ANSWER:

The enforcement of the regulation falls within current operations of the Department; therefore, there will be no additional cost to the agency above the current legislatively approved budget.

6. If the proposed regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used:

ANSWER:

This regulation does not propose new or increased fees.

7. If the proposed regulation includes provisions which duplicate or are more stringent than federal, state or local standards regulating the same activity, an explanation of why such duplicative or more stringent provisions are necessary:

8. The reasons for the conclusions of the agency regarding the impact of a regulation on small businesses:

ANSWER:

There is no impact on small businesses. This regulation only applies to individuals who are collecting shed antlers.

I hereby certify that to the best of my knowledge or belief, a concerted effort was made to determine the impact of the proposed regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.
