Father, I am impressed this week as I hear the beautiful music flowing through the hallways. Thank You for beauty.       (b) Neither the State of Nevada, the State Board nor the Department is an employer of the members of the governing body of the charter school or any of the employees of the charter school.
   2. Except as otherwise provided in subsection 4, a written charter must be for a term of 6 years unless the governing body of a charter school renews its initial charter after 3 years of operation pursuant to subsection 2 of NRS
A written charter must include all conditions of operation set forth in paragraphs (a) to (o), inclusive, of subsection 2 of NRS 386.520 and include the kind of school, as defined in subsections 1 to 4, inclusive, of NRS 388.020 for which the charter school is authorized to operate. If the State Board is the sponsor of the charter school, the written charter must set forth the responsibilities of the sponsor and the charter school with regard to the provision of services and programs to pupils with disabilities who are enrolled in the charter school in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and NRS 388.440 to 388.520, inclusive. As a condition of the issuance of a written charter pursuant to this subsection, the charter school must agree to comply with all conditions of operation set forth in NRS 386.530.

3. The governing body of a charter school may submit to the sponsor of the charter school a written request for an amendment of the written charter of the charter school. Such an amendment may include, without limitation, the expansion of instruction and other educational services to pupils who are enrolled in grade levels other than the grade levels of pupils currently enrolled in the charter school if the expansion of grade levels does not change the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate. If the proposed amendment complies with the provisions of this section, NRS 386.500 to 386.610, inclusive, and any other statute or regulation applicable to charter schools, the sponsor may amend the written charter in accordance with the proposed amendment. If a charter school wishes to expand the instruction and other educational services offered by the charter school to pupils who are enrolled in grade levels other than the grade levels of pupils currently enrolled in the charter school and the expansion of grade levels changes the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate, the charter school must submit a new application to form a charter school.

4. The State Board shall adopt objective criteria for the issuance of a written charter to an applicant who is not prepared to commence operation on the date of issuance of the written charter. The criteria must include, without limitation, the:
   (a) Period for which such a written charter is valid; and
   (b) Timelines by which the applicant must satisfy certain requirements demonstrating its progress in preparing to commence operation.

A holder of such a written charter may apply for grants of money to prepare the charter school for operation. A written charter issued pursuant to this subsection must not be designated as a conditional charter or a provisional charter or otherwise contain any other designation that would indicate the charter is issued for a temporary period.

5. The holder of a written charter that is issued pursuant to subsection 4 shall not commence operation of the charter school and is not eligible to receive apportionments pursuant to NRS 387.124 until the sponsor has determined that the requirements adopted by the State Board pursuant to
subsection 4 have been satisfied and that the facility the charter school will occupy has been inspected and meets the requirements of any applicable building codes, codes for the prevention of fire, and codes pertaining to safety, health and sanitation. Except as otherwise provided in this subsection, the sponsor shall make such a determination 30 days before the first day of school for the:

(a) Schools of the school district in which the charter school is located that operate on a traditional school schedule and not a year-round school schedule; or
(b) Charter school,

whichever date the sponsor selects. The sponsor shall not require a charter school to demonstrate compliance with the requirements of this subsection more than 30 days before the date selected. However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.”.

Amend the bill as a whole by renumbering sec. 3 as sec. 6 and adding a new section designated sec. 5, following sec. 2, to read as follows:

“Sec. 5. NRS 386.580 is hereby amended to read as follows:

386.580 1. An application for enrollment in a charter school may be submitted to the governing body of the charter school by the parent or legal guardian of any child who resides in this State. Except as otherwise provided in this subsection, a charter school shall enroll pupils who are eligible for enrollment in the order in which the applications are received. If the board of trustees of the school district in which the charter school is located has established zones of attendance pursuant to NRS 388.040, the charter school shall, if practicable, ensure that the racial composition of pupils enrolled in the charter school does not differ by more than 10 percent from the racial composition of pupils who attend public schools in the zone in which the charter school is located. If a charter school is sponsored by the board of trustees of a school district, except for a program of distance education provided by the charter school, the charter school shall enroll pupils who are eligible for enrollment who reside in the school district in which the charter school is located before enrolling pupils who reside outside the school district. If more pupils who are eligible for enrollment apply for enrollment in the charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll on the basis of a lottery system.

2. Except as otherwise provided in subsection 6, a charter school shall not accept applications for enrollment in the charter school or otherwise discriminate based on the:
   (a) Race;
   (b) Gender;
   (c) Religion;
   (d) Ethnicity; or
   (e) Disability,
of a pupil.

3. If the governing body of a charter school determines that the charter school is unable to provide an appropriate special education program and related services for a particular disability of a pupil who is enrolled in the charter school, the governing body may request that the board of trustees of the school district of the county in which the pupil resides transfer that pupil to an appropriate school.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a child who is enrolled in a public school of a school district or a private school, or a parent or legal guardian of a homeschooled child, the governing body of the charter school shall authorize the child to participate in a class that is not otherwise available to the child at his school or home school or participate in an extracurricular activity at the charter school if:
   (a) Space for the child in the class or extracurricular activity is available; and
   (b) The parent or legal guardian demonstrates to the satisfaction of the governing body that the child is qualified to participate in the class or extracurricular activity.

   If the governing body of a charter school authorizes a child to participate in a class or extracurricular activity pursuant to this subsection, the governing body is not required to provide transportation for the child to attend the class or activity. A charter school shall not authorize such a child to participate in a class or activity through a program of distance education provided by the charter school pursuant to NRS 388.820 to 388.874, inclusive.

5. The governing body of a charter school may revoke its approval for a child to participate in a class or extracurricular activity at a charter school pursuant to subsection 4 if the governing body determines that the child has failed to comply with applicable statutes, or applicable rules and regulations. If the governing body so revokes its approval, neither the governing body nor the charter school is liable for any damages relating to the denial of services to the child.

6. This section does not preclude the formation of a charter school that is dedicated to provide educational services exclusively to pupils:
   (a) With disabilities;
   (b) Who pose such severe disciplinary problems that they warrant an educational program specifically designed to serve a single gender and emphasize personal responsibility and rehabilitation; or
   (c) Who are at risk.

   If more eligible pupils apply for enrollment in such a charter school than the number of spaces which are available, the charter school shall determine which applicants to enroll on the basis of a lottery system.”.

Amend sec. 3, page 6, line 4, after “(a)” by inserting: “A valid teacher’s license issued pursuant to chapter 391 of NRS with an administrative endorsement;”
(b)
Amend sec. 3, page 6, line 6, by deleting “(b)” and inserting “[b] (c)”.
Amend the bill as a whole by renumbering sec. 4 as sec. 12 and adding new sections designated sections 7 through 11, following sec. 3, to read as follows:
“Sec. 7. NRS 386.595 is hereby amended to read as follows:
386.595 1. All employees of a charter school shall be deemed public employees.
2. Except as otherwise provided in this subsection, the provisions of the collective bargaining agreement entered into by the board of trustees of the school district in which the charter school is located apply to the terms and conditions of employment of employees of the charter school who are on a leave of absence from the school district pursuant to subsection 5, including, without limitation, any provisions relating to representation by the employee organization that is a party to the collective bargaining agreement of the school district in a grievance proceeding or other dispute arising out of the agreement. The provisions of the collective bargaining agreement apply to each employee for the first 3 years that he is on a leave of absence from the school district. After the first 3 years:
(a) If he is subsequently reassigned by the school district pursuant to subsection 5, he is covered by the collective bargaining agreement of the school district.
(b) If he continues his employment with the charter school, he is covered by the collective bargaining agreement of the charter school, if applicable.
3. Except as otherwise provided in subsection 2, the governing body of a charter school may make all employment decisions with regard to its employees pursuant to NRS 391.311 to 391.3197, inclusive, unless a collective bargaining agreement entered into by the governing body pursuant to chapter 288 of NRS contains separate provisions relating to the discipline of licensed employees of a school.
4. Except as otherwise provided in this subsection, if the written charter of a charter school is revoked or if a charter school ceases to operate as a charter school, the employees of the charter school must be reassigned to employment within the school district in accordance with the applicable collective bargaining agreement. A school district is not required to reassign an employee of a charter school pursuant to this subsection if the employee:
(a) Was not granted a leave of absence by the school district to teach at the charter school pursuant to subsection 5; or
(b) Was granted a leave of absence by the school district and did not submit a written request to return to employment with the school district in accordance with subsection 5.
5. The board of trustees of a school district that is a sponsor of a charter school shall grant a leave of absence, not to exceed 3 years, to any employee who is employed by the board of trustees who requests such a
leave of absence to accept employment with the charter school. After the first school year in which an employee is on a leave of absence, he may return to his former teaching position with the board of trustees. [After the third school year, an employee who is on a leave of absence may submit a written request to the board of trustees to return to a comparable teaching position with the board of trustees.] After the [sixth] third school year, an employee shall either submit a written request to return to a comparable teaching position or resign from the position for which his leave was granted. The board of trustees shall grant a written request to return to a comparable position pursuant to this subsection even if the return of the employee requires the board of trustees to reduce the existing workforce of the school district. The board of trustees may require that a request to return to a teaching position submitted pursuant to this subsection be submitted at least 90 days before the employee would otherwise be required to report to duty.

6. An employee who is on a leave of absence from a school district pursuant to this section shall contribute to and be eligible for all benefits for which he would otherwise be entitled, including, without limitation, participation in the Public Employees' Retirement System and accrual of time for the purposes of leave and retirement. The time during which such an employee is on leave of absence and employed in a charter school does not count toward the acquisition of permanent status with the school district.

7. Upon the return of a teacher to employment in the school district, he is entitled to the same level of retirement, salary and any other benefits to which he would otherwise be entitled if he had not taken a leave of absence to teach in a charter school.

8. An employee of a charter school who is not on a leave of absence from a school district is eligible for all benefits for which he would be eligible for employment in a public school, including, without limitation, participation in the Public Employees' Retirement System.

9. For all employees of a charter school:
   (a) The compensation that a teacher or other school employee would have received if he were employed by the school district must be used to determine the appropriate levels of contribution required of the employee and employer for purposes of the Public Employees' Retirement System.
   (b) The compensation that is paid to a teacher or other school employee that exceeds the compensation that he would have received if he were employed by the school district must not be included for the purposes of calculating future retirement benefits of the employee.

10. If the board of trustees of a school district in which a charter school is located manages a plan of group insurance for its employees, the governing body of the charter school may negotiate with the board of trustees to participate in the same plan of group insurance that the board of trustees offers to its employees. If the employees of the charter school participate in the plan of group insurance managed by the board of trustees, the governing body of the charter school shall:
(a) Ensure that the premiums for that insurance are paid to the board of trustees; and
(b) Provide, upon the request of the board of trustees, all information that is necessary for the board of trustees to provide the group insurance to the employees of the charter school.

Sec. 8. NRS 386.605 is hereby amended to read as follows:

On or before July 15 of each year, the governing body of each charter school that is sponsored by the board of trustees of a school district shall submit the information concerning the charter school that is required pursuant to subsection 2 of NRS 385.347 to the board of trustees [of the school district in which that sponsors the charter school is located, regardless of the sponsor of the charter school] for inclusion in the report of the school district pursuant to that section. Sec. 9. NRS 386.610 is hereby amended to read as follows:

The written report must include an evaluation of the progress of each charter school sponsored by the board of trustees in achieving its educational goals and objectives.

2. The governing body of a charter school shall, after 3 years of operation under its initial charter, submit a written report to the sponsor of the charter school. The written report must include a description of the progress of the charter school in achieving its educational goals and objectives. If the charter school submits an application for renewal in accordance with the regulations of the Department, the sponsor may renew the written charter of the school pursuant to subsection 2 of NRS 386.530.

2. In the absence of a court order, reimbursement from the nonsupporting parent is limited to not more than 4 years’ support furnished before the bringing of the action.

4. A person who obtains lawful physical custody of a child for whom an order for support has been issued shall be deemed to be the person entitled to receive the payments ordered for the support of the child. Such a person may in the same manner as the person named in the order for support of the child and without petitioning the court for a new order:

   (a) Enforce the existing order for support of the child; or
   (b) Request modification of the order for support of the child.

5. The transfer of an obligation for support of a child pursuant to this section remains in effect as long as the person lawfully retains physical custody of the child or until a court orders otherwise. If the person ceases to have physical custody of the child, the person to whom the lawful physical custody of the child is transferred becomes the person entitled to receive the payments for the support of the child, unless a court orders otherwise.

      (3) Notice that the obligor must send future payments for support of the child to the person; and
   (c) If the Welfare Division or its designee has not been responsible for enforcing the order, file a copy of the declaration created pursuant to paragraph (a) with the court that entered the order for support of the child and comply with the provisions of subsection 2 of NRS 125B.055.

   (a) Mail to the obligor at his last known address by first-class mail:
       (1) A copy of the declaration; and

   (b) File a copy of the declaration and notice with the court that entered the order for support of the child.

8. A person who fails to comply with the requirements of subsection 6 does not lose the right to receive payments ordered for the support of the child but such failure may be considered by a court in determining the amount of arrears owed by an obligor to the person.

9. Notwithstanding the transfer of an obligation for the support of a child made pursuant to this section, any arrears in the payment of an obligation for the support of a child accrues to the person who had lawful physical custody of the child at the time that the payment was due and remains due until paid in full.

10. For the purposes of this section, visitation rights must not be construed as a change of custody.

11. As used in this section, “lawful physical custody” means a person who has obtained physical custody:
