Rule No. 22. Reserved.

Rule No. 23. Committee on Ethics; Legislative Ethics.
1. The Committee on Ethics consists of:
   (a) Two members of the Assembly appointed by the Speaker from the majority political party;
   (b) One member of the Assembly appointed by the Minority Leader from the minority political party; and
   (c) Two qualified electors of the State chosen by the members of the Committee who are appointed pursuant to paragraphs (a) and (b), neither of whom is a present or former member of the Legislature or employed by the State of Nevada.
2. The Speaker shall appoint two members of the Assembly, one from the majority political party and one from the minority political party to serve as alternate members of the Committee. If a member is disqualified, the alternate appointed from the same political party shall serve as a member of the Committee during the consideration of a specific question.
3. A member is disqualified if he is the requester of advice concerning a question of ethics or conflict of interest, or if the advice is requested by another member of the Assembly and a reasonable person in his situation could not exercise independent judgment on the matter in question.

4. The Committee shall hear complaints on alleged breaches of ethics and conflicts of interest, brought by Legislators and others, and it may advise Legislators on questions of breaches of ethics and conflicts of interest. All proceedings held to consider the character, alleged misconduct, professional competence or physical or mental health of any person by the Committee on matters of ethics or conflicts of interest are confidential unless a Legislator:
   (a) Against whom a complaint is brought requests a public hearing;
   (b) Discloses the opinion of the Committee at any time after his hearing; or
   (c) Discloses the content of an advisory opinion issued to him by the Committee.

5. A complaint which alleges a breach of ethics or a conflict of interest must be in writing and signed by the person making the allegation. The complaint must be filed with the Chairman. The Chairman shall send a copy of the complaint, within 24 hours after receiving it, to the Legislator against whom the complaint is brought.

6. The criterion to be applied by the Committee in determining whether a Legislator has a conflict of interest is whether the independence of judgment of a reasonable person in his position upon the matter in question would be materially affected by:
   (a) His acceptance of a gift or loan; or
   (b) His private economic interest.

7. A Legislator who determines that he has a conflict of interest may vote upon, advocate or oppose any measure as to which a potential conflict exists if he makes a general disclosure of the conflict. In determining whether to vote upon, advocate or oppose the measure, the Legislator should consider whether:
   (a) The conflict impedes his independence of judgment;
   (b) His participation will produce a negative effect on the public’s confidence in the integrity of the Legislature;
   (c) His participation is likely to have any significant effect on the disposition of the measure; and
   (d) His interest is greater than the interests of an entire class of persons similarly situated.

Rule No. 105. Substitute Bills.

A substitute bill shall be deemed and held to be an amendment, and treated in all respects as such. However, a substitute bill may be amended after its adoption, in the same manner as if it were an original bill.

[Statutes of Nevada 1973, 1893]

Rule No. 106. Skeleton Bills.

The introduction of skeleton bills is authorized when, in the opinion of the sponsor and the Legislative Counsel, the full drafting of the bill would entail extensive research or be of considerable length. A skeleton bill will be provided for purposes of introduction and committee referral. Such a bill will be a presentation of ideas or statements of purpose, sufficient in style and expression to enable the Legislature and the committee to which the bill may be referred to consider the substantive merits of the legislation proposed.

Rule No. 109. Reading of Bills.

The presiding officer shall announce at each reading of a bill whether it be the first, second or third reading. The first reading of a bill shall be for information. If there is objection, the question shall be, “Shall the bill be rejected?” If the question to reject fails to receive a majority vote by the members present, or if there is no objection, the bill shall take the proper course. No
Rule No. 110. Second Reading and Amendment of Bills.

1. All bills must be read the second time on the first legislative day after which they are reported by committee, unless a different day is designated by motion. Upon second reading, Assembly bills reported without amendments shall be placed on the General File and Senate bills reported without amendments shall be placed on the General File. Committee amendments reported with bills shall be considered upon their second reading, and such amendments may be adopted by a majority vote of the members present. Any amendment which is numbered, copied and made available to all members must be moved and voted upon by number unless any member moves that it be read in full. Assembly bills so amended must be reprinted, engrossed, and placed on the General File. Senate bills so amended must be reprinted, then engrossed or reengrossed, as applicable, and placed on the General File.

2. Any member may move to amend a bill during its second or third reading, and such a motion to amend may be adopted by a majority vote of the members present. Bills so amended on second reading must be treated the same as bills with committee amendments. Any bill so amended upon the General File must be reprinted and then engrossed or reengrossed, as applicable.

3. The reprinting of amended bills may be dispensed with only in accordance with the provisions of law.

Rule No. 111. Consent Calendar.

1. A standing committee may by unanimous vote of the members present report a bill with the recommendation that it be placed on the Consent Calendar. The question of recommending a bill for the Consent Calendar may be voted upon in committee only after the bill has been recommended for passage and only if no amendment is recommended.

2. The Chief Clerk shall maintain a list of bills recommended for the Consent Calendar. The list must be printed in the Daily History and must include the summary of each bill, and the date the bill is scheduled for consideration on final passage.

3. At any time before the presiding officer calls for a vote on the passage of the Consent Calendar, a member may give written notice to the Chief Clerk or state orally from the floor of the Assembly in session that he requests the removal of a particular bill from the Consent Calendar. If a member so requests, the Chief Clerk shall remove the bill from the Consent Calendar and transfer it to the Second Reading File. A bill removed from the Consent Calendar may not be restored to that Calendar.

4. During floor consideration of the Consent Calendar, members may ask questions and offer explanations relating to the respective bills.

5. When the Consent Calendar is brought to a vote, the bills remaining on the Consent Calendar must be read by number and summary and the vote must be taken on their final passage as a group.

But engrossed bills shall be placed at the head of the file, in the order in which they are received. The Chief Clerk shall post a daily statement of the bills on the General File, setting forth the order in which they are filed, and

Rule No. 115. Reconsideration of Vote on Bill.

On the first legislative day that the Assembly is in session succeeding that on which a final vote on any bill or resolution has been taken, a vote may be reconsidered on the motion of any member. Notice of intention to move such reconsideration must be given on the day on which the final vote was taken by a member voting with the prevailing party. It is not in order for any member to move a reconsideration on the day on which the final vote was taken, except by unanimous consent. There may be no reconsideration of a vote on a motion to indefinitely postpone. Motions to reconsider a vote upon amendments to any pending question may be made at once.

Bills that have passed both Houses of the Legislature and are transmitted to the Assembly accompanied by a message or statement of the Governor’s disapproval or veto of the same must be taken up and considered immediately upon the coming in of the message transmitting the same, or become the subject of a special order. When the message is received, or (if made a special order) when the special order is called, the said message or statement must be read together with the bill or bills so disapproved or vetoed. The message and bill must be read by the Chief Clerk without interruption, consecutively, one following the other, and not upon separate occasions. No such bill or message may be referred to any committee, or otherwise acted upon save as provided by law and custom; that is to say, that immediately following such reading the only question (except as hereinafter stated) which may be put by the Speaker is, “Shall the bill pass, notwithstanding the objections of the Governor?” It shall not be in order, at any time, to vote upon such a vetoed bill unless the same shall first have been read, from the first word of its title to and including the last word of its final section. No motion may be entertained after the Speaker has stated the question, save a motion to adjourn or a motion for the previous question, but the merits of the bill itself may be debated. The message or statement containing the objections of the Governor to the bill must be entered in the Journal of the Assembly. The consideration of a vetoed bill, and the objections of the Governor thereto, shall be a privileged question, and shall take precedence over all others.
