President Krolicki presiding.
Roll called.
All present.
Prayer by the Chaplain, Pastor Albert Tilstra.
Eternal God,
Grant to the members and officers of this body a sacred moment of quiet before they take up
the duties of this day. Let them not think, when this prayer is said, that their dependence on You
is over and forget Your counsels for the rest of the day.
Rather from these moments of holy quiet, may there come such a sweetness of disposition
that all may know that You are in this place.
So help us all this day through Your presence.

AMEN.
Pledge of Allegiance to the Flag.

MESSAGES FROM THE ASSEMBLY
ASSEMBLY CHAMBER, Carson City, May 2, 2011

To the Honorable the Senate:
I have the honor to inform your honorable body that the Assembly on this day adopted Assembly Concurrent Resolution No. 9.

MATTHEW BAKER
Assistant Chief Clerk of the Assembly

MOTIONS, RESOLUTIONS AND NOTICES

Assembly Concurrent Resolution No. 9—Memorializing Nevada's first Acupuncturist, Dr. Yee Kung Lok.
WHEREAS, As late as December 1972, the practice of acupuncture was considered in Nevada to be "not sufficiently well understood to be an acceptable method for use in the practice of medicine in this State"; and

WHEREAS, The Nevada Legislature became the first in the nation to declare traditional Chinese medicine, including acupuncture, a learned profession when Senate Bill No. 448 of the 1973 Session, authorizing the practice of Chinese medicine and acupuncture, was signed into law on April 20, 1973, and many states thereafter followed suit; and

WHEREAS, Credit for this unprecedentedly quick change in the status of the profession largely belongs to Dr. Yee Kung Lok, who worked tirelessly for this cause; and

WHEREAS, Yee Kung Lok was born in Shanghai, People's Republic of China, on June 17, 1913, to Lok King Qu and Wong Ming Chien and studied Chinese medicine and acupuncture in Shanghai as a disciple; and

WHEREAS, In 1973, Dr. Lok came to Nevada with the ambition to legalize the practice and, along with Arthur Steinberg, a patient he had treated in Hong Kong, and lobbyist Jim Joyce, began the arduous process of attaining this goal; and

WHEREAS, In the ultimate illustration of the adage that seeing is believing, Dr. Lok conducted a demonstration of acupuncture in the spring of 1973, in a clinic in the Ormsby House hotel and casino across the street from the Legislative Building; and
WHEREAS, Half of Nevada’s 60 lawmakers and countless members of the public put themselves under the needles of Dr. Lok during this demonstration, and with assistance from only his wife, he treated more than 100 patients every day for 3 weeks; and

WHEREAS, The great majority of those patients claimed improvement, with some announcing astonishing results, such as an Assemblyman who reported that a 20-year sinus condition disappeared after needles were stuck in his forehead and alongside his nose; and

WHEREAS, Although one of those receiving treatment professed he "would follow him to Hong Kong," Dr. Lok graciously chose to settle in this State to continue helping Nevadans needing relief from their ailments and established a successful practice; and

WHEREAS, With the passing of Dr. Yee Kung Lok in Las Vegas on January 17, 2004, Nevada lost one of its most forward-thinking leaders in the field of medicine; and

WHEREAS, He is survived by his wife, Chien Ching Lok, their children and spouses Maria Ming Chu Pan and her husband Wei Pan, Dr. Peter Pak Ming Lok and his wife Merle Lok and Lucy Ming Wei Cheung and her husband Chiu Ming Cheung, as well as grandchildren Farrowe and Gerrine Pan, Henry Junwen Lok, Angela Meiwen Lok, Amanda Meihui Lok, Alvin Yao Wen Cheung and Anthony Yao Fang Cheung; now, therefore, be it

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That members of the 76th Session of the Nevada Legislature note with admiration this awe-inspiring man's life and, with sorrow, this great loss; and be it further

RESOLVED, That the Chief Clerk of the Assembly prepare and transmit a copy of this resolution to Dr. Lok's wife, Chien Ching Lok.

Senator Breeden moved the adoption of the resolution.

Remarks by Senator Breeden.

Senator Breeden requested that her remarks be entered in the Journal.

It is an honor to rise today to make a few remarks about the late Dr. Yee-Kung Lok, a man who helped pioneer Chinese medicine in the State of Nevada.

In 1972, Dr. Lok was recruited by Arthur Steinberg to help get the State of Nevada to legally recognize Chinese medicine. Dr. Lok, Steinberg, and lobbyist Jim Joyce convinced the legislature to allow a special demonstration of acupuncture.

For three weeks, Dr. Lok treated over 100 people a day in Carson City to demonstrate the healing properties of acupuncture. Due substantially to the hard work and demonstrations of Dr. Lok during the 57th Session of the Nevada Legislature, Senate Bill No. 448 of the 57th Legislative Session, legalizing Chinese medicine, was introduced. It was passed by the Legislature and was approved on April 19, 1973, by Governor Mike O'Callaghan.

Dr. Lok stated, "In 1973, I came to Nevada with a big dream. In April of 1973, that dream came true; Nevada became the first state to accept Chinese medicine as a learned medical profession."

The contents of that bill can now be found in Chapter 634A of the Nevada Revised Statutes.

At the time, Dr. Lok's demonstrations and Nevada's legislative approval of Chinese medicine made both statewide and national headlines. What started in Carson City as a series of demonstrations by Dr. Lok has grown into a widespread legal acceptance of Chinese medicine.

Today, 34 states and the District of Columbia currently recognize Chinese medicine in their statutes and the practice of acupuncture is widely recognized as an effective treatment option.

Those Nevadans who have found healing through acupuncture have Dr. Lok's dedication and skill in 1973 to thank. Nevada's increasing Asian population and the expanding acceptance of Chinese medicine ensure that although Dr. Lok is no longer with us, his legacy lives on in the healing of ailing Nevadans.

Resolution adopted.

Remarks by Senators Brower and Roberson.
Senator Brower requested that the following remarks be entered in the Journal.

SENATOR BROWER:
I would appreciate it if someone could give us a summary of this bill and to explain what this bill does.

SENATOR ROBERSON:
Assembly Bill No. 18 reenacts statutes related to meetings of the State Board of Parole Commissioners. The bill prohibits the Board from denying parole unless a prisoner has been given notice of the Board meeting and an opportunity to be present, and requires the Board to allow prisoners or their representatives to speak. The measure also requires the Board to provide written notice of its final decisions concerning parole within ten working days after a hearing and, if parole is denied, specific recommendations to improve the possibility of being granted parole, if any.

This measure reenacts provisions of the Nevada Revised Statutes that the United States District Court of Nevada permanently enjoined the State from enforcing in the matter of American Civil Liberties Union (ACLU) of Nevada v. Masto, in 2008. Testimony indicated that these particular provisions are not directly related to the issues in that case. This bill is intended to express the intent of the Legislature that these provisions continue to apply.

Bill read third time.
Remarks by Senators Brower, McGinness and Roberson.
Senator Brower requested that the following remarks be entered in the
Journal.

SENATOR BROWER:
I would like an explanation on this bill.

SENATOR McGINNESS:
Assembly Bill No.142 changes the threshold, expressed in terms of the amount of money or
value misappropriated, stolen, or taken, between lesser and greater property crimes. The bill
amends the penalty provisions for various property crimes, including accepting a kickback; fraud
against an innkeeper; fraud in the course of an enterprise or occupation; etc.

In general, the bill changes the threshold between a misdemeanor and a gross misdemeanor,
or between a misdemeanor and a category C or D felony, from $250 to $650. It also changes
certain thresholds between a category B felony and a lesser felony from $2,500 to $3,500.

SENATOR ROBERSON:
When we heard this bill it made a lot of sense to look at some of the dollar amounts that had
been in place for decades. This reflects the increase in inflation and cost of living since then.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 228.130 is hereby amended to read as follows:

228.130 1. In all criminal cases where, in the judgment of the district attorney, the personal presence of the Attorney General or the presence of a deputy or special investigator is required in cases mentioned in subsection 2, before making a request upon the Attorney General for such assistance the district attorney must first present his or her reasons for making the request to the board of county commissioners of his or her county and have the board adopt a resolution joining in the request to the Attorney General.

2. In all criminal cases where help is requested from the Attorney General's Office, as mentioned in subsection 1, in the presentation of criminal cases before a committing magistrate, grand jury, or district court, the board of county commissioners of the county making such request shall, upon the presentation to the board of a duly verified claim setting forth the expenses incurred, pay from the general funds of the county the actual and necessary traveling expenses of the Attorney General or his or her deputy or his or her special investigator from Carson City, Nevada, to the place where such proceedings are held and return therefrom, and also pay the amount of money actually expended by such person for board and lodging from the date such person leaves until the date he or she returns to Carson City.

3. This section shall not be construed as directing or requiring the Attorney General to appear in any proceedings mentioned in subsection 2, but in acting upon any such request the Attorney General may exercise his or her discretion, and his or her judgment in such matters shall be final.

4. **In addition to any payment of expenses pursuant to subsection 2, the Attorney General may charge for the costs of providing assistance in the**

Such costs must be charged for services in a manner consistent with the amount charged to state agencies pursuant to subsection 3 of NRS 228.113, agreed upon by the Attorney General and the district attorney for the county for which the Attorney General provides assistance.

Sec. 2.  (Deleted by amendment.)

Sec. 3.  NRS 622.200 is hereby amended to read as follows:

622.200 1.  As soon as practicable after a person is first appointed to serve as a member of a regulatory body, the person must be provided with:

(a)  A written summary of the duties and responsibilities of a member of the regulatory body; and

(b)  Training on those duties and responsibilities by the Attorney General. The training must include, without limitation, instruction related to the audit that is required by NRS 218G.400, except that a person who is a member of the Nevada State Board of Accountancy is not required to be provided with instruction related to that audit.

2.  If a committee is designated, it must be composed of at least three members of the Board, at least one of whom is a licensed homeopathic physician.

determine whether it warrants proceedings for modification, suspension or revocation of license. If the Attorney General determines that such further proceedings are warranted, the Attorney General shall report the results of the investigation together with a recommendation to the Board in a manner which does not violate the right of the person charged in the complaint to due process in any later hearing before the Board.

As we take a moment to inhale and exhale the magnificence of this day, in knowing that in this moment right here and right now, all is God.
Yes, all is God. For, in the beginning, the now, and the eternity, there is only God, the one power and the one presence. God is the creator of itself and all that is. Each idea. Each being. Each action. Each interaction, all of this is God.
In knowing this, as we begin our day together, in each moment, in the presence of all, we are graced with the opportunities to serve. In the truth of who we are, we remember that we are the divine expressions of the one power and the one presence.
We have boundless opportunities to do good work. For this is who we are, not just what we do. As we celebrate the infinite possibilities that are ours for the claiming, I rejoice in the greatest of gratitude for all that is before us, moment by moment—in the now and beyond. For this and so much more, I say, "And so it is."

The following amendment was proposed by the Committee on Health and Human Services:
Amendment No. 552.
"SUMMARY—Makes various changes concerning the Fund for Hospital Care to Indigent Persons. (BDR 38-282)"
"AN ACT relating to indigent persons; revising provisions governing the Fund for Hospital Care to Indigent Persons; revising the membership of the Board of Trustees of the Fund; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law establishes the Fund for Hospital Care to Indigent Persons to pay certain costs of hospital care provided to persons injured in motor vehicle accidents who are indigent. The Fund is composed of money collected or recovered from certain taxes and from certain charges against a county for unpaid charges for hospital care not greater than $3,000. (NRS 428.115-428.255)
Section 2 of this bill changes the membership of the Board of Trustees of the Fund to require the Governor to appoint a director of a social services agency of a county as one of the five members of the Board. Section 2 further authorizes such a director of a social services agency to designate another person to carry out his or her duties on the Board when the director is unavailable.

Sections 1 and 4 of this bill require the money deposited in the Fund by a county for unpaid hospital charges not exceeding $3,000 to be accounted for separately in the Fund and used to reimburse or partially reimburse a hospital for unpaid hospital charges.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 428.175 is hereby amended to read as follows:

428.175 1. The Fund for Hospital Care to Indigent Persons is hereby created as a special revenue fund for the purposes described in NRS 428.115 to 428.255, inclusive.

2. Except as otherwise provided in subsection 3, money collected or recovered pursuant to NRS 428.115 to 428.255, inclusive, and the interest earned on the money in the Fund must be deposited for credit to the Fund.

3. Any money paid by a county pursuant to NRS 428.255 must be accounted for separately in the Fund and must be used to reimburse or partially reimburse a hospital for unpaid charges for hospital care pursuant to NRS 428.115 to 428.255, inclusive, as other claims against the Fund are paid.

4. Claims against the Fund must be paid on claims approved by the Board.

Sec. 2. NRS 428.195 is hereby amended to read as follows:

428.195 1. The Fund must be administered by a Board of Trustees composed of five members appointed by the Governor as follows:

(a) Four county commissioners; and

(b) One director of a social services agency of a county.

2. The members of the Board of Trustees must be appointed by the Governor from a list of ten nominees submitted by the Board of Directors of the Nevada Association of Counties.

The list of nominees must include six nominees who are county commissioners and three nominees who are directors of a social services agency of a county.

3. Each member of the Board of Trustees shall serve a term of two years or until a successor has been appointed and has qualified.

4. The position of a member of the Board of Trustees shall be considered vacated upon the loss of any of the qualifications required for the appointment of the member and in that event the Governor shall appoint a successor from a list of two nominees submitted by the Board of Directors of the Nevada Association of Counties. The list of nominees must include two county commissioners if the member of the Board is a county
commissioner or two directors of a social services agency if the member of
the board is the director of a social services agency of a county.

5. The director of a social services agency who is appointed to the
Board of Trustees may designate a person to carry out his or her duties on
the Board of Trustees when the director is unavailable, and any such
designee has the same power as any other member of the Board of Trustees
for the period in which he or she is designated to act on behalf of the
director.

6. As used in this section, "social services agency" means any public
agency or organization that provides social services in this State, including,
without limitation, providing welfare and health care services.

Sec. 3. (Deleted by amendment.)

Sec. 4. NRS 428.255 is hereby amended to read as follows:

428.255 1. Any reimbursement or partial reimbursement made from
the Fund for unpaid charges for hospital care furnished to a person which are
not greater than $3,000, is a charge upon the county in which:

(a) The accident occurred, if the person is not a resident of this state
and the accident occurred in this state; or

(b) The person resides, if the person is a resident of this state,
and must be paid to the Fund upon a claim presented by the Board as
other claims against the county are paid.

2. Money paid by a county pursuant to this section must be accounted
for separately and expended in accordance with the provisions of
subsection 3 of NRS 428.175.

Sec. 5. This act becomes effective on July 1, 2011, upon passage and

The following amendment was proposed by the Committee on Commerce, Labor and Energy:
Amendment No. 550.
"SUMMARY—Revises provisions governing certain disbursements of money from escrow accounts. (BDR 54-1016)"

"AN ACT relating to escrow accounts; requiring that certain disbursements of money from escrow accounts be payable in United States currency; requiring that certain disbursements of money from escrow accounts be disbursed in accordance with federal law governing next-day availability of such money; establishing provisions concerning the disbursement of money from an escrow account by a title insurer, title agent or escrow officer; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law governs the disbursement of money held in escrow by an escrow officer or escrow agent relating to certain transactions and prohibits disbursements from an escrow account on the same business day as the money is deposited unless the deposit is made in certain forms which allow for the immediate withdrawal of the money. (NRS 645A.171) This Section 1 of this bill requires certain disbursements by an escrow agent which are available on the same business day as that on which the money is deposited to be payable in United States currency. This bill Section 1 also requires that money in an escrow account which is accorded next-day availability be disbursed by the escrow agent in accordance with all applicable federal laws.

Section 2 of this bill establishes provisions concerning the disbursement of money from an escrow account by a title insurer, title agent or escrow officer with respect to real estate transactions. Amendment No. 560.

"SUMMARY
Prohibits Revises provisions governing discriminatory employment practices based upon gender identity or expression."
(BDR 53-272)

"AN ACT relating to employment practices; prohibiting discriminatory employment practices based upon the gender identity or expression of a person; authorizing the Nevada Equal Rights Commission to investigate certain acts of prejudice against a person with regard to employment based on gender identity or expression and sexual orientation; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law establishes that it is the policy of this State to foster the right of all persons to reasonably seek, obtain and hold employment without discrimination, distinction or restriction because of race, religious creed, color, age, sex, disability, national origin or ancestry. (NRS 233.010) Consistent with that policy, existing law protects against such discrimination with respect to apprenticeships. (NRS 610.010, 610.020, 610.150, 610.185) In addition, existing law prohibits certain employers, employment agencies, labor organizations, joint labor-management committees or contractors from engaging in certain discriminatory employment practices. For example, it is an unlawful employment practice to fail to hire or to fire or otherwise discriminate against a person, or to limit or segregate or classify an employee on the basis of race, color, religion, sex, sexual orientation, age, disability or national origin, except in certain circumstances. (NRS 338.125, 613.330, 613.340, 613.350, 613.380) Sections 2-4, 7-13, 16 and 17 of this bill add "gender identity or expression" to the list of categories upon which discrimination is prohibited, and sections 1, 5 and 14 of this bill define "gender identity or expression" to mean the gender-related identity, appearance, expression or behavior of a person, regardless of the person's assigned sex at birth.

Existing law authorizes the Nevada Equal Rights Commission to investigate tensions, practices of discrimination and acts of prejudice against any person with regard to employment based on race, color, creed, sex, age, disability, national origin or ancestry. (NRS 233.150) Section 15 of this bill adds "gender identity or expression" and "sexual orientation" to the list of categories upon which the Commission may investigate such allegations of discrimination.

Amendment No. 560 revises two sections of Nevada Revised Statutes (NRS) section 233 which governs the Nevada Equal Rights Commission. This amendment would simply make all subsections uniform and consistent with other bills that have already passed out of this House.

SENATOR HARDY:
Thank you, Mr. President. In speaking to the amendment, it talks about employment based gender identity or expression.

On page 3, it deals with that same definition of expression or behavior of a person. There is a distinct difference between allowing protection and expression or behavior.

We treasure the freedom of speech in this country, but it has limitations such as not yelling fire in a crowded theater. This amendment creates an extra right. It is ironic when we can consider that in the bill on page 3, Section 2, line 23 it states, "gender identity or expression, religion." You will notice "religion" is not followed by the word "expression."

In the workplace, we are hired to do a job and even if in the contract it does not say that I am allowed to say what religion I am, and why I believe, it becomes inappropriate at times to be preaching in the workplace. I see this as one of those expression issues that could be problematic in the schools, in the workplace, and in a public facility within a private facility.
I was further concerned when I got a letter from a constituent stating, "I am standing up for the right of all Nevadans to be treated fairly and to have protection under the law from discrimination based on their gender identity, or expression." I do not know where that expression ends and where it begins. I have concerns about that. The constituents have a perception of where that begins and ends. It is a real issue that we are giving a super right of expression instead of limiting that to a protection.

SENATOR HORSFORD:
Thank you, Mr. President. As a point of order, with respect to my colleague from District 12, the amendment before you has nothing to do with the expression issue. It is specifically related to sexual orientation, which was a technical oversight in the drafting of the initial bill which is current law.

MR. PRESIDENT:
Respectfully, I thought the Senator was addressing the amendment because the "expression" terminology is used in the amendment's description.

SENATOR HORSFORD:
Point of order, that is not. That is the bill as amended. Assembly Bill No. 211 is in the preamble of the bill. The amendment as before has the purple areas highlighted.

MR. PRESIDENT:
The point is there is a question about "expression." I allowed it. I do not think it changes what we are doing here. There is an amendment before us. There is a motion to pass it.

SENATOR HORSFORD:
I do not disagree I just want the body to be clear, that the amendment before you deals only with the language to add sexual orientation to the list.

SENATOR HARDY:
Thank you, Mr. President. It may be my misunderstanding. When I read the preamble to the bill, or as it is amended, it says, "authorizing Nevada Equal Rights Commission to investigate certain acts of prejudice against a person with regard to employment based on gender identity or expression and sexual orientation." All of which is in green, which was not in the original bill.

Thank you, Mr. President. I rise to thank the sponsor of this bill for bringing this issue to our attention and fixing a glitch in the State law.
As I have mentioned on this Floor before, these issues are happening with more regularity and affecting more families around this country than in recent memory.

When I was on active duty, I went through training on how to tell families that a loved one had been killed in action. Then, it was very abstract. It did not happen often. This is happening on a weekly basis in our country.

I appreciate my colleague from Washoe County as a cosponsor and the others who rose to the occasion to help veterans' groups make this small change. It is an important change and I urge your support.

Yesterday was a special day when we honored our mothers.
Thank You Lord for all the mothers, here in the Legislature and all across America. The mothers and the grandmothers here in the Senate have families at home, please watch over them.

Thank You for those who are at the work place, faithfully providing for their families. As they balance deadlines, coworkers, supervisors and all the duties that fill their days, give them a sense of peace about their children's care and well being.

Bless the people who are watching the children of these mothers at work. Help all mothers and grandmothers, wherever they may be, to appreciate each other's sacrifices and to respect their different decisions. Certainly, all mothers are deserving of our greatest thanks and admiration.

Amen.

The following amendment was proposed by the Committee on Commerce, Labor and Energy:

Amendment No. 569.
"SUMMARY—Revises provisions governing utilities. (BDR 58-593)"
"AN ACT relating to utilities; authorizing certain public utilities that purchase natural gas for resale and electric utilities to request approval from the Public Utilities Commission of Nevada to make quarterly rate adjustments based on deferred accounting; requiring that written notices which are provided to customers of certain public utilities that purchase natural gas for resale and electric utilities contain information about the review of certain quarterly rate adjustments by the Commission; authorizing the Commission to allow public utilities that purchase natural gas for resale and electric utilities to apply for certain additional rate adjustments upon a showing of good cause; prohibiting public utilities which purchase natural gas for resale and electric utilities from applying for certain annual rate adjustments after receiving approval from the Commission to make quarterly rate adjustments based on deferred accounting; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes certain public utilities that purchase natural gas for resale and certain electric utilities to use deferred accounting to reflect changes in the cost of purchased natural gas, fuel or power. (NRS 704.185, 704.187) Section 5 of this bill authorizes a public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis based on the fluctuating price of natural gas to request
approval to make quarterly adjustments to its deferred energy accounting adjustment. **Section 5** also authorizes an electric utility that is required to make quarterly adjustments based on the fluctuating price of fuel or power to request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. **Section 5** further requires a utility that receives approval to make any quarterly adjustments to provide its customers with written notice that includes information relating to when the adjustments will be reviewed by the Commission. **Section 5** also authorizes the Commission to approve, upon a showing of good cause, certain additional quarterly adjustments for a public utility which purchases natural gas for resale and an electric utility which has received approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. **Sections 6 and 7** of this bill provide that a public utility which purchases natural gas for resale or an electric utility which has received approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment is not eligible to apply for any additional adjustment to its deferred energy accounting adjustment in its annual deferred energy accounting adjustment application.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 703.320 is hereby amended to read as follows:

703.320 Except as otherwise provided in subsections [8 and] 9 and 11 of NRS 704.110:
1. In any matter pending before the Commission, if a hearing is required by a specific statute or is otherwise required by the Commission, the Commission shall give notice of the pendency of the matter to all persons entitled to notice of the hearing. The Commission shall by regulation specify:
   (a) The manner of giving notice in each type of proceeding; and
   (b) The persons entitled to notice in each type of proceeding.
2. The Commission shall not dispense with a hearing:
   (a) In any matter pending before the Commission pursuant to NRS 704.7561 to 704.7595, inclusive; or
   (b) Except as otherwise provided in paragraph (f) of subsection 1 of NRS 704.100, in any matter pending before the Commission pursuant to NRS 704.061 to 704.110, inclusive, in which an electric utility has filed a general rate application or an annual deferred energy accounting adjustment application pursuant to NRS 704.187.
3. In any other matter pending before the Commission, the Commission may dispense with a hearing and act upon the matter pending unless, within 10 days after the date of the notice of pendency, a person entitled to notice of the hearing files with the Commission a request that the hearing be held. If such a request for a hearing is filed, the Commission shall give at least 10 days' notice of the hearing.
4. As used in this section, "electric utility" has the meaning ascribed to it in NRS 704.187.
Sec. 2. NRS 704.062 is hereby amended to read as follows:

704.062 "Application to make changes in any schedule" and "application" include, without limitation:
1. A general rate application;
2. An application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale; and
3. An annual deferred energy accounting adjustment application; and
4. An annual rate adjustment application.

Sec. 3. NRS 704.069 is hereby amended to read as follows:

704.069 1. Except as otherwise provided in subsections 8 and 9 and 11 of NRS 704.110, the Commission shall conduct a consumer session to solicit comments from the public in any matter pending before the Commission pursuant to NRS 704.061 to 704.110, inclusive, in which:
(a) A public utility has filed a general rate application, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale, an annual deferred energy accounting adjustment application pursuant to NRS 704.187 or an annual rate adjustment application; and
(b) The changes proposed in the application will result in an increase in annual gross operating revenue, as certified by the applicant, in an amount that will exceed $50,000 or 10 percent of the applicant's annual gross operating revenue, whichever is less.

2. In addition to the case-specific consumer sessions required by subsection 1, the Commission shall, during each calendar year, conduct at least one general consumer session in the county with the largest population in this State and at least one general consumer session in the county with the second largest population in this State. At each general consumer session, the Commission shall solicit comments from the public on issues concerning public utilities. Not later than 60 days after each general consumer session, the Commission shall submit the record from the general consumer session to the Legislative Commission.

Sec. 4. NRS 704.100 is hereby amended to read as follows:

704.100 1. Except as otherwise provided in NRS 704.075 and 704.68861 to 704.68887, inclusive, or as may otherwise be provided by the Commission pursuant to NRS 704.095 or 704.097:
(a) A public utility shall not make changes in any schedule, unless the public utility:
(1) Files with the Commission an application to make the proposed changes and the Commission approves the proposed changes pursuant to NRS 704.110; or
(2) Files the proposed changes with the Commission using a letter of advice in accordance with the provisions of paragraph (f).
(b) A public utility shall adjust its rates on a quarterly basis between annual rate adjustment applications pursuant to subsection 8 of NRS 704.110
based on changes in the public utility's recorded costs of natural gas purchased for resale.

(c) An electric utility shall, between annual deferred energy accounting adjustment applications filed pursuant to NRS 704.187, adjust its rates on a quarterly basis pursuant to subsection 10 of NRS 704.110.

(d) A public utility shall post copies of all proposed schedules and all new or amended schedules in the same offices and in substantially the same form, manner and places as required by NRS 704.070 for the posting of copies of schedules that are currently in force.

(e) A public utility may not set forth as justification for a rate increase any items of expense or rate base that previously have been considered and disallowed by the Commission, unless those items are clearly identified in the application and new facts or considerations of policy for each item are advanced in the application to justify a reversal of the prior decision of the Commission.

(f) Except as otherwise provided in paragraph (g), if the proposed change in any schedule does not change any rate or will result in an increase in annual gross operating revenue, as certified by the public utility, in an amount that does not exceed $2,500:
   (1) The public utility may file the proposed change with the Commission using a letter of advice in lieu of filing an application; and
   (2) The Commission shall determine whether it should dispense with a hearing regarding the proposed change.

(g) If the applicant is a small-scale provider of last resort and the proposed change in any schedule will result in an increase in annual gross operating revenue, as certified by the applicant, in an amount that does not exceed $50,000 or 10 percent of the applicant's annual gross operating revenue, whichever is less, the Commission shall determine whether it should dispense with a hearing regarding the proposed change.

(h) In making the determination pursuant to paragraph (f) or (g), the Commission shall first consider all timely written protests, any presentation that the Regulatory Operations Staff of the Commission may desire to present, the application of the public utility and any other matters deemed relevant by the Commission.

2. As used in this section, "electric utility" has the meaning ascribed to it in NRS 704.187.
electric utility files such an application and the application is a general rate
application or an annual deferred energy accounting adjustment application,
the Consumer's Advocate shall be deemed a party of record.

2. Except as otherwise provided in subsection 3, if a public utility files
with the Commission an application to make changes in any schedule, the
Commission shall, not later than 210 days after the date on which the
application is filed, issue a written order approving or disapproving, in whole
or in part, the proposed changes.

3. If a public utility files with the Commission a general rate application,
the public utility shall submit with its application a statement showing the
recorded results of revenues, expenses, investments and costs of capital for
its most recent 12 months for which data were available when the application
was prepared. Except as otherwise provided in subsection 4, in determining
whether to approve or disapprove any increased rates, the Commission shall
consider evidence in support of the increased rates based upon actual
recorded results of operations for the same 12 months, adjusted for increased
revenues, any increased investment in facilities, increased expenses for
depreciation, certain other operating expenses as approved by the
Commission and changes in the costs of securities which are known and are
measurable with reasonable accuracy at the time of filing and which will
become effective within 6 months after the last month of those 12 months,
but the public utility shall not place into effect any increased rates until the
changes have been experienced and certified by the public utility to the
Commission and the Commission has approved the increased rates. The
Commission shall also consider evidence supporting expenses for
depreciation, calculated on an annual basis, applicable to major components
of the public utility's plant placed into service during the recorded test period
or the period for certification as set forth in the application. Adjustments to
revenues, operating expenses and costs of securities must be calculated on an
annual basis. Within 90 days after the date on which the certification required
by this subsection is filed with the Commission, or within the period set forth
in subsection 2, whichever time is longer, the Commission shall make such
order in reference to the increased rates as is required by this chapter. The
following public utilities shall each file a general rate application pursuant to
this subsection based on the following schedule:

(a) An electric utility that primarily serves less densely populated counties
shall file a general rate application not later than 5 p.m. on or before the first
Monday in June 2010, and at least once every 36 months thereafter.

(b) An electric utility that primarily serves densely populated counties
shall file a general rate application not later than 5 p.m. on or before the first
Monday in June 2011, and at least once every 36 months thereafter.

(c) A public utility that furnishes water for municipal, industrial or
domestic purposes or services for the disposal of sewage, or both, which had
an annual gross operating revenue of $2,000,000 or more for at least 1 year
during the immediately preceding 3 years and which had not filed a general
rate application with the Commission on or after July 1, 2005, shall file a
general rate application on or before June 30, 2008, and at least once every
36 months thereafter unless waived by the Commission pursuant to standards
adopted by regulation of the Commission. If a public utility furnishes both
water and services for the disposal of sewage, its annual gross operating
revenue for each service must be considered separately for determining
whether the public utility meets the requirements of this paragraph for either
service.

(d) A public utility that furnishes water for municipal, industrial or
domestic purposes or services for the disposal of sewage, or both, which had
an annual gross operating revenue of $2,000,000 or more for at least 1 year
during the immediately preceding 3 years and which had filed a general rate
application with the Commission on or after July 1, 2005, shall file a general
rate application on or before June 30, 2009, and at least once every
36 months thereafter unless waived by the Commission pursuant to standards
adopted by regulation of the Commission. If a public utility furnishes both
water and services for the disposal of sewage, its annual gross operating
revenue for each service must be considered separately for determining
whether the public utility meets the requirements of this paragraph for either
service.

The Commission shall adopt regulations setting forth standards for
waivers pursuant to paragraphs (c) and (d) and for including the costs
incurred by the public utility in preparing and presenting the general rate
application before the effective date of any change in rates.

4. In addition to submitting the statement required pursuant to
subsection 3, a public utility may submit with its general rate application a
statement showing the effects, on an annualized basis, of all expected
changes in circumstances. If such a statement is filed, it must include all
increases and decreases in revenue and expenses which may occur within
210 days after the date on which its general rate application is filed with the
Commission if such expected changes in circumstances are reasonably
known and are measurable with reasonable accuracy. If a public utility
submits such a statement, the public utility has the burden of proving that the
expected changes in circumstances set forth in the statement are reasonably
known and are measurable with reasonable accuracy. The Commission shall
consider expected changes in circumstances to be reasonably known and
measurable with reasonable accuracy if the expected changes in
circumstances consist of specific and identifiable events or programs rather
than general trends, patterns or developments, have an objectively high
probability of occurring to the degree, in the amount and at the time
expected, are primarily measurable by recorded or verifiable revenues and
expenses and are easily and objectively calculated, with the calculation of the
expected changes relying only secondarily on estimates, forecasts,
projections or budgets. If the Commission determines that the public utility
has met its burden of proof:
(a) The Commission shall consider the statement submitted pursuant to this subsection and evidence relevant to the statement, including all reasonable projected or forecasted offsets in revenue and expenses that are directly attributable to or associated with the expected changes in circumstances under consideration, in addition to the statement required pursuant to subsection 3 as evidence in establishing just and reasonable rates for the public utility; and

(b) The public utility is not required to file with the Commission the certification that would otherwise be required pursuant to subsection 3.

5. If a public utility files with the Commission an application to make changes in any schedule and the Commission does not issue a final written order regarding the proposed changes within the time required by this section, the proposed changes shall be deemed to be approved by the Commission.

6. If a public utility files with the Commission a general rate application, the public utility shall not file with the Commission another general rate application until all pending general rate applications filed by that public utility have been decided by the Commission unless, after application and hearing, the Commission determines that a substantial financial emergency would exist if the public utility is not permitted to file another general rate application sooner. The provisions of this subsection do not prohibit the public utility from filing with the Commission, while a general rate application is pending, an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale pursuant to subsection 7, a quarterly rate adjustment pursuant to subsection 8 or [9, 10, any information relating to deferred accounting requirements pursuant to NRS 704.185 or an annual deferred energy accounting adjustment application pursuant to NRS 704.187, if the public utility is otherwise authorized to so file by those provisions.

7. A public utility may file an application to recover the increased cost of purchased fuel, purchased power, or natural gas purchased for resale once every 30 days. The provisions of this subsection do not apply to:

(a) An electric utility which is required to adjust its rates on a quarterly basis pursuant to subsection [9, 10]; or

(b) A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis [between annual rate adjustment applications] pursuant to subsection 8.

8. A public utility which purchases natural gas for resale must request approval from the Commission to adjust its rates on a quarterly basis between annual rate adjustment applications based on changes in the public utility's recorded costs of natural gas purchased for resale. A public utility which purchases natural gas for resale and which adjusts its rates on a quarterly basis may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the
application is filed with the Commission. The Commission may approve the request if the Commission finds that [the quarterly adjustment] approval of the request is in the [best interest of the] public interest. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of a public utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 2.5 cents per therm of natural gas. [The Commission shall not approve a deferred energy accounting adjustment if the balance of the public utility's deferred account varies by less than 5 percent from the public utility's annual recorded costs of natural gas which are used to calculate quarterly rate adjustments.] If the balance of the public utility's deferred account varies by less than 5 percent from the public utility's annual recorded costs of natural gas which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per therm of natural gas.

9. If the Commission approves [such] a request to make any rate adjustments on a quarterly basis pursuant to subsection 8:

(a) The public utility shall file written notice with the Commission before the public utility makes a quarterly rate adjustment. A quarterly rate adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The public utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill. The public utility shall begin providing such written notice to its customers not later than 30 days after the date on which the public utility files its written notice with the Commission pursuant to paragraph (a). The written notice that is included with a customer's regular monthly bill:

(1) Must be printed separately on fluorescent-colored paper and must not be attached to the pages of the bill; and

(2) Must include the following:

(I) The total amount of the increase or decrease in the public utility's revenues from the rate adjustment, stated in dollars and as a percentage;

(II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;

(III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission; and

(IV) A statement that the transactions and recorded costs of natural gas which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual rate adjustment application pursuant to paragraph (d); and

(V) Any other information required by the Commission.
(c) The public utility shall file an annual rate adjustment application with the Commission. The annual rate adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual rate adjustment application must include a review of each quarterly rate adjustment filing and the annual rate adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the public utility to recover any recorded costs of natural gas which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the public utility, and the Commission shall order the public utility to adjust its rates if the Commission determines that any recorded costs of natural gas included in any quarterly rate adjustment or the annual rate adjustment application were not reasonable or prudent.

10. An electric utility shall adjust its rates on a quarterly basis based on changes in the electric utility's recorded costs of purchased fuel or purchased power. In addition to adjusting its rates on a quarterly basis, an electric utility may request approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment. The Commission shall approve or deny such a request not later than 120 days after the application is filed with the Commission. The Commission may approve the request if the Commission finds that approval of the request is in the best interest of the public. If the Commission approves a request to make quarterly adjustments to the deferred energy accounting adjustment of an electric utility pursuant to this subsection, any quarterly adjustment to the deferred energy accounting adjustment must not exceed 0.25 cents per kilowatt-hour of electricity. If the balance of the electric utility's deferred account varies by less than 5 percent from the electric utility's annual recorded costs for purchased fuel or purchased power which are used to calculate quarterly rate adjustments, the deferred energy accounting adjustment must be set to zero cents per kilowatt-hour of electricity.

11. A quarterly rate adjustment filed pursuant to subsection 10 is subject to the following requirements:
(a) The electric utility shall file written notice with the Commission on or before August 15, 2007, and every quarter thereafter of the quarterly rate adjustment to be made by the electric utility for the following quarter. The first quarterly rate adjustment by the electric utility will take effect on October 1, 2007, and each subsequent quarterly rate adjustment will take effect every quarter thereafter. The first quarterly adjustment to a deferred energy accounting adjustment must be made pursuant to an order issued by the Commission approving the application of an electric utility to make quarterly adjustments to its deferred energy accounting adjustment. A quarterly rate adjustment to a deferred energy accounting adjustment is not subject to the requirements for notice and a hearing pursuant to NRS 703.320 or the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(b) The electric utility shall provide written notice of each quarterly rate adjustment to its customers by including the written notice with a customer's regular monthly bill. The electric utility shall begin providing such written notice to its customers not later than 30 days after the date on which the electric utility files a written notice with the Commission pursuant to paragraph (a). The written notice that is included with a customer's regular monthly bill:

1. Must be printed separately on fluorescent-colored paper and must not be attached to the pages of the bill; and
2. Must include the following:
   (I) The total amount of the increase or decrease in the electric utility's revenues from the rate adjustment, stated in dollars and as a percentage;
   (II) The amount of the monthly increase or decrease in charges for each class of customer or class of service, stated in dollars and as a percentage;
   (III) A statement that customers may send written comments or protests regarding the rate adjustment to the Commission; and
   (IV) A statement that the transactions and recorded costs of purchased fuel or purchased power which are the basis for any quarterly rate adjustment will be reviewed for reasonableness and prudence in the next proceeding held by the Commission to review the annual deferred energy accounting adjustment application pursuant to paragraph (d); and
   (V) Any other information required by the Commission.

(c) The electric utility shall file an annual deferred energy accounting adjustment application pursuant to NRS 704.187 with the Commission. The annual deferred energy accounting adjustment application is subject to the requirements for notice and a hearing pursuant to NRS 703.320 and the requirements for a consumer session pursuant to subsection 1 of NRS 704.069.

(d) The proceeding regarding the annual deferred energy accounting adjustment application must include a review of each quarterly rate adjustment and a review of each deferred energy accounting adjustment.
the transactions and recorded costs of purchased fuel and purchased power included in each quarterly rate adjustment filing and the annual deferred energy accounting adjustment application. There is no presumption of reasonableness or prudence for any quarterly rate adjustment or for any transactions or recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application, and the electric utility has the burden of proving reasonableness and prudence in the proceeding.

(e) The Commission shall not allow the electric utility to recover any recorded costs of purchased fuel and purchased power which were the result of any practice or transaction that was unreasonable or was undertaken, managed or performed imprudently by the electric utility, and the Commission shall order the electric utility to adjust its rates if the Commission determines that any recorded costs of purchased fuel and purchased power included in any quarterly rate adjustment or the annual deferred energy accounting adjustment application were not reasonable or prudent.

12. If an electric utility files an annual deferred energy accounting adjustment application pursuant to subsection 9 and NRS 704.187 while a general rate application is pending, the electric utility shall:
   (a) Submit with its annual deferred energy accounting adjustment application information relating to the cost of service and rate design; and
   (b) Supplement its general rate application with the same information, if such information was not submitted with the general rate application.

13. A utility facility identified in a 3-year plan submitted pursuant to NRS 704.741 and accepted by the Commission for acquisition or construction pursuant to NRS 704.751 and the regulations adopted pursuant thereto shall be deemed to be a prudent investment. The utility may recover all just and reasonable costs of planning and constructing such a facility.

14. In regard to any rate or schedule approved or disapproved pursuant to this section, the Commission may, after a hearing:
   (a) Upon the request of the utility, approve a new rate but delay the implementation of that new rate:
      (1) Until a date determined by the Commission; and
      (2) Under conditions as determined by the Commission, including, without limitation, a requirement that interest charges be included in the collection of the new rate; and
   (b) Authorize a utility to implement a reduced rate for low-income residential customers.

15. The Commission may, upon request and for good cause shown, permit a public utility which purchases natural gas for resale or an electric utility to make a quarterly adjustment to its deferred energy accounting adjustment in excess of the maximum allowable adjustment pursuant to subsection 8 or 10.
16. A public utility which purchases natural gas for resale or an electric utility that makes quarterly adjustments to its deferred energy accounting adjustment pursuant to subsection 8 or 10 may submit to the Commission for approval an application to discontinue making quarterly adjustments to its deferred energy accounting adjustment and to subsequently make annual adjustments to its deferred energy accounting adjustment. The Commission may approve an application submitted pursuant to this subsection if the Commission finds that approval of the application is in the best interest of the public.

17. As used in this section:
(a) "Deferred energy accounting adjustment" means the rate of a public utility which purchases natural gas for resale or an electric utility that is calculated by dividing the balance of a deferred account during a specified period by the total therms or kilowatt-hours which have been sold in the geographical area to which the rate applies during the specified period.
(b) "Electric utility" has the meaning ascribed to it in NRS 704.187.
(c) "Electric utility that primarily serves densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is 400,000 or more than it does from customers located in counties whose population is less than 400,000.
(d) "Electric utility that primarily serves less densely populated counties" means an electric utility that, with regard to the provision of electric service, derives more of its annual gross operating revenue in this State from customers located in counties whose population is less than 400,000 than it does from customers located in counties whose population is 400,000 or more.

Sec. 6. NRS 704.185 is hereby amended to read as follows:
704.185 1. Except as otherwise provided in subsection 8 of NRS 704.110, a public utility which purchases natural gas for resale may record upon its books and records in deferred accounts all cost increases or decreases in the natural gas purchased for resale. Any public utility which uses deferred accounting to reflect changes in costs of natural gas purchased for resale shall include in its annual report to the Commission a statement showing the allocated rate of return for each of its operating departments in Nevada which uses deferred accounting.
2. If the rate of return for any department using deferred accounting pursuant to subsection 1 is greater than the rate of return allowed by the Commission in the last rate proceeding, the Commission shall order the utility which recovered any costs of natural gas purchased for resale through rates during the reported period to transfer to the next energy adjustment period that portion of such recovered amounts which exceeds the authorized rate of return.
A public utility which purchases natural gas for resale may request approval from the Commission to record upon its books and records in deferred accounts any other cost or revenue which the Commission deems appropriate for deferred accounting and which is not otherwise subject to the provisions of subsections subsection 1 and 2. If the Commission approves such a request, the Commission shall determine the appropriate requirements for reporting and recovery that the public utility must follow with regard to each such deferred account.

3. When a public utility which purchases natural gas for resale files an annual rate adjustment application or an annual deferred energy accounting adjustment application, the proceeding regarding the application must include a review of the transactions and recorded costs of natural gas included in the application. There is no presumption of reasonableness or prudence for any transactions or recorded costs of natural gas included in the application, and the public utility has the burden of proving reasonableness and prudence in the proceeding.

4. A public utility which purchases natural gas for resale and which has received approval from the Commission to make quarterly adjustments to a deferred energy accounting adjustment pursuant to subsection 8 of NRS 704.110 is not eligible to request an adjustment to its deferred energy accounting adjustment in its annual rate adjustment application.

Sec. 7. NRS 704.187 is hereby amended to read as follows:

704.187 1. An electric utility that purchases fuel or power shall use deferred accounting by recording upon its books and records in deferred accounts all increases and decreases in costs for purchased fuel and purchased power that are prudently incurred by the electric utility.

2. An electric utility using deferred accounting shall include in its annual report to the Commission a statement showing, for the period of recovery, the allocated rate of return for each of its operating departments in this State using deferred accounting. If, during the period of recovery, the rate of return for any operating department using deferred accounting is greater than the rate of return authorized by the Commission in the most recently completed rate proceeding for the electric utility, the Commission shall order the electric utility that recovered costs for purchased fuel or purchased power through its rates during the reported period to transfer to the next energy adjustment period that portion of the amount recovered by the electric utility that exceeds the authorized rate of return.

3. Except as otherwise provided in this section, an electric utility using deferred accounting shall file an annual deferred energy accounting adjustment application on or before March 1, 2008, and on or before March 1 of each year thereafter.

4. An electric utility that purchases fuel or power and has received approval from the Commission to make quarterly adjustments to its deferred energy accounting adjustment pursuant to
subsection 10 of NRS 704.110 is not eligible to request an adjustment to its deferred energy accounting adjustment in its annual deferred energy accounting adjustment application.

5. As used in this section:
   (a) "Annual deferred energy accounting adjustment application" means an application filed by an electric utility pursuant to this section and subsection 11 of NRS 704.110.
   (b) "Costs for purchased fuel and purchased power" means all costs which are prudently incurred by an electric utility and which are required to purchase fuel, to purchase capacity and to purchase energy. The term does not include any costs that the Commission determines are not recoverable pursuant to subsection 11 of NRS 704.110.
   (c) "Electric utility" means any public utility or successor in interest that:
      (1) Is in the business of providing electric service to customers;
      (2) Holds a certificate of public convenience and necessity issued or transferred pursuant to this chapter; and
      (3) In the most recently completed calendar year or in any other calendar year within the 7 calendar years immediately preceding the most recently completed calendar year, had a gross operating revenue of $250,000,000 or more in this State.
   → The term does not include a cooperative association, nonprofit corporation, nonprofit association or provider of electric service which is declared to be a public utility pursuant to NRS 704.673 and which provides service only to its members.

Amendment No. 569 to Assembly Bill No. 215 makes some clarifying changes to the language regarding deferred energy accounting adjustments filed with the Public Utilities Commission of Nevada.
This is the amount of money built up in the fund by both Southwest Gas and NV Energy. It amounts to a lot of money and they would like to refund it to the customers sooner.

GENERAL FILE AND THIRD READING

Senate Bill No. 497.
Bill read third time.
Remarks by Senators Parks, Settelmeyer, Kieckhefer, McGinness, Roberson, Cegavske, Brower, Denis, Gustavson, Halseth and Hardy.

Senator Settelmeyer requested that the following remarks be entered in the Journal.

Senator Parks:
Senate Bill No. 497 revises the districts for election of members of the Nevada Senate and Assembly and of representatives in the United States House of Representatives.

The measure retains a 21-member Senate. The ideal population in each Senate district is 128,598. The overall range of population deviation is 0.93 percent. The plan eliminates the multi-member Senate districts in Clark County, and includes 15 Senate districts wholly within Clark County and three districts wholly within Washoe County. The remaining three districts contain parts of Clark and Washoe Counties, and the rural counties.

The measure retains a 42-member Assembly. The ideal population in each Assembly district is 64,299. The overall range of population deviation is 1.62 percent. Two Assembly districts are nested within a single Senate district. The plan includes 30 Assembly districts wholly within Clark County and six districts wholly within Washoe County. The remaining six districts contain parts of Clark and Washoe Counties, and the rural counties.

Based on the 2010 United States Census, Nevada has been apportioned a fourth Congressional district. The ideal population in each district is 675,138. The overall range of population deviation is 0.00 percent. Two Congressional districts are wholly contained in Clark County. A third district contains a portion of Clark County and all or parts of rural counties. A fourth district contains all of Washoe County and all or parts of rural counties.

The bill provides for the use of the term "reelect" in the 2012 General Election under certain circumstances. The measure also includes a severability clause.

The bill contains various effective dates for the purposes of filing for office and for nominating and electing members of the Nevada Legislature and the U.S. House of Representatives and for other purposes.

Senator Settelmeyer:
Thank you, Mr. President. I rise in opposition to Senate Bill No. 497. My first objection to this bill is the law itself. It is within our rules, 13.5, compliance with the Voting Rights Act. Currently, in the State of Nevada, 26 percent of the population is Hispanic. They represent 46 percent of the population growth from our last census. Currently, Hispanics in our Senate Chambers have only two seats. The current plan we are discussing today, gives them no clear chances to increase their representation. I object to that. The Republican plan provides four seats, doubling the Hispanics representation. I feel the Democratic plan fractures the Hispanic community. The deviations that were mentioned before on the Democratic plan are unacceptable. In this electronic age, the deviations in the Democratic plan are twice that for the GOP plan. One man, one vote, yet the deviations are double. Section 54 renumbers the districts, yet six GOP and two Democrats are renumbered. Some renumbering is inevitable in the system. If you look at the Senate, there are two double districts. Those would have to be renumbered. Other than that, no one has to have their numbers changed. I am the representative for the Capital Senatorial District, also known as Senate District No. 17. The provisions of 294A330 are
still adhered to. Within this bill, in Section 54, those 8 individuals will not be able to use the term "reelect." Therefore, I oppose this bill.

SENATOR KIECKHEFER:
For some of the same reasons my colleague spoke of, I oppose this bill as well. It violates the Voting Rights Act and the Equal Protection Clause of the U.S. Constitution. This redistricting plan creates a wedge within the Hispanic community and undermines their ability to elect representatives to this body by fracturing pieces of their community into majority white districts. The Voting Rights Act and the Equal Protection Clause state that we must provide equal representation to members of this State. The plan before us does not do that. The Voting Rights Act states that if it is possible to do so, we must do so. For that reason, I believe this does not conform to the Voting Rights Act. For that reason, I encourage all of the members of this body to vote against it.

SENATOR MCGINNESS:
The Democrat State Senate redistricting plan is certainly interesting. It creates 13 districts likely to elect Democrat candidates. It creates five districts likely to elect Republican candidates. It creates three competitive districts. This Session I thought the goal was to work on creating fair districts where everyone could win. Since 2002, Republicans held a majority in the State Senate for six years and Democrats held a majority for four years. Those involved in redistricting 10 years ago did a good job, although at the time I wondered about it. They drew districts that were fair. They created several competitive districts that have gone back and forth between Republican and Democrat. Ten years ago, our redistricting plan let the voters decide which party would be in the majority. But, not the Democrat plan this year. They want 13 safe Democrat districts. They want 62 percent of the seats in the State Senate guaranteed. For these reasons and others I will vote against Senate Bill No. 497.

SENATOR ROBERSON:
The Democrats' congressional map should outrage anyone who believes that a state's congressional delegation should fairly represent the people in the state. This unfair and blatantly partisan plan virtually guarantees that Democrats will hold 75 percent of the congressional seats in Nevada for the next decade. It is an outrage. By drawing districts that ensure that Democrats will win three out of four congressional seats in every election for the next decade, our colleagues on the other side have shown their true colors. Our colleagues on the other side of the aisle think they should decide which party represents us in Congress, not the people. What are they afraid of, and who have they harmed with this unfair plan? It is clear that those who support the Democrats' congressional plan are afraid to let the people decide who will represent us in Congress. Their plan virtually guarantees that only Democrat primary voters in three districts and only Republican primary voters in one district will decide who represents us in Congress. In 2010, Republican congressional candidates received 6 percent more votes than Democratic candidates in Nevada. Nevadans elected two Republicans and only one Democrat to Congress. The Democrats have brought forth a plan that rejects the will of Nevada voters and creates a plan that ensures that three Democrats and only one Republican will represent Nevada in the U.S. House of Representatives. Under the Democrat plan, there is no role for independent voters. The Democrats are telling more than 20 percent of Nevadans who are registered non-partisan or third party that their votes will not count in any of the four congressional districts that they have drawn. In their haste to draw an unfair congressional map, the Democrats have not only forgotten independents; they have left Hispanics out in the cold. I will vote against this plan because it is a blatant power grab that fails to pass the smell test.

SENATOR CEGAVSKE:
Thank you, Mr. President. I stand in opposition to Senate Bill No. 497 for the reasons that have been stated by my colleagues. We are told, and it is written, that we are supposed to look at the Voting Rights Act. The plan that is before us violates that law. It is an illegal plan. The Republican plan was fair. We asked, "Does it fit within the Voting Rights Act and is it fair?" Yes, we passed both of those tests. We never had a fair chance at having our bill thoroughly discussed. Our plan did not give either party a monopoly on the power for a decade as it has
been the last ten years. Our Republican plan respected the Voting Rights Act and legally created one, majority-Hispanic congressional district, four majority-Hispanic State Senate seats, and eight majority Hispanic Assembly seats. I urge your opposition to this bill.

**Senator Brower:**
I agree with the comments of the previous speakers. I rise to offer a different perspective on this bill. I have been responsible for enforcing the Voting Rights Act and the Civil Rights Act. Having that responsibility and carrying that out, was one of the great privileges of serving as our United States Attorney. The history of the Voting Rights Act and Civil Rights Act goes back many decades. It was an honor during my time in Washington D.C. with the Department of Justice to sit in the very conference room on the fifth floor of the main justice building where Attorney General Robert F. Kennedy maintained his office, and where the strategy for enforcing the Voting Rights Act and the Civil Rights Act during the 1960s was designed by the Department of Justice, led by Attorney General Kennedy and then Deputy Attorney General Byron White, later an Associate Justice on the Supreme Court. It was the Department of Justice that went to the South when the southern governments would not do it, the southern governors would not do it, and the southern judges would not do it to make certain that the newly enacted Voting Rights Act and the newly enacted Civil Rights Act were enforced. It was not a popular thing to do at that time as we all know from our history. But it was our Department of Justice as mandated by our Congress that went to the South to make certain that the Voting Rights Act and the Civil Rights Act were enforced. I know a little about the Voting Rights Act. This bill, for many of the reasons stated, does not comply with the Voting Rights Act of 1965. Specifically, the fracturing issue that has been described which appears to fracture the Hispanic community in this State, particularly in southern Nevada in a way that undermines the ability of the Hispanic community to have its due representation in these bodies, clearly violates the Voting Rights Act. For that reason, I cannot support this bill.

**Senator Denis:**
As I listen to the comments, I appreciate my colleagues desire to help my community. However, I know my community. When you discuss the 50 percent plus districts under the Voting Rights Act, you have to show that white voters vote as a block to defeat the non-white candidate. In the State of Nevada, we have elected at least three Latinos or Latinas in this last election, alone. In Assembly district numbers 27, 42 and 18, which are Latino influenced districts, but they are not majority districts. Nevada has proven that Hispanics and other minority candidates have, and can be elected in minority influenced districts with far less than 50 percent voting age population. Packing minorities into as few districts as possible to achieve a standard that has been proven unnecessary dilutes minority influence in remaining districts. We have fought to have an influence in the way things happen in the State of Nevada. By packing us into one district or just a few, we do not have that opportunity. The plan offered today creates a record number of districts that have proven thresholds to elect Hispanics and other minority candidates. That is why it has been supported by countless advocates from our community. No community advocates have favored the Republican packaging scheme.

**Senator Gustavson:**
I oppose this partisan plan set forth by the Democrat Assembly because it exploits the voting process. The process of campaigning for a seat in this Body should be fair and equitable, but Democrats prefer a system of gerrymandering to choose their voters, even before voters have had the opportunity to choose them, thereby minimizing the role of voters in the political process. The Democrat Assembly plan became evident, when at the last minute they revised my map to benefit them and undermine me. Furthermore, I oppose the Democrat Assembly plan because it illegally "fractures" and "packs" Hispanic voters. This plan violates the Voting Rights Act and it is a slap in the face of democracy. Out of 42 seats in the Assembly, the Democrat plan creates only three majority-Hispanic districts. Three districts, how do they achieve this? First, they create two districts where they illegally pack Hispanics. One of their Assembly districts is 73 percent Hispanic and another is 71 percent Hispanic. The Voting Rights Act makes "packing" illegal. "Packing" occurs when a minority group is concentrated into one or more districts so that the group constitutes an overwhelming majority of those districts, thus minimizing the number
of districts in which the minority could elect candidates of its choice. Our Republican plans for Congress, the State Senate and the Assembly do not "pack" Hispanics into districts, nor do our plans "fracture" the Hispanic community. We know that Democrats are guilty of "packing" and "fracturing" because our plan created eight majority-Hispanic Assembly districts. In our plan, no majority-Hispanic Assembly district has a population greater than 59 percent. It is clear that Hispanics deserve far more than three majority-Hispanic seats in the Democrat Assembly plan. As has been stated before the Hispanic community represents 26 percent of Nevada's population. As my colleague from Clark County has stated, Hispanics can be elected in districts that do not have a majority of Hispanic population. I am requesting a hearing and discussion of our plan. I will be voting against the Democrat Assembly plan because it illegally "packs" and "fractures" the Hispanic community. This plan goes against the Voting Rights Act.

SENATOR HALSETH:

Thank you, Mr. President. The Democrat Assembly plan is unfair to the people of Nevada. The Democrat Assembly plan creates 26 districts likely to elect Democrat candidates only creates eight districts likely to elect eight Republican candidates. The Democrat Assembly plan creates eight competitive districts. Is that fair?

Does this plan reflect the views of the Nevada electorate?

In 2010, the Republican gubernatorial candidate received 12 percent more votes than the Democrat.

In 2010, the Republican congressional candidates received 6 percent more votes than the Democrat congressional candidates.

In 2010, Republican State Senate candidates received 15 percent more votes than Democrat State Senate Candidates.

In 2010, Republican Assembly candidates received 10 percent more votes than Democrat Assembly candidates.

In the Democrat Assembly map, 76 percent of the "safe" districts are Democrat and 24 percent of the "safe" districts are Republicans.

I cannot remember a single election when Democrat Assembly candidates received 52 percent more votes than Republican Assembly candidates.

This is not a plan, it is a sham.

I will be voting against the Democrat redistricting plan because it is over-the-top unfair.

SENATOR HARDY:

I appreciate the words of my colleagues. My friends on the other side aisle have chosen to put forth a Congressional map that, quite simply, does not comply with what I consider to be a critical part of the Voting Rights Act.

The map they have chosen ignores the Voting Rights Act's intent to protect the sacred right of fairness in representation. The Voting Rights Act is one of the crown jewels of the civil rights movement.

In Clark County most of the Hispanic community is concentrated in a geographically compact area. You can clearly draw a line encompassing it. We did this in our Republican plan. We created a congressional district that is 50.7 percent Hispanic.

The Democratic plan did not even come close to drawing a Congressional Hispanic majority population district required by the Voting Rights Act.

This plan creates four districts in which whites make up a significant majority. In their proposed congressional district where the Hispanic community has the largest representation, the Hispanic population is still outnumbered by the white community by more than a two-to-one margin.

Any plan that does not begin with an attempt to create a majority-Hispanic district in Clark County fails to adhere to the letter and spirit of the voting Rights Act. It is something that I cannot ignore, in good conscience. According to the Census, more than one out of every four Nevadans is Hispanic. That is a fact.

In our haste to score potential local partisan victories, we should not forget the law, as the drafters of the Democrats' maps appear to have done. Does it not make sense to create a majority Congressional Hispanic district if you can, even if not already compelled to do so by the Voting Rights Act?
Of course, it makes sense and is in keeping with our cherished principles of equal representation under the law in this blessed nation.

It does not make sense to sacrifice the Hispanic people in the quest for three safe Democratic Congressional districts. Turning our back on our vibrant Hispanic brothers and sisters should not trump all other considerations.

I will vote against this plan because this bill fails to follow the law, fails to adequately represent the Hispanic community and fails to use good common sense. I will vote against this plan because it sacrifices everything else for potential partisan gain. This is not legal and it is not right.

Amendment No. 558.
"SUMMARY—Enacts the amendments to Article 9 of the Uniform Commercial Code. (BDR 8-330)"
"AN ACT relating to secured transactions; enacting the amendments to Article 9 of the Uniform Commercial Code; and providing other matters properly relating thereto."
Legislative Counsel's Digest:

Existing law contains Article 9 of the Uniform Commercial Code, the uniform law governing secured transactions. This bill enacts the 2010 amendments to Article 9.

Sections 2-9 and 25 of this bill provide that the amendments to Article 9 become effective on July 1, 2013, and enact the transitional rules included in those amendments.

Section 10 of this bill enacts the uniform amendments to the definitions of certain terms which are defined for the purposes of Article 9.

Existing law provides that a secured party may perfect a security interest in electronic chattel paper by obtaining control of the electronic chattel paper. Section 11 of this bill enacts the uniform amendments to the rule governing whether a secured party has such control.

Existing law provides that, in certain circumstances, the law of the jurisdiction in which a debtor is located governs the perfection and priority of a security interest. (NRS 104.9301) Section 12 of this bill enacts the uniform amendments to the rules for determining the location of an organization that is organized under the law of the United States and the location of a branch or agency of a bank that is not organized under the law of the United States or a state.

Section 13 of this bill enacts the uniform amendments to the rules governing the perfection of a security interest in property covered by a certificate of title.

Section 14 of this bill enacts the uniform amendments governing the perfection of a security interest that attaches before a debtor changes location and the perfection of a security interest when a new debtor becomes bound by a security agreement entered into by another person.

Section 15 of this bill enacts the uniform amendments to certain provisions governing the circumstances under which a buyer of property takes the property free of security interests.

Section 16 of this bill enacts the uniform amendments to provisions concerning the priority of security interests created by a new debtor who becomes bound by a security agreement entered into by another person.

Sections 17 and 18 of this bill enact the uniform amendments to provisions governing the effectiveness of certain contractual terms when a person who has a security interest in certain payment rights enforces the security interest and disposes of the payment rights.

Existing law requires a financing statement to be filed to perfect a security interest in certain circumstances. (NRS 104.9310) To be sufficient, a financing statement must contain the name of the debtor. (NRS 104.9502) Section 19 of this bill enacts the uniform amendments to the rules for determining whether a financing statement sufficiently provides the name of the debtor. Section 20 of this bill enacts the uniform amendments to rules governing the effectiveness of a financing statement when, at the time the
financing statement was filed, the debtor's name was sufficiently provided but, at a later date, the debtor's name is no longer sufficiently provided.

Existing law provides that, if a financing statement states that the debtor is a transmitting utility, the financing statement does not lapse and is effective until a termination statement is filed. (NRS 104.9515) **Section 21** of this bill provides that such a financing statement does not lapse only if the initial financing statement states that the debtor is a transmitting utility.

**Section 22** of this bill enacts the uniform amendments to the circumstances under which a filing office may refuse to accept a financing statement.

Existing law authorizes a debtor to file a correction statement if the debtor believes that a record indexed under the debtor's name is inaccurate or was wrongfully filed. Under existing law, the correction statement is informational and does not affect the effectiveness of a financing statement. (NRS 104.9518) **Section 23** of this bill enacts the uniform amendment that authorizes a secured party to file an information statement of claim under certain circumstances.

Existing law provides for the rights of a secured party upon a default by a debtor. (NRS 104.9601-104.9628) **Section 24** of this bill enacts the uniform amendment to certain rights held by a person who has a security interest in a payment right secured by real property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 104 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 9, inclusive, of this act.

**Sec. 2.** 1. Except as otherwise provided in sections 2 to 9, inclusive, of this act, this article as amended applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before July 1, 2013.

2. This article as amended does not affect an action, case or proceeding commenced before July 1, 2013.

**Sec. 3.** 1. A security interest that is a perfected security interest immediately before July 1, 2013, is a perfected security interest under this article if, when this article as amended takes effect, the applicable requirements for attachment and perfection under this article as amended are satisfied without further action.

2. Except as otherwise provided in section 5 of this act, if, immediately before July 1, 2013, a security interest is a perfected security interest, but the applicable requirements for perfection under this article as amended are not satisfied on July 1, 2013, the security interest remains perfected thereafter only if the applicable requirements for perfection under this article as amended are satisfied within 1 year after July 1, 2013.

**Sec. 4.** A security interest that is an unperfected security interest immediately before July 1, 2013, becomes a perfected security interest:
1. Without further action, on that date if the applicable requirements for perfection under this article as amended are satisfied before or at that time; or
2. When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

Sec. 5. 1. The filing of a financing statement before July 1, 2013, is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this article as amended.

2. This article as amended does not render ineffective an effective financing statement that, before July 1, 2013, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in this article before amendment. However, except as otherwise provided in subsections 3 and 4 and section 6 of this act, the financing statement ceases to be effective:

(a) If the financing statement is filed in this State, at the time the financing statement would have ceased to be effective had this article as amended not taken effect; or
(b) If the financing statement is filed in another jurisdiction, at the earlier of:

(1) The time the financing statement would have ceased to be effective under the law of that jurisdiction; or
(2) June 30, 2018.

3. The filing of a continuation statement on or after July 1, 2013, does not continue the effectiveness of the financing statement filed before that date. However, upon the timely filing of a continuation statement on or after July 1, 2013, and in accordance with the law of the jurisdiction governing perfection as provided in this article as amended, the effectiveness of a financing statement filed in the same office in that jurisdiction before July 1, 2013, continues for the period provided by the law of that jurisdiction.

4. Subparagraph (2) of paragraph (b) of subsection 2 applies to a financing statement that, before July 1, 2013, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in this article before amendment, only to the extent that this article as amended provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.

5. A financing statement that includes a financing statement filed before July 1, 2013, and a continuation statement filed on or after July 1, 2013, is effective only to the extent that it satisfies the requirements of part 5 for an initial financing statement. A financing statement which indicates that the debtor is a decedent's estate indicates that the collateral is being administered by a personal representative within the meaning of paragraph (b) of subsection 1 of NRS 104.9503. A financing statement
which indicates that the debtor is a trust or a trustee acting with respect to property held in trust indicates that the collateral is held in a trust within the meaning of paragraph (c) of subsection 1 of NRS 104.9503.

Sec. 6. 1. The filing of an initial financing statement in the office specified in NRS 104.9501 continues the effectiveness of a financing statement filed before July 1, 2013, if:

(a) The filing of an initial financing statement in that office would be effective to perfect a security interest under this article as amended;

(b) The pre-effective-date financing statement was filed in an office in another state; and

(c) The initial financing statement satisfies subsection 3.

2. The filing of an initial financing statement under subsection 1 continues the effectiveness of the pre-effective-date financing statement:

(a) If the initial financing statement is filed before July 1, 2013, for the period provided in NRS 104.9515, as it existed before July 1, 2013, with respect to an initial financing statement; and

(b) If the initial financing statement is filed on or after July 1, 2013, for the period provided in NRS 104.9515 with respect to an initial financing statement.

3. To be effective for purposes of subsection 1, an initial financing statement must:

(a) Satisfy the requirements of part 5 for an initial financing statement;

(b) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(c) Indicate that the pre-effective-date financing statement remains effective.

Sec. 7. 1. In this section, "pre-effective-date financing statement" means a financing statement filed before July 1, 2013.

2. On or after July 1, 2013, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in this article as amended. However, the effectiveness of a pre-effective-date financing statement also may be terminated in accordance with the law of the jurisdiction in which the financing statement is filed.

3. Except as otherwise provided in subsection 4, if the law of this State governs perfection of a security interest, the information in a pre-effective-date financing statement may be amended on or after July 1, 2013, only if:

(a) The pre-effective-date financing statement and an amendment are filed in the office specified in NRS 104.9501;
(b) An amendment is filed in the office specified in NRS 104.9501 concurrently with, or after the filing in that office of, an initial financing statement that satisfies subsection 3 of section 6 of this act; or
(c) An initial financing statement that provides the information as amended and satisfies subsection 3 of section 6 of this act is filed in the office specified in NRS 104.9501.

4. If the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement may be continued only under subsections 3 and 5 of section 5 of this act or section 6 of this act.

5. Whether or not the law of this State governs perfection of a security interest, the effectiveness of a pre-effective-date financing statement filed in this State may be terminated on or after July 1, 2013, by filing a termination statement in the office in which the pre-effective-date financing statement is filed, unless an initial financing statement that satisfies subsection 3 of section 6 of this act has been filed in the office specified by the law of the jurisdiction governing perfection as provided in this article as amended as the office in which to file a financing statement.

Sec. 8. A person may file an initial financing statement or a continuation statement under this part if:
1. The secured party of record authorizes the filing; and
2. The filing is necessary under this part:
   (a) To continue the effectiveness of a financing statement filed before July 1, 2013; or
   (b) To perfect or continue the perfection of a security interest.

Sec. 9. This article as amended determines the priority of conflicting claims to collateral. However, if the relative priorities of the claims were established before July 1, 2013, this article before amendment determines priority.

Sec. 10. NRS 104.9102 is hereby amended to read as follows:

104.9102 1. In this Article:
   (a) "Accession" means goods that are physically united with other goods in such a manner that the identity of the original goods is not lost.

The term includes another record maintained as an alternative to a certificate of title by the governmental unit that issues certificates of title if a statute permits the security interest in question to be indicated on the record as a condition or result of the security interest's obtaining priority over the rights of a lien creditor with respect to the collateral.

3. Subject to subsection 8, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection 1.

4. Except as otherwise provided in subsection 5 and NRS 104.9407 and 104A.2303, and subject to subsection 8, a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:
   (a) Prohibits, restricts or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection or enforcement of a security interest in, the account, chattel paper, payment intangible or promissory note; or
   (b) Provides that the assignment or transfer, or the creation, attachment, perfection or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible or promissory note.

5. Subsection 4 does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

6. Subject to subsections 7 and 8, a rule of law, statute, or regulation, that prohibits, restricts, or requires the consent of a government, governmental
body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute or regulation:

(a) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account or chattel paper; or

(b) Provides that the assignment or transfer, or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

7. Subject to subsection 8, an account debtor may not waive or vary its option under paragraph (c) of subsection 2.

8. This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family or household purposes.

9. This section does not apply to an assignment of a health-care-insurance receivable or to a transfer of a right to receive payments pursuant to NRS 42.030.

Sec. 18. NRS 104.9408 is hereby amended to read as follows:

104.9408 1. Except as otherwise provided in subsection 2, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license or franchise, and prohibits, restricts or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable or general intangible, is ineffective to the extent that the term:

(a) Would impair the creation, attachment or perfection of a security interest; or

(b) Provides that the assignment or transfer, or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

2. Subsection 1 applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note, other than a sale pursuant to a disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

3. A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance
receivable or general intangible, including a contract, permit, license or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute or regulation:

(a) Would impair the creation, attachment or perfection of a security interest; or

(b) Provides that the assignment or transfer, or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

4. To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection 3 would be effective under law other than this article but is ineffective under subsection 1 or 3, the creation, attachment or perfection of a security interest in the promissory note health-care-insurance receivable or general intangible:

(a) Is not enforceable against the person obligated on the promissory note or the account debtor;

(b) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;

(c) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party or accept payment or performance from the secured party;

(d) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable or general intangible;

(e) Does not entitle the secured party to use, assign, possess or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and

(f) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable or general intangible.

3. A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:

(a) The record indicates the goods or accounts that it covers;
(b) The goods are or are to become fixtures related to the real property described in the mortgage or the collateral is related to the real property described in the mortgage and is as-extracted collateral or timber to be cut;
(c) The record satisfies the requirements for a financing statement in this section but:

(1) The record need not indicate that it is to be filed in the real property records; and

(2) The record sufficiently provides the name of a debtor who is a natural person if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is a natural person to whom paragraph (d) of subsection 1 of NRS 104.9503 applies; and
(d) The mortgage is recorded.

4. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

Sec. 19. NRS 104.9503 is hereby amended to read as follows:

104.9503 1. A financing statement sufficiently provides the name of the debtor:

(a) Except as otherwise provided in paragraph (c), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name of the debtor indicated that is stated to be the registered organization's name on the public organic record most recently filed with or issued or enacted by the debtor's registered organization's jurisdiction of organization which shows the debtor to have been organized; purports to state, amend or restate the registered organization's name;

(b) Subject to subsection 6, if the collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing

   (2) Indicates, in the debtor's name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust; and collateral is held in a trust that is not a registered organization, only if the financing statement:
      (1) Provides, as the name of the debtor:
         (I) If the organic record of the trust specifies a name for the trust, the name so specified; or

   (a) A trade name or other name of the debtor; or
   (b) Unless required under subparagraph (2) of paragraph (d) of subsection 1, names of partners, members, associates or other persons comprising the debtor.
3. A financing statement that provides only the debtor's trade name does not sufficiently provide the name of the debtor.
4. Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.
5. A financing statement may provide the name of more than one debtor and the name of more than one secured party.
6. The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the "name of the decedent" under paragraph (b) of subsection 1.

Sec. 20. NRS 104.9507 is hereby amended to read as follows:
104.9507  1. A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.
2. Except as otherwise provided in subsection 3 and NRS 104.9508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under NRS 104.9506.
3. If a debtor so changes its name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under subsection 1 of NRS 104.9503 so that the financing statement becomes seriously misleading under NRS 104.9506:
(a) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within 4 months after, the [change: filed financing statement becomes seriously misleading]; and

(b) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than 4 months after the [change: filed financing statement becomes seriously misleading], unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within 4 months after [the change: the financing statement became seriously misleading].

Sec. 21.  NRS 104.9515 is hereby amended to read as follows:

104.9515  1.  Except as otherwise provided in subsections 2, 5, 6 and 7, a filed financing statement is effective for a period of 5 years after the date of filing.

2.  Except as otherwise provided in subsections 5, 6 and 7, an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

3.  The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection 4. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

4.  A continuation statement may be filed only within 6 months before the expiration of the 5-year period specified in subsection 1 or the 30-year period specified in subsection 2, whichever is applicable.

5.  Except as otherwise provided in NRS 104.9510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of 5 years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the 5-year period, the financing statement lapses in the same manner as provided in subsection 3, unless, before the lapse, another continuation statement is filed pursuant to subsection 4. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

6.  If a debtor is a transmitting utility and a filed initial financing statement so indicates, the financing statement is effective until a termination statement is filed.

7.  A real property mortgage that is effective as a fixture filing under subsection 3 of NRS 104.9502 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.
Sec. 22. NRS 104.9516 is hereby amended to read as follows:

104.9516 1. Except as otherwise provided in subsection 2, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

2. Filing does not occur with respect to a record that a filing office refuses to accept because:
   (a) The record is not communicated by a method or medium of communication authorized by the filing office;
   (b) An amount equal to or greater than the applicable filing fee is not tendered;
   (c) The filing office is unable to index the record because:
      (1) In the case of an initial financing statement, the record does not provide a name for the debtor;
      (2) In the case of an amendment or [correction] information statement to the record:
         (I) Does not identify the initial financing statement as required by NRS 104.9512 or 104.9518, as applicable; or
         (II) Identifies an initial financing statement whose effectiveness has lapsed under NRS 104.9515;
      (3) In the case of an initial financing statement that provides the name of a debtor identified as a natural person or an amendment that provides a name of a debtor identified as a natural person which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor’s [last name]; surname; or
      (4) In the case of a record filed or recorded in the filing office described in paragraph (a) of subsection 1 of NRS 104.9501, the record does not provide a sufficient description of the real property to which it relates;
   (d) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;
   (e) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:
      (1) Provide a mailing address for the debtor; or
      (2) Indicate whether the name provided as the name of the debtor is the name of a natural person or an organization; or
      (3) If the financing statement indicates that the debtor is an organization, provide:
         (I) A type of organization for the debtor;
         (II) A jurisdiction of organization for the debtor; or
         (III) An organizational identification number for the debtor or indicate that the debtor has none;
   (f) In the case of an assignment reflected in an initial financing statement under subsection 1 of NRS 104.9514 or an amendment filed under
subsection 2 of that section, the record does not provide a name and mailing address for the assignee; or

(g) In the case of a continuation statement, the record is not filed within the 6-month period prescribed by subsection 4 of NRS 104.9515; or

(h) The record lists a public official of a governmental unit as a debtor and the public official has not authorized the filing of the information in an authenticated record as required pursuant to NRS 104.9509.

3. For purposes of subsection 2:

(a) A record does not provide information if the filing office is unable to read or decipher the information; and

(b) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by NRS 104.9512, 104.9514 or 104.9518, is an initial financing statement.

4. A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection 2, is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

Sec. 23. NRS 104.9518 is hereby amended to read as follows:

104.9518 1. A person may file in the filing office an information statement with respect to a record indexed there under his or her name if the person believes that the record is inaccurate or was wrongfully filed.

2. An information statement under subsection 1 must:

(a) Identify the record to which it relates by:

(1) The file number assigned to the initial financing statement to which the record relates; and

(2) If the information statement relates to a record filed or recorded in a filing office described in paragraph (a) of subsection 1 of NRS 104.9501, the date that the initial financing statement was filed or recorded and the information specified in subsection 2 of NRS 104.9502;

(b) Indicate that it is an information statement; and

(c) Provide the basis for the person's belief that the record is inaccurate and indicate the manner in which the person believes the record should be amended to cure any inaccuracy or provide the basis for his or her belief that the record was wrongfully filed.

3. A person may file in the filing office an information statement with respect to a record filed there if the person is a secured party of record with respect to the financing statement to which the record relates and believes that the person that filed the record was not entitled to do so under subsection 3 of NRS 104.9509.

4. An information statement under subsection 3 must:
(a) Identify the record to which it relates by:

(1) The file number assigned to the initial financing statement to which the record relates; and

(2) If the information statement relates to a record filed or recorded in a filing office described in paragraph (a) of subsection 1 of NRS 104.9501, the date that the initial financing statement was filed or recorded and the information specified in subsection 2 of NRS 104.9502;

(b) Indicate that it is an information statement; and

(c) Provide the basis for the person’s belief that the person that filed the record was not entitled to do so under subsection 3 of NRS 104.9509.

5. The filing of a correction of an information statement does not affect the effectiveness of an initial financing statement or other filed record.

Sec. 24. NRS 104.9607 is hereby amended to read as follows:

104.9607 1. If so agreed, and in any event after default, a secured party:

(a) May notify an account debtor or other person obligated on collateral to make payment or otherwise render performance to or for the benefit of the secured party;

(b) May take any proceeds to which the secured party is entitled under NRS 104.9315;

(e) If it holds a security interest in a deposit account perfected by control under paragraph (b) or (c) of subsection 1 of NRS 104.9104, may instruct the bank to pay the balance of the deposit account to or for the benefit of the secured party.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 557.
"SUMMARY—Regulates private transfer fee obligations that affect real property. (BDR 10-628)"
"AN ACT relating to real property; providing for the regulation of private transfer fee obligations affecting real property; providing that certain such obligations are void and unenforceable; revising the disclosures that a seller of real property must make to a buyer to include certain information concerning such obligations; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
This bill regulates the imposition of private transfer fee obligations upon the transfer of an interest in real property in this State. Section 6 of this bill defines a "private transfer fee obligation" to mean an obligation arising under a declaration or covenant recorded against the title to real property, or under any other contractual agreement or promise, whether or not recorded, that
requires or purports to require the payment of a private transfer fee to the declarant or other person specified in the declaration, covenant or agreement, or to his or her successors or assigns, upon a subsequent transfer of an interest in the real property. Section 9 of this bill sets forth the finding and declaration of the Legislature that a private transfer fee obligation violates the public policy of this State by impairing the marketability and transferability of real property and by constituting an unreasonable restraint on the alienation of real property. Section 10 of this bill provides that certain private transfer fee obligations that are created or recorded in this State on or after the date of passage and approval of this bill are void and unenforceable. Sections 11 and 12 of this bill require the payee under a private transfer fee obligation that was created before the date of passage and approval of this bill to record, on or before December 31, 2011, July 31, 2012, in the office of the county recorder of the county in which the real property that is subject to the private transfer fee obligation is located, a notice which includes certain specified information and to respond timely to a request for a written statement of the amount of the transfer fee due upon the sale of the real property, and provides that the private transfer fee obligation becomes void and unenforceable upon failure to comply with either requirement. In addition, section 13 of this bill imposes civil liability upon a person who fails to comply with either of these requirements or who creates or records a private transfer fee obligation in the person's favor on or after the date of passage and approval of this bill. Section 14 of this bill revises the disclosures that a seller of real property must make to a buyer by requiring a seller of real property that is subject to a private transfer fee obligation to furnish to the buyer a written statement which discloses the existence of the private transfer fee obligation, includes a description of the private transfer fee obligation and sets forth a notice which includes information concerning applicable state laws and the effect that such an obligation may have on the value of the property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 111 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 13, inclusive, of this act.

   A private transfer fee obligation has been created with respect to this property. The private transfer fee obligation may lower the value of this property. The laws of this State prohibit the enforcement of certain private transfer fee obligations that are created or recorded on or after the effective date of this act (section 10 of this act) and impose certain notice requirements with respect to private transfer fee obligations that were created before the effective date of this act (section 11 of this act).

2. As used in this section, "private transfer fee obligation" has the meaning ascribed to it in section 6 of this act.

Sec. 15. This act becomes effective upon passage and approval.
Senator Wiener moved the adoption of the amendment.

Remarks by Senator Wiener.

Senator Wiener requested that her remarks be entered in the Journal.

The amendment revises the definition of a "private transfer fee" by excluding from that definition a fee that is paid by the first purchaser of a lot to the master developer of a planned community if the purchaser fails to construct a residence and retain ownership for at least one year. The intent is to allow the private transfer fee in such circumstances in order to discourage "flipping" of lots or speculative purchases.

The amendment also changes the date by which a payee under a private transfer fee obligation must record the obligation with the county recorder. The date is changed from December 31, 2011, to July 31, 2012.

GENERAL FILE AND THIRD READING

Assembly Bill No. 568.

Bill read third time.

Remarks by Senator Horsford.

Senator Horsford requested that his remarks be entered in the Journal.

I will be reading the entire floor statement. Assembly Bill No. 568 appropriates $1.370 billion in the first year and $1.399 billion in the second year of the 2011-13 biennium from the State General Fund to the Distributive School Account (DSA). In addition, there are $240.1 million and $246.0 million of other revenues authorized to be received and expended for the state support of public education for the next two years. These other revenues include an annual tax on slot machines, sales tax collected on out-of-state sales, interest earned on the Permanent School Fund, revenue from mineral leases on federal land and room tax revenues from the legislatively-approved 2009 Initiative Petition 1.

The statewide average basic support per pupil increases over the upcoming biennium from the amount of $5,192 in the current year (revised from the FY 2011 legislatively-approved amount of $5,395 for the budget reductions approved by the Twenty-sixth Special Session) to $5,542 in FY 2012, and $5,655 in FY 2013. Enrollment is projected to decline by 0.14 percent in the first year and grow by 0.36 percent in the second year of the biennium.

State funding for special education continues to be allocated on the basis of special education units. Total funding for the units amounts to $121.3 million for 3,049 units of $39,768 each year of the 2011-13 biennium. As in the past, 40 of those units will be reserved for the State Board of Education to assign to districts that have unexpected needs.

To fund adult high school diploma programs, including those in prison facilities, $17.4 million and $18.2 million are budgeted in the first and second years of the biennium, respectively, for the support of courses approved by the Department of Education as meeting the course of study for an adult standard high school diploma as approved by the State Board.

The bill includes funding for the Early Childhood Education program of $3.3 million for each year of the upcoming biennium for competitive grants to school districts and community-based organizations for early childhood education programs.
For continued support of the Class-Size Reduction (CSR) program, this bill allocates $144 million in FY 2012 and $147.5 million in FY 2013 to pay for the salaries and benefits of at least 2,127 teachers hired to reduce pupil-teacher ratios in the first year and 2,144 teachers in the second year of the biennium. The bill continues the CSR program in the DSA, and maintains the separate expenditure category to highlight the program. Funds will be allocated based upon the number of teachers needed in each school district to reach the pupil-teacher ratios of 16 to 1 in first and second grades and 19 to 1 in third grade, the same ratios as in the current biennium.

The bill continues the flexibility for certain school districts to carry out alternative programs for reducing the ratio of pupils per teacher or to implement remedial programs that have been found to be effective in improving pupil achievement. To use the funds in this manner, school districts are required to receive approval of their written plan from the Superintendent of Public Instruction, evaluate the effectiveness of their program and ensure that the combined ratio of pupils per teacher in the aggregate of grades K through 3 does not exceed the combined ratio in those grades in the 2004-05 school year.

This bill appropriates $8.0 million and $7.6 million for the first and second years, respectively, for the Other State Education Programs Account. Through this account, State General Fund support is provided for Educational Technology, Peer Mediation, Career and Technical Education programs, Local Education Agency Library Books, Public Broadcasting, the National Board Certification program for teachers and counselors, and other miscellaneous programs.

This bill continues the Account for Programs for Innovation and the Prevention of Remediation with appropriations of $24.8 million in FY 2012 and $25.3 million in FY 2013 to continue the Full-Day Kindergarten program for at-risk schools in Nevada. The bill further appropriates $7.7 million each year of the 2011-13 biennium for Regional Professional Development programs to train teachers and administrators. The Regional Professional Development program was transferred, with no change in purpose, from a line item in the Distributive School Account to the Remediation Trust Fund.

The bill continues the Grant Fund for Incentives for Licensed Educational Personnel with appropriations of $13.4 million in FY 2012 to fund the cost of retirement credits and teacher incentives earned in FY 2011, and $15.9 million in FY 2013 to fund the cost of retirement credits and teacher incentives earned in FY 2012.

The bill also temporarily redirects funding from the State Supplemental School Support Fund to the Distributive School Account for the 2011-13 bienniums. This concludes the floor statement.

I said at the beginning of this Session that I will not accept the Governor's deep cuts to K-12 education. I did not sign a pledge, I took an oath. Today, I keep my promise.

This budget does not position our children for success. It pits students against each other for attention in overcrowded classrooms, taught by underpaid teachers, in schools that are falling apart. The Governor's proposal says to these kids, "deal with it." That is not optimism; that is cynicism.

Let us be clear: before this Session student achievement was low in Nevada. We need to reform our system, which is obvious. But reform is only one side of the coin.

You cannot reform a system that is critically underfunded by cutting more. We can ask teachers to do more with less, but we have been doing that for years. And for years we have watched our system deteriorate. When are we going to stop? Where does this end?

Students have become activists because we are not doing our jobs. My children's school is being leafleted by parents who are concerned about their children and their opportunity to succeed. And it is not just my children's school. It is across Clark County and throughout Nevada. I have never seen that before, and I have never heard such an outcry from the public, it is unheard of in this State. We are at the breaking point. If we do not invest in our schools now, we will condemn our children to failure. Education is free to all, but it has a price, because we cannot cut our way out of crumbling classrooms. We cannot treat teachers like second class citizens, cut their pay, and expect the talent pool to grow. We cannot scold students for bad grades when they do not have textbooks to take home to study. We cannot reform our way out of a classroom with 45 students. We cannot end social promotion by closing libraries and ending after-school programs.
There is a lot of talk about tightening our belts. You now what, our children do not have belts to tighten. Schools are cutting back on pencils. That is where we are as a State; we are cutting back on pencils. That may seem insignificant to some, but if that is your opinion, I would like to introduce you to some families in my district.

We cannot afford to short-change our kids. We cannot be a state known for shortchanging our schools and expending our prisons. If we do not restore funding, we will continue a downward spiral for student achievement and deny our children success.

What we can do is step up to the plate and save our schools. We ask our students to be responsible in the classroom, because we promise them they can succeed if they work hard. The K-12 budget we send to the Governor today is how we live up to our end of the bargain, and responsibly fund our schools.

I am not doing this to oppose the Governor, or to score political points. I am doing this for students. Students who need someone to stand up for them, students like Amberly, who attends Robert O. Gibson Middle School, in my district.

She wrote me a letter saying that the outlets in her classrooms spark, that there are electrical wires hanging from the ceiling. She told me about Ms. Kipp’s class, where the ceiling is caving in right above her desk and she is afraid the ceiling is going to fall on her. By the way, she said Ms. Kipp is a great teacher. She said the plumbing in her school is broken and the whole school smells like sewage.

Why should we ask our children, the next generation of this State, to sacrifice more? They have been sacrificing their whole lives. To take more from them is beyond unfair. They want a bright future, but it is not just up to them to work hard. Here, in this Chamber, right now, 21 Legislators are deciding to tip the scales for or against them.

All parents have hopes and goals for their children. Like any parent, I want only the best for mine. Kids grow through their schooling. They spend a large portion of their young lives in the classroom. We will reap what we sow with this budget and a budget reflects our priorities, whether it is a family budget, a business, or a state or local government.

If we underfund our schools, our students will under perform, it is a simple as that, and that is why we should send restored K-12 funding to the Governor. It is the least we can do.

Mr. President announced that if there were no objections, the Senate would recess subject to the call of the Chair.

SENATE IN SESSION

At 4:19 p.m.
President Krolicki presiding.
Quorum present.

Remarks by Senators Roberson, Schneider and Horsford.
Senator Roberson requested that the following remarks be entered in the Journal.

SENATOR ROBERSON:

Thank you, Mr. President. I am responding today because I do not react well to lecturing. That is what I took the Senate Majority Leader's statement to be. It was a lecture to those of us who have chosen to support the Governor's budget. To insinuate that those in the minority party do not care about children and do not care about education is rich coming from the majority party who, from my perspective is for the status quo in education in this State. They are opposed to any real reform. They have proposed lots of fake reform, but no real reform to education this Session.

With the add backs to the budget, not one teacher needs to be laid off. Not one classroom needs to increase in size as long as the unions make reasonable concessions. Teachers in this State are the twenty-third highest paid teachers in the country. They are only being asked to
make the same sacrifice that every other State employee is making. They are not even being asked to make as large of a sacrifice because they are being asked to contribute just a portion, a quarter of their (Public Employees' Retirement System (PERS) contribution, much less than what other State employees have to contribute. No teacher has to lose their job under this budget. That is up to the unions. Some of us tried to enact real collective bargaining reforms. We were thwarted at every attempt by the majority party because the majority party is beholden to public sector unions. That is the bottom line. That is what keeping education in this State down.

I am not going to vote to tax people in Nevada, yet again, to put more money into a system that we all know is broken. We need to fix this education system. All of us are willing to do that. To wait four months until five days ago to propose $1.5 billion in new taxes and to expect us to say, "Yes, sir, let us vote for more taxes." I am sorry, we are not going to go along with that. That does not mean we are anti-education. It does not mean we are anti-teacher. It does not mean we are anti-children.

SENATOR SCHNEIDER:
Thank you, Mr. President. The "rookie" Senator from Green Valley signed a tax pledge. He would not vote for education, he would not vote for taxes, he would not vote for anything to fund schools before he was elected.

I do not like this budget. I have put in 12 years to fund education at the national average. We are dead last. We are at the bottom. On the Today Show this morning, they had a story about autism. They said it is twice as high as being reported nationwide. How do you find the students who are autistic? You have to spend the money. You have to find them, rehabilitate them, so they may become productive citizens. We did not put enough money into the budget to do that. There are add backs, but there is not enough money. The Senator from District No. 5 stated that teachers were paid twenty-third in the nation, but our overall funding is last. The Clark County School District was described as insatiable in their hunt for teachers during the last two decades. They had to hire over 2,000 teachers every year to keep pace. They were competing nationally. They could not get the teachers nationally. They had to go to Mexico to hire teachers and to the Philippines to hire teachers because we did not have the teachers in this country who would come to Las Vegas. We had to go to third-world countries to hire teachers. We had to sweeten the pot to get them. The teachers were saying "no" to Las Vegas and "no" to the State of Nevada.

Let us look at this realistically. To fund our children at just the national average, to be mediocre, $1.7 billion more needs to go in the budget to do that. The Majority Leader had a hearing on Senate Bill No. 2 this Session to fund at the average. I said you can use the bill to set a goal to get there. You can use the bill for any type of reform. You can use the bill for anything, but let us set a goal to get us out of this hole.

Last week, the Governor announced that an outdoor supply store is coming to Reno. That is a big economic development boost for Reno. It hires about 400 employees. That shows that we are doing good. But, I would like to tell the Governor that IKEA will not come to Las Vegas because of the education level of the people. IKEA would have employed more people than the outdoor store in Reno.

It is a shame and it is a crime, what we do. In the two decades I have been here, we have underfunded and cut our kids short. Look at the statistics. We do not graduate at the rate we should. It has to do with funding. It does not have to do with teacher reform. I am insulted that the Senator from District No. 5 claims that my party is beholden to the teachers and to the unions. I am personally insulted by that.

We are still kicking that can down the road. We are not making real reform. We are not doing what is right for our students. Our businesses have indicated we should fund education better. Our businesses in this State, Wal-Mart, Kmart, Target, Nordstrom's, Albertson's, Smith's Food King do not pay income tax. They do not pay corporate tax. They do not pay inventory tax. They do not pay warehousing tax. Thanks to the work of the last two decades of the Commerce and Labor Committee, they pay a very low workers' compensation rate in Nevada. All of the states surrounding us are paying these taxes. Their businesses are not fleeing. They are funding education better.
Mr. President, I apologize for getting tough, but when I am accused of being beholden to someone and that is why the funding is what it is, I am personally insulted. I stand here to say we did not fund it enough.

SENATOR ROBERSON:
Thank you, Mr. President. I will not personalize this because I have a great deal of personal affection for my friend and colleague, the veteran Senator from Clark District No. 11. My colleague did not address my questions about real reform. It is always the easy way out to say, "Let us just take more of the people's money. Let us just raise taxes again. Let us not make the tough choices to fix the system." We can throw as much money at this we want, but if the system is broken, it is not going to get better. We have done that time and time again. We need real reform. I stand by my statement. I am not trying to be offensive. I am just trying to state the facts. The majority party is beholden to public sector unions. The proof is in the pudding.

SENATOR HORSFORD:
Point of order Mr. President.
That is not appropriate in this body. It is not.

MR. PRESIDENT:
My judgment was that it was appropriate.

SENATOR HORSFORD:
I would like to make the record clear since some members who are in this body were not here in 2009. This body approved unanimously Senate Bill No. 330 of the 75th Session, which was a major reform bill to education around the teacher evaluation and accountability provisions. That bill was passed unanimously in a bipartisan manner with major reforms that were offered by both sides over the objections of the education establishment whether they were the school districts, teacher organizations, or other groups.

My colleague from Clark District No. 5 wants to refer to reform. This Legislature is all about reform; reform of our budget, reform to keep policies including education, reforms to policies around public employee issues, and reform of our revenue code, which has not substantially changed since the 1950s. They go together. It is a package. It is part of what the Speaker, I, and others did present the other day. My question to my colleague from Clark District No. 5 is, "Is this about an ideological view? Or is this about reacting to the policy that is now before this body?" We have a bill before us that restores funding. There are bills in the Senate Education Committee. There was a hearing yesterday on two major reform bills in education about teacher accountability and changing the post probationary status for teachers if they are not showing improvement in their classrooms with their students. To suggest there is no reform, I would ask my colleague, "What is he asking for?" You have to evaluate the policies that are before us. In this Session, there are bills on reform in the areas I just discussed, on education, on government in the budget, on public employee issues that have passed both Houses and are still in this process. My colleague from Clark District No. 5 wants to refer to reform. My colleague from Clark District No. 12 has a measure that we supported in this Body dealing with public employee issues. That discussion can continue. To suggest that this is not occurring is false and it is fiction logic. Members need to be informed and not just throw out ideological views that are not substantiated. The reason I stood to object is because I have never in all of my years whether it be in the Assembly or the Senate had a member question the integrity of the members of this body; Ever.

It is important that while we disagree, that we do it respectfully. You may not like my remarks. You may not like my positions, but I will always be respectful of other members. I have tried to listen, engage, and have a discussion and to bring the issue to this Floor in a Committee of the Whole so that we could deliberate and debate the issues that members are questioning. We have started this Session where we will end it, prioritizing those areas that are most important. That is what this bill does today.

MR. PRESIDENT:
I appreciate your comments, Senator Horsford. As long as I am the presiding officer here, my protection is to the individual Senators. We will not agree. This is a forum for disagreement. We know that. We know it very well, especially at these moments. I respect everyone in here. I will
work with everyone in here. I will make certain we keep a sense of decorum. It is for you to deliberate. I will make those decisions as I see fit. You will agree or disagree with me.

Remarks by Senators Denis, Wiener and Leslie.

Senator Denis requested that the following remarks be entered in the Journal.

Senator Denis:

Thank you, Mr. President. As I look through the bill, the first thing I notice is that it states, "Ensures sufficient funding for K-12 public education." At first, I thought that this was a bill from our colleague from Clark District No. 11 who each session puts out a bill about adequate funding. I do not think it is sufficient. It is funding. If you look in Section 1, the per pupil funding of $5542 is $600 more than the recommended budget from the Governor which was at $4877. I do not think that was sufficient, but it does some things that we have seen work.

The schools in my district have large Hispanic percentages. I have been in the classrooms. My wife is a kindergarten teacher. Her biggest challenge on the first day of school was that she started out with 28 students and that increased to 33 within a short period of time. She had a student who was a challenge. She had to spend a lot of time with him taking time away from the other students. They were able to make some changes because they were able to get an additional teacher, which allowed her class size to decrease. Under the proposed budget, the class size would have increased again. It is hard to teach the children when the class size gets too large.

I have spoken with other teachers. When I take my daughter to school by 6:00 a.m., there are two cars at the school every morning at 5:30 a.m. They are teachers at the school. When I get home from work after 5:00 p.m., there are still cars at the school. They are the teachers who are still there. We have asked teachers to do more and they are doing more. We are giving them less and they have less resources. This bill restores some of that.

I talk to parents and their number one concern is education for their children. They want what is best for their children. They want to try to help them. They may not know what to do, but I have spent most of my life helping parents to understand how they can help.

Earlier, addressing a bill before us, we talked about how important it was to help the Hispanic community. In the Hispanic community, education is the number one priority. If you truly want to help the Hispanic community, I hope you will support this bill. Thank you.

Senator Wiener:

When we had Committee of the Whole, we discussed K-12. As many know, I regularly look at the picture of the kindergarten, first and second graders at Wiener Elementary on my Senate desk before I vote because I vote with children in mind. Many years ago, the Legislature participated in a pilot program called Legislators Back to School. We are starting the eleventh year in that program. It began as a one-day event, and then it expanded to one week held during the third week in September. Now Legislators Back to School is anytime in the year. I look forward to this program which allows me to be in the classroom with young people. Each year, I visit between 3,000 and 4,000 children in 20 to 30 schools. Many of them are not in my district. Visiting children is my soft spot. If a school asks, I will show up at the door.

During the past years, and especially last year, during each visit, I have given the students the opportunity to ask me questions. I tell them that this is a participatory democracy and I am there as a representative in government. To do my job well, I tell them, I need to listen to them. They can ask me any question they want. I tell them that if I do not have the answer I will say so. Overwhelmingly, in every school, the first or second question is, what are you going to do for our education? How are you going to help our teachers? What are you going to do about tools in the classroom? They say they want to learn. I have heard these questions in every single school. It does not matter whether they are inner city or suburban. I travel all over Clark County. The children are asking these questions. They want to know what we are going to do to fund their education. Please fund it, they say. Please give us enough money to learn, they say. That is what this DSA funding bill is all about. These questions come from the mouths of children I may never meet again. I do not know their names, but 3,000 to 4,000 students each year are sharing
this message with me. I listen, and I know you do too. For these reasons and many more, I would appreciate your support for this critical education funding bill.

**Senator Leslie:**

Thank you, Mr. President. A number years ago when Governor Gibbons and his former wife, Dawn, had the “Education First” pledge, I was not a supporter of that. Dawn Gibbons is a friend of mine. We had many long conversations about it. I told her I was not in favor of it because that is not how the legislative process works.

This is my seventh regular session and this is the first session where I can say, procedurally, we have put education first by getting this bill ready to go this early. I have changed my mind. Education First is the right policy, procedurally. The bill we are sending to the Governor is the right bill. It does not go as far as many of us would like. It goes further than some would like, but it is the right bill. We have to agree, everyone in here cares about his or her children, grandchildren, and the neighbor children's education. We all care about funding education appropriately. I have no doubt about that. Some want more reform before they want to put more money in the system.

There is one thing I do know. Putting less money in the system is not going to make it better. That is the philosophical argument at the base of this. Some believe that putting less money into education will force the system to become better. I think it is just the opposite. It is going to force our students to go to school in overcrowded classrooms, and in classrooms like the one earlier addressed by the Majority Leader with the ceiling coming down, with teachers who are not adequately paid. It is the children who will suffer, not the system. Everyone will vote his or her conscience today. I ask as you press your button to vote to really think about putting education before the politics, before the pledges, before the parties and do the right thing for our students. We will all live with our decisions today. I urge your support. This is the right bill. This is the amount of money our State can afford and our children deserve it.

Senator Cegavske moved the adoption of the amendment.

Remarks by Senator Cegavske.

Senator Cegavske requested that her remarks be entered in the Journal.

Currently, Senate Bill No. 75 requires the Nevada State Treasurer to form an independent corporation for public benefit for the purpose of making private equity investments using up to $50 million of money in the State Permanent School Fund. Under the introduced version of Senate Bill No. 75, before making these investments, the State Treasurer must obtain a judicial determination that such investments do not violate Article 8, Section 9 of the Nevada Constitution, which prohibits the State from owning equity in private businesses.

Following the introduction of Senate Bill No. 75, the First Judicial District issued a declaratory order that Article 8, Section 9 of the Nevada Constitution does not apply to the State Permanent School Fund because it is a special fund. Based on this declaratory order, Amendment No. 565 to Senate Bill No. 75 removes the requirement to obtain a judicial determination before making investments under this bill and the requirement that the State Treasurer form an independent corporation to make these investments. Instead, the amendment requires the Treasurer, at the direction of the Commission on Economic Development, to make private equity investments in private businesses.

In addition, Senate Bill No. 75 currently authorizes the corporation for public benefit to place investments through venture capital and private equity investment firms. The amendment removes the reference to venture capital and prohibits money invested pursuant to this bill from being used to make venture capital investments. The definition of venture capital investments is based on the definition of venture capital in the "Venture Capital Investment Act of South Carolina."

Motion lost on a division of the house.

The following amendment was proposed by Senator Kieckhefer:

Amendment No. 566.

Remarks by Senators Parks, Hardy and Leslie.
Senator Parks requested that the following remarks be entered in the Journal.

SENATOR PARKS:

Assembly Bill No. 211 extends existing employment protections related to discrimination against a person's race, color, creed, sex, or sexual orientation, among others, by prohibiting discrimination based upon a person's gender identity or expression. Gender identity or expression is defined as gender-related identity, appearance, expression, or behavior of a person, regardless of the person's assigned sex at birth. The measure requires employers to allow an employee to appear, groom, and dress in a manner consistent with the employee's gender identity or expression. Further, sexual orientation and gender identity or expression are added to the list of categories upon which the Nevada Equal Rights Commission may investigate allegations of discrimination.

Transgender individuals are persons who identify with the gender opposite of which they were born, or who express their gender in ways that may not be considered typical.

Transgender persons face unique challenges, including pervasive discrimination, ignorance, and hatred. Transgender individuals do not choose to be the way they are; instead, they are acting on deep-seated and irreversible feelings.

It is wrong to discriminate against people for characteristics that harm no one else and that are a legitimate expression of an innate sense of self. It is harmful to society to deprive such individuals of the ability to earn a living, find housing, to use stores, restaurants and other facilities and, especially, live free of fear.

Nevada has a proud history of protecting the personal liberty of its citizens. It is time to extend that liberty and protection to transgender individuals. I encourage your favorable vote.

SENATOR HARDY:

Thank you, Mr. President. We talk about liberty and liberty of religion that comes after the phrase "gender or expression." We do not allow expression to come after the word "religion." The way the phraseology is, when we talk about gender or expression, it would make more sense if it said "gender expression" instead of "gender or expression." There could be mischief made with the interpretation of the word "expression." I will not be supporting this bill, though I think the concept of discrimination needs looked at in such a way that it allays everyone's concerns. We are not doing that with this vote.

SENATOR LESLIE:

Thank you, Mr. President. I would like to point out that the language in this bill, "gender identity or expression," has been used almost universally in transgender inclusive and anti-discrimination laws around the country. Last week, Hawaii became the thirteenth state to ban discrimination on the basis of gender identity and expression. There are more than 125 cities and counties across the country that also use this language. Almost all Fortune 500 companies include transgender protections in their policies and procedures including our own Caesar's Entertainment.

I urge your support.

Remarks by Senator Brower.
Senator Brower requested that his remarks be entered in the Journal.
Thank you, Mr. President. Not serving on the Senate Judiciary Committee, I did not hear the testimony on this bill. In looking at it, I must rise in opposition. This does not make any sense at all in terms of my understanding of criminal procedure.

I have spent some time with grand juries. I have presented cases to grand juries. I know how they operate. I know what the rules are and what the constitutional requirements are. At the grand jury phase of an investigation, there is no defendant. No one has been charged with anything yet. That is the purpose of the grand jury. A target of an investigation cannot be in the room with the grand jury. The target of the investigation cannot have counsel representing him or her in the grand jury. The target cannot provide evidence to the grand jury. That happens later under our system if and when there is an actual indictment. In the federal system, if there is no indictment, then the grand jury proceedings stay secret forever. The world is not supposed to know that the target was investigated.

This fundamentally does not make sense, to me, in how the system works every day and has worked for centuries. The grand jury is supposed to hear evidence and only the evidence that is presented to it during its proceedings. It is not supposed to hear what might have happened or not happened in a previous proceeding in some other courtroom. This bill is not necessary and is a major departure from centuries of grand jury practice. I do not see the need for this. I urge you to vote "no."

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 567.
"SUMMARY—Makes various changes relating to elections. (BDR 24-407)"
"AN ACT relating to elections; revising provisions governing registering to vote by computer; authorizing additional mailing precincts in certain circumstances; making various other changes relating to the administration and conduct of elections; prohibiting foreign nationals from making campaign contributions; prohibiting certain persons from receiving such contributions; authorizing the disposition of unspent campaign contributions to a governmental entity and for the use of legal expenses; requiring the annual registration of committees for political action; making various other changes relating to campaign finance; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Section 7 of this bill allows a county clerk to establish mailing precincts or absent ballot mailing precincts if approved by the Secretary of State, in addition to circumstances authorized for the creation of mailing precincts in existing law. (NRS 293.213)

Sections 8 and 23 of this bill provide that if a county clerk establishes a system for using a computer to register voters registration for that county, the system established must comply with any procedures and requirements prescribed by the Secretary of State. Existing law requires county clerks to verify the validity of the signatures of persons who sign petitions for initiative or referendum, petitions to recall public officers, petitions to qualify as a political party, petitions for filling ballot vacancies or petitions to place minor party or independent candidates on the ballot against the voter registration records, including applications to register to vote. (NRS 293.1277) Section 5 of this bill provides that if a computer is used for voter registration in a county, the county clerk may rely on such indicia as may be prescribed by the Secretary of State to complete the signature verification.
Sections 9, 26 and 36 of this bill revise the manner in which it is required to list on sample ballots and ballots the names of candidates who have the same names so that if two or more candidates in an election have the same given name and surname and one candidate is an incumbent, the word "Incumbent" must appear on the sample ballot and ballot next to the name of the candidate who is the incumbent.

Section 12 of this bill requires, in addition to other information posted at polling places on election day, the posting of information concerning the eligibility of a candidate, question or other matter to appear on the ballot as a result of judicial determination or by operation of law.

Sections 15 and 35 of this bill authorize voters to vote in mailing precincts if it appears to the satisfaction of the Secretary of State, in addition to the county clerk, that the circumstances authorizing the creation of a mailing precinct exist.

Existing law authorizes a city or county clerk to assess a charge, not to exceed the cost of printing the applications, against a political party or other entity that requests more than 50 applications to register to vote by mail in any 12-month period. (NRS 293.443) Section 16 of this bill authorizes the Secretary of State to assess such a charge as well.

Section 19 of this bill changes the deadline for the Secretary of State to submit a report concerning primary and general elections to the Legislature from not later than 30 days before the start of a regular legislative session to not sooner than 30 days before and not later than 30 days after the first day of each regular legislative session.

Section 20 of this bill requires recruitment offices of the Armed Forces of the United States to serve as voter registration agencies, in addition to other entities specified in existing law.

Section 21 of this bill prohibits a voter registration agency from knowingly employing a person whose duties will include the registration of voters if the person has been convicted of a felony involving theft or fraud.

Section 22 of this bill prohibits a county clerk from knowingly appointing as a field registrar any person who has been convicted of a felony involving theft or fraud.

Section 27 of this bill amends the deadlines for the county clerk to transmit the number of registered voters in the county to the Secretary of State for the primary and general elections.

Section 28 of this bill expands the crime of threatening a person in connection with an election or petition to include threatening a person in connection with the registration of voters and to include the use of or threatening to use intimidation. Section 28 also increases the penalty for such a crime from a gross misdemeanor to a category E felony.

Section 29 of this bill increases the penalty for interfering with the conduct of an election from a gross misdemeanor to a category E felony.
Section 30 of this bill provides that polling information from a voter regarding whether the voter intends to vote for or against a particular political party, candidate or ballot question is not "electioneering."

Section 32 of this bill provides that if a person tampers or interferes with, or attempts to tamper or interfere with, a mechanical voting system, mechanical voting device or any computer program used to count ballots, such an act is punishable as a category B felony.

Section 33 of this bill makes the intentional failure to submit to the county clerk an elector's completed application to register to vote by a person who provided the application to the elector an unlawful act punishable as a category E felony.

The Federal Election Campaign Act prohibits: (1) a foreign national from directly or indirectly making a campaign contribution in connection with a state or local election; and (2) any person from knowingly soliciting, accepting or receiving any campaign contribution from a foreign national. (2 U.S.C. § 441e; 11 C.F.R. § 110.20)

Section 40.5 of this bill provides a similar prohibition in state law against a foreign national making a contribution to certain persons or groups, including candidates, committees for political action, persons who make independent expenditures, political parties and legislative caucuses. Section 40.5 also prohibits those persons and groups from receiving a contribution from a foreign national.

Existing law prohibits a person from making certain campaign contributions over $5,000 during certain periods and prohibits candidates from accepting such contributions during those periods. (NRS 294A.100, 294A.287) Sections 43 and 60 of this bill also prohibit a person from committing to make such a contribution. Section 61 of this bill similarly adds the prohibition on committing to make such a contribution to the prohibition on soliciting and accepting any monetary contribution for any political purpose during a specified period which is applicable to Legislators, the Lieutenant Governor, the Lieutenant Governor-Elect, the Governor and the Governor-Elect.

Section 50 of this bill adds to the acceptable methods of disposing of unspent campaign contributions donating money to a governmental entity and allows the person disposing of the unspent contributions to specify how the governmental entity may use the money. Section 50 also allows certain public officers to use unspent campaign contributions in a future election in certain circumstances.

Section 56 of this bill requires committees for political action to file with the Secretary of State an updated form of registration on or before January 15 of each year.

Section 59 of this bill sets forth the acceptable methods of and deadline for disposing of unspent money in a legal defense fund. Sections 51 and 63 of this bill require a person who disposes of unspent money in a legal defense
fund to report to the Secretary of State how the person disposed of such money.  

Sections 48, 54 and 84 of this bill remove requirements that certain persons or groups who advocate the passage or defeat of a ballot question register. As a result, these persons and groups are subject to the same registration requirements as committees for political action. Under existing law, such persons and groups are not required to report certain contributions and expenditures which exceed $10,000 as provided in existing law for until they have received or expended money in excess of $10,000 to advocate the passage or defeat of a ballot question. (NRS 294A.150, 294A.220) Sections 48 and 54 eliminate this threshold and therefore require these persons or groups to report contributions received and expenditures made in excess of $1,000 during any reporting period.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. (Deleted by amendment.)
Sec. 3. (Deleted by amendment.)
Sec. 4. (Deleted by amendment.)
Sec. 5. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition proposing a statute, an amendment to a statute or an amendment to the Constitution, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county.

2. If more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. Except as otherwise provided in this subsection, the county clerk shall
rely only on the appearance of the signature and the address and date included with each signature in making his or her determination. **If, pursuant to NRS 293.506, a county clerk establishes a system to allow persons to register to vote by computer, the county clerk may rely on such other indicia as prescribed by the Secretary of State in making his or her determination.**

4. In the case of a petition proposing a statute, an amendment to a statute or an amendment to the Constitution, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk’s county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

5. Except as otherwise provided in subsection 7, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. If a petition district comprises more than one county and the petition proposes a statute, an amendment to a statute or an amendment to the Constitution, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk’s office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

6. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

7. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

8. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

The county clerk shall, upon request, mail an application to register to vote to an applicant. The county clerk shall make the applications available at various public places in the county. An application to register to vote may be used to correct information in the registrar of voters’ register.

2. An application to register to vote which is mailed to an applicant by the county clerk or made available to the public at various locations or voter registration agencies in the county may be returned to the county clerk by mail or in person. 7. The applicant shall be deemed to be registered or to have corrected the information in the register on the date the application is postmarked or received by the county clerk, whichever is earlier.

8. If the applicant fails to check the box described in paragraph (b) of subsection 10, the application shall not be considered invalid and the county clerk shall provide a means for the applicant to correct the omission at the time the applicant appears to vote in person at the assigned polling place.

9. The Secretary of State shall prescribe the form for an application to register to vote by mail:
   (a) Mail, which must be used to register to vote by mail in this State.

Amendment No. 567 makes three major changes. The amendment prohibits a foreign national, as defined in the U.S. Code, from contributing directly or indirectly to a person, committee, party, or organization involved in campaigns and elections. These same individuals or entities are prohibited from knowingly receiving contributions from foreign nations. Under certain circumstances, contributions from foreign nationals must be returned. A violation is a gross misdemeanor.

The amendment also deletes the provision requiring that a governmental entity or fund be authorized to receive donations of money in order to receive unspent campaign contributions from candidates for public office.

The amendment eliminates the $10,000 threshold for reporting of contributions or expenditures by ballot advocates or ballot advocacy groups. The amendment requires, instead, that these persons or groups report any contributions or expenditures in excess of $1,000 during any reporting period.

MESSAGES FROM THE GOVERNOR

STATE OF NEVADA
EXECUTIVE CHAMBER
CARSON CITY, NEVADA 89701

May 14, 2011

PRESIDENT BRIAN KROLICKI
NEVADA STATE SENATE
401 South Carson Street, Carson City, Nevada 89701

DEAR SENATOR HORSFORD:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Senate Bill 497, which is entitled:

"AN ACT relating to elections; revising the legislative districts from which the members of the Senate and Assembly are elected; revising the districts from which Representatives in the Congress of the United States are elected; and providing other matters properly relating thereto."

This bill relates to the revision of legislative and Congressional districts in our state. In my State of the State address, I said that legislative and Congressional districts should be drawn for a fair representation of all constituents—and that they be consistent with the law. This bill fails to meet both standards.

In 1965, Congress passed the Voting Rights Act ("the Act"). The Act prohibits states from using the redistricting process to dilute the voting strength of minority communities. In doing so, the Act ensures, consistent with my call at the State of the State, that lines of representation be drawn to afford minority communities equal opportunity to elect representatives of their choice. The central mechanisms by which the Act ensures such outcomes are simple: no fracturing and no packing of such communities.

The redistricting plan reflected in this bill does not comply with the Act. In the last ten years, the Hispanic community in our state has grown significantly. Indeed, recent Census figures reveal that one in four Nevadans are of Hispanic descent. The law—and common sense—requires that we recognize this fact and afford Hispanics an equal opportunity to elect Hispanics an equal opportunity to elect representatives of their choosing.

The plan in this bill, however, does not do so. Of the four Congressional seats it establishes, not one contains a Hispanic majority—though such a district can clearly and simply be drawn, consistent with traditional redistricting principles. The representation of the Hispanic population would be no more fair in the Senate and Assembly plans, where most Hispanics are crowded into as few districts as possible and where those that are not constitute overwhelming minorities in the districts they are in. With Hispanics accounting for 46% of the total population growth in our state over the last ten years, this transparent effort to avoid creating even one additional district where this community would be likely to elect its candidate of choice is simply not acceptable.

This bill's failure to adhere to the letter and spirit of the Act is the most visible evidence of its structural defects. The plan, however, violates more than just the Act. At its core, this bill creates districts that were drawn exclusively for political gain. This plan ensures partisan opportunity
rather than the fair representation of all Nevadans. Partisan gerrymandering is not legal, equitable, or acceptable. Therefore, because this bill fails to comply with the requirements of federal law and because it is fundamentally unfair, I veto it and return it to you without my approval.

Sincerely,
BRIAN SANDOVAL
Governor of Nevada

Senator Rhoads moved the adoption of the resolution.

Senator Rhoads requested that the following remarks be entered in the Journal.

SENATOR RHOADS:
The resolution before us today covers most of the basics, but it barely scratches the surface about a truly fine man and State Senator, Ray Shaffer. Ray was first elected to the Senate in 1984, and served in this body through 2004. During most of Ray's 20 years in the Senate he was a Democrat. He switched over to the Republican Party for both the 2001 and 2003 Legislative Sessions. But that really did not make a difference in Ray Shaffer, the person and the Senator. He was always a gentleman. He did his homework on the bills before us. He was responsive to his constituents. He also brought us many excellent proposals for new legislation.

I might also add that Ray's wife, Sharron, who is with me today, was always here in the Legislative Building assisting Ray. She also cooked up some of the best lunches ever for us in the Senate Lounge, which really helped us make it through many long sessions.

Senator Ray Shaffer was the primary sponsor of many good pieces of legislation during his years of service. He sponsored a number of bills on topics such as: veterans, land surveyors, licensing of dentists, telecommunications, water resources, building codes, alternative fuels, motor vehicles, funeral homes and industrial insurance.

To better understand what an excellent Legislator Ray was, let me briefly tell you about just four of the important bills he sponsored. Each of these passed and was later signed into law.

In 1987, Ray was the primary sponsor of Senate Bill No. 88. That measure started the system we have today that allows the sentencing of certain violators to residential confinement instead of sending them to jail or prison. House arrest saves the State money and gives violators a better chance to straighten up.

Also in 1987, Ray introduced and gained passage of Senate Bill No. 494. That measure set up a program of annual population estimates for the State and its counties, cities and towns. These estimates are certified by the Governor, and then are used to fairly apportion tax proceeds around the State.

In 1991, Ray sponsored Senate Bill No. 547, which established a pilot program that allowed the DMV to provide for the renewal of motor vehicle registrations at authorized stations. That program continues today and is used by many Nevadans when they go to an authorized inspection station.

Ray was the primary sponsor of Senate Bill No. 119 in 2001, which set up a program requiring the Nevada Taxicab Authority in Clark County to assist the elderly and disabled. Today, the Senior Ride Program allows eligible citizens to buy coupon books for travel by taxi at half price.

SENATOR LEE:
It is my distinct honor to say a few kind words about Senator Ray Shaffer. After arriving here in the Senate for the 2005 73rd Session, I realized what very big shoes I had to fill. Ray served the State and his constituents with great skill, compassion and foresight for 20 years.

Senator Shaffer was an expert in commerce and labor issues. He was a member of the Senate Standing Committee on Commerce and Labor during each of the ten regular sessions he served. He also served on the Committee on Natural Resources for seven sessions and the Committee on Transportation for five sessions. I understand that he did a masterful job when he chaired the Senate Committee on Legislative Operations and Operations in 1991 and the Senate Committee on Transportation in 1993.
Ray was particularly busy during the interim period between sessions as a member of many statutory and interim study committees. Because of his broad knowledge in many different subjects, he was appointed to committees on topics as diverse as: the Clark County Flood Control District; the Funding of Cities and Counties; Workers' Compensation; High-Level Radioactive Waste; Health Care; Mobile Home Parks; and Taxation. Because of his expertise and levelheaded and fair approach in committee matters, he was often selected to chair interim committees. Those committees he ably chaired include the studies of the Lake Tahoe Regional Planning Compact; the Southern Nevada Veterans' Cemetery; and the Legislative Committee on Industrial Insurance.

One of the biggest legacies Ray Shaffer left was his primary sponsorship of many important pieces of legislation, including: creation of the Nevada Cultural Fund; updating the building, plumbing, and electrical codes used in Nevada; various education topics; renewable energy programs; water issues; and matters pertaining to veterans and senior citizens.

I understand that Ray also played a pivotal role some 20 years ago in helping to secure a right-of-way through the town of Beatty for the fiber optics cable needed to provide our first teleconferencing link between Clark County and the Legislative Building in Carson City.

Senator Shaffer was always known as the Senator from North Las Vegas and always available to those in City Hall and his district, who needed his help in the Legislature.

In conclusion, Senator Ray Shaffer was both an outstanding statesman and a true gentleman. I hope I am emulating his wonderful example.

Senator Wiener:
I sat behind Senator Shaffer. I watched with great respect how Senator Shaffer did his work here. Since I was new to these Chambers, he was a teacher by example. Though soft spoken, he always showed up to do the work. He listened, paid close attention, and was thoughtful about the process and about the people who participated in it. I would like to honor Senator Shaffer and his family. It is nice to see his wife, Sharon, as well.

Senator McGinness:
Ray was a funny guy, but you had to be paying attention. He was not loud and boisterous; he would sneak the zingers in on you. You had to pay attention all of the time.

Thank you, Mr. President.

Resolution adopted.

Senator Rhoads moved that all necessary rules be suspended and that Senate Concurrent Resolution No. 10 be immediately transmitted to the Assembly.

Motion carried unanimously.

MESSAGES FROM THE GOVERNOR
STATE OF NEVADA
EXECUTIVE CHAMBER
CARSON CITY, NEVADA 89701

May 16, 2011

THE HONORABLE JOHN OCEGUERA, Speaker of the Assembly, Legislative Building 401 South Carson Street, Carson City, Nevada. 89701

RE: Assembly Bill No. 568 of the 76th Legislative Session

DEAR SPEAKER OCEGUERA:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill No. 568, which is entitled:

"AN ACT relating to education; ensuring sufficient funding for K-12 public education for the 2011-2013 biennium; apportioning the State Distributive School Account in the State General Fund for the 2011-2013 biennium; authorizing certain expenditures; making appropriations for purposes relating to basic support, class-size reduction and other educational purposes; temporarily diverting the money from the State Supplemental School Support Fund to the State Distributive School Account for use in funding operating costs and other expenditures of school districts; and proving other matter properly relating thereto."
I veto and return this bill because it increases state spending by nearly $660 million above the amount proposed in the Executive Budget, as amended. "Were this bill to be enacted into law, insufficient revenue would be available for the Legislature to meet its obligation to prepare a balanced budget encompassing all areas of state responsibility.

Approval of Assembly Bill No. 568, without corresponding reductions in spending in other parts of the Executive Budget, would violate the requirement of balanced relations between proposed expenditures and anticipated revenues. This bill therefore represents a circuitous attempt to secure a tax increase despite the fact I have been clear since the commencement of the Legislative Session that Nevada's struggling economy must be allowed to fully recover.

Within this context, I have provided the Legislature with a spending plan for K-12 education, as well as a comprehensive legislative package to ensure educator accountability, parental choice, and other much-needed system reforms. I am committed to improving our education system; I am equally committed to doing so in a fiscally prudent manner. I understand these decisions are difficult, but as leaders we must make them. While all of us would like to have more money to spend, we must also accept that education funding cannot occur in a vacuum. Current economic realities require that we spend only the money we have, while allowing for the additional funding of education as the economy continues to improve.

Indeed, only two weeks ago, the report of Nevada's Economic Forum allowed me to submit a budget amendment that added some $240 million for the support of K-12 education just four months after the original Executive Budget was presented to the Legislature. I propose that "triggers" be adopted so additional funding can continue to go straight to the support of the classroom as revenue becomes available through economic recovery.

I am compelled to protect the integrity of my office and the Nevada Constitution. Assembly Bill No. 568 was processed in a matter of hours, with the clear intention of casting opponents as somehow "anti-education" while at the same time forcing a tax increase. Such a manipulation of the process undermines the Legislature's obligations to the people of this state.

Much work remains to be done, with only three weeks in which to do it. The people of Nevada have stated clearly their expectation for the Legislature to complete its work and adjourn sine die within 120 days. (Nev. Const. art. 4, § 2.) That deadline is fast approaching, and we have precious little time remaining to conduct the people's business in a responsible and realistic manner.

Sincere regards,

BRIAN SANDOVAL
Governor of Nevada

GENERAL FILE AND THIRD READING

Senate Bill No. 43.
Bill read third time.
Remarks by Senators Kieckhefer and Hardy.
Senator Kieckhefer requested that the following remarks be entered in the Journal.

SENATOR KIECKHEFER:
Thank you, Mr. President. This is a bill that is in relation to the federal stimulus bill rather than the Health Care Reform Act. It creates the regulatory structure for the State to manage electronic health records which is something that will be driven by the private market.

SENATOR HARDY:
Senate Bill No. 43 requires the Department of Health and Human Services to establish a statewide health information exchange system. I am a physician licensed to practice medicine in this State who would be affected by this system and I serve as an unpaid member of the Board of Directors of HealthInsight, which is a nonprofit entity currently involved in the development of a health information exchange system that intends to seek to be the governing entity should such a system be established in Nevada.

I have consulted with legal counsel and though I do not legally have a conflict pursuant to the provisions of Senate Standing Rule No. 23 because I do not have a pecuniary interest in this bill
and will not be affected any differently than any other physician in Nevada, I will be abstaining on this vote to avoid any appearance of impropriety.

Roll call on Senate Bill No. 43:
YEAS—20.
NAYS—None.
NOT VOTING—Hardy.

Senate Bill No. 43 having received a constitutional majority, Mr. President declared it passed, as amended.

Senator Cegavske moved to adopt Amendment No. 575 to Senate Bill No. 75.

Remarks by Senators Cegavske and Kihuen.

Senator Cegavske requested that the following remarks be entered in the Journal.

SENATOR CEGAVSKE:

Amendment No. 575 adds the provisions of Amendment No. 565 to the first reprint of Senate Bill No. 75. The amendment previously adopted by the Senate prohibits money invested under this bill from being used to make venture capital investments. Although the language of the adopted amendment appears to be deleted in section 5, the Legal Division merely moved that language to Subsections 3, 4 and 5 of Section 6 for drafting purposes.

Currently, the first reprint of Senate Bill No. 75 requires the State Treasurer to form an independent corporation for public benefit for the purpose of making private equity investments with up to $50 million from the State Permanent School Fund. Before making these investments, the State Treasurer must obtain a judicial determination that such investments do not violate Article 8, Section 9 of the Nevada Constitution, which prohibits the State from owning equity in private businesses.

Following the introduction of Senate Bill No. 75, the First Judicial District issued a declaratory order that Article 8, Section 9 of the Nevada Constitution does not apply to the State Permanent School Fund because it is a special fund. Based on this declaratory order, Amendment No. 575 to Senate Bill No. 75 removes the requirement that the State Treasurer form an independent corporation to make these investments. Instead, the amendment requires the Treasurer, at the direction of the Commission on Economic Development or its successor, to make private equity investments in private businesses with up to $50 million from the State Permanent School Fund.

SENATOR KIHUEN:

The State Treasurer has a fiduciary responsibility to invest the Permanent School Fund (PSF). An attempt to shift the investment function to an economic development committee creates a conflict, and is contrary to the judicial determination the Attorney General and Treasurer recently received. The Nevada Constitution establishes the Permanent School Fund concept in Article 11, Section 3. In part, it states, "are hereby pledged for educational purposes and the money there from must not be transferred to other funds for other uses." How would a body
whose main function would be economic development, as proposed my colleague's amendment, as opposed to "for educational purposes," be constitutional?

One of the lessons learned from other states' experiences is that states' private equity programs must be de-politicized. When there is political influence in the investment process, programs fail. In the definitive book on the subject of states and countries entering the private equity investment field entitled, "Boulevard of Broken Dreams," published in 2010, author Josh Lerner lists as one of the biggest reasons why such ventures fail is when decision making boards are comprised of politicians rather than investment professionals. The proposed amendment would either place those decisions in the hands of members of the Economic Development Commission, who are not investment professionals and would simply replace one constitutional officer with another, a constitutional officer to whom they all report, or it would place those decisions in the hands of elected officials created in Assembly Bill No. 449. In either case, that is most assuredly one of the biggest errors that other states and countries have made. Senate Bill No. 75 as introduced places those decisions in the hands of investment professionals appointed by elected officials who are independent of the State Treasurer's influence.

Many states have already successfully run similar programs which Senate Bill No. 75 mirrors. Without Nevada putting its money where it economic development mouth is, we will continue to watch businesses select other states to locate their thriving operations, to the detriment of diversifying our economy and eliminating the opportunity to create good paying jobs at a time of record unemployment.

During our Select Committee hearings, countless economic development task forces have continually stated that they need money to attract businesses to Nevada. Senate Bill No. 75 provides that ability to stable companies, which seek to relocate to Nevada and thereby create jobs in our State. Of course, we can choose to continue to just take photo ops of these groups without actually doing anything, which is what has occurred in this State for some time.

Senate Bill No. 75 provides additional funding to K-12 education and was fully supported by Department of Education and the Nevada State Teachers Association during our hearing in my committee. In addition, the business community, economic development agencies, and the Lieutenant Governor spoke in support of the bill in committee.

Governor Sandoval said in his State of the State address, "Innovation will drive tomorrow's economy, and so it must drive our decision making as we rebuild our economic development infrastructure." Senate Bill No. 75 is the appropriate vehicle to drive innovation, and move Nevada forward.

With record unemployment and the need to actually do something to create economic development instead of simply pay it lip service, now is the time to put party politics aside and vote for the people of Nevada.

I urge my colleagues to oppose this amendment.

Remarks by Senators Parks, Brower and Hardy.
Senator Parks requested that the following remarks be entered in the Journal.

SENATOR PARKS:
Assembly Bill No. 82 provides that the Secretary of State will prescribe procedural and system requirements to be used for any system of on-line voter registration offered by a county clerk. A county clerk who offers on-line voter registration may verify how many registered voters have signed a petition using the same indicia as approved by the Secretary of State to verify new voter registrations. A person who registers by computer must vote in person at the first election after they register and must cast a provisional ballot if they do not provide acceptable proof of identity.

The measure adds military recruiting offices to the list of voter registration agencies, and increases certain penalties concerning voter intimidation, vote tampering, and voter registration fraud. A voter registration agency shall not employ as a field registrar any person who has been convicted of a felony involving theft or fraud. The Secretary of State may pursue action against violators of this provision. The Secretary of State may also charge a fee covering the cost of printing to any group or person that requests more than 50 voter registration forms in one year.

Assembly Bill No. 82 removes requirements for certain persons and groups who advocate the passage or defeat of a ballot measure to register with the Secretary of State. Instead, these persons or groups are subject to the same registration and reporting requirements as political action committees and must report contributions and expenditures in excess of $100. Political action committees must register with the Secretary of State annually.

The bill allows a candidate, including one who withdrew before an election, and an office holder who does not run again, to dispose of unspent campaign contributions by contributing to another campaign, political party, governmental entity, or any combination thereof, and provides that the candidate or office holder may request that the money be used for a specific purpose. A
person may also use unspent campaign funds in a future election under certain circumstances. A legal defense fund must be dissolved approximately 45 days after the close of all legal proceedings and remaining funds may be returned to donors, donated to a tax-exempt nonprofit entity, or a combination thereof.

Finally, Assembly Bill No. 82 makes several technical revisions regarding the creation of mailing precincts, the information that is to be included on public notices posted at polling places, and requires "Incumbent" to appear on a ballot in an election if two or more candidates have the same name and one is the incumbent.

The bill prohibits a foreign national from contributing to a person or group involved in campaigns and elections. These individuals or groups are prohibited from knowingly receiving such contributions. Under these circumstances, such contributions must be returned. A violation is a gross misdemeanor. The measure is effective on July 1, 2011.

SENATOR BROWER:
Thank you, Mr. President. I rise in support of this bill. This contains some real common sense reforms to our election laws. I want to thank the Chair of the Committee for allowing the adoption of the amendment that was proposed to include a ban on foreign contributions to the Nevada Revised Statutes (NRS).

SENATOR HARDY:
I rise in support of Assembly Bill No. 82 and appreciate the work of the Committee and the Chair to do such a comprehensive look at voting and registration. I would like to make certain that this is on the record. It is my understanding that the first time you show up to vote after you have had a registration by mail or by computer, however it may be, that there is an identification or utility bill or attestation required that you are who you are and you live where you are registered. That is a request for clarification. It is my understanding that the same deadlines for registering to vote will exist along with the other rules the counties would implement based on what the Secretary of State's guidelines will be.

SENATOR PARKS:
Thank you, Mr. President. Yes, the provision requires that a person who registers to vote by computer must, when they go to vote for the first time after registering, provide acceptable identification to the election department or if it is not deemed acceptable, they will accept a provisional ballot that may be reviewed and subsequently counted if it is proven that they are properly registered. As for the second part of the question, yes, that is correct.

CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 31.
Amendment No. 121.
"SUMMARY—Makes various changes to provisions governing administration of taxes. (BDR 32-434)"

"AN ACT relating to the administration of taxes; clarifying provisions governing the determination and certification of population for apportionment purposes and requiring additional projections of population; revising provisions governing joint and several liability of certain responsible persons for taxes and certain waivers of penalties and interest; extending the period for the Department of Taxation or a county to bring an action in a court of competent jurisdiction for summary judgment against a person owing a delinquent tax or deficiency determination; extending the period for the Department or a county to record a tax lien; extending the period for the Department or a county to issue a warrant for the enforcement of a lien and collect a delinquent tax; temporarily extending the deadline for submitting cooperative agreements altering the formula for the distribution of money from the Local Government Tax Distribution Account; and providing other matters properly relating thereto."

Legislative Counsel’s Digest:

Existing law requires the Department of Taxation to determine, and the Governor to certify, the annual population of each town, township, city and county in this State for purposes of the apportionment of taxes during the next fiscal year. (NRS 360.283, 360.285) Sections 2 and 3 of this bill clarify that this determination and certification is of the relevant population as of July 1 of the immediately preceding year. Section 1 of this bill additionally requires the Department to issue annual reports containing 5-year and 20 year projections of the population of each county.

The provisions of title 32 of NRS require the Department of Taxation to collect certain taxes imposed on property of an interstate or intercounty nature, the net proceeds of minerals, financial institutions and other businesses, live entertainment, liquor, tobacco, controlled substances, estates and generation-skipping transfers, and various sales and use taxes. (Chapters 361, 362, 363A, 363B, 368A, 369, 370, 372, 372A, 374, 374A, 375A-377B of NRS) Existing law imposes joint and several liability upon certain responsible persons who fail to collect or pay to the Department some of these taxes or any pertinent fees. (NRS 360.297) Section 4 of this bill limits this liability to the willful failure to pay or collect an applicable tax or fee and applies this liability to all of the taxes and fees required to be paid to the Department under title 32 of NRS.

Under existing law, the Department of Taxation is authorized to waive or reduce the interest and penalties imposed on a person whose failure to timely file a return or pay certain taxes collected by the Department is the result of circumstances beyond the person's control and occurred despite the exercise of ordinary care and without intent. (NRS 360.419) Section 5 of this bill extends that authority to all of the taxes and fees required to be paid to the Department under title 32 of NRS and to certain fees imposed on the lease of a passenger car by a short-term lessor.
If a person owes delinquent taxes or has a deficiency determination against him or her with respect to any tax administered by the Department of Taxation, existing law authorizes the Department to attempt collection of the tax or deficiency in certain ways. The Department may: (1) file an action in any court of competent jurisdiction for summary judgment for the amount due; (2) file a certificate in the office of any county recorder, at which time the amount due becomes a lien upon all real and personal property the person owns or acquires in the county before the lien expires or is discharged; and (3) issue a warrant for the enforcement of a lien and for the collection of any delinquent tax or fee. (NRS 360.420, 360.473, 360.483) Existing law also allows a county to take such actions when any tax is delinquent on a transfer of real property in the county. (NRS 375.160, 375.170, 375.200) Such actions must occur within 3 years after the date the tax, fee or deficiency determination was due. Existing law allows the State Controller to take certain actions with respect to unpaid debts to the State within 4 years after the debt becomes due. (NRS 353C.140, 353C.150) Sections 6-11, 6-8 and 10-12 of this bill similarly extend the time by which the Department or county may take action to collect delinquent taxes, fees or deficiencies to within 4 years after payment was due.

Existing law requires the deposit of certain proceeds from liquor taxes, cigarette taxes, real property transfer taxes, city-county relief taxes and governmental services taxes into the Local Government Tax Distribution Account. (NRS 369.173, 370.260, 375.070, 377.055, 377.057, 482.181) Under existing law, the Executive Director of the Department of Taxation is required to allocate the money in the Account each fiscal year to local governments, special districts and enterprise districts in accordance with a mathematical formula, except that a county clerk may, not later than December 31 of the immediately preceding year, submit to the Executive Director a local cooperative agreement which provides for the allocation of that money under an alternative formula that commences the next fiscal year. (NRS 360.680, 360.690, 360.730) Section 9 of this bill extends until May 31, 2011, the deadline for submitting such a cooperative agreement for an alternative formula that would commence with the fiscal year beginning on July 1, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Department shall:
   (a) On or before March 1 of each calendar year, issue an annual report of the projected population of each town, township, city and county in this State as of July 1 of that year and the next succeeding 4 years; and
   (b) On or before October 1 of each calendar year, issue an annual report of the projected population, as classified by age, sex, race and
Hispanic origin, of each town, township, city and county in this State as of July 1 of that year and the next succeeding 19 years.

2. The Department shall post the annual reports required by subsection 1 on an Internet website maintained by the Department and, if the demographer employed pursuant to NRS 360.283 maintains a separate Internet website, require the demographer to post the annual reports required by subsection 1 on an Internet website maintained by the demographer.

Sec. 2. NRS 360.283 is hereby amended to read as follows:

360.283 1. The Department shall adopt regulations to establish a method of determining annually the population of each town, township, city and county in this State and estimate the population of each town, township, city and county pursuant to those regulations.

2. The Department shall, on or after July 1 of each year, issue an annual report of the estimated population of each town, township, city and county in this State as of July 1 of that year.

3. Any town, city or county in this State may petition the Department to revise the estimated population of that town, city or county. No such petition may be filed on behalf of a township. The Department shall by regulation establish a procedure to review each petition and to appeal the decision on review.

4. The Department shall, upon the completion of any review and appeal thereon pursuant to subsection 3, determine the population of each town, township, city and county in this State, and submit its determination to the Governor.

5. The Department shall employ a demographer to assist in the determination of population pursuant to this section and the projection of population pursuant to section 1 of this act, and to cooperate with the Federal Government in the conduct of each decennial census as it relates to this State.

Sec. 3. NRS 360.285 is hereby amended to read as follows:

360.285 1. For the purposes of this title, the Governor shall, on or before March 1 of each year, certify the population of each town, township, city and county in this state as of the immediately preceding July 1 from the determination submitted to the Governor by the Department pursuant to subsection 4 of NRS 360.283.

2. Where any tax is collected by the Department for apportionment in whole or in part to any political subdivision and the basis of the apportionment is the population of the political subdivision, the Department shall use the populations certified by the Governor. The transition from one such certification to the next must be made on July 1 following the certification for use in the fiscal year beginning then. Every payment before that date must be based upon the earlier certification and every payment on or after that date must be based upon the later certification.

Sec. 4. NRS 360.297 is hereby amended to read as follows:
1. A responsible person who willfully fails to collect or pay to the Department any tax or fee imposed by this chapter, chapter 363A, 363B, 368A, 369, 370, 372 or 374 of NRS, required to be paid to the Department pursuant to this title, NRS 444A.090 or 482.313, or chapter 680B of NRS, or who attempts to evade the payment of any such tax or fee, is jointly and severally liable with any other person who is required to pay such a tax or fee for the tax or fee owed plus interest and all applicable penalties. The responsible person shall pay the tax or fee upon notice from the Department that it is due.

2. As used in this section, "responsible person" includes:
   (a) An officer or employee of a corporation; and
   (b) A member or employee of a partnership or limited-liability company, whose job or duty it is to collect, account for or pay to the Department any tax or fee imposed by this chapter, chapter 363A, 363B, 368A, 369, 370, 372 or 374 of NRS, required to be paid to the Department pursuant to this title, NRS 444A.090 or 482.313, or chapter 680B of NRS.

Sec. 5. NRS 360.419 is hereby amended to read as follows:

360.419 1. If the Executive Director or a designated hearing officer finds that the failure of a person to make a timely return or payment of any tax or fee imposed pursuant to NRS 361.320 or chapter 361A, 362, 363A, 363B, 369, 370, 372, 372A, 374, 375A, 375B, 376A, 377 or 377A of NRS, any tax or fee required to be paid to the Department pursuant to this title or NRS 482.313 is the result of circumstances beyond his or her control and occurred despite the exercise of ordinary care and without intent, the Department may relieve the person of all or part of any interest or penalty, or both.

2. A person seeking relief must file with the Department a statement under oath setting forth the facts upon which the person bases his or her claim.

3. The Department shall disclose, upon the request of any person:
   (a) The name of the person to whom relief was granted; and
   (b) The amount of the relief.

4. The Executive Director or a designated hearing officer shall act upon the request of a taxpayer seeking relief pursuant to NRS 361.4835 which is deferred by a county treasurer or county assessor.

Sec. 6. NRS 360.420 is hereby amended to read as follows:

360.420 1. If, with respect to any tax or fee administered by the Department, a person:
   (a) Fails to pay the tax or fee when due according to his or her own return filed with the Department;
   (b) Fails to pay a deficiency determination when due; or
   (c) Defaults on a payment pursuant to a written agreement with the Department,
the Department may, within 3\(\frac{1}{4}\) years after the amount is due, file in the office of the clerk of any court of competent jurisdiction an application for the entry of a summary judgment for the amount due.

2. The application must be accompanied by a certificate specifying:
   (a) The amount required to be paid, including any interest and penalties due;
   (b) The name and address of the person liable for the payment, as they appear on the records of the Department;
   (c) The basis for the determination of the Department of the amount due; and
   (d) That the Department has complied with the applicable provisions of law in relation to the determination of the amount required to be paid.

3. The application must include a request that judgment be entered against the person in the amount required to be paid, including any interest and penalties due, as set forth in the certificate.

Sec. 7. NRS 360.473 is hereby amended to read as follows:

360.473  1. If any tax or fee administered by the Department is not paid when due, the Department may, within 3\(\frac{1}{4}\) years after the date that the tax or fee was due, file for record a certificate in the office of any county recorder which states:
   (a) The amount of the tax or fee and any interest or penalties due;
   (b) The name and address of the person who is liable for the amount due as they appear on the records of the Department; and
   (c) That the Department has complied with all procedures required by law for determining the amount due.

2. From the time of the filing of the certificate, the amount due, including interest and penalties, constitutes a lien upon all real and personal property in the county owned by the person or acquired by the person afterwards and before the lien expires. The lien has the effect and priority of a judgment lien and continues for 5 years after the time of the filing of the certificate unless sooner released or otherwise discharged.

3. Within 5 years after the date of the filing of the certificate or within 5 years after the date of the last extension of the lien pursuant to this subsection, the lien may be extended by filing for record a new certificate in the office of the county recorder of any county. From the time of filing, the lien is extended to all real and personal property in the county owned by the person or acquired by the person afterwards for 5 years, unless sooner released or otherwise discharged.

Sec. 8. NRS 360.483 is hereby amended to read as follows:

360.483  1. The Department or its authorized representative may issue a warrant for the enforcement of a lien and for the collection of any delinquent tax or fee which is administered by the Department:
   (a) Within 3\(\frac{1}{4}\) years after the person is delinquent in the payment of the tax or fee; or
(b) Within 5 years after the last recording of an abstract of judgment or of a certificate constituting a lien for the tax or fee.

2. The warrant must be directed to a sheriff or constable and has the same effect as a writ of execution.

3. The warrant must be levied and sale made pursuant to the warrant in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

Sec. 9. NRS 360.730 is hereby amended to read as follows:

360.730 1. The governing bodies of two or more local governments or special districts, or any combination thereof, may, pursuant to the provisions of NRS 277.045, enter into a cooperative agreement that sets forth an alternative formula for the distribution of the taxes included in the Account to the local governments or special districts which are parties to the agreement. The governing bodies of each local government or special district that is a party to the agreement must approve the alternative formula by majority vote.

2. The county clerk of a county in which a local government or special district that is a party to a cooperative agreement pursuant to subsection 1 is located shall transmit a copy of the cooperative agreement to the Executive Director:

(a) Within 10 days after the agreement is approved by each of the governing bodies of the local governments or special districts that are parties to the agreement; and

(b) Not later than \[\text{December 31 of the year}\] \text{May 31} immediately preceding the initial year of distribution that will be governed by the cooperative agreement.

3. The governing bodies of two or more local governments or special districts shall not enter into more than one cooperative agreement pursuant to subsection 1 that involves the same local governments or special districts.

4. If at least two cooperative agreements exist among the local governments and special districts that are located in the same county, the Executive Director shall ensure that the terms of those cooperative agreements do not conflict.

5. Any local government or special district that is not a party to a cooperative agreement pursuant to subsection 1 must continue to receive money from the Account pursuant to the provisions of NRS 360.680 and 360.690.

6. The governing bodies of the local governments and special districts that have entered into a cooperative agreement pursuant to subsection 1 may, by majority vote, amend the terms of the agreement. The governing bodies shall not amend the terms of a cooperative agreement more than once during the first 2 years after the cooperative agreement is effective and once every year thereafter, unless the Committee on Local Government Finance approves the amendment. The provisions of this subsection do not apply to any interlocal agreements for the consolidation of governmental services entered into by local governments or special districts pursuant to the
provisions of NRS 277.080 to 277.180, inclusive, that do not relate to the
distribution of taxes included in the Account.

7. A cooperative agreement executed pursuant to this section may not be
terminated unless the governing body of each local government or special
district that is a party to a cooperative agreement pursuant to subsection 1
agrees to terminate the agreement.

8. For each fiscal year the cooperative agreement is in effect, the
Executive Director shall continue to calculate the amount each local
government or special district that is a party to a cooperative agreement
pursuant to subsection 1 would receive pursuant to the provisions of
NRS 360.680 and 360.690.

9. If the governing bodies of the local governments or special districts
that are parties to a cooperative agreement terminate the agreement pursuant
to subsection 7, the Executive Director must distribute to those local
governments or special districts an amount equal to the amount the local
government or special district would have received pursuant to the provisions
of NRS 360.680 and 360.690 according to the calculations performed
pursuant to subsection 8.

**Sec. 10.** NRS 375.160 is hereby amended to read as follows:

375.160 1. If any tax imposed pursuant to this chapter is not paid when
due, the county may, within 3 to 4 years after the date that the tax was due,
record a certificate in the office of the county recorder which states:
(a) The amount of the tax and any interest or penalties due;
(b) The name and address of the person who is liable for the amount due
as they appear on the records of the county; and
(c) That the county recorder has complied with all procedures required by
law for determining the amount due.

2. From the time of the recording of the certificate, the amount due,
including interest and penalties, constitutes:
(a) A lien upon the real property for which the tax was due if the person
who owes the tax still owns the property; or
(b) A demand for payment if the property has been sold or otherwise
transferred to another person.

3. The lien has the effect and priority of a judgment lien and continues
for 5 years after the time of the recording of the certificate unless sooner
released or otherwise discharged.

4. Within 5 years after the date of recording the certificate or within
5 years after the date of the last extension of the lien pursuant to this
subsection, the lien may be extended by recording a new certificate in the
office of the county recorder. From the time of recording the new certificate,
the lien is extended for 5 years, unless sooner released or otherwise
discharged.

**Sec. 11.** NRS 375.170 is hereby amended to read as follows:
375.170 1. If a person is delinquent in the payment of any tax imposed by this chapter or has not paid the amount of a deficiency determination, the county may bring an action in a court of this state, a court of any other state or a court of the United States that has competent jurisdiction to collect the delinquent or deficient amount, penalties and interest. The action:
   (a) May not be brought if the decision that the payment is delinquent or that there is a deficiency determination is on appeal to a hearing officer pursuant to NRS 375.320.
   (b) Must be brought not later than 4 years after the payment became delinquent or the determination became final.
2. The district attorney shall prosecute the action. The provisions of the Nevada Revised Statutes, Nevada Rules of Civil Procedure and Nevada Rules of Appellate Procedure relating to service of summons, pleadings, proofs, trials and appeals are applicable to the proceedings. In the action, a writ of attachment may issue. A bond or affidavit is not required before an attachment may be issued.
3. In an action, a certificate by the county recorder showing the delinquency is prima facie evidence of:
   (a) The determination of the tax or the amount of the tax;
   (b) The delinquency of the amounts; and
   (c) The compliance by the county recorder with all the procedures required by law relating to the computation and determination of the amounts.

Sec. 12. NRS 375.200 is hereby amended to read as follows:
375.200 1. The county or its authorized representative may issue a warrant for the enforcement of a lien and for the collection of any delinquent tax that is administered pursuant to this chapter:
   (a) Within 4 years after the person is delinquent in the payment of the tax; or
   (b) Within 5 years after the last recording of a certificate copy constituting a lien for the tax.
2. The warrant must be directed to a sheriff or constable and has the same effect as a writ of execution.
3. The warrant must be levied and sale made pursuant to the warrant in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

Sec. 13. NRS 4.065 is hereby amended to read as follows:

These fees are in addition to any other fee required by law.
2. On or before the first Monday of each month, the justice of the peace shall pay over to the county treasurer the amount of all fees collected by the justice of the peace pursuant to subsection 1 for credit to the State General Fund. Quarterly, the county treasurer shall remit all money so collected to the State Controller, who shall place the money in an account in the State General Fund for use by the Executive Director of the Department of Taxation to administer the provisions of NRS 360.283 and section 1 of this act.

Sec. 13. Sec. 14. This act becomes effective upon passage and approval.

1. Section 9 of this act becomes effective upon passage and approval and expires by limitation on June 30, 2011.

2. Sections 1 to 8, inclusive, and 10 to 13, inclusive, of this act become effective on July 1, 2011.

Senator Leslie moved that the Senate concur in the Assembly amendment to Senate Bill No. 31.

Remarks by Senator Leslie.

Senator Leslie requested that her remarks be entered in the Journal.

Thank you, Mr. President. This amendment clarifies that the 5-year and 20-year population projections that are required to be performed by the State Demographer be done for each county in the State and does not require projections to be made for towns, townships or cities. The amendment also extends the period for which local governments may enter into an interlocal agreement to revise distributions of revenue from the local government tax distributions from December 31 to May 31 for an agreement that would begin in Fiscal Year 2012. These are technical adjustments. There had been some questions on our Committee, but those have all been cleared up.

Motion carried by a constitutional majority.

Bill ordered enrolled.

SIGNING OF BILLS AND RESOLUTIONS

There being no objections, the President and Secretary signed Senate Bills Nos. 49, 84, 408; Senate Joint Resolution No. 14.

REMARKS FROM THE FLOOR

Senator Wiener requested that her remarks be entered in the Journal.

Thank you, Mr. President. We heard earlier this evening the message from the Governor regarding the budget we sent him for education. To say I am disappointed is an understatement. On my desk is a picture of me listening to students at Wiener Elementary School. I have placed it near my voting button so that I can see the faces of children before each vote I cast.

As you will recall, I spoke to you the other day about the thousands of grade school students I visit each year, 20 to 30 schools annually, not just in my district but throughout southern Nevada. I visit as many schools as will have me because I believe it is important to let the voices of the children become part of the message I bring to these Chambers. Their message is what I am going to share with you right now. They have shared with me, their words, and their feelings each time I visit a school. They want to know what is happening to their education. They want to know what we are doing to ensure that they get the best education possible.

They get it. They know less money means a significant impact on the opportunities they have as students and beyond. They know it means their teachers will have to spend more money out of their own pockets to pay for classroom supplies and worse, that teachers will have less money
in their pockets if the governor’s education budget stands. They know it means not just sharing textbooks, but hoping there is one textbook set in their classroom. They know that under current conditions and current proposals in the Governor's budget there will not be texts in the classroom and they will not be able to take them home. They know that many of the classes they need in order to learn and move forward with their education, because of the tests we conduct and the standards we set in classes like science, are not going to be available. They will not have the opportunity to experience maximum learning because the classes are too large. Often, the teachers do not get to know anything about their students because there are too many. They get it.

Governor Sandoval has said he visited dozens of schools during his campaign and since then. I do not know what students told him. But, I do know what thousands of children told me. They want enough money invested in their education so that they can have the best opportunity to learn. They do not want so many children in a classroom that they feel lost and anonymous. They want to have the opportunity to get to know their teachers and their classmates and most importantly, the subject matter. They know that too many students in the classroom means the teachers cannot teach and they cannot learn. They want their own textbooks. They need to have the vital tools to learn. All they ask is that we listen to their pleas, to really listen to their pleas when they speak from their heads and their hearts.

It is my hope that somehow we members of the Senate can find the common ground to work together, because we know how to do that. Now is the time to work together and to find a way to work for the children. We love the children and we must find the common ground to give our children what they are asking for, the opportunity to travel the path with the tools, with the support system, and with those teachers who love them as much as we do. This is not just what the children are asking, it is what they deserve. I encourage all of my colleagues to listen one more time to what the children are saying so that we can support education in a way they deserve and that will enrich this State. By knowing more, children will have the opportunity to do more.

Senator Lee requested that his remarks be entered in the Journal.

Mr. President and members of this body, I have made it a point this Session to stress the importance of our community colleges in redirecting and rebuilding our economy. Those colleges can be the bedrock for educating and retraining Nevadans for the new economy we want to build.

But, community colleges cannot be successful in that new role unless the students enrolling in them have the basic skills they need to succeed. Our community colleges have to devote much of their resources to remediation, just getting students up to par on what they should have learned in high school. I have to admit that.

That will not change if resources are pulled back for K-12 education.

We need to graduate more students from high school who are ready for higher education. We do not accomplish that by putting our high school students in larger classes, with less opportunity for the individual attention they need to avoid having to take remediation classes in community college.

Our education system is a continuum, and you cannot short one part without shorting another. You cannot cut K-12 education, and expect our community colleges to deliver better results.

Mr. President, I value my relationship with Governor Sandoval and I respect him and I respect his positions and his reasons for this veto, however, I have to differ with my good friend on this portion of the State Budget. I do hope to be able to continue to work with Governor Sandoval to solve my concerns with the unfair funding of the community colleges and my request to change the funding formula in the near future.

Thank you, Mr. President.

Senator Denis requested that his remarks be entered in the Journal.

Mr. President and members of this body, I rise to point out something interesting that has transpired in the last few days. Just prior to vetoing the K-12 education-funding bill, the Governor vetoed redistricting legislation, partly on the grounds that it was a disservice to the Hispanic population in this State, giving them less opportunity for political participation.
While I disagree with the Governor on that, and said so publicly, I want to point out what does deny opportunity to Hispanics in this State and that is an underfunded education system.

We want more of our growing Hispanic population to graduate from high school, and go on to college. We want to make that possible by helping students with language and reading skills in the early grades when they need it. The Governor's K-12 budget ensures that will not happen. More of our students will struggle, and fewer of them will succeed.

I am asking the members of this body to consider this if you really want to help the Hispanic population of this State; do more for K-12 education, not less. Give them the same opportunity for a good education you say you want for them politically.

Senator Breeden requested that her remarks be entered in the Journal.

The Governor stated in his veto message that we need to reform education. We can talk about cuts. We can talk about reform. We have been doing it for months. One point no one has been able to answer for me is, how can we improve our schools in any way if we defund them? How do you keep the school doors open when we underpay teachers and let schools that are falling apart continue to deteriorate?

With this veto, the schools that are failing will continue to fail. The schools that are performing well, will become factories of underachievement. You cannot cut your way to reform when you have already cut to the bone.

Our proposed K-12 budget has less spending appropriated than in 2009. We are not increasing funds to schools, we do not have a spending problem, and we are just trying to make sure that our schools stay afloat.

But the Governor is sinking our schools instead of saving them. This veto demonstrates that there is no forward-looking strategy from the Governor. As legislators and stewards of this State, we have the obligation to fund education in the good times and the bad. There is no time when it is appropriate to put our children's future on the chopping block. Students and parents rely on us to give their families a fighting chance, and if we do not fund education now, we will be paying for it for decades. There is no good for our State in making education such a low priority.

I would ask this body, when you are deliberating in either caucus, remember what we are here for. Thank you, Mr. President.

Senator Kieckhefer requested that his remarks be entered in the Journal.

Thank you, Mr. President. I would like to respond to what I have heard so far.

When the Governor vetoed the Distributive School Account budget, I think there was a reason to his decision. My frustration on this point is that when the Economic Forum told us how much money we had to spend, we had an opportunity to reinvest that money. Republicans put forth a plan that would have reinvested $232 million of that into the K-12 school system. That would have taken up all but $15 million of unallocated General Fund reduction in the K-12 education budget, which would be $15 million statewide.

When the K-12 budget was passed out of Senate Finance and Assembly Ways and Means, it was done so by adding back $660 million that was targeted reductions within the Governor's budget proposal that was specific to salary and benefit reductions for K-12 school district employees, 45 percent who are teachers and 55 percent who are not teachers. Those proposals were, with one exception, rejected. Those are the same proposals, for the most part, that were requested from the Executive Branch State employees. When we closed the statewide allocations for Executive Branch State employees, we kept those in. We said Executive Branch State employees can take this, but we are not expecting the same out of the school districts.

I understand the school districts have to go through the collective bargaining process, but we are not even asking. Does that mean we have gotten to the point that we do not even ask?

I believe that if we had followed through on that proposal we could have fully funded full-day kindergarten as it is in our budget right now, as it is this biennium. We could have funded class-size reduction as it is in this budget right now. We would have had $15 million statewide for the K-12 system to deal with as a reduction. Is it realistic that they would have received every concession that was listed? Probably not. But we did not even ask. I find it frustrating to say it is okay to ask for that concession from the Executive Branch State worker who works for us, but not expect to ask it of employees of other branches of government.
Senator Copening requested that her remarks be entered in the Journal.

Thank you, Mr. President and the members of the body. I am standing in support of funding education adequately. The Governor's veto of K-12 funding puts every school and every child at risk. Often, our focus in this Chamber is on the schools that are failing, and for good reason. But, we can't forget that we have successful students, teachers, and schools throughout our State. The children who are succeeding, and they are in every school in Nevada, are going to suffer if we let the Governor's veto stand. For the teachers who can reach the middle of the road student, teetering between success and failure, we pack more kids in their classroom. This will make their school day less about teaching and more about crowd control.

For the students with families in dire financial situations and few resources at home, for the students who rely on school funding to keep them afloat, we take away their textbooks and close their libraries.

Our State cannot afford to neglect education. We are short-changing everyone in the State: the students who need help, the students who are succeeding, and everyone in between.

I would like to read an e-mail from a constituent a few days ago.

He says, "Hello, I am the father of a high school junior and I am outraged because of the imminent budget cuts that threaten my son's education. The Governor's proposed budget will eliminate classes crucial to students such as my son who are pursuing careers in engineering. In fact, these cuts will significantly hurt my son's chance of being accepted to the university of his choice. His high school will not be able to offer Advanced Placement (AP) Calculus, AP Chemistry and AP Physics because of staffing cuts. How can my son compete for a spot in an engineering program if he cannot take these prerequisite classes his senior year? Unfortunately, budget cuts will also decimate some programs and diminish others at the University of Nevada Las Vegas (UNLV) and the University of Nevada Reno (UNR). This is why my son and most of his classmates do not want to attend our own universities. I urge you to show backbone and do the right thing. Demand and vote for adequate funding for education. Stop blaming our students and our teachers for the economic woes we are currently suffering. Neither caused the problem." Colleagues, I ask you to please take these words seriously and consider funding our education system properly.

Senator Kihuen requested that his remarks be entered in the Journal.

Mr. President and members of this body, I have chaired the new Select Committee on Economic Growth and Employment during this Session.

Virtually every company that has come before this Committee to talk about economic development has talked in the same breath about the importance of education. It is often their first consideration in deciding whether to set up business in a state.

These companies think about their employees and where the children of those employees will be going to school, and the kind of education they will receive. These companies also know they will not be able to attract top-notch new employees if they are in a state without a good education system. Companies such as IKEA who last year refused to come to Nevada bringing 800 jobs to our State because they said we do not have enough college graduates to fill those jobs and those positions. They know they will not find the trained employees within a state unless there is a solid education system.

The Governor's veto of Assembly Bill No. 568 sends exactly the wrong message to these businesses who want to come to our State. The Governor wants us to believe our economy will recover dramatically in the next two years. But then he shortchanges education, the very thing that can make this happen. That makes no sense, and I hope all members of this body will see this contradiction when it comes time to vote on overriding the Governor's veto. A vote to override this veto is really a vote in support of strengthening the economic development and diversification we so desperately need in this State.

Senator Manendo requested that his remarks be entered in the Journal.

My friend, the Governor's veto today sends a message that he is willing to put politics and ideology ahead of finding real solutions for our struggling schools. At least that was my interpretation. Moments after he vetoed funding for our classrooms, he and his advisors began declaring all options to fund education dead on arrival. They essentially said, "Time's up!"
The last I checked, we still have three weeks of work left in Session. We have a lot of work to do and a lot of time to do it in. I am frustrated that we keep hearing that there are no solutions to our education funding. I think there is. We are only here for a short period of time and we cannot stall. We need to keep moving. We have the option to work together or to hold steadfast in our positions. If we work together, I think we can find solutions. If we choose to draw lines in the sand, then we have decided to run out the clock on our children’s futures for political purposes. I do not think that is right.

I just ask all the Legislators in this Chamber to remember that none of us would be here today if it was not for our great teachers and mentors. None of us would be here today if our schools were defunded. We owe our children at least the same opportunities we were afforded in life. How can anyone stand here in this privileged Chamber and stomp on the hopes and dreams of those who have so little? For so many kids, education is the only opportunity they have to improve their standing in life, we cannot close that door on them.

We cannot take their one hope away from them. They cannot afford it. We need to get back to work and get it done fast.

Senator Parks requested that his remarks be entered in the Journal.

Thank you, Mr. President, and members of this body. We have heard a lot this Session that the silver bullet for student success is education reform. We have also heard that every state is making cuts, so we have to cut too. But, other states were far exceeding us in their investments in education before the recession began, and now we are falling even farther behind.

We are told that Florida has reformed their education system. That is true. However, they spend more per pupil. They have class-size reduction and early childhood education enshrined in their Constitution. They are making the right investments. We, simply, are not.

Reform is necessary, but we cannot reform our way out of crumbling classrooms. States that are models for reform fund their schools adequately. We cannot attract the talented teachers that reform demands if we continue to cut their pay. It just does not add up.

If we cannot meet our obligations as lawmakers to adequately fund education, I am afraid our State will continue a downward spiral of student achievement. This is not just another budget debate about numbers on spreadsheets. There will be real consequences. Businesses will not move here. Good teachers will not sign up to teach. Students will not learn, and their futures will be limited by our choices. We will have once again kicked the can down the road. We cannot let that happen.

Senator Leslie requested that her remarks be entered in the Journal.

The Governor said in his veto message that he wants to fund education in a "fiscally prudent" manner, but his plan for defunding education is anything but.

Creating a $1.1 billion dollar budget hole is not fiscally prudent. Raiding bond reserves that may force school districts to refinance their debt is not fiscally prudent. Mortgaging our future by securitizing the insurance premium tax is not fiscally prudent. That is paying for today's groceries with your credit card. Misusing voter approved funds is not fiscally prudent. Hoping for sustained 12 percent economic growth is not fiscally prudent and is pure fantasy. None of these gimmicks in the Governor's budget are strategic. There is no vision for the future. There are only shortsighted tricks. Not only is this a disaster for our kids, it is a disaster for our State.

We heard testimony this morning from big companies and small businesses. The CFO of Zappos said that they rely on a workforce that is educated and innovative. We also heard testimony from small businesses. They all said the same thing. You cannot have an educated workforce if students do not make it through grade school. That message has been reinforced for weeks by the leaders of the business community. Undermining our schools undermines our economy. That is not fiscally prudent, either.

We need a long term vision for our State. Unfortunately, the Governor's budget continues what we are used to here in Nevada. It is a plan for our State, poorly constructed, that is does not look beyond the upcoming biennium. I hope we can find compromise in this Legislative Body, but the Governor's budget for education is one I cannot and will not support. We sent him an alternative and he rejected it. Our only hope now is to work together to come up with a solution
that ensures the future of our State for ourselves and even more importantly, for our children. Let us do it.

Senator Brower requested that his remarks be entered in the Journal.

Thank you, Mr. President. I think that the rhetoric and hyperbole around this issue has become overheated and exaggerated since the beginning of the Session. We had, with the Economic Forum projection, a positive development with respect to the budget. Most of us do not seem to understand that. The rhetoric has ramped up, even from that point. We keep saying that we have a terrible K-12 education system in this State. If we continue to say that, it will become the reality. If we continue to say that businesses will not come to Nevada because of the education system here, that is what we will get.

We all know that our system is not as bad as those who would like to make the case for more funding would have us believe it is. Most of us are products of this system. Many of us have done pretty well in this system. We all meet people every day who are graduates of our high schools, and from what many may not consider to be the best high schools, but they finish, graduate, go on to college, they do very well. We must be doing something right.

We can improve; there is no doubt about that. We all know, and I have said this before, that we have for the last 40 years continuously put more money into per pupil spending and we have continuously received results that do not reflect that. How can it be that the high school graduation rate has steadily declined over the last four decades while spending has gone up? That tells me it is not simply a money issue. We do not have the extra money to continue to do that.

My colleague from Clark County read an e-mail earlier. We all receive e-mails. I have not heard an e-mail read this Session on the other side of this issue. I will read one tonight.

"My wife is a public school teacher at an elementary school. I am an instructor at a community college. We are old enough to retire, but have kept working as our retirement will not keep up with the cost of living. If money solved the education problem, no child in the United States would be left behind. The teachers with their powerful union are holding the children of Nevada hostage. A class size of 16 is unrealistic in today's economy."

I would like to point out that none of us had a class size of 16. I certainly did not in the public schools in Clark County.

"Even teachers under the age of 40 can remember the days of 25 to 30 in the classroom. Learning did occur. A teacher's dedication and skill are what makes the difference. If the State income is down, then all employees that are paid directly or indirectly with State funds need to have their income cut by the same percentage. For example, a highway maintenance man should not have to take a cut in salary and benefits while his children's teacher gets a raise. We are willing to take a pay cut and pay some of our own benefits. Some income is better than no income."

I know that is just one e-mail, but I have received many e-mails like that from people all around our State. We need to bridge the differences and resolve this debate.

I think the rhetoric has been overblown and is not helping to bring us together. It is not as bad as some would make it out to be.

Yes, education can be improved in this State. Yes, we would like to fund education more than we will be able to in this biennium. Let us come together and agree on what is good about our system. Let us do what we can to improve it within the means we have for this next biennium. Let us start talking about the positive things that our system provides to our children. Thank you, Mr. President.

Senator Schneider requested that his remarks be entered in the Journal.

Mr. President and members of this body, I just want to reiterate my remarks of the other day, when I spoke about what it would take just to get Nevada to the middle in funding education. I said that to just get us to mediocre, just to the middle of the 50 states it would take $1.7 billion. I spoke against our funding bill because I wanted $1.7 billion which would only get us to mediocre. We sent a funding budget to the Governor that was only 35 percent short of that number. He vetoed that. He has put us back into the cellar. We are in the cellar right now. He has put us further in the cellar with what he did today.
In my ten sessions here, we have gone backwards. To my friend from Washoe District No. 3, if you think that a 50 percent drop out rate is good, and our education system is doing just fine. I am shocked. I know you went to Bonanza High School in Las Vegas. The drop out rates were not at that level then.

We have had explosive growth for two decades in this State. The people who have moved to this State were service industry workers. English was not their first language. It costs more to educate the students we have today. It is fine to be macho and say I am not raising taxes. I am drawing the line. I am not going to waffle. I am going to be macho, but that does not get the job done.

We are failing. We have cut teacher pay 10 percent. We have loaded the classrooms with more students, and then told them to go into those rooms and do a better job. The good teachers are leaving. Last session, I spoke about a Yale educated professor at the University of Nevada Las Vegas (UNLV) who left because he saw there was no commitment to education. He is at Holyoke College in Massachusetts as a department chair of environmental studies. He got that job in two weeks. That is what is happening to our good professors, our good teachers. We are losing them.

I encourage all of us to try to negotiate a compromise. I will sit down with anyone. You want reform, let us talk about reform. Let us get serious about it. But, let us get serious about what we are going to invest in our students. The Governor sends his children to Bishop Manogue. He does not send them there for $5,000 a year. You have to be kidding. In Las Vegas, where you have about 75 percent of the students, if you want to go to one of the better schools in Las Vegas, go to the Meadows where tuition is $15,000 plus expenses. At Bishop Gorman, tuition is $12,500 plus expenses. All of the schools are like that. If you want a good education, you have to pay for it. We are trying to get by on the cheap. We are trying to be macho. "We will not raise taxes. We are going backwards."

I have been here in the Senate for 20 years. Let us talk about the children who were born when I was elected. Half of them have dropped out of school. That is not a successful education story. That is a failure. We can do better. We can ask our businesses to participate. I can participate. The ranchers and farmers can participate. We all must participate. We can do better.

Thank you, Mr. President.

Senator Horsford requested that his remarks be entered in the Journal.

Thank you, Mr. President. I will try not to give a lecture, though I do not know any other way to force a discussion than to bring it to the Floor of the Senate. I am appreciative of my colleagues from Washoe District No. 4 as well as Washoe District No. 3 and in discussions with the representative from Clark District No. 12. I know that there is a great deal of concern on both sides of the aisle about how we can best address the budget issues and deal with these complex problems. I also feel that there is a sense that the alternative is just to follow the Governor and his budget plan regardless of the implications that were discussed by my colleague, the Chair of Revenue, and the negative non-recurring revenues that are in the Governor's budget. She discussed the sweeping of the capital reserve money that is supposed to go to providing safe schools for our children, and how it is not fiscally prudent. Regardless of party, you cannot in good conscience say that we should borrow $250 million to pay off our bills today, and then mortgage the future for the next four years. It is not fiscally prudent.

Each of us makes our own decisions in different ways. I try to come to my decisions from a motivation point. Anyone who knows me knows that I make decisions based on core principles and values. When it comes to education, the core principle and value for me is about my children, their generation, and their ability to have an opportunity to do better in their generation than I had in mine, than my parents and grandparents had in theirs.

There are many of us here who are parents. Some of us are grandparents. Think about that moment in the delivery room when your child takes its first breath. That is what motivates me. When each of my children was born, it was God's gift to me to have them come into the world. When I looked at them, there was nothing that I would not do to make their life better or to honor the promise that I made, that I would do everything humanly possible to give them every opportunity to succeed in life.
My colleague from Washoe District No. 3 rightfully says that we cannot just put this in black and white boxes. This is not that all of our schools are poor. You are right. We have many great successes. There are schools that are performing. There are students and teachers who are doing their job. But, the Governor's budget as originally proposed and the veto message that he delivered today short changes those schools, too. It is not just in the underperforming schools where change needs to occur.

We have debated as a body, not just during this Session, but also in previous sessions, that we do want to see reform. I have advocated for legislation since before I was a Legislator to improve our schools, whether through charter schools, empowerment schools, where I co-sponsored the legislation with the former Governor. We brought forward, what was then the most comprehensive reform bill last session, S.B. No. 330 of the 75th Legislative Session. It passed this body unanimously.

Twice, there have been members from the other side who have said that the majority party is beholden to public employees or that the teachers' union is somehow the root cause of the problem.

Do you know what the problem is? It is all of us, as adults. We are all the problem. We need to share in the responsibility that we are not doing right by our children. We are not, not in this State. Not in the schools, that many of colleagues represent that are from poor neighborhoods. These are the schools with low-income children who come to school having never seen a dentist. Many of them have not had breakfast. Some of them do not have the basic language skills and are not even proficient in their own native language, let alone in English. When we ask why the graduation rates are not what we want them to be, let us look at all of us as a society.

I also received an e-mail from a constituent. All of us have been getting many e-mails lately. This e-mail was from a teacher. The teacher said, "I spend 10 percent of my time actually being able to instruct the students." Ten percent of that student's day is with the teacher.

I agree with the Minority Leader. In many cases, we put many burdens on our teachers. We have put many mandates on them. We have told teachers how to do their do their jobs from everything about how to pick up a pencil and how to write on the chalkboard. We have told them how to do every part of their job as if we are the experts and as if we know the answer. We do not. This teacher said, "If I only get 10 percent of the child's day to actually teach them, who is accountable for the other 90 percent? Where are the parents? Where are the community members? Where are the business leaders? Where are all of us as a society and what is our accountability toward that child?"

Public education is about an opportunity, not for some children. Not for the haves, not for those who come from one side of the tracks or the other. It is for every child. I agree with my colleague from Washoe District No. 3 when he talks about the fact that there are good schools. Let me talk about some of those good schools.

From Green Valley High School in the south to Carson Valley Middle School in the north, from elementary schools like Lamping to Hunsberger, these are schools that are changing lives, growing young brains and creating that bright future that is so important. We have exemplary schools in this State, some of which are nationally ranked. Booker Elementary Empowerment School in my district is a Title 1 school. Most of the students are low income. I was proud to send my child there for kindergarten because I knew they would get a great start in their education. That is an exemplary school. This budget by the Governor cuts funding to exemplary schools, to gifted students, to teachers who are performing just as much as it cuts funding to those schools who need extra help through early childhood education, through full-day kindergarten, through early language learning, through career and tech. It is not just to the low performing or the underperforming schools. This budget cuts even deeper.

I agree accountability and reform should be part of an educational equation, but the Governor today has issued a blanket veto. The teachers will have to do much more with much less. Unfortunately, the losers in that equation are not the teachers, but the children who need us to believe in them the most. To my colleague from Washoe District No. 4, he talked about the decisions the Finance and Ways and Means Committees made where we voted to close the budget at the Governor's recommended level to require teachers to pay 5.3 percent of their take home pay toward their Public Employee's Retirement System (PERS) contribution. That is something that has not been done in decades. He then compared that and said that we did not
treat them fairly compared to other State workers who were asked to take a 2.5 percent cut plus 6 days of furlough which equals a 4.8 percent overall reduction in take home pay. We ask teachers to do 5.3 percent. We ask State workers to do 4.8 percent.

The Governor's budget has $700 million of reduced State spending, $660 million of which is to education. Where is the shared sacrifice in that? We all say that education is the priority and that education should be first, and we all campaign on how important education is, yet $660 million out of the $700 million of proposed reduction is to education, K-12 and higher education?

The message the Governor sent today in this veto is that we do not care about our children's future. I disagree. I do care. I think many of us care. The business community cares. Teachers care. Most of all, parents and our children care. With this veto, the Governor sends the message that education is not the priority. I do not know how anyone can look into the eyes of a child and not want to do the best for them. Yes, there are cuts to be made. We will make the cuts. We have agreed to more than $1 billion in reduced spending. But, we have also asked for a more balanced approach, a compromise, to consider continuing the existing revenues currently in place that are not a detriment to the economic recovery. The Revenue Committee learned this week that under the Governor's budget the gaming industry would receive a $50 million tax cut. The mining industry would receive a $9 million tax cut. We asked the representatives from the mining industry, "Is this something you asked for? Do you need this $9 million?" Tourists will be paying $67 million less in the upcoming biennium by just not continuing the existing revenues that are in place. The average Nevadan will get an $88 tax cut. Those of us who make a little more in revenue like my wife and I with our joint income will receive $232 tax cut. We do not want the tax cut. The mining industry did not ask for the tax cut. I do not think the gaming industry expects to get $50 million back or to pay $50 million less so that our teachers have to take a 10 to 15 percent pay cut, so that we have to reduce spending on full-day kindergarten, so that we eliminate ELL programs or career and technical programs. I do not think that was the equation that people were considering. But, those are now the choices that are before us.

It is time for us to take a stand for our children and their futures. To do anything less will be to break the promise that we made from the moment that they were born. My message tonight, to the Governor and to those who support his budget is a quote by Margaret Mead:

"Never doubt that a small group of thoughtful, committed people can change the world. Indeed it is the only thing that ever has."

I am prepared to consider reforms. We have had open and transparent debate on this Floor and in the Committee of the Whole on the budget hearings. We will continue to discuss and take votes on policy reforms from everything from education to public employee to budget reform. It should include revenue reform as well. For the Governor to say in his message or in the follow-up message from his staff, that they will not consider revenue reform that is revenue neutral is to say your ideas do not matter. It is to say that the Modified Business Tax that we currently have in place that is regressive on small businesses can remain. That we do not want to provide for a fairer, equitable, and more stable revenue source. That is not what this process is about. The Governor has staked out his position of "no new revenue." There are those of us who have staked out a position of "we cannot cut education anymore." The truth of the matter, the compromise, the cooperation is in the middle of that. We both have to give. Both sides have to give and we have to be willing to work together and listen and find that common ground. I hope for the sake of our children that we will do it together.

Senator Hardy requested that his remarks be entered in the Journal.

Thank you, Mr. President. I appreciate the eloquence of the comments we have heard here tonight. I appreciate the Majority Leader's comments amongst others.

The Economic Forum in December looked at the projection for the Governor's Budget. The Governor used that Economic Forum to predict that we were going to receive $5.33 billion in this next biennium. In April 2010, I took the opportunity to talk to the previous administration's financial advisors about what the projection was going to be in the biennium. They said we would receive $5.3 billion. That amount included the sunsetted taxes.

I was stunned when the Economic Forum in December of last year came out with a projection that we would have $5.33 billion. How can we do that without the sunsetted taxes? If I do the
math, without the sunnsetted taxes of over $600 million, we are anticipating getting increased revenue of $627 million. I was surprised on May 2 of this year when the Economic Forum projected an increase above that. The December estimate was probably on target.

I prepared a graph that showed the economic growth as it has been in the past. During this great recession, we are actually on the uphill side of our economy in spite of being in a recession. The worst is behind us. The future is ahead of us. We are climbing up the slope in our economy.

In 2003, I admit I voted for the largest tax increase in Nevada history. We wanted to use that for education. I told people that I was voting for education. We funded education and that vote for taxes has carried us through until this great recession. We gave $300 million back to the people of this State in 2005.

I have served on the Education Committee. We made several observations. We said we should mentor. We should get parents involved. We did all of the things Education Committees are still doing and still talking about. With the increased money and with the increased awareness of what we are going to do to reform education, we still decreased in our graduation rate. We still had challenges. There is more to education than just the school and the money involved.

When we look at the pie chart of the budget, 55 percent of the budget goes to education, rightfully so. Then 30 percent goes to the human and health services and 20 percent to prisons and programs. When we started cutting in 2008-2009, we took the greatest percentage of those cuts from other areas instead of education. Now we are faced with, what else can we cut? That is the dilemma of how we treat education.

In the last six months, we received $200 million more than we thought we would and have added that back into the education budget. If you look at the next 12 months, that could be an extra $400 million which would be $800 million in the biennium. The Governor suggested that we do add-backs. If we looked at doing the 5 percent pay cut, the merit pay and the Public Employees Retirement System (PERS) sharing, we would add back and fully restore class size reduction, full-day kindergarten etc. With those add-backs going forward we can anticipate that the economy, if we do not make any mistakes, will still be going up. If we create a trigger within that climb up the economic slope, we will be able to say this is the priority. My priority is add-backs. On that economic slope, we will be able to add back $20 million to the Nevada State Higher Education System into this biennium and to move forward the $20 million the Governor put in the next year of the biennium. If you shift those out, you will get the smoothing that Chancellor Klaich talked about.

On that slope, you will be able to trigger when Medicaid and Medicare come in. This is the approach I am looking at. We have a system where we give a barrel of money to the school district and they decide where to put it. If we could take that barrel of money and put it into buckets, we would probably be able to have some control over those expenses and be able to do the add-backs in a triggering way that would be more under our control as to our projections in money.

I must pay homage to my wife who is here, tonight. Mothers are where our children get their education. That is one of the challenges we have in this State. We are trying to figure out how to allow our parents to be involved with the education of our children. It is a challenge.

We are on the upslope and I would be very positive telling the university professors, Desert Research Institute (DRI) and the teachers not to worry, we will get there. You will still have a job. We are still going to teach children and we still love them.

Senator McGinness requested that his remarks be entered in the Journal.

Thank you, Mr. President. The Governor was true to his word. I will not try to defend him. He is a big boy. His office is just across the mall and we can talk to him.

He added additional funding to the K-12 budget after the Economic Forum. He has provided us with a spending plan, which treated K-12 employees the same as our State employees. He provided a comprehensive legislative package to ensure educator accountability, parental choice and other much needed system reforms.
We support critically needed education reform that emphasizes students over bureaucracy, more education dollars in the classroom and decision-making ability and accountability at the local level.

We all wish the current economic realities were different and there was a light at the end of the tunnel, however, our current realities require that we spend only the money that we have while allowing for the additional funding of education as the economy continues to improve. I believe it will.

Senator Kieckhefer requested that his remarks be entered in the Journal.

Thank you, Mr. President. I would like to respond to the comments made by the Majority Leader regarding the pay issues. It is true that the committees did vote to ask school district employees to contribute 25 percent of their retirement contribution. The public still makes up the other 75 percent. State employees pay half. As a part of the collective bargaining process decades ago, the districts decided to pay fully for the retirement benefits for their employees for the year. That has lasted for 30 years. It is called PERS equalization, but in the end, the district employees will be paying half of what State employees pay. That is already taken out of their check.

I appreciate the Majority Leader's comments. I do think about my children as we go through this process. I was planning on reading "Where the Sidewalk Ends" to my children. You should hear them laugh when the boa constrictor eats that man. They go crazy.

But the question we are asking is what is the balance? It is not just balancing revenue versus cuts for education. It is balancing what this State needs to be as we emerge from this economic recession. The e-mails I receive from parents and the letters I receive from students I assume that all of them want a good, strong, solid and robust economy so that everyone could have a job. We have heard a lot about the need for education to drive the economy. Under our current system we had the most robust and vibrant economy in this country for a decade. We had people flocking to Nevada to take advantage of economic opportunity. A strong economy is what we need to be focusing on so that not only can students get an education, they will have a job available to them when they do graduate. It is not just balancing revenues versus cuts. It is not just balancing K-12 versus higher education, but it is looking at the entirety of our State and how we get to where we want to be. All of us recognize that we are not there right now. We all have hope, belief and faith as Nevadans that we will get there.

Senate Concurrent Resolution No. 11—Memorializing career military officer Colonel Jerry Bussell (Retired).

WHEREAS, The members of the Nevada Legislature mourn the passing on October 18, 2010, of career military officer Colonel Jerry Bussell (Retired); and

WHEREAS, Born July 31, 1943, in Parsons, Tennessee, to farmers of modest means, Jerry moved to Las Vegas at the age of 15 and later attended the University of Tennessee at Martin, where he entered the Reserve Officer Training Corps and received a bachelor of science degree and a Regular Army commission in 1967; and

WHEREAS, Colonel Bussell went on to build a stellar military career and to become a staunch supporter of education, two subjects about which he was passionate; and

WHEREAS, After proudly serving in Vietnam and achieving the rank of Captain, Colonel Bussell transferred back to Las Vegas because of an illness in his family, and in 1972, he resigned his Regular Army commission to join the Nevada Army National Guard, rising to the rank of full Colonel in 1987; and

WHEREAS, In 1985, then Lieutenant Colonel Bussell directed a 181-vehicle convoy in 110 degree heat between Henderson, Nevada, and Fort Irwin, California, a 300-mile round-trip through the Mojave Desert, causing Soviet Union intelligence to reassess the strength and training of American reserve units and earning him the Draper Armor Leadership Award, and for an unprecedented 2 consecutive years, his unit received the most coveted award in Armor, the Goodrich Riding Trophy, and both awards were attributed to his great leadership skills; and

WHEREAS, After retiring from the military in 1993, Jerry pursued his love of golf until called back into service by Governor Kenny Guinn in 2002 to serve as Special Advisor for Homeland Security, then as Chair of the Nevada Commission on Homeland Security, and the Colonel made it his mission every day to make the State a safer place than it was the day before following the terrorist attacks of September 11, 2001; and

WHEREAS, Colonel Bussell had the heart and mind of a warrior and, with one of his lifelong missions being to improve the lives of soldiers, had the opportunity to combine his military expertise with his enthusiasm for education when he became the Executive Director of Operations to implement the Telemedicine and Advanced Technology Research Center grant for the Division of Educational Outreach of the University of Nevada, Las Vegas, where his team developed a blended-learning approach to improve the military's Combat Life Saving training and methods for training all soldiers to treat battlefield injuries, thus saving the lives of many of those injured during combat; and

WHEREAS, The Colonel was key in the establishment of the Nevada Patriot Fund (now the Nevada Military Support Alliance) which provides personal and financial assistance to the families of Nevada servicemen and women killed in the line of duty; and
WHEREAS, In addition to the numerous military awards he received, Colonel Bussell received the 2010 Distinguished Nevadan award, one of the highest honors bestowed by the Nevada System of Higher Education, for his many contributions to education in this State; and
WHEREAS, Colonel Bussell had been planning to run for the Board of Regents because he loved the University of Nevada, Las Vegas, so much that he thought it was the perfect way to contribute and to put his leadership skills and expertise to work; now, therefore, be it
RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE ASSEMBLY CONCURRING, That the members of the 76th Nevada Legislature offer their deepest condolences to Colonel Jerry Bussell's wife Pat Lundvall, who said of him that "He was charming, the most charismatic man you'd ever meet"; and be it further
RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to Pat, Colonel Bussell's cherished wife of 28 years.

Senator Kieckhefer moved the adoption of the resolution.
Remarks by Senator Kieckhefer, Mr. President and Senator Brower.
Senator Kieckhefer requested that the following remarks be entered in the Journal.

SENATOR KIECKHEFER:
Thank you, Mr. President. We have an opportunity today to honor a distinguished man, a distinguished Nevadan and a distinguished husband.

I would like to share with you what Colonel Bussell's wife, Pat, had to say about her husband. She said he was handsome, dashing, charismatic, bold, a leader, mischievous, respectful, a soldier, kindhearted, generous, brash, worldly, engaging, ambitious, accomplished, proud, strong, fearless, supportive, evolutionary, exacting, ceremonious, patriotic, and encouraging. These descriptors applied to Jerry when she met him on October 18, 1982 and they described him to the day that he passed on October 18, 2010.

When they met, Jerry, then a Major, was attending the Sixth Army Annual Conference being held in Lincoln, Nebraska. She was a student at the University of Nebraska finishing a master's degree. The attraction was instant. They were engaged nine weeks later and married soon thereafter. Chaplain Ashley Hall counseled and married them. He advised them and made them promise to tell the other, every day, that they loved each other. Jerry kept that promise. She said Jerry remains the most handsome man she has ever met, and he loved being told that.

Their story makes me think about how many reasons there are for us to love the people we love. I know that was true for Pat and for the many people who loved Jerry.

Thank you, Pat, for being here today and for Nevada, I want to express how sorry we are for your loss and to say what a loss his passing is for the State of Nevada. After the events of September 11, 2001, our State tried to identify how we were going to respond to a potential act of terror knowing we could be a target because of the lifestyle we love in this State. Governor Guinn chose Colonel Bussell to protect our State by reviewing our security and our response. He was the person the Governor trusted with the lives and the safety of all Nevadans. He performed that duty admirably and well. He performed a great service to the State of Nevada. We have a lot to be thankful for.

MR. PRESIDENT:
Pat, this is a happy day, but a sad day, too. I loved Jerry, too. I traveled thousands of miles on Nevada's roads with him. He was a great friend, a strapping man and a great Nevadan and a great American. Thank you. We are all with you.

SENATOR BROWER:
Thank you, Mr. President. I would like to offer a welcome to Pat and to everyone who is here today to remember Jerry.

Jerry was everything mentioned earlier. He was charming, charismatic, and a good friend. He was a constituent of mine when I was in the Assembly, as Pat is now. He was a Vietnam veteran.

As a country, we went a long time without saying much about our Vietnam veterans. We, as a country, have made up for that in recent years. That is one of the things I loved the most about
Jerry. We are losing our World War II veterans at an incredible rate and we are losing our Vietnam veterans as well. I encourage all of us to remember the sacrifices that our Vietnam veterans made as exemplified by Jerry. Keep all of them in our prayers.

The following amendment was proposed by the Committee on Finance:
Amendment No. 583.
"SUMMARY—Establishes the Fund for State Park Interpretative and Educational Programs and Operation of Concessions. (BDR 35-1210)"
"AN ACT relating to state parks; creating the Fund for State Park Interpretative and Educational Programs and Operation of Concessions; authorizing the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to establish certain concessions within state parks; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Division of State Parks of the State Department of Conservation and Natural Resources is funded by grants and gifts of money, fees and legislative appropriations. (NRS 407.075, 407.0762, 407.077) Section 2 of this bill authorizes the Administrator of the Division to establish concessions within the boundaries of any state park the revenue from which is required to be deposited in the Fund for State Park Interpretative and Educational Programs and Operation of Concessions. Section 1 of this bill creates the Fund for State Park Interpretative and Educational Programs and Operation of Concessions for the use of the Division and provides for the expenditure of money from the Fund.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 407 of NRS is hereby amended by adding thereto a
new section to read as follows:

1. The Fund for State Park Interpretative and Educational Programs
and Operation of Concessions is hereby created as an enterprise fund for
the use of the Division to receive all revenues derived from sales of
concessions and vending machines operated within state parks and other
special revenue generating activities.

2. Money in the Fund must be invested as the money in other state
funds is invested. The interest and income earned on the money in the
Fund, after deducting any applicable charges, must be credited to the
Fund. Claims against the Fund must be paid as other claims against the
State are paid.

3. In addition to any expenditure required by subsection 4, the cost of
any goods and services used for the sale of concessions and the
coordination of special revenue generating activities must be expended
from the Fund.

4. Money deposited in the Fund must be expended:
   (a) By the Administrator, upon approval by the Director, shall expend money deposited in the Fund for special
       interpretative or educational programs and special park projects that enhance the interpretive and educational mission of the Division;
   (b) For any other purpose authorized by the Legislature or by the Interim Finance Committee if the Legislature is not in session.

5. Any balance remaining in the Fund does not revert to the State
General Fund at the end of any fiscal year.

Sec. 2. NRS 407.065 is hereby amended to read as follows:

407.065 1. The Administrator, subject to the approval of the Director:
   (a) Except as otherwise provided in this paragraph, may establish, name, plan, operate, control, protect, develop and maintain state parks, monuments and recreational areas for the use of the general public. The name of an existing state park, monument or recreational area may not be changed unless the Legislature approves the change by statute.
   (b) Shall protect state parks and property controlled or administered by the Division from misuse or damage and preserve the peace within those areas. The Administrator may appoint or designate certain employees of the Division to have the general authority of peace officers.
   (c) May allow multiple use of state parks and real property controlled or administered by the Division for any lawful purpose, including, but not limited to, grazing, mining, development of natural resources, hunting and fishing, in accordance with such regulations as may be adopted in furtherance of the purposes of the Division.
   (d) Shall impose and collect reasonable fees for entering, camping and boating in state parks and recreational areas. The Division shall issue, upon
application therefor and proof of residency and age, an annual permit for entering, camping and boating in all state parks and recreational areas in this State to any person who is 65 years of age or older and has resided in this State for at least 5 years immediately preceding the date on which the application is submitted. The permit must be issued without charge, except that the Division shall charge and collect an administrative fee for the issuance of the permit in an amount sufficient to cover the costs of issuing the permit.

(e) May conduct and operate such special services as may be necessary for the comfort and convenience of the general public, and impose and collect reasonable fees for such special services.

(f) May rent or lease concessions located within the boundaries of state parks or of real property controlled or administered by the Division to public or private corporations, to groups of natural persons, or to natural persons for a valuable consideration upon such terms and conditions as the Division deems fit and proper, but no concessionaire may dominate any state park operation.

(g) May establish such capital projects construction funds as are necessary to account for the parks improvements program approved by the Legislature. The money in these funds must be used for the construction and improvement of those parks which are under the supervision of the Administrator.

(h) In addition to any concession specified in paragraph (f), may establish concessions within the boundaries of any state park to provide for the sale of food, drinks, ice, publications, sundries, gifts and souvenirs, and other such related items as the Administrator determines are appropriately made available to visitors. Any money received by the Administrator for a concession established pursuant to this paragraph must be deposited in the Fund for State Park Interpretive and Educational Programs and Operation of Concessions.

2. The Administrator:

(a) Shall issue an annual permit to a person who pays a reasonable fee as prescribed by regulation which authorizes the holder of the permit to enter each state park and each recreational area in this State and, except as otherwise provided in subsection 3, use the facilities of the state park or recreational area without paying the entrance fee; and

(b) May issue an annual permit to a person who pays a reasonable fee as prescribed by regulation which authorizes the holder of the permit to enter a specific state park or specific recreational area in this State and, except as otherwise provided in subsection 3, use the facilities of the state park or recreational area without paying the entrance fee.

3. An annual permit issued pursuant to subsection 2 does not authorize the holder of the permit to engage in camping or boating, or to attend special events. The holder of such a permit who wishes to engage in camping or
boating, or to attend special events, must pay any fee established for the respective activity.

4. Except as otherwise provided in subsection 1 of NRS 407.0762 and subsection 1 of NRS 407.0765, the fees collected pursuant to paragraphs (d), (e) and (f) of subsection 1 or subsection 2 must be deposited in the State General Fund.

"AN ACT relating to private postsecondary educational institutions; revising the requirements concerning background investigations of certain applicants for employment or contracts with private postsecondary educational institutions; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires certain persons who apply for employment or a contract with a private postsecondary educational institution to submit a completed fingerprint card that must be taken by an agency of law enforcement and authorization for the postsecondary institution to conduct an investigation of the background of the applicants. (NRS 394.465) This bill allows the fingerprint card and authorization to be submitted electronically to the Central Repository for Nevada Records of Criminal History. This bill also exempts an applicant from the background check if: (1) the applicant will provide instruction from a location outside this State through a licensed program of distance education; (2) the applicant previously underwent a background check; and (3) the Administrator of the Commission on Postsecondary Education determines that an additional background check is not necessary.

The fingerprint cards and authorization form submitted must be those which are provided to the applicant by the Administrator. The applicant's fingerprints must be taken by an agency of law enforcement.
   (b) Written verification, on a form prescribed by the Administrator, stating that the fingerprints of the applicant were taken and directly
forwarded electronically or by another means to the Central Repository and that the applicant has given written permission to the law enforcement agency or other authorized entity taking the fingerprints to submit the fingerprints to the Central Repository for submission to the Federal Bureau of Investigation for a report on the applicant's background and to such other law enforcement agencies as the Administrator deems necessary.

3. The Administrator may:
   (a) Unless the applicant's fingerprints are directly forwarded pursuant to paragraph (b) of subsection 2, submit those fingerprints to the Central Repository for submission to the Federal Bureau of Investigation and to such other law enforcement agencies as the Administrator deems necessary; and
   (b) Request from each such agency any information regarding the applicant's background as the Administrator deems necessary.

4. Except as otherwise provided in NRS 239.0115, the Administrator shall keep the results of the investigation confidential.

5. The applicant shall pay the cost of the investigation.

6. An applicant is not required to satisfy the requirements of this section if the applicant:
   (a) Is licensed by the Superintendent of Public Instruction;
   (b) Is an employee of the United States Department of Defense;

   (e) Has satisfied the requirements of subsection 1 within the immediately preceding 5 years.

7. As used in this section, "distance education" means instruction delivered by means of video, computer, television, or the Internet or other electronic means of communication, or any combination thereof, in such a manner that the person supervising or providing the instruction and the student receiving the instruction are separated geographically.

Sec. 2. This act becomes effective upon passage and approval.

"AN ACT relating to the State Controller; authorizing a county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning the responsibility of collecting fines, administrative assessments [and fees [and restitution]] from certain criminal defendants; making various changes relating to the collection of fines, administrative assessments [and fees [and restitution]] from certain criminal defendants; making various changes relating to debt collection between this State and the Federal Government; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that if a fine, administrative assessment, fee or restitution imposed upon a defendant is delinquent: (1) the defendant is liable for a collection fee; (2) the entity responsible for collecting the delinquent amount may report the delinquency to credit reporting agencies, may contract with a collection agency and may request that the court take appropriate action; and (3) the court may request that a prosecuting attorney undertake collection efforts, may order the suspension of the driver's license of the defendant and may, in the case of a delinquent fine or administrative assessment, order that the defendant be confined in the appropriate prison, jail or detention facility. (NRS 176.064)

Sections 7 and 11 of this bill require the district court to forward to the county treasurer the necessary information for the collection of the debt of a criminal defendant. If a county is unable to collect the debt, sections 7,
11 and 14 of this bill authorize the county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning to the Office of the State Controller the responsibility for collecting the debt.

Under existing law, a judgment entered by the court ordering a defendant to pay a fine, administrative assessment or restitution constitutes a lien. (NRS 176.275) Section 8 of this bill requires a district court judge to inform a defendant at the time of sentencing of the provisions of NRS 176.275, and that if the lien is not satisfied, collection efforts may be undertaken against the defendant.

Sections 9 and 12 of this bill require a defendant to pay costs and fees associated with the efforts to collect a debt.

Section 14 authorizes the Office of the State Controller to enter into a cooperative agreement with a governmental entity for the purpose of establishing the Office of the State Controller as the collection agent for the governmental entity.

Section 15 of this bill authorizes the State Controller or his or her designee to enter into a reciprocal agreement with the Federal Government for the collection and offset of indebtedness.

Amendment No. 577.
"SUMMARY—Makes various changes pertaining to certain court reporters. (BDR 1-235)"
"AN ACT relating to court reporters; making various changes pertaining to the appointment, duties and work product of court reporters in the district courts and justice courts of this State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 1 of this bill provides that a business organization appointed to provide to a district court the services of a certified court reporter must be licensed by the Certified Court Reporters’ Board of Nevada. (NRS 3.320)

Section 2 of this bill clarifies that an official reporter pro tempore of a district court is appointed rather than employed and, like the official reporter he or she replaces, does not have a fixed term of employment. (NRS 3.320, 3.340)

Section 3 of this bill states that prima facie evidence of the testimony and proceedings in a district court is provided by the transcript and not the report of the official reporter. (NRS 3.360)

Section 4 of this bill makes various changes with respect to the compensation of the official reporter of a district court. (NRS 3.370)

Section 5 of this bill provides that, when sound recording equipment is used to record proceedings in a district court and a transcript is subsequently made: (1) the person who transcribes the recording shall subscribe to an oath that he or she has truly and correctly transcribed the proceedings as recorded; and (2) the person who operates the sound recording equipment shall subscribe to an oath that the sound recording is a true and accurate recording of the proceedings and, in the event of an error, malfunction or other problem relating to the sound recording equipment or the sound recording, report that error, malfunction or problem to the court. Section 5 also requires a copy of a sound recording, if requested, to be provided with a requested transcript. The cost for providing the recording must not exceed the actual cost of producing the recording and must be paid by the party who requests the recording. (NRS 3.380)

Section 6 of this bill states that, with regard to proceedings in a justice court, compensation for the preparation of a transcript is to be deposited with the certified court reporter and not with the deputy clerk of the court. (NRS 4.410)

Section 7 of this bill provides that: (1) the sound recording of each proceeding in justice court must be preserved until at least 1 year, instead of 30 days, after the time for filing an appeal expires; and (2) with respect to certain criminal proceedings in a justice court, sound recordings must be preserved for a period of at least 8 years. (NRS 4.420)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 3.320 is hereby amended to read as follows:

3.320 1. The judge or judges of any district court may appoint, subject to the provisions of this chapter and other laws as to the qualifications and examinations of the appointee, one certified court reporter, to be known as
official reporter of the court or department and to hold office during the
pleasure of the judge appointing the official reporter. The appointee may be
any business organization licensed by the Board if the person representing
the business organization, who actually performs the reporting service,
is a certified court reporter.

2. The official reporter, or any one of them if there are two or more,
shall:

(a) At the request of either party or of the court in a civil action or
proceeding, and on the order of the court, the district attorney or the attorney
for the defendant in a criminal action or proceeding, make a record of all the
testimony, the objections made, the rulings of the court, the exceptions taken,
arraignments, pleas and sentences of defendants in criminal cases, and all
statements and remarks made by the district attorney or judge, and all oral
instructions given by the judge; and

(b) When directed by the court or requested by either party, within
such reasonable time after the trial of the case as may be designated by law
or, in the absence of any law relating thereto, by the court, write out the
record, or such specific portions thereof as may be requested, in plain and
legible longhand, or by typewriter or other printing machine, transcribe the
record into a written transcript. The reporter shall certify to that copy as
being that the action or proceeding was correctly reported and transcribed

with the clerk of the court.

3. As used in this section, "Board" means the Certified Court
Reporters' Board of Nevada, created by NRS 656.040.

Sec. 2. NRS 3.340 is hereby amended to read as follows:

3.340 The official reporter of any district court shall attend to the duties
of office in person except when excused for good and sufficient reason by
order of the court, which order shall be entered upon the minutes of the court.
Employment in his or her professional capacity elsewhere shall not be
deemed a good and sufficient reason for such excuse. When the official
reporter of any court has been excused in the manner provided in this section,
the court may designate an official reporter pro tempore who shall perform
the same duties and receive the same compensation during the term of his or
her employment as the official reporter.

Sec. 3. NRS 3.360 is hereby amended to read as follows:

3.360 The transcript of the official reporter, or official reporter
pro tempore, of any court, duly appointed and sworn, when transcribed and
certified as being a correct transcript of the testimony and proceedings in the
case, is prima facie evidence of such testimony and proceedings.

Sec. 4. NRS 3.370 is hereby amended to read as follows:

3.370 1. Except as otherwise provided in subsection 3, for his or her
services the official reporter or reporter pro tempore is entitled to the

(e) For providing an instantaneous translation of testimony into English which appears on a computer that is located at a table in the courtroom where the attorney who requested the translation is seated:

The left margin must not be more than 1 1/2 inches from the left edge of the paper. The right margin must not be more than three-fourths of an inch from the right edge of the paper. Each sheet must be numbered on the left margin and must contain at least 24 lines of type. The first line of each question and of each answer may be indented not more than five spaces from the left margin. The first line of any paragraph or other material may be indented not more than 10 spaces from the left margin. When there is no official reporter in attendance and a reporter pro tempore is appointed, his or her reasonable expenses for traveling and detention must be fixed and allowed by the court and paid in the same manner. The respective district judges may, with the approval of the respective board or boards of county commissioners within the judicial district, fix a monthly salary to be paid to the official reporter in lieu of per diem. The salary, and also actual traveling expenses in cases where the reporter acts in more than one county, must be prorated by the judge on the basis of time consumed by work in the respective counties and must be paid out of the respective county treasuries upon the order of the court.

5. Except as otherwise provided in subsection 4, in civil cases, the compensation prescribed in paragraph (d) of subsection 1 and for transcripts ordered by the court to be made must be paid by the parties in equal proportions, and either party may, at the party’s option, pay the entire compensation. In either case, all amounts so paid by the party to whom costs are awarded must be taxed as costs in the case. The compensation for transcripts and copies ordered by the parties must be paid by the party ordering them. No reporter may be required to perform any service in a civil case until his or her compensation has been paid to him or her.

6. Where a transcript is ordered by the court or by any party, the compensation for the transcript must be paid to the clerk of the court and by the clerk paid to the reporter upon before the furnishing of the transcript.

If a proceeding is recorded and a transcript is requested, a copy of any sound recording must, if requested, be provided with the transcript. The cost for providing the sound recording must not exceed the actual cost of production and must be paid by the party who requests the sound recording.
Sec. 5. NRS 3.380 is hereby amended to read as follows:

3.380 1. The judge or judges of any district court may, with the approval of the board of county commissioners of any one or more of the counties comprising such district, in addition to the appointment of a court reporter as in this chapter provided, enter an order for the installation of sound recording equipment for use in any of the instances recited in NRS 3.320, for the recording of any civil and criminal proceedings, testimony, objections, rulings, exceptions, arraignments, pleas, sentences, statements and remarks made by the district attorney or judge, oral instructions given by the judge and any other proceedings occurring in civil or criminal actions or proceedings, or special proceedings whenever and wherever and to the same extent as any of such proceedings have heretofore under existing statutes been recorded by the official reporter or any special reporter or any reporter pro tempore appointed by the court.

2. For the purpose of operating such sound recording equipment, the court or judge may appoint or designate the official reporter or a special reporter or reporter pro tempore or the county clerk or clerk of the court or deputy clerk. The person so operating such sound recording equipment shall subscribe to an oath that he or she will well and truly operate the equipment so as to record all of the matters and proceedings.

3. The court may then designate the person operating such equipment or any other competent person to [read] listen to the recording and to transcribe [it] the recording into [typewriting] written text. The person [transcribing] who:

4. The transcript may be used for all purposes for which transcripts have heretofore been received and accepted under then existing statutes, including transcripts of testimony and transcripts of proceedings as constituting bills of exceptions or part of the bill of exceptions on appeals in all criminal cases and transcripts of the evidence or proceedings as constituting the record on appeal in civil cases and including transcripts of preliminary hearings before justices of the peace and other committing magistrates, and are subject to correction in the same manner as transcripts under existing statutes.

5. If a proceeding is recorded and a transcript is requested, a copy of the sound recording must, if requested, be provided with the transcript. The cost for providing the sound recording must not exceed the actual cost of
production and must be paid by the party who requests the sound recording.

6. In civil and criminal cases when the court has ordered the use of such sound recording equipment, any party to the action, at the party's own expense, may provide a certified court reporter to make a record of and transcribe all the matters of the proceeding. In such a case, the record prepared by sound recording is the official record of the proceedings, unless it fails or is incomplete because of equipment or operational failure, in which case the record prepared by the certified court reporter shall be deemed, for all purposes, the official record of the proceedings.

Sec. 6. NRS 4.410 is hereby amended to read as follows:

4.410 1. If the person designated to transcribe the proceedings is:

(a) The sound recording of each proceeding in justice court must be preserved until at least 30 days after the time for filing an appeal expires.

2. If no appeal is taken, the justice of the peace may order the destruction of the recording at any time after the date specified in subsection 1.

3. If there is an appeal to the district court, the sound recording must be preserved until at least 30 days after final disposition of the case on appeal, but the justice of the peace may order the destruction of the recording at any time after that date.

Assembly Bill No. 290.
Bill read second time.
The following amendment was proposed by the Committee on Education:
Amendment No. 601.
"SUMMARY—Revises provisions governing pupils enrolled in high school. (BDR 34-647)"

"AN ACT relating to education; authorizing the principal of a high school or the principal's designee to postpone the administration of the high school proficiency examination in the subject areas of mathematics and science for a pupil who is not academically ready in those subject areas; authorizing the board of trustees of a school district to administer the practice test of the high school proficiency examination to pupils enrolled in high school; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the high school proficiency examination is administered to pupils enrolled in high school in the subject areas of reading, mathematics, science and writing. (NRS 389.015, 389.550) Also under existing law, unless a pupil satisfies certain alternative criteria, passage of the high school proficiency examination in its entirety is required for receipt of a standard high school diploma. (NRS 389.805) Existing administrative regulations of the State Board of Education set forth the times for the administration of the high school proficiency examination beginning with grade 10. (NAC 389.051) Section 4 of this bill authorizes the principal of a high school or the principal's designee to postpone the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 for not more than 1 year if: (1) the principal or the principal's designee and the pupil's teacher who provides instruction in the applicable subject area determine, based upon the criteria for grading established by the school district for the applicable subject area, that the pupil is not academically ready to take the examination; (2) based upon a determination that the pupil is not achieving at least 70 percent competency in the applicable subject area; and (2) the parent or legal guardian of the pupil agrees in writing that the pupil is not academically ready for that subject area of the examination. If the administration of the examination is postponed, the pupil's academic plan for high school must be revised to ensure that: (1) the pupil is enrolled in or scheduled to enroll in the appropriate course work for his or her grade level..."
and receives the necessary preparation to enable the pupil to take the subject area of the high school proficiency examination which was postponed; and (2) the pupil participates in the statewide program to prepare pupils for the high school proficiency examination or enrolls in a course of study offered by the board of trustees of the school district designed to assist pupils with passing the high school proficiency examination.

Effective on July 1, 2011, existing law authorizes the board of trustees of each school district to require the administration of district-wide tests, examinations and assessments that are in addition to any other test, examination or assessment that is required by state or federal law. (NRS 389.006) Section 4.5 of this bill authorizes the board of trustees of each school district to administer the practice test of the high school proficiency examination to pupils enrolled in high school.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.205 is hereby amended to read as follows:

388.205 1. The board of trustees of each school district shall adopt a policy for each public school in the school district in which ninth grade pupils are enrolled to develop a 4-year academic plan for each of those pupils. The academic plan must set forth the specific educational goals that the pupil intends to achieve before graduation from high school. The plan may include, without limitation, the designation of a career pathway and enrollment in dual credit courses, career and technical education courses, advanced placement courses and honors courses.

2. The policy must require each pupil enrolled in ninth grade and the pupil's parent or legal guardian to:
   (a) Work in consultation with a school counselor to develop an academic plan for the pupil;
   (b) Sign the academic plan; and
   (c) Review the academic plan at least once each school year in consultation with a school counselor and revise the plan if necessary.

3. If a pupil enrolls in a high school after ninth grade, an academic plan must be developed for that pupil with appropriate modifications for the grade level of the pupil.

4. If the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed for a pupil pursuant to section 4 of this act, the pupil's academic plan must be revised in consultation with the pupil's teacher who provides instruction in the applicable subject area and the pupil's parent or legal guardian as set forth in section 4 of this act.

5. An academic plan for a pupil must be used as a guide for the pupil and the parent or legal guardian of the pupil to plan, monitor and manage the pupil's educational and occupational development and make determinations of the appropriate courses of study for the pupil. If a pupil does not satisfy all the goals set forth in the academic plan, the pupil is eligible to graduate and
receive a high school diploma if the pupil otherwise satisfies the requirements for a diploma.

Sec. 2. Chapter 389 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 and 4 of this act.

Sec. 3. (Deleted by amendment.)

Sec. 4. 1. The principal of a high school, or the principal's designee, may postpone, for not more than 1 year, the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 at the high school if:

(a) The principal, or the principal's designee, and the pupil's teacher who provides instruction in the applicable subject area determine, based upon the criteria for grading established by the school district for the applicable subject area, that the pupil is not academically ready to take the high school proficiency examination in the subject area of mathematics or science, or both, based upon a determination that the pupil is not achieving at least 79 percent competency in the applicable subject area. If the high school in which the pupil is enrolled administers the practice test of the high school proficiency examination, the results of the pupil on that test may be included as one of the factors to determine the pupil's readiness.

(b) The parent or legal guardian of the pupil agrees in writing with the determination of the principal, or the principal's designee, and the teacher that the pupil is not academically ready to take the high school proficiency examination in the subject area of mathematics or science, or both.

2. If the administration of the mathematics or science subject area of the high school proficiency examination is postponed for a pupil pursuant to subsection 1, the principal of the school, or the principal's designee, shall provide the pupil and his or her parent or legal guardian a copy of the informational pamphlet concerning the high school proficiency examination developed by the Department pursuant to NRS 389.0173.

3. If the administration of the mathematics or science subject area of the high school proficiency examination is postponed for a pupil pursuant to subsection 1, the academic plan of the pupil developed pursuant to NRS 388.205 must be revised to:

(a) Ensure that the pupil is enrolled in or scheduled to enroll in the course work for his or her grade level and receives the necessary preparation to enable the pupil to take the subject area of the high school proficiency examination for which the examination is postponed; and

(b) Require the pupil to participate in the statewide program to prepare pupils for the high school proficiency examination established pursuant to NRS 389.0175 or enroll in the course of study designed to assist pupils with passing the high school proficiency examination prescribed by the State Board pursuant to NRS 389.045, or both.

4. On or before July 1 of each year, the board of trustees of each school district shall submit a report to the Department and the Legislative Committee on Education indicating:
(a) The number of pupils for whom the administration of the high school proficiency examination is postponed in the immediately preceding school year; and

(b) A notation indicating whether the administration was postponed for the subject area of mathematics or science, or both.

Sec. 4.5. NRS 389.006 is hereby amended to read as follows:

389.006 1. In addition to any other test, examination or assessment required by state or federal law, the board of trustees of each school district may require the administration of district-wide tests, examinations and assessments, including, without limitation, the practice test of the high school proficiency examination to pupils enrolled in high school, that the board of trustees determines are vital to measure the achievement and progress of pupils. In making this determination, the board of trustees shall consider any applicable findings and recommendations of the Legislative Committee on Education.

2. The tests, examinations and assessments required pursuant to subsection 1 must be limited to those which can be demonstrated to provide a direct benefit to pupils or which are used by teachers to improve instruction and the achievement of pupils.

3. The board of trustees of each school district and the State Board shall periodically review the tests, examinations and assessments administered to pupils to ensure that the time taken from instruction to conduct a test, examination or assessment is warranted because it is still accomplishing its original purpose.

Sec. 5. NRS 389.015 is hereby amended to read as follows:

389.015 1. The board of trustees of each school district shall administer examinations in all public schools of the school district. The governing body of a charter school shall administer the same examinations in the charter school. The examinations administered by the board of trustees and governing body must determine the achievement and proficiency of pupils in:

(a) Reading;
(b) Mathematics; and
(c) Science.

2. The examinations required by subsection 1 must be:

(a) Administered before the completion of grades 4, 7, 10 and 11, except for a pupil enrolled in grade 10 for whom the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed pursuant to section 4 of this act.

(b) Administered in each school district and each charter school at the same time during the spring semester. The time for the administration of the examinations must be prescribed by the State Board.

(c) Administered in each school in accordance with uniform procedures adopted by the State Board. The Department shall monitor the compliance of school districts and individual schools with the uniform procedures.
(d) Administered in each school in accordance with the plan adopted pursuant to NRS 389.616 by the Department and with the plan adopted pursuant to NRS 389.620 by the board of trustees of the school district in which the examinations are administered. The Department shall monitor the compliance of school districts and individual schools with:

(1) The plan adopted by the Department; and

(2) The plan adopted by the board of trustees of the applicable school district, to the extent that the plan adopted by the board of trustees of the school district is consistent with the plan adopted by the Department.

(e) Scored by a single private entity that has contracted with the State Board to score the examinations. The private entity that scores the examinations shall report the results of the examinations in the form and by the date required by the Department.

3. Not more than 14 working days after the results of the examinations are reported to the Department by a private entity that scored the examinations, the Superintendent of Public Instruction shall certify that the results of the examinations have been transmitted to each school district and each charter school. Not more than 10 working days after a school district receives the results of the examinations, the superintendent of schools of each school district shall certify that the results of the examinations have been transmitted to each school within the school district. Except as otherwise provided in this subsection, not more than 15 working days after each school receives the results of the examinations, the principal of each school and the governing body of each charter school shall certify that the results for each pupil have been provided to the parent or legal guardian of the pupil:

(a) During a conference between the teacher of the pupil or administrator of the school and the parent or legal guardian of the pupil; or

(b) By mailing the results of the examinations to the last known address of the parent or legal guardian of the pupil.

If a pupil fails the high school proficiency examination, the school shall notify the pupil and the parents or legal guardian of the pupil of each subject area that the pupil failed as soon as practicable but not later than 15 working days after the school receives the results of the examination.

4. If a pupil fails to demonstrate at least adequate achievement on the examination administered before the completion of grade 4, 7 or 10, the pupil may be promoted to the next higher grade, but the results of the pupil's examination must be evaluated to determine what remedial study is appropriate. If such a pupil is enrolled at a school that has failed to make adequate yearly progress or in which less than 60 percent of the pupils enrolled in grade 4, 7 or 10 in the school who took the examinations administered pursuant to this section received an average score on those examinations that is at least equal to the 26th percentile of the national reference group of pupils to which the examinations were compared, the pupil must, in accordance with the requirements set forth in this subsection, complete remedial study that is determined to be appropriate for the pupil.
5. Except as otherwise provided in subsection 6, if a pupil fails to pass the high school proficiency examination, the pupil must not be graduated unless he or she:
   (a) Is able, through remedial study, to pass the proficiency examination; or
   (b) Passes the subject areas of mathematics and reading tested on the proficiency examination, has at least a 2.75 grade point average on a 4.0 grading scale and satisfies the alternative criteria prescribed by the State Board pursuant to NRS 389.805,
   but the pupil may be given a certificate of attendance, in place of a diploma, if the pupil has reached the age of 18 years.

6. A pupil who transfers during grade 12 to a school in this State from a school outside this State because of the military transfer of the parent or legal guardian of the pupil may receive a waiver from the requirements of subsection 5 if, in accordance with the provisions of NRS 392C.010, the school district in which the pupil is enrolled:
   (a) Accepts the results of the exit or end-of-course examinations required for graduation in the local education agency in which the pupil was previously enrolled;
   (b) Accepts the results of a national norm-referenced achievement examination taken by the pupil; or
   (c) Establishes an alternative test for the pupil which demonstrates proficiency in the subject areas tested on the high school proficiency examination, and the pupil successfully passes that test.

7. The State Board shall prescribe standard examinations of achievement and proficiency to be administered pursuant to subsection 1. The high school proficiency examination must include the subjects of reading, mathematics and science and, except for the writing portion prescribed pursuant to NRS 389.550, must be developed, printed and scored by a nationally recognized testing company in accordance with the process established by the testing company. The examinations on reading, mathematics and science prescribed for grades 4, 7 and 10 must be selected from examinations created by private entities and administered to a national reference group, and must allow for a comparison of the achievement and proficiency of pupils in grades 4, 7 and 10 in this State to that of a national reference group of pupils in grades 4, 7 and 10. The questions contained in the examinations and the approved answers used for grading them are confidential, and disclosure is unlawful except:
   (a) To the extent necessary for administering and evaluating the examinations.
   (b) That a disclosure may be made to a:
      (1) State officer who is a member of the Executive or Legislative Branch to the extent that it is necessary for the performance of his or her duties;
      (2) Superintendent of schools of a school district to the extent that it is necessary for the performance of his or her duties;
(3) Director of curriculum of a school district to the extent that it is necessary for the performance of his or her duties; and

(4) Director of testing of a school district to the extent that it is necessary for the performance of his or her duties.

(c) That specific questions and answers may be disclosed if the Superintendent of Public Instruction determines that the content of the questions and answers is not being used in a current examination and making the content available to the public poses no threat to the security of the current examination process.

(d) As required pursuant to NRS 239.0115.

Senator Denis requested that his remarks be entered in the Journal.

Amendment No. 601 revises the bill concerning the method of determining if a student may need a one-year delay for taking the mathematics or science portion of the State's high school proficiency exam. Senate Bill No. 75.

Bill read third time.

Remarks by Senators Kihuen, Roberson, Brower, Schneider, Hardy and Kieckhefer.

Senator Kihuen requested that the following remarks be entered in the Journal.

**SENATOR KIHUEN:**

Senate Bill No. 75 requires the State Treasurer, at the direction of the Commission on Economic Development, to provide private equity funding to businesses that engage in certain industries. It allows the State Treasurer to invest an amount not to exceed $50 million of the State Permanent School Fund in businesses located or seeking to locate in Nevada.
SENATOR ROBERSON:
The State Treasurer's Office relies on a Declaratory Order signed by a district court judge to claim that this legislation in not unconstitutional.

This Declaratory Order is nothing more than a substitute for a legal opinion from the Attorney General's Office, which the Attorney General's Office has failed to provide.

The order was prepared by the Attorney General's Office. It was not contested and for that reason appears to have been signed by the court.

This does not make the legislation constitutional. The Nevada Supreme Court has not addressed this situation.

I will state again, the Attorney General's Office has failed to provide a legal opinion in favor of the constitutionality of this legislation. The Legislative Counsel Bureau (LCB) has also failed to provide such an opinion. I think there is good reason for their failure to offer such legal opinion.

Therefore, until the State Supreme Court decides that this legislation is constitutional, I believe that it is unconstitutional, as it is in violation of Section 9 of Article 8 of the Nevada State Constitution.

I would ask my colleagues to support the Nevada State Constitution and the clear will of the people and reject this legislation.

SENATOR BROWER:
Thank you, Mr. President. My colleague from Clark County makes a compelling case. I sat on the committee that heard this bill and was impressed by some of the ideas brought forward that were behind this bill. I considered it with great interest in terms of it being an "outside the box" approach to this issue. As our colleague has indicated, we have not been able to get a clean bill of health on this bill in terms of its constitutionality. I expressed reservations in that regard in committee and since that time we have not seen an Attorney General Office opinion and we have not seen an LCB opinion. Most importantly, for our purposes here, we have not seen a Nevada Supreme Court opinion. They have not said, definitively, that this unique approach is, in fact, constitutional. Until we have that, we ought not as a Legislative Body go out on a limb and pass something that we are not certain is constitutional. For that reason I oppose this bill.

SENATOR SCHNEIDER:
I have heard here, today, that the LCB and the Attorney General's Office have not issued opinions. Has an opinion been requested? Did they refuse to give an opinion? We have 21 members in this Chamber and we all have different opinions. I can give you my opinion and tell you it is or is not constitutional, but my opinion does not count.

SENATOR KIHUEN:
The Attorney General's Office wrote the judicial confirmation, which they would not do if they did not think it was constitutional. LCB would not have drafted the bill if they did not think it was constitutional. It was suggested that the Supreme Court weigh in, but the Supreme Court cannot weigh in until an issue is "ripe," meaning until it is actually something possible, not theoretical.

SENATOR HARDY:
Thank you, Mr. President. I have not been privy to the conversations about the constitutionality of this bill. The amendment we addressed was prepared by LCB. We have a "he said, she said" issue going on at this time. I feel uncomfortable if we are processing something that has a constitutional question in it.

SENATOR ROBERSON:
Thank you, Mr. President. I have had a conversation with LCB. There was a reluctance from LCB to get involved in this now that the district court has signed the order requested by the State Treasurer's Office or by the Attorney General's Office. It is my sense that if the State Treasurer believed the Legislative Counsel Bureau would give that office a favorable opinion that one
would have been requested. I think it is telling that the LCB has not given an opinion, nor has
the Attorney General's Office given a legal opinion. I do not think they are willing to stand by
this. It is one thing to ask a judge to sign an order, it is another thing to have the
Attorney General's Office say, "Yes, we believe as a matter of law, this is our opinion that it is
constitutional." From my prospective, it says a lot that there is no legal opinion from either LCB
or the Attorney General's Office.

SENATOR KIECKHEFER:
Thank you, Mr. President. I am not an attorney and I do not want to get into a legal debate
with my colleagues who are. It is not the Attorney General's Office or LCB who determines
what is the law of this land, it is the courts. They are a separate, but equal branch of government
to ours. There is a duly elected district court judge who has issued an opinion that this is
consistent with the Nevada State Constitution. If we waited for every bill we passed to be
reviewed by the Supreme Court for its constitutionality, we would be held up significantly in our
work. I will have to rely in the belief that the district court judge believes that it is constitutional
and that he has the voice of authority on matters concerning what is and what is not
constitutional. I will rely on his opinion.

Senate Bill No. 206.
Bill read second time and ordered to third reading.

Assembly Bill No. 13.
Bill read second time and ordered to third reading.

Assembly Bill No. 17.
Bill read second time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 592.

"SUMMARY—Revises the applicability of the Nevada Administrative Procedure Act to provisions concerning the judicial review of decisions of the Public Utilities Commission of Nevada. (BDR 18-455)"

"AN ACT relating to administrative procedure; exempting the judicial review of decisions of the Public Utilities Commission of Nevada from the requirements of the Nevada Administrative Procedure Act; revising provisions governing the procedure for the judicial review of decisions of the Commission; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law provides that the provisions of chapter 703 of NRS that relate to the judicial review of decisions of the Public Utilities Commission of Nevada prevail over the general provisions of the Nevada Administrative Procedure Act, which is contained in chapter 233B of NRS. (NRS 233B.039) This Section 1 of this bill removes that existing provision and instead provides that the provisions of the Nevada Administrative Procedure Act do not apply to the judicial review of decisions of the Commission.

Existing law also sets forth provisions relating to the procedure for the judicial review of decisions of the Commission. (NRS 703.373) Section 1.7 of this bill revises various provisions relating to that procedure and: (1) requires a party seeking judicial review to exhaust all administrative remedies before the party is entitled to seek judicial review of a final decision of the Commission; (2) specifies certain periods in which certain documents must be filed with the court and served upon the parties involved in the judicial review; and (3) provides that a final decision of the Commission is deemed reasonable and lawful until reversed or set aside in whole or in part by the court.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Senator Lee moved the adoption of the amendment.

Remarks by Senator Lee.

Amendment No. 592 to Assembly Bill No. 17 clarifies judicial review procedures of decisions made by the Public Utilities Commission of Nevada. Specifically, the amendment requires a party seeking judicial review to exhaust all administrative remedies before the party is entitled to seek judicial review of a final decision of the Public Utilities Commission of Nevada. It specifies certain timeframes during which certain documents, such as a petition for judicial review and the memorandum of points and authorities, must be served and filed with the court; and it provides that a final decision of the Public Utilities Commission of Nevada is deemed reasonable and lawful until reversed or set aside by the court.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 586.

"SUMMARY—Revises provisions governing county hospitals and requires certain hospitals to report information concerning the transfers of
patients between hospitals to the Legislative Committee on Health Care. (BDR 40-343)"

"AN ACT relating to health care; increasing the compensation of members of hospital advisory boards; revising provisions governing the staff of physicians at public hospitals; requiring certain hospitals to report information concerning the transfers of patients between hospitals to the Legislative Committee on Health Care; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Existing law authorizes certain boards of hospital trustees of public hospitals to appoint advisory boards and limits the compensation for the service of members of advisory boards to not more than $100 per month. (NRS 450.175) **Section 1** of this bill increases the limit on compensation to an amount not to exceed $500 per month.

Existing law requires the board of hospital trustees of a public hospital to organize a staff of physicians composed of each regularly practicing physician, podiatric physician and dentist in the county who requests staff membership and prohibits the board from discriminating against a physician, podiatric physician or dentist. (NRS 450.440, 450.430) **Section 3** of this bill provides that the staff of physicians, podiatric physicians and dentists may be required to be affiliated with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine. **However, section 3 limits the number of physicians who may be required to be so affiliated to not more than 60 percent of the staff of physicians on or before January 1, 2013, and not more than 85 percent after that date but before January 1, 2018, and in such a percentage as the board of hospital trustees deems appropriate thereafter.** If so required, the physician, podiatric physician or dentist who requests staff membership must meet the standards in the regulations of the board of hospital trustees and hold and maintain a faculty or clinical appointment with one of the two Universities. An exception applies, however, if the board of hospital trustees enters into a contract with a physician or group of physicians to be the exclusive provider of certain services. **Section 2** of this bill further provides that if a physician loses privileges at a hospital because the physician no longer holds a faculty or clinical appointment with one of the Universities, that action shall not be deemed to be an adverse action against the physician.

Hospitals in this State are required to provide emergency services and care, and it is unlawful for a hospital or a physician working in a hospital emergency room to refuse to accept or treat a patient in need of emergency services and care. (NRS 439B.410) **Section 4** of this bill requires certain hospitals located in larger counties to provide a report of certain information to the Legislative Committee on Health Care concerning the transfer of patients from the hospital to another hospital and the availability of specialty medical services in the hospital. Such a report must be made quarterly.
beginning on October 15, 2011, and cover the period from July 1, 2011, through September 30, 2012.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 450.175 is hereby amended to read as follows:

450.175 1. In counties where the board of county commissioners is the board of hospital trustees, the board of hospital trustees may appoint a hospital advisory board which shall exercise powers and duties delegated to the advisory board by the board of hospital trustees.

Practitioners of the allied health professions are subject to the bylaws and regulations established by the board of hospital trustees.

2. The patient has the right to employ, at the patient's own expense, his or her own physician, if that physician is a member of the hospital staff, or the patient's own nurse, and when acting for any patient in the hospital, the physician employed by the patient has charge of the care and treatment of the patient, and the nurses in the hospital shall comply with the directions of the physician concerning that patient, subject to the regulations established by the board of hospital trustees.

3. If a physician loses privileges at a hospital because the physician no longer holds a faculty or clinical appointment with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine, as required pursuant to NRS 450.440, that action shall not be deemed to be an adverse action by the hospital against the physician.

Sec. 3. NRS 450.440 is hereby amended to read as follows:

450.440 1. (c) The staff of physicians to have such an affiliation in such a percentage as the board of hospital trustees deems appropriate on or after January 1, 2018.

3. Except as otherwise provided in subsection 4, if the board of hospital trustees decides to organize the staff of physicians in accordance with subsection 2, a physician, podiatric physician or dentist who requests staff membership must:

(a) Meet the standards set forth in the regulations prescribed by the board of hospital trustees; and

(b) Hold a faculty or clinical appointment with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine and maintain that appointment while he or she is on the staff of physicians.

4. If the board of hospital trustees decides to organize the staff of physicians in accordance with subsection 2, the board of hospital trustees may enter into a contract with a physician or group of physicians who do not meet the requirements of subsection 3 if the physician or group of physicians will be the exclusive provider of certain services for the hospital. Such services may include, without limitation, radiology, pathology, emergency medicine and neonatology services.

5. The provisions of subsections 2 and 3 shall not be deemed to prohibit a physician, podiatric physician or dentist who is on the staff of physicians from being affiliated with another institution of higher education.

6. The staff shall organize in a manner prescribed by the board so that there is a rotation of service among the members of the staff to give proper medical and surgical attention and service to the indigent sick, injured or maimed who may be admitted to the hospital for treatment.

7. The board of hospital trustees or the board of county commissioners may offer the following assistance to members of the staff to attract and retain them:

(a) Establishment of clinic or group practice;
(b) Malpractice insurance coverage under the hospital's policy of professional liability insurance;
(c) Professional fee billing; and
(d) The opportunity to rent office space in facilities owned or operated by the hospital, as the space is available, if this opportunity is offered to all members of the staff on the same terms and conditions.

Such information must include:

(c) The reason for each transfer of a patient to another hospital;
(d) The availability of specialty services and care in the hospital; and
(e) Whether each patient who was transferred from the hospital had insurance or some other guaranteed form of payment for services.

2. Each hospital subject to the provisions of subsection 1 shall provide a report to the Legislative Committee on Health Care with the information required at least once every 3 months, and the reports must include information from July 1, 2011, through September 30, 2012. The first report must be made by October 15, 2011, and must include information from July 1, 2011, through September 30, 2011. The following amendment was proposed by the Committee on Judiciary:
Amendment No. 572.

"SUMMARY—Revises provisions governing the custody and visitation of children for persons who are members of the military. (BDR 11-627)"

"AN ACT relating to child custody; providing for the expiration by operation of law of certain orders modifying custody and visitation of children for persons who are members of the military; authorizing a court to delegate the visitation rights of a member of the military to a family member of the member of the military under certain circumstances; requiring a court, under certain circumstances, to provide an expedited hearing concerning custody or visitation matters to allow participation in such a hearing by affidavit or electronic means, or to both hold an expedited hearing and allow such participation; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that an award of child custody or visitation may only be made by considering the best interest of the child. (NRS 125.480, 125C.010) Existing law further provides that the court is authorized, with certain exceptions, to modify its order at any time. (NRS 125.510) Section 10 of this bill prohibits a court from entering a final order modifying the terms of an existing custody or visitation order of a parent or legal
guardian who is a member of the military and who has received mandatory written orders for deployment until 90 days after the deployment ends. **Section 11** of this bill provides that deployment or the potential for future deployment of a parent or legal guardian must not, by itself, constitute a substantial change sufficient to justify a permanent modification of a custody or visitation order.

**Section 12** of this bill authorizes a court to modify a custody or visitation order to reasonably accommodate the deployment of a parent or legal guardian and deems any such modification to be a temporary order. **Section 13** of this bill provides, with certain exceptions, that such a temporary order expires automatically upon the completion of the deployment and the custody or visitation order that was in place before the order was modified by the temporary order is automatically reinstated.

**Section 15** of this bill authorizes a court to delegate the visitation rights of the parent or legal guardian who is deployed to a family member of the parent or legal guardian under certain circumstances.

**Section 14** of this bill requires a court, upon a motion of a parent or legal guardian who is deployed or has received mandatory written orders for deployment and whose ability, or anticipated ability, to appear in person at a regularly scheduled hearing concerning custody or visitation matters is materially affected by his or her military duties, to: (1) hold an expedited hearing; (2) allow the parent or legal guardian to present testimony and evidence by affidavit or electronic means; or (3) both hold an expedited hearing and allow testimony and evidence to be presented by affidavit or electronic means.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 125.510 is hereby amended to read as follows:

125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section and chapter 130 of NRS and sections 3 to 20, inclusive, of this act:

(a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of any of the children of the marriage, make such an order for the custody, care, education, maintenance and support of the minor children as appears in their best interest; and

(b) At any time modify or vacate its order, even if the divorce was obtained by default without an appearance in the action by one of the parties.

The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court's own motion if it is shown that the best interest of the child requires the modification or
termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to the provisions of sections 3 to 20, inclusive, of this act and to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, "sufficient particularity" means a statement of the rights in absolute terms and not by the use of the term "reasonable" or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and sections 3 to 20, inclusive, of this act and must contain the following language:

**PENALTY FOR VIOLATION OF ORDER:** THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention of October 25, 1980, adopted by the 14th Session of the Hague Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

   (a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

   (b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning the child
to his or her habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:
   (a) Upon the death of the person to whom the order was directed; or
   (b) When the child reaches 18 years of age if the child is no longer enrolled in high school, otherwise, when the child reaches 19 years of age.

10. As used in this section, a parent has "significant commitments in a foreign country" if the parent:
   (a) Is a citizen of a foreign country;
   (b) Possesses a passport in his or her name from a foreign country;
   (c) Became a citizen of the United States after marrying the other parent of the child; or
   (d) Frequently travels to a foreign country.

Sec. 2. Chapter 125C of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 20, inclusive, of this act.

Sec. 3. As used in sections 3 to 20, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 4 to 9, inclusive, of this act have the meanings ascribed to them in those sections.

Sec. 4. "Custody or visitation order" means:
   1. A judgment, decree or order issued by a court of competent jurisdiction in this State which provides for custody or visitation with respect to a child; and
   2. A judgment, decree or order issued by a court of another state which provides for custody or visitation with respect to a child if the judgment, decree or order has been registered in this State pursuant to NRS 125A.465.

Sec. 5. "Deployment" means the transfer or reassignment of a member of the military, unaccompanied by any family member, on active duty status in support of combat or another military operation, including, without limitation, temporary duty. The term does not include annual training of a reserve component of the Armed Forces of the United States or of the National Guard.

Sec. 6. "Member of the military" means a person who is presently serving in the Armed Forces of the United States, a reserve component thereof or the National Guard.

Sec. 7. "Parent" means a parent or legal guardian of a child under the age of 18 years.
Sec. 8. "Parent who received orders for deployment" means a parent who has received mandatory written orders for deployment and who is awaiting deployment or has been deployed pursuant to those orders.

Sec. 9. "Temporary duty" means the transfer of a member of the military, unaccompanied by any family member, from a military base to a different location, including, without limitation, another military base, for a limited time to accomplish training or to assist in the performance of a combat mission.

Sec. 10. 1. Except as otherwise provided in subsection 2, if a parent who is a member of the military and who has been awarded sole or joint custody or visitation of a child receives mandatory written orders for deployment, the court shall not enter a final order modifying the terms of the existing custody or visitation order until 90 days after the termination of the parent's deployment.

2. If the matter was fully adjudicated by a court before the parent's deployment, the court may enter such a final order at any time.

Sec. 11. Deployment or the potential for future deployment must not, by itself, constitute a substantial change in circumstances sufficient to warrant a permanent modification of a custody or visitation order.

Sec. 12. 1. The court may temporarily modify a custody or visitation order to reasonably accommodate the deployment of a parent. Any such modification by the court of a custody or visitation order shall be deemed a temporary order.

2. A temporary order issued pursuant to subsection 1 must:
   (a) Unless the court determines it is not in the best interest of the child, grant the parent who received orders for deployment reasonable custody or visitation during periods of approved military leave if the existing custody or visitation order granted that parent custody or visitation before deployment;
   (b) Include any restrictions concerning custody or visitation set forth in the existing custody or visitation order;
   (c) Specify that deployment is the reason for the modification of the existing custody or visitation order; and
   (d) Require the other parent to provide the court and the parent who received orders for deployment with written notice of any change of his or her address or telephone number as soon as practicable but not later than 30 days after such change.

3. In issuing a temporary order pursuant to subsection 1, the court shall consider issuing any such appropriate temporary order as will ensure the ability of the parent who received orders for deployment to maintain frequent and continuing contact with the child by means that are reasonably available.

Sec. 13. 1. Except as otherwise provided in subsection 2, a temporary order issued pursuant to section 12 of this act expires by operation of law
upon the completion of the parent's deployment and the previous custody or visitation order is reinstated.

2. The court may, upon a motion alleging immediate danger of irreparable harm to the child, hold an expedited hearing concerning custody or visitation upon the completion of the parent's deployment.

Sec. 14. 1. If the military duties of a parent who received orders for deployment have a material effect on the ability, or anticipated ability, of the parent to appear in person at a regularly scheduled hearing concerning any custody or visitation matters, the court shall, upon a motion of that parent and for good cause shown:

(a) Hold an expedited hearing;

(b) Allow the parent who received orders for deployment to present testimony and evidence by affidavit or electronic means; or

(c) Both hold an expedited hearing pursuant to paragraph (a) and allow testimony and evidence to be presented pursuant to paragraph (b).

2. As used in this section, “electronic means” includes, without limitation, telephone, videoconference or the Internet.

Sec. 15. 1. Upon a motion by the parent who received orders for deployment, the court may delegate his or her visitation rights, or a portion of those rights, to a family member of that parent who has a substantial relationship with the child if the court determines that such delegated visitation is in the best interest of the child.

2. In determining whether visitation rights should be delegated to a family member pursuant to subsection 1, the court shall consider the factors set forth in paragraphs (a) to (i), inclusive, of subsection 6 of NRS 125C.050.

3. Any visitation rights delegated to a family member pursuant to subsection 1 terminate upon:

(a) The expiration of a temporary order pursuant to section 13 of this act; or

(b) A showing that the delegated visitation is no longer in the best interest of the child.

4. Nothing in this section increases the authority of a family member who is delegated visitation rights pursuant to subsection 1 to seek separate visitation rights of the child pursuant to NRS 125C.050.

Sec. 16. If a custody or visitation order has not been issued and a parent's deployment is imminent, the court shall, upon a motion of either parent, hold an expedited hearing for the purpose of issuing a temporary order establishing the custody and visitation arrangement in accordance with sections 3 to 20, inclusive, of this act.

Sec. 17. 1. If military necessity precludes court adjudication before deployment, the parent who received orders for deployment and the other parent shall cooperate with and provide information to each other in an effort to reach a mutually agreeable resolution with regard to custody and visitation matters.
2. Except as otherwise provided in this subsection, the parent who received orders for deployment shall, within 10 days after receiving the orders, provide a copy of the orders to the other parent. If the date of deployment is less than 10 days after receipt of the orders, a copy of the orders must be provided immediately to the other parent.

Sec. 18. 1. If a court in this State has issued a custody or visitation order, the absence of a child from this State during the deployment of a parent shall be deemed a temporary absence for the purposes of NRS 125A.085 and 125A.135 and this State retains exclusive, continuing jurisdiction as provided in NRS 125A.315.

2. The deployment of a parent may not be used as a basis to assert the issue of inconvenient forum pursuant to NRS 125A.365.

Sec. 19. In making a determination pursuant to sections 3 to 20, inclusive, of this act, a court may award costs and reasonable attorney’s fees against any parent:

1. Who the court determines caused unreasonable delays;

2. Who failed to provide any information required pursuant to sections 3 to 20, inclusive, of this act; and

3. In such other circumstances as the court deems proper.

Sec. 20. The provisions of sections 3 to 20, inclusive, of this act do not apply to any custody or visitation arrangement requested in a verified application for a temporary or extended order for protection against domestic violence filed pursuant to NRS 33.020.

Senator Wiener moved the adoption of the amendment.
Remarks by Senator Wiener.
Senator Wiener requested that her remarks be entered in the Journal.
The amendment adds Senator Gustavson as the primary Senate sponsor and makes two other changes to the bill.
First, it adds a provision in Section 12 that when issuing a temporary custody or visitation order that accommodates deployment of a parent serving in the military, the court must consider ensuring that the parent who received deployment orders is able to maintain frequent and continuing contact to a reasonable extent; and second, it amends Section 14 to authorize the parent who is being deployed to seek an expedited hearing and/or present testimony by affidavit or electronic means, if the military duties of that parent have a material affect on the ability of the parent to appear in person at the hearing.

Amendment No. 610.

"SUMMARY—Revises provisions governing education. (BDR 38-782)"

"AN ACT relating to education; establishing the Interim Task Force on Out-of-School-Time Programs; requiring the Task Force to prescribe standards for out-of-school-time programs and to make certain recommendations relating to out-of-school-time programs; exempting an out-of-school-time program from licensure and regulation as a child care facility; authorizing an out-of-school-time program to report certain information to the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 2 of this bill defines an "out-of-school-time program" as a program that operates for 10 or more hours per week, is offered on a continuing basis, provides supervision of children who are of school age and provides regularly scheduled, structured and supervised activities where learning opportunities take place during times when a child is not in school. Section 5 of this bill exempts an out-of-school-time program from the licensing requirements for and regulation as a child care facility by excluding an out-of-school-time program from the definition of a "child care facility."

Sections 6-8 of this bill ensure that the existing definition of "child care facility" is not changed for certain other purposes.

Section 9 of this bill establishes the Interim Task Force on Out-of-School-Time Programs and requires the Task Force to prescribe standards for out-of-school-time programs and make certain other recommendations concerning out-of-school-time programs. Section 9 also requires the Task Force to submit a report of its recommendations to the Governor and to the Director of the Legislative Counsel Bureau for transmittal to the 77th Session of the Nevada Legislature.

Senator Copening moved the adoption of the amendment.
Remarks by Senator Copening.
Senator Copening requested that her remarks be entered in the Journal.
Amendment No. 610 revises Assembly Bill No. 362 by specifying that the programs provide
for the supervision of children who attend school from kindergarten through 12th grade and that
the activities where learning opportunities take place may be on the weekend. It removes the
language that specified that certain programs are not included in the definition of an
"out-of-school-time program." This change is to address concerns that by specifying that the
term did not include programs for children who have a single focus or activity, an implication
may be made that these programs are not exempt from the requirement to be licensed as a
childcare facility.

The following amendment was proposed by the Committee on
Government Affairs:
Amendment No. 590.
"SUMMARY—Revises provisions relating to the filing by a governmental
entity of a protest against the granting of certain applications relating to water
rights. (BDR 48-360)"

"AN ACT relating to water; requiring that protests against the granting of
certain applications relating to water rights by a government, governmental
agency or political subdivision of a government be verified or signed by the
person in charge of the government, agency or political subdivision; and
providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, any interested person, including a governmental entity,
is authorized to file a written protest with the State Engineer against the
granting of an application for a permit to appropriate water or to change the
place of diversion, the manner of use or the place of use of water already
appropriated. (NRS 533.010, 533.325, 533.365) In addition, any person,
including a governmental entity, who may be adversely affected by a project
for the recharge, storage and recovery of water is authorized under existing
law to file a written protest with the State Engineer against the granting of an
application for a permit to operate the project. (NRS 534.014, 534.250,
534.270)
This bill requires that any protest which is filed by a government, governmental agency or political subdivision against the granting of an application for a permit to change the place of diversion, the manner of use or the place of use of water already appropriated within the same basin or for a permit to operate a project for the recharge, storage and recovery of water be verified or signed by the director, administrator, chief, head or other person in charge of that government, governmental agency or political subdivision. However, this bill does not change the requirements under existing law for a protest by a government, governmental agency or political subdivision against the granting of an application for a permit to appropriate water or an application that involves an interbasin transfer of groundwater.

(NRS 533.365)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 533.365 is hereby amended to read as follows:

533.365 1. 2. If the application is for a permit to change the place of diversion, manner of use or place of use of water already appropriated within the same basin, a protest filed against the granting of such an application by a government, governmental agency or political subdivision of a government must be verified by the affidavit of:

(a) Except as otherwise provided in paragraph (b), the director, administrator, chief, head or other person in charge of the government, governmental agency or political subdivision; or

(b) If the governmental agency or political subdivision is a division or other part of a department, the director or other person in charge of that department in this State, including, without limitation:

3. On receipt of a protest that complies with the requirements of subsection 1 or 2, the State Engineer shall advise the applicant whose application has been protested of the fact that the protest has been filed with the State Engineer, which advice must be sent by certified mail.

4. The State Engineer shall consider the protest, and may, in his or her discretion, hold hearings and require the filing of such evidence as the State Engineer may deem necessary to a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed at least 15 days before the date set for the hearing.

5. Each applicant and each protestant shall, in accordance with a schedule established by the State Engineer, provide to the State Engineer and to each protestant and each applicant information required by the State Engineer relating to the application or protest.

6. If the State Engineer holds a hearing pursuant to subsection 4, the State Engineer shall render a decision on each application not later than 240 days after the later of:
   (a) The date all transcripts of the hearing become available to the State Engineer; or
   (b) The date specified by the State Engineer for the filing of any additional information, evidence, studies or compilations requested by the State Engineer. The State Engineer may, for good cause shown, extend any applicable period.

7. The State Engineer shall adopt rules of practice regarding the conduct of a hearing held pursuant to subsection 4. The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120, inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

8. The provisions of this section do not prohibit the noticing of a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application, if such notification is required to be given pursuant to subsection 8 of NRS 533.370.

Sec. 2. NRS 534.270 is hereby amended to read as follows:

The State Engineer shall conduct an initial review of the application within 45 days after receipt of the application. If the State Engineer determines in the initial review that the application is incomplete, the State Engineer shall notify the applicant. The application is incomplete until the applicant files all the information requested in the application. The State Engineer shall determine whether the application is correct within 180 days after receipt of a complete application.
The State Engineer may request additional information from the applicant. The State Engineer may conduct such independent investigations as are necessary to determine whether the application should be approved or rejected.

2. If the application is determined to be complete and correct, the State Engineer, within 30 days after such a determination or a longer period if requested by the applicant, shall cause notice of the application to be given once each week for 2 consecutive weeks in a newspaper of general circulation in the county or counties in which persons reside who could reasonably be expected to be affected by the project. The notice must state:

(g) That a protest must:
   (1) State the name and mailing address of the protester;

   (3) Be signed by the protester or the protester's agent or attorney or, if the protester is a government, governmental agency or political subdivision of a government, be approved and signed in the manner specified in paragraph (g) of subsection 3.

Amendment No. 588.
"SUMMARY—Provides certain financial protections for residents of group homes and similar facilities. (BDR 40-673)"

"AN ACT relating to group homes; providing certain financial protections for residents of group homes and similar facilities; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 1 of this bill prohibits the owner or administrator of a medical facility, facility for the dependent or home for individual residential care from receiving: (1) money or property devised by the will of a current or former resident of the facility or home; and (2) proceeds from a life insurance policy upon the life or body of a current or former resident of the facility or home. Under section 1, such an owner or administrator is deemed to have predeceased the resident and, as a result, the money, property and proceeds are then distributed to other devisees (in the case of a will) or other beneficiaries (in the case of a life insurance policy). In the event that there is no other devisee or beneficiary, the laws of this State pertaining to testate and intestate succession would control. Section 1 does not apply in the instance in which the owner or administrator of the facility or home is the spouse, legal guardian or next of kin of the resident or former resident.

Under existing law, a principal may not name his or her provider of health care, an employee of the provider of health care or an operator or employee of a health care facility as his or her agent in a power of attorney for health care; however, an exception is set forth if the provider, operator or employee is the principal's spouse, legal guardian or next of kin. (NRS 162A.840) Section 3 of this bill establishes a broader prohibition in the context of group homes and similar facilities, providing that a person who resides or is about to reside in a hospital, assisted living facility or facility for skilled nursing may not name such a facility or an owner, operator or employee of such a facility as his or her agent in any power of attorney for any purpose. The prohibition set forth in section 3 does not apply if the owner, operator or employee is assisting the principal to establish eligibility for Medicaid.

Section 3 further makes it a category C felony to use a power of attorney which is created for the purpose of assisting a principal to establish eligibility for Medicaid for any other purpose or in a manner inconsistent with the provisions of the power of attorney.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 449 of NRS is hereby amended by adding thereto a
new section to read as follows:

1. Except as otherwise provided in subsection 3 and notwithstanding
any other provision of law, an owner or administrator of a medical facility,
facility for the dependent or home for individual residential care is not
entitled to receive, and must not receive:

(a) Any money, personal property or real property that is devised or
bequeathed by will to the owner or administrator by a resident or former
resident of the facility or home, as applicable.

(b) Any proceeds from a life insurance policy upon the life or body of a
resident or former resident of the facility or home, as applicable.

2. Except as otherwise provided in subsection 3, any money, property,
proceeds or interest therein that is described in subsection 1 passes in
accordance with law as if the owner or administrator of the medical

facility shall inform the patient of his or her rights pursuant to NRS 449.765
to 449.786, inclusive.

3. In addition to the requirements of subsections 1 and 2, every hospital
shall, upon the admission of a patient to the hospital, provide to the patient or
the patient's legal representative a written disclosure approved by the

As used in this subsection, "major hospital" has the meaning ascribed to it in NRS 439B.115.

5. In addition to the requirements of subsections 1 to 4, inclusive, every hospital shall post in a conspicuous place in each public waiting room in the hospital a legible sign or notice in 14-point type or larger, which sign or notice must:

(a) Provide a brief description of any policies and procedures the hospital may have adopted to reduce charges for services provided to persons or to provide discounted services to persons, including, without limitation:

(1) Instructions for receiving additional information regarding such policies and procedures; and

(2) Instructions for arranging to make payment;

(b) Be written in language that is easy to understand; and

(c) Be written in English and Spanish.

Sec. 3. NRS 162A.220 is hereby amended to read as follows:

162A.220  1. A power of attorney must be signed by the principal or, in the principal's conscious presence, by another individual directed by the principal to sign the principal's name on the power of attorney. A signature on a power of attorney is presumed to be genuine if the principal acknowledges the signature before a notary public or other individual authorized by law to take acknowledgments.

   (b) Named only for the purpose of assisting the principal to establish eligibility for Medicaid and the power of attorney complies with the provisions of subsection 5.

5. A person may be named as agent pursuant to paragraph (b) of subsection 4 only if:
   (a) A valid financial power of attorney for the principal does not exist;
   (b) The agent has made a good faith effort to contact each family member of the principal identified in the records of the hospital, assisted living facility or facility for skilled nursing, as applicable, to request that the family member establish a financial power of attorney for the principal and has documented his or her effort;

6. A person who is named as agent pursuant to paragraph (b) of subsection 4 shall not use the power of attorney for any purpose other than to assist the principal to establish eligibility for Medicaid and shall not use the power of attorney in a manner inconsistent with the provisions of subsection 5. A person who violates the provisions of this subsection is guilty of a category C felony and shall be punished as provided in NRS 193.130.

Amendment No. 589.
"SUMMARY—Revises provisions governing the referral of persons to residential facilities for groups. (BDR 40-674)"

"AN ACT relating to residential facilities for groups; revising provisions governing the referral of persons to such facilities; requiring the State Board of Health to track certain violations and to disseminate certain information to the public; providing a civil penalty; and providing other matters properly relating thereto."
Legislative Counsel's Digest:

To operate a business which provides referrals to residential facilities for groups, existing law provides that a person must obtain a license from the State Board of Health. Also under existing law, a business so licensed and its employees are prohibited from referring a person to a residential facility for groups if the facility is unlicensed or if the facility is owned by the same person who owns the business. A person who violates that prohibition is subject to a civil penalty. Existing law does not address referrals to residential facilities for groups that are made directly by individual providers of health care, and specifically exempts medical facilities that were already licensed as of October 1, 1999. (NRS 449.0305)

Section 3 of this bill adds to the list of activities in which a business licensed to provide referrals to residential facilities for groups, and its employees, may not engage by prohibiting a business so licensed and its employees from referring a person to a residential facility for groups if the business or its employee knows or reasonably should know that the facility or its services are not appropriate for the condition of the person being referred. Section 1 of this bill prohibits a licensed medical facility and its employees from: (1) referring a person to a residential facility for groups that is not licensed by the Health Division of the Department of Health and Human Services; and (2) referring a person to a residential facility for groups if the licensed medical facility or its employee knows or reasonably should know that the residential facility for groups, or the services provided by the residential facility for groups, are not appropriate for the condition of the person being referred. "Licensed medical facility" is defined to include medical facilities and facilities for the dependent that are licensed by the Health Division and other facilities that provide medical care and treatment and which are required to be licensed by the State Board of Health. If a licensed medical facility or an employee of the licensed medical facility violates the prohibitions established by section 1, the licensed medical facility is liable to the State Board of Health for a civil penalty of not more than $10,000 for a first offense, and of not less than $10,000 or more than $20,000 for a second or subsequent offense. Section 1 also requires the State Board of Health to establish and maintain a system to track violations of section 1 and NRS 449.0305, and directs the Board to educate the public regarding the requirements and prohibitions set forth in those sections.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 449 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to the requirements and prohibitions set forth in NRS 449.0305, and notwithstanding any exceptions set forth in that section, a licensed medical facility or an employee of such a medical facility shall not:
(a) Refer a person to a residential facility for groups that is not licensed by the Health Division;

(b) Refer a person to a residential facility for groups if the licensed medical facility or its employee knows or reasonably should know that the residential facility for groups, or the services provided by the residential facility for groups, are not appropriate for the condition of the person being referred.

2. If a licensed medical facility or an employee of such a medical facility violates the provisions of subsection 1, the licensed medical facility is liable for a civil penalty to be recovered by the Attorney General in the name of the Board for the first offense of not more than $10,000 and for a second or subsequent offense of not less than $10,000 or more than $20,000. Unless otherwise required by federal law, the Board shall deposit all civil penalties collected pursuant to this section into a separate account in the State General Fund to be used for the enforcement of this section and the protection of the health, safety, well-being and property of residents of residential facilities for groups.

3. The Board shall:

(a) Establish and maintain a system to track violations of this section and NRS 449.0305. Except as otherwise provided in this paragraph, records created by or for the system are public records and are available for public inspection. The following information is confidential:

(1) Any personally identifying information relating to a person who is referred to a residential facility for groups.

(2) Information which may not be disclosed under federal law.

(b) Educate the public regarding the requirements and prohibitions set forth in this section and NRS 449.0305.

4. As used in this section, "licensed medical facility" means:

(a) A medical facility that is required to be licensed pursuant to this section and NRS 449.001 to 449.240, inclusive.

(b) A facility for the dependent that is required to be licensed pursuant to this section and NRS 449.001 to 449.240, inclusive.

(c) A facility that provides medical care or treatment and is required by regulation of the Board to be licensed pursuant to NRS 449.038.

Sec. 2. NRS 449.030 is hereby amended to read as follows:

449.030 1. No person, state or local government or agency thereof may operate or maintain in this State any medical facility or facility for the dependent without first obtaining a license therefor as provided in NRS 449.001 to 449.240, inclusive, and section 1 of this act.

2. Unless licensed as a facility for hospice care, a person, state or local government or agency thereof shall not operate a program of hospice care without first obtaining a license for the program from the Board.

Sec. 3. NRS 449.0305 is hereby amended to read as follows:
1. Except as otherwise provided in subsection 5, a person must obtain a license from the Board to operate a business that provides referrals to residential facilities for groups.

2. The Board shall adopt:
   (a) Standards for the licensing of businesses that provide referrals to residential facilities for groups;
   (b) Standards relating to the fees charged by such businesses;
   (c) Regulations governing the licensing of such businesses; and
   (d) Regulations establishing requirements for training the employees of such businesses.

3. A licensed nurse, social worker, physician or hospital, or a provider of geriatric care who is licensed as a nurse or social worker, may provide referrals to residential facilities for groups through a business that is licensed pursuant to this section. The Board may, by regulation, authorize a public guardian or any other person it determines appropriate to provide referrals to residential facilities for groups through a business that is licensed pursuant to this section.

4. A business that is licensed pursuant to this section or an employee of such a business shall not:
   (a) Refer a person to a residential facility for groups that is not licensed.
   (b) Refer a person to a residential facility for groups if the business or its employee knows or reasonably should know that the facility, or the services provided by the facility, are not appropriate for the condition of the person being referred.
   (c) Refer a person to a residential facility for groups that is owned by the same person who owns the business.

A person who violates the provisions of this subsection is liable for a civil penalty to be recovered by the Attorney General in the name of the [State Board of Health] for the first offense of not more than $10,000 and for a second or subsequent offense of not less than $10,000 nor more than $20,000. Unless otherwise required by federal law, the [State Board of Health] shall deposit all civil penalties collected pursuant to this section into a separate account in the State General Fund to be used for the enforcement of this section and the protection of the health, safety, well-being and property of residents of residential facilities for groups.

5. This section does not apply to a medical facility that is licensed pursuant to NRS 449.001 to 449.240, inclusive, and section 1 of this act on October 1, 1999.

Sec. 4. NRS 654.190 is hereby amended to read as follows:

654.190 1. The Board may, after notice and a hearing as required by law, impose an administrative fine of not more than $10,000 for each violation on, recover reasonable investigative fees and costs incurred from, suspend, revoke, deny the issuance or renewal of or place conditions on the license of, and place on probation or impose any combination of the
foregoing on any nursing facility administrator or administrator of a residential facility for groups who:

(e) Violates any regulation of the Board prescribing additional standards of conduct for nursing facility administrators or administrators of residential facilities for groups, including, without limitation, a code of ethics.

(f) Engages in conduct that violates the trust of a patient or resident or exploits the relationship between the nursing facility administrator or administrator of a residential facility for groups and the patient or resident for the financial or other gain of the licensee.

2. The Board shall give a licensee against whom proceedings are brought pursuant to this section written notice of a hearing pursuant to NRS 233B.121 and 241.034. A licensee may waive, in writing, his or her right to attend the hearing.

3. The Board may compel the attendance of witnesses or the production of documents or objects by subpoena. The Board may adopt regulations that set forth a procedure pursuant to which the Chair of the Board may issue subpoenas on behalf of the Board. Any person who is subpoenaed pursuant to this subsection may request the Board to modify the terms of the subpoena or grant additional time for compliance.

4. An order that imposes discipline and the findings of fact and conclusions of law supporting that order are public records.

5. The expiration of a license by operation of law or by order or decision of the Board or a court, or the voluntary surrender of a license, does not deprive the Board of jurisdiction to proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.

Remarks by Senators Kihuen and Denis.

Senator Kihuen requested that the following remarks be entered in the Journal.

SENATOR KIHUEN:

Thank you, Mr. President. The resolution does an excellent job of illustrating Mr. Escobedo’s life. Most of us from southern Nevada remember Mr. Escobedo as the founder and owner of El Mundo newspaper. What many of us do not remember is that he was not just a successful businessman, but Mr. Escobedo was also a veteran of the U.S. Armed Forces. He was a radio and television personality. He was a wonderful husband and father. To me, personally, he was a great mentor and a trustworthy friend who I relied on constantly for advice both in my professional and my personal life. He gave me advice about relationships. He was married for over 50 years, so his advice was well taken.

I had the pleasure of meeting Mr. Escobedo while I was in high school and was playing soccer. I was Player of the Year and he was the first person to give me newspaper coverage. He put me on the front page of the newspaper. He took me under his wing.

Mr. Escobedo was one of the pioneers of the Hispanic community. He came to Las Vegas in the 1950s. He was known as the Godfather of the Hispanic community. Elected officials from both the Republican and Democratic sides visited him at his office to ask for his support. His newspaper is the largest Spanish newspaper in the State. President Obama and Hillary Clinton had his personal cell phone number. They knew him by his first name. Every candidate who wanted to run for office and who wanted to earn the vote in east Las Vegas visited him. He would listen and then he would make his endorsements. Those endorsements came out in the El Mundo newspaper for hundreds of thousands to see. For many of us, Mr. Escobedo was important to us not only for the work he did in the community but because he was a close friend.

Mr. Escobedo used to organize events and one of them was Navidad en el Barrio, Christmas in the Barrio. He would provide free toys and free food to thousands of families. The recession has caused much suffering for families and the past celebrations served at least 5,000 families who stood in line from 4:30 a.m. to 3:00 p.m. He did that for many years. He provided toys and food for those families who had no money.
The Hispanic population in Clark County is at nearly 33 percent. Cinco de Mayo and the Mexican Independence Day celebration in Las Vegas are important. The people who live here and attend these events are Americanized. They love this country, but they do want to celebrate some of their traditions. Mr. Escobedo organized the Cinco de Mayo celebrations as well as the Mexican Independence Day celebrations. When you go to the celebrations and you stand on the stage to give a speech, you see 5,000 to 10,000 people at these celebrations. These are people who knew Mr. Escobedo, were there to support him and their community. When I think of Mr. Escobedo, I think of those events. At this past Cinco de Mayo, I spoke at the celebration. I was very emotional because this was the first celebration I attended without Mr. Escobedo being there. He was respected by both Republicans and Democrats. We will really miss him.

We have a Hispanic caucus in the Legislature. For the first time in many years, there are more than two members in the Hispanic caucus. We have eight members, actually nine with Shelia Leslie as an honorary member. The work Mr. Escobedo did throughout the years for Las Vegas and the State of Nevada helped pave the way for people such as myself and Senator Denis. We have known Mr. Escobedo for a long time.

Before Mr. Escobedo was the successful man that he became, he worked at the Sahara Hotel and Casino, which recently closed its doors. He was a bartender and that is how he met Congresswoman Shelley Berkley in the 1970s when she was a waitress. Little did they know at that time that they would go on to become some of the most prominent residents of our State. Until his death, Rep. Berkley called him once a month to make certain he was all right. When he was sick, she would call him and so would President Obama to ask how he was doing.

Mr. Escobedo was not an average citizen. He influenced hundreds of thousands of families, including my own. Before I was born, Mr. Escobedo was contributing to our State. He was paving the way for the young, immigrant Mexican kid who could come to this country to succeed and to have the same opportunities as everyone else. He was a friend. He was a second father. As the first Hispanic immigrant to serve in this body, I would like to recognize one of the people who helped pave the way for me. Thank you, Mr. President.

Senator Denis:

I knew Mr. Escobedo for many years. We called him Eddie. He was a great example to all of us who serve in the community. He talked about his family and about the things he would do with his family, but he was always at a community event trying to help others. I am thankful that I had an opportunity to get to know Eddie. I am thankful for the work that he did. We can never fill his shoes, but we can carry on his legacy in the work that we do.

Thank you.

Assembly Bill No. 138.

The following amendment was proposed by the Committee on Education:
Amendment No. 620.
"SUMMARY—Revises provisions governing pupils. (BDR 34-113)"
"AN ACT relating to education; authorizing the Department of Education to work in consultation with the Nevada System of Higher Education to establish a plan to ensure that high school pupils are adequately prepared for postsecondary education and success in the workplace; revising certain requirements for the reports of accountability information prepared by the State Board of Education and the boards of trustees of school districts; revising provisions governing the academic plans for ninth grade pupils; authorizing school districts to adopt a policy for pupils to report unlawful activities; repealing certain provisions relating to the exemption of certain children from compulsory school attendance; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 1 of this bill authorizes the Department of Education to work in consultation with the Nevada System of Higher Education to establish clearly
defined goals and benchmarks for pupils enrolled in public high schools to ensure that those pupils are adequately prepared for the educational requirements of postsecondary education and for success in the workplace.

Sections 2, 2.5 and 4 of this bill revise the requirements for the reports of accountability information prepared by the State Board of Education and the board of trustees of each school district to include: (1) certain information relating to adult diplomas; and (2) reports on incidents resulting in suspension or expulsion for bullying, cyber-bullying, harassment and intimidation.

Section 5 of this bill revises the provisions governing the policy for the 4-year academic plan for ninth grade pupils to provide that the policy may ensure that each ninth grade pupil and his or her parent or legal guardian are provided, to the extent practicable, with information concerning certain courses and programs available to the pupil, as well as the requirements for graduation, for admission to the Nevada System of Higher Education and for receipt of a Governor Guinn Millennium Scholarship.

Section 8 of this bill authorizes the board of trustees of each school district to adopt a policy that allows a pupil enrolled in a public school within a school district to report, anonymously if the pupil chooses, any unlawful activities that are being conducted on school property, at an activity sponsored by the public school or on a school bus, commonly referred to as a "secret witness program."

Section 13 of this bill repeals certain provisions relating to the exemption of children from compulsory school attendance.

Amendment No. 623.

"SUMMARY—Revises provisions governing the attendance of pupils and graduation from high school. (BDR 34-1140)"

"AN ACT relating to education; authorizing certain pupils to receive a standard high school diploma without passing all subject areas of the high school proficiency examination under certain circumstances; authorizing the board of trustees of a school district to adopt a policy that allows certain pupils enrolled in high school the opportunity to make up credit; authorizing a juvenile court to impose certain orders against the parent or legal guardian
of a child who is adjudicated in need of supervision because the child is a habitual truant; revising provisions governing employment of minors; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law prescribes a standard high school diploma and an adjusted diploma and requires that to receive a standard high school diploma, a pupil must satisfy the requirements for graduation from high school and either pass the high school proficiency examination in its entirety or fail to pass certain subject areas on the examination and satisfy certain alternative criteria prescribed by the State Board of Education. (NRS 389.805) Section 5 of this bill provides that a pupil who has failed to pass the same subject area of the high school proficiency examination [not less than six times] each time the pupil took the examination, including the final administration of the examination to the pupil before the date on which he or she is otherwise regularly scheduled to graduate, may receive a standard high school diploma if the pupil obtained a cumulative score that meets the required cumulative score prescribed by the State Board and also satisfies certain additional conditions. Section 5 also removes the satisfaction of the existing alternative criteria as a means by which a pupil may receive a standard high school diploma. Section 9.5 of this bill requires the board of trustees of each school district, on or before December 31, 2012, to submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a report on the number of pupils who were awarded a standard high school diploma pursuant to the criteria prescribed by section 5.

Section 6 of this bill authorizes school districts to adopt a policy that allows a high school pupil who has failed to comply with minimum attendance requirements the opportunity to make up the credits which the pupil missed during his or her absence.

Existing law prescribes the actions which must be taken by a juvenile court against a child who has been adjudicated in need of supervision because the child is a habitual truant. (NRS 62E.430) Section 7 of this bill authorizes a juvenile court to order the parent or legal guardian of such a child to attend conferences with the child's teacher and appropriate school administrators to address the status of the child as a habitual truant and to develop a plan to ensure that the child attends school.

Section 8 of this bill authorizes the parent or legal guardian of a child between the ages of 16 and 18 years to indicate on a work permit that is issued to the child by the county, if any, the maximum number of hours that his or her child may work and the particular hours in which that work may occur during the week or on the weekend.

Existing law provides that a child under the age of 16 years may be employed in certain occupations for not more than 48 hours in any 1 week and 8 hours in any 1 day. (NRS 609.240) Section 9 of this bill revises the
hours that a child may be employed to 20 hours in any 1 week when school is in session and 48 hours in any 1 week when school is not in session.

(I) The child to pay a fine of not more than $100 and the administrative assessment required by NRS 62E.270 or if the parent or guardian of the child knowingly induced the child to be a habitual truant, order the parent or guardian to pay the fine and the administrative assessment; or

(II) The child to perform not less than 8 hours but not more than 16 hours of community service; and

(2) If the child is 14 years of age or older, order the suspension of the driver's license of the child for at least 30 days but not more than 6 months. If the child does not possess a driver's license, the juvenile court shall prohibit the child from applying for a driver's license for 30 days:

(II) After the date the child becomes eligible to apply for a driver's license if the child is not eligible to apply for a driver's license.
(b) The second or any subsequent time the child is adjudicated to be in need of supervision because the child is a habitual truant:

1. Order:

   (I) The child to pay a fine of not more than $200 and the administrative assessment required by NRS 62E.270 or if the parent or guardian of the child knowingly induced the child to be a habitual truant, order the parent or guardian to pay the fine and the administrative assessment;

   (II) The child to perform not more than 10 hours of community service; or

2. If the child is 14 years of age or older, order the suspension of the driver's license of the child for at least 60 days but not more than 1 year. If the child does not possess a driver's license, the juvenile court shall prohibit the child from applying for a driver's license for 60 days:

   (I) Immediately following the date of the order if the child is eligible to apply for a driver's license; or

   (II) After the date the child becomes eligible to apply for a driver's license if the child is not eligible to apply for a driver's license.

2. The juvenile court may suspend the payment of a fine ordered pursuant to paragraph (a) of subsection 1 if the child attends school for 60 consecutive school days, or its equivalent in a school district operating under an alternative schedule authorized pursuant to NRS 388.090, after the imposition of the fine, or has a valid excuse acceptable to the child's teacher or the principal for any absence from school within that period.

3. The juvenile court may suspend the payment of a fine ordered pursuant to this section if the parent or guardian of a child is ordered to pay a fine by another court of competent jurisdiction in a case relating to or arising out of the same circumstances that caused the juvenile court to adjudicate the child in need of supervision.

4. The community service ordered pursuant to this section must be performed at the child's school of attendance, if practicable.

5. If a child is adjudicated in need of supervision because the child is a habitual truant, the juvenile court may, the first time, the second time or any subsequent time the child is adjudicated to be in need of supervision because the child is a habitual truant, order the parent or legal guardian of the child to attend conferences with the child's teacher and appropriate school administrators to address the status of the child as a habitual truant and to develop a plan to ensure that the child attends school.

Sec. 8. Chapter 609 of NRS is hereby amended by adding thereto a new section to read as follows:

If a county requires the issuance of work permits and a work permit is issued to a child between the ages of 16 and 18 years, the parent or legal guardian of the child may indicate on the work permit the maximum
number of hours that his or her child may work and specify the time periods in which that work may occur during the week and on the weekend.

Sec. 9. NRS 609.240 is hereby amended to read as follows:

609.240 1. No child under the age of 16 years may be employed, permitted or suffered to work at any gainful occupation, other than domestic service, employment as a performer in the production of a motion picture or work on a farm, more than 48:

(a) Twenty hours in any 1 week when school is in session;
(b) Forty-eight hours in any 1 week when school is not in session; or
(c) Eight hours in any 1 day.

2. The presence of a child in any establishment during working hours is prima facie evidence of employment of the child therein.

Sec. 9.5 1. On or before December 31, 2012, the board of trustees of each school district shall submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a report on the standard high school diplomas awarded to pupils pursuant to the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act.

2. The report submitted pursuant to subsection 1 must include:

(a) The number of pupils who were awarded a standard high school diploma pursuant to the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act;

(b) An assessment of the effectiveness of the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act, with enabling pupils to receive a standard high school diploma who would not otherwise have been eligible for such a diploma; and

(c) A determination as to whether the awarding of a standard high school diploma pursuant to the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act, should continue to be a means by which pupils may receive a standard high school diploma.

Sec. 10. This act becomes effective on July 1, 2011.

Senator Denis moved the adoption of the amendment.

Remarks by Senator Denis.

Senator Denis requested that his remarks be entered in the Journal.

Amendment No. 623 deletes the requirement that the State Board of Education adopt alternative criteria for a pupil to receive a high school diploma which would include an essay, a senior project, or a portfolio of school work as a substitute for demonstrating proficiency using the high school proficiency exam. Instead, the State Board will develop regulations based upon the criteria established for a cumulative score based upon the highest scores received in all instances in which the exam was taken.

In addition, each school district must report to the next regular session the number of pupils awarded a high school diploma under the provisions of the act; the effectiveness of those criteria for obtaining a diploma; and a determination about whether the criteria should remain in statute.

Amendment No. 621.

"SUMMARY
Eliminates temporarily the requirement for
the administration of norm-referenced examinations in public schools.
(BDR 34-1174)"

"AN ACT relating to education; suspending temporarily the requirement for the administration of norm-referenced examinations in public schools; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires the board of trustees of each school district and the
governing body of each charter school to administer norm-referenced examinations in grades 4, 7 and 10 which compare the results of pupils enrolled in those grades in public schools in this State to a national reference group of pupils. (NRS 389.015) Senate Bill No. 416 of the 2009 Legislative Session suspended temporarily the administration of the norm-referenced examinations for the 2009-2011 biennium. (Chapter 423, Statutes of Nevada 2009, p. 2340) This bill suspends temporarily the administration of the norm-referenced examinations for the 2011-2013 biennium.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. (Deleted by amendment.)
Sec. 3. (Deleted by amendment.)
Sec. 4. (Deleted by amendment.)
Sec. 5. (Deleted by amendment.)
Sec. 6. (Deleted by amendment.)
Sec. 7. (Deleted by amendment.)
Sec. 7.5. Notwithstanding the provisions of NRS 389.015 to the contrary, the norm-referenced examinations required to be administered to pupils enrolled in grades 4, 7 and 10 pursuant to that section must not be administered in the public schools of this State during the 2011-2012 school year and the 2012-2013 school year. Any requirements relating to the reporting of test scores of pupils on those examinations that would otherwise be administered during those school years are also suspended.
Sec. 8. This act becomes effective upon passage and approval.
TEXT OF REPEALED SECTION

389.640   Establishment of statewide program for preparation of pupils to take examinations; compliance with program required of school districts and schools; use of additional materials and information.

1. The Department shall establish a statewide program for use by schools and school districts in their preparation for the examinations that are administered pursuant to NRS 389.015, excluding the high school proficiency examination. The program must:
   (a) Be designed to ensure the consistency and uniformity of all materials and other information used in the preparation for the examinations; and
   (b) Be designed to ensure that the actual examinations administered pursuant to NRS 389.015 are not included within the materials and other information used for preparation.

2. If a school, including, without limitation, a charter school, or a school district provides preparation for the examinations that are administered pursuant to NRS 389.015, excluding the high school proficiency examination, the school or school district shall comply with the program established pursuant to subsection 1. A school district may use and provide additional materials and information if the materials and information comply with the program established by the Department. A school, including, without limitation, a charter school, shall use only those materials and information that have been approved or provided by the Department or the school district.

Senator Denis moved the adoption of the amendment.
Remarks by Senator Denis.
Senator Denis requested that his remarks be entered in the Journal.
Amendment No. 621 deletes the provisions of the bill that would have permanently repealed the statutory requirement that norm-referenced tests be administered to students in grades 4, 7, and 10 in each of Nevada's public schools. Instead, the amendment extends for an additional two years the suspension of these tests that was put into place by the 2009 75th Legislature.

Amendment adopted.

Assembly Bill No. 78.
Remarks by Senators Roberson and Copening. Senator Roberson requested that the following remarks be entered in the Journal.

SENATOR ROBERSON:
Assembly Bill No. 78 deals a crushing blow to Nevada's smallest, home-based businesses, and to our national image as a business-friendly state.

A small business that makes under $27,000 per year would pay $125 to file this year and will pay $325 if this bill passes. That is a 260 percent fee increase on our State's smallest businesses during one of the worst economies in history. How is this good policy?

The reason for the bill, according to the sponsor, is that some larger businesses who do not meet the criteria for the home-based business exemption are illegally claiming it.

Assembly Bill No. 78 does nothing to go after those businesses. Instead, it wipes out the exemption in its entirety, punishing only the smallest businesses that are following the law.

Just last month in the Las Vegas Review-Journal, the bill's sponsor boasted about a 2.4 percent increase in business corporation filings saying, and I quote, "These are entities that are likely to create jobs and be associated with jobs."

This bill will have a very negative effect on the very corporations and jobs being touted in this article. This bill tells entrepreneurs around the country with small, home-based businesses that have the potential to grow that Nevada does not want them. That means the companies who started tiny, like Apple, Dell, Whole Foods, Starbucks, and Nordstrom, will take their business elsewhere.

It is already three to four times as expensive to file as a corporation in Nevada than it is in competing states.

This bill also very clearly increases a fee, and the proponent touts the potential short-term revenue gain for the State, yet it did not have a hearing in Senate Finance or in Assembly Ways and Means.
I respect the bill's sponsor and this is not a partisan issue. It is a fairness for small business issue, and it is about protecting Nevada's reputation as a business-friendly state.

This measure had problems in the Assembly. The Floor vote was postponed for all of the reasons mentioned above. It passed with Democrat and Republican opposition.

I urge this body to reject this proposal to ensure the long-term economic vitality of our State.

Thank you.

**SENATOR COPENING:**

Assembly Bill No. 78 excludes from the definition of "business," for purposes related to a State business license, a natural person who operates a business from his or her personal residence and whose net earnings from that business do not exceed two-thirds of the average annual wage. The bill also excludes nonprofit organizations without shares of stock.

Assembly Bill No. 78 also requires foreign corporations and foreign limited-liability companies to file signed declarations stating their existence and that they are in good standing in the jurisdiction in which they were created.

Almighty God and Father, thank You for the opportunity to serve the citizens of Nevada today as we meet in this Chamber to discuss and move the bills that have been presented to us. Guide and lead us that our decisions may be based not on our own needs or positions, but for the good of this great State.
Guide our discussions that we may be kind, gentle and forgiving to each other, especially to those who are not in agreement with our positions.
We also come to You today asking for Your help and assistance for the brave people of the Midwest in our country who are reeling after the tornados that buffeted that area yesterday. Give comfort to those who have experienced loss of family, friends and possessions. Keep in safety all those who are in the process of responding to this tragedy.

SECOND READING AND AMENDMENT

Senate Bill No. 498.
Bill read second time and ordered to third reading.

Assembly Bill No. 20.
Bill read second time.
The following amendment was proposed by the Committee on Commerce,
Labor and Energy:
Amendment No. 618.
"SUMMARY—Revises provisions governing the practice of optometry. (BDR 54-501)"
"AN ACT relating to optometry; requiring the Nevada State Board of
Optometry to issue a license by endorsement to practice optometry in this
State in certain circumstances; revising provisions governing the examination
for licensure by the Board; revising provisions governing the discipline and
unprofessional or unethical conduct of licensees; repealing provisions that
require the Board to maintain a roster of licensees; repealing provisions that
pertain to the scope of reexaminations for licensure; establishing fees; and
providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires each applicant for a license to practice optometry in
this State to take and pass an examination prepared and administered by the
Nevada State Board of Optometry or by a testing agency that has been
designated by the Board. The examination must test the fitness of an
applicant to practice optometry and include testing of the applicant's
knowledge of statutes and regulations governing the practice of optometry.
(NRS 636.150, 636.180, 636.185) Other states have enacted legislation
creating exceptions from general licensure provisions which allow certain
qualified persons who are licensed in another jurisdiction to receive a license
to practice optometry without requiring the licensee to take an examination
that is designed to evaluate competency to practice optometry. However,
existing law in this State does not authorize such an exception.

Section 2 of this bill provides for the issuance of a license by endorsement
to practice optometry and requires the Board to issue a license by
endorsement to certain qualified applicants who are licensed to practice
optometry in the District of Columbia or other states or territories and who
have been continuously and actively engaged in the practice of optometry for
the 5 years immediately preceding the date on which they apply to the Board
for the issuance of a license by endorsement. Section 7 of this bill requires an
applicant for a license by endorsement to take and pass an examination, but
section 3 of this bill provides that the examination must test only the
applicant's knowledge of statutes and regulations governing the practice of optometry in this State. **Section 5** of this bill establishes the fees which must be paid by an applicant for the examination for a license by endorsement and for the issuance and renewal of a license by endorsement.

**Section 10** of this bill revises provisions governing the score required to pass the examinations, and **sections 6, 8, 9, 11 and 12** of this bill make certain revisions to distinguish between the examination for and issuance of a license to practice optometry and a license by endorsement.

Existing law also defines the scope of the practice of optometry in this State and authorizes the Board to discipline licensees for certain acts or omissions and determine what acts constitute unethical or unprofessional conduct by licensees. (NRS 636.025, 636.130, 636.290-636.340) **Section 4.5** of this bill provides that a license to practice optometry does not authorize an optometrist to engage in acts or perform procedures which are not authorized by law. **Section 13** of this bill authorizes the Board to discipline licensees for the commission of a felony or for conduct that demonstrates incompetency in the practice of optometry, or for practicing or offering to practice optometry outside the scope of practice authorized by law. **Sections 14 and 15** of this bill revise provisions pertaining to unprofessional or unethical conduct relating to the use of prescription blanks and the sale, solicitation or advertisement of certain products and services.

**Section 16** of this bill repeals provisions requiring the Board to maintain a roster of licensees and authorizing the Board to determine the scope of reexaminations for licensure.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 636 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. The Board shall, except for good cause, issue a license by endorsement to practice optometry to an applicant who has been issued a license to practice optometry by the District of Columbia or any state or territory of the United States if:

Senator Schneider moved the adoption of the amendment.
Remarks by Senator Schneider.

Amendment No. 617 to Assembly Bill No. 77 prohibits an attorney or an employee of an attorney from requesting or receiving any compensation for providing services as a foreclosure consultant or in connection with obtaining a mortgage loan modification until the homeowner has executed a written agreement with the lender which incorporates the offer of mortgage assistance obtained on behalf of the homeowner by the attorney or employee of the attorney.

The amendment also changes the definition of the term "residence in foreclosure" to make it consistent with the use of the term "foreclosure consultant" in other statutes and with the Federal Trade Commission rules applicable to dwellings. The effect of this change is to ensure the protections of the bill apply to dwellings with one to four units as well as single family residences.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 576.
"SUMMARY—Revises various provisions concerning firearms. (BDR 15-962)"
"AN ACT relating to firearms; revising provisions concerning permits to carry concealed semiautomatic firearms; revising provisions governing the renewal of a permit to carry a concealed firearm; revising provisions concerning the confidentiality of information relating to permits to carry concealed firearms; revising provisions governing the possession of firearms in state parks; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, a person who wishes to carry a concealed firearm must obtain a permit to carry the firearm. (NRS 202.3657) As part of the application process to obtain a permit, an applicant must undergo an investigation by a sheriff to determine if the applicant is eligible for a permit. Such an investigation must include a report from the Federal Bureau of Investigation. (NRS 202.366) Section 2 of this bill additionally requires an applicant for the renewal of a permit to undergo an investigation by the
sheriff. Section 2 also specifies that an investigation conducted by the sheriff for an initial application or a renewal application must include a report from the National Instant Criminal Background Check System. Section 4 of this bill revises the fee for the renewal of a permit from $25 to the amount of the actual cost to obtain the reports required as part of the investigation by the sheriff.

Existing law also provides that a qualified applicant for a permit to carry a concealed firearm may obtain a permit for revolvers, for one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms. (NRS 202.3657) If the application for a permit involves semiautomatic firearms, the applicant must state the make, model and caliber of each semiautomatic firearm for which the applicant is seeking to obtain a permit. (NRS 202.366) Additionally, to receive and renew a permit involving semiautomatic firearms, an applicant or permittee must demonstrate competence with each semiautomatic firearm to which the application pertains. (NRS 202.3657, 202.3677) Section 1 of this bill provides that: (1) a qualified applicant for a permit to carry a concealed firearm may obtain one permit for all semiautomatic firearms that the applicant seeks to carry instead of being required to obtain a permit for each specific semiautomatic firearm; and (2) an applicant or permittee may demonstrate competence with semiautomatic firearms in general rather than with each specific semiautomatic firearm.

Existing law further provides that information in an application for a permit to carry a concealed firearm and all information relating to the investigation of an applicant for such a permit is confidential. (NRS 202.3662) However, the Nevada Supreme Court recently held in Reno Newspapers, Inc. v. Haley, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010), that the identity of a holder of a permit to carry a concealed firearm and any postpermit records of investigation, suspension or revocation are not confidential and are therefore public records. Section 3 of this bill provides that the identity and any information acquired during the investigation of a holder of a permit to carry a concealed firearm are confidential, as are any records regarding the suspension, restoration or revocation of such a permit.

Existing law also allows the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to adopt regulations, including, without limitation, prohibitions and restrictions on activities within parks or recreational facilities within the jurisdiction of the Division. (NRS 407.0475) Existing administrative regulations allow a person to carry a concealed firearm in a state park if the person complies with existing laws concerning the carrying of concealed weapons but prohibit a person from discharging a firearm in a state park. (NAC 407.105) Any person who violates a regulation adopted by the Administrator is guilty of a misdemeanor. (NRS 407.0475) While existing law prohibits the discharge of a firearm under various circumstances, it also provides certain defenses for violating such provisions by allowing a person to make sufficient resistance

Section 5 of this bill prohibits the Administrator from adopting any regulation concerning the possession of firearms in state parks or recreational facilities which is more restrictive than the laws of this State relating to: (1) the possession of firearms; and (2) engaging in lawful resistance to prevent an offense against a person or property. Section 5 also voids any regulation which conflicts with such laws.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 202.3657 is hereby amended to read as follows:

202.3657 1. Any person who is a resident of this State may apply to the sheriff of the county in which he or she resides for a permit on a form prescribed by regulation of the Department. Any person who is not a resident of this State may apply to the sheriff of any county in this State for a permit on a form prescribed by regulation of the Department. Application forms for permits must be furnished by the sheriff of each county upon request.

2. Except as otherwise provided in this section, the sheriff shall issue a permit for revolvers, [one or more specific] for semiautomatic firearms, or for revolvers and [one or more specific] semiautomatic firearms, as applicable, to any person who is qualified to possess the firearm or firearms to which the application pertains under state and federal law, who submits an application in accordance with the provisions of this section and who:
(a) Is 21 years of age or older;
(b) Is not prohibited from possessing a firearm pursuant to NRS 202.360; and
(c) Demonstrates competence with revolvers, [each specific] semiautomatic firearm to which the application pertains, firearms, or revolvers and [each such] semiautomatic firearm, firearms, as applicable, by presenting a certificate or other documentation to the sheriff which shows that the applicant:
(1) Successfully completed a course in firearm safety approved by a sheriff in this State; or
(2) Successfully completed a course in firearm safety offered by a federal, state or local law enforcement agency, community college, university or national organization that certifies instructors in firearm safety.

Such a course must include instruction in the use of revolvers, [each] semiautomatic firearm to which the application pertains, firearms, or revolvers and [each such] semiautomatic firearm, firearms and in the laws of this State relating to the use of a firearm. A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.
3. The sheriff shall deny an application or revoke a permit if the sheriff determines that the applicant or permittee:
   (a) Has an outstanding warrant for his or her arrest.
   (b) Has been judicially declared incompetent or insane.
   (c) Has been voluntarily or involuntarily admitted to a mental health facility during the immediately preceding 5 years.
   (d) Has habitually used intoxicating liquor or a controlled substance to the extent that his or her normal faculties are impaired. For the purposes of this paragraph, it is presumed that a person has so used intoxicating liquor or a controlled substance if, during the immediately preceding 5 years, the person has been:
      (1) Convicted of violating the provisions of NRS 484C.110; or
      (2) Committed for treatment pursuant to NRS 458.290 to 458.350, inclusive.
   (e) Has been convicted of a crime involving the use or threatened use of force or violence punishable as a misdemeanor under the laws of this or any other state, or a territory or possession of the United States at any time during the immediately preceding 3 years.

   (g) Has been convicted of a crime involving domestic violence or stalking, or is currently subject to a restraining order, injunction or other order for protection against domestic violence.

   (i) Has, within the immediately preceding 5 years, been subject to any requirements imposed by a court of this State or of any other state or territory or possession of the United States, as a condition to the court's:
      (1) Withholding of the entry of judgment for a conviction of a felony; or
      (2) Suspension of sentence for the conviction of a felony.
   (j) Has made a false statement on any application for a permit or for the renewal of a permit.

4. The sheriff may deny an application or revoke a permit if the sheriff receives a sworn affidavit stating articulable facts based upon personal knowledge from any natural person who is 18 years of age or older that the applicant or permittee has or may have committed an offense or engaged in any other activity specified in subsection 3 which would preclude the issuance of a permit to the applicant or require the revocation of a permit pursuant to this section.

5. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this
section, the sheriff shall suspend the person's permit or the processing of the person's application until the final disposition of the charges against the person. If a permittee is acquitted of the charges, or if the charges are dropped, the sheriff shall restore his or her permit without imposing a fee.

6. An application submitted pursuant to this section must be completed and signed under oath by the applicant. The applicant's signature must be witnessed by an employee of the sheriff or notarized by a notary public. The application must include:

   (h) Whether the application pertains to revolvers;
   (i) A nonrefundable fee in the amount of the actual cost to obtain the reports required pursuant to subsection 1 of NRS 202.366;

Sec. 2. NRS 202.366 is hereby amended to read as follows:

202.366 1. Upon receipt by a sheriff of an application for a permit, including an application for the renewal of a permit pursuant to NRS 202.3677, the sheriff shall conduct an investigation of the applicant to determine if the applicant is eligible for a permit. In conducting the investigation, the sheriff shall forward a complete set of the applicant's fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report concerning the criminal history of the applicant. The investigation also must include a report from the National Instant Criminal Background Check System. The sheriff shall issue a permit to the applicant unless the applicant is not qualified to possess a handgun pursuant to state or federal law or is not otherwise qualified to obtain a permit pursuant to NRS 202.3653 to 202.369, inclusive, or the regulations adopted pursuant thereto.

2. To assist the sheriff in conducting the investigation, any local law enforcement agency, including the sheriff of any county, may voluntarily
submit to the sheriff a report or other information concerning the criminal history of an applicant.

3. Within 120 days after a complete application for a permit is submitted, the sheriff to whom the application is submitted shall grant or deny the application. Remarks by Senators Hardy, Leslie and Roberson.
Senator Hardy requested that the following remarks be entered in the Journal.

SENATOR HARDY:

Thank you, Mr. President. The definition of lobbyist means to me, if I am lobbied by someone who is already a registered lobbyist in this Session, and am lobbied by someone who is
not a registered lobbyist in this Session, at what point does a non-lobbyist become a lobbyist and do the required quarterly report about being a lobbyist, even though they were not before they lobbied me?

SENATOR LESLIE:
This bill is tied to those who are registered during the Session. If they deregister after the Session is over, they are no longer required to fill out reports. In the case you are referencing, Senator Hardy, I do not think the bill applies. They would have to register as a lobbyist again before the provisions would apply.

SENATOR HARDY:
Then a lobbyist can deregister as a lobbyist so, therefore, that person no longer has to do a quarterly report even though that person is going to register again as a lobbyist in the next session.

SENATOR LESLIE:
Thank you, Mr. President. In that scenario, then that person would not be allowed to lobby you in the interim.

SENATOR ROBERSON:
I stand in strong support of Senator Leslie's bill. It is time we cleaned this building up and this is a good start.

Assembly Bill No. 237 allows Washoe County to participate in the County Bond Bank when issuing bonds or other securities for the County's program to assist persons hooking up to a municipal water or sewer system. Revenue from general property taxes may not be used to repay special obligation bonds issued for this assistance program. The bill limits any loans financed by such bonds to natural persons. For securities issued under this assistance program, the bill raises the limit on interest rates by 2 percent so that the total limit is 5 percent over the Index of Twenty Bonds for general obligation bonds and the Index of Revenue Bonds for special obligations.
The bill is effective upon passage and approval.
This measure was requested by the Legislative Committee to Oversee the Western Regional Water Commission. Assembly Bill No. 54 in the 2009 75th Session enabled Washoe County to adopt an ordinance setting up the assistance program for persons needing assistance to hook up to the municipal water or sewer systems.

The following amendment was proposed by Senator Hardy:
Amendment No. 763.
"SUMMARY—Revises provisions governing the attendance of pupils and graduation from high school. (BDR 34-1140)"
"AN ACT relating to education; authorizing certain pupils to receive a standard high school diploma without passing all subject areas of the high school proficiency examination under certain circumstances; authorizing the board of trustees of a school district to adopt a policy that allows certain pupils enrolled in high school the opportunity to make up credit; authorizing a juvenile court to impose certain orders against the parent or legal guardian of a child who is adjudicated in need of supervision because the child is a habitual truant; revising provisions governing employment of minors; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law prescribes a standard high school diploma and an adjusted diploma and requires that to receive a standard high school diploma, a pupil must satisfy the requirements for graduation from high school and either pass the high school proficiency examination in its entirety or fail to pass certain subject areas on the examination and satisfy certain alternative criteria
prescribed by the State Board of Education. (NRS 389.805) **Section 5** of this bill provides that a pupil who has failed to pass the same subject area of the high school proficiency examination each time the pupil took the examination, including the final administration of the examination to the pupil before the date on which he or she is otherwise regularly scheduled to graduate, may receive a standard high school diploma if the pupil obtained a cumulative score that meets the required cumulative score prescribed by the State Board and also satisfies certain additional conditions. **Section 5** also removes the satisfaction of the existing alternative criteria as a means by which a pupil may receive a standard high school diploma. **Section 9.5** of this bill requires the board of trustees of each school district, on or before December 31, 2012, to submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a report on the number of pupils who were awarded a standard high school diploma pursuant to the criteria prescribed by **section 5**.

**Section 6** of this bill authorizes school districts to adopt a policy that allows a high school pupil who has failed to comply with minimum attendance requirements the opportunity to make up the credits which the pupil missed during his or her absence.

Existing law prescribes the actions which must be taken by a juvenile court against a child who has been adjudicated in need of supervision because the child is a habitual truant. (NRS 62E.430) **Section 7** of this bill authorizes a juvenile court to order the parent or legal guardian of such a child to attend conferences with the child's teacher and appropriate school administrators to address the status of the child as a habitual truant and to develop a plan to ensure that the child attends school.

**Section 8** of this bill authorizes the parent or legal guardian of a child between the ages of 16 and 18 years to indicate on a work permit that is issued to the child by the county, if any, the maximum number of hours that his or her child may work and the particular hours in which that work may occur during the week or on the weekend.

Existing law provides that a child under the age of 16 years may be employed in certain occupations for not more than 48 hours in any 1 week and 8 hours in any 1 day. (NRS 609.240) **Section 9** of this bill revises the hours that a child may be employed to 20 hours in any 1 week when school is in session and 48 hours in any 1 week when school is not in session.

(I) Immediately following the date of the order if the child is eligible to apply for a driver's license; or

(II) After the date the child becomes eligible to apply for a driver's license if the child is not eligible to apply for a driver's license.

(b) The second or any subsequent time the child is adjudicated to be in need of supervision because the child is a habitual truant:

(1) Order:

(I) The child to pay a fine of not more than $200 and the administrative assessment required by NRS 62E.270 or if the parent or guardian of the child knowingly induced the child to be a habitual truant, order the parent or guardian to pay the fine and the administrative assessment;

(II) The child to perform not more than 10 hours of community service; or

(III) Compliance with the requirements set forth in both sub-subparagraphs (I) and (II); and

(2) If the child is 14 years of age or older, order the suspension of the driver's license of the child for at least 60 days but not more than 1 year. If
the child does not possess a driver's license, the juvenile court shall prohibit
the child from applying for a driver's license for 60 days:

(I) Immediately following the date of the order if the child is eligible
to apply for a driver's license; or

(II) After the date the child becomes eligible to apply for a driver's
license if the child is not eligible to apply for a driver's license.

2. The juvenile court may suspend the payment of a fine ordered
pursuant to paragraph (a) of subsection 1 if the child attends school for
60 consecutive school days, or its equivalent in a school district operating

imposition of the fine, or has a valid excuse acceptable to the child's teacher
or the principal for any absence from school within that period.

3. The juvenile court may suspend the payment of a fine ordered
pursuant to this section if the parent or guardian of a child is ordered to pay a
fine by another court of competent jurisdiction in a case relating to or arising
out of the same circumstances that caused the juvenile court to adjudicate the
child in need of supervision.

4. The community service ordered pursuant to this section must be
performed at the child's school of attendance, if practicable.

5. If a child is adjudicated in need of supervision because the child is a
habitual truant, the juvenile court may, the first time, the second time or
any subsequent time the child is adjudicated to be in need of supervision
because the child is a habitual truant, order the parent or legal guardian of
the child to attend conferences with the child's teacher and appropriate
school administrators to address the status of the child as a habitual truant
and to develop a plan to ensure that the child attends school.

Sec. 8. Chapter 609 of NRS is hereby amended by adding thereto a new
section to read as follows:

If a county requires the issuance of work permits and a work permit is
issued to a child between the ages of 16 and 18 years, the parent or legal
guardian of the child may indicate on the work permit the maximum
number of hours that his or her child may work and specify the time
periods in which that work may occur during the week and on the
weekend.

Sec. 9. NRS 609.240 is hereby amended to read as follows:

609.240 1. No child under the age of 16 years may be employed,
permitted or suffered to work at any gainful occupation, other than domestic
service, employment as a performer in the production of a motion picture or
work on a farm, more than 48:

(a) Twenty hours in any 1 week when school is in session;
(b) Forty-eight hours in any 1 week when school is not in session; or
more than 8:
(c) Eight hours in any 1 day.

2. The presence of a child in any establishment during working hours is
prima facie evidence of employment of the child therein.
Sec. 9.5. 1. On or before December 31, 2012, the board of trustees of each school district shall submit to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a report on the standard high school diplomas awarded to pupils pursuant to the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act.

2. The report submitted pursuant to subsection 1 must include:
   (a) The number of pupils who were awarded a standard high school diploma pursuant to the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act;
   (b) An assessment of the effectiveness of the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act, with enabling pupils to receive a standard high school diploma who would not otherwise have been eligible for such a diploma; and
   (c) A determination as to whether the awarding of a standard high school diploma pursuant to the criteria prescribed by subsection 4 of NRS 389.805, as amended by section 5 of this act, should continue to be a means by which pupils may receive a standard high school diploma.

Sec. 10. [This act becomes effective on July 1, 2011.]

1. The State Board of Education shall prescribe the cumulative score on the high school proficiency examination necessary to implement the provisions of paragraph (e) of subsection 4 of NRS 389.805, as amended by section 5 of this act, as soon as practicable after the effective date of section 5 of this act.

2. The State Board of Education is exempt from the provisions of chapter 233B of NRS for the purposes of prescribing the score pursuant to subsection 1 for the pupils currently enrolled in grade 12 but shall adopt a permanent regulation prescribing the score for future school years on or before January 1, 2012, pursuant to chapter 233B of NRS.

Sec. 11. 1. This section and section 5 of this act become effective upon passage and approval.

2. Sections 1 to 4, inclusive, and 6 to 10, inclusive, of this act become effective on July 1, 2011.

Senator Hardy moved the adoption of the amendment.
Remarks by Senators Hardy and Denis.
Senator Hardy requested that the following remarks be entered in the Journal.

Senator Hardy:
The intent of this amendment is to allow any pupils currently enrolled in grade 12 to be eligible to receive a standard high school diploma if they meet the criteria set forth in Section 5 of the bill which includes obtaining a cumulative score on the high school proficiency examination prescribed by the State Board of Education. This has been vetted by both Chairs of the Education Committees.

Section 10 allows for the State Board of Education to be exempted from making the regulations necessary for it be applied to grade 12, and puts that exemption off so that the
State Board of Education can go ahead and make the appropriate regulations effective January 1, 2012.

Senator Denis:
I have looked at the amendment and it makes sense. It will help students today, rather than having to wait until next year.

Remarks by Senators Cegavske and Denis.
Senator Cegavske requested that the following remarks be entered in the Journal.

Senator Cegavske:
Thank you, Mr. President. I want to remind the body that the amendment on this bill extends it instead of completely deleting it.
I would be remiss if I did not comment on the norm-reference tests. This bill deletes the only testing we do that goes to the local level. I have concerns about getting rid of this permanently. I think it is important that the schools, the principals and the parents get testing results as soon as
they can. This is one test that does provide that. Because of funding, it is suspended by extension for two years.

I have concern with the criterion-reference test. Unfortunately, that test is one that the State Board of Education is in charge of. They have watered down the criteria. Our students are passing at a 53 percent rate.

I have concerns about the testing that we are doing in the State of Nevada. If Senator Raggio were here, he would tell you this is one that he never wanted to get rid of. That is why we suspended it two years ago. I ask that we do that again. I know that when the new testing comes in, when the standards are changed, the National Common Core Standards say the testing will be better, and that we will have more accountability so the proof will be seen.

Several of us will not be here in the years to come. Know that this norm-referencing test is one of the few tests that get down to the local level. I hate to see it go, but we will wait and see what replaces it.

SENATOR DENIS:

I understand the need to test our children. Over the past few years, we have been looking for ways to reduce the number of tests. No Child Left Behind was referred to as, "no child left untested." By moving this out two more years, it will give us an opportunity to see what other instruments we will have to put in place with all of the databases and other tools to help us assess our students.

It is okay to move it forward. Eventually we will have a better tool. Moving it forward will allow us to discontinue it for now and we will save the money from the tests. We will look at it again in two years.

MOTIONS, RESOLUTIONS AND NOTICES

Assembly Concurrent Resolution No. 11—Amending the Joint Standing Rules of the Senate and Assembly for the 76th Session of the Nevada Legislature to extend the second House passage deadline from May 27, 2011, until May 30, 2011.

RESOLVED BY THE ASSEMBLY OF THE STATE OF NEVADA, THE SENATE CONCURRING, That Rule No. 14.3 of the Joint Standing Rules of the Senate and Assembly as adopted by the 76th Session of the Nevada Legislature is hereby amended to read as follows: Rule No. 14.3. Final Dates for Action by Standing Committees and Houses. Except as otherwise provided in Joint Standing Rules Nos. 14.4, 14.5 and 14.6:
1. The final standing committee to which a bill or joint resolution is referred in its House of origin may only take action on the bill or joint resolution on or before the 68th calendar day of the legislative session. A bill may be re-referred after that date only to the Committee on Finance
or the Committee on Ways and Means and only if the bill is exempt pursuant to subsection 1 of Joint Standing Rule No. 14.6.

2. Final action on a bill or joint resolution may only be taken by the House of origin on or before the 79th calendar day of the Legislative Session.

3. The final standing committee to which a bill or joint resolution is referred in the second House may only take action on the bill or joint resolution on or before the 103rd calendar day of the Legislative Session. A bill may be re-referred after that date only to the Committee on Finance or the Committee on Ways and Means and only if the bill is exempt pursuant to subsection 1 of Joint Standing Rule No. 14.6.

4. Final action on a bill or joint resolution may only be taken by the second House on or before the $110th$ calendar day of the Legislative Session.

Senator Horsford moved the adoption of the resolution.

Remarks by Senator Horsford.

Senator Horsford requested that his remarks be entered in the Journal.

The purpose of the resolution is to modify our Joint Standing Rules. It asks to allow for policy bills, which would have to be passed by the second house on Friday, until Monday, May 30, 2011 for passage, to give our staff time to make any amendments or modifications to those bills. This is so that we can prioritize the budget process, this week's priority, and to delay any of the policy bills until Monday. Policy bills already out with amendments ready will be brought directly to the Floor and will be considered under Second Reading and Third Reading as we normally do. If, as committees complete work, those amendments are not ready by Friday, this will extend that time to Monday. This will give us ample time to consider those measures. This is a resolution agreed to by leadership in both houses.

Mr. President announced that if there were no objections, the Senate would recess subject to the call of the Chair.

Almighty God and Father, we come to You this morning seeking Your guidance to work for the good of the citizens of Nevada. As we met yesterday to discuss what directions to take, may we look closely at all decisions we make because they will have a lasting influence on the State’s success in this fragile world.
Guide us today, especially as we might take positions that are not in agreement with those seated in this Chamber and the Assembly.
We also come to You again today asking for Your help and assistance for the brave people of the Midwest in our country who are reeling after more tornados in that area yesterday. Give comfort to those who have experienced great loss of any kind. May we, as the citizens of Nevada, rise up to give assistance that we truly be united together as one people in this United States.
All these things we bring to You trusting in Your love, grace and mercy, in the Name of Your Son, Jesus Christ.
AMEN.

MOTIONS, RESOLUTIONS AND NOTICES
Assembly Concurrent Resolution No. 11.
Senator Horsford moved the adoption of the resolution.
Remarks by Senators Horsford, McGinness, Settelmeyer; Secretary Byerman and President Krolicki.
Senator Horsford requested that the following remarks be entered in the Journal.

SENATOR HORSFORD:
This rule change will allow for second house passage on Monday instead of this Friday to allow our staff the weekend to complete the amendments on any policy related bills. It will allow us to focus on the remaining portion of this week on the budget.
SENATOR McGINNESS:
I appreciate the Majority Leader's explanation. I spoke to legal counsel and because of the delay yesterday and since we did not meet that perhaps we did not need this resolution. Can you explain?

SENATOR HORSFORD:
No, this was something that was requested by staff to help us with the process. We have a lot of bills and a lot of amendments that are still requested. In order to focus on the budget provisions, it is requested that we adopt this rule change to our Joint Standing Rules.

SENATOR SETTLEMEYER:
Thank you, Mr. President. I have a parliamentary inquiry. There has been some discussion that at first, the Secretary of the Senate had indicated that this was a two-thirds vote. I agreed with that under our Rule No. 91, which says under suspension of the rules, "No standing rule or order of the Senate shall be rescinded or changed without a vote of two-thirds of the body." Is this now all of a sudden a majority vote, if it is how?

SENATOR HORSFORD:
Are you referring to the Senate Rules or to the Joint Standing Rules?

SENATOR SETTLEMEYER:
I was concerned as we are talking about changing a rule that affects the Senate. I assumed that would be under the Senate Standing Rules.

SENATOR HORSFORD:
It is the Joint Standing Rules that are separate from the Senate Rules. This is a Joint Standing Rule change that requires a majority vote of both houses.

SENATOR SETTLEMEYER:
So, under parliamentary procedure it is majority. Thank you.

SECRETARY BYERMAN:
I communicated yesterday, as Parliamentarian for the Senate, to both the Senate Majority and Minority Leaders that Rule No. 91 does address an amendment to the Senate Standing Rules. The Senate rules do require a two-thirds vote for that type of a change. But for an amendment to the Joint Standing Rules, we do not address the vote requirements in our rules. Therefore, Mason's Manual, our parliamentary authority, applies. Mason's Manual clearly indicates that if there is not a higher vote requirement indicated in our rules, then as in this case of the Joint Standing Rules, a majority vote would be required.

MR. PRESIDENT:
I do believe that the Joint Rules do not cover voting procedures because each house shall cover its own procedures. We determine how they will conduct their business. While I understand this is for Joint Rules, we do have procedures. However, we are not voting directly to suspend the rules of this Senate. We are passing a resolution. I believe a simple majority is in order. I appreciate Senator Settelmeyer's comments that this is a circuitous route to that end.

Motion carried on a division of the house.

Senator Wiener moved that Assembly Bills Nos. 483, 566, be taken from their positions on the General File and placed at the top of the General File and to proceed next to the General File.

Assembly Bill No. 566.
Bill read third time.
Remarks by Senators Parks, Settelmeyer, Denis and Cegavske.
Senator Parks requested that the following remarks be entered in the Journal.

SENATOR PARKS:
Assembly Bill No. 566 revises the districts for election of members of the Nevada Senate and Assembly and of representatives in the United States House of Representatives.

The measure retains a 21-member Senate. The ideal population in each Senate district is 128,598. The overall range of population deviation is 0.23 percent. The plan eliminates the multi-member Senate districts in Clark County, and includes 15 Senate districts wholly within Clark County and three districts wholly within Washoe County. The remaining three districts contain parts of Clark and Washoe Counties, and the rural counties.

The measure retains a 42-member Assembly. The ideal population in each Assembly district is 64,299. The overall range of population deviation is 0.49 percent. No Assembly districts are nested within Senate districts. The plan includes 30 Assembly districts wholly within Clark County and six districts wholly within Washoe County. The remaining six districts contain parts of Clark and Washoe Counties, and the rural counties.

Based on the 2010 United States Census, Nevada has been apportioned a fourth Congressional district. The ideal population in each district is 675,138. The overall range of population deviation is 0.00 percent. Two Congressional districts are wholly contained in Clark County. A third district contains a portion of Clark County and all or parts of rural counties. A fourth district contains all of Washoe County and all or parts of rural counties. The bill provides for the use of the term "reelect" in the 2012 General Election under certain circumstances. The measure also includes a severability clause.

The bill contains various effective dates for the purposes of filing for office and for nominating and electing members of the Nevada Legislature and the U.S. House of Representatives and for other purposes.
Senator Settlemyer:
I rise in opposition to this bill. I am concerned with how this bill complies with the Voting Rights Act. The Hispanics are currently 26 percent of the population of our State. They currently hold two seats now. That should be 9.5 percent of the seats in this Chamber. The Hispanics represented 46 percent of the population growth in the State of Nevada since the 2000 census. Under this plan, I do not see any opportunities for the minority opportunity districts to advance. I respectfully rise in opposition. I am also concerned about the renumbering of the districts. We renumbered a lot of districts that we did need to. Individuals could have kept their own numbers, therefore there would not have had to be any change of law. The change of law that was mentioned within the bill still leaves six or seven Senators not being able to use the term "reelect."

Senator Denis:
Once again, I would like to thank the Republican caucus for trying to look out for the Hispanic community; however, in this particular map it does give a better opportunity for the Hispanic community. I have talked with many Hispanic community organizations in Nevada. We feel this will give us a better opportunity as we move forward to have Hispanic representation. I feel these maps have taken that into consideration.

Senator Cegavske:
I also rise in opposition of Assembly Bill No. 566. When we released the data for the Republican maps, it was our impression that we would be able to have some good discussions about both sets of maps and come to some mutual agreement. Unfortunately, there was a meeting set up for Monday. It was cancelled. A meeting yesterday was cancelled. I rise in opposition that there was no debate. There was no looking at both proposals trying to come to common ground. This is being pushed through without the considerations of both parties.

Section 44 of this bill revises the exemptions from the statutes governing mortgage agents and mortgage brokers. Sections 47 and 48 of this bill revise provisions relating to a surety bond posted by a mortgage broker. Section 53 of this bill authorizes the Commissioner to disclose certain confidential information relating to an investigation. Section 56 of this bill requires a mortgage broker to review an impound trust account annually.

Existing law governs the conduct of mortgage bankers and requires the Commissioner of Mortgage Lending to supervise and control the conduct of mortgage bankers within this State. (Chapter 645E of NRS) Section 72 of this bill revises the exemptions from the statutes governing mortgage bankers. Section 81 of this bill authorizes the Commissioner to disclose certain confidential information relating to an investigation.

Existing law requires the Commissioner to adopt regulations concerning the licensing of persons who provide certain covered services. (NRS 645F.390) Section 96 of this bill includes additional services within the definition of "covered services." Section 101 of this bill revises provisions governing the compensation a provider of covered services may receive. [Existing law exempts an attorney at law from the requirements concerning the licensing of persons who provide covered services for compensation, but section 98 of this bill specifically provides that an attorney at law is subject to the provisions of section 88.5 of this bill, which prohibit a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant from requesting or receiving any compensation before a homeowner executes a written agreement that incorporates an offer of mortgage assistance.]

Assembly Bill No. 282.  
Bill read third time.  
The following amendment was proposed by Senator Halseth:  
Amendment No. 780.  
"SUMMARY—Revises various provisions concerning firearms. (BDR 15-962)"  
"AN ACT relating to firearms; revising provisions concerning permits to carry concealed semiautomatic firearms; revising provisions governing the renewal of a permit to carry a concealed firearm; revising provisions
concerning the confidentiality of information relating to permits to carry concealed firearms; revising provisions governing the possession of firearms in state parks; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Under existing law, a person who wishes to carry a concealed firearm must obtain a permit to carry the firearm. (NRS 202.3657) As part of the application process to obtain a permit, an applicant must undergo an investigation by a sheriff to determine if the applicant is eligible for a permit. Such an investigation must include a report from the Federal Bureau of Investigation. (NRS 202.366) **Section 2** of this bill additionally requires an applicant for the renewal of a permit to undergo an investigation by the sheriff. **Section 2** also specifies that an investigation conducted by the sheriff for an initial application or a renewal application must include a report from the National Instant Criminal Background Check System. **Section 4** of this bill revises the fee for the renewal of a permit from $25 to the amount of the actual cost to obtain the reports required as part of the investigation by the sheriff.

Existing law also provides that a qualified applicant for a permit to carry a concealed firearm may obtain a permit for revolvers, for one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms. (NRS 202.3657) If the application for a permit involves semiautomatic firearms, the applicant must state the make, model and caliber of each semiautomatic firearm for which the applicant is seeking to obtain a permit. (NRS 202.366) Additionally, to receive and renew a permit involving semiautomatic firearms, an applicant or permittee must demonstrate competence with each semiautomatic firearm to which the application pertains. (NRS 202.3657, 202.3677) **Section 1** of this bill provides that: (1) a qualified applicant for a permit to carry a concealed firearm may obtain one permit for all semiautomatic firearms that the applicant seeks to carry instead of being required to obtain a permit for each specific semiautomatic firearm; and (2) an applicant or permittee may demonstrate competence with semiautomatic firearms in general rather than with each specific semiautomatic firearm.

Existing law further provides that information in an application for a permit to carry a concealed firearm and all information relating to the investigation of an applicant for such a permit is confidential. (NRS 202.3662) However, the Nevada Supreme Court recently held in *Reno Newspapers, Inc. v. Haley*, 126 Nev. Adv. Op. 23, 234 P.3d 922 (2010), that the identity of a holder of a permit to carry a concealed firearm and any postpermit records of investigation, suspension or revocation are not confidential and are therefore public records. **Section 3** of this bill provides that the identity and any information acquired during the investigation of a holder of a permit to carry a concealed firearm are confidential, as are any records regarding the suspension, restoration or revocation of such a permit.
Existing law also allows the Administrator of the Division of State Parks of the State Department of Conservation and Natural Resources to adopt regulations, including, without limitation, prohibitions and restrictions on activities within parks or recreational facilities within the jurisdiction of the Division. (NRS 407.0475) Existing administrative regulations allow a person to carry a concealed firearm in a state park if the person complies with existing laws concerning the carrying of concealed weapons but prohibit a person from discharging a firearm in a state park. (NAC 407.105) Any person who violates a regulation adopted by the Administrator is guilty of a misdemeanor. (NRS 407.0475) While existing law prohibits the discharge of a firearm under various circumstances, it also provides certain defenses for violating such provisions by allowing a person to make sufficient resistance to prevent the occurrence of certain offenses. (NRS 202.280-202.290, 193.230-193.250)

Section 5 of this bill prohibits the Administrator from adopting any regulation concerning the possession of firearms in state parks or recreational facilities which is more restrictive than the laws of this State relating to: (1) the possession of firearms; and (2) engaging in lawful resistance to prevent an offense against a person or property. Section 5 also voids any regulation which conflicts with such laws.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 202.3657 is hereby amended to read as follows:

202.3657 1. Any person who is a resident of this State may apply to the sheriff of the county in which he or she resides for a permit on a form prescribed by regulation of the Department. Any person who is not a resident of this State may apply to the sheriff of any county in this State for a permit on a form prescribed by regulation of the Department. Application forms for permits must be furnished by the sheriff of each county upon request.

2. Except as otherwise provided in this section, the sheriff shall issue a permit for revolvers, one or more specific semiautomatic firearms, or for revolvers and one or more specific semiautomatic firearms, as applicable, to any person who is qualified to possess the firearm or firearms to which the application pertains under state and federal law, who submits an application in accordance with the provisions of this section and who:

(a) Is 21 years of age or older;

(b) Is not prohibited from possessing a firearm pursuant to NRS 202.360; and

(c) Demonstrates competence with revolvers, each specific semiautomatic firearm to which the application pertains, revolvers and each such semiautomatic firearm, as applicable, by presenting a certificate or other documentation to the sheriff which shows that the applicant:

(1) Successfully completed a course in firearm safety approved by a sheriff in this State; or
(2) Successfully completed a course in firearm safety offered by a federal, state or local law enforcement agency, community college, university or national organization that certifies instructors in firearm safety. Such a course must include instruction in the use of revolvers, semi-automatic firearms, or revolvers and each such semi-automatic firearm to which the application pertains, in the laws of this State relating to the use of a firearm. A sheriff may not approve a course in firearm safety pursuant to subparagraph (1) unless the sheriff determines that the course meets any standards that are established by the Nevada Sheriffs' and Chiefs' Association or, if the Nevada Sheriffs' and Chiefs' Association ceases to exist, its legal successor.

3. The sheriff shall deny an application or revoke a permit if the sheriff determines that the applicant or permittee:
   (a) Has an outstanding warrant for his or her arrest.
   (b) Has been judicially declared incompetent or insane.
   (c) Has been voluntarily or involuntarily admitted to a mental health facility during the immediately preceding 5 years.
   (d) Has habitually used intoxicating liquor or a controlled substance to the extent that his or her normal faculties are impaired. For the purposes of this paragraph, it is presumed that a person has so used intoxicating liquor or a controlled substance if, during the immediately preceding 5 years, the person has been:
      (1) Convicted of violating the provisions of NRS 484C.110; or
      (2) Committed for treatment pursuant to NRS 458.290 to 458.350, inclusive.
   (e) Has been convicted of a crime involving the use or threatened use of force or violence punishable as a misdemeanor under the laws of this or any other state, or a territory or possession of the United States at any time during the immediately preceding 3 years.
   (f) Has been convicted of a felony in this State or under the laws of any state, territory or possession of the United States.
   (g) Has been convicted of a crime involving domestic violence or stalking, or is currently subject to a restraining order, injunction or other order for protection against domestic violence.
   (h) Is currently on parole or probation from a conviction obtained in this State or in any other state or territory or possession of the United States.
   (i) Has, within the immediately preceding 5 years, been subject to any requirements imposed by a court of this State or of any other state or territory or possession of the United States, as a condition to the court's:
      (1) Withholding of the entry of judgment for a conviction of a felony; or
      (2) Suspension of sentence for the conviction of a felony.
   (j) Has made a false statement on any application for a permit or for the renewal of a permit.

4. The sheriff may deny an application or revoke a permit if the sheriff receives a sworn affidavit stating articulable facts based upon personal
knowledge from any natural person who is 18 years of age or older that the applicant or permittee has or may have committed an offense or engaged in any other activity specified in subsection 3 which would preclude the issuance of a permit to the applicant or require the revocation of a permit pursuant to this section.

5. If the sheriff receives notification submitted by a court or law enforcement agency of this or any other state, the United States or a territory or possession of the United States that a permittee or an applicant for a permit has been charged with a crime involving the use or threatened use of force or violence, the conviction for which would require the revocation of a permit or preclude the issuance of a permit to the applicant pursuant to this section, the sheriff shall suspend the person's permit or the processing of the person's application until the final disposition of the charges against the person. If a permittee is acquitted of the charges, or if the charges are dropped, the sheriff shall restore his or her permit without imposing a fee.

6. An application submitted pursuant to this section must be completed and signed under oath by the applicant. The applicant's signature must be witnessed by an employee of the sheriff or notarized by a notary public. The application must include:

   (a) The name, address, place and date of birth, social security number, occupation and employer of the applicant and any other names used by the applicant;

   (b) A complete set of the applicant's fingerprints taken by the sheriff or his or her agent;

   (f) The make, model and caliber of each semiautomatic firearm to which the application pertains, if any;

   (g) Whether the application pertains to semiautomatic firearms;

   (g) Whether the application pertains to revolvers;

investigation, the sheriff shall forward a complete set of the applicant's fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report
concerning the criminal history of the applicant. **The investigation also must include a report from the National Instant Criminal Background Check System.** The sheriff shall issue a permit to the applicant unless the applicant is not qualified to possess a handgun pursuant to state or federal law or is not otherwise qualified to obtain a permit pursuant to NRS 202.3653 to 202.369, inclusive, or the regulations adopted pursuant thereto.

2. To assist the sheriff in conducting the investigation, any local law enforcement agency, including the sheriff of any county, may voluntarily submit to the sheriff a report or other information concerning the criminal history of an applicant.

3. Within 120 days after a complete application for a permit is submitted, the sheriff to whom the application is submitted shall grant or deny the application. If the application is denied, the sheriff shall send the applicant written notification setting forth the reasons for the denial. If the application is granted, the sheriff shall provide the applicant with a permit containing a colored photograph of the applicant and containing such other information as may be prescribed by the Department. Remarks by Senator Halseth.
Senator Halseth requested that her remarks be entered in the Journal.
Thank you, Mr. President. This amendment makes a couple of changes to the bill. First, the amendment deletes the changes to the fee provisions in Sections 1 and 4 of the bill so that the bill retains the existing fees for obtaining and renewing a permit to carry a firearm. Second, the amendment adds multiple joint sponsors to the bill. Specifically, the amendment would include all of the Republican Senators as joint sponsors of the bill.

SECOND READING AND AMENDMENT
Assembly Bill No. 59.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 634.
"SUMMARY—Makes various changes to the Open Meeting Law. (BDR 19-288)"

"AN ACT relating to the Open Meeting Law; requiring a public body to take certain actions if the Attorney General finds that the public body has violated the Open Meeting Law; authorizing the Attorney General to issue subpoenas during investigations of such violations; revising the definition of "public body" for the purposes of the Open Meeting Law; providing that meetings of a public body that are quasi-judicial in nature are subject to the Open Meeting Law under certain circumstances; requiring a public body to include certain notifications on an agenda for a public meeting; excluding a meeting held to consider an applicant for employment from certain notice requirements; making members of a public body subject to a civil penalty for violations; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law establishes the Open Meeting Law which requires, except in certain limited situations, that all meetings of public bodies be open and public. It further requires that all persons be allowed to attend any meeting of these public bodies. (NRS 241.020) Existing law makes any action of a public body in violation of the Open Meeting Law void, and requires the Attorney General to investigate and prosecute any violation of the Open Meeting Law. (NRS 241.036, 241.040) If the Attorney General finds that a public body has taken an action which violates the Open Meeting Law,
Section 2 of this bill requires the public body to include an item on the next agenda posted for a meeting of the public body acknowledging the finding of the Attorney General regarding such a violation. Section 2 also provides that such acknowledgment is not an admission of wrongdoing on the part of the public body for the purposes of a civil action, criminal prosecution or injunctive relief. Section 3 of this bill authorizes the Attorney General to issue subpoenas for the production of documents, records or materials in the course of his or her investigation of any violation of the Open Meeting Law and makes failure or refusal to comply with such a subpoena a misdemeanor.

Section 1.5 of this bill provides that meetings of a public body that are quasi-judicial in nature are subject to the provisions of the Open Meeting Law unless exempted by the Legislative Commission. Section 4 of this bill revises the definition of “public body” for purposes of the Open Meeting Law. Section 4 also excludes proceedings of a public body that are judicial or quasi-judicial in nature from the requirements of the Open Meeting Law, unless the public body in question is also a regulatory body.

Section 5 of this bill adds certain notifications that must be included on an agenda for a meeting of a public body.

Under existing law, if a public body holds a meeting to consider the character, alleged misconduct, professional competence, or physical or mental health of a person, it must first provide written notice of that fact and, if such a meeting will be closed, must allow the attendance of certain individuals. Existing law also provides that casual or tangential references to a person or the person's name during a closed meeting do not constitute consideration of the character, alleged misconduct, professional competence, or physical or mental health of the person. (NRS 241.033) Section 6 of this bill provides that a meeting to consider an applicant for employment does not require prior notice to be given to the applicant.

Existing law makes each member of a public body who attends a meeting where action is taken in violation of the Open Meeting Law with knowledge of the fact that the meeting is in violation guilty of a misdemeanor. (NRS 241.040) Section 7 of this bill further makes each such member who attends such a meeting subject to a civil penalty in an amount not to exceed $500.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 241 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.5, 2 and 3 of this act.

Sec. 1.5. Meetings of a public body that are quasi-judicial in nature are subject to the provisions of this chapter unless the public body has received an exemption from the Legislative Commission.
2. For the purposes of this section, a meeting is quasi-judicial in nature if it is judicial in character and the public body affords to each party in the meeting:
   (a) The ability to present and object to evidence;
   (b) The ability to cross-examine witnesses;
   (c) A written decision; and
   (d) An opportunity to appeal the written decision.

Sec. 2. 1. If the Attorney General makes findings of fact and conclusions of law that a public body has taken action in violation of any provision of this chapter, the public body must include an item on the next agenda posted for a meeting of the public body which acknowledges the findings of fact and conclusions of law. The opinion of the Attorney General must be treated as supporting material for the item on the agenda for the purposes of NRS 241.020.

2. The inclusion of an item on the agenda for a meeting of a public body pursuant to subsection 1 is not an admission of wrongdoing for the purposes of a civil action, criminal prosecution or injunctive relief.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:

(b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.

If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. A public body may provide the public notice, information and material required by this section by electronic mail. If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

8. As used in this section, "emergency" means an unforeseen circumstance which requires immediate action and includes, but is not limited to:

(a) Disasters caused by fire, flood, earthquake or other natural causes; or

(b) Any impairment of the health and safety of the public.

7. For the purposes of this section:
   (a) A meeting held to consider an applicant for employment is not subject to the notice requirements otherwise imposed by this section.
   (b) Casual or tangential references to a person or the name of a person during a closed meeting do not constitute consideration of the character, alleged misconduct, professional competence, or physical or mental health of the person.

Sec. 7. NRS 241.040 is hereby amended to read as follows:

Assembly Bill No. 198.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 611.
"SUMMARY—Revises provisions governing the Nevada Rural Housing Authority. (BDR 31-376)"

"AN ACT relating to the Nevada Rural Housing Authority; revising the definition of "local government" to include the Authority for the purpose of loans from a local government in certain counties to the Authority; revising the requirements for eligibility to serve as a commissioner of the Authority; authorizing the Authority to receive a loan from a local government; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, before a local government may make an interfund loan or loan of money to another local government, the governing body of the local government that wishes to make the loan must determine at a public hearing that a sufficient amount of unrestricted money is available for the loan and that the loan will not compromise the economic viability of the fund from which the money is loaned. The local government must also establish at the public hearing: (1) the amount of time the money will be on loan from the fund; (2) the terms and conditions for repaying the loan; and (3) the rate of interest, if any, to be charged for the loan. (NRS 354.6118) For the purpose of making such a loan, the term "local government" does not include the Nevada Rural Housing Authority. (NRS 354.474) Existing law confers upon the Nevada Rural Housing Authority the authority to engage in various activities relating to the purposes for which the Authority was created, including, without limitation, the authority to enter into agreements or other transactions with any governmental agency or other source to further those purposes. (NRS 315.983)

Section 1 of this bill revises the definition of "local government" to include the Nevada Rural Housing Authority for the sole purpose of loans from a local government in a county whose population is less than 100,000 (currently counties other than Clark and Washoe Counties) to the Authority in accordance with existing law. Section 3 of this bill expands the authorized actions of the Nevada Rural Housing Authority to include receipt by the Authority of such a loan of money from a local government.

Existing law provides for the appointment of five commissioners to serve as members of the Nevada Rural Housing Authority. Of those five commissioners, one commissioner must be appointed jointly by the Nevada
League of Cities and the Nevada Association of Counties and must be a recipient of assistance from the Authority. If that commissioner ceases to receive assistance from the Authority, he or she must be replaced by a person who receives such assistance. (NRS 315.977) Section 2 of this bill revises the requirements for appointing that commissioner by providing that, if the commissioner no longer receives assistance from the Authority, he or she may continue to serve as a commissioner for the remainder of the unexpired term for which he or she was appointed if he or she resides within the area of operation of the Authority.

Existing law authorizes the Authority to operate in any area of this State which is not included within the corporate limits of a city or town having a population of 100,000 or more. (NRS 315.9835) Section 4 of this bill authorizes the Authority to provide services in any area of the State if the Authority has contracted with the State or a local government to provide those services in that area. Section 4 specifies that the provision of those services does not include the making of a mortgage loan, the issuance of a mortgage credit certificate or bonds to finance a multifamily housing project, the allocation of a low-income housing tax credit or weatherization.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 354.474 is hereby amended to read as follows:

354.474. 1. Except as otherwise provided in subsections 2 and 3, the provisions of NRS 354.470 to 354.626, inclusive, apply to all local governments. For the purpose of NRS 354.470 to 354.626, inclusive:

(a) "Local government" means every political subdivision or other entity which has the right to levy or receive money from ad valorem or other taxes or any mandatory assessments, and includes, without limitation, counties, cities, towns, boards, school districts and other districts organized pursuant to chapters 244A, 309, 318 and 379 of NRS, NRS 450.550 to 450.750, inclusive, and chapters 474, 541, 543 and 555 of NRS, and any agency or department of a county or city which prepares a budget separate from that of the parent political subdivision.

(b) "Local government" includes the Nevada Rural Housing Authority for the purpose of loans of money from a local government in a county whose population is less than 100,000 to the Nevada Rural Housing Authority in accordance with NRS 354.6118. The term does not include the Nevada Rural Housing Authority for any other purpose.

2. An irrigation district organized pursuant to chapter 539 of NRS shall fix rates and levy assessments as provided in NRS 539.667 to 539.683, inclusive. The levy of such assessments and the posting and publication of claims and annual financial statements as required by chapter 539 of NRS shall be deemed compliance with the budgeting, filing and publication requirements of NRS 354.470 to 354.626, inclusive, but any such irrigation district which levies an ad valorem tax shall comply with the filing and
publication requirements of NRS 354.470 to 354.626, inclusive, in addition to the requirements of chapter 539 of NRS.

3. An electric light and power district created pursuant to chapter 318 of NRS shall be deemed to have fulfilled the requirements of NRS 354.470 to 354.626, inclusive, for a year in which the district does not issue bonds or levy an assessment if the district files with the Department of Taxation a copy of all documents relating to its budget for that year which the district submitted to the Rural Utilities Service of the United States Department of Agriculture.

Sec. 2. NRS 315.977 is hereby amended to read as follows:

315.977 1. The Nevada Rural Housing Authority, consisting of five commissioners, is hereby created.

2. The commissioners must be appointed as follows:
   (a) Two commissioners must be appointed by the Nevada League of Cities.
   (b) Two commissioners must be appointed by the Nevada Association of Counties.
   (c) One commissioner must be appointed jointly by the Nevada League of Cities and the Nevada Association of Counties. This commissioner must be a current recipient of assistance from the Authority and must be selected from a list of at least five eligible nominees submitted for this purpose by an organization which represents tenants of housing projects operated by the Authority. If no such organization exists, the commissioner must be selected from a list of nominees submitted for this purpose from persons who currently receive assistance from the Authority. If during his or her term the commissioner ceases to be a recipient of assistance, the commissioner must be replaced by a person who is a recipient of assistance. A commissioner may continue to serve as a commissioner for the remainder of the unexpired term for which he or she was appointed if he or she resides within the area of operation of the Authority.

3. After the initial terms, the term of office of a commissioner is 4 years or until his or her successor takes office.

4. A majority of the commissioners constitutes a quorum, and a vote of the majority is necessary to carry any question.

5. If either of the appointing entities listed in subsection 2 ceases to exist, the pertinent appointments required by subsection 2 must be made by the successor in interest of that entity or, if there is no successor in interest, by the other appointing entity.

Sec. 3. NRS 315.983 is hereby amended to read as follows:

315.983 1. Except as otherwise provided in NRS 354.474 and 377.057, the Authority:

   (f) Adopt bylaws, rules and regulations to carry into effect the powers and purposes of the Authority.
   (g) Create a nonprofit organization which is exempt from taxation pursuant to 26 U.S.C. § 501(c)(3) and which has as its principal purpose the development of housing projects.

Amendment No. 747.

"SUMMARY—Makes various changes relating to fire performers and apprentice fire performers. (BDR 42-885)"

"AN ACT relating to fire protection; codifying in statute the requirement in regulation that a person obtain a certificate of registration before acting as a fire performer; authorizing a person to act as a fire performer if the person holds a certificate of registration as an apprentice fire performer; providing for the application for and issuance of a certificate of registration as an apprentice fire performer; prohibiting an apprentice fire performer from acting as a fire performer without certain supervision; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Currently, regulations adopted by the State Fire Marshal, who is charged with enforcing all laws and adopting regulations relating to fire prevention, require a person to apply to the State Fire Marshal for a certificate of registration as a fire performer before entertaining or otherwise performing before an audience using an open flame. (NRS 477.030; NAC 477.630) Any person who knowingly violates any of those laws or regulations is guilty of a misdemeanor. (NRS 477.250)

This bill codifies in statute the requirements in those regulations and adds requirements for both fire performers and apprentice fire performers. Under section 5 of this bill, a person is prohibited from acting as a fire performer unless the person is the holder of a certificate of registration as a fire performer.
performer, as in existing regulation. **Section 5** also authorizes a person to act as a fire performer if the person is the holder of a certificate of registration as an apprentice fire performer. **Section 5** authorizes the State Fire Marshal to issue either certificate to a person who meets the **age requirement for that certificate**, submits an application that includes a description of the person's experience as a fire performer or apprentice fire performer and all safety precautions used by the applicant while acting as a fire performer or apprentice fire performer, and pays an application fee prescribed by regulations adopted by the State Fire Marshal. **Section 5** also provides for the renewal of each such certificate.

**Section 6** of this bill prohibits an apprentice fire performer from acting as a fire performer unless the apprentice is directly supervised at all times by a registered fire performer who is at least 21 years of age. The person supervising must ensure that the apprentice fire performer safely handles and operates any equipment and complies with all applicable laws relating to acting as a fire performer.

Section 6 also requires the Division to maintain a link to the Internet website of the insurer on an Internet website maintained by the Division.

Section 7 of this bill authorizes the Commissioner to hold a public hearing before approving or denying a rate or proposed rate increase or decrease of such a policy, contract or plan of health insurance health benefit plan. Section 7 also authorizes an insurer, the Consumer Advocate or a consumer of health insurance to request such a public hearing. Section 7 further requires the insurer and Commissioner to publish on an Internet website maintained by the insurer or Division, respectively, certain information relating to a request for approval of a rate or proposed rate increase or decrease, including the date by which a person must request a public hearing concerning a rate or proposed rate increase. Section 12 of this bill requires that certain information be filed with the Commissioner and provides that with certain exceptions relating to confidentiality and trade secrets, the information which is filed by certain insurers is available to the public upon a written request.

686B.070 1. Every authorized insurer and every rate service organization licensed under NRS 686B.140 which has been designated by any insurer for the filing of rates under subsection 2 of NRS 686B.090 shall file with the Commissioner all:

(a) Rates and proposed rate increases or decreases; 
(b) Forms of policies to which the rates apply;

If an insurer makes a filing for a proposed increase in a rate for insurance covering the liability of a practitioner licensed pursuant to chapter 630, 631, 632 or 633 of NRS for a breach of the practitioner's professional duty toward a patient, the insurer shall not include in the filing any component that is directly or indirectly related to the following:

(a) Capital losses, diminished cash flow from any dividends, interest or other investment returns, or any other financial loss that is materially outside of the claims experience of the professional liability insurance industry, as determined by the Commissioner.

(b) Losses that are the result of any criminal or fraudulent activities of a director, officer or employee of the insurer.
If the Commissioner determines that a filing includes any such component, the Commissioner shall, pursuant to NRS 686B.110, disapprove the proposed increase, in whole or in part, to the extent that the proposed increase relies upon such a component.

3. A rate or proposed rate increase or decrease filed pursuant to subsection 1 must not go into effect until approved pursuant to NRS 686B.110.

5. As used in this section, "trade secret" has the meaning ascribed to it in subsection 5 of NRS 600A.030.

Sec. 13. NRS 686B.090 is hereby amended to read as follows:

686B.090 1. An insurer shall establish rates and supplementary rate information for any market segment based on the factors in NRS 686B.060. 2. Except as otherwise provided in section 7 of this act, an insurer may discharge its obligation under subsection 1 of NRS 686B.070 by giving notice to the Commissioner that it uses rates and supplementary rate information prepared by a designated rate service organization, with such information about modifications thereof as are necessary fully to inform the Commissioner. The insurer's rates and supplementary rate information shall be deemed those filed from time to time by the rate service organization, including any amendments thereto as filed, subject to the modifications filed by the insurer.

Sec. 14. NRS 686B.110 is hereby amended to read as follows:

686B.110 1. The Commissioner shall consider each rate or proposed increase or decrease in the rate of any kind or line of insurance or subdivision thereof filed with the Commissioner pursuant to subsection 1 of NRS 686B.070. If the Commissioner finds that a proposed increase will result in a rate which is not in compliance with NRS 686B.050 or subsection 2 of NRS 686B.070, the Commissioner shall disapprove the proposal. The Commissioner shall approve or disapprove each proposal:

(a) If the Commissioner conducts a public hearing on the proposal pursuant to section 7 of this act, not later than 30 days after it is determined by the date of the public hearing; or
(b) If no public hearing is held on the proposal pursuant to section 7 of this act, not later than 45 days after the date on which the Commissioner determines the proposal to be complete pursuant to subsection 4.5.

2. If the Commissioner fails to approve or disapprove the proposal within the period specified in subsection 1, the proposal shall be deemed approved.

3. Whenever an insurer has no legally effective rates as a result of the Commissioner's disapproval of rates or other act, the Commissioner shall on request specify interim rates for the insurer that are high enough to protect the interests of all parties and may order that a specified portion of the premiums be placed in an escrow account approved by the Commissioner. When new rates become legally effective, the Commissioner shall order the escrowed funds or any overcharge in the interim rates to be distributed appropriately, except that refunds to policyholders that are de minimis must not be required.

4. If the Commissioner disapproves a rate or proposed rate increase or decrease and an insurer requests a hearing to determine the validity of the action of the Commissioner, the insurer has the burden of showing compliance with the applicable standards for rates established in NRS 686B.010 to 686B.1799, inclusive, and sections 6, 7 and 7.5 of this act. Any such hearing must be held:

(a) Within 30 days after the request for a hearing has been submitted to the Commissioner; or

(b) Within a period agreed upon by the insurer and the Commissioner. If the hearing is not held within the period specified in paragraph (a) or (b), or if the Commissioner fails to issue an order concerning the rate or proposed rate increase or decrease for which the hearing is held within 45 days after the hearing, the proposed rate or proposed rate increase or decrease shall be deemed approved.

5. The Commissioner shall by regulation specify the documents or any other information which must be included in a proposal for a rate or to increase or decrease a rate submitted to the Commissioner pursuant to subsection 1 of NRS 686B.070. Each such proposal shall be deemed complete upon its filing with the Commissioner, unless the Commissioner, determines that the proposal is incomplete because the proposal does not comply with the regulations adopted by the Commissioner pursuant to this subsection.

Sec. 15. NRS 686B.117 is hereby amended to read as follows:

686B.117 If a filing made with the Commissioner pursuant to paragraph (a) of subsection 1 of NRS 686B.070 pertains to insurance covering the liability of a practitioner licensed pursuant to chapter 630, 631, 632 or 633 of NRS for a breach of the practitioner's professional duty toward a patient, any interested person, and any association of persons or
organization whose members may be affected, may intervene as a matter of right in any hearing or other proceeding conducted to determine whether the applicable rate or proposed increase thereto:

2. Should be approved or disapproved.

Sec. 16. NRS 687B.120 is hereby amended to read as follows:

687B.120 1. No life or health insurance policy or contract, annuity contract form, policy form, health care plan or plan for dental care, whether individual, group or blanket, including those to be issued by a health maintenance organization, organization for dental care or prepaid limited health service organization, or application form where a written application is required and is to be made a part of the policy or contract, or printed rider or endorsement form or form of renewal certificate, or form of individual certificate or statement of coverage to be issued under group or blanket contracts, or by a health maintenance organization, organization for dental care or prepaid limited health service organization, may be delivered or issued for delivery in this state, unless the form has been filed with and approved by the Commissioner. [This subsection does not apply to any special rider or endorsement which relates to the manner of distribution of benefits or to the reservation of rights and benefits under life or health insurance policies, which special riders or endorsements are used at the request of the individual policyholder, contract holder or certificate holder.] As to group insurance policies effectuated and delivered outside this state but covering persons resident in this state, the group certificates to be delivered or issued for delivery in this state must be filed, for informational purposes only, with the Commissioner at the request of the Commissioner.

2. Every such filing made pursuant to subsection 1 must be made not less than 45 days in advance of any such delivery pursuant to subsection 1. At the expiration of 45 days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the Commissioner. Approval of any such form by the Commissioner constitutes a waiver of any unexpired portion of such waiting period. The Commissioner may extend by not more than an additional 30 days the period within which the Commissioner may so affirmatively approve or disapprove any such form, by giving notice to the insurer of the extension before expiration of the initial 45-day period. At the expiration of any such period as so extended, and in the absence of prior affirmative approval or disapproval, any such form shall be deemed approved. The Commissioner may at any time, after notice and for cause shown, withdraw any such approval.

3. Any order of the Commissioner disapproving any such form or withdrawing a previous approval must state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form is effective at the
expiration of such a period, not less than 30 days after the giving of notice of withdrawal, as the Commissioner in such notice prescribes.

4. Remarks by Senator Copening.

Senator Copening requested that her remarks be entered in the Journal.

Amendment No. 597 to Assembly Bill No. 309 provides that no provision of the Nevada Insurance Code applies to Medicaid or to the Children's Health Insurance Program.

It also makes the bill applicable to health benefits plans rather than to any policy, contract, or plan of health insurance.

The amendment authorizes the Consumer Advocate to apply to the Commissioner of Insurance for the issuance of a subpoena under certain circumstances. The amendment makes certain changes to the information an insurer is required to publish on an Internet website and protects from disclosure any information the Insurance Commissioner determines is a trade secret.

Finally, the amendment makes changes to the effective date of certain sections of the bill.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 748.
"SUMMARY—Revises provisions governing the imposition of civil penalties for violations of city or county ordinances regarding the abatement of certain conditions and nuisances on property within the city or county. (BDR 21-266)"

"AN ACT relating to local governments; requiring a city or county to provide by ordinance that property owners have 30 days to abate a nuisance or dangerous or noxious condition under certain circumstances; authorizing a city or county to collect civil penalties imposed for failure to abate certain conditions and nuisances on property within the city or county as a special assessment against the property under certain circumstances; revising provisions relating to the maximum amount of a civil penalty that may be imposed for failure to abate certain nuisances on property within the city or county under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, if an owner of property within a city fails to abate a dangerous or noxious condition, a chronic nuisance or, in larger counties, an abandoned nuisance on the property after being directed to do so, the owner may be required to pay civil penalties as well as any costs incurred by the city to abate the condition or nuisance. In addition to any other reasonable means of recovering its abatement costs, the city is authorized to make those costs a special assessment against the property and collect the special assessment in the same manner as ordinary county taxes are collected. (NRS 268.4122-268.4126) Existing law sets forth parallel authority for counties to abate chronic nuisances and public nuisances and provides that abatement costs for public nuisances must be received as a special assessment against the affected property. (NRS 244.3603, 244.3605) This bill provides that a city or county must allow a property owner at least 30 days to abate a condition or nuisance if the condition or nuisance:

1) is not an immediate danger to the public health, safety or welfare; and
2) was caused by the criminal activity of another person.

This bill authorizes a city or county to also collect any civil penalties imposed against the owner of the property as a special assessment against the property if the amount of the uncollected civil penalties after 12 months is more than $5,000.

Under existing law, the maximum civil penalty that is authorized to be imposed on an owner of property in a city or county for failure to abate a chronic nuisance on the property is $500 per day. (NRS 244.3603, 268.4124) Sections 2 and 5 of this bill increase that maximum authorized civil penalty to $750 per day if the relevant property is nonresidential property. Section 3 of this bill provides a maximum civil penalty that a city may impose for the failure to abate an abandoned nuisance of $750 per day against an owner of nonresidential property and $500 per day against an owner of residential property.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 268.4122 is hereby amended to read as follows:

manners with a tenant's use of commercial premises.

Section 15 of this bill establishes a process for a tenant to recover
possession of commercial premises from which a landlord has locked the
tenant out.

over any civil action or proceeding concerning the exclusion of a tenant
from commercial premises or the summary eviction of a tenant from
commercial premises in which no party is seeking damages. Section 15.5
also provides that certain provisions of existing law governing actions
for the recovery of a debt secured by a mortgage or other lien and the

claim by a landlord for contractual damages which is brought
subsequent to an action by the landlord for the summary eviction of a
tenant from commercial premises; or (2) an action by a landlord for the
summary eviction of a tenant from commercial premises which is
brought subsequent to a claim by the landlord for contractual damages.
Sections 16 and 27 of this bill repeal and reenact provisions authorizing a
landlord to dispose of abandoned personal property left on commercial
premises by a tenant under certain circumstances.
Sections 17-23 of this bill set forth requirements for the accounting for, refund of and charges against security deposits.

Sec. 13. The provisions of sections 2 to 24, inclusive, of this act apply only to the relationship between landlords and tenants of commercial premises.

Sec. 14. 1. A landlord or a landlord's agent may not interrupt or cause the interruption of utility service paid for directly to the utility company by a tenant unless the interruption results from construction, bona fide repairs or an emergency.

2. A landlord may not remove:
   (a) A door, window or attic hatchway cover;
   (b) A lock, latch, hinge, hinge pin, doorknob or other mechanism connected to a door, window or attic hatchway cover; or
   (c) Furniture, fixtures or appliances furnished by the landlord, from commercial premises unless the landlord removes the item for a bona fide repair or replacement. If a landlord removes any of the items listed in this subsection for a bona fide repair or replacement, the repair or replacement must be promptly performed.

   (a) Construction, bona fide repairs or an emergency;
   (b) Removing the contents of commercial premises abandoned by a tenant; or
   (c) Changing the door locks of a tenant who is delinquent in paying at least part of the rent.

The new key is required to be provided only during the regular business hours of the tenant and only if the tenant pays the delinquent rent.

5. If a landlord or a landlord's agent violates this section, the tenant may:
   (a) Recover possession of the commercial premises; and
   (b) Recover from the landlord an amount equal to the sum of the tenant's actual damages, one month's rent or $500, whichever is greater,
reasonable attorney's fees and court costs, less any delinquent rents or other sums for which the tenant is liable to the landlord.

6. A rental agreement supersedes this section to the extent of any conflict.

Sec. 15. 1. If a landlord locks a tenant out of commercial premises that are subject to a rental agreement in violation of section 14 of this act, the tenant may recover possession of the commercial premises as provided by this section.

2. A tenant must file with the justice court of the township in which the commercial premises are located a verified complaint for reentry, specifying the facts of the alleged unlawful lockout by the landlord or the landlord's agent. The tenant must also state orally under oath to the court the facts of the alleged unlawful lockout.

3. If a tenant has complied with subsection 2 and if the court reasonably believes an unlawful lockout may have occurred, the court:
   (a) Shall issue an order requiring the tenant to post a bond in an amount equal to 1 month of rent; and
   (b) Upon the posting of the bond, may issue, ex parte, a temporary writ of restitution that entitles the tenant to immediate and temporary possession of the commercial premises, pending a final hearing on the tenant's verified complaint for reentry.

4. A temporary writ of restitution must be served on the landlord or the landlord's agent in the same manner as a writ of restitution in a forcible detainer action. A sheriff or constable may use reasonable force in executing a temporary writ of restitution under this subsection.

5. The court shall hold a hearing on a tenant's verified complaint for reentry. A temporary writ of restitution must notify the landlord of the right to a hearing, the pendency of the matter and the date of the hearing. The hearing must be held not earlier than the first judicial day and not later than the fifth judicial day after the date on which the landlord requests a hearing. The court issues the temporary writ of restitution.

6. If a landlord fails to request a hearing on a tenant's verified complaint for reentry before the eighth day after the date of service of the temporary writ of restitution on the landlord under subsection 4, a judgment for court costs may be rendered against the landlord.

7. A party may appeal from the court's judgment at the hearing on the verified complaint for reentry in the same manner as a party may appeal a judgment in an action for forcible detainer.

8. If a writ of restitution is issued, the writ supersedes a temporary writ of restitution.

9. If the landlord or the person on whom a writ of restitution is served fails to immediately comply with the writ or later disobeys the writ,
the failure is grounds for contempt of court against the landlord or the person on whom the writ was served, under chapter 22 of NRS. If the writ is disobeyed, the tenant or the tenant's attorney may file in the court in which the reentry action is pending an affidavit stating the name of the person who has disobeyed the writ and describing the acts or omissions constituting the disobedience. On receipt of an affidavit, the court shall issue an order to show cause, directing the person to appear on a designated date and show cause why the person should not be adjudged in contempt of court. If the court finds, after considering the evidence at the hearing, that the person has directly or indirectly disobeyed the writ, the court may commit the person to jail without bail until the person purges himself or herself of the contempt in a manner and form as the court may direct. If the person disobeyed the writ before receiving the order to show cause but has complied with the writ after receiving the order, the court may find the person in contempt and punish the person under chapter 22 of NRS.

10. This section does not affect a tenant's right to pursue a separate cause of action under section 14 of this act.

11. If a tenant in bad faith files a sworn complaint for reentry resulting in a writ of restitution being served on the landlord or landlord's agent, the landlord may in a separate cause of action recover from the tenant an amount equal to actual damages, one month's rent or $500, whichever is greater, reasonable attorney's fees, and costs of court, less any sums for which the landlord is liable to the tenant.

12. The fee for filing a verified complaint for reentry is the same as that for filing a civil action in the court in which the verified complaint is filed. The court may defer payment of the tenant's filing fees and service costs for the verified complaint for reentry and writ of restitution. Court costs may be waived only if the tenant files an affidavit under NRS 12.015.

13. This section does not affect the rights of a landlord or tenant in a forcible detainer, unlawful detainer or forcible entry and detainer action.

Sec. 15.5. 1. Except as otherwise provided in subsection 2, the justice court has jurisdiction over any civil action or proceeding concerning the exclusion of a tenant from commercial premises or the summary eviction of a tenant from commercial premises in which no party is seeking damages.

2. If a landlord combines an action for summary eviction of a tenant from commercial premises with a claim to recover contractual damages, jurisdiction over the claims rests with the court which has jurisdiction over the amount in controversy.

3. The provisions of NRS 40.430 and the doctrines of res judicata and collateral estoppel do not apply to:

(a) A claim by a landlord for contractual damages which is brought subsequent to an action by the landlord for the summary eviction of a tenant from commercial premises; or
(b) An action by a landlord for the summary eviction of a tenant from commercial premises which is brought subsequent to a claim by the landlord for contractual damages.

Sec. 16. 1. Except as otherwise provided in subsection 3, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions, dispose of any abandoned personal property, regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(b) The landlord may charge and collect the reasonable and actual costs of inventory, moving and safe storage, if necessary, before releasing the abandoned personal property to the tenant or his or her authorized representative rightfully claiming the abandoned personal property within the appropriate period set forth in paragraph (a).

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. A tenant of commercial premises is presumed to have abandoned the premises if:

(a) Goods, equipment or other property, in an amount substantial enough to indicate a probable intent to abandon the commercial premises, is being or has been removed from the commercial premises; and

(b) The removal is not within the normal course of business of the tenant.

3. If a written agreement between a landlord and a person who has an ownership interest in any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the person with respect to the removal and disposal of the abandoned personal property.

4. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

Sec. 17. 1. A landlord shall refund a security deposit to a tenant not later than 60 days after the date on which the tenant surrenders the commercial premises and provides notice to the landlord or the landlord's agent of the mailing address of the tenant pursuant to section 21 of this act.
2. A claim of a tenant to a security deposit to which the tenant is entitled takes priority over the claim of any creditor of the landlord, including a trustee in bankruptcy. (Deleted by amendment.)

Sec. 18. 1. Before returning a security deposit, a landlord may deduct from the deposit damages and charges for which the tenant is legally liable under the rental agreement or damages and charges that result from a breach of the rental agreement.

2. A landlord may not retain any portion of a security deposit to cover normal wear and tear. For the purposes of this subsection, "normal wear and tear" means deterioration that results from the intended use of the commercial premises, including breakage or malfunction because of age or deteriorated condition, but the term does not include deterioration that results from negligence, carelessness, accident or abuse of the commercial premises, equipment, or chattels by the tenant or by a guest or invitee of the tenant.

3. If a landlord retains all or part of a security deposit under this section, the landlord shall give to the tenant the balance of the security deposit, if any, together with a written description and itemized list of all deductions.    (a) The tenant owes rent when the tenant surrenders possession of the commercial premises; and
   
   (b) No controversy exists concerning the amount of rent owed. (Deleted by amendment.)

Sec. 19. 1. Except as otherwise provided in subsection 4, if an owner's interest in commercial premises is terminated by sale, assignment, death, appointment of a receiver, bankruptcy or otherwise, the new owner is liable with respect to the security deposit pursuant to sections 2 to 24, inclusive, of this act from the date title to the premises is acquired, regardless of whether an acknowledgment is given to the tenant under subsection 2.

2. Except as otherwise provided in subsection 1, a person who no longer owns an interest in the commercial premises remains liable for a security deposit received while the person was the owner until the new owner delivers to the tenant a signed statement acknowledging that the new owner has received and is responsible for the tenant's security deposit and specifying the exact dollar amount of the deposit.

3. The amount of a security deposit for which a new owner is liable pursuant to this section is the greater of:

   (a) The amount provided in the tenant's rental agreement; or
   
   (b) The amount provided in an estoppel certificate prepared by the owner at the time the rental agreement was executed or prepared by the new owner at the time the commercial premises is transferred.

(b) Is liable for the tenant’s reasonable attorney’s fees in an action to recover the deposit.

3. In an action brought by a tenant under sections 2 to 24, inclusive, of this act, the landlord has the burden of proving that the retention of any portion of a security deposit was reasonable.

4. Except as otherwise provided in subsection 1 of section 21 of this act, a landlord who fails to return a security deposit or to provide a written description and itemized list of deductions within 60 days after the date the tenant surrenders possession of the commercial premises is presumed to have acted in bad faith.] (Deleted by amendment.)

pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in 
person in the manner set forth in paragraph (a) of subsection 1 of 
NRS 40.280. If the notice cannot be delivered in person, the landlord or the 
landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises 
and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to 
the sheriff or constable for service in the manner set forth in subsection 1 of 
NRS 40.280. The sheriff or constable shall not accept the notice for service 
unless it is accompanied by written evidence, signed by the tenant when the 
tenant took possession of the premises, that the landlord or the landlord's 
agent informed the tenant of the provisions of this section which set forth the 
lawful procedures for eviction from a short-term tenancy. Upon acceptance, 
the sheriff or constable shall serve the notice within 48 hours after the request 
for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant of the tenant's right to contest the matter by filing, 
within the time specified in subsection 1 for the payment of the rent or 
surrender of the premises, an affidavit with the court that has jurisdiction 
over the matter stating that the tenant has tendered payment or is not in 
default in the payment of the rent.

4. If the tenant files such an affidavit at or before the time stated in the 
notice, the landlord or the landlord's agent, after receipt of a file-stamped 
copy of the affidavit which was filed, shall not provide for the nonadmittance 
of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of 
complaint for eviction to the justice court of the township in which the 
dwelling, apartment, mobile home or commercial premises are located or to 
the district court of the county in which the dwelling, apartment, mobile 
home or commercial premises are located, whichever has jurisdiction over 
the matter. The court may thereupon issue an order directing the sheriff or 
constable of the county to remove the tenant within 24 hours after receipt of 
the order. The affidavit must state or contain:

(1) The date the tenancy commenced.

(2) The amount of periodic rent reserved.

(3) The amounts of any cleaning, security or rent deposits paid in 
advance, in excess of the first month's rent, by the tenant.

(4) The date the rental payments became delinquent.
(5) The length of time the tenant has remained in possession without paying rent.
(6) The amount of rent claimed due and delinquent.
(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.
(8) A copy of the written notice served on the tenant.
(9) A copy of the signed written rental agreement, if any.
(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.
6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.
7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118A.207 or 118A.460 or section 16 of this act for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:
(a) The tenant has vacated or been removed from the premises; and
(b) A copy of those charges has been requested by or provided to the tenant, whichever is later.
8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:
   (a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118.207 or 118A.460 or section 16 of this act and any accumulating daily costs; and
   (b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 26.5. NRS 40.430 is hereby amended to read as follows:

40.430  1. Except in cases where a person proceeds under subsection 2 of NRS 40.495 or subsection 1 of NRS 40.512, and except as otherwise provided in section 15.5 of this act, there may be but one action for the recovery of any debt, or for the enforcement of any right secured by a mortgage or other lien upon real estate. That action must be in accordance with the provisions of NRS 40.430 to 40.459, inclusive. In that action, the judgment must be rendered for the amount found due the plaintiff, and the court, by its decree or judgment, may direct a sale of the encumbered property, or such part thereof as is necessary, and apply the proceeds of the sale as provided in NRS 40.462.

2. This section must be construed to permit a secured creditor to realize upon the collateral for a debt or other obligation agreed upon by the debtor and creditor when the debt or other obligation was incurred.

3. At any time not later than 5 business days before the date of sale directed by the court, if the deficiency resulting in the action for the recovery of the debt has arisen by failure to make a payment required by the mortgage or other lien, the deficiency may be made good by payment of the deficient sum and by payment of any costs, fees and expenses incident to making the deficiency good. If a deficiency is made good pursuant to this subsection, the sale may not occur.

4. A sale directed by the court pursuant to subsection 1 must be conducted in the same manner as the sale of real property upon execution, by the sheriff of the county in which the encumbered land is situated, and if the
encumbered land is situated in two or more counties, the court shall direct the
sheriff of one of the counties to conduct the sale with like proceedings and
effect as if the whole of the encumbered land were situated in that county.

5. Within 30 days after a sale of property is conducted pursuant to this
section, the sheriff who conducted the sale shall record the sale of the
property in the office of the county recorder of the county in which the
property is located.

6. As used in this section, an "action" does not include any act or
proceeding:
   (a) To appoint a receiver for, or obtain possession of, any real or personal
collateral for the debt or as provided in NRS 32.015.
   (b) To enforce a security interest in, or the assignment of, any rents,
issues, profits or other income of any real or personal property.
   (c) To enforce a mortgage or other lien upon any real or personal
collateral located outside of the State which does not, except as required
under the laws of that jurisdiction, result in a personal judgment against the
debtor.
   (d) For the recovery of damages arising from the commission of a tort,
including a recovery under NRS 40.750, or the recovery of any declaratory or
equitable relief.
   (e) For the exercise of a power of sale pursuant to NRS 107.080.
   (f) For the exercise of any right or remedy authorized by chapter 104 of
NRS or by the Uniform Commercial Code as enacted in any other state.
   (g) For the exercise of any right to set off, or to enforce a pledge in, a
deposit account pursuant to a written agreement or pledge.
   (h) To draw under a letter of credit.
   (i) To enforce an agreement with a surety or guarantor if enforcement of
the mortgage or other lien has been automatically stayed pursuant to
11 U.S.C. § 362 or pursuant to an order of a federal bankruptcy court under
any other provision of the United States Bankruptcy Code for not less than
120 days following the mailing of notice to the surety or guarantor pursuant
to subsection 1 of NRS 107.095.
   (j) To collect any debt, or enforce any right, secured by a mortgage or
other lien on real property if the property has been sold to a person other than
the creditor to satisfy, in whole or in part, a debt or other right secured by a
senior mortgage or other senior lien on the property.
   (k) Relating to any proceeding in bankruptcy, including the filing of a
proof of claim, seeking relief from an automatic stay and any other action to
determine the amount or validity of a debt.
   (l) For filing a claim pursuant to chapter 147 of NRS or to enforce such a
claim which has been disallowed.
   (m) Which does not include the collection of the debt or realization of the
collateral securing the debt.
   (n) Pursuant to NRS 40.507 or 40.508.
(o) Which is exempted from the provisions of this section by specific statute.

(p) To recover costs of suit, costs and expenses of sale, attorneys' fees and other incidental relief in connection with any action authorized by this subsection.

Sec. 27. NRS 118.207 is hereby repealed.

TEXT OF REPEALED SECTION

118.207 Disposal of personal property abandoned by tenant on commercial premises; notice; procedure by landlord; releasing property to tenant; limitation on landlord's liability.

1. Except as otherwise provided in subsection 2, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions, dispose of any abandoned personal property, regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the conditions set forth in subparagraphs (1) and (2) are satisfied:

(1) The landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(2) The landlord has taken reasonable steps to:

(I) Determine whether the tenant has subjected the abandoned personal property to a perfected lien or security interest; and

(II) If the landlord determines that the tenant has subjected the abandoned personal property to a perfected lien or security interest, notify the holder of the perfected lien or the security interest that the abandoned personal property has been left on the premises.

The landlord shall be deemed to have taken the reasonable steps required by subparagraph (2) if the landlord has reviewed the results of a current search of the records in which a financing statement must be filed in order to perfect a lien or security interest pursuant to chapter 104 of NRS for a financing statement naming the tenant as the debtor of a debt secured by the abandoned personal property and, if such a financing statement is found, mailed, to any secured party named on the financing statement at the address indicated on the financing statement, by certified mail, return receipt requested, a written notice stating that the abandoned personal property has been left on the premises.

representative rightfully claiming the abandoned personal property within the appropriate period set forth in paragraph (a).

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. If a written agreement between a landlord and a secured party who has a perfected lien on, or a perfected security interest in, any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the secured party with respect to the removal and disposal of the abandoned personal property.

3. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

Senator Breeden moved the adoption of the amendment.
Remarks by Senators Breeden, Hardy and Brower.

Senator Breeden requested that the following remarks be entered in the Journal.

SENATOR BREEDEN:
Amendment No. 619 to Assembly Bill No. 398 deletes provisions in the bill relating to security deposits for commercial tenancies.
The amendment specifies when a justice court has jurisdiction over a commercial premises eviction.
It also makes changes in the procedural requirements for initiating commercial evictions and for processing them in the courts.

SENATOR HARDY:
Thank you, Mr. President. On page 2 of the amendment, line 10 has a Latin phrase "res judicata and collateral estoppel." I would like those terms clarified.

SENATOR BROWER:
The doctrines of res judicata and collateral estoppel essentially refer to if a matter is fully litigated in a case in favor of one party and against another party, then it cannot be relitigated in another case involved with the same parties or one of the parties depending on the circumstances.
Res judicata means if it has been decided once, it cannot be relitigated again. Collateral estoppel is similar to res judicata but usually refers to a particular issue as opposed to an entire case.

Amendment adopted.
The following amendment was proposed by the Committee on Commerce, Labor and Energy:
Amendment No. 778.

Section 24 of this bill prohibits a landlord from charging a tenant for rent or physical damages to commercial premises except under certain circumstances.

   2. A landlord may not remove:
      (a) A door, window or attic hatchway cover;
      (b) A lock, latch, hinge, hinge pin, doorknob or other mechanism connected to a door, window or attic hatchway cover; or
      (c) Furniture, fixtures or appliances furnished by the landlord, from commercial premises unless the landlord removes the item for a bona fide repair or replacement. The tenant must also state orally under oath to the court the facts of the alleged unlawful lockout.

3. 4. A temporary writ of restitution must be served on the landlord or the landlord's agent in the same manner as a writ of restitution in a forcible
5. A landlord is entitled to a hearing on a tenant's verified complaint for reentry. A temporary writ of restitution must notify the landlord of the right to a hearing. The hearing must be held not earlier than the first day and not later than the seventh day after the date the landlord requests a hearing.

6. If a landlord fails to request a hearing on a tenant's verified complaint for reentry before the eighth day after the date of service of the temporary writ of restitution on the landlord under subsection 4, a judgment for court costs may be rendered against the landlord.

7. A party may appeal from the court's judgment at the hearing on the verified complaint for reentry in the same manner as a party may appeal a judgment in an action for forcible detainer.

8. If a writ of restitution is issued, the writ supersedes a temporary writ of restitution.

9. If the landlord or the person on whom a writ of restitution is served fails to immediately comply with the writ or later disobeys the writ, the failure is grounds for contempt of court against the landlord or the person on whom the writ was served, under chapter 22 of NRS. If the writ is disobeyed, the tenant or the tenant's attorney may file in the court in which the reentry action is pending an affidavit stating the name of the person who has disobeyed the writ and describing the acts or omissions constituting the disobedience. If the person disobeyed the writ before receiving the order to show cause but has complied with the writ after receiving the order, the court may find the person in contempt and punish the person under chapter 22 of NRS.

12. The fee for filing a verified complaint for reentry is the same as that for filing a civil action in the court in which the verified complaint is filed. The court may defer payment of the tenant's filing fees and service fees.
costs for the verified complaint for reentry and writ of restitution. Court costs may be waived only if the tenant files an affidavit under NRS 12.015.

13. This section does not affect the rights of a landlord or tenant in a forcible detainer, unlawful detainer or forcible entry and detainer action.

Sec. 16. 1. Except as otherwise provided in subsection 3, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions, dispose of any abandoned personal property, regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(b) The landlord may charge and collect the reasonable and actual costs of inventory, moving and safe storage, if necessary, before releasing the abandoned personal property to the tenant or his or her authorized representative rightfully claiming the abandoned personal property within the appropriate period set forth in paragraph (a).

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. A tenant of commercial premises is presumed to have abandoned the premises if:

(a) Goods, equipment or other property, in an amount substantial enough to indicate a probable intent to abandon the commercial premises, is being or has been removed from the commercial premises; and

(b) The removal is not within the normal course of business of the tenant.

3. If a written agreement between a landlord and a person who has an ownership interest in any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the person with respect to the removal and disposal of the abandoned personal property.

4. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

Sec. 17. 1. A landlord shall refund a security deposit to a tenant not later than 60 days after the date on which the tenant surrenders the commercial premises and provides notice to the landlord or the landlord's agent of the mailing address of the tenant pursuant to section 21 of this act.
2. A claim of a tenant to a security deposit to which the tenant is entitled takes priority over the claim of any creditor of the landlord, including a trustee in bankruptcy.

Sec. 18. 1. Before returning a security deposit, a landlord may deduct from the deposit damages and charges for which the tenant is legally liable under the rental agreement or damages and charges that result from a breach of the rental agreement.

2. A landlord may not retain any portion of a security deposit to cover normal wear and tear. For the purposes of this subsection, "normal wear and tear" means deterioration that results from the intended use of the commercial premises, including breakage or malfunction because of age or deteriorated condition, but the term does not include deterioration that results from negligence, carelessness, accident or abuse of the commercial premises, equipment, or chattels by the tenant or by a guest or invitee of the tenant.

3. If a landlord retains all or part of a security deposit under this section, the landlord shall give to the tenant the balance of the security deposit, if any, together with a written description and itemized list of all deductions. The landlord is not required to give the tenant a description and itemized list of deductions if:
   (a) The tenant owes rent when the tenant surrenders possession of the commercial premises; and
   (b) No controversy exists concerning the amount of rent owed.

Sec. 19. 1. Except as otherwise provided in subsection 4, if an owner's interest in commercial premises is terminated by sale, assignment, death, appointment of a receiver, bankruptcy or otherwise, the new owner is liable with respect to the security deposit pursuant to sections 2 to 24, inclusive, of this act from the date title to the premises is acquired, regardless of whether an acknowledgment is given to the tenant under subsection 2.

2. Except as otherwise provided in subsection 1, a person who no longer owns an interest in the commercial premises remains liable for a security deposit received while the person was the owner until the new owner delivers to the tenant a signed statement acknowledging that the new owner has received and is responsible for the tenant's security deposit and specifying the exact dollar amount of the deposit.

3. The amount of a security deposit for which a new owner is liable pursuant to this section is the greater of:
   (a) The amount provided in the tenant's rental agreement; or
   (b) The amount provided in an estoppel certificate prepared by the owner at the time the rental agreement was executed or prepared by the new owner at the time the commercial premises is transferred.

4. Subsection 1 does not apply to a person who acquires title to the premises by foreclosure.

Sec. 20. A landlord shall keep accurate records of all security deposits.
Sec. 21. 1. A landlord is not obligated to return a security deposit to a tenant or give the tenant a written description of damages and charges until the tenant provides to the landlord in writing a mailing address to which the security deposit or written description are to be sent.

2. A tenant does not forfeit the right to a refund of a security deposit or the right to receive a description of damages and charges for failing to give a mailing address to the landlord.

Sec. 22. 1. A tenant may not withhold payment of any portion of the last month's rent on grounds that a security deposit is security for unpaid rent.

2. A tenant who violates this section is presumed to have acted in bad faith. A tenant who in bad faith violates this section is liable to the landlord for an amount equal to three times the rent wrongfully withheld and the landlord's reasonable attorney's fees in an action to recover the rent.

Sec. 23. 1. A landlord who in bad faith retains a security deposit in violation of sections 2 to 24, inclusive, of this act is liable for an amount equal to the sum of $100, three times the portion of the deposit wrongfully withheld, and the tenant's reasonable attorney's fees incurred in an action to recover the deposit after the period prescribed for returning the deposit expires.

2. A landlord who in bad faith does not provide a written description and itemized list of damages and charges in violation of sections 2 to 24, inclusive, of this act:
   (a) Forfeits the right to withhold any portion of the security deposit or to bring suit against the tenant for damages to the commercial premises; and
   (b) Is liable for the tenant's reasonable attorney's fees in an action to recover the deposit.

3. In an action brought by a tenant under sections 2 to 24, inclusive, of this act, the landlord has the burden of proving that the retention of any portion of a security deposit was reasonable.

4. Except as otherwise provided in subsection 1 of section 21 of this act, a landlord who fails to return a security deposit or to provide a written description and itemized list of deductions within 60 days after the date the tenant surrenders possession of the commercial premises is presumed to have acted in bad faith.

Sec. 24. 1. A landlord may not assess a charge, excluding a charge for rent or physical damage to the commercial premises, to a tenant unless the amount of the charge or the method by which the charge is to be computed is stated in the rental agreement, an exhibit or attachment that is part of the rental agreement or an amendment to the rental agreement.

2. This section does not affect the right of a landlord to assess a charge or obtain a remedy allowed under a statute or common law.

Sec. 25. NRS 118.171 is hereby amended to read as follows:

NRS 118.171  As used in NRS 118.171 to 118.207, inclusive, unless the context otherwise requires:
1. "Abandoned personal property" means any personal property which is left unattended on any commercial premises after the termination of the tenancy and which is not removed by the tenant or a person who has a perfected lien on, or perfected security interest in, the personal property within 14 days after the later of the date on which the landlord:
   — (a) Mailed, by certified mail, return receipt requested, notice of the landlord's intention to dispose of the personal property, as required by subparagraph (1) of paragraph (a) of subsection 1 of NRS 118.207; or
   — (b) Provided notice to a person who has a perfected lien on, or a perfected security interest in, the personal property that the personal property has been left on the premises, as required by subparagraph (2) of paragraph (a) of subsection 1 of NRS 118.207.

2. "Real property" includes an apartment, a dwelling, a mobile home that is owned by a landlord and located on property owned by the landlord and commercial premises.

3. "Rental agreement" means an agreement to lease or sublease real property for a term less than life which provides for the periodic payment of rent.

4. "Tenant" means a person who has the right to possess real property pursuant to a rental agreement.

Sec. 26. NRS 40.253 is hereby amended to read as follows:

40.253 1. Except as otherwise provided in subsection 10, in addition to the remedy provided in NRS 40.2512 and 40.290 to 40.420, inclusive, when the tenant of any dwelling, apartment, mobile home, recreational vehicle or commercial premises with periodic rent reserved by the month or any shorter period is in default in payment of the rent, the landlord or the landlord's agent, unless otherwise agreed in writing, may serve or have served a notice in writing, requiring in the alternative the payment of the rent or the surrender of the premises:
   (a) At or before noon of the fifth full day following the day of service; or
   (b) If the landlord chooses not to proceed in the manner set forth in paragraph (a) and the rent is reserved by a period of 1 week or less and the tenancy has not continued for more than 45 days, at or before noon of the fourth full day following the day of service.

As used in this subsection, "day of service" means the day the landlord or the landlord's agent personally delivers the notice to the tenant. If personal service was not so delivered, the "day of service" means the day the notice is delivered, after posting and mailing pursuant to subsection 2, to the sheriff or constable for service if the request for service is made before noon. If the request for service by the sheriff or constable is made after noon, the "day of service" shall be deemed to be the day next following the day that the request is made for service by the sheriff or constable.

2. A landlord or the landlord's agent who serves a notice to a tenant pursuant to paragraph (b) of subsection 1 shall attempt to deliver the notice in person in the manner set forth in paragraph (a) of subsection 1 of
If the notice cannot be delivered in person, the landlord or the landlord's agent:

(a) Shall post a copy of the notice in a conspicuous place on the premises and mail the notice by overnight mail; and

(b) After the notice has been posted and mailed, may deliver the notice to the sheriff or constable for service in the manner set forth in subsection 1 of NRS 40.280. The sheriff or constable shall not accept the notice for service unless it is accompanied by written evidence, signed by the tenant when the tenant took possession of the premises, that the landlord or the landlord's agent informed the tenant of the provisions of this section which set forth the lawful procedures for eviction from a short-term tenancy. Upon acceptance, the sheriff or constable shall serve the notice within 48 hours after the request for service was made by the landlord or the landlord's agent.

3. A notice served pursuant to subsection 1 or 2 must:

(a) Identify the court that has jurisdiction over the matter; and

(b) Advise the tenant of the tenant's right to contest the matter by filing, within the time specified in subsection 1 for the payment of the rent or surrender of the premises, an affidavit with the court that has jurisdiction over the matter stating that the tenant has tendered payment or is not in default in the payment of the rent.

4. If the tenant files such an affidavit at or before the time stated in the notice, the landlord or the landlord's agent, after receipt of a file-stamped copy of the affidavit which was filed, shall not provide for the nonadmittance of the tenant to the premises by locking or otherwise.

5. Upon noncompliance with the notice:

(a) The landlord or the landlord's agent may apply by affidavit of complaint for eviction to the justice court of the township in which the dwelling, apartment, mobile home or commercial premises are located or to the district court of the county in which the dwelling, apartment, mobile home or commercial premises are located, whichever has jurisdiction over the matter. The court may thereupon issue an order directing the sheriff or constable of the county to remove the tenant within 24 hours after receipt of the order. The affidavit must state or contain:

(1) The date the tenancy commenced.
(2) The amount of periodic rent reserved.
(3) The amounts of any cleaning, security or rent deposits paid in advance, in excess of the first month's rent, by the tenant.
(4) The date the rental payments became delinquent.
(5) The length of time the tenant has remained in possession without paying rent.
(6) The amount of rent claimed due and delinquent.
(7) A statement that the written notice was served on the tenant in accordance with NRS 40.280.
(8) A copy of the written notice served on the tenant.
(9) A copy of the signed written rental agreement, if any.
(b) Except when the tenant has timely filed the affidavit described in subsection 3 and a file-stamped copy of it has been received by the landlord or the landlord's agent, and except when the landlord is prohibited pursuant to NRS 118A.480, the landlord or the landlord's agent may, in a peaceable manner, provide for the nonadmittance of the tenant to the premises by locking or otherwise.

6. Upon the filing by the tenant of the affidavit permitted in subsection 3, regardless of the information contained in the affidavit, and the filing by the landlord of the affidavit permitted by subsection 5, the justice court or the district court shall hold a hearing, after service of notice of the hearing upon the parties, to determine the truthfulness and sufficiency of any affidavit or notice provided for in this section. If the court determines that there is no legal defense as to the alleged unlawful detainer and the tenant is guilty of an unlawful detainer, the court may issue a summary order for removal of the tenant or an order providing for the nonadmittance of the tenant. If the court determines that there is a legal defense as to the alleged unlawful detainer, the court shall refuse to grant either party any relief, and, except as otherwise provided in this subsection, shall require that any further proceedings be conducted pursuant to NRS 40.290 to 40.420, inclusive. The issuance of a summary order for removal of the tenant does not preclude an action by the tenant for any damages or other relief to which the tenant may be entitled. If the alleged unlawful detainer was based upon subsection 5 of NRS 40.2514, the refusal by the court to grant relief does not preclude the landlord thereafter from pursuing an action for unlawful detainer in accordance with NRS 40.251.

7. The tenant may, upon payment of the appropriate fees relating to the filing and service of a motion, file a motion with the court, on a form provided by the clerk of the court, to dispute the amount of the costs, if any, claimed by the landlord pursuant to NRS 118.207 or 118A.460 or section 16 of this act for the inventory, moving and storage of personal property left on the premises. The motion must be filed within 20 days after the summary order for removal of the tenant or the abandonment of the premises by the tenant, or within 20 days after:

(a) The tenant has vacated or been removed from the premises; and

(b) A copy of those charges has been requested by or provided to the tenant, whichever is later.

8. Upon the filing of a motion pursuant to subsection 7, the court shall schedule a hearing on the motion. The hearing must be held within 10 days after the filing of the motion. The court shall affix the date of the hearing to the motion and order a copy served upon the landlord by the sheriff, constable or other process server. At the hearing, the court may:

(a) Determine the costs, if any, claimed by the landlord pursuant to NRS 118.207 or 118A.460 or section 16 of this act and any accumulating daily costs; and
(b) Order the release of the tenant's property upon the payment of the charges determined to be due or if no charges are determined to be due.

9. A landlord shall not refuse to accept rent from a tenant that is submitted after the landlord or the landlord's agent has served or had served a notice pursuant to subsection 1 if the refusal is based on the fact that the tenant has not paid collection fees, attorney's fees or other costs other than rent, a reasonable charge for late payments of rent or dishonored checks, or a security. As used in this subsection, "security" has the meaning ascribed to it in NRS 118A.240.

10. This section does not apply to the tenant of a mobile home lot in a mobile home park or to the tenant of a recreational vehicle lot in an area of a mobile home park in this State other than an area designated as a recreational vehicle lot pursuant to the provisions of subsection 6 of NRS 40.215.

Sec. 26.3. NRS 40.385 is hereby amended to read as follows:

40.385 Upon an appeal from an order entered pursuant to NRS 40.253:

1. Except as otherwise provided in this subsection, a stay of execution may be obtained by filing with the trial court a bond in the amount of $250 to cover the expected costs on appeal. In an action concerning a lease of commercial property or any other property for which the monthly rent exceeds $1,000, the court may, upon its own motion or that of a party, and upon a showing of good cause, order an additional bond to be posted to cover the expected costs on appeal. A surety upon the bond submits to the jurisdiction of the appellate court and irrevocably appoints the clerk of that court as the surety's agent upon whom papers affecting the surety's liability upon the bond may be served. Liability of a surety may be enforced, or the bond may be released, on motion in the appellate court without independent action.

2. A tenant who retains possession of the premises that are the subject of the appeal during the pendency of the appeal shall pay to the landlord rent in the amount provided in the underlying contract between the tenant and the landlord as it becomes due. If the tenant fails to pay such rent, the landlord may initiate new proceedings for a summary eviction by serving the tenant with a new notice pursuant to NRS 40.253.

Sec. 27. NRS 118.207 is hereby repealed.

TEXT OF REPEALED SECTION

118.207 Disposal of personal property abandoned by tenant on commercial premises; notice; procedure by landlord; releasing property to tenant; limitation on landlord's liability.

1. Except as otherwise provided in subsection 2, a landlord who leases or subleases any commercial premises under a rental agreement that has been terminated for any reason may, in accordance with the following provisions,
dispose of any abandoned personal property, regardless of its character, left on the commercial premises without incurring any civil or criminal liability:

(a) The landlord may dispose of the abandoned personal property and recover his or her reasonable costs out of the abandoned personal property or the value thereof if the conditions set forth in subparagraphs (1) and (2) are satisfied:

(1) The landlord has notified the tenant in writing of the landlord's intention to dispose of the abandoned personal property and 14 days have elapsed since the notice was mailed to the tenant. The notice must be mailed, by certified mail, return receipt requested, to the tenant at the tenant's present address, and if that address is unknown, then at the tenant's last known address.

(2) The landlord has taken reasonable steps to:

(I) Determine whether the tenant has subjected the abandoned personal property to a perfected lien or security interest; and

(II) If the landlord determines that the tenant has subjected the abandoned personal property to a perfected lien or security interest, notify the holder of the perfected lien or the security interest that the abandoned personal property has been left on the premises.

The landlord shall be deemed to have taken the reasonable steps required by subparagraph (2) if the landlord has reviewed the results of a current search of the records in which a financing statement must be filed in order to perfect a lien or security interest pursuant to chapter 104 of NRS for a financing statement naming the tenant as the debtor of a debt secured by the abandoned personal property and, if such a financing statement is found, mailed, to any secured party named on the financing statement at the address indicated on the financing statement, by certified mail, return receipt requested, a written notice stating that the abandoned personal property has been left on the premises.

(b) The landlord may charge and collect the reasonable and actual costs of inventory, moving and safe storage, if necessary, before releasing the abandoned personal property to the tenant or his or her authorized representative rightfully claiming the abandoned personal property within the appropriate period set forth in paragraph (a).

(c) Vehicles must be disposed of in the manner provided in chapter 487 of NRS for abandoned vehicles.

2. If a written agreement between a landlord and a secured party who has a perfected lien on, or a perfected security interest in, any abandoned personal property of the tenant contains provisions which relate to the removal and disposal of abandoned personal property, the provisions of the agreement determine the rights and obligations of the landlord and the secured party with respect to the removal and disposal of the abandoned personal property.
3. Any dispute relating to the amount of the costs claimed by the landlord pursuant to paragraph (b) of subsection 1 may be resolved using the procedure provided in subsection 7 of NRS 40.253.

CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 193.
The following Assembly amendment was read:
Amendment No. 568.
"SUMMARY—Makes various changes concerning the State Board of Cosmetology and persons and practices regulated by the Board. (BDR 54-637)"

"AN ACT relating to cosmetology; revising certain provisions governing schools of cosmetology; establishing the procedures for the licensure of certain persons who engage in the practice of hair braiding and persons who operate an establishment for hair braiding; revising provisions relating to the regulation of sanitary conditions; revising provisions relating to the licensure of various cosmetology professionals and cosmetological establishments; repealing a provision relating to the provision of a surety bond by a school of cosmetology; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires the State Board of Cosmetology to determine the qualifications of applicants for various licenses in cosmetology, requires the Board to license schools of cosmetology, and authorizes the Board to adopt regulations governing the sanitary conditions in cosmetological establishments, schools of cosmetology and in the practice of cosmetology. (NRS 644.090, 644.120)

Section 6 of this bill: (1) prohibits a school of cosmetology from collecting the entire amount of the cost for a program at the school of cosmetology from a student of cosmetology when the student enters into a contract with the school of cosmetology; (2) authorizes a school of cosmetology to collect certain periodic payments from students; and (3)
requires a school of cosmetology to use the contract for enrollment that was submitted to and approved by the Board.

Sections 7-9 of this bill establish a new license as a hair braider and set forth the requirements, including passing certain examinations, that must be met before the Board may issue such a license to a person. Section 7 sets forth the requirements for obtaining such a license for persons who have not previously practiced hair braiding or who have practiced hair braiding in this State on certain relatives without accepting compensation. Section 8 sets forth the requirements for persons who have practiced hair braiding in another state. Section 9 sets forth the scope of the examinations that are required to obtain a license to practice hair braiding. Section 24 of this bill provides an exemption from the licensure requirements for a person who, without accepting compensation, practices hair braiding on a person who is related within the sixth degree of consanguinity.

Section 10 of this bill establishes a new license for persons who wish to operate an establishment for hair braiding and sets forth the requirements that must be met before the Board may issue such a license. Sections 11-16 of this bill set forth additional requirements governing an establishment for hair braiding, including, without limitation, requirements relating to the notice which must be provided to the Board concerning a change of ownership or location and requirements relating to the qualifications of the person who must supervise the operation of such an establishment.

Under existing law, the Board is also required to provide for the registration of any person who engages in the practice of threading, and is authorized to inspect any facility in which threading is conducted. (NRS 644.331) Section 22 of this bill authorizes the Board to include the practice of threading and any facility in which it is conducted in its regulations regarding sanitary conditions. Sections 2-8, 26-31 and 35 of this bill add United States citizenship or the legal right to remain and work in the United States to the requirements for applicants seeking licensure by the Board.

Existing law requires that schools of cosmetology post with the Board a surety bond as part of licensure. (NRS 644.383) Section 43 of this bill repeals that requirement.

Board if the revisions are not disapproved by the Board within 60 days after their submission to the Board.

4. The Board:

Sec. 12. 1. The license of an establishment for hair braiding expires 2 years after the date of issuance or renewal of the license.
2. If the owner of an establishment for hair braiding fails to pay the required fee for renewal of its license within 90 days after the date of expiration of the license, the establishment must be immediately closed.

Sec. 13. Every holder of a license issued by the Board to operate an establishment for hair braiding shall display the license in plain view of members of the general public in the principal office or place of business of the holder.

Sec. 14. Hair braiding may be practiced in an establishment for hair braiding by licensed hair braiders, hair designers or cosmetologists who are:

   (b) The amount of the bond required for the school must not be less than $10,000 or more than $400,000.

3. Except as otherwise provided in subsection 4, the amount of the bond for a program at a school of cosmetology is equal to the cost to be paid by a student for the program multiplied by the number of students who will enroll in the program each year.

4. If the length of a program at a school of cosmetology is less than 1 year, the amount of the bond for that program is equal to the amount determined pursuant to subsection 3 divided by 52 and multiplied by the number of whole or partial weeks in the program.

5. Except as otherwise provided in subsection 2, the amount of the bond required for a school of cosmetology pursuant to paragraph (b) of subsection 1 must be reduced to 12 percent of the total of the amounts calculated pursuant to subsections 3 and 4 if the school participates in:
   (a) Any program of student assistance pursuant to Title IV of the Higher Education Act of 1965, as amended, 20 U.S.C. §§ 1070 et. seq.; or
   (b) Any other program administered by the United States Department of Education through which students at the school receive loans.

6. If a school of cosmetology has been licensed for not less than 5 years, the Board shall set the amount of the bond required pursuant to paragraph (b) of subsection 1 for the school:
   (a) In the amount of $10,000, if the Board did not receive any valid complaints against the school during the immediately preceding 5 years;
   (b) In an amount not less than $10,000 and not more than the amount calculated pursuant to subsections 2 to 5, inclusive, if the Board received one or more valid complaints against the school during the immediately preceding 5 years and the Board determines that each such complaint was a complaint of a minor violation of the provisions of this chapter or of any regulations adopted pursuant to this chapter; and
   (c) In the amount calculated pursuant to subsections 2 to 5, inclusive, if the Board received one or more valid complaints against the school during the immediately preceding 5 years and the Board determines that any such complaint was a complaint of a major violation of the provisions of this chapter or any regulations adopted pursuant thereto.

7. The bond required for a school of cosmetology must be in the amount of $10,000 if the school:
   (a) Is initially licensed on or before June 30, 2005;
   (b) Has been continuously licensed since June 30, 2005; and
   (c) Is relocated and obtains a license for the new location on or after July 1, 2005.
8. The bond must be in the form approved by the Board and must be conditioned upon compliance with the provisions of this chapter and upon faithful compliance with the terms and conditions of any contracts, verbal or written, made by the school to furnish instruction to any person. The bond must be to the State of Nevada in favor of every person who pays or deposits money with the school as payment for instruction. A bond continues in effect until notice of termination is given by registered or certified mail to the Board, and every bond must set forth this fact.

9. A person claiming to be injured or damaged by an act of the school may maintain an action in any court of competent jurisdiction on the bond against the school and the surety named therein, or either of them, for refund of tuition paid. Any judgment against the principal or surety in any such action must include the costs thereof and those incident to the bringing of the action, including a reasonable attorney's fee. The aggregate liability of the surety to all such persons may not exceed the sum of the bond.

10. The Board shall adopt regulations defining the terms "minor violation" and "major violation" for the purposes of subsection 6.

Prayer by the Chaplain, Pastor Norm Milz.
Almighty God, today we come into this Chamber to do the work that is set before us. The decisions we make today and the actions we take will affect all of the citizens of this State. May our decisions and votes be made for the good of our constituents and not any special interests. As we look at bills for the elderly, education and the economy of the State, guide us to seek Your direction and will.
As we are on the West Coast of this country, it is so easy for us to not pay close attention to the citizens in the rest of the United States who are far away but in need of our support and prayer. Many of us know people in the affected areas of the floods and tornados that have struck the center of this Nation and continue to do so. May we continue to lift them up to Your grace and mercy, and may we support and care for them in whatever way we can.
All these things we bring to You trusting in Your love, Your presence and Your grace, in the Name of Your Son, Jesus Christ.

AMEN.
Pledge of Allegiance to the Flag.

Amendment No. 707.
"SUMMARY

Authorizes revises provisions concerning the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy. (BDR 22-592)"

"AN ACT relating to energy; revising provisions concerning the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the governing body of a city or county: (1) may enact zoning regulations and restrictions to promote the health, safety, morals or general welfare of the community; (2) is prohibited from adopting an ordinance or taking any other action which unreasonably prohibits or restricts an owner of real property from using a system for obtaining wind or solar energy on his or her property; and (3) may impose a reasonable restriction on the use of a system for obtaining wind energy which is related to the height, noise or safety of the system. (NRS 278.020, 278.02077, 278.0208, 278.580) The governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining solar or wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the solar or wind energy system unless the restriction provides for the use of a comparable alternative system. (NRS 278.02077, 278.0208) Section 1 of this bill provides that, in addition to reasonable restrictions relating to height, noise or safety, reasonable restrictions on the use of a system for obtaining wind energy may include restrictions relating to setback, location and finish. Section 2 of this bill authorizes a governing body to require that a special use permit or conditional permit be obtained for a system for obtaining solar energy proposed to be installed or constructed within the boundaries of an incorporated city or town on nonresidential property that is adjacent to residential property. This bill also deletes provisions which
provide that the governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the wind energy system unless the restriction provides for the use of a comparable alternative system.

WHEREAS, Nevada has significant amounts of solar and wind resources available for use in the production of clean, renewable sources of energy; and

WHEREAS, It has been a stated goal of the Nevada Legislature to encourage the availability of these solar and wind resources for use by the residents of this State; and

WHEREAS, Local governments have traditionally been authorized to enact zoning and land use regulations and restrictions to promote the health, safety, morals and general welfare of their communities; and

WHEREAS, It is the intent of the Nevada Legislature to encourage local governments to balance the use of clean, renewable sources of energy with the promotion of the health, safety, morals and general welfare of their communities; now, therefore

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.02077 is hereby amended to read as follows:

278.02077 1. Except as otherwise provided in subsection 2:

(a) A governing body shall not adopt an ordinance, regulation or plan or take any other action that prohibits or unreasonably restricts the owner of real property from using a system for obtaining wind energy on his or her property.

(b) Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts the owner of the property from using a system for obtaining wind energy on his or her property is void and unenforceable.

2. The provisions of subsection 1 do not prohibit a reasonable restriction or requirement:

(a) Imposed pursuant to a determination by the Federal Aviation Administration that the installation of the system for obtaining wind energy would create a hazard to air navigation; or

(b) Relating to the finish, height, location, noise, or safety or setback of a system for obtaining wind energy.

3. For the purposes of this section, "unreasonably restricts the owner of the property from using a system for obtaining wind energy" includes the placing of a restriction or requirement on the use of a system for obtaining wind energy which significantly decreases the efficiency or performance of the system and which does not allow for the use of an alternative system at a substantially comparable cost and with substantially comparable efficiency and performance.
Sec. 2. {NRS 278.0208 is hereby amended to read as follows: 278.0208 1. Except as otherwise provided in subsection 2:}

(a) A governing body shall not adopt an ordinance, regulation or plan or take any other action that prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of real property from using a system for obtaining solar energy on his or her property.

(2) Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of the property from using a system for obtaining solar energy on his or her property is void and unenforceable.

(b) A governing body may require that a special use permit or conditional permit be obtained in the manner provided in NRS 278.315 for the construction or installation of a system for obtaining solar energy within the boundaries of an incorporated city or town on nonresidential property that is adjacent to residential property. As used in this subsection, “nonresidential property” means all real property other than residential property and includes, without limitation, real property owned by a governmental entity.

Sec. 3. (Deleted by amendment.)

Sec. 3. This act becomes effective upon passage and approval.
Amendment No. 687.
"SUMMARY—Revises provisions governing the dates for certain elections. (BDR 24-684)"

"AN ACT relating to elections; revising provisions governing the dates for certain city elections; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Certain cities that are created by charters hold general municipal elections in June of odd-numbered years (Boulder City, Caliente, Elko, Henderson, Las Vegas, North Las Vegas and Yerington). Sections 20-47 of this bill amend the charters of Boulder City, Caliente, Henderson, Las Vegas, North Las Vegas and Yerington to authorize the city councils of those cities to choose by ordinance whether to (1) hold city elections on the state election cycle, or (2) continue holding the elections in June, as provided in their respective city charters, which is in even-numbered years. If the city council of Boulder City, Henderson, Las Vegas or North Las Vegas adopts such an ordinance, sections 21, 33, 39 and 40.5 of this bill provide that the ordinance must not affect the term of office of any elected official of the city serving in office on the effective date of the ordinance but may affect the next succeeding term for that office. If such an ordinance is adopted and subsequently repealed, the city would return to holding its elections in odd-numbered years, as provided in its existing city charter.

After such consultation, the appointing authority may take such lawful action regarding the proposed discipline as it deems necessary under the circumstances.

3. A dismissal, involuntary demotion or suspension does not become effective until the employee is notified in writing of the dismissal, involuntary demotion or suspension and the reasons therefor. The notice may be delivered personally to the employee or mailed to the employee at the employee's last known address by registered or certified mail, return receipt requested. If the notice is mailed, the effective date of the dismissal, involuntary demotion or suspension shall be deemed to be the date of delivery or if the letter is returned to the sender, 3 days after mailing.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 633.
"SUMMARY—Revises provisions concerning the refunding of certain municipal securities. (BDR 20-244)"

"AN ACT relating to local government finance; revising provisions concerning the refunding of municipal securities related to infrastructure projects in certain counties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Since October 1, 1999, a county has been authorized, as part of a lending project under the County Bond Law, to acquire securities issued by a municipality located wholly or partially within the county: (1) to undertake one or more infrastructure projects; or (2) to refund those securities. In the latter case, a county's authority is limited to acquiring only those securities issued to refund municipal securities for infrastructure projects that were previously acquired by the county. (NRS 244A.0343, 244A.064) This bill partially eliminates this limitation on a county's authority in a county whose population is 100,000 or more but less than 700,000 (currently Washoe County) and thereby allows such a county to acquire securities that were issued by a municipality to refund municipal securities issued previously for infrastructure water authority for water projects regardless of whether those securities are held by the county or another entity. However, such a county may only acquire those municipal securities issued for purposes of refunding if the initial securities for the infrastructure water projects were issued by the municipality on or after October 1, 1999.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 244A.0343 is hereby amended to read as follows:
244A.0343  "Lending project" means:
  1. In a county whose population is 100,000 or more but less than
    700,000, the acquisition of municipal securities issued by a municipality
    water authority located wholly or partially within the county acquiring the
    municipal securities for one or more infrastructure projects which consist
    of capital improvements for a water system or for the refunding of
    municipal securities issued on or before October 1, 1999, for one or
    more infrastructure projects which consist of capital improvements for a
    water system or any combination thereof.
  2. In all other counties, the acquisition of municipal securities issued by
    a municipality located wholly or partially within the county acquiring the
    municipal securities for one or more infrastructure projects or for the

Amendment No. 633 to Assembly Bill No. 238 clarifies the definition of "lending project" to mean the acquisition of municipal securities issued by a water authority for infrastructure projects consisting of capital improvements for a water system.
The amendment clarifies that infrastructure projects relating to improvements to water systems may be the basis for acquiring municipal securities for the purpose of refunding previously-issued securities; and makes one technical amendment to conform Section 1, with Section 2 by replacing the word "before" with the word "after."

Amendment No. 705.
"SUMMARY—Revises provisions relating to mortgage loans. (BDR 54-830)"
"AN ACT relating to mortgage loans; revising provisions governing the requirement for certain mortgage agents, mortgage bankers, mortgage brokers and other employees to register with the Nationwide Mortgage Licensing System and Registry; revising provisions governing continuing education requirements for certain licensees; providing clarifying that certain investors who deposit money with a mortgage broker [with an exemption] are exempt from criminal and civil liability for the acts or omissions of the mortgage broker; revising provisions governing the employment or association of mortgage agents; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
The federal Secure and Fair Enforcement for Mortgage Licensing Act of 2008 requires that a person who originates residential mortgage loans be licensed as a loan originator and requires that such a loan originator be registered with the Nationwide Mortgage Licensing System and Registry. (12 U.S.C. § 5103) Existing law in Nevada prescribes the requirements for a license as a mortgage agent, mortgage banker, mortgage broker or a qualified employee who is a residential mortgage loan originator, which include,
without limitation, registration with the Nationwide Mortgage Licensing System and Registry. (NRS 645B.0137, 645E.200) Section 6 of this bill provides that such a person is not required to register or renew with the Nationwide Mortgage Licensing System and Registry, or provide reports of financial condition to the Registry, if: (1) the person is not a residential mortgage loan originator or the supervisor of a residential mortgage loan originator; and (2) the person is not required to register pursuant to the federal Act. Section 6 also provides that such a person who voluntarily registers or renews with the Registry shall comply with all requirements of the federal Act.

Under existing law, the Commissioner of Mortgage Lending is required to adopt such regulations as necessary to carry out the provisions of the federal Act. (NRS 645F.293) Section 7 of this bill provides that the regulations must not require registration of a person who is exempt pursuant to section 6.

Sections 1.5, 2 and 4 of this bill revise provisions governing continuing education requirements for persons who are exempt pursuant to section 6 and who have not voluntarily registered or renewed with the Registry. Sections 1 and 3 of this bill clarify that certain investors who deposit money with a mortgage broker are exempt from criminal and civil liability for the acts or omissions of the mortgage broker. Section 5 of this bill revises provisions governing the employment of or association with a mortgage agent by a mortgage broker, mortgage banker or person who holds a certificate of exemption issued by the Commissioner of Mortgage Lending. Section 8 of this bill repeals certain provisions governing mortgage bankers which are included within the amendatory provisions of section 5.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The Legislature hereby finds and declares that:
1. It is the intent of the Legislature to encourage investment in real property in this State;
2. It is the intent of the Legislature to ensure the integrity of transactions relating to investments in real property and the proper regulation of the actions of persons who facilitate such transactions, including, without limitation, mortgage brokers; and
3. It is the intent of the Legislature in enacting the amendatory provisions of NRS 645B.175, as amended by section 3 of this act, to clarify that the scope of the protection afforded to an investor under the existing provisions of chapter 645B of NRS includes protections from the imposition of any duty, responsibility, obligation or liability of a mortgage broker on an investor who only provides money to acquire, through the actions of a mortgage broker, ownership of or a beneficial interest in a loan secured by a lien on real property.

Sec. 1.5. NRS 645B.0138 is hereby amended to read as follows:
645B.0138 1. A course of continuing education that is required pursuant to this chapter must meet the requirements set forth by the Commissioner by regulation.

2. The Commissioner shall adopt regulations:
   (a) Relating to the requirements for courses of continuing education, including, without limitation, regulations relating to the providers and instructors of such courses, records kept for such courses, approval and revocation of approval of such courses, monitoring of such courses and disciplinary action taken regarding such courses.
   (b) Allowing for the participation of representatives of the mortgage lending industry pertaining to the creation of regulations regarding such courses.
   (c) Ensuring compliance with the requirements for registration with the Registry and any other applicable federal law.

3. The regulations adopted by the Commissioner pursuant to subsection 2 must not require a mortgage agent, mortgage banker or mortgage broker or an employee of a mortgage banker or mortgage broker who, pursuant to subsection 1 of section 6 of this act, is not required to register or renew with the Registry and who has not voluntarily registered or renewed with the Registry to complete any continuing education relating to residential mortgage loans.

Sec. 2. NRS 645B.051 is hereby amended to read as follows:

645B.051 1. Except as otherwise provided in this section, in addition to the requirements set forth in NRS 645B.050, to renew a license as a mortgage broker:
   (a) If the licensee is a natural person, the licensee must submit to the Commissioner satisfactory proof that the licensee attended at least 10 hours of certified courses of continuing education during the 12 months immediately preceding the date on which the license expires.

2. The Commissioner may provide by regulation that if a person attends more than 10 hours of certified courses of continuing education during a 12 month period, the extra hours may be used to satisfy the requirement for the immediately following 12 month period and for that immediately following 12 month period only. In lieu of the continuing education requirements set forth in paragraph (a) or (b) of subsection 1, a licensee or any natural person who supervises the daily business of the licensee who, pursuant to subsection 1 of section 6 of this act, is not required to register or renew with the Registry and who has not voluntarily registered or renewed with the Registry must submit to the Commissioner satisfactory proof that he or she attended at least 5 hours of certified courses of
continuing education during the 12 months immediately preceding the date on which the license expires. The hours of continuing education required by this subsection must include:

(a) At least 3 hours relating to the laws and regulations of this State; and

(b) At least 2 hours relating to ethics.

3. As used in this section, "certified course of continuing education" means a course of continuing education which relates to the mortgage industry or mortgage transactions and which meets the requirements set forth by the Commissioner by regulation pursuant to NRS 645B.0138.

Sec. 3. NRS 645B.175 is hereby amended to read as follows:

645B.175 1. Except as otherwise provided in this section, all money received by a mortgage broker and his or her mortgage agents from an investor to acquire ownership of or a beneficial interest in a loan secured by a lien on real property must:

(a) Be deposited in:

(1) An insured depository financial institution; or

(2) An escrow account which is controlled by a person who is independent of the parties and subject to instructions regarding the account which are approved by the parties.

(b) Be kept separate from money:

(1) Belonging to the mortgage broker in an account appropriately named to indicate that the money does not belong to the mortgage broker.

(2) Received pursuant to subsection 4.

2. Except as otherwise provided in this section, the amount held in trust pursuant to subsection 1 must be released:

(a) Upon completion of the loan, including proper recordation of the respective interests or release, or upon completion of the transfer of the ownership or beneficial interest therein, to the debtor or the debtor's designee less the amount due the mortgage broker for the payment of any fee or service charge;

(b) If the loan or the transfer thereof is not consummated, to each investor who furnished the money held in trust; or

(c) Pursuant to any instructions regarding the escrow account.

3. The amount held in trust pursuant to subsection 1 must not be released to the debtor or the debtor's designee unless:

(a) The amount released is equal to the total amount of money which is being loaned to the debtor for that loan, less the amount due the mortgage broker for the payment of any fee or service charge; and

(b) The mortgage broker has provided a written instruction to a title agent or title insurer requiring that a lender's policy of title insurance or appropriate title endorsement, which names as an insured each investor who owns a beneficial interest in the loan, be issued for the real property securing the loan.
4. Except as otherwise provided in this section, all money paid to a mortgage broker and his or her mortgage agents by a person in full or in partial payment of a loan secured by a lien on real property, must:
   (a) Be deposited in:
      (1) An insured depository financial institution; or
      (2) An escrow account which is controlled by a person who is subject to instructions regarding the account which are approved by the parties.
   (b) Be kept separate from money:
      (1) Belonging to the mortgage broker in an account appropriately named to indicate that it does not belong to the mortgage broker.
      (2) Received pursuant to subsection 1.

5. Except as otherwise provided in this section, the amount held in trust pursuant to subsection 4:
   (a) Must be released, upon the deduction and payment of any fee or service charge due the mortgage broker, to each investor who owns a beneficial interest in the loan in exact proportion to the beneficial interest that the investor owns in the loan; and
   (b) Must not be released, in any proportion, to an investor who owns a beneficial interest in the loan, unless the amount described in paragraph (a) is also released to every other investor who owns a beneficial interest in the loan.

6. An investor may waive, in writing, the right to receive one or more payments, or portions thereof, that are released to other investors in the manner set forth in subsection 5. A mortgage broker or mortgage agent shall not act as the attorney-in-fact or the agent of an investor with respect to the giving of a written waiver pursuant to this subsection. Any such written waiver applies only to the payment or payments, or portions thereof, that are included in the written waiver and does not affect the right of the investor to:
   (a) Receive the waived payment or payments, or portions thereof, at a later date; or
   (b) Receive all other payments in full and in accordance with the provisions of subsection 5.

7. Upon reasonable notice, any mortgage broker described in this section shall:

   (b) Account to the Commissioner for all money which the mortgage broker and his or her mortgage agents have received from each investor or debtor and which the mortgage broker is required to deposit in a trust account pursuant to this section.

8. Money received by a mortgage broker and his or her mortgage agents pursuant to this section from a person who is not associated with the mortgage broker may be held in trust for not more than 45 days before an escrow account must be opened in connection with the loan. If, within this
45-day period, the loan or the transfer therefor is not consummated, the
money must be returned within 24 hours. If the money is so returned, it may
not be reinvested with the mortgage broker for at least 15 days.

9. If a mortgage broker or a mortgage agent receives any money pursuant
to this section, the mortgage broker or mortgage agent, after the deduction
and payment of any fee or service charge due the mortgage broker, shall not
release the money to:
   (a) Any person who does not have a contractual or legal right to receive
       the money; or
   (b) Any person who has a contractual right to receive the money if the
       mortgage broker or mortgage agent knows or, in light of all the surrounding
       facts and circumstances, reasonably should know that the person's
       contractual right to receive the money violates any provision of this chapter
       or a regulation adopted pursuant to this chapter.

10. If a mortgage broker maintains any accounts described in
    subsection 1 or subsection 4, the mortgage broker shall, in addition to the
    annual financial statement audited pursuant to NRS 645B.085, submit to the
    Commissioner each 6 calendar months a financial statement concerning those
    trust accounts.

11. The Commissioner shall adopt regulations concerning the form and
    content required for financial statements submitted pursuant to subsection 10.

12. Any duty, responsibility or obligation of a mortgage broker
    pursuant to this chapter is not delegable or transferable to an investor, and,
    if an investor only provides money to acquire ownership of or a beneficial
    interest in a loan secured by a lien on real property, no criminal or civil
    liability may be imposed on the investor for any act or omission of a
    mortgage broker.

Sec. 4. NRS 645B.430 is hereby amended to read as follows:

645B.430 1. A license as a mortgage agent issued pursuant to
NRS 645B.410 expires 1 year after the date the license is issued, unless it is
renewed. To renew a license as a mortgage agent, the holder of the license
must submit to the Commissioner each year, on or before the date the license
expires:
   (a) An application for renewal;
   (b) Except as otherwise provided in this section, satisfactory proof that the
       holder of the license as a mortgage agent attended at least 10 hours of
       certified courses of continuing education during the 12 months immediately
       preceding the date on which the license expires; and
   (c) A renewal fee set by the Commissioner of not more than $170.

2. In lieu of the continuing education requirement set forth in
paragraph (b) of subsection 1, the holder of a license as a mortgage agent
who, pursuant to subsection 1 of section 6 of this act, is not required to
register or renew with the Registry and who has not voluntarily registered

3. If the holder of the license as a mortgage agent fails to submit any item required pursuant to subsection 1 or 2 to the Commissioner each year on or before the date the license expires, the license is cancelled. The Commissioner may reinstate a cancelled license if the holder of the license submits to the Commissioner:

(a) An application for renewal;
(b) The fee required to renew the license pursuant to this section; and
(c) A reinstatement fee of $75.

4. To be issued a duplicate copy of a license as a mortgage agent, a person must make a satisfactory showing of its loss and pay a fee of $10.

The Commissioner may provide by regulation that any hours of a certified course of continuing education attended during a 12-month period, but not needed to satisfy a requirement set forth in this section for the 12-month period in which the hours were taken, may be used to satisfy a requirement set forth in this section for a later 12-month period.

7. As used in this section, "certified course of continuing education" has the meaning ascribed to it in NRS 645B.051.

Sec. 5. NRS 645B.450 is hereby amended to read as follows:

Section 45 of this bill prohibits a person who is not licensed pursuant to the provisions of this bill from acting or holding himself or herself out as a licensed dietitian. Section 46 of this bill provides that a violation of any provision of this bill is a misdemeanor and, in addition to any criminal penalty that may be imposed, authorizes the Board to impose a civil penalty for each violation.

Sections 47-51 and 58-60 of this bill include licensed dietitians in the definition of "provider of health care" to ensure that licensed dietitians
comply with the same requirements for standards of care, medical records and medical devices as other providers of health care such as doctors or nurses.

Sections 52-54 of this bill require a licensed dietitian to report suspected incidents of abuse or neglect of an older or vulnerable person, and require a report to be forwarded to the Board if a licensed dietitian is suspected of abuse or neglect of an older or vulnerable person.

Section 63 of this bill authorizes the Governor, for the initial appointments to the Board, to appoint persons who are not licensed dietitians but who meet the qualifications for licensure. Section 64 of this bill requires the Board to grant a license to engage in the practice of dietetics to a person who does not meet the qualifications for licensure but who was engaged in the practice of dietetics in this State before 2012 and meets certain other requirements.

In entering a judgment ordering the payment of future damages by periodic payments pursuant to subsection 3, the court shall make a specific finding as to the dollar amount of periodic payments that will compensate the judgment creditor for such future damages. As a condition to authorizing periodic payments of future damages, the court shall require a judgment debtor who is not adequately insured to post security adequate to assure full payment of such damages awarded by the judgment. Upon termination of periodic payments of future damages, the court shall order the return of this security, or so much as remains, to the judgment debtor.

5. A judgment ordering the payment of future damages by periodic payments entered pursuant to subsection 3 must specify the recipient or recipients of the payments, the dollar amount of the payments, the interval between payments, and the number of payments or the period of time over which payments will be made. Such payments must only be subject to modification in the event of the death of the judgment creditor. Money damages awarded for loss of future earnings must not be reduced or payments terminated by reason of the death of the judgment creditor, but must be paid to persons to whom the judgment creditor owed a duty of support, as provided by law, immediately before the judgment creditor's death. In such cases, the court that rendered the original judgment may, upon petition of any party in interest, modify the judgment to award and apportion the unpaid future damages in accordance with this subsection.

6. If the court finds that the judgment debtor has exhibited a continuing pattern of failing to make the periodic payments as specified pursuant to subsection 5, the court shall find the judgment debtor in contempt of court and, in addition to the required periodic payments, shall order the judgment debtor to pay the judgment creditor all damages caused by the failure to make such periodic payments, including, but not limited to, court costs and attorney's fees.
7. Following the occurrence or expiration of all obligations specified in the periodic payment judgment, any obligation of the judgment debtor to make further payments ceases and any security given pursuant to subsection 4 reverts to the judgment debtor.

SENATOR MCGINNESS:
Thank you, Mr. President. On page 4, line 32, "person who furnishes nutrition information, provides recommendations or advice concerning nutrition." I have had some concerns from health food stores. Are they in this bill or out of it?

SENATOR SCHNEIDER:
Thank you, Mr. President. We went through the bill with a fine-tooth comb. We have taken everyone out of this bill. The health food store is gone.

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 688.
"SUMMARY—Revises provisions governing the restoration of civil rights for ex-felons. (BDR 16-687)"

"AN ACT relating to civil rights; revising provisions governing the restoration of the right to vote to persons who have been convicted of a felony; revising provisions governing the registration to vote of a person convicted of a felony; revising provisions governing the cancellation of the registration to vote of a person convicted of a felony; revising provisions governing a challenge to the right to vote of a person convicted of a felony; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires a county clerk to cancel the registration to vote of a person who has been convicted of a felony unless the person's right to vote has been restored: (1) under the laws of this State; or (2) if the conviction occurred in another state, under the laws of that state. (NRS 293.540) Under existing law, unless a person has been convicted of certain specified felonies, a person who has been convicted of a felony is restored to the right to vote upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon with the restoration of the right to vote; (4) an honorable discharge from parole; or (5) being released from prison because of the expiration of his or her sentence. (NRS 176A.850, 179.285, 213.090, 213.155, 213.157) Sections 4, 5 and 7 of this bill remove all exceptions to the restoration of the right to vote of a person convicted of a felony so that any person convicted of a felony in this State is restored to the right to vote upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon with the restoration of the right to vote; (4) an honorable discharge from parole; or (5) the completion of his or her sentence and release from prison.

Sections 10-15 of this bill revise provisions relating to voter registration. Under existing law, the civil right to vote of a person who is resident of this State and who has been convicted of a felony in another state is determined by the law of that other state. (NRS 293.540) Section 10.3 of this bill provides that a resident of this State who was convicted of a felony in another state is restored to the right to vote in this State if he or she: (1) has been
released from prison because of the expiration of his or her sentence; (2) has received a discharge from probation or parole which is not a dishonorable discharge; or (3) has received a pardon, or an order from a court of competent jurisdiction, which restores the person's civil right to vote. **Section 10.5** of this bill prohibits a county clerk from requiring a person seeking to register to vote to present documentation indicating that the person's right to vote has been restored following a conviction for a felony **under the laws of this State or another state.** **Section 10.7** of this bill provides for an appeal to the Secretary of State and the district court if the county clerk cancels the voter registration of, or refuses to register, a person on the ground that the person is ineligible to vote because the person: (1) has been convicted of a felony **under the laws of this State or another state;** and (2) has not had his or her civil right to vote restored. **Section 12** revises the procedures to be followed by a county clerk upon a determination based on specific evidence that a person is ineligible to vote because the person: (1) has been convicted of a felony **under the laws of this State or another state;** and (2) has not had his or her civil right to vote restored. **Section 13** revises the procedure for reregistering a person to vote after a cancellation of the person's right to vote because of a felony conviction. **Section 14** revises the procedures to be followed by a county clerk, district attorney or court upon a receipt of a challenge providing that a person is ineligible to vote because the person: (1) has been convicted of a felony **under the laws of this State or another state;** and (2) has not had his or her civil right to vote restored.

**Section 16** of this bill specifies that the civil right to vote is restored to residents of this State who: (1) have not had their right to vote restored; (2) are not on probation or parole or serving a sentence of imprisonment on July 1, 2011; and (3) before July 1, 2011, were honorably discharged from probation or parole, pardoned with the restoration of the right to vote or released from prison after serving their sentences. **Section 16** further provides that notification to such persons of the restoration of the civil right to vote is not required.

Amendment No. 706.
"SUMMARY—Revises provisions governing the regulation of mortgage lending. (BDR 54-183)"
"AN ACT relating to mortgage lending; revising provisions governing certain mortgage lending professionals to be consistent with certain federal law governing the provision of mortgage assistance relief services; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law regulates the activities of certain mortgage lending professionals who provide counseling, assistance and advice to homeowners whose homes are subject to an outstanding notice of the pendency of an action for foreclosure. (NRS 645F.300-645F.450) The Federal Trade Commission similarly regulates the activities of persons who provide mortgage assistance relief services. (16 C.F.R. Part 322) This bill revises Nevada law to provide protections for homeowners consistent with the protections provided pursuant to the regulations adopted by the Federal Trade Commission.

Section 2 of this bill prohibits a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant from requesting or receiving any compensation before a homeowner executes a written agreement that incorporates an offer of mortgage assistance.

Section 3 of this bill requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to maintain certain records for not less than 24 months. Section 3 provides that such records are subject to inspection and audit by the Commissioner of Mortgage Lending. Section 3 also requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to take reasonable steps to ensure that any of his or her employees or independent contractors comply with the laws and regulations governing persons who perform covered services for compensation, foreclosure consultants and loan modification consultants.

Section 4 of this bill requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to make certain disclosures in connection with any commercial communication relating to the provision of any covered service.
Section 5 of this bill requires a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant to provide certain notices to a homeowner at the time the homeowner is presented with a written agreement incorporating an offer of mortgage assistance obtained from the homeowner's lender or servicer.

Section 6 of this bill prohibits a person who knows or reasonably should know that a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant is not in compliance with the laws and regulations governing covered services from providing substantial assistance or support to the person who performs any covered service for compensation, the foreclosure consultant or the loan modification consultant.

Section 8 of this bill extends to the employees of an attorney at law the exemption from regulation as a foreclosure consultant or foreclosure purchaser that is currently provided under certain circumstances to an attorney at law.

Section 9 of this bill prohibits a person who performs any covered service for compensation, a foreclosure consultant or a loan modification consultant from making certain express or implied representations relating to the provision of covered services, including any representation that: (1) a homeowner cannot or should not contact or communicate with his or her lender; or (2) the covered service is affiliated with or endorsed by the Federal Government, the State of Nevada or any department, agency or political subdivision thereof. Section 9 also prohibits a person who performs any covered service, a foreclosure consultant or a loan modification consultant from obtaining or attempting to obtain from a homeowner a waiver of any provision of this bill or existing law. Any such waiver is void and unenforceable. A violation of any provision of section 9 constitutes mortgage lending fraud and is punishable as a category C felony.

The following amendment was proposed by the Committee on Education:

Amendment No. 759.

"SUMMARY—Requires criminal background investigations of educational personnel upon renewal of a license. (BDR 34-8)"

"AN ACT relating to educational personnel; requiring the board of trustees of each school district and the governing body of each charter school to adopt a policy requiring the licensed employees of the school district or charter school to report information concerning arrests for or convictions of certain crimes; requiring the Commission on Professional Standards in Education to include in the fee for the renewal of licensure of teachers and other educational personnel the amount required for processing the fingerprints of the applicant for renewal by the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation; requiring the Central Repository to investigate the criminal background of each applicant for renewal of a license submitted to the Superintendent of Public Instruction; revising other provisions governing the renewal of licensure of teachers and other educational personnel; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, the Department of Education is required to establish a procedure for the notification, tracking and monitoring of the status of criminal cases involving persons who are licensed by the Superintendent of Public Instruction and for the reporting by a school district or charter school to the Department if a licensed employee is arrested for certain crimes. (NRS 391.053-391.059) Section 1 of this bill requires the board of trustees of each school district and the governing body of each charter school to adopt a policy which requires a licensed employee of the school district or charter school to report to the school district or charter school if the employee is arrested for or convicted of a crime which is required to be reported pursuant to the policy.
Under existing law, an applicant for a license to teach must submit to the Superintendent of Public Instruction with his or her application a complete set of his or her fingerprints and written permission authorizing the Superintendent to forward the fingerprints to the Central Repository for Nevada Records of Criminal History for its report on the criminal history of the applicant and for submission to the Federal Bureau of Investigation for its report on the criminal history of the applicant. (NRS 391.033) Also under existing law, the Central Repository is required to notify the Superintendent of Public Instruction if the background check indicates that an applicant for licensure has been convicted of certain criminal violations. In addition, the Central Repository is required to notify a county school district, charter school or private school if the investigation of an employee of the school district, charter school or private school whose fingerprints are submitted to the Central Repository indicates that the person has been convicted of certain criminal violations. (NRS 179A.075) An applicant for renewal of a license issued by the Superintendent of Public Instruction is not required to undergo a subsequent background investigation of his or her criminal history upon renewal of the license.

Under existing law, the Commission on Professional Standards in Education is required to fix fees of not less than $65 for the issuance and renewal of a license to teach. (NRS 391.040) Existing administrative regulations of the Commission prescribe a fee for: (1) initial licensure of $110, plus the amount charged for the criminal history of the applicant; and (2) renewal of a license of $80. (NAC 391.045, 391.070) Section 2 of this bill requires the Commission to set the fees for renewal of a license to include the fees for processing the fingerprints of the applicant for renewal by the Central Repository and the Federal Bureau of Investigation. Section 3 of this bill requires the Central Repository to investigate the criminal history of applicants for renewal of a license submitted to the Superintendent of Public Instruction. Section 4 of this bill makes the provisions of the bill effective on July 1, 2011, for the purposes of adopting and policies and performing any other preparatory administrative tasks and on January 1, 2012, for all other purposes.

"SUMMARY—Makes changes to the population basis for the exercise of certain powers by local governments.(BDR 20-548)"
"AN ACT relating to classifications based on population; changing the population basis for the exercise of certain powers by local governments; and providing other matters properly relating thereto."
Legislative Counsel's Digest:

Unless expressly provided otherwise or required by context, "population" is defined under existing law for the entire Nevada Revised Statutes as "the number of people in a specified area as determined by the last preceding national decennial census conducted by the Bureau of the Census of the United States Department of Commerce" pursuant to the United States Constitution and as reported by the Secretary of Commerce to the Governor of Nevada. (NRS 0.050) The Nevada Supreme Court has upheld classifications in statutes based on the population of entities if the classification is rationally related to the subject matter and purpose of the statute, applies prospectively to all such entities that might come within its designated class and does not create an odious, absurd or bizarre distinction. (County of Clark v. City of Las Vegas, 97 Nev. 260, 264 (1981)) This bill constitutes the Legislature's reconsideration of the population classifications in existing law to determine whether those classifications continue to meet the conditions expressed by the Nevada Supreme Court.

(c) Except as otherwise provided in subsection 2, execute the process, writs or warrants of courts of justice, judicial officers and coroners, when delivered to the sheriff for that purpose.

2. The sheriff may authorize the constable of the appropriate township to receive and execute the process, writs or warrants of courts of justice, judicial officers and coroners.

Section 43 of Assembly Bill No. 545 is hereby amended as follows:

Sec. 43. NRS 252.070 is hereby amended to read as follows:

252.070 1. All district attorneys may appoint deputies, who are authorized to transact all official business relating to those duties of the office set forth in NRS 252.080 and 252.090 to the same extent as their principals and perform such other duties as the district attorney may from time to time direct. The appointment of a deputy district attorney must not be construed to confer upon that deputy policymaking authority for the office of the district attorney or the county by which the deputy district attorney is employed.

2. District attorneys are responsible on their official bonds for all official malfeasance or nonfeasance of the deputies. Bonds for the faithful performance of their official duties may be required of deputies by district attorneys.

3. All appointments of deputies under the provisions of this section must be in writing and must, together with the oath of office of the deputies, be
recorded in the office of the recorder of the county within which the district attorney legally holds and exercises his or her office. Revocations of those appointments must also be recorded as provided in this section. From the time of the recording of the appointments or revocations therein, persons shall be deemed to have notice of the appointments or revocations.

4. Deputy district attorneys of counties whose population is less than 100,000 may engage in the private practice of law. In any other county, except as otherwise provided in NRS 7.065 and this subsection, deputy district attorneys shall not engage in the private practice of law. An attorney appointed to prosecute a person for a limited duration with limited jurisdiction may engage in private practice which does not present a conflict with his or her appointment.

5. Any district attorney may, subject to the approval of the board of county commissioners, appoint such clerical, investigational and operational staff as the execution of duties and the operation of his or her office may require. The compensation of any person so appointed must be fixed by the board of county commissioners.

6. In a county whose population is [400,000] 100,000 or more, deputies are governed by the merit personnel system of the county.

Section 46 of Assembly Bill No. 545 is hereby amended as follows:

Sec. 46. NRS 260.040 is hereby amended to read as follows:

260.040 1. The compensation of the public defender must be fixed by the board of county commissioners. The public defender of any two or more counties must be compensated and be permitted private civil practice of the law as determined by the boards of county commissioners of those counties, subject to the provisions of subsection 4 of this section and NRS 7.065.

2. The public defender may appoint as many deputies or assistant attorneys, clerks, investigators, stenographers and other employees as the public defender considers necessary to enable him or her to carry out his or her responsibilities, with the approval of the board of county commissioners. An assistant attorney must be a qualified attorney licensed to practice in this State and may be placed on a part-time or full-time basis. The appointment of a deputy, assistant attorney or other employee pursuant to this subsection must not be construed to confer upon that deputy, assistant attorney or other employee policymaking authority for the office of the public defender or the county or counties by which the deputy, assistant attorney or other employee is employed.

3. The compensation of persons appointed under subsection 2 must be fixed by the board of county commissioners of the county or counties so served.

4. The public defender and his or her deputies and assistant attorneys in a county whose population is less than 100,000 may engage in the private practice of law. Except as otherwise provided in this subsection, in any other county, the public defender and his or her deputies and assistant attorneys shall not engage in the private practice of law except as otherwise provided
in NRS 7.065. An attorney appointed to defend a person for a limited duration with limited jurisdiction may engage in private practice which does not present a conflict with his or her appointment.

5. The board of county commissioners shall provide office space, furniture, equipment and supplies for the use of the public defender suitable for the conduct of the business of his or her office. However, the board of county commissioners may provide for an allowance in place of facilities. Each of those items is a charge against the county in which public defender services are rendered. If the public defender serves more than one county, expenses that are properly allocable to the business of more than one of those counties must be prorated among the counties concerned.

6. In a county whose population is \(400,000\) or more, deputies are governed by the merit personnel system of the county.

Section 47 of Assembly Bill No. 545 is hereby amended as follows:

Sec. 47. NRS 3.310 is hereby amended to read as follows:

3.310 1. Except as otherwise provided in this subsection, the judge of each district court may appoint a bailiff for the court in counties polling 4,500 or more votes. In counties polling less than 4,500 votes, the judge may appoint a bailiff with the concurrence of the sheriff. Subject to the provisions of subsections 2, 4 and 10, in a county whose population is \(400,000\) or more, the judge of each district court may appoint a deputy marshal for the court instead of a bailiff. In each case, the bailiff or deputy marshal serves at the pleasure of the judge he or she serves.

2. In all judicial districts where there is more than one judge, there may be a number of bailiffs or deputy marshals at least equal to the number of judges, and in any judicial district where a circuit judge has presided for more than 50 percent of the regular judicial days of the prior calendar year, there may be one additional bailiff or deputy marshal, each bailiff or deputy marshal to be appointed by the joint action of the judges. If the judges cannot agree upon the appointment of any bailiff or deputy marshal within 30 days after a vacancy occurs in the office of bailiff or deputy marshal, then the appointment must be made by a majority of the board of county commissioners.

3. Each bailiff or deputy marshal shall:
   (a) Preserve order in the court.
   (b) Attend upon the jury.
   (c) Open and close court.
   (d) Perform such other duties as may be required of him or her by the judge of the court.

4. The bailiff or deputy marshal must be a qualified elector of the county and shall give a bond, to be approved by the district judge, in the sum of $2,000, conditioned for the faithful performance of his or her duty.

5. The compensation of each bailiff or deputy marshal for his or her services must be fixed by the board of county commissioners of the county
and his or her salary paid by the county wherein he or she is appointed, the
same as the salaries of other county officers are paid.

6. The board of county commissioners of the respective counties shall
allow the salary stated in subsection 5 as other salaries are allowed to county
officers, and the county auditor shall draw his or her warrant for it, and the
county treasurer shall pay it.

7. The provisions of this section do not:
   (a) Authorize the bailiff or deputy marshal to serve any civil or criminal
       process, except such orders of the court which are specially directed by the
       court or the presiding judge thereof to him or her for service.
   (b) Except in a county whose population is 700,000 or more, relieve the sheriff of any duty required of him or her by law
to maintain order in the courtroom.

8. If a deputy marshal is appointed for a court pursuant to subsection 1,
each session of the court must be attended by the deputy marshal.

9. For good cause shown, a deputy marshal appointed for a court
pursuant to subsection 1 may be assigned temporarily to assist other judicial
departments or assist with court administration as needed.

10. A person appointed to be a deputy marshal for a court pursuant to
subsection 1 must be certified by the Peace Officers' Standards and Training
Commission as a category I peace officer not later than 18 months after
appointment.

Section 75.5 of Assembly Bill No. 545 is hereby amended as follows:

Sec. 75.5. Chapter 218D of NRS is hereby amended by adding
thereeto a new section to read as follows:

1. Before changing a classification in a statute based upon population
   as defined in NRS 0.050, the Legislature shall review the classification,
   consider the suggestions of all interested persons in the State relating to
   whether the classification should remain unchanged or be amended, and
   find that the classification should be amended to a different level. The
determination that a classification should be amended must not solely be
based upon changes in the population of local governments in this State.

2. In determining whether a classification should be amended, the
Legislature shall consider:
   (a) The appropriateness of the statute to local governments or other
       entities of a particular population classification;
   (b) Any changes in conditions that are applicable to the affected entities;
   (c) Changes in state or federal law other than the law being amended;
       and
   (d) The testimony of representatives of local governments and other
       persons indicating a need for and desire to apply the statute to the local
government or to exclude the local government from the applicability of the
statute.
Senator Settelmeyer moved the adoption of the amendment.
Remarks by Senator Settelmeyer.
Senator Settelmeyer requested that his remarks be entered in the Journal.
Amendment No. 750 to Assembly Bill No. 545 reverts the bill back to its introduced version. This would involve removing the Assembly amendments to Sections 42, 43, 46, and 47; and amends the bill by adding new language to Chapter 218D of the *Nevada Revised Statutes* (NRS) to specify that before changing a classification in a statute based upon population, the Legislature shall review the classification, consider the suggestions of interested persons, and find that the classification should be amended to a different level.

Amendment adopted.

The Consumer Advocate, appointed by the Governor, serves as the executive head of the Office, and must intervene in and represent the public interest in all hearings relating to rates or proposed rate increases or decreases for individual health benefit plans and group health plans for small employers.

The measure requires an insurer that offers any health benefit plan to provide in an electronic format to the Consumer Advocate and the Division any proposed rate changes or any other information used to calculate a rate or proposed rate increase or decrease. An insurer must publish on its Internet website the base premiums, certificates of coverage, and actual and projected loss ratios of such health benefit plans offered by the insurer. The Division is required to maintain a link on its Internet website to the insurer's Internet website.

The Commissioner of Insurance is authorized to hold a public hearing before approving or denying a rate or proposed rate increase or decrease to certain health benefit plans and group health plans for certain small employers. Additionally, an insurer, the Consumer Advocate, or a consumer of health insurance may request a public hearing if the proposed rate increase or decrease is more than 10 percent of the current rate, or the health benefit plan represents more than 5 percent of its market segment in this State.

UNFINISHED BUSINESS
CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 245.
The following Assembly amendment was read:
Amendment No. 637.
"SUMMARY—Creates the Statewide Alert System for the Safe Return of Missing Endangered Older Persons. (BDR 38-710)"

"AN ACT relating to older persons; creating the Statewide Alert System for the Safe Return of Missing Endangered Older Persons; requiring the
Department of Public Safety to administer and adopt regulations for the System; prescribing the circumstances under which a law enforcement agency may activate the System; providing immunity from civil liability for certain persons who disseminate certain information pursuant to a notification of activation of the System; providing immunity from civil liability for certain persons who enter into agreements with the Department to establish or maintain an Internet website for the System; providing that a person who intentionally makes certain false or misleading statements to cause activation of the System is guilty of a category E felony; providing a penalty; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Section 7 of this bill creates the Statewide Alert System for the Safe Return of Missing Endangered Older Persons, which is composed of a voluntary partnership among the Department of Public Safety, the Department of Transportation, state and local law enforcement agencies, media outlets and other public and private organizations to assist in the search for and safe return of missing endangered older persons. Section 7 requires the Department of Public Safety to administer the System. Section 5 of this bill defines the term "missing endangered older person" for the purposes of the System to mean a person who is 60 years of age or older whose whereabouts are unknown and: (1) who has been diagnosed with a medical or mental health condition that places the person in danger of serious physical harm or death; or (2) who is missing under suspicious or unexplained circumstances that place the person in danger of serious physical harm or death. Section 8 of this bill requires the Department of Public Safety to: (1) adopt regulations governing the operation of the System; (2) develop a plan for carrying out the System which sets forth the components of the System; (3) oversee the System; (4) supervise and evaluate any training associated with the System; (5) monitor, review and evaluate the activations of the System for compliance with the provisions of this bill; and (6) conduct periodic tests of the System. Section 9 of this bill prescribes the circumstances under which a law enforcement agency may activate the System. Section 10 of this bill provides immunity from civil liability for a media outlet or a public or private organization that participates in the System and any person working for the media outlet or public or private organization who disseminates certain information pursuant to a notification of activation of the System and for a person who enters into an agreement with the Department of Public Safety to establish or maintain a website for the System if the agreement provides that only the law enforcement agency activating the System has the authority or ability to place information on the website.

Existing law provides that a person who intentionally makes any false or misleading statement to cause the activation of the "Amber Alert" system is guilty of a category E felony. (NRS 207.285) Section 11 of this bill provides the same penalty for a person who intentionally makes any false or
misleading statement to cause the activation of the System created by this bill.

Senate Bill No. 264.
The following Assembly amendment was read:
Amendment No. 636.
"SUMMARY—Revises provisions concerning the regulation of certain medical facilities. (BDR 40-15)"
"AN ACT relating to public health; revising requirements for various reports concerning the care provided by certain medical and related facilities; revising provisions relating to administrative fines collected by the Health Division of the Department of Health and Human Services; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires certain medical facilities to submit to the Health Division of the Department of Health and Human Services reports of sentinel events. (NRS 439.835) The term "sentinel event" is defined for the purposes of these reports to mean an unexpected occurrence at the facility which involves facility-acquired infection, death or serious physical or psychological injury or the risk thereof, including, without limitation, any process variation for which a recurrence would carry a significant chance of a serious adverse outcome. (NRS 439.830) The Health Division is required to prepare annual reports concerning those reports which were submitted by medical facilities located in a county whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 439.840) Section 5 of this bill requires the Health Division to prepare such annual reports for medical facilities in every county and to make those reports available on the Department's website. Section 5 also requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.

Existing law requires medical facilities which provide care to 25 or more patients per day to submit information to the Internet-based surveillance system established and maintained by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services and requires the Health Division to analyze that information. (NRS 439.847) Section 9 of this bill requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.

Sections 15.3-17 of this bill require hospitals to submit, as part of the program to increase public awareness of health care information concerning hospitals, data relating to the readmission of a patient if the readmission was potentially preventable and clinically related to the initial admission of the patient. Section 20 of this bill requires the Department of Health and Human Services to post that information on an Internet website. Section 16 also authorizes the Department to report certain information concerning the quality of care provided by hospitals if it can be determined from reports
already submitted to the Department. Existing law authorizes the Department to seek injunctive relief or civil penalties against facilities that violate the reporting requirements. (NRS 439A.300, 439A.310)

Sections 21, 22, 24 and 25 of this bill authorize the Health Division to use money which is collected as administrative penalties to administer and carry out the provisions of chapter 449 of NRS and to protect the health and property of the patients and residents of facilities.

Section 35 of this bill repeals NRS 439.825 and 439.850.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

SECOND READING AND AMENDMENT

Senate Bill No. 271.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 802.

"SUMMARY—Provides for withdrawal of the State of Nevada from the Tahoe Regional Planning Compact under certain circumstances. (BDR 22-988)"

"AN ACT relating to land use planning; providing for the withdrawal of the State of Nevada from the Tahoe Regional Planning Compact under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law sets forth the Tahoe Regional Planning Compact, an interstate agreement between the States of California and Nevada pursuant to which the bistate Tahoe Regional Planning Agency regulates environmental and land-use matters within the Lake Tahoe Basin. (NRS 277.190-277.220) Existing law also provides that if either State withdraws from the Compact, the Nevada Tahoe Regional Planning Agency shall assume the duties and powers of regulating environmental and land-use matters on this State's side of the Lake Tahoe Basin. (NRS 278.826)

This bill provides for the withdrawal of Nevada from the Tahoe Regional Planning Compact, thus causing the governing body of the Tahoe Regional Planning Agency to adopt an updated Regional Plan and certain proposed amendments to the Compact are approved pursuant to Public Law 96-551. The proposed amendments to the Compact are: (1) the removal of the supermajority requirement for the governing body of the Agency to establish a quorum; (2) the removal of the supermajority requirement for voting by the governing body; (3) a requirement that the governing body of the Agency consider the changing economic conditions of the Lake Tahoe Basin and amend the Regional Plan accordingly; and (4) the addition of a provision to the Compact which sets forth that any person who legally challenges the Regional Plan has the burden of proving the Regional Plan does not comply with the provisions of the Compact. If the Agency does not adopt an updated Regional Plan and the proposed amendments are not approved by October 1, 2014, Nevada's withdrawal from the Compact will become effective on that date unless the Governor issues a proclamation extending the deadline for withdrawal until October 1, 2017.

This bill also requires the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System to prepare a report detailing certain issues related to Nevada withdrawing from the Compact.

This bill provides that if Nevada withdraws from the Compact, the Nevada Tahoe Regional Planning Agency will assume the duties and powers currently held by the bistate Agency for the portion of the Lake Tahoe Basin within this State.
This bill also establishes temporary measures to ensure that the Nevada Tahoe Regional Planning Agency is able to assume those duties and powers in an orderly manner.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The State of Nevada hereby withdraws from the Tahoe Regional Planning Compact pursuant to the provisions of subdivision (c) of Article X of the Tahoe Regional Planning Compact.

Sec. 1.5. NRS 277.200 is hereby amended to read as follows:

277.200 The Tahoe Regional Planning Compact is as follows:

Tahoe Regional Planning Compact

ARTICLE I. Findings and Declarations of Policy

(a) It is found and declared that:

(1) The waters of Lake Tahoe and other resources of the region are threatened with deterioration or degeneration, which endangers the natural beauty and economic productivity of the region.

(2) The public and private interests and investments in the region are substantial.

(3) The region exhibits unique environmental and ecological values which are irreplaceable.

(4) By virtue of the special conditions and circumstances of the region's natural ecology, developmental pattern, population distribution and human needs, the region is experiencing problems of resource use and deficiencies of environmental control.

(5) Increasing urbanization is threatening the ecological values of the region and threatening the public opportunities for use of the public lands.

(6) Maintenance of the social and economic health of the region depends on maintaining the significant scenic, recreational, educational, scientific, natural and public health values provided by the Lake Tahoe Basin.

(7) There is a public interest in protecting, preserving and enhancing these values for the residents of the region and for visitors to the region.

(8) Responsibilities for providing recreational and scientific opportunities, preserving scenic and natural areas, and safeguarding the public who live, work and play in or visit the region are divided among local governments, regional agencies, the states of California and Nevada, and the Federal Government.

(9) In recognition of the public investment and multistate and national significance of the recreational values, the Federal Government has an interest in the acquisition of recreational property and the management of resources in the region to preserve environmental and recreational values, and the Federal Government should assist the states in fulfilling their responsibilities.
(10) In order to preserve the scenic beauty and outdoor recreational opportunities of the region, there is a need to insure an equilibrium between the region's natural endowment and its man-made environment.

(b) In order to enhance the efficiency and governmental effectiveness of the region, it is imperative that there be established a Tahoe Regional Planning Agency with the powers conferred by this compact including the power to establish environmental threshold carrying capacities and to adopt and enforce a regional plan and implementing ordinances which will achieve and maintain such capacities while providing opportunities for orderly growth and development consistent with such capacities.

(c) The Tahoe Regional Planning Agency shall interpret and administer its plans, ordinances, rules and regulations in accordance with the provisions of this compact.

(C) One member appointed for a 1-year term by the six other members of the Nevada delegation. If at least four members of the Nevada delegation are unable to agree upon the selection of a seventh member within 60 days after the effective date of the amendments to this compact or the occurrence of a vacancy on the governing body for that state the governor of the State of Nevada shall make such an appointment. The member appointed pursuant to this subparagraph may, but is not required to, be a resident of the region within the State of Nevada.

(3) If any appointing authority under paragraph (1)(A), (1)(B), (2)(A) or (2)(B) fails to make such an appointment within 60 days after the effective date of the amendments to this compact or the occurrence of a vacancy on the governing body, the governor of the state in which the appointing authority is located shall make the appointment. The term of any member so appointed shall be 1 year.

(4) The position of any member of the governing body shall be deemed vacant if such a member is absent from three consecutive meetings of the governing body in any calendar year.

(5) Each member and employee of the agency shall disclose his economic interests in the region within 10 days after taking his seat on the governing board or being employed by the agency and shall thereafter disclose any further economic interest which he acquires, as soon as feasible after he acquires it. As used in this paragraph, "economic interests" means:

(A) Any business entity operating in the region in which the member or employee has a direct or indirect investment worth more than $1,000;

(B) Any real property located in the region in which the member or employee has a direct or indirect interest worth more than $1,000;

(C) Any source of income attributable to activities in the region, other than loans by or deposits with a commercial lending institution in the regular course of business, aggregating $250 or more in value received by or promised to the member within the preceding 12 months; or

(D) Any business entity operating in the region in which the member or employee is a director, officer, partner, trustee, employee or holds any position of management.
No member or employee of the agency shall make, or attempt to influence, an agency decision in which he knows or has reason to know he has an economic interest. Members and employees of the agency must disqualify themselves from making or participating in the making of any decision of the agency when it is reasonably foreseeable that the decision will have a material financial effect, distinguishable from its effect on the public generally, on the economic interests of the member or employee.

(b) The members of the agency shall serve without compensation, but the expenses of each member shall be met by the body which he represents in accordance with the law of that body. All other expenses incurred by the governing body in the course of exercising the powers conferred upon it by this compact unless met in some other manner specifically provided, shall be paid by the agency out of its own funds.

(c) Except for the secretary of state and director of the state department of conservation and natural resources of Nevada and the member appointed pursuant to subdivision (a)(2)(C), the members of the governing body serve at the pleasure of the appointing authority in each case, but each appointment shall be reviewed no less often than every 4 years. Members may be reappointed.

(d) The governing body of the agency shall meet at least monthly. All meetings shall be open to the public to the extent required by the law of the State of California or the State of Nevada, whichever imposes the greater requirement, applicable to local governments at the time such meeting is held. The governing body shall fix a date for its regular monthly meeting in such terms as "the first Monday of each month," and shall not change such date more often than once in any calendar year. Notice of the date so fixed shall be given by publication at least once in a newspaper or combination of newspapers whose circulation is general throughout the region and in each county a portion of whose territory lies within the region. Notice of any special meeting, except an emergency meeting, shall be given by so publishing the date and place and posting an agenda at least 5 days prior to the meeting.

(e) The position of a member of the governing body shall be considered vacated upon his loss of any of the qualifications required for his appointment and in such event the appointing authority shall appoint a successor.

(f) The governing body shall elect from its own members a chairman and vice chairman, whose terms of office shall be 2 years, and who may be reelected. If a vacancy occurs in either office, the governing body may fill such vacancy for the unexpired term.

(g) Eight of the members of the governing body constitute a quorum for the transaction of the business of the agency. The voting procedures shall be as follows: and the affirmative vote of eight members of the governing body is sufficient for any of the following purposes:
(1) For adopting, amending or repealing environmental threshold carrying capacities, the regional plan, and ordinances, rules and regulations, and for granting variances from the ordinances, rules and regulations, the vote of at least four of the members of each state agreeing with the vote of at least four members of the other state shall be required to take action. If there is no vote of at least four of the members from one state agreeing with the vote of at least four of the members of the other state on the actions specified in this paragraph, an action of rejection shall be deemed to have been taken.

(2) For approving a project, the affirmative vote of at least five members from the state in which the project is located and the affirmative vote of at least nine members of the governing body are required. If at least five members of the governing body from the state in which the project is located and at least nine members of the entire governing body do not vote in favor of the project, upon a motion for approval, an action of rejection shall be deemed to have been taken. A decision by the agency to approve a project shall be supported by a statement of findings, adopted by the agency, which indicates that the project complies with the regional plan and with applicable ordinances, rules and regulations of the agency.

(3) For routine business and for directing the agency's staff on litigation and enforcement actions, at least eight members of the governing body must agree to take action. If at least eight votes in favor of such action are not cast, an action of rejection shall be deemed to have been taken.

Whenever under the provisions of this compact or any ordinance, rule, regulation or policy adopted pursuant thereto, the agency is required to review or approve any project, public or private, the agency shall take final action by vote, whether to approve, to require modification or to reject such project, within 180 days after the application for such project is accepted as complete by the agency in compliance with the agency's rules and regulations governing such delivery unless the applicant has agreed to an extension of this time limit. If a final action by vote does not take place within 180 days, the applicant may bring an action in a court of competent jurisdiction to compel a vote unless he has agreed to an extension. This provision does not limit the right of any person to obtain judicial review of agency action under subdivision (h) of Article VI. The vote of each member of the governing body shall be individually recorded. The governing body shall adopt its own rules, regulations and procedures.

(h) An advisory planning commission shall be appointed by the agency. The commission shall include: the chief planning officers of Placer County, El Dorado County, and the City of South Lake Tahoe in California and of Douglas County, Washtoe County and Carson City in Nevada, the executive officer of the Lahontan Regional Water Quality Control Board of the State of California, the executive officer of the Air Resources Board of the State of California, the director of the state department of conservation and natural resources of the State of Nevada, the administrator of the division of environmental protection in the state department of conservation and natural
resources of the State of Nevada, the administrator of the Lake Tahoe Management Unit of the United States Forest Service, and at least four lay members with an equal number from each state, at least half of whom shall be residents of the region. Any official member may designate an alternate.

The term of office of each lay member of the advisory planning commission shall be 2 years. Members may be reappointed.

The position of each member of the advisory planning commission shall be considered vacated upon loss of any of the qualifications required for appointment, and in such an event the appointing authority shall appoint a successor.

The advisory planning commission shall elect from its own members a chairman and a vice chairman, whose terms of office shall be 2 years and who may be reelected. If a vacancy occurs in either office, the advisory planning commission shall fill such vacancy for the unexpired term.

A majority of the members of the advisory planning commission constitutes a quorum for the transaction of the business of the commission. A majority vote of the quorum present shall be required to take action with respect to any matter.

(i) The agency shall establish and maintain an office within the region, and for this purpose the agency may rent or own property and equipment. Every plan, ordinance and other record of the agency which is of such nature as to constitute a public record under the law of either the State of California or the State of Nevada shall be open to inspection and copying during regular office hours.

(j) Each authority charged under this compact or by the law of either state with the duty of appointing a member of the governing body of the agency shall by certified copy of its resolution or other action notify the Secretary of State of its own state of the action taken.

**ARTICLE IV. Personnel**

(a) The governing body shall determine the qualification of, and it shall appoint and fix the salary of, the executive officer of the agency, and shall employ such other staff and legal counsel as may be necessary to execute the powers and functions provided for under this compact or in accordance with any intergovernmental contracts or agreements the agency may be responsible for administering.

(b) Agency personnel standards and regulations shall conform insofar as possible to the regulations and procedures of the civil service of the State of California or the State of Nevada, as may be determined by the governing body of the agency; and shall be regional and bistate in application and effect; provided that the governing body may, for administrative convenience and at its discretion, assign the administration of designated personnel arrangements to an agency of either state, and provided that administratively convenient adjustments be made in the standards and regulations governing personnel assigned under intergovernmental agreements.
(c) The agency may establish and maintain or participate in such additional programs of employee benefits as may be appropriate to afford employees of the agency terms and conditions of employment similar to those enjoyed by employees of California and Nevada generally.

**ARTICLE V. Planning**

(a) In preparing each of the plans required by this article and each amendment thereto, if any, subsequent to its adoption, the planning commission after due notice shall hold at least one public hearing which may be continued from time to time, and shall review the testimony and any written recommendations presented at such hearing before recommending the plan or amendment. The notice required by this subdivision shall be given at least 20 days prior to the public hearing by publication at least once in a newspaper or combination of newspapers whose circulation is general throughout the region and in each county a portion of whose territory lies within the region.

The planning commission shall then recommend such plan or amendment to the governing body for adoption by ordinance. The governing body may adopt, modify or reject the proposed plan or amendment, or may initiate and adopt a plan or amendment without referring it to the planning commission. If the governing body initiates or substantially modifies a plan or amendment, it shall hold at least one public hearing thereon after due notice as required in this subdivision.

If a request is made for the amendment of the regional plan by:

1. A political subdivision a part of whose territory would be affected by such amendment; or
2. The owner or lessee of real property which would be affected by such amendment,

the governing body shall complete its action on such amendment within 180 days after such request is accepted as complete according to standards which must be prescribed by ordinance of the agency.

(b) The agency shall develop, in cooperation with the states of California and Nevada, environmental threshold carrying capacities for the region. The agency should request the President's Council on Environmental Quality, the United States Forest Service and other appropriate agencies to assist in developing such environmental threshold carrying capacities. Within 18 months after the effective date of the amendments to this compact, the agency shall adopt environmental threshold carrying capacities for the region.

(c) Within 1 year after the adoption of the environmental threshold carrying capacities for the region, the agency shall amend the regional plan so that, at a minimum, the plan and all of its elements, as implemented through agency ordinances, rules and regulations, achieves and maintains the adopted environmental threshold carrying capacities. Each element of the plan shall contain implementation provisions and time schedules for such implementation by ordinance. The planning commission and governing body
shall continuously review and maintain the regional plan and, in so doing, shall ensure that the regional plan reflects changing economic conditions and the economic effect of regulation on commerce. The regional plan shall consist of a diagram, or diagrams, and text, or texts setting forth the projects and proposals for implementation of the regional plan, a description of the needs and goals of the region and a statement of the policies, standards and elements of the regional plan.

The regional plan shall be a single enforceable plan and includes all of the following correlated elements:

1. A land-use plan for the integrated arrangement and general location and extent of, and the criteria and standards for, the uses of land, water, air, space and other natural resources within the region, including but not limited to an indication or allocation of maximum population densities and permitted uses.

2. A transportation plan for the integrated development of a regional system of transportation, including but not limited to parkways, highways, transportation facilities, transit routes, waterways, navigation facilities, public transportation facilities, bicycle facilities, and appurtenant terminals and facilities for the movement of people and goods within the region. The goal of transportation planning shall be:
   (A) To reduce dependency on the automobile by making more effective use of existing transportation modes and of public transit to move people and goods within the region; and
   (B) To reduce to the extent feasible air pollution which is caused by motor vehicles.
   Where increases in capacity are required, the agency shall give preference to providing such capacity through public transportation and public programs and projects related to transportation. The agency shall review and consider all existing transportation plans in preparing its regional transportation plan pursuant to this paragraph.

3. A conservation plan for the preservation, development, utilization, and management of the scenic and other natural resources within the basin, including but not limited to, soils, shoreline and submerged lands, scenic corridors along transportation routes, open spaces, recreational and historical facilities.
(4) A recreation plan for the development, utilization, and management of the recreational resources of the region, including but not limited to, wilderness and forested lands, parks and parkways, riding and hiking trails, beaches and playgrounds, marinas, areas for skiing and other recreational facilities.

(5) A public services and facilities plan for the general location, scale and provision of public services and facilities, which, by the nature of their function, size, extent and other characteristics are necessary or appropriate for inclusion in the regional plan.

In formulating and maintaining the regional plan, the planning commission and governing body shall take account of and shall seek to harmonize the needs of the region as a whole, the plans of the counties and cities within the region, the plans and planning activities of the state, federal and other public agencies and nongovernmental agencies and organizations which affect or are concerned with planning and development within the region.

(d) The regional plan shall provide forattaining and maintaining federal, state, or local air and water quality standards, whichever are strictest, in the respective portions of the region for which the standards are applicable.

The agency may, however, adopt air or water quality standards or control measures more stringent than the applicable state implementation plan or the applicable federal, state, or local standards for the region, if it finds that such additional standards or control measures are necessary to achieve the purposes of this compact. Each element of the regional plan, where applicable, shall, by ordinance, identify the means and time schedule by which air and water quality standards will be attained.

(e) Except for the Regional Transportation Plan of the California Tahoe Regional Planning Agency, the regional plan, ordinances, rules and regulations adopted by the California Tahoe Regional Planning Agency in effect on July 1, 1980, shall be the regional plan, ordinances, rules and regulations of the Tahoe Regional Planning Agency for that portion of the Tahoe region located in the State of California. Such plan, ordinance, rule or regulation may be amended or repealed by the governing body of the agency. The plans, ordinances, rules and regulations of the Tahoe Regional Planning Agency that do not conflict with, or are not addressed by, the California Tahoe Regional Planning Agency's plans, ordinances, rules and regulations referred to in this subdivision shall continue to be applicable unless amended or repealed by the governing body of the agency. No provision of the regional plan, ordinances, rules and regulations of the California Tahoe Regional Planning Agency referred to in this subdivision shall apply to that portion of the region within the State of Nevada, unless such provision is adopted for the Nevada portion of the region by the governing body of the agency.

(f) The regional plan, ordinances, rules and regulations of the Tahoe Regional Planning Agency apply to that portion of the region within the State of Nevada.
(g) The agency shall adopt ordinances prescribing specific written findings that the agency must make prior to approving any project in the region. These findings shall relate to environmental protection and shall insure that the project under review will not adversely affect implementation of the regional plan and will not cause the adopted environmental threshold carrying capacities of the region to be exceeded.

(h) The agency shall maintain the data, maps and other information developed in the course of formulating and administering the regional plan, in a form suitable to assure a consistent view of developmental trends and other relevant information for the availability of and use by other agencies of government and by private organizations and individuals concerned.

(i) Where necessary for the realization of the regional plan, the agency may engage in collaborative planning with local governmental jurisdictions located outside the region, but contiguous to its boundaries. In formulating and implementing the regional plan, the agency shall seek the cooperation and consider the recommendations of counties and cities and other agencies of local government, of state and federal agencies, of educational institutions and research organizations, whether public or private, and of civic groups and private persons.

ARTICLE VI. Agency's Powers

(a) The governing body shall adopt all necessary ordinances, rules, and regulations to effectuate the adopted regional plan. Except as otherwise provided in this compact, every such ordinance, rule or regulation shall establish a minimum standard applicable throughout the region. Any political subdivision or public agency may adopt and enforce an equal or higher requirement applicable to the same subject of regulation in its territory. The regulations of the agency shall contain standards including but not limited to the following: water purity and clarity; subdivision; zoning; tree removal; solid waste disposal; sewage disposal; land fills, excavations, cuts and grading; piers, harbors, breakwaters or channels and other shoreline developments; waste disposal in shoreline areas; waste disposal from boats; mobile-home parks; house relocation; outdoor advertising; floodplain protection; soil and sedimentation control; air pollution; and watershed protection. Whenever possible without diminishing the effectiveness of the regional plan, the ordinances, rules, regulations and policies shall be confined to matters which are general and regional in application, leaving to the jurisdiction of the respective states, counties and cities the enactment of specific and local ordinances, rules, regulations and policies which conform to the regional plan.

The agency shall prescribe by ordinance those activities which it has determined will not have substantial effect on the land, water, air, space or any other natural resources in the region and therefore will be exempt from its review and approval.

Every ordinance adopted by the agency shall be published at least once by title in a newspaper or combination of newspapers whose circulation is
general throughout the region. Except an ordinance adopting or amending the regional plan, no ordinance shall become effective until 60 days after its adoption. Immediately after its adoption, a copy of each ordinance shall be transmitted to the governing body of each political subdivision having territory within the region.

(b) No project other than those to be reviewed and approved under the special provisions of subdivisions (d), (e), (f) and (g) may be developed in the region without obtaining the review and approval of the agency and no project may be approved unless it is found to comply with the regional plan and with the ordinances, rules and regulations enacted pursuant to subdivision (a) to effectuate that plan.

The agency may approve a project in the region only after making the written findings required by this subdivision or subdivision (g) of Article V. Such findings shall be based on substantial evidence in the record.

Before adoption by the agency of the ordinances required in subdivision (g) of Article V, the agency may approve a project in the region only after making written findings on the basis of substantial evidence in the record that the project is consistent with the regional plan then in effect and with applicable plans, ordinances, regulations, and standards of federal and state agencies relating to the protection, maintenance and enhancement of environmental quality in the region.

(c) The legislatures of the states of California and Nevada find that in order to make effective the regional plan as revised by the agency, it is necessary to halt temporarily works of development in the region which might otherwise absorb the entire capability of the region for further development or direct it out of harmony with the ultimate plan. Subject to the limitation provided in this subdivision, from the effective date of the amendments to this compact until the regional plan is amended pursuant to subdivision (c) of Article V, or until May 1, 1983, whichever is earlier:

(1) Except as otherwise provided in this paragraph, no new subdivision, planned unit development, or condominium project may be approved unless a complete tentative map or plan has been approved before the effective date of the amendments to this compact by all agencies having jurisdiction. The subdivision of land owned by a general improvement district, which existed and owned the land before the effective date of the amendments to this compact, may be approved if subdivision of the land is necessary to avoid insolvency of the district.

(2) Except as provided in paragraph (3), no apartment building may be erected unless the required permits for such building have been secured from all agencies having jurisdiction, prior to the effective date of the amendments to this compact.

(3) During each of the calendar years 1980, 1981 and 1982, no city or county may issue building permits which authorize the construction of a greater number of new residential units within the region than were authorized within the region by building permits issued by that city or county.
during the calendar year 1978. For the period of January through April, 1983, building permits authorizing the construction of no more than one-third of that number may be issued by each such city or county. For purposes of this paragraph a "residential unit" means either a single family residence or an individual residential unit within a larger building, such as an apartment building, a duplex or a condominium.

The legislatures find the respective numbers of residential units authorized within the region during the calendar year 1978 to be as follows:

1. City of South Lake Tahoe and El Dorado County (combined) ....................................................................................... 252
2. Placer County ........................................................................... 278
3. Carson City ................................................................................ -0-
4. Douglas County ........................................................................ 339
5. Washoe County ........................................................................ 739

(4) During each of the calendar years 1980, 1981 and 1982, no city or county may issue building permits which authorize construction of a greater square footage of new commercial buildings within the region than were authorized within the region by building permits for commercial purposes issued by that city or county during the calendar year 1978. For the period of January through April, 1983, building permits authorizing the construction of no more than one-third the amount of that square footage may be issued by each such city or county.

The legislatures find the respective square footages of commercial buildings authorized within the region during calendar year 1978 to be as follows:

1. City of South Lake Tahoe and El Dorado County (combined) .................................................................................. 64,324
2. Placer County ...................................................................... 23,000
3. Carson City ................................................................................ -0-
4. Douglas County ................................................................... 57,354
5. Washoe County .................................................................... 50,600

(5) No structure may be erected to house gaming under a nonrestricted license.

(6) No facility for the treatment of sewage may be constructed or enlarged except:

(A) To comply, as ordered by the appropriate state agency for the control of water pollution, with existing limitations of effluent under the Clean Water Act, 33 U.S.C. §§ 1251 et seq., and the applicable state law for control of water pollution;

(B) To accommodate development which is not prohibited or limited by this subdivision; or

(C) In the case of Douglas County Sewer District # 1, to modify or otherwise alter sewage treatment facilities existing on the effective date of the amendments to this compact so that such facilities will be able to treat the total volume of effluent for which they were originally designed, which is
3.0 million gallons per day. Such modification or alteration is not a "project"; is not subject to the requirements of Article VII; and does not require a permit from the agency. Before commencing such modification or alteration, however, the district shall submit to the agency its report identifying any significant soil erosion problems which may be caused by such modifications or alterations and the measures which the district proposes to take to mitigate or avoid such problems.

The moratorium imposed by this subdivision does not apply to work done pursuant to a right vested before the effective date of the amendments to this compact. Notwithstanding the expiration date of the moratorium imposed by this subdivision, no new highway may be built or existing highway widened to accommodate additional continuous lanes for automobiles until the regional transportation plan is revised and adopted.

The moratorium imposed by this subdivision does not apply to the construction of any parking garage which has been approved by the agency prior to May 4, 1979, whether that approval was affirmative or by default. The provisions of this paragraph are not an expression of legislative intent that any such parking garage, the approval of which was pending on the effective date of the amendments to this compact, should or should not be constructed. The provisions of this paragraph are intended solely to permit construction of such a parking garage if a judgment sustaining the agency's approval to construct that parking garage has become final and no appeal is pending or may lawfully be taken to a higher court.

(d) Subject to the final order of any court of competent jurisdiction entered in litigation contesting the validity of an approval by the Tahoe Regional Planning Agency, whether that approval was affirmative or by default, if that litigation was pending on May 4, 1979, the agency and the states of California and Nevada shall recognize as a permitted and conforming use:

(1) Every structure housing gaming under a nonrestricted license which existed as a licensed gaming establishment on May 4, 1979, or whose construction was approved by the Tahoe Regional Planning Agency affirmatively or deemed approved before that date. The construction or use of any structure to house gaming under a nonrestricted license not so existing or approved, or the enlargement in cubic volume of any such existing or approved structure is prohibited.

(2) Every other nonrestricted gaming establishment whose use was seasonal and whose license was issued before May 4, 1979, for the same season and for the number and type of games and slot machines on which taxes or fees were paid in the calendar year 1978.

(3) Gaming conducted pursuant to a restricted gaming license issued before May 4, 1979, to the extent permitted by that license on that date.

The area within any structure housing gaming under a nonrestricted license which may be open to public use (as distinct from that devoted to the
private use of guests and exclusive of any parking area) is limited to the area existing or approved for public use on May 4, 1979. Within these limits, any external modification of the structure which requires a permit from a local government also requires approval from the agency. The agency shall not permit restaurants, convention facilities, showrooms or other public areas to be constructed elsewhere in the region outside the structure in order to replace areas existing or approved for public use on May 4, 1979.

(e) Any structure housing licensed gaming may be rebuilt or replaced to a size not to exceed the cubic volume, height and land coverage existing or approved on May 4, 1979, without the review or approval of the agency or any planning or regulatory authority of the State of Nevada whose review or approval would be required for a new structure.

(f) The following provisions apply to any internal or external modification, remodeling, change in use, or repair of a structure housing gaming under a nonrestricted license which is not prohibited by Article VI (d):

(1) The agency's review of an external modification of the structure which requires a permit from a local government is limited to determining whether the external modification will do any of the following:
   (A) Enlarge the cubic volume of the structure;
   (B) Increase the total square footage of area open to or approved for public use on May 4, 1979;
   (C) Convert an area devoted to the private use of guests to an area open to public use;
   (D) Increase the public area open to public use which is used for gaming beyond the limits contained in paragraph (3); and
   (E) Conflict with or be subject to the provisions of any of the agency's ordinances that are generally applicable throughout the region.
   The agency shall make this determination within 60 days after the proposal is delivered to the agency in compliance with the agency's rules or regulations governing such delivery unless the applicant has agreed to an extension of this time limit. If an external modification is determined to have any of the effects enumerated in subparagraphs (A) through (C), it is prohibited. If an external modification is determined to have any of the effects enumerated in subparagraph (D) or (E), it is subject to the applicable provisions of this compact. If an external modification is determined to have no such effect, it is not subject to the provisions of this compact.

(2) Except as provided in paragraph (3), internal modification, remodeling, change in use or repair of a structure housing gaming under a nonrestricted license is not a project and does not require the review or approval of the agency.

(3) Internal modification, remodeling, change in use or repair of areas open to public use within a structure housing gaming under a nonrestricted license which alone or in combination with any other such modification, remodeling, change in use or repair will increase the total portion of those
areas which is actually used for gaming by more than the product of the total base area, as defined below, in square feet existing on or approved before August 4, 1980, multiplied by 15 percent constitutes a project and is subject to all of the provisions of this compact relating to projects. For purposes of this paragraph and the determination required by Article VI (g), base area means all of the area within a structure housing gaming under a nonrestricted license which may be open to public use, whether or not gaming is actually conducted or carried on in that area, except retail stores, convention centers and meeting rooms, administrative offices, kitchens, maintenance and storage areas, rest rooms, engineering and mechanical rooms, accounting rooms and counting rooms.

(g) In order to administer and enforce the provisions of paragraphs (d), (e) and (f) the State of Nevada, through its appropriate planning or regulatory agency, shall require the owner or licensee of a structure housing gaming under a nonrestricted license to provide:

(1) Documents containing sufficient information for the Nevada agency to establish the following relative to the structure:
   (A) The location of its external walls;
   (B) Its total cubic volume;
   (C) Within its external walls, the area in square feet open or approved for public use and the area in square feet devoted to or approved for the private use of guests on May 4, 1979;
   (D) The amount of surface area of land under the structure; and
   (E) The base area as defined in paragraph (f)(3) in square feet existing on or approved before August 4, 1980.

(2) An informational report whenever any internal modification, remodeling, change in use, or repair will increase the total portion of the areas open to public use which is used for gaming.

The Nevada agency shall transmit this information to the Tahoe Regional Planning Agency.

(h) Gaming conducted pursuant to a restricted gaming license is exempt from review by the agency if it is incidental to the primary use of the premises.

(i) The provisions of subdivisions (d) and (e) are intended only to limit gaming and related activities as conducted within a gaming establishment, or construction designed to permit the enlargement of such activities, and not to limit any other use of property zoned for commercial use or the accommodation of tourists, as approved by the agency.

(j) Legal actions arising out of or alleging a violation of the provisions of this compact, of the regional plan or of an ordinance or regulation of the agency or of a permit or a condition of a permit issued by the agency are governed by the following provisions:

(1) This subdivision applies to:
   (A) Actions arising out of activities directly undertaken by the agency.
(B) Actions arising out of the issuance to a person of a lease, permit, license or other entitlement for use by the agency.

(C) Actions arising out of any other act or failure to act by any person or public agency.

Such legal actions may be filed and the provisions of this subdivision apply equally in the appropriate courts of California and Nevada and of the United States.

(2) Venue lies:

(A) If a civil or criminal action challenges an activity by the agency or any person which is undertaken or to be undertaken upon a parcel of real property, in the state or federal judicial district where the real property is situated.

(B) If an action challenges an activity which does not involve a specific parcel of land (such as an action challenging an ordinance of the agency), in any state or federal court having jurisdiction within the region.

(3) Any aggrieved person may file an action in an appropriate court of the State of California or Nevada or of the United States alleging noncompliance with the provisions of this compact or with an ordinance or regulation of the agency. In the case of governmental agencies, "aggrieved person" means the Tahoe Regional Planning Agency or any state, federal or local agency. In the case of any person other than a governmental agency who challenges an action of the Tahoe Regional Planning Agency, "aggrieved person" means any person who has appeared, either in person, through an authorized representative, or in writing, before the agency at an appropriate administrative hearing to register objection to the action which is being challenged, or who had good cause for not making such an appearance.

(4) A legal action arising out of the adoption or amendment of the regional plan or of any ordinance or regulation of the agency, or out of the granting or denial of any permit, shall be commenced within 60 days after final action by the agency. All other legal actions shall be commenced within 65 days after discovery of the cause of action.

(5) In any legal action filed pursuant to this subdivision which challenges an adjudicatory act or decision of the agency to approve or disapprove a project, the scope of judicial inquiry shall extend only to whether there was prejudicial abuse of discretion. Prejudicial abuse of discretion is established if the agency has not proceeded in a manner required by law or if the act or decision of the agency was not supported by substantial evidence in light of the whole record. In making such a determination the court shall not exercise its independent judgment on evidence but shall only determine whether the act or decision was supported by substantial evidence in light of the whole record. In any legal action filed pursuant to this subdivision which challenges a legislative act or decision of the agency (such as the adoption of the regional plan and the enactment of implementing ordinances), the scope of the judicial inquiry shall extend only to the questions of whether the act or decision has been arbitrary, capricious or lacking substantial evidentiary
support or whether the agency has failed to proceed in a manner required by law. **In addition, there is a rebuttable presumption that a regional plan adopted, amended, formulated or maintained pursuant to this compact is in conformance with the requirements applicable to this compact, and a party challenging the regional plan has the burden of showing that it is not in conformance with the requirements applicable to this compact.**

(6) The provisions of this subdivision do not apply to any legal proceeding pending on the date when this subdivision becomes effective. Any such legal proceeding shall be conducted and concluded under the provisions of law which were applicable prior to the effective date of this subdivision.

(7) The security required for the issuance of a temporary restraining order or preliminary injunction based upon an alleged violation of this compact or any ordinance, plan, rule or regulation adopted pursuant thereto is governed by the rule or statute applicable to the court in which the action is brought, unless the action is brought by a public agency or political subdivision to enforce its own rules, regulations and ordinances in which case no security shall be required.

(k) The agency shall monitor activities in the region and may bring enforcement actions in the region to ensure compliance with the regional plan and adopted ordinances, rules, regulations and policies. If it is found that the regional plan, or ordinances, rules, regulations and policies are not being enforced by a local jurisdiction, the agency may bring action in a court of competent jurisdiction to ensure compliance.

(l) Any person who violates any provision of this compact or of any ordinance or regulation of the agency or of any condition of approval imposed by the agency is subject to a civil penalty not to exceed $5,000. Any such person is subject to an additional civil penalty not to exceed $5,000 per day, for each day on which such a violation persists. In imposing the penalties authorized by this subdivision, the court shall consider the nature of the violation and shall impose a greater penalty if it was willful or resulted from gross negligence than if it resulted from inadvertence or simple negligence.

(m) The agency is hereby empowered to initiate, negotiate and participate in contracts and agreements among the local governmental authorities of the region, or any other intergovernmental contracts or agreements authorized by state or federal law.

(n) Each intergovernmental contract or agreement shall provide for its own funding and staffing, but this shall not preclude financial contributions from the local authorities concerned or from supplementary sources.

(o) Every record of the agency, whether public or not, shall be open for examination to the Legislature and Controller of the State of California and the legislative auditor of the State of Nevada.

(p) Approval by the agency of any project expires 3 years after the date of final action by the agency or the effective date of the amendments to this compact, whichever is later, unless construction is begun within that time and
diligently pursued thereafter, or the use or activity has commenced. In computing the 3-year period any period of time during which the project is the subject of a legal action which delays or renders impossible the diligent pursuit of that project shall not be counted. Any license, permit or certificate issued by the agency which has an expiration date shall be extended by that period of time during which the project is the subject of such legal action as provided in this subdivision.

(q) The governing body shall maintain a current list of real property known to be available for exchange with the United States or with other owners of real property in order to facilitate exchanges of real property by owners of real property in the region.

ARTICLE VII. Environmental Impact Statements

(a) The Tahoe Regional Planning Agency when acting upon matters that have a significant effect on the environment shall:

(1) Utilize a systematic, interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts in planning and in decision making which may have an impact on man's environment;

(2) Prepare and consider a detailed environmental impact statement before deciding to approve or carry out any project. The detailed environmental impact statement shall include the following:

(A) The significant environmental impacts of the proposed project;

(B) Any significant adverse environmental effects which cannot be avoided should the project be implemented;

(C) Alternatives to the proposed project;

(D) Mitigation measures which must be implemented to assure meeting standards of the region;

(E) The relationship between local short-term uses of man's environment and the maintenance and enhancement of long-term productivity;

(F) Any significant irreversible and irretrievable commitments of resources which would be involved in the proposed project should it be implemented; and

(G) The growth-inducing impact of the proposed project;

(3) Study, develop and describe appropriate alternatives to recommended courses of action for any project which involves unresolved conflicts concerning alternative uses of available resources;

(4) Make available to states, counties, municipalities, institutions and individuals, advice and information useful in restoring, maintaining and enhancing the quality of the region's environment; and

(5) Initiate and utilize ecological information in the planning and development of resource-oriented projects.

(b) Prior to completing an environmental impact statement, the agency shall consult with and obtain the comments of any federal, state or local agency which has jurisdiction by law or special expertise with respect to any environmental impact involved. Copies of such statement and the comments
and views of the appropriate federal, state and local agencies which are authorized to develop and enforce environmental standards shall be made available to the public and shall accompany the project through the review processes. The public shall be consulted during the environmental impact statement process and views shall be solicited during a public comment period not to be less than 60 days.

(c) Any environmental impact statement required pursuant to this article need not repeat in its entirety any information or data which is relevant to such a statement and is a matter of public record or is generally available to the public, such as information contained in an environmental impact report prepared pursuant to the California Environmental Quality Act or a federal environmental impact statement prepared pursuant to the National Environmental Policy Act of 1969. However, such information or data shall be briefly described in the environmental impact statement and its relationship to the environmental impact statement shall be indicated.

In addition, any person may submit information relative to a proposed project which may be included, in whole or in part, in any environmental impact statement required by this article.

(d) In addition to the written findings specified by agency ordinance to implement the regional plan, the agency shall make either of the following written findings before approving a project for which an environmental impact statement was prepared:

(1) Changes or alterations have been required in or incorporated into such project which avoid or reduce the significant adverse environmental effects to a less than significant level; or

(2) Specific considerations, such as economic, social or technical, make infeasible the mitigation measures or project alternatives discussed in the environmental impact statement on the project.

A separate written finding shall be made for each significant effect identified in the environmental impact statement on the project. All written findings must be supported by substantial evidence in the record.

(e) The agency may charge and collect a reasonable fee from any person proposing a project subject to the provisions of this compact in order to recover the estimated costs incurred by the agency in preparing an environmental impact statement under this article.

(f) The agency shall adopt by ordinance a list of classes of projects which the agency has determined will not have a significant effect on the environment and therefore will be exempt from the requirement for the preparation of an environmental impact statement under this article. Prior to adopting the list, the agency shall make a written finding supported by substantial evidence in the record that each class of projects will not have a significant effect on the environment.

ARTICLE VIII. Finances

(a) On or before September 30 of each calendar year the agency shall establish the amount of money necessary to support its activities for the next
succeeding fiscal year commencing July 1 of the following year. The agency shall apportion $75,000 of this amount among the counties within the region on the same ratio to the total sum required as the full cash valuation of taxable property within the region in each county bears to the total full cash valuation of taxable property within the region. In addition, each county within the region in California shall pay $18,750 to the agency and each county within the region in Nevada, including Carson City, shall pay $12,500 to the agency, from any funds available therefor. The State of California and the State of Nevada may pay to the agency by July 1 of each year any additional sums necessary to support the operations of the agency pursuant to this compact. If additional funds are required, the agency shall make a request for the funds to the states of California and Nevada. Requests for state funds must be apportioned two-thirds from California and one-third from Nevada. Money appropriated shall be paid within 30 days.

(b) The agency may fix and collect reasonable fees for any services rendered by it.

c) The agency shall submit an itemized budget to the states for review with any request for state funds, shall be strictly accountable to any county in the region and the states for all funds paid by them to the agency and shall be strictly accountable to all participating bodies for all receipts and disbursement.

d) The agency is authorized to receive gifts, donations, subventions, grants, and other financial aids and funds; but the agency may not own land except as provided in subdivision (i) of Article III.

e) The agency shall not obligate itself beyond the moneys due under this article for its support from the several counties and the states for the current fiscal year, plus any moneys on hand or irrevocably pledged to its support from other sources. No obligation contracted by the agency shall bind either of the party states or any political subdivision thereof.

ARTICLE IX. Transportation District

(a) The Tahoe transportation district is hereby established as a special purpose district. The boundaries of the district are coterminous with those of the region.

(b) The business of the district shall be managed by a board of directors consisting of:

1) One member of the county board of supervisors of each of the counties of El Dorado and Placer who must be appointed by his respective board of supervisors;

(10) The director of the department of transportation of the State of Nevada.

Any entity that appoints a member to the board of directors, the director of the California Department of Transportation or the director of the department of transportation of the State of Nevada may designate an alternate.

c) Before a local transportation district appoints a member to the board of directors pursuant to paragraph (7) of subdivision (b), the local transportation district must enter into a written agreement with the Tahoe transportation district that sets forth the responsibilities of the districts for the establishment of policies and the management of financial matters, including, but not limited to, the distribution of revenue among the districts.

d) The directors of the California Department of Transportation and the department of transportation of the State of Nevada, or their designated alternates, serve as nonvoting directors, but shall provide technical and professional advice to the district as necessary and appropriate.

e) The vote of a majority of the directors must agree to take action. If a majority of votes in favor of an action are not cast, an action of rejection shall be deemed to have been taken.

f) The Tahoe transportation district may by resolution establish procedures for the adoption of its budgets, the appropriation of its money and the carrying on of its other financial activities. These procedures must conform insofar as is practicable to the procedures for financial administration of the State of California or the State of Nevada or one or more of the local governments in the region.

g) The Tahoe transportation district may in accordance with the adopted transportation plan:

(1) Own and operate a public transportation system to the exclusion of all other publicly owned transportation systems in the region.

(2) Own and operate support facilities for public and private systems of transportation, including, but not limited to, parking lots, terminals, facilities for maintenance, devices for the collection of revenue and other related equipment.
(3) Acquire or agree to operate upon mutually agreeable terms any publicly or privately owned transportation system or facility within the region.

(4) Hire the employees of existing public transportation systems that are acquired by the district without loss of benefits to the employees, bargain collectively with employee organizations, and extend pension and other collateral benefits to employees.

(5) Contract with private companies to provide supplementary transportation or provide any of the services needed in operating a system of transportation for the region.

(6) Contract with local governments in the region to operate transportation facilities or provide any of the services necessary to operate a system of transportation for the region.

(8) Issue revenue bonds and other evidence of indebtedness and make other financial arrangements appropriate for developing and operating a public transportation system.

(9) By resolution, determine and propose for adoption a tax for the purpose of obtaining services of the district. The tax proposed must be general and of uniform operation throughout the region, and may not be graduated in any way, except for a sales and use tax. If a sales and use tax is approved by the voters as provided in this paragraph, it may be administered by the states of California and Nevada respectively in accordance with the laws that apply within their respective jurisdictions and must not exceed a rate of 1 percent of the gross receipts from the sale of tangible personal property sold in the district. The district is prohibited from imposing any other tax measured by gross or net receipts on business, an ad valorem tax, a tax or charge that is assessed against people or vehicles as they enter or leave the region, and any tax, direct or indirect, on gaming tables and devices. Any such proposition must be submitted to the voters of the district and shall become effective upon approval of the voters voting on the proposition who reside in the State of California in accordance with the laws that apply within that state and approval of the voters voting on the proposition who reside in the State of Nevada in accordance with the laws that apply within that state. The revenues from any such tax must be used for the service for which it was imposed, and for no other purpose.

(10) Provide service from inside the region to convenient airport, railroad and interstate bus terminals without regard to the boundaries of the region.

(h) The legislatures of the states of California and Nevada may, by substantively identical enactments, amend this article.

ARTICLE X. Miscellaneous

(a) It is intended that the provisions of this compact shall be reasonably and liberally construed to effectuate the purposes thereof. Except as provided in subdivision (c), the provisions of this compact shall be severable and if
any phrase, clause, sentence or provision of this compact is declared to be
contrary to the constitution of any participating state or of the United States
or the applicability thereof to any government, agency, person or
circumstance is held invalid, the validity of the remainder of this compact
and the applicability thereof to any government, agency, person or

statute repealing the compact. Notice of withdrawal shall be communicated
officially and in writing to the Governor of the other state and to the agency
administrators. This provision is not severable, and if it is held to be
unconstitutional or invalid, no other provision of this compact shall be
binding upon the State of Nevada or the State of California.

(d) No provision of this compact shall have any effect upon the allocation,
distribution or storage of interstate waters or upon any appropriative water
right.

adopted by the regional planning agency.

278.792 1. The Nevada Tahoe regional planning agency is hereby created as a separate legal entity.
2. The governing body of the agency consists of:

A member who is appointed or designated pursuant to this paragraph must not be a resident of the region and shall represent the public at large within the State of Nevada.
   (c) One member appointed for a 1-year term by the six other members. If at least four members are unable to agree upon the selection of a seventh member within 30 days after this section becomes effective or the occurrence of a vacancy, the governor shall make the appointment. The member appointed pursuant to this
paragraph may but is not required to be a resident of the region of
this state.

c) One member appointed by the speaker of the assembly, and
one member appointed by the majority leader of the senate, of this

has a direct or indirect interest worth more than $1,000;

(c) Any source of income attributable to activities in the region,

Section 2 of chapter 442, Statutes of Nevada 1985, page 1258:

Sec. 2. 1. This section becomes effective upon passage and
approval.

2. All other sections of this act become effective 1 minute after
a proclamation by the governor of the amendment of Article III(a)(2)
of the Tahoe Regional Planning Compact as proposed by Assembly Bill No. 433 of this session.

Senator Lee moved the adoption of the amendment.

Remarks by Senator Lee.

Senator Lee requested that his remarks be entered in the Journal.

Amendment No. 802 to Senate Bill No. 271 provides that Nevada's withdrawal from the Tahoe Regional Planning Compact will take effect on October 1, 2014, unless the proposed changes in Senate Bill No. 271 are made to the Compact, and the Tahoe Regional Planning Agency (TRPA) has updated the 1987 regional plan. The Governor may issue a proclamation extending this deadline to October 1, 2017.

The amendment removes the supermajority requirement for members voting on matters considered by the TRPA.

It requires the regional plan of the TRPA to consider the Basin's changing economic conditions so that the regional plan does not negatively impact the economy at Lake Tahoe.

It provides that a person who challenges the regional plan has the burden of proof to show that the plan violates the Compact.

The amendment makes various changes throughout the Compact that will not become effective until such time as the State of Nevada pulls out of the Compact. The amendment retains the membership of the Nevada Secretary of State as a member of the Nevada TRPA if Nevada pulls out of the Compact.

The amendment provides that the 1987 proposed amendment to the Compact cannot become effective because it has not yet been ratified.

It provides, if Nevada pulls out of the Compact, that any approval or permit for a project that was issued by the TRPA remains valid.

The amendment requires the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency and the Marlette Lake Water System to prepare a report detailing certain issues related to and impacts of the withdrawing from the Compact.

Senator Horsford moved the adoption of the amendment.

Remarks by Senator Horsford.

Senator Horsford requested that his remarks be entered in the Journal.

Senate Bill No. 359, as amended, revises provisions pertaining to contracts entered into by public bodies, which are defined as counties, cities, school districts and state agencies, boards and commissions. The bill prohibits public bodies from entering into a contract with an independent contractor unless the independent contractor agrees to a code of conduct. The code of conduct requires independent contractors to abide by all State ethics laws and to maintain accurate internal records of all work done pursuant to the contract with a public body and agrees to make all records available for inspection and audit.

Senate Bill No. 359 requires independent contractors to disclose fees charged to persons who are not a party to the contract and to annually report the total dollar amount of such fees. The bill also prohibits a public body from entering into a sole source contract for a period exceeding two years unless the longer period is necessary to recover capital costs. Public bodies are also prohibited from renewing a sole source contract unless the governing body of the public body approves the renewal by a two-thirds vote. Public bodies are authorized to enter into a contract with an independent contractor, other than a sole source contract, for a period of not more than four years, and to extend the period of such a contract if the governing body of the public body approves the extension by a two-thirds vote. Public bodies must report information relating to the number and dollar amount of the sole source contracts and competitively bid contracts with an independent contractor to the Purchasing Division, which must then report that information to the Interim Finance Committee.

Senate Bill No. 359 requires a person who is awarded a contract for a public work to report to the public body awarding the contract certain information concerning race, ethnicity, age and gender of certain employees and applicants for employment on the public work.

Finally, Senate Bill No. 359 requires that a public body awarding a contract for a public work must gather, compile, maintain and enter on the Internet website of the State Public Works Board certain information concerning the cost of the public work, the awarding of the contract, the race, ethnicity, age, gender, number of employees and length of time in business of the bidders for the contract, and the information received from the person awarded the contract concerning the applicants for employment on the public work.

Senate Bill No. 359 is effective upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks and October 1, 2011 for all other purposes.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Prayer by the Chaplain, Pastor Norm Milz.

O Lord God, thank You for guiding us so far in this Legislative Session. Be with us as we diligently and thoughtfully consider all the issues before us today and act in the most positive way for the citizens of this State.

As we come into the last two weeks of the Session, the budget decisions loom before us. The deficit is large and the solutions to close that gap seem to be getting smaller. Guide us through the tough decisions that will need to be made to make this State solvent and continue to grow.

As the Senate, in union with the Assembly, keep us all focused on the growth of this State and the good of its citizens.

We lift up all these things to You and You alone, for only with You are all things possible. In the Name of Your Son, Jesus Christ.

AMEN.

RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to Casey Family Programs.

Senator Horsford moved the adoption of the resolution.

Remarks by Senator Horsford.

I rise today to honor James E. Casey, a great Nevadan, a great businessman, and a great philanthropist. His life is one of America's most fascinating success stories.

Jim Casey's father, Henry Joseph Casey, was a poor Irish immigrant who came west in 1887 with his newlywed wife, Annie. Jim Casey was born on March 29, 1888, in Pickhandle Gulch, a mining camp near Candelaria, Nevada, where his father was employed as a quartz miner. After 1893, when Jim was about five years old, the development of the mines in Candelaria dried up, and the family moved on to Seattle, which was then the jumping off place for the Klondike gold rush, in hopes of finding a better life. Seattle was a rough town; there were many temptations and dangers for a young man. He always credited, by guidance and by example, his mother, who kept him safe and grounded. The family struggled with poverty and unemployment and then in 1902, when Jim was only 14 years old, his father died. As the eldest son, it fell to him and his mother to keep the family together.

Jim was forced to drop out of school to care for his mother and his younger siblings. At the age of 19, he borrowed $100 from a friend and started American Messenger Service, a bicycle delivery company. The company's motto was "Best Service, Lowest Rates." He employed his brothers and friends as delivery boys. The company grew, and, a few years later, it changed its name to United Parcel Service and expanded its operations beyond Seattle and the rest, as they say, is history.

In 1966, along with his brothers, George and Henry, and his sister Marguerite, Jim Casey founded Casey Family Programs. Its object is to help children who are unable to live with both parents, to give them stability, and help them grow up to be responsible adults. Jim Casey always remembered the struggles of his teenaged years, growing up without a father on the rough streets of Seattle. He used his influence and his wealth to give other children the chance at a better future.
Nevada owes a great debt to Casey Family Programs. The organization has worked for many years with Nevada's Department of Health and Human Services, Clark County Family Services, Washoe County Family Services, Indian tribes, and other State and local agencies to improve the lives of thousands of children and families in our State.

The activities of Casey Family Programs in Nevada fall into three categories: first, strategic counseling, providing expertise and support to child welfare agencies in bettering the lives of children in foster care; second, public policy, building public support and political will to improve the child welfare and foster care system; and third, providing direct services such as high quality foster care, kinship care, and transition services for children and families.

I would like to share a few some specific examples of the programs that it has carried out in our State. I feel this is so important as we conclude our discussions on the State budget; it is partners like Casey Family Programs that help us bridge the gap in many ways. In the areas of helping child welfare tailor responses to meet family needs Casey Family Programs has supported our statewide "Differential Response" program aimed at providing helpful services to families as an alternative to child removal. Working to improve Indian child welfare through The Fostering Connections to Success and Increasing Adoptions Act of 2008 gives American Indian tribes the same access to federal child welfare funding that states currently receive. Casey Family Programs is working to help tribes use these additional federal dollars in the most efficient and effective ways possible to better support and serve children in foster care. Casey Family Programs facilitated a statewide workgroup that made recommendations to a subcommittee of the Nevada Legislature to reduce the number of children in foster care, a committee I was pleased to chair. Finally, Casey Family Programs supports the redesign of Clark County's Independent Living Program that provides youth aging out of foster care with resources and support related to education, employment and housing. It also supports the development of a group of young adults formerly in foster care that recommends changes in policies and laws to improve the foster care system. These are only a few of the examples of the great work the Casey Family Programs have done in our State and across the country. It is my honor to have them here with us today and to commend them on their work and investment in our children and families.

Resolution adopted.

Senator Horsford moved that all necessary rules be suspended and that Senate Concurrent Resolution No. 13 be immediately transmitted to the Assembly.

Senator Horsford moved that further reading of the Journal be dispensed with, and the President and Secretary be authorized to make the necessary corrections and additions.

Senator Hardy moved to reconsider the vote whereby Assembly Bill No. 304 was lost.

Motion carried.

Senator Wiener moved that Senate Bill No. 208; Senate Joint Resolution No. 15; Assembly Bills Nos. 260, 299, 301, 410, be taken from the General File and placed on the General File for the next legislative day.

Remarks by Senator Halseth.

Senator Halseth requested that her remarks be entered in the Journal.

Thank you, Mr. President. On May 20 and May 22, I rolled Assembly Bill No. 282 two times waiting for an amendment, which we received and passed unanimously. However, we waited four days, not including today, rolling Assembly Bill No. 410 for a possible amendment, and have yet to receive that. We are wondering why I was forced to put a bill on General File without an amendment while the majority party is continuing to roll a Republican bill without an amendment.

Motion carried on a division of the house.

Remarks by Senator Horsford.

Senator Horsford requested that his remarks be entered in the Journal.

Thank you, Mr. President. I would like to respond to my colleague from Clark District No. 9. To be clear, the bills that have been rolled are not for partisan purposes. These are bills that were rolled that are on that list from the majority party in the other house as well. This is not about partisanship. We are in a deadline process. We do not have all of the technical amendments. We are trying to consider those bills that are ready to be considered. As every bill is ready, we will bring it up for a "yes" or "no" vote.

Senator Lee moved that Assembly Bill No. 265 be taken from the Second Reading File and placed on the Second Reading File for the next legislative day.

Amendment No. 658.
"SUMMARY—Revises provisions governing the practice of pharmacy. (BDR 54-875)"
"AN ACT relating to the practice of pharmacy; revising provisions governing the authority of a registered pharmacist to collaborate with a practitioner for the implementation, monitoring and modification of drug
therapy; authorizing the State Board of Pharmacy to establish regulations relating to collaborative pharmacy practice; revising provisions governing the use of the letters "Rx" and "RX" by certain persons; revising provisions relating to the authority of a registered pharmacist to possess and administer controlled substances and dangerous drugs under certain circumstances; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes a registered pharmacist to collaborate with a practitioner to engage in the implementation and modification of drug therapy for a patient at a licensed medical facility or licensed pharmacy. (NRS 639.0124) Section 1 of this bill prescribes requirements for written guidelines and protocols which must be developed by a pharmacist who collaborates with a practitioner and requires those guidelines and protocols to be approved by the State Board of Pharmacy. Section 1 also authorizes the written guidelines and protocols to set forth provisions for a pharmacist to implement, monitor and modify the drug therapy of a patient in a medical facility or a setting [other than] that is affiliated with a licensed medical facility. [or licensed pharmacy.] Sections 10.3 and 10.7 of this bill revise the authority of a pharmacist to possess and administer controlled substances and dangerous drugs under certain circumstances for the care of a patient in accordance with the written guidelines and protocols developed pursuant to section 1.

Existing law prohibits a person operating a business from using the letters "Rx" or "RX" if the person does not have a license from the Board. (NRS 639.230) Section 10 of this bill authorizes persons who are not subject to the laws governing the practice of pharmacy to use those letters if the person obtains approval from the Board.

A person who violates any provision of chapter 639 of NRS governing pharmacists and pharmacies, including any provision of this bill, is guilty of a misdemeanor. (NRS 639.310)

Senator Schneider moved the adoption of the amendment.
Remarks by Senator Schneider.

Senator Schneider requested that his remarks be entered in the Journal.

Amendment No. 658 to Assembly Bill No. 199 revises the provisions that allow a pharmacist to collaborate with a physician on the implementation, monitoring and modification of drug therapy.

The amendment also authorizes a person operating a business which is not subject to regulation by the State Board of Pharmacy to use the letters "Rx" with the Board's permission as long as the use of the letters is not confusing or misleading and does not pose a threat to public health or safety.

I brought this amendment to our Committee because during the last interim it was brought to my attention by a constituent who owns "Rxentity" in Las Vegas that he was ordered to cease and desist by the Pharmacy Board because he used the designation "Rx" in realty. It did not seem right to me. We sent letters to the Pharmacy Board. They agreed that it was a broad interpretation of "pharmacy" so they pulled back and suggested I approach this with an adjustment to the law this Session. We have the "Rx rehab Lounge" in Las Vegas and other entities that use the term "Rx" in their name. This is not a confusing term. It is not one that would cause a person to think they were going to the establishment to get a prescription filled.
The Pharmacy Board is okay with this amendment as is the prime sponsor of the bill in the Assembly.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 694.
"SUMMARY—Makes various changes concerning the execution on property of a judgment debtor or defendant. (BDR 2-989)"

"AN ACT relating to civil actions; providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment except in certain circumstances; providing a procedure to execute on property held in a safe-deposit box; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) Section 3 of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor except in certain circumstances. Section 3 further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. Section 4 of this bill provides that notwithstanding the provisions of section 3, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money in those accounts. The judgment debtor then may claim any exemption that may apply.

Section 5 of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.

Section 5.5 of this bill revises the form for a writ of execution issued on a judgment for the recovery of money to include notice on the form to financial institutions of whether the judgment is for the recovery of money for the support of a person.

Section 7 of this bill provides additional exemptions from execution which are provided by Nevada law.
Section 8 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. Sections 6 and 10 of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in section 8. Sections 6 and 10 further revise the notice to provide additional information concerning the claiming of exemptions.

Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in section 3.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Section 15 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in section 8.
the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:

(a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors' benefits, supplemental security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

(b) Veterans' benefits which are exempt from execution pursuant to 38 U.S.C. § 5301;

(c) Annuities payable to retired railroad employees which are exempt from execution pursuant to 45 U.S.C. § 231m;

(d) Benefits provided for retirement or disability of federal employees which are exempt from execution pursuant to 5 U.S.C. §§ 8346 and 8470;

(e) Annuities payable to retired members of the Armed Forces of the United States and to any surviving spouse or children of such members which are exempt from execution pursuant to 10 U.S.C. §§ 1440 and 1450;

(f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

(g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

(h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

(i) Compensation or benefits due or payable to longshore and harbor workers which are exempt from execution pursuant to 33 U.S.C. § 916;

(j) Annuities and benefits for retirement and disability of members of the foreign service which are exempt from execution pursuant to 22 U.S.C. § 4060;

(k) Compensation for injury, death or detention of employees of contractors with the United States outside the United States which is exempt from execution pursuant to 42 U.S.C. § 1717;

(l) Assistance for a disaster from the Federal Emergency Management Agency which is exempt from execution pursuant to 44 C.F.R. § 206.110;

(m) Black lung benefits paid to a miner or a miner's surviving spouse or children pursuant to 30 U.S.C. § 922 or 931 which are exempt from execution; and

(n) Benefits provided pursuant to any other federal law.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor.
unless the writ of execution or garnishment is for the recovery of money owed for the support of any person.

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money withdrawn from the account. The court may require a judgment debtor to provide statements from the bank which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation, when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. 1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.
2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 5. 1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 5.5. NRS 21.025 is hereby amended to read as follows:

21.025 A writ of execution issued on a judgment for the recovery of money must be substantially in the following form:

PROCEDURE FOR CLAIMING EXEMPT PROPERTY

If you believe that the money or property taken from you is exempt, you must complete and file with the clerk of the court a notarized affidavit claiming the exemption. A copy of the affidavit of exemption must be served upon the sheriff, the garnishee and the judgment creditor within 20 calendar days after the notice of execution or garnishment is served on you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on. The property must be released to you by the garnishee or the sheriff within 9 judicial days after you serve the affidavit of exemption upon the sheriff, garnishee and judgment creditor, unless you or the judgment creditor files a motion the sheriff or garnishee receives a copy of an objection to the claim of exemption and a notice for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The motion objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 8 judicial days after the affidavit claiming the claim of exemption is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 judicial days before the date set for the hearing. each withholding made of the defendant's earnings. This subsection does not
apply to the first pay period in which the defendant's earnings are garnished.

3. If the defendant's employment by the garnishee is terminated before
the writ of garnishment is satisfied, the garnishee:

(a) Is liable only for the amount of earned but unpaid, disposable earnings
that are subject to garnishment.

(b) Shall provide the plaintiff or the plaintiff's attorney with the last
known address of the defendant and the name of any new employer of the
defendant, if known by the garnishee.

4. The judgment creditor who caused the writ of attachment to issue
pursuant to NRS 31.013 shall prepare an accounting and provide a report
to the judgment debtor, the sheriff and each garnishee every 120 days
which sets forth, without limitation, the amount owed by the judgment
debtor, the costs and fees allowed pursuant to NRS 18.160 and any accrued
interest and costs on the judgment. The report must advise the judgment
debtor of the judgment debtor's right to request a hearing pursuant to
NRS 18.110 to dispute any accrued interest, fee or other charge. The
judgment creditor must submit this accounting with each subsequent
application for writ made by the judgment creditor concerning the same
debt.

Sec. 13. NRS 258.230 is hereby amended to read as follows:

258.230 Except with respect to the [fee] fees described in [paragraph]
paragraphs (a) and (d) of subsection 2 of NRS 258.125, all fees prescribed
in this chapter shall be payable in advance, if demanded. If a constable shall
not have received any or all of his or her fees, which may be due the
constable for services rendered by him or her in any suit or proceedings, the
constable may have execution therefor in his or her own name against the
party or parties from whom they are due, to be issued from the court where
the action is pending, upon the order of the justice of the peace or court upon
affidavit filed.

Sec. 14. NRS 612.710 is hereby amended to read as follows:

612.710 Except as otherwise provided in NRS 31A.150:

1. Any assignment, pledge or encumbrance of any right to benefits which
are or may become due or payable under this chapter is void, except for a
voluntary assignment of benefits to satisfy an obligation to pay support for a
child.

2. Benefits are exempt from levy, execution, attachment, or any other
remedy provided for the collection of debt. Benefits received by any person
if they are not mingled with other money of the recipient, are exempt from
any remedy for the collection of all debts, except debts incurred for
necessaries furnished to the person or the person's spouse or dependents during the time when the person was unemployed.

3. Any other waiver of any exemption provided for in this section is void.

Sec. 15. NRS 21.114 is hereby repealed.

TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

Senator Wiener moved the adoption of the amendment.

Remarks by Senator Wiener.

Senator Wiener requested that her remarks be entered in the Journal.

The amendment clarifies that the $1,000 exemption from a writ of execution does not apply to certain court orders, such as those for support of any person including, for example, child support. To that end, the amendment also revises the form for a writ of execution to include notice to financial institutions of whether the judgment is for the recovery of money for the support of a person.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 764.

"SUMMARY—Revises provisions governing contracts for services entered into by certain public employers. (BDR 23-149)"

"AN ACT relating to public agencies; revising the restrictions on contracts with or employment of former or current state employees by a state agency; providing certain exceptions; requiring state agencies to report all contracts for services as part of the budget process; requiring that a contractor with a
state agency be in active and good standing with the Secretary of State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law restricts the employment of consultants by public agencies and requires the approval of certain contracts with consultants by the Interim Finance Committee. (NRS 284.1729) **Section 1** of this bill expands those restrictions to apply to all contracts to provide services to state agencies, revises the exceptions to the restrictions and requires approval of the State Board of Examiners rather than the Interim Finance Committee of contracts subject to the restrictions. **Section 1** also prohibits a state agency from entering into a contract with a person for services without ensuring that the person is in active and good standing with the Secretary of State. **Section 1** also provides that certain provisions governing state purchasing apply to such contracts. **Section 2** of this bill requires state agencies to report all contracts for services as part of the budget process instead of only reporting contracts with consultants and temporary employment services. **Section 3** moves the reporting requirements for school districts regarding consultants to the chapter which specifically governs school districts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 284.1729 is hereby amended to read as follows:

284.1729 1. Except as otherwise provided in this section, a department, division or other agency of this State shall not employ, by contract or otherwise, with a person to provide services as a consultant for the agency if:

(a) The person is a current employee of an agency of this State;

(b) The person is a former employee of an agency of this State and less than 2 years have expired since the termination of the person's employment with the State;

(c) Except as otherwise provided in paragraph (d), the term of the contract is for more than 2 years, or is amended or otherwise extended beyond 2 years; or

(d) The person is employed by the Department of Transportation for a transportation project that is entirely funded by federal money and the term of the contract is for more than 4 years, or is amended or otherwise extended beyond 4 years, unless, before the contract is executed by the agency, the State Board of Examiners approves the employment of the person. The requirements of this subsection apply to any person employed by a business or other entity that enters into a contract to provide services for a department, division or agency of this State if the person will be performing or producing the services for which the business or entity is employed.

2. The provisions of paragraph (b) of subsection 1 apply to employment through a temporary employment service. A temporary employment service
providing employees for a state agency shall provide the agency with the names of the employees to be provided to the agency. The [Interim Finance Committee] State Board of Examiners shall not approve [the employment of] a consultant pursuant to paragraph (b) of subsection 1 unless the [Interim Finance Committee] Board determines that one or more of the following circumstances exist:

(a) The person provides services that are not provided by any other employee of the agency or for which a critical labor shortage exists; or

(b) A short-term need or unusual economic circumstance exists for the agency to [employ] contract with the person [as a consultant].

3. A department, division or other agency of this State may [employ] contract with a person pursuant to paragraph (a) or (b) of subsection 1 without obtaining the approval of the [Interim Finance Committee] State Board of Examiners if the term of employment of the contract is for less than 4 months and the executive head of the department, division or agency determines that an emergency exists which necessitates the employment. If a department, division or agency [employs] contracts with a person pursuant to this subsection, the department, division or agency shall [include in the report to the] [Interim Finance Committee] [State Board of Examiners pursuant to subsection 4] submit a copy of the contract and a description of the emergency [to the State Board of Examiners, which shall review the contract and the description of the emergency and notify the department, division or agency whether the State Board of Examiners would have approved the contract if it had not been entered into pursuant to this subsection.]

4. Except as otherwise provided in subsection 7, 8, 9, a department, division or other agency of this State shall, not later than 10 days after the end of each fiscal quarter, report to the Interim Finance Committee whenever it employs, by contract or otherwise, concerning all contracts with a person to provide services as a consultant for the agency that were entered into by the agency during the fiscal quarter with a person who is a current or former employee of a department, division or other agency of this State.

5. Except as otherwise provided in subsection 7, 8, 9, a department, division or other agency of this State shall not contract with a temporary employment service unless the contracting process is controlled by rules of open competitive bidding.

6. Each board or commission of this State, each school district in this State and each institution of the Nevada System of Higher Education that employs a consultant shall, at least once every 6 months, submit to the Interim Finance Committee a report setting forth:

(a) The number of consultants employed by the board, commission, school district or institution;

(b) The purpose for which the board, commission, school district or institution employs each consultant;
(c) The amount of money or other remuneration received by each consultant from the board, commission, school district or institution; and
(d) The length of time each consultant has been employed by the board, commission, school district or institution.

7. A department, division or other agency of this State, including a board or commission of this State and each institution of the Nevada System of Higher Education, shall not enter into a contract with a person to provide services without ensuring that the person is in active and good standing with the Secretary of State.

8. The provisions of chapter 333 of NRS that are not in conflict or otherwise inconsistent with this section apply to a contract entered into pursuant to this section.

9. The provisions of subsections 1 to 5, inclusive, do not apply to:

(a) The Nevada System of Higher Education or a board or commission of this State.

(b) Employment of professional engineers by the Department of Transportation if those engineers are employed for a transportation project that is federally funded.

8. For the purposes of this section, "consultant" includes any person employed by a business or other entity that is providing consulting services if the person will be performing or producing the work for which the business or entity is employed.

(c) Contracts in the amount of $1 million or more entered into:

(1) Pursuant to the State Plan for Medicaid established pursuant to NRS 422.271.

(2) For financial services.

(3) Pursuant to the Public Employees' Benefits Program.

(d) The employment of a person by a business or entity which is a provider of services under the State Plan for Medicaid and which provides such services on a fee-for-service basis or through managed care.

Sec. 2. NRS 353.210 is hereby amended to read as follows:

353.210 1. Except as otherwise provided in subsection 6, on or before September 1 of each even-numbered year, all departments, institutions and other agencies of the Executive Department of the State Government, and all agencies of the Executive Department of the State Government receiving state money, fees or other money under the authority of the State, including those operating on money designated for specific purposes by the Nevada Constitution or otherwise, shall prepare, on blanks furnished them by the Chief, and submit to the Chief:

(a) The number of positions within the department, institution or agency that have been vacant for at least 12 months, the number of months each such position has been vacant and the reasons for each such vacancy;

(b) Any existing contracts for services the department, institution or agency has with consultants or temporary employment services.
persons, the proposed expenditures for such contracts in the next 2 fiscal years and the reasons for the use of such [consultants or] services; and

(c) Estimates of their expenditure requirements, together with all anticipated income from fees and all other sources, for the next 2 fiscal years compared with the corresponding figures of the last completed fiscal year and the estimated figures for the current fiscal year.

2. The Chief shall direct that one copy of the forms submitted pursuant to subsection 1, accompanied by every supporting schedule and any other related material, be delivered directly to the Fiscal Analysis Division of the Legislative Counsel Bureau on or before September 1 of each even-numbered year.

3. The Budget Division of the Department of Administration shall give advance notice to the Fiscal Analysis Division of the Legislative Counsel Bureau of any conference between the Budget Division of the Department of Administration and personnel of other state agencies regarding budget estimates. A Fiscal Analyst of the Legislative Counsel Bureau or his or her designated representative may attend any such conference.

4. The estimates of expenditure requirements submitted pursuant to subsection 1 must be classified to set forth the data of funds, organizational units, and the character and objects of expenditures, and must include a mission statement and measurement indicators for each program. The organizational units may be subclassified by functions and activities, or in any other manner at the discretion of the Chief.

5. If any department, institution or other agency of the Executive Department of the State Government, whether its money is derived from state money or from other money collected under the authority of the State, fails or neglects to submit estimates of its expenditure requirements as provided in this section, the Chief may, from any data at hand in the Chief's office or which the Chief may examine or obtain elsewhere, make and enter a proposed budget for the department, institution or agency in accordance with the data.

6. Agencies, bureaus, commissions and officers of the Legislative Department, the Public Employees' Retirement System and the Judicial Department of the State Government shall submit to the Chief for his or her information in preparing the proposed executive budget the budgets which they propose to submit to the Legislature.

Sec. 3. Chapter 391 of NRS is hereby amended by adding thereto a new section to read as follows:

Each school district in this State that employs a consultant shall, at least once every 6 months, submit to the Interim Finance Committee a report setting forth:

1. The number of consultants employed by the school district;
2. The purpose for which the school district employs each consultant;
3. The amount of money or other remuneration received by each consultant from the school district; and
4. The length of time each consultant has been employed by the school district.

Sec. 4. This act becomes effective on July 1, 2011.

Senator Lee moved the adoption of the amendment.
Remarks by Senator Lee.
Senator Lee requested that his remarks be entered in the Journal.

Amendment No. 764 to Assembly Bill No. 240 specifies that emergency contracts must be filed with the Board of Examiners (BOE) and provides that the BOE must review the contract and notify the department or division whether the Board would have approved the contract if it had not been an emergency. It requires a State agency that contracts with a current or former employee to report such contracts to the BOE and the Interim Finance Committee (IFC) on a quarterly basis.

The amendment clarifies that the provisions of Chapter 333 of the Nevada Revised Statutes (NRS) that are not in conflict or otherwise inconsistent with the new contracting requirements in the bill do apply to a contract entered into under Section 1 of the bill. It clarifies that the new contracting requirements in the bill do not apply to the employment of a person or business entity which is a provider of services under the State Plan for Medicaid and which provides those services on a fee-for-service basis.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 789.
"SUMMARY—Revises provisions relating to groundwater basins. (BDR 48-299)"
"AN ACT relating to water; requiring the State Engineer to designate certain groundwater basins as critical management areas in certain circumstances; requiring the State Engineer to take certain actions in such a basin unless a groundwater management plan has been approved for the basin; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, the State Engineer has various powers and duties with respect to regulating the groundwater in this State. (Chapter 534 of NRS) Section 3 of this bill requires the State Engineer to designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin upon the petition of a majority of the holders of certificates or permits to appropriate water in the basin that are on file in the Office of the State Engineer. If a basin is so designated for at least 10 consecutive years, section 3 requires the State Engineer to order that withdrawals of groundwater be restricted in the basin to conform to priority rights, unless a groundwater management plan has been approved for the basin. Section 1 of this bill prescribes the procedure for the proposal, approval and revision of such a plan. Section 2 of this bill
includes the existence of a groundwater management plan in a basin as a consideration for the State Engineer in determining whether to grant a request for an extension of the time necessary to work a forfeiture of water in such a basin.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 534 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In a basin that has been designated as a critical management area by the State Engineer pursuant to subsection 7 of NRS 534.110, a petition for the approval of a groundwater management plan for the basin may be submitted to the State Engineer. The petition must be signed by a majority of the holders of permits or certificates to appropriate water in the basin that are on file in the Office of the State Engineer and must be accompanied by a groundwater management plan which must set forth the necessary steps for removal of the basin’s designation as a critical management area.

2. In determining whether to approve a groundwater management plan submitted pursuant to subsection 1, the State Engineer shall consider, without limitation:

(a) The hydrology of the basin;
(b) The physical characteristics of the basin;
(c) The relationship between surface water and groundwater in the basin;
(d) The geographic spacing and location of the withdrawals of groundwater in the basin;
(e) The quality of the water in the basin;
(f) The wells located in the basin, including, without limitation, domestic wells;
(g) Whether a groundwater management plan already exists for the basin; and
(h) Any other factor deemed relevant by the State Engineer.

3. Before approving or disapproving a groundwater management plan submitted pursuant to subsection 1, the State Engineer shall hold a public hearing to take testimony on the plan in the county where the basin lies or, if the basin lies in more than one county, within the county where the major portion of the basin lies. The State Engineer shall cause notice of the hearing to be:

(a) Given once each week for 2 consecutive weeks before the hearing in a newspaper of general circulation in the county or counties in which the basin lies.
(b) Posted on the Internet website of the State Engineer for at least 2 consecutive weeks immediately preceding the date of the hearing.
4. The decision of the State Engineer on a groundwater management plan may be reviewed by the district court of the county pursuant to NRS 533.450.

5. An amendment to a groundwater management plan must be proposed and approved in the same manner as an original groundwater management plan is proposed and approved pursuant to this section.

Sec. 2. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right or a permitted right, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. If the records of the State Engineer or any other documents specified by the State Engineer indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that the owner has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of beneficial use is not sent to the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture under that subsection, declare the right forfeited within 30 days. Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for the holder's failure to use all or any part of the water beneficially for the purpose for which the holder's right is acquired or claimed;
(b) The unavailability of water to put to a beneficial use which is beyond
the control of the holder;
(c) Any economic conditions or natural disasters which made the holder
unable to put the water to that use;
(d) Any prolonged period in which precipitation in the basin where the
water right is located is below the average for that basin or in which indexes
that measure soil moisture show that a deficit in soil moisture has occurred in
that basin; [and]
(e) Whether a groundwater management plan has been approved for the
basin pursuant to section 1 of this act; and
(f) Whether the holder has demonstrated efficient ways of using the water
for agricultural purposes, such as center-pivot irrigation.

The State Engineer shall notify, by registered or certified mail, the owner
of the water right, as determined in the records of the Office of the State
Engineer, of whether the State Engineer has granted or denied the holder's
request for an extension pursuant to this subsection.

3. If the failure to use the water pursuant to subsection 1 is because of the
use of center-pivot irrigation before July 1, 1983, and such use could result in
a forfeiture of a portion of a right, the State Engineer shall, by registered or
certified mail, send to the owner of record a notice of intent to declare a
forfeiture. The notice must provide that the owner has at least 1 year after the
date of the notice to use the water beneficially or apply for additional relief
pursuant to subsection 2 before forfeiture of the owner's right is declared by
the State Engineer.

4. A right to use underground water whether it is vested or otherwise
may be lost by abandonment. If the State Engineer, in investigating a
groundwater source, upon which there has been a prior right, for the purpose
of acting upon an application to appropriate water from the same source, is of
the belief from his or her examination that an abandonment has taken place,
the State Engineer shall so state in the ruling approving the application. If,
upon notice by registered or certified mail to the owner of record who had the
prior right, the owner of record of the prior right fails to appeal the ruling in
the manner provided for in NRS 533.450, and within the time provided for
therein, the alleged abandonment declaration as set forth by the State
Engineer becomes final.

Sec. 3. NRS 534.110 is hereby amended to read as follows:

534.110 1. The State Engineer shall administer this chapter and shall
prescribe all necessary regulations within the terms of this chapter for its
administration.

2. The State Engineer may:
(a) Require periodical statements of water elevations, water used, and
acreage on which water was used from all holders of permits and claimants
of vested rights.
(b) Upon his or her own initiation, conduct pumping tests to determine if overpumping is indicated, to determine the specific yield of the aquifers and to determine permeability characteristics.

3. The State Engineer shall determine whether there is unappropriated water in the area affected and may issue permits only if the determination is affirmative. The State Engineer may require each applicant to whom a permit is issued for a well:
   (a) For municipal, quasi-municipal or industrial use; and
   (b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,
   to report periodically to the State Engineer concerning the effect of that well on other previously existing wells that are located within 2,500 feet of the well.

4. It is a condition of each appropriation of groundwater acquired under this chapter that the right of the appropriator relates to a specific quantity of water and that the right must allow for a reasonable lowering of the static water level at the appropriator's point of diversion. In determining a reasonable lowering of the static water level in a particular area, the State Engineer shall consider the economics of pumping water for the general type of crops growing and may also consider the effect of using water on the economy of the area in general.

5. This section does not prevent the granting of permits to applicants later in time on the ground that the diversions under the proposed later appropriations may cause the water level to be lowered at the point of diversion of a prior appropriator, so long as any protectable interests in existing domestic wells as set forth in NRS 533.024 and the rights of holders of existing appropriations can be satisfied under such express conditions. At the time a permit is granted for a well:
   (a) For municipal, quasi-municipal or industrial use; and
   (b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,
   the State Engineer shall include as a condition of the permit that pumping water pursuant to the permit may be limited or prohibited to prevent any unreasonable adverse effects on an existing domestic well located within 2,500 feet of the well, unless the holder of the permit and the owner of the domestic well have agreed to alternative measures that mitigate those adverse effects.

6. Except as otherwise provided in subsection 7, the State Engineer shall conduct investigations in any basin or portion thereof where it appears that the average annual replenishment to the groundwater supply may not be adequate for the needs of all permittees and all vested-right claimants, and if the findings of the State Engineer so indicate, the State Engineer may order that withdrawals, including, without limitation, withdrawals from domestic wells, be restricted to conform to priority rights.
7. The State Engineer:
   (a) May designate as a critical management area any basin in which
       withdrawals of groundwater consistently exceed the perennial yield of the
       basin.
   (b) Shall designate as a critical management area any basin in which
       withdrawals of groundwater consistently exceed the perennial yield of the
       basin upon receipt of a petition for such a designation which is signed by a
       majority of the holders of certificates or permits to appropriate water in the
       basin that are on file in the Office of the State Engineer.
   ◆ The designation of a basin as a critical management area pursuant to
   this subsection may be appealed pursuant to NRS 533.450. If a basin has
   been designated as a critical management area for at least 10 consecutive
   years, the State Engineer shall order that withdrawals, including, without
   limitation, withdrawals from domestic wells, be restricted in that basin to
   conform to priority rights, unless a groundwater management plan has
   been approved for the basin pursuant to section 1 of this act.

8. In any basin or portion thereof in the State designated by the State
   Engineer, the State Engineer may restrict drilling of wells in any portion
   thereof if the State Engineer determines that additional wells would cause an
   undue interference with existing wells. Any order or decision of the State
   Engineer so restricting drilling of such wells may be reviewed by the district
   court of the county pursuant to NRS 533.450.

Sec. 4. This act becomes effective on July 1, 2011.

Amendment No. 789 to Assembly Bill No. 419 removes one of the criteria the State Engineer
may consider when determining whether to approve a groundwater management plan. This
criteria is the relationship between surface water and groundwater in the basin.

GENERAL FILE AND THIRD READING

Senate Bill No. 271.
Bill read third time.
Remarks by Senators Lee and Leslie.
Senator Lee requested that the following remarks be entered in the Journal.

SENATOR LEE:
Senate Bill No. 271 provides for the withdrawal of the State of Nevada from the Tahoe Regional Planning Compact under certain circumstances. This withdrawal will take effect on October 1, 2014, unless the governing body of the Tahoe Regional Planning Agency (TRPA) adopts an updated Regional Plan and certain proposed amendments to the Compact. These amendments include: the removal of the supermajority requirement for the governing body of the Agency to establish a quorum and to vote on matters considered by the TRPA; requiring the Regional Plan of the TRPA to consider the Lake Tahoe Basin’s changing conditions; and adding language to the Compact that provides that a person who challenges the Regional Plan has the burden of proof to show that the plan violates the Compact. The Governor may issue a proclamation extending this withdrawal deadline to October 1, 2017.

Finally, Senate Bill No. 271 requires the Legislative Committee for the Review and Oversight of the Tahoe Regional Planning Agency to prepare a report on issues relating to this bill and the impacts of this bill to the Compact.

This bill has been highly vetted, highly worked on. We have had the Congressional team, the State Executive Office, the Legislature all work together on this bill. This is the compromise that the State of Nevada is willing to discuss with California.

SENATOR LESLIE:
As we all recall, the TRPA was enacted in 1969 by two Governors, Reagan and Laxalt. The Bi-State Agreement was a response to the challenges faced at Lake Tahoe by the five counties and the two states that border it. It was in response to concerns about pollution and development at the Lake. Everyone had the same goal in 1969, which was to keep the pristine waters of Lake Tahoe pristine. Since that time, there have been ongoing struggles by the different interests at the Lake including lawsuits, increased regulations and accusations from all sides. This bill conditions Nevada’s continued participation in the TRPA upon actions by California and the federal government, approving compact amendments and making progress on an updated regional plan. If these goals are not reached by October 1, 2014, Nevada’s Governor can ask for another three years or Nevada’s Governor can agree to remove Nevada from the TRPA. There will be no negotiations about how much progress has or has not been made, and the Legislature will have no further say in the matter. This bill does not require Nevada to work with California or the federal government. It almost encourages people to do nothing. For those who want to get rid of TRPA, there is no incentive to work on a new regional plan at all. Their best option is to do nothing and hope that Nevada withdraws in 2014.

I fear this bill will result in increased environmental damage at Lake Tahoe and a loss of much needed federal funding. Who is going to give us federal funding in this state of uncertainty? I respect my colleague’s position. I know he is sincere in his love for Lake Tahoe as I am. But this bill is too extreme. We should focus on working together to resolve these issues and not be threatening withdrawal. This bill sends a clear message, but it is the wrong message. It says that Nevadans care more about the needs of builders and developers than they do about the health of Lake Tahoe. I urge you to vote against this bill.

SENATOR LEE:
We have wonderful people who sit on the Board of the TRPA. They are appointed by the Governor. They are Nevadans. They care about what is happening on the Nevada side of the
Lake. We are not making any environmental changes. We are not doing anything that will not keep the Lake in its pristine condition now and in the future. What we are hoping to accomplish is to see that we can get a regional plan there. That we will be able to go in, work on a plan for the Lake, make it lake-wide so that everyone up there will know what they can and cannot do in the area, rather than an unnamed group of people or agency that fights every single thing that takes place up there. We are going into this next season with the ability to say, we do not want you to shut down everything Nevada thinks and does up there. We want to be able to discuss ideas, rather than come to a meeting where the votes are already in, and every good idea or thought that Nevada has is killed. If I thought for one minute that we were going to harm this compact without giving the Congressional team, the Governor's Office, or the Legislature a chance to be considered in this, then I would not have put this forth. We have the time and we have the people in the State of Nevada who want to work closely with California to bridge the challenges we have and to continue to keep Lake Tahoe one of the most beautiful places in the world.

Senate Bill No. 359.
Bill read third time.
Remarks by Senators Kieckhefer, Horsford, Brower and Denis.
Senator Kieckhefer requested that the following remarks be entered in the Journal.

SENATOR KIECKHEFER:
Thank you, Mr. President. I rise in opposition to this bill. I was able to serve on the subcommittee that reviewed the various provisions of this bill and there are many good provisions in Senate Bill No. 359. Those provisions need to be in there to ensure that we have a good process to ensure we are getting the most out of our taxpayer dollars when it comes to putting contracts out to bid. Unfortunately, I believe that Section 15 of the bill is going to result in the exact opposite of that. Section 15 is designed to collect the racial and gender data for people who both and bid on and are awarded public works as a base line for creating a bidders' preference for all public works in this State for minority and women-owned businesses.

I believe that the public works process has been created and designed to offer a fair and equitable process for anyone to bid on a public work and that is why price is ultimately the deciding factor as to whether a contract is awarded. There is significant frustration that the process currently being utilized does not always offer opportunity or that minority and women-owned businesses are not participating at the rate that maybe they should when contracts are awarded. If there is a problem with that process, I believe that is a process that needs to be fixed. But, creating a bidders' preference is the wrong vehicle to do so. Bidders' preferences' whether they are geographically based or racially-based or gender-based, ultimately result in a higher cost to the taxpayers. The notion of what we are supposed to do is to get the best product for the best price for the taxpayers of this State. Bidders' preferences of any sort undermine that notion. While this bill does not implement a bidders' preference, it is the stated intent to collect this data in order to create one.

For that purpose, I oppose it and encourage you to do the same.

SENATOR HORSFORD:
I want to thank my colleague from Washoe District No. 4 for his many hours working on the subcommittee that deliberated on this measure. I want to clarify for the record that this bill does
not establish preferences. It does not collect the data to automatically determine preferences. That is not what this bill does.

Section 15, the provision that is in question, requires data on race, ethnicity, gender and age of individuals applying for or hired on public works projects. It was determined by Legal Counsel that preferences cannot be established for these protected classes without data to support the need. I do not know whether or not there is disparity among individuals who are applying for or are hired on public works projects based on race, ethnicity, gender or age. I do not know that because no one collects the data for that. It is not reported. This bill and the provisions in Section 15 merely allow for the collection of that information because these are public works projects paid for by taxpayers. It is information that I think we should want to know regardless whether or not there are disparities.

I want it to be absolutely clear that this bill does not establish preference. There was a statement made by my colleague that somehow if it does establish preferences that women or minority-owned businesses would charge more. Therefore, price would be a factor. There is nothing in this bill that deals with that, and I would challenge whether or not that is even true. A woman or minority-owned firm could have the lowest price contract and be issued a contract.

This is an issue that emerged during the four months of this Legislative Session. It goes to the heart of one of the things that we are trying to accomplish this Legislative Session, which is government efficiency.

We had a number of hearings in the Senate Finance Committee on contracting prices. We concentrated on several of the largest contracts that are current in State government that lack the elements of efficiency, transparency and accountability we want in State government. We found instances where sole-source contracts were rolled over year after year without consideration of other vendors who might be able to do the same work at a lower cost. We found multi-year contracts that were extended without competitive bidding, which might bring down the cost of those contracts. We found the need to periodically revisit contracts because of changes in economic conditions that could result in lower cost contracts. In terms of transparency, some of the contracts we reviewed contain fees charged to consumers that were not adequately disclosed in the terms of the contracts and not in ways that the average Nevadan would be able to find.

Senate Bill No. 359 addresses these issues. For the reasons of accountability, transparency and efficiency I urge the body’s adoption of this bill. As for the area of Section 15, it lays the foundation for how we approach contracting in public works, starting with making a determination on whether all elements of our population are proportionately represented in the public works projects.

If we are going to put people to work, it should be all people. The provisions of this bill require contractors, subcontractors and suppliers to report the information listed under Section 15 so that we know who is working and who is applying and how we can put all Nevadans to work on these public projects. I urge the body’s approval of this bill.

SENATOR BROWER:

Thank you, Mr. President. I appreciate the Majority Leader’s concern about the sole-source issue. I think Section 15 goes too far. I do not know, why we as a State government, and why we as a federal government are so obsessed in determining the race, gender, ethnicity and age of our fellow citizens. I do not get that. Why should it matter? In this context, we ought to be focused on character, qualifications and cost. Those are the factors that should matter in determining who the best contractor might be for a State project. While this bill, as my colleague from Washoe County indicated, does have some positive attributes, I do not know why, as a government, we are so concerned with determining the race and ethnicity of people who want to do business with us.

SENATOR DENIS:

Thank you, Mr. President. I would like to respond to the previous speaker. We have had discussions in this Chamber concerning this subject in the redistricting plans. There was a lot of concern there for the Hispanic community, but now, we do not have concern when it comes to this bill. I think this is a good bill and I think we should support it.

Assembly Bill No. 132 provides that certain charter cities in the State that do not currently hold their elections in concurrence with the statewide election cycle may, by ordinance, choose to switch to the statewide cycle. No term of office may be lengthened in order to accomplish the switch, but a term of office may be shortened as necessary.
If the city council of Boulder City, Henderson, Las Vegas, or North Las Vegas adopts such an ordinance, terms of current office holders may not be shortened, but subsequent terms may be shortened to accomplish the transition to the statewide cycle. Assembly Bill No. 179 requires the appointing authorities of State agencies to provide permanent classified employees with a copy of the policy approved by the Personnel Commission explaining prohibited acts, violations and penalties, and the disciplinary process. Before taking certain disciplinary actions, an appointing authority must consult with the Attorney General or, for appointing authorities within the Nevada System of Higher Education, with the System's general counsel. The appointing authority is not required to get permission from the legal counsel to take action.
Internal investigations and any resulting determination must be completed within 90 days after notice of the allegations is given to the employee. The appointing authority may request an extension of not more than 60 days from the Director of the Department of Personnel upon a showing of good cause. Only the Governor may grant a further extension.

Assembly Bill No. 230 requires the Commission on Professional Standards in Education to adopt regulations on or before December 31, 2011, which prescribe the qualifications for licensing teachers and administrators pursuant to an alternative route to licensure program. The measure sets forth certain requirements for the regulations, as follows.
The required education and training may be provided by any qualified provider that has been approved by the Commission, including institutions of higher education and other providers that operate independently of an institution of higher education.
A candidate may apply for a license obtained through an alternative route prior to receiving an offer for employment from a school district, charter school, or private school.
The regulations must significantly limit the amount of course work required or provide for the waiver of required course work for students who achieve certain scores on tests.
The required education and training under the program may be completed in two years or less; and upon completion of the required education and training required under the program and all other requirements for licensure, the person must be issued a regular license.
Finally, the State Board of Education is required to evaluate qualified providers of education and training for licensure of teachers and administrators. The evaluation must include the number of personnel licensed from each approved provider, how many of those persons are employed by school districts and charter schools in Nevada, along with aggregated data from performance evaluations. This information is to be made available to the public annually.
This is something we have talked about to provide opportunities for us to get teachers through this alternative route.

Senator Schneider requested that the following remarks be entered in the Journal.

SENATOR SCHNEIDER:
Assembly Bill No. 289 provides for regulation of the practice of dietetics by the State Board of Health and prescribes the powers and duties of the Board. The measure requires the Board to charge and collect fees relating to the issuance of licenses and to carry out its other duties. In addition to regular licenses, the Board may issue provisional licenses to persons who do not meet all of the requirements for licensure, and may issue temporary licenses for the purpose of treating patients in this State for a limited period.

I would like to comment that there is a group of people in this State who have spun out of control. They are on a mission to kill this bill for no reason. We have made all of the adjustments to this bill to take everyone out of the bill. My cell phone has been going off with robo calls. It started last night. It has been unbelievable how this robo call has been going around. There have been calls to our offices from robo calls. They are lighting up the public by having them think that we are going to make people who sell vitamins be licensed. That is anything but the truth. I am upset about this and the actions of the people out there. They have accused members of my Committee and other members of the Legislature of doing something that is not in the law. I encourage everyone to vote for this and to send a real message to these "yahoos" who are out of control in this State right now.

SENATOR HARDY:
Thank you, Mr. President. I rise in support of Assembly Bill No. 289. I would be remiss if I did not stand up in support of this. My daughter, Emily, is a Registered Dietician, an R.D. or real dietician. She is responsible for the continued life of my well-loved and adored mother-in-law who has been on dialysis for two and one-half years. Before that, she was supposed to have been on dialysis for five years but in doing simple things that dieticians do, she worked with my mother-in-law and had her change things that needed to be changed. The doctors often, repeatedly, and with much appreciation, use dieticians to care for critically ill patients on hyper alimentation, perennial feedings and save limbs from being cut off. I would be remiss if I did not say my appreciation for dieticians and particularly, my daughter Emily.

SENATOR WIENER:
Thank you, Mr. President. For many years, I have worked closely with Registered Dieticians in the fitness and wellness program that is part of the Health Division. With this licensure of Registered Dietitians comes a substantial amount of federal funding. And we Legislators have been talking a lot about money, these days. By not licensing R.D.s, or Registered Dieticians, we could lose significant money from the federal government because many health-related programs require licensure for the Registered Dietitians. So, there is a financial impact in my State, as well as the humanitarian impact that my colleague from Boulder City has mentioned.

SECOND READING AND AMENDMENT
Senate Bill No. 54.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 795.
"SUMMARY—Revises provisions governing the Fund to Increase the Quality of Nursing Care. (BDR 38-444)"
"AN ACT relating to nursing facilities; revising provisions governing the Fund to Increase the Quality of Nursing Care; and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Under existing law, each nursing facility that is licensed in this State is required to pay a fee to the Division of Health Care Financing and Policy of the Department of Health and Human Services in an amount determined by the Division. (NRS 422.3775) The fees collected by the Division are required to be deposited in the Fund to Increase the Quality of Nursing Care and used to increase rates paid to nursing facilities for providing services to Medicaid
recipients and to administer the assessment of the fees. Existing law prohibits
the money in the Fund from being used to replace existing state expenditures
paid to nursing facilities. (NRS 422.3785) This bill removes that prohibition.

Existing law further provides that if federal law or regulation prohibits the
money in the Fund from being used in the manner specified by statute, the
rates must be set at certain amounts. (NRS 422.3785) [This] Section 1 of this
bill instead provides that in such circumstances, the rates must be changed to
the rates provided by the Division. Section 2 of this bill expires the
provisions of the bill on July 1, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 422.3785 is hereby amended to read as follows:

422.3785 1. There is hereby created in the State Treasury the Fund to
Increase the Quality of Nursing Care, to be administered by the Division.

2. The Fund to Increase the Quality of Nursing Care must be a separate
and continuing fund, and no money in the Fund reverts to the State General
Fund at any time. The interest and income on the money in the Fund, after
deducting any applicable charges, must be credited to the Fund.

3. Any money received by the Division pursuant to NRS 422.3755 to
422.379, inclusive, must be deposited in the State Treasury for credit to the
Fund to Increase the Quality of Nursing Care, and must be expended, to the
extent authorized by federal law, to obtain federal financial participation in
the Medicaid Program, and in the manner set forth in subsection 4.

4. Expenditures from the Fund to Increase the Quality of Nursing Care
must be used only:

(a) To increase the rates paid to nursing facilities for providing services
pursuant to the Medicaid Program; [and may not be used to replace existing
state expenditures paid to nursing facilities for providing services pursuant to
the Medicaid Program;] and

(b) To administer the provisions of NRS 422.3755 to 422.379, inclusive. The amount expended pursuant to this paragraph must not exceed 1 percent
of the money received from the fees assessed pursuant to NRS 422.3755 to
422.379, inclusive, and must not exceed the amount authorized for
expenditure by the Legislature for administrative expenses in a fiscal year.

5. If federal law or regulation prohibits the money in the Fund to
Increase the Quality of Nursing Care from being used in the manner set forth
in this section, the rates paid to nursing facilities for providing services
pursuant to the Medicaid Program must be changed [;
—(a) Except as otherwise provided in paragraph (b), to the rates paid to such
facilities on June 30, 2003; or
—(b) If the Legislature or the Division has on or after July 1, 2003, changed
the rates paid to such facilities through a manner other than the use of
expenditures from the Fund to Increase the Quality of Nursing Care,] to the
rates provided for by the [Legislature or the] Division.

The following amendment was proposed by the Committee on Finance: Amendment No. 796.
"SUMMARY—Revises the authority of the Department of Health and Human Services to contract for transportation services for the recipients of services under the Children's Health Insurance Program. (BDR 38-1197)"
"AN ACT relating to the Children's Health Insurance Program; revising provisions relating to the authority of the Department of Health and Human Services to contract for transportation services for the recipients of services under the Program; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Department of Health and Human Services is required, to the extent authorized by federal law, to contract with certain motor carriers or others to provide transportation services to certain recipients of services pursuant to the Children's Health Insurance Program when those recipients are traveling to and from providers of services under those programs. (NRS 422.2705) This Section 1 of this bill makes contracting by the Department for such transportation services discretionary.

Section 2 of this bill provides that the amendatory provisions of this bill expire by limitation on June 30, 2013.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The Department may, to the extent authorized by federal law, contract with a common motor carrier, a contract motor carrier or a broker for the provision of transportation services to recipients of services pursuant to the Children's Health Insurance Program traveling to and
returning from providers of services under the Children’s Health Insurance Program.

3. The Director may adopt regulations concerning the qualifications of persons who may contract with the Department to provide transportation services pursuant to this section.

4. The Director shall:
   (a) Require each motor carrier that has contracted with the Department to provide transportation services pursuant to this section to submit proof to the Department of a liability insurance policy, certificate of insurance or surety which is substantially equivalent in form to and is in the same amount or in a greater amount than the policy, certificate or surety required by the Department of Motor Vehicles pursuant to NRS 706.291 for a similarly situated motor carrier; and
   (b) Establish a program, with the assistance of the Nevada Transportation Authority of the Department of Business and Industry, to inspect the vehicles which are used to provide transportation services pursuant to this section to ensure that the vehicles and their operation are safe.

5. As used in this section:

   (b) "Common motor carrier" has the meaning ascribed to it in NRS 706.036.
   (c) "Contract motor carrier" has the meaning ascribed to it in NRS 706.051.

Assembly Bill No. 265.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
   Amendment No. 800.
   "SUMMARY—Revises provisions governing the rights of peace officers. (BDR 23-716)"
   "AN ACT relating to peace officers; revising the circumstances under which a law enforcement agency is prohibited from suspending a peace officer without pay during an investigation; authorizing a representative of a peace officer to attend an interview with the peace officer under certain circumstances; requiring a law enforcement agency to revise a peace officer's
work schedule for attending certain hearings and administrative proceedings; prohibiting the use in a criminal proceeding of a statement or answer of a peace officer obtained during an investigation under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes a law enforcement agency to conduct an investigation of a peace officer in response to a complaint or allegation that the peace officer has engaged in activities which may result in punitive action. Existing law prohibits the law enforcement agency from suspending the peace officer without pay during the investigation until all investigations relating to the matter have concluded. (NRS 289.057) Section 1 of this bill prohibits the law enforcement agency from suspending the peace officer without pay except as otherwise provided in a collective bargaining agreement.

Existing law requires a law enforcement agency to notify a peace officer not later than 48 hours before conducting any interrogation or hearing relating to an investigation of the peace officer. (NRS 289.060) Section 1.5 of this bill imposes additional requirements by requiring the law enforcement agency to provide a written notice to any other peace officer the law enforcement agency believes has any knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation. The written notice must advise the peace officer that he or she must appear and be interviewed as a witness in connection with the investigation. Section 1.5 also limits the use of certain evidence discovered during the course of an investigation or hearing and prohibits the use of certain statements or answers made by a peace officer in any subsequent criminal proceeding.

Finally, existing law further provides that, if a peace officer is the subject of an investigation of alleged misconduct, a law enforcement agency must interrogate the peace officer during his or her regular working hours, if practical, or compensate the peace officer for his or her time based on the peace officer's wages, if no charges arise from the interrogation. (NRS 289.060) Section 1.5 of this bill deletes the requirement for the payment of compensation to the peace officer and instead requires the law enforcement agency to revise the peace officer's work schedule to allow any time that is required for the interrogation to be deemed a part of the peace officer's regular working hours. If the law enforcement agency does not interrogate the peace officer during his or her regular working hours and the peace officer receives a notice to appear for an interrogation at a time that he or she is off duty, section 1.5 requires the peace officer to be compensated for appearing at the interrogation based on his or her wages and any other benefits he or she is entitled to receive. Section 1.5 also applies these provisions to a peace officer who is interviewed as a witness in connection with an investigation.
Existing law authorizes a peace officer who is the subject of an investigation of alleged misconduct to have two representatives present during the interrogation and hearing concerning the investigation. Any such representative is required, except under certain circumstances, to keep all information he or she learns concerning the investigation confidential. (NRS 289.080) Section 1.7 of this bill authorizes a peace officer who is a witness in an investigation to have two representatives present during an interview conducted concerning the investigation. Section 1.7 also requires any such representative to keep all information he or she learns concerning the investigation confidential.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1.

NRS 289.057 is hereby amended to read as follows:

289.057  1. An investigation of a peace officer may be conducted in response to a complaint or allegation that the peace officer has engaged in activities which could result in punitive action.

2. Except as otherwise provided in a collective bargaining agreement, a law enforcement agency shall not suspend a peace officer without pay during or pursuant to an investigation conducted pursuant to this section until all investigations relating to the matter have concluded.

3. After the conclusion of the investigation:
   (a) If the investigation causes a law enforcement agency to impose punitive action against the peace officer who was the subject of the investigation and the peace officer has received notice of the imposition of the punitive action, the peace officer or a representative authorized by the peace officer may, except as otherwise prohibited by federal or state law, review any administrative or investigative file maintained by the law enforcement agency relating to the investigation, including any recordings, notes, transcripts of interviews and documents.

   (b) If, pursuant to a policy of a law enforcement agency or a labor agreement, the record of the investigation or the imposition of punitive action is subject to being removed from any administrative file relating to the peace officer maintained by the law enforcement agency, the law enforcement agency shall not, except as otherwise required by federal or state law, keep or make a record of the investigation or the imposition of punitive action after the record is required to be removed from the administrative file.

Sec. 1.5. NRS 289.060 is hereby amended to read as follows:

289.060  1. Except as otherwise provided in this subsection, a law enforcement agency shall, not later than 48 hours before any interrogation or hearing is held relating to an investigation conducted pursuant to NRS 289.057, provide a written notice to the peace officer who is the subject of the investigation. If the law enforcement agency believes that any other peace officer has any knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation, the law enforcement agency shall provide a written notice to
the peace officer advising the peace officer that he or she must appear and be interviewed as a witness in connection with the investigation. Any peace officer who serves as a witness during an interview must be allowed a reasonable opportunity to arrange for [a representative chosen by the peace officer to attend the interview with the peace officer. Such a representative must not include the peace officer who is the subject of the investigation or any other witness who the law enforcement agency believes may have knowledge of any fact relating to the investigation] the presence and assistance of a representative authorized by NRS 289.080. Any peace officer specified in this subsection may waive the notice required pursuant to this section.

2. The notice provided to the peace officer who is the subject of the investigation must include:
   (a) A description of the nature of the investigation;
   (b) A summary of alleged misconduct of the peace officer [and any other peace officer whom the law enforcement agency is investigating in connection with the complaint or allegation];
   (c) The date, time and place of the interrogation or hearing;
   (d) The name and rank of the officer in charge of the investigation and the officers who will conduct any interrogation [or hearing];
   (e) The name of any other person who will be present at any interrogation or hearing; and
   (f) A statement setting forth the provisions of subsection 1 of NRS 289.080.

3. The law enforcement agency shall:
   (a) [Interrogate] Interview or interrogate the peace officer during the peace officer's regular working hours, if reasonably practicable, or compensate the peace officer for that time based on the peace officer's regular wages if no charges arise from the interrogation. [revise the peace officer's work schedule to allow any time that is required for the interview or interrogation [or for any hearing] to be deemed a part of the peace officer's regular working hours. Any such time must be calculated based on the peace officer's regular wages for his or her regularly scheduled working hours. If the peace officer is not interviewed or interrogated during his or her regular working hours or if his or her work schedule is not revised pursuant to this paragraph and the law enforcement agency notifies the peace officer to appear at a time when he or she is off duty, the peace officer must be compensated for appearing at the interview or interrogation based on the wages and any other benefits the peace officer is entitled to receive for appearing at the time set forth in the notice.]
   (b) Immediately before [the] any interrogation or hearing begins, inform the peace officer who is the subject of the investigation orally on the record that:
      (1) The peace officer is required to provide a statement and answer questions related to the peace officer's alleged misconduct; and
(2) If the peace officer fails to provide such a statement or to answer any such questions, the agency may charge the peace officer with insubordination.

(c) Limit the scope of the questions during the interrogation or hearing to the alleged misconduct of the peace officer who is the subject of the investigation. If any evidence is discovered during the course of an investigation or hearing which establishes or may establish any other possible misconduct engaged in by the peace officer, the law enforcement agency shall notify the peace officer of that fact and shall not conduct any further interrogation of the peace officer concerning the possible misconduct until a subsequent notice of that evidence and possible misconduct is provided to the peace officer pursuant to this chapter.

(d) Allow the peace officer who is the subject of the investigation or who is a witness in the investigation to explain an answer or refute a negative implication which results from questioning during an interview, interrogation or hearing.

4. If a peace officer provides a statement or answers a question relating to the alleged misconduct of a peace officer who is the subject of an investigation pursuant to NRS 289.057 after the peace officer is informed that failing to provide the statement or answer may result in punitive action against him or her, the statement or answer must not be used against the peace officer who provided the statement or answer in any subsequent criminal proceeding.

Sec. 1.7. NRS 289.080 is hereby amended to read as follows:

289.080 1. Except as otherwise provided in subsection 4, a peace officer who is the subject of an investigation conducted pursuant to NRS 289.057 may upon request have two representatives of the peace officer's choosing present with the peace officer during any phase of an investigation or hearing relating to the investigation, including, without limitation, a lawyer, a representative of a labor union or another peace officer.

2. Except as otherwise provided in subsection 4, a peace officer who is a witness in an investigation conducted pursuant to NRS 289.057 may upon request have two representatives of the peace officer's choosing present with the peace officer during an interview relating to the investigation, including, without limitation, a lawyer, a representative of a labor union or another peace officer. The presence of the second representative must not create an undue delay in either the scheduling or conducting of the interview.

3. A representative of a peace officer must assist the peace officer during the interview, interrogation or hearing. The law enforcement agency conducting the interview, interrogation or hearing shall allow a representative of the peace officer to explain an answer provided by the peace officer or refute a negative implication which results from questioning of the peace

A representative must not otherwise be connected to, or the subject of, the same investigation.

Any information that a representative obtains from the peace officer who is a witness concerning the investigation is confidential and must not be disclosed.

6. Any information that a representative obtains from the peace officer who is the subject of the investigation is confidential and must not be disclosed except upon the:
   (a) Request of the peace officer; or
   (b) Lawful order of a court of competent jurisdiction.

A law enforcement agency shall not take punitive action against a representative for the representative's failure or refusal to disclose such information.

The peace officer, any representative of the peace officer or the law enforcement agency may make a stenographic, digital or magnetic record of the interview, interrogation or hearing. If the agency records the proceedings, the agency shall at the peace officer's request and expense provide a copy of the:
   (a) Stenographic transcript of the proceedings; or
   (b) Recording on the digital or magnetic tape.

After the conclusion of the investigation, the peace officer who was the subject of the investigation or any representative of the peace officer may, if the peace officer appeals a recommendation to impose punitive action, review and copy the entire file concerning the internal investigation, including, without limitation, any recordings, notes, transcripts of interviews and documents contained in the file.

Sec. 2. (Deleted by amendment.)

Sec. 3. This act becomes effective on July 1, 2011.

Senator Lee moved the adoption of the amendment.

Remarks by Senator Lee.

Senator Lee requested that his remarks be entered in the Journal.

Amendment No. 800 to Assembly Bill No. 265 clarifies that a peace officer serving as a witness during an investigative interview must be allowed a reasonable opportunity to arrange for the presence and assistance of a representative.

It clarifies what is to be included in a notice for an investigative hearing. The amendment deletes "or for any hearing" as it relates to the circumstances under which a peace officer's work schedule may be revised for purposes of the investigative interview or interrogation.

It clarifies that a peace officer witness may, upon request, have up to two representatives of the peace officer's choosing at the interview and declares that any information a representative obtains from the peace officer who is a witness in an investigation is confidential and must not be disclosed; and adds the term "interview" throughout the bill to complement the terms "interrogation or hearing" and to codify what typically takes place in the administrative investigation process.

Assembly Bill No. 504. 
Bill read second time. 
The following amendment was proposed by the Committee on Revenue: 
Amendment No. 738. 
"SUMMARY—Revises provisions governing delinquent taxes. (BDR 32-922)"

"AN ACT relating to taxation; requiring the Department of Taxation to provide an annual report to the Nevada Tax Commission of delinquent taxes owed to the Department; requiring the Nevada Tax Commission to request that the State Board of Examiners designate certain delinquent taxes owed to the Department as bad debt; revising the interest rate for the payment of certain delinquent taxes; and providing other matters properly relating thereto."

Legislative Counsel's Digest: 
This Section 1 of this bill requires the Department of Taxation to prepare and furnish an annual report to the Nevada Tax Commission that shows debts to the Department incurred by delinquent taxpayers during the immediately preceding year. This bill Section 1 also requires the Department to include the amount of any delinquent taxes that the Department determines is impossible or impractical to collect. This bill Section 1 further requires the Nevada Tax Commission to request that the State Board of Examiners designate any such amount of delinquent taxes as bad debt.

Sections 2 and 6 of this bill reduce the interest rate on the overpayment of certain taxes from 0.5 percent per month to 0.25 percent per month. Sections 3, 4 and 9 of this bill reduce the interest rate on late payments of certain taxes from 1 percent per month to 0.75 percent per month. Sections 5, 7, 8 and 10-12 of this bill reduce the interest rate on the overpayment of certain taxes and certain illegally collected taxes from 6 percent per annum to 3 percent per annum.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. On or before January 15 of each year, the Department shall prepare and furnish to the Nevada Tax Commission a report that shows all money owed to the Department for delinquent payments of any tax administered by the Department during the preceding year.

2. The Department shall include in the report prepared to pursuant to subsection 1 the amount of any delinquent taxes that the Department determines is impossible or impractical to collect.

3. If the Department determines that it is impossible or impractical to collect any amount of delinquent taxes, the Nevada Tax Commission shall
request that the State Board of Examiners designate such amount as a bad
debt. The State Board of Examiners, by an affirmative vote of the majority
of the members of the Board, may designate the delinquent taxes as a bad
debt if the Board is satisfied that the collection of the delinquent taxes is
impossible or impractical. If the amount of the delinquent taxes is not more
than $50, the State Board of Examiners may delegate to its Clerk the
authority to designate delinquent taxes as a bad debt. The Nevada Tax
Commission may appeal to the State Board of Examiners a denial by the
Clerk of a request to designate delinquent taxes as a bad debt.

4. Upon the designation of delinquent taxes as a bad debt pursuant to
this section, the State Board of Examiners or its Clerk shall immediately
notify the State Controller thereof. Upon receiving the notification, the
State Controller shall direct the removal of the bad debt from the books of
account of the State of Nevada. A bad debt that is removed pursuant to this
section remains a legal and binding obligation owed by the debtor to the
State of Nevada.

5. The State Controller shall keep a master file of all delinquent taxes
that are designated as bad debts pursuant to this section. For each such
debt, the State Controller shall record the name of the debtor, the amount
of the debt, the date on which the debt was incurred and the date on which
it was removed from the records and books of account of the State of
Nevada, and any other information concerning the debt that the State
Controller determines is necessary.

Sec. 2. NRS 360.2937 is hereby amended to read as follows:

360.2937 1. Except as otherwise provided in this section, NRS 360.320
or any other specific statute, and notwithstanding the provisions of
NRS 360.2935, interest must be paid upon an overpayment of any tax
provided for in chapter 362, 363A, 363B, 369, 370, 372, 374, 377 or 377A of
NRS, any fee provided for in NRS 444A.090 or 482.313, or any assessment
provided for in NRS 585.497, at the rate of 0.25 percent per month from
the last day of the calendar month following the period for which the
overpayment was made.

2. No refund or credit may be made of any interest imposed on the
person making the overpayment with respect to the amount being refunded or
credited.

3. The interest must be paid:
   (a) In the case of a refund, to the last day of the calendar month following
       the date upon which the person making the overpayment, if the person has
       not already filed a claim, is notified by the Department that a claim may be
       filed or the date upon which the claim is certified to the State Board of
       Examiners, whichever is earlier.

Sec. 3. NRS 360.295 is hereby amended to read as follows:
360.295 Except as otherwise specifically provided in this title, if the Department grants an extension of the time for paying any amount required to be paid under this title, a person who pays the amount within the period for which the extension is granted shall pay, in addition to the amount owing, interest at the rate of 0.75 percent per month from the date the amount would have been due without the extension until the date of payment.

Sec. 4. **NRS 360.417 is hereby amended to read as follows:**

360.417 Except as otherwise provided in NRS 360.232 and 360.320, and unless a different penalty or rate of interest is specifically provided by statute, any person who fails to pay any tax provided for in chapter 362, 363A, 369, 370, 372, 374, 377, 377A, 444A or 585 of NRS, or any fee provided for in NRS 482.313, and any person or governmental entity that fails to pay any fee provided for in NRS 360.787, to the State or a county within the time required, shall pay a penalty of not more than 10 percent of the amount of the tax or fee which is owed, as determined by the Department, in addition to the tax or fee, plus interest at the rate of 0.75 percent per month, or fraction of a month, from the last day of the month following the period for which the amount or any portion of the amount should have been reported until the date of payment. The amount of any penalty imposed must be based on a graduated schedule adopted by the Nevada Tax Commission which takes into consideration the length of time the tax or fee remained unpaid.

Sec. 5. **NRS 361.420 is hereby amended to read as follows:**

361.420 1. Any property owner whose taxes are in excess of the amount which the owner claims justly to be due may pay each installment of taxes as it becomes due under protest in writing. The protest must be in the form of a separate, signed statement from the property owner and filed with the tax receiver at the time of the payment of the installment of taxes.

2. The property owner, having protested the payment of taxes as provided in subsection 1 and having been denied relief by the State Board of Equalization, may commence a suit in any court of competent jurisdiction in the State of Nevada against the State and county in which the taxes were paid, and, in a proper case, both the Nevada Tax Commission and the Department may be joined as a defendant for a recovery of the difference between the amount of taxes paid and the amount which the owner claims justly to be due, and the owner may complain upon any of the grounds contained in subsection 4.

3. Every action commenced under the provisions of this section must be commenced within 3 months after the date of the payment of the last installment of taxes, and if not so commenced is forever barred. If the tax complained of is paid in full and under the written protest provided for in this section, at the time of the payment of the first installment of taxes, suit for the recovery of the difference between the amount paid and the amount claimed to be justly due must be commenced within 3 months after the date of the full payment of the tax or the issuance of the decision of the State
Board of Equalization denying relief, whichever occurs later, and if not so commenced is forever barred.

4. In any suit brought under the provisions of this section, the person assessed may complain or defend upon any of the following grounds:
   (a) That the taxes have been paid before the suit;
   (b) That the property is exempt from taxation under the provisions of the revenue or tax laws of the State, specifying in detail the claim of exemption;
   (c) That the person assessed was not the owner and had no right, title or interest in the property assessed at the time of assessment;
   (d) That the property is situate in and has been assessed in another county, and the taxes thereon paid;
   (e) That there was fraud in the assessment or that the assessment is out of proportion to and above the taxable cash value of the property assessed;
   (f) That the assessment is out of proportion to and above the valuation fixed by the Nevada Tax Commission for the year in which the taxes were levied and the property assessed; or
   (g) That the assessment complained of is discriminatory in that it is not in accordance with a uniform and equal rate of assessment and taxation, but is at a higher rate of the taxable value of the property so assessed than that at which the other property in the State is assessed.

5. In a suit based upon any one of the grounds mentioned in paragraphs (e), (f) and (g) of subsection 4, the court shall conduct the trial without a jury and confine its review to the record before the State Board of Equalization. Where procedural irregularities by the Board are alleged and are not shown in the record, the court may take evidence respecting the allegation and, upon the request of either party, shall hear oral argument and receive written briefs on the matter.

6. In all cases mentioned in this section where the complaint is based upon any grounds mentioned in subsection 4, the entire assessment must not be declared void but is void only as to the excess in valuation.

7. In any judgment recovered by the taxpayer under this section, the court may provide for interest thereon not to exceed 6 3/4 percent per annum from and after the date of payment of the tax complained of.

Sec. 6. NRS 361.486 is hereby amended to read as follows:

361.486 1. Except as otherwise provided in subsection 2 and NRS 361.485, interest must be paid on an overpayment of the taxes imposed by this chapter at the rate of 0.25 percent per month, or fraction thereof, from the last day of the calendar month in which the overpayment was made to the last day of the calendar month in which a refund is made.

2. No interest is allowed:
   (a) On a refund of any penalty or interest paid by a taxpayer; or
   (b) If the ex officio tax receiver determines that the overpayment was made intentionally or by reason of carelessness.

Sec. 7. NRS 363A.210 is hereby amended to read as follows:
363A.210 In any judgment, interest must be allowed at the rate of 6\% per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days. The date must be determined by the Department.

Sec. 8. NRS 363B.200 is hereby amended to read as follows:

363B.200 In any judgment, interest must be allowed at the rate of 6\% per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days. The date must be determined by the Department.

Sec. 9. NRS 368A.230 is hereby amended to read as follows:

368A.230 Upon written application made before the date on which payment must be made, the Board or the Department may, for good cause, extend by 30 days the time within which a taxpayer is required to pay the tax imposed by this chapter. If the tax is paid during the period of extension, no penalty or late charge may be imposed for failure to pay at the time required, but the taxpayer shall pay interest at the rate of 0.75\% per month from the date on which the amount would have been due without the extension until the date of payment, unless otherwise provided in NRS 360.232 or 360.320.

Sec. 10. NRS 368A.310 is hereby amended to read as follows:

368A.310 In any judgment, interest must be allowed at the rate of 6\% per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days. The date must be determined by the Board or the Department.

Sec. 11. NRS 372.695 is hereby amended to read as follows:

372.695 In any judgment, interest must be allowed at the rate of 6\% per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days, the date to be determined by the Department.

Sec. 12. NRS 374.700 is hereby amended to read as follows:

374.700 In any judgment, interest shall be allowed at the rate of 6\% per annum upon the amount found to have been illegally collected from the date of payment of the amount to the date of allowance of credit on account of the judgment, or to a date preceding the date of the refund warrant by not more than 30 days, the date to be determined by the Department.

Senator Leslie moved the adoption of the amendment.
Remarks by Senator Leslie.
Senator Leslie requested that her remarks be entered in the Journal.
This amendment was brought to the Committee on behalf of the Department of Taxation.
Amendment No. 738 to Assembly Bill No. 504 lowers the interest rate that is paid to the State by taxpayers for any late payment or underpayment of taxes administered by the Department of Taxation. The amendment lowers the interest rate paid to the State from 1 percent per month or 12 percent annually, to 0.75 percent per month or 9 percent annually.
The amendment also lowers the interest rate that is paid by the State to taxpayers for any overpayment or refund of taxes administered by the Department of Taxation. The amendment lowers the interest rate paid to taxpayers from 0.5 percent per month or 6 percent annually to 0.25 percent per month or 3 percent annually.
The lower interest rates would apply prospectively to both new and existing deficiencies or refund claims.
This adjustment was made in order to better reflect current economic conditions.

Senate Bill No. 231.
Bill read third time.
Remarks by Senators Lee and Leslie.

Senator Lee requested that the following remarks be entered in the Journal.

SENATOR LEE:

Senate Bill No. 231 authorizes a person who holds a concealed weapon permit to carry a concealed firearm while on the property of the Nevada System of Higher Education (NSHE) except while attending any event held at a sporting venue with a seating capacity of 1,000 or more that is located on NSHE property. The Board of Regents must establish policies and procedures regarding how to implement this restriction in relation to parking and gathering for such dormitories or residence halls located on NSHE property. Finally, Senate Bill No. 231 authorizes a county sheriff and the police department for NSHE to provide to concealed weapon permit holders information concerning instructors and organizations that offer courses in firearm safety which focus on issues relating to firearm safety in an educational environment.

This bill will go to the Assembly. There are some modifications that might take place on this bill.

SENATOR LESLIE:

Thank you, Mr. President. This bill prevents the System of Higher Education from setting policies concerning concealed weapons on campus. Currently, if you want to carry a concealed weapon and you have a good reason, you can go to the System, and you can request the ability to do so. It may or may not be granted. That policy is currently in place. This bill would force NSHE to revoke all policies that monitor the presence of concealed weapons on its campuses.

The main argument in favor of the bill seems to be that the bill is necessary for public safety. However, numerous studies of the issue of gun safety on campus have found just the opposite, including the official report of the Virginia Tech inquiry following the tragic shooting there in 2007. That report suggested the best way to ensure safety on campus is to reduce the number, or prevent entirely, the presence of unauthorized guns on campus. The Brady Center, which researches gun safety, has also produced a lengthy report on campus gun safety and found such measures as Senate Bill No. 231 increase the risk of a violent event on campus.

Closer to home, our own criminologists at the University of Nevada Las Vegas (UNLV) have analyzed the pros and cons of this bill in an empirical fashion and found the arguments in favor of this bill do not hold up.

Assumption number 1 is that more guns leads to less crime. There is no sound empirical evidence to support this claim.

Assumption number 2 is that violent offenders are rational and will be deterred by armed students. The typical mass murderer in school shootings is often so mentally impaired that he is unable to make rational decisions. Many are already prepared to die for their acts, so the supposed deterrent of armed students is of no use. In addition, the ability of a non-professional to use a firearm to terminate an attack is severely limited by the spontaneity, unpredictability, and gravity of violent situations.

Assumption number 3 is that the benefits of arming students exceed the costs. Science shows there are collateral consequences to increased gun presence on campus including, an increase in deaths and serious injuries due to accidental discharge of weapons or overreaction to violent situations in public places. There is an increased risk of death and injury to fellow students and faculty from "friendly fire" during the state of chaos of a violent attack in a public place.

Assumption number 4 is even more basic. College campuses are dangerous places. This is not true. College students are about 20 times more likely to be victimized by a violent crime when they are away from campus than when they are on campus. Nearly 94 percent of violent incidents involving college students occur away from campus.

The criminologists concluded that there are many scientifically based "best practices," regarding crime prevention that would be far more effective if we are trying to make schools safer from violence.

In short, there is simply no need for this bill, but there is much danger in it. I urge you to vote "no."
SENATOR LEE:

The average age of a person in higher education is 24 years old. You cannot have a concealed weapon permit unless you are 21 years old, a non-felon, and you have experience with a gun and you have been trained and have qualified to have it. Then you have to requalify every five years.

The interesting thing about the first point the Senator brought up is that only one person at the campus at UNR has ever been authorized to carry a concealed weapon. She was Amanda Collins, who was raped 100 yards from the police substation on campus. Predators realize these are defenseless-victim zones. There is nothing there that can allow these students, who leave class late at night, to have a sense of security. Even though a student might not carry or have a concealed weapon, this bill would send a message to people who victimize in this area that someone could have a firearm to protect themselves. A female, leaving a class at night, may avail themselves of the program where you can call a security officer to come to your class and take you to edge of the campus property. I do not believe they escort you to your car if it is off site. Sometimes a student might have to wait 20 minutes for that assistance.

There is another program in the Higher Education System that teaches you how to protect yourself when there is a shooter on campus. You are supposed to immediately lock the door, hide in the farthest corner with everyone lying on each other while someone calls 911. We have better systems than that to protect ourselves. This bill does not allow you as a concealed weapon holder to become part of the police force on campus, but it does allow you the chance to protect yourself from an aggressor, a rapist or a killer who might come towards you.

Most people with a concealed weapon permit carry the gun for the first 30 days, then after that they store it in their car, then they worry someone might steal it, so they store it at home in a safe. It is at those times when a person feels a need to be protected, such as while taking a late class at the University, that this will allow a person some personal protection. I ask each member here to consider the fact that if it was late at night and you were walking in an unlit area, would you rather have the safety of this piece of armament or just your hands as a defense? I ask you to consider this as you vote.

Assembly Bill No. 393 requires an applicant for renewal of a license in education to undergo a criminal background investigation, which includes the processing of the applicant's fingerprints by the Central Repository for Nevada Records of Criminal History and the Federal Bureau of Investigation. The Commission on Professional Standards in Education must set the fees for renewal of a license to include the fees for processing the fingerprints. The measure also requires that school district boards of trustees and charter school governing bodies adopt policies for self-reporting by their licensed educators concerning arrests for, or convictions of certain crimes. The policy must include: the crimes that must be reported; the person to whom the report must be made; and the time period within which the report must be made.

We heard this measure in Committee. We offered an amendment. We found out that none of the school districts that we know of have policies for self reporting. If a teacher is arrested, they have no way to self report. This will help in that it also requires they do the fingerprints more often. I urge your support.

SECOND READING AND AMENDMENT
Senate Bill No. 207.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 814.
"SUMMARY—Authorizes the imposition of an administrative penalty against an employer [who misclassifies an employee as an independent contractor,] under certain circumstances. (BDR 53-165)"

"AN ACT relating to employment; authorizing the imposition of an administrative penalty against an employer who misclassifies an employee as an independent contractor or otherwise fails to properly classify a
person as an employee of the employer under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Labor Commissioner is required to enforce the labor laws and regulations of the State of Nevada. In carrying out that requirement, the Labor Commissioner may take any appropriate action against a person who violates those laws or regulations. Before enforcing an administrative penalty against the person, the Labor Commissioner is required to provide the person with notice and an opportunity for a hearing. (NRS 607.160) This Section 1 of this bill confers upon the Labor Commissioner the authority to impose an administrative penalty against an employer who misclassifies an employee as an independent contractor or otherwise fails to properly classify a person as an employee of the employer. Section 1 sets forth the required amount of any administrative penalty imposed by the Labor Commissioner against the employer and, if the violation is a third or subsequent offense, requires the Secretary of State to revoke or suspend the state business license of the employer for not more than 3 years as determined by the Labor Commissioner. This bill Section 1 also authorizes the Labor Commissioner to impose the administrative penalty against the employer if the employer fails to prove to the satisfaction of the Labor Commissioner that the employee is not misclassified as an independent contractor or the employer did not otherwise fail to properly classify the person as an employee of the employer.

Under existing law, an employer is required to post a notice upon his or her premises identifying the employer's industrial insurer and setting forth certain other information concerning the employer. (NRS 616A.490) Section 2 of this bill requires the employer to include in the notice the definitions of the terms "employee" and "independent contractor."

Section 3 of this bill subjects a person to liability in a civil action brought by the Attorney General if the person advises an employer or an employee, officer or agent of an employer to misrepresent the classification of an employee of the employer. Section 3 also subjects the person to liability for an amount that is equal to three times the total amount of any reasonable expenses incurred by this State in enforcing the provisions of that section against the person.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 613 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to any other remedy or penalty, the Labor Commissioner may impose an administrative penalty against an employer who misclassifies an employee of the employer as an independent contractor or otherwise fails to properly
classify a person as an employee of the employer. If imposed, the administrative penalty must be collected in the following amounts as determined by the Labor Commissioner:

(a) For a first offense:

(1) At least $250 but less than $1,000 for each employee or person who is misclassified unintentionally or is otherwise not properly classified unintentionally.

(2) At least $5,000 but less than $15,000 for each employee or person who is misclassified willfully or is otherwise not properly classified willfully.

(b) For a second offense, at least $15,000 but less than $25,000 for each employee or person misclassified or otherwise not properly classified.

(c) For a third or subsequent offense, at least $25,000 for each employee or person misclassified or otherwise not properly classified.

2. In addition to imposing an administrative penalty against an employer pursuant to paragraph (c) of subsection 1, the Labor Commissioner may submit a notice to the Secretary of State requiring the revocation or suspension of the state business license, if any, issued to the employer pursuant to chapter 76 of NRS. The Labor Commissioner shall provide a copy of the notice to the employer. If a state business license is issued to the employer, the Secretary of State shall, as soon as practicable after receiving the notice, revoke or suspend the state business license for not more than 3 years as specified in the notice.

3. Before the Labor Commissioner may enforce an administrative penalty against an employer pursuant to this section, the Labor Commissioner must provide the employer with notice and an opportunity for a hearing as set forth in NRS 607.207. The Labor Commissioner may impose the administrative penalty against the employer if the employer, during any such hearing, fails to prove to the satisfaction of the Labor Commissioner that:

(a) The employee is not misclassified as an independent contractor;

or

(b) The employer did not otherwise fail to properly classify the person as an employee of the employer.

4. As used in this section:

(a) "Employee" has the meaning ascribed to it in NRS 608.010.

(b) "Employer" has the meaning ascribed to it in NRS 608.011.

(c) "A person is an "independent" independent contractor" if:

(1) The person performs services for wages on behalf of an employer.

(2) The person has been and will continue to be free from control or direction by the employer over the performance of the services, both under a contract of service and in fact.
Sec. 2. NRS 616A.490 is hereby amended to read as follows:

616A.490 1. Every employer shall post a notice upon his or her premises in a conspicuous place identifying the employer's industrial insurer. The notice must include the insurer's name, business address and telephone number and the name, business address and telephone number of its nearest adjuster in this State. The employer shall at all times maintain the notice provided for the information of his or her employees.

2. In addition to the provisions of subsection 1, each notice posted pursuant to that subsection must prominently set forth the definition of "employee," as defined in NRS 616A.105, and the definition of "independent contractor," as defined in NRS 616A.255.

Sec. 3. Chapter 616D of NRS is hereby amended by adding thereto a new section to read as follows:

1. A person who, for money or other valuable consideration, knowingly advises an employer or any employee, officer or agent of an employer to misrepresent the classification or duties of an employee of the employer, including, without limitation, misrepresenting that the employee is an independent contractor, is liable in a civil action commenced by the Attorney General for:

   (a) Not more than $5,000 for the first occurrence;

   (b) Not more than $15,000 for the second occurrence; and

   (c) Not more than $25,000 for the third or any subsequent occurrence.

2. In addition to any amount imposed pursuant to subsection 1, in any civil action against a person specified in that subsection, the person is liable for an amount that is equal to three times the total amount of any reasonable expenses incurred by this State in enforcing the provisions of this section against the person.

3. Any money collected pursuant to this section must be used to pay the salaries and other expenses of the Fraud Control Unit for Industrial Insurance established pursuant to NRS 228.420. Any money remaining at the end of any fiscal year does not revert to the State General Fund.

Senator Horsford moved the adoption of the amendment.

SECOND READING AND AMENDMENT

Assembly Bill No. 273.
Bill read second time.
The following amendment was proposed by the Committee on Judiciary: Amendment No. 679.

"SUMMARY—Revises provisions governing deficiencies existing after foreclosure sales and sales in lieu of foreclosure sales. (BDR 3-561)"

"AN ACT relating to real property; revising provisions governing the amount which a person holding a junior lien on real property may recover in a civil action under certain circumstances; prohibiting certain persons holding a junior lien on certain residential property from bringing a civil action under certain circumstances; revising provisions governing the amount of a deficiency judgment after the foreclosure of a mortgage or a deed of trust; limiting the amount of certain judgments against guarantors, sureties or other obligors of obligations secured by real property under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. Existing law requires a judgment creditor or beneficiary of a deed of trust to bring an action for such a deficiency judgment within 6 months after the foreclosure sale or trustee's sale. For an obligation secured by a mortgage or deed of trust on or after October 1, 2009, a court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; and (5) the debtor or grantor did not refinance the loan. (NRS 40.455)

Sections 3, 3.3 and 5.7 of this bill enact similar provisions to govern deficiency judgments sought by junior lienholders after a foreclosure sale, a trustor's sale or any sale or deed in lieu of a foreclosure sale or trustee's sale. Section 3 provides that, if the circumstances prohibiting a deficiency judgment after a foreclosure sale or trustee's sale under current law exist with respect to a junior lienholder, the creditor may not bring a civil action to recover the debt owed to it after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Existing law authorizes a creditor under an obligation secured by a junior mortgage or deed of trust to bring an action to obtain a personal judgment against the debtor only if the action is commenced within 6 years after the date of the debtor's default. (NRS 11.190) Under sections 3.3 and 5.7 of this bill, if the real property securing such an obligation is the subject of a foreclosure sale, a trustee's sale or a sale or deed in lieu of such a sale, the creditor may bring an action to obtain a personal judgment against the debtor
only if the action is brought within 6 months after the foreclosure sale, the trustee's sale or the sale in lieu of a foreclosure sale or trustee's sale.

Under existing law, the amount of a deficiency judgment after a foreclosure sale or a trustee's sale may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the foreclosed property at the time of the sale; or (2) the amount of the indebtedness minus the amount for which the foreclosed property actually sold. (NRS 40.459)

Section 5 of this bill provides that, for a deficiency judgment sought by a secured creditor after a foreclosure sale, trustee's sale or sale in lieu of a foreclosure sale or trustee's sale, the amount of the deficiency judgment must be reduced by the amount of any insurance proceeds received by, or payable to, the creditor. Section 2 of this bill enacts a corresponding provision for money judgments sought against a debtor by a junior lienholder after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Sections 2 and 5 also limit the recovery of a creditor who acquired the right to obtain payment for an obligation secured by the real property from another person who owned that obligation. If the creditor is seeking a deficiency judgment after a foreclosure sale, a trustee's sale or a sale in lieu of a foreclosure sale or trustee's sale, section 5 provides that the creditor may not receive an amount which exceeds the lesser of: (1) the consideration paid for the obligation minus the fair market value of the property at the time of the foreclosure sale, with interest from the date of sale and reasonable costs; or (2) the consideration paid for the obligation minus the amount for which the property actually sold, with interest from the date of sale and reasonable costs. If the creditor is a junior lienholder who filed a civil action to obtain a money judgment against the debtor, section 2 provides that the creditor may not receive an amount greater than the consideration paid for the obligation, with interest from the date on which the person acquired the right to obtain payment and reasonable costs.

Section 5.5 of this bill limits the amount of a judgment against a guarantor, surety or other obligor, other than a mortgagor or grantor of a deed of trust, in an action commenced before a foreclosure sale or trustee's sale to enforce the obligation to pay, satisfy or purchase all or part of an obligation secured by a mortgage or other lien on real property. Under section 5.5, the amount of the judgment may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the real property at the time of the commencement of the action; or (2) if a foreclosure sale or a trustee's sale is completed before the date on which judgment is entered, the amount of the indebtedness minus the amount for which the foreclosed property actually sold.

Section 6 of this bill provides that the amendatory provisions of this bill: (1) sections 1-3 apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill; (2) sections 3.3 and 5.7 apply only to an
action commenced after a foreclosure sale or sale in lieu of a foreclosure sale that occurs on or after July 1, 2011; and (3) section 5.5 apply only to an action against a guarantor, surety or other obligor commenced on or after the effective date of this bill. Under section 7 of this bill, the amendatory provisions of section 5 become effective upon passage and approval and thus apply to a deficiency judgment awarded on or after that effective date.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 40 of NRS is hereby amended by adding thereto the provisions set forth as sections 1.2 to 3.3, inclusive, of this act.

Sec. 1.2. As used in sections 1.2 to 3.3, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 1.4, 1.6 and 1.8 of this act have the meanings ascribed to them in those sections.

Sec. 1.4. "Foreclosure sale" has the meaning ascribed to it in NRS 40.462.

Sec. 1.6. "Mortgage or other lien" has the meaning ascribed to it in NRS 40.433.

Sec. 1.8. "Sale in lieu of a foreclosure sale" means a sale of real property pursuant to an agreement between a person to whom an obligation secured by a mortgage or other lien on real property is owed and the debtor of that obligation in which the sales price of the real property is insufficient to pay the full outstanding balance of the obligation and the costs of the sale. The term includes, without limitation, a deed in lieu of a foreclosure sale.

Sec. 2. 1. If a person to whom an obligation secured by a junior mortgage or lien on real property is owed:

(a) Files a civil action to obtain a money judgment against the debtor under that obligation after a foreclosure sale or a sale in lieu of a foreclosure sale; and

(b) Such action is not barred by NRS 40.430, in determining the amount owed by the debtor, the court shall not include the amount of any proceeds received by, or payable to, the person pursuant to an insurance policy to compensate the person for losses incurred with respect to the property or the default on the obligation.

2. If:

(a) A person acquired the right to enforce an obligation secured by a junior mortgage or lien on real property from a person who previously held that right;

(b) The person files a civil action to obtain a money judgment against the debtor after a foreclosure sale or a sale in lieu of a foreclosure sale; and

(c) Such action is not barred by NRS 40.430,
the court shall not render judgment for more than the amount of the consideration paid for that right, plus interest from the date on which the person acquired the right and reasonable costs.

3. As used in this section, "obligation secured by a junior mortgage or lien on real property" includes, without limitation, an obligation which is not currently secured by a mortgage or lien on real property if the obligation:

(a) Is incurred by the debtor under an obligation which was secured by a mortgage or lien on real property; and

(b) Has the effect of reaffirming the obligation which was secured by a mortgage or lien on real property.

Sec. 3. 1. A person to whom an obligation secured by a junior mortgage or lien on real property is owed may not bring any action to enforce that obligation after a foreclosure sale of the real property which secured that obligation or a sale in lieu of a foreclosure sale if:

(a) The person is a financial institution;

(b) The real property which secured the obligation is a single-family dwelling and the debtor or grantor was the owner of the real property at the time of the foreclosure sale or sale in lieu of a foreclosure sale;

(c) The debtor or grantor used the amount of the obligation to purchase the real property;

(d) The debtor or grantor continuously occupied the real property as the debtor's or grantor's principal residence after securing the obligation; and

(e) The debtor or grantor did not refinance the obligation after securing it.

2. As used in this section, "financial institution" has the meaning ascribed to it in NRS 363A.050.

Sec. 3.3. A civil action not barred by NRS 40.430 or section 3 of this act by a person to whom an obligation secured by a junior mortgage or lien on real property is owed to obtain a money judgment against the debtor after a foreclosure sale of the real property or a sale in lieu of a foreclosure sale may only be commenced within 6 months after the date of the foreclosure sale or sale in lieu of a foreclosure.

Sec. 4. (Deleted by amendment.)

Sec. 5. NRS 40.459 is hereby amended to read as follows:

40.459 1. After the hearing, the court shall award a money judgment against the debtor, guarantor or surety who is personally liable for the debt. The court shall not render judgment for more than:

(a) The amount by which the amount of the indebtedness which was secured exceeds the fair market value of the property sold at the time of the sale, with interest from the date of the sale; or

(b) The amount which is the difference between the amount for which the property was actually sold and the amount of the indebtedness which was secured, with interest from the date of sale; or
(c) If the person seeking the judgment acquired the right to obtain the judgment from a person who previously held that right, the amount by which the amount of the consideration paid for that right exceeds the fair market value of the property sold at the time of sale or the amount for which the property was actually sold, whichever is greater, with interest from the date of sale and reasonable costs,

whichever is the lesser amount.

2. For the purposes of this section, the "amount of the indebtedness" does not include any amount received by, or payable to, the judgment creditor or beneficiary of the deed of trust pursuant to an insurance policy to compensate the judgment creditor or beneficiary for any losses incurred with respect to the property or the default on the debt.

Sec. 5.5. NRS 40.495 is hereby amended to read as follows:

40.495  1. The provisions of NRS 40.475 and 40.485 may be waived by the guarantor, surety or other obligor only after default.

2. Except as otherwise provided in subsection 4, 5, a guarantor, surety or other obligor, other than the mortgagor or grantor of a deed of trust, may waive the provisions of NRS 40.430. If a guarantor, surety or other obligor waives the provisions of NRS 40.430, an action for the enforcement of that person's obligation to pay, satisfy or purchase all or part of an indebtedness or obligation secured by a mortgage or lien upon real property may be maintained separately and independently from:

(a) An action on the debt;
(b) The exercise of any power of sale;
(c) Any action to foreclose or otherwise enforce a mortgage or lien and the indebtedness or obligations secured thereby; and
(d) Any other proceeding against a mortgagor or grantor of a deed of trust.

3. If the obligee maintains an action against a guarantor, surety or other obligor, other than the mortgagor or grantor of a deed of trust, to enforce an obligation to pay, satisfy or purchase all or part of an indebtedness or obligation secured by a mortgage or lien upon the real property, the court:

(a) Must:

(a) The court must hold a hearing and take evidence presented by either party concerning the fair market value of the property as of the date of the commencement of the action. Notice of such hearing must be served upon all defendants who have appeared in the action and against whom a judgment is sought, or upon their attorneys of record, at least 15 days before the date set for the hearing.

(d) Is secured by real property upon which:

(1) The owner maintains the owner's principal residence;

(2) There is not more than one residential structure; and

(3) Not more than four families reside.

Senator Wiener moved the adoption of the amendment.
Remarks by Senators Wiener and Kieckhefer.
Senator Wiener requested that the following remarks be entered in the 
Journal.

SENATOR WIENER:
This amendment changes certain effective dates dealing with foreclosure sales and sales in 
lieu of foreclosure. It changes the effective date to upon passage and approval throughout 
sections of the bill.

SENATOR KIECKHEFER:
In Section 6, it made all of the provisions of the bill prospective and changes it so that some 
of the provisions in the bill are retrospective.

SENATOR WIENER:
In the hearing, some of the concerns were about retroactive applications of the bill. The 
clarity was provided through this amendment that all of the activities would be prospective 
because there were concerns about contracts.

Amendment adopted.
Bill ordered reprinted, re-engrossed and to third reading.

Assembly Bill No. 376.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 632.
"SUMMARY—Makes various changes regarding the financing of certain local improvements with revenue pledged from sales and use taxes. (BDR 21-148)"
"AN ACT relating to tourism improvement districts; making various changes regarding the financing of certain local improvements with revenue pledged from sales and use taxes; providing a procedure for the selection of subcontractors on certain contracts; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes the governing body of any city or county to create a tourism improvement district (TID) and to pledge revenue from several sales and use taxes imposed in that district to finance certain projects within the district. The projects may be owned by the municipality, another governmental entity or any person and may be financed through the issuance of bonds or the entry into agreements for the reimbursement of the costs of the projects. (Chapter 271A of NRS) Section 2 of this bill requires the independent auditing of claims made under agreements to provide such financing. Section 2 also prohibits the use of such financing, with respect to a TID created on or after July 1, 2011, to pay various fees and costs and for the relocation within the TID of a retailer from another location within 3 miles outside of the boundary of the TID, and excludes the use for such financing of the tax revenue from such a retailer. Section 6 of this bill prohibits the provision of such financing to certain governmental entities if a nongovernmental entity obtained any of the original financing in the TID, and prohibits such financing, without the consent of the entities which obtained the original financing in the TID, to an entity that did not obtain any of the original financing in the TID. Section 3 of this bill specifies the procedure required for the selection of subcontractors by contractors and developers who enter into certain construction contracts on financed projects or on property within a TID which benefits from financed infrastructure improvements. Section 4 of this bill requires a municipality that creates a TID to prepare and submit to the Legislature annual reports regarding the TID, and requires the Department of Taxation to prepare and submit to the Legislature and the municipality semiannual reports regarding businesses within a TID. Section 6 of this bill applies the prevailing wage provisions applicable to public works to construction contracts for financed projects within a TID to the same extent as if the contracts were awarded by the municipality and the projects constituted public works.
Existing law does not allow the creation of a TID unless the pertinent governing body makes a written finding at a public hearing, based upon reports from independent consultants, as to whether the proposed project and financing will have a positive fiscal effect on the provision of local
governmental services. (NRS 271A.080) **Section 5** of this bill requires the selection of those independent consultants from a list provided by the Commission on Tourism.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

4. As used in this section, "taxable sales" means any sales that are taxable pursuant to chapter 372 of NRS.

Sec. 5. NRS 271A.080 is hereby amended to read as follows:

271A.080 The governing body of a municipality shall not adopt an ordinance pursuant to NRS 271A.070 unless:

1. If the ordinance:

(b) Amends the boundaries of the district to add any additional area, the governing body has determined that no retailers will have maintained or will
be maintaining a fixed place of business within that area on or within 120 days immediately preceding the date of the adoption of the ordinance.

2. The governing body has made a written finding at a public hearing that the project will benefit the district.

3. The governing body has made a written finding at a public hearing, based upon reports from independent consultants which were addressed to the governing body, to the board of county commissioners, if the governing body is not the board of county commissioners for the county in which the tourism improvement district is or will be located, and to the board of trustees of the school district in which the tourism improvement district is or will be located, as to whether the project and the financing thereof pursuant to this chapter will have a positive fiscal effect on the provision of local governmental services, after considering:
   (a) The amount of the proceeds of all taxes and other governmental revenue projected to be received as a result of the properties and businesses expected to be located in the district;
   (b) The use of any money proposed to be pledged pursuant to NRS 271A.070;
   (c) Any increase in costs for the provision of local governmental services, including, without limitation, services for education, including operational and capital costs, and services for police protection and fire protection, as a result of the project and the development of land within the district; and
   (d) Estimates of any increases in the proceeds from sales and use taxes collected by retailers located outside of the district and of any displacement of the proceeds from sales and use taxes collected by those retailers, as a result of the properties and businesses expected to be located in the district.

   The reports required from independent consultants pursuant to this subsection must be obtained from independent consultants selected by the governing body from a list of independent consultants provided by the Commission on Tourism. For the purposes of this subsection, the Commission shall, upon the request of a governing body, provide the governing body with a list of at least three qualified independent consultants, each of whom must be located outside of this State.

4. The governing body has, at least 45 days before making the written finding required by subsection 3, provided to the board of trustees of the school district in which the tourism improvement district is or will be located:
   (a) Written notice of the time and place of the meeting at which the governing body will consider making that written finding; and
   (b) Each analysis prepared by or for or presented to the governing body regarding the fiscal effect of the project and the use of any money proposed to be pledged pursuant to NRS 271A.070 on the provision of local governmental services, including education.

After the receipt of the notice required by this subsection and before the date of the meeting at which the governing body will consider making the
written finding required by subsection 3, the board of trustees shall conduct a hearing regarding the fiscal effect on the school district, if any, of the project and the use of any money proposed to be pledged pursuant to NRS 271A.070, and may submit to the governing body of the municipality any comments regarding that fiscal effect. The governing body shall consider those comments when making any written finding pursuant to subsection 3 and shall consider those comments when considering the terms of any agreement pursuant to NRS 271A.110.

5. If the governing body is not the board of county commissioners for the county in which the tourism improvement district is or will be located, the governing body has, at least 45 days before making the written finding required by subsection 3, provided to the board of county commissioners in the county in which the tourism improvement district is or will be located:
   (a) Written notice of the time and place of the meeting at which the governing body will consider making that written finding; and
   (b) Each analysis prepared by or for or presented to the governing body regarding the fiscal effect of the project and the use of any money proposed to be pledged pursuant to NRS 271A.070 on the provision of local governmental services.

After the receipt of the notice required by this subsection and before the date of the meeting at which the governing body will consider making the written finding required by subsection 3, the board of county commissioners may conduct a hearing regarding the fiscal effect on local governmental services, if any, of the project and the use of any money proposed to be pledged pursuant to NRS 271A.070, and may submit to the governing body of the municipality any comments regarding that fiscal effect. The governing body may consider those comments when making any written finding pursuant to subsection 3 and shall consider those comments when considering the terms of any agreement pursuant to NRS 271A.110.

6. The governing body has determined, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that:
   (a) As a result of the project:
      (1) Retailers will locate their businesses as such in the district; and
      (2) There will be a substantial increase in the proceeds from sales and use taxes remitted by retailers with regard to tangible personal property sold at retail, or stored, used or otherwise consumed, in the district; and
   (b) A preponderance of that increase in the proceeds from sales and use taxes will be attributable to transactions with tourists who are not residents of this State.

7. The Commission on Tourism has determined, at a public hearing conducted at least 15 days after providing notice of the hearing by publication, that a preponderance of the increase in the proceeds from sales and use taxes identified pursuant to subsection 6 will be attributable to transactions with tourists who are not residents of this State.
8. The Governor has determined that the project and the use of any money proposed to be pledged pursuant to NRS 271A.070 will contribute significantly to economic development and tourism in this State. Before making that determination, the Governor:

(a) Must consider the fiscal effects of the pledge of money on educational funding, including any fiscal effects described in comments provided pursuant to subsection 4 by the school district in which the tourism improvement district is or will be located, and for that purpose may require the Department of Education or the Department of Taxation, or both, to provide an appropriate fiscal report; and

(b) If the Governor determines that the pledge of money will have a substantial adverse fiscal effect on educational funding, may require a commitment from the municipality for the provision of specified payments to the school district in which the tourism improvement district is or will be located during the term of the use of any money pledged pursuant to NRS 271A.070. The payments may be provided pursuant to agreements with owners of property within the district authorized by NRS 271A.110 or from sources other than the owners of property within the district. Such a commitment by a municipality is not subject to the limitations of subsection 1 of NRS 354.626 and, notwithstanding any other law to the contrary, is binding on the municipality for the term of the use of any money pledged pursuant to NRS 271A.070.

9. If any property within the boundaries of the district is also included within the boundaries of any other tourism improvement district or any improvement district for which any money has been pledged pursuant to NRS 271.650, all of the governing bodies which created those districts have entered into an interlocal agreement providing for:

(a) The apportionment of any money pledged pursuant to NRS 271.650 and 271A.070 with respect to such property; and

(b) The priority of the application of that money between:

(1) Bonds issued pursuant to chapter 271 of NRS; and

(2) Bonds and notes issued, and agreements entered into, pursuant to NRS 271A.120.

Any such agreement for the priority of the application of that money may be made irrevocable during the term of any bonds issued pursuant to chapter 271 of NRS to which all or any portion of that money is pledged, or during the term of any bonds or notes issued or any agreements entered into pursuant to NRS 271A.120 to which all or any portion of that money is pledged.

Sec. 6. NRS 271A.120 is hereby amended to read as follows:

271A.120 1. Except as otherwise provided in this section, if the governing body of a municipality adopts an ordinance pursuant to NRS 271A.070, the municipality may:

(a) Issue, at one time or from time to time, bonds or notes as special obligations under the Local Government Securities Law to finance or
refinance projects for the benefit of the district. Any such bonds or notes may be secured by a pledge of, and be payable from, any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof.

(b) Enter into an agreement with one or more governmental entities or other persons to reimburse that entity or person for the cost of acquiring, improving or equipping, or any combination thereof, any project, which may contain such terms as are determined to be desirable by the governing body of the municipality, including the payment of reasonable interest and other financing costs incurred by such entity or other person. Any such reimbursements may be secured by a pledge of, and be payable from, any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. Such an agreement is not subject to the limitations of subsection 1 of NRS 354.626 and may, at the option of the governing body, be binding on the municipality beyond the fiscal year in which it was made, only if the agreement pertains solely to one or more projects that are owned by the municipality or another governmental entity.

2. The governing body of a municipality shall not, with respect to any district created before, on or after July 1, 2011, provide any financing or reimbursement pursuant to this section:

(a) Except as otherwise provided in this paragraph, to any governmental entity for any project within the district if any nongovernmental entity is or was entitled to receive any financing or reimbursement from the municipality pursuant to this section under the original financing agreements for the initial projects within the district. This paragraph does not prohibit the provision of such financing or reimbursement to:

(1) A school district; or

(2) A governmental entity that is or was entitled to receive such financing or reimbursement under the original financing agreements for the initial projects within the district.

(b) To any person or other entity for any project within the district, other than a person or other entity that is or was entitled to receive such financing or reimbursement from the municipality under the original financing agreements for the initial projects within the district, without the consent of all the persons and other entities that were entitled to receive such financing or reimbursement under the original financing agreements for the initial projects within the district.

3. Before the issuance of any bonds or notes pursuant to this section, the municipality must obtain the results of a feasibility study, commissioned by the municipality, which shows that a sufficient amount will be generated from money pledged pursuant to NRS 271A.070 to make timely payment on the bonds or notes, taking into account the revenue from any other
revenue-producing projects also pledged for the payment of the bonds or notes, if any. A failure to make payments of any amounts due:

(a) With respect to any bonds or notes issued pursuant to subsection 1; or

(b) Under any agreements entered into pursuant to subsection 1,
because of any insufficiency in the amount of money pledged pursuant to NRS 271A.070 to make those payments shall be deemed not to constitute a default on those bonds, notes or agreements.

4. No bond, note or other agreement issued or entered into pursuant to this section may be secured by or payable from the general fund of the municipality, the power of the municipality to levy ad valorem property taxes, or any source other than any money pledged pursuant to NRS 271A.070 and received by the municipality with respect to the district, any revenue received by the municipality from any revenue-producing projects in the district, or any combination thereof. No bond, note or other agreement issued or entered into pursuant to this section may ever become a general obligation of the municipality or a charge against its general credit or taxing powers, nor may any such bond, note or other agreement become a debt of the municipality for purposes of any limitation on indebtedness.

5. Any bond or note issued pursuant to this section, including any bond or note issued to refund any such bond or note, must mature on or before, and any agreement entered pursuant to this section must automatically terminate on or before, the end of the fiscal year in which the 20th anniversary of the adoption of the ordinance creating the district occurs.

NRS 271A.130 is hereby amended to read as follows:

271A.130  1. Except as otherwise provided in this section and section 3 of this act and notwithstanding any other law to the contrary, any contract or other agreement relating to or providing for the construction, improvement, repair, demolition, reconstruction, other acquisition, equipment, operation or maintenance of any project financed in whole or in part pursuant to this chapter is exempt from any law requiring competitive bidding or otherwise specifying procedures for the award of contracts for construction or other contracts, or specifying procedures for the procurement of goods or services. The governing body of the municipality shall require a quarterly report on the demography of the workers employed by any contractor or subcontractor for each such project.

2. The provisions of subsection 1 do not apply to any project which is constructed or maintained by a governmental entity on any property while the governmental entity owns that property.

3. The provisions of NRS 338.010 to 338.090, inclusive, apply to any person who enters into any contract or other agreement for the construction, improvement, repair, demolition or reconstruction of any project that is paid for in whole or in part:

(a) From the proceeds of bonds or notes issued pursuant to paragraph (a) of subsection 1 of NRS 271A.120; or
Pursuant to an agreement for reimbursement entered into pursuant to paragraph (b) of subsection 1 of NRS 271A.120, regardless of whether the project is publicly or privately owned, shall include in the contract or other agreement the contractual provisions and stipulations that are required to be included in a contract for a public work pursuant to the provisions of NRS 338.013 to 338.090, inclusive. Senator Lee moved the adoption of the amendment.
Remarks by Senator Lee.

Senator Lee requested that his remarks be entered in the Journal.

Amendment No. 632 to Assembly Bill No. 376 prohibits sales tax anticipated revenue financing, known as STAR bonds, to any governmental entity for any project within the Tourism Improvement District (TID) if any non-governmental entity is or was entitled to receive such financing under the original financing agreements for the initial projects in the TID. This proposed amendment would not prohibit such financing or reimbursement to a school district or to a governmental entity that is or was entitled to such financing under the original financing agreements.

It adds a stipulation that STAR bonds for any project not part of the original financing agreements must not be used without the consent of all the persons or entities that were entitled to receive such financing under the original agreements.

Amendment No. 631.
"SUMMARY—Revises provisions governing public works.
(BDR 28-718)"
"AN ACT relating to public works; making various changes relating to the withholding of retainage on progress payments for public works contracts; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires a public body to withhold as retainage at least 10 percent of the progress payments owed to a contractor on a public works project during the first half of the project. (NRS 338.515) Similarly, contractors and subcontractors may withhold as retainage not more than 10 percent of progress payments to their subcontractors and suppliers during the first half of the public works project. (NRS 338.555, 338.595) Sections 1, 3 and 5 of this bill revise the maximum amount of retainage that may be withheld during the first half of the project to 5 percent of the progress payment. Sections 1, 3 and 5 also provide that, except under limited circumstances, the amount of retainage may not exceed 2.5 percent of progress payments during the second half of a public works project. Section 1 also allows a public body to pay some or all of the retainage withheld during the first half of the project if satisfactory progress is being made in the work or if a subcontractor has completed its portion of the work.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 338.515 is hereby amended to read as follows:
338.515 1. Except as otherwise provided in NRS 338.525, a public body and its officers or agents awarding a contract for a public work shall pay or cause to be paid to a contractor the progress payments due under the contract within 30 days after the date the public body receives the progress bill or within a shorter period if the provisions of the contract so provide. Not more than 95 percent of the amount of any progress payment may be paid until 50 percent of the work required by the contract has been performed. [Thereafter,]
2. After 50 percent of the work required by the contract has been performed, the public body may pay any to the contractor:
(a) Any of the remaining progress payments without withholding additional retainage; and
(b) Any amount of any retainage that was withheld from progress payments pursuant to subsection 1, if, in the opinion of the public body, satisfactory progress is being made in the work.

3. After determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body may pay to the contractor an amount of any retainage that was withheld from progress payments pursuant to subsection 1 if:
   (a) A subcontractor has performed a portion of the work;
   (b) The public body determines that the portion of the work has been completed in compliance with all applicable plans and specifications;
   (c) The subcontractor submits to the contractor:
      (1) A release of the subcontractor's claim for a mechanic's lien for the portion of the work; and
      (2) From each of the subcontractor's subcontractors and suppliers who performed work or provided material for the portion of the work, a release of his or her claim for a mechanic's lien for the portion of the work; and
   (d) The amount of the retainage which the public body pays is in proportion to the portion of the work which the subcontractor has performed.

4. If, pursuant to subsection 3, the public body pays to the contractor an amount of any retainage that was withheld from progress payments pursuant to subsection 1 for the portion of the work which has been performed by the subcontractor, the contractor must pay to the subcontractor the portion of any retainage withheld by the contractor pursuant to NRS 338.555 for the portion of the work. If, pursuant to this subsection, the contractor pays to the subcontractor the portion of any retainage withheld by the contractor pursuant to NRS 338.555 for the portion of the work which has been performed by the subcontractor, the subcontractor must pay to the subcontractor's subcontractors and suppliers the portion of any retainage withheld by the subcontractor pursuant to NRS 338.595 for the portion of the work.

5. If, after determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body continues to withhold retainage from remaining progress payments:
   (a) If the public body does not withhold any amount pursuant to NRS 338.525:
      (1) The public body may not withhold more than 2.5 percent of the amount of any progress payment; and
      (2) Before withholding any amount pursuant to subparagraph (1), the public body must pay to the contractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or
   (b) If the public body withholds any amount pursuant to NRS 338.525:
(1) The public body may not withhold more than 5 percent of the amount of any progress payment; and

(2) The public body may continue to retain the amount of any retainage that was withheld from progress payments pursuant to subsection 1.

6. Except as otherwise provided in NRS 338.525, a public body shall identify in the contract and pay or cause to be paid to a contractor the actual cost of the supplies, materials and equipment that:
   (a) Are identified in the contract;
   (b) Have been delivered and stored at a location, and in the time and manner, specified in a contract by the contractor or a subcontractor or supplier for use in a public work; and
   (c) Are in short supply or were specially made for the public work, within 30 days after the public body receives a progress bill from the contractor for those supplies, materials or equipment.

7. A public body shall pay or cause to be paid to the contractor at the end of each quarter interest for the quarter on any amount withheld by the public body pursuant to NRS 338.400 to 338.645, inclusive, at a rate equal to the rate quoted by at least three insured banks, credit unions or savings and loan associations in this State as the highest rate paid on a certificate of deposit whose duration is approximately 90 days on the first day of the quarter. If the amount due to a contractor pursuant to this subsection for any quarter is less than $500, the public body may hold the interest until:
   (a) The end of a subsequent quarter after which the amount of interest due is $500 or more;
   (b) The end of the fourth consecutive quarter for which no interest has been paid to the contractor; or
   (c) The amount withheld under the contract is due pursuant to NRS 338.520, whichever occurs first.

8. If the Labor Commissioner has reason to believe that a worker is owed wages by a contractor or subcontractor, the Labor Commissioner may require the public body to withhold from any payment due the contractor under this section and pay the Labor Commissioner instead, an amount equal to the amount the Labor Commissioner believes the contractor owes to the worker. This amount must be paid by the Labor Commissioner to the worker if the matter is resolved in the worker's favor, otherwise it must be returned to the public body for payment to the contractor.

Sec. 2. NRS 338.530 is hereby amended to read as follows:

1. If a public body receives:
   (a) A progress bill or retainage bill, fails to give a contractor a written notice of any withholding in the manner set forth in subsection 2 of
NRS 338.525, and does not pay the contractor within 30 days after receiving the progress bill or retainage bill; or

(b) A contractor's written notice of the correction of a condition set forth pursuant to subsection 2 of NRS 338.525 as the reason for the withholding, signed by an authorized agent of the contractor, and fails to:

(1) Pay the amount of the progress payment or retainage payment that was withheld from the contractor within 30 days after the public body receives the next progress bill or retainage bill; or

(2) Object to the scope and manner of the correction, within 30 days after the public body receives the notice of correction, in a written statement that sets forth the reason for the objection and is signed by an authorized agent of the public body,

the public body shall pay to the contractor, in addition to the entire amount of the progress bill or retainage bill or any unpaid portion thereof, interest from the 30th day on the amount delayed, at a rate equal to the amount provided for in subsection [3][4] of NRS 338.515, until payment is made to the contractor.

2. If the public body objects pursuant to subparagraph (2) of paragraph (b) of subsection 1, it shall pay to the contractor an amount equal to the value of the corrections to which the public body does not object.

Sec. 3. NRS 338.555 is hereby amended to read as follows:

338.555 1. If a public body and a contractor enter into a contract for a public work, the contractor may withhold as retainage not more than 5 percent from the amount of any progress payment due under a subcontract which is made before 50 percent of the work has been completed under the subcontract.

2. After 50 percent of the work required by the contract has been performed, the contractor shall pay any additional progress payments due under the subcontract without withholding any additional retainage if, in the opinion of the contractor, satisfactory progress is being made in the work under the subcontract, and the payment must be equal to that paid by the public body to the contractor for the work performed by the subcontractor.

If the contractor continues to withhold retainage from remaining progress payments:

(a) If the contractor does not withhold any amount pursuant to NRS 338.560:

(1) The contractor may not withhold more than 2.5 percent of the amount of any progress payment; and

(2) Before withholding any amount pursuant to subparagraph (1), the contractor must pay to the subcontractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or

(1) The contractor may not withhold more than 5 percent of the amount of any progress payment; and
(2) The contractor may continue to retain the amount of any retainage that was withheld from progress payments pursuant to subsection 1.

3. If the contractor receives a payment of interest earned on the retainage or an amount withheld from a progress payment, the contractor shall, within 10 days after he or she receives the money, pay to each subcontractor or supplier that portion of the interest received from the public body which is attributable to the retainage or amount withheld from a progress payment by the contractor to the subcontractor or supplier.

Sec. 4. NRS 338.560 is hereby amended to read as follows:

338.560 1. A contractor may withhold from a progress payment or retainage payment an amount sufficient to pay:

(2) A detailed explanation of the reason the contractor will withhold that amount, including, without limitation, a specific reference to the provision or section of the subcontract, or documents related thereto, or applicable building code, law or regulation with which his or her subcontractor or supplier has failed to comply; and

(b) Be signed by an authorized agent of the contractor.

4. The contractor shall pay to his or her subcontractor or supplier the amount withheld by the public body or the contractor within 10 days after:

(a) The contractor receives a written notice of the correction of the condition that is the reason for the withholding, signed by an authorized agent of the subcontractor or supplier; or

(b) The public body pays to the contractor the amount withheld,

whichever occurs later.

Sec. 5. NRS 338.595 is hereby amended to read as follows:

2. After 50 percent of the work required by the subcontractor or supplier has been performed, the subcontractor shall pay any additional progress payments due under the subcontract without withholding any additional retainage if, in the opinion of the subcontractor, satisfactory progress is being made in the work under the subcontract. The payment must be equal to that paid by the contractor to the subcontractor for the work performed or supplies provided by his or her subcontractor or supplier.

GENERAL FILE AND THIRD READING  
Senate Joint Resolution No. 15.  
Resolution read third time.  
Remarks by Senators Leslie and Horsford.  
Senator Leslie requested that the following remarks be entered in the Journal.

**SENATOR LESLIE:**  
Senate Joint Resolution No. 15 proposes to amend Article 10, Section 1 of the Nevada Constitution to repeal the provision establishing a separate tax rate and providing for assessing and disbursing the tax on the net proceeds of mines.  
This amendment to the Nevada Constitution would allow the Legislature to determine both the taxation of the net proceeds of mines and the distribution of those taxes.  
Pursuant to Article 16, Section 1 of the Nevada Constitution and Chapter 218D of NRS, the provisions contained within this joint resolution must be approved by the Legislature during the 2011 and 2013 Sessions, followed by voter approval at the 2014 General Election or a special election, in order to be ratified.

**SENATOR HORSFORD:**  
I rise in support of this resolution. This legislation would give Nevadans a choice about how one of the largest industries in the State should pay its fair share in supporting education, public safety and other vital services.  
By way of history, in 1987, the Legislature proposed a constitutional amendment to limit the tax on the net proceeds of mines to 5 percent. That measure was approved by the Legislature again in the 1989 65th Session and ratified that same year by Nevada voters.  
Nevadans spoke at that special election and the 5 percent limit on taxation of net proceeds has been in effect ever since.  
Senate Joint Resolution No. 15 would give Nevadans the same opportunity to speak more than 20 years later about whether they believe the current system for taxing the mining industry is fair and adequate, given the changed circumstances in the State.  
We have talked about the need to fundamentally reform our revenue code and the taxation of the mining industry is an important part of that overall reform.  
Senate Joint Resolution No. 15 would give Nevadans the opportunity to direct the Legislature on whether the current mining taxation system should be maintained or altered. It would ask Nevada voters whether they want us to have the latitude to determine a new rate more reflective of the needs of this State by lifting the constitutional ban on changing the rate.  
This is not a mandate for changing the current system, but an opportunity for the people of Nevada to tell us whether they want that change.

The following Assembly amendment was read:

Amendment No. 721.

"SUMMARY—Provides for the licensure of music therapists.
(BDR 54-377)"

"AN ACT relating to music therapy; providing for the licensure of music therapists by the State Board of Health; authorizing the Board to establish a voluntary Music Therapy Advisory Group; prohibiting a person from engaging in the practice of music therapy without a license; prescribing the requirements for the issuance and renewal of a license as a music therapist; establishing the grounds for disciplinary action against a music therapist; providing the disciplinary actions the Board may take against a music therapist; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law provides for the licensure and regulation of certain professions, occupations and businesses. (Title 54 of NRS) This bill provides for the licensure and regulation of music therapists. Section 12 of this bill makes it unlawful to practice music therapy or hold oneself out as a music therapist without a license. Section 17 of this bill sets forth the authorized music therapy services that may be provided by a music therapist. Sections 13 and 14 of this bill make the State Board of Health the licensing entity for music therapists and establishes the requirements and fee for licensure to practice as a music therapist. Sections 15 and 16 of this bill provide for the renewal of a license to practice music therapy every 5 years as well as the requirements and fee for renewal. Section 34 of this bill provides that the State Board of Health may not increase the fee for issuing or renewing a license sooner than January 1, 2014.

Section 10 of this bill allows the State Board of Health to adopt any regulations it deems necessary to carry out the provisions of the bill. In addition, section 10 requires the Board to enforce the provisions of the bill to the extent that money is available for that purpose. The Board is also required to maintain a list of applicants, licensees and persons whose licenses have been revoked or suspended and make those lists available upon request and payment of any fee. Section 11 of this bill authorizes the State Board of Health to establish a Music Therapy Advisory Group that serves without compensation to assist the Board in carrying out its duties.

Sections 18-23 of this bill establish the grounds for disciplinary action against a music therapist and the procedures for addressing complaints and taking such disciplinary action. Section 24 of this bill prohibits a person from requiring a music therapist to delegate certain services to another person in certain circumstances.
Section 25 of this bill adds music therapists to the definition of "provider of health care" as used in the chapter which addresses healing arts. That definition is also referred to and used in various sections of the NRS for various purposes. (See e.g. NRS 48.039, 162A.760, 391.208) Section 26 of this bill adds music therapists to the list of persons required to report unprofessional conduct by a nurse or other person licensed or certified by the State Board of Nursing. Sections 27-29 of this bill add music therapists to the list of persons required to report any known or suspected abuse, neglect, exploitation or isolation of an older or vulnerable person. Section 30 of this bill adds music therapists to the list of persons required to report any known or suspected abuse or neglect of a child. Section 31 of this bill makes the regulations of the State Board of Health relating to licensing music therapists subject to review of the Legislative Committee on Health Care. After any such review, the Committee would notify the Board of the advisability of adopting or revising the proposed regulation. (NRS 439B.225)

Senate Bill No. 234.
The following Assembly amendment was read:
Amendment No. 669.
"SUMMARY—Revises provisions relating to motor vehicle dealers. (BDR 43-386)"
"AN ACT relating to vehicles; prohibiting a manufacturer from requiring a dealer to alter substantially an existing facility of the dealer or construct a new facility; prohibiting a manufacturer from taking adverse action against a dealer relating to the exportation of a vehicle outside the United States except under certain circumstances; revising provisions governing the modification or replacement of a franchise; revising provisions relating to unfair practices; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Section 2 of this bill prohibits a manufacturer from requiring a dealer to alter substantially an existing facility or to construct a new facility for any new vehicles that are handled by the dealer in certain circumstances and provides that any such requirement constitutes a modification of the franchise of the dealer.

Section 3 of this bill prohibits a manufacturer from taking adverse action against a dealer who sells a vehicle which is later exported outside the United States, unless the dealer had actual knowledge of or reasonably should have known of the exportation of the vehicle.

Section 9 of this bill provides that if a manufacturer is purchased by another manufacturer or entity, a dealer must be offered a franchise agreement that is substantially similar to the franchise agreement offered to other dealers of the same line and make of vehicles.

Section 16 of this bill provides that the forms for the application for credit and contracts to be used in the sale of vehicles prescribed by the Commissioner of Financial Institutions must contain a provision which provides that if the seller elects to rescind the contract, the seller must provide notice to the buyer not less than 20 days after the date of the contract.

Section 10 of this bill provides that a refusal to accept an amended claim for parts and labor or a claim that was not filed before the manufacturer's deadline that is submitted within 60 days after the claim was first filed or was due is an unfair practice. Section 10 also makes an audit confirming a warranty repair, sales incentive or rebate performed more than 9 months after a claim was made an unfair practice. Section 11 of this bill prohibits a manufacturer from preventing a dealer from disclosing a service, repair guidance or recall notice or providing certain information relating to warranty coverage.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. 1. A manufacturer shall not require a dealer:
(a) To alter substantially an existing facility of the dealer; or
(b) To construct a new facility,
¬for any new vehicles that are handled by the dealer unless the alteration or new construction constitutes a reasonable facility requirement in accordance with the franchise agreement.

2. If a manufacturer requires a substantial alteration of an existing facility of the dealer or requires the dealer to construct a new facility, that requirement constitutes a modification of the franchise of the dealer for the purposes of this section and NRS 482.36311 to 482.36425, inclusive, and section 3 of this act.

Sec. 3. A manufacturer shall not modify the franchise of a dealer or take any adverse action against a dealer that sells a vehicle which is later exported outside the United States, unless the dealer had actual knowledge of or reasonably should have known of the exportation of the vehicle.

Sec. 4. (Deleted by amendment.)

Sec. 5. (Deleted by amendment.)

Sec. 6. (Deleted by amendment.)

Sec. 7. (Deleted by amendment.)

Sec. 8. (Deleted by amendment.)

Sec. 9. NRS 482.36354 is hereby amended to read as follows:

482.36354 1. A manufacturer or distributor shall not modify the franchise of a dealer or replace the franchise with another franchise if the modification or replacement would have a substantially adverse effect upon the dealer's investment or obligations to provide sales and service, unless:
(a) The manufacturer or distributor has given written notice of its intention to the Director and the dealer affected by the intended modification or replacement; and
(b) Either of the following conditions occurs:
(1) The dealer does not file a protest with the Director within 30 days after receiving the notice; or
(2) After a protest has been filed with the Director and the Director has conducted a hearing, the Director issues an order authorizing the manufacturer or distributor to modify or replace the franchise.

2. The notice required by subsection 1 must be given to the dealer and to the Director at least 60 days before the date on which the intended action is to take place.

3. If a manufacturer or distributor changes the area of primary responsibility of a dealer, the change constitutes a modification of the franchise of the dealer for the purposes of NRS 482.36311 to 482.36425, inclusive. As used in this subsection, "area of primary responsibility" means
the geographic area in which a dealer, pursuant to a franchise agreement, is responsible for selling, servicing and otherwise representing the products of a manufacturer or distributor.

4. **Notwithstanding the provisions of this section, if a manufacturer is purchased by another manufacturer or entity, a dealer must be offered a franchise agreement that is substantially similar to the franchise agreement offered to other dealers of the same line and make of vehicles.**

Sec. 10. NRS 482.36385 is hereby amended to read as follows:

482.36385 It is an unfair act or practice for any manufacturer, distributor or factory branch, directly or through any representative, to:

1. Compete with a dealer. A manufacturer or distributor shall not be deemed to be competing when operating a previously existing dealership temporarily for a reasonable period, or in a bona fide retail operation which is for sale to any qualified person at a fair and reasonable price, or in a bona fide relationship in which a person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions.

2. Discriminate unfairly among its dealers, or fail without good cause to comply with franchise agreements, with respect to warranty reimbursement or authority granted to its dealers to make warranty adjustments with retail customers.

3. Fail to compensate a dealer fairly for the work and services which the dealer is required to perform in connection with the delivery and preparation obligations under any franchise, or fail to compensate a dealer fairly for labor, parts and other expenses incurred by the dealer under the manufacturer's warranty agreements. The manufacturer shall set forth in writing the respective obligations of a dealer and the manufacturer in the preparation of a vehicle for delivery, and as between them a dealer's liability for a defective product is limited to the obligation so set forth. Fair compensation includes diagnosis and reasonable administrative and clerical costs. The dealer's compensation for parts and labor to satisfy a warranty must not be less than the amount of money charged to its various retail customers for parts and labor that are not covered by a warranty. If parts are supplied by the manufacturer, including exchanged parts and assembled components, the dealer is entitled with respect to each part to an amount not less than the dealer's normal retail markup for the part. This subsection does not apply to compensation for any part, system, fixture, appliance, furnishing, accessory or feature of a motor home or recreational vehicle that is designed, used and maintained primarily for nonvehicular, residential purposes.

4. Fail to [pay]:

   (a) **Pay** all claims made by dealers for compensation for delivery and preparation work, transportation claims, special campaigns and work to satisfy warranties within 30 days after approval, or fail to approve or disapprove such claims within 30 days after receipt [or disapprove];
(b) **Disapprove** any claim without notice to the dealer in writing of the grounds for disapproval [¶];

(c) **Accept an amended claim for labor and parts if the amended claim is submitted not later than 60 days after the date on which the manufacturer or distributor notifies the dealer that the claim has been disapproved and the disapproval was based on the dealer's failure to comply with a specific requirement for processing the claim, including, without limitation, a clerical error or other administrative technicality that does not relate to the legitimacy of the claim.

Failure to approve or disapprove or to pay within the specified time limits in an individual case does not constitute a violation of this section if the failure is because of reasons beyond the control of the manufacturer, distributor or factory branch.

5. Sell a new vehicle to a person who is not licensed as a new vehicle dealer under the provisions of this chapter.

6. Use false, deceptive or misleading advertising or engage in deceptive acts in connection with the manufacturer's or distributor's business.

7. Perform an audit to confirm a warranty repair, sales incentive or rebate more than [12] 9 months after the date of the transaction on which the claim was made. An audit of a dealer's records pursuant to this subsection may be conducted by the manufacturer or distributor on a reasonable basis, and a dealer's claim for warranty or sales incentive compensation must not be denied except for good cause, including, without limitation, performance of nonwarranty repairs, lack of material documentation, fraud or misrepresentation. A dealer's failure to comply with the specific requirements of the manufacturer or distributor for processing the claim does not constitute grounds for the denial of the claim or the reduction of the amount of compensation to the dealer if reasonable documentation or other evidence has been presented to substantiate the claim. The manufacturer or distributor shall not deny a claim or reduce the amount of compensation to the dealer for warranty repairs to resolve a condition discovered by the dealer during the course of a separate repair.

8. Prohibit or prevent a dealer from appealing the results of an audit to confirm a warranty repair, sales incentive or rebate, or to require that such an appeal be conducted at a location other than the dealer's place of business.

**Sec. 11.** NRS 482.36389 is hereby amended to read as follows:

482.36389 A manufacturer shall not [require]:

1. Require a dealer to disclose information concerning a customer to the manufacturer or a third party if the customer objects or the disclosure is otherwise unlawful [¶]; or

2. Prohibit or prevent a dealer from disclosing a service, repair guidance or recall notice that is documented by the manufacturer or notifying customers of available warranty coverage and expiration dates of existing warranty coverage.

**Sec. 12.** (Deleted by amendment.)
Sec. 13. (Deleted by amendment.)
Sec. 14. (Deleted by amendment.)
Sec. 15. (Deleted by amendment.)

Sec. 15.5. Chapter 97 of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding the provisions of any contract to the contrary, default on the part of the buyer is only enforceable to the extent that:

1. The buyer fails to make a payment as required by the agreement; or

2. The prospect of payment, performance or realization of collateral is significantly impaired. The burden of establishing the prospect of significant impairment is on the seller.

Sec. 16. NRS 97.299 is hereby amended to read as follows:

97.299 1. The Commissioner of Financial Institutions shall prescribe, by regulation, forms for the application for credit and contracts to be used in the sale of vehicles if:

(a) The sale involves the taking of a security interest to secure all or a part of the purchase price of the vehicle;

(b) The application for credit is made to or through the seller of the vehicle;

(c) The seller is a dealer; and

(d) The sale is not a commercial transaction.

2. The forms prescribed pursuant to subsection 1 must meet the requirements of NRS 97.165, must be accepted and acted upon by any lender to whom the application for credit is made and, in addition to the information required in NRS 97.185 and required to be disclosed in such a transaction by federal law, must:

(a) Identify and itemize the items embodied in the cash sale price, including the amount charged for a contract to service the vehicle after it is purchased.

(b) In specifying the amount of the buyer's down payment, identify the amounts paid in money and allowed for property given in trade and the amount of any manufacturer's rebate applied to the down payment.

(c) Contain a description of any property given in trade as part of the down payment.

(d) Contain a description of the method for calculating the unearned portion of the finance charge upon prepayment in full of the unpaid total of payments as prescribed in NRS 97.225.

(e) Contain a provision that default on the part of the buyer is only enforceable to the extent that:

(1) The buyer fails to make a payment as required by the agreement; or

(2) The prospect of payment, performance or realization of collateral is significantly impaired. The burden of establishing the prospect of significant impairment is on the seller.

(f) Contain a provision which provides that if the seller elects to rescind the contract or exercises a valid option to cancel the vehicle sale as a result of
being unable to assign the contract to a financial institution with whom the seller regularly does business, the seller must [provide] hand-deliver or send prepaid by United States mail written notice to the buyer not less than 20 days after the date of the contract.

(g) Include the following notice in at least 10-point bold type:

**NOTICE TO BUYER**

Do not sign this agreement before you read it or if it contains any blank spaces. You are entitled to a completed copy of this agreement. If you pay the amount due before the scheduled date of maturity of the indebtedness and you are not in default in the terms of the contract for more than 2 months, you are entitled to a refund of the unearned portion of the finance charge. If you fail to perform your obligations under this agreement, the vehicle may be repossessed and you may be liable for the unpaid indebtedness evidenced by this agreement.

3. The Commissioner shall arrange for or otherwise cause the translation into Spanish of the forms prescribed pursuant to subsection 1.

4. If a change in state or federal law requires the Commissioner to amend the forms prescribed pursuant to subsection 1, the Commissioner need not comply with the provisions of chapter 233B of NRS when making those amendments.

5. As used in this section:

(a) "Commercial transaction" means any sale of a vehicle to a buyer who purchases the vehicle solely or primarily for commercial use or resale.

(b) "Dealer" has the meaning ascribed to it in NRS 482.020.

Sec. 17. (Deleted by amendment.)

Sec. 17.5. The Commissioner of Financial Institutions shall adopt the regulations required by section 16 of this act on or before October 1, 2011.

Sec. 18. 1. This section and sections 16 and 17.5 of this act become effective upon passage and approval for the purpose of adopting regulations and on October 1, 2011, for all other purposes.

2. Sections 1 to 15.5 inclusive, and 17 of this act become effective on October 1, 2011.

3. The amendatory provisions of section 16 of this act expire by limitation on September 30, 2012.

Motion carried by a constitutional majority.

Bill ordered enrolled.

Senate Bill No. 358.

The following Assembly amendment was read:

Amendment No. 642.

"SUMMARY—Makes various changes concerning the operation of certain vending stands. (BDR 22-665)"
"AN ACT relating to regional transportation commissions; revising provisions pertaining to vending stands provided for by such a commission; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law establishes a priority of right for persons who are blind or visually impaired to operate vending stands in or on any public buildings or properties. (NRS 426.640) Existing law also exempts from that priority of right vending stands in any building, terminal or parking facility owned, operated or leased by a regional transportation commission in a county whose population is 400,000 or more (currently Clark County). (NRS 277A.320) Section 2 of this bill removes that exemption for both existing and future contracts. Section 3 of this bill clarifies that the removal of the exemption applies with respect to any vending stand contract entered into by such a regional transportation commission on or after the effective date of this bill, and that any such existing vending stand contract must comply with the amendatory provisions of this bill on and after July 1, 2011.

2. It is the policy of the Legislature and of this State to support the needs of persons who are blind by vigorously enforcing and promoting the provisions of NRS 426.630 to 426.720, inclusive.

Sec. 2. NRS 277A.320 is hereby amended to read as follows:
277A.320 1. In a county whose population is 400,000 or more, the commission may provide for the construction, installation and maintenance of vending stands for passengers of public mass transportation in any building, terminal or parking facility owned, operated or leased by the commission.

2. The provisions of NRS 426.630 to 426.720, inclusive, do not apply to a vending stand constructed, installed or maintained pursuant to this section.
