Re: LCB file No. R013-15 ("the Regulation")

Statement pursuant to NRS 233B.0608(3)

PEBP has reviewed proposed regulation LCB NO. 13-15 and from that review determined that it only affects what portion of retiree health insurance premiums is borne by retired non-state government retirees vs. what portion must be borne by the government entities that formerly employed them. On its face, it therefore does not affect small businesses in a way triggering the need for a small business impact statement under NRS 233B.0608. I certify to the best of my knowledge that a concerted effort was made to determine the impact of the proposed regulations on small businesses and that the information contained in this statement is accurate.
