Assembly called to order at 11:40 a.m.
Madam Speaker presiding.
Roll called.
All present except Assemblyman Carpenter, who was excused.
Prayer by the Chaplain, Reverend Ernie Hooper.

Heavenly Father, we look to Thee in Jesus’ Name. We look to You because Thou art the author and finisher of our faith and the one who has brought us here on this earth and brought us here for a purpose. We are here today to fulfill that purpose. We are thankful, Father, that we have a great God, a great Savior who can mold and make us after His will, because man was made after God’s image. We are glad to be here today in the presence of the people who make this life of ours possible and who do the things that need to be done here in the State of Nevada.

We pray for our government and our heads at the capitol and for our President. We ask You to help him make the right choices and do the right things. We wish this for all the others who are working in the capitol, and here in this Legislative Building. We are thankful, Father, for the people who are going out to do something for our country and for our people, the Indians, as well as other tribes and nationalities that are here in this state and in this great nation of ours. We are thankful for our fighting men and women. We ask You to be with them. They sacrifice their lives for our freedom here. We are thankful for the freedom that You have given us through these people and for the wonderful life that you have given us. We enjoy the scenery around us as well as being here today. We are thankful, Father, for Your goodness and mercy and Your love that You have bestowed upon us. In Jesus’ Name.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.

Motion carried.

SECOND READING AND AMENDMENT

Assembly Bill No. 458.
Bill read second time.
The following amendment was proposed by the Committee on Ways and Means:
Amendment No. 619.
AN ACT relating to public financial administration; creating the K-12 Public Education Stabilization Account; repealing the provisions applying certain tax abatements to taxes imposed for public education and authorizing certain tax credits against taxes imposed for public education; exempting certain taxes imposed for public education from the reallocation reallocating money reverted from the State Distributive School Account; revising the provisions governing certain tax abatements and credits available for economic development; reallocating a portion of the property taxes levied on property in a redevelopment area; revising the provisions requiring certain redevelopment agencies to set aside revenue for low-income housing; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Section 3 of this bill creates the K-12 Public Education Stabilization Account within the Fund to Stabilize the Operation of the State Government and requires the State Controller to deposit any money reverted from the State Distributive School Account at the close of each odd-numbered fiscal year into that Account and into the Account for Programs for Innovation and the Prevention of Remediation. (Chapter 353 of NRS)
Section 5 of this bill authorizes the Superintendent of Public Instruction to request from the Legislature, if the Legislature is in session, an allocation
from the **K-12 Public Education Stabilization** Account if a shortfall exists in the State Distributive School Account. If the Legislature is not in session, section 6 of this bill authorizes the Superintendent to submit such a request to the Interim Finance Committee. Existing law authorizes the Chief of the Budget Division of the Department of Administration, with the approval of the Governor, to set aside reserves to meet emergencies arising during a fiscal year. (NRS 353.225) Section 7 of this bill limits the amount that may be set aside as proposed reserves for the State Distributive School Account and certain other funds and accounts for education to the average that is reserved for all other departments, institutions and agencies. Section 7 also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.

Existing law authorizes the Commission on Economic Development to grant to certain businesses partial abatements of property taxes, business taxes and local sales and use taxes. (NRS 274.310, 274.320, 274.330, 360.750, 361.0687, 363B.120, 374.357, 701A.210) Sections 8-10, 13, 16-18 and 20-26, 26 and 28, 29, 31-33 of this bill limit these abatements to taxes that are not imposed for public education. Section 7 also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.

Existing law authorizes the Commission on Economic Development to grant to certain businesses partial abatements of property taxes, business taxes and local sales and use taxes. (NRS 274.310, 274.320, 274.330, 360.750, 361.0687, 363B.120, 374.357, 701A.210) Sections 8-10, 13, 16-18 and 20-26, 26 and 28, 29, 31-33 of this bill limit these abatements to taxes that are not imposed for public education. Section 7 also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.

Section 7 also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.

(NRS 274.310, 274.320, 274.330, 360.750, 361.0687, 363B.120, 374.357, 701A.210) Sections 8-10, 13, 16-18 and 20-26, 26 and 28, 29, 31-33 of this bill limit these abatements to taxes that are not imposed for public education. Section 7 also requires the Chief to submit a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account in lieu of setting aside a reserve in the State Distributive School Account and certain other funds and accounts for education.
Under existing law, a redevelopment agency of a city whose population is 300,000 or more, as determined by the last decennial census (currently Las Vegas only), is required to set aside for low-income housing at least 18 percent of its tax revenue from a redevelopment area. (NRS 0.050, 279.685) Section 24 of this bill reduces the minimum amount of that set-aside to 15 percent, and requires an agency of a city that attains a population of 300,000 or more in the future, as determined from the populations of cities as certified annually by the Governor, to set aside for low-income housing at least 3 percent of its tax revenue from a redevelopment area for the first fiscal year and to increase that minimum percentage each fiscal year until it reaches a minimum amount of 15 percent.

2. The State Controller shall thereupon make the transfer.

The Interim Finance Committee is not bound to follow the recommendation of the State Board of Examiners.

3. Sec. 7. NRS 353.225 is hereby amended to read as follows:

353.225 1. [In] Subject to the requirements of subsections 2 and 3, in order to provide some degree of flexibility to meet emergencies arising during each fiscal year in the expenditures for the State Distributive School Account in the State General Fund and for operation and maintenance of the various departments, institutions and agencies of the Executive Department of the State Government, the Chief, with the approval in writing of the Governor, may require the State Controller or the head of each such department, institution or agency to set aside a reserve in such amount as the Chief may determine, out of the total amount appropriated or out of other funds available from any source whatever to the department, institution or agency.

2. If the Chief determines that a reserve pursuant to subsection 1 is required in the State Distributive School Account, the Account for Programs for Innovation and the Prevention of Remediation created by NRS 385.379, the Grant Fund for Incentives for Licensed Educational Personnel created by NRS 391.166, or any other account established for administration by the Department of Education for other educational programs for the school districts, charter schools and university schools for profoundly gifted pupils, the amount of any proposed reserves in each of
those accounts and the Grant Fund, when combined and calculated as a percentage of the general fund appropriations in those accounts and the Grant Fund, must not exceed the average percentage of reserves for all other accounts and funds that include general fund appropriations for the operation of all departments, institutions and agencies of the State Government and authorized expenditures from the State General Fund for the regulation of gaming for that fiscal year.

3. Before setting aside any reserves in the State Distributive School Account, the Account for Programs for Innovation and the Prevention of Remediation created by NRS 385.379, the Grant Fund for Incentives for Licensed Educational Personnel created by NRS 391.166, or any other account established for administration by the Department of Education for other educational programs for the school districts, charter schools and university schools for profoundly gifted pupils, the Chief must make a request to the Legislature or, if the Legislature is not in session, to the Interim Finance Committee, to determine whether an allocation should be made from the K-12 Public Education Stabilization Account created by section 3 of this act in lieu of setting aside the reserve. If the Legislature or the Interim Finance Committee finds that an allocation should be made from the K-12 Public Education Stabilization Account in lieu of a reserve, the Legislature or the Interim Finance Committee shall by resolution establish the amount and the purpose of the allocation and direct the State Controller to transfer that amount to the State General Fund. If the Legislature or the Interim Finance Committee adopts such a resolution, only the difference between the proposed amount of reserves determined pursuant to subsection 2 and the allocation made by resolution pursuant to this subsection may be set aside as reserves in the State Distributive School Account, the Account for Programs for Innovation and the Prevention of Remediation created by NRS 385.379, the Grant Fund for Incentives for Licensed Educational Personnel created by NRS 391.166, or any other account established for administration by the Department of Education for other educational programs for the school districts, charter schools and university schools for profoundly gifted pupils.

4. At any time during the fiscal year this reserve or any portion of it may be returned to the appropriation or other fund to which it belongs and may be added to any one or more of the allotments, if the Chief so orders in writing.

3. Amounts payable in any manner permitted by this section may be additionally secured by a pledge of the full faith and credit of the community whose legislative body has declared the need for the agency to function. In its proposal to its voters the governing body shall define the area to be redeveloped, the primary source or sources of revenue first to be employed to retire the bonds and the maximum sum for which the city may pledge its full faith and credit in connection with the bonds to be issued for the project.

Sec. 21. NRS 279.674 is hereby amended to read as follows:
279.674 As used in NRS 279.674 to 279.685, inclusive, and section 19 of this act, the word “taxes” includes, without limitation, all levies on an ad valorem basis upon land or real property.

Sec. 22. NRS 279.676 is hereby amended to read as follows:
279.676 1. Any redevelopment plan may contain a provision that taxes, if any, levied upon taxable property in the redevelopment area each year by or for the benefit of the State, any city, county, district or other public corporation, after the effective date of the ordinance approving the redevelopment plan, must be divided as follows:
   (a) That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the redevelopment area as shown upon the assessment roll used in connection
with the taxation of the property by the taxing agency, last equalized before the effective date of the ordinance, must be allocated to and when collected must be paid into the funds of the respective taxing agencies as taxes by or for such taxing agencies on all other property are paid. To allocate taxes levied by or for any taxing agency or agencies which did not include the territory in a redevelopment area on the effective date of the ordinance but to which the territory has been annexed or otherwise included after the effective date, the assessment roll of the county last equalized on the effective date of the ordinance must be used in determining the assessed valuation of the taxable property in the redevelopment area on the effective date. If property which was shown on the assessment roll used to determine the amount of taxes allocated to the taxing agencies is transferred to the State and becomes exempt from taxation, the assessed valuation of the exempt property as shown on the assessment roll last equalized before the date on which the property was transferred to the State must be subtracted from the assessed valuation used to determine the amount of revenue allocated to the taxing agencies.

(b) Except as otherwise provided in paragraphs (c) and (d) [paragraphs (c) and (d)] of this section, section 19 of this act and NRS 540A.265, that portion of the levied taxes each year in excess of the amount set forth in paragraph (a) must be allocated to and when collected must be paid into a special fund of the redevelopment agency to pay the costs of redevelopment and to pay the principal of and interest on loans, money advanced to, or indebtedness, whether funded, refunded, assumed, or otherwise, incurred by the redevelopment agency to finance or refinance, in whole or in part, redevelopment. Unless the total assessed valuation of the taxable property in a redevelopment area exceeds the total assessed value of the taxable property in the redevelopment area as shown by the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan, all of the taxes levied and collected upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies. When the redevelopment plan is terminated pursuant to the provisions of NRS 279.438 and 279.439 and all loans, advances and indebtedness, if any, and interest thereon, have been paid, all money thereafter received from taxes upon the taxable property in the redevelopment area must be paid into the funds of the respective taxing agencies as taxes on all other property are paid.

(c) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a tax rate levied by a taxing agency to produce revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness that was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the debt service fund of that taxing agency.
(d) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to a new or increased tax rate levied by a taxing agency and was approved by the voters of the taxing agency on or after November 5, 1996, must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

(e) That portion of the taxes in excess of the amount set forth in paragraph (a) that is attributable to any taxes imposed for public education levied by a taxing agency must be allocated to and when collected must be paid into the appropriate fund of the taxing agency.

2. Except as otherwise provided in subsection 3, in any fiscal year, the total revenue paid to a redevelopment agency must not exceed:

(a) In a municipality whose population is 100,000 or more, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 10 percent of the total assessed valuation of the municipality.

(b) In a municipality whose population is 25,000 or more but less than 100,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 15 percent of the total assessed valuation of the municipality.

(c) In a municipality whose population is less than 25,000, an amount equal to the combined tax rates of the taxing agencies for that fiscal year multiplied by 20 percent of the total assessed valuation of the municipality.

If the revenue paid to a redevelopment agency must be limited pursuant to paragraph (a), (b) or (c) and the redevelopment agency has more than one redevelopment area, the redevelopment agency shall determine the allocation to each area. Any revenue which would be allocated to a redevelopment agency but for the provisions of this section must be paid into the funds of the respective taxing agencies.

3. The taxing agencies shall continue to pay to a redevelopment agency any amount which was being paid before July 1, 1987, and in anticipation of which the agency became obligated before July 1, 1987, to repay any bond, loan, money advanced or any other indebtedness, whether funded, refunded, assumed or otherwise incurred.

4. For the purposes of this section, the assessment roll last equalized before the effective date of the ordinance approving the redevelopment plan is the assessment roll in existence on March 15 immediately preceding the effective date of the ordinance.

5. As used in this section, "taxes imposed for public education" means:

(a) Any ad valorem tax authorized or required by chapter 387 of NRS.

(b) Any ad valorem tax authorized or required by chapter 350 of NRS for the obligations of a school district, including, without limitation, any ad valorem tax necessary to carry out the provisions of subsection 5 of NRS 350.020; and

(c) Any other ad valorem tax for which the proceeds thereof are dedicated to the public education of pupils in kindergarten through grade 12.

(a) The City may sell, lease or exchange real property only by resolution. Following the adoption of a resolution to sell, lease or exchange, the City Council shall cause a notice of its intention to sell, lease or exchange the real property to be published once in a newspaper qualified pursuant to the provisions of chapter 238 of NRS and published in the City. Except as otherwise provided in subsections 7 and 8, it must be the policy of the City Council to require that all such sales, leases or exchanges be made at or above the current appraised value as determined by the appraiser unless the City Council, in a public hearing held before the adoption of the resolution to sell, lease or exchange the property, determines by affirmative vote of not fewer than two-thirds of the entire City Council based upon specified findings of fact that a lesser value would be in the best interest of the public. For the purposes of this subsection, an appraisal is not considered current if it is more than 3 years old.

5. It must be the policy of the City Council to sell, lease and exchange real property in a manner that will result in the maximum benefit accruing to the City from the sales, leases and exchanges. The City Council may attach any condition to the sale, lease or exchange as appears to the City Council to be in the best interests of the City.

In any such case, the consideration paid must equal the cost of the acquisition to the City.

8. 9. Proceeds from all sales and exchanges of real property owned by the City, after deduction of the cost of the real property, reasonable costs of publication, title insurance, escrow and normal costs of sale, must be placed in the Land Fund previously created by the City in the City Treasury and hereby continued. Except as otherwise provided in subsection 10, money in the Land Fund may be expended only for:

Amendment No. 635.

SUMMARY—Revises provisions governing the employment of retired public employees. (BDR 23-782)

AN ACT relating to education; public employees' retirement; revising provisions governing the allowances that may be paid to a retired public employee who accepts employment or an independent contract with the board of trustees of a school district or the governing body of a charter school in a position for which there is a critical labor shortage; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that a retired public employee who accepts employment or an independent contract with a public employer under the Public Employees’ Retirement System is disqualified from receiving allowances under the System for the duration of that employment or contract under certain circumstances. (NRS 286.520) Existing law also provides an exception to this disqualification from receipt of allowances if the retired public employee fills a position for which there is a critical labor shortage. (NRS 286.523) This exception under existing law is scheduled to expire on June 30, 2009. (Chapter 316, Statutes of Nevada 2005, p. 1076) Section 1 of this bill continues this exception for a retired public employee who accepts employment or an independent contract with the board of trustees of a school district or the governing body of a charter school in a position for which there is a critical labor shortage, as designated by the Department of Education. (1077) This bill extends the prospective expiration of this exception to June 30, 2015. Section 4 of this bill revises the criteria which must be considered by a designating authority in determining whether to designate a position for which there is a critical labor shortage. Section 4 also requires the designating authority to submit written findings of the determination to the Public Employees’ Retirement Board on a form prescribed by the Board. The Board must compile the forms and submit a biennial report of the compilation to the Interim Retirement and Benefits Committee of the Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 391 of NRS is hereby amended by adding thereto a new section to read as follows:

3. The Department shall designate the positions with the various school districts and charter schools for which there are critical labor shortages.

4. In determining whether a position is a position for which there is a critical labor shortage, the Department shall give consideration to:
   (a) The history of the rate of turnover for the position;
   (b) The number of openings for the position and the number of qualified candidates for those openings;
   (c) The length of time the position has been vacant; and
   (d) The success of recruiting persons in other states to fill the position.

5. The Department shall not designate a position pursuant to subsection 3 as a position for which there is a critical labor shortage for a period longer than 2 years. Sec. 2. NRS 286.520 is hereby amended to read as follows:

286.520 1. Except as otherwise provided in this section and NRS 286.525[,] and section 1 of this act, the consequences of the employment of a retired employee are:

   (a) A retired employee who accepts employment or an independent contract with a public employer under this System is disqualified from receiving any allowances under this System for the duration of that employment or contract if:
       (1) He accepted the employment or contract within 90 calendar days after the effective date of his retirement; or
       (2) He is employed in a position which is eligible to participate in this System;
   (b) If a retired employee accepts employment or an independent contract with a public employer under this System more than 90 calendar days after the effective date of his retirement in a position which is not eligible to participate in this System, his allowance under this System terminates upon his earning an amount equal to one half of the average salary for participating public employees who are not police officers or firefighters in any fiscal year, for the duration of that employment or contract.
(c) If a retired employee accepts employment with an employer who is not a public employer under this System, the employee is entitled to the same allowances as a retired employee who has no employment.

2. The retired employee and the public employer shall notify the System:
   (a) Within 10 days after the first day of an employment or contract governed by paragraph (a) of subsection 1.
   (b) Within 30 days after the first day of an employment or contract governed by paragraph (b) of subsection 1.
   (c) Within 10 days after a retired employee earns more than one-half of the average salary for participating public employees who are not police officers or firefighters in any fiscal year from an employment or contract governed by paragraph (b) of subsection 1.

3. For the purposes of this section, the average salary for participating public employees who are not police officers or firefighters must be computed on the basis of the most recent actuarial valuation of the System.

4. If a retired employee who accepts employment or an independent contract with a public employer under this System pursuant to this section elects not to reenroll in the System pursuant to subsection 1 of NRS 286.525, the public employer with which the retired employee accepted employment or an independent contract may pay contributions on behalf of the retired employee to a retirement fund which is not a part of the System in an amount not to exceed the amount of the contributions that the public employer would pay to the System on behalf of a participating public employee who is employed in a similar position.

5. If a retired employee is chosen by election or appointment to fill an elective public office, he is entitled to the same allowances as a retired employee who has no employment, unless he is serving in the same office in which he served and for which he received service credit as a member. A public employer may pay contributions on behalf of such a retired employee to a retirement fund which is not a part of the System in an amount not to exceed the amount of the contributions that the public employer would pay to the System on behalf of a participating public employee who serves in the same office.

6. The System may waive for one period of 30 days or less a retired employee’s disqualification under this section if the public employer certifies in writing, in advance, that the retired employee is recalled to meet an emergency and that no other qualified person is immediately available.

7. A person who accepts employment or an independent contract with either house of the Legislature or by the Legislative Counsel Bureau is exempt from the provisions of subsections 1 and 2 for the duration of that employment or contract.

Sec. 3. NRS 286.525 is hereby amended to read as follows:

286.525  1. A retired employee who accepts employment in a position eligible for membership may enroll in the System as of the effective date of
that employment. Except as otherwise provided in section 1 of this act, as of the date of enrollment:

(a) He forfeits all retirement allowances for the duration of that employment.

(b) He is entitled to receive, after the termination of the employment and upon written request, a refund of all contributions made by him during the employment. Except as otherwise required as a result of NRS 286.535 or 286.537, if he does not request the refund and the duration of the employment was at least 6 months, he gains additional service credit for that employment and is entitled to have a separate service retirement allowance calculated based on his compensation and service, effective upon the termination of that employment. If the duration of the employment was:

(1) Less than 5 years, the additional allowance must be added to his original allowance and must be under the same option and designate the same beneficiary as the original allowance.

(2) Five years or more, the additional allowance may be under any option and designate any beneficiary in accordance with NRS 286.545.

2. The original service retirement allowance of such a retired employee must not be recalculated based upon the additional service credit, nor is he entitled to any of the rights of membership that were not in effect at the time of his original retirement. The accrual of service credit pursuant to this section is subject to the limits imposed by:

(a) NRS 286.551; and

(b) Section 415 of the Internal Revenue Code, 26 U.S.C. § 415, if the member’s effective date of membership is on or after January 1, 1990.

3. Except as otherwise required as a result of NRS 286.470, 286.535 or 286.537, a retired employee who has been receiving a retirement allowance and who is reemployed and is enrolled in the System for at least 5 years may have his additional credit for service added to his previous credit for service. This additional credit for service must not apply to more than one period of employment after the original retirement.

4. The survivor of a deceased member who had previously retired and was rehired and enrolled in the System, who qualifies for benefits pursuant to NRS 286.671 to 286.6793, inclusive, is eligible for the benefits based on the service accrued through the second period of employment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. Chapter 392 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The board of trustees of each school district may adopt a policy for the public high schools in the district to provide a program of teen mentoring, which may include a component of adult mentoring, designed to increase:
   (a) Increase pupil participation in school activities, community activities and all levels of government; or
   (b) Increase the ability of ninth grade pupils enrolled in high school to successfully make the transition from middle school or junior high school to high school, or both.

2. Any such policy must include, without limitation:
   (a) Guidelines for establishing:
      (1) Eligibility requirements for pupils who participate in the program as mentors or mentees, including, without limitation, any minimum grade level for pupils who serve as mentors and any minimum grade point average that must be maintained by pupils who serve as mentors. The guidelines may not require a pupil who participates in the program to maintain a grade point average that is higher than the grade point average required for a pupil to participate in sports at the high school the pupil attends.
      (2) Training requirements for pupils who serve as mentors.
      (3) Incentives for pupils who serve as mentors.
      (b) A requirement that each public high school which establishes a program for teen mentoring must also establish a committee to select each pupil mentor who participates in the program. The policy must provide that the committee may select a pupil who does not meet the general eligibility requirements for mentors if the members of the committee determine that the pupil is otherwise qualified to serve as a mentor.
      (c) Any other provisions that the board of trustees deems appropriate.

3. If the board of trustees of a school district has adopted a policy pursuant to subsection 1, the principal of each public high school in the district may:
   (a) Carry out a program of teen mentoring in accordance with the policy prescribed by the board of trustees pursuant to subsection 1;
   (b) Adopt other policies for the program of teen mentoring that are consistent with this section and the policy prescribed by the board of trustees pursuant to subsection 1; and
   (c) On a date prescribed by the board of trustees, submit an annual report to the board of trustees and the Legislature that sets forth a summary of:
      (1) The specific activities of the program of teen mentoring; and
      (2) The effectiveness of the program in increasing pupil
participation in school activities, community activities and all levels of government or in increasing the ability of ninth grade pupils to successfully make the transition from middle school or junior high school to high school, as applicable to the type of program in effect at the school.

4. If the board of trustees of a school district has not adopted a policy pursuant to subsection 1, the principal of a public high school in the district may carry out a program of teen mentoring and take any action described in paragraph (b) or (c) of subsection 2 if:

(a) The principal submits to the board of trustees for its approval a plan for such a program of teen mentoring that is consistent with the provisions of this section; and

(b) The board of trustees approves the plan.

5. A plan submitted to a board of trustees of a school district pursuant to subsection 4 shall be deemed approved if the board of trustees does not act upon the plan within 60 days after the date on which the board of trustees receives the plan.

6. The board of trustees of each school district and each public high school may apply for and accept gifts, grants and donations from any source for the support of the board of trustees or a public high school in carrying out a program of teen mentoring pursuant to the provisions of this section. Any money received pursuant to this subsection may be used only for purposes of carrying out a program of teen mentoring pursuant to the provisions of this section.

7. This section does not preclude a board of trustees of a school district or a public high school from continuing any other similar program of teen mentoring that exists on the effective date of this act.

Sec. 2. This act becomes effective upon passage and approval.

Legislative Counsel’s Digest:

Under existing law, the driver’s license of a person convicted of driving under the influence is revoked for a certain period depending upon whether the violation is punishable as a first, second or third or subsequent violation that occurs within a period of 7 years. (NRS 483.460) This bill provides that
the period of revocation of the driver’s license of such a person must be based upon the total number of previous violations within a period of 7 years, regardless of how the violation is treated for sentencing purposes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 483.460 is hereby amended to read as follows:

483.460 1. Except as otherwise provided by specific statute, the Department shall revoke the license, permit or privilege of any driver upon receiving a record of his conviction of any of the following offenses, when that conviction has become final, and the driver is not eligible for a license, permit or privilege to drive for the period indicated:

(a) For a period of 3 years if the offense is:
   (1) A violation of subsection 5 of NRS 484.377.
   (2) A third or subsequent violation within 7 years of NRS 484.379 or 484.379778.

   (5) Conviction, or forfeiture of bail not vacated, upon three charges of reckless driving committed within a period of 12 months.
   (6) A second violation within 7 years of NRS 484.379 or 484.379778 that is punishable pursuant to paragraph (b) of subsection 1 of NRS 484.3792 and the driver is not eligible for a restricted license during any of that period.

(b) For a period of 1 year if the offense is:
   (1) Failure to stop and render aid as required pursuant to the laws of this State in the event of a motor vehicle accident resulting in the death or bodily injury of another.
   (2) Perjury or the making of a false affidavit or statement under oath to the Department pursuant to NRS 483.010 to 483.630, inclusive, or pursuant to any other law relating to the ownership or driving of motor vehicles.
   (3) Conviction, or forfeiture of bail not vacated, upon three charges of reckless driving committed within a period of 12 months.
(6) A violation of NRS 484.348.

(c) For a period of 90 days, if the offense is a first violation within 7 years of NRS 484.379 or 484.379778, the Department shall revoke the license, permit or privilege of a driver convicted of violating NRS 484.379 or 484.379778 who fails to complete the educational course on the use of alcohol and controlled substances within the time ordered by the court and shall add a period of 90 days during which the driver is not eligible for a license, permit or privilege to drive.

2. The Department shall revoke the license, permit or privilege of a driver convicted of violating NRS 484.379 or 484.379778 who fails to complete the educational course on the use of alcohol and controlled substances within the time ordered by the court and shall add a period of 90 days during which the driver is not eligible for a license, permit or privilege to drive.

3. When the Department is notified by a court that a person who has been convicted of a first violation within 7 years of NRS 484.379 or NRS 484.379778 has been permitted to enter a program of treatment pursuant to NRS 484.37937, the Department shall reduce by one-half the period during which he is not eligible for a license, permit or privilege to drive, but shall restore that reduction in time if notified that he was not accepted for or failed to complete the treatment.

4. The Department shall revoke the license, permit or privilege to drive of a person who is required to install a device pursuant to NRS 484.3943 but who operates a motor vehicle without such a device:

(a) For 3 years, if it is his first such offense during the period of required use of the device.

(b) For 5 years, if it is his second such offense during the period of required use of the device.

5. A driver whose license, permit or privilege is revoked pursuant to subsection 4 is not eligible for a restricted license during the period set forth in paragraph (a) or (b) of that subsection, whichever applies.

6. In addition to any other requirements set forth by specific statute, if the Department is notified that a court has ordered the revocation, suspension or delay in the issuance of a license pursuant to title 5 of NRS, NRS 176.064 or 206.330, chapter 484 of NRS or any other provision of law, the Department shall take such actions as are necessary to carry out the court’s order.

Sec. 2. NRS 483.490 is hereby amended to read as follows:

483.490 1. Except as otherwise provided in this section, after a driver’s license has been suspended or revoked for an offense other than a second violation within 7 years of NRS 484.379 or NRS 484.379778, and one-half of the period during which the driver is not eligible for a license has expired, the Department may, unless the statute authorizing the suspension prohibits the issuance of a restricted license, issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
(a) To and from work or in the course of his work, or both; or
(b) To acquire supplies of medicine or food or receive regularly scheduled medical care for himself or a member of his immediate family.

Before a restricted license may be issued, the applicant must submit sufficient documentary evidence to satisfy the Department that a severe hardship exists because the applicant has no alternative means of transportation and that the severe hardship outweighs the risk to the public if he is issued a restricted license.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484.3943:
   (a) Shall install the device not later than 21 days after the date on which the order was issued; and
   (b) May not receive a restricted license pursuant to this section until:
       (1) After at least 1 year of the period during which he is not eligible for a license, if he was convicted of:
           (I) A violation of NRS 484.3795 or a homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379, 484.3795 or 484.37955; or
           (II) A violation of NRS 484.379 that is punishable as a felony pursuant to NRS 484.3792;
       (2) After at least 180 days of the period during which he is not eligible for a license, if he was convicted of a violation of subsection 5 of NRS 484.377; or
       (3) After at least 45 days of the period during which he is not eligible for a license, if he was convicted of a first violation of paragraph (a) of subsection 1 of NRS 484.3792.

3. If the Department has received a copy of an order requiring a person to install a device in a motor vehicle pursuant to NRS 484.3943, the Department shall not issue a restricted driver’s license to such a person pursuant to this section unless the applicant has submitted proof of compliance with subsection 1.

4. After a driver’s license has been revoked or suspended pursuant to title 5 of NRS, the Department may issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
   (a) If applicable, to and from work or in the course of his work, or both; or
   (b) If applicable, to and from school.

5. After a driver’s license has been suspended pursuant to NRS 483.443, the Department may issue a restricted driver’s license to an applicant permitting the applicant to drive a motor vehicle:
   (a) If applicable, to and from work or in the course of his work, or both;
   (b) To receive regularly scheduled medical care for himself or a member of his immediate family; or
(c) If applicable, as necessary to exercise a court-ordered right to visit a child.

6. A driver who violates a condition of a restricted license issued pursuant to subsection 1 or by another jurisdiction is guilty of a misdemeanor and, if the license of the driver was suspended or revoked for:
   (a) A violation of NRS 484.379, 484.3795 or 484.384;
   (b) A homicide resulting from driving or being in actual physical control of a vehicle while under the influence of intoxicating liquor or a controlled substance or resulting from any other conduct prohibited by NRS 484.379, 484.3795 or 484.37955; or
   (c) A violation of a law of any other jurisdiction that prohibits the same or similar conduct as set forth in paragraph (a) or (b), the driver shall be punished in the manner provided pursuant to subsection 2 of NRS 483.560.

7. The periods of suspensions and revocations required pursuant to this chapter and NRS 484.384 must run consecutively, except as otherwise provided in NRS 483.465 and 483.475, when the suspensions must run concurrently.

8. Whenever the Department suspends or revokes a license, the period of suspension, or of ineligibility for a license after the revocation, begins upon the effective date of the revocation or suspension as contained in the notice thereof.

Sec. 3. In determining the number of violations committed by a person for the purposes of NRS 483.460 and 483.490, as amended by this act, the amendatory provisions of this act apply to offenses committed before, on or after the effective date of this act.

The summary order to cease and desist must state the section of this chapter or regulation or order of the Administrator under this chapter which the Administrator reasonably believes has been or is being violated.

2. If the Administrator reasonably believes, whether or not based upon an investigation conducted under NRS 90.620, that a person has violated this chapter or a regulation or order of the Administrator under this chapter, the Administrator, in addition to any specific power granted under this chapter, after giving notice by registered or certified mail and conducting a hearing in an administrative proceeding, unless the right to notice and hearing is waived by the person against whom the sanction is imposed, may:

   (a) If the Administrator revokes the license of a broker-dealer, sales representative, investment adviser or representative of an investment adviser or bars a person from association with a licensed broker-dealer or investment adviser under this section or NRS 90.420, the imposition of that sanction precludes imposition of a civil penalty under subsection 2; and

AN ACT relating to crimes; prohibiting certain acts relating to radio frequency identification documents; revising the provisions relating to certain offenses involving the possession or use of personal identifying information; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill prohibits a person from knowingly, intentionally and for the purpose of committing fraud, identity theft or any other unlawful act: (1) capturing, storing or reading information from the radio frequency identification document of another person without the knowledge and consent of the other person; or (2) retaining, using or disclosing information that the person knows to have been obtained from the radio frequency identification document of another person without the knowledge and consent of the other person. This new crime is punishable as a category C felony.

Existing law establishes an exception to the statutory prohibitions relating to the possession or use of the personal identifying information of another person by providing that those prohibitions do not apply to a person who, without the intent to defraud or commit an unlawful act, possesses or uses the personal identifying information of another person pursuant to a financial transaction entered into with an authorized user of a payment card who has given permission for the financial transaction. (NRS 205.4655) Section 5 of this bill deletes from this exception the requirement that such an authorized user of a payment card must have given permission for the financial transaction.

Existing law prohibits a person from using any means of oral, written or electronic communication to knowingly threaten to cause bodily harm or death to a pupil or school employee with the intent to: (1) intimidate, frighten, alarm or distress the pupil or school employee; (2) cause panic or civil unrest; or (3) interfere with the operation of a public school. The following amendment was proposed by the Committee on Judiciary:

Amendment No. 590. AN ACT relating to certain public officials; making the district attorney of Humboldt County the ex officio public administrator of Humboldt County; revising certain provisions regarding the administration of certain estates; revising certain provisions regarding the appointment of public guardians; repealing certain provisions relating to public administrators; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
This bill amends a number of provisions governing public administrators who are public officials that administer the estates of decedents having no qualified person willing and able to do so. Sections 2 and 9 of this bill
provide for the district attorney of Humboldt County to serve, ex officio, as
the public administrator of the county, as the district attorneys for Lander,
Lincoln and White Pine counties do currently. (NRS 253.010, 253.050)
Section 2 also authorizes the board of county commissioners in any county
with an elected public administrator to appoint the public administrator if the
office becomes vacant.
Under existing law, a public administrator may secure the property of a
decedent if the public administrator finds that the decedent has no relatives
able to protect the property and that failure to do so could endanger the
property. (NRS 253.0405) Section 3 of this bill authorizes a public
administrator to secure the property of a decedent if either, not both, of those
conditions exist. Section 4 of this bill revises the notice requirements before
a public administrator may donate or destroy certain property. (NRS
253.0407) Sections 5 and 6 of this bill require and authorize a public
administrator to conduct certain investigations. (NRS 253.0415, 253.042)
Section 7 of this bill increases the maximum value of an estate that may be
set aside without administration. (NRS 253.0425)
Under existing law, certain powers and duties of public administrators are
limited so as to be applicable only to public administrators in counties whose
population is 100,000 or more (currently Clark and Washoe Counties). (NRS
253.041, 253.0415-253.0435) Section 14 of this bill repeals NRS 253.041 so
that the powers and duties set forth in NRS 253.0415 to 253.0435, inclusive,
apply to public administrators in all counties. Conversely, existing law also
sets forth that certain powers and duties of public administrators are limited
so as to be applicable only to public administrators in counties whose
population is less than 100,000 (currently counties other than Clark and
Washoe Counties). (NRS 253.044, 253.0445, 253.045) Section 14 repeals
those provisions.
This bill also amends provisions governing public guardians. Section 10
of this bill requires a public guardian to retain records relating to guardianships
for at least 7 years. (NRS 253.190) Section 11 of this bill requires the requirements for a resident of Nevada to be eligible to have a county
public guardian appointed as his permanent or general individual guardian.
Further, section 11 provides that a county is not liable on any written or
oral contract entered into by a public guardian of the county for or on
behalf of the ward. (NRS 253.200)
Currently, a public guardian may demand certain information from a
proposed ward—a person for whom proceedings for the appointment of a
guardian have begun—or from the spouse, parent, child or other kindred of a
proposed ward, but not from a person for whom a guardian has been
appointed. (NRS 253.220) Section 12 of this bill revises that provision so
that the information can be demanded from or about a ward but not a
proposed ward.
Finally, section 12.5 of this bill authorizes a court to terminate the
appointment of a public guardian as an individual guardian of a person
or estate if the public guardian, after exercising due diligence, is unable to identify a source to pay for the care of the ward.

   and White Pine Counties, if, for any reason, the office of public
   administrator becomes vacant, the board of county commissioners may
   appoint a public administrator for the remainder of the unexpired term.

       of the ward; and

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 593.

AN ACT relating to state governmental procurement; establishing bidders’ preferences for local businesses and local businesses owned by service-disabled veterans with respect to state purchasing contracts; establishing bidders’ preferences for local businesses owned by service-disabled veterans with respect to state public works contracts; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law, with respect only to contracts for public works for which the estimated cost exceeds $250,000, provides a mechanism by which a contractor who has paid certain taxes may earn a 5-percent preference in bidding on public works. (NRS 338.1389, 338.147, 338.1693, 338.1727) Sections 18-25 of this bill establish a limited preference in bidding on public works for local businesses owned by service-disabled veterans. This new preference in bidding on public works does not overlap with the existing preference in bidding on public works because the new preference is limited to public works for which the estimated cost is $100,000 or less.

Under existing law, the State of Nevada imposes an inverse preference against a person who submits a bid or proposal on a state purchasing contract if that person is a resident of a state that denies a preference to bidders or contractors who are residents of this State. (NRS 333.336) Section 31 of this bill repeals that inverse preference.

In place of the former inverse preference, sections 5-13 of this bill establish two separate new preferences in bidding on state purchasing contracts: (1) section 10 adds a 5-percent preference for local businesses; and (2) section 10 also adds a 7-percent preference for local businesses owned by service-disabled veterans. Section 14 of this bill requires advertisements for bids or proposals to include notices of these new preferences.

Section 30 of this bill directs the Office of Veterans' Services to perform certain duties with respect to gathering information and making recommendations to the Legislative Commission concerning the preferences for local businesses owned by service-disabled veterans.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 333 of NRS is hereby amended by adding thereto the provisions set forth as sections 5 to 13, inclusive, of this act.

SUMMARY—
[Makes various changes relating to certain convicted persons. Requires the preservation of certain biological evidence under certain circumstances.](BDR 14-518)
AN ACT relating to offenders; requiring the preservation of certain biological evidence under certain circumstances; authorizing certain persons to be committed to the Department of Corrections for evaluation; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Section 2 of this bill provides that upon the conviction of a defendant for a category A or B felony, an agency of criminal justice that possesses any biological evidence secured in connection with the investigation or prosecution of the defendant is required to preserve such evidence until the expiration of any sentence imposed on the defendant.

Sections 4, 6, 7, 9 and 10 of this bill authorize a court to commit before sentencing or as a condition of probation, offenders who have never been sentenced to imprisonment for more than 6 months as adults to the Department of Corrections or a local detention center for certain periods of evaluation. Such evaluations may be completed in conjunction with the Department of Health and Human Services. Upon conclusion of the evaluation period of such an offender, the Department of Corrections is required to report its results and the recommendations of the Department of Health and Human Services to the court to assist the court in determining whether to grant probation or impose a sentence of imprisonment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.

Assembly Bill No. 461. Bill read third time.

The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 632.

AN ACT relating to older persons; revising the provisions pertaining to the reporting of abuse, neglect, exploitation or isolation of an older person; providing for the establishment of a multidisciplinary team; increasing certain filing fees; making various other changes relating to older persons; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, certain persons, including, without limitation, medical professionals, therapists and social workers, are required to make a report if the person knows or reasonably believes an older person has been abused, neglected, exploited or isolated. (NRS 200.5093) Section 1 of this bill adds to the list of persons required to make such a report: (1) religious leaders, unless the religious leader acquired knowledge of the abuse, neglect, exploitation or isolation during a confession; and (2) attorneys, unless the attorney acquired knowledge of the abuse, neglect, exploitation or isolation from a client who is or may be accused of the crime.

Existing law requires certain governmental entities to forward to the Aging Services Division of the Department of Health and Human Services and to the Unit for the Investigation and Prosecution of Crimes Against Older Persons in the Office of the Attorney General a copy of the final report of the investigation of a report of abuse, neglect, exploitation or isolation of an older person. (NRS 200.5093) Section 1 of this bill: (1) adds the Repository for Information Concerning Crimes Against Older Persons to the list of entities that must be forwarded a copy of such a report; and (2) changes the period within which the report must be forwarded from 90 days after the completion of the report to 30 days after the completion of the report.

Section 2 of this bill imposes a filing fee of $10 for deposit in the Account for the Unit for the Investigation and Prosecution of Crimes Against Older Persons. (Chapter 19 of NRS)

Existing law allows a prospective witness who may be unable to attend or may be prevented from attending a trial or hearing to have his deposition taken, if his testimony is material, in order to prevent a failure of justice. (NRS 174.175) At a trial or hearing, a part or all of a deposition may be used if it appears that: (1) the witness is dead; (2) the witness is out of the State of Nevada; (3) the witness is sick; (4) the witness has become of unsound mind; or (5) the party offering the deposition could not procure the attendance of
the witness by subpoena. (NRS 174.215) **Section 4** of this bill expands the list of prospective witnesses who may have their deposition taken to include **persons who are 70 years of age or older.** (NRS 174.175)

**Section 5** of this bill allows the Repository for Information Concerning Crimes Against Older Persons to include records of every incident of elder abuse reported to any entity and certain additional information related to each incident. (NRS 179A.450)

**Section 6** of this bill allows the Unit for the Investigation and Prosecution of Crimes Against Older Persons to establish a multidisciplinary team to review any allegations of abuse, neglect, exploitation or isolation of an older person or the death of an older person as the result of abuse, neglect or isolation and prescribes its membership. (NRS 228.270) The establishment of such a team does not grant the Unit supervisory authority over any state or local agency that investigates or prosecutes allegations of abuse, neglect, exploitation or isolation of an older person or the death of an older person as the result of abuse, neglect or isolation.

**Section 7** of this bill requires the Peace Officers’ Standards and Training Commission to adopt regulations that require all peace officers to receive training in the handling of cases involving abuse, neglect, exploitation and isolation of older persons. (NRS 289.510)

**Section 10** of this bill makes an appropriation to the Account for the Unit for the Investigation and Prosecution of Crimes Against Older Persons.

ASSEMBLY IN SESSION

At 12:50 p.m.
Mr. Speaker pro Tempore presiding.
Quorum present.

Assembly Bill No. 458.
Bill read third time.
Remarks by Assemblywomen Buckley, Smith, and Gansert.
Assemblywoman Buckley requested that the following remarks be entered in the Journal.

ASSEMBLYWOMAN BUCKLEY:
Thank you, Mr. Speaker pro Tempore. Assembly Bill 458 stabilizes funding for K-12 education in Nevada. Assembly Bill 458 will return dollars to the K-12 education budget by doing two things: first, creating a rainy day fund to cushion the budget from the harshest effects of economic downturns, and second, stopping the diversion of tax dollars from education.

I certainly don’t have to tell anybody in this body the effects of our economic downturn. Our state is facing a loss of 44 percent when we compare to what is needed to fund current services. Because education comprises such a large percentage of our budget, it is hard to shield education from a severe downturn. That is why Assembly Bill 458 is needed—to create an education rainy day fund, so when times are tough, we have an avenue available to us so as to not have to cut our progress.
It seems a short time ago when we were arguing in this legislative body about how much to fund career and technical education, how much to fund full day kindergarten, how much to fund empowerment schools, how much to fund pay for performance in education, and how much to fund the innovative fund for schools. Now look at where we are. It makes no sense to fund education in good times and to take away money in bad times. The children are going to school whether the economy is good or whether the economy is bad. It makes no sense to divert tax dollars for education in order to attract businesses to come here when businesses don’t want to come to Nevada because of our educational system. We need a balanced approach and that is what Assembly Bill 458 does. It looks at what is being diverted from education and says it doesn’t make sense to divert money from education at a time when education funding needs more. It also looks at the money that comes back to the state when enrollments or projections are lower and says that money will be set aside for the future of education. Assembly Bill 458 will help our state in the long run. It is a long-term reform that can make sure that we are not in the same situation again. I urge your support.

ASSEMBLYWOMAN SMITH:
Thank you, Mr. Speaker pro Tempore. I rise in support of Assembly Bill 458 and appreciate the Speaker bringing this bill forward. She is absolutely right that we have seen the bust and boom with education funding. We saw the end results over the last year when we cut so much from our education budget. We worked hard to provide some funding for pay for performance in the last session—it’s gone; empowerment schools, it’s gone; the Remediation Trust Fund. This is something my colleagues and I worked on for the better part of the last year and will really put that education money back where it belongs—in education. I will tell you that our constituents and the taxpayers appreciate knowing that when they approve a tax increase, which they have done many times over the years in the name of education funding, they want it to stay there. This is a solid way of making that happen, and I urge your support.

ASSEMBLYWOMAN GANSERT:
Thank you, Mr. Speaker pro Tempore. I have a question. There is some concern about impairing the repayment of current debt, and so I have been looking through the bill trying to make sure that anything that is currently on the books will not be affected by this. There was some discussion about whether it was the net or the gross incremental financing.

ASSEMBLYWOMAN BUCKLEY:
Thank you, Mr. Speaker pro Tempore. To you and through you to the Minority Leader, if a redevelopment agency has a preexisting obligation and compliance with the terms of the obligation is threatened by the setoff, the redevelopment agency shall be held harmless if an opinion of bond counsel—independent of the redevelopment agency, the municipality and the assessor—explains how and for what period such compliance is threatened by the setoff. Preexisting obligations include MOUs where the MOU is executed before April 1, 2009, and where the developers expended funds to excavate, demolish, or otherwise reduce the value of the acquired property. Affecting anything that is already obligated by bond would not be permissible, as it would impair the integrity of that bond.

ASSEMBLYWOMAN GANSERT:
If you have started to work on a project—so the April 1—and put some money into your project, then that potentially would be grandfathered in also?

ASSEMBLYWOMAN BUCKLEY:
Thank you, Mr. Speaker pro Tempore. Where the MOU was executed before April 1, 2009, and where there has been an expenditure of funds with regard to the project a preexisting obligation exists. It is always tricky when you grandfather people in. On one hand, you want to allow someone who relied in good faith on the existing law to proceed where there is money out of pocket. On the other hand, we have seen examples of legislation where we passed legislation as of July 1 and everybody and his brother rushes in, when they don’t even have a project. They have a dream and they try to obligate. This is a balance that we struck in discussion with many people who potentially would be affected, and this is, I believe, a fair balance to make sure that
there is an existing MOU and there is an expenditure of funds. We put specific showings that need to be made to make sure it is not just a pipe dream.
