EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: § 1, NRS 360.090, 361.4723; § 2, NRS 360.090, 361.4724; § 3, NRS 360.090, 375.060.

A REGULATION relating to real property; revising provisions governing the manner in which owners of real property claim certain partial abatements of property tax; revising the information that may be included in the declaration of value form required to accompany a deed evidencing a transfer of title of real property or land sale installment contract that is presented for recordation to a county recorder; providing for electronic signature of the declaration of value form; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for a partial abatement of the property taxes imposed on a parcel or other unit of real property, which has the effect of establishing an annual cap on increases of the property taxes imposed on the real property. The formula for calculating these partial abatements limits the annual increase of such property taxes to not more than: (1) eight percent for real property other than a single-family residence that is the primary residence of the owner or a residential rental dwelling with rent less than a certain amount; and (2) three percent for such a single-family residence or qualified residential rental dwelling. (NRS 361.4722-361.4724) Before the enactment of Assembly Bill No. 377 (A.B. 377) of the 2025 Legislative Session, to claim the partial abatement of property taxes for a single-family residence which is the primary residence of the owner, the owner of the residence was required to submit a form provided by the county assessor of the county in which the property is located. (NRS 361.4723; NAC 361.606) A claim for the partial abatement of property taxes for a qualified residential rental dwelling was required to be filed annually with the county assessor not later than June 15 and accompanied by an affidavit concerning the amount of rent charged to the tenants of the property. (NRS 361.4724; NAC 361.607) A.B. 377 additionally authorizes a person to claim these partial abatements of property taxes on the declaration of value form prescribed by the Nevada Tax Commission that is required to accompany a deed or land sale installment contract offered for recording to a county recorder and that is used to calculate the amount of real property transfer tax due upon the sale or transfer of the property. (NRS 361.4723, 361.4724, 375.060)

Section 3 of this regulation provides for the declaration of value form to include a claim for a partial abatement of property taxes for a single-family residence which is the primary

residence of the owner or for a qualified residential rental dwelling. If such a partial abatement is claimed on the form, **section 3** requires the county recorder to transmit the claim to the county assessor of the county in the manner prescribed by the Commission. **Sections 1 and 2** of this regulation make conforming changes to existing regulations to authorize a claim for these partial abatements to be made on the declaration of value form. (NAC 361.606, 361.607)

Existing regulations require the declaration of value form prescribed by the Commission to be signed under the penalty of perjury by the grantee, the grantor or the agent of the grantee or grantor and filed with the county recorder. (NAC 375.180) **Section 3** provides that an electronic signature made in accordance with existing law satisfies this requirement.

If additional space is needed to list all the parcels of real property being transferred, the words “see attached” must be written next to the listed parcel number and an attachment that lists the number of each parcel being transferred must accompany the form.

3.
