A clear and concise statement of the need for the regulation:

The amended regulation would update the language which is currently outdated. The change would update the guidelines for a patient's health weight for Physicians or Physician Assistants as distributed by the US Department of Health and Human Services. By making this change, the Board will not be required to go back every few years to ensure that the language is correct and accurate. The change also provides health care consumers and licensees direction as to where to find the most updated information.

Summary of the public response:

The Board did not receive any response from the public during the public workshop or hearing. Additionally, the Board did not receive anything in writing regarding this proposed regulation

How other interested persons may obtain a copy of the public response to the regulations:
