LCB FILE No. R012-14**

The following statement is submitted for adopted amendments to Nevada Administrative Code (“NAC”) Chapter 386.

**1. A clear and concise explanation of the need for the adopted regulation.**

This regulation is necessary to address the ever changing nature of high school athletics governed by the Nevada Interscholastic Activities Association (“NIAA”). This regulation is being implemented in response to Senate Bill (“SB”) 125 which was passed during the 2013 legislative session. SB 125 mandates revision to NIAA regulations addressing the conducting of all-star high school games and competitions sponsored by interested individuals and entities.

Copies of the proposed regulations, and notices of intent to act upon the regulation were sent by U.S. mail and by email to persons who were known to have an interest in the subject of the governance of high school athletics in the State of Nevada, including all member schools of the NIAA, and to all persons who had specifically requested such notice. These documents were also made available at the website of the NIAA’s office, [www.niaa.com](http://www.niaa.com), and were mailed to all county libraries in Nevada and posted at the following locations:

These regulations were reviewed by the NIAA Board of Control at regularly scheduled quarterly meetings in 2013 and 2014, which included the opportunity for public comment concerning the proposed amendments. Thereafter, on or about February 25, 2014, the Executive Director issued a Notice of Hearing for the Adoption of Regulations pursuant to NRS 233B.0603, which incorporated in the proposed amendments all discussions held at the above-described Board of Control meetings, as well as comments from LCB staff attorneys. That Notice is attached as Exhibit “1.” On March 31, 2014 this regulation was again reviewed by the NIAA Board of Control at its regularly scheduled meeting of that date with the opportunity for public comment.

**11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

The fee to host an all-star game charged to an individual or entity will be \$750.00. The NIAA is uncertain as to how many requests to host all-star games will be made in a fiscal year. All fees generated will be used to fund special projects including the "Top 10 Student Athlete" award dinner, as well as the "NIAA Hall of Fame" award and dinner program.

**12. Is the proposed regulation likely to impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? What methods did the agency use to determine the impact of the regulation on a small business?**

As stated above, there are no economic effects with respect to the amendments on any business in the State of Nevada. These amendments apply to the governance of high school athletics and activities in the State of Nevada and generally do no impact private business.
