Senator Townsend moved that the Senate concur in the Assembly amendment to Senate Bill No. 381.

Remarks by Senator Townsend.

Senator Townsend requested that his remarks be entered in the Journal.

I want to specifically clarify the amendment relating to the authority of the Manufactured Housing Division to charge fees for the permitting system allowed by this legislation. So that there is no question, a determination was made that the language removed from the original bill that had provided explicit authority for the Division to impose fees relating to a permit system was not necessary as the Division already has statutory authority to impose fees relating to the services it provides. Thus, this is to clarify we did not want our action in amending and passing this legislation to be construed as legislative intent to prohibit the Division from imposing such fees.

4. If an injured employee has requested payment for the cost of obtaining a second determination of his percentage of disability pursuant to NRS 616C.100, the appeals officer shall decide whether the determination of the higher percentage of disability made pursuant to NRS 616C.100 is appropriate and, if so, may order the insurer to pay to the employee an amount equal to the maximum allowable fee established by the Administrator pursuant to NRS 616C.260 for the type of service performed, or the usual fee of that physician or chiropractor for such service, whichever is less.
5. The appeals officer shall order an insurer, organization for managed care or employer who provides accident benefits for injured employees pursuant to NRS 616C.265 to pay to the appropriate person the charges of a provider of health care if the conditions of NRS 616C.138 are satisfied.
6. Any party to the appeal or the appeals officer may order a transcript of the record of the hearing at any time before the seventh day after the hearing. The transcript must be filed within 30 days after the date of the order unless the appeals officer otherwise orders.

Subject to the limitations set forth in this subsection and subsection 2, the Department shall, at least monthly, compare the current registrations of motor vehicles to the information in the database created pursuant to NRS 485.313 to verify that each motor vehicle:

(a) Which is newly registered in this State; or
(b) For which a policy of liability insurance has been issued, amended or terminated.

In identifying a motor vehicle for verification pursuant to this subsection, the Department may, if the motor vehicle was manufactured during or after 1981, use only the last eight digits of the vehicle identification number. In comparing the vehicle identification number of a motor vehicle to the vehicle identification number in a policy of liability insurance, to determine if the two vehicle identification numbers match, the Department may find that the two vehicle identification numbers match if no fewer than seven of the last eight digits of the two vehicle identification numbers match.

2. Except as otherwise provided in this subsection, the Department may use any information to verify, pursuant to subsection 1, whether the motor vehicle is covered by a policy of liability insurance as required by NRS 485.185. The Department may not use the name of the owner of a motor vehicle as the primary means of verifying that a motor vehicle is covered by a policy of liability insurance.

3. If, pursuant to subsection 1, the Department determines that a motor vehicle is not covered by a policy of liability insurance as required by NRS 485.185, the Department shall send a form for verification by first-class mail to each registered owner that it determines has not maintained the insurance required by NRS 485.185. The owner shall complete the form with all the information which is requested by the Department, including whether he carries an owner's or operator's policy of liability insurance or a certificate of self-insurance, and return the completed form within 20 days after the date on which the form was mailed by the Department. If the Department does not receive the completed form within 20 days after it mailed the form to the owner, the Department shall send to the owner a notice of suspension of registration by certified mail. The notice must inform the owner that unless he submits a completed form to the Department within 15 days after the date on which the notice was sent by the Department, his registration will be suspended pursuant to subsection 5. This subsection does not prohibit an authorized agent of the owner from providing to the Department:

(a) The information requested by the Department pursuant to this subsection.
(b) Additional information to amend or correct information already submitted to the Department pursuant to this subsection.
4. When the Department receives a completed form for verification, it shall verify the information on the form.

5. The Department shall suspend the registration and require the return to the Department of the license plates of any vehicle for which:

   (a) Neither of the forms set forth in subsection 3 is:
       (1) Not returned to the Department by the registered owner or his authorized agent within the period specified in that subsection;
       (2) Returned to the Department by the registered owner or his authorized agent and the Department is not able to verify the information on the form;
       (3) Returned by the registered owner or his authorized agent with an admission of having no insurance or without indicating an insurer or the number of a motor vehicle liability policy or a certificate of self-insurance.

6. If the Department suspends a registration pursuant to subsection 5 because:

   (a) Neither the owner nor his authorized agent returned a form for verification within the specified period or the owner or his authorized agent returned a form for verification that was not completed sufficiently, and the owner or his authorized agent, thereafter:
       (1) Proves to the satisfaction of the Department that there was a justifiable cause for his failure to do so;
       (2) Submits a completed form regarding his insurance on the date stated in the form mailed by the Department pursuant to subsection 3; and
       (3) Presents evidence of current insurance;

   (b) The owner or his authorized agent submitted to the Department a form for verification containing information that the Department was unable to verify and, thereafter, the owner or his authorized agent presents to the Department:
       (1) A corrected form or otherwise verifiable evidence setting forth that the owner possessed insurance on the date stated in the form; and
       (2) Evidence of current insurance.

   The Department shall rescind its suspension of the registration if it is able to verify the information on the form or the other evidence presented. The Department shall not charge a fee to reinstate a registration, the suspension of which was rescinded pursuant to this subsection. For the purposes of this subsection, "justifiable cause" may include, but is not limited to, the fact that the owner did not receive the form mailed by the Department pursuant to subsection 3.

7. Except as otherwise provided in subsections 8 and 9, if a registered owner whose registration is suspended pursuant to subsection 5, failed to have insurance on the date specified in the form for verification, the Department shall reinstate the registration of the vehicle and reissue the
license plates only upon filing by the registered owner of evidence of current insurance and payment of the fee for reinstatement of registration prescribed in paragraph (a) of subsection 6 of NRS 482.480.

8. If a registered owner proves to the satisfaction of the Department that his vehicle was a dormant vehicle during the period in which the information provided pursuant to NRS 485.314 indicated that there was no insurance for the vehicle, the Department shall reinstate his registration and, if applicable, reissue his license plates. If such an owner of a dormant vehicle failed to cancel the registration for the vehicle in accordance with subsection 3 of NRS 485.320, the Department shall not reinstate his registration or reissue his license plates unless the owner pays the fee set forth in paragraph (b) of subsection 6 of NRS 482.480.

9. If the Department suspends the registration of a motor vehicle pursuant to subsection 5 because the registered owner of the motor vehicle failed to have insurance on the date specified in the form for verification, and if the registered owner, in accordance with regulations adopted by the Department, proves to the satisfaction of the Department that he was unable to comply with the provisions of NRS 485.185 on that date because of extenuating circumstances, the Department may:

(a) Reinstate the registration of the motor vehicle and reissue the license plates upon payment by the registered owner of a fee of $50, which must be deposited in the Account for Verification of Insurance created by subsection 6 of NRS 482.480; or

(b) Rescind the suspension of the registration without the payment of a fee.

The Department shall adopt regulations to carry out the provisions of this subsection.

10. For the purposes of verification of insurance by the Department pursuant to this section, a motor vehicle shall be deemed to be covered by liability insurance unless the motor vehicle is without coverage for a period of more than 7 days."

If the declaration provides that any of the powers described in NRS 116.3102 are to be exercised by or may be delegated to a profit or nonprofit corporation that exercises those or other powers on behalf of one or more common-interest communities or for the benefit of the units' owners of one or more common-interest communities, or on behalf of a
common-interest community and a time-share plan created pursuant to chapter 119A of NRS, all provisions of this chapter applicable to unit-owners' associations apply to any such corporation, except as modified by this section.

2. Unless it is acting in the capacity of an association described in NRS 116.3101, a master association may exercise the powers set forth in paragraph (b) of subsection 1 of NRS 116.3102 only to the extent expressly permitted in:

(a) The declarations of common-interest communities which are part of the master association or expressly described in the delegations of power from those common-interest communities to the master association; or

(a) All units' owners of all common-interest communities subject to the master association may elect all members of the master association's executive board.

(b) All members of the executive boards of all common-interest communities subject to the master association may elect all members of the master association's executive board.

(c) All units' owners of each common-interest community subject to the master association may elect specified members of the master association's executive board.

3. The bylaws must be written in plain English."

Amend the bill as a whole by deleting sec. 7 and adding a new section designated sec. 7, following sec. 6, to read as follows:

"Sec. 7. NRS 116.311 is hereby amended to read as follows:
116.311 1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.
2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.
3. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
(b) The proxy must not purport to be revocable without notice.
(c) The proxy must designate the meeting for which it is executed.
(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.
(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.

4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.
5. A vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association unless the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.
6. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.
7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.
8. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:
   (a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units' owners;
   (b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;
   (c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and
   (d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.
9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.
10. The provisions of this section do not apply to a high-rise residential common-interest community to the extent that its governing documents include provisions authorized pursuant to section 4.3 of this act for casting
votes pursuant to a proxy that are different from the provisions of this section."

Amend the title of the bill, eleventh line, after "board;" by inserting: "making various changes concerning high-rise residential common-interest communities;".

483.461  1. If the result of a test given pursuant to NRS 484.382 or 484.383 shows that a person less than 21 years of age had a concentration of alcohol of 0.02 or more but less than 0.10 in his blood or breath at the time of the test, his license, permit or privilege to drive must be suspended for a period of 90 days.

2. If a revocation or suspension of a person's license, permit or privilege to drive for a violation of NRS 62E.640, 484.379 or 484.3795 or section 14 of this act follows a suspension ordered pursuant to subsection 1, the Department shall:
   (a) Cancel the suspension ordered pursuant to subsection 1; and
   (b) Give the person credit toward the period of revocation or suspension ordered pursuant to NRS 62E.640, 484.379 or 484.3795, or section 14 of this act, whichever is applicable, for any period during which the person's license, permit or privilege to drive was suspended pursuant to subsection 1.

3. This section does not preclude:
   (a) The prosecution of a person for a violation of any other provision of law; or
   (b) The suspension or revocation of a person's license, permit or privilege to drive pursuant to any other provision of law.

Sec. 8. NRS 483.490 is hereby amended to read as follows:

483.490  1. Except as otherwise provided in this section, after a driver's license has been suspended or revoked for an offense other than a second violation within 7 years of NRS 484.379 or section 14 of this act and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension prohibits the issuance of a restricted license, issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:
   (a) To and from work or in the course of his work, or both; or
   (b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself or a member of his immediate family.

Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if he is issued a restricted license.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484.3943:
   (a) Shall install the device not later than 21 days after the date on which the order was issued; and
(b) May not receive a restricted license pursuant to this section until:

1. After at least 1 year of the period during which he is not eligible for a license, if he was convicted of:
   (I) A violation of NRS 484.3795 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
   (II) A third or subsequent violation within 7 years of NRS 484.379 or section 14 of this act.

2. After at least 180 days of the period during which he is not eligible for a license, if he was convicted of a violation of subsection 2 of NRS 484.377; or

3. After at least 45 days of the period during which he is not eligible for a license, if he was convicted of a first violation within 7 years of NRS 484.379 or section 14 of this act.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484.3943, the Department shall not issue a restricted driver's license to such a person pursuant to this section unless the applicant has submitted proof of compliance with the order and subsection 2.

4. After a driver's license has been revoked or suspended pursuant to title 5 of NRS, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:
   (a) If applicable, to and from work or in the course of his work, or both; and
   (b) If applicable, to and from school.

5. After a driver's license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:
   (a) If applicable, to and from work or in the course of his work, or both;
   (b) To receive regularly scheduled medical care for himself or a member of his immediate family; and
   (c) If applicable, as necessary to exercise a court-ordered right to visit a child.

6. A driver who violates a condition of a restricted license issued pursuant to subsection 1 or by another jurisdiction is guilty of a misdemeanor and, if the license of the driver was suspended or revoked for:
   (a) A violation of NRS 484.379, 484.3795 or 484.384 or section 14 of this act;
   (b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
(c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b), the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484.384 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.

Sec. 9. NRS 483.560 is hereby amended to read as follows:

483.560 1. Except as otherwise provided in subsection 2, any person who drives a motor vehicle on a highway or on premises to which the public has access at a time when his driver's license has been cancelled, revoked or suspended is guilty of a misdemeanor.

2. Except as otherwise provided in this subsection, if the license of the person was suspended, revoked or restricted because of:
   (a) A violation of NRS 484.379, 484.3795 or 484.384 or section 14 of this act; or
   (b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
   (c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b), the person shall be punished by imprisonment in jail for not less than 30 days nor more than 6 months or by serving a term of residential confinement for not less than 60 days nor more than 6 months, and shall be further punished by a fine of not less than $500 nor more than $1,000. A person who is punished pursuant to this subsection may not be granted probation, and a sentence imposed for such a violation may not be suspended. A prosecutor may not dismiss a charge of such a violation in exchange for a plea of guilty or of nolo contendere to a lesser charge or for any other reason, unless in his judgment the charge is not supported by probable cause or cannot be proved at trial. The provisions of this subsection do not apply if the period of revocation has expired but the person has not reinstated his license.

3. A term of imprisonment imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the person convicted. However, the full term of imprisonment must be served
within 6 months after the date of conviction, and any segment of time the person is imprisoned must not consist of less than 24 hours.

4. Jail sentences simultaneously imposed pursuant to this section and NRS 484.3792, 484.37937 or 484.3794 or section 15 of this act must run consecutively.

5. If the Department receives a record of the conviction or punishment of any person pursuant to this section upon a charge of driving a vehicle while his license was:
   (a) Suspended, the Department shall extend the period of the suspension for an additional like period.
   (b) Revoked, the Department shall extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.
   (c) Restricted, the Department shall revoke his restricted license and extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.
   (d) Suspended or cancelled for an indefinite period, the Department shall suspend his license for an additional 6 months for the first violation and an additional 1 year for each subsequent violation.

6. Suspensions and revocations imposed pursuant to this section must run consecutively.

Sec. 10. NRS 483.910 is hereby amended to read as follows:

   For renewal of a commercial driver's license which requires the Department to administer a driving skills test $84

For any change of information on a commercial driver's license ........ 9
For each endorsement added after the issuance of an original commercial
driver's license ................................................................................... 14

or add an endorsement to, an existing commercial driver's license... 30
2. The Department shall charge and collect an annual fee of $555 from

Sec. 11. NRS 483.922 is hereby amended to read as follows:

483.922 1. Except as otherwise provided in NRS 484.383, a person
who drives, operates or is in actual physical control of a commercial motor
vehicle within this State shall be deemed to have given consent to an
evidentiary test of his blood, urine, breath or other bodily substance for the
purpose of determining the concentration of alcohol in his blood or breath or
to detect the presence of a controlled substance, chemical, poison, organic
solvent or another prohibited substance.
2. The tests must be administered pursuant to NRS 484.383 at the
direction of a police officer who, after stopping or detaining such a person,
has reasonable grounds to believe that the person was:
(a) Driving, [operation] operating or in actual physical control of a
commercial motor vehicle while under the influence of intoxicating liquor or
a controlled substance; or
(b) Engaging in any other conduct prohibited by NRS 484.379 or
484.3795 or section 14 of this act.
3. As used in this section, "prohibited substance" has the meaning
ascribed to it in NRS 484.1245.
Sec. 12. Chapter 484 of NRS is hereby amended by adding thereto the
provisions set forth as sections 13 to 21, inclusive, of this act.
Sec. 13. "Concentration of alcohol of 0.18 or more in his blood or breath" means 0.18 gram or more of alcohol per 100 milliliters of the blood of a person or per 210 liters of his breath.

Sec. 14. 1. It is unlawful for any person who:
(a) Is under the extreme influence of intoxicating liquor;
(b) Has a concentration of alcohol of 0.18 or more in his blood or breath;
or
(c) Is found by measurement within 2 hours after driving or being in actual physical control of a vehicle to have a concentration of alcohol of 0.18 or more in his blood or breath, to drive or be in actual physical control of a vehicle on a highway or on premises to which the public has access.

2. If consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the vehicle, and before his blood or breath was tested, to cause him to have a concentration of alcohol of 0.18 or more in his blood or breath. A defendant who intends to offer this defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.

3. A person who violates any provision of this section may be subject to the additional penalty set forth in NRS 484.3667.

Sec. 15. 1. Unless a greater penalty is provided pursuant to NRS 484.3795, a person who violates the provisions of section 14 of this act:
(a) For the first offense within 7 years, is guilty of a misdemeanor. The court shall:
(1) Sentence him to imprisonment for not less than 6 days nor more than 6 months in jail, or to perform not less than 72 hours, but not more than 144 hours, of community service while dressed in distinctive garb that identifies him as having violated the provisions of section 14 of this act;
(2) Fine him not less than $400 nor more than $1,000; and
(3) Order him to attend a program of treatment for the abuse of alcohol pursuant to the provisions of NRS 484.37945.
(b) For a second offense within 7 years, is guilty of a misdemeanor. Unless the sentence is reduced pursuant to NRS 484.3794, the court shall:
(1) Sentence him to:
(I) Imprisonment for not less than 14 days nor more than 6 months in jail; or
(II) Residential confinement for not less than 14 days nor more than 6 months, in the manner provided in NRS 4.376 to 4.3766, inclusive, or 5.0755 to 5.078, inclusive;
(2) Fine him not less than $750 nor more than $1,000, or order him to perform an equivalent number of hours of community service while dressed
(3) Order him to attend a program of treatment for the abuse of alcohol pursuant to the provisions of NRS 484.37945.

(c) For a third offense within 7 years, is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years, and shall be further punished by a fine of not less than $4,000 nor more than $5,000. An offender so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.

(d) For a fourth or subsequent offense, regardless of the length of time that has passed since the prior offenses, is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 15 years, and shall be further punished by a fine of not less than $4,000 nor more than $5,000. An offender so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.

2. Except as otherwise provided in this subsection, an offense that occurred within 7 years immediately preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard to the sequence of the offenses and convictions. For the purposes of paragraph (d) of subsection 1, an offense that occurred on any date preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard for the sequence of the offenses and convictions. The facts concerning a prior offense must be alleged in the complaint, indictment or information, must not be read to the jury or proved at trial but must be proved at the time of sentencing and, if the principal offense is alleged to be a felony, must also be shown at the preliminary examination or presented to the grand jury.

3. A person convicted of violating the provisions of section 14 of this act must not be released on probation, and a sentence imposed for violating those provisions must not be suspended except, as provided in NRS 4.373, 5.055 and 484.3794, that portion of the sentence imposed that exceeds the mandatory minimum. A prosecuting attorney shall not dismiss a charge of violating the provisions of section 14 of this act in exchange for a plea of guilty or nolo contendere to a lesser charge or for any other reason unless he knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.

4. A term of confinement imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace, except that a person who is convicted of a second or subsequent
offense within 7 years must be confined for at least one segment of not less than 48 consecutive hours. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the offender, but any sentence of 30 days or less must be served within 6 months after the date of conviction or, if the offender was sentenced pursuant to NRS 484.3794 and the suspension of his sentence was revoked, within 6 months after the date of revocation. Any time for which the offender is confined must consist of not less than 24 consecutive hours.

5. Jail sentences simultaneously imposed pursuant to this section and NRS 482.456, 483.560 or 485.330 must run consecutively.

6. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider that fact as an aggravating factor in determining the sentence of the defendant.

7. For the purpose of determining whether one offense occurs within 7 years of another offense, any period of time between the two offenses during which, for any such offense, the offender is imprisoned, serving a term of residential confinement, confined in a treatment facility, on parole or on probation must be excluded.

8. As used in this section, unless the context otherwise requires:
   (a) "Offense" means:
      (1) A violation of NRS 484.379, 484.3795 or section 14 of this act;
      (2) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379, 484.3795 or section 14 of this act; or
      (3) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in subparagraph (1) or (2).
   (b) "Treatment facility" has the meaning ascribed to it in NRS 484.3793.

Sec. 16. As used in sections 16 to 21, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 17 and 18 of this act have the meanings ascribed to them in those sections.

Sec. 17. "Automated enforcement system" means a contrivance, device, mechanism or any combination thereof that is used to obtain evidence of a moving traffic violation without the need for contemporaneous manipulation or operation by a human being. The term includes a red-light camera.

Sec. 18. "Red-light camera" means a camera that:
1. Is adapted for use or placed at an intersection or crosswalk in which the movement of vehicles or pedestrians, or both, is controlled by an official traffic-control device that is operated electrically, electronically or mechanically; and
2. Is capable of photographing or otherwise capturing one or more images or representations of all the following in a simultaneous or approximately simultaneous manner:
   (a) The license plate number of a vehicle;
(b) An accurate likeness of the driver or operator of the vehicle;

(c) The signal displayed by or upon the official traffic-control device as the vehicle enters or exits, or both, the intersection or crosswalk controlled by the official traffic-control device;

(d) The position of the vehicle within the intersection or crosswalk relative to the signal displayed by or upon the official traffic-control device; and

(e) The date and time of day.

Sec. 19. The Department of Transportation shall adopt regulations establishing a pilot program pursuant to which a county, city or other local government may acquire and use an automated enforcement system to gather evidence to be used for the issuance of a traffic citation for:

1. A violation of this chapter; or
2. A violation of an ordinance, rule or regulation of the county, city or local government which has the force of law.

Sec. 20. The regulations adopted by the Department of Transportation pursuant to section 19 of this act must set forth, without limitation:

1. That a citation issued through the use of an automated enforcement system imposes the same penalties as a citation issued by a peace officer for the same or substantially similar violation;

2. That a citation may not be issued through the use of an automated enforcement system unless the evidence gathered by the system with respect to a particular alleged violation provides reasonable proof that the person driving or operating the vehicle at the time of the alleged violation was the registered owner of the vehicle;

3. That a citation issued through the use of an automated enforcement system must:
   (a) Insofar as practicable, comply with the applicable provisions of NRS 484.799; and
   (b) Afford the person cited an opportunity to appeal or otherwise challenge the citation by appearance before a magistrate, justice or judge, as appropriate; and

4. Criteria detailing the information that must be included in the report that a county, city or local government is required to provide to the Department of Transportation pursuant to subsection 2 of section 21 of this act.

Sec. 21. The Department of Transportation shall:

1. Establish a clearinghouse of information relating to the use of automated enforcement systems;

2. Require a county, city or local government that acquires and uses an automated enforcement system to report to the Department of Transportation, on or before October 1, 2006, and on or before October 1 of each even-numbered year thereafter, the information required to be reported by regulation of the Department of Transportation adopted pursuant to subsection 4 of section 20 of this act; and
3. Submit a comprehensive report on the use of automated enforcement systems to the Director of the Legislative Counsel Bureau for distribution to each regular session of the Legislature on or before April 1 of each odd-numbered year.

Sec. 22. NRS 484.013 is hereby amended to read as follows:

484.013 As used in this chapter, unless the context otherwise requires, the words and terms defined in NRS 484.014 to 484.217, inclusive, and section 13 of this act have the meanings ascribed to them in those sections.

Sec. 23. NRS 484.259 is hereby amended to read as follows:

484.259 1. Except for the provisions of NRS 484.379 to 484.3947, inclusive, and sections 14 and 15 of this act, and any provisions made applicable by specific statute, the provisions of this chapter do not apply to persons, teams, motor vehicles and other equipment while actually engaged in work upon the surface of a highway.

2. The provisions of this chapter apply to the persons, teams, motor vehicles and other equipment described in subsection 1 when traveling to or from such work.

Sec. 24. NRS 484.3667 is hereby amended to read as follows:

484.3667 1. Except as otherwise provided in subsection 2, a person who is convicted of a violation of a speed limit, or of NRS 484.254, 484.278, 484.289, 484.291 to 484.301, inclusive, 484.305, 484.309, 484.311, 484.335, 484.337, 484.361, 484.363, 484.3765, 484.377, 484.379, 484.448, 484.453 or 484.479, or section 14 of this act, that occurred:

(a) In an area designated as a temporary traffic control zone in which construction, maintenance or repair of a highway is conducted; and

(b) At a time when the workers who are performing the construction, maintenance or repair of the highway are present, or when the effects of the act may be aggravated because of the condition of the highway caused by construction, maintenance or repair, including, without limitation, reduction in lane width, reduction in the number of lanes, shifting of lanes from the designated alignment and uneven or temporary surfaces, including, without limitation, modifications to road beds, cement-treated bases, chip seals and other similar conditions,

shall be punished by imprisonment or by a fine, or both, for a term or an amount equal to and in addition to the term of imprisonment or amount of the fine, or both, that the court imposes for the primary offense. Any term of imprisonment imposed pursuant to this subsection runs consecutively with the sentence prescribed by the court for the crime. This subsection does not create a separate offense, but provides an additional penalty for the primary offense, whose imposition is contingent upon the finding of the prescribed fact.

2. The additional penalty imposed pursuant to subsection 1 must not exceed a total of $1,000, 6 months of imprisonment or 120 hours of community service.
3. A governmental entity that designates an area as a temporary traffic control zone in which construction, maintenance or repair of a highway is conducted, or the person with whom the governmental entity contracts to provide such service shall cause to be erected:

   (b) A sign to mark the beginning of the temporary traffic control zone; and
   (c) A sign to mark the end of the temporary traffic control zone.

4. A person who otherwise would be subject to an additional penalty pursuant to this section is not relieved of any criminal liability because signs are not erected as required by subsection 3 if the violation results in injury to any person performing highway construction or maintenance in the temporary traffic control zone or in damage to property in an amount equal to $1,000 or more.

   Sec. 25. NRS 484.3791 is hereby amended to read as follows:
   484.3791 1. In addition to any other penalty provided by law, a person convicted of a violation of NRS 484.379 or section 14 of this act is liable to the State for a civil penalty of $35, payable to the Department.
   2. The Department shall not issue any license to drive a motor vehicle to a person convicted of a violation of NRS 484.379 or section 14 of this act until the civil penalty is paid.

   (a) Except as otherwise provided in this section, the person may refuse to submit to a blood test if means are reasonably available to perform a breath test.

   (b) Engaging in any other conduct prohibited by NRS 488.410 or 488.420 or section 48 of this act.

   The officer may direct that reasonable force be used to the extent necessary to obtain samples of blood from the person to be tested. Not more than three such samples may be taken during the 5-hour period immediately following the time of the initial arrest. 3. If a person submits to a chemical test provided for in NRS 488.450 or 488.460, full information concerning that test must be made available, upon his request, to him or his attorney.

4. Evidence of a required test is not admissible in a criminal proceeding unless it is shown by documentary or other evidence that the device for testing breath was certified pursuant to NRS 484.3882 and was calibrated, maintained and operated as provided by the regulations of the Committee on Testing for Intoxication adopted pursuant to NRS 484.3884, 484.3886 or 484.3888.

determine the concentration of alcohol in the person's breath.

6. A court shall take judicial notice of the certification by the Director of
a person to operate testing devices of one of the certified types. If a test to
determine the amount of alcohol in a person's breath has been performed
with a certified type of device by a person who is certified pursuant to
NRS 484.3886 or 484.3888, it is presumed that the person operated the
device properly.

have a qualified person of his own choosing administer a chemical test to
determine:
(a) The concentration of alcohol in his blood or breath; or
(b) Whether a controlled substance, chemical, poison, organic solvent or
another prohibited substance is present in his blood or urine.

2. The failure or inability to obtain such a test does not preclude the
admission of evidence relating to the refusal to submit to a test or relating to
a test taken upon the request of a peace officer.

3. A test obtained under the provisions of this section may not be
substituted for or stand in lieu of the test required by NRS 488.460."

If no other change is requested or required, the Department shall not charge a fee to convert the number of a license from the licensee’s social security number, or a number that was formulated by using the licensee’s social security number as a basis for the number, to a unique number that is not based on the licensee’s social security number.

4. The increase in fees authorized by NRS 483.347 and the fees charged pursuant to NRS 483.383 and 483.415 must be paid in addition to the fees charged pursuant to subsections 1 and 2.

5. A penalty of $10 must be paid by each person renewing his license after it has expired for a period of 30 days or more as provided in NRS 483.386 unless he is exempt pursuant to that section.
6. The Department may not charge a fee for the reinstatement of a driver's license that has been:
   (a) Voluntarily surrendered for medical reasons; or
   (b) Cancelled pursuant to NRS 483.310.
7. All fees and penalties are payable to the Administrator at the time a license or a renewal license is issued.
8. Except as otherwise provided in NRS 483.340, 483.415 and 483.840, all money collected by the Department pursuant to this chapter must be deposited in the State Treasury for credit to the Motor Vehicle Fund.
Sec. 5. NRS 483.460 is hereby amended to read as follows:
483.460 1. Except as otherwise provided by specific statute, the Department shall revoke the license, permit or privilege of any driver upon receiving a record of his conviction of any of the following offenses, when that conviction has become final, and the driver is not eligible for a license, permit or privilege to drive for the period indicated:
   (a) For a period of 3 years if the offense is:
      (1) A violation of subsection 2 of NRS 484.377.

   (b) For a period of 1 year if the offense is:
      (1) Any other manslaughter resulting from the driving of a motor vehicle or felony in the commission of which a motor vehicle is used, including the unlawful taking of a motor vehicle.
      (2) Failure to stop and render aid as required pursuant to the laws of this State in the event of a motor vehicle accident resulting in the death or bodily injury of another.
      (3) Perjury or the making of a false affidavit or statement under oath to the Department pursuant to NRS 483.010 to 483.630, inclusive, or pursuant to any other law relating to the ownership or driving of motor vehicles.
      (4) Conviction, or forfeiture of bail not vacated, upon three charges of reckless driving committed within a period of 12 months.
      (5) A second violation within 7 years of NRS 484.379 or section 14 of this act and the driver is not eligible for a restricted license during any of that period.
      (6) A violation of NRS 484.348.
   (c) For a period of 90 days, if the offense is a first violation within 7 years of NRS 484.379 or section 14 of this act.
2. The Department shall revoke the license, permit or privilege of a driver convicted of violating NRS 484.379 who fails to complete the educational course on the use of alcohol and controlled substances within the time ordered by the court and shall add a period of 90 days during which the driver is not eligible for a license, permit or privilege to drive.

3. When the Department is notified by a court that a person who has been convicted of a first violation within 7 years of NRS 484.379 has been permitted to enter a program of treatment pursuant to NRS 484.37937, the Department shall reduce by one-half the period during which he is not eligible for a license, permit or privilege to drive, but shall restore that reduction in time if notified that he was not accepted for or failed to complete the treatment.

4. The Department shall revoke the license, permit or privilege to drive of a person who is required to install a device pursuant to NRS 484.3943 but who operates a motor vehicle without such a device:
   (a) For 3 years, if it is his first such offense during the period of required use of the device.
   (b) For 5 years, if it is his second such offense during the period of required use of the device.

5. A driver whose license, permit or privilege is revoked pursuant to subsection 4 is not eligible for a restricted license during the period set forth in paragraph (a) or (b) of that subsection, whichever applies.

6. In addition to any other requirements set forth by specific statute, if the Department is notified that a court has ordered the revocation, suspension or delay in the issuance of a license pursuant to title 5 of NRS, NRS 176.064 or 206.330, chapter 484 of NRS or any other provision of law, the Department shall take such actions as are necessary to carry out the court's order.

7. As used in this section, "device" has the meaning ascribed to it in NRS 484.3941.

Sec. 6. NRS 483.461 is hereby amended to read as follows:

483.461 1. If the result of a test given pursuant to NRS 484.382 or 484.383 shows that a person less than 21 years of age had a concentration of alcohol of 0.02 or more but less than 0.08 in his blood or breath at the time of the test, his license, permit or privilege to drive must be suspended for a period of 90 days.

2. If a revocation or suspension of a person's license, permit or privilege to drive for a violation of NRS 62E.640, 484.379 or 484.3795 or section 14 of this act follows a suspension ordered pursuant to subsection 1, the Department shall:
   (a) Cancel the suspension ordered pursuant to subsection 1; and
   (b) Give the person credit toward the period of revocation or suspension ordered pursuant to NRS 62E.640, 484.379 or 484.3795, or section 14 of this act, whichever is applicable, for any period during which the person's license, permit or privilege to drive was suspended pursuant to subsection 1.
3. This section does not preclude:
   (a) The prosecution of a person for a violation of any other provision of law; or
   (b) The suspension or revocation of a person's license, permit or privilege to drive pursuant to any other provision of law.

Sec. 7. NRS 483.461 is hereby amended to read as follows:
483.461 1. If the result of a test given pursuant to NRS 484.382 or 484.383 shows that a person less than 21 years of age had a concentration of alcohol of 0.02 or more but less than 0.10 in his blood or breath at the time of the test, his license, permit or privilege to drive must be suspended for a period of 90 days.

2. If a revocation or suspension of a person's license, permit or privilege to drive for a violation of NRS 62E.640, 484.379 or 484.3795 or section 14 of this act follows a suspension ordered pursuant to subsection 1, the Department shall:
   (a) Cancel the suspension ordered pursuant to subsection 1; and
   (b) Give the person credit toward the period of revocation or suspension ordered pursuant to NRS 62E.640, 484.379 or 484.3795, or section 14 of this act, whichever is applicable, for any period during which the person's license, permit or privilege to drive was suspended pursuant to subsection 1.

3. This section does not preclude:
   (a) The prosecution of a person for a violation of any other provision of law; or
   (b) The suspension or revocation of a person's license, permit or privilege to drive pursuant to any other provision of law.

Sec. 8. NRS 483.490 is hereby amended to read as follows:
483.490 1. Except as otherwise provided in this section, after a driver's license has been suspended or revoked for an offense other than a second violation within 7 years of NRS 484.379 or section 14 of this act and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension prohibits the issuance of a restricted license, issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:
   (a) To and from work or in the course of his work, or both; or
   (b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself or a member of his immediate family.

Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if he is issued a restricted license.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484.3943:
   (a) Shall install the device not later than 21 days after the date on which the order was issued; and
(b) May not receive a restricted license pursuant to this section until:

(1) After at least 1 year of the period during which he is not eligible for a license, if he was convicted of:

(I) A violation of NRS 484.3795 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or

(II) A third or subsequent violation within 7 years of NRS 484.379 or section 14 of this act;

(2) After at least 180 days of the period during which he is not eligible for a license, if he was convicted of a violation of subsection 2 of NRS 484.377; or

(3) After at least 45 days of the period during which he is not eligible for a license, if he was convicted of a first violation within 7 years of NRS 484.379 or section 14 of this act.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484.3943, the Department shall not issue a restricted driver's license to such a person pursuant to this section unless the applicant has submitted proof of compliance with the order and subsection 2.

4. After a driver's license has been revoked or suspended pursuant to title 5 of NRS, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) If applicable, to and from work or in the course of his work, or both; and

(b) If applicable, to and from school.

5. After a driver's license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver's license to an applicant permitting the applicant to drive a motor vehicle:

(a) If applicable, to and from work or in the course of his work, or both;

(b) To receive regularly scheduled medical care for himself or a member of his immediate family; and

(c) If applicable, as necessary to exercise a court-ordered right to visit a child.

6. A driver who violates a condition of a restricted license issued pursuant to subsection 1 or by another jurisdiction is guilty of a misdemeanor and, if the license of the driver was suspended or revoked for:

(a) A violation of NRS 484.379, 484.3795 or 484.384 or section 14 of this act;

(b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b),
the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484.384 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.

Sec. 9. NRS 483.560 is hereby amended to read as follows:

483.560 1. Except as otherwise provided in subsection 2, any person who drives a motor vehicle on a highway or on premises to which the public has access at a time when his driver’s license has been cancelled, revoked or suspended is guilty of a misdemeanor.

2. Except as otherwise provided in this subsection, if the license of the person was suspended, revoked or restricted because of:
   (a) A violation of NRS 484.379, 484.3795 or 484.384 or section 14 of this act;
   (b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379 or 484.3795 or section 14 of this act; or
   (c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b),
the person shall be punished by imprisonment in jail for not less than 30 days nor more than 6 months or by serving a term of residential confinement for not less than 60 days nor more than 6 months, and shall be further punished by a fine of not less than $500 nor more than $1,000. A person who is punished pursuant to this subsection may not be granted probation, and a sentence imposed for such a violation may not be suspended. A prosecutor may not dismiss a charge of such a violation in exchange for a plea of guilty or of nolo contendere to a lesser charge or for any other reason, unless in his judgment the charge is not supported by probable cause or cannot be proved at trial. The provisions of this subsection do not apply if the period of revocation has expired but the person has not reinstated his license.

3. A term of imprisonment imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the person convicted. However, the full term of imprisonment must be served
within 6 months after the date of conviction, and any segment of time the person is imprisoned must not consist of less than 24 hours.

4. Jail sentences simultaneously imposed pursuant to this section and NRS 484.3792, 484.37937 or 484.3794 or section 15 of this act must run consecutively.

5. If the Department receives a record of the conviction or punishment of any person pursuant to this section upon a charge of driving a vehicle while his license was:
   (a) Suspended, the Department shall extend the period of the suspension for an additional like period.
   (b) Revoked, the Department shall extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.
   (c) Restricted, the Department shall revoke his restricted license and extend the period of ineligibility for a license, permit or privilege to drive for an additional 1 year.
   (d) Suspended or cancelled for an indefinite period, the Department shall suspend his license for an additional 6 months for the first violation and an additional 1 year for each subsequent violation.

6. Suspensions and revocations imposed pursuant to this section must run consecutively.

Sec. 10. NRS 483.910 is hereby amended to read as follows:

Sec. 11. NRS 483.922 is hereby amended to read as follows:

483.922 1. Except as otherwise provided in NRS 484.383, a person
who drives, operates or is in actual physical control of a commercial motor
vehicle within this State shall be deemed to have given consent to an
evidentiary test of his blood, urine, breath or other bodily substance for the
purpose of determining the concentration of alcohol in his blood or breath or
to detect the presence of a controlled substance, chemical, poison, organic
solvent or another prohibited substance.

2. The tests must be administered pursuant to NRS 484.383 at the
direction of a police officer who, after stopping or detaining such a person,
has reasonable grounds to believe that the person was:

(a) Driving, operating or in actual physical control of a commercial motor
vehicle while under the influence of intoxicating liquor or a controlled substance; or

(b) Engaging in any other conduct prohibited by NRS 484.379
or section 14 of this act.

3. As used in this section, "prohibited substance" has the meaning
ascribed to it in NRS 484.1245.
Sec. 12. Chapter 484 of NRS is hereby amended by adding thereto the provisions set forth as sections 13 to 21, inclusive, of this act.

Sec. 13. "Concentration of alcohol of 0.18 or more in his blood or breath" means 0.18 gram or more of alcohol per 100 milliliters of the blood of a person or per 210 liters of his breath.

Sec. 14. 1. It is unlawful for any person who:
(a) Is under the extreme influence of intoxicating liquor;
(b) Has a concentration of alcohol of 0.18 or more in his blood or breath;
(c) Is found by measurement within 2 hours after driving or being in actual physical control of a vehicle to have a concentration of alcohol of 0.18 or more in his blood or breath,
to drive or be in actual physical control of a vehicle on a highway or on premises to which the public has access.

2. If consumption is proven by a preponderance of the evidence, it is an affirmative defense under paragraph (c) of subsection 1 that the defendant consumed a sufficient quantity of alcohol after driving or being in actual physical control of the vehicle, and before his blood or breath was tested, to cause him to have a concentration of alcohol of 0.18 or more in his blood or breath. A defendant who intends to offer this defense at a trial or preliminary hearing must, not less than 14 days before the trial or hearing or at such other time as the court may direct, file and serve on the prosecuting attorney a written notice of that intent.

3. A person who violates any provision of this section may be subject to the additional penalty set forth in NRS 484.3667.

Sec. 15. 1. Unless a greater penalty is provided pursuant to NRS 484.3795, a person who violates the provisions of section 14 of this act:
(a) For the first offense within 7 years, is guilty of a misdemeanor. The court shall:
(I) Sentence him to imprisonment for not less than 6 days nor more than 6 months in jail, or to perform not less than 72 hours, but not more than 144 hours, of community service while dressed in distinctive garb that identifies him as having violated the provisions of section 14 of this act;
(2) Fine him not less than $400 nor more than $1,000; and
(3) Order him to attend a program of treatment for the abuse of alcohol pursuant to the provisions of NRS 484.37945.
(b) For a second offense within 7 years, is guilty of a misdemeanor. Unless the sentence is reduced pursuant to NRS 484.3794, the court shall:
(I) Sentence him to:
(II) Imprisonment for not less than 14 days nor more than 6 months in jail; or
(II) Residential confinement for not less than 14 days nor more than 6 months, in the manner provided in NRS 4.376 to 4.3766, inclusive, or 5.0755 to 5.078, inclusive;
(2) Fine him not less than $750 nor more than $1,000, or order him to perform an equivalent number of hours of community service while dressed in distinctive garb that identifies him as having violated the provisions of section 14 of this act; and

(3) Order him to attend a program of treatment for the abuse of alcohol pursuant to the provisions of NRS 484.37945.

(c) For a third offense within 7 years, is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 1 year and a maximum term of not more than 6 years, and shall be further punished by a fine of not less than $4,000 nor more than $5,000. An offender so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.

(d) For a fourth or subsequent offense, regardless of the length of time that has passed since the prior offenses, is guilty of a category B felony and shall be punished by imprisonment in the state prison for a minimum term of not less than 2 years and a maximum term of not more than 15 years, and shall be further punished by a fine of not less than $4,000 nor more than $5,000. An offender so imprisoned must, insofar as practicable, be segregated from offenders whose crimes were violent and, insofar as practicable, be assigned to an institution or facility of minimum security.

2. Except as otherwise provided in this subsection, an offense that occurred within 7 years immediately preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard to the sequence of the offenses and convictions. For the purposes of paragraph (d) of subsection 1, an offense that occurred on any date preceding the date of the principal offense or after the principal offense constitutes a prior offense for the purposes of this section when evidenced by a conviction, without regard for the sequence of the offenses and convictions. The facts concerning a prior offense must be alleged in the complaint, indictment or information, must not be read to the jury or proved at trial but must be proved at the time of sentencing and, if the principal offense is alleged to be a felony, must also be shown at the preliminary examination or presented to the grand jury.

3. A person convicted of violating the provisions of section 14 of this act must not be released on probation, and a sentence imposed for violating those provisions must not be suspended except, as provided in NRS 4.373, 5.055 and 484.3794, that portion of the sentence imposed that exceeds the mandatory minimum. A prosecuting attorney shall not dismiss a charge of violating the provisions of section 14 of this act in exchange for a plea of guilty or nolo contendere to a lesser charge or for any other reason unless he knows or it is obvious that the charge is not supported by probable cause or cannot be proved at the time of trial.
4. A term of confinement imposed pursuant to the provisions of this section may be served intermittently at the discretion of the judge or justice of the peace, except that a person who is convicted of a second or subsequent offense within 7 years must be confined for at least one segment of not less than 48 consecutive hours. This discretion must be exercised after considering all the circumstances surrounding the offense, and the family and employment of the offender, but any sentence of 30 days or less must be served within 6 months after the date of conviction or, if the offender was sentenced pursuant to NRS 484.3794 and the suspension of his sentence was revoked, within 6 months after the date of revocation. Any time for which the offender is confined must consist of not less than 24 consecutive hours.

5. Jail sentences simultaneously imposed pursuant to this section and NRS 482.456, 483.560 or 485.330 must run consecutively.

6. If the defendant was transporting a person who is less than 15 years of age in the motor vehicle at the time of the violation, the court shall consider that fact as an aggravating factor in determining the sentence of the defendant.

7. For the purpose of determining whether one offense occurs within 7 years of another offense, any period of time between the two offenses during which, for any such offense, the offender is imprisoned, serving a term of residential confinement, confined in a treatment facility, on parole or on probation must be excluded.

8. As used in this section, unless the context otherwise requires:
   (a) "Offense" means:
      (1) A violation of NRS 484.379, 484.3795 or section 14 of this act;
      (2) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379, 484.3795 or section 14 of this act; or
      (3) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in subparagraph (1) or (2).
   (b) "Treatment facility" has the meaning ascribed to it in NRS 484.3793.

Sec. 16. As used in sections 16 to 21, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 17 and 18 of this act have the meanings ascribed to them in those sections.

Sec. 17. "Automated enforcement system" means a contrivance, device, mechanism or any combination thereof that is used to obtain evidence of a moving traffic violation without the need for contemporaneous manipulation or operation by a human being. The term includes a red-light camera.

Sec. 18. "Red-light camera" means a camera that:
   1. Is adapted for use or placed at an intersection or crosswalk in which the movement of vehicles or pedestrians, or both, is controlled by an official traffic-control device that is operated electrically, electronically or mechanically; and
2. Is capable of photographing or otherwise capturing one or more images or representations of all the following in a simultaneous or approximately simultaneous manner:
   (a) The license plate number of a vehicle;
   (b) An accurate likeness of the driver or operator of the vehicle;
   (c) The signal displayed by or upon the official traffic-control device as the vehicle enters or exits, or both, the intersection or crosswalk controlled by the official traffic-control device;
   (d) The position of the vehicle within the intersection or crosswalk relative to the signal displayed by or upon the official traffic-control device; and
   (e) The date and time of day.

Sec. 19. The Department of Transportation shall adopt regulations establishing a pilot program pursuant to which a county, city or other local government may acquire and use an automated enforcement system to gather evidence to be used for the issuance of a traffic citation for:
1. A violation of this chapter; or
2. A violation of an ordinance, rule or regulation of the county, city or local government which has the force of law.

Sec. 20. The regulations adopted by the Department of Transportation pursuant to section 19 of this act must set forth, without limitation:
1. That a citation issued through the use of an automated enforcement system imposes the same penalties as a citation issued by a peace officer for the same or substantially similar violation;
2. That a citation may not be issued through the use of an automated enforcement system unless the evidence gathered by the system with respect to a particular alleged violation provides reasonable proof that the person driving or operating the vehicle at the time of the alleged violation was the registered owner of the vehicle;
3. That a citation issued through the use of an automated enforcement system must:
   (a) Insofar as practicable, comply with the applicable provisions of NRS 484.799; and
   (b) Afford the person cited an opportunity to appear or otherwise challenge the citation by appearance before a magistrate, justice or judge, as appropriate; and
4. Criteria detailing the information that must be included in the report that a county, city or local government is required to provide to the Department of Transportation pursuant to subsection 2 of section 21 of this act.

Sec. 21. The Department of Transportation shall:
1. Establish a clearinghouse of information relating to the use of automated enforcement systems;
2. Require a county, city or local government that acquires and uses an automated enforcement system to report to the Department of Transportation, on or before October 1, 2006, and on or before October 1 of
each even-numbered year thereafter, the information required to be reported by regulation of the Department of Transportation adopted pursuant to subsection 4 of section 20 of this act; and
