Legislative Counsel’s Digest:

Existing law requires the members of the Nevada Tax Commission to prescribe regulations for carrying on the business of the Commission and the Department of Taxation. (NRS 360.090) Existing regulations set forth various provisions governing the practice and procedure in contested cases before the Commission and the Department. (NAC 360.043-360.200) **Section 2** of this regulation provides that, notwithstanding those provisions, each hearing of a contested case heard by the Commission and the Department relating to disciplinary proceedings, claims of ownership in certain property transmitted to or seized by the Department and appeals of civil penalties under existing law relating to tobacco licensees and manufacturers will be conducted in accordance with the provisions of the Nevada Administrative Procedure Act and regulations relating to contested cases involving tobacco licensees and manufacturers. **Sections 2-17** of this regulation set forth various provisions governing contested cases relating to tobacco licensees and manufacturers. **Sections 3 and 5** establish requirements governing pleadings and acknowledgments of service for certain documents, respectively. **Sections 4, 10 and 11** set forth

evidentiary procedures in such proceedings. **Section 6** establishes requirements governing transcripts of proceedings, including, without limitation, stating the party responsible for furnishing a certified court reporter and bearing associated costs. **Section 7** sets forth requirements governing ethical and courteous conduct during a proceeding. **Section 8** authorizes a hearing officer to hold a prehearing conference. **Section 9**: (1) authorizes a hearing officer to issue a subpoena subject to certain restrictions; and (2) provides certain requirements that must be satisfied to obtain the subpoena. **Section 12** requires the Commission to assign a hearing officer to hear any appeal to the Commission in which certain parties have not received an evidentiary hearing. **Section 13**: (1) authorizes certain parties to request a closed hearing; and (2) sets forth requirements for making such a request. **Section 14** sets forth provisions governing the rehearing or reconsideration of a matter.

Sections 15 and 16 set forth the procedure for claiming an ownership interest in property transmitted to or seized by the Department under provisions of existing law requiring the seizure and disposition of certain counterfeit, contraband or unlawfully used property relating to tobacco. **Section 15** additionally sets forth the consequences for failure to file a claim within the prescribed period of time. **Section 17** sets forth the procedure for a tobacco licensee or manufacturer to appeal a civil penalty issued by the Department. **Section 21** of this regulation applies certain definitions to **sections 2-17**.

Existing law imposes a tax on cigarettes and other tobacco products. (Chapter 370 of NRS) Existing law and regulations authorize a refund for the taxes paid on cigarettes or other tobacco products for cigarettes or other tobacco products that are sold to: (1) any person if sold and delivered on an Indian reservation or colony where an excise tax has been imposed that is equal to or greater than the rate of tax imposed pursuant to provisions of existing law; or (2) an Indian if sold and delivered on an Indian reservation or colony where no excise tax has been imposed or the excise tax is less than the rate of the tax imposed pursuant to provisions of existing law. (NRS 370.280, 370.503; NAC 370.230) Existing law prohibits the Department from collecting the tax on cigarettes and other tobacco products sold on an Indian reservation or Indian colony if the governing body of the reservation or colony imposes an excise tax on cigarettes and other tobacco products that is equal to or greater than the tax imposed by provisions of existing law and the governing body submits a copy of the ordinance imposing the tax to the Department. (NRS 370.515) **Sections 20 and 33** of this regulation eliminate provisions which set forth procedures for an Indian tribe to apply for and receive a refund from the Department of the tax on cigarettes and other tobacco products.

Existing law provides for the licensing by the Department of persons engaged in the manufacture, distribution and sale of cigarettes and other tobacco products, including persons who operate a warehouse or distribution center or who conduct business as a manufacturer, a wholesale dealer of cigarettes, a wholesale dealer of other tobacco products, a tobacco retail dealer, a cigarette vending machine operator or a logistics company. (NRS 370.531-370.597) Existing law authorizes the Department to suspend or revoke such licenses and requires the Department to adopt regulations establishing a procedure for the suspension and revocation of a license. (NRS 370.595, 370.597) Existing law also requires the Department to maintain a directory of manufacturers of tobacco products who have made current and accurate certifications to the Department concerning the manufacturer and its brand families. Existing law

further requires the Department to update the directory and to remove from the directory any manufacturer and its brand families that do not conform to the requirements for listing in the directory. (NRS 370.675)

Existing regulations establish procedures for the suspension and revocation of the license of a retail dealer or wholesale dealer and the removal of a manufacturer of tobacco products and its brand families from the directory. (NAC 370.500-370.595) **Section 22** of this regulation applies the procedures for the suspension or revocation of the license of a retail dealer or wholesale dealer to the suspension or revocation of any of the licenses issued pursuant to provisions of existing law relating to licenses and taxes on cigarettes or other tobacco products. **Sections 24-27, 29 and 32** of this regulation revise the timeline for such procedures by changing: (1) the amount of time licensees and manufacturers have to demonstrate compliance with the law after the Department issues a notice of intent to suspend or revoke a license or remove a manufacturer and its brand families from the directory, as applicable; (2) when a notice of hearing must be served relative to the date of the hearing; (3) the deadline for a respondent to submit supporting documents before the hearing; (4) the deadline for serving any motion not made at the hearing; (5) the deadline for a hearing officer to issue a decision and for a party to appeal that decision; and (6) when a final order suspending or revoking a license of a wholesale dealer of cigarettes or a wholesale dealer of other tobacco products becomes effective and the amount of time a wholesale dealer has to notify the tobacco retail dealers and manufacturers with whom the wholesale dealer does business of the suspension or revocation of such a license.

Existing regulations prescribe the order of proceedings for a hearing conducted to suspend or revoke the license of a licensee or to remove a manufacturer of tobacco products and its brand families from the directory. (NAC 370.580) **Section 29** provides that evidence at the hearing may be received in any manner ordered by the hearing officer, but that a hearing will ordinarily proceed in the prescribed order. **Section 28** of this regulation authorizes a hearing officer to: (1) order the parties to file briefs after the hearing; and (2) consider a request by the parties to file briefs before or after the hearing.

Existing regulations authorize a party to file a notice of appeal with the Commission within 20 business days after service of a decision issued by a hearing officer regarding the suspension or revocation of a license or the removal of a manufacturer of tobacco products and its brand families from the directory. Existing regulations authorize an opposing party to file a response to the notice of appeal. (NAC 370.585) Existing regulations provide that, in hearing such an appeal, the Commission will consider only evidence which was submitted to the hearing officer and identified in the notice of appeal or response to the notice of appeal. (NAC 370.590) **Section 30** of this regulation requires a notice of appeal, if any, to be filed with the Department within 30 days after service of the decision of the hearing officer and revises the information which is required to be included in a notice of appeal. **Section 30** requires an appellant to file, within 30 days after filing the notice of appeal, an opening brief which includes certain information previously required to be included in the notice of appeal. **Sections 30 and 31** of this regulation make conforming changes to provide that an opposing party may respond, in the form of an answering brief, to issues raised in the opening brief of the appellant rather than the notice of appeal. **Section 31** provides that the Commission will consider only evidence which was

identified in the opening brief or answering brief. **Section 31** increases the amount of time each party has for oral argument before the Commission.

Section 23 of this regulation revises the definition of the term “respondent” to specifically refer to a licensee or manufacturer of tobacco products to whom the Department has issued a certain notice of hearing.

Sections 18-20 of this regulation replace references to “other products made from tobacco” with the term “other tobacco products” to conform with the terminology used in provisions of existing law. (NRS 370.0318)
