

**LEGISLATIVE REVIEW OF ADOPTED REGULATIONS  
INFORMATIONAL STATEMENT AS REQUIRED BY NRS 233B.066**

LCB FILE NO. R006-16

The following statement is submitted by the State of Nevada, Department of Business and Industry, Division of Insurance (“Division”) for adopted amendments to Nevada Administrative Code (“NAC”) Chapter 686B.

1. A clear and concise explanation of the need for the adopted regulation.

*The purpose of this proposed regulation is to clarify that force-placed auto and homeowners’ insurance are lines for which rates and forms must be filed. Rates for this type of insurance are considerably higher and provide less coverage than typical auto and homeowners’ insurance. This regulation would allow the Commissioner to ensure rates are adequate, not excessive, and not unfairly discriminatory to Nevada consumers.*

2. A description of how public comment was solicited, a summary of public response, and an explanation of how other interested persons may obtain a copy of the summary.

- (a) A description of how public comment was solicited:

The documents were also made available on the website of the Division, <http://doi.nv.gov/>, mailed to the main library for each county in Nevada, and posted at the following locations:*
