Legislative Review of Adopted Regulations per NRS 233B.066

Informational Statement Form for LCB File R102-25, Adopted by the Commission on Professional Standards in Education

The following statement is submitted for adopted amendments to Nevada Administrative Code (NAC) Chapter 391:

1. A clear and concise explanation of the need for the adopted regulation:

The Commission on Professional Standards is tasked with adopting regulations prescribing the qualifications for licensing teachers and educational personnel and setting forth the educational requirements a person must satisfy in order to qualify for an endorsement in a field of specialization. The Commission on Professional Standards engages with the field and legislation to ensure that these requirements are modern, rigorous, and responsive. This regulation reflects these efforts.

2. A description of how public comment was solicited, a summary of public response, and an explanation of how other interested people may obtain a copy of the summary.

Public comment was solicited through both the regulatory workshop and public hearing. The attached workshop agenda and notice was posted 15 days prior to the workshop; the attached public hearing agenda and notice was posted 30 days prior to the public hearing. These notices were then circulated through the Department's mailing list, forwarded by programmatic leads to subject matter experts across the State, as applicable, and posted with State Library and Archives. A description of how members of the public could provide public comments was included in both items, and at least two periods of public comment were made available during the course of the meetings.

3. The number of persons who:

- a. Attended Workshop (1) and Hearing (0)
- b. Testified at Workshop (0) and Hearing (0)
- c. Submitted Written Statements for Workshop (0) and Hearing (0)

4. For each person identified in paragraphs (b) and (c) of number 3 above, the following information if provided to the agency conducting the hearing, the name, telephone number, business address, business telephone number, electronic mail address, and name of entity or organization represented.

No public comment specific to R102-25 occurred during Workshop or Hearing.

5. A description of how comments were solicited from affected businesses, a summary of their response, and an explanation of how other interested people may obtain a copy of the summary.

This regulation regulates public education and does not have authority over private industry or small

businesses. No impact on small businesses and/or private industry was identified. A small business impact letter was drafted and published along with the regulatory workshop agenda and notice 15 days prior to the workshop. Please see section 2 for further information regarding posting and solicitation of feedback / comments.

6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

The Commission on Professional Standards adopted the proposed regulation at the public hearing held on February 18, 2026. No changes were required as engagements prior to the hearing (i.e., public comment, amendments, etc.) supported a quality end product requiring no further revisions.

7. The estimated economic effect of the adopted regulation on the business which it regulates and/or on the public. These must be stated separately and, in each case, include both adverse and beneficial effects, and both immediate and long-term effects.

There will be no economic effect of the regulation on the business it regulates. There is no estimated economic effect on the public. There is no adverse or beneficial effect nor immediate or long-term effect on the business that it regulates nor the public.

8. The estimated cost to the agency for enforcement of the adopted regulation.

There is no additional cost to the agency for enforcement of this regulation.

9. A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

No other state or governmental agency regulations will be overlapped or duplicated by this regulation. There is no duplication or overlap of federal regulations.

10. If the regulation includes provisions that are more stringent than a federal regulation which regulates the same activity, and a summary of such provisions.

There are none specific to this provision.

11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

This regulation does not provide for a new fee or increase an existing fee.
