Legislative Counsel's Digest:

Sections 2-17 of this bill authorize the Office of Economic Development to approve applications for abatements of certain taxes and the issuance of transferable tax credits submitted by the lead participant engaged in a qualified project with other participants for a common purpose or business endeavor and which is located within the geographic boundaries of a single project site in this State. **Section 11** authorizes the lead participant in a project to, on behalf of the project, apply to the Office for these economic development incentives. **Section 12** requires the Office to approve such an application for a qualified project if, in addition to certain other requirements: (1) the project would promote the economic development of this State and aid the implementation of the State Plan for Economic Development; (2) the participants in the project agree collectively to make a total new capital investment in this State of at least \$3.5 billion during the 10-year period immediately following approval of the application; and (3) at least 50 percent of the employees engaged in the construction of the project and 50 percent of the employees employed at the project are residents of Nevada. **Section 12** further provides that any action by the Office concerning an application must be taken at a public meeting.

Upon approval of an application, **section 13** requires the Office to issue to the lead participant in the qualified project a certificate of eligibility for transferable tax credits. **Section 13** provides that a project is eligible for transferable tax credits: (1) in the amount of \$12,500 for each qualified employee employed by the participants in the project; (2) in the amount of 5 percent of the first \$1 billion of new capital investment in this State made collectively by the participants in the qualified project; and (3) in the amount of 2.8 percent of the next \$2.5 billion of new capital investment in this State made collectively by the participants in the qualified project. **Section 13** also sets forth the criteria for determining whether an employee is a qualified employee. **Section 14** sets forth limitations on the amount of transferable tax credits which may be approved in any fiscal year and provides that the total amount of transferable tax credits which may be approved pursuant to this bill must not exceed \$195,000,000. **Section 14** also prohibits the Office from approving any applications for transferable tax credits for any fiscal year beginning on or after July 1, 2022.

Section 11 provides that the transferable tax credits may be applied to: (1) the excise tax on banks and payroll taxes imposed by chapters 363A and 363B of NRS; (2) the gaming license fees imposed by the provisions of NRS 463.370; (3) the general tax on insurance premiums imposed by chapter 680B of NRS; or (4) any combination of such taxes and fees. Additionally, **section 11** requires that the lead participant in a qualified project annually provide the Office with an audit of the qualified project that is certified by an independent certified public accountant in this State who is approved by the Office.

If the Office approves an application, **section 15** provides that the lead participant in the qualified project is entitled to the abatement of property taxes and employer excise taxes for a period of not more than 10 years after the date on which the application is submitted and in an amount equal to the property taxes and employer excise taxes that would otherwise be owed for the qualified project. Additionally, **section 15** provides that the lead participant is entitled to the abatement of certain local sales and use taxes for a period of not more than 20 years and in an amount equal to those local sales and use taxes that would otherwise be owed in the county in which the qualified project is located.

Section 16 requires the lead participant in a qualified project to repay any portion of transferable tax credits and any portion of an abatement to which the lead participant is not entitled if the Office determines that the lead participant becomes ineligible for the incentives. **Section 17** requires the Office to make and submit to the Legislature certain reports concerning any economic development incentives provided to a qualified project pursuant to **sections 2-17**. **Section 17** also requires the Office to, upon request, make available to the Legislature any information concerning a qualified project or a participant in a qualified project.

Section 18 of this bill authorizes the governing body of a city or county to grant to one or more participants in a qualified project an abatement of all or any percentage of the amount of certain permitting fees and licensing fees imposed by the city or county if the governing body provides by ordinance for a pilot project for the abatement of such fees. **Section 18** also requires each local government that grants such an abatement to make and submit to the Legislature annual reports concerning the abatements.

Existing law authorizes a producer that produces a film, television or other media production in this State to apply, on or before December 31, 2017, to the Office for a certificate of transferable tax credits. (NRS 360.759) **Section 21** of this bill revises from \$80,000,000 to \$10,000,000 the cumulative amount of such transferable tax credits which the Office may approve pursuant to NRS 360.759.

Sections 24-36 of this bill authorize the governing body of a county or city in which a qualified project is or is expected to be located to create an economic diversification district that includes within its boundaries the qualified project. Under **section 31**, a governing body which creates such an economic diversification district may pledge an amount equal to the proceeds of all sales and use taxes imposed on or owed by each participant in the qualified project with regard to tangible personal property purchased in the county or city for use in the district, or stored, used or otherwise consumed in the district by a participant, during a fiscal year, other than any local sales and use taxes for which the lead participant is receiving an abatement. Such money would be pledged to the purposes authorized by **section 33** and set forth in the agreement entered into by the county or city pursuant to that section. **Section 32** requires a governing body which adopts an ordinance creating an economic diversification district and the Department of Taxation to enter into an agreement specifying the dates and procedures for the distribution to the county or city of the money pledged for use in the economic diversification district. **Section 33** authorizes the county or city to enter into an agreement, which must terminate after a period of not more than 20 years, with the lead participant in the qualified project located in the district for the cost of acquiring, improving or equipping, or any combination, the qualified project.

Section 35 authorizes the governing body of the county or city to enter into an agreement with one or more owners of any interest in property in the district for the payment of amounts to defray, in whole or in part, the costs of local governmental services provided to the district.

Sec. 24. Title 22 of NRS is hereby amended by adding thereto a new chapter to consist of the provisions set forth as sections 25 to 36, inclusive, of this act.

Sec. 25. *As used in this chapter, unless the context otherwise requires, the words and terms defined in sections 26 to 30, inclusive, of this act have the meanings ascribed to them in those sections.*

Sec. 26. *“District” means an economic diversification district created pursuant to section 31 of this act.*

Sec. 27. *“Lead participant” has the meaning ascribed to it in section 5 of this act.*

Sec. 28. *“Municipality” means any county or city in this State.*

Sec. 29. *“Participant” has the meaning ascribed to it in section 7 of this act.*

Sec. 30. *“Qualified project” has the meaning ascribed to it in section 10 of this act.*

Sec. 31. *1. Except as otherwise provided in this section, if a qualified project is located within the jurisdiction of a municipality, the governing body of the municipality may:*

(a) Create an economic diversification district for the purposes of carrying out this chapter by adopting an ordinance describing the boundaries of the district, which must be the geographic boundaries of the qualified project, and generally describing the purposes within the district for which money pledged pursuant to this chapter may be used; and

(b) For the purposes of carrying out paragraph (a), include in an ordinance adopted pursuant to that paragraph the pledge of an amount equal to the proceeds of all sales and use taxes imposed on or owed by each participant in the qualified project with regard to tangible personal property purchased in the municipality for use in the district, or stored, used or otherwise consumed in the district by the participant, during a fiscal year other than the amount of any local sales and use taxes for which the lead participant has received an

abatement pursuant to an application approved by the Office of Economic Development pursuant to section 12 of this act.

2. The governing body of a municipality may not include in an ordinance adopted to create a district pursuant to paragraph (a) of subsection 1 on or after the effective date of this act, the pledge of any proceeds of the taxes imposed pursuant to NRS 374.110 and 374.190 with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, if the governing body obtains an opinion from independent bond counsel stating that the applicability of this provision would impair an existing contract for the sale of bonds which were issued before the effective date of this act.

3. A district created pursuant to this section by:

(a) A city must be located entirely within the boundaries of that city.

(b) A county must be located entirely within the boundaries of that county and, when the district is created, entirely outside of the boundaries of any city.

Any such reimbursements may be secured by a pledge of, and be payable from, any money pledged pursuant to section 31 of this act and received by the municipality with respect to the district. If such an agreement is entered into, the agreement must provide for the payment to the lead participant of the money pledged pursuant to section 31 of this act and received by the municipality not later than 15 days after the date on which such money is distributed to the municipality pursuant to section 32 of this act. An agreement entered into pursuant to this section is not subject to the limitations of subsection 1 of NRS 354.626 and may, at the option of the governing body, be binding on the municipality beyond the fiscal year in which it was made, only if the agreement pertains solely to one or more participants in the qualified project.

No bond, note or other agreement issued or entered into pursuant to this section may ever become a

general obligation of the municipality or a charge against its general credit or taxing powers, nor may any such bond, note or other agreement become a debt of the municipality for purposes of any limitation on indebtedness.

3. Any agreement entered pursuant to this section must automatically terminate on or before the end of the fiscal year in which the 20th anniversary of the adoption of the ordinance creating the district occurs.

Sec. 34. On or before September 1 of each year, the governing body of a municipality that adopts an ordinance pursuant to section 31 of this act shall prepare and submit to the Director of the Legislative Counsel Bureau for submission to the Legislature, or to the Legislative Commission when the Legislature is not in regular session, an annual report containing:

of this act. Such an agreement must specify the amount to be paid by the owner of the property interest, which may be stated as a specified amount per year or as an amount based upon any formula upon which the municipality and owner agree.

Sec. 36. *The governing body of a municipality:*

1. Shall require the review of each claim submitted pursuant to any contract or other agreement made with the governing body to provide any financing or reimbursement pursuant to section 33 of this act, by an independent auditor.

2. Shall not provide any financing or reimbursement pursuant to section 33 of this act from the proceeds of the taxes described in subsection 2 of section 31 of this act, if the governing body obtains an opinion from independent bond counsel stating that the applicability of this subsection would impair an existing contract for the sale of bonds that were issued before the effective date of this act.

Sec. 37. NRS 353.207 is hereby amended to read as follows:

353.207 1. The Chief shall:

(a) Require the Office of Economic Development and the Office of Energy each periodically to conduct an analysis of the relative costs and benefits of each incentive for economic development previously approved by the respective office and in effect during the immediately preceding 2 fiscal years, including, without limitation, any abatement of taxes approved by the Office of Economic Development pursuant to NRS 274.310, 274.320, 274.330, 360.750, 360.752, 361.0687, 374.357 or 701A.210, *or section 12 of this act*, to assist the Governor and the Legislature in determining whether the economic benefits of the incentive have accomplished

the purposes of the statute pursuant to which the incentive was approved and warrant additional incentives of that kind;

(b) Require each office to report in writing to the Chief the results of the analysis conducted by the office pursuant to paragraph (a); and

(c) Establish a schedule for performing and reporting the results of the analysis required by paragraph (a) which ensures that the results of the analysis reported by each office are included in the proposed budget prepared pursuant to NRS 353.205, as required by that section.

Sec. 39. The Executive Director of the Office of Economic Development, the Nevada Gaming Commission and the Nevada Tax Commission may each adopt such regulations as are respectively required to implement the provisions of sections 2 to 18, inclusive, of this act.

Sec. 40. The Legislature hereby finds that each abatement provided by this act from any ad valorem tax on property or excise tax on the sale, storage, use or other consumption of tangible personal property sold at retail:

1. Will achieve a bona fide social or economic purpose and the benefits of the abatement are expected to exceed any adverse effect of the abatement on the provision of services to the public

by the State or a local government that would otherwise receive revenue from the tax from which the abatement would be granted; and

2. Will not impair adversely the ability of the State or a local government to pay, when due, all interest and principal on any outstanding bonds or any other obligations for which revenue from the tax from which the abatement would be granted was pledged.

Sec. 41. 1. This act becomes effective upon passage and approval.

2. Section 38 of this act expires by limitation on December 31, 2014.

3. Sections 21 and 22 of this act expire by limitation on June 30, 2023.
