history of drug misuse.
3. A person may perform the duties of a pharmaceutical technician while the person is receiving the training and experience required by paragraph (c) of subsection 1 if he or she is registered with the Board.
4. If the Board does not deny the application pursuant to subsection 2 and determines that the applicant meets the requirements of this chapter and **chapter 639** of NRS for registration as a pharmaceutical technician in training, the Board will issue a certificate of registration as a pharmaceutical technician in training to the applicant.
5. Registration as a pharmaceutical technician in training expires on October 31 of each even-numbered year unless renewed before that date.
6. The managing pharmacist of the pharmacy where a pharmaceutical technician in training is employed to receive the training and experience required by paragraph (c) of subsection 1 shall file with the Board a completed form prescribed by the Board certifying:
  - (a) The number of hours of training and experience the trainee has successfully completed;
  - (b) The specific training and experience the trainee has completed; and
  - (c) That the trainee is competent to perform the duties of a pharmaceutical technician.
