THE ONE HUNDRED AND TENTH DAY

CARSON CITY (Friday), May 25, 2007

Assembly called to order at 10:32 a.m.
Madam Speaker presiding.
Roll called.
All present.

Prayer by the Chaplain, Pastor Albert Tilstra.
Lord, give us the faith to believe that the words now spoken and the yearnings of the hearts now open before You are heard and understood in Your presence. Hold us steady lest we lose our poise. Blunt out speech lest by cutting words and careless deeds we hurt our colleagues and the cause for which we speak. Where we differ in approaches to a problem, may we ever be open to consider another and a better way, guided not by whether it be popular, or expedient, or practical, but always whether it be right. Where we are wrong, make us willing to change and where we are right make us easy to live with. Hear our prayer, O Lord.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Oceguera moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

Senate Joint Resolution No. 2.
Resolution read third time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 984.
SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide for the initial appointment by the Governor of justices and judges and any subsequent retention of those justices and judges by election.
Legislative Counsel’s Digest:
This resolution amends the Nevada Constitution, which currently provides for the popular election of justices of the Supreme Court and judges of the district court, to provide for: (1) the initial appointment by the Governor of justices and judges, from candidates recommended by the Commission on Judicial Selection; and (2) any subsequent retention of those justices and judges by approval of a ballot question concerning their retention. (Nev. Const. Art. 6, §§ 3, 5) Under this resolution, if a vacancy occurs in the Supreme Court or a district court for any reason, the Governor appoints a justice or judge from candidates selected by the Commission on Judicial Selection, and the initial term of that justice or judge expires on the first Monday of January following the general election occurring at least 12 months after the justice or judge is appointed. Thereafter, if the justice or judge wishes to serve another term, he must declare his candidacy for a
retention election. If [60] 55 percent or more of the votes cast are in favor of
the retention of the justice or judge, he will then serve a 6-year term and must
run in a retention election if he wishes to serve another 6-year term. If the
justice or judge does not declare his candidacy for the retention election or if
less than [60] 55 percent of the votes cast are in favor of his retention, a
vacancy is created at the end of his term which must be filled by
appointment.

In addition, this resolution amends the Nevada Constitution to require each
justice or judge who has declared his candidacy for a retention election to
undergo a review of his performance as a justice or judge. This resolution
creates the Commission on Judicial Performance and requires the
Commission to perform these reviews. The review of each justice or judge
must consist of a review of the record of the justice or judge and at least one
interview of the justice or judge. At the conclusion of this review, the
Commission must prepare and release to the public a report containing
information about the review and a recommendation on the question of
whether the justice or judge should be retained.

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA,
JOINTLY, That a new section, designated Section 22, be added to Article 6 of
the Nevada Constitution to read as follows:

Sec. 22. 1. Commencing with a term of office that expires on or after
December 31, 2011, each justice of the Supreme Court, judge of the court
of appeals, if established by the Legislature, or judge of the district court
who desires to succeed himself must, on or before July 1 next preceding the
expiration of his term of office, declare his candidacy in the manner
provided by law. With respect to each justice or judge who so declares, the
question must be presented at the next general election, in a form provided
by law, whether that justice or judge shall succeed himself.

2. If [60] 55 percent or more of the votes cast on the question are cast
in favor of the justice or judge succeeding himself, the justice or judge
shall succeed himself. The term of office of each justice or judge who
succeeds himself is 6 years, and that term begins on the first Monday of
January next following the general election at which the justice or judge
was chosen to succeed himself.

3. If a justice or judge does not declare his candidacy, or if less than
[60] 55 percent of the votes cast on the question are cast in favor of the
justice or judge succeeding himself, a vacancy is created at the expiration
of his term which must be filled by appointment pursuant to Section 20 of
this Article.

4. Each justice or judge who declares his candidacy to succeed himself
must be reviewed by a commission on judicial performance. The review
must consist of an examination of the record of the justice or judge and at
least one interview of the justice or judge at which the commission
discusses with the justice or judge any areas of performance in which the
justice or judge needs to improve. At the conclusion of the review, the
members of the commission must vote on the question of whether the commission recommends that the justice or judge succeed himself. Not later than 6 weeks before the general election at which the question of whether the justice or judge shall succeed himself is presented, the commission shall prepare and release to the public a report which provides a summary of the findings of the commission, the recommendation of the commission on the question of whether the justice or judge should succeed himself, the rationale for the recommendation and the result of the vote by which the commission made the recommendation. The vote of an individual member of the commission must not be disclosed to the public.

5. Each justice of the Supreme Court and judge of the court of appeals, if established by the Legislature, must be reviewed by the permanent Commission on Judicial Performance, composed of:
   (a) The Chief Justice or an associate justice designated by him, but if the Commission is reviewing a justice of the Supreme Court, the Chief Justice or associate justice designated to be a member of the Commission is disqualified and the other members of the Commission shall select a judge of the district court to take the place of the disqualified member of the Commission for the sole purpose of reviewing justices of the Supreme Court;
   (b) Two members of the State Bar of Nevada, a public corporation created by statute, appointed by its Board of Governors; and
   (c) Two persons, not members of the legal profession, appointed by the Governor.

6. Each judge of the district court must be reviewed by a temporary commission on judicial performance, composed of:
   (a) The permanent Commission on Judicial Performance;
   (b) Two members of the State Bar of Nevada resident in the judicial district of the judge being reviewed, appointed by the Board of Governors of the State Bar of Nevada; and
   (c) Two residents of the judicial district of the judge being reviewed, not members of the legal profession, appointed by the Governor.

7. If at any time the State Bar of Nevada ceases to exist as a public corporation or ceases to include all attorneys admitted to practice before the courts of this State, the Legislature shall provide by law, or if it fails to do so the Supreme Court shall provide by rule, for the appointment of attorneys at law to the positions designated in this Section to be occupied by members of the State Bar of Nevada.

8. The term of office of each appointive member of the permanent Commission, except the first members, is 4 years. Each appointing authority shall appoint one of the members first appointed for a term of 2 years. If a vacancy occurs, the appointing authority shall fill the vacancy for the unexpired term. The additional members of a temporary commission must be appointed when a review is required, and their terms expire when the review has been completed.
9. An appointing authority shall not appoint to the permanent Commission more than:
   (a) One resident of any county.
   (b) One member of the same political party.
   No member of the permanent Commission may be a member of a commission on judicial selection or the Commission on Judicial Discipline.

Assemblyman Horne moved the adoption of the amendment.
Amendment adopted.
Resolution ordered reprinted, engrossed and to the General File.

Senate Bill No. 196.
Bill read third time.
The following amendment was proposed by Assemblymen Hardy and Segerblom:
Amendment No. 927.
SUMMARY—Revises provisions relating to the Department of Cultural Affairs, organizations for the promotion of culture; limiting the total face amount of bonds that the Commission for Cultural Affairs may issue annually to provide financial assistance for the preservation and promotion of cultural resources; exempting artifacts donated to the Department of Cultural Affairs from the procedures otherwise applicable to state agencies for the acceptance of gifts or grants of property or services; exempting certain property from
taxation; changing the name of the Nevada State Museum and Historical Society; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes the Commission for Cultural Affairs to provide financial assistance, in an amount not to exceed $3,000,000 per year from the proceeds of bonds, to governmental entities and nonprofit corporations formed for educational and charitable purposes. (NRS 233C.220, 233C.225)
Section 1 of this bill eliminates the $3,000,000 annual cap on financial assistance that may be granted from the proceeds of bonds and provides instead that the face amount of the bonds issued annually to provide such financial assistance may not exceed $3,000,000, thereby allowing additional bond sale proceeds or premiums to be used to provide financial assistance.
Section 3 of this bill exempts artifacts donated to the Department of Cultural Affairs from the procedures otherwise applicable to state agencies for the acceptance of gifts or grants of property or services. (NRS 353.335)
Section 4 of this bill provides an exemption from taxation for the Boulder City Museum and Historical Association.
Section 5 of this bill changes the name of the “Nevada State Museum and Historical Society” to the “Nevada State Museum Las Vegas.” (NRS 120A.360, 381.004, 381.207)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 233C.225 is hereby amended to read as follows:
233C.225 1. The Commission shall determine annually the total amount of financial assistance it will grant from the proceeds of bonds issued pursuant to this section in that calendar year pursuant to NRS 233C.200 to 233C.230, inclusive. The Commission shall notify the State Board of Examiners and the State Board of Finance of that amount. [In no case may the amount to be granted from the proceeds of such bonds exceed $3,000,000 per year.]
2. After receiving the notice given pursuant to subsection 1, the State Board of Finance shall issue general obligation bonds of the State of Nevada in the amount necessary to generate the amount to be granted by the Commission from the proceeds of bonds issued pursuant to this section and to pay the expenses related to the issuance of the bonds. The expenses related to the issuance of bonds pursuant to this section must be paid from the proceeds of the bonds, and must not exceed 2 percent of the face amount of the bonds sold. In no case may the total face amount of the bonds issued pursuant to this section exceed $3,000,000 per year. No public debt is created, within the meaning of Section 3 of Article 9 of the Constitution of the State of Nevada, until the issuance of the bonds.
3. The proceeds from the sale of the bonds authorized by this section, after deducting the expenses relating to the issuance of the bonds, must be
deposited with the State Treasurer and credited to the Fund for the Preservation and Promotion of Cultural Resources.

4. The provisions of the State Securities Law, contained in chapter 349 of NRS, apply to the issuance of bonds pursuant to this section.

5. The amount of financial assistance granted from the proceeds of bonds issued pursuant to this section must not exceed $30,000,000 in any 10-year period. The total face amount of the bonds issued pursuant to this section must not exceed the sum of:

The Administrator may decline the highest bid and reoffer the property for sale if he considers the price bid insufficient.

2. Any sale held under this section must be preceded by a single publication of notice thereof at least 2 weeks in advance of the sale in a newspaper of general circulation in the county where the property is to be sold.

Any proposed acceptance which is not considered within the 15-day period shall be deemed approved.

   (c) The proposed acceptance of any gift or grant does not qualify pursuant to paragraph (a) or (b), it must be submitted to the Interim Finance Committee. Any proposed acceptance which is not considered within the 45-day period shall be deemed approved.
3. The Secretary shall place each request submitted to him pursuant to paragraph (b) or (c) of subsection 2 on the agenda of the next meeting of the Interim Finance Committee.

4. In acting upon a proposed gift or grant, the Interim Finance Committee shall consider, among other things:

   (c) The extent of the program proposed; and
   (d) The condition of the national economy, and any related fiscal or monetary policies.

5. A state agency may accept:
   (a) Gifts, including grants from nongovernmental sources, not exceeding $10,000 each in value; and
   (b) Governmental grants not exceeding $100,000 each in value,

   if the gifts or grants are used for purposes which do not involve the hiring of new employees and if the agency has the specific approval of the Governor or, if the Governor delegates this power of approval to the Chief of the Budget Division of the Department of Administration, the specific approval of the Chief.

6. This section does not apply to:
   (a) The Nevada System of Higher Education; or

The following amendment was proposed by Assemblywoman Kirkpatrick:
Amendment No. 993.
SUMMARY—Makes various changes to provisions governing the State Engineer relating to water. (BDR 48-206)

AN ACT relating to water; expanding the purposes for which the State Engineer may adopt regulations; expressing the sense of the Legislature as to the temporary conversion of certain water rights for certain ecological purposes; authorizing the State Engineer to impose administrative fines and to order payment of the costs of certain proceedings; authorizing the State Engineer to seek injunctive relief for certain violations; revising provisions relating to the protest of certain applications involving interbasin transfers of groundwater; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Pursuant to existing law, the State Engineer may make such reasonable rules and regulations as may be necessary for the proper and orderly execution of the powers conferred on him by law. (NRS 532.120) The penalty prescribed for the violation of a majority of the provisions set forth in chapters 533, 534, 535 and 536 of NRS is a misdemeanor. (NRS 533.480, 534.190, 535.110, 536.120)

Section 1 of this bill expands the provisions for which the State Engineer may adopt regulations to include chapters 534, 535 and 536 of NRS in addition to chapter 533 of NRS. Section 2.5 of this bill provides that it is the policy of the State of Nevada to allow the temporary conversion of certain agricultural water rights for wildlife purposes or to improve the quality or flow of water. Sections 3, 7, 10 and 14 of this bill provide the State Engineer with the additional authority to impose, after notice and opportunity for a hearing, administrative fines, to require a person to replace certain unlawfully taken or wasted water, and to recover expenses incurred in investigating and stopping various water law violations. Section 7 provides additionally that: (1) in determining violations relating to the unauthorized use of water from certain wells, it is the burden of the State Engineer to prove which user or users of water are withdrawing water in excess of their...
individual allotments; and (2) the State Engineer may require users of water from certain wells to install and maintain, at their own expense, meters to measure their individual withdrawal of water.

Sections 4, 8, 11 and 15 of this bill authorize the State Engineer to seek injunctive relief to prevent a violation or continued violation of chapters 533, 534, 535 and 536 of NRS.

Existing law sets forth requirements for the State Engineer to provide certain notice of an application for a permit to appropriate water. These requirements include publishing the notice in a newspaper and, if the application is for a well, mailing a copy of the notice to owners of real property containing a domestic well that is within 2,500 feet of the proposed well. (NRS 533.360) Existing law also allows an interested person to file with the State Engineer a written protest to the application. (NRS 533.365) Sections 4.7 and 4.9 of this bill require that if the State Engineer fails to grant, deny or hear an application for a permit to appropriate, change the point of diversion of, change the manner of use of, or change the place of use of more than 250 acre-feet of water per annum within 7 years after the date on which the application was submitted, the State Engineer must, if the application involves an interbasin transfer of groundwater, notice a new period of protest of 45 days. This bill also provides that certain successors in interest of persons who had already filed a written protest against the granting of such an application must be allowed to continue pursuing the protest as though they were the person who had filed the original protest.

Section 16 of this bill requires the State Engineer to consider certain matters in adopting regulations to carry out the amendatory provisions of this bill.

Section 17 of this bill requires the State Engineer, on or before January 1, 2009, to submit to the Director of the Legislative Counsel Bureau a written report detailing his efforts in, and progress toward, the development and adoption of regulations to carry out the amendatory provisions of this bill.

Section 18 of this bill prohibits the State Engineer, before July 1, 2009, from imposing an administrative penalty pursuant to the amendatory provisions of this bill or any regulations adopted to carry out those amendatory provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 532.120 is hereby amended to read as follows:

532.120 1. The State Engineer [is empowered to] may make such reasonable rules and regulations as may be necessary for the proper and orderly execution of the powers conferred by law.

2. The State Engineer [shall have power to make rules.] may adopt regulations, not in conflict with law, governing the practice and procedure in
all contests before his office, to [insure] ensure the proper and orderly exercise of the powers granted by law, and the speedy accomplishment of the purposes of [chapter] chapters 533, 534, 535 and 536 of NRS. Such rules of practice and procedure [shall] must be furnished to any person upon application therefor.

Sec. 2. Chapter 533 of NRS is hereby amended by adding thereto the provisions set forth as sections [2.5 to 4.5], inclusive, of this act.

Sec. 2.5. The Legislature hereby finds and declares that it is the policy of this State to allow the temporary conversion of agricultural water rights for wildlife purposes or to improve the quality or flow of water.

Sec. 3. 1. In addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter or any permit, certificate, order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120 to:

(a) Pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.

(b) In the case of an unauthorized use or willful waste of water in violation of NRS 533.460 or an unlawful diversion of water in violation of NRS 533.530, or any other violation of this chapter that, as determined by the State Engineer, results in an unlawful use, waste or diversion of water, replace not more than 200 percent of the water used, wasted or diverted.

2. If an administrative fine is imposed against a person pursuant to subsection 1 or the person is ordered to replace any water pursuant to that subsection, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney’s fees.

3. An order imposing an administrative fine or requiring the replacement of water or the payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450.

Sec. 4. 1. The State Engineer may seek injunctive relief in the appropriate court to prevent the continuance or occurrence of any act or practice which violates any provision of this chapter, or any permit, certificate, decision or order issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120.

2. On a showing by the State Engineer that a person is engaged, or is about to engage, in any act or practice which violates or will violate any provision of this chapter, or any permit, certificate, decision or order issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120, the court may issue, without a bond, any prohibitory or mandatory injunction that the facts may warrant, including a temporary restraining order issued ex parte or, after notice and hearing, a preliminary or permanent injunction.

3. Failure to establish lack of an adequate remedy at law or irreparable harm is not a ground for denying a request for a temporary restraining order or injunction.
4. The court may require the posting of a sufficient performance bond or other security to ensure compliance with the court order within the period prescribed.

5. Any proceeding conducted or injunction or order issued pursuant to this section is in addition to, and not in lieu of, any other penalty or remedy available for a violation specified in this section.

Sec. 4.5. The State Engineer shall not carry out his duties pursuant to this chapter in a manner that conflicts with any applicable provision of a decree or order issued by a state or federal court, an interstate compact or an agreement to which this State is a party for the interstate allocation of water pursuant to an act of Congress.

Sec. 4.7. NRS 533.365 is hereby amended to read as follows:

533.365 1. Any person interested may, within 30 days from the date of last publication of the notice of application, file with the State Engineer a written protest against the granting of the application, setting forth with reasonable certainty the grounds of such protest, which shall be verified by the affidavit of the protestant, his agent or attorney.

2. On receipt of a protest, the State Engineer shall advise the applicant whose application has been protested of the fact that the protest has been filed with him, which advice shall be sent by certified mail.

3. The State Engineer shall consider the protest, and may, in his discretion, hold hearings and require the filing of such evidence as he may deem necessary to a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed at least 15 days before the date set for the hearing.

4. The State Engineer shall adopt rules of practice regarding the conduct of such hearings. The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120, inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

5. The provisions of this section do not prohibit the noticing of a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application, if such notification is required to be given pursuant to subsection 8 of NRS 533.370.

Sec. 4.9. NRS 533.370 is hereby amended to read as follows:

533.370 1. Except as otherwise provided in this section and NRS 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:

(a) The application is accompanied by the prescribed fees;

(b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the
district or lessen the efficiency of the district in its delivery or use of water; and

(c) The applicant provides proof satisfactory to the State Engineer of:

(1) His intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) His financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in this subsection and subsections 3 and 11, the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if an application is protested, by the protestant and the applicant.

(b) Postpone action if the purpose for which the application was made is municipal use.

(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection 11, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.

5. Except as otherwise provided in subsection 11, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectible interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.
6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:
   (a) Whether the applicant has justified the need to import the water from another basin;
   (b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;
   (c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;
   (d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and
   (e) Any other factor the State Engineer determines to be relevant.

7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection [9, 12, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. If:
   (a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;
   (b) The application involves an amount of water exceeding 250 acre-feet per annum;
   (c) The application involves an interbasin transfer of groundwater; and
   (d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

   the State Engineer shall notice a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that
notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in subsection 10, a person who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. If a person is the successor in interest of an owner of a water right, an owner of real property containing a domestic well or an owner of an interest in a domestic well, and if that previous owner had already filed a written protest against the granting of an application to allow an interbasin transfer of groundwater, the successor in interest must be allowed to pursue that protest in the same manner as though he were the previous owner to whose interest he succeeded. If such a successor in interest wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8, the successor need not file with the State Engineer a new written protest but must, within 45 days after the date on which the notification was entered and mailed, inform the Office of the State Engineer that he wishes to continue pursuing the protest.

11. The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit.

12. The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

13. As used in this section, "interbasin:
(a) "County of origin" means the county from which groundwater is transferred or proposed to be transferred.
(b) "Domestic well" has the meaning ascribed to it in NRS 534.350.
(c) "Interbasin transfer of groundwater" means a transfer of groundwater for which the proposed point of diversion is in a different basin than the proposed place of beneficial use.

Sec. 5. NRS 533.450 is hereby amended to read as follows:
533.450 1. Any person feeling himself aggrieved by any order or decision of the State Engineer, acting in person or through his assistants or the water commissioner, affecting his interests, when the order or decision relates to the administration of determined rights or is made pursuant to NRS 533.270 to 533.445, inclusive, or section 3, 7, 10 or 14 of this act, may have the same reviewed by a proceeding for that purpose, insofar as may be in the nature of an appeal, which must be initiated in the proper court of the county in which the matters affected or a portion
thereof are situated, but on stream systems where a decree of court has been entered, the action shall be initiated in the court that entered the decree. The order or decision of the State Engineer shall be and remain in full force and effect unless proceedings to review the same are commenced in the proper court within 30 days following after the rendition of the order or decision in question and notice thereof is given to the State Engineer as provided in subsection 3.

2. The proceedings in every case shall be heard by the court, and shall be informal and summary, but full opportunity to be heard shall be had before judgment is pronounced.

3. No such proceedings may be entertained unless notice thereof, containing a statement of the substance of the order or decision complained of, and of the manner in which the same injuriously affects the petitioner's interests, has been served upon the State Engineer, personally or by registered or certified mail, at his office at the State Capital within 30 days following the rendition of the order or decision in question. A similar notice shall also be served personally or by registered or certified mail upon the person or persons who may have been affected by the order or decision.

4. Where evidence has been filed with, or testimony taken before, the State Engineer, a transcribed copy thereof, or of any specific part of the same, duly certified as a true and correct transcript in the manner provided by law, shall be received in evidence with the same effect as if the reporter were present and testified to the facts so certified. A copy of the transcript shall be furnished on demand, at actual cost, to any person affected by the order or decision, and to all other persons on payment of a reasonable amount thereof, to be fixed by the State Engineer.

5. A bond shall not be required except when a stay is desired, and the proceedings provided for in this section are not a stay unless, within 5 days following after the service of notice thereof, a bond is filed in an amount to be fixed by the court, with sureties satisfactory to the court, conditioned to perform the judgment rendered in the proceedings.

6. Costs shall be paid as in civil cases brought in the district court, except by the State Engineer or the State.

7. The practice in civil cases applies to the informal and summary character of such proceedings, as provided in this section.

8. Appeals may be taken to the Supreme Court from the judgment of the district court in the same manner as in other civil cases.

9. The decision of the State Engineer shall be prima facie correct, and the burden of proof shall be upon the party attacking the same.

10. Whenever it appears to the State Engineer that any litigation, whether now pending or hereafter brought, may adversely affect the rights of the public in water, he shall request the Attorney General to appear and protect the interests of the State.
Sec. 6. Chapter 534 of NRS is hereby amended by adding thereto the provisions set forth as sections 7 and 8 of this act.

Sec. 7. 1. Except as otherwise provided in NRS 534.280, 534.310 and 534.330 and in addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter or any permit, order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120 to:
(a) Pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.
(b) In the case of an unlawful waste of water in violation of NRS 534.070 or any other violation of this chapter that, as determined by the State Engineer, results in an unlawful use, waste or diversion of water, replace not more than 200 percent of the water used, wasted or diverted.
2. In determining violations of this chapter relating to the unauthorized use of water yielded from a well that is used pursuant to a permit issued by the State Engineer and that has 16 or fewer connections, the State Engineer has the burden of proving which user is withdrawing water in excess of the portion of water allotted to the connection of that user. The State Engineer may require any or all users of the well to install and maintain, at their own expense, a meter that measures the amount of water withdrawn from the well by each connection.
3. If an administrative fine is imposed against a person pursuant to subsection 1 or the person is ordered to replace any water pursuant to that subsection, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney’s fees.
4. An order imposing an administrative fine or requiring the replacement of water or payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450.

Sec. 8. 1. The State Engineer may seek injunctive relief in the appropriate court to prevent the continuance or occurrence of any act or practice which violates any provision of this chapter, or any permit, order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120.
2. On a showing by the State Engineer that a person is engaged, or is about to engage, in any act or practice which violates or will violate any provision of this chapter, or any permit, order or decision issued or regulation adopted by the State Engineer pursuant to this chapter or NRS 532.120, the court may issue, without a bond, any prohibitory or mandatory injunction that the facts may warrant, including a temporary restraining order issued ex parte or, after notice and hearing, a preliminary or permanent injunction.
3. Failure to establish lack of an adequate remedy at law or irreparable harm is not a ground for denying a request for a temporary restraining order or injunction.
4. The court may require the posting of a sufficient performance bond or other security to ensure compliance with the court order within the period prescribed.

5. Any proceeding conducted or injunction or order issued pursuant to this section is in addition to, and not in lieu of, any other penalty or remedy available for a violation of this chapter.

Sec. 9. Chapter 535 of NRS is hereby amended by adding thereto the provisions set forth as sections 10 and 11 of this act.

Sec. 10. 1. In addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter, any permit, order or decision issued by the State Engineer pursuant to this chapter or any regulation adopted by the State Engineer pursuant to NRS 532.120 to pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.

2. If an administrative fine is imposed against a person pursuant to subsection 1, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney’s fees.

3. An order imposing an administrative fine or requiring the payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450.

Sec. 11. 1. The State Engineer may seek injunctive relief in the appropriate court to prevent the continuance or occurrence of any act or practice which violates any provision of this chapter, any permit, order or decision issued by the State Engineer pursuant to this chapter or any regulation adopted by the State Engineer pursuant to NRS 532.120.

2. On a showing by the State Engineer that a person is engaged, or is about to engage, in any act or practice which violates or will violate any provision of this chapter, any permit, order or decision issued by the State Engineer pursuant to this chapter or any regulation adopted by the State Engineer pursuant to NRS 532.120, the court may issue, without a bond, any prohibitory or mandatory injunction that the facts may warrant, including a temporary restraining order issued ex parte or, after notice and hearing, a preliminary or permanent injunction.

3. Failure to establish lack of an adequate remedy at law or irreparable harm is not a ground for denying a request for a temporary restraining order or injunction.

4. The court may require the posting of a sufficient performance bond or other security to ensure compliance with the court order within the period prescribed.

5. Any proceeding conducted or injunction or order issued pursuant to this section is in addition to, and not in lieu of, any other penalty or remedy available for a violation of this chapter.

Sec. 12. NRS 535.100 is hereby amended to read as follows:
Any person who is the owner of or in possession of any sawmill used for the making of lumber, or any slaughterhouse, brewery or tannery shall not injure or obstruct the natural flow of water in any river, creek or other stream.

2. Any city or county government, or any person, who is the owner of or in possession of any agricultural lands, who may be injured by reason of the violation on the part of any person of the provisions contained in subsection 1, shall have the right to commence and maintain an action against the person for any damage sustained, in such manner as may be provided by law.

3. Any person who shall willfully and knowingly violate the provisions of this section shall be punished by a fine of not more than $500.

Sec. 13. Chapter 536 of NRS is hereby amended by adding thereto the provisions set forth as sections 14 and 15 of this act.

Sec. 14. 1. In addition to any other penalty provided by law, the State Engineer may, after notice and opportunity for a hearing, require a person who violates any provision of this chapter, any order or decision issued by the State Engineer pursuant to this chapter or any regulation adopted by the State Engineer pursuant to NRS 532.120 to pay an administrative fine not to exceed $10,000 per day for each violation as determined by the State Engineer.

2. If an administrative fine is imposed against a person pursuant to subsection 1, the State Engineer may require the person to pay the costs of the proceeding, including investigative costs and attorney’s fees.

3. An order imposing an administrative fine or requiring the payment of costs or fees pursuant to this section may be reviewed by a district court pursuant to NRS 533.450.

Sec. 15. 1. The State Engineer may seek injunctive relief in the appropriate court to prevent the continuance or occurrence of any act or practice which violates any provision of this chapter, any order or decision issued by the State Engineer pursuant to this chapter or any regulation adopted by the State Engineer pursuant to NRS 532.120.

2. On a showing by the State Engineer that a person is engaged, or is about to engage, in any act or practice which violates or will violate any provision of this chapter, any order or decision issued by the State Engineer pursuant to this chapter or any regulation adopted by the State Engineer pursuant to NRS 532.120, the court may issue, without a bond, any prohibitory or mandatory injunction that the facts may warrant, including a temporary restraining order issued ex parte or, after notice and hearing, a preliminary or permanent injunction.

3. Failure to establish lack of an adequate remedy at law or irreparable harm is not a ground for denying a request for a temporary restraining order or injunction.
4. The court may require the posting of a sufficient performance bond or other security to ensure compliance with the court order within the period prescribed.

5. Any proceeding conducted or injunction or order issued pursuant to this section is in addition to, and not in lieu of, any other penalty or remedy available for a violation of this chapter.

Sec. 16. The State Engineer shall, in adopting regulations to carry out the amendatory provisions of this act:
1. Consider establishing a minimum threshold amount of water that a user of water would be required to exceed in using, wasting or diverting water in an unlawful manner before an administrative penalty would be imposed;
2. Comply with the provisions of chapter 233B of NRS;
3. Consider waiving an administrative penalty for a violation if the violator has, in the determination of the State Engineer, made significant progress toward correcting the violation; and
4. In addition to the requirements of subsection 1, consider waiving an administrative penalty in the case of an unauthorized use or willful waste of water in violation of NRS 533.460 or an unlawful diversion of water in violation of NRS 533.530, if the amount of water so used or wasted does not exceed 2 acre-feet per annum.

Sec. 17. The State Engineer shall, on or before January 1, 2009, submit to the Director of the Legislative Counsel Bureau a written report detailing the efforts and progress of the State Engineer in developing and adopting regulations to carry out the amendatory provisions of this act.

Sec. 18. The State Engineer shall not, before July 1, 2009, impose an administrative penalty pursuant to the amendatory provisions of this act or any regulations adopted to carry out the amendatory provisions of this act.

Amendment No. 979.

SUMMARY—Authorizes the creation of theme park districts. (BDR 22-1457)
AN ACT relating to theme park districts; authorizing the creation of such districts in counties and certain cities for theme park projects; providing the powers and duties of such a district; authorizing the board of directors of such a district to impose a user fee for the privilege of conducting business activity in the district; authorizing the board to issue special obligations to finance theme park projects; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the creation of tax increment areas by the governing body of a county or city. (NRS 278C.150) The governing body may dedicate the revenues from the property tax imposed in a tax increment area to the financing, acquisition, improvement or equipment of certain specific undertakings, including a drainage and flood control project, overpass project, sewerage project, street project, underpass project or water project. (NRS 278C.140) Section 2 of this bill provides that, in cities in a county whose population is 100,000 or more (currently Clark and Washoe Counties), such an undertaking may include a theme park project, as defined in section 1 of this bill. Section 8 of this bill authorizes any county or incorporated city in this State to establish a theme park district, and authorizes any two or more of those entities to jointly create such a theme park district pursuant to an interlocal agreement. The boundaries of the district need not be contiguous, but must be within the boundaries of the municipalities creating the district, and must not include any private property without the consent of the property owner. Section 8 provides that the general statutory requirements regarding local governmental purchasing, public works projects, municipal obligations,
local financial administration and public investments apply to a theme park district, and that any property acquired or constructed by a theme park district is exempt from taxation.

Section 9 of this bill requires the appointment of a board of directors for a theme park district that consists of members of the governing bodies of the municipalities that created the district, and applies the Nevada Ethics in Government Law to the members of the board.

Section 10 of this bill requires the board to comply with statutory requirements for the maintenance of public records and sets forth the general powers and duties of the board, including the authority to enter into interlocal agreements with other public entities and excluding any authority to acquire property by eminent domain.

Section 11 of this bill sets forth the specific authority of the board regarding the financing, acquisition, construction, operation and maintenance of theme parks. Section 11 authorizes the board to award certain contracts without competitive bidding.

Section 14 of this bill authorizes the board to impose a user fee for the privilege of conducting business activity in a theme park district at a sufficient rate and only for such a period as necessary to pay any secured obligations of the district.

Section 15 of this bill specifies the scope of authority of the board to issue revenue bonds and other special obligations to finance the capital costs to acquire, design, construct and improve the facilities of a theme park, and exempts the State and each applicable county and city from any liability or other responsibility for those obligations. Section 18 of this bill provides that this bill will expire by limitation on December 31, 2015, if no such obligations have been issued or no interlocal agreements have been entered into pursuant to this bill on or before that date.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 3 of this bill and replace with the following new sections 1 through 18:

Section 1. Title 22 of NRS is hereby amended by adding thereto a new chapter to consist of the provisions set forth as sections 2 to 17, inclusive, of this act.

The governing bodies may, by ordinance, revise the boundaries of the joint district from time to time.

2. The area included within the district may be contiguous or noncontiguous and include property located within any one or more of the municipalities creating the district, except that the district must not include any property that is not owned by the municipality or municipalities creating the district unless the owner of the property consents in writing to its inclusion in the district.

3. Upon the creation of a district, the district shall be deemed:

2. A board shall:

   (g) If a joint district, enters into interlocal agreements with the governing bodies of the municipalities that created the district for the provision of such administrative support, staff and meeting accommodations as are necessary to carry out the provisions of this chapter.

Sec. 11. 1. A board may, on behalf of the district, provide for the financing, acquisition, construction, improvement, equipping, operation
and maintenance of one or more theme park projects within any area of
the district.

2. A board may, on behalf of the district, enter into an agreement with
a private entity to provide professional services in negotiating and

years and maintains a professional license or portfolio in the development
of real estate; and

(b) At least one person who has provided similar professional services
for a district created pursuant to this chapter or a similar district in another
jurisdiction which was authorized to issue at least $1 billion of bonds
pursuant to a statute that specifically required proportional private
financing.

3. Notwithstanding any provision of chapter 332 or 338 of NRS to the
contrary, a board may, to expedite the design and construction of any

is leased to or used by the district pursuant to an interlocal agreement,
establish alternate procedures, conditions and requirements for the
awarding without competitive bidding of any contract:

(a) To a person selected on the basis of qualifications and experience in

beverages on any property acquired, owned or leased by the district.

Sec. 14. 1. A board may impose a user fee for the privilege of
conducting business activity in the district at such a rate as the board
determines to be necessary to pay any obligations issued by the district
pursuant to section 15 of this act.

2. If a board imposes a user fee pursuant to subsection 1, the board
shall:

(a) Prescribe the times and methods of payment of the fee and collect the
fee when due, and may impose a penalty for the late payment of the fee;
and

(b) Cease to impose the fee when it determines that all obligations issued
by the district pursuant to section 15 of this act have been paid in full. Any
amount of the fee received after those obligations have been paid in full
must be used to pay the capital costs of acquiring, designing, constructing,
reconstructing, equipping and improving the facilities of the theme park
project and directly related improvements and of any on-site or off-site public infrastructure for the benefit of the district.

Sec. 15. 1. Except as otherwise provided in this section, a board may issue bonds, notes and other securities as special obligations pursuant to chapter 350 of NRS to finance or refinance the capital costs of acquiring, designing, developing, constructing, reconstructing, operating, equipping and improving the facilities of a theme park project and any directly related improvements and of any on-site or off-site public infrastructure for the benefit of the district. Any such bonds, notes or other securities may be secured by a pledge of, and payment from, the proceeds of any fee imposed pursuant to section 14 of this act and received by the district, any financial contributions or other revenue received by the district, or any combination thereof.

2. The aggregate principal amount of any such outstanding bonds, notes and other securities issued by the board pursuant to this section must not exceed $8 billion.

3. A board shall not issue any bonds, notes or other securities pursuant to this section unless the board determines, which determination shall be deemed to be conclusive, that the board has received legally enforceable financial commitments for the benefit of the district from nongovernmental entities operating the theme park project, in an amount that is not less than 10 percent of the aggregate principal amount of the bonds, notes or other securities to be issued by the board pursuant to this section.

4. The fiscal agent of the district shall cancel all bonds, notes and other securities issued pursuant to this section when paid.

5. No bond, note or other security issued pursuant to this section:
   (a) May be secured by or payable from any source other than the proceeds of any user fee imposed pursuant to section 14 of this act and received by the district, any financial contributions or other revenue received by the district, or any combination thereof, or ever become a general obligation of the district.
   (b) Constitutes for any purpose a debt of the State, any municipality, any member of the board or any person who executes the bond, note or security.

AN ACT relating to health care; revising the method of selecting certain professionals for various boards related to health care; creating a new type of license for practicing medicine; changing the requirements for a license by endorsement to practice medicine; providing new requirements for certain nursing instructors; enacting the Nurse Licensure Compact; requiring the State Board of Nursing to pass regulations required for implementation of the Nurse Licensure Compact; providing two new types of licenses for osteopathic medicine; providing a new type of license as a dispensing optician; providing in statute for the election of officers for the State Board of Physical Therapy Examiners; making various other changes relating to health care; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides methods of selecting certain persons for various boards related to health care. (NRS 630.060, 630A.110, 631.130, 632.030, 633.191, 634.020, 634A.040, 635.020, 636.035, 637.030, 637A.035, 637B.100, 639.030, 640.030, 640A.080, 640B.170, 640B.180, 640C.150, 641.040, 641A.100, 641B.100 and 641C.150) [Sections 1, 4, 8, 9, 12, 26, 59-62, 65-68, 73, 75, 77, 78 and 80-82] Section 1 of this bill creates new requirements related to selecting such persons if they are members of the profession being regulated by a board. Specifically, each applicable professional association is required to provide a list of nominees to the Governor for vacant positions on such boards. The Governor may, but is not required to, appoint a person from the list.

Existing law provides certain special types of licenses that the Board of Medical Examiners may issue. (NRS 630.258-630.265) Section 3 of this bill provides a new type of license for a foreign expert physician.

Existing law provides for certain persons to receive a license by endorsement to practice medicine. (NRS 630.1605) Section 7 of this bill revises the requirements for such a license.

Existing law provides that each holder of a license to practice medicine or osteopathic medicine is required to report annually certain information concerning surgeries. (NRS 630.30665, 633.524) Sections 7.5 and 54 of this act require a separate report of certain sentinel events and provide for an administrative penalty to be imposed if the holder of the license fails to file the report or knowingly files false information in a report.
Existing law provides certain requirements and the procedures for creating requirements for schools and courses of professional nursing. (NRS 632.430-632.470) Section 11 of this bill provides for the various requirements for nursing instructors in clinical practice.

Existent law provides requirements for licensing and certification related to the practice of nursing. (NRS 632.300-632.345) Section 13 of this bill enacts the Nurse Licensure Compact, which allows for multistate licensure privileges for nurses in states which are parties to the compact. Section 14 of this bill requires the State Board of Nursing to adopt any regulations necessary for the implementation of the Nurse Licensure Compact.

Existing law provides various requirements regarding the handling of information related to certain conditions, limitations or restrictions placed on a license or certificate related to the practice of nursing. (NRS 632.307) Section 19 of this bill clarifies compliance with the information requirements of the Nurse Licensure Compact.

Existing law provides exemptions to the requirement that nursing must be practiced in connection with a valid state license. (NRS 632.340) Section 20 of this bill adds the multistate licensure privilege granted pursuant to the Nurse Licensure Compact to those exemptions.

Existing law provides confidentiality requirements related to investigations by the State Board of Nursing. (NRS 632.405) Section 21 of this bill clarifies that such confidentiality requirements do not affect the information requirements of the Nurse Licensure Compact.

Existing law provides certain types of special licenses that the State Board of Osteopathic Medicine may issue. (NRS 633.401-633.411) Section 24 of this bill provides a new type of license for a foreign expert osteopathic physician. Section 25 of this bill provides a new type of license by endorsement to practice osteopathic medicine.

Existing law provides for the certification of osteopathic physician’s assistants by the State Board of Osteopathic Medicine. (NRS 633.101, 633.431, 633.441, 633.451) Section 37 of this bill changes the title of “osteopathic physician’s assistant” to “physician assistant.” Sections 29 and 30 of this bill provide for the licensure, rather than certification, of such physician assistants. Sections 16, 17, 22, 36, 37, 39, 40, 43, 49, 53, 55, 58, 69, 71 and 84-118 of this bill amend various statutes in accordance with these changes.

Existing law provides requirements for the licensing of dispensing opticians. (NRS 637.090-637.140) Section 64 of this bill provides a new type of license for a person with an out-of-state license as a dispensing optician.

Existing law provides for the creation of the State Board of Physical Therapy Examiners. (NRS 640.030) Section 74 of this bill provides for the election of officers for that Board.

Section 119 of this bill repeals certain statutes, including, without limitation, NRS 632.450 which requires that the minimum length for a course of instruction in nursing is 2 years.

8. As used in this section:

Sec. 13. The Nurse Licensure Compact is hereby ratified, enacted into law and entered into with all jurisdictions legally joining in the Compact, in substantially the form set forth in this section.
Nurse Licensure Compact

ARTICLE I. Findings and Declaration of Purpose
(a) The party states find that:
(1) The health and safety of the public are affected by the degree of compliance with and the effectiveness of enforcement activities related to state nurse licensure laws.
(2) Violations of nurse licensure and other laws regulating the practice of nursing may result in injury or harm to the public.
(3) The expanded mobility of nurses and the use of advanced communication technologies as part of our nation’s health care delivery system require greater coordination and cooperation among states in the areas of nurse licensure and regulation.
(4) New practice modalities and technology make compliance with individual state nurse licensure laws difficult and complex.
(5) The current system of duplicative licensure for nurses practicing in multiple states is cumbersome and redundant to both nurses and states.
(b) The general purposes of this Compact are to:
(1) Facilitate the states’ responsibility to protect the public’s health and safety.
(2) Encourage and enhance the cooperation of party states in the areas of nurse licensure and regulation.
(3) Facilitate the exchange of information between party states in the areas of nurse regulation, investigation and adverse actions.

(4) Promote compliance with the laws governing the practice of nursing in each jurisdiction.

(5) Invest all party states with the authority to hold a nurse accountable for meeting all state practice laws in the state in which the patient is located at the time care is rendered through the mutual recognition of party state licenses.

ARTICLE II—Definitions

As used in this Compact:

(a) "Adverse action" means a home or remote state action.

(b) "Alternative program" means a voluntary, nondisciplinary monitoring program approved by a nurse licensing board.

(c) "Coordinated licensure information system" means an integrated process for collecting, storing and sharing information on nurse licensure and enforcement activities related to nurse licensure laws, which is administered by a nonprofit organization composed of and controlled by state nurse licensing boards.

(d) "Current significant investigative information" means:

(1) Investigative information that a licensing board, after a preliminary inquiry that includes notification and an opportunity for the nurse to respond if required by state law, has reason to believe is not groundless and, if proved true, would indicate more than a minor infraction; or

(2) Investigative information that indicates that the nurse represents an immediate threat to public health and safety regardless of whether the nurse has been notified and had an opportunity to respond.

(e) "Home state" means the party state which is the nurse's primary state of residence.

(f) "Home state action" means any administrative, civil, equitable or criminal action permitted by the home state's laws which are imposed on a nurse by the home state's licensing board or other authority including actions against an individual's license such as revocation, suspension, probation or any other action which affects a nurse's authorization to practice.

(g) "Licensing board" means a party state's regulatory body responsible for issuing nurse licenses.

(h) "Multistate licensure privilege" means current, official authority from a remote state permitting the practice of nursing as either a registered nurse or a licensed practical vocational nurse in each party state. All party states have the authority, in accordance with existing state due process law, to take actions against the nurse's privilege such as revocation, suspension, probation or any other action which affects a nurse's authorization to practice.

(i) "Nurse" means a registered nurse or licensed practical vocational nurse, as those terms are defined by each party's state practice laws.
(j) “Party state” means any state that has adopted this Compact.
(k) “Remote state” means a party state, other than the home state, where the patient is located at the time nursing care is provided or, in the case of the practice of nursing not involving a patient, in such party state where the recipient of nursing practice is located.
(l) “Remote state action” means any administrative, civil, equitable or criminal action permitted by a remote state’s laws which are imposed on a nurse by the remote state’s licensing board or other authority including actions against an individual’s multistate licensure privilege to practice in the remote state, and cease and desist and other injunctive or equitable orders issued by remote states or the licensing boards thereof.
(m) “State” means a state, territory or possession of the United States, and the District of Columbia.
(n) “State practice laws” means those individual party’s state laws and regulations that govern the practice of nursing, define the scope of nursing practice, and create the methods and grounds for imposing discipline. The term does not include the initial qualifications for licensure or requirements necessary to obtain and retain a license, except for qualifications or requirements of the home state.

ARTICLE III—General Provisions and Jurisdiction
(a) A license to practice registered nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a registered nurse in such party state. A license to practice licensed practical vocational nursing issued by a home state to a resident in that state will be recognized by each party state as authorizing a multistate licensure privilege to practice as a licensed practical vocational nurse in such party state. In order to obtain or retain a license, an applicant must meet the home state’s qualifications for licensure and license renewal as well as all other applicable state laws.
(b) Party states may, in accordance with state due process laws, limit or revoke the multistate licensure privilege of any nurse to practice in their state and may take any other actions under their applicable state laws necessary to protect the health and safety of their citizens. If a party state takes such action, it shall promptly notify the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the home state of any such actions by remote states.
(c) Every nurse practicing in a party state must comply with the state practice laws of the state in which the patient is located at the time care is rendered. In addition, the practice of nursing is not limited to patient care, but shall include all nursing practice as defined by the state practice laws of a party state. The practice of nursing will subject a nurse to the jurisdiction of the nurse licensing board and the courts, as well as the laws, in that party state.
This Compact does not affect additional requirements imposed by states for advanced practice registered nursing. However, a multistate licensure privilege to practice registered nursing granted by a party state shall be recognized by other party states as a license to practice registered nursing if one is required by state law as a precondition for qualifying for advanced practice registered nurse authorization.

Individually not residing in a party state shall continue to be able to apply for nurse licensure as provided for under the laws of each party state. However, the license granted to these individuals will not be recognized as granting the privilege to practice nursing in any other party state unless explicitly agreed to by that party state.

ARTICLE IV—Applications for Licensure in a Party State

(a) Upon application for a license, the licensing board in a party state shall ascertain, through the coordinated licensure information system, whether the applicant has ever held, or is the holder of, a license issued by any other state, whether there are any restrictions on the multistate licensure privilege and whether any other adverse action by any state has been taken against the license.

(b) A nurse in a party state shall hold licensure in only one party state at a time, issued by the home state.

(c) A nurse who intends to change primary state of residence may apply for licensure in the new home state in advance of such change. However, new licenses will not be issued by a party state until after a nurse provides evidence of change in primary state of residence satisfactory to the new home state’s licensing board.

(d) When a nurse changes primary state of residence by:

1. Moving between two party states, and obtains a license from the new home state, the license from the former home state is no longer valid.
2. Moving from a nonparty state to a party state, and obtains a license from the new home state, the individual state license issued by the nonparty state is not affected and will remain in full force if so provided by the laws of the nonparty state.
3. Moving from a party state to a nonparty state, the license issued by the prior home state converts to an individual state license, valid only in the former home state, without the multistate licensure privilege to practice in other party states.

ARTICLE V—Adverse Actions

In addition to the General Provisions described in Article III, the following provisions apply:

(a) The licensing board of a remote state shall promptly report to the administrator of the coordinated licensure information system any remote state actions, including the factual and legal basis for such action, if known. The licensing board of a remote state shall also promptly report any significant current investigative information yet to result in a remote state
The administrator of the coordinated licensure information system shall promptly notify the home state of any such report.

(b) The licensing board of a party state shall have the authority to complete any pending investigations for a nurse who changes primary state of residence during the course of such investigations. It shall also have the authority to take appropriate action(s), and shall promptly report the conclusions of such investigations to the administrator of the coordinated licensure information system. The administrator of the coordinated licensure information system shall promptly notify the new home state of any such actions.

(c) A remote state may take adverse action affecting the multistate licensure privilege to practice within that party state. However, only the home state shall have the power to impose adverse action against the license issued by the home state.

(d) For purposes of imposing adverse action, the licensing board of the home state shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, it shall apply its own state laws to determine appropriate action.

(e) The home state may take adverse action based on the factual findings of the remote state, so long as each state follows its own procedures for imposing such adverse action.

Party states must require nurses who enter any alternative programs to agree not to practice in any other party state during the term of the alternative program without prior authorization from such other party state.

This system will include information on the licensure and disciplinary history of each nurse, as contributed by party states, to assist in the coordination of nurse licensure and enforcement efforts.

(b) Notwithstanding any other provision of law, all party states’ licensing boards shall promptly report adverse actions, actions against multistate licensure privileges, any current significant investigative information yet to result in adverse action, denials of applications, and the reasons for such denials, to the coordinated licensure information system.

(d) Notwithstanding any other provision of law, all party states’ licensing boards contributing information to the coordinated licensure information system may designate information that may not be shared with non-party states or disclosed to other entities or individuals without the express permission of the contributing state.

(e) Any personally identifiable information obtained by a party state’s licensing board from the coordinated licensure information system may not be shared with non-party states or disclosed to other entities or individuals except to the extent permitted by the laws of the party state contributing the information.

(f) Any information contributed to the coordinated licensure information system that is subsequently required to be expunged by the laws of the party state contributing that information shall also be expunged from the coordinated licensure information system.

Good faith in this Article shall not include willful misconduct, gross negligence or recklessness.

ARTICLE X—Entry into Force, Withdrawal and Amendment

(a) This Compact shall enter into force and become effective as to any state when it has been enacted into the laws of that state. Any party state may withdraw from this Compact by enacting a statute repealing the same, but no such withdrawal shall take effect until 6 months after the withdrawing state has given notice of the withdrawal to the executive heads of all other party states.

(b) No withdrawal shall affect the validity or applicability by the licensing boards of states remaining party to the Compact of any report of adverse action occurring prior to the withdrawal.

(c) Nothing contained in this Compact shall be construed to invalidate or prevent any nurse licensure agreement or other cooperative arrangement between a party state and a nonparty state that is made in accordance with the other provisions of this Compact.

(d) This Compact may be amended by the party states. No amendment to this Compact shall become effective and binding upon the party states unless and until it is enacted into the laws of all party states.

2. By a sworn written statement by the health authority that:
   (a) The health authority has, based upon its personal observation of the person alleged to have been infected with or exposed to a communicable disease, or its epidemiological investigation of the circumstances of potential infection or exposure regarding the person alleged to have been infected with or exposed to a communicable disease, a reasonable factual and medical basis to believe that the person has been infected with or exposed to a communicable disease and, that because of the risks of that disease, the person is likely to be an immediate threat to the health of the public; and
   (b) The person alleged to have been infected with or exposed to a communicable disease has refused to submit to voluntary isolation or

UNFINISHED BUSINESS
CONSIDERATION OF SENATE AMENDMENTS
Assembly Bill No. 334.
The following Senate amendment was read:
Amendment No. 814.
AN ACT relating to education; creating a school district for charter schools sponsored by the State Board of Education for federal law purposes; revising provisions governing the closure of a charter school; clarifying
certain provisions governing the payments of money to a charter school for the enrollment of certain pupils; revising provisions governing the employment of administrators for a charter school; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the board of trustees of a school district may sponsor charter schools and the State Board of Education may sponsor charter schools. (NRS 386.515) Section 2 of this bill creates a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District is created for the sole purpose of federal law governing charter schools.

Section 3 of this bill provides that upon closure of a charter school, an administrator of the charter school shall act as a trustee of certain records during the process of closure and for 1 year after the date of closure. If an administrator is not available, the governing body of the charter school shall appoint a qualified person to perform the duties of trustee.

Under existing law, a charter school must accept for enrollment in certain classes, if space is available, children who are otherwise enrolled in a public school or a private school or homeschooled children. (NRS 386.580) Under existing law, these children are included in the count of pupils for the purposes of the basic support guarantee of the State Distributive School Account. (NRS 387.123, 387.1233) Section 5 of this bill clarifies the legislative declaration concerning the formation of charter schools to provide that the declaration does not preclude the payment of money to a charter school for the enrollment of these children in classes at a charter school. (NRS 386.505)

Under existing law, a charter school may employ administrators for the school who meet certain eligibility requirements. (NRS 386.590) Section 6 of this bill revises provisions governing the employment of those administrators and revises the eligibility requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 386 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. There is hereby created a school district to be designated as the Charter School District for State Board-Sponsored Charter Schools. The School District comprises only those charter schools that are sponsored by the State Board. The State Board is hereby deemed the board of trustees of the School District. The School District is created for the sole purpose of providing local educational agency status to the District for purposes of federal law governing charter schools.

Sec. 3. 1. Except as otherwise provided in subsection 2, if a charter school ceases to operate voluntarily or upon revocation of its written charter, the governing body of the charter school shall appoint an
administrator of the charter school to act as a trustee during the process of the closure of the charter school and for 1 year after the date of closure. The administrator shall assume the responsibility for the records of the:

(a) Charter school;
(b) Employees of the charter school; and
(c) Pupils enrolled in the charter school.

2. If an administrator for the charter school is no longer available to carry out the duties set forth in subsection 1, the governing body of the charter school shall appoint a qualified person to assume those duties.

3. The governing body of the charter school may, to the extent practicable, provide financial compensation to the administrator or person appointed pursuant to subsection 2 to carry out the provisions of this section.

Sec. 4. NRS 386.500 is hereby amended to read as follows:
386.500 For the purposes of NRS 386.500 to 386.610, inclusive, and sections 2 and 3 of this act, a pupil is “at risk” if he has an economic or academic disadvantage such that he requires special services and assistance to enable him to succeed in educational programs. The term includes, without limitation, pupils who are members of economically disadvantaged families, pupils who are limited English proficient, pupils who are at risk of dropping out of high school and pupils who do not meet minimum standards of academic proficiency. The term does not include a pupil with a disability.

Sec. 5. NRS 386.505 is hereby amended to read as follows:
386.505 The Legislature declares that by authorizing the formation of charter schools it is not authorizing:
1. The conversion of an existing public school, home school or other program of home study to a charter school.
2. A means for providing financial assistance for private schools or programs of home study. The provisions of this subsection do not preclude:
   (a) A private school from ceasing to operate as a private school and reopening as a charter school in compliance with the provisions of NRS 386.500 to 386.610, inclusive and sections 2 and 3 of this act.
   (b) The payment of money to a charter school for the enrollment of children in classes at the charter school pursuant to subsection 5 of NRS 386.580 who are enrolled in a public school of a school district or a private school or who are homeschooled.
3. The formation of charter schools on the basis of a single race, religion or ethnicity.

Sec. 5.5. NRS 386.527 is hereby amended to read as follows:
386.527 1. If the State Board or the board of trustees of a school district approves an application to form a charter school, it shall grant a written charter to the applicant. The State Board or the board of trustees, as applicable, shall, not later than 10 days after the approval of the application, provide written notice to the Department of the approval and the date of the
2. If the State Board approves the application:
   (a) The State Board shall be deemed the sponsor of the charter school.
   (b) Neither the State of Nevada, the State Board nor the Department is an 
       employer of the members of the governing body of the charter school or any 
       of the employees of the charter school.

3. [Upon the initial renewal of a written charter and each renewal 
   thereafter, the] The governing body of a charter school may request, at any 
   time, a change in the sponsorship of the charter school to an entity that is 
   authorized to sponsor charter schools pursuant to NRS 386.515. The State 
   Board shall adopt [objective] :
   (a) An application process for a charter school that requests a change in 
       the sponsorship of the charter school, which must not require the applicant 
       to undergo the requirements of an initial application to form a charter 
       school; and
   (b) Objective criteria for the conditions under which such a request may 
       be granted.

4. Except as otherwise provided in subsection 6, a written charter must 
   be for a term of 6 years unless the governing body of a charter school renews 
   its initial charter after 3 years of operation pursuant to subsection 2 of NRS 
   386.530. A written charter must include all conditions of operation set forth 
   in paragraphs (a) to (o), inclusive, of subsection 2 of NRS 386.520 and 
   include the kind of school, as defined in subsections 1 to 4, inclusive, of NRS 
   388.020 for which the charter school is authorized to operate. If the State 
   Board is the sponsor of the charter school, the written charter must set forth 
   the responsibilities of the sponsor and the charter school with regard to the 
   provision of services and programs to pupils with disabilities who are 
   enrolled in the charter school in accordance with the Individuals with 
   Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and NRS 388.440 to 
   388.520, inclusive. As a condition of the issuance of a written charter 
   pursuant to this subsection, the charter school must agree to comply with all 
   conditions of operation set forth in NRS 386.550.

5. The governing body of a charter school may submit to the sponsor of 
   the charter school a written request for an amendment of the written charter 
   of the charter school. Such an amendment may include, without limitation, 
   the expansion of instruction and other educational services to pupils who are 
   enrolled in grade levels other than the grade levels of pupils currently 
   [enrolled] approved for enrollment in the charter school if the expansion of 
   grade levels does not change the kind of school, as defined in NRS 388.020, 
   for which the charter school is authorized to operate. If the proposed 
   amendment complies with the provisions of this section, NRS 386.500 to 
   386.610, inclusive, and sections 2 and 3 of this act, and any other statute or 
   regulation applicable to charter schools, the sponsor may amend the written 
   charter in accordance with the proposed amendment. If a charter school
wishes to expand the instruction and other educational services offered by the charter school to pupils who are enrolled in grade levels other than the grade levels of pupils currently approved for enrollment in the charter school and the expansion of grade levels changes the kind of school, as defined in NRS 388.020, for which the charter school is authorized to operate, the governing body of the charter school must submit a new application to form a charter school. If such an application is approved, the charter school may continue to operate under the same governing body and an additional governing body does not need to be selected to operate the charter school with the expanded grade levels.

6. The State Board shall adopt objective criteria for the issuance of a written charter to an applicant who is not prepared to commence operation on the date of issuance of the written charter. The criteria must include, without limitation, the:
   (a) Period for which such a written charter is valid; and
   (b) Timelines by which the applicant must satisfy certain requirements demonstrating its progress in preparing to commence operation.

A holder of such a written charter may apply for grants of money to prepare the charter school for operation. A written charter issued pursuant to this subsection must not be designated as a conditional charter or a provisional charter or otherwise contain any other designation that would indicate the charter is issued for a temporary period.

7. The holder of a written charter that is issued pursuant to subsection 6 shall not commence operation of the charter school and is not eligible to receive apportionments pursuant to NRS 387.124 until the sponsor has determined that the requirements adopted by the State Board pursuant to subsection 6 have been satisfied and that the facility the charter school will occupy has been inspected and meets the requirements of any applicable building codes, codes for the prevention of fire, and codes pertaining to safety, health and sanitation. Except as otherwise provided in this subsection, the sponsor shall make such a determination 30 days before the first day of school for the:
   (a) Schools of the school district in which the charter school is located that operate on a traditional school schedule and not a year-round school schedule; or
   (b) Charter school,

whichever date the sponsor selects. The sponsor shall not require a charter school to demonstrate compliance with the requirements of this subsection more than 30 days before the date selected. However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.

Sec. 6. NRS 386.590 is hereby amended to read as follows:

386.590 1. Except as otherwise provided in this subsection, at least 70 percent of the teachers who provide instruction at a charter school must be licensed teachers. If a charter school is a vocational school, the charter school
shall, to the extent practicable, ensure that at least 70 percent of the teachers who provide instruction at the school are licensed teachers, but in no event may more than 50 percent of the teachers who provide instruction at the school be unlicensed teachers.

2. A governing body of a charter school shall employ:
   (a) If the charter school offers instruction in kindergarten or grade 1, 2, 3, 4, 5, 6, 7 or 8, a licensed teacher to teach pupils who are enrolled in those grades. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).
   (b) If the charter school offers instruction in grade 9, 10, 11 or 12, a licensed teacher to teach pupils who are enrolled in those grades for the subjects set forth in subsection 4. If required by subsection 3 or 4, such a teacher must possess the qualifications required by 20 U.S.C. § 6319(a).
   (c) In addition to the requirements of paragraphs (a) and (b):
      (1) If a charter school specializes in arts and humanities, physical education or health education, a licensed teacher to teach those courses of study.
      (2) If a charter school specializes in the construction industry or other building industry, licensed teachers to teach courses of study relating to the industry if those teachers are employed full time.
      (3) If a charter school specializes in the construction industry or other building industry and the school offers courses of study in computer education, technology or business, licensed teachers to teach those courses of study if those teachers are employed full time.

3. A person who is initially hired by the governing body of a charter school on or after January 8, 2002, to teach in a program supported with money from Title I must possess the qualifications required by 20 U.S.C. § 6319(a). For the purposes of this subsection, a person is not “initially hired” if he has been employed as a teacher by another school district or charter school in this State without an interruption in employment before the date of hire by his current employer.

4. A teacher who is employed by a charter school, regardless of the date of hire, must, on or before July 1, 2006, possess the qualifications required by 20 U.S.C. § 6319(a) if he teaches one or more of the following subjects:
   (a) English, reading or language arts;
   (b) Mathematics;
   (c) Science;
   (d) Foreign language;
   (e) Civics or government;
   (f) Economics;
   (g) Geography;
   (h) History; or
   (i) The arts.

5. Except as otherwise provided in NRS 386.588, a charter school may employ a person who is not licensed pursuant to the provisions of chapter
391 of NRS to teach a course of study for which a licensed teacher is not required pursuant to subsections 2, 3 and 4 if the person has:

(a) A degree, a license or a certificate in the field for which he is employed to teach at the charter school; and

(b) At least 2 years of experience in that field.

6. Except as otherwise provided in NRS 386.588, a charter school may employ such administrators for the school as it deems necessary. A person employed as an administrator must possess:

(a) A valid teacher’s license issued pursuant to chapter 391 of NRS with an administrative endorsement;

(b) A master’s degree in school administration, public administration or business administration; or

(c) At least 5 years of experience in school administration, public administration or business administration and a baccalaureate degree.

7. Except as otherwise provided in subsection 8, the portion of the salary or other compensation of an administrator employed by a charter school that is derived from public funds must not exceed the salary or other compensation, as applicable, of the highest paid administrator in a comparable position in the school district in which the charter school is located. For purposes of determining the salary or other compensation of the highest paid administrator in a comparable position in the school district, the salary or other compensation of the superintendent of schools of that school district must not be included in the determination.

8. If the salary or other compensation paid to an administrator employed by a charter school from public funds exceeds the maximum amount prescribed in subsection 7, the sponsor of the charter school shall conduct an audit of the salary or compensation. The audit must include, without limitation, a review of the reasons set forth by the governing body of the charter school for the salary or other compensation and the interests of the public in using public funds to pay that salary or compensation. If the sponsor determines that the payment of the salary or other compensation from public funds is justified, the sponsor shall provide written documentation of its determination to the governing body of the charter school and to the Department. If the sponsor determines that the payment of the salary or other compensation from public funds is not justified, the governing body of the charter school shall reduce the salary or compensation paid to the administrator from public funds to an amount not to exceed the maximum amount prescribed in subsection 7.

Amendment No. 705.
AN ACT relating to education; requiring the board of trustees of a school district to employ certain student teachers as substitute teachers in certain schools and in certain subject areas under certain circumstances; requiring the Legislative Committee on Education to study issues relating to the use of long-term substitute teachers; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law authorizes a school district to enter into an agreement for the assignment of student teachers within the school district for training purposes. (NRS 391.095) [This] Section 1 of this bill requires a school district which has entered into such an agreement to employ certain student teachers as substitutes in at risk schools and in hard to fill subject areas when licensed teachers are not available to fill those positions. Section 3 of this bill requires the Legislative Committee on Education to conduct a
study of issues relating to the use of long-term substitute teachers during the 2007-2009 interim.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 391 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A board of trustees of a school district that has entered into an agreement pursuant to NRS 391.095 shall, before assigning a long-term substitute who is not a licensed teacher, assign a student teacher who satisfies the requirements of subsection 2 as a substitute teacher.

(a) At schools in which 65 percent or more of the pupils who are enrolled in the school are children who are at risk; or

(b) In the field of mathematics, science, special education or English as a second language.

2. A student teacher who has completed not less than 4 weeks of student teaching in a school district pursuant to NRS 391.095 may apply to the board of trustees of that school district for employment as a substitute teacher. The application must include the written approval of:

(a) The teacher who supervises the student teacher through the Nevada System of Higher Education or accredited postsecondary educational institution, as applicable; and

(b) The teacher who is responsible for supervising the student teacher in the classroom.

3. If a school district employs a student teacher as a substitute teacher pursuant to this section, the school district shall ensure that the student teacher is supervised:

(a) Assigned to teach in the subject area and grade level, as applicable, in which the student teacher is completing his student teaching.

(b) Supervised by a licensed teacher. A licensed teacher so assigned must:

(1) Be available to assist the student teacher and observe the student teacher on a periodic basis; and

(2) Oversee the management of the classroom, instructional duties and administrative duties of the student teacher.

4. A student teacher who is employed as a substitute teacher pursuant to this section is entitled to the rate of pay otherwise payable to substitute teachers employed by the school district for each day the student teacher works as a substitute teacher. Nothing in this section entitles a student teacher who is not employed as a substitute teacher to be paid for time spent completing his student teaching, including, without limitation, time spent completing course work and assignments required for completion of a program of study offered by the Nevada System of Higher Education or an accredited postsecondary educational institution.
5. Except as otherwise provided in this subsection, the board of trustees of a school district that employs a student teacher as a substitute teacher pursuant to this section shall, in consultation with the employee organization representing licensed teachers in the school district, provide for compensation of the licensed teacher who supervises the student teacher pursuant to subsection 3 that is in addition to the regular salary of the licensed teacher. The board of trustees is not required to provide additional compensation to:

(a) A licensed teacher who is employed by the school district for the primary purpose of supervising student teachers and who is not otherwise employed for the purpose of providing classroom instruction to pupils; or

(b) A licensed teacher who receives compensation from the Nevada System of Higher Education or an accredited postsecondary educational institution for supervising student teachers.

6. As used in this section, “student teacher” means a student of a branch of the Nevada System of Higher Education or an accredited postsecondary educational institution who is assigned to teach for training purposes pursuant to NRS 391.095.
(e) The unlicensed employee submits his fingerprints for an investigation pursuant to NRS 391.033.

5. The exemption authorized by subsection 4 does not apply to a paraprofessional if the provisions of 20 U.S.C. § 6319 and the regulations adopted pursuant thereto require the paraprofessional to be directly supervised by a licensed teacher.

6. The Superintendent of Public Instruction shall file a record of all exempt personnel with the clerk of the board of trustees of each local school district, and advise the clerk of any changes therein. The record must contain:
   (a) The name of the exempt employee;
   (b) The specific instructional duties he may perform;
   (c) Any terms or conditions of the exemption deemed appropriate by the Superintendent of Public Instruction; and
   (d) The date the exemption expires or a statement that the exemption is valid as long as the employee remains in the same position at the same school.

7. The Superintendent of Public Instruction may adopt regulations prescribing the procedure to apply for an exemption pursuant to this section and the criteria for the granting of such exemptions.

8. Except in an emergency, it is unlawful for the board of trustees of a school district to allow a person employed as a teacher’s aide to serve as a teacher unless the person is a legally qualified teacher licensed by the Superintendent of Public Instruction. As used in this subsection, “emergency” means an unforeseen circumstance which requires immediate action and includes the fact that a licensed teacher or substitute teacher is not immediately available.

9. If the Superintendent of Public Instruction determines that the board of trustees of a school district has violated the provisions of subsection 8, he shall take such actions as are necessary to reduce the amount of money received by the district pursuant to NRS 387.124 by an amount equal to the product when the following numbers are multiplied together:
   (a) The number of days on which the violation occurred;
   (b) The number of pupils in the classroom taught by the teacher’s aide; and
   (c) The number of dollars of basic support apportioned to the district per pupil per day pursuant to NRS 387.1233.

10. The provisions of this section do not apply to unlicensed personnel who are employed by the governing body of a charter school, unless a paraprofessional employed by the governing body is required to be directly supervised by a licensed teacher pursuant to the provisions of 20 U.S.C. § 6319 and the regulations adopted pursuant thereto.

Sec. 3. 1. The Legislative Committee on Education shall, during the 2007-2009 interim, study issues relating to the use of long-term substitute teachers, including, without limitation:
(a) The effect of the use of long-term substitutes who are not licensed teachers on the performance of pupils and the effect of the use of student teachers as substitutes pursuant to section 1 of this act on the performance of pupils;
(b) The number of long-term substitutes employed in this State and the number employed by each school district, including, without limitation, the number who are not licensed teachers;
(c) The number of student teachers employed as substitutes pursuant to section 1 of this act in this State and the number employed by each school district;

(f) Any other issues relating to the use of long-term substitutes.
2. The Legislative Committee on Education may appoint a subcommittee to conduct the study required pursuant to subsection 1 or may request that an appropriate entity which is responsible for studying the coordination of elementary, secondary and postsecondary education in this State conduct the study and report to the Committee.
3. On or before February 1, 2009, the Legislative Committee on Education shall submit a report of the results of the study conducted pursuant to this section and any recommendations for legislation to the Director of the Legislative Counsel Bureau for transmission to the 75th Session of the Nevada Legislature.

Amendment No. 909.
SUMMARY—Provides for the imposition of an administrative assessment
for certain traffic violations in certain smaller counties to be used for the
awarding of grants to volunteer organizations that provide emergency medical services. (BDR 14-221)

AN ACT relating to administrative assessments; providing for the imposition of an administrative assessment for certain traffic violations in certain smaller counties; creating the Volunteer Emergency Medical Services Fund into which money collected from such assessments must be deposited; providing for grants to be awarded from the Fund to volunteer organizations that provide emergency medical services in certain smaller counties in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill requires a court to impose a $5 administrative assessment in addition to any other fine or assessment any time that a person pleads, is found guilty of or enters a plea of nolo contendere to a moving traffic violation in a county whose population is less than 100,000 (currently all counties other than Clark and Washoe Counties). Sections 1 and 6 of this bill provide that any amounts collected from the administrative assessment must be credited to the Nevada Volunteer Emergency Medical Services Fund which is created as a continuing fund within the State Treasury. Section 6 provides that money in the Fund will be used to award grants to volunteer organizations that deliver emergency medical services in counties whose population is less than 100,000 in this State. The organization to which such a grant is made may use the money for the acquisition of capital goods, training, equipment or supplies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176 of NRS is hereby amended by adding thereto a new section to read as follows:

must be returned to the defendant. If the justice or judge cancels a fine
because the fine has been determined to be uncollectible, any balance of
the fine and the administrative assessment remaining unpaid shall be
deemed to be uncollectible and the defendant is not required to pay it. If a
fine is determined to be uncollectible, the defendant is not entitled to a
refund of the fine or administrative assessment he has paid and the justice

2. If a person is returned to this State pursuant to this chapter or chapter 178 of NRS and is convicted of, or pleads guilty or nolo contendere to the criminal charge for which he was returned or a lesser criminal charge, the court shall conduct an investigation of the financial status of the person to determine his ability to make restitution. In conducting the investigation, the court shall determine if the person is able to pay any existing obligations for:
(a) Child support;
(b) Restitution to victims of crimes; and
(c) Any administrative assessment required to be paid pursuant to NRS 62E.270, 176.059, 176.0611, 176.0613 and 176.062 and section 1 of this act.

ASSEMBLYWOMAN KIRKPATRICK:
Senate Bill 487 creates an advisory subcommittee of the Washoe County Regional Planning Commission. This commission must submit a report to the Legislative Counsel Bureau for the transmission to the 75th Session of the Nevada Legislature. In it, we would like to see it address the conjunctive use for purveyors to determine the availability and possible sources of water needed to accommodate the regional land use plan, determine the extent of duplicating water facilities, and identify funding sources for the water supply needed to implement the regional land use plan.

ASSEMBLYWOMAN LESLIE:
I thank the Committee and the Chairwoman for their hard work on this bill. I just have one concern. On page 2, section 2, subsection 2(c), line 20, it reads “Four members of the general public who are consumers of water services,” and I just want to make sure that the Committee’s intent is that those really be general public members and not elected officials or government employees.

ASSEMBLYWOMAN KIRKPATRICK:
To my colleague from the north, that is correct. That was the intent of the Committee, that we did put the general public on there.

ASSEMBLYMAN CLABORN:
I rise in opposition to this bill. I received over 200 emails, not one of which was in favor of this bill. That leads me to believe that the public doesn’t really want it.

GENERAL FILE AND THIRD READING

Senate Bill No. 288.
Bill read third time.
The following amendment was proposed by Assemblywoman Kirkpatrick: Amendment No. 1012.
AN ACT relating to fire protection districts; requiring the board of directors of a fire protection district created by an election to cooperate with the State Forester Firewarden and certain other agencies to prevent and suppress fires in wild lands; authorizing such a board of directors to appoint a district fire chief; providing that the activities of a fire protection district created by an election are separate from county activities and any other political subdivision in this State; authorizing a board of fire commissioners to provide emergency medical services within a fire protection district; requiring title to all property acquired by a fire protection district organized by a board of county commissioners to vest in the district; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides for the organization of fire protection districts by an ordinance adopted by a board of county commissioners or by the approval of the voters of a proposed fire protection district. (Chapter 474 of NRS) Under existing law, a fire protection district approved by the voters may include contiguous territory from more than one county. (NRS 474.010) Section 9 of this bill provides that such a fire protection district may include incorporated territory within a consolidated municipality, provided that such territory is not included in any other fire protection district. Section 9 also removes the exclusion that had prohibited such a fire protection district from including timberland patrolled by the United States Forest Service. Sections 2-8 and
15-18 of this bill borrow various existing provisions that are applicable to a fire protection district organized by a board of county commissioners and make them applicable to a fire protection district approved by the voters. **Section 8.5 of this bill clarifies that certain persons and entities may not operate an ambulance in an area for which an exclusive franchise for ambulance service has been granted.** Sections 20, 21, 22 and 24 of this bill borrow various existing provisions that are applicable to a fire protection district approved by the voters and make them applicable to a fire protection district organized by a board of county commissioners. Section 25 of this bill restricts existing procedures for the reorganization of a fire protection district to apply only to a fire protection district organized by a board of county commissioners.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Sec. 21. NRS 474.470 is hereby amended to read as follows:

474.470 The board of fire commissioners shall:

1. Manage and conduct the business and affairs of districts organized pursuant to the provisions of NRS 474.460.

2. Adopt and enforce all rules and regulations necessary for the administration and government of the districts and for the furnishing of fire protection thereto, which may include regulations relating to emergency medical services and fire prevention. The regulations may include provisions that are designed to protect life and property from:
   (a) The hazards of fire and explosion resulting from the storage, handling and use of hazardous substances, materials and devices; and
(b) **Hazardous conditions relating to the use or occupancy of any premises.**

Any regulation concerning hazardous substances, materials or devices adopted pursuant to this section must be consistent with any plan or ordinance concerning those substances, materials or devices that is required by the Federal Government and has been adopted by the board of county commissioners.

3. Organize, regulate, establish and disband fire companies, departments or volunteer fire departments for the districts.

4. Provide for the payment of salaries to the personnel of those fire companies or fire departments.

5. Provide for payment from the proper fund of all the debts and just claims against the districts.

6. Employ agents and employees for the districts sufficient to maintain and operate the property acquired for the purposes of the districts.

7. Acquire real or personal property necessary for the purposes of the districts and dispose of the same when property if no longer needed.

8. Construct any necessary structures.

9. Acquire, hold and possess, by donation or purchase, any land or other property necessary for the purpose of the districts.

10. Eliminate and remove fire hazards from the districts wherever if practicable and possible, whether on private or public premises, and to that end the board of fire commissioners may clear the public highways and private lands of dry grass, stubble, brush, rubbish or other inflammable material in its judgment constituting a fire hazard.

11. Perform all other acts necessary, proper and convenient to accomplish the purposes of NRS 474.460 to 474.540, inclusive, and sections 6, 7 and 8 of this act.

Sec. 21.5. NRS 474.480 is hereby amended to read as follows:

474.480 1. The board of fire commissioners shall plan for the prevention and extinguishment of fires in the territory of the county described by NRS 474.460, in cooperation with the State Forester Firewarden to coordinate the fire protection activities of the districts with the fire protection provided by the Division of Forestry of the State Department of Conservation and Natural Resources and by federal agencies, in order that the State Forester Firewarden may establish a statewide plan for the prevention and control of large fires, mutual aid among the districts, training of personnel, supply, finance and other purposes to promote fire protection on a statewide basis.

2. Through inspection, the State Forester Firewarden shall standardize the fire protection equipment and facilities of the districts to facilitate mutual aid among the districts.

Sec. 22. NRS 474.490 is hereby amended to read as follows:
The board of fire commissioners shall cooperate with the State Forester Firewarden and other agencies as provided in NRS 472.040 to 472.090, inclusive, to prevent and suppress fires in wild lands, and may contribute suitable amounts of money from the sums raised as provided in NRS 474.510 for such purpose to cooperating agencies, or may receive contributions from other agencies to be spent for such purpose.

Sec. 23. NRS 474.500 is hereby amended to read as follows:

474.500 1. The board of fire commissioners may appoint a district fire chief who shall have adequate training and experience in fire control and who shall hire such employees as are authorized by the board. The district fire chief shall administer all fire control laws in the territory of the county described by NRS 474.460 and perform such other duties as may be designated by the board of fire commissioners and the State Forester Firewarden. The district fire chief shall coordinate fire protection activities in the district and shall cooperate with all other existing fire protection agencies and with the State Forester Firewarden for the standardization of equipment and facilities.

2. In lieu of or in addition to the provisions of subsection 1, the board of fire commissioners may:
   (a) Provide the fire protection required by NRS 474.460 to 474.540, inclusive, and sections 6, 7 and 8 of this act to the districts by entering into agreements with other agencies as provided by NRS 472.060 to 472.090, inclusive, and 277.180, for the furnishing of such protection to the districts;
   (b) Support volunteer fire departments within districts organized under the provisions of NRS 474.460 to 474.540, inclusive, and sections 6, 7 and 8 of this act for the furnishing of such protection to the districts.

Sec. 24. NRS 474.510 is hereby amended to read as follows:

474.510 1. The board of fire commissioners shall prepare an annual budget in accordance with the provisions of NRS 354.470 to 354.626, inclusive, for each district organized in accordance with NRS 474.460.

2. Each budget must be based on estimates of the amount of money which will be needed to defray the expenses of the district and to meet unforeseen emergencies and to determine the amount of a fire protection tax sufficient, together with the revenue which will result from application of the rate to the net proceeds of minerals, to raise such sums.

3. At the time of making the levy of county taxes for the year, the board of county commissioners shall levy the tax provided by subsection 1, upon all property, both real and personal, subject to taxation within the boundaries of the district. Any tax levied on interstate or intercounty telephone lines, power lines and other public utility lines as authorized in this section must be based upon valuations established by the Nevada Tax
Commission pursuant to the provisions of NRS 361.315 to 361.330, inclusive.

4. The amount of tax to be collected for the purposes of this section must not exceed, in any 1 year, 1 percent of the value of the property described in subsection 3 and any net proceeds of minerals derived from within the boundaries of the district.

5. If levied, the tax must be entered upon the assessment roll and collected in the same manner as state and county taxes. Taxes may be paid in four approximately equal installments at the times specified in NRS 361.483, and the same penalties as specified in NRS 361.483 must be added for failure to pay the taxes.

6. For the purposes of NRS 474.460 to 474.550, inclusive, and sections 6, 7 and 8 of this act, the treasurer of the district shall keep two separate funds for each district, one to be known as the district fire protection operating fund and one to be known as the district emergency fund. The money collected to defray the expenses of any district organized pursuant to NRS 474.460 must be deposited in the district fire protection operating fund, and the money collected to meet unforeseen emergencies must be deposited in the district emergency fund. The district emergency fund must be used solely for emergencies and must not be used for regular operating expenses. The money deposited in the district emergency fund must not exceed the sum of $1,000,000. Any interest earned on the money in the district emergency fund that causes the balance in that fund to exceed $1,000,000 must be credited to the district fire protection operating fund.

7. For the purposes of subsection 6, an emergency includes, without limitation, any event that:
   (a) Causes widespread or severe damage to property or injury to or the death of persons within the district;
   (b) As determined by the district fire chief, requires immediate action to protect the health, safety and welfare of persons who reside within the district; and
   (c) Requires the district to provide money to obtain a matching grant from an agency of the Federal Government to repair damage caused by a natural disaster that occurred within the district.

Sec. 25. NRS 474.560 is hereby amended to read as follows:
474.560 1. A fire protection district organized pursuant to [this chapter] NRS 474.460 may reorganize as a district created wholly or in part for the purpose of furnishing fire protection facilities pursuant to chapter 318 of NRS.
2. [Such] The reorganization may be initiated by:
   (a) A petition signed by a majority of the owners of property located within the district; or
   (b) A resolution of the board of county commissioners of the county in which the district is located.
3. If the board of county commissioners determines, after notice and hearing, that [such] the reorganization is feasible and in the best interests of the county and the district, the board of county commissioners shall adopt an ordinance reorganizing the district pursuant to chapter 318 of NRS.

4. All debts, obligations, liabilities and assets of the former district [shall] must be assumed or taken over by the reorganized district.

Assemblyman Bobzien requested that the following remarks be entered in

ASSEMBLYMAN GOICOECHEA:
Senate Bill 508 creates the Office of Information Security within the Department of
Information Technology. This measure shifts responsibility for the development of the security
standards for the Executive Branch from the Planning and Resource Unit to the director of the
department. The bill requires the director to establish regulations for the development of these
standards. The effective date is July 1, 2007.

ASSEMBLYMAN ANDERSON:
I have a question, with all due respect to my colleague from the eastern part of the state, and
perhaps the chair would like to get involved in the discussion.
Was there a discussion between the Attorney General’s office of cyber crime, in terms of their
security questions relative to their support or opposition to this legislation?

ASSEMBLYMAN GOICOECHEA:
I do not believe that we had any testimony from the Attorney General’s office, and clearly,
this bill requires the director to establish those regulations. I would assume that the Attorney
General would then become involved.
ASSEMBLYWOMAN KIRKPATRICK:
I did, personally, speak with the Attorney General’s office, and they are comfortable with the way the language is in this bill.

ASSEMBLYMAN BOBZIEN:
I just wanted to add that there are two purposes that this bill addresses; it is specific to state government and it ensures that information technology security is looked after in state government.

Senate Bill No. 509.

Remarks by Assemblywoman Pierce.
Assemblywoman Pierce requested that her remarks be entered in the Journal.
Senate Bill 509 requires a state agency to advertise for proposals before it enters into a lease-purchase or installment-purchase agreement for the purpose of acquiring an existing building located on property that is not owned by the State. If a state agency wishes to enter into a lease-purchase or installment-purchase agreement on property that is owned by the State, the agency must contract with a design-build team for the design and construction of the building. This measure also makes various changes related to the requirements and conditions of lease-purchase and installment-purchase agreements and clarifies when prevailing wage must be paid on projects. Finally, the measure expands the definition of public work to include any project for which a public body provides property for development at less than the fair market value or provides financial incentives to a developer valued at more than $100,000.

I would like to make clear the legislative intent of this measure. We have added a provision in this bill to clarify existing law relating to prevailing wage because the Nevada Supreme Court has held that even where a statute specifically states that the prevailing wage must be paid pursuant to Chapter 338 of the Nevada Revised Statutes (NRS), prevailing wage need not be paid if the project does not fit the definition of a public work or does not involve a public body. We do not believe this interpretation honors the legislative intent of the current law. Therefore, this bill makes clear that if a statute, a local act, or a special act states that a project is subject to the provisions requiring the payment of prevailing wage in NRS Chapter 338, then the prevailing wage must be paid on that project as if it were a public work.

GENERAL FILE AND THIRD READING

Senate Bill No. 354.
Bill read third time.

The following amendment was proposed by Assemblywoman Kirkpatrick: Amendment No. 1017.

AN ACT relating to the safety of children; [increasing the penalty for the unlawful possession of a firearm while on school property;] prohibiting the possession of certain firearms on the property of or in a vehicle of child care facilities; revising the definition of “firearm”; requiring children who are taken into custody for possession of a firearm while on school property to submit to an evaluation by a qualified professional and a drug test; revising provisions concerning certain sex offenders who are on lifetime supervision or released on parole, probation or a suspended sentence; revising the jurisdiction of school police officers under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill revises the definition of “firearm” [and increases the penalty for the unlawful possession of a firearm while on school property] from a gross misdemeanor to a category E felony. (NRS 202.265) Section 1 further makes the provisions prohibiting a person from carrying or possessing certain firearms while on school grounds or in a vehicle of a school applicable to child care facilities. However, if the child care facility is located at or in the home of a natural person, those provisions do not apply to the owner or operator of the facility who resides in the home if he complies with all laws concerning possession of the weapon. In addition, the prohibition only applies with respect to such a facility during the normal hours of business. Existing law allows a juvenile court to decide whether to order a child who is taken into custody for certain unlawful acts involving firearms to submit to an evaluation by a qualified professional. (NRS 62C.060) Section 3 of this bill requires a juvenile court to order a child who is taken into custody for possession of a firearm on school property or at a child care facility to submit to an evaluation by a qualified professional and a drug test.

Existing law sets forth certain conditions to be imposed on sex offenders on lifetime supervision or released on parole, probation or a suspended sentence. (NRS 176A.410, 213.1243, 213.1245, 213.1255) Sections 4-6 of this bill prohibit such sex offenders from establishing residences in a facility that houses more than three persons who have been released from prison unless the facility is a facility for transitional living for released offenders that is licensed pursuant to chapter 449 of NRS.
Existing law gives school police officers the powers of a peace officer and establishes the jurisdiction of such officers. (NRS 391.275) Section 8.5 of this bill expands the jurisdiction of school police officers in certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 202.265 is hereby amended to read as follows:

202.265 1. Except as otherwise provided in this section, a person shall not carry or possess a pistol, revolver or other firearm while on the property of the Nevada System of Higher Education, a private or public school or child care facility, or while in a vehicle of a private or public school or child care facility:
   (a) An explosive or incendiary device;
   (b) A dirk, dagger or switchblade knife;
   (c) A nunchaku or trefoil;

   (f) Any device used to mark any part of a person with paint or any other substance.
   2. Any person who violates subsection 1 is guilty of a gross misdemeanor.
   3. Except as otherwise provided in this section, a person who carries or possesses a pistol, revolver or other firearm while on the property of the Nevada System of Higher Education, a private or public school or child care facility, or while in a vehicle of a private or public school or child care facility, is guilty of a category E felony and shall be punished as provided in NRS 193.130.
   4. This section does not prohibit the possession of a weapon listed in subsection 1 on the property of a child care facility located at or in the home of a natural person by a:
      (a) Peace officer;
      (b) School security guard; or
      (c) Person having written permission from the president of a branch or facility of the Nevada System of Higher Education or the principal of the school or the person designated by a child care facility to give permission to carry or possess the weapon.
   5. A child care facility which is located at or in the home of a natural person by the person who owns or operates the facility so long as the person resides in the home and the person complies with any laws governing the possession of such a weapon.

4. The provisions of this section apply to a child care facility located at or in the home of a natural person only during the normal hours of business of the facility.

5. For the purposes of this section:
   (a) "Firearm" includes
(1) Any device used to mark the clothing of a person with paint or any other substance; and

(2) Any device from which a metallic projectile, including any ball bearing or pellet, may be expelled by means of spring, gas, air or other force.

(b) "Nunchaku" has the meaning ascribed to it in NRS 202.350.

Legislative Counsel’s Digest:

Existing law provides that a covenant, restriction or condition in a deed, contract or other legal instrument cannot unreasonably restrict the use of a system for obtaining solar or wind energy. (NRS 111.239, 278.0208) Sections 1 and 21.5 of this bill provide that the only restriction on the use of such a system is with respect to color in certain circumstances.

Section 1.3 of this bill provides additional ethical requirements for members of an executive board by requiring a member who stands to gain any personal profit or compensation from a matter before the executive board to disclose the matter to the executive board and to abstain from voting on the matter. (NRS 116.31185, 116.31187)

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the State or local governments for public use. (NRS 116.350) Section 1.4 of this bill prohibits a common-interest community from restricting the operation of motorcycles. Section 1.6 of this bill prohibits a common-interest community from using information from radar guns as the basis for a fine or penalty.

Section 1.7 of this bill: (1) states that the provisions of chapter 116 of NRS do not invalidate or modify the tariffs, rules and standards of a public utility; and (2) provides that the governing documents of an association must be consistent and not conflict with the tariffs, rules and standards of a public utility.

Under existing law, a common-interest community created before January 1, 1992, and a common-interest community, with a declaration so providing, that consists of at least 1,000 units, may have the voting rights of the units’ owners in the association for that common-interest community be exercised by delegates or representatives. (NRS 116.1201, 116.31105) Sections 2.3 and 3.5-4.7 of this bill prohibit the use of delegates or representatives to exercise the voting rights of units’ owners in the election or removal of a member of the executive board. However, a master association which governs a time-share plan created pursuant to chapter 119A of NRS is allowed to continue using delegates or representatives to exercise the voting rights of owners of time shares.

Section 3.3 of this bill prohibits an association from imposing an assessment against property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sections 4, 8, 12-14 and 16-21 of this bill eliminate the issuance of permits to reserve study specialists and instead provide for their registration. (NRS 116.31038, 116.750, 116A.120, 116A.260 and 116A.420-116A.900)
[Sections 6.3 and] Section 6.7 of this bill provides that if the annual budget of an association is less than $40,000, then the association is not required to use a certified public accountant to prepare, present, or review certain financial statements. (NRS 116.31142, 116.31144)

Section 8 of this bill provides that an association which contains 20 or fewer units and which is located in a county whose population is 45,000 or less is not required to use a registered reserve study specialist to conduct the study of reserves of the association. (NRS 116.31152)

Existing law requires certain signatures before money in the reserve account of an association may be withdrawn. (NRS 116.31153) Section 9.2 of this bill also requires certain signatures before money in the operating account of an association may be withdrawn.

Existing law provides for an association to have a lien on a unit for any construction penalty, assessment or fine imposed against the unit's owner which may later be foreclosed upon. (NRS 116.3116) Section 9.4 of this bill requires an association to obtain approval from the Commission on Common-Interest Communities before attempting to foreclose its lien. The Commission must approve the foreclosure of the lien if the association has followed certain procedures. In addition, section 9.6 of this bill changes existing law to provide that the sale of a unit as a result of a foreclosure of a lien is subject to an equity or right of redemption. (NRS 116.31166)

Section 9.8 of this bill provides that if an official publication contains the views or opinions of the association concerning an issue of official interest, the official publication must, upon request, provide equal space and equivalent exposure to opposing views and opinions. If an official publication contains information concerning a civil action or claim in which the association is a party, the official publication is not required to provide equal space to opposing views and opinions. In addition, section 9.8 provides that if an official publication contains any mention of a candidate or ballot question, the official publication must provide equal space in the same issue to the candidate or a representative of an organization which advocates the passage or defeat of the ballot question.

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by State or local governments for public use. (NRS 116.350) Section 10 of this bill further prohibits a common-interest community from restricting the parking of certain service vehicles, law enforcement vehicles and emergency services vehicles.

Section 11 of this bill deems deposits made in connection with the purchase or reservation of units from a person required to deliver a public offering statement placed in out-of-state escrow companies as being deposited in this State if the escrow holder has a legal right to conduct
business in the State, has a resident agent in this State and has consented to
the jurisdiction of the courts of this State. (NRS 116.411)

Existing law provides for the Commission to adopt regulations
concerning the issuance of certificates for community managers. (NRS
116A.410) Section 15.5 of this bill provides that the regulations must: (1)
require an applicant to post a bond in a form and in an amount
established by regulation; and (2) adopt a sliding scale for the amount of
the bond that is based upon the amount of money that applicants are
expected to control.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 111.239 is hereby amended to read as follows:

111.239 1. [Any] Except as otherwise provided in subsection 2, any
covenant, restriction or condition contained in a deed, contract or other legal
instrument which affects the transfer, sale or any other interest in real
property that prohibits or [unreasona] restricts the owner of the property
from using a system for obtaining solar or wind energy on his property is
void and unenforceable.

2. [For the purposes of this section, “unreasonably restricts the use of a
system for obtaining solar or wind energy” means placing a restriction or
requirement on the use of such a system which significantly decreases the
efficiency or performance of the system and does not allow for the use of an
alternative system at a comparable cost and with comparable efficiency and
performance.] A reasonable covenant, restriction or condition concerning
the color of such a system is enforceable so long as it does not prohibit the
owner from using [ Any] a standard color in which the system is made, does
not cost significantly more than another color and does not have the effect
of prohibiting the use of such a system.

Sec. 1.2. Chapter 116 of NRS is hereby amended by adding thereto the
provisions set forth as sections 1.3 to 1.7, inclusive, of this act.

Sec. 1.3. A member of an executive board who stands to gain any
personal profit or compensation of any kind from a matter before the
executive board shall:

1. Disclose the matter to the executive board; and
2. Abstain from voting on any such matter.

Sec. 1.4. 1. The executive board of a common-interest community
shall not, and the governing documents of a common-interest community
must not, restrict, prohibit or otherwise impede the operation of a
motorcycle if the motorcycle is operated on any road, street, alley or other
surface intended for use by a motor vehicle.

2. The provisions of this section do not preclude the governing
documents of a common-interest community from reasonably restricting
the parking or storage of a motorcycle to the extent authorized by law.
3. As used in this section, “motorcycle” means every motor vehicle designed to travel on not more than three wheels in contact with the ground which is required to be registered pursuant to chapter 482 of NRS.

Sec. 1.6. 1. A member of the executive board of a common-interest community, a community manager for the common-interest community and any other representative of the association shall not use a radar gun or other device designed to gauge the speed of a vehicle for the purpose of imposing any fine or other penalty upon or taking any other action against a unit’s owner or other person.

2. The executive board of a common-interest community shall not impose any fine or other penalty upon or take any other action against a unit’s owner or other person based on the results of any test conducted using a radar gun or other device designed to gauge the speed of a vehicle.

3. The governing documents of a common-interest community must not authorize the executive board or any other person to impose any fine or other penalty upon or take any other action against a unit’s owner or other person based on the results of any test conducted using a radar gun or other device designed to gauge the speed of a vehicle.

Sec. 1.7. 1. The provisions of this chapter do not invalidate or modify the tariffs, rules and standards of a public utility.

2. The governing documents of an association must be consistent and not conflict with the tariffs, rules and standards of a public utility. Any provision of the governing documents which conflicts with the tariffs, rules and standards of a public utility is void and may not be enforced against a purchaser.

3. As used in this section, “public utility” has the meaning ascribed to it in NRS 704.020.

Sec. 1.8. (Deleted by amendment.)

Sec. 2. (Deleted by amendment.)

Sec. 2.3. NRS 116.1201 is hereby amended to read as follows:

(d) A common-interest community that was created before January 1, 1992, is located in a county whose population is less than 50,000, and has less than 50 percent of the units within the community put to residential use, unless a majority of the units’ owners otherwise elect in writing.

2. Except for NRS 116.3104, 116.31043, 116.31046 and 116.31138, the provisions of NRS 116.3101 to 116.350, inclusive, and section 1.3 of this act, and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that such definitions are necessary in construing any of those provisions, apply to a residential planned community containing more than six units.

Sec. 3. (Deleted by amendment.)

Sec. 3.3. NRS 116.3102 is hereby amended to read as follows:

2. Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community.

(t) Exercise any other powers necessary and proper for the governance and operation of the association.
2. The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

3. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 3.5. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, at least a majority of whom must be units’ owners. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 2 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

   (b) Members of the executive board who serve a term of 1 year or less.

4. Each unit’s owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Each person whose name is placed on the ballot as a candidate for a member of the executive board must:
   (a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and
(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his candidacy information. The association shall distribute the disclosures to each member of the association with the ballot in the manner established in the bylaws of the association.

6. Unless a person is appointed by the declarant:

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:
(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and
(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

8. [The] Except as otherwise provided in NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot unless the declaration of the association provides that voting rights may be exercised by delegates or representatives as set forth in NRS 116.31105. If the election of any member of the executive board is conducted by secret written ballot, in the following manner:
(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.
(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

c) A quorum is not required for the election of any member of the executive board.

d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

9. Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 3.7. NRS 116.31036 is hereby amended to read as follows:

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section the number of votes cast in favor of removal constitutes:

(a) At least 35 percent of the total number of voting members of the association; and

(b) At least a majority of all votes cast in that removal election.

2. Except as otherwise provided in NRS 116.31105, the removal of any member of the executive board must be conducted by secret written ballot in the following manner:

d) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his role as a member of the board, the association shall indemnify him for his losses or claims, and undertake all costs of defense, unless it is proven that he acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against the association, but may be recovered from persons whose activity gave rise to the damages.

4. The provisions of this section do not prohibit the Commission from taking any disciplinary action against a member of an executive board pursuant to NRS 116.745 to 116.795, inclusive.

Sec. 4. NRS 116.31038 is hereby amended to read as follows:

2. The financial statements must fairly and accurately report the association’s financial position.
3. A complete study of the reserves of the association, conducted by a person who is registered as a reserve study specialist pursuant to chapter 116A of NRS. At the time the control of the declarant ends, he shall:
   (a) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant’s share of the amounts then due, and control of the account. If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, he has failed to pay his share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.
   (b) Disclose, in writing, the amount by which he has subsidized the association’s dues on a per unit or per lot basis.
4. The association’s money or control thereof.
5. All of the declarant’s tangible personal property that has been represented by the declarant as property of the association or, unless the declarant has disclosed in the public offering statement that all such personal property used in the common-interest community will remain the declarant’s property, all of the declarant’s tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the common elements, and inventories of these properties.
6. A copy of any plans and specifications used in the construction of the improvements in the common-interest community which were completed within 2 years before the declaration was recorded.
7. All insurance policies then in force, in which the units’ owners, the association, or its directors and officers are named as insured persons.
8. Copies of any certificates of occupancy that may have been issued with respect to any improvements comprising the common-interest community other than units in a planned community.
9. Any renewable permits and approvals issued by governmental bodies applicable to the common-interest community which are in force and any other permits and approvals so issued and applicable which are required by law to be kept on the premises of the community.
10. Written warranties of the contractor, subcontractors, suppliers and manufacturers that are still effective.
11. A roster of owners and mortgagees of units and their addresses and telephone numbers, if known, as shown on the declarant’s records.
12. Contracts of employment in which the association is a contracting party.
13. Any contract for service in which the association is a contracting party or in which the association or the units’ owners have any obligation to pay a fee to the persons performing the services.

Sec. 4.3. NRS 116.3108 is hereby amended to read as follows:

116.3108 1. A meeting of the units’ owners must be held at least once each year. If the governing documents do not designate an annual meeting
date of the units’ owners, a meeting of the units’ owners must be held 1 year after the date of the last meeting of the units’ owners. If the units’ owners have not held a meeting for 1 year, a meeting of the units’ owners must be held on the following March 1.

2. Special meetings of the units’ owners may be called by the president, by a majority of the executive board or by units’ owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. The same number of units’ owners may also call a removal election pursuant to NRS 116.31036. To call a special meeting or a removal election, the units’ owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this section and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If the petition calls for a special meeting, the executive board shall set the date for the special meeting so that the special meeting is held not less than 15 days or more than 60 days after the date on which the petition is received. If the petition calls for a removal election and:

(a) The voting rights of the [units] owners of time shares will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 60 days after the date on which the petition is received; or

(b) The voting rights of the units’ owners will be exercised through the use of secret written ballots pursuant to NRS 116.31036, the secret written ballots for the removal election must be sent in the manner required by NRS 116.31036 not less than 15 days or more than 60 days after the date on which the petition is received, and the executive board shall set the date for the meeting to open and count the secret written ballots so that the meeting is held not more than 15 days after the deadline for returning the secret written ballots.

3. Not less than 15 days or more than 60 days in advance of any meeting of the units’ owners, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit’s owner to an electronic mail address designated in writing by the unit’s owner. The notice of the meeting must state the time and place of the meeting and include a copy of the agenda for the meeting. The notice must include notification of the right of a unit’s owner to:

   (b) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items. In an emergency, the units’ owners may take action on an item which is not listed on the agenda as an item on which action may be taken.
   (c) A period devoted to comments by units’ owners and discussion of those comments. Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner, a schedule of the fines that may be imposed for those violations.

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units’ owners. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes to be made available to the units’ owners. A copy of the minutes or a summary of the minutes must be provided to any unit’s owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit’s owner.

7. Except as otherwise provided in subsection 8, the minutes of each meeting of the units’ owners must include:
   (a) The date, time and place of the meeting;
   (b) The substance of all matters proposed, discussed or decided at the meeting; and
   (c) The substance of remarks made by any unit’s owner at the meeting if he requests that the minutes reflect his remarks or, if he has prepared written remarks, a copy of his prepared remarks if he submits a copy for inclusion.

9. The association shall maintain the minutes of each meeting of the units’ owners until the common-interest community is terminated.
10. A unit’s owner may record on audiotape or any other means of sound reproduction a meeting of the units’ owners if the unit’s owner, before recording the meeting, provides notice of his intent to record the meeting to the other units’ owners who are in attendance at the meeting.

11. The units’ owners may approve, at the annual meeting of the units’ owners, the minutes of the prior annual meeting of the units’ owners and the minutes of any prior special meetings of the units’ owners. A quorum is not required to be present when the units’ owners approve the minutes.

12. As used in this section, “emergency” means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;

Sec. 4.5. NRS 116.311 is hereby amended to read as follows:

116.311 1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.

2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit’s owner. A unit’s owner may give a proxy only to a member of his immediate family, a tenant of the unit’s owner who resides in the common-interest community, another unit’s owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit’s owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

3. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
   (c) The proxy must designate the meeting for which it is executed.
   (d) The proxy must designate each specific item on the agenda of the meeting for which the unit’s owner has executed the proxy, except that the unit’s owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining
whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit’s owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit’s owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit’s owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.

4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.

5. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association.

6. The holder of a proxy may not cast a vote on behalf of the unit’s owner who executed the proxy in a manner that is contrary to the proxy.

7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.

8. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units’ owners who have leased the units:

(a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units’ owners;

(b) The units’ owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units’ owners; and

(d) The units’ owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

Sec. 4.7. NRS 116.31105 is hereby amended to read as follows:

116.31105 1. If the declaration so provides, in a common-interest community that consists of at least 1,000 units, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives, except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.
2. In addition to a common-interest community identified in subsection 1, if the declaration so provides, in a common-interest community created before October 1, 1999, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.

Amendment No. 1026.

AN ACT relating to property; providing an exemption from execution for certain security deposits made to rent or lease a dwelling; [increasing the amount of the homestead exemption;] and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that, with certain exceptions, in a civil action in which damages were awarded, the prevailing party in the action may obtain a writ of execution to enforce the judgment at any time before the judgment expires. (NRS 21.010) Existing law exempts certain property from such a writ of execution up to a specified monetary value. (NRS 21.090) The addition, existing law protects from a forced sale up to $350,000 in equity of certain property which is designated as a homestead by a person, except in certain circumstances. (NRS 115.005, 115.010) Sections 2 and 4 of this bill increase the amount of equity protected in homestead property from $350,000 to $450,000. Section 2 [also] of this bill provides an additional exemption from execution for all money reasonably deposited with a landlord by the judgment debtor to secure an agreement to rent or lease a dwelling that is used as the judgment debtor’s primary residence.

Sections 1 and 3 of this bill revise the contents of a notice of writ of execution and a notice of writ of attachment to reflect the [changes authorized by] exemption added in section 2 of this bill. (NRS 21.075, 31.045)

PROCEDURE FOR CLAIMING EXEMPT PROPERTY

If you believe that the money or property taken from you is exempt or necessary for the support of you or your family, you must file with the clerk of the court on a form provided by the clerk a notarized affidavit claiming the exemption. A copy of the affidavit must be served upon the sheriff and the judgment creditor within 8 days after the notice of execution is mailed. The property must be returned to you within 5 days after you file the affidavit unless the judgment creditor files a motion for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The hearing must be held within 10 days after the motion for a hearing is filed.

IF YOU DO NOT FILE THE AFFIDAVIT WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS EXEMPT OR NECESSARY FOR THE SUPPORT OF YOU OR YOUR FAMILY.

Sec. 4. NRS 115.010 is hereby amended to read as follows:

115.010 1. The homestead is not subject to forced sale on execution or any final process from any court, except as otherwise provided by subsections 2, 3 and 5, and NRS 115.090 and except as otherwise required by federal law.

2. The exemption provided in subsection 1 extends only to that amount of equity in the property held by the claimant which does not exceed $450,000 in value, unless allodial title has been established and not relinquished, in which case the exemption provided in subsection 1 extends to all equity in the dwelling, its appurtenances and the land on which it is located.

3. Except as otherwise provided in subsection 4, the exemption provided in subsection 1 does not extend to process to enforce the payment of obligations contracted for the purchase of the property, or for improvements made thereon, including any mechanic’s lien lawfully obtained, or for legal taxes, or for:

(a) Any mortgage or deed of trust thereon executed and given, including, without limitation, any second or subsequent mortgage, mortgage obtained
through refinancing, line of credit taken against the property and a home equity loan; or

(b) Any lien to which prior consent has been given through the acceptance of property subject to any recorded declaration of restrictions, deed restriction, restrictive covenant or equitable servitude, specifically including any lien in favor of an association pursuant to NRS 116.3116 or 117.070, by both husband and wife, when that relation exists.

4. If allodial title has been established and not relinquished, the exemption provided in subsection 1 extends to process to enforce the payment of obligations contracted for the purchase of the property and for improvements made thereon, including any mechanic's lien lawfully obtained, and for legal taxes levied by a state or local government, and for:

(a) Any mortgage or deed of trust thereon; and

(b) Any lien even if prior consent has been given through the acceptance of property subject to any recorded declaration of restrictions, deed restriction, restrictive covenant or equitable servitude, specifically including any lien in favor of an association pursuant to NRS 116.3116 or 117.070, unless a waiver for the specific obligation to which the judgment relates has been executed by all allodial titleholders of the property.

5. Establishment of allodial title does not exempt the property from forfeiture pursuant to NRS 170.1156 to 170.119, inclusive, or 207.350 to 207.520, inclusive.

6. Any declaration of homestead which has been filed before July 1, 2005, shall be deemed to have been amended on that date by extending the homestead exemption commensurate with any increase in the amount of equity held by the claimant in the property selected and claimed for the exemption up to the amount permitted by law on that date, but the increase does not impair the right of any creditor to execute upon the property when that right existed before July 1, 2005. (Deleted by amendment.)

Sec. 5. NRS 115.050 is hereby amended to read as follows:

115.050 1. Whenever execution has been issued against the property of a party claiming the property as a homestead, and the creditor in the judgment makes an oath before the judge of the district court of the county in which the property is situated, that the amount of equity held by the claimant in the property exceeds, to the best of the creditor’s information and belief, the sum of $350,000, $450,000, the judge shall, upon notice to the debtor, appoint three disinterested and competent persons as appraisers to estimate and report as to the amount of equity held by the claimant in the property and, if the amount of equity exceeds the sum of $350,000, $450,000, determine whether the property can be divided so as to leave the property subject to the homestead exemption without material injury.

2. If it appears, upon the report, to the satisfaction of the judge that the property can be thus divided, he shall order the excess to be sold under execution. If it appears that the property cannot be thus divided, and the
amount of equity held by the claimant in the property exceeds the exemption allowed by this chapter, he shall order the entire property to be sold, and out of the proceeds the sum of [[$350,000]] [$450,000] to be paid to the defendant in execution, and the excess to be applied to the satisfaction on the execution.

No bid under [[$350,000]] [$450,000] may be received by the officer making the sale.

2. When the execution is against a husband or wife, the judge may direct the [[$350,000]] [$450,000] to be deposited in court, to be paid out only upon the joint receipt of the husband and wife, and the deposit possesses all the protection against legal process and voluntary disposition by either spouse as did the original homestead. (Deleted by amendment.)

Sec. 5.5. NRS 657.140 is hereby amended to read as follows:

657.140 1. Except as otherwise provided in subsection 2, a financial institution shall not include in any loan agreement a provision that allows the financial institution to recover, take, appropriate or otherwise apply as a setoff against any debt or liability owing to the financial institution under the loan agreement money from an account unrelated to the loan agreement to the extent the money is exempt from execution pursuant to paragraph [(x)] (y) of subsection 1 of NRS 21.090.

2. The provisions of subsection 1 do not apply to a provision in a loan agreement that specifically authorizes automatic withdrawals from an account.

3. The provisions of this section may not be varied by agreement and the rights conferred by this section may not be waived. Any provision included in an agreement that conflicts with this section is void.

4. As used in this section:

Bill read second time.
The following amendment was proposed by the Committee on Judiciary: Amendment No. 959.
SUMMARY—Enacts the Model Registered Agents Act. Makes various changes concerning agents for service of process and business entities. (BDR 7-460)

AN ACT relating to agents for service of process; business entities; enacting the Model Registered Agents Act; revising the provisions relating to the maintenance of a corporation’s records at its registered office; establishing provisions relating to the judgment and execution of a stockholder’s stock; requiring registered agents to verify certain information concerning the entities represented in certain circumstances; prohibiting registered agents from performing financial transactions in certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires certain entities to appoint and maintain a resident agent who is located in this State and upon whom all legal process and any notice may be served. (NRS 14.020) This bill changes the term resident agent to registered agent and establishes two types of registered agent, which are called commercial registered agents and noncommercial registered agents.

Section 32 of this bill allows an individual or an entity to become listed as a commercial registered agent by filing with the Secretary of State a statement containing certain information. Under section 31 of this bill, when an entity files with the Secretary of State the document which creates the entity, the entity must include in that document the name of the entity’s commercial registered agent, the name and address of the entity’s noncommercial registered agent or the title of a position with the entity if service of process is to be sent to the person holding that position. In addition, section 31 requires the entity to file a certificate of acceptance of appointment signed by the registered agent. (NRS 14.020)

Section 37 of this bill provides that any registered agent may resign from the representation of an entity by filing a statement of resignation for the entity and paying the fee required by section 29 of this bill. If a noncommercial registered agent wishes to resign from the representation of all entities, the agent must file a statement of resignation for each entity represented by the agent. However, under section 33 of this bill a commercial registered agent may resign from the representation of all entities by filing with the Secretary of State a termination statement and providing notice of the termination to each entity represented by the agent.

Existing law provides that if the name of a resident agent is changed because of certain actions, the resident agent must file a certificate with the Secretary of State and pay a $100 fee. (NRS 78.110, 80.070, 82.193, 86.235, 87.490, 88.331, 88A.540) Section 36 of this bill provides that if a commercial registered agent changes its name, address or type or jurisdiction
of organization, the agent must file with the Secretary of State a statement of change. The filing of this statement changes the registered agent information for each entity represented by the agent. Section 35 of this bill provides that if a noncommercial registered agent changes its name or address, the agent must file with the Secretary of State a statement of change for each entity represented by the agent.

Section 40.2 of this bill requires certain registered agents who represent entities that engage in business activities that are regulated pursuant to chapter 604A or 675 of NRS to verify that the entity they represent has the appropriate license from the Commissioner of Financial Institutions. In addition, section 40.2 prohibits a registered agent who represents such an entity from performing any financial transactions on behalf of the represented entity in his capacity as registered agent.

Section 40.4 of this bill authorizes the Commissioner of Financial Institutions to issue an order to a registered agent to cease and refrain from providing certain services if the represented entity does not have the required license. Section 40.4 further provides for an administrative fine of up to $1,000 against a registered agent who fails to comply with such an order.

Section 40.6 of this bill allows the Secretary of State to adopt regulations. Section 40.6 further authorizes the Secretary of State to seek to enjoin a registered agent from engaging in certain conduct.

Existing law allows certain actions with respect to entities to be filed in the district court of the county in which the office of the entity’s resident agent is located. (NRS 78.345, 78.630, 82.306, 82.471, 82.486, 92A.460, 92A.490) This bill provides that these actions must be brought in the district court of the county in which the entity’s principal office is located or, if the entity’s principal office is not located in this State, in the district court in Carson City.

Existing law allows a court to charge the interest of a partner in a partnership or limited partnership or a member of a limited-liability company for payment of an unsatisfied judgment under certain circumstances. (NRS 86.401, 87.280, 87.4342, 88.535) Section 43.5 of this bill provides that a court may charge a stockholder’s stock with payment of an unsatisfied judgment under certain circumstances.

Existing law establishes provisions relating to the maintenance of a corporation’s records at its registered office. (NRS 78.105) Section 49.5 of this bill requires certain records to be maintained for a period of 3 years by a new registered agent who replaces a previous registered agent.

Existing law provides that certain benefits and property may be exempt from execution. (NRS 21.075, 21.090, 31.045) Sections 171.2-171.6 of this bill provide that stock of certain corporations may be exempt from execution under certain circumstances.
Sections 184.7, 184.9 190.7 and 190.9 of this bill specifically authorize the Commissioner of Financial Institutions to investigate the business of a registered agent who represents a person licensed pursuant to chapter 604A or 675 of NRS. (NRS 604A.710, 604A.810, 675.380 and 675.430)

(b) If the entity does not have a commercial registered agent:
(1) The name and address of the entity’s noncommercial registered agent; or
(2) The title of an office or other position with the entity if service of process is to be sent to the person holding that office or position, and the address of the business office of that person.

2. The appointment of a registered agent pursuant to paragraph (a) or (b) of subsection 1 [is an affirmation by the represented entity that the agent has consented to serve as such] must be accompanied by a certificate of acceptance of the appointment by the registered agent.

Sec. 32. 1. An individual or a domestic or foreign entity may become listed as a commercial registered agent by filing with the Secretary of State
a commercial registered agent listing statement signed by or on behalf of the person which states:
(a) The name of the individual or the name, type and jurisdiction of organization of the entity;
(b) That the person is in the business of serving as a commercial registered agent in this State; and
(c) The address of a place of business of the person in this State to which service of process and other notice and documents being served on or sent to entities represented by it may be delivered.
2. If the name of a person filing a commercial registered agent listing statement is not distinguishable on the records of the Secretary of State from the name of another commercial registered agent listed under this section, the person must adopt a fictitious name that is distinguishable and use that name in its statement and when it does business in this State as a commercial registered agent. For the purposes of this subsection, a proposed name is not distinguishable from another name solely because one or the other contains distinctive lettering, a distinctive mark, a trademark or a trade name or any combination of these. The Secretary of State may adopt regulations that interpret the requirements of this subsection.
3. A commercial registered agent listing statement takes effect on filing.
4. The Secretary of State shall note the filing of the commercial registered agent listing statement in the index of filings maintained by the Secretary of State for each entity represented by the registered agent at the time of the filing. The statement has the effect of deleting the address of the registered agent from the registered agent filing of each of those entities.

Sec. 33. 1. A commercial registered agent may terminate its listing as a commercial registered agent by filing with the Secretary of State a commercial registered agent termination statement signed by or on behalf of the agent which states:
(a) The name of the agent as currently listed under section 32 of this act; and
(b) That the agent is no longer in the business of serving as a commercial registered agent in this State.
2. A commercial registered agent termination statement takes effect on the 31st day after the day on which it is filed.
3. The commercial registered agent shall promptly furnish each entity represented by it with notice in a record of the filing of the commercial registered agent termination statement.
4. When a commercial registered agent termination statement takes effect, the registered agent ceases to be an agent for service of process on each entity formerly represented by it. Termination of the listing of a commercial registered agent under this section does not affect any
contractual rights a represented entity may have against the agent or that the agent may have against the entity.

Sec. 34. 1. A represented entity may change the information currently on file under subsection 1 of this act by filing with the Secretary of State a statement of change signed on behalf of the entity which states:
   (a) The name of the entity; and
   (b) The information that is to be in effect as a result of the filing of the statement of change.

   2. The interest holders or governors of a domestic entity need not approve the filing of:
      (a) A statement of change under this section; or
      (b) A similar filing changing the registered agent or registered office of the entity in any other jurisdiction.

   3. [The appointment of a registered agent pursuant to subsection 1 is an affirmation by the represented entity that the agent has consented to serve as such.] If a filing made pursuant to subsection 1 results in a change of the registered agent of the represented entity, the filing must include the information required pursuant to section 31 of this act.

   4. A statement of change filed under this section takes effect on filing.

   5. Instead of using the procedures in this section, a represented entity may change the information currently on file under subsection 1 of section 31 of this act by amending its most recent registered agent filing in the manner provided by the laws of this State other than this chapter for amending that filing.

Sec. 35. 1. If a noncommercial registered agent changes its name or its address as currently in effect with respect to a represented entity pursuant to subsection 1 of section 31 of this act, the agent shall file with the Secretary of State, with respect to each entity represented by the agent, a statement of change signed by or on behalf of the agent which states:
   (a) The name of the entity;
   (b) The name and address of the agent as currently in effect with respect to the entity;
   (c) If the name of the agent has changed, its new name; and
   (d) If the address of the agent has changed, the new address.

   2. A statement of change filed under this section takes effect on filing.

   3. A noncommercial registered agent shall promptly furnish the represented entity with notice in a record of the filing of a statement of change and the changes made by the filing.

Sec. 36. 1. If a commercial registered agent changes its name, its address as currently listed under subsection 1 of section 32 of this act or its type or jurisdiction of organization, the agent shall file with the Secretary of State a statement of change signed by or on behalf of the agent which states:
(a) The name of the agent as currently listed under subsection 1 of section 32 of this act;
(b) If the name of the agent has changed, its new name;
(c) If the address of the agent has changed, the new address; and
(d) If the type or jurisdiction of organization of the agent has changed, the new type or jurisdiction of organization.

2. The filing of a statement of change under subsection 1 is effective to change the information regarding the commercial registered agent with respect to each entity represented by the agent.

3. A statement of change filed under this section takes effect on filing.

4. A commercial registered agent shall promptly furnish each entity represented by it with notice in a record of the filing of a statement of change relating to the name or address of the agent and the changes made by the filing.

5. If a commercial registered agent changes its address without filing a statement of change as required by this section, the Secretary of State may cancel the listing of the agent under section 32 of this act. A cancellation under this subsection has the same effect as a termination under section 33 of this act. Promptly after cancelling the listing of an agent, the Secretary of State shall serve notice in a record on the:

(a) Governors of each entity represented by the agent, stating that the agent has ceased to be an agent for service of process on the entity and that, until the entity appoints a new registered agent, service of process may be made in the manner provided by NRS 14.030; and
(b) Agent, stating that the listing of the agent has been cancelled under this section.

Sec. 37. 1. A registered agent may resign at any time with respect to a represented entity by filing with the Secretary of State a statement of resignation signed by or on behalf of the agent which states:

(a) The name of the entity;
(b) The name of the agent;
(c) That the agent resigns from serving as agent for service of process for the entity; and
(d) The name and address of the person to which the agent will send the notice required by subsection 3.

2. A statement of resignation takes effect on the earlier of the 31st day after the day on which it is filed or the appointment of a new registered agent for the represented entity.

3. The registered agent shall promptly furnish the represented entity with notice in a record of the date on which a statement of resignation was filed.

4. When a statement of resignation takes effect, the registered agent ceases to have responsibility for any matter tendered to it as agent for the represented entity. A resignation under this section does not affect any
contractual rights the entity may have against the agent or that the agent may have against the entity.

5. A registered agent may resign with respect to a represented entity whether or not the entity is in good standing.

Sec. 38. 1. A domestic entity that is not a filing entity or a nonqualified foreign entity may file with the Secretary of State a statement appointing an agent for service of process signed on behalf of the entity which includes, without limitation:
(a) The name, type and jurisdiction of organization of the entity; and
(b) The information required by subsection 1 of section 31 of this act.

2. A statement appointing an agent for service of process takes effect on filing.

3. The appointment of a registered agent under this section does not qualify a nonqualified foreign entity to do business in this State and is not sufficient alone to create personal jurisdiction over the nonqualified foreign entity in this State.

4. A statement appointing an agent for service of process may not be rejected for filing because the name of the entity filing the statement is not distinguishable on the records of the Secretary of State from the name of another entity appearing in those records. The filing of a statement appointing an agent for service of process does not make the name of the entity filing the statement unavailable for use by another entity.

5. An entity that has filed a statement appointing an agent for service of process may cancel the statement by filing a statement of cancellation, which shall take effect upon filing, and must state the name of the entity and that the entity is cancelling its appointment of an agent for service of process in this State. A statement appointing an agent for service of process, which has not been cancelled earlier, is effective for a period of 5 years after the date of filing.

6. A statement appointing an agent for service of process for a nonqualified foreign entity terminates automatically on the date the entity becomes a qualified foreign entity.

Sec. 39. A registered agent is an agent of the represented entity authorized to receive service of any process, notice or demand required or permitted by law to be served on the entity.

Sec. 40. The only duties under this chapter required of a registered agent who has complied with this chapter are:
1. To forward to the represented entity at the address most recently supplied to the agent by the entity any process, notice or demand that is served on the agent;
2. To provide the notices required by this chapter to the entity at the address most recently supplied to the agent by the entity;
3. If the agent is a noncommercial registered agent, to keep current the information required by subsection 1 of section 31 of this act in the most recent registered agent filing for the entity; and

4. If the agent is a commercial registered agent, to keep current the information listed for it under subsection 1 of section 32 of this act.

Sec. 40.2. 1. If a registered agent knows or reasonably should know that the entity for which he is the registered agent engages in any business activity that is regulated pursuant to chapter 604A or 675 of NRS and the registered agent or a subsidiary or affiliate of the registered agent performs any service for the represented entity other than:

(a) Delivering documents for filing to state or local governmental entities;

(b) Forwarding unopened mail;

(c) Any service described in section 40 of this act;

(d) Accounting services incidental to the formation of the entity for which he serves as registered agent provided in accordance with chapter 628 of NRS; or

(e) Legal services incidental to the formation of the entity for which he serves as registered agent if he is an attorney who is licensed to practice law in this State or performs such services under the supervision of an attorney who is licensed to practice law in this State,

the registered agent shall verify with the Division of Financial Institutions of the Department of Business and Industry that the person is licensed pursuant to chapter 604A or 675 of NRS, as applicable.

2. If a registered agent determines pursuant to subsection 1 that the represented entity is not licensed as required pursuant to chapter 604A or 675 of NRS, the registered agent shall notify the Commissioner of Financial Institutions.

3. A registered agent who accepts an appointment to act as the registered agent for a represented entity whom the registered agent knows or reasonably should know engages in business activities which are regulated pursuant to chapter 604A or 675 of NRS shall not perform any financial transactions on behalf of the represented entity in his capacity as registered agent.

Sec. 40.4. 1. If the Commissioner of Financial Institutions determines, after investigation, that a represented entity of a registered agent has failed to comply with the provisions of chapter 604A or 675 of NRS, the Commissioner may issue an order to the registered agent to cease and refrain from providing all services for the represented entity other than those services set forth in section 40 of this act.

2. A registered agent who receives an order pursuant to subsection 1 shall immediately notify the represented entity. The represented entity shall be deemed to have received the order on the date that it is received by the registered agent.
3. Any contract between a registered agent, its subsidiary or affiliate and the represented entity entered into on or after July 1, 2007, shall be deemed to include a provision that provides for the termination of the contract or agreement without liability to the registered agent, its subsidiary or affiliate, upon the issuance of an order issued pursuant to this section, except for any agreement for the provision of the services set forth in section 40 of this act. Any provision of a contract which conflicts with this subsection is void. Failure to include such a provision in a contract is not a defense in an action brought to enforce or terminate the contract.

4. An order issued pursuant to subsection 1 is a final decision for the purposes of judicial review pursuant to chapter 233B of NRS. A registered agent shall comply with any such order pending judicial review.

5. If the Commissioner of Financial Institutions finds that a registered agent has failed to comply with an order issued pursuant to this section, the Commissioner may impose an administrative fine of not more than $1,000 upon the registered agent. Any fine collected pursuant to this section must be deposited with the State Treasurer for credit to the State General Fund.

Sec. 40.6. 1. The Secretary of State may adopt such regulations as he deems necessary to carry out and ensure compliance with the provisions of this chapter and any other provision of law which governs the conduct of registered agents.

2. Upon application of the Secretary of State, the district court may enjoin any person from serving as a registered agent or as an officer, director or managing agent of a registered agent if the court finds that:
   (a) The registered agent failed to comply with any provision of law governing the conduct of registered agents after reasonable notice and an opportunity to correct the failure; or
   (b) The registered agent engaged in conduct in his capacity as registered agent that was intended to deceive or defraud the public or to promote illegal activities.

Sec. 41. The appointment or maintenance in this State of a registered agent does not by itself create the basis for personal jurisdiction over the represented entity in this State. The address of the agent does not determine venue in an action or proceeding involving the entity.

Sec. 42. In applying and construing this chapter, consideration must be given to the need to promote consistency of the law with respect to its subject matter among states that enact it.

Sec. 43. This chapter modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersede Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).

Sec. 43.5. Chapter 78 of NRS is hereby amended by adding thereto a new section to read as follows:
1. On application to a court of competent jurisdiction by a judgment creditor of a stockholder, the court may charge the stockholder’s stock with payment of the unsatisfied amount of the judgment with interest. To the extent so charged, the judgment creditor has only the rights of an assignee of the stockholder’s stock.

2. This section:
   (a) Applies only to a corporation that:
      (1) Has more than 1 but fewer than 75 stockholders of record at any time.
      (2) Is not a subsidiary of a publicly traded corporation, either in whole or in part.
      (3) Is not a professional corporation, as defined in NRS 89.020.
   (b) Does not apply to any liability of a stockholder that exists as the result of an action filed before July 1, 2007.
   (c) Provides the exclusive remedy by which a judgment creditor of a stockholder or an assignee of a stockholder may satisfy a judgment out of the stockholder’s stock of the corporation.
   (d) Does not deprive any stockholder of the benefit of any exemption applicable to the stockholder’s stock.
   (e) Does not supersede any private agreement between a stockholder and a creditor.

Sec. 44. NRS 78.010 is hereby amended to read as follows:

Sec. 45. NRS 78.030 is hereby amended to read as follows:

78.030 1. One or more persons may establish a corporation for the transaction of any lawful business, or to promote or conduct any legitimate object or purpose, pursuant and subject to the requirements of this chapter, by:

(a) Signing and filing in the Office of the Secretary of State articles of incorporation; and

(b) Filing a certificate of acceptance of appointment, signed by the resident agent of the corporation, in the Office of the Secretary of State.

2. The articles of incorporation must be as provided in NRS 78.035, and the Secretary of State shall require them to be in the form prescribed. If any articles are defective in this respect, the Secretary of State shall return them for correction.

Sec. 46. NRS 78.035 is hereby amended to read as follows:

78.035 1. The name of the corporation. A name appearing to be that of a natural person and containing a given name or initials must not be used as a corporate name except with an additional word or words such as "Incorporated," "Limited," "Inc.," "Ltd.," "Company," "Co.," "Corporation," "Corp.," or other word which identifies it as not being a natural person.

2. The name of the person designated as the corporation's resident agent, the street address of the resident agent where process may be served upon the corporation, and the mailing address of the resident agent if different from the street address, information required by subsection 1 of this act.

From the date the articles are filed, the corporation is a body corporate, by the name set forth in the articles of incorporation, subject to the forfeiture of its charter or dissolution as provided in this chapter.

2. Neither an incorporator nor a director designated in the articles of incorporation thereby becomes a subscriber or stockholder of the corporation.

3. The filing of the articles of incorporation does not, by itself, constitute commencement of business by the corporation.

Sec. 48. NRS 78.090 is hereby amended to read as follows:

78.090 1. Except during any period of vacancy described in NRS 78.097, every corporation must have a [resident] registered agent who resides or is located in this State. Notwithstanding the provisions of section 30 of this act, each registered agent must have a street address for the receiving service of process, which is the registered office of the corporation in this State. If the registered agent is in the business of acting as a registered agent for more than one business entity, the physical street address of the registered office must be in a location for which such use is not prohibited by any local ordinance. 4. All legal process and any demand or notice authorized by law to be served upon a corporation may be served upon the resident registered agent of the corporation in the manner provided in subsection 2 of NRS 14.020. If any demand, notice or legal process, other than a summons and complaint, cannot be served upon the resident registered agent, it may be served in the manner provided in NRS 14.030. These manners and modes of service are in addition to any other service authorized by law.

Sec. 49. NRS 78.097 is hereby amended to read as follows:

78.097 1. A resident agent who desires to resign shall file with the Secretary of State a signed statement, on a form provided by the Secretary of State, for each artificial person formed, organized, registered or qualified pursuant to the provisions of this title that he is unwilling to continue to act as the resident agent of the artificial person for the service of process. The fee for filing a statement of resignation is $100 for the first artificial person for whom the resident agent is unwilling to continue to act as the agent and $1 for each additional artificial person listed on the statement of resignation. A resignation is not effective until the signed statement is filed with the Secretary of State.

2. The statement of resignation may contain a statement of the affected corporation appointing a successor resident agent for that corporation. A certificate of acceptance signed by the new resident agent, stating the full name, complete street address and, if different from the street address, mailing address of the new resident agent, must accompany the statement appointing a successor resident agent.

3. Upon the filing of the statement of resignation with the Secretary of State the capacity of the resigning person as resident agent terminates. If the statement of resignation contains no statement by the corporation appointing a successor resident agent, the resigning resident agent shall immediately give written notice, by mail, to the corporation of the filing of the statement and its effect. The notice must be addressed to any officer of the corporation other than the resident agent.

4. If a resident agent dies, resigns or removes from the State, registered agent resigns pursuant to section 37 of this act or if a commercial registered agent terminates its listing as a commercial registered agent pursuant to section 33 of this act, the corporation, within 30 days thereafter, before the effective date of the resignation or
termination, shall file with the Secretary of State a certificate of acceptance signed by the new resident agent. The certificate must set forth the full name and complete street address of the new resident agent for the service of process, and may have a separate mailing address, such as a post office box, which may be different from the street address.

5. A statement of change of registered agent pursuant to section 34 of this act.

2. A corporation that fails to file a certificate of acceptance signed by the new resident agent within 30 days after the death, resignation or removal of its former resident agent shall be deemed in default and is subject to the provisions of NRS 78.170 and 78.175.

3. As used in this section, “commercial registered agent” has the meaning ascribed to it in section 5 of this act.

Sec. 49.5. NRS 78.105 is hereby amended to read as follows:

78.105 1. A corporation shall keep a copy of the following records at its registered office:

(a) A copy certified by the Secretary of State of its articles of incorporation, and all amendments thereto;

(b) A copy certified by an officer of the corporation of its bylaws and all amendments thereto;

(c) A stock ledger or a duplicate stock ledger, revised annually, containing the names, alphabetically arranged, of all persons who are stockholders of the corporation, showing their places of residence, if known, and the number of shares held by them respectively. In lieu of the stock ledger or duplicate stock ledger, the corporation may keep a statement setting out the name of the custodian of the stock ledger or duplicate stock ledger, and the present and complete mailing or street address where the stock ledger or duplicate stock ledger specified in this section is kept.

2. A stock ledger, duplicate stock ledger or statement setting out the name of the custodian of the stock ledger or duplicate stock ledger described in paragraph (c) of subsection 1 must be maintained by the registered agent of the corporation for 3 years following the resignation or termination of the registered agent or the dissolution of the corporation by the Secretary of State.

3. Any person who has been a stockholder of record of a corporation for at least 6 months immediately preceding his demand, or any person holding, or thereunto authorized in writing by the holders of, at least 5 percent of all of its outstanding shares, upon at least 5 days’ written demand is entitled to inspect in person or by agent or attorney, during usual business hours, the records required by subsection 1 and make copies therefrom. Holders of voting trust certificates representing shares of the corporation must be regarded as stockholders for the purpose of this subsection. Every corporation that neglects or refuses to keep the records required by subsection 1 open for inspection, as required in this subsection, shall forfeit to the State the sum of $25 for every day of such neglect or refusal.
If any corporation willfully neglects or refuses to make any proper entry in the stock ledger or duplicate copy thereof, or neglects or refuses to permit an inspection of the records required by subsection 1 upon demand by a person entitled to inspect them, or refuses to permit copies to be made therefrom, as provided in subsection 3, the corporation is liable to the person injured for all damages resulting to him therefrom.

When the corporation keeps a statement in the manner provided for in paragraph (c) of subsection 1, the information contained thereon must be given to any stockholder of the corporation demanding the information, when the demand is made during business hours. Every corporation that neglects or refuses to keep a statement available, as in this subsection required, shall forfeit to the State the sum of $25 for every day of such neglect or refusal.

In every instance where an attorney or other agent of the stockholder seeks the right of inspection, the demand must be accompanied by a power of attorney signed by the stockholder authorizing the attorney or other agent to inspect on behalf of the stockholder.

The right to copy records under subsection 2 includes, if reasonable, the right to make copies by photographic, xerographic or other means.

The corporation may impose a reasonable charge to recover the costs of labor and materials and the cost of copies of any records provided to the stockholder.

Sec. 50. NRS 78.150 is hereby amended to read as follows:

78.150 1. A corporation organized pursuant to the laws of this State shall, on or before the last day of the first month after the filing of its articles of incorporation with the Secretary of State, file with the Secretary of State a list, on a form furnished by him, containing:
(a) The name of the corporation;
(b) The file number of the corporation, if known;
(c) The names and titles of the president, secretary and treasurer, or the equivalent thereof, and of all the directors of the corporation;
(d) The address, either residence or business, of each officer and director listed, following the name of the officer or director;
(e) The name and address of the lawfully designated resident agent of the corporation in this State; and
(f) The signature of an officer of the corporation certifying that the list is true, complete and accurate.

2. The corporation shall annually thereafter, on or before the last day of the month in which the anniversary date of incorporation occurs in each year, file with the Secretary of State, on a form furnished by him, an annual list containing all of the information required in subsection 1.

3. Each list required by subsection 1 or 2 must be accompanied by:
(a) A declaration under penalty of perjury that the corporation:
(1) Has complied with the provisions of NRS 360.780; and

(2) Acknowledges that pursuant to NRS 239.330, it is a category C felony to knowingly offer any false or forged instrument for filing with the Office of the Secretary of State.

(b) A statement as to whether the corporation is a publicly traded company. If the corporation is a publicly traded company, the corporation must list its Central Index Key. The Secretary of State shall include on his Internet website the Central Index Key of a corporation provided pursuant to this paragraph and instructions describing the manner in which a member of the public may obtain information concerning the corporation from the Securities and Exchange Commission.

4. Upon filing the list required by:
   (a) Subsection 1, the corporation shall pay to the Secretary of State a fee of $125.
   (b) Subsection 2, the corporation shall pay to the Secretary of State, if the amount represented by the total number of shares provided for in the articles is:
       $75,000 or less .......................................................... $125
       Over $75,000 and not over $200,000 ........................................... 175
       Over $200,000 and not over $500,000 ...................................... 275
       Over $500,000 and not over $1,000,000 .................................... 375
       Over $1,000,000:
       For the first $1,000,000 .......................................................... 375

certificate of trust occurred only by reason of the failure to file the list or pay
the fees and penalties.

4. If a certificate of business trust has been revoked pursuant to the
provisions of this chapter and has remained revoked for a period of 5
consecutive years, the certificate must not be reinstated.

6. If the list to be filed pursuant to the provisions of subsection 1 is
defective or the fee required by subsection 3 is not paid, the Secretary of

Sec. 164. Chapter 92A of NRS is hereby amended by adding thereto a new section to read as follows:

“Principal office” has the meaning ascribed to it in NRS 78.010.

Sec. 165. NRS 92A.005 is hereby amended to read as follows:

Sec. 166. NRS 92A.205 is hereby amended to read as follows:

92A.205 1. After a plan of conversion is approved as required by this chapter, if the resulting entity is a domestic entity, the constituent entity shall deliver to the Secretary of State for filing:

(a) Articles of conversion setting forth:

(1) The name and jurisdiction of organization of the constituent entity and the resulting entity; and

(2) That a plan of conversion has been adopted by the constituent entity in compliance with the law of the jurisdiction governing the constituent entity.

(b) The charter document of the domestic resulting entity required by the applicable provisions of chapter 78, 78A, 82, 86, 88, 88A or 89 of NRS.

(c) [A certificate of acceptance of appointment of a resident agent for the resulting entity which is signed by the resident agent.] The information required pursuant to section 31 of this act.

(a) The name and jurisdiction of organization of the constituent entity and the resulting entity;

(b) That a plan of conversion has been adopted by the constituent entity in compliance with the laws of this State; and
(c) The address of the resulting entity where copies of process may be sent by the Secretary of State.

3. If the entire plan of conversion is not set forth in the articles of conversion, the filing party must include in the articles of conversion a statement that the complete signed plan of conversion is on file at the registered office or principal place of business of the resulting entity or, if the resulting entity is a domestic limited partnership, the office described in paragraph (a) of subsection 1 of NRS 88.330.

4. If the conversion takes effect on a later date specified in the articles of conversion pursuant to NRS 92A.240, the charter document to be filed with the Secretary of State pursuant to paragraph (b) of subsection 1 must state the name and the jurisdiction of the constituent entity and that the existence of the resulting entity does not begin until the later date.

5. Any records filed with the Secretary of State pursuant to this section must be accompanied by the fees required pursuant to this title for filing the charter document.

Sec. 167. NRS 92A.270 is hereby amended to read as follows:

92A.270 1. Any undomesticated organization may become domesticated in this State as a domestic entity by:

(a) Paying to the Secretary of State the fees required pursuant to this title for filing the charter document; and

(b) Filing with the Secretary of State:

(1) Articles of domestication which must be signed by an authorized representative of the undomesticated organization approved in compliance with subsection 6; and

(2) The appropriate charter document for the type of domestic entity; and

(3) [A certificate of acceptance of appointment of a resident agent for the domestic entity which is signed by the resident agent.]

The information required pursuant to section 31 of this act.

2. The articles of domestication must set forth the:

(a) Date when and the jurisdiction where the undomesticated organization was first formed, incorporated, organized or otherwise created;

(b) Name of the undomesticated organization immediately before filing the articles of domestication;

(c) Name and type of domestic entity as set forth in its charter document pursuant to subsection 1; and

(d) Jurisdiction that constituted the principal place of business or central administration of the undomesticated organization, or any other equivalent thereto pursuant to applicable law, immediately before filing the articles of domestication.

3. Upon filing the articles of domestication and the charter document with the Secretary of State, and the payment of the requisite fee for filing the charter document of the domestic entity, the undomesticated organization is
domesticated in this State as the domestic entity described in the charter
document filed pursuant to subsection 1. The existence of the domestic entity
begins on the date the undomesticated organization began its existence in the
jurisdiction in which the undomesticated organization was first formed, incorporated, organized or otherwise created.

4. The domestication of any undomesticated organization does not affect
any obligations or liabilities of the undomesticated organization incurred
before its domestication.

5. The filing of the charter document of the domestic entity pursuant to
subsection 1 does not affect the choice of law applicable to the
undomesticated organization. From the date the charter document of the
domestic entity is filed, the law of this State applies to the domestic entity
to the same extent as if the undomesticated organization was organized and
created as a domestic entity on that date.

6. Before filing articles of domestication, the domestication must be
approved in the manner required by:

(a) The document, instrument, agreement or other writing governing the
internal affairs of the undomesticated organization and the conduct of its
business; and

(b) Applicable foreign law.

7. When a domestication becomes effective, all rights, privileges and
powers of the undomesticated organization, all property owned by the
undomesticated organization, all debts due to the undomesticated
organization, and all causes of action belonging to the undomesticated
organization are vested in the domestic entity and become the property of the
domestic entity to the same extent as vested in the undomesticated
organization immediately before domestication. The title to any real property
vested by deed or otherwise in the undomesticated organization is not
reverted or impaired by the domestication. All rights of creditors and all liens
upon any property of the undomesticated organization are preserved
unimpaired and all debts, liabilities and duties of an undomesticated
organization that has been domesticated attach to the domestic entity
resulting from the domestication and may be enforced against it to the same
extent as if the debts, liability and duties had been incurred or contracted by
the domestic entity.

8. When an undomesticated organization is domesticated, the domestic
entity resulting from the domestication is for all purposes deemed to be the
same entity as the undomesticated organization. Unless otherwise agreed by
the owners of the undomesticated organization or as required pursuant to
applicable foreign law, the domestic entity resulting from the domestication
is not required to wind up its affairs, pay its liabilities or distribute its assets.
The domestication of an undomesticated organization does not constitute the
dissolution of the undomesticated organization. The domestication
constitutes a continuation of the existence of the undomesticated organization
in the form of a domestic entity. If, following domestication, an
undomesticated organization that has become domesticated pursuant to this
section continues its existence in the foreign country or foreign jurisdiction in
which it was existing immediately before the domestication, the domestic
entity and the undomesticated organization are for all purposes a single entity
formed, incorporated, organized or otherwise created and existing pursuant to
the laws of this State and the laws of the foreign country or other foreign
jurisdiction.
9. As used in this section, “undomesticated organization” means any
incorporated organization, private law corporation, whether or not organized
for business purposes, public law corporation, general partnership, registered
limited-liability partnership, limited partnership or registered limited-liability
limited partnership, proprietorship, joint venture, foundation, business trust,
real estate investment trust, common-law trust or any other unincorporated
business formed, organized, created or the internal affairs of which are
governed by the laws of any foreign country or jurisdiction other than the
United States, the District of Columbia or another state, territory, possession,
commonwealth or dependency of the United States.
Sec. 168. NRS 92A.460 is hereby amended to read as follows:

If a demand for payment remains unsettled, the subject corporation shall commence a proceeding within 60 days after receiving the demand and petition the court to determine the fair value of the shares and accrued interest. If the subject corporation does not commence the proceeding within the 60-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

2. A subject corporation shall commence the proceeding in the district court of the county where its principal office is located. If the principal office of the subject corporation is not located in the State, it shall commence the proceeding in the county where the principal office of the domestic corporation merged with or whose shares were acquired by the foreign entity was located. 3. The subject corporation shall make all dissenters, whether or not residents of Nevada, whose demands remain unsettled, parties to the proceeding as in an action against their shares. All parties must be served with a copy of the petition. Nonresidents may be served by registered or certified mail or by publication as provided by law.

4. The jurisdiction of the court in which the proceeding is commenced under subsection 2 is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend a decision on the question of fair value. The appraisers have the powers described in the order appointing them, or any amendment thereto. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

5. Each dissenter who is made a party to the proceeding is entitled to a judgment:
   (a) For the amount, if any, by which the court finds the fair value of his shares, plus interest, exceeds the amount paid by the subject corporation; or
   (b) For the fair value, plus accrued interest, of his after-acquired shares for which the subject corporation elected to withhold payment pursuant to NRS 92A.470.

GENERAL FILE AND THIRD READING

Senate Bill No. 201.  
Bill read third time.  
The following amendment was proposed by Assemblywoman Kirkpatrick:  
Amendment No. 1028.

AN ACT relating to public works; authorizing a public body to contract with a construction manager at risk for the preconstruction and construction of a public work; setting forth the method for selecting a construction manager at risk; authorizing a public body to hire a construction manager as agent to assist the public body in overseeing the construction of a public work; requiring local governments to conduct a constructability review under certain circumstances before constructing certain public works; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:  
Sections 2-12 of this bill authorize a public body to enter into contracts with a construction manager at risk for the preconstruction and construction of a public work and provide the method for selecting a construction manager at risk. Under the construction manager at risk method for constructing a public work, a public body may enter into a contract for a negotiated price with a construction manager at risk to provide preconstruction services for the public work that include, without limitation, design support, construction estimating, value and system analysis and scheduling. After the public body has obtained the final design for the public work, the public body and the construction manager at risk are required to attempt to negotiate a contract for the construction manager at risk to construct the public work. If the public body and the construction manager at risk enter into such a contract, the contract must be for: (1) a guaranteed maximum price including the cost of the work plus a fee; (2) a fixed price; or (3) a fixed price plus reimbursement for overhead and other costs and expenses related to the construction of the public work.

Section 14 of this bill requires a local government or its authorized representative to conduct a constructability review to determine if the plans and specifications for a public work are complete and contain all necessary information, if: (1) such plans and specifications are to be used for the first
time on a public work; [or] and (2) such plans and specifications are for a public work that [is a building at least three stories in height] has an estimated cost which exceeds $10,000,000. This review must be performed by an architect registered pursuant to chapter 623 of NRS, a contractor licensed pursuant to chapter 624 of NRS or a professional engineer licensed pursuant to chapter 625 of NRS.

Sections 13 and 21 of this bill authorize a public body to employ a construction manager as agent to assist the public body in overseeing the construction of a public work. A construction manager as agent assists in the planning, scheduling and management of a public work without assuming any responsibility for the cost, quality or timely completion of the construction of the public work. A construction manager as agent is prohibited from taking part in the design or construction of the public work.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 14, inclusive, of this act.

Sec. 2. A public body may construct a public work by:
1. Selecting a construction manager at risk pursuant to the provisions of sections 4 to 8, inclusive, of this act; and
2. Entering into separate contracts with a construction manager at risk:
   (a) For preconstruction services, including, without limitation:
      (1) Assisting the public body in determining whether scheduling or design problems exist that would delay the construction of the public work;

pursuant to this section and section 3 of this act, the public body may not

If the public body is unable to negotiate a contract with the most qualified applicant at an amount of compensation that the public body and the most qualified applicant determine to be fair and reasonable, the public body shall terminate negotiations with that applicant. The public body may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached or a determination is made by the public body to reject all applicants.

2. A contract between a public body and a construction manager as agent is not required to be awarded by competitive bidding.

Sec. 14. 1. Assemblywoman Kirkpatrick moved the adoption of the amendment.

Amendment adopted.

Bill ordered reprinted, re-engrossed and to third reading.

Senate Bill No. 483.

Bill read third time.

Remarks by Assemblyman Anderson.

Assemblyman Anderson requested that his remarks be entered in the Journal.

The prepared remarks for this bill have already been read. The questions that have been raised have been partially answered, and the assurance from Rob Kim of the State Bar indicates that it is indeed the intention of this legislation to protect social security benefits necessary for the support of individuals from attachment by creditors. If it is necessary we will take care of it in other legislative manner because that was clearly the intent as presented to the committee—all social security benefits as is the current practice.
We are not stepping away from the current protection of social security benefits in any way. We have the assurance of both the State Bar and the Secretary of State’s office. That was the intent, and if that is not clear, we will make sure that it is clear.

Bill read third time.

The following amendment was proposed by Assemblyman Conklin:

Amendment No. 977.

AN ACT relating to deceptive trade practices; providing that the conducting of certain businesses or occupations without registering with the Consumer Affairs Division of the Department of Business and Industry is a deceptive trade practice; authorizing the Commissioner of Consumer Affairs to impose a fine on persons who engage in such a deceptive trade practice; providing that the rental, lease or sale of certain goods or services for an unconscionable price within a certain period before or during a state of emergency is a deceptive trade practice; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law defines a number of actions as deceptive trade practices that are punishable by the imposition of civil and criminal penalties. (NRS 598.0915-598.0925, 598.0971-598.0974, 598.0999) Section 2 of this bill provides that conducting a business or occupation that is required to be registered with the Consumer Affairs Division of the Department of Business and Industry without being so registered is a deceptive trade practice, and section 4 of this bill authorizes the Commissioner of Consumer Affairs to impose a fine on a person who engages in such a deceptive trade practice. Section 4.7 of this bill provides that renting, leasing or selling a consumer good or service that is vital to the public health, safety or welfare for an unconscionable price within 24 hours before or at any time during a state of emergency is a deceptive trade practice.

Existing law provides a private right of action for a person who is a victim of consumer fraud to recover damages. The term “consumer fraud” includes a deceptive trade practice. (NRS 41.600) Because unconscionable pricing during a state of emergency is made a deceptive trade practice, section 13 of this bill provides a person with this private right of action for such practices.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. Chapter 598 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 4.7, inclusive, of this act.

Sec. 2. A person engages in a “deceptive trade practice” if, in the course of his business or occupation, he is required to be registered with the Division pursuant to any provision of this chapter or NRS 599B.080 and he fails to be registered with the Division.

Sec. 3. “Division” means the Consumer Affairs Division of the Department of Business and Industry.

Sec. 4. 1. In addition to any other remedy or penalty, if a person engages in a deceptive trade practice, as defined in section 2 of this act, the Commissioner may impose a fine of:

(a) For the first violation, $100;  
(b) For the second violation, $250; and  
(c) For each subsequent violation, $500.

2. All money collected from fines imposed pursuant to this section must be deposited in the State General Fund.

Sec. 4.5. The Legislature finds and declares that:

1. Protecting the public from the economic practice commonly known as “price gouging” is a vital function of state government in providing for the public health, safety and welfare;

2. The pricing of consumer goods and services is generally best left to the marketplace in ordinary conditions, but when a state of emergency results in abnormal disruptions of the market, the public interest requires that excessive and unjustified increases in the prices of consumer goods and services be prohibited;

3. During a state of emergency the vulnerable persons of society are left even more vulnerable, and those with limited resources may find themselves without the ability to purchase even the most basic necessities such as potable water, food and medicine;

4. During a state of emergency, price is an inaccurate and ineffective manner of determining the needs of people, and price gouging serves only to discriminate against the poor and to encourage looting, human suffering and panic;

5. It is the intent of the Legislature in enacting section 4.7 of this act to protect consumers from excessive and unjustified increases in the prices charged within 24 hours before or at any time during a state of emergency for consumer goods and services that are vital to the public health, safety or welfare; and

6. As the provisions of this chapter are necessary to protect the public welfare, it is also the intent of the Legislature that the provisions of this chapter be liberally construed to effectuate its purposes.

Sec. 4.7. 1. Except as otherwise provided in subsection 2, a person engages in a “deceptive trade practice” if he rents, leases or sells or offers to rent, lease or sell a consumer good or service for an unconscionable price within 24 hours before or at any time during a state of emergency.
2. A person does not engage in a “deceptive trade practice” pursuant to subsection 1 if he rents, leases or sells or offers to rent, lease or sell a consumer good or service for a price that is approved by an appropriate government or governmental entity.

3. For the purposes of this section, it is prima facie evidence that a price for a consumer good or service is an unconscionable price if the price exceeds, by an amount equal to or greater than 25 percent:
   (a) The average price at which the consumer good or service was rented, leased or sold or offered for rent, lease or sale in the usual course of business in the same market area at the time of, or during the 30 days immediately preceding, the state of emergency;
   (b) The average price at which the consumer good or service was rented, leased or sold or offered for rent, lease or sale in the usual course of business in the immediately preceding calendar year during the same period to which the state of emergency applies.

4. For the purposes of this section, it is prima facie evidence that a price for a consumer good or service is not an unconscionable price if the net profit margin for the consumer good or service does not exceed, by an amount equal to or greater than 25 percent:
   (a) The net profit margin for the consumer good or service during the 30 days immediately preceding the state of emergency;
   (b) The net profit margin for the consumer good or service in the immediately preceding calendar year during the same period to which the state of emergency applies.

5. Except that the price may include an increase in price which reflects reasonable expenses and a charge for any attendant business risk in addition to the cost of the goods and services which are necessarily incurred in procuring the goods and services during the state of emergency.

4. The provisions of this section do not preempt the authority of a local government to adopt an ordinance relating to the price of a consumer good or service during a state of emergency.

5. As used in this section:
   (a) "Consumer good or service" means a good or service used, purchased or rendered primarily for personal, family or household purposes that is vital to the public health, safety or welfare. The term includes, without limitation, food for human consumption, food for domestic animals, clothing, shoes, ice, water, gas, electricity, heat, fuel of all kinds and building materials.
   (b) "State of emergency" means the period:
      (1) Beginning when the Governor or the Legislature proclaims a state of emergency or declaration of disaster either pursuant to NRS 414.070 or pursuant to a declaration of the President of the United States that a state of emergency exists in this State or any other state; and
(2) Ending when the Governor or the Legislature terminates the proclamation of a state of emergency - [for declaration of disaster or the President of the United States terminates the declaration of a state of emergency].

Sec. 5. NRS 598.0903 is hereby amended to read as follows:

598.0903 As used in NRS 598.0903 to 598.0999, inclusive, **and sections 2 to 4.7, inclusive, of this act**, unless the context otherwise requires, the words and terms defined in NRS 598.0905 to 598.0947, inclusive, **and sections 2, 3 and 4.7 of this act** have the meanings ascribed to them in those sections.

Sec. 5.5. NRS 598.0953 is hereby amended to read as follows:

598.0953 1. Evidence that a person has engaged in a deceptive trade practice is prima facie evidence of intent to injure competitors and to destroy or substantially lessen competition.

2. The deceptive trade practices listed in NRS 598.0915 to 598.0925, inclusive, **and sections 2 and 4.7 of this act** are in addition to and do not limit the types of unfair trade practices actionable at common law or defined as such in other statutes of this State.

Sec. 5.7. NRS 598.0955 is hereby amended to read as follows:

598.0955 1. The provisions of NRS 598.0903 to 598.0999, inclusive, **and sections 2 to 4.7, inclusive, of this act** do not apply to:

(a) Conduct in compliance with the orders or rules of, or a statute administered by, a federal, state or local governmental agency.

(b) Publishers, including outdoor advertising media, advertising agencies, broadcasters or printers engaged in the dissemination of information or reproduction of printed or pictorial matter who publish, broadcast or reproduce material without knowledge of its deceptive character.

(c) Actions or appeals pending on July 1, 1973.

2. The provisions of NRS 598.0903 to 598.0999, inclusive, **and sections 2 to 4.7, inclusive, of this act** do not apply to the use by a person of any service mark, trademark, certification mark, collective mark, trade name or other trade identification which was used and not abandoned prior to July 1, 1973, if the use was in good faith and is otherwise lawful except for the provisions of NRS 598.0903 to 598.0999, inclusive **and sections 2 to 4.7, inclusive, of this act**.

GENERAL FILE AND THIRD READING

Assembly Bill No. 510.
Bill read third time.
The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 1020.
AN ACT relating to offenders; revising provisions relating to the residential confinement of certain offenders; authorizing the Director of the Department of Corrections to award greater amounts of credit against the sentence of offenders under certain circumstances; revising provisions relating to programs for the reentry of offenders and parolees into the community; providing for certain credits to be applied to a period of probation; revising provisions governing residential confinement for offenders who violate parole or probation; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Section 2 of this bill eliminates certain requirements that an offender must meet to be eligible for residential confinement and revises the prohibition against assigning a prisoner who has been convicted of a sexual offense to residential confinement by prohibiting the Director of the Department of Corrections from assigning a prisoner to a minimum security facility if the prisoner has ever been convicted of a sexual offense that is a felony. In addition, section 2 revises a provision which prohibits an offender from receiving residential confinement if the offender has ever been convicted of a violent crime by prohibiting an offender from receiving residential confinement if the offender has, within the immediately preceding 3 years,
been convicted of a violent crime that is a felony. (NRS 209.392) Finally, section 2 provides that an offender who has been convicted of a category A or B felony is not eligible for residential confinement.

Existing law requires the Director to assign certain offenders who are abusers of alcohol or drugs to residential confinement. (NRS 209.429) Section 3 of this bill eliminates certain requirements that such an offender must meet for the Director to assign him to residential confinement.

Section 5 of this bill increases from 10 days to 20 days the deduction from the sentence of an offender who engages in certain good behavior. In addition, section 5 increases by 30 days the deductions from the sentence of an offender who obtains certain educational achievements. Section 5 also provides that certain credits to the sentence of an offender convicted of certain category C, D or E felonies must be deducted from the minimum term imposed by the sentence until the offender becomes eligible for parole and from the maximum term imposed by the sentence. (NRS 209.4465) Section 6 of this bill increases from 10 days to 20 days the deduction from the sentence of a parolee who is current with any fee to defray the cost of his supervision and who is current with any restitution payments. (NRS 209.4475) Section 6.2 of this bill increases from 30 days to 60 days the deduction from the sentence of an offender who successfully completes a program of treatment for the abuse of alcohol or drugs. (NRS 209.448) Section 6.4 of this bill increases from 30 days to 60 days the deduction from the sentence of an offender who successfully completes a program of vocational education and training. (NRS 209.449)

Section 7 of this bill revises the prohibition against assigning a prisoner who has been convicted of a sexual offense to a minimum security facility by prohibiting the Director from assigning a prisoner to such a facility if the prisoner has ever been convicted of a sexual offense that is a felony. In addition, section 7 revises the prohibition against assigning a prisoner who has committed a violent act during the previous year to a minimum security facility by prohibiting the Director from assigning a prisoner to such a facility if the prisoner has, within the preceding year, been convicted of a violent crime that is a felony. (NRS 209.481)

Existing law allows the Director of the Department of Corrections to recommend an offender to a judicial program for reentry of offenders and parolees into the community. (NRS 209.4886) Section 7.5 of this bill provides that an offender is not eligible for a judicial program for reentry if the offender has, within the immediately preceding year, instead of 5 years, been convicted of a violent crime that is a felony. Existing law allows the Director to establish a program for reentry of offenders and parolees into the community. Section 8 of this bill revises a provision which provides that an offender is not eligible for the program if the offender has, within the immediately preceding 5 years, been convicted of a violent crime by providing that an offender is not eligible for the
program if the offender has, within the immediately preceding year, been convicted of a violent crime that is a felony. (NRS 209.4888)

Section 8.7 of this bill provides that a person who is sentenced to a period of probation for a felony and who engages in certain good behavior while on probation must be allowed a deduction from his period of probation of 20 days for each month he serves. (NRS 176A.500)

Existing law authorizes the State Board of Parole Commissioners, in lieu of suspending the parole of a parolee who violates a condition of his parole and returning him to confinement in prison, to require the parolee to serve a term of residential confinement. (NRS 213.152)

Section 8.6 of this bill authorizes the State Board of Parole Commissioners, in lieu of suspending the parole of a parolee who violates a condition of his parole and returning him to confinement in prison, to place the parolee in a community correctional center, conservation camp, facility of minimum security or other place of confinement other than a prison for a period of not more than 6 months.

If a person who has been placed on probation violates a condition of his probation, existing law authorizes a court, in lieu of causing the sentence imposed to be executed, to direct that the person be placed under the supervision of the Division of Parole and Probation of the Department of Public Safety and to require the person to serve a term of residential confinement. Section 8.8 of this bill authorizes the court, in lieu of causing the sentence imposed to be executed, to direct that the person be placed under the supervision of the Department of Corrections and to require the person to serve a term of confinement in a community correctional center, conservation camp, facility of minimum security or other place of confinement other than a prison for a period of not more than 6 months. (NRS 176A.660)

Section 10 of this bill provides for retroactive application of the amendatory provisions of sections 5 and 8.7 to certain credits earned by offenders pursuant to NRS 209.4465 and 176A.500 in certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. NRS 209.392 is hereby amended to read as follows:

(b) Demonstrate a willingness and ability to enroll in a program for education or rehabilitation; or

2. Upon receiving a request to serve a term of residential confinement from an eligible offender, the Director shall notify the Division of Parole and Probation. If any victim of a crime committed by the offender has, pursuant to subsection 4 of NRS 213.130, requested to be notified of the consideration of a prisoner for parole and has provided a current address, the Division of Parole and Probation shall notify the victim of the offender’s request and advise the victim that he may submit documents regarding the request to the Division of Parole and Probation. If a current address has not been provided as required by subsection 4 of NRS 213.130, the Division of Parole and Probation must not be held responsible if such notification is not received by the victim. All personal information, including, but not limited to, a current or former address, which pertains to a victim and which is received by the Division of Parole and Probation pursuant to this subsection is confidential.

3. The Director, after consulting with the Division of Parole and Probation, shall adopt, by regulation, standards providing which offenders are eligible for residential confinement. The standards adopted by the Director must provide that an offender who:

(a) Is not eligible for parole or release from prison within a reasonable period;
(b) Has recently committed a serious infraction of the rules of an institution or facility of the Department;
(c) Has been convicted of:
   (1) Any crime that is punishable as a felony involving the use or threatened use of force or violence against the victim within the immediately preceding 3 years;
   (2) A sexual offense;
   (3) A category A or B felony;

4. If an offender assigned to the custody of the Division of Parole and Probation pursuant to this section escapes or violates any of the terms or conditions of his residential confinement:

(a) The Division of Parole and Probation may, pursuant to the procedure set forth in NRS 213.410, return the offender to the custody of the Department.

(b) The offender forfeits all or part of the credits for good behavior earned by him before the escape or violation, as determined by the Director. The Director may provide for a forfeiture of credits pursuant to this paragraph only after proof of the offense and notice to the offender and may restore credits forfeited for such reasons as he considers proper. The decision of the Director regarding such a forfeiture is final.

5. The assignment of an offender to the custody of the Division of Parole and Probation pursuant to this section shall be deemed:

(a) A continuation of his imprisonment and not a release on parole; and

(b) For the purposes of NRS 209.341, an assignment to a facility of the Department, except that the offender is not entitled to obtain any benefits or to participate in any programs provided to offenders in the custody of the Department.

6. An offender does not have a right to be assigned to the custody of the Division of Parole and Probation pursuant to this section, or to remain in that custody after such an assignment, and it is not intended that the provisions of this section or of NRS 213.371 to 213.410, inclusive, create any right or interest in liberty or property or establish a basis for any cause of action against the State, its political subdivisions, agencies, boards, commissions, departments, officers or employees.

Sec. 3. NRS 209.429 is hereby amended to read as follows:

209.429 1. Except as otherwise provided in subsection 6, the Director shall assign an offender to the custody of the Division of Parole and Probation of the Department of Public Safety to serve a term of residential confinement, pursuant to NRS 213.380, for not longer than the remainder of the maximum term of his sentence if:

(b) The offender has successfully completed the initial period of treatment required under the program of treatment established pursuant to NRS 209.425; and

(c) The Director believes that the offender will be able to:

(1) Comply with the terms and conditions required under residential confinement; and

(2) Complete successfully the remainder of the program of treatment while under residential confinement.

If an offender assigned to the program of treatment pursuant to NRS 209.427 completes the initial phase of the program and thereafter refuses to enter the remainder of the program of treatment pursuant to this section, the offender forfeits all or part of the credits earned by him to reduce his sentence pursuant to this chapter before this refusal, as determined by the Director. The Director may provide for a forfeiture of credits pursuant to this paragraph only after proof of the offense and notice to the offender and may restore credits forfeited for such reasons as he considers proper. The decision of the Director regarding such a forfeiture is final.

2. Before a person may be assigned to serve a term of residential confinement pursuant to this section, he must submit to the Division of Parole and Probation a signed document stating that:

(a) He will comply with the terms or conditions of his residential confinement; and

(b) If he fails to comply with the terms or conditions of his residential confinement and is taken into custody outside of this State, he waives all his rights relating to extradition proceedings.

3. If an offender assigned to the custody of the Division of Parole and Probation pursuant to this section escapes or violates any of the terms or conditions of his residential confinement:

(a) The Division of Parole and Probation may, pursuant to the procedure set forth in NRS 213.410, return the offender to the custody of the Department.

(b) The offender forfeits all or part of the credits earned by him to reduce his sentence pursuant to this chapter before the escape or violation, as determined by the Director. The Director may provide for a forfeiture of credits pursuant to this paragraph only after proof of the offense and notice to the offender and may restore credits forfeited for such reasons as he considers proper. The decision of the Director regarding forfeiture of credits is final.

4. The assignment of an offender to the custody of the Division of Parole and Probation pursuant to this section shall be deemed:

(a) A continuation of his imprisonment and not a release on parole; and
(b) For the purposes of NRS 209.341, an assignment to a facility of the Department, except that the offender is not entitled to obtain any benefits or to participate in any programs provided to offenders in the custody of the Department.

5. A person does not have a right to be assigned to the custody of the Division of Parole and Probation pursuant to this section, or to remain in that custody after such an assignment, and it is not intended that the provisions of this section or of NRS 213.371 to 213.410, inclusive, create any right or interest in liberty or property or establish a basis for any cause of action against the State, its political subdivisions, agencies, boards, commissions, departments, officers or employees.

6. The Director shall not assign an offender who is serving a sentence for committing a battery which constitutes domestic violence pursuant to NRS 33.018 to the custody of the Division of Parole and Probation to serve a term of residential confinement unless the Director makes a finding that the offender is not likely to pose a threat to the victim of the battery.

GENERAL FILE AND THIRD READING

Senate Bill No. 328.
Bill read third time.
The following amendment was proposed by Assemblyman Segerblom:
Amendment No. 1027.
AN ACT relating to educational personnel; revising provisions governing the monthly salaries of the members of the boards of trustees of school districts; requiring the board of trustees of each school district to adopt a program to engage certain administrators in annual classroom instruction, observation and other activities; making various changes regarding the
evaluation and admonition of educational personnel; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law prescribes varying salaries for the officers and other members of the boards of trustees of school districts based on the number of pupils enrolled in the school district during the immediately preceding school year. (NRS 386.320) Section 2 of this bill revises provisions governing the salaries of the members of the boards of trustees of school districts based on the population of the county in which the school district is located. Section 2 also authorizes a member of the board of trustees to donate all or a part of his salary to a school within the school district or to the school district.

The board of trustees of a school district is authorized to employ a superintendent of schools, teachers and all other necessary employees. (NRS 391.100, 391.110, 391.120) Section 4 of this bill requires the board of trustees of each school district to adopt a program to engage administrators employed at the district level in annual classroom instruction, observation and other activities in a manner that is appropriate for the responsibilities, position and duties of the administrators.

Existing law requires each probationary teacher to be evaluated at least three times during each school year and a postprobationary teacher to be evaluated at least once each school year. (NRS 391.3125) Section 8 of this bill requires an administrator who is responsible for evaluating a teacher to personally observe that teacher in the classroom for not less than a cumulative total of 60 minutes during each evaluation period. If a deficiency is discovered during the evaluation process, every effort must be made to assist the teacher to correct the deficiency. Existing law prescribes the circumstances under which an administrator may admonish an employee. (NRS 391.313) Section 9 of this bill requires that, if an administrator admonishes a teacher, an admonition must include a description of the deficiencies of the teacher and the actions that are necessary to correct those deficiencies.

Sec. 8. NRS 391.3125 is hereby amended to read as follows:

391.3125 1. It is the intent of the Legislature that a uniform system be developed for objective evaluation of teachers and other licensed personnel in each school district.

2. Each board, following consultation with and involvement of elected representatives of the teachers or their designees, shall develop a policy for objective evaluations in narrative form. The policy must set forth a means according to which an employee’s overall performance may be determined to be satisfactory or unsatisfactory. The policy may include an evaluation by the teacher, pupils, administrators or other teachers or any combination thereof. In a similar manner, counselors, librarians and other licensed personnel must be evaluated on forms developed specifically for their respective specialties. A copy of the policy adopted by the board must be filed with the Department. The primary purpose of an evaluation is to provide a format for constructive assistance. Evaluations, while not the sole criterion, must be used in the dismissal process.

3. A conference and a written evaluation for a probationary employee must be concluded not later than:

(a) December 1;
(b) February 1; and
(c) April 1,

of each school year of the probationary period, except that a probationary employee assigned to a school that operates all year must be evaluated at least three times during each 12 months of employment on a schedule determined by the board. An administrator charged with the evaluation of a probationary teacher shall personally observe the performance of the
teacher in the classroom for not less than a cumulative total of 60 minutes during each evaluation period, with at least one observation during that 60-minute evaluation period consisting of at least 45 consecutive minutes.

4. Whenever an administrator charged with the evaluation of a probationary employee believes the employee will not be reemployed for the second year of the probationary period or the school year following the probationary period, he shall bring the matter to the employee’s attention in a written document which is separate from the evaluation [no] not later than [February 15] March 1 of the current school year. The notice must include the reasons for the potential decision not to reemploy or refer to the evaluation in which the reasons are stated. Such a notice is not required if the probationary employee has received a letter of admonition during the current school year.

5. Each postprobationary teacher must be evaluated at least once each year. An administrator charged with the evaluation of a postprobationary teacher shall personally observe the performance of the teacher in the classroom for not less than a cumulative total of 60 minutes during each evaluation period, with at least one observation during that 60-minute evaluation period consisting of at least 30 consecutive minutes.

6. The evaluation of a probationary teacher or a postprobationary teacher must include, without limitation:

(a) An evaluation of the classroom management skills of the teacher;
(b) A review of the lesson plans and the work log or grade book of pupils prepared by the teacher;
(c) An evaluation of whether the curriculum taught by the teacher is aligned with the standards of content and performance established pursuant to NRS 389.520, as applicable for the grade level taught by the teacher;
(d) An evaluation of whether the teacher is appropriately addressing the needs of the pupils in the classroom, including, without limitation, special educational needs, cultural and ethnic diversity, the needs of pupils enrolled in advanced courses of study and the needs of pupils who are limited English proficient;
(e) If necessary, recommendations for improvements in the performance of the teacher; A reasonable effort must be made to assist the teacher to correct any deficiencies noted in the evaluation of the teacher;
(f) A description of the action that will be taken to assist the teacher in correcting any deficiencies reported in the evaluation; and
(g) A statement by the administrator who evaluated the teacher indicating the amount of time that the administrator personally observed the performance of the teacher in the classroom.

7. The teacher must receive a copy of each evaluation not later than 15 days after the evaluation. A copy of the evaluation and the teacher’s response must be permanently attached to the teacher’s personnel file. Upon the request of a teacher, a reasonable effort must be made to assist the teacher
to correct those deficiencies reported in the evaluation of the teacher for which the teacher requests assistance.

Sec. 9. NRS 391.313 is hereby amended to read as follows:

391.313 1. Whenever an administrator charged with supervision of a licensed employee believes it is necessary to admonish the employee for a reason that he believes may lead to demotion or dismissal or may cause the employee not to be reemployed under the provisions of NRS 391.312, he shall:

(a) Except as otherwise provided in subsection 3, bring the matter to the attention of the employee involved, in writing, stating the reasons for the admonition and that it may lead to his demotion, dismissal or a refusal to reemploy him, and make a reasonable effort to assist the employee to correct whatever appears to be the cause for his potential demotion, dismissal or a potential recommendation not to reemploy him; and

(b) Except as otherwise provided in NRS 391.314, allow reasonable time for improvement, which must not exceed 3 months for the first admonition.

The admonition must include a description of the deficiencies of the teacher and the action that is necessary to correct those deficiencies.

2. An admonition issued to a licensed employee who, within the time granted for improvement, has met the standards set for him by the administrator who issued the admonition must be removed from the records of the employee together with all notations and indications of its having been issued. The admonition must be removed from the records of the employee not later than 3 years after it is issued.

Sec. 7.

Sec. 10. NRS 391.3197 is hereby amended to read as follows:

391.3197 1. A probationary employee is employed on a contract basis for two 1-year periods and has no right to employment after either of the two probationary contract years.

2. The board shall notify each probationary employee in writing on or before May 1 of the first and second school years of his probationary period, as appropriate, whether he is to be reemployed for the second year of the probationary period or for the next school year as a postprobationary
employee. The employee must advise the board in writing on or before May 10 of the first or second year of his probationary period, as appropriate, of his acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify him in writing, in both the first and second years of his probationary period, no later than 45 days before his last day of work for the year under his contract whether he is to be reemployed for the second year of the probationary period or for the next school year as a postprobationary employee. He must advise the board in writing within 10 days after the date of notification of his acceptance or rejection of reemployment for another year. Failure to advise the board of his acceptance of reemployment constitutes rejection of the contract.

3. A probationary employee who completes his 2-year probationary period and receives a notice of reemployment from the school district in the second year of his probationary period is entitled to be a postprobationary employee in the ensuing year of employment.

4. [A] If a probationary employee [who receives an unsatisfactory evaluation] receives notice pursuant to subsection 4 of NRS 391.3125 not later than March 1 of a potential decision not to reemploy him, the employee may request a supplemental evaluation by another administrator in the school district selected by him and the superintendent. If a school district has five or fewer administrators, the supplemental evaluator may be an administrator from another school district in [this] this State. If a probationary employee has received during the first school year of his probationary period three evaluations which state that the employee’s overall performance has been satisfactory, the superintendent of schools of the school district or his designee shall waive the second year of the employee’s probationary period by expressly providing in writing on the final evaluation of the employee for the first probationary year that the second year of his probationary period is waived. Such an employee is entitled to be a postprobationary employee in the ensuing year of employment.

5. If a probationary employee is notified that he will not be reemployed for the second year of his probationary period or the ensuing school year, his employment ends on the last day of the current school year. The notice that he will not be reemployed must include a statement of the reasons for that decision.

6. A new employee or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 2-year probationary period as an administrator in accordance with the provisions of this section. If the administrator does not receive an unsatisfactory evaluation during the first year of probation, the superintendent or his designee shall waive the second year of the administrator’s probationary period. Such an administrator is entitled to be a postprobationary employee in the ensuing year of employment. If:
(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after either year of his probationary period; and
(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

7. An administrator who has completed his probationary period pursuant to subsection 6 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the additional probationary period, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

8. Before dismissal, the probationary employee is entitled to a hearing before a hearing officer which affords due process as set out in NRS 391.311 to 391.3196, inclusive.

Sec. 11. On or before February 1, 2008, the board of trustees of each school district shall submit a copy of the program to engage administrators in annual classroom instruction, observation and other activities adopted by the school district pursuant to section 4 of this act to the Legislative Committee on Education and to the Director of the Legislative Counsel Bureau for transmission to the 75th Session of the Nevada Legislature.

Sec. 12. Notwithstanding the provisions of NRS 386.320, as amended by section 2 of this act, to the contrary, the salaries of the members of the board of trustees of a school district are not required to be increased pursuant to that section until July 1, 2008.

Sec. 13. The provisions of subsection 1 of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 14. This act becomes effective on July 1, 2007.

Senate Bill No. 516.
Bill read third time.
The following amendment was proposed by Assemblywoman Pierce:
Amendment No. 1031.

AN ACT relating to public officers; revising the provisions governing the compensation of certain elected county officers; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill increases, by 3 percent for each of Fiscal Years 2007-2008, 2008-2009, 2009-2010 and 2010-2011, the maximum amount at which the board of county commissioners may set the annual salary for a county commissioner of that county. Section 1 also increases, by 3 percent for each of Fiscal Years 2007-2008, 2008-2009, 2009-2010 and 2010-2011, the compensation to be paid to certain other elected county officers. (NRS 245.043) Pursuant to section 3 of this bill, the increases applicable to: (1) Fiscal Year 2007-2008, become effective on July 1, 2007; (2) Fiscal Year 2008-2009, become effective on July 1, 2008; (3) Fiscal Year 2009-2010, become effective on July 1, 2009; and (4) Fiscal Year 2010-2011, become effective on July 1, 2010. However, section 4 of this bill authorizes a county that has not commenced payment of the increased annual salaries to request and receive a waiver from payment of the increases based on insufficient financial resources. If a waiver is granted for any fiscal year, section 4 prohibits retroactive payment of the increases for that fiscal year. Section 1 also changes the salary classification of Storey County, thereby increasing the amount of the annual salaries paid to its elected county officers. Section 2 of this bill clarifies that county commissioners are eligible for longevity pay. (NRS 245.044)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 245.043 is hereby amended to read as follows:

245.043 1. As used in this section:

of the amount of the annual salary for the county commissioners of that county that was in effect by operation of statute on January 1, 2003.

Sec. 2. NRS 245.044 is hereby amended to read as follows:

On and after July 1, 1973, if an elected county officer has served in his office for more than 4 years, he is entitled to an additional salary of 2 percent of his base salary for the appropriate fiscal year as provided in subsection 2 of NRS 245.043 or his annual salary set pursuant to subsection 3 of NRS 245.043, as applicable, for each full calendar year he has served in his office.

2. The additional salary provided in this section for an eligible county officer:

   (a) Must be computed on July 1 of each year by multiplying 2 percent of the base salary for the appropriate fiscal year as provided in NRS 245.043 or the annual salary set pursuant to subsection 3 of NRS 245.043, as applicable, by the number of full calendar years the elected county officer has served in his office; and

   (b) Must not exceed 20 percent of the base salary for the appropriate fiscal year as provided in NRS 245.043 or the annual salary set pursuant to subsection 3 of NRS 245.043, as applicable.

3. Service on the Board of Supervisors of Carson City for the initial term which began on July 1, 1969, and ended on the first Monday of January, 1973, shall be deemed to constitute 4 full calendar years of service for the purposes of this section.

Sec. 3. Except as otherwise provided in section 4 of this act, each county shall commence payment of the increased annual salaries of the elected officers of the county set forth in the table of annual salaries contained in subsection 2 of NRS 245.043, as amended by section 1 of this act:

2. For Fiscal Year 2008-2009, on July 1, 2008.
3. For Fiscal Year 2009-2010, on July 1, 2009.
4. For Fiscal Year 2010-2011, on July 1, 2010.

Except as otherwise provided in subsection 3, a board of county commissioners may apply to the Committee on Local Government Finance for a waiver from the requirement to increase the annual salaries of elected officers of the county to the annual salaries set forth in the table contained in subsection 2 of NRS 245.043, as amended by section 1 of this act, for any of Fiscal Years 2007-2008, 2008-2009, 2009-2010 or 2010-2011, if the board determines that the financial resources of the county are insufficient to pay those increased annual salaries in the applicable fiscal year. The Committee on Local Government Finance shall grant such a waiver if it finds that the financial resources of the county are insufficient to pay those increased annual salaries in the applicable fiscal year.
2. A board of county commissioners that has been granted a waiver for a fiscal year as described in subsection 1 may apply to the Committee on Local Government Finance for an additional waiver for the next consecutive fiscal year if the board determines that the financial resources of the county continue to be insufficient to pay the increased annual salaries of the elected officers of the county set forth in the table contained in subsection 2 of NRS 245.043, as amended by section 1 of this act, in that fiscal year. There is no limitation on the number of waivers for consecutive fiscal years that the board of county commissioners may be granted if the board determines that the financial resources of the county continue to be insufficient to pay the increased annual salaries of the elected officers of the county set forth in the table contained in subsection 2 of NRS 245.043, as amended by section 1 of this act, in that fiscal year.
3. After commencing payment of the increased annual salaries of the elected officers of the county set forth in the table contained in subsection 2 of NRS 245.043, as amended by section 1 of this act, in any fiscal year, a board of county commissioners may not apply for a waiver in any subsequent fiscal year.

The following amendment was proposed by Assemblywoman Kirkpatrick:
Amendment No. 1032.
SUMMARY—[Provides exception to competitive bidding procedures for certain contracts relating to redevelopment areas. (BDR 28-490)] Revises provisions governing the division of the proceeds of certain taxes. (BDR 22-490)
AN ACT relating to [public works; exempting contracts for certain projects within redevelopment areas from procedures for competitive bidding; redevelopment; providing that the proceeds of taxes which are levied by or for the benefit of a school district must be excluded from certain calculations used to determine the revenue that is allocable to a redevelopment agency from the imposition of certain taxes; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law requires that contracts for public works projects be awarded through procedures for competitive bidding. (NRS 338.1373-338.148) Existing law authorizes public bodies to redevelop blighted areas. (Chapter 279 of NRS) This bill exempts contracts for certain public improvement projects from procedures for competitive bidding. The projects exempted are those: (1) constructed within a redevelopment area by a private developer for the benefit of a private development that consists of one or more buildings for which the estimated cost is $45 million or more; (2) that a legislative body has determined, at a public hearing, directly benefit a redevelopment area, promote efficiency, coordination and economy in design and
construction, and mitigate any adverse effect upon the redevelopment area that is caused by the private development; (3) that are adjacent or appurtenant to the private development; and (4) for which the developer will receive monetary compensation from a public body as reimbursement for a portion of the costs of the project. This bill also provides that such contracts are subject to the prevailing wage requirements of chapter 238 of NRS.

Under existing law, a redevelopment plan may contain a provision for the allocation of a certain portion of the proceeds of certain ad valorem taxes to a redevelopment agency. (NRS 279.386, 279.674-279.685) This bill provides that, in the calculations prescribed to determine the amount of levied taxes that are allocable to a redevelopment agency, taxes that are levied by or for the benefit of a school district must be excluded.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Delete existing sections 1 through 8 of this bill and replace with the following new sections 1 through 4:

Section 1. NRS 279.676 is hereby amended to read as follows:

279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:

(a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies as taxes by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date. If property which was shown on the assessment roll used to determine the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.
(b) Except as otherwise provided in paragraphs (c) and (d) and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, less the assessed valuation of any exempt property subtracted pursuant to paragraph (a), all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.

(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

(e) The calculations set forth in paragraphs (a) to (d), inclusive, for the division of the proceeds of taxes must exclude the proceeds of any taxes levied by or for the benefit of a school district.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a municipality whose population is 100,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a municipality whose population is 25,000 or more but less than 100,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.
(c) In a municipality whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

Sec. 2. Except as otherwise provided in section 3 of this act, the provisions of NRS 279.676, as amended by section 1 of this act, apply with respect to the division of taxes, or the proceeds of taxes, pursuant to or in connection with a redevelopment plan that is adopted on or after July 1, 2007.

Sec. 3. 1. The provisions of NRS 279.676, as amended by section 1 of this act, do not apply to modify, directly or indirectly, any taxes levied or revenues pledged in such a manner as to impair adversely any outstanding obligations of a community or redevelopment agency, including, without limitation, bonds, medium-term financing, letters of credit and any other financial obligation, until all such obligations have been discharged in full or provision for their payment and redemption has been fully made.

2. As used in this section:
   (a) "Community" has the meaning ascribed to it in NRS 279.392.
   (b) "Redevelopment agency" has the meaning ascribed to the term "agency" in NRS 279.386.

The following Senate amendment was read:
Amendment No. 801.
AN ACT relating to elections; requiring certain business entities to register with and provide certain identifying information to the Secretary of State before engaging in certain political activities; requiring the Secretary of State to make such information available on his Internet website; requiring certain business entities that make expenditures on behalf of a candidate or group of candidates or who advocate the passage or defeat of a question or group of questions on a ballot to file certain campaign finance reports; providing a civil penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that certain entities, including committees for political action and nonprofit corporations, must register with and provide certain information to the Secretary of State before engaging in certain political activities. (NRS 294A.0055, 294A.230, 294A.375) Under existing law, the definition of the term “committee for political action” excludes business associations that are required to file documentation of organization with the Secretary of State. (NRS 294A.0055) Sections 2 and 3 of this bill provide that business entities [for which the owners, investors, officers, directors, members or other organizers are disclosed in a public record] must register with and provide to the Secretary of State certain identifying information before the business entity may solicit or receive contributions, make contributions or make expenditures designed to affect the outcome of an election except a business entity for which: (1) the owners, investors, officers, directors, members or other organizers are disclosed in a public record; or (2) the business purpose is disclosed in a public record that clearly identifies a specific business in a manner that is verifiable. Section 3 also requires the Secretary of State to make such information available on the Internet website of the Secretary of State.

Under existing law, certain persons and entities which make an expenditure on behalf of a candidate or group of candidates, advocate the passage or defeat of a ballot question or group of questions, or initiate or circulate a petition for a constitutional amendment or a statewide measure proposed by initiative or referendum, are required to report the receipt of certain campaign contributions and report certain campaign expenditures. (NRS 294A.004, 294A.005, 294A.007, 294A.140, 294A.150, 294A.210, 294A.220) Sections 5-9 of this bill apply the same requirements to business entities that are required to register with the Secretary of State pursuant to section 3 of this bill that engage in such activities.

Existing law requires the Secretary of State to prepare and make available for public inspection a compilation of certain contributions, loans and expenditures made by certain persons and entities in supporting or opposing a ballot question or candidate. (NRS 294A.400) Section 13 of this bill requires the Secretary of State to include within that compilation the same types of contributions, loans and expenditures if made by a business entity that is required to register with the Secretary of State pursuant to section 3 of this bill.
Existing law provides that if a person or entity fails to file a report or registration form as required pursuant to certain sections of chapter 294A of NRS, the person or entity may be subject to a civil penalty recovered in a civil action brought by the Secretary of State in the First Judicial District Court. (NRS 294A.420) Section 14 of this bill applies the same provisions to business entities that are required to register with the Secretary of State pursuant to section 3 of this bill.

Assembly Bill No. 176.

The following Senate amendment was read:

Amendment No. 826.

AN ACT relating to property; providing for the automatic transfer of ownership of certain vehicles and motorboats to designated beneficiaries on the death of the owner of such a vehicle or motorboat; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides for nonprobate transfers of certain property from the owner to a named beneficiary, including, without limitation, nonprobate transfers of registered securities and securities registered in beneficiary form. (NRS 111.480-111.650) Section 1 of this bill amends chapter 482 of NRS which governs the licensing and registration of motor vehicles to provide that certain owners who hold certificates of title to registered motor vehicles, trailers or semitrailers may apply to the Department of Motor Vehicles for a certificate of title in beneficiary form which directs the Department to transfer the title to the designated beneficiary on the death of the present owner or on the deaths of all joint owners. Section 1 also provides procedures for obtaining and revoking a certificate of title in beneficiary form. In addition, section 1 specifies that a transfer of ownership made by a certificate of title in beneficiary form is not subject to the statutes generally governing probate matters.

Section 5 of this bill similarly amends chapter 488 of NRS which governs the licensing and registration of motorboats so that certain owners who hold certificates of ownership to numbered and titled motorboats may apply to the Department of Wildlife for a certificate of ownership in beneficiary form which directs the Department to transfer the ownership to the designated beneficiary on the death of the present owner or on the deaths of all joint owners. Section 5 also provides procedures for obtaining and revoking a certificate of ownership in beneficiary form. Further, section 5 exempts transfers made pursuant to such certificates of ownership from the statutes which generally govern probate matters.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The owner or joint owners of a motor vehicle, trailer or semitrailer may request the Department to issue a certificate of title in beneficiary
form for the motor vehicle, trailer or semitrailer, as applicable, which includes a directive to the Department to transfer the certificate of title upon the death of the owner or upon the death of all joint owners to a beneficiary named on the face of the certificate of title.

2. A request made pursuant to subsection 1 must be submitted on an application made available by the Department and accompanied by the fee for the issuance of a certificate of title.

3. A certificate of title in beneficiary form may not be issued to a person who holds his interest in a motor vehicle, trailer or semitrailer as a tenant in common with another person.

4. A certificate of title in beneficiary form must include after the name of the owner or after the names of joint owners the words “transfer on death to” or the abbreviation “TOD” followed by the name of the beneficiary.

5. During the lifetime of a sole owner or before the death of the last surviving joint owner:
   (a) The signature or consent of the beneficiary is not required for any transaction relating to a motor vehicle, trailer or semitrailer for which a certificate of title in beneficiary form has been issued; and
   (b) The certificate of title in beneficiary form may be revoked or the beneficiary changed at any time by:
      (1) Sale of the motor vehicle, trailer or semitrailer with proper assignment and delivery of the certificate of title to another person; or
      (2) Filing an application with, and paying a fee to, the Department to reissue the certificate of title with no designation of a beneficiary or with the designation of a different beneficiary.

6. The interest of the beneficiary in a motor vehicle, trailer or semitrailer on the death of the sole owner or on the death of the last surviving joint owner is subject to any contract of sale, assignment or ownership or security interest to which the owner or owners of the motor vehicle, trailer or semitrailer were subject during their lifetime.

7. Except as otherwise provided in paragraph (b) of subsection 5, the designation of a beneficiary in a certificate of title in beneficiary form may not be changed or revoked by will, any other instrument or a change in circumstances, or otherwise changed or revoked.

8. The Department shall, upon:
   (a) Proof of death of one of the owners, of two or more joint owners or of a sole owner;
   (b) Surrender of the outstanding certificate of title in beneficiary form; and
   (c) Application and payment of the fee for a certificate of title, issue a new certificate of title for the motor vehicle, trailer or semitrailer to the surviving owner or owners or, if none, to the beneficiary, subject to any security interest.
9. **For the purposes of complying with the provisions of subsection 8, the Department may rely on a death certificate, record or report that constitutes prima facie evidence of death.**

10. **The transfer on death of a motor vehicle, trailer or semitrailer pursuant to this section is not considered as testamentary and is not subject to administration pursuant to the provisions of title 12 of NRS.**

11. **As used in this section:**

   (a) "**Beneficiary**" means a person or persons designated to become the owner or owners of a motor vehicle, trailer or semitrailer on the death of the preceding owner or owners.

   (b) "**Certificate of title in beneficiary form**" means a certificate of title of a motor vehicle, trailer or semitrailer that indicates the present owner or owners of the motor vehicle, trailer or semitrailer and designates a beneficiary.

Sec. 2. NRS 482.245 is hereby amended to read as follows:

482.245 1. The certificate of registration must contain upon the face thereof the date issued, the registration number assigned to the vehicle, the name and address of the registered owner, the county where the vehicle is to be based unless it is deemed to have no base, a description of the registered vehicle and such other statement of facts as may be determined by the Department.

2. The certificate of title must contain upon the face thereof the date issued, the name and address of the registered owner and the owner or lienholder, if any, a description of the vehicle, any entries required by NRS 482.423 to 482.428, inclusive, a reading of the vehicle’s odometer as provided to the Department by the person making the sale or transfer, the word “rebuilt” if it is a rebuilt vehicle, the information required pursuant to subsection 3 of section 1 of this act if the certificate of title is a certificate of title in beneficiary form pursuant to section 1 of this act and such other statement of facts as may be determined by the Department. The reverse side of the certificate of title must contain forms for notice to the Department of a transfer of the title or interest of the owner or lienholder and application for registration by the transferee. If a new certificate of title is issued for a vehicle, it must contain the same information as the replaced certificate, except to the extent that the information has changed after the issuance of the replaced certificate. Except as otherwise required by federal law, the certificate of title of a vehicle which the Department knows to have been stolen must not contain any statement or other indication that the mileage specified in the certificate or registered on the odometer is anything other than the actual mileage traveled by the vehicle, in the absence of proof that the odometer of the vehicle has been disconnected, reset or altered.

Sec. 3. NRS 482.400 is hereby amended to read as follows:

482.400 1. Except as otherwise provided in this subsection and subsections 2, 5 and 6, **and section 1 of this act**, upon a transfer of the title to, or the interest of an owner in, a vehicle registered or issued a certificate of
title under the provisions of this chapter, the person or persons whose title or interest is to be transferred and the transferee shall write their signatures with pen and ink upon the certificate of title issued for the vehicle, together with the residence address of the transferee, in the appropriate spaces provided upon the reverse side of the certificate. The Department may, by regulation, prescribe alternative methods by which a signature may be affixed upon a manufacturer’s certificate of origin or a manufacturer’s statement of origin issued for a vehicle. The alternative methods must ensure the authenticity of the signatures.

2. The Department shall provide a form for use by a dealer for the transfer of ownership of a vehicle. The form must be produced in a manner which ensures that the form may not be easily counterfeited. Upon the attachment of the form to a certificate of title issued for a vehicle, the form becomes a part of that certificate of title. The Department may charge a fee not to exceed the cost to provide the form.

3. Except as otherwise provided in subsections 4, 5 and 6, the transferee shall immediately apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

4. If the transferee is a dealer who intends to resell the vehicle, he is not required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is resold, the purchaser shall apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

5. If the transferee consigns the vehicle to a wholesale vehicle auctioneer:
   (a) The transferee shall, within 30 days after that consignment, provide the wholesale vehicle auctioneer with the certificate of title for the vehicle, executed as required by subsection 1, and any other documents necessary to obtain another certificate of title for the vehicle.
   (b) The wholesale vehicle auctioneer shall be deemed a transferee of the vehicle for the purposes of subsection 4. The wholesale vehicle auctioneer is not required to comply with subsection 1 if he:
       (1) Does not take an ownership interest in the vehicle;
       (2) Auctions the vehicle to a vehicle dealer or automobile wrecker who is licensed as such in this or any other state; and
       (3) Stamps his name, his identification number as a vehicle dealer and the date of the auction on the certificate of title and the bill of sale and any other documents of transfer for the vehicle.

6. A charitable organization which intends to sell a vehicle which has been donated to the organization must deliver immediately to the Department or its agent the certificate of registration and the license plate or plates for the vehicle, if the license plate or plates have not been removed from the vehicle. The charitable organization must not be required to register, pay a transfer or registration fee for, or pay a governmental services tax on the vehicle. When the vehicle is sold by the charitable organization, the purchaser shall apply
for registration as provided in NRS 482.215 and pay the governmental services taxes due.

7. As used in this section, “wholesale vehicle auctioneer” means a dealer who:
   (a) Is engaged in the business of auctioning consigned motor vehicles to vehicle dealers or automobile wreckers, or both, who are licensed as such in this or any other state; and
   (b) Does not in the ordinary course of his business buy, sell or own the vehicles he auctions.

Sec. 4. NRS 482.420 is hereby amended to read as follows:

482.420 1. Except as otherwise provided in subsection 2, in the event of the transfer by operation of law of the title or interest of an owner in and to a vehicle as upon inheritance, devise or bequest, order in bankruptcy or insolvency, execution sale, repossession upon default in performing the terms of a lease or executory sales contract, transfer on death pursuant to section 1 of this act, or otherwise, the registration thereof expires and the vehicle must not be operated upon the highways until and unless the person entitled thereto shall apply for and obtain the registration thereof.

2. An administrator, executor, trustee or other representative of the owner, or a sheriff or other officer, or any person repossessing the vehicle under the terms of a conditional sales contract, lease or other security agreement, or the assignee or legal representative of any such person, may operate or cause to be operated any vehicle upon the highways for a distance not exceeding 75 miles from the place of repossession or place where formerly kept by the owner to a garage, warehouse or other place of keeping or storage, either upon displaying upon such vehicle the number plate issued to the former owner or without a number plate attached thereto but under written permission first obtained from the Department or the local police authorities having jurisdiction over such highways, and upon displaying in plain sight a placard bearing the name and address of the person authorizing and directing such movement and plainly readable from a distance of 100 feet during daylight.

Sec. 5. Chapter 488 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The owner or joint owners of a motorboat may request the Department to issue a certificate of ownership in beneficiary form for the motorboat which includes a directive to the Department to transfer the certificate of ownership upon the death of the owner or upon the death of all joint owners to a beneficiary named on the face of the certificate of ownership.

2. A request made pursuant to subsection 1 must be submitted on an application made available by the Department and accompanied by the fee for the issuance of a certificate of ownership.
3. A certificate of ownership in beneficiary form may not be issued to a person who holds his interest in a motorboat as a tenant in common with another person.

4. A certificate of ownership in beneficiary form must include after the name of the owner, or after the names of joint owners, the words “transfer on death to” or the abbreviation “TOD” followed by the name of the beneficiary.

5. During the lifetime of a sole owner or before the death of the last surviving joint owner:
   (a) The signature or consent of the beneficiary is not required for any transaction relating to a motorboat for which a certificate of ownership in beneficiary form has been issued; and
   (b) The certificate of ownership in beneficiary form may be revoked or the beneficiary changed at any time by:
       (1) Sale of the motorboat with proper assignment and delivery of the certificate of ownership to another person; or
       (2) Filing an application with, and paying a fee to, the Department to reissue the certificate of ownership with no designation of a beneficiary or with the designation of a different beneficiary.

6. The interest of the beneficiary in a motorboat on the death of the sole owner or on the death of the last surviving joint owner is subject to any contract of sale, assignment or ownership or security interest to which the owner or owners of the motorboat were subject during their lifetime.

7. Except as otherwise provided in paragraph (b) of subsection 5, the designation of a beneficiary in a certificate of ownership in beneficiary form may not be changed or revoked by will, any other instrument or a change in circumstances, or otherwise changed or revoked.

8. The Department shall, upon:
   (a) Proof of death of one of the owners, of two or more joint owners or of a sole owner;
   (b) Surrender of the outstanding certificate of ownership in beneficiary form; and
   (c) Application and payment of the fee for a certificate of ownership, issue a new certificate of ownership for the motorboat to the surviving owner or owners or, if none, to the beneficiary, subject to any security interest.

9. For the purposes of complying with the provisions of subsection 8, the Department may rely on a death certificate, record or report that constitutes prima facie evidence of death.

10. The transfer on death of a motorboat pursuant to this section is not considered as testamentary and is not subject to administration pursuant to the provisions of title 12 of NRS.

11. As used in this section:
(a) "Beneficiary" means a person or persons designated to become the owner or owners of a motorboat on the death of the preceding owner or owners.

(b) "Certificate of ownership in beneficiary form" means a certificate of ownership of a motorboat that indicates the present owner or owners of the motorboat and designates a beneficiary.

AN ACT relating to motor vehicles; allowing a civil action to be filed against the owner or person in lawful possession of real property on which public parking is restricted in a certain manner for the improper towing of a vehicle; increasing the time within which a court must hold a hearing relating to an improper towing; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law allows an owner of an off-street parking facility to authorize the towing or removing of a vehicle from the facility in certain circumstances. (NRS 487.037) Existing law also allows the owner or person in lawful possession of any real property to have a vehicle that is parked in an unauthorized manner on the property towed if certain signs are posted and certain notices are given. (NRS 487.038) Finally, existing law allows a person whose car has been towed from private property, but not property where public parking is allowed, to bring a civil action against the person who authorized the towing to determine if the towing was lawful. (NRS 487.039)

This bill allows a person who believes his vehicle has been unlawfully towed from real property where public parking is allowed to file a civil action and for process to be served on the owner or person in lawful possession of the real property. This bill also [increases] decreases the time within which the court must hold a hearing on the matter of the propriety of the towing from 7 calendar days to 4 working days after the action is filed.

2. An action may be filed pursuant to this section only if the cost of towing and storing the vehicle does not exceed $10,000.

3. Upon the filing of a civil action pursuant to subsection 1, the court shall schedule a date for a hearing. The hearing must be held not later than 4 working days after the action is filed. The court shall affix the date of the hearing to the form and order a copy served by the sheriff, constable or other process server upon the owner or person in lawful possession of the property who authorized the towing of the vehicle.

4. The court shall:
(a) If it determines that the vehicle was:

(1) Lawfully towed, order the owner of the vehicle to pay the cost of towing and storing the vehicle and order the person who is storing the vehicle to release the vehicle to the owner upon payment of that cost; or

(2) Unlawfully towed, order the owner or person in lawful possession of the property who authorized the towing to pay the cost of towing and storing the vehicle and order the person who is storing the vehicle to release the vehicle to the owner immediately; and

(b) Determine the actual cost incurred in towing and storing the vehicle.

5. The operator of any facility or other location where vehicles which are towed from private property are stored shall display conspicuously at that facility or location a sign which sets forth the provisions of this section.

Amendment No. 818.

AN ACT relating to the State Fire Marshal; clarifying that, with certain exceptions, regulations adopted by the State Fire Marshal concerning building codes do not apply in certain larger counties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the State Fire Marshal is required to enforce all laws and adopt regulations relating, in pertinent part, to the safety, access, means and adequacy of exit in case of fire from certain buildings used by the public. (NRS 477.030) In accordance with this duty, the State Fire Marshal has adopted by reference in regulation the International Fire Code, 2003 Edition, Volume 1, and the International Building Code, 2003 edition, Volumes 1 and 2, with certain changes. (NAC 477.281, 477.283) Although the regulations adopted by the State Fire Marshal apply throughout the State, the State Fire Marshal is only authorized under existing law to enforce those regulations: (1) with respect to buildings owned or occupied by the State; and (2) in counties whose population is less than 100,000 other than consolidated municipalities (currently counties other than Clark and Washoe Counties and Carson City). In counties whose population is 100,000 or more (currently Clark and Washoe Counties and Carson City), the local jurisdictions in those counties are required to enforce the regulations of the State Fire Marshal except if a local jurisdiction in such a county requests the State Fire Marshal to perform such enforcement. (NRS 477.030) Existing law also authorizes the governing body of a city or county to adopt building codes and authorizes
boards of county commissioners to regulate all matters relating to the
construction, maintenance and safety of buildings, structures and property
within the county. (NRS 244.3675, 268.413, 278.580)

This bill makes the regulations adopted by the State Fire Marshal
containing building codes inapplicable in a county whose population is
400,000 or more (currently Clark County) if that county has adopted a code
at least as stringent as [the edition of the International Fire Code [most
recently published,] and the International Building Code,] except with
respect to buildings owned or occupied by the State and public schools and
except in a local jurisdiction in such a county in which the State Fire Marshal
is requested to enforce those regulations by the chief executive officer of the
jurisdiction. To maintain the exemption from the applicability of those
regulations of the State Fire Marshal, the code of the county must be at
least as stringent as the most recently published editions of the
International Fire Code and the International Building Code within 1
year after publication of such an edition.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 477.030 is hereby amended to read as follows:
477.030 1. Except as otherwise provided in this section, the State Fire

mental and penal institutions, facilities for the care of children, foster homes,

homes, hospitals, schools, all buildings, except private residences, which are
occupied for sleeping purposes, buildings used for public assembly and all
other buildings where large numbers of persons work, live or congregate for
any purpose. As used in this paragraph, “public assembly” means a building

(d) The suppression and punishment of arson and fraudulent claims or
practices in connection with fire losses.

Except as otherwise provided in subsection 12, the regulations of
the State Fire Marshal apply throughout the State, but except with respect
to state-owned or state-occupied buildings, his authority to enforce them or conduct investigations under this chapter does not extend to a county whose population is 100,000 or more or which has been converted into a consolidated municipality, except in those local jurisdictions in those counties where he is requested to exercise that authority by the chief officer of the organized fire department of that jurisdiction or except as otherwise provided in a regulation adopted pursuant to paragraph (b) of subsection 2.

2. The State Fire Marshal may:
   (a) Set standards for equipment and appliances pertaining to fire safety or to be used for fire protection within this State, including the threads used on fire hose couplings and hydrant fittings; and

6. Except as otherwise provided in subsection 10, the State Fire Marshal shall:
   (a) Investigate any fire which occurs in a county other than one whose population is 100,000 or more or which has been converted into a consolidated municipality, and from which a death results or which is of a suspicious nature.
   (b) Investigate any fire which occurs in a county whose population is 100,000 or more or which has been converted into a consolidated municipality, and from which a death results or which is of a suspicious nature, if requested to do so by the chief officer of the fire department in whose jurisdiction the fire occurs.
   (c) Cooperate with the Commissioner of Insurance, the Attorney General and the Fraud Control Unit established pursuant to NRS 228.412 in any investigation of a fraudulent claim under an insurance policy for any fire of a suspicious nature.
   (d) Cooperate with any local fire department in the investigation of any report received pursuant to NRS 629.045.
(e) Provide specialized training in investigating the causes of fires if requested to do so by the chief officer of an organized fire department.

7. The State Fire Marshal shall put the National Fire Incident Reporting System into effect throughout the State and publish at least annually a summary of data collected under the System.

8. The State Fire Marshal shall provide assistance and materials to local authorities, upon request, for the establishment of programs for public education and other fire prevention activities.

9. The State Fire Marshal shall:
   (a) Except as otherwise provided in subsection 12, assist in checking plans and specifications for construction;
   (b) Provide specialized training to local fire departments; and
   (c) Assist local governments in drafting regulations and ordinances, on request or as he deems necessary.

10. Except as otherwise provided in this subsection, in a county other than one whose population is 100,000 or more or which has been converted into a consolidated municipality, the State Fire Marshal shall, upon request by a local government, delegate to the local government by interlocal agreement all or a portion of his authority or duties if the local government’s personnel and programs are, as determined by the State Fire Marshal, equally qualified to perform those functions. If a local government fails to maintain the qualified personnel and programs in accordance with such an agreement, the State Fire Marshal shall revoke the agreement. The provisions of this subsection do not apply to the authority of the State Fire Marshal to adopt regulations pursuant to paragraph (b) of subsection 2.

11. The State Fire Marshal may, as a public safety officer or as a technical expert on issues relating to hazardous materials, participate in any local, state or federal team or task force that is established to conduct enforcement and interdiction activities involving:
   (a) Commercial trucking;
   (b) Environmental crimes;
   (c) Explosives and pyrotechnics;
   (d) Drugs or other controlled substances; or
   (e) Any similar activity specified by the State Fire Marshal.

12. Except as otherwise provided in this subsection, any regulations of the State Fire Marshal concerning matters relating to building codes, including, without limitation, matters relating to the construction, maintenance or safety of buildings, structures and property in this State, do:

(a) Do not apply in a county whose population is 400,000 or more which has adopted a code at least as stringent as the [International Fire Code] published by the International Code Council. To maintain the exemption from the applicability of the regulations of the State Fire Marshal pursuant to this subsection, the code of the county must
be at least as stringent as the most recently published edition of the
International Fire Code and the International Building Code within 1 year
after publication of such an edition.

(b) Apply in a county described in paragraph (a) with respect to
state-owned or state-occupied buildings or public schools in such a county and except in those local jurisdictions in such a county in
which the State Fire Marshal is requested to exercise that authority by the
chief executive officer of that jurisdiction. As used in this subsection,
"public school" has the meaning ascribed to it in NRS 385.007.

Sec. 2. NRS 244.3675 is hereby amended to read as follows:

244.3675 Subject to the limitations set forth in NRS 244.368, 278.580,

county commissioners within their respective counties may:

1. Regulate all matters relating to the construction, maintenance and
safety of buildings, structures and property within the county.

2. Adopt any building, electrical, housing, plumbing or safety code
necessary to carry out the provisions of this section and establish such fees as
may be necessary. Except as otherwise provided in NRS 278.580, these fees

Assembly Bill No. 463.

The following Senate amendment was read:

Amendment No. 941.

AN ACT relating to land use planning; making various changes pertaining
to residential establishments and group homes; and providing other matters
properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the Health Division of the Department of Health and Human Services is required to compile, maintain and disseminate a registry pertaining to each “residential establishment” that exists in this State. (NRS 278.021) Sections 2-7 of this bill: (1) require local governments to assist in obtaining such information; (2) expand the registry to include certain information likely to be helpful to agencies that provide police, fire-fighting, rescue or emergency medical services; and (3) broaden the scope of the registry to apply not just to licensed residential establishments, but to any facility that provides similar services to four or more persons. Thus, facilities operating unlawfully as residential establishments are included in the registry, providing necessary information to licensing and law enforcement authorities.

Section 8 of this bill provides that if a county or city requires a certain approval or permit before a residential establishment may operate, the county or city must, before granting that approval or permit: (1) ensure that the establishment, or its owner or operator, has secured the necessary certifications or licenses that are required by federal, state or local authorities; and (2) ensure that, if the establishment is subject to the distance requirements set forth in section 9 of this bill, the establishment will be located and operated in accordance with those requirements.

Under existing law, the governing body of a county whose population is 100,000 or more (currently Clark and Washoe Counties), and the governing body of each city in such a county, is required to establish by ordinance a minimum distance between residential establishments that is at least 660 feet but not more than 1,500 feet. (NRS 278.021) Section 9 of this bill changes the minimum distance prospectively to at least 1,500 feet but not more than 2,500 feet. Section 11 of this bill provides that if a governing body fails to establish the minimum distance requirement by December 31, 2007, its ordinances will be conformed by operation of state law to a 2,500-foot distance requirement.

Existing law requires an applicant seeking licensure of a facility under the provisions of NRS 449.001 to 449.240, inclusive, to file with the Health Division an application containing certain information and evidence. (NRS 449.040) Section 10 of this bill provides additionally that such an application must, if the facility for which licensure is sought is a “residential establishment” as defined in section 5 of this bill, and if such establishment is subject to the distance requirements set forth in section 9 of this bill, include evidence satisfactory to the Health Division that the establishment will be located and operated in accordance with those requirements.

WHEREAS, Residential establishments, commonly referred to as “group homes,” include such facilities as halfway houses for recovering alcohol and
WHEREAS, Residential establishments serve an important purpose in the various communities of this State, allowing persons with special needs to receive assistance or care in a setting that may be more comfortable, more informal and less expensive than the setting of a more formal institution, such as a hospital; and

WHEREAS, Federal law, including the Fair Housing Act of 1968 and the Fair Housing Amendments Act of 1988, clearly prohibits discriminatory housing practices, including practices which have the effect of discriminating against persons with disabilities in regard to the availability of housing; and

WHEREAS, The statutes of this State already require, in large part, that residential establishments be treated as single-family residences for zoning purposes, and already require the Health Division of the Department of Health and Human Services to compile and maintain a registry of information relating to such establishments; and

WHEREAS, Ensuring that such information is accurate, current and disseminated to the pertinent authorities is of vital importance to several state and local governmental agencies, because: (1) persons who reside in residential establishments may be more susceptible than other persons to become victims of mistreatment or unscrupulous behavior, including, without limitation, Medicaid fraud or Medicare fraud; (2) governmental agencies and officers who enforce health and safety standards must be notified of the location of residential establishments in order to protect adequately the persons who reside in those establishments; and (3) fire departments, law enforcement agencies and other first responders must be notified of the locations of residential establishments so that they may be prepared to address the special needs of the residents of those establishments in the event of a fire, medical crisis or other emergency; and

WHEREAS, In several communities throughout the State, the names ascribed to residential establishments may be different, and certain persons may attempt to operate on an informal or unlicensed basis facilities that are, in practical effect, residential establishments; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

each calendar quarter, transmit the information to the Health Division.

2. If a [political subdivision: county or city is not able to obtain all of
the information described in subsection 1, it shall transmit to the Health
Division such information as it is able to obtain.

3. Using the information transmitted by [political subdivisions: coun-
ties and cities pursuant to subsection 1 and using any other resources
at its disposal, the Health Division shall compile and maintain a registry
of information relating to each group home that exists in this State. The
Health Division shall make the information contained in the registry
available to:
(a) Any agency of the State of Nevada or a [political subdivision of this
State: county or city that provides police, fire-fighting, rescue or emergency
medical services;
(b) Upon request for the purposes set forth in section 8 of this act, the
governing body of a county or city:
(c) Any agency of the Federal Government, the State of Nevada or a political subdivision of this State that is involved in the investigation of acts of abuse, fraud or similar crimes; and
(d) Except as otherwise provided in this paragraph, the general public, through the use of the Internet website maintained by the Health Division. The Health Division shall not make available on its Internet website any personally identifying information relating to a resident of a group home.

4. Insofar as the Health Division is able to obtain the relevant information, the registry compiled and maintained by the Health Division must include, with respect to each group home that exists in this State:
   (a) Each item of information described in paragraph (a) of subsection 1; and
   (b) An entry indicating whether the group home is or is not formally licensed or certified as a residential establishment.

5. Any department or agency of the State of Nevada or a political subdivision of this State that becomes aware of the existence of a group home which is not included in the registry shall, within 30 days after obtaining such information, transmit the information to the Health Division as is necessary for inclusion in the registry.

6. As used in this section:
   (a) “Group home” means:
      (1) A residential establishment; and
      (2) Any other home, facility or residence, whether or not it is licensed, whether it is operated formally or informally and by whatever name it may be known, that provides to four or more unrelated persons services similar to those provided by a residential establishment.
   (b) “Health Division” means the Health Division of the Department of Health and Human Services.
   (c) “Political subdivision” means a city or county.

Sec. 8. 1. As a prerequisite to the approval or issuance of any rezoning, zone variance or special use permit that is necessary to operate a residential establishment, the governing body of a county or city shall:
   (a) Except as otherwise provided in subsection 2, ensure that the residential establishment or the owner or operator thereof has obtained any licenses or certifications that are required by federal, state or local authorities; and
   (b) If the residential establishment is subject to the distance requirements set forth in subsection 3 of NRS 278.021, request and use the information contained in the registry compiled and maintained pursuant to section 7 of this act to ensure that the residential establishment will be located and operated in accordance with the provisions of that subsection.

2. Pending a residential establishment or the owner or operator thereof obtaining the required licenses or certifications, the governing body of a county or city or another entity designated to act on behalf of the
governing body may conditionally or provisionally approve or issue any rezoning, zone variance or special use permit that is necessary to operate the residential establishment.

Sec. 9. NRS 278.021 is hereby amended to read as follows:

278.021 1. In any ordinance adopted by a city or county, the definition of “single-family residence” must include a:

(a) Residential facility for groups in which 10 or fewer unrelated persons with disabilities reside with:
   (1) House parents or guardians who need not be related to any of the persons with disabilities; and
   (2) If applicable, additional persons who are related to the house parents or guardians within the third degree of consanguinity or affinity.

(b) Home for individual residential care.

(c) Halfway house for recovering alcohol and drug abusers.

2. The provisions of subsection 1 do not prohibit a definition of “single-family residence” which permits more persons to reside in a residential facility for groups, nor does it prohibit regulation of homes which are operated on a commercial basis. For the purposes of this subsection, a residential facility for groups, a halfway house for recovering alcohol and drug abusers or a home for individual residential care shall not be deemed to be a home that is operated on a commercial basis for any purposes relating to building codes or zoning.

3. The Health Division of the Department of Health and Human Services shall compile and maintain a registry of information relating to each residential establishment that exists in this State and shall make available for access on the Internet or its successor, if any, the information contained in the registry. The registry must include with respect to each residential establishment:

   (a) The name of the owner of the establishment;
   (b) The name of the administrator of the establishment;
   (c) The address of the establishment; and
   (d) The number of clients for which the establishment is licensed.

Any department or agency of a county or city that becomes aware of the existence of a residential establishment that is not included in the registry shall transmit such information to the Health Division, as is necessary, for inclusion in the registry within 30 days after obtaining the information.

4. The governing body of a county whose population is 100,000 or more or the governing body of a city in such a county or any department or agency of the city or county shall approve the first application submitted on or after July 1, 2000, to operate a residential establishment within a particular neighborhood in the jurisdiction of the governing body. If a subsequent application is submitted to operate an additional residential establishment at a location that is within the minimum distance established by the governing body pursuant to this subsection from an existing residential establishment, the governing body shall review the application based on applicable zoning
ordinances. The requirements of this subsection do not require the relocation or displacement of any residential establishment which existed before July 1, 2001, from its location on that date. The provisions of this subsection do not create or impose a presumption that the location of more than one residential establishment within the minimum distance of each other established by the governing body pursuant to this subsection is inappropriate under all circumstances with respect to the enforcement of zoning ordinances and regulations. For purposes of this subsection, each governing body shall establish by ordinance a minimum distance between residential establishments that is at least \(1,500\) feet but not more than \(2,500\) feet.

4. Except as otherwise provided in section 8 of this act, the governing body of a county or city shall not refuse to issue a special use permit to a residential establishment that meets local public health and safety standards.

5. The provisions of this section must not be applied in any manner which would result in a loss of money from the Federal Government for programs relating to housing.

6. As used in this section:
   (a) “Halfway house for recovering alcohol and drug abusers” has the meaning ascribed to it in NRS 449.008.
   (b) “Home for individual residential care” has the meaning ascribed to it in NRS 449.0105.
   (c) “Person with a disability” means a person:
      (1) With a physical or mental impairment that substantially limits one or more of the major life activities of the person;
      (2) With a record of such an impairment; or
      (3) Who is regarded as having such an impairment.
   (d) “Residential establishment” means a home for individual residential care in a county whose population is 100,000 or more, a halfway house for recovering alcohol and drug abusers, or a residential facility for groups.
   (e) “Residential facility for groups” has the meaning ascribed to it in NRS 449.017.

Sec. 10. NRS 449.040 is hereby amended to read as follows:

449.040 Any person, state or local government or agency thereof desiring a license under the provisions of NRS 449.001 to 449.240, inclusive, must file with the Health Division an application on a form prescribed, prepared and furnished by the Health Division, containing:
1. The name of the applicant and, if a natural person, whether the applicant has attained the age of 21 years.
2. The type of facility to be operated.
3. The location of the facility.
4. In specific terms, the nature of services and type of care to be offered, as defined in the regulations.
5. The number of beds authorized by the Director of the Department of Health and Human Services or, if such authorization is not required, the number of beds the facility will contain.

6. The name of the person in charge of the facility.

7. Such other information as may be required by the Health Division for the proper administration and enforcement of NRS 449.001 to 449.240, inclusive.

8. Evidence satisfactory to the Health Division that the applicant is of reputable and responsible character. If the applicant is a firm, association, organization, partnership, business trust, corporation or company, similar evidence must be submitted as to the members thereof, and the person in charge of the facility for which application is made. If the applicant is a political subdivision of the State or other governmental agency, similar evidence must be submitted as to the person in charge of the institution for which application is made.

9. Evidence satisfactory to the Health Division of the ability of the applicant to comply with the provisions of NRS 449.001 to 449.240, inclusive, and the standards and regulations adopted by the Board.

10. Evidence satisfactory to the Health Division that the facility conforms to the zoning regulations of the local government within which the facility will be operated or that the applicant has applied for an appropriate reclassification, variance, permit for special use or other exception for the facility.

11. If the facility to be licensed is a residential establishment as defined in section 5 of this act, and if the residential establishment is subject to the distance requirements set forth in subsection 3 of NRS 278.021, evidence satisfactory to the Health Division that the residential establishment will be located and operated in accordance with the provisions of that subsection.

Sec. 11. 1. On or before December 31, 2007, the governing body of each county whose population is 100,000 or more, and the governing body of each city in such a county, shall establish by ordinance the minimum distance between residential establishments that is set forth in subsection 3 of NRS 278.021, as amended by section 9 of this act.

2. If a governing body fails to comply with the provisions of subsection 1 on or before December 31, 2007, on that date the ordinances of the governing body shall be deemed to establish by operation of law a minimum distance between residential establishments of 2,500 feet.

3. As used in this section, “residential establishment” has the meaning ascribed to it in section 5 of this act.
