**SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608**

Date: June 1, 2017

Re: Public Hearing Regarding Proposed New Regulations of Teach Nevada Scholarship as cited in Senate Bill 511

I, Steve Canavero, Superintendent of Public Instruction, do hereby certify that, to the best of my knowledge or belief:

1. The proposed new regulations of the Teach Nevada Scholarship are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. The proposed regulations specify the requirements for the awarding of the Teach Nevada scholarship. This change will not result in any additional economic burden that would result from these amendments.
3. All relevant materials were reviewed and the Department considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed. Any impact is positive and was considered during legislative testimony.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

A handwritten signature in blue ink that reads "Steve Canavero".
