3. Does the Proposed Regulation Impose a Direct and Significant Economic Burden Upon a Small Business or Directly Restrict the Formation, Operation, or Expansion of a Small Business? (NRS 233B.0608(1))

No, the proposed regulation does not impose a direct and significant economic burden upon a small business or directly restrict the formation, operation, or expansion of a small business. These proposed regulations fully implement legislative changes enacted in 2025 and update and clarify continuing education requirements for licensees, both of which may yield a positive impact on small businesses.

4. How Was That Conclusion Reached?

This conclusion was reached by reviewing the proposed regulation draft and existing provisions in Nevada law, as well as the comments received by stakeholders, potential license applicants, and members of the public at the Board's regulation workshops, public hearing, and adoption meeting or via written comment.
