EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: § 1, NRS 281.5745; §§ 2-5, 8 and 10-13, NRS 293.124 and 293.247; §§ 6, 7 and 9, NRS 293.124, 293.247 and 293.4685.

A REGULATION relating to complaints; authorizing a person to file a complaint with the Secretary of State concerning violations of certain laws relating to elections in this State; establishing procedures for filing, reviewing and investigating such complaints; revising the process for complaints filed with the Secretary of State concerning the Help America Vote Act of 2002; repealing certain provisions relating to filing a complaint with the Secretary of State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing federal law enacts the Help America Vote Act of 2002, Title III of which sets forth certain requirements relating to election technology and administration, including, among other things, requirements concerning voting systems, provisional voting, statewide voter registration lists, registration to vote by mail and access for congressional observers. (52 U.S.C. §§ 21081-21102) The Help America Vote Act also requires a state to maintain a state-based administrative complaint procedure which meets certain requirements for violations of Title III of the Act. (52 U.S.C. § 21112) Existing regulations, in compliance with federal law, authorize a person who believes that a violation of Title III of the Help America Vote Act has occurred, is occurring or is about to occur to file a complaint with the Office of the Secretary of State and establish a process for the filing, investigation and resolution of such a complaint. (NAC 293.500-293.560) As part of this process, existing regulations require such a complaint to be in writing, notarized and signed and sworn to by the complainant and, if one is prescribed, submitted on a form prescribed by the Secretary of State. (NAC 293.515) **Section 6** of this regulation requires the Secretary of State to prescribe the form for such a complaint and requires the form to be submitted to the Secretary of State by mail, electronic mail or facsimile.

Existing regulations require the Secretary of State or a designee of the Secretary of State to review each complaint to determine whether the complaint states a violation of Title III of the Help America Vote Act and complies with the requirements set forth in existing regulations concerning the filing and form of the complaint. If a complaint fails to state such a violation or comply with such requirements, existing regulations require the complaint to be dismissed without further action and notice of such dismissal to be provided to the complainant. (NAC 293.520) **Section 7** of this regulation provides that such a complaint may also be dismissed if a

complainant is uncooperative in the investigation of the complaint or requests the Secretary of State to close the case or withdraws his or her complaint.

If a complainant has not requested a hearing on such a complaint, existing regulations require the Secretary of State to review the complaint and any accompanying record and determine whether, by a preponderance of the evidence, a violation has occurred. (NAC 293.540) **Section 9** of this regulation: (1) requires the Secretary of State to provide a copy of the complaint to the respondent before beginning the review; (2) provides that such a review may include an investigation which includes the review of certain information and materials; (3) authorizes a complainant or respondent to designate another person to represent his or her interests in a matter subject to such review; and (4) requires, if the person designated is an attorney, the attorney to submit a letter of representation to the Secretary of State before representing the complainant or respondent.

Existing law requires the Secretary of State to serve as Chief Officer of Elections for this State and provides that, as Chief Officer, the Secretary of State is responsible for the execution and enforcement of the provisions of title 24 of NRS and all other provisions of state and federal law relating to elections in this State. (NRS 293.124) **Section 2** of this regulation authorizes a person to file a complaint with the Office of the Secretary of State if he or she believes that a violation of any provision of law that is subject to such enforcement by the Secretary of State has occurred, is occurring or is about to occur. **Sections 3-12** of this regulation establish the process for filing, investigating and resolving such a complaint by requiring the complaint to, with certain exceptions, follow the procedures set forth in existing regulations for a violation of Title III of the Help America Vote Act. **Section 9** requires a respondent who receives such a complaint to file an answer with the Secretary of State within 15 days after receiving a copy of the complaint from the Secretary of State. **Section 10** authorizes a person who has been sent a copy of a final determination concerning such a complaint to, within 15 days after the date on which the final determination was mailed, file a written objection with the Secretary of State that includes a short statement of the grounds for the objection and evidence substantiating the objection.

Existing law sets forth the Nevada Financial Disclosure Act, which: (1) requires certain candidates and public officers to file a financial disclosure statement with the Secretary of State; and (2) requires the Secretary of State to administer and interpret the Act and adopt any regulations or take any actions necessary to carry out the provisions of the Act. (NRS 281.5555-281.581) **Section 1** of this regulation: (1) authorizes a person to file a complaint if he or she believes that a violation of the Act has occurred, is occurring or is about to occur; and (2) with certain exceptions, provides that such a complaint must be filed, investigated and resolved in accordance with the procedures and deadlines set forth to file, investigate and resolve a complaint filed pursuant to **section 2**.

Existing regulations require a person who wishes to file a complaint concerning an alleged violation of a provision of title 24 of NRS to submit the complaint in writing to the Secretary of State. (NAC 293.025) **Section 13** of this regulation repeals this provision as **section 2** has established specific requirements for filing a complaint.
