**A clear and concise statement of the need for the regulation:**

The regulatory change to existing regulation was effectuated in light of a legislative change in the 2013 session relative to NRS 630.020 and 630.261, and relates to the process of licensing a foreign physician.

**Summary of the public response:**

There was no public response to the proposed changes to currently existing regulation. Regulation R134-14 was adopted without change due to the fact that there was no reason to change as well no input from the public. The Board did not receive any comments during the public hearing or any written comments from the public.

**How other interested persons may obtain a copy of the public response to the regulations:**

On file with the Board at the offices of the Board at 1105 Terminal Way, Suite 301, Reno, Nevada, is a complete transcript of the hearing conducted on the regulation change.

Any member of the public may visit the offices of the Board and may review any or the entire transcript referred to above. Also, any member of the public may request copies of the transcript of all the public comment by contacting the court reporter and requesting a copy.
