Assembly called to order at 11:34 a.m.
Madam Speaker presiding.
Roll called.
All present except Assemblywoman Kirkpatrick, who was excused.
Prayer by the Chaplain, Rabbi Jonathan Freirich.

Thank you again for the honor of providing some opening words today. I hope my words will continue to be interesting and brief—since all of you are standing. Yesterday, I mentioned the two major Jewish holidays of this season—Passover in April and Shavuot, the Feast of Weeks, soon to come at the end of May. Many of you know all about Passover already, the Jewish celebration of freedom through the commemoration of the story of the Exodus from Egypt. In the Hebrews scriptures, Shavuot, the Feast of Weeks, celebrates the successful winter harvest—as Judaism evolved through the centuries, the ancient rabbis connected the celebration of Shavuot with the Israelites receiving the Five Books of Moses at Mount Sinai.

Jewish people have traditionally connected the freedom from slavery with the acceptance of responsibility at Mount Sinai. In other words, freedom does not grant us freedom to do whatever we want, but instead the freedom to enter into responsible relationships with individuals, communities, and our concept of the mystery of the universe.

Let us all remember that freedom and responsibility always depend upon each other. Our freedom to do what we want depends on us acting responsibly to each other and to our local and national communities.

We can now say,

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.
Motion carried.

SUMMARY—Makes various changes relating to technological crime and the seizure of certain funds associated with prepaid or stored value cards.

AN ACT relating to crimes; revising the provisions relating to the disclosure of certain electronic information by certain providers of certain technological services during investigations involving technological crimes; revising the provisions relating to the forfeiture of property and proceeds attributable to technological crimes; establishing procedures for identifying certain funds associated with prepaid or stored value cards; making various other changes relating to technological crimes; authorizing certain contracts to carry out the provisions relating to the identification of such funds; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Sections 2 and 14 of this bill repeal the existing provisions of Nevada law pertaining to the disclosure of certain information by a provider of Internet service and replace those existing provisions with new provisions authorizing the disclosure of certain information under certain circumstances by a provider of electronic communication service or a remote computing service which conform with, and which are closely patterned after, the requirements of applicable federal law. (NRS 193.340, 18 U.S.C. § 2703)
Sections 3–10 of this bill establish procedures to allow law enforcement to freeze and seize funds associated with prepaid or stored value cards. Section 6 of thi... identifies the name, personal information and amount of funds associated with a prepaid or stored value card in certain circumstances where there is probable cause to believe that the prepaid or stored value card is an instrumentality of a crime. This requires the peace officer to provide notice of the freeze to the financial institution identified as the issuer of the card.

Section 7 of this bill allows a peace officer to seize the funds associated with a prepaid or stored value card if the financial institution identified as the issuer of the card is not located in this country and the peace officer has probable cause to believe a freeze will not be honored by the financial institution.

Section 8 of this bill provides procedures for the issuance of warrants to seize funds associated with prepaid or stored value cards.

Section 9 of this bill provides a procedure for a person aggrieved by the seizure of the funds associated with a prepaid or stored value card pursuant to a warrant to file a motion for the return of the funds and the suppression of the evidence obtained pursuant to the warrant.

Section 10 of this bill allows the Attorney General or a state or local law enforcement agency to enter into a contract to carry out the provisions of this bill concerning the freezing and seizing identification of funds.

Section 11 of this bill revises the provisions relating to the forfeiture of property and proceeds attributable to any felony crime to include, specifically, reference to a “prepaid or stored value card” and funds associated with a prepaid or stored value card as property that is subject to forfeiture. (NRS 179.1162)

Section 12 of this bill revises the provisions relating to the forfeiture of property and proceeds attributable to technological crimes to include, specifically, reference to a “prepaid or stored value card” and funds associated with a prepaid or stored value card as property that is subject to forfeiture. (NRS 179.1215)

Section 13 of this bill makes a technical correction to include a necessary reference to the provisions relating to forfeiture of property and proceeds attributable to technological crimes. (NRS 179.1211–179.1235)

       contract pursuant to this section, and any officers, employees or agents of
       that person, for claims for actions taken at the direction of a law
       enforcement agency in this State and within the scope of the contract.

5. As used in this section:

(a) For 180 days or less, only by a search warrant issued pursuant to NRS 179.015 to 179.115, inclusive.

(b) For more than 180 days, by any means available pursuant to subsection 2.

7. A court order for disclosure pursuant to subsection 3, 4 or 5 may be issued by any court of competent jurisdiction only if the governmental entity offers specific and articulable facts showing that there are reasonable grounds to believe that the contents of a wire or electronic communication, or the records or other information sought, are relevant and material to an ongoing criminal investigation that involves or may involve a technological crime. A court issuing an order pursuant to this subsection, on a motion made promptly by the provider of wire or electronic communication service or remote computing service, may quash or modify such order if the information or records requested are unusually voluminous in nature or compliance with such order otherwise would cause an undue burden on the provider of wire or electronic communication service or remote computing service.

11. The notice to a subscriber or customer required by this section may be delayed for a period not to exceed 90 days under any of the following circumstances:

(a) If the applicant for a search warrant or court order requests a delay of notification and the court finds that delay is necessary to protect the safety of any person or to prevent flight from prosecution, tampering with evidence, intimidation of witnesses or jeopardizing an investigation.

A true copy of the certification must be retained with the subpoena.

12. If further delay of notification is necessary, an extension not to exceed 90 days may be obtained by application to the court.

13. No cause of action may lie in any court against any provider of wire or electronic communication service or remote computing service, its officers, employees, agents or other specified persons for providing information, facilities or assistance in accordance with the terms of a court order, search warrant, subpoena or other process pursuant to this section.

14. As used in this section:

identifying information obtained in connection with the seizure are not admissible evidence at any trial or hearing. (Deleted by amendment.)

(b) Were designed or intended for use, or are being or had been used, as the means of committing a criminal offense; or

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 735.

AN ACT relating to notaries public; providing for electronic notarization; authorizing the Secretary of State to appoint electronic notaries public; revising provisions for the appointment of resident and nonresident notaries public; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the Secretary of State is authorized to appoint notaries public in this State. (NRS 240.010) Sections 3-26 of this bill enact the Electronic Notary Public Authorization Act, which authorizes the Secretary of State to appoint electronic notaries public who will be authorized to notarize electronic documents.

Sections 2 and 5-10 of this bill set forth various definitions relating to electronic notarization. Section 12 of this bill requires that a person seeking appointment as an electronic notary public already be a notary public in Nevada and successfully complete a course of study on electronic notarization, enter into a bond, pay an application fee and take an oath as a public officer. Section 14 of this bill provides that the initial term of appointment for an electronic notary public is 2 years and any subsequent term of appointment is 4 years. Section 16 of this bill states that an electronic
notary public may perform the same notarial acts as a notary public except for certifying copies and noting protests of a negotiable instrument, and section 17 of this bill sets forth the fees he may charge. Section 18 of this bill prohibits the electronic notarization of a will, codicil, testamentary trust or any document related to transactions governed by certain sections of the Uniform Commercial Code, as prohibited by the Uniform Electronic Transactions Act, codified as chapter 719 of NRS. (NRS 719.200) Section 19 of this bill sets forth the specific requirements that distinguish the notarization of an electronic document from a nonelectronic notarization, including the use of an electronic signature and an electronic seal. Sections 21 and 22 of this bill provide that an electronic notary public must safeguard his electronic signature and any software or device used in producing that signature. Section 23 of this bill makes it a gross misdemeanor to: (1) wrongfully make or distribute software or hardware for the purpose of allowing a person to act as an electronic notary public without being appointed; or (2) wrongfully obtain, conceal, damage or destroy the software or hardware used by an electronic notary public. Section 25 of this bill authorizes the Secretary of State to promulgate regulations to carry out the provisions of the Electronic Notary Public Authorization Act. Section 26 of this bill provides that all the laws which apply to regular notaries public apply to electronic notaries public unless a provision of the Electronic Notary Public Authorization Act conflicts, in which case the latter controls.

Existing law prohibits a person who has been convicted of a crime of moral turpitude or a person who does not possess his civil rights from being appointed as a notary public. (NRS 240.010, 240.015) Section 29 of this bill authorizes the Secretary of State to appoint as a notary public a person who was convicted of a crime of moral turpitude if: (1) more than 10 years have passed since the end of his sentence, parole or probation; (2) he has made restitution, if applicable; (3) he has had his civil rights restored; and (4) the crime for which he was convicted was not one of the crimes involving dishonesty or identity theft.

Existing law allows a resident of an adjoining state to be appointed as a notary public in Nevada if he maintains or works for a business in Nevada. (NRS 240.015) Sections 30-32 of this bill amend the requirements for a nonresident notary public to further require a copy of a state business license and any other business license required by a local government where the business is located as proof of employment or self-employment in Nevada when applying for an appointment or the renewal of an appointment as a nonresident notary public.

(d) Possess his civil rights.
2. If a person appointed as a notary public ceases to be lawfully admitted for permanent residency in the United States during his appointment, he shall, within 90 days after his lawful admission has expired or is otherwise terminated, submit to the Secretary of State evidence that he is lawfully readmitted for permanent residency as verified by the United States Citizenship and Immigration Services. If the person fails to submit such evidence within the prescribed time, his appointment expires by operation of law.
3. The Secretary of State may appoint a person who resides in an adjoining state as a notary public if the person:
(a) Maintains a place of business in the State of Nevada that is licensed pursuant to NRS 360.780 and any applicable business licensing requirements of the local government where the business is located; or
(b) Is regularly employed at an office, business or facility located within the State of Nevada by an employer licensed to do business in this State.
If such a person ceases to maintain a place of business in this State or regular employment at an office, business or facility located within this State, the Secretary of State may suspend his appointment. The Secretary of State may reinstate an appointment suspended pursuant to this subsection if the notary public submits to the Secretary of State, before his term of appointment as a notary public expires, the information required pursuant to subsection 2 of NRS 240.030.
Sec. 31. NRS 240.030 is hereby amended to read as follows:
240.030 1. Each person applying for appointment as a notary public must:
(a) At the time he submits his application, pay to the Secretary of State $35.

(c) Submit to the Secretary of State proof satisfactory to the Secretary of State that he has enrolled in and successfully completed a course of study provided pursuant to NRS 240.018.
(d) Enter into a bond to the State of Nevada in the sum of $10,000, to be filed with the clerk of the county in which the applicant resides or, if the applicant is a resident of an adjoining state, with the clerk of the county in this State in which the applicant maintains a place of business or is
employed. The applicant **shall** submit to the Secretary of State a certificate issued by the appropriate county clerk which indicates that the applicant filed the bond required pursuant to this paragraph.

2. In addition to the requirements set forth in subsection 1, an applicant for appointment as a notary public who resides in an adjoining state must submit to the Secretary of State with his application:

   (a) An affidavit setting forth the adjoining state in which he resides, his mailing address and the address of his place of business or employment that is located within the State of Nevada; **and**

   (b) **A copy of his state business license issued pursuant to NRS 360.780 and any business license required by the local government where the business is located, if he is self-employed; and**

   (c) Unless the applicant is self-employed, **a copy of the state business license of his employer, a copy of any business license of his employer that is required by the local government where the business is located and an affidavit from his employer setting forth the facts which show:**

      (1) The employer is licensed to do business in the State of Nevada; and

      (2) **The employer regularly employs the applicant at an office, business or facility which is located within the State of Nevada.**

3. In completing an application, bond, oath or other document necessary to apply for appointment as a notary public, an applicant must not be required to disclose his residential address or telephone number on any such document which will become available to the public.

4. The bond, together with the oath, must be filed and recorded in the office of the county clerk of the county in which the applicant resides when he applies for his appointment or, if the applicant is a resident of an adjoining state, with the clerk of the county in this State in which the applicant maintains a place of business or is employed. On a form provided by the Secretary of State, the county clerk shall immediately certify to the Secretary of State that the required bond and oath have been filed and recorded. Upon receipt of the application, fee and certification that the required bond and oath have been filed and recorded, the Secretary of State shall issue a certificate of appointment as a notary public to the applicant.

5. The term of a notary public commences on the effective date of the bond required pursuant to paragraph (d) of subsection 1. A notary public shall not perform a notarial act after the effective date of the bond unless he has been issued a certificate of appointment.

6. Except as otherwise provided in this subsection, the Secretary of State shall charge a fee of $10 for each duplicate or amended certificate of appointment which is issued to a notary. If the notary public does not receive an original certificate of appointment, the Secretary of State shall provide a duplicate certificate of appointment without charge if the notary public
requests such a duplicate within 60 days after the date on which the original certificate was issued.

Sec. 32. NRS 240.031 is hereby amended to read as follows:
240.031 A notary public who is a resident of an adjoining state shall submit to the Secretary of State annually, within 30 days before the anniversary date of his appointment as a notary public, an affidavit containing a copy of the state business license of his place of employment in the State of Nevada issued pursuant to NRS 360.780, a copy of any license required by the local government where the business is located and the information required pursuant to subsection 2 of NRS 240.030.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 654.
AN ACT relating to general improvement districts; expanding the membership of the boards of trustees of certain general improvement districts; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Chapter 318 of NRS governs the creation and administration of general improvement districts in Nevada. Existing law requires that the board of trustees of a general improvement district consist of five members. (NRS 318.080) Section 1 of this bill expands the membership of the board of trustees of a general improvement district; (1) which exists on or before July 1, 2009; (2) which is authorized to furnish electric light and power in a county whose population is 400,000 or more; and (3) for which the board of county commissioners of the county is not ex officio the board of trustees, from five to seven members. Section 1 also provides the election
procedure for the new members, the continuing election process to keep the staggered terms for all board members and the new quorum requirements for the expanded board. **Currently, the Overton Power District in Clark County is the only general improvement district that is impacted by this bill.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 318 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Notwithstanding any provision of law to the contrary, the board of trustees of a district organized or reorganized pursuant to this chapter that exists on July 1, 2009, and that is authorized only to exercise the basic power of furnishing electric light and power pursuant to NRS 318.117 in a county whose population is 400,000 or more, and for which the board of county commissioners of the county is not ex officio the board of trustees, shall consist of seven trustees.

2. The members of the board of trustees described in subsection 1 must be selected as follows:
   
   (a) One member who is elected by the qualified electors of the largest incorporated city in the district at the first biennial election following July 1, 2009. The term of office of a trustee who is elected pursuant to this paragraph is 4 years.
   
   (b) One member who is elected by the qualified electors of the district at the first biennial election following July 1, 2009. The initial term of office of a trustee who is elected pursuant to this paragraph is 2 years. After the initial term, the term of office of a trustee who is elected pursuant to this paragraph is 4 years.
   
   (c) Five members who are elected from the election areas in the district created pursuant to NRS 318.0952 that existed on July 1, 2009, each of whom serves for a term of 4 years.

3. Each member of the board of trustees must be a resident of the area which he seeks to represent.

4. A majority of the members of the board constitutes a quorum at any meeting.

Sec. 2. NRS 318.090 is hereby amended to read as follows:

318.090 Except as otherwise provided in NRS 318.0953 and 318.09533:

1. The board shall, by resolution, designate the place where the office or principal place of the district is to be located, which must be within the corporate limits of the district and which may be changed by resolution of the board. Copies of all those resolutions must be filed with the county clerk or clerks of the county or counties wherein the district is located within 5
days after their adoption. The official records and files of the district must be kept at that office and must be open to public inspection as provided in NRS 239.010.

2. The board of trustees shall meet regularly at least once each year, and at such other times at the office or principal place of the district as provided in the bylaws.

3. Special meetings may be held on notice to each member of the board as often as, and at such places within the district as, the needs of the district require.

4. 

   Except as otherwise provided in section 1 of this act, three members of the board constitute a quorum at any meeting.

5. A vacancy on the board must be filled by a qualified elector of the district chosen by the remaining members of the board, the appointee to act until a successor in office qualifies as provided in NRS 318.080 on or after the first Monday in January next following the next biennial election, held in accordance with NRS 318.095 or section 1 of this act, at which election the vacancy must be filled by election if the term of office extends beyond that first Monday in January. Nominations of qualified electors of the district as candidates to fill unexpired terms of 2 years may be made the same as nominations for regular terms of 4 years, as provided in NRS 318.095 and section 1 of this act. If the board fails, neglects or refuses to fill any vacancy within 30 days after the vacancy occurs, the board of county commissioners shall fill that vacancy.

6. Each term of office of 4 years terminates on the first Monday in January next following the general election at which a successor in office is elected, as provided in NRS 318.095 or section 1 of this act. The successor's term of office commences then or as soon thereafter as the successor qualifies as provided in NRS 318.080, subject to the provisions in this chapter for initial appointments to a board, for appointments to fill vacancies of unexpired terms and for the reorganizations of districts under this chapter which were organized under other chapters of NRS.

Sec. 3. NRS 318.095 is hereby amended to read as follows:

318.095 Except as otherwise provided in NRS 318.095:

1. There must be held simultaneously with the first general election in the county after the creation of the district and simultaneously with every general election thereafter an election to be known as the biennial election of the district. The election must be conducted under the supervision of the county clerk or registrar of voters. A district shall reimburse the county clerk or registrar of voters for the costs he incurred in conducting the election for the district.

2. The office of trustee is a nonpartisan office. The general election laws of this State govern the candidacy, nominations and election of a member of
the board. The names of the candidates for trustee of a district may be placed on the ballot for the primary or general election.

3. **Except as otherwise provided in section 1 of this act, at** the first biennial election in any district organized or reorganized and operating under this chapter, and each fourth year thereafter, there must be elected by the qualified electors of the district two qualified electors as members of the board to serve for terms of 4 years. At the second biennial election and each fourth year thereafter, there must be so elected three qualified electors as members of the board to serve for terms of 4 years.

4. The secretary of the district shall give notice of election by publication and shall arrange such other details in connection therewith as the county clerk or registrar of voters may direct.

5. Any new member of the board must qualify in the same manner as members of the first board qualify.

Sec. 4. NRS 318.0951 is hereby amended to read as follows:

**318.0951**

1. Each trustee elected at any biennial election must be chosen by a plurality of the qualified electors of the district voting on the candidates for the vacancies to be filled.

2. **Except as otherwise provided in section 1 of this act, if** there are two regular terms which end on the first Monday in January next following the biennial election, the two qualified electors receiving the highest and next highest number of votes must be elected. If there are three regular terms so ending, the three qualified electors receiving the highest, next highest and third highest number of votes must be elected.

3. If there is a vacancy in an unexpired regular term to be filled at the biennial election, as provided in subsection 5 of NRS 318.090, the candidate who receives the highest number of votes, after there are chosen the successful candidates to fill the vacancies in expired regular terms as provided in subsection 2, must be elected.

Sec. 5. (Deleted by amendment.)

Sec. 6. NRS 318.09533 is hereby amended to read as follows:

**318.09533**

1. When the board of trustees of any district is constituted pursuant to NRS 318.0953, the following special provisions apply and supersede the corresponding provisions of NRS 318.080 to 318.09525, inclusive, **and section 1 of this act**, 318.0954 and 318.0955:

(e) The secretary and treasurer of the district shall not be members of the board of county commissioners. The board may designate the county clerk and county treasurer, respectively, to act ex officio as secretary and treasurer, or it may designate some other person to fill either or both of those offices. No additional bond may be required of the county treasurer as ex officio district treasurer or of any other county officer appropriately bonded as ex officio a district officer.

(f) The secretary and treasurer shall perform the duties prescribed in subsections 3 and 4 of NRS 318.085.

(g) No member of the board of county commissioners may be removed from the office of trustee under NRS 318.080, but any member is automatically removed from that office upon his removal from the office of county commissioner in the manner provided by law.

(h) The regular place of meeting of the board need not be within the corporate limits of the district but must be within the corporate limits of the county and be the regular meeting place of the board of county commissioners unless the board otherwise provides by resolution.

(i) The times of regular meetings of the board must be the same as the times of the regular meetings of the board of county commissioners unless the board otherwise provides by resolution.

(j) Special meetings may be held on notice to each member of the board as often as, and at such place or places within the county as, the board may determine, unless it otherwise provides by resolution.

Sec. 7. Nothing in this act affects the term of office or election area of a member of a board of trustees of a district organized or reorganized pursuant to this chapter. [and authorized only to exercise the basic power of furnishing electric light and power pursuant to NRS 318.117 in a county whose population is 400,000 or more, and for which the board of county commissioners of the county is not ex officio the board of trustees, and who is in office on July 1, 2009.]

The following amendment was proposed by the Committee on Elections, Procedures, Ethics, and Constitutional Amendments:
Amendment No. 675.
SUMMARY—Makes various changes relating to [comport with the constitutional doctrines of separation of powers and legislative privilege and immunity. Public officers and employees. (BDR 3-1164)]

AN ACT relating to the Legislative Department of State Government; government; implementing the constitutional doctrines of separation of powers and legislative privilege and immunity by codifying in statutory form the constitutional right of State Legislators to be protected from having to defend themselves, from being held liable and from being questioned or sanctioned in administrative or judicial proceedings for speech, debate, deliberation and other actions performed within the sphere of legitimate legislative activity; confirming that the constitutional doctrine of legislative privilege and immunity provides a testimonial privilege and an evidentiary privilege; revising provisions of the Nevada Ethics in Government Law and other provisions relating to ethics in government; making various statutory changes to comport with the constitutional doctrines of separation of powers and legislative privilege and immunity; and with the constitutional provisions governing impeachment, expulsion and removal from office; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill provides that for any speech or debate in either House of the Legislature, a member of the Senate or Assembly shall not be questioned in any other place. The purpose and effect of section 1 is to implement the constitutional doctrines of separation of powers and legislative privilege and immunity by codifying in statutary form the constitutional right of State Legislators to be protected from having to defend themselves, from
being held liable and from being questioned or sanctioned in administrative or judicial proceedings for speech, debate, deliberation and other actions performed within the sphere of legitimate legislative activity.

Under case law, the constitutional doctrine of legislative privilege and immunity provides a testimonial privilege and an evidentiary privilege which protect a Legislator from having to testify or disclose documents in administrative or judicial proceedings when such acts would intrude upon, interfere with or pry into the legislative process. (Gravel v. United States, 408 U.S. 606, 92 S.Ct. 2614 (1972); United States v. Rayburn House Office Bldg., 497 F.3d 654 (D.C. Cir. 2007)). Section 2 of this bill amends the Nevada statute governing testimonial and evidentiary privileges to confirm that the constitutional doctrine of legislative privilege and immunity provides a testimonial privilege and an evidentiary privilege. (NRS 49.015)

Sections 6, 7, 8 and 9 of this bill amend provisions of the Nevada Ethics in Government Law (Ethics Law) to make those provisions comport with the constitutional doctrines of separation of powers and legislative privilege and immunity. (Chapter 281A of NRS) In particular, section 9 amends NRS 281A.420 to clarify that the responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government. However, other provisions of the Nevada Ethics in Government Ethics Law remain applicable to State Legislators so that, for example, State Legislators will continue to be required to file the same financial disclosure forms as other public officers and the provisions prohibiting misuse of office that are applicable to other public officers will continue to apply to State Legislators with regard to conduct that falls outside the scope of legitimate legislative activity. Section 9 also clarifies that the provisions of NRS 281A.420 concerning disclosure, voting and abstention do not apply to State Legislators or allow the Commission on Ethics to exercise jurisdiction or authority over State Legislators with regard to disclosure, voting and abstention.

On December 22, 2008, the First Judicial District Court in and for Carson City held that the Commission on Ethics could not apply the provisions of NRS 281A.420 concerning disclosure, voting and abstention to State Legislators because under the constitutional doctrines of separation of powers and legislative privilege and immunity, the Legislator’s own House is the only governmental entity that may sanction the Legislator for performing legislative actions, like voting, that fall within the sphere of legitimate legislative activity and are an essential part of the legislative function. (Warren B. Hardy II v. Commission on Ethics, Nev. First Jud. Dist. Ct. Case No. 08 OC 00381 1B (Dec. 22, 2008))
The decision of the district court was based on the Nevada Supreme Court’s pronouncement that “under the separation of powers doctrine, individual legislators cannot, nor should they, be subject to fines or other penalties for voting in a particular way.” (Guinn v. Legislature, 119 Nev. 460, at 472 (2003)) The decision of the district court was also based on a long line of cases from the United States Supreme Court which hold that under the constitutional doctrines of separation of powers and legislative privilege and immunity, Federal and State Legislators must be free to represent the interests of their constituents with assurance that they will not later be called to task for that representation by the other branches of government. (Tenney v. Brandhove, 341 U.S. 367, 71 S.Ct. 783 (1951); Powell v. McCormack, 395 U.S. 486, 89 S.Ct. 1944 (1969); Gravel v. United States, 408 U.S. 606, 92 S.Ct. 2614 (1972); Supreme Court of Virginia v. Consumers Union, 446 U.S. 719, 100 S.Ct. 1967 (1980)) Given this well-established and long-standing precedent, the district court found that the constitutional doctrines of separation of powers and legislative privilege and immunity are intended to protect the independence of individual Legislators by giving them broad freedom of speech, debate, deliberation and action during the legislative process and by shielding them from executive and judicial oversight that realistically threatens to control their conduct as Legislators.

Thus, because of the constitutional doctrines of separation of powers and legislative privilege and immunity, the district court determined that any inquiry into the ethical propriety of legislative actions concerning disclosure, voting and abstention must be conducted by the Legislative Department and cannot be conducted by an administrative agency of the Executive Department, such as the Commission on Ethics. The district court also determined that because each House is given the exclusive constitutional power to determine the rules of its legislative proceedings and to punish its members for improper conduct related to those legislative proceedings, the Standing Rules adopted by each House concerning disclosure, voting and abstention take precedence over NRS 281A.420. Therefore, out of respect for the separation of powers under Section 1 of Article 3 of the Nevada Constitution and out of respect for the exclusive constitutional power of each House to determine its rules and punish its members under Section 6 of Article 4 of the Nevada Constitution, the district court held that the determination of whether a State Legislator has properly followed the Standing Rules concerning disclosure, voting and abstention is a matter reserved exclusively to the Legislator’s own House.

Finally, the district court emphasized that its decision applied only to the provisions of NRS 281A.420 concerning disclosure, voting and abstention and that the constitutional doctrines of separation of powers and legislative
privilege and immunity do not provide State Legislators with blanket protection from the Nevada Ethics in Government Law. Rather, State Legislators remain subject to the Ethics Law for conduct that falls outside the scope of legitimate legislative activity.

Sections 3.4-5.4 and 7.2-8.23 of this bill clarify the meaning of terms used in the Ethics Law and codify long-standing interpretations of those terms. Additionally, the definitions in sections 4 and 5 ensure that the Ethics Law accurately reflects the constitutional and legal differences between a “State Legislator” and a “member of a local legislative body.” The definition of “investigatory panel” in section 8.1 recognizes that when the two-member panel is deciding whether there is just and sufficient cause to refer an ethics complaint to the Commission for a hearing, the panel is performing an investigatory function, not an adjudicatory function. Section 8.2 revises and clarifies the definition of “public officer” in the Ethics Law by employing terminology used in the definition of “public officer” in NRS 281.005 and by including members of boards of trustees of general improvement districts within the meaning of the term “public officer.”

Sections 3.6, 8.23 and 17.5 of this bill define the terms “intentionally,” “knowingly,” “willful violation” and “willfully” in the Ethics Law to conform with the legal meanings generally ascribed to those terms. A “willful” act is an act done intentionally and knowingly. (In re Fine, 116 Nev. 1001 (2000); Black’s Law Dictionary 1593 (7th ed. 1999) (defining “willful”)). A person acts “intentionally” when he acts voluntarily or deliberately, rather than accidentally or inadvertently. (Batt v. State, 111 Nev. 1127 (1995); In re Fine, 116 Nev. 1001 (2000); Nevada Service Employees Union v. Orr, 121 Nev. 675 (2005)); A person acts “knowingly” when he has knowledge of the acts which constitute the act or omission. (NRS 193.017, 624.024; State v. Rhodig, 101 Nev. 608 (1985); Garcia v. Sixth Jud. Dist. Ct., 117 Nev. 697 (2001)).

Section 5.6 of this bill clarifies that public officers and employees cannot assert common-law privileges and immunities in proceedings under the Ethics Law but may assert constitutional or statutory privileges and immunities in such proceedings.

Section 5.8 of this bill moves the existing provisions of NRS 281.236 into the Ethics Law so that those provisions may be enforced by the Commission on Ethics. Under the existing provisions of NRS 281.236, certain regulated businesses and industries must observe a 1-year “cooling off” period before they may hire a former public officer or employee who had significant involvement in regulating the business or industry. Section 5.8 contains the same substantive provisions as NRS 281.236, except that the requirement to observe the 1-year “cooling off”
period is imposed on the former public officer or employee instead of on
the regulated business or industry.

Sections 8.25, 8.35 and 8.45 of this bill clarify existing provisions of the
Ethics Law which prohibit members of the Commission on Ethics and
the Commission’s Executive Director and Counsel from performing
certain lobbying activities on behalf of private parties. (NRS 281A.200,
281A.230, 281A.250) Section 8.35 also provides that the Executive
Director must have experience in administration, investigations and law.
The Ethics Law imposes civil penalties for certain violations (NRS
281A.480), but it does not contain an express statute of limitations.
When a law imposes civil penalties but does not contain an express statute of limitations, it is presumed that the Legislature intended for a
generally applicable statute of limitations to apply to proceedings
brought under the law. (DelCostello v. Int’l Bhd. of Teamsters, 462 U.S.
151, 103 S.Ct. 2281 (1983); 3M Co. v. Browner, 17 F.3d 1453 (D.C. Cir.
1994); 51 Am. Jur. 2d Limitation of Actions § 129 (2000)) Because NRS
11.190 contains a generally applicable 2-year statute of limitations for
actions brought upon a statute for a penalty or forfeiture, the 2-year
period in NRS 11.190 is presumptively applicable to proceedings
brought under the Ethics Law. (Community Cause v. Boatwright, 177
Cal. Rptr. 657 (Cal. Ct. App. 1981)) For purposes of clarity and

certainty of application, sections 8.55 and 26 of this bill codify the
existing 2-year statute of limitations expressly into the Ethics Law.
(NRS 281A.280)
The Ethics Law places restrictions on certain public officers and
employees with regard to representing or counseling a private person for
compensation before various agencies. (NRS 281A.410) Section 8.7 of
this bill clarifies those restrictions by replacing the terms “member of
the executive branch” and “member of the legislative branch” with more
specific, descriptive and accurate terms. Section 8.7 also clarifies the
methods for filing the disclosure form certain public officers must file if
they have represented or counseled a private person for compensation
before certain agencies.
The Ethics Law requires public officers to disclose conflicts of interest
and to abstain from voting because of certain types of conflicts. (NRS
281A.420) Because public officers must disclose conflicts before
determining whether to abstain, section 9.5 of this bill rearranges the
order of the existing disclosure and abstention provisions in the statute
so that the disclosure provisions come before the abstention provisions.
Section 9.5 also changes the abstention requirements which apply to
members of certain county and city planning commissions so that those
members are subject to the same abstention requirements which apply to other public officers under the statute.

Section 9.5 additionally requires the Commission to give appropriate weight and proper deference to the public policy of this State which favors the right of public officers to vote, provided they have properly disclosed all conflicts. Under this public policy, abstention is required only in clear cases where the independence of judgment of a reasonable person in the public officer's situation would be materially affected by the conflicts. This public policy demands proper disclosures of conflicts but prefers fewer instances of abstention because abstention disrupts the normal course of representative government and deprives the public and the public officer's constituents of a voice in governmental affairs.

The Ethics Law allows public officers and employees to bid on or enter into contracts with governmental agencies when certain requirements are met, including that the contracting process is controlled by the rules of competitive bidding (NRS 281A.430). Section 11 of this bill allows public officers and employees to enter into such contracts in situations where existing law exempts the contracts from the rules of competitive bidding because the contract is an emergency contract or because no responsible bids were received in response to a previous request for bids on the contract (NRS 332.112, 332.148).

The Ethics Law contains procedures for investigating and adjudicating alleged ethical violations (NRS 281A.440). Section 12 of this bill: (1) authorizes a public officer or employee who requested an advisory opinion regarding his own conduct to waive certain time limits; (2) provides a public officer or employee with 30 days to file an informational response to an ethics complaint and also provides that no objection or defense is waived by the failure to assert it in the informational response or during the investigatory stage of the proceedings; (3) grants the Executive Director an additional 10 days to complete his investigation of an ethics complaint and to present a recommendation regarding just and sufficient cause to the investigatory panel; and (4) grants the Commission a total of 60 days to hold a hearing and render an opinion if the investigatory panel finds just and sufficient cause, unless the public officer or employee waives the time limit.

The Ethics Law requires public officers to file a form acknowledging that they have received, read and understand the statutory ethical standards (NRS 281A.500). Section 14 of this bill requires public officers to file the form at certain times while holding office and to acknowledge in the form that they have a responsibility to inform themselves of any amendments to the statutory ethical standards. Section 14 provides methods for public officers to obtain hard copies of the statutory ethical
standards and also provides for Internet access to the statutory ethical standards. Section 14 additionally clarifies the methods for filing the form and provides that the willful refusal to execute and file the form constitutes a willful violation of the Ethics Law.

Finally, when the Nevada Constitution specifies a particular method for removing a public officer from office for misconduct, that constitutional method is exclusive, and the public officer may not be removed from office through statutory removal proceedings. Because certain elected and appointed state officers may be removed from office only through impeachment pursuant to Article 7 of the Nevada Constitution, they may not be removed from office through statutory removal proceedings. (Robison v. First Jud. Dist. Ct., 73 Nev. 169 (1957)) Similarly, because State Legislators may be removed from office only through expulsion by their own House pursuant to Section 6 of Article 4 of the Nevada Constitution, they may not be removed from office through impeachment or statutory removal proceedings. (Hiss v. Bartlett, 69 Mass. 468 (1855); State ex rel. Martin v. Gilmore, 20 Kan. 551 (1878); In re Speaker’s, 25 P. 707 (Colo., 1891); State ex rel. Haviland v. Beadle, 111 P. 720 (Mont. 1910); State ex rel. Eggert v. Shumate, 113 S.W.2d 381 (Tenn. 1938); State ex rel. Danforth v. Hickey, 475 S.W.2d 617 (Mo. 1972)) Sections 13 and 18-24 of this bill conform existing statutory law with the constitutional provisions governing impeachment, expulsion and removal from office.

WHEREAS, The doctrine of separation of powers is fundamental to our system of State Government; and

WHEREAS, The constitutional source of the doctrine of separation of powers is Section 1 of Article 3 of the Nevada Constitution, which establishes a tripartite system of State Government and which firmly fixes the principle of separation of powers in the organic law of this State; and

WHEREAS, Under the doctrine of separation of powers, when the Nevada Constitution expressly grants the Legislative Department an exclusive power, the other Departments of State Government may not usurp, exercise, infringe upon or interfere with that exclusive power out of respect for an equal and coordinate branch of government; and

WHEREAS, Under Section 6 of Article 4 of the Nevada Constitution, each House of the Legislature has the exclusive constitutional power to determine the rules of its legislative proceedings and to punish its members for improper conduct related to those legislative proceedings; and

WHEREAS, Because Section 6 of Article 4 of the Nevada Constitution creates an exclusive constitutional power in each House, neither the Legislature nor one of the Houses may delegate that exclusive constitutional power to another branch of government; and
WHEREAS, For centuries, freedom of speech, debate, deliberation and action in National and State Legislatures has been recognized as essential to protect the integrity of the legislative process by ensuring that individual Legislators may perform their core or essential legislative functions without harassment, intimidation or interference by the other branches of government; and

WHEREAS, Legislative privilege and immunity has its origins in the Parliamentary struggles of the 16th and 17th centuries when the English monarchs used civil and criminal proceedings to harass, intimidate and suppress members of Parliament who were critical of the Crown; and

WHEREAS, Legislative privilege and immunity was first codified in the English Bill of Rights of 1689, which provided “That the Freedom of Speech, and Debates or Proceedings in Parliament, ought not to be impeached or questioned in any Court or Place out of Parliament”; and

WHEREAS, Legislative privilege and immunity was extended to Legislators in the American Colonies where freedom of speech, debate, deliberation and action in the legislative process was taken as a matter of course by those who severed the American Colonies from the Crown and who became the Founders of our Nation; and

WHEREAS, The Founders of our Nation viewed legislative privilege and immunity as fundamental to the system of checks and balances and indispensable to the constitutional structure of separate, coequal and independent branches of government; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 41 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Legislature hereby finds and declares that:
   (a) The Framers of the Nevada Constitution created a system of checks and balances so that the constitutional powers separately vested in the Legislative, Executive and Judicial Departments of State Government may be exercised without intrusion from the other Departments.
   (b) As part of the system of checks and balances, the constitutional doctrines of separation of powers and legislative privilege and immunity facilitate the autonomy of the Legislative Department by curtailing intrusions by the Executive or Judicial Department into the sphere of legitimate legislative activities.
   (c) The constitutional doctrines of separation of powers and legislative privilege and immunity protect State Legislators from having to defend themselves, from being held liable and from being questioned or sanctioned in administrative or judicial proceedings for speech, debate,
deliberation and other actions performed within the sphere of legitimate legislative activity.

(d) Under the constitutional doctrines of separation of powers and legislative privilege and immunity, State Legislators must not be hindered or obstructed by executive or judicial oversight that realistically threatens to control their conduct as Legislators.

(e) Under the constitutional doctrines of separation of powers and legislative privilege and immunity, State Legislators must be free to represent the interests of their constituents with assurance that they will not later be called to task for that representation by the other branches of government.

(f) Under the constitutional doctrines of separation of powers and legislative privilege and immunity, State Legislators must not be questioned or sanctioned by the other branches of government for their actions in carrying out their core or essential legislative functions.

(g) Under the constitutional doctrines of separation of powers and legislative privilege and immunity, the only governmental entity that may question or sanction a State Legislator for any actions taken within the sphere of legitimate legislative activity is the Legislator's own House pursuant to Section 6 of Article 4 of the Nevada Constitution.

(h) Therefore, the purpose and effect of this section is to implement the constitutional doctrines of separation of powers and legislative privilege and immunity by codifying in statutory form the constitutional right of State Legislators to be protected from having to defend themselves, from being held liable and from being questioned or sanctioned in administrative or judicial proceedings for speech, debate, deliberation and other actions performed within the sphere of legitimate legislative activity.

2. For any speech or debate in either House, a State Legislator shall not be questioned in any other place.

3. In interpreting and applying the provisions of this section, the interpretation and application given to the constitutional doctrines of separation of powers and legislative privilege and immunity under the Speech or Debate Clause of Section 6 of Article I of the Constitution of the United States must be considered to be persuasive authority.

4. The rights, privileges and immunities recognized by this section are in addition to any other rights, privileges and immunities recognized by law.

5. As used in this section, “State Legislator” or “Legislator” means a member of the Senate or Assembly of the State of Nevada.

Sec. 4. "Member of a local legislative body" means a member of a board of county commissioners, a governing body of a city or a governing body of any other political subdivision who performs any function that involves introducing, voting upon or otherwise acting upon any matter of a permanent or general character which may reflect public policy and which is not typically restricted to identifiable persons or groups.

2. The provisions of this chapter are intended to abrogate common-law privileges and immunities only in a proceeding commenced pursuant to the authority of this chapter and only for the public officer or employee who is the subject of the proceeding. 2. For the purposes of this section, a proceeding is commenced:
   (a) On the date on which a request for an opinion is filed in the proper form with the Commission in accordance with the regulations of the Commission; or
   (b) If the proceeding is commenced by the Commission on its own motion, on the date on which the Commission serves the public officer or employee or former public officer or employee with notice of the proceeding in accordance with the regulations of the Commission.

Sec. 8.6. NRS 281A.300 is hereby amended to read as follows:

281A.300  1. The Chairman and Vice Chairman of the Commission may administer oaths.

2. The Commission, upon majority vote, may issue a subpoena to compel the attendance of a witness and the production of books and papers. Upon the request of the Executive Director or the public officer or public employee who is the subject of a request for an opinion, the Chairman or, in his
absence, the Vice Chairman, may issue a subpoena to compel the attendance of a witness and the production of books and papers.

3. Before issuing a subpoena to a public officer or public employee who is the subject of a request for an opinion, the Executive Director shall submit a written request to the public officer or public employee requesting:
   (a) His appearance as a witness; or
   (b) His production of any books and papers relating to the request for an opinion.

4. Each written request submitted by the Executive Director pursuant to subsection 3 must specify the time and place for the attendance of the public officer or public employee or the production of any books and papers, and designate with certainty the books and papers requested, if any. If the public officer or public employee fails or refuses to attend at the time and place specified or produce the books and papers requested by the Executive Director within 5 business days after receipt of the request, the Chairman may issue the subpoena. Failure of the public officer or public employee to comply with the written request of the Executive Director shall be deemed a waiver by the public officer or public employee of the time set forth in subsections 3 and 4, 5 and 6 of NRS 281A.440.

5. If any witness refuses to attend, testify or produce any books and papers as required by the subpoena, the Chairman of the Commission may report to the district court by petition, setting forth that:
   (a) Due notice has been given of the time and place of attendance of the witness or the production of the books and papers;
   (b) The witness has been subpoenaed by the Commission pursuant to this section; and
   (c) The witness has been subpoenaed by the Commission pursuant to this section; and

6. Upon such a petition, the court shall enter an order directing the witness to appear before the court at a time and place to be fixed by the court in its order, the time to be not more than 10 days after the date of the order, and then and there show cause why he has not attended, testified or produced the books or papers before the Commission. A certified copy of the order must be served upon the witness.

7. If it appears to the court that the subpoena was regularly issued by the Commission, the court shall enter an order that the witness appear before the Commission, at the time and place fixed in the order, and testify or produce the required books and papers. Upon failure to obey the order, the witness must be dealt with as for contempt of court.
Sec. 8.65. NRS 281A.400 is hereby amended to read as follows:

281A.400 A code of ethical standards is hereby established to govern the conduct of public officers and employees:

1. A public officer or employee shall not seek or accept any gift, service, favor, employment, engagement, emolument or economic opportunity which would tend improperly to influence a reasonable person in his position to depart from the faithful and impartial discharge of his public duties.

2. A public officer or employee shall not use his position in government to secure or grant unwarranted privileges, preferences, exemptions or advantages for himself, any business entity in which he has a significant pecuniary interest, or any person to whom he has a commitment in a private capacity to the interests of that person. This subsection does not prohibit:
   (a) A limited use of governmental property, equipment or other facility for personal purposes if:
      (1) The public officer who is responsible for and has authority to authorize the use of such property, equipment or other facility has established a policy allowing the use or the use is necessary as a result of emergency circumstances;
      (2) The use does not interfere with the performance of his public duties;
(3) The cost or value related to the use is nominal; and

8. A State Legislator shall not:
(a) Use governmental time, property, equipment or other facility for a nongovernmental purpose or for the private benefit of himself or any other person. This paragraph does not prohibit:

(II) The cost or value related to the use is nominal; and
(III) The use does not create the appearance of impropriety;
(2) The use of mailing lists, computer data or other information lawfully obtained from a governmental agency which is available to members of the general public for nongovernmental purposes; or
(3) The use of telephones or other means of communication if there is not a special charge for that use.
(b) Require or authorize a legislative employee, while on duty, to perform personal services or assist in a private activity, except:
(1) In unusual and infrequent situations where the employee’s service is reasonably necessary to permit the Legislator or legislative employee to perform his official duties; or
(2) Where such service has otherwise been established as legislative policy.
9. A public officer or employee shall not attempt to benefit his personal or financial interest through the influence of a subordinate.
10. A public officer or employee shall not seek other employment or contracts through the use of his official position.
Sec. 8.7. NRS 281A.410 is hereby amended to read as follows:
281A.410 In addition to the requirements of the code of ethical standards:
1. A member of the executive branch or if a public officer or employee of the executive branch shall serves in a state agency of the Executive

(b) If the public officer or employee leaves the service of the agency, shall not, for 1 year after leaving the service of the agency, represent or counsel for compensation a private person upon any issue which was under consideration by the agency during his service. As used in this paragraph, “issue” includes a case, proceeding, application, contract or determination, but does not include the proposal or consideration of legislative measures or administrative regulations.

2. A State Legislator or a member of the legislative branch of a local legislative body, or a member of the executive branch of public officer or employee whose public service requires less than half of his time, may represent or counsel a private person before an agency in which he does not serve. Any other public officer or employee shall not represent or counsel a private person for compensation before any state agency of the Executive or Legislative Department. Any other

3. Not later than January 15 of each year, any State Legislator or other public officer who has, within the preceding year, represented or counseled a private person for compensation before a state agency of the Executive Department, shall disclose for each such representation or counseling during the previous calendar year:

(a) The name of the client;
(b) The nature of the representation; and
(c) The name of the state agency.

4. The disclosure required by subsection 3 must be made in writing and filed with the Commission on a form prescribed by the Commission. For the purposes of this subsection, the disclosure is timely filed if, on or before the last day for filing, the disclosure is filed in one of the following ways:

(a) Delivered in person to the principal office of the Commission in Carson City.
(b) Mailed to the Commission by first-class mail, or other class of mail that is at least as expeditious, postage prepaid. Filing by mail is complete upon timely depositing the disclosure with the United States Postal Service.
(c) Dispatched to a third-party commercial carrier for delivery to the Commission within 3 calendar days. Filing by third-party commercial carrier is complete upon timely depositing the disclosure with the third-party commercial carrier.
5. The Commission shall retain a disclosure filed pursuant to subsections 3 and 4 for 6 years after the date on which the disclosure was filed.

Sec. 9. NRS 281A.420 is hereby amended to read as follows:
281A.420 1. Except as otherwise provided in subsection 2, 3 or 4, this section, a public officer may vote upon a matter if the benefit or detriment accruing to him as a result of the decision either individually or in a representative capacity as a member of a general business, profession, occupation or group is not greater than that accruing to any other member of the general business, profession, occupation or group.

2. Except as otherwise provided in subsection 3, this section, in addition to the requirements of the code of ethical standards, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in his situation would be materially affected by:
   (a) His acceptance of a gift or loan;
   (b) His pecuniary interest; or
   (c) His commitment in a private capacity to the interests of others.

   It must be presumed that the independence of judgment of a reasonable person would not be materially affected by his pecuniary interest or his commitment in a private capacity to the interests of others where the resulting benefit or detriment accruing to him or to the other persons whose interests to which the member is committed in a private capacity is not greater than that accruing to any other member of the general business, profession, occupation or group. The presumption set forth in this subsection does not affect the applicability of the requirements set forth in subsection 4 relating to the disclosure of the pecuniary interest or commitment in a private capacity to the interests of others.

3. In a county whose population is 400,000 or more, a member of a county or city planning commission shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in his situation would be materially affected by:
   (a) His acceptance of a gift or loan;
   (b) His direct pecuniary interest; or
   (c) His commitment to a member of his household or a person who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity.

   It must be presumed that the independence of judgment of a reasonable person would not be materially affected by his direct pecuniary interest or his commitment described in paragraph (c) where the resulting benefit or...
detriment accruing to him or to the other persons whose interests to which the member is committed is not greater than that accruing to any other member of the general business, profession, occupation or group. The presumption set forth in this subsection does not affect the applicability of the requirements set forth in subsection 4 relating to the disclosure of the direct pecuniary interest or commitment.

4. **Except as otherwise provided in this section, a** public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon any matter:
   (a) Regarding which he has accepted a gift or loan;
   (b) Which would reasonably be affected by his commitment in a private capacity to the interest of others; or
   (c) In which he has a pecuniary interest.

   Except as otherwise provided in subsection 6, such a disclosure must be made at the time the matter is considered. If the officer or employee is a member of a body which makes decisions, he shall make the disclosure in public to the Chairman and other members of the body. If the officer or employee is not a member of such a body and holds an appointive office, he shall make the disclosure to the supervisory head of his organization or, if he holds an elective office, to the general public in the area from which he is elected. This subsection does not require a public officer to disclose any campaign contributions that the public officer reported pursuant to NRS 294A.120 or 294A.125 or any contributions to a legal defense fund that the public officer reported pursuant to NRS 294A.286 in a timely manner.

5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that he will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. **After a member of the Legislature makes a disclosure pursuant to subsection 4, he may file with the Director of the Legislative Counsel Bureau a written statement of his disclosure. The written statement must designate the matter to which the disclosure applies. After a Legislator files a written statement pursuant to this subsection, he is not required to disclose orally his interest when the matter is further considered by the Legislature or any committee thereof. A written statement of disclosure is a public record and**
must be made available for inspection by the public during the regular office hours of the Legislative Counsel Bureau.

7. The provisions of this section do not, under any circumstances:
   (a) Prohibit a member of the legislative branch a local legislative body from requesting or introducing a legislative measure; or
   (b) Require a member of the legislative branch a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

8. As used in this section, "commitment":
   (a) "Commitment in a private capacity to the interests of others" means a commitment to a person:
      (1) Who is a member of his household;
      (2) Who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity;
      (3) Who employs him or a member of his household;
      (4) With whom he has a substantial and continuing business relationship; or
      (5) Any other commitment or relationship that is substantially similar to a commitment or relationship described in subparagraphs (1) to (4), inclusive, of this subsection paragraph.
   (b) "Public officer" and "public employee" do not include a State Legislator.

Sec. 9.5. NRS 281A.420 is hereby amended to read as follows:

281A.420 1. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon a matter if the benefit or detriment accruing to him as a result of the decision either individually or in a representative capacity as a member of a general business, profession, occupation or group is not greater than that accruing to any other member of the general business, profession, occupation or group.

(a) Regarding which he has accepted a gift or loan:
(b) In which he has a pecuniary interest; or
(c) Which would reasonably be affected by his commitment in a private capacity to the interest of others,
without disclosing sufficient information concerning the gift, loan, interest or commitment to inform the public of the potential effect of the action or abstention upon the person who provided the gift or loan, upon the public officer’s or employee’s pecuniary interest, or upon the persons to whom the public officer or employee has a commitment in a private capacity. Such a disclosure must be made at the time the matter is considered. If the public officer or employee is a member of a body which makes decisions, he shall make the disclosure in public to the chair and other members of the body. If the public officer or employee is not a member of such a body and holds an appointive office, he shall make the disclosure to the supervisory head of his organization or, if he holds an elective office, to the general public in the area from which he is elected.

2. The provisions of subsection 1 do not require a public officer to disclose:
   (a) Any campaign contributions that the public officer reported in a timely manner pursuant to NRS 294A.120 or 294A.125; or
   (b) Any contributions to a legal defense fund that the public officer reported in a timely manner pursuant to NRS 294A.286.

3. Except as otherwise provided in this section, in addition to the requirements of subsection 1, a public officer shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in the public officer’s situation would be materially affected by:
   (a) His acceptance of a gift or loan;
   (b) His pecuniary interest; or
   (c) His commitment in a private capacity to the interests of others.

4. In interpreting and applying the provisions of subsection 3:
   (a) It must be presumed that the independence of judgment of a reasonable person in the public officer’s situation would not be materially affected by his pecuniary interest or his commitment in a private capacity to the interests of others where the resulting benefit or detriment accruing to him, or if he has a commitment in a private capacity to the interests of others, accruing to the other persons, is not greater than that accruing to any other member of the general business, profession, occupation or group, that is affected by the matter. The presumption set forth in this paragraph does not affect the applicability of the requirements set forth in

(b) In which he has a pecuniary interest; or
(c) Which would reasonably be affected by his commitment in a private capacity to the interest of others,
subsection 1 relating to the disclosure of the pecuniary interest or commitment in a private capacity to the interests of others.

(b) The Commission must give appropriate weight and proper deference to the public policy of this State which favors the right of a public officer to perform the duties for which he was elected or appointed and to vote or otherwise act upon a matter, provided he has properly disclosed his acceptance of a gift or loan, his pecuniary interest or his commitment in a private capacity to the interests of others in the manner required by subsection 1. Because abstention by a public officer disrupts the normal course of representative government and deprives the public and the public officer’s constituents of a voice in governmental affairs, the provisions of this section are intended to require abstention only in clear cases where the independence of judgment of a reasonable person in the public officer’s situation would be materially affected by his acceptance of a gift or loan, his pecuniary interest or his commitment in a private capacity to the interests of others.

3. In a county whose population is 400,000 or more, a member of a county or city planning commission shall not vote upon or advocate the passage or failure of, but may otherwise participate in the consideration of, a matter with respect to which the independence of judgment of a reasonable person in his situation would be materially affected by:

(a) his acceptance of a gift or loan;
(b) his direct pecuniary interest; or
(c) his commitment to a member of his household or a person who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity.

It must be presumed that the independence of judgment of a reasonable person would not be materially affected by his direct pecuniary interest or his commitment described in paragraph (c) where the resulting benefit or detriment accruing to him or to the other persons whose interests to which the member is committed is not greater than that accruing to any other member of the general business, profession, occupation or group. The presumption set forth in this subsection does not affect the applicability of the requirements set forth in subsection 4 relating to the disclosure of the direct pecuniary interest or commitment.

4. Except as otherwise provided in this section, a public officer or employee shall not approve, disapprove, vote, abstain from voting or otherwise act upon any matter:

(a) regarding which he has accepted a gift or loan;
(b) which would reasonably be affected by his commitment in a private capacity to the interest of others; or
(c) in which he has a pecuniary interest.
5. Except as otherwise provided in NRS 241.0355, if a public officer declares to the body or committee in which the vote is to be taken that he will abstain from voting because of the requirements of this section, the necessary quorum to act upon and the number of votes necessary to act upon the matter, as fixed by any statute, ordinance or rule, is reduced as though the member abstaining were not a member of the body or committee.

6. The provisions of this section do not, under any circumstances:
   (a) Prohibit a member of a local legislative body from requesting or introducing a legislative measure; or
   (b) Require a member of a local legislative body to take any particular action before or while requesting or introducing a legislative measure.

7. The provisions of this section do not, under any circumstances, apply to State Legislators or allow the Commission to exercise jurisdiction or authority over State Legislators. The responsibility of a State Legislator to make disclosures concerning gifts, loans, interests or commitments and the responsibility of a State Legislator to abstain from voting upon or advocating the passage or failure of a matter are governed by the Standing Rules of the Legislative Department of State Government which are adopted, administered and enforced exclusively by the appropriate bodies of the Legislative Department of State Government pursuant to Section 6 of Article 4 of the Nevada Constitution.

8. As used in this section:
   (a) "Commitment in a private capacity to the interests of others" means a commitment to a person:
      (1) Who is a member of his household;
      (2) Who is related to him by blood, adoption or marriage within the third degree of consanguinity or affinity;
      (3) Who employs him or a member of his household;
(4) With whom he has a substantial and continuing business relationship; or
(5) Any other commitment or relationship that is substantially similar to a commitment or relationship described in subparagraphs (1) to (4), inclusive, of this paragraph.
(b) "Public officer" and "public employee" do not include a State Legislator.
Sec. 10. [This act becomes effective on January 1, 2009.] A deleted by amendment)
Sec. 11. NRS 281A.430 is hereby amended to read as follows:
281A.430 1. Except as otherwise provided in this section and NRS 281A.530 and 332.800, a public officer or employee shall not bid on or enter into a contract between a governmental agency and any business entity in which he has a significant pecuniary interest.
2. A member of any board, commission or similar body who is engaged in the profession, occupation or business regulated by such board, commission or body may, in the ordinary course of his business, bid on or enter into a contract with any governmental agency, except the board, commission or body of which he is a member, if he has not taken part in developing the contract plans or specifications and he will not be personally involved in opening, considering or accepting offers.
3. A full- or part-time faculty member or employee of the Nevada System of Higher Education may bid on or enter into a contract with a governmental agency, or may benefit financially or otherwise from a contract between a governmental agency and a private entity, if the contract complies with the policies established by the Board of Regents of the University of Nevada pursuant to NRS 396.255.
4. A public officer or employee, other than a public officer or employee described in subsection 2 or 3, may bid on or enter into a contract with a governmental agency if:
   (a) The contracting process is controlled by the rules of open competitive bidding or the rules of open competitive bidding are not employed as a result of the applicability of NRS 332.112 or 332.148;
   (b) The sources of supply are limited;
   (c) He has not taken part in developing the contract plans or specifications and
   (d) He will not be personally involved in opening, considering or accepting offers.
   If a public officer who is authorized to bid on or enter into a contract with a governmental agency pursuant to this subsection is a member of the governing body of the agency, the public officer, pursuant to the
requirements of NRS 281A.420, shall disclose his interest in the contract and shall not vote on or advocate the approval of the contract.

Sec. 12. NRS 281A.440 is hereby amended to read as follows:

281A.440 1. The Commission shall render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances as soon as practicable or within 45 days after receiving a request, whichever is sooner, on a form prescribed by the Commission, from a public officer or employee who is seeking guidance on questions which directly relate to the propriety of his own past, present or future conduct as an officer or employee, unless the public officer or employee waives the time limit. The public officer or employee may also request the Commission to hold a public hearing regarding the requested opinion. If a requested opinion relates to the propriety of his own present or future conduct, the opinion of the Commission is:

(a) Binding upon the requester as to his future conduct; and
(b) Final and subject to judicial review pursuant to NRS 233B.130, except that a proceeding regarding this review must be held in closed court without admittance of persons other than those necessary to the proceeding, unless this right to confidential proceedings is waived by the requester.

2. The Commission may render an opinion interpreting the statutory ethical standards and apply the standards to a given set of facts and circumstances:

(a) Upon request from a specialized or local ethics committee.
(b) Except as otherwise provided in this subsection, upon request from a person, if the requester submits:
   (1) The request on a form prescribed by the Commission; and
   (2) All related evidence deemed necessary by the Executive Director and the investigatory panel to make a determination of whether there is just and sufficient cause to render an opinion in the matter.
(c) Upon the Commission’s own motion regarding the propriety of conduct by a public officer or employee. The Commission shall not initiate proceedings pursuant to this paragraph based solely upon an anonymous complaint.

The Commission shall not render an opinion interpreting the statutory ethical standards or apply those standards to a given set of facts and circumstances if the request is submitted by a person who is incarcerated in a correctional facility in this State.

3. Upon receipt of a request for an opinion by the Commission or upon the motion of the Commission pursuant to subsection 2, the Executive Director shall investigate the facts and circumstances relating to the request to determine whether there is just and sufficient cause for the Commission to render an opinion in the matter. The Executive Director shall notify the
public officer or employee who is the subject of the request and provide the public officer or employee an opportunity to submit to the Executive Director a response to the allegations against him within 30 days after the date on which the public officer or employee received the notice of the request. The purpose of the response is to provide the Executive Director with any information relevant to the request which the public officer or employee believes may assist the Executive Director and the investigatory panel in conducting the investigation. The public officer or employee is not required in the response or in any proceeding before the investigatory panel to assert, claim or raise any objection or defense, in law or fact, to the allegations against him, and no objection or defense, in law or fact, is waived, abandoned or barred by the failure to assert, claim or raise it in the response or in any proceeding before the investigatory panel.

4. The Executive Director shall complete the investigation and present his recommendation relating to just and sufficient cause to the investigatory panel within 70 days after the receipt of or the motion of the Commission for the request, unless the public officer or employee waives this time limit. If, after the investigation, the Executive Director determines that there is just and sufficient cause for the Commission to render an opinion in the matter, he shall state such a recommendation in writing, including, without limitation, the specific evidence that supports his recommendation. If, after the investigation, the Executive Director determines that there is not just and sufficient cause for the Commission to render an opinion in the matter, he shall state such a recommendation in writing, including, without limitation, the specific reasons for his recommendation.

5. Within 15 days after the Executive Director has provided his recommendation in the matter to the investigatory panel, the investigatory panel shall make a final determination regarding whether there is just and sufficient cause for the Commission to render an opinion in the matter, unless the public officer or employee waives this time limit. The investigatory panel shall not determine that there is just and sufficient cause for the Commission to render an opinion unless the Executive Director has provided the public officer or employee an opportunity to respond to the allegations against him as required by subsection 3. The investigatory panel shall cause a record of its proceedings in each matter to be kept, and such a record must remain confidential until the investigatory panel determines whether there is just and sufficient cause for the Commission to render an opinion in the matter.

6. If the investigatory panel determines that there is just and sufficient cause for the Commission to render an opinion requested pursuant to this section, the Commission shall hold a hearing
and render an opinion in the matter within \[\textcolor{red}{60}\text{ days after the determination of just and sufficient cause by the investigatory panel, unless the public officer or employee waives this time limit.}\]

\[\textcolor{red}{7.}\text{ Each request for an opinion that a public officer or employee submits to the Commission pursuant to subsection 1, each opinion rendered by the Commission in response to such a request and any motion, determination, evidence or record of a hearing relating to such a request are confidential unless the public officer or employee who requested the opinion:}\]

(a) Acts in contravention of the opinion, in which case the Commission may disclose the request for the opinion, the contents of the opinion and any motion, evidence or record of a hearing related thereto;

(b) Discloses the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto; or

(c) Requests the Commission to disclose the request for the opinion, the contents of the opinion, or any motion, evidence or record of a hearing related thereto.

\[\textcolor{red}{8.}\text{ Except as otherwise provided in this subsection, each document in the possession of the Commission or its staff that is related to a request for an opinion regarding a public officer or employee submitted to or initiated by the Commission pursuant to subsection 2, including, without limitation, the Commission’s copy of the request and all materials and information gathered in an investigation of the request, is confidential until the investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter. The public officer or employee who is the subject of a request for an opinion submitted or initiated pursuant to subsection 2 may in writing authorize the Commission to make its files, material and information which are related to the request publicly available.}\]

\[\textcolor{red}{9.}\text{ Except as otherwise provided in paragraphs (a) and (b), the proceedings of the investigatory panel are confidential until the investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter. A person who:}\]

(a) Requests an opinion from the Commission pursuant to paragraph (b) of subsection 2 may:

(1) At any time, reveal to a third party the alleged conduct of a public officer or employee underlying the request that he filed with the Commission or the substance of testimony, if any, that he gave before the Commission.

(2) After the investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter, reveal to a third party the fact that he requested an opinion from the Commission.

(b) Gives testimony before the Commission may:

(1) At any time, reveal to a third party the substance of testimony that he gave before the Commission.
After the investigatory panel determines whether there is just and sufficient cause to render an opinion in the matter, reveal to a third party the fact that he gave testimony before the Commission.

Whenever the Commission holds a hearing pursuant to this section, the Commission shall:

Sec. 25. NRS 281.236, 281A.110, 281A.120 and 281A.130 are hereby repealed.

Sec. 26. The Legislature hereby finds and declares that:

1. NRS 11.190 contains a generally applicable 2-year statute of limitations for any action upon a statute for a penalty or forfeiture, where the action is given to a person or the State.

2. Because NRS 281A.480 authorizes the Commission on Ethics to impose civil penalties on a current or former public officer or employee for a violation of chapter 281A of NRS, the existing 2-year statute of limitations in NRS 11.190 is applicable to proceedings commenced against a current or former public officer or employee pursuant to chapter 281A of NRS.

3. By enacting the 2-year statute of limitations in NRS 281A.280, as amended by section 8.55 of this act, the Legislature is substituting in a continuing way the 2-year statute of limitations in NRS 281A.280 for the existing 2-year statute of limitations in NRS 11.190 with regard to violations of chapter 281A of NRS.

4. Therefore, the 2-year statute of limitations in NRS 281A.280, as amended by section 8.55 of this act, is applicable to any proceeding against a current or former public officer or employee for a violation of chapter 281A of NRS if the proceeding is commenced on or after the effective date of section 8.55 of this act, whether or not the violation occurred before that effective date.

Sec. 27. This section and sections 1, 2, 3, 4, 5, 6, 7, 7.4 and 9 of this act become effective on January 1, 2009.
2. Sections 3.4, 3.6, 4.4, 4.6, 5.4, 5.6, 5.8, 7.2, 8 to 8.7, inclusive, and 9.5 to 26, inclusive, of this act become effective upon passage and approval.

Senate Bill No. 183.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 751. AN ACT relating to common-interest communities; revising provisions relating to systems for obtaining solar or wind energy; revising the provisions governing the regulation of certain streets in common-interest communities; revising provisions concerning voting rights exercised by delegates or representatives; prohibiting an association in a common-interest community from imposing an assessment against the owners of certain tax-exempt property; clarifying various provisions governing common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that a covenant, restriction or condition in a deed, contract or other legal instrument cannot unreasonably restrict the use of a system for obtaining solar or wind energy. (NRS 111.239, 278.0208) Sections 1 and 45 of this bill specify the circumstances under which a specification regarding the color of such a system is enforceable.

Section 3 of this bill provides additional ethical requirements for members of an executive board by requiring a member who stands to gain any personal profit or compensation from a matter before the executive board to disclose the matter to the executive board and to abstain from voting on the matter. (NRS 116.31185, 116.31187)
Section 4 of this bill: (1) states that the provisions of chapter 116 of NRS do not modify the tariffs, rules and standards of a public utility; and (2) provides that the governing documents of an association must be consistent and not conflict with the tariffs, rules and standards of a public utility.

Existing law provides that certain common-interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the State or local governments for public use. (NRS 116.350) Section 5 of this bill prohibits a common-interest community from restricting the operation of motorcycles. Section 6 of this bill prohibits a common-interest community from using information from radar guns or other devices unless the radar gun or device meets certain specifications and the person operating the radar gun or device meets certain qualifications.

Section 5.5 of this bill authorizes the Commission for Common-Interest Communities and Condominium Hotels, or the Administrator of the Real Estate Division of the Department of Business and Industry with the Commission’s approval, to adopt regulations to require any additional disclosures in the sale of a unit as the Commission deems necessary.

Under existing law, a common-interest community created before January 1, 1992, and a common-interest community, with a declaration so providing, that consists of at least 1,000 units, may have the voting rights of the units’ owners in the association for that common-interest community be exercised by delegates or representatives. (NRS 116.1201, 116.31105) Sections 8, 14, 15, 18, 20 and 21 of this bill prohibit the use of delegates or representatives to exercise the voting rights of units’ owners in the election or removal of a member of the executive board. Also, sections 9 and 22 of this bill provide that this form of voting may occur only during the period that the declarant is in control of the association and during the 2-year period after the declarant’s control of the association is terminated. A master association which governs a time-share plan created pursuant to chapter 119A of NRS is excluded from these new provisions and is allowed to continue using delegates or representatives to exercise the voting rights of owners of time shares. A master association which governs a planned community that is exempt from the provisions of chapter 116 of NRS is also excluded from these new provisions.

Section 11 of this bill prohibits an association from imposing an assessment against the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. Section 46 of this bill provides that this prohibition applies to such owners who are not obligated to pay assessments as of January 1, 2009.

Section 12 of this bill provides that: (1) a unit’s owner must receive notice of a violation and possible fine; (2) an association may not impose a fine against a unit’s owner or tenant of a unit’s owner for a vehicular violation of
the governing documents committed by a person delivering goods to, or performing services for, a unit’s owner or tenant of a unit’s owner; (3) a member of the executive board cannot participate in hearings on fines if he has not paid his assessments; and (4) the association must provide written confirmation when a fine is paid. (NRS 116.31031)

Section 13 of this bill requires an association to establish an account for a unit owner’s payments for fines, which must be kept separate from any account established for assessments. (NRS 116.310315)

Section 14 of this bill increases the maximum term of office for a member of an executive board from 2 years to 3 years. (NRS 116.31034) Section 14 also provides that an association is not obligated to distribute any disclosure made by a candidate for the executive board if the disclosure contains information that is believed to be defamatory, libelous or profane.

Section 16 of this bill requires that a declarant deliver to an association an ancillary audit of the association’s money and audited financial statements from the date of the last audit until the date the declarant’s control ends. (NRS 116.31038) Section 14 also requires the declarant to pay for the costs of the ancillary audit.

Sections 35-37 and 39-44 of this bill eliminate the issuance of permits to reserve study specialists and instead provide for their registration. (NRS 116.750, 116A.120, 116A.260, 116A.420-116A.900)

Section 19 of this bill lengthens the period between which meetings of the executive board must be held from every 90 days to every quarter, but not less than every 100 days. (NRS 116.31083)

Section 23 of this bill revises provisions relating to financial statements for certain associations. (NRS 116.31144)

Existing law provides that an association has the statutory obligation to: (1) fund adequately its reserves; (2) include in its annual budget a statement concerning its reserves and whether it will be necessary to impose any special assessments; and (2) review its study of the reserves on an annual basis and make any appropriate adjustments necessary to ensure that the reserves are always funded adequately. (NRS 116.3115, 116.31151, 116.31152) Section 24 of this bill clarifies existing law by explicitly stating that notwithstanding any provision of the governing documents to the contrary, the executive board may, without seeking or obtaining the approval of units’ owners, impose any necessary and reasonable assessments to establish adequate reserves.

Existing law requires certain signatures before money in the reserve account of an association may be withdrawn. (NRS 116.31153) Section 26 of this bill also requires certain signatures before money in the operating account of an association may be withdrawn, unless the withdrawal is to
transfer money to the reserve account or to make automatic payments for utilities.

Section 28 of this bill excludes the books, records and other papers of the association which are in the process of being developed and have not yet been placed on an agenda for final approval by the executive board from the material which the board must make available upon the written request of a unit’s owner. (NRS 116.31175) Section 28 also provides that if an official publication contains any mention of a candidate or ballot question or contains the views or opinions of the association concerning an issue of official interest, the official publication must, upon request, provide equal space and equivalent exposure to opposing views and opinions. In addition, section 28 provides immunity from criminal or civil liability for an association and its officers, employees and agents who publish or disclose information pursuant to the duties imposed by this section.

Section 29 of this bill expands the prohibition against certain contracts between an association and a member of the executive board or officer to include contracts involving financing. (NRS 116.31187) Existing law provides that except as otherwise provided in the declaration, an association may not require a unit’s owner to secure or obtain any approval from the association in order to rent or lease his unit. (NRS 116.325) Section 30 of this bill provides that unless at the time a unit’s owner purchases his unit the declaration prohibited the unit’s owner from renting or leasing his unit or required the unit’s owner to secure or obtain any approval from the association in order to rent or lease his unit, the association may not:

1. prohibit the unit’s owner from renting or leasing his unit; and
2. require the unit’s owner to secure or obtain any approval from the association in order to rent or lease his unit.

Section 31 of this bill provides additional rights to units’ owners by mandating notice before an association may interrupt utility service to a unit’s owner. (NRS 116.345) Existing law provides that certain common interest communities are prohibited from regulating motor vehicles on thoroughfares accepted by the State or local governments for public use. (NRS 116.350) Section 32 of this bill prohibits a common interest community from restricting the parking of certain utility service vehicles, law enforcement vehicles and emergency services vehicles.

Existing law provides that an association may charge certain fees for furnishing certain documents and certificates in connection with the resale of a unit. (NRS 116.3100) Section 33 of this bill provides that if the association enters into a contract or agreement with any person or entity to furnish such documents or certificates, the contract or agreement must not allow a unit’s owner to be charged any fee that exceeds the amount of the fee that the
association itself may charge. Additionally, section 33 provides that an association may not charge a unit’s owner, and may not require a unit’s owner to pay, any fee related to the resale of a unit that is not specifically authorized, including, without limitation, any transaction fee, transfer fee, asset enhancement fee or other similar fee, except it may charge a fee to transfer the unit to a new owner in the association books and records based on the actual cost incurred.  

Section 34 of this bill deems deposits made in connection with the purchase or reservation of units from a person required to deliver a public offering statement placed in out-of-state escrow companies as being deposited in this State if the escrow holder has a legal right to conduct business in the State, has a registered agent in this State and has consented to the jurisdiction of the courts of this State. (NRS 116.411)

Section 38 of this bill provides for the issuance of temporary certificates for community managers for a period of 1 year under certain circumstances. In addition, section 38 requires the posting of bonds by community managers in an amount established by regulation, based on a sliding scale. (NRS 116A.410)

For the purposes of this subsection,
“assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 12. NRS 116.31031 is hereby amended to read as follows:

116.31031 1. Except as otherwise provided in this section, if a unit’s owner or a tenant or guest invitee of a unit’s owner violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:

(a) Prohibit, for a reasonable time, the unit’s owner or the tenant or guest invitee of the unit’s owner from:

(1) Voting on matters related to the common-interest community.

(2) Using the common elements. The provisions of this subparagraph do not prohibit the unit’s owner or the tenant or guest invitee of the unit’s owner from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.

(b) Impose a fine against the unit’s owner or the tenant or guest invitee of the unit’s owner for each violation, except that:

(1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and

(2) A fine may not be imposed against a unit’s owner or a tenant or invitee of a unit’s owner for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit’s owner or tenant or invitee of the unit’s owner.

If the violation poses a imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any interest, charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.
2. The executive board may not impose a fine pursuant to subsection 1 unless:
   (a) Not less than 30 days before the violation, the unit’s owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and
   (b) Within a reasonable time after the discovery of the violation, the unit’s owner and, if different, the person against whom the fine will be imposed has been provided with:
      (1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and
      (2) A reasonable opportunity to contest the violation at the hearing.

   For the purposes of this subsection, a unit’s owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit’s owner.

3. The executive board must schedule the date, time and location for the hearing on the violation so that the unit’s owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

4. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit’s owner and, if different, the person against whom the fine will be imposed:
   (a) Pays the fine;
   (b) Executes a written waiver of the right to the hearing; or
   (c) Fails to appear at the hearing after being provided with proper notice of the hearing.

5. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

6. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

7. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the

member has not paid all assessments which are due to the association by the member. If a member of the executive board:

(a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.

(b) Casts a vote in violation of this subsection, the vote is void.

8. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

9. Any past due fine:

(a) Bears interest at the rate established by the association, not to exceed the legal rate per annum.

(b) May include any costs of collecting the past due fine at a rate established by the association. If the past due fine is for a violation that does not threaten the health, safety or welfare of the units' owners or residents of the common-interest community, the rate established by the association for the costs of collecting the past due fine:

1. May not exceed $20, if the outstanding balance is less than $200.

2. May not exceed $50, if the outstanding balance is $200 or more, but is less than $500.

3. May not exceed $100, if the outstanding balance is $500 or more, but is less than $1,000.

4. May not exceed $250, if the outstanding balance is $1,000 or more, but is less than $5,000.

5. May not exceed $500, if the outstanding balance is $5,000 or more.

(c) May include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

10. If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

11. As used in this section:

(a) "Costs of collecting" includes, without limitation, any collection fee, filing fee, recording fee, referral fee, fee for postage or delivery, and any other fee or cost that an association may reasonably charge to the unit's owner for the collection of a past due fine. The term does not include any costs incurred by an association during a civil action to enforce the payment of a past due fine.

(b) "Outstanding balance" means the amount of a past due fine that remains unpaid before any interest, charges for late payment or costs of collecting the past due fine are added.

Sec. 13. NRS 116.310315 is hereby amended to read as follows:
If an association has imposed a fine against a unit's owner or a tenant or [guest] invitee of a unit's owner pursuant to NRS 116.31031 for violations of the governing documents of the association, the association shall:

1. Shall, in the books and records of the association, account for the fine separately from any assessment, fee or other charge; and

2. Shall not apply, in whole or in part, any payment made by the unit's owner for any assessment, fee or other charge toward the payment of the outstanding balance of the fine or any costs of collecting the fine, unless the unit's owner provides written authorization which directs the association to apply the payment made by the unit's owner in such a manner.

shall establish a compliance account to account for the fine, which must be separate from any account established for assessments.

Sec. 14. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant's control, the units' owners shall elect an executive board of at least three members, at least a majority of whom must be units' owners. Unless the governing documents provide otherwise, the remaining members of the executive board do not have to be units' owners. The executive board shall elect the officers of the association. The members of the executive board and the officers of the association shall take office upon election.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

(a) Members of the executive board who are appointed by the declarant; and

(b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit's owner of his eligibility to serve as a member of the executive board. Each unit's owner who is qualified to serve as a member of the executive board may have his name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Each person whose name is placed on the ballot as a candidate for a member of the executive board must:
(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in "good standing" if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his candidacy information.

The association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot in the manner established in the bylaws of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

6. Unless a person is appointed by the declarant:

(a) A person may not be a member of the executive board or an officer of the association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.

(b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, his spouse or his parent or child, by blood, marriage or adoption, performs the duties of a community manager for:

(1) That master association; or

(2) Any association that is subject to the governing documents of that master association.

7. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, he shall file proof in the records of the association that:

(a) He is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and

(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.
8. Except as otherwise provided in NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot unless the declaration of the association provides that voting rights may be exercised by delegates or representatives as set forth in NRS 116.31105. If the election of any member of the executive board is conducted by secret written ballot: in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

9. Each member of the executive board shall, within 90 days after his appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that he has read and understands the governing documents of the association and the provisions of this chapter to the best of his ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

Sec. 15. NRS 116.31036 is hereby amended to read as follows:

116.31036 1. Notwithstanding any provision of the declaration or bylaws to the contrary, any member of the executive board, other than a member appointed by the declarant, may be removed from the executive board, with or without cause, if at a removal election held pursuant to this section the number of votes cast in favor of removal constitutes:
(a) At least 35 percent of the total number of voting members of the association; and
(b) At least a majority of all votes cast in that removal election.

2. **Except as otherwise provided in NRS 116.31105, the removal of any member of the executive board must be conducted by secret written ballot unless the declaration of the association provides that voting rights may be exercised by delegates or representatives as set forth in NRS 116.31105. If the removal of a member of the executive board is conducted by secret written ballot:**

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

(c) Only the secret written ballots that are returned to the association may be counted to determine the outcome.

(d) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(e) The incumbent members of the executive board, including, without limitation, the member who is subject to the removal, may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his role as a member of the board, the association shall indemnify him for his losses or claims, and undertake all costs of defense, unless it is proven that he acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against the association, but may be recovered from persons whose activity gave rise to the damages.

4. The provisions of this section do not prohibit the Commission from taking any disciplinary action against a member of an executive board pursuant to NRS 116.745 to 116.795, inclusive.

Sec. 16. **NRS 116.31038 is hereby amended to read as follows:**
116.31038 In addition to any applicable requirement set forth in NRS 116.310395, within 30 days after units’ owners other than the declarant may elect a majority of the members of the executive board, the declarant shall deliver to the association all property of the units’ owners and of the association held by or controlled by him, including:

The ancillary audit must be delivered within 210 days after the date the period of the declarant’s control ends.

3. A complete study of the reserves of the association, conducted by a person who holds a permit to conduct such a study issued pursuant to chapter 116A of NRS. At the time the control of the declarant ends, he shall:
   (a) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant’s share of the amounts then due, and control of the account. If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, he has failed to pay his share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.
   (b) Disclose, in writing, the amount by which he has subsidized the association’s dues on a per unit or per lot basis.

4. The association’s money or control thereof.

5. All of the declarant’s tangible personal property that has been represented by the declarant as property of the association or, unless the declarant has disclosed in the public offering statement that all such personal property used in the common-interest community will remain the declarant’s property, all of the declarant’s tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the common elements, and inventories of these properties.

6. A copy of any plans and specifications used in the construction of the improvements in the common-interest community which were completed within 2 years before the declaration was recorded.
7. All insurance policies then in force, in which the units’ owners, the
association, or its directors and officers are named as insured persons.
8. Copies of any certificates of occupancy that may have been issued
with respect to any improvements comprising the common-interest

applicable to the common-interest community which are in force and any
other permits and approvals so issued and applicable which are required by
law to be kept on the premises of the community.
10. Written warranties of the contractor, subcontractors, suppliers and
manufacturers that are still effective.
11. A roster of owners and mortgagees of units and their addresses and
telephone numbers, if known, as shown on the declarant’s records.
12. Contracts of employment in which the association is a contracting
party.
13. Any contract for service in which the association is a contracting
party or in which the association or the units’ owners have any obligation to
pay a fee to the persons performing the services.

Sec. 17. NRS 116.310395 is hereby amended to read as follows:
116.310395 1. At the time of each close of escrow of a unit in a
converted building, the declarant shall deliver to the association the amount
of the converted building reserve deficit allocated to that unit.
2. The allocation to a unit of the amount of any converted building
reserve deficit must be made in the same manner as assessments are allocated
to that unit.
3. As used in this section, “converted building reserve deficit” means the
amount necessary to replace the major components of the common elements
needing replacement within 10 years after the date of the first close of escrow
of a unit.

Sec. 18. NRS 116.3108 is hereby amended to read as follows:
116.3108 1. A meeting of the units’ owners must be held at least once
each year. If the governing documents do not designate an annual meeting
date of the units’ owners, a meeting of the units’ owners must be held 1 year
after the date of the last meeting of the units’ owners. If the units’ owners
have not held a meeting for 1 year, a meeting of the units’ owners must be
held on the following March 1.
2. Special meetings of the units’ owners may be called by the president,

10 percent, or any lower percentage specified in the bylaws, of the total
number of voting members of the association. The same number of units’
owners may also call a removal election pursuant to NRS 116.31036. To call
a special meeting or a removal election, the units’ owners must submit a
written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this section and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If the petition calls for a special meeting, the executive board shall set the date for the special meeting so that the special meeting is held not less than 15 days or more than 60 days after the date on which the petition is received. The notice of the meeting must state the time and place of the meeting and include a copy of the agenda for the meeting. The notice must include notification of the right of a unit’s owner to:

(a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit’s owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit’s owner.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner, a schedule of the fines that may be imposed for those violations.

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units’ owners. A copy of the minutes or a summary of the minutes must be provided to any unit’s owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit’s owner.

7. Except as otherwise provided in subsection 8, the minutes of each meeting of the units’ owners must include:
   (a) The date, time and place of the meeting;
   (b) The substance of all matters proposed, discussed or decided at the meeting; and
   (c) The substance of remarks made by any unit’s owner at the meeting if he requests that the minutes reflect his remarks or, if he has prepared written remarks, a copy of his prepared remarks if he submits a copy for inclusion.

8. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of a meeting of the units’ owners.

9. The association shall maintain the minutes of each meeting of the units’ owners until the common-interest community is terminated.

10. A unit’s owner may record on audiotape or any other means of sound reproduction a meeting of the units’ owners if the unit’s owner, before recording the meeting, provides notice of his intent to record the meeting to the other units’ owners who are in attendance at the meeting.
11. The units’ owners may approve, at the annual meeting of the units’ owners, the minutes of the prior annual meeting of the units’ owners and the minutes of any prior special meetings of the units’ owners. A quorum is not required to be present when the units’ owners approve the minutes.

12. As used in this section, “emergency” means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;
   (b) Affects the health, welfare and safety of the units’ owners or residents of the common-interest community;
   (c) Requires the immediate attention of, and possible action by, the executive board; and
   (d) Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 19. NRS 116.31083 is hereby amended to read as follows:

Such notice must be:
   (a) Sent prepaid by United States mail to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner;

3. In an emergency, the secretary or other officer specified in the bylaws of the association shall, if practicable, cause notice of the meeting to be sent prepaid by United States mail to the mailing address of each unit within the common-interest community. If delivery of the notice in this manner is impracticable, the notice must be hand-delivered to each unit within the common-interest community or posted in a prominent place or places within the common elements of the association.

4. The notice of a meeting of the executive board must state the time and place of the meeting and include a copy of the agenda for the meeting or the date on which and the locations where copies of the agenda may be conveniently obtained by the units’ owners. The notice must include notification of the right of a unit’s owner to:
(a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit’s owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit’s owner.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.

5. The agenda of the meeting of the executive board must comply with the provisions of subsection 4 of NRS 116.3108. The period required to be devoted to comments by the units’ owners and discussion of those comments must be scheduled for the beginning of each meeting. In an emergency, the executive board may take action on an item which is not listed on the agenda as an item on which action may be taken.

6. At least once every 90 quarter, and not less than once every 100 days, unless the declaration or bylaws of the association impose more stringent standards, the executive board shall review, at a minimum, the following financial information at one of its meetings:

   (c) The substance of all matters proposed, discussed or decided at the meeting;
(d) A record of each member’s vote on any matter decided by vote at the meeting; and

(e) The substance of remarks made by any unit’s owner who addresses the executive board at the meeting if he requests that the minutes reflect his remarks or, if he has prepared written remarks, a copy of his prepared remarks if he submits a copy for inclusion.

9. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of its meetings.

10. The association shall maintain the minutes of each meeting of the executive board until the common-interest community is terminated.

11. A unit’s owner may record on audiotape or any other means of sound reproduction a meeting of the executive board, unless the executive board is meeting in executive session, if the unit’s owner, before recording the meeting, provides notice of his intent to record the meeting to the members of the executive board and the other units’ owners who are in attendance at the meeting.

12. As used in this section, “emergency” means any occurrence or combination of occurrences that:

(a) Could not have been reasonably foreseen;

(b) Affects the health, welfare and safety of the units’ owners or residents of the common-interest community;

(c) Requires the immediate attention of, and possible action by, the executive board; and

(d) Makes it impracticable to comply with the provisions of subsection 2 or 5.

Sec. 20. NRS 116.311 is hereby amended to read as follows:

116.311 1. If only one of several owners of a unit is present at a meeting of the association, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to that unit without protest made promptly to the person presiding over the meeting by any of the other owners of the unit.

2. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit’s owner. A unit’s owner may give a proxy only to a member of his immediate family, a tenant of the unit’s owner who resides in the common-interest community, another unit’s owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an
executed proxy. A unit’s owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

3. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
   (c) The proxy must designate the meeting for which it is executed.
   (d) The proxy must designate each specific item on the agenda of the meeting for which the unit’s owner has executed the proxy, except that the unit’s owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit’s owner has executed the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit’s owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit’s owner were present but not voting on that particular item.
   (e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed the number of proxies pursuant to which the holder will be casting votes.

4. A proxy terminates immediately after the conclusion of the meeting for which it is executed.

5. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

6. The holder of a proxy may not cast a vote on behalf of the unit’s owner who executed the proxy in a manner that is contrary to the proxy.

7. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections 1 to 6, inclusive.

8. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units’ owners who have leased the units:
   (a) The provisions of subsections 1 to 7, inclusive, apply to the lessees as if they were the units’ owners;
(b) The units’ owners who have leased their units to the lessees may not cast votes on those specified matters;
(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units’ owners; and
(d) The units’ owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

9. If any votes are allocated to a unit that is owned by the association, those votes may not be cast, by proxy or otherwise, for any purpose.

Sec. 21. NRS 116.31105 is hereby amended to read as follows:
116.31105 1. If the declaration so provides, in a common-interest community that consists of at least 1,000 units, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.

2. In addition to a common-interest community identified in subsection 1, if the declaration so provides, in a common-interest community created before October 1, 1999, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.

3. In addition to a common-interest community identified in subsections 1 and 2, if the declaration so provides, the voting rights of the owners of time shares within a time-share plan created pursuant to chapter 119A of NRS which is governed by a master association may be exercised by delegates or representatives.

4. For the purposes of subsection 1, each unit that a declarant has reserved the right to create pursuant to NRS 116.2105 and for which developmental rights exist must be counted in determining the number of units in a common-interest community.

5. For the purposes of subsection 3, each time share that a developer has reserved the right to create pursuant to paragraph (g) of subsection 2 of NRS 119A.380 must be counted in determining the number of time shares in a time-share plan.

6. Notwithstanding any provision in the declaration, the election of any delegate or representative must be conducted by secret written ballot.

7. When an election of a delegate or representative is conducted by secret written ballot:
(a) The secretary or other officer of the association specified in the bylaws of the association shall cause a secret written ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit
within the common-interest community or to any other mailing address designated in writing by the unit’s owner.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

(c) Only the secret written ballots that are returned to the association in the manner prescribed on the ballot may be counted to determine the outcome of the election.

(d) The secret written ballots must be opened and counted at a meeting called for the purpose of electing delegates or representatives. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(e) A candidate for delegate or representative may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association in the manner prescribed on the ballot before those secret written ballots have been opened and counted at a meeting called for that purpose.

Sec. 22. NRS 116.31105 is hereby amended to read as follows:

116.31105 1. Except as otherwise provided in subsection 8, if the declaration so provides, in a common-interest community that consists of at least 1,000 units, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.

2. Except as otherwise provided in subsection 8, in addition to a common-interest community identified in subsection 1, if the declaration so provides, in a common-interest community created before October 1, 1999, the voting rights of the units’ owners in the association for that common-interest community may be exercised by delegates or representatives except that, in the election or removal of a member of the executive board, the voting rights of the units’ owners may not be exercised by delegates or representatives.

3. In addition to a common-interest community identified in subsections 1 and 2, if the declaration so provides, the voting rights of the owners of time shares within a time-share plan created pursuant to chapter 119A of NRS which is governed by a master association may be exercised by delegates or representatives.

4. For the purposes of subsection 1, each unit that a declarant has reserved the right to create pursuant to NRS 116.2105 and for which developmental rights exist must be counted in determining the number of units in a common-interest community.
5. For the purposes of subsection 3, each time share that a developer has reserved the right to create pursuant to paragraph (g) of subsection 2 of NRS 119A.380 must be counted in determining the number of time shares in a time-share plan.

6. Notwithstanding any provision in the declaration, the election of any delegate or representative must be conducted by secret written ballot.

7. When an election of a delegate or representative is conducted by secret written ballot:
   (a) The secretary or other officer of the association specified in the bylaws of the association shall cause a secret written ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.
   (b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.
   (c) Only the secret written ballots that are returned to the association in the manner prescribed on the ballot may be counted to determine the outcome of the election.
   (d) The secret written ballots must be opened and counted at a meeting called for the purpose of electing delegates or representatives. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.
   (e) A candidate for delegate or representative may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association in the manner prescribed on the ballot before those secret written ballots have been opened and counted at a meeting called for that purpose.

8. Except as otherwise provided in subsection 9, the voting rights of the units’ owners in the association for a common-interest community may be exercised by delegates or representatives only during the period that the declarant is in control of the association and during the 2-year period after the declarant’s control of the association is terminated pursuant to NRS 116.31032.

9. The provisions of subsection 8 do not apply to:
   (a) A time-share plan created pursuant to chapter 119A of NRS which is governed by a master association; or
   (b) A condominium or cooperative containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted.

Sec. 23. NRS 116.31144 is hereby amended to read as follows:
116.31144—1. Except as otherwise provided in subsection 2, this section, the executive board shall:

(a) If the annual budget of the association is less than $75,000, cause the financial statement of the association to be reviewed by an independent certified public accountant at least once every 4 fiscal years.

(b) If the annual budget of the association is $75,000 or more but less than $150,000, cause the financial statement of the association to be:

(1) Audited by an independent certified public accountant at least once every 4 fiscal years; and

(2) Reviewed by an independent certified public accountant every fiscal year, for which an audit is not conducted.

(c) If the annual budget of the association is $150,000 or more, cause the financial statement of the association to be audited by an independent certified public accountant every fiscal year.

2. For any fiscal year for which an audit of the financial statement of the association will not be conducted pursuant to subsection 1, the executive board shall cause the financial statement for that fiscal year to be audited by an independent certified public accountant if, within 180 days before the end of the fiscal year, 15 percent of the total number of voting members of the association submit a written request for such an audit.

3. The Commission shall adopt regulations prescribing the requirements for the auditing or reviewing of the financial statements of an association pursuant to this section. Such regulations must include, without limitation:

(a) The qualifications necessary for a person to audit or review financial statements of an association; and

(b) The standards and format to be followed in auditing or reviewing financial statements of an association; and

(c) The requirement that an audit or review of the financial statements of an association be completed within 210 days after the end of the fiscal year.

(Deleted by amendment.)

Sec. 24. NRS 116.3115 is hereby amended to read as follows:

116.3115—1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive:
(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.

(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units’ owners, impose any necessary and reasonable assessments against the units in the common-interest community.

3. Any past due assessment for common expenses or installment thereof bears interest at the rate established by the association not exceeding 18 percent per year.

4. To the extent required by the declaration:
   (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   (b) Any common expense or portion thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited; and
   (c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If any common expense is caused by the misconduct of any unit’s owner, the association may assess that expense exclusively against his unit.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.
8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit’s owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting. (Deleted by amendment.)

Sec. 25. (Deleted by amendment.)

Sec. 26. NRS 116.31153 is hereby amended to read as follows:

   (b) The records of the association relating to another unit’s owner, except for those records described in subsection 2; and
   (c) A contract between the association and an attorney; and
   (d) Any document, including, without limitation, minutes of an executive board meeting, a reserve study and a budget, if the document:
2. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:

(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.

(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit’s owner to search and review the general records concerning violations of the governing documents.

3. If the executive board refuses to allow a unit’s owner to review the books, records or other papers of the association, the Ombudsman may:

(a) The minutes of a meeting of the units’ owners which must be maintained in accordance with NRS 116.3108; or

(b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

5. The executive board shall not require a unit’s owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

6. If an official publication contains or will contain any mention of a candidate or ballot question, the official publication must, upon request and without charge, provide equal space to the candidate or a
representative of an organization which supports the passage or defeat of the ballot question.

7. If an official publication contains or will contain the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and without charge, provide equal space to opposing views and opinions of a unit’s owner, tenant or resident of the common-interest community.

8. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 6 or 7.

9. As used in this section:
   (a) "Issue of official interest” includes, without limitation:
      (1) Any issue on which the executive board or the units’ owners will be voting, including, without limitation, the election of members of the executive board; and

      (2) An official newsletter or other similar publication that is circulated to each unit’s owner; or
      (3) An official bulletin board that is available to each unit’s owner, which is published or maintained at the cost of an association and by an association, an executive board, a member of an executive board, a community manager or an officer, employee or agent of an association.

Sec. 29. NRS 116.31187 is hereby amended to read as follows:
116.31187 1. Except as otherwise provided in this section, a member of an executive board or an officer of an association shall not:
   (a) On or after October 1, 2003, enter into a contract or renew a contract with the association to provide financing, goods or services to the association; or
   (b) Otherwise accept any commission, personal profit or compensation of any kind from the association for providing financing, goods or services to the association.

2. Unless, at the time a unit’s owner purchased his unit, the declaration required the unit’s owner to secure or obtain any approval from the association in order to rent or lease his unit, an association may not require the unit’s owner to secure or obtain any approval from the association in order to rent or lease his unit.

3. The provisions of this section do not prohibit an association from enforcing any provisions which govern the renting or leasing of units and which are contained in this chapter or in any other applicable federal, state or local laws or regulations.

Sec. 31. NRS 116.345 is hereby amended to read as follows:

116.345 1. An association of a planned community may not restrict, prohibit or otherwise impede the lawful residential use of any property that is within or encompassed by the boundaries of the planned community and that is not designated as part of the planned community.

2. Except as otherwise provided in this subsection, an association may not restrict the access of a person to any of his property. An association may restrict access to and from a unit within a planned community if the right to restrict such access was included in the declaration or in a separate recorded instrument at the time that the owner of the unit acquired title to the unit. The provisions of this subsection do not prohibit an association from charging the owner of the property a reasonable and nondiscriminatory fee to operate or maintain a gate or other similar device designed to control access to the planned community that would otherwise impede ingress or egress to the property.

3. An association may not expand, construct or situate a building or structure that is not part of any plat or plan of the planned community if the expansion, construction or situation of the building or structure was not previously disclosed to the units’ owners of the planned community unless the association obtains the written consent of a majority of the units’ owners
and residents of the planned community who own property or reside within 500 feet of the proposed location of the building or structure.

4. **An association may not interrupt any utility service furnished to a unit’s owner or a tenant of a unit’s owner except for the nonpayment of utility charges when due.** The interruption of any utility service pursuant to this subsection must be performed in a manner which is consistent with all laws, regulations and governing documents relating to the interruption of any utility service. An association must in every case send a written notice of its intent to interrupt any utility service to the unit’s owner or the tenant of the unit’s owner at least 10 days before the association interrupts any utility service.

5. The provisions of this section do not abrogate any easement, restrictive covenant, decision of a court, agreement of a party or any contract, governing document or declaration of covenants, conditions and restrictions, or any other decision, rule or regulation that a local governing body or other entity that makes decisions concerning land use or planning is authorized to make or enact that exists before October 1, 1999, including, without limitation, a zoning ordinance, permit or approval process or any other requirement of a local government or other entity that makes decisions concerning land use or planning.

Sec. 32. NRS 116.350 is hereby amended to read as follows:

116.350. 1. In a common-interest community which is not gated or enclosed and the access to which is not restricted or controlled by a person or device, the executive board shall not and the governing documents must not provide for the regulation of any road, street, alley or other thoroughfare the right-of-way of which is accepted by the State or a local government for dedication as a road, street, alley or other thoroughfare for public use.

2. Except as otherwise provided in subsection 3, the provisions of subsection 1 do not preclude an association from adopting, and do not preclude the governing documents of an association from setting forth, rules that reasonably restrict the parking or storage of inoperable vehicles, recreational vehicles, watercraft, trailers or commercial vehicles in the common-interest community to the extent authorized by law.

3. In a common-interest community, the executive board shall not and the governing documents must not prohibit a person from:

(a) Parking a utility service vehicle that has a gross vehicle weight rating of 20,000 pounds or less on a driveway, road, street, alley or other thoroughfare:

(1) While the person is engaged in any activity relating to the delivery of public utility services to subscribers or consumers; or

   (1) While the person is engaged in his official duties; or
   (2) If the person is:
      (I) A unit’s owner;
      (II) Parking the vehicle within 50 yards of his unit; and
      (III) Bringing the vehicle to his unit pursuant to his employment with the entity which owns the vehicle and which requires the person to park the vehicle overnight at his residence for the purpose of responding to requests for law enforcement services or emergency services.

4. As used in this section:
   (a) “Commercial motor vehicle” has the meaning ascribed to it in 49 C.F.R. § 350.105.
   (b) “Emergency services vehicle” means a vehicle:

      (2) Except for any emergency use, operated primarily within the service area of a utility’s subscribers or consumers, without regard to whether the commercial motor vehicle is owned, leased or rented by the utility. [Deleted by amendment.]

Sec. 33. NRS 116.4100 is hereby amended to read as follows:
116.4100 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit’s owner or his authorized agent shall, at the expense of the
unit's owner, furnish to a purchaser a resale package which contains all of the following:

(a) A copy of the declaration, other than any plat and plan, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.41095;

(b) A statement setting forth the amount of the monthly assessment for common expenses and any unpaid assessment of any kind currently due from the selling unit's owner;

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information described in paragraphs (a) to (e), inclusive, of subsection 3 of NRS 116.31152; and

(d) A statement of any unsatisfied judgments or pending legal actions against the association and the status of any pending legal actions relating to the common-interest community of which the unit's owner has actual knowledge.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, he must hand deliver the notice of cancellation to the unit's owner or his authorized agent or mail the notice of cancellation by prepaid United States mail to the unit's owner or his authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection, or

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 736.
AN ACT relating to local governmental planning; authorizing the extension of the validity of certain building permits and development agreements for a maximum of 15 years beyond the original expiration date if
the land is leased for renewable energy generation projects; providing that
certain changes to regulations or laws which are made after the issuance of
the permit or the time the agreement is entered into, and which apply
environmental, life or safety restrictions to the land, apply to the permit or
agreement; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law prohibits construction without a building permit issued by the
building official with authority over the land where any proposed
construction would take place. (NRS 278.610) Existing law also authorizes the
governing body of a city or county to enter into an agreement with a
person concerning the development of land. (NRS 278.0201) This bill
authorizes the extension of the validity of any such permit or agreement
beyond its original expiration date if: (1) the permit holder or landowner
cannot finance the proposed project; and (2) the land is leased for certain
renewable energy projects. The extension is available for permits and
agreements for residential and commercial development for a maximum of
15 years after the original expiration date of the permit or agreement. This
bill also provides that if a building permit or development agreement is
extended, no condition may be placed on the permit or agreement that was
not imposed on the original permit or agreement. Additionally, this bill
provides that new regulations or laws that apply environmental, life or safety
protections to the land in question would also apply, but other zoning
changes enacted after the issuance of the permit would not. Extensions for
building permits and agreements pursuant to the provisions of this bill
will not be issued after June 30, 2013.

The agreement may fix the period within which construction must commence and provide for an extension of that deadline.

2. For an agreement entered into for the residential or commercial development of land, the governing body may extend, beyond the original deadline and beyond any extension of that deadline pursuant to subsection 1, the period within which construction must commence if the person:

(a) Applies for an extension [●] before July 1, 2013, subject to any applicable ordinances adopted by the governing body; [●]

(b) Demonstrates to the satisfaction of the governing body that:

(1) Financing for the residential or commercial project is not available; and

(2) The land will be leased for a renewable energy generation project [●]; and

3. An agreement must not be extended pursuant to subsection 2:

(a) For more than 15 years after the original deadline or, if the deadline is extended pursuant to subsection 1, after that extension; or
(b) If the land ceases to be leased for a renewable energy generation project, after the period established pursuant to subsection 4.

4. If a governing body extends a deadline pursuant to subsection 2, the governing body shall establish the maximum duration of the period for which the agreement will remain valid if the land is no longer leased for a renewable energy generation project.

5. Unless the agreement otherwise provides, and except as otherwise provided in subsection 7, the ordinances, resolutions or regulations applicable to that land and governing the permitted uses of that land, density and standards for design, improvements and construction are those in effect at the time the agreement is made.

6. This section does not prohibit the governing body from adopting new ordinances, resolutions or regulations applicable to that land which do not conflict with those ordinances, resolutions and regulations in effect at the time the agreement is made, except that any subsequent action by the governing body must not prevent the development of the land as set forth in the agreement. The governing body is not prohibited from denying or conditionally approving any other plan for development pursuant to any ordinance, resolution or regulation in effect at the time of that denial or approval.

7. Notwithstanding the provisions of subsection 6, if the governing body extends a deadline pursuant to subsection 2, changes to ordinances, resolutions or regulations that:

The following amendment was proposed by the Committee on
Government Affairs:
Amendment No. 656.
SUMMARY—Makes various changes concerning the procedures for
adopting administrative regulations and the requirements of the Open
Meeting Law.

AN ACT relating to governmental administration; revising the provisions
governing the notice of intention to act on a proposed regulation by a state
agency subject to the Nevada Administrative Procedure Act; providing that
workshops and hearings regarding a proposed regulation of such a state
agency are subject to the Open Meeting Law; revising the procedure for the
review of permanent regulations and certain temporary regulations by the
Legislative Commission or the Subcommittee to Review Regulations;
requiring a public body to make available certain documents to the public at
a public meeting; eliminating certain nonprofit entities affiliated with a
university or college from the definition of “university foundation” for
purposes of the Open Meeting Law, the requirements relating to public
records, the exemption from the tax on the transfer of real property and
other requirements pertaining to university foundations; and providing
other matters properly relating thereto.

Legislative Counsel’s Digest:
The Nevada Administrative Procedure Act requires each state agency that
is not exempt from the Act to provide 30 days’ notice of its intended action
on any proposed regulation. The agency is required to wait to give such
notice until at least 30 days after delivering the proposed regulation to the
Legislative Counsel or until the agency has received the approved or revised
text of the proposed regulation from the Legislative Counsel, whichever
occurs first. (NRS 233B.060) Section 1 of this bill makes receipt of the
approved or revised text of the proposed regulation from the Legislative
Counsel the only required condition before provision of the 30 days’ notice. **Section 3** of this bill makes a conforming change.

Existing law prescribes a procedure for the review of certain temporary regulations and of adopted permanent regulations by the Legislative Commission or the Subcommittee to Review Regulations for conformity with statutory authority and legislative intent. Under existing law, unless the Commission or Subcommittee objects to such a temporary or permanent regulation, the regulation becomes effective. (NRS 233B.0633, 233B.067, 233B.0675) **Sections 4-6** of this bill require the Commission or Subcommittee to either affirmatively approve or object to a regulation.

The Open Meeting Law requires all meetings of public bodies to be open and public unless otherwise provided by a specific statute. (NRS 241.020) **Section 2** of this bill provides that each workshop and hearing required to be conducted concerning administrative regulations is subject to the Open Meeting Law. (NRS 233B.061)

Under the Open Meeting Law, a public body is required, upon request and at no charge, to provide a copy of an agenda for the meeting, any proposed ordinance or regulation to be discussed at the meeting, and other supporting documents to members of the public body for an item on the agenda. (NRS 241.020) **Section 7** of this bill requires that a public body make at least one copy of those documents available to the public at the public meeting to which the documents pertain.

**Section 8** of this bill amends the definition of “university foundation” to exclude certain nonprofit organizations affiliated with a university or college for the purposes of provisions applicable to university foundations, including the Open Meeting Law, the requirements relating to public records and the exemption from the tax on the transfer of real property. (NRS 239.005, 241.015, 375.090, 396.405, 396.535)

233B.060 1. Except as otherwise provided in subsection 2 and NRS 233B.061, before adopting, amending or repealing:

Not less than 15 days before the workshop, the agency shall provide notice of the time and place set for the workshop:

   (a) In writing to each person who has requested to be placed on a mailing list; and

   (b) In any other manner reasonably calculated to provide such notice to the general public and any business that may be affected by a proposed regulation which addresses the general topics to be considered at the workshop.

3. With respect to substantive regulations, the agency shall set a time and place for an oral public hearing, but if no one appears who will be directly affected by the proposed regulation and requests an oral hearing, the agency may proceed immediately to act upon any written submissions. Each workshop and public hearing required pursuant to subsections 2 and 3 must be conducted in accordance with the provisions of chapter 241 of NRS.

Sec. 3. NRS 233B.063 is hereby amended to read as follows:

233B.063 1. An agency that intends to adopt, amend or repeal a permanent regulation must deliver to the Legislative Counsel a copy of the proposed regulation. The Legislative Counsel shall examine and if appropriate revise the language submitted so that it is clear, concise and suitable for incorporation in the Nevada Administrative Code, but shall not alter the meaning or effect without the consent of the agency.

Unless the proposed regulation is submitted to him between July 1 of an even-numbered year and July 1 of the succeeding odd-numbered year, the Legislative Counsel shall deliver the approved or revised text of the regulation within 30 days after it is submitted to him. If the proposed or revised text of a regulation is changed before adoption, the agency shall submit the changed text to the Legislative Counsel, who shall examine and revise it if appropriate pursuant to the standards of subsection 1. Unless it is submitted between July 1 of an even-numbered year and July 1 of the succeeding odd-numbered year, the Legislative Counsel shall return it with any appropriate revisions within 30 days. If the agency is a licensing board as defined in NRS 439B.225 and the proposed regulation relates to standards for licensing or registration or for the renewal of a license or a certificate of registration issued to a person or facility regulated by the agency, the Legislative Counsel shall also deliver one copy of the approved or revised text of the regulation to the Legislative Committee on Health Care.

3. An agency may adopt a temporary regulation between August 1 of an even-numbered year and July 1 of the succeeding odd-numbered year without following the procedure required by this section and NRS 233B.064, but any such regulation expires by limitation on November 1 of the odd-numbered year. A substantively identical permanent regulation may be subsequently adopted.

4. An agency may amend or suspend a permanent regulation between August 1 of an even-numbered year and July 1 of the succeeding odd-numbered year by adopting a temporary regulation in the same manner and subject to the same provisions as prescribed in subsection 3.

Sec. 4. NRS 233B.0633 is hereby amended to read as follows:

233B.0633 1. Upon the request of a Legislator, the Legislative Commission may examine a temporary regulation adopted by an agency that
is not yet effective pursuant to subsection 2 of NRS 233B.070 to determine whether the temporary regulation conforms to the statutory authority pursuant to which it was adopted and whether the temporary regulation carries out the intent of the Legislature in granting that authority.

2. The statement must include the specific citation of the federal statute or regulation requiring such adoption.

4. If an agency determines that an emergency exists which requires a temporary regulation of the agency for which a Legislator requested an examination pursuant to subsection 1 to become effective before the next meeting of the Legislative Commission is scheduled to be held, the agency may notify the Legislative Counsel in writing of the emergency. Upon receipt of such a notice, the Legislative Counsel shall refer the temporary regulation for review by the Subcommittee to Review Regulations as soon as practicable.

5. If the Legislative Commission, or the Subcommittee to Review Regulations if the temporary regulation was referred, approves the temporary regulation, the Legislative Counsel shall notify the agency that the agency may file the temporary regulation with the Secretary of State. If the Commission or the Subcommittee objects to the temporary regulation after determining that:
   (a) If subsection 2 is applicable, the temporary regulation is not required pursuant to a federal statute or regulation;

   (c) The temporary regulation does not carry out legislative intent, the Legislative Counsel shall attach to the temporary regulation a written notice of the objection, including, if practicable, a statement of the reasons for the objection, and shall promptly return the temporary regulation to the agency.
6. If the Legislative Commission or the Subcommittee to Review Regulations has objected to a temporary regulation, the agency that adopted the temporary regulation shall revise the temporary regulation to conform to the statutory authority pursuant to which it was adopted and to carry out the intent of the Legislature in granting that authority and return it to the Legislative Counsel within 60 days after the agency received the written notice of the objection to the temporary regulation pursuant to subsection 5. Upon receipt of the revised temporary regulation, the Legislative Counsel shall resubmit the temporary regulation to the Legislative Commission or the Subcommittee for review. If the Legislative Commission or the Subcommittee approves the revised temporary regulation, the Legislative Counsel shall notify the agency that the agency may file the revised temporary regulation with the Secretary of State.

7. If the Legislative Commission or the Subcommittee to Review Regulations objects to the revised temporary regulation, the Legislative Counsel shall attach to the revised temporary regulation a written notice of the objection, including, if practicable, a statement of the reasons for the objection, and shall promptly return the revised temporary regulation to the agency. The agency shall continue to revise it and resubmit it to the Legislative Commission or the Subcommittee within 30 days after the agency received the written notice of the objection to the revised temporary regulation.

Sec. 5. NRS 233B.067 is hereby amended to read as follows:

233B.067 1. After adopting a permanent regulation, the agency shall submit the informational statement prepared pursuant to NRS 233B.066 and one copy of each regulation adopted to the Legislative Counsel for review by the Legislative Commission to determine whether the regulation conforms to the statutory authority pursuant to which it was adopted and whether the regulation carries out the intent of the Legislature in granting that authority. The Legislative Counsel shall endorse on the original and the copy of each adopted regulation the date of their receipt. The Legislative Counsel shall maintain the copy of the regulation in a file and make the copy available for public inspection for 2 years.

2. If an agency submits an adopted regulation to the Legislative Counsel pursuant to subsection 1 that:
   (a) The agency is required to adopt pursuant to a federal statute or regulation; and
   (b) Exceeds the specific statutory authority of the agency or sets forth requirements that are more stringent than a statute of this State, it shall include a statement that adoption of the regulation is required by a federal statute or regulation. The statement must include the specific citation of the federal statute or regulation requiring such adoption.
3. Except as otherwise provided in subsection 4, the Legislative Commission shall:
   (a) Review the regulation at its next regularly scheduled meeting if the regulation is received more than 10 working days before the meeting; or
   (b) Refer the regulation for review to the Subcommittee to Review Regulations appointed pursuant to subsection 6.

Upon receipt of such a notice, the Legislative Counsel shall refer the regulation for review by the Subcommittee to Review Regulations. The Subcommittee shall meet to review the regulation as soon as practicable.

5. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:
   (a) The time, place and location of the meeting.

      (4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

Any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter shall be deemed to conform with those provisions by operation of law. [1], and any such declaration, bylaw or other governing document is not required to be amended to conform to those provisions.

2. [In]

2. A declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter may be changed to conform to those provisions. A declaration, bylaw or other governing document of a common-interest community that is changed for the sole purpose of conforming with the provisions of this chapter may be changed by the executive board without the approval of the members of the association and without complying with the procedural requirements of NRS 116.2117 or any other provision generally applicable to the adoption of an amendment to such declaration, bylaw or other governing document.

3. Except as otherwise provided in subsection 2, in the case of amendments to the declaration, bylaws or plats and plans of any common-interest community created before January 1, 1992:
(a) If the result accomplished by the amendment was permitted by law before January 1, 1992, the amendment may be made either in accordance
with that law, in which case that law applies to that amendment, or it may be made under this chapter; and

(b) If the result accomplished by the amendment is permitted by this chapter, and was not permitted by law before January 1, 1992, the amendment may be made under this chapter.

3. An amendment to the declaration, bylaws or plats and plans authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and with the procedures and requirements specified by those instruments. If an amendment grants to any person any rights, powers or privileges permitted by this chapter, all correlative obligations, liabilities and restrictions in this chapter also apply to that person. (Deleted by amendment.)

Sec. 7. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in subsection 2, an amendment to the declaration, bylaws or plats and plans authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and with the procedures and requirements specified by those instruments. If an amendment grants to any person any rights, powers or privileges permitted by this chapter, all correlative obligations, liabilities and restrictions in this chapter also apply to that person.

2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to NRS 116.2112, must be indexed in the grantee’s index in the name of the common-interest community and the association and in the grantor’s index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit or the allocated interests of a unit or the uses to which any unit is restricted in the absence of unanimous consent of the units’ owners affected and the consent of a majority of the owners of the remaining units.
5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

Sec. 8. NRS 116.3102 is hereby amended to read as follows:

(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community.

(r) Exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons. (Deleted by amendment.)

Sec. 9. NRS 116.3103 is hereby amended to read as follows:

116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board may act in all instances on behalf of the association. 2. The [Except as otherwise provided in NRS 116.1206, the] executive board may not act on behalf of the association to amend the declaration, to terminate the common-interest community, or to elect members of the executive board or determine their qualifications, powers and duties or terms of office, but the executive board may fill vacancies in its membership for the unexpired portion of any term [unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association.]

Sec. 10. NRS 116.3108 is hereby amended to read as follows:

116.3108 1.—A meeting of the units’ owners must be held at least once each year. If the governing documents do not designate an annual meeting date of the units’ owners, a meeting of the units’ owners must be held 1 year after the date of the last meeting of the units’ owners. If the units’ owners have not held a meeting for 1 year, a meeting of the units’ owners must be held on the following March 1.

2.—Special meetings of the units’ owners, including a special meeting at which the units’ owners will vote on the removal of a member of the executive board, may be called by the president, by a majority of the executive board or by units’ owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total number of voting members of the association. The same number of units’ owners may also call a removal election pursuant to NRS 116.31036. To call a special meeting or a removal election, the units’ owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this section and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If the petition calls for a special meeting, the executive board shall set the date for the special meeting so that the special meeting is held not less than 15 days or more than 60 days after the date on which the petition is received. (b) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items. In an emergency, the units’ owners may take action on an item which is not listed on the agenda as an item on which action may be taken.

(c) A period devoted to comments by units’ owners and discussion of those comments. Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner, a schedule of the fines that may be imposed for those violations.

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units’

A copy of the minutes or a summary of the minutes must be provided to any unit's owner upon request and, if required by the executive board, upon payment to the association of the cost of providing the copy to the unit's owner.

10. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the units' owners if the unit's owner, before recording the meeting, provides notice of his intent to record the meeting to the other units' owners who are in attendance at the meeting.

11. The units' owners may approve, at the annual meeting of the units' owners, the minutes of the prior annual meeting of the units' owners and the minutes of any prior special meetings of the units' owners. A quorum is not required to be present when the units' owners approve the minutes.

12. As used in this section, “emergency” means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;
   (b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;
   (c) Requires the immediate attention of, and possible action by, the executive board; and
   (d) Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 11. NRS 116.31083 is hereby amended to read as follows:

116.31083 1. A meeting of the executive board must be held at least once every 90 days.

2. Except in an emergency or unless the bylaws of an association require a longer period of notice, the secretary or other officer specified in the bylaws of the association shall, not less than 10 days before the date of a

to each unit's owner.
3. In an emergency, the secretary or other officer specified in the bylaws
of the association shall, if practicable, cause notice of the meeting to be sent
prepaid by United States mail to the mailing address of each unit within the
common-interest community. If delivery of the notice in this manner is
impracticable, the notice must be hand delivered to each unit within the
common-interest community or posted in a prominent place or places within
the common elements of the association.
4. The notice of a meeting of the executive board must state the time and
place of the meeting and include a copy of the agenda for the meeting or the
date on which and the locations where copies of the agenda may be
conveniently obtained by the unit's owners. The notice must include
notification of the right of a unit's owner to:
(a) Have a copy of the minutes or a summary of the minutes of the
meeting provided to the unit's owner upon request and, if required by the
executive board, upon payment to the association of the cost of providing the
copy to the unit's owner.
(b) Speak to the association or executive board, unless the executive board
is meeting in executive session.
5. The agenda of the meeting of the executive board must comply with
the provisions of subsection 4 of NRS 116.3108. The period required to be
devoted to comments by the unit's owners and discussion of those comments
must be scheduled for the beginning of each meeting. In an emergency, the
executive board may take action on an item which is not listed on the agenda
as an item on which action may be taken.
6. At least once every 90 days, unless the declaration or bylaws of the
association impose more stringent standards, the executive board shall
review, at a minimum, the following financial information at one of its
meetings:

(d) A current reconciliation of the reserve account of the association;
(e) The latest account statements prepared by the financial institutions in
which the accounts of the association are maintained; and
(f) The current status of any civil action or claim submitted to arbitration

7. The secretary or other officer specified in the bylaws shall cause
minutes to be recorded or otherwise taken at each meeting of the executive
board. Not more than 30 days after each such meeting, the secretary or other
officer specified in the bylaws shall cause the minutes or a summary of the

the minutes or a summary of the minutes must be provided to any unit’s
owner upon request and, if required by the executive board, upon payment to
the association of the cost of providing the copy to the unit’s owner.

8. Except as otherwise provided in subsection 9 and NRS 116.31085, the

9. The executive board may establish reasonable limitations on materials,
remarks or other information to be included in the minutes of its meetings.

10. The association shall maintain the minutes of each meeting of the
executive board until the common
-interest community is terminated.

11. A unit’s owner may record on audiotape or any other means of sound
reproduction a meeting of the executive board, unless the executive board is
meeting in executive session, if the unit’s owner, before recording the
meeting, provides notice of his intent to record the meeting to the members
of the executive board and the other units’ owners who are in attendance at
the meeting.

12. Notwithstanding any other provision of this chapter, the executive
board may conduct a workshop to prepare for a meeting of the executive
board. A workshop shall not be deemed to be a meeting of the executive

(b) Permit a unit’s owner to attend or speak at a workshop pursuant to subsections 4 and 5;

Sec. 12. NRS 116.3115 is hereby amended to read as follows:

116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive:

(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.

(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the community.
common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary.

3. Any past due assessment for common expenses or installment thereof bears interest at the rate established by the association not exceeding 18 percent per year.

4. [To the extent required by the declaration:] Except as otherwise provided in the governing documents:
   
   (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   
   (b) Any common expense or portion thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited; and
   
   (c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If any common expense is caused by the misconduct of any unit’s owner, the association may assess that expense exclusively against his unit.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit’s owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Sec. 12.3. NRS 116.31151 is hereby amended to read as follows:

116.31151 1. Except as otherwise provided in subsection 2 and unless the declaration of a common-interest community imposes more stringent standards, the executive board shall, not less than 30 days or more than 60 days before the beginning of the fiscal year of the association, prepare and distribute to each unit’s owner a copy of:
(a) The budget for the daily operation of the association. The budget must include, without limitation, the estimated annual revenue and expenditures of the association and any contributions to be made to the reserve account of the association.

(b) The budget to provide adequate funding for the reserves required by paragraph (b) of subsection 2 of NRS 116.3115. The budget must include, without limitation:

(1) The current estimated replacement cost, estimated remaining life and estimated useful life of each major component of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(2) As of the end of the fiscal year for which the budget is prepared, the current estimate of the amount of cash reserves that are necessary, and the current amount of accumulated cash reserves that are set aside, to repair, replace or restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(3) A statement as to whether the executive board has determined or anticipates that the levy of one or more special assessments will be necessary to repair, replace or restore any major component of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore or to provide adequate funding for the reserves designated for that purpose; and

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit’s owner a summary of those budgets, accompanied by a written notice that:

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall provide a summary of the proposed budget to each unit’s owner and shall set a date for a meeting of the units’ owners to consider ratification of the proposed budget not less than 14 days or more than 30 days after the mailing of the summaries. Unless at that meeting a majority of all units’ owners, or any larger vote specified in the declaration, reject the proposed budget, the proposed budget is ratified,
whether or not a quorum is present. If the proposed budget is rejected, the
periodic budget last ratified by the units’ owners must be continued until
such time as the units’ owners ratify a subsequent budget proposed by the
executive board.
Sec. 12.7. NRS 116.31152 is hereby amended to read as follows:

116.31152 1. The executive board shall:
(a) At least once every 5 years, cause to be conducted a study of the
reserves required to repair, replace and restore the major components of the
common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;
(b) At least annually, review the results of that study to determine whether
those reserves are sufficient; and
(c) At least annually, make any adjustments to the association’s funding
plan which the executive board deems necessary to provide adequate funding
for the required reserves.
2. The study of the reserves required by subsection 1 must be conducted
by a person who holds a permit issued pursuant to chapter 116A of NRS.
3. The study of the reserves must include, without limitation:
(a) A summary of an inspection of the major components of the common
elements and any other portion of the common-interest community that the
association is obligated to maintain, repair, replace or restore;
(b) An identification of the major components of the common elements
and any other portion of the common-interest community that the
association is obligated to maintain, repair, replace or restore which have a

(e) An estimate of the total annual assessment that may be necessary to
cover the cost of maintaining, repairing, replacement or restoration of the
major components of the common elements and any other portion of the
common-interest community identified pursuant to paragraph (b), after
subtracting the reserves of the association as of the date of the study, and an
estimate of the funding plan that may be necessary to provide adequate
funding for the required reserves.
4. A summary of the study of the reserves required by subsection 1 must be submitted to the Division not later than 45 days after the date that the executive board adopts the results of the study.

5. If a common-interest community was developed as part of a planned unit development pursuant to chapter 278A of NRS and is subject to an agreement with a city or county to receive credit against the amount of the residential construction tax that is imposed pursuant to NRS 278.4983 and 278.4985, the association that is organized for the common-interest community may use the money from that credit for the repair, replacement or restoration of park facilities and related improvements if:
   (a) The park facilities and related improvements are identified as major components of the common elements of the association; and
   (b) The association is obligated to repair, replace or restore the park facilities and related improvements in accordance with the study of the reserves required by subsection 1.

   (c) A contract between the association and an attorney.

2. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:
   (a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.
(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit’s owner to search and review the general records concerning violations of the governing documents.

3. If the executive board refuses to allow a unit’s owner to review the books, records or other papers of the association, the Ombudsman may:
   (a) On behalf of the unit’s owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and
   (b) If he is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

4. The books, records and other papers of an association must be maintained for at least 10 years. The provisions of this subsection do not apply to:
   (a) The minutes of a meeting of the units’ owners which must be maintained in accordance with NRS 116.3108; or
   (b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

5. The executive board shall not require a unit’s owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

Sec. 14. NRS 116.41095 is hereby amended to read as follows:
116.41095 The information statement required by NRS 116.4103 and 116.4109 must be in substantially the following form:

BEFORE YOU PURCHASE PROPERTY IN A COMMON-INTEREST COMMUNITY
DID YOU KNOW . . .

1. YOU GENERALLY HAVE 5 DAYS TO CANCEL THE PURCHASE AGREEMENT?
When you enter into a purchase agreement to buy a home or unit in a common-interest community, in most cases you should receive either a public offering statement, if you are the original purchaser of the home or unit, or a resale package, if you are not the original purchaser. The law generally provides for a 5-day period in which you have the right to cancel the purchase agreement. The 5-day period begins on different starting dates, depending on whether you receive a public offering statement or a resale package. Upon receiving a public offering statement or a resale package, you
should make sure you are informed of the deadline for exercising your right to cancel. In order to exercise your right to cancel, the law generally requires that you hand deliver the notice of cancellation to the seller within the 5-day period, or mail the notice of cancellation to the seller by prepaid United States mail within the 5-day period. For more information regarding your right to cancel, see Nevada Revised Statutes 116.4108, if you received a public offering statement, or Nevada Revised Statutes 116.4109, if you received a resale package.

2. YOU ARE AGREEING TO RESTRICTIONS ON HOW YOU CAN USE YOUR PROPERTY?
These restrictions are contained in a document known as the Declaration of Covenants, Conditions and Restrictions. The CC&Rs become a part of the title to your property. They bind you and every future owner of the property whether or not you have read them or had them explained to you. The CC&Rs, together with other “governing documents” (such as association bylaws and rules and regulations), are intended to preserve the character and value of properties in the community, but may also restrict what you can do to improve or change your property and limit how you use and enjoy your property. By purchasing a property encumbered by CC&Rs, you are agreeing to limitations that could affect your lifestyle and freedom of choice. You should review the CC&Rs, and other governing documents before purchasing to make sure that these limitations and controls are acceptable to you.

Certain provisions in the CC&Rs and other governing documents may be superseded by contrary provisions of chapter 116 of the Nevada Revised Statutes. The Nevada Revised Statutes are available at the Internet address http://www.leg.state.nv.us/nrs/.

3. YOU WILL HAVE TO PAY OWNERS’ ASSESSMENTS FOR AS LONG AS YOU OWN YOUR PROPERTY?
As an owner in a common-interest community, you are responsible for paying your share of expenses relating to the common elements, such as landscaping, shared amenities and the operation of any homeowners’ association. The obligation to pay these assessments binds you and every future owner of the property. Owners’ fees are usually assessed by the homeowners’ association and due monthly. You have to pay dues whether or not you agree with the way the association is managing the property or spending the assessments. The executive board of the association may have the power to change and increase the amount of the assessment and to levy special assessments against your property to meet extraordinary expenses. In some communities, major components of the common elements of the community such as roofs and private roads must be maintained and replaced by the association. If the association is not well managed or fails to provide adequate funding for reserves to repair, replace and restore common
elements, you may be required to pay large, special assessments to accomplish these tasks.

4. IF YOU FAIL TO PAY OWNERS’ ASSESSMENTS, YOU COULD LOSE YOUR HOME?

If you do not pay these assessments when due, the association usually has the power to collect them by selling your property in a nonjudicial foreclosure sale. If fees become delinquent, you may also be required to pay penalties and the association’s costs and attorney’s fees to become current. If you dispute the obligation or its amount, your only remedy to avoid the loss of your home may be to file a lawsuit and ask a court to intervene in the dispute.

5. YOU MAY BECOME A MEMBER OF A HOMEOWNERS’ ASSOCIATION THAT HAS THE POWER TO AFFECT HOW YOU USE AND ENJOY YOUR PROPERTY?

Many common-interest communities have a homeowners’ association. In a new development, the association will usually be controlled by the developer until a certain number of units have been sold. After the period of developer control, the association may be controlled by property owners like yourself who are elected by homeowners to sit on an executive board and other boards and committees formed by the association. The association, and its executive board, are responsible for assessing homeowners for the cost of operating the association and the common or shared elements of the community and for the day to day operation and management of the community. Because homeowners sitting on the executive board and other boards and committees of the association may not have the experience or professional background required to understand and carry out the responsibilities of the association properly, the association may hire professional community managers to carry out these responsibilities.

Homeowners’ associations operate on democratic principles. Some decisions require all homeowners to vote, some decisions are made by the executive board or other boards or committees established by the association or governing documents. Although the actions of the association and its executive board are governed by state laws, the CC&Rs and other documents that govern the common-interest community, decisions made by these persons will affect your use and enjoyment of your property, your lifestyle and freedom of choice, and your cost of living in the community. You may not agree with decisions made by the association or its governing bodies even though the decisions are ones which the association is authorized to make. Decisions may be made by a few persons on the executive board or governing bodies that do not necessarily reflect the view of the majority of homeowners in the community. If you do not agree with decisions made by the association, its executive board or other governing bodies, your remedy is typically to attempt to use the democratic processes of the association to seek
the election of members of the executive board or other governing bodies that are more responsive to your needs. If you have a dispute with the association, its executive board or other governing bodies, you may be able to resolve the dispute through the complaint, investigation and intervention process administered by the Office of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels, the Nevada Real Estate Division and the Commission for Common-Interest Communities and Condominium Hotels. However, to resolve some disputes, you may have to mediate or arbitrate the dispute and, if mediation or arbitration is unsuccessful, you may have to file a lawsuit and ask a court to resolve the dispute. In addition to your personal cost in mediation or arbitration, or to prosecute a lawsuit, you may be responsible for paying your share of the association’s cost in defending against your claim.

6. YOU ARE REQUIRED TO PROVIDE PROSPECTIVE PURCHASERS OF YOUR PROPERTY WITH INFORMATION ABOUT LIVING IN YOUR COMMON-INTEREST COMMUNITY?
The law requires you to provide a prospective purchaser of your property with a copy of the community’s governing documents, including the CC&Rs, association bylaws, and rules and regulations, as well as a copy of this document. You are also required to provide a copy of the association’s current year-to-date financial statement, including, without limitation, the most recent audited or reviewed financial statement, a copy of the association’s operating budget and information regarding the amount of the monthly assessment for common expenses, including the amount set aside as reserves for the repair, replacement and restoration of common elements. You are also required to inform prospective purchasers of any outstanding judgments or lawsuits pending against the association of which you are aware. For more information regarding these requirements, see Nevada Revised Statutes 116.4109.

7. YOU HAVE CERTAIN RIGHTS REGARDING OWNERSHIP IN A COMMON-INTEREST COMMUNITY THAT ARE GUARANTEED YOU BY THE STATE?
Pursuant to provisions of chapter 116 of Nevada Revised Statutes, you have the right:
   (a) To be notified of all meetings of the association and its executive board, except in cases of emergency.
   (b) To attend and speak at all meetings of the association and its executive board, except in some cases where the executive board is authorized to meet in closed, executive session.
   (c) To request a special meeting of the association upon petition of at least 10 percent of the homeowners.
(d) To inspect, examine, photocopy and audit financial and other records of the association.
(e) To be notified of all changes in the community’s rules and regulations and other actions by the association or board that affect you.

8. QUESTIONS?
Although they may be voluminous, you should take the time to read and understand the documents that will control your ownership of a property in a common-interest community. You may wish to ask your real estate professional, lawyer or other person with experience to explain anything you do not understand. You may also request assistance from the Office of the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels, Nevada Real Estate Division, at (telephone number).

Senate Bill No. 376. Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 689.

AN ACT relating to labor; making various changes relating to the establishment of the prevailing rates of wages in each county; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the Labor Commissioner to establish the prevailing rate of wages for public works performed in each county. In determining the prevailing rate of wages for a county for a particular year, the Labor Commissioner is required to survey contractors who have performed work in the county during the preceding year. (NRS 338.030) Section 1 of this bill: (1) clarifies that the survey encompasses private and public nonresidential construction work; (2) specifies the classes of workmen for which the Labor Commissioner is required to survey; (3) if the prevailing rate of wages for a craft or type of work is a wage that has been collectively bargained, requires the Labor Commissioner to recognize the rate for the classes and subclasses of workmen and certain premium pay established in the collective bargaining agreement and adjust to the rate of wages in the agreement that are in effect on the effective date of the determination; and on file with the Labor Commissioner by a specified deadline; and (4) clarifies the circumstances
in which the Labor Commissioner is required to hold a hearing in a locality concerning an objection to or information received on a rate of prevailing wage that has been determined. These requirements apply initially to the process of determining and issuing the prevailing rate of wages that will become effective on October 1, 2010.

Under existing law, agencies of the Executive Branch of the State Government, unless specifically exempted, are required to comply with the Nevada Administrative Procedure Act when adopting administrative regulations or adjudicating contested cases. (NRS 233B.039) Section 2 of this bill exempts the Labor Commissioner from compliance with the Act only in the process of determining and issuing the prevailing rate of wages and subclassifications in each county.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.030 is hereby amended to read as follows:

338.030 1. 2. To establish a prevailing wage in each county, including Carson City, the Labor Commissioner shall, annually, survey contractors who have performed private or public nonresidential construction work in the county.    (b) Any person may submit information to the Labor Commissioner that would support a change in the prevailing wage of a craft or type of work by 50 cents or more per hour in any county.
5. Except as otherwise provided in this subsection, the Labor Commissioner shall hold a hearing in the locality in which the work is to be executed if he:
   (a) Is in doubt as to the prevailing wage; or
   (b) Receives an objection or information pursuant to paragraph (a) or (b) of subsection 4, unless the prevailing wage to which the objection or information pertains can be corrected to the rate of wages requested in the objection or information, by the Labor Commissioner through
administrative action, including, without limitation, the correction of a clerical error.

6. The Labor Commissioner may hold only one hearing a year on the prevailing wage of any craft or type of work in any county.

      (1) The rate for the classes and subclasses of workmen established in the collective bargaining agreement; and
      (2) Any premium pay established in the collective bargaining agreement for subsistence, traveling to another zone or area or similar purposes.
   (b) Adjust the prevailing rate of wages for the classes and subclasses of workmen to the rate of wages established in the collective bargaining agreement that are in effect on the effective date of the determination and on file with the Labor Commissioner on or before September 1 of the year in which the determination of the prevailing rate of wages is made.

9. The wages so determined pursuant to this section must be filed by the Labor Commissioner and must be available to any public body which awards a contract for any public work.

10. Nothing contained in NRS 338.020 to 338.090, inclusive, may be construed to authorize the fixing of any wage below any rate which may now or hereafter be established as a minimum wage for any person employed upon any public work, or employed by any officer or agent of any public body.

SECOND READING AND AMENDMENT

Senate Bill No. 396.
Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 658.

AN ACT relating to peace officers; revising provisions governing the review by a peace officer of administrative or investigative files maintained by a law enforcement agency; revising provisions governing investigations of
or hearings concerning peace officers that are conducted by a law enforcement agency; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a law enforcement agency that investigates an allegation of misconduct by a peace officer or takes any punitive action against the peace officer must comply with certain requirements for providing notice and a hearing, using polygraphic examinations, maintaining confidentiality and taking other actions relating to the rights of the peace officer. (NRS 289.010-289.120)

Section 2 of this bill authorizes a peace officer who is the subject of an investigation by a law enforcement agency to review and copy any administrative or investigative file maintained by the law enforcement agency concerning the investigation if, after the conclusion of the investigation, the charges against the peace officer are sustained and the law enforcement agency imposes or considers the imposition of punitive action against the peace officer. (NRS 289.057)

Section 3 of this bill requires a law enforcement agency that intends to conduct an interrogation or to hold a hearing concerning an investigation of a peace officer to provide a written notice of that fact to both the peace officer who is the subject of the investigation and to any peace officer believed by the law enforcement agency to have knowledge of any fact concerning the complaint or allegation made against the peace officer who is the subject of the investigation. Section 3 also requires the law enforcement agency to allow the peace officer to review certain compiled evidence prepared by the law enforcement agency before conducting the interrogation or hearing and prohibits the law enforcement agency from taking various other actions concerning the peace officer. (NRS 289.060) Finally, section 3 provides that, if a peace officer provides a statement or answers a question relating to the alleged misconduct of the peace officer who is the subject of an investigation after he is informed that failure to provide the statement or answer may result in punitive action against him, the peace officer’s answer or statement cannot be used against him in any criminal investigation of him.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. NRS 289.057 is hereby amended to read as follows:

289.057 1. An investigation of a peace officer may be conducted in response to a complaint or allegation that the peace officer has engaged in activities which could result in punitive action.
2. A law enforcement agency shall not suspend a peace officer without pay during or pursuant to an investigation conducted pursuant to this section until all investigations relating to the matter have concluded.

3. After the conclusion of the investigation:
   (a) If the investigation causes the charges brought against the peace officer are sustained and, based on those charges, the law enforcement agency [to impose]:
      (1) Imposes or considers the imposition of punitive action against the peace officer who was the subject of the investigation and the;
      (2) The peace officer has received a notice of the imposition or proposed imposition of the punitive action, including a notice of the right of the peace officer to attend any hearing conducted before the imposition or proposed imposition of the punitive action;
   the peace officer or a representative authorized by the peace officer may, except as otherwise prohibited by federal or state law, review and copy any administrative or investigative file maintained by the law enforcement agency relating to the investigation, including any recordings, notes, transcripts of interviews and documents.
   (b) If, pursuant to a policy of a law enforcement agency or a labor agreement, the record of the investigation or the imposition of punitive action is subject to being removed from any administrative file relating to the peace officer maintained by the law enforcement agency, the law enforcement agency shall not, except as otherwise required by federal or state law, keep or make a record of the investigation or the imposition of punitive action after the record is required to be removed from the administrative file.

Sec. 3. NRS 289.060 is hereby amended to read as follows:

289.060 1. Except as otherwise provided in this subsection, a law enforcement agency shall, not later than 48 hours before any interrogation or hearing is held relating to an investigation conducted pursuant to NRS 289.057, provide a written notice to the peace officer who is the subject of the investigation and to any peace officer believed by the law enforcement agency to have knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation. Each of those peace officers may waive the notice required pursuant to this section.

2. The notice must include:
   (a) A description of the nature of the investigation;
   (b) A summary of the alleged misconduct of the peace officer who is the subject of the investigation;
   (c) The date, time and place of the interrogation or hearing;

3. The law enforcement agency shall:
(a) Interrogate the peace officer during his regular working hours, if reasonably practicable, or compensate him for that time based on his regular wages if no charges against the peace officer arise from the interrogation.
(b) Immediately before the interrogation or hearing begins, inform the peace officer orally on the record that:
   (1) He is required to provide a statement and answer questions related to the alleged misconduct of the peace officer who is the subject of the investigation; and
   (2) If he fails to provide such a statement or to answer any such questions, the agency may charge him with insubordination.
   (3) He is entitled to review any evidence pursuant to subsection 4.
(c) Limit the scope of the questions during the interrogation or hearing to the alleged misconduct of the peace officer who is the subject of the investigation.
(d) Allow the peace officer to explain an answer or refute a negative implication which results from questioning during an interrogation or hearing.

4. If the law enforcement agency has any audio, video or written evidence prepared by the peace officer, and the evidence is compiled during the investigation, the law enforcement agency shall allow the peace officer a reasonable period to review the evidence off the record before the interrogation or hearing begins.

5. If a law enforcement agency has any knowledge of or a belief that a peace officer may be subject to punitive action, the law enforcement agency shall not, without complying with the provisions of NRS 289.010 to 289.120, inclusive, order or otherwise require the peace officer to provide a written statement or memorandum concerning any involvement or activity of the peace officer in the alleged misconduct of the peace officer who is the subject of the investigation.

6. If a peace officer provides a statement or answers a question relating to the alleged misconduct of the peace officer who is the subject of the investigation pursuant to this section after the peace officer is informed that failing to provide the statement or answer may result in punitive action against him, the statement or answer must not be used against the peace officer who provided the statement or answer in any criminal investigation of that peace officer.

Remarks by Assemblyman Anderson. 
Assemblyman Anderson requested that his remarks be entered in the Journal. 
Thank you, Madam Speaker. Senate Bill 313 adopts, in part, the Uniform Adult Guardianship and Protective Proceedings Jurisdiction Act and amends various provisions concerning guardianships. 
The bill adopts portions of the Uniform Act regarding jurisdictional issues in order to: (a) facilitate cooperation between courts in different states; (b) clarify which court has jurisdiction in certain circumstances; (c) specify a procedure for transferring proceedings from one state to another; and (d) address the enforcement of orders from other states. 
Additionally, Senate Bill 313 provides that a court may find that a petitioner for guardianship is a "vexatious litigant" and issue sanctions if he files repeated petitions that are without merit or to harass or annoy the guardian. The bill revises the persons who must be notified of a
guardianship petition and revises requirements concerning supporting documents necessary in
certain petitions.
The measure also establishes certain record keeping and accounting requirements for the
guardian, revises the guardian’s authority to manage the state and affairs of a ward, and
addresses responsibility for repayment of certain expenses of a ward that were paid by the
county.
Finally, the bill addresses the release of a ward who was involuntarily committed by a court
and gives the guardian discretion to determine where the person will be released.
The measure is effective on October 1, 2009.
This rather extensive Act created from the Uniform Code is to a large extent supported by the
guardians here in the state to bring in those parts of the Uniform Code that have been left out in
our documents in the past and thus the extensive nature of the document.
