3. The bylaws must be written in plain English.”.

Amend the bill as a whole by deleting sec. 7 and adding a new section designated sec. 7, following sec. 6, to read as follows:
“Sec. 7. NRS 116.311 is hereby amended to read as follows:

116.311 1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.

2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit’s owner. A unit’s owner may give a proxy only to a member of his immediate family, a tenant of the unit’s owner who resides in the common-interest community, another unit’s owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit’s owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

3. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
   (c) The proxy must designate the meeting for which it is executed.
   (d) The proxy must designate each specific item on the agenda of the meeting for which the unit’s owner has executed the proxy, except that the unit’s owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit’s owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit’s owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit’s owner were present but not voting on that particular item.
   (e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.

4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.

5. A vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association unless the proxy is
exercised through a delegate or representative authorized pursuant to NRS 116.31105.

6. The holder of a proxy may not cast a vote on behalf of the unit’s owner who executed the proxy in a manner that is contrary to the proxy.

7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.

8. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units’ owners who have leased the units:
   (a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units’ owners;
   (b) The units’ owners who have leased their units to the lessees may not cast votes on those specified matters;
   (c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units’ owners; and
   (d) The units’ owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

10. The provisions of this section do not apply to a high-rise residential common-interest community to the extent that its governing documents include provisions authorized pursuant to section 4.3 of this act for casting votes pursuant to a proxy that are different from the provisions of this section.

Amend the title of the bill, eleventh line, after “board;” by inserting: “making various changes concerning high-rise residential common-interest communities;”.

Sec. 6. NRS 483.461 is hereby amended to read as follows:

1. If the result of a test given pursuant to NRS 484.382 or 484.383 shows that a person less than 21 years of age had a concentration of alcohol of 0.02 or more but less than 0.08 in his blood or breath at the time of the test, his license, permit or privilege to drive must be suspended for a period of 90 days.

2. If a revocation or suspension of a person’s license, permit or privilege to drive for a violation of NRS 62E.640, 484.379 or 484.3795 or section 14 of this act follows a suspension ordered pursuant to subsection 1, the Department shall:

3. This section does not preclude:

(a) The prosecution of a person for a violation of any other provision of law; or

(b) The suspension or revocation of a person’s license, permit or privilege to drive pursuant to any other provision of law.

Sec. 7. NRS 483.461 is hereby amended to read as follows:

1. If the result of a test given pursuant to NRS 484.382 or 484.383 shows that a person less than 21 years of age had a concentration of alcohol of 0.02 or more but less than 0.10 in his blood or breath at the time of the test, his license, permit or privilege to drive must be suspended for a period of 90 days.

2. If a revocation or suspension of a person’s license, permit or privilege to drive for a violation of NRS 62E.640, 484.379 or 484.3795 or section 14 of this act follows a suspension ordered pursuant to subsection 1, the Department shall:

   (a) To and from work or in the course of his work, or both; or
   (b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself or a member of his immediate family.

Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if he is issued a restricted license.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484.3943:
   (a) Shall install the device not later than 21 days after the date on which the order was issued; and

         (I) A violation of NRS 484.3795 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
         (II) A third or subsequent violation within 7 years of NRS 484.379 or section 14 of this act;

(3) After at least 45 days of the period during which he is not eligible for a license, if he was convicted of a first violation within 7 years of NRS 484.379 or section 14 of this act.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484.3943, the Department shall not issue a restricted driver’s license to such a person pursuant to this section unless the applicant has submitted proof of compliance with the order and subsection 2.

4. After a driver’s license has been revoked or suspended pursuant to title 5 of NRS, the Department may issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
   (a) If applicable, to and from work or in the course of his work, or both; and
   (b) If applicable, to and from school.

5. After a driver’s license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
   (a) If applicable, to and from work or in the course of his work, or both;
   (b) To receive regularly scheduled medical care for himself or a member of his immediate family; and
   (c) If applicable, as necessary to exercise a court-ordered right to visit a child.

   (b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
   (c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b),
   the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484.384 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.

Sec. 9. NRS 483.560 is hereby amended to read as follows:
483.560 1. Except as otherwise provided in subsection 2, any person who drives a motor vehicle on a highway or on premises to which the public has access at a time when his driver’s license has been cancelled, revoked or suspended is guilty of a misdemeanor.

the person shall be punished by imprisonment in jail for not less than 30 days nor more than 6 months or by serving a term of residential confinement for not less than 60 days nor more than 6 months, and shall be further punished by a fine of not less than $500 nor more than $1,000. A person who is punished pursuant to this subsection may not be granted probation, and a sentence imposed for such a violation may not be suspended. A prosecutor may not dismiss a charge of such a violation in exchange for a plea of guilty or of nolo contendere to a lesser charge or for any other reason, unless in his judgment the charge is not supported by probable cause or cannot be proved at trial. The provisions of this subsection do not apply if the period of revocation has expired but the person has not reinstated his license.

3. A term of imprisonment imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the person convicted. However, the full term of imprisonment must be served within 6 months after the date of conviction, and any segment of time the person is imprisoned must not consist of less than 24 hours.

4. Jail sentences simultaneously imposed pursuant to this section and NRS 484.3792, 484.37937 or 484.3794 section 15 of this act must run consecutively.

5. If the Department receives a record of the conviction or punishment of any person pursuant to this section upon a charge of driving a vehicle while his license was:

(a) Suspended, the Department shall extend the period of the suspension for an additional like period.

(b) Revoked, the Department shall extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.

(c) Restricted, the Department shall revoke his restricted license and extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.
(d) Suspended or cancelled for an indefinite period, the Department shall suspend his license for an additional 6 months for the first violation and an additional 1 year for each subsequent violation.

6. Suspensions and revocations imposed pursuant to this section must run consecutively.

Sec. 10. NRS 483.910 is hereby amended to read as follows:

483.910 1. The Department shall charge and collect the following fees:

483.922 1. Except as otherwise provided in NRS 484.383, a person who drives, operates or is in actual physical control of a commercial motor vehicle within this State shall be deemed to have given consent to an evidentiary test of his blood, urine, breath or other bodily substance for the purpose of determining the concentration of alcohol in his blood or breath or to detect the presence of a controlled substance, chemical, poison, organic solvent or another prohibited substance.

2. The tests must be administered pursuant to NRS 484.383 at the direction of a police officer who, after stopping or detaining such a person, has reasonable grounds to believe that the person was:
   (a) Driving, [operation] operating or in actual physical control of a commercial motor vehicle while under the influence of intoxicating liquor or a controlled substance; or
   (b) Engaging in any other conduct prohibited by NRS 484.379 or section 14 of this act.

Sec. 12. Chapter 484 of NRS is hereby amended by adding thereto the provisions set forth as sections 13 to 21, inclusive, of this act.

Sec. 13. “Concentration of alcohol of 0.18 or more in his blood or breath” means 0.18 gram or more of alcohol per 100 milliliters of the blood of a person or per 210 liters of his breath.

Sec. 14. 1. It is unlawful for any person who:

      to drive or be in actual physical control of a vehicle on a highway or on premises to which the public has access.
2. If consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the vehicle, and before his blood or breath was tested, to cause him to have a concentration of alcohol of 0.18 or more in his blood or breath. A defendant who intends to offer this defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.

3. A person who violates any provision of this section may be subject to the additional penalty set forth in NRS 484.3667.

Sec. 15. 1. Unless a greater penalty is provided pursuant to NRS 484.3795, a person who violates the provisions of section 14 of this act:
   (a) For the first offense within 7 years, is guilty of a misdemeanor. The court shall:
      (1) Sentence him to imprisonment for not less than 6 days nor more than 6 months in jail, or to perform not less than 72 hours, but not more than 144 hours, of community service while dressed in distinctive garb that identifies him as having violated the provisions of section 14 of this act;
      (2) Fine him not less than $400 nor more than $1,000; and
      (3) Order him to attend a program of treatment for the abuse of alcohol pursuant to the provisions of NRS 484.37945.

An offender so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.
   (d) For a fourth or subsequent offense, regardless of the length of time that has passed since the prior offenses, is guilty of a category B felony and
shall be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 15 years, and shall be further punished by a fine of not less than $4,000 nor more than $5,000. An offender so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.

2. Except as otherwise provided in this subsection, an offense that occurred within 7 years immediately preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard to the sequence of the offenses and convictions. For the purposes of paragraph (d) of subsection 1, an offense that occurred on any date preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard for the sequence of the offenses and convictions. The facts concerning a prior offense must be alleged in the complaint, indictment or information, must not be read to the jury or proved at trial but must be proved at the time of sentencing and, if the principal offense is alleged to be a felony, must also be shown at the preliminary examination or presented to the grand jury.

A prosecuting attorney shall not dismiss a charge of violating the provisions of section 14 of this act in exchange for a plea of guilty or nolo contendere to a lesser charge or for any other reason unless he knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.

4. A term of confinement imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace, except that a person who is convicted of a second or subsequent offense within 7 years must be confined for at least one segment of not less than 48 consecutive hours. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the offender, but any sentence of 30 days or less must be served within 6 months after the date of conviction or, if the offender was sentenced pursuant to NRS 484.3794 and the suspension of his sentence was revoked, within 6 months after the date of revocation. Any time for which the offender is confined must consist of not less than 24 consecutive hours.

5. Jail sentences simultaneously imposed pursuant to this section and NRS 482.456, 483.560 or 485.330 must run consecutively.

6. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider
that fact as an aggravating factor in determining the sentence of the defendant.

7. For the purpose of determining whether one offense occurs within 7 years of another offense, any period of time between the two offenses during which, for any such offense, the offender is imprisoned, serving a term of residential confinement, confined in a treatment facility, on parole or on probation must be excluded.

8. As used in this section, unless the context otherwise requires:

      (e) The date and time of day.

Sec. 19. The Department of Transportation shall adopt regulations establishing a pilot program pursuant to which a county, city or other local government may acquire and use an automated enforcement system to gather evidence to be used for the issuance of a traffic citation for:
   1. A violation of this chapter; or
2. A violation of an ordinance, rule or regulation of the county, city or local government which has the force of law.

Sec. 20. The regulations adopted by the Department of Transportation pursuant to section 19 of this act must set forth, without limitation:

1. That a citation issued through the use of an automated enforcement system imposes the same penalties as a citation issued by a peace officer for the same or substantially similar violation;

2. That a citation may not be issued through the use of an automated enforcement system unless the evidence gathered by the system with respect to a particular alleged violation provides reasonable proof that the person driving or operating the vehicle at the time of the alleged violation was the registered owner of the vehicle;

3. That a citation issued through the use of an automated enforcement system must:

(a) Insofar as practicable, comply with the applicable provisions of NRS 484.799; and

(b) Afford the person cited an opportunity to appeal or otherwise challenge the citation by appearance before a magistrate, justice or judge, as appropriate; and

4. Criteria detailing the information that must be included in the report that a county, city or local government is required to provide to the Department of Transportation pursuant to subsection 2 of section 21 of this act.

A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless he determines that the course meets any standards
that are established by the Nevada Sheriffs’ and Chiefs’ Association or, if the Nevada Sheriffs’ and Chiefs’ Association ceases to exist, its legal successor.

3. The sheriff shall deny an application or revoke a permit if he determines that the applicant or permittee:

If any victim of a crime committed by the offender has, pursuant to subsection 4 of NRS 213.130, requested to be notified of the consideration of a prisoner for parole and has provided a current address, the Division of Parole and Probation shall notify the victim of the offender’s request and advise the victim that he may submit documents regarding the request to the Division of Parole and Probation. If a current address has not been provided as required by subsection 4 of NRS 213.130, the Division of Parole and Probation must not be held responsible if such notification is not received by the victim. 3. The Director, after consulting with the Division of Parole and Probation, shall adopt, by regulation, standards providing which offenders are eligible for residential confinement. The standards adopted by the Director must provide that an offender who:
   (a) Is not eligible for parole or release from prison within a reasonable period;

(b) The offender forfeits all or part of the credits for good behavior earned by him before the escape or violation, as determined by the Director. The Director may provide for a forfeiture of credits pursuant to this paragraph only after proof of the offense and notice to the offender and may restore credits forfeited for such reasons as he considers proper. The decision of the Director regarding such a forfeiture is final.

5. The assignment of an offender to the custody of the Division of Parole and Probation pursuant to this section shall be deemed:

   is covered by a policy of liability insurance as required by NRS 485.185. In identifying a motor vehicle for verification pursuant to this subsection, the Department may, if the motor vehicle was manufactured during or after 1981, use only the last eight digits of the vehicle identification number. In comparing the vehicle identification number of a motor vehicle to the vehicle identification number in a policy of liability insurance, to determine if the two vehicle identification numbers match, the Department may find that the two vehicle identification numbers match if no fewer than seven of the last eight digits of the two vehicle identification numbers match.
2. The owner shall complete the form with all the
information which is requested by the Department, including whether he carries an owner’s or operator’s policy of liability insurance or a certificate of self-insurance, and return the completed form within 20 days after the date on which the form was mailed by the Department. If the Department does not receive the completed form within 20 days after it mailed the form to the owner, the Department shall send to the owner a notice of suspension of registration by certified mail. The notice must inform the owner that unless he submits a completed form to the Department within 15 days after the date on which the notice was sent by the Department his registration will be suspended pursuant to subsection 5. This subsection does not prohibit an authorized agent of the owner from providing to the Department:

(c) Returned by the registered owner or his authorized agent with an admission of having no insurance or without indicating an insurer or the number of a motor vehicle liability policy or a certificate of self-insurance.

(2) Submits a completed form regarding his insurance on the date stated in the form mailed by the Department pursuant to subsection 3; and

(b) The owner or his authorized agent submitted to the Department a form for verification containing information that the Department was unable to verify and, thereafter, the owner or his authorized agent presents to the Department:

2. Evidence of current insurance,

the Department shall rescind its suspension of the registration if it is able to verify the information on the form or the other evidence presented. The Department shall not charge a fee to reinstate a registration, the suspension of which was rescinded pursuant to this subsection. For the purposes of this subsection, “justifiable cause” may include, but is not limited to, the fact that the owner did not receive the form mailed by the Department pursuant to subsection 3.

7. Except as otherwise provided in subsections 8 and 9, if a registered owner whose registration is suspended pursuant to subsection 5, failed to have insurance on the date specified in the form for verification, the Department shall reinstate the registration of the vehicle and reissue the license plates only upon filing by the registered owner of evidence of current insurance and payment of the fee for reinstatement of registration prescribed in paragraph (a) of subsection 6 of NRS 482.480.

8. If a registered owner proves to the satisfaction of the Department that his vehicle was a dormant vehicle during the period in which the information provided pursuant to NRS 485.314 indicated that there was no insurance for the vehicle, the Department shall reinstate his registration and, if applicable, reissue his license plates. If such an owner of a dormant vehicle failed to cancel the registration for the vehicle in accordance with subsection 3 of NRS 485.320, the Department shall not reinstate his registration or reissue his license plates unless the owner pays the fee set forth in paragraph (b) of subsection 6 of NRS 482.480.

9. If the Department suspends the registration of a motor vehicle pursuant to subsection 5 because the registered owner of the motor vehicle failed to have insurance on the date specified in the form for verification, and if the registered owner, in accordance with regulations adopted by the Department, proves to the satisfaction of the Department that he was unable to comply with the provisions of NRS 485.185 on that date because of extenuating circumstances, the Department may:

(a) Re-instate the registration of the motor vehicle and reissue the license plates upon payment by the registered owner of a fee of $50, which must be deposited in the Account for Verification of Insurance created by subsection 6 of NRS 482.480; or
(b) Rescind the suspension of the registration without the payment of a fee.

The Department shall adopt regulations to carry out the provisions of this subsection.

Of the proposals submitted which conform to all terms and conditions specified in the notice published pursuant to subsection 4 and which are made by responsible bidders, the bid which is the highest must be finally accepted, unless a higher oral offer is accepted or the State Land Registrar rejects all bids and offers. Before finally accepting any written bid, the State Land Registrar shall call for oral offers. If, upon the call for oral offers, any responsible person offers to buy or lease the land upon the terms and conditions specified in the notice, for a price exceeding by at least 5 percent the highest written bid, then the highest oral offer which is made by a responsible person must be finally accepted.

10. The State Land Registrar may require any person requesting that state land be sold pursuant to the provisions of this section to deposit a sufficient amount of money to pay the costs to be incurred by the State Land Registrar in acting upon the application, including the costs of publication.
and the expenses of appraisal. This deposit must be refunded whenever the person making the deposit is not the successful bidder. The costs of acting upon the application, including the costs of publication and the expenses of appraisal, must be borne by the successful bidder.
