3. Does the Proposed Regulation Impose a Direct and Significant Economic Burden Upon a Small Business or Directly Restrict the Formation, Operation, or Expansion of a Small Business? (NRS 233B.0608(1))

No, the proposed amendments (modifications) to NAC 633 do not impose a direct and significant burden upon small business or directly restrict the formation, operation, or expansion of a small business. These proposed regulation amendments (modifications) have been created to implement the provisions of Assembly Bill (“A.B.”) 56, which were passed in the 2025 Session of the Nevada Legislature.

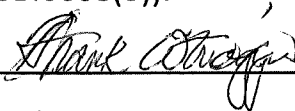

4. How Was That Conclusion Reached?

This conclusion was reached after conducting a thorough review of A.B. 56 and the proposed draft of the amendments (modifications) to Chapter 633 of the Nevada Administrative Code. The Board has continued to solicit comment from affected businesses at its regulation workshop held on
