Regulation Small Business Impact Statement

The Nevada Division of Emergency Management has determined that the adoption of the proposed regulations does not impose a significant economic burden on small businesses, nor will it restrict the formation, operation, or expansion of small businesses. This determination was made through discussions with legal advisors to the agency and is based on the fact that these regulations only apply to and impact the Nevada Division of Emergency Management.

I certify that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small business and that the information contained in this statement is accurate.
