

**LEGISLATIVE REVIEW OF ADOPTED REGULATION AS REQUIRED BY
NRS 233B.066
LCB FILE No. R094-26**

The following statement is submitted for adopted amendments to Nevada Administrative Code (“NAC”) Chapter 385B.

1. A clear and concise explanation of the need for the adopted regulation.

This regulation amendment is necessary to address growing concern in the state both by NIAA member schools and community members regarding voluntary retention of students in middle school for athletic purposes. The trend is observed nationally and has increasingly negatively affected the intent of high school athletics. The amendment affects those students who voluntarily choose to be held back in middle school but who are taking high school credits during the year of retention rather than repeating the previous year’s curriculum.

2. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.

Copies of the proposed regulation and notice of intent to act upon the regulation were sent by email to persons who were known to have an interest in the subject of the governance of high school athletics in the State of Nevada, including all member schools of the NIAA, and to all persons who had specifically requested such notice. These documents were also made available at the website of the NIAA’s office, www.niaa.com, as well as <https://notice.nv.gov>; and were emailed to all county libraries in Nevada and posted at the following locations:

12. Is the proposed regulation likely to impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? What methods did the agency use to determine the impact of the regulation on a small business?

As stated above, there are no economic effects with respect to the amendments on any business in the State of Nevada. These amendments apply to the governance of high school athletics and activities in the State of Nevada and generally do not impact private business.

The immediate and long-term effects of this amendment to Regulation will be to provide a better source of information to the public regarding the governance of high school athletics and activities, including high school athletes, parents, coaches and officials all of whom are governed by the NIAA.
4. The estimated cost to the NIAA for purposes of enforcement of the proposed amendment to Regulation are minimal.
5. This amendment to Regulation does not overlap or duplicate any regulations of other state or local governmental agencies.
6. The adoption of this amendment to Regulation is not required pursuant to federal law.
7. The adoption of this Regulation does not include any provisions which are more stringent than any federal regulation. *See*, paragraph 6, above.

8. The adoption of this Regulation does establish an increase in fees paid by member schools of the NIAA for governance of the NIAA.

Written submissions must be received by the NIAA on or before April 9, 2026.
