Prayer by Senator Mo Denis.

Heavenly Father, this day we are grateful for the opportunity to give service and for the opportunity we have to remember Thee on this day.

We are thankful for our health and our strength. We are thankful for our families that support us and put up with the things we do and the service we give while we are gone and not there with them. We thank Thee for this day that can reflect upon the things that we have done and be able to do them better. We thank Thee for the service of all those throughout the State, be it State workers, be it teachers and all those who help to make our State a good place to be.

We ask Thee to help us to remember as we go through the deliberative process and that we will work together to come to a conclusion to address the situation we have in this State with the economy, the budget and the laws we are proposing and that we are debating. We ask Thy spirit to help us and to guide us that we might do what is best for the people of Nevada. We will be safe and protected as we serve and do what must be done.

Bless us to continue to have our health and our strength and that we will be able to have joy and happiness as we serve and do the work that needs to be done. We say these things in the name of Jesus Christ,

AMEN.

SECOND READING AND AMENDMENT
Senate Bill No. 437.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 797.
"SUMMARY—Revises provisions governing assistance to parents and relatives caring for certain persons with mental retardation and related conditions. (BDR 39-1215)"
"AN ACT relating to public assistance; revising provisions governing assistance provided to parents and relatives caring for certain persons with mental retardation or related conditions or children with certain developmental delays; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides assistance to parents and relatives caring for certain persons with mental retardation or related conditions or, if the person being cared for is under 6 years of age, similar developmental delays if certain other criteria relating to income and the quality of care are met. (NRS 435.365) This bill provides that such assistance is available only to the extent that money is available for that purpose and requires the Division of Mental Health and Developmental Services of the Department of Health and Human Services to establish a waiting list for eligible applicants who are not provided assistance because of a shortage of money.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 435.365 is hereby amended to read as follows:

435.365 1. To the extent that money is available for that purpose, whenever a person with mental retardation or a related condition is cared for by a parent or other relative with whom the person lives, that parent or relative is eligible to receive assistance on a monthly basis from the Division for each such person who lives and is cared for in the home if the Division finds that:
   (a) The person with mental retardation or a related condition has been diagnosed as having profound or severe mental retardation or, if he or she is under 6 years of age, has developmental delays that require support that is equivalent to the support required by a person with profound or severe mental retardation or a related condition;
   (b) The person with mental retardation or a related condition is receiving adequate care; and
   (c) The person with mental retardation or a related condition and the parent or other relative with whom the person lives is not reasonably able to pay for his or her care and support.

The amount of the assistance must be established by legislative appropriation for each fiscal year.

2. The Division shall adopt regulations:
   (a) Which establish a procedure of application for assistance;
   (b) For determining the eligibility of an applicant pursuant to subsection 1; and
   (c) For determining the amount of assistance to be provided to an eligible applicant.

3. The Division shall establish a waiting list for applicants who are eligible for assistance but who are denied assistance because the legislative appropriation is insufficient to provide assistance for all eligible applicants.
4. The decision of the Division regarding eligibility for assistance or the amount of assistance to be provided is a final administrative decision.

Sec. 2. This act becomes effective on July 1, 2011.

Senator Horsford moved the adoption of the amendment. Remarks by Senator Horsford.
Senator Horsford requested that his remarks be entered in the Journal. The amendment requires the Division to perform these functions rather than authorizes.

Assembly Bill No. 2.
Bill read second time.
The following amendment was proposed by the Committee on Transportation:
Amendment No. 776.
"SUMMARY—Revises provisions relating to emissions testing for certain vehicles. (BDR 43-134)"
"AN ACT relating to motor vehicles; providing an exemption from emissions inspection for certain motor vehicles; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides for the issuance of special license plates for certain older motor vehicles in categories including antique vehicles, street rods, classic rods and classic vehicles. (NRS 482.381, 482.3812, 482.3814, 482.3816) Existing law also requires the State Environmental Commission to establish criteria that allow motor vehicles with such license plates to qualify for an exemption from standards for the control of emissions from motor vehicles, and to provide by regulation that an evaluation required of such motor vehicles to qualify for the exemption may be conducted at stations authorized to perform inspections of motor vehicles and devices for compliance with emissions standards. (NRS 445B.760)

Section 5 of this bill provides for the exemption of those older motor vehicles that have been issued the special license plates from standards for the control of emissions without the performance of any such evaluation if the owner of the motor vehicle certifies that the motor vehicle has not been driven more than 5,000 miles the previous year. Sections 1-4 of this bill require that the owner of such a motor vehicle which qualifies for the exemption pay a fee to the Department of Motor Vehicles, to be accounted for in the Pollution Control Account, in an amount equal to the cost for a certificate of compliance with emissions standards (currently $6, but subject to statutory change).

Section 1 of this bill provides that if an authorized inspection station or authorized station tests the emissions from a motor vehicle and the motor vehicle fails the emissions test, the Department of Motor Vehicles...
is prohibited, for a period of 90 days after the motor vehicle fails the emissions test, from issuing for the motor vehicle an "Old Timer," "Street Rod," "Classic Rod" or "Classic Vehicle" special license plate. The effect of section 1 is to discourage persons from attempting to obtain such a special license plate for the express purpose of circumventing the laws of this State pertaining to emissions from motor vehicles. Section 1 applies only within the geographic areas of this State in which motor vehicles are subject to emissions testing.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If, with respect to a motor vehicle that is required to comply with the provisions of NRS 445B.700 to 445B.815, inclusive, and the regulations adopted pursuant thereto, an authorized inspection station or authorized station tests the emissions from the motor vehicle and the motor vehicle fails the emissions test, the Department shall not issue a special license plate for that vehicle pursuant to NRS 482.381, 482.3812, 482.3814 or 482.3816 for a period of 90 days after the motor vehicle fails the emissions test.

2. As used in this section:
   (a) "Authorized inspection station" has the meaning ascribed to it in NRS 445B.710.

Bill read second time.

The following amendment was proposed by the Committee on Transportation:

Amendment No. 673.

"SUMMARY—Revises provisions governing informational signage and other programs to provide information concerning commercial attractions and services along highways. (BDR 35-482)"

"AN ACT relating to transportation; requiring the Director of the Department of Transportation to charge fees based upon market value for authorizing the placement of trademarks or symbols identifying individual enterprises on certain signs and for providing information regarding attractions and services along highways of the State; authorizing the Director to recommend to the Board of Directors of the Department programs for providing information to the traveling public to be funded from money received from fees charged on those signs; exempting certain signs located in a redevelopment area from certain restrictions on the proximity of advertising to certain highways in this State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law requires the Director of the Department of Transportation to adopt regulations to fix reasonable fees to recover the actual cost of administering a program for erecting certain signs on highways. Existing law provides that in certain larger counties, the Department is required to establish the fees based upon the market value as determined by the Department. Section 3 of this bill instead requires the Department to fix the fees in all counties based upon market value as determined by the Department. Existing law provides that the fees collected by the Department are to be credited to the Account for Systems of Providing Information to the Traveling Public in the State Highway Fund. Section 1 of this bill authorizes the Director to recommend to the Board of Directors of the Department
programs to provide information to the traveling public to be paid from money available for that purpose from the Account.

Existing law provides that outdoor advertising shall not be maintained within 660 feet of the nearest edge of the right-of-way and visible from the main-traveled way of the interstate or primary highway systems of this State. Exemptions are provided for: (1) certain directional, warning, landmark, informational and other official signs; (2) signs which advertise the sale or lease of the property on which they are located or advertise for a business or activities conducted on the property on which they are located; (3) signs in zoned commercial or industrial areas; and (4) certain directional information signs in hardship areas which have been approved by the Secretary of Transportation pursuant to certain federal regulations. (NRS 410.320) Sections 10 and 13 of this bill provide an exemption from the 660-foot restriction for certain signs located in a redevelopment area.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 408 of NRS is hereby amended by adding thereto a new section to read as follows:

and, in the case of any outdoor advertising sign, display or device located beyond 660 feet from the nearest edge of the right-of-way for interstate and primary highway systems, which is located outside of urban areas and placed with the purpose of having its message read from the main-traveled way of the interstate and primary highway systems, which was lawfully in existence and maintained on October 22, 1965, and which is not within one of the exceptions set forth in NRS 410.320, shall be removed no later than July 1, 1973, or 3 years from the date funds are available for such removal, except as provided in subsection 3.

Assembly Bill No. 80.
Bill read second time.
The following amendment was proposed by the Committee on Legislative
Operations and Elections:
Amendment No. 686.
"SUMMARY—Makes various changes relating to the Public Employees' Benefits Program. (BDR 23-496)"
"AN ACT relating to the Public Employees' Benefits Program; making various changes relating to the Program; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Board of the Public Employees' Benefits Program is
required to submit various reports concerning the administration and
operation of the Program. (NRS 287.043, 287.04366) Sections 3, 8 and 14 of
this bill make the Executive Officer of the Program, rather than the Board,
responsible for submitting such reports.
Under existing law, if a retired public officer or employee of the State or a
local governmental agency, or the surviving spouse of such a retired officer
or employee, who was formerly covered by health insurance provided under
the Program, or under a plan offered by the local governmental employer, reinstates such insurance, the reinstated insurance excludes coverage for certain preexisting conditions during the first 12 months after such reinstatement. (NRS 287.0205, 287.0475) Sections 4.5 and 12 of this bill eliminate the exclusion for certain preexisting conditions as called for in the Patient Protection and Affordable Care Act. (Pub. L. No. 111-148, 124 Stat. 119) Section 12 also prohibits a public officer or employee who retired from a local governmental agency, or his or her surviving spouse or domestic partner, from reinstating health insurance under the Program if the Board has adopted regulations that exclude such persons from participation in the Program because they are eligible for health coverage from a health and welfare plan or trust that arose out of certain collective bargaining agreements or under certain federal laws.

Under existing law, a state agency is required to pay to the Program a certain amount to pay a portion of the cost of coverage under the Program for each state officer or employee of that state agency who participates in the Program. State officers and employees are required to pay the remaining portion of the costs of their coverage as well as the full amount of covering their dependents under the Program. The Board is authorized to allocate the money paid by the state agency between the costs of coverage for such officers and employees and for their dependents. (NRS 287.044) Section 9 of this bill clarifies the manner in which the Board may perform the allocation.

Existing law provides for the payment of a subsidy to cover a portion of the costs of coverage under the Program for certain retired state officers and employees. (NRS 287.046) Section 10 of this bill clarifies that employees who are initially hired by the State on or after January 1, 2010, are not entitled to the subsidy for coverage under the Program if they retire with less than 15 years of service, which must include state service and may include local governmental service, with the exception of disabled retirees, or if they fail to maintain continuous coverage under the Program during retirement. Section 6 of this bill clarifies the application of this provision to persons who retire from employment with local governmental agencies.

Existing law provides that if a state officer or employee or a dependent of a state officer or employee incurs medical costs that are payable under the Program, but for which a third person has the legal liability to pay, the Board is subrogated to the rights of the officer, employee or dependent and may commence, join or intervene in any legal action against the third person to enforce that legal liability. (NRS 287.0465) Section 11 of this bill extends this provision to apply to any person who participates in the Program, including retired, as well as active, officers and employees of the State and their dependents and to active and retired officers and employees of local governments and their dependents who are covered under the Program.

Existing law provides that the surviving spouse and any surviving child of a police officer or firefighter who was killed in the line of duty are eligible to obtain or continue coverage under the Program or a benefits plan established
by his or her local governmental employer under certain circumstances. The
public employer of the police officer or firefighter, or the State of Nevada in
the case of a volunteer firefighter, is required to pay the entire cost of the
coverage for the surviving spouse for life and the entire cost of the coverage
for any surviving child at least until the child reaches 18 years of age and
until the child reaches 23 years of age so long as the child is a full-time
student. (NRS 287.021, 287.0477) Sections 5 and 13 of this bill provide that
neither the public employer nor the State is required to pay the cost of the
coverage for the surviving domestic partner of such a police officer or
firefighter. Sections 5 and 13 also codify that the duration of the coverage
for the surviving children of police officers and firefighters killed in the
line of duty is the same as the duration of coverage for children
otherwise in the public employer's health care plan.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment No. 591.
"SUMMARY—Revises provisions relating to the Open Meeting Law. (BDR 19-107)"
"AN ACT relating to the Open Meeting Law; revising provisions governing periods devoted to public comment; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions. Under the Open Meeting Law, a public body is required to provide written notice of all such meetings, which must
include an agenda with a period devoted to comments by the general public and discussion of those comments. However, a public body is prohibited from taking action upon a matter that is raised during such a period for public comment until the matter has been specifically included on an agenda and is denoted to be an item upon which the public body may take action. (NRS 241.020) This bill requires the public body, at a minimum, **two separate periods** devoted to public comment and discussion of any public comments as follows: **(1) one period at the beginning of the meeting before any items on which action may be taken are heard by the public body and (2) one period before the adjournment of the meeting**, each of which must allow for discussion of any public comments: **or (2) a period after each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:

(a) The time, place and location of the meeting.

(b) A list of the locations where the notice has been posted.

(c) An agenda consisting of:

(1) A clear and complete statement of the topics scheduled to be considered during the meeting.

(2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items.

(3) **At least two periods** periods devoted to comments by the general public, if any, **which must be taken at the beginning of the meeting and before the adjournment of the meeting**, and discussion of those comments. **Comments by the general public must be taken:**

(I) **At the beginning of the meeting before any items on which action may be taken are heard by the public body and again before the adjournment of the meeting:** or
(II) After each item on the agenda on which action may be taken is discussed by the public body, but before the public body takes action on the item.

The provisions of this subparagraph do not prohibit a public body from taking comments by the general public in addition to what is required pursuant to sub-subparagraph (I) or (II). No action may be taken upon a matter raised under this item of the agenda during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).

(4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.

(5) If, during any portion of the meeting, the public body will consider whether to take administrative action against a person, the name of the person against whom administrative action may be taken.

3. Minimum public notice is:

   (a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting; and

   (b) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:

       (1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or

       (2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.
5. Upon any request, a public body shall provide, at no charge, at least one copy of:
   (a) An agenda for a public meeting;
   (b) A proposed ordinance or regulation which will be discussed at the public meeting; and
   (c) Subject to the provisions of subsection 6, any other supporting material provided to the members of the public body for an item on the agenda, except materials:
      (1) Submitted to the public body pursuant to a nondisclosure or confidentiality agreement which relates to proprietary information;
      (2) Pertaining to the closed portion of such a meeting of the public body; or
      (3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.
   The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, "proprietary information" has the meaning ascribed to it in NRS 332.025.

The following amendment was proposed by the Committee on Natural Resources:

Amendment No. 714.

"SUMMARY—Revises provisions relating to wildlife. (BDR 45-150)"

"AN ACT relating to wildlife; revising the membership of the Board of Wildlife Commissioners to include one member who is actively engaged in conservation and possesses experience and expertise in advocating issues
relating to conservation; revising the circumstances under which the Director of the Department of Wildlife is appointed; revising the provisions governing a program for the issuance of certain additional big game tags each year; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law creates the Board of Wildlife Commissioners, consisting of nine members appointed by the Governor, and confers broad authority upon the Commission to manage wildlife and its habitat in this State. (NRS 501.105, 501.167, 501.181) Of those nine members, existing law requires one member to be a person who is actively engaged in the conservation of wildlife. (NRS 501.171) Section 1 of this bill revises the qualifications of that member to require him or her to be actively engaged in conservation and to possess experience and expertise in advocating issues relating to conservation.

Existing law requires the Governor to appoint the Director of the Department of Wildlife from among three or more persons nominated by the Commission. (NRS 501.333) Section 2 of this bill revises that requirement to allow the Governor additional discretion in appointing the Director.

Existing law authorizes the Commission to establish a program for the issuance of additional big game tags each year, known as "Dream Tags," to hunt any species of pronghorn antelope, bear, deer, mountain goat, mountain lion, bighorn sheep or elk. The program must award the big game tags through a raffle conducted by a certain nonprofit organization. The money received by the nonprofit organization from the proceeds of the raffle, less any administrative costs, must be used to preserve, protect, manage or restore game and its habitat. (NRS 502.219) In lieu of authorizing the Commission to establish such a program, section 3 of this bill establishes that program by statute.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 501.171 is hereby amended to read as follows:
501.171 1. A county advisory board to manage wildlife shall submit written nominations for appointments to the Commission upon the request of the Governor and may submit nominations at any other time.
2. After consideration of the written nominations submitted by a county advisory board to manage wildlife and any additional candidates for appointment to the Commission, the Governor shall appoint to the Commission:
   (a) One member who is actively engaged in conservation and to possess experience and expertise in advocating issues relating to conservation;
   (b) One member who is actively engaged in farming;
   (c) One member who is actively engaged in ranching;

3. The Governor shall not appoint to the Commission any person who has been convicted of:
   (a) A felony or gross misdemeanor for a violation of NRS 501.376;

   (c) A felony or gross misdemeanor for a violation of NRS 504.395; or

Sec. 2. NRS 501.333 is hereby amended to read as follows:

501.333 1. From among three or more nominees of the Commission, the Governor shall appoint a Director of the Department, who is its Chief Administrative Officer. The Director serves at the pleasure of the Governor.

2. The Governor shall select as Director a person having an academic degree in the management of wildlife or a closely related field, substantial experience in the management of wildlife and a demonstrated ability to administer a major public agency. When appointing the Director, the Governor may consider any person nominated by the Commission.

3. The Director is in the unclassified service of the State.

Sec. 3. NRS 502.219 is hereby amended to read as follows:

502.219 1. A program is hereby established for the issuance of additional big game tags each year to be known as "Dream Tags." If the Commission establishes such a program, the program must provide:

(b) The nonprofit organization must agree to enter into a contract with a private entity that is approved by the Department which requires that the private entity agree to act as the agent of the nonprofit organization to sell chances to win Dream Tags, conduct any required drawing for Dream Tags and issue Dream Tags. For the purposes of this paragraph, a private entity that has entered into a contract with the Department pursuant to NRS 502.175 to conduct a drawing and to award and issue tags or permits as established by the Commission shall be deemed to be approved by the Department.

(c) All money received by the nonprofit organization from the proceeds of the Dream Tag raffle, less the cost of the Dream Tags purchased by the nonprofit organization and any administrative costs charged by the Community Foundation of Western Nevada, must be used for the preservation, protection, management or restoration of game and its habitat, as determined by the Advisory Board on Dream Tags created by NRS 502.225.

4. All money received by the Department for Dream Tags pursuant to this section must be deposited with the State Treasurer for credit to the Wildlife Account in the State General Fund.

5. The nonprofit organization shall, on or before February 1 of each year, report to the Department and the Interim Finance Committee concerning the Dream Tag program, including, without limitation:

(a) The number of Dream Tags issued during the immediately preceding calendar year;

(b) The total amount of money paid to the Department for Dream Tags during the immediately preceding calendar year;

(c) The total amount of money received by the nonprofit organization from the proceeds of the Dream Tag raffle, the amount of such money expended by the nonprofit organization and a description of each project for which the money was spent; and

(d) Any recommendations concerning the program or necessary legislation.
6. As used in this section, "big game tag" means a tag permitting a person to hunt any species of pronghorn antelope, bear, deer, mountain goat, mountain lion, bighorn sheep or elk.

Sec. 4. 1. As soon as practicable after the effective date of this section, the Governor shall appoint one member of the Board of Wildlife Commissioners who is qualified pursuant to paragraph (a) of subsection 2 of NRS 501.171, as amended by section 1 of this act.

2. A person shall not drive a motor vehicle at a speed in excess of 25 miles per hour in an area designated as a school crossing zone except:
   (a) On a day on which school is not in session;

3. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

4. Each such governing body and the Department shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

"SUMMARY—Enacts provisions relating to vulnerable highway users."

"AN ACT relating to motor vehicles; rules of the road; providing that a person who, while violating certain rules of the road, causes a collision with a pedestrian or person riding a bicycle has committed reckless driving; authorizing a county fair and recreation board or a veterans'
organization, under certain circumstances, to place street banners along roads and sidewalks and upon publicly owned or leased facilities; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that certain conduct by a driver of a vehicle constitutes reckless driving. (NRS 484B.653) Section 31 of this bill provides that a person who, while violating certain rules of the road relating to bicycles, pedestrians, crosswalks, school crossing guards, school zones or speeding, is the proximate cause of a collision with a pedestrian or person riding a bicycle has committed reckless driving.

Existing law prohibits the placement of a street banner bearing any commercial advertising upon any highway. (NRS 484B.313) Section 18.5 of this bill authorizes a county fair and recreation board, pursuant to a written agreement with a county or city, to place a street banner along any street, avenue, boulevard, alley, public highway or other public right-of-way used for vehicular traffic, along any sidewalk designed primarily for use by pedestrians and upon any facility owned or leased by the county or city if the street banner: (1) is used to welcome an event, convention or trade show which is sponsored or hosted by the county fair and recreation board and which is projected to be attended by more than 30,000 persons; and (2) does not express any other commercial or political message. Section 18.5 provides similar authorization for a veterans' organization if the street banner: (1) is used to welcome a group of veterans during a parade for veterans held on Veterans' Day or Memorial Day; and (2) does not express any other commercial or political message.

2. A person who has been ordered to install a device in a motor vehicle pursuant to NRS 484C.460:
   (a) Shall install the device not later than 21 days after the date on which the order was issued; and

6. The operator of a bicycle or an electric bicycle shall not:
   (a) Intentionally interfere with the movement of a motor vehicle; or
   (b) Overtake and pass a motor vehicle unless the operator can do so safely without endangering himself or herself or the occupants of the motor vehicle.

Sec. 13. NRS 484B.280 is hereby amended to read as follows:

1. Except as otherwise provided in NRS 484B.287, 484B.290 and 484B.350:

(a) When official traffic-control devices are not in place or not in operation the driver of a vehicle shall yield the right-of-way, slowing down or stopping if need be so to yield, to a pedestrian crossing the highway within a crosswalk when the pedestrian is upon the half of the highway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the highway as to be in danger.

(b) A pedestrian shall not suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close that it is impossible for the driver to yield.

(c) Whenever a vehicle is stopped at a marked crosswalk or at an unmarked crosswalk at an intersection, the driver of any other vehicle approaching from the rear shall not overtake and pass the stopped vehicle until the driver has determined that the vehicle being overtaken was not stopped for the purpose of permitting a pedestrian to cross the highway.

(d) Whenever signals exhibiting the words "Walk" or "Don't Walk" are in place, such signals indicate as follows:

1. While the "Walk" indication is illuminated, pedestrians facing the signal may proceed across the highway in the direction of the signal and must be given the right-of-way by the drivers of all vehicles.

2. While the "Don't Walk" indication is illuminated, either steady or flashing, a pedestrian shall not start to cross the highway in the direction of the signal, but any pedestrian who has partially completed the crossing during the "Walk" indication shall proceed to a sidewalk, or to a safety zone if one is provided.

3. Whenever the word "Wait" still appears in a signal, the indication has the same meaning as assigned in this section to the "Don't Walk" indication.

4. Whenever a signal system provides a signal phase for the stopping of all vehicular traffic and the exclusive movement of pedestrians, and "Walk" and "Don't Walk" indications control pedestrian movement, pedestrians may cross in any direction between corners of the intersection offering the shortest route within the boundaries of the intersection when the "Walk" indication is exhibited, and when signals and other official
traffic-control devices direct pedestrian movement in the manner provided in this section and in NRS 484B.307.

2. If, while violating paragraph (a) or (c) of subsection 1, the driver of a motor vehicle is the proximate cause of a collision with a pedestrian, the driver is subject to the additional penalty set forth in subsection 4 of NRS 484B.653.

   (a) Is used to welcome an event, convention or trade show which is sponsored or hosted by the county fair and recreation board and which is projected to be attended by more than 30,000 persons; and
   
   (b) Does not express any other commercial or political message.

7. **A veterans' organization, pursuant to a written agreement with a county or city, may place a street banner along any street, avenue, boulevard, alley, public highway or other public right-of-way used for vehicular traffic, along any sidewalk designed primarily for use by pedestrians and upon any facility owned or leased by the county or city if the street banner:**

(a) On a day on which school is not in session;
(b) During the period from a half hour after school is no longer in operation to a half hour before school is next in operation;
(c) If the zone is designated by an operational speed limit beacon, during the hours when the pupils of the school are in class and the yellow lights of the speed limit beacon are not flashing in the manner which indicates that the speed limit is in effect; or

3. The governing body of a local government or the Department of Transportation shall designate school zones and school crossing zones. An area must not be designated as a school zone if imposing a speed limit of 15 miles per hour would be unsafe because of higher speed limits in adjoining areas.

4. Each such governing body and the Department shall provide signs to mark the beginning and end of each school zone and school crossing zone which it respectively designates. Each sign marking the beginning of such a zone must include a designation of the hours when the speed limit is in effect or that the speed limit is in effect when children are present.

Remarks by Senators Leslie and Hardy.
Senator Leslie requested that the following remarks be entered in the Journal.

Senator Leslie:
This amendment authorizes county fair and recreation boards to put up a welcome banner if their event is projected to host more than 30,000 people. The amendment also allows for the same kind of non-advertising, welcoming banner for veterans groups when they have a parade on Veterans Day or on Memorial Day.

Senator Hardy:
Thank you, Mr. President. I read that the amendment says, "may", but does the town or county have to allow the banner to be placed, which may be problematic if they cannot find a sturdy enough pole to sustain winds.

Senator Leslie:
It authorizes only. This has been going on for some time, but there was an issue that it was not spelled out in State law. They asked for this specific amendment. The counties and the fair and recreation boards have looked at the language.

Senator Hardy:
I ask because I come from a small town that had problems with banners being tied to poles. I do not see language in the amendment that states that the city does not have to do it if there is a problem with doing it.

SECOND READING AND AMENDMENT
Assembly Bill No. 374.
Bill read second time.
The following amendment was proposed by the Committee on Transportation:
Amendment No. 676.
"SUMMARY—Revises provisions governing the purchase of certain mobile equipment by the Department of Transportation. (BDR 35-852)"
"AN ACT relating to mobile equipment; requiring the Director of the Department of Transportation to submit a report to the Governor and the Legislature relating to the elimination by outsourcing or the purchase or leasing of certain mobile equipment; requiring the Department to prepare and present an analysis of the costs and benefits associated with the purchasing or leasing of certain mobile equipment or contracting for the performance of the work which would have been performed using that mobile equipment; prohibiting the Board of Directors of the Department from approving the purchase of certain mobile equipment unless the Department justifies the purchase based on the costs and benefits analysis; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires the Director of the Department of Transportation to submit various reports to the Legislature concerning the activities of the Department. (NRS 408.203) Section 2 of this bill provides that, on or before
February 1 of each odd-numbered year, the Director is required to submit a report to the Governor and the Legislature concerning all mobile equipment eliminated by outsourcing or purchased or leased in the previous 2 years. **Section 2** further requires that the report include, without limitation, the costs and benefits analysis prepared pursuant to **section 3** of this bill and the justification for the decision to purchase or lease the mobile equipment or to enter into a contract for the performance of the work which would have been performed using the mobile equipment.

Existing law requires the Board of Directors of the Department to authorize the purchase by the Department of any equipment which exceeds $50,000. (NRS 408.389) **Section 3** provides that, before the Board may approve the purchase of any mobile equipment which exceeds $50,000, the Department is required to: (1) prepare and present a costs and benefits analysis of purchasing or leasing the mobile equipment or contracting for the performance of the work which would have been performed using the mobile equipment; and (2) justify purchasing instead of leasing or contracting based on that analysis. **Section 3** further prohibits the Board from approving any purchase of mobile equipment which exceeds $50,000 unless the Department is able to justify purchasing based on that analysis.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

3. Report to the Legislature by February 1 of odd-numbered years the progress being made in the Department's 12-year plan for the resurfacing of state highways. The report must include an accounting of revenues and expenditures in the preceding 2 fiscal years, a list of the projects which have been completed, including mileage and cost, and an estimate of the adequacy of projected revenues for timely completion of the plan.

4. **On or before February 1 of each odd-numbered year, submit to the Governor and to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature a written report concerning all mobile equipment eliminated by outsourcing or purchased**
or leased by the Department in the preceding 2 fiscal years. The report must include, without limitation, an analysis of the costs and benefits of each purchase, lease or contract prepared pursuant to subsection 2 of NRS 408.389, the justification for the decision to purchase, lease or contract and any other information required by the Director relating to such purchase, lease or contract.

Sec. 3. NRS 408.389 is hereby amended to read as follows:

408.389  1. Except as otherwise provided in subsection 2, the Department shall not purchase any equipment which exceeds $50,000, unless the purchase is first approved by the Board.

2. Before the Board may approve the purchase of any mobile equipment which exceeds $50,000, the Department shall:
   (a) Prepare and present to the Board an analysis of the costs and benefits, including, without limitation, all related personnel costs, that are associated with:
      (1) Purchasing, operating and maintaining the same item of equipment;
      (2) Leasing, operating and maintaining the same item of mobile equipment; or
      (3) Contracting for the performance of the work which would have been performed using the mobile equipment; and
   (b) Justify the need for the purchase based on that analysis.

3. The Board shall not delegate:

The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 690.

"SUMMARY—Expands prohibition on employers taking certain actions to prohibit, punish or prevent employees from engaging in politics or becoming candidates for public office with certain exceptions. (BDR 53-63)"

"AN ACT relating to employment practices; making it unlawful for public employers to make rules or regulations that prohibit or prevent an employee from engaging in politics or becoming a candidate for public office with certain exceptions; prohibiting any employer from taking any adverse employment action against an employee because the employee has become a candidate for any public office with certain exceptions; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law makes it unlawful for a private employer to make rules or regulations that prohibit or prevent an employee from engaging in politics or becoming a candidate for public office. (NRS 613.040) A violation of that prohibition by an employer is punishable by a fine of not more than $5,000. In addition, the costs of the proceeding to recover the fine are recoverable by the Attorney General. (NRS 613.050) The employee is also authorized to bring a separate lawsuit for damages for such a violation. (NRS 613.070) This bill makes it unlawful for public employers and labor organizations, in addition to private employers, to engage in such unlawful activity and also makes it unlawful for any public or private employer or labor organization to take any adverse employment action against an employee as a result of the employee becoming a candidate for public office. With respect to public employees, this bill makes an exception where necessary to meet requirements of federal law, such as the Hatch Act, 5 U.S.C. §§ 1501-1508, which imposes restrictions on certain political activities by state and local governmental employees.

WHEREAS, Every eligible person has a right to participate in the functions of government; and

WHEREAS, Participating as a candidate in an election for public office and participating in politics are at the core of government; and

WHEREAS, It is the policy of the State of Nevada to encourage participation in government; and

WHEREAS, Anything which tends to prevent a person from so participating is contrary to the policy of this State; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 613.040 is hereby amended to read as follows:

613.040 [H]

1. Except as necessary to meet requirements of federal law as it pertains to a particular public employee, it shall be unlawful for any person [H] firm or corporation doing business or employing labor in the State of Nevada to [H] who employs or has under his or her direction and control any
person for wages or under a contract of hire and for any labor organization referring a person to an employer for employment:

(a) To make any rule or regulation prohibiting or preventing any employee from engaging in politics or becoming a candidate for any public office in this state.

(b) To take any adverse employment action against an employee who becomes a candidate for any public office in this State because the employee became a candidate for public office.

2. As used in this section:

Amendment No. 751.

"SUMMARY—Revises various provisions governing homeland security. (BDR 19-41)"

"AN ACT relating to homeland security; increasing the number of voting members on the Nevada Commission on Homeland Security; revising provisions governing the confidentiality of vulnerability assessments and emergency response plans of utilities, public entities and private businesses in this State; clarifying that certain documents, records and other items of information may be inspected by and released to the Legislative Auditor when conducting a postaudit; making various changes concerning grants and other funding for homeland security; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law establishes the Nevada Commission on Homeland Security, for which the Governor appoints the voting members and certain nonvoting members. The Commission has certain duties relating to the protection of residents of this State and visitors to this State from acts of terrorism and related emergencies. (NRS 239C.120, 239C.160) Section 22 of this bill increases the number of voting members that the Governor must appoint to the Commission from 14 members to 16 members, to include a representative of the broadcaster community and a representative recommended by the Inter-Tribal Council of Nevada, Inc. Section 22 also requires the appointment of the Chief of the Division of Emergency Management of the Department of Public Safety as a nonvoting member of the Commission.

Existing law provides that the Governor may, by executive order, determine that certain documents, records and other information relating to preventing and responding to acts of terrorism are confidential. Such documents, records and other information are not subject to subpoena or discovery, not subject to inspection by the general public and may only be inspected by and released to public safety and public health personnel. (NRS 239C.210) Section 26 of this bill extends that authority to include vulnerability assessments and emergency response plans of utilities, public entities and private businesses in this State. Section 26 also clarifies that the documents, records and other items of information subject to an executive order of confidentiality for security purposes, except vulnerability assessments, may be inspected by and released to the Legislative Auditor when conducting a postaudit, subject to certain requirements.

Section 24.5 of this bill specifies the duties of the Commission with respect to grants and related funding and requires the Commission to submit annual briefings to the Governor assessing preparedness.
Sections 30.5 and 31.5 of this bill extend to tribal governments the applicability of provisions concerning grants of money to the State or a political subdivision for prevention of or response to terrorism or other similar incidents.

WHEREAS, The Nevada National Security Site, formerly the Nevada Test Site, which is located in Nye County, Nevada, approximately 40 miles north of Pahrump, Nevada, and 65 miles northwest of Las Vegas, Nevada, was established by the Federal Government in 1950 for the purposes of detonating nuclear devices and conducting other public, secret and classified nuclear tests in connection with the research and development of nuclear weapons for use by the Armed Forces of the United States; and

WHEREAS, Radioactive particles have migrated via water from the Paiute Mesa area of the Nevada National Security Site toward Beatty, Nevada; and

WHEREAS, Since 1961, Area 5 and Area 3 within the Nevada National Security Site have been primary storage and disposal sites of the Federal Government for low-level and mixed low-level radioactive waste; and

WHEREAS, A study conducted on behalf of Nye County concluded that nuclear testing at the Nevada National Security Site has polluted approximately 1.6 trillion gallons of water in this State; and
WHEREAS, The aforementioned activities of the Federal Government in Nevada have had a deleterious effect on the environment of this State and have resulted in the contamination of the interconnected surface and subsurface waters, groundwater and aquifers of a large geographic area of Nevada with radioactive and other contaminants; now, therefore, be it

RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF NEVADA, JOINTLY, That the members of the 76th Session of the Nevada Legislature respectfully urge the Federal Government to engage in discussions with the State of Nevada and Clark and Nye Counties, Nevada, regarding:

Senate Bill No. 54.
Bill read third time.
Remarks by Senator Horsford.
Senator Horsford requested that his remarks be entered in the Journal.
Under existing law, each nursing facility that is licensed in the State is required to pay a fee to the Division of Health Care Financing and Policy. The fees are used to increase rates paid to skilled nursing facilities providing services to Medicaid recipients. Existing law prohibits the money in the Fund from being used to replace existing General Fund appropriations paid to skilled nursing facilities.

Senate Bill No. 54, as amended, eliminates the limitation currently in statute that does not allow funds paid to the Fund to Increase Quality of Nursing Care to replace General Fund
appropriations. Additionally, Senate Bill No. 54 allows rate changes to be determined by the Division of Health Care Financing and Policy, in the event federal law or regulation prohibits the money in the Fund from being used in the manner specified in statute.

The Division of Health Care Financing and Policy indicates that this legislation may decrease the risk of litigation from the long-term care industry, resulting from rate reductions approved for the 2011-13 biennium.

This act becomes effective upon passage and approval and expires by limitation on July 1, 2013.

This is a budget implementation bill. The rate for nursing homes as approved in the budget currently will be reduced by $5 per day per bed. This goes against a longstanding agreement with this industry whereby they had a self imposed tax on the industry to cover the quality of care in the nursing home for individuals who reside in skilled nursing facilities. I urge the body to approve this bill.

Legislative Counsel's Digest:

Existing law governs the appointment, powers and duties of guardians. (Chapter 159 of NRS) Section 7 of this bill requires a private professional
guardian to undergo a background investigation at his or her own cost and expense and to present the results of the background investigation to the court upon request. **Section 8** of this bill requires every guardian to file a verified acknowledgment of the duties and responsibilities of a guardian before performing any duties as a guardian. The acknowledgment must set forth certain provisions, including certain specific duties of the guardian. The court may exempt a public guardian or private professional guardian from filing an acknowledgment in each case and may instead require the guardian to file a general acknowledgment which covers all guardianships to which the guardian may be appointed. **Section 13** of this bill prohibits the removal of a guardian by the court if the sole reason for removal is the lack of money to pay the compensation and expenses of the guardian.

Senate Bill No. 221.
The following Assembly amendment was read:

Amendment No. 743
"SUMMARY—Makes various changes relating to trusts, estates and probate. (BDR 2-78)"
"AN ACT relating to personal financial administration; providing for nonprobate transfers of property to take effect on the death of the owner of the property; establishing provisions relating to transfers of property which are found or presumed to be void and providing the effect of such transfers; providing for the independent administration of estates; revising provisions concerning the administration of trusts and estates; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Sections 1-3 of this bill provide for the exemption of certain trust property, interests or powers from execution and attachment. Sections 6-47 of this bill provide for nonprobate transfers of property, including certain real property, at the death of the owner of the property. Specifically, sections 41 and 42 govern the registration of property in beneficiary form and the extent to which the designation of a beneficiary may be revoked or changed during the lifetime of the owner of the property or in the owner's will. Sections 40 and 45 set forth the rights of the beneficiary during the lifetime of the owner of the property and at the owner's death. Sections 48-64 of this bill adopt provisions governing accounts in financial institutions in which one or more persons have an interest. Section 49 provides that an account may: (1) be owned by a single party or by multiple parties; and (2) include a payable-n-eath beneficiary designation or an agency designation, or both. Section 50 provides sample forms for establishing multiple-person accounts. Section 53 provides that an account is owned by the parties during their lifetimes in accordance with each party's net contribution to the account. Section 54 sets forth the rights of the parties with respect to an account upon the death of a party.
Existing law generally provides for the enforcement of a no-contest clause in a will or a trust. (NRS 137.005, 163.00195) Sections 73 and 177 of this bill provide, with certain exceptions, that a devisee's or beneficiary's share may be reduced or eliminated under a no-contest clause by conduct that is set forth by the testator in the will or by the settlor in the trust. Similarly, sections 70 and 176 of this bill provide that a disposition of property and the appointment of a fiduciary including, without limitation, a personal representative and a trustee, may be dependent on conditions set forth by the testator in a will or by the settlor in the trust. Sections 76-144 of this bill set forth the Independent Administration of Estates Act, which allows a personal representative to administer most aspects of a decedent's estate without court supervision. Pursuant to sections 86 and 88, the court may: (1) grant the personal representative full authority or limited authority to administer the decedent's estate; or (2) revoke the personal representative's authority to administer the decedent's estate without court supervision. Section 90 provides that if a personal representative is granted limited authority to administer the estate, court supervision is required for certain actions, including the sale of property of the estate, exchange of property of the estate or granting of an option to purchase property of the estate. Section 90 further provides that if the personal representative has been granted full authority to administer the estate, court supervision for the sale of property of the estate, exchange of property of the estate or granting of an option to purchase property of the estate is required only under certain circumstances. Sections 93-106 and 128 of this bill require the personal representative to give notice of a proposed action when exercising certain powers without court supervision, including selling real property of the estate. Sections 107-115 of this bill require the personal representative to give notice of the proposed action under certain circumstances when exercising certain powers. Sections 116-127 of this bill authorize the personal representative to exercise certain powers without giving notice of the proposed action, including the power to pay taxes and assessments and expenses incurred in the collection, care and administration of the estate.

Sections 202 and 203 of this bill adopt provisions concerning spendthrift trusts. Further, sections 204-206 of this bill amend existing law concerning the powers and responsibilities of a settlor or trustee for a spendthrift trust.

Section 209 of this bill repeals the Uniform TOD Security Registration Act and other statutes related to nonprobate transfers of certain accounts because those issues are addressed in sections 32-64 of this bill which govern nonprobate transfers on death.

The property must be returned to you within 5 days after you file the affidavit unless the judgment creditor files a motion for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The hearing must be held within 10 days after the motion for a hearing is filed.

IF YOU DO NOT FILE THE AFFIDAVIT WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS

   (b) Money due or to become due under the contract ceases to be payable in the event of death of the promisee or the promisor before payment or demand; or

   (c) Any property controlled by or owned by the decedent before death which is the subject of the contract passes to a person whom the decedent designates in the contract or in a separate writing, including a will, executed before or at the same time as the contract, or later.

2. A nonprobate transfer described in subsection 1:

   (a) Is exempt from the requirements of chapter 133 of NRS;

beneficiary whom the decedent designates in the contract or in a separate
writing, including a will, executed before or at the same time as the
contract, or later;
   (b) If the contract provides that money due or to become due under the

   (c) Any property controlled by or owned by the decedent before death
which is the subject of the contract passes to the beneficiary whom the
decedent designates in the contract or in a separate writing, including a
will, executed before or at the same time as the contract, or later.
5. Notwithstanding the provisions of this section to the contrary, a
writing separate from a contract is not effective to the extent it violates the
terms of the contract unless it is signed or otherwise ratified by all parties
to the contract.
6. Nothing in sections 32 to 64, inclusive, of this act authorizes a
married person to transfer or otherwise affect the community property
rights of that person's spouse.
Sec. 33. For the purpose of discharging its duties under sections 32 to
46, inclusive, of this act, the authority of a transferring entity acting as
agent for an owner of property subject to a nonprobate transfer does not
cease at the death of the owner. The transferring entity shall transfer the
property to the designated beneficiary in accordance with the contract
between the transferring entity and the deceased owner and with
sections 32 to 46, inclusive, of this act.
Sec. 34. 1. Provision for a nonprobate transfer is a matter of
agreement between the owner and the transferring entity, under such rules,
terms and conditions as the owner and transferring entity may agree.
Before a nonprobate transfer is effective, the contract may require:
   (a) Submission to the transferring entity of a beneficiary designation
under a governing instrument;
   (b) Registration by a transferring entity of a transfer-on-death direction
on any certificate or record evidencing ownership of property;
   (c) The consent of a contract obligor for a transfer of performance due
under the contract;
   (d) The consent of a financial institution for a transfer of an obligation
of the financial institution;
   (e) The consent of a transferring entity for a transfer of an interest in
the transferring entity; or
   (f) Compliance with any other express condition.
2. Whenever a contract provision relating to a nonprobate transfer
requires any of the conditions set forth in subsection 1, nothing in
sections 32 to 46, inclusive, of this act imposes an obligation on a
transferring entity to accept an owner's request to make provision for a nonprobate transfer of property unless the conditions have been met.

3. When a beneficiary designation, revocation or change is subject to acceptance by a transferring entity, the transferring entity's acceptance of the beneficiary designation, revocation or change relates back to and is effective as of the time when the request was received by the transferring entity.

Sec. 35. When a transferring entity accepts a beneficiary designation or beneficiary assignment or registers in beneficiary form certain property, the acceptance or registration constitutes the agreement of the owner and transferring entity that, unless the beneficiary designation is revoked or changed before the death of the owner, on proof of the death of the owner and compliance with the transferring entity's requirements for showing proof of entitlement, the property will be transferred to and placed in the name and control of the beneficiary in accordance with the beneficiary designation or transfer-on-death direction, the agreement of the parties and the provisions of sections 32 to 46, inclusive, of this act.

Sec. 36. A beneficiary designation, under a written instrument or law, that authorizes a transfer of property pursuant to a written designation of beneficiary transfers the right to receive the property to the designated beneficiary who survives, effective on the death of the owner, if the beneficiary designation is executed and delivered in proper form to the transferring entity before the death of the owner.

Sec. 37. 1. A written assignment of a contract right which assigns the right to receive any performance remaining due under the contract to an assignee designated by the owner and which expressly states that the assignment is not to take effect until the death of the owner transfers the right to receive performance due under the contract to the designated assignee beneficiary, effective on the death of the owner, if the assignment is executed and delivered in proper form to the contract obligor before the death of the owner or is executed in proper form and acknowledged before a notary public or other person authorized to administer oaths. A beneficiary assignment need not be supported by consideration or be delivered to the assignee beneficiary.

2. This section does not preclude other methods of assignment which are authorized by law and which have the effect of postponing enjoyment of a contract right until the death of the owner.

Sec. 38. 1. A deed of gift, bill of sale or other writing intended to transfer an interest in tangible personal property which expressly states that the transfer is not to take effect until the death of the owner transfers ownership to the designated transferee beneficiary, effective on the death of the owner, if the instrument is in other respects sufficient to transfer the type of property involved and is executed by the owner and acknowledged before a notary public or other person authorized to administer oaths. A
beneficiary transfer instrument need not be supported by consideration or be delivered to any transferee beneficiary.

2. This section does not preclude other methods of transferring ownership of tangible personal property which are authorized by law and which have the effect of postponing enjoyment of property until the death of the owner.

Sec. 39. 1. A transferor of property, with or without consideration, may directly transfer the property to a transferee to be held in beneficiary form, as owner of the property.

2. A transferee under an instrument described in subsection 1 of section 32 of this act is the owner of the property for all purposes and has all the rights to the property otherwise provided by law to owners, including the right to revoke or change the beneficiary designation.

3. A direct transfer of property to a transferee to be held in beneficiary form is effective when the writing perfecting the transfer becomes effective to make the transferee the owner.

Sec. 40. 1. Before the death of the owner, a designated beneficiary has no rights in the property by reason of the beneficiary designation and the signature or agreement of the beneficiary is not required for any transaction respecting the property.

2. On the death of one of two or more joint owners, property with respect to which a beneficiary designation has been made belongs to the surviving joint owner or owners and the right of survivorship continues as between two or more surviving joint owners.

3. On the death of a sole owner, property passes by operation of law to the beneficiary.

4. If two or more beneficiaries survive, there is no right of survivorship among the beneficiaries in the event of the death of a beneficiary thereafter unless the beneficiary designation expressly provides for survivorship among them and, unless so expressly provided, surviving beneficiaries hold their separate interests in the property as tenants in common. The share of any subsequently deceased beneficiary belongs to that beneficiary's estate.

5. If no beneficiary survives the owner, the property belongs to the estate of the owner.

Sec. 41. 1. Unless a beneficiary designation is expressly made irrevocable, a beneficiary designation may be revoked or changed in whole or in part during the lifetime of the owner. A revocation or change of a beneficiary designation involving property of joint owners may only be made with the agreement of all owners then living.

2. A subsequent beneficiary designation revokes a previous beneficiary designation unless the subsequent beneficiary designation expressly provides otherwise.

3. A revocation or change in a beneficiary designation must comply with the terms of the governing instrument, the rules of the transferring entity and the applicable law.
4. A beneficiary designation may not be revoked or changed by the provisions of a will unless the beneficiary designation expressly grants the owner the right to revoke or change a beneficiary designation by will. If a beneficiary designation is revoked by will, it must be revoked by an express provision in the will and extrinsic evidence is not admissible to establish the testator's intent concerning the beneficiary designation.

5. A transfer during the owner's lifetime of the owner's interest in property, with or without consideration, terminates the beneficiary designation with respect to the property transferred.

6. The effective date of a revocation or change in a beneficiary designation must be determined in the same manner as the effective date of a beneficiary designation.

Sec. 42. 1. Property may be held in beneficiary form or registered in beneficiary form by including in the name in which the property is held or registered a direction to transfer the property on the death of the owner to a beneficiary designated by the owner.

2. Property is registered in beneficiary form by showing on the account record, security certificate or written instrument evidencing ownership of the property the name of the owner, and the form of ownership by which two or more joint owners hold the property, followed in substance by the words "transfer on death to...... (name of beneficiary)." In lieu of the words "transfer on death to," the words "pay on death to" or "pay on death to the owner's lineal descendants, per stirpes" or the abbreviation "TOD," "POD" or "LDPS" may be used. The designation of a person's heirs as beneficiaries does not make the property subject to administration as part of the person's estate, but the identities of the beneficiaries must be determined pursuant to chapter 134 of NRS as they relate to the owner's separate property.

3. A transfer-on-death direction may only be placed on an account record, security certificate or instrument evidencing ownership of property by the transferring entity or a person authorized by the transferring entity.

4. A transfer-on-death direction transfers the owner's interest in the property to the designated beneficiary, effective on the death of the owner, if the property is registered in beneficiary form before the death of the owner or if the request to make the transfer-on-death direction is delivered in proper form to the transferring entity before the death of the owner.

5. An account record, security certificate or written instrument evidencing ownership of property that contains a transfer-on-death direction written as part of the name in which the property is held or registered is conclusive evidence in the absence of fraud, duress, undue influence or evidence of clerical mistake by the transferring entity that the direction was regularly made by the owner and accepted by the transferring entity and was not revoked or changed before the death giving rise to the transfer. The transferring entity has no obligation to retain the original writing, if any, by which the owner caused the property to be held in
beneficiary form or registered in beneficiary form, more than 6 months after the transferring entity has mailed or delivered to the owner, at the address shown on the registration, an account statement, certificate or instrument that shows the manner in which the property is held in beneficiary form or registered in beneficiary form.

Sec. 43. Any interest in property that would be distributed by nonprobate transfer to or for a beneficiary who is disqualified as a beneficiary pursuant to chapter 41B of NRS must be transferred as if the disqualified beneficiary had disclaimed the interest immediately upon the decedent’s death.

Sec. 44. An agent, guardian of the person or other fiduciary may not make, revoke or change a beneficiary designation unless:

1. The power of attorney or other document establishing the agent, guardian or other fiduciary’s right to act or a court order expressly authorizes such action; and

2. The action complies with the terms of the governing instrument, the rules of the transferring entity and applicable law.

Sec. 45. If property subject to a beneficiary designation is lost, destroyed, damaged or involuntarily converted during the owner’s lifetime, the beneficiary succeeds to any right with respect to the loss, destruction, damage or involuntary conversion which the owner would have had if the owner had survived but has no interest in any payment or substitute property received by the owner during the owner’s lifetime.

Sec. 46. 1. Except as otherwise provided in NRS 21.090 and other applicable law, a transferee of a nonprobate transfer is liable to the probate estate of the decedent for allowed claims against that decedent's probate estate to the extent the estate is insufficient to satisfy those claims.

2. The liability of a nonprobate transferee may not exceed the value of nonprobate transfers received or controlled by that transferee.

3. Nonprobate transferees are liable for the insufficiency described in subsection 1 in the following order of priority:

(a) A transferee specified in the decedent's will or any other governing instrument as being liable for such an insufficiency, in the order of priority provided in the will or other governing instrument;

(b) The trustee of a trust serving as the principal nonprobate instrument in the decedent's estate plan as shown by its designation as devisee of the decedent's residuary estate or by other facts or circumstances, to the extent of the value of the nonprobate transfer received or controlled; and

(c) Other nonprobate transferees, in proportion to the values received.

4. Unless otherwise provided by the trust instrument, interests of beneficiaries in all trusts incurring liabilities under this section abate as necessary to satisfy the liability, as if all the trust instruments were a single will and the interests were devises under it.

5. If a nonprobate transferee is a spouse or a minor child, the nonprobate transferee may petition the court to be excluded from the
liability imposed by this section as if the nonprobate property received by the spouse or minor child were part of the decedent's estate. Such a petition may be made pursuant to the applicable provisions of chapter 146 of NRS, including, without limitation, the provisions of NRS 146.010, NRS 146.020 without regard to the filing of an inventory and subsection 2 of NRS 146.070.

6. A provision made in one instrument may direct the apportionment of the liability among the nonprobate transferees taking under that or any other governing instrument. If a provision in one instrument conflicts with a provision in another, the later one prevails.

7. Upon due notice to a nonprobate transferee, the liability imposed by this section is enforceable in probate proceedings in this State, whether or not the transferee is located in this State.

8. If a probate proceeding is pending, a proceeding under this section may be commenced by the personal representative of the decedent's estate or, if the personal representative declines to do so, by a creditor in the name of the decedent's estate, at the expense of the creditor and not of the estate. If a creditor successfully establishes an entitlement to payment under this section, the court must order the reimbursement of the costs reasonably incurred by the creditor, including attorney's fees, from the transferee from whom the payment is to be made, subject to the limitations of subsection 2, or from the estate as a cost of administration, or partially from each, as the court deems just. A personal representative who declines in good faith to commence a requested proceeding incurs no personal liability for declining.

9. If a probate proceeding is not pending, a proceeding under this section may be commenced as a civil action by a creditor at the expense of the creditor.

10. If a proceeding is commenced pursuant to this section, it must be commenced:

(a) As to a creditor whose claim was allowed after proceedings challenging disallowance of the claim by the personal representative, within 60 days after final allowance of the claim by the probate court or within 1 year after the decedent's death, whichever is later.

(b) As to a creditor whose claim against the decedent is being adjudicated in a separate proceeding that is still pending 1 year after the decedent's death, within 60 days after the adjudication of the claim in favor of the creditor is final and no longer subject to reconsideration or appeal.

(c) As to the recovery of benefits paid for Medicaid, within 3 years after the decedent's death.

(d) As to all other creditors, within 1 year after the decedent's death.

11. Unless a written notice asserting that a decedent's probate estate is nonexistent or insufficient to pay allowed claims and statutory allowances has been received from the decedent's personal representative, the following rules apply:
(a) Payment or delivery of assets by a financial institution, registrar or other obligor to a nonprobate transferee in accordance with the terms of the governing instrument controlling the transfer releases the obligor from all claims for amounts paid or assets delivered.

(b) A trustee receiving or controlling a nonprobate transfer is released from liability under this section with respect to any assets distributed to the trust's beneficiaries. Each beneficiary to the extent of the distribution received becomes liable for the amount of the trustee's liability attributable to assets received by the beneficiary.

12. Notwithstanding any provision of this section to the contrary:

(a) A creditor has no claim against property transferred pursuant to a power of appointment exercised by a decedent unless it was exercisable in favor of the decedent or the decedent's estate.

(b) A purchaser for value of property or a lender who acquires a security interest in the property from a beneficiary of a nonprobate transfer after the death of the owner, in good faith:

(1) Takes the property free of any claims or of liability to the owner's estate, creditors of the owner's estate, persons claiming rights as beneficiaries under the nonprobate transfer or heirs of the owner's estate, in absence of actual knowledge that the transfer was improper; and

(2) Has no duty to verify sworn information relating to the nonprobate transfer. The protection provided by this subparagraph applies to information that relates to the ownership interest of the beneficiary in the property and the beneficiary's right to sell, encumber and transfer good title to a purchaser or lender and does not relieve a purchaser or lender from the notice imparted by instruments of record respecting the property.

13. As used in this section, "devise" has the meaning ascribed to it in NRS 132.095.

Sec. 47. 1. Except as otherwise provided by the express terms of a governing instrument, a court order or a contract relating to the division of the marital estate made between the divorced persons before or after the marriage, divorce or annulment, the divorce or annulment of a marriage:

(a) Revokes any revocable:

(1) Disposition or appointment of property made by a divorced person to his or her former spouse in a governing instrument and any disposition or appointment created by law or in a governing instrument to a relative of the divorced person's former spouse;

(2) Provision in a governing instrument conferring a general or nongeneral power of appointment on the divorced person's former spouse or on a relative of the divorced person's former spouse; and

(3) Nomination in a governing instrument that nominates a divorced person's former spouse or a relative of the divorced person's former spouse to serve in any fiduciary or representative capacity, including a personal representative capacity, including a personal representative, executor, trustee, conservator, agent or guardian; and
(b) Severs the interest of the former spouses in property held by them at the time of the divorce or annulment as joint tenants with the right of survivorship or as community property with a right of survivorship and transforms the interests of the former spouses into equal tenancies in common.

2. A severance under paragraph (b) of subsection 1 does not affect any third-party interest in property acquired for value and in good faith reliance on an apparent title by survivorship in the survivor of the former spouses unless a writing declaring the severance has been noted, registered, filed or recorded in records appropriate to the kind and location of the property which records are relied upon, in the ordinary course of transactions involving such property, as evidence of ownership.

3. The provisions of a governing instrument are given effect as if the former spouse and relatives of the former spouse disclaimed all provisions revoked by this section or, in the case of a revoked nomination in a fiduciary or representative capacity, as if the former spouse and relatives of the former spouse died immediately before the divorce or annulment.

4. Any provisions revoked solely by this section are revived by the divorced person's remarriage to the former spouse or by a nullification of the divorce or annulment.

5. Unless a court in an action commenced pursuant to chapter 125 of NRS specifically orders otherwise, a restraining order entered pursuant to NRS 125.050 does not preclude a party to such an action from making or changing beneficiary designations that specify who will receive the party's assets upon the party's death.

6. A payor or other third party is not liable for having made a payment or transferred an item of property or any other benefit to a beneficiary designated in a governing instrument affected by the provisions of this section or for having taken any other action in good faith reliance on the validity of the governing instrument before the payor or other third party received written or actual notice of any event affecting a beneficiary designation. A payor or other third party is liable for a payment made or other action taken after the payor or other third party received written or actual notice of a claimed forfeiture or revocation under this section.

7. Written notice of the divorce, annulment or remarriage or written notice of a complaint or petition for divorce or annulment must be mailed to the payor's or other third party's main office or home by registered or certified mail, return receipt requested, or served upon the payor or other third party in the same manner as a summons in a civil action. Upon receipt of written notice of the divorce, annulment or remarriage, a payor or other third party may pay any amount owed or transfer or deposit any item of property held by it to or with the court having jurisdiction of the probate proceedings relating to the decedent's estate or, if no proceedings have been commenced, to or with the court having jurisdiction of probate proceedings relating to decedents' estates located in the county of the
decedent's residence. The court shall hold the funds or item of property and, upon its determination under this section, shall order disbursement or transfer in accordance with the determination. Payments, transfers or deposits made to or with the court discharge the payor or other third party from all claims for the value of amounts paid to or items of property transferred to or deposited with the court.

8. A person who purchases property from a former spouse, relative of a former spouse or any other person for value and without notice, or who receives from a former spouse, relative of a former spouse or any other person a payment or other item of property in partial or full satisfaction of a legally enforceable obligation, is neither obligated under this section to return the payment, item of property or benefit nor is liable under this section for the amount of the payment or the value of the item of property or benefit. A former spouse, relative of a former spouse or other person who, not for value, received a payment, item of property or any other benefit to which that person is not entitled under this section is obligated to return the payment, item of property or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit to the person who is entitled to it under this section.

9. If this section or any part of this section is preempted by federal law with respect to a payment, an item of property or any other benefit covered by this section, a former spouse, relative of the former spouse or any other person who, not for value, received a payment, item of property or any other benefit to which that person is not entitled under this section is obligated to return that payment, item of property or benefit or is personally liable for the amount of the payment or the value of the item of property or benefit to the person who would have been entitled to it were this section or part of this section not preempted.

10. As used in this section:
(a) "Disposition or appointment of property" includes a transfer of an item of property or any other benefit to a beneficiary designated in a governing instrument.
(b) "Divorce or annulment" means any divorce or annulment or any dissolution or declaration of invalidity of a marriage. A decree of separation that does not terminate the status of husband and wife is not a divorce for purposes of this section.
(c) "Divorced person" includes a person whose marriage has been annulled.
(d) "Governing instrument" means a governing instrument executed by a divorced person before the divorce or annulment of the person's marriage to the person's former spouse.
(e) "Relative of the divorced person's former spouse" means a person who is related to the divorced person's former spouse by blood, adoption or affinity and who, after the divorce or annulment, is not related to the divorced person by blood, adoption or affinity.
"Revocable," with respect to a disposition, appointment, provision or nomination, means one under which the divorced person, at the time of the divorce or annulment, was alone empowered, by law or under the governing instrument, to cancel the designation in favor of the person's former spouse or former spouse's relative, whether or not the divorced person was then empowered to designate himself or herself in place of his or her former spouse or in place of his or her former spouse's relative and whether or not the divorced person then had the capacity to exercise the power.

Sec. 48. The provisions of sections 48 to 64, inclusive, of this act:
1. Apply to accounts in financial institutions in this State for which ownership is determined under Nevada law.
2. Do not apply to:
   (a) An account established for a partnership, joint venture or other organization for a business purpose;
   (b) An account controlled by one or more persons as an agent or trustee for a corporation, unincorporated association or charitable or civic organization; or
   (c) A fiduciary or trust account in which the relationship is established other than by the terms of the account.

Sec. 49. 1. An account may be for a single party or multiple parties. A multiple-party account may be with or without a right of survivorship between the parties. Subject to subsection 3 of section 54 of this act, a single-party account or a multiple-party account may have a POD designation or an agency designation, or both.

2. An account established before, on or after October 1, 2011, whether in the form prescribed in subsection 1 of section 50 of this act or in any other form, is a single-party account or a multiple-party account, with or without right of survivorship, and with or without a POD designation or an agency designation, and is governed by sections 48 to 64, inclusive, of this act.

Sec. 50. 1. An agreement of deposit that contains provisions in substantially the following form establishes the type of account provided, and the account is governed by the provisions of sections 48 to 64, inclusive, of this act applicable to an account of that type:

UNIFORM SINGLE- OR MULTIPLE-PARTY ACCOUNT FORM

PARTIES [Name one or more parties]: ...........................................

OWNERSHIP [Select one and initial]: ............................................

   ..... SINGLE-PARTY ACCOUNT
   ..... MULTIPLE-PARTY ACCOUNT

Parties own the account in proportion to net contributions, unless there is clear and convincing evidence of a different intent.

RIGHTS AT DEATH [Select one and initial]:

   ..... SINGLE-PARTY ACCOUNT
At death of party, ownership passes as part of party's estate.

..... SINGLE-PARTY ACCOUNT WITH POD (PAY-ON-DEATH) DESIGNATION
[Name one or more beneficiaries]: .......................................   ..........................................

At death of party, ownership passes to POD beneficiaries and is not part of party's estate but may be subject to party's creditors.

..... MULTIPLE-PARTY ACCOUNT WITH RIGHT OF SURVIVORSHIP
At death of party, ownership passes to surviving parties.

..... MULTIPLE-PARTY ACCOUNT WITH RIGHT OF SURVIVORSHIP AND POD (PAY-ON-DEATH) DESIGNATION
[Name one or more beneficiaries]: .......................................   ..........................................

At death of last surviving party, ownership passes to POD beneficiaries and is not part of last surviving party's estate.

..... MULTIPLE-PARTY ACCOUNT WITHOUT RIGHT OF SURVIVORSHIP
At death of party, deceased party's ownership passes as part of deceased party's estate.

AGENCY (POWER OF ATTORNEY) DESIGNATION [Optional]
Agents may make account transactions for parties but have no ownership or rights at death unless named as POD beneficiaries.
[To add agency designation to account, name one or more agents]: .......................................   ..........................................

[Select one and initial]:

..... AGENCY DESIGNATION SURVIVES DISABILITY OR INCAPACITY OF PARTIES
..... AGENCY DESIGNATION TERMINATES ON DISABILITY OR INCAPACITY OF PARTIES

2. An agreement of deposit that does not contain provisions in substantially the form provided in this section is governed by the provisions of sections 48 to 64, inclusive, of this act applicable to the type of account that most nearly conforms to the depositor's intent.

Sec. 51. 1. By a writing signed by all parties, the parties may designate as agent of all parties on an account a person other than a party to the account.
2. Unless the terms of an agency designation provide that the authority of the agent terminates on disability or incapacity of a party, the agent's authority survives disability and incapacity. The agent may act for a disabled or incapacitated party until the authority of the agent is terminated.

3. The death of the sole party or last surviving party terminates the authority of an agent.

4. Any designation of an agent on an account is revocable and may be superseded by a subsequent designation:
   (a) With regard to a single-party account, by the party; and
   (b) With regard to a multiple-party account, by the parties or a surviving party.

Any designation of an agent is superseded by an acknowledged power of attorney, as described in chapter 162A of NRS, when a copy of that power of attorney is delivered to the financial institution.

Sec. 52. The provisions of sections 52 to 57, inclusive, of this act concerning beneficial ownership as between parties or as between parties and beneficiaries:

1. Apply only to controversies between those persons and their creditors and other successors.

2. Do not apply to the right of those persons to payment as determined by the terms of the account.

Sec. 53. 1. During the lifetime of all parties, an account belongs to the parties in proportion to the net contribution of each to the sums on deposit, unless there is clear and convincing evidence of a different intent. As between parties married to each other, in the absence of proof otherwise, the net contribution of each is presumed to be an equal amount.

2. A beneficiary in an account having a POD designation has no right to sums on deposit during the lifetime of any party.

3. An agent in an account with an agency designation has no beneficial right to sums on deposit.

4. As used in this section, "net contribution" of a party means the sum of all deposits to an account made by or for the party, less all payments from the account made to or for the party which have not been paid to or applied to the use of another party and a proportionate share of any charges deducted from the account, plus a proportionate share of any interest or dividends earned, whether or not included in the current balance. The term includes any deposit life insurance proceeds added to the account by reason of the death of the party whose net contribution is in question.

Sec. 54. 1. Except as otherwise provided in sections 48 to 64, inclusive, of this act or in an applicable contract, on the death of a party, sums on deposit in a multiple-party account belong to the surviving party or parties. If two or more parties survive and one is the surviving spouse of the decedent, the amount to which the decedent, immediately before death,
was beneficially entitled under section 53 of this act belongs to the surviving spouse. If two or more parties survive and none is the surviving spouse of the decedent, the amount to which the decedent, immediately before death, was beneficially entitled under section 53 of this act belongs to the surviving parties in equal shares and augments the proportion to which each survivor, immediately before the decedent's death, was beneficially entitled under section 53 of this act, and the right of survivorship continues between the surviving parties.

2. In an account with a POD designation:
   (a) On the death of one of two or more parties, the rights in sums on deposit are governed by subsection 1.
   (b) On the death of the sole party or the last survivor of two or more parties, sums on deposit belong to the surviving beneficiary or beneficiaries. If two or more beneficiaries survive, sums on deposit belong to them in equal and undivided shares and there is no right of survivorship in the event of the death of a beneficiary thereafter. If no beneficiary survives, sums on deposit belong to the estate of the last surviving party.

3. Sums on deposit in a single-party account without a POD designation, or in a multiple-party account that, by the terms of the account, is without right of survivorship, are not affected by the death of a party, but the amount to which the decedent, immediately before death, was beneficially entitled under section 53 of this act is transferred as part of the decedent's estate. A POD designation in a multiple-party account without right of survivorship is ineffective. For the purposes of this section, the designation of an account as a tenancy in common establishes that the account is without right of survivorship.

4. The ownership right of a surviving party or beneficiary, or of the decedent's estate, in sums on deposit is subject to requests for payment made by a party before the party's death, whether paid by the financial institution before or after the death, or unpaid. The surviving party or beneficiary, or the decedent's estate, is liable to the payee of an unpaid request for payment. The liability is limited to a proportionate share of the amount transferred under this section, to the extent necessary to discharge the request for payment.

Sec. 55. 1. The rights at death under section 54 of this act are determined by the type of account at the death of a party. The type of account may be altered by written notice given by a party to the financial institution to change the type of account or to stop or vary payment under the terms of the account. The notice must be signed by a party and received by the financial institution during the party's lifetime.

2. A right of survivorship arising from the express terms of the account, section 54 of this act or a POD designation may not be altered by a will.

Sec. 56. A transfer resulting from the application of section 54 of this act is effective by reason of the terms of the account involved and
sections 48 to 64, inclusive, of this act and is not testamentary or subject to estate administration. Nonprobate transfers are effective with or without consideration.

Sec. 57. A deposit of community property in an account does not alter the community character of the property or community rights in the property, but a right of survivorship between parties married to each other arising from the express terms of the account or section 54 of this act may not be altered by a will.

Sec. 58. A financial institution may enter into an agreement of deposit for a multiple-party account to the same extent it may enter into an agreement of deposit for a single-party account, and may provide for a POD designation and an agency designation in a single-party account or a multiple-party account. A financial institution need not inquire as to the source of a deposit to an account or as to the proposed application of a payment from an account.

Sec. 59. A financial institution, on request, may pay sums on deposit in a multiple-party account to:
  1. One or more of the parties, whether or not another party is disabled, incapacitated or deceased when payment is requested and whether or not the party making the request survives another party; or
  2. The personal representative, if any, or, if there is none, the heirs or devisees of a deceased party if proof of death is presented to the financial institution showing that the deceased party was the survivor of all other persons named on the account as a party or beneficiary, unless the account is without right of survivorship under section 49 of this act.

Sec. 60. A financial institution, on request, may pay sums on deposit in an account with a POD designation to:
  1. One or more of the parties, whether or not another party is disabled, incapacitated or deceased when the payment is requested and whether or not a party survives another party;
  2. The beneficiary or beneficiaries, if proof of death is presented to the financial institution showing that the beneficiary or beneficiaries survived all persons named as parties; or
  3. The personal representative, if any, or, if there is none, the heirs or devisees of a deceased party, if proof of death is presented to the financial institution showing that the deceased party was the survivor of all other persons named on the account as a party or beneficiary.

Sec. 61. A financial institution, on request of an agent under an agency designation for an account, may pay to the agent sums on deposit in the account, whether or not a party is disabled, incapacitated or deceased when the request is made or received, and whether or not the authority of the agent terminates on the disability or incapacity of a party.

Sec. 62. If a financial institution is required or authorized to make payment pursuant to sections 48 to 64, inclusive, of this act to a minor designated as a beneficiary, payment may be made pursuant to Nevada's
Uniform Act on Transfers to Minors, as set forth in chapter 167 of NRS, or an equivalent law in another jurisdiction.

Sec. 63. 1. Payment made pursuant to sections 48 to 64, inclusive, of this act, in accordance with the type of account, discharges the financial institution from all claims for amounts so paid, whether or not the payment is consistent with the beneficial ownership of the account as between parties, beneficiaries or their successors. Payment may be made whether or not a party, beneficiary or agent is disabled, incapacitated or deceased when payment is requested, received or made.

2. Protection under this section does not extend to payments made after a financial institution has received written notice from a party, or from the personal representative, surviving spouse, or heir or devisee of a deceased party, to the effect that payments in accordance with the terms of the account, including one having an agency designation, should not be authorized, and the financial institution has had a reasonable opportunity to act on it when the payment is made. Unless the notice is withdrawn by the person giving it, the successor of any deceased party must concur in a request for payment if the financial institution is to be protected under this section. Unless a financial institution has been served with process in an action or proceeding, no other notice or other information shown to have been available to the financial institution affects its right to protection under this section.

3. A financial institution that receives written notice pursuant to this section or otherwise has reason to believe that a dispute exists as to the rights of the parties may refuse, without liability, to make payments in accordance with the terms of the account.

4. Protection of a financial institution under this section does not affect the rights of parties in disputes between themselves or their successors concerning the beneficial ownership of sums on deposit in accounts or payments made from accounts.

Sec. 64. A beneficiary of a nonprobate transfer takes the owner's interest in the property at death, subject to all conveyances, assignments, contracts, setoffs, licenses, easements, liens and security interests made by the owner or to which the owner was subject during the owner's lifetime. Subject to the limitation of subsection 2 of section 46:

1. A beneficiary of a nonprobate transfer of an account with a bank, savings and loan association, credit union, broker or mutual fund takes the owner's interest in the property at death, subject to all requests for payment of money issued by the owner before death, whether paid by the transferring entity before or after the death or unpaid.

2. The beneficiary is liable to the payee of an unsatisfied request for payment, to the extent that it represents an obligation that was enforceable against the owner during the owner's lifetime. To the extent that a claim properly paid by the personal representative of the owner's estate includes
the amount of an unsatisfied request for payment to the claimant, the personal representative is subrogated to the rights of the claimant as payee.

3. Each beneficiary's liability with respect to an unsatisfied request for payment is limited to the same proportionate share of the request for payment as the beneficiary's proportionate share of the account under the beneficiary designation. Beneficiaries have the right of contribution among themselves with respect to requests for payment which are satisfied after the death of the owner, to the extent the requests for payment would have been enforceable by the payees.

4. In no event may a beneficiary's liability to payees, to the owner's estate and to other beneficiaries pursuant to this section, with respect to all requests for payment, exceed the value of the account received by the beneficiary. If a request for payment which would not have been enforceable under this section is satisfied from a beneficiary's share of the account, the beneficiary:

(a) Is not liable to any other payee or the owner's estate pursuant to this section for the amount so paid; and

(b) Has no right of contribution against other beneficiaries with respect to that amount.

Sec. 65. Chapter 132 of NRS is hereby amended by adding thereto a new section to read as follows:

"Nonprobate transfer" has the meaning ascribed to it in section 17 of this act.

Sec. 66. NRS 132.025 is hereby amended to read as follows:

132.025 As used in this title, unless the context otherwise requires, the words and terms defined in NRS 132.030 to 132.370, inclusive, and section 65 of this act have the meanings ascribed to them in those sections.

Sec. 67. NRS 132.050 is hereby amended to read as follows:

132.050 "Beneficiary," as it relates to:

1. A trust, includes a person who has a present or future interest, vested or contingent, and the owner of an interest by assignment or other transfer;

2. A charitable trust, includes any person entitled to enforce the trust;

3. An instrument designating a beneficiary, includes a beneficiary of an insurance policy or annuity, of an account designated as payable on death, of a security registered as transferable on death or of a pension, profit-sharing, retirement or similar benefit plan or other nonprobate transfer; and

4. A beneficiary designated in a governing instrument, includes a grantee of a deed, a devisee, a beneficiary of a trust, a beneficiary under a designation, a donee, an appointee or a taker in default under a power of appointment, or a person in whose favor a power of attorney or a power held in any individual, fiduciary or representative capacity is exercised, but does not include a person who receives less than $100 under a will.

Sec. 68. NRS 132.090 is hereby amended to read as follows:
"Designation of beneficiary" means a governing instrument naming a beneficiary of an insurance policy or annuity, of an account designated as payable on death, of a security registered as transferable on death, or of a pension, profit-sharing, retirement or similar benefit plan or other nonprobate transfer.

Sec. 69. NRS 132.185 is hereby amended to read as follows:

132.185 1. "Interested person" includes, without limitation, an heir, devisee, child, spouse, creditor, settlor, beneficiary and any other person having a property right in or claim against a trust estate or the estate of a decedent, including, without limitation, the Director of the Department of Health and Human Services in any case in which money is owed to the Department of Health and Human Services as a result of the payment of benefits for Medicaid. The term includes a person having priority for appointment as a personal representative and other fiduciaries representing interested persons. The meaning as it relates to particular persons must be determined according to the particular purposes of, and matter involved in, a proceeding.

2. The term does not include:

(a) After a will has been admitted to probate, an heir, child or spouse who is not a beneficiary of the will, except for purposes of NRS 133.110, 133.160 and 137.080.

(b) A person with regard to a motion, petition or proceeding that does not affect an interest of that person.

(c) A creditor whose claim has not been accepted by the personal representative if the enforcement of the claim of the creditor is barred under the provisions of chapter 11 or 147 of NRS or any other applicable statute of limitation.

Sec. 70. Chapter 133 of NRS is hereby amended by adding thereto a new section to read as follows:

Except to the extent that it violates public policy, a testator may:

1. Make a devise conditional upon a devisee's action or failure to take action or upon the occurrence or nonoccurrence of one or more specified events; and

2. Specify the conditions or actions which would disqualify a person from serving or which would constitute cause for removal of a person who is serving in any capacity under the will, including, without limitation, as a personal representative, guardian or trustee.

Sec. 71. NRS 133.200 is hereby amended to read as follows:

133.200 In the absence of a provision in the will to the contrary, [take the estate so given by the will in the same manner as the devisee would have done if the devisee had survived the testator;] if any beneficiary who is a descendant of the testator dies before the testator, leaving lineal descendants, the property, share or beneficial interest that
would have been distributed or allocated to that deceased beneficiary must be distributed or allocated to that beneficiary's descendants then living, by right of representation, to be distributed under the same terms that would have applied to the deceased beneficiary.

Sec. 72. Chapter 136 of NRS is hereby amended by adding thereto a new section to read as follows:

The provisions of section 47 of this act concerning the revocation of certain transfers based upon divorce or annulment apply to transfers of property made pursuant to a will.

Sec. 73. NRS 137.005 is hereby amended to read as follows:

137.005 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a will must be enforced by the court.

2. A no-contest clause must be construed to carry out the testator's intent. Except to the extent the will is vague or ambiguous, extrinsic evidence is not admissible to establish the testator's intent concerning the no-contest clause. The provisions of this subsection do not prohibit such evidence from being admitted for any other purpose authorized by law. Except as otherwise provided in subsections 3 and 4, a devisee's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the testator in the will, including, without limitation, any testamentary trust established in the will. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the will itself, including, without limitation:

(1) The commencement of civil litigation against the testator's probate estate or family members;

(2) Interference with the administration of a trust or a business entity;

(3) Efforts to frustrate the intent of the testator's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the testator.

3. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated if the devisee seeks only to:

(a) Enforce the terms of the will or any document referenced in or affected by the will;

(b) Enforce the devisee's legal rights in the probate proceeding; or

(c) Obtain a court ruling with respect to the construction or legal effect of the will.

4. Notwithstanding any provision to the contrary in the will, a devisee's share must not be reduced or eliminated under a no-contest clause because the devisee institutes legal action seeking to invalidate a will if the legal action is instituted in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that there was a substantial likelihood that the will was invalid.
5. As used in this section, "no-contest clause" means one or more provisions in a will that express a directive to reduce or eliminate the share allocated to a devisee or to reduce or eliminate the distributions to be made to a devisee if the devisee takes action to frustrate or defeat the testator's intent as expressed in the will.

Sec. 74. NRS 141.120 is hereby amended to read as follows:

Sec. 132. 1. A waiver or consent pursuant to section 130 or 131 of this act may be revoked only in writing and is effective only when the writing is received by the personal representative.

Sec. 133. 1. The notice of proposed action must state all the following:

(a) The name and mailing address of the personal representative.

(b) The person and telephone number to call to get additional information.

not less than 15 days before the date specified in the notice of proposed
action on or after which the proposed action is to be taken. If mailed, the
notice of proposed action must be addressed to the person at the person's
last known address. The notice of proposed action must be mailed or

section 143 of this act or may make the objection in any other writing that
identifies the proposed action with reasonable certainty and indicates that
the person objects to the taking of the proposed action.
3. The personal representative is deemed to have notice of the objection
to the proposed action if the notice is delivered or received at the address

jurisdiction over the proceeding for an order restraining the personal
representative from taking the proposed action without court supervision.
The court shall grant the requested order without requiring notice to the

the proposed action is to be taken; or
(b) The date on which the proposed action is actually taken,
whichever occurs later.

Sec. 137. 1. If the proposed action is one that would require court supervision if the personal representative had not been granted authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act, and the personal representative has notice of a written objection made pursuant to section 135 of this act or a restraining order issued pursuant to section 136 of this act, the personal representative shall, if the personal representative desires to take the proposed action, petition the court to obtain approval from the court.

2. If the proposed action is one that would not require court supervision even if the personal representative had not been granted authority to administer the estate pursuant to sections 76 to 144, inclusive, of this act, but the personal representative has given notice of the proposed action and has notice of a written objection made pursuant to section 135 of this act or a restraining order issued pursuant to section 136 of this act, the personal representative shall, if he or she desires to take the proposed action, request instructions from the court concerning the proposed action. Sec. 138. 1. (b) The person has waived notice of or consented to the proposed action as provided in sections 130 and 131 of this act.

2. Unless the person has waived notice of or consented to the proposed action as provided in sections 130 and 131 of this act, the court may review the action taken upon a petition filed by a person described in section 129 of this act who establishes that he or she did not actually receive the notice of proposed action before the time to object pursuant to subsection 4 expired.

3. The court may review the action of the personal representative upon a petition filed by an heir or devisee who establishes all the following:

The failure of the personal representative who has limited authority or full authority to comply with subsection 1 of section 128 of this act and with sections 129, 133, 134 and 137 of this act, and the taking of the action by the personal representative without such compliance, does not affect the validity of the action so taken or the title to any property conveyed or transferred to bona fide purchasers or the rights of third persons who, dealing in good faith with the personal representative, changed their position in reliance upon the action, conveyance or transfer without actual notice of the failure of the personal representative to comply with those provisions.

2. A person dealing with the personal representative does not have any duty to inquire or investigate whether the personal representative has complied with the provisions listed in subsection 1.

Sec. 140. 1. In a case where notice of a proposed action is required by sections 128 to 140, inclusive, of this act, the court, in its discretion, may remove the personal representative from office unless the personal representative:

(a) Gives notice of the proposed action as provided in sections 128 to 140, inclusive, of this act;

2. A compromise may also be authorized by the court when it appears to
be just and for the best interest of the estate.
3. The court may also authorize the personal representative, on such
terms and conditions as may be approved by it, to extend or renew, or in any

provisions set forth as sections 149 and 150 of this act.

Sec. 149. If the estate is set aside pursuant to NRS 146.070, the court
may order reasonable attorney's fees and costs to be paid from the assets
being set aside directly to the attorney for the petitioner.

Sec. 150. 1. Notwithstanding any provision to the contrary in the
will, a personal representative who is an attorney retained to perform
services for the personal representative may receive compensation for
services as a personal representative or for services as an attorney for the
personal representative, but not both, unless the court:
   (a) Approves a different method of compensation in advance; and
(b) Finds that method of compensation to be for the advantage, benefit and best interests of the decedent's estate.

2. The provisions of this section shall not be construed to disallow compensation for services rendered by an attorney as a personal representative if:

(a) Such services are included as part of the legal services of the attorney in a manner consistent with NRS 150.060; and

(b) The attorney does not receive compensation pursuant to subsection 1 of NRS 150.020.

3. The services which are rendered by a personal representative who is an attorney and for which compensation is requested pursuant to this section include services rendered by an employee, associate or partner in the same firm of such an attorney and services rendered by an affiliate of such an attorney.

4. As used in this section, "affiliate" has the meaning ascribed to it in NRS 163.020.

Sec. 151. NRS 150.010 is hereby amended to read as follows:

150.010 The personal representative must be allowed all necessary expenses in the administration and settlement of the estate, and fees for services as provided by law, but if the decedent by will makes some other provision for the compensation of the personal representative, this shall be deemed a full compensation for those services, unless within 60 days after his or her appointment the personal representative files a renunciation, in writing, of all claim for the compensation provided by the will.

Sec. 152. NRS 150.050 is hereby amended to read as follows:

150.050 1. A personal representative, at any time after the issuance of letters and upon such notice to the interested persons as the court requires, may apply to the court for an allowance upon his or her fees.

2. On the hearing, the court shall enter an order allowing the personal representative who applied to the court pursuant to subsection 1 such portion of the fees, for services rendered up to that time, as the court deems proper, and the portion so allowed may be charged against the estate.

Sec. 153. NRS 150.060 is hereby amended to read as follows:

150.060 1. An attorney for a personal representative is entitled to reasonable compensation for the attorney's services, to be paid out of the decedent's estate.

2. An attorney for a personal representative may be compensated based on:

(a) The applicable hourly rate of the attorney;

(b) The value of the estate accounted for by the personal representative;

(c) An agreement as set forth in subsection 4 of NRS 150.061; or

(d) Any other method preapproved by the court pursuant to a request in the initial petition for the appointment of the personal representative.

3. If the attorney is requesting compensation based on the hourly rate of the attorney, he or she may include, as part of that compensation for ordinary
services, a charge for legal services or paralegal services performed by a
person under the direction and supervision of the attorney.

4. If the attorney is requesting compensation based on the value of the
estate accounted for by the personal representative, the allowable
compensation of the attorney for ordinary services must be determined as
follows:
   (a) For the first $100,000, at the rate of 4 percent;
   (b) For the next $100,000, at the rate of 3 percent;
   (c) For the next $800,000, at the rate of 2 percent;
   (d) For the next $9,000,000, at the rate of 1 percent;
   (e) For the next $15,000,000, at the rate of 0.5 percent; and
   (f) For all amounts above $25,000,000, a reasonable amount to be
determined by the court.

5. Before an attorney may receive compensation based on the value of
the estate accounted for by the personal representative, the personal
representative must sign a written agreement as required by subsection 8. The
agreement must be prepared by the attorney and must include detailed
information, concerning, without limitation:
   (a) The schedule of fees to be charged by the attorney;
   (b) The manner in which compensation for extraordinary services may be
charged by the attorney; and
   (c) The fact that the court is required to approve the compensation of the
attorney pursuant to subsection 8 before the personal representative pays any
such compensation to the attorney.

6. For the purposes of determining the compensation of an attorney
pursuant to subsection 4, the value of the estate accounted for by the personal
representative:
   (a) Is the total amount of the appraisal of property in the inventory, plus:
      (1) The gains over the appraisal value on sales; and
      (2) The receipts, less losses from the appraisal value on sales; and
   (b) Does not include encumbrances or other obligations on the property of
the estate.

7. In addition to the compensation for ordinary services of an attorney set
forth in this section, an attorney may also be entitled to receive compensation
for extraordinary services as set forth in NRS 150.061.

8. The compensation of the attorney must be fixed by written agreement
between the personal representative and the attorney, and is subject to
approval by the court, after petition, notice and hearing as provided in this
section. If the personal representative and the attorney fail to reach
agreement, or if the attorney is also the personal representative, the amount
must be determined and allowed by the court. The petition requesting
approval of the compensation of the attorney must contain specific and
detailed information supporting the entitlement to compensation, including:
(a) If the attorney is requesting compensation based upon the value of the estate accounted for by the personal representative, the attorney must provide the manner of calculating the compensation in the petition; and

(b) If the attorney is requesting compensation based on an hourly basis, or is requesting compensation for extraordinary services, the attorney must provide the following information to the court:

   (1) Reference to time and hours;
   (2) The nature and extent of services rendered;
   (3) Claimed ordinary and extraordinary services;
   (4) The complexity of the work required; and
   (5) Other information considered to be relevant to a determination of entitlement.

9. The clerk shall set the petition for hearing, and the petitioner shall give notice of the petition to the personal representative if he or she is not the petitioner and to all known heirs in an intestacy proceeding and devisees in a will proceeding. The notice must be given for the period and in the manner provided in NRS 155.010. If a complete copy of the petition is not attached to the notice, the notice must include a statement of the amount of the fee which the court will be requested to approve or allow.

10. On similar petition, notice and hearing, the court may make an allowance to an attorney for services rendered up to a certain time during the proceedings. If the attorney is requesting compensation based upon the value of the estate as accounted for by the personal representative, the court may apportion the compensation as it deems appropriate given the amount of work remaining to close the estate.

11. An heir or devisee may file objections to a petition filed pursuant to this section, and the objections must be considered at the hearing.

12. Except as otherwise provided in this subsection, an attorney for minor, absent, unborn, incapacitated or nonresident heirs is entitled to compensation primarily out of the estate of the distributee so represented by the attorney in those cases and to such extent as may be determined by the court. If the court finds that all or any part of the services performed by the attorney for the minor, absent, unborn, incapacitated or nonresident heirs was of value to the decedent's entire estate as such and not of value only to those heirs, the court shall order that all or part of the attorney's fee be paid to the attorney out of the money of the decedent's entire estate as a general administrative expense of the estate. The amount of these fees must be determined in the same manner as the other attorney's fees provided for in this section.

Sec. 154. NRS 150.063 is hereby amended to read as follows:

150.063 I. If there are two or more attorneys for a personal representative, the compensation must be apportioned among the attorneys by the court according to the services actually rendered by each attorney unless otherwise provided in an agreement by the attorneys.
2. Sec. 155. NRS 150.065 is hereby amended to read as follows:

150.065 1. 2. The notice must be given for the period and in the manner provided in NRS 155.010. If a complete copy of the petition is not attached to the notice, the notice must include a statement of the amount of the compensation which the court will be requested to approve or allow and the manner in which the compensation was determined.

3. On the hearing, the court may enter an order allowing the portion of the compensation of the attorney for the personal representative for such services rendered up to that time as the court deems proper. 1. Is described in subsection 2 of section 167 of this act; or
2. Has served as an attorney for a person who is described in subsection 2 of section 167 of this act.

Sec. 162. "Related to, affiliated with or subordinate to any person" includes, without limitation:
1. The person's spouse;
2. A relative of the person within the third degree of consanguinity or the spouse of such a relative;
3. A co-owner of a business with the person;
4. An employee of a business if the person:
   (a) Has an ownership interest in the business; or
   (b) Holds a supervisory position with the business;
5. An attorney or employee of a law firm for which the person is or was a client; and
6. Any entity owned or controlled by a person described in subsections 1 to 5, inclusive.

Sec. 163. "Spouse" includes a domestic partner as defined in NRS 122A.030.

Sec. 164. "Transfer instrument" means the legal document intended to effectuate a transfer effective on or after the transferor's death and includes, without limitation, a will, trust, deed, form designated as payable on death, contract or other beneficiary designation form.

Sec. 165. "Transferee" means a devisee, a beneficiary of trust, a grantee of a deed, including a grantee of a deed pursuant to NRS 111.109, and any other person designated in a transfer instrument to receive a nonprobate transfer.

Sec. 166. "Transferor" means a testator, settlor, grantor of a deed and a decedent whose interest is transferred pursuant to a nonprobate transfer.

Sec. 167. 1. To the extent the court finds that a transfer was the product of fraud, duress or undue influence, the transfer is void and each transferee who is found responsible for the fraud, duress or undue influence shall bear the costs of the proceedings, including, without limitation, reasonable attorney's fees.

2. Except as otherwise provided in section 168 of this act, a transfer is presumed to be void if the transfer is effective on or after a transferor's death and the transfer is to a transferee who is:
   (a) The person who drafted the transfer instrument;
   (b) A caregiver of the transferor;
(c) A person who arranged for or paid for the drafting of the transfer instrument; or

(d) A person who is related to, affiliated with or subordinate to any person described in paragraph (a), (b) or (c).

Sec. 168. The presumption established by section 167 of this act does not apply:

1. To a transfer of property under a will if the transferee is an heir of the testator whose share in the estate of the testator under the terms of the testator's will is not greater than the share the transferee would be entitled to pursuant to chapter 134 of NRS if the testator had died intestate.

2. Except as otherwise provided in this subsection, if the court determines, upon clear and convincing evidence, that the transfer was not the product of fraud, duress or undue influence. The determination of the court pursuant to this subsection must not be based solely upon the testimony of a person described in subsection 2 of section 167 of this act.

3. If the transfer instrument is reviewed by an independent attorney who:

   (a) Counsels the transferor about the nature and consequences of the intended transfer;

   (b) Attempts to determine if the intended consequence is the result of fraud, duress or undue influence; and

   (c) Signs and delivers to the transferor an original certificate of that review in substantially the following form:

   CERTIFICATE OF INDEPENDENT REVIEW

   I,.............. (attorney's name), have reviewed.............. (name of transfer instrument) and have counseled my client,.............. (name of client), on the nature and consequences of the transfer or transfers of property to.............. (name of transferee) contained in the transfer instrument. I am disassociated from the interest of the transferee to the extent that I am in a position to advise my client independently, impartially and confidentially as to the consequences of the transfer. On the basis of this counsel, I conclude that the transfer or transfers of property in the transfer instrument that otherwise might be invalid pursuant to section 167 of this act are valid because the transfer or transfers are not the product of fraud, duress or undue influence

   .......................................................... ..........................................................

   (Name of Attorney)                  (Date)

4. To a transferee that is:

   (a) A federal, state or local public entity; or

   (b) An entity that is recognized as exempt under section 501(c)(3) or 501(c)(19) of the Internal Revenue Code, 26 U.S.C. § 501(c)(3) or 501(c)(19), or a trust holding an interest for such an entity but only to the extent of the interest of the entity or the interest of the trustee of the trust.
5. A transfer of property if the fair market value of the property does not exceed $3,000.

Sec. 169. The provisions of sections 167 and 168 of this act do not abrogate or limit any principle or rule of the common law, unless the common law principle or rule is inconsistent with the provisions of sections 167 and 168 of this act.

Sec. 170. 1. The court may find that a person is a vexatious litigant if the person files a petition, objection, motion or other pleading which is without merit or intended to harass or annoy the personal representative or a trustee. In determining whether the person is a vexatious litigant, the court may take into consideration whether the person has previously filed pleadings in a proceeding that were without merit or intended to harass or annoy a fiduciary.

2. If a court finds that a person is a vexatious litigant pursuant to subsection 1, the court may impose sanctions on the person in an amount sufficient to reimburse the estate or trust for all or part of the expenses incurred by the estate or trust to respond to the petition, objection, motion or other pleading and for any other pecuniary losses which are associated with the actions of the vexatious litigant. The court may make an order directing entry of judgment for the amount of such sanctions.

3. The court may deny standing to an interested party to bring a petition or motion if the court finds that:

(a) The subject matter of the petition or motion is unrelated to the interests of the interested party;

(b) The interests of the interested party are minimal as it relates to the subject matter of the petition or motion; or

(c) The interested party is a vexatious litigant pursuant to subsection 1.

4. If a court finds that a person is a vexatious litigant pursuant to subsection 1, that person does not have standing to:

(a) Object to the issuance of letters; or

(b) Request the removal of a personal representative or a trustee.

Sec. 171. NRS 155.030 is hereby amended to read as follows:

155.030 1. At any time after the issuance of letters in the estate of a decedent, an interested person or the person's attorney may serve upon the personal representative or the personal representative's attorney, and file with the clerk of the court wherein administration of the estate is pending, a written request stating that the interested person desires special notice and a copy of any further filings, steps or proceedings in the administration of the estate.

2. The request must state the post office address of the requester or the requester's attorney, and thereafter a brief notice of the filing of any returns, petitions, accounts, reports or other proceedings, together with a copy of the filing, must be addressed to that person or the person's attorney, at his or her stated mailing address, and deposited with the United States Postal Service with the postage thereon prepaid, within 2 days after each is filed, or personal
service of the notice may be made on the person or the person's attorney within the 2 days, and the personal service is equivalent to deposit in the post office, and proof of mailing or of personal service must be filed with the clerk before the hearing of the proceeding.

3. If, upon the hearing, it appears to the satisfaction of the court that the notice has been regularly given, the court shall so find in its order and the order is final and conclusive upon all persons.

4. An interested person in a testamentary trust or its property, or the attorney for that person, may serve upon the trustee or the trustee's attorney, and file with the clerk of the court wherein administration of the trust is pending, a written request stating that he or she desires notice of the filing of accounts and petitions in connection with the trust. The provisions of subsections 2 and 3 apply to such a request.

5. An attorney whose only appearance on behalf of an interested person has been the filing of a written request for notice pursuant to subsection 1 may, without further court order:
   (a) Terminate his or her services;
   (b) Serve upon the personal representative or the personal representative's attorney an amended written request for notice directing that any further notice be sent to the interested person at his or her last known address; and
   (c) File the amended written request for notice with the clerk of the court wherein administration of the estate is pending.

6. Any filing of a motion for substitution of counsel or order authorizing withdrawal of counsel of record for an attorney who has filed a written request for notice on behalf of an interested person pursuant to subsection 1 shall be deemed to be an amended written request for notice as described in subsection 5, and any further notice must be sent to the address provided in the motion for substitution of counsel or the order authorizing the withdrawal of counsel, as applicable.

7. On the filing of an inventory or a supplementary inventory, the personal representative shall mail a copy to each person who has requested special notice.

Sec. 172. NRS 155.140 is hereby amended to read as follows:

155.140 1. In a proceeding involving the estate of a decedent or a testamentary trust:
   (a) Interests to be affected must be described in pleadings that give reasonable information to owners by name or class, by reference to the instrument creating the interest or in another appropriate manner.
   (b) An order binding the sole holder or all co-holders of a power of revocation or presently exercisable general power of appointment, including a power of amendment, binds other persons to the extent their interests, as objects, takers in default or otherwise, are subject to the power.
   (c) To the extent there is no conflict of interest between them or among persons represented:
(1) An order binding a guardian of the estate binds the person whose estate the guardian controls.

(2) An order binding a guardian of the person binds the ward if no separate guardian of the estate of the ward has been appointed.

(3) An order binding a trustee binds beneficiaries of the trust in a proceeding to probate a will establishing or adding to the trust, to review the acts or accounts of a previous fiduciary, or involving creditors or other third parties.

(4) An order binding a personal representative binds persons interested in the undistributed assets of the estate of a decedent in an action or proceeding by or against the estate.

(d) If there is no conflict of interest and no guardian of the estate has been appointed, a parent may represent his or her minor child.

(e) An unborn or unascertained person who is not otherwise represented is bound by an order to the extent his or her interest is adequately represented by another person having a substantially identical interest in the proceeding.

(f) Notice as prescribed by this title must be given to every interested person or to one who can bind an interested person under subsection paragraph (b), (c) or (d). Notice may be given both to a person and to another who can bind him or her.

(g) Notice is given to unborn or unascertained persons who are not represented under subsection paragraph (b), (c) or (d) by giving notice to all known persons whose interest in the proceeding is substantially identical to that of the unborn or unascertained persons.

(h) At any stage of a proceeding, the court may appoint a guardian ad litem or an attorney to represent the interest of a minor, an incapacitated, unborn or unascertained person, or a person whose identity or address is unknown, if the court determines that representation of the interest would otherwise be inadequate. If not precluded by conflict of interest, a guardian ad litem or an attorney may be appointed to represent several persons or interests. The court shall set out its reasons for appointing a guardian ad litem or an attorney as a part of the record of the proceeding.

2. If an attorney has been appointed for minors or other interested persons, the attorney, until another may be appointed, shall represent the person or persons for whom the attorney has been appointed in all subsequent proceedings.

3. In any proceeding filed pursuant to this title, the court has jurisdiction and authority to fix and adjudicate fees and costs due an attorney from his or her client for services performed by the attorney in connection with the proceeding.

Sec. 173. NRS 155.170 is hereby amended to read as follows:

155.170 The testimony of a witness or witnesses in other counties of this State, or in other jurisdictions of the United States, or in foreign countries, may be taken by deposition as provided in the Nevada Rules of Civil Procedure. Unless otherwise ordered by the court, upon the filing of
a proceeding pursuant to this title and service of the notice of hearing to
other interested persons, an interested person who has appeared in the
proceeding and given notice of his or her appearance to other interested
persons:

1. May obtain discovery, perpetuate testimony or conduct examinations
in any manner authorized by law or by the Nevada Rules of Civil
Procedure relevant to such proceeding; and

2. Is not required to satisfy any rule requiring the initial disclosure of
experts, attendance at an early case conference or the filing of a report on
an early case conference as a prerequisite to commencing an action
described in subsection 1.

Sec. 174. NRS 159.065 is hereby amended to read as follows:

159.065 1. Except as otherwise provided by law, every guardian shall,
before entering upon his or her duties as guardian, execute and file in the
guardianship proceeding a bond, with sufficient surety or sureties, in such
amount as the court determines necessary for the protection of the ward and
the estate of the ward, and conditioned upon the faithful discharge by the
guardian of his or her authority and duties according to law. The bond must
be approved by the clerk. Sureties must be jointly and severally liable with
the guardian and with each other.

2. If a banking corporation, as defined in NRS 657.016, doing business
in this state, is appointed guardian of the estate of a ward, no bond is required
of the guardian, unless specifically required by the court.

3. Joint guardians may unite in a bond to the ward or wards, or each may
give a separate bond.

4. If there are no assets of the ward, no bond is required of the guardian.

5. If a person has been nominated to be guardian

in a will, power of attorney or other written instrument that has been
acknowledged before two disinterested witnesses or acknowledged before a
notary public and the will, power of attorney or other written instrument
provides that no bond is to be required of the guardian, the court may direct
letters of guardianship to issue to the guardian after the guardian:

(a) Takes and subscribes the oath of office; and

(b) Files the appropriate documents which contain the full legal name and
address of the guardian.

6. In lieu of executing and filing a bond, the guardian may request that
access to certain assets be blocked. The court may grant the request and order
letters of guardianship to issue to the guardian if sufficient evidence is filed
with the court to establish that such assets are being held in a manner that
prevents the guardian from accessing the assets without a specific court
order.

Sec. 175. Chapter 162 of NRS is hereby amended by adding thereto a
new section to read as follows:
1. An attorney who represents a fiduciary does not, solely as a result of such attorney-client relationship, assume a corresponding duty of care or other fiduciary duty to a principal.

2. Nothing in this section limits a principal, fiduciary or successor fiduciary's ability to assert appropriate claims against the attorney resulting from the negligent or intentional acts of the attorney.

3. As used in this section:
   (a) "Fiduciary" has the meaning ascribed to it in NRS 162.020.
   (b) "Principal" has the meaning ascribed to it in NRS 162.020.

Sec. 176. Chapter 163 of NRS is hereby amended by adding thereto a new section to read as follows:

Except to the extent that it violates public policy, a settlor may:

1. Make a devise conditional upon a beneficiary's action or failure to take action or upon the occurrence or nonoccurrence of one or more specified events; and

2. Specify the conditions or actions which would disqualify a person from serving or which would constitute cause for removal of a person who is serving in any capacity under the trust, including, without limitation, as a trustee, trust protector or trust adviser.

Sec. 177. NRS 163.00195 is hereby amended to read as follows:

163.00195 1. Except as otherwise provided in subsections 3 and 4, a no-contest clause in a trust must be enforced by the court.

2. A no-contest clause must be construed to carry out the settlor's intent. Except to the extent the no-contest clause in the trust is vague or ambiguous, extrinsic evidence is not admissible to establish the settlor's intent concerning the no-contest clause. The provisions of this subsection do not prohibit such evidence from being admitted for any other purpose authorized by law.

Except as otherwise provided in subsections 3 and 4, a beneficiary's share may be reduced or eliminated under a no-contest clause based upon conduct that is set forth by the settlor in the trust. Such conduct may include, without limitation:

(a) Conduct other than formal court action; and

(b) Conduct which is unrelated to the trust itself, including, without limitation:

(1) The commencement of civil litigation against the settlor's probate estate or family members;

(2) Interference with the administration of another trust or a business entity;

(3) Efforts to frustrate the intent of the settlor's power of attorney; and

(4) Efforts to frustrate the designation of beneficiaries related to a nonprobate transfer by the settlor.

3. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated if the beneficiary seeks only to:
(a) Enforce the terms of the trust, any document referenced in or affected by the trust, or any other trust-related instrument;
(b) Enforce the beneficiary's legal rights related to the trust, any document referenced in or affected by the trust, or any trust-related instrument; or
(c) Obtain a court ruling with respect to the construction or legal effect of the trust, any document referenced in or affected by the trust, or any other trust-related instrument.

4. Notwithstanding any provision to the contrary in the trust, a beneficiary's share must not be reduced or eliminated under a no-contest clause in a trust because the beneficiary institutes legal action seeking to invalidate a trust, any document referenced in or affected by the trust, or any other trust-related instrument if the legal action is instituted in good faith and based on probable cause that would have led a reasonable person, properly informed and advised, to conclude that there was a substantial likelihood that the trust, any document referenced in or affected by the trust, or other trust-related instrument was invalid.

5. As used in this section:
(a) "No-contest clause" means one or more provisions in a trust that express a directive to reduce or eliminate the share allocated to a beneficiary or to reduce or eliminate the distributions to be made to a beneficiary if the beneficiary takes action to frustrate or defeat the settlor's intent as expressed in the trust or in a trust-related instrument.
(b) "Trust" means the original trust instrument and each amendment made pursuant to the terms of the original trust instrument.
(c) "Trust-related instrument" means any document purporting to transfer property to or from the trust or any document made pursuant to the terms of the trust purporting to direct the distribution of trust assets or to affect the management of trust assets, including, without limitation, documents that attempt to exercise a power of appointment.

Sec. 178. NRS 163.004 is hereby amended to read as follows:
163.004 1. A trust may be created for any purpose that is not illegal or against public policy.
2. A trust created for an indefinite or general purpose is not invalid for that reason if it can be determined with reasonable certainty that a particular use of the trust property is within that purpose. Except as otherwise provided by a specific statute, federal law or common law, the terms of a trust instrument may vary the rights and interests of beneficiaries in any manner that is not illegal or against public policy, including, without limitation, specifying:
(a) The grounds for removing a fiduciary;
(b) The circumstances, if any, in which the fiduciary must diversify investments; and
(c) A fiduciary's powers, duties, standards of care, rights of indemnification and liability to persons whose interests arise from the trust instrument.

3. Nothing in this section shall be construed to:
   (a) Authorize the exculpation or indemnification of a fiduciary for the fiduciary's own willful misconduct or gross negligence; or
   (b) Preclude a court of competent jurisdiction from removing a fiduciary because of the fiduciary's willful misconduct or gross negligence.

4. The rule that statutes in derogation of the common law are to be strictly construed has no application to this section. This section must be liberally construed to give maximum effect to the principle of freedom of disposition and to the enforceability of trust instruments.

Sec. 179. NRS 163.556 is hereby amended to read as follows:

163.556 1. Unless the terms of a testamentary instrument or irrevocable trust provide otherwise, a trustee with discretion or authority to distribute trust income or principal to or for a beneficiary of the trust may exercise such discretion or authority by appointing the property subject to such discretion or authority in favor of a second trust for the benefit of one or more of those beneficiaries.

2. Notwithstanding subsection 1, a trustee may not appoint property of the original trust to a second trust if:
   (a) The second trust includes a beneficiary who is not a beneficiary of the original trust. For purposes of this paragraph, a permissible appointee of a power of appointment exercised by a beneficiary of the second trust is not considered a beneficiary of the second trust.
   (b) Appointing the property will reduce any current fixed income interest, annuity interest or unitrust interest of a beneficiary of the original trust. As used in this paragraph, "unitrust" has the meaning ascribed to it in NRS 164.700.
   (c) A contribution made to the original trust qualified for a marital or charitable deduction for federal or state income, gift or estate taxes or qualified for a gift tax exclusion for federal or state tax purposes and the terms of the second trust include a provision which if included in the original trust would prevent the original trust from qualifying for the tax deduction or exclusion.
   (d) The property to be appointed is subject to a power of withdrawal which is held by a beneficiary of the original trust and may be executed at the time of the proposed appointment, unless after the exercise of such appointment, the beneficiary of the original trust's power of withdrawal is unchanged with respect to the trust property.
   (e) Property specifically allocated for one beneficiary of the original trust is no longer allocated for that beneficiary under either or both trusts, unless the beneficiary consents in writing.
   (f) Property held for the benefit of one or more beneficiaries under both the original and the second trust has a lower value than the value of the
property held for the benefit of the same beneficiaries under only the original
trust, unless:

(1) The benefit provided is limited to a specific amount or periodic
payments of a specific amount; and

(2) The value of the property held in either or both trusts for the benefit
of one or more beneficiaries is actuarially adequate to provide the benefit.

(g) Under the second trust:

(1) Discretionary distributions may be made by the trustee to a
beneficiary or group of beneficiaries of the original trust;

(2) Distributions are not limited by an ascertainable standard; and

(3) A beneficiary or group of beneficiaries has the power to remove and
replace the trustee of the second trust with a beneficiary of the second trust or
with a trustee that is related to or subordinate to a beneficiary of the
second trust.

(h) A contribution made to the original trust qualified for a gift tax
exclusion as described in section 2503(b) of the Internal Revenue Code,
26 U.S.C. § 2503(b), by reason of the application of section 2503(c) of the
Internal Revenue Code, 26 U.S.C. § 2503(c), unless the second trust
provides that the beneficiary's remainder interest must vest not later than
the date upon which such interest would have vested under the terms of the
original trust.

3. Notwithstanding the provisions of subsection 1, a trustee who is a
beneficiary of the original trust may not exercise the authority to appoint
property of the original trust to a second trust if:

(a) Under the terms of the original trust or pursuant to law governing the
administration of the original trust:

(1) The trustee does not have discretion to make distributions to himself
or herself;

(2) The trustee's discretion to make distributions to himself or herself is
limited by an ascertainable standard \[\text{\textsuperscript{[1]}}\], and under the terms of the
second trust, the trustee's discretion to make distributions to himself or
herself is not limited by the same ascertainable standard; or

(3) The trustee's discretion to make distributions to himself or herself can
only be exercised with the consent of a cotrustee or a person holding an
adverse interest and under the terms of the second trust the trustee's
discretion to make distributions to himself or herself is not limited by an
ascertainable standard and may be exercised without consent; or

(b) Under the terms of the original trust or pursuant to law governing the
administration of the original trust, the trustee of the original trust does not
have discretion to make distributions that will discharge the trustee's legal
support obligations but under the second trust the trustee's discretion is not
limited.

4. The provisions of subsection 3 do not prohibit a trustee who is not a
beneficiary of the original trust from exercising the authority to appoint
property of the original trust to a second trust pursuant to the provisions of subsection 1.

5. Before appointing property pursuant to subsection 1, a trustee may give notice of a proposed action pursuant to NRS 164.725 or may petition a court for approval pursuant to NRS 153.031, 164.015 or 164.725. Any notice of a proposed action or a petition for a court's approval must include the trustee's opinion of how the appointment of property will affect the trustee's compensation and the administration of other trust expenses.

6. The trust instrument of the second trust may:

(a) Grant a power of appointment to one or more of the beneficiaries of the second trust who are proper objects of the exercise of the power in the original trust. The power of appointment includes, without limitation, the power to appoint trust property to the holder of the power, the holder's creditors, the holder's estate, the creditors of the holder's estate or any other person.

(b) Provide that, at a time or occurrence of an event specified in the trust instrument, the remaining trust assets in the second trust must be held for the beneficiaries of the original trust upon terms and conditions that are substantially identical to the terms and conditions of the original trust.

7. The power to appoint the property of the original trust pursuant to subsection 1 must be exercised by a writing, signed by the trustee and filed with the records of the trust.

8. The exercise of the power to invade principal of the original trust pursuant to subsection 1 is considered the exercise of a power of appointment, other than power to appoint the property to the trustee, the trustee's creditors, the trustee's estate or the creditors of the trustee's estate and the provisions of NRS 111.1031 apply to such power of appointment.

9. The provisions of this section do not abridge the right of any trustee who has the power to appoint property which arises under any other law.

10. The provisions of this section do not impose upon a trustee a duty to exercise the power to appoint property pursuant to subsection 1.

11. The power to appoint property to another trust pursuant to subsection 1 is not a power to amend the trust and a trustee is not prohibited from appointing property to another trust pursuant to subsection 1 if the original trust is irrevocable or provides that it may not be amended.

12. A trustee's power to appoint property to another trust pursuant to subsection 1 is not limited by the existence of a spendthrift provision in the original trust.

13. A trustee exercising any power granted pursuant to this section may designate himself or herself or any other person permitted to act as a trustee as the trustee of the second trust.

14. The trustee of a second trust, resulting from the exercise of the power to appoint property to another trust pursuant to subsection 1, may also
exercise the powers granted pursuant to this section with respect to the second trust.

14. As used in this section, "ascertainable standard" means a standard relating to an individual's health, education, support or maintenance within the meaning of section 2041(b)(1)(A) or 2514(c)(1) of the Internal Revenue Code, 26 U.S.C. § 2041(b)(1)(A) or 2514(c)(1), and any regulations of the United States Treasury promulgated thereunder.

Sec. 179.5. Chapter 164 of NRS is hereby amended by adding thereto the provisions set forth as sections 180 and 180.5 of this act. (Deleted by amendment.)

Sec. 180. Chapter 164 of NRS is hereby amended by adding thereto a new section to read as follows:

_The provisions of section 47 of this act concerning the revocation of certain transfers based upon divorce or annulment apply to transfers of property made pursuant to a trust._

Sec. 180.5. The notice that a trustee is required to provide pursuant to subsection 3 of NRS [164.900] may be in the following form:

**NOTICE TO BENEFICIARY**

You are hereby notified, as required by subsection 3 of NRS [164.900], that:

1. The undersigned is the trustee of the trust that is designated as...............(specify name and date or another type of identification of the trust).

2. You are being given this notice because, under the terms of the trust instrument, the trustee is authorized or required to make distributions of income to you or for your benefit. The above-named trust became irrevocable before October 1, 2011, and the trust instrument does not contain specific direction as to the amount of income that is to be applied toward standard fiduciary compensation and toward expenses for accountings, judicial proceedings or certain other matters. For the purposes of this notice, "standard fiduciary compensation" means the regular compensation of the trustee and any person providing advisory or custodial services to the trustee whose compensation is based on the value of the trust's principal or a portion of the trust's principal.

3. Under the Uniform Principal and Income Act (1997), as adopted in Nevada, one-half of the standard fiduciary compensation and the expenses described above are generally paid from trust income and the balance of the standard fiduciary compensation and expenses are generally paid from the trust's principal.

4. Subsection 2 of NRS [164.900] places a limit on the amount of income that can be applied toward standard fiduciary compensation and the expenses described above, but that limit does not apply to this trust unless the adult beneficiaries to whom or for whose benefit net income of the trust presently is or may be payable, by majority vote,
make an election to have the limitation apply as authorized under subsection 7 of NRS [164.900].

5. If such an election is made, it may or may not increase the income that is available for distribution, but such an election will not reduce distributable income.

6. If you want to have the limitation authorized under subsection 7 of NRS [164.900] apply to this trust, you must notify the trustee by signing at the bottom of this form and returning the form to the trustee. Failure to sign this form and return it to the trustee will be considered a negative vote with regard to applying the limitation described in subsection 2 of NRS [164.900] to this trust.

(Signature of Trustee) (Date)

(Address of Trustee)

If you would like to make the election under subsection 7 of NRS [164.900], as explained above, please sign below and send the signed copy by certified or registered mail to the trustee or personally deliver the signed copy to the trustee.

NOTICE OF ELECTION UNDER SUBSECTION 7 OF NRS [164.900]

I, the undersigned beneficiary, hereby make the election authorized under subsection 7 of NRS [164.900] to limit the amount of income that can be paid toward the regular compensation of the trustee and of any person providing advisory or custodial services to the trustee whose compensation is based on the value of the trust's principal or a portion of the trust's principal and toward expenses for accountings, judicial proceedings or certain other matters. I understand that the election will only be effective after the adult beneficiaries to whom or for whose benefit net income of the trust presently is or may be payable, by majority vote, make this election.

(Signature of Beneficiary) (Date)

Sec. 181. NRS 164.021 is hereby amended to read as follows:

164.021 1. (a) The trustee, after taking into consideration the terms of the trust instrument, reasonably concludes that the reduction is not in the best interest of the beneficiaries of the trust;

Sec. 192. 1. The following provisions apply to the extent that the trust instrument does not expressly provide otherwise:

Sec. 193. Notwithstanding any provision to the contrary in the trust instrument:

If the amount distributable to a current beneficiary is affected by the amount of administrative expenses or is affected by the allocation of receipts and disbursements to income or principal, the trustee shall, upon request, provide an account annually to the current beneficiary. An account provided to a current beneficiary pursuant to this subsection must comply with the provisions of subsection 3 or 4 of NRS 165.135, except to the extent that the current beneficiary agrees otherwise in writing.

Except as otherwise provided in this subsection, upon request, an account must be provided annually to each remainder beneficiary of an irrevocable trust. A beneficiary who has been eliminated by the exercise of a power of appointment has no right to request or receive an account pursuant to this subsection.

A trustee, at the expense of the trust, may provide:

An unrequested account to one or more beneficiaries at any time; and
(b) More information to beneficiaries, including, without limitation, remote beneficiaries, than is required under the trust instrument or by law.

4. Unless the court determines that there is clear and convincing evidence that the trustee was acting in good faith, a trustee who fails to provide an account when required pursuant to NRS 165.135 and sections 185 to 198, inclusive, of this act is personally liable to each beneficiary who requested the account in writing for all costs reasonably incurred by each such beneficiary to enforce NRS 165.135 and sections 185 to 198, inclusive, of this act, including, without limitation, reasonable attorney's fees and court costs. The trustee may not expend trust funds therefor.

Sec. 194. A beneficiary may send a written demand for an account pursuant to NRS 165.135 and sections 185 to 198, inclusive, of this act to the trustee in accordance with the following procedure:

1. The demand on the trustee must be sent to the trustee or to the trustee's attorney of record and the demand must include, without limitation:
   (a) The identity of the demanding beneficiary, including the beneficiary's mailing address or the address of the beneficiary's attorney;
   (b) The accounting period for which an account is demanded; and
   (c) The nature and extent of the account demanded and the legal basis for the demand.

2. Within 14 days after the trustee has received a demand for an account from a beneficiary, the trustee shall notify the demanding beneficiary of the trustee's acceptance or rejection of the demand. The trustee shall:
   (a) Provide an account within 60 days after receipt of the demand, unless that time is modified by consent of the beneficiary or by order of the court if the trustee accepts the beneficiary's demand for an account; or
   (b) Set forth the grounds for rejecting the beneficiary's demand for an account in the notice of rejection and inform the beneficiary that the beneficiary has 60 days in which to petition the court to review the rejection if the trustee rejects the beneficiary's demand for an account.

3. The demand by the beneficiary and the notice of acceptance or rejection of the demand by the trustee must be delivered by first-class mail, personal delivery or commercial carrier. If delivery of the demand or of the notice is in dispute, proof of delivery may be established by a return receipt or other proof of delivery provided by the person making the delivery or by affidavit of the person who arranged for the delivery setting forth the delivery address, the method of delivery arranged for and the actions taken by that person to arrange for the delivery.

4. If the trustee fails to accept or reject a beneficiary's demand for an account as required by subsection 2, the beneficiary's demand shall be deemed rejected.
Sec. 195. 1. A beneficiary whose demand for an account in compliance with section 194 of this act is rejected or deemed rejected must file a petition seeking the court's review of the trustee’s rejection within 60 days after the rejection date as described in subsection 2. A petition filed pursuant to this section may also seek additional relief pursuant to NRS 153.031.

2. If the trustee rejects the beneficiary's demand for an account, the rejection date is the date on which the trustee provides the beneficiary with a notice of rejection. If the trustee fails to accept or reject the beneficiary's demand, the rejection date is deemed to be 14 days after the beneficiary gave the trustee the demand.

3. If the court has not previously accepted jurisdiction over the trust, the beneficiary must petition the court to confirm the appointment of the trustee pursuant to NRS 164.010. Such a petition may be combined with the petition for the court's review of the trustee's rejection.

4. The clerk shall set the petition for hearing, and the petitioner shall give notice to all interested persons for the period and in the manner provided in NRS 155.010. The notice must state the filing of the petition, the object and the time and place of the hearing.

5. If one or more other beneficiaries with interests substantially similar to the petitioner request to join the petition at or before the hearing, the court shall consider the other beneficiaries to be additional petitioners without requiring those beneficiaries to file separate petitions or to give separate notices of the hearing.

6. At the hearing, as to each petitioner, the court may enter an order:
   (a) Compelling the trustee to provide an account to the petitioner and specifying the nature and extent of the account to be provided;
   (b) Declaring that the petitioner is not entitled to an account and setting forth the reason or reasons the petitioner is not so entitled; or
   (c) Compelling the trustee to provide an account to the petitioner as described in paragraph (a) and authorizing an independent review of the account using the procedure set forth in section 196 of this act.

7. Except as otherwise provided in subsection 3 of NRS 153.031 and subsection 4 of section 193 of this act, each petitioner shall pay his or her own expenses, including, without limitation, attorney's fees, that arise in conjunction with filing a petition pursuant to this section.

Sec. 196. If, while considering a petition filed pursuant to section 195 of this act, the court finds that the beneficiary is entitled to an account pursuant to this section and that the trust instrument authorizes or directs the trustee not to provide the account with the disclosures required by this section, the court shall, upon the beneficiary's request, compel the trustee to confidentially provide an account in accordance with the following procedure:

1. If the beneficiary has not been previously provided with a copy of the trust instrument, the court shall direct the trustee to provide the court and
each reviewer selected pursuant to subsection 2 with a copy of the trust instrument, or such portions as the court deems to be pertinent to the determination of the adequacy of the trustee's account and to the enforcement of the beneficiary's rights under the trust.

2. The court shall direct the account to be provided confidentially to the court and to one or more reviewers selected by the beneficiary. The court may direct that the account be filed with the court clerk under seal or delivered to the court for in camera review. The account provided must contain the information required by this section without regard to any trust provision restricting the information to be provided to the requesting beneficiary.

3. A reviewer must be either a certified public accountant or an attorney.

4. Subject to the provisions of paragraph (b) of subsection 5, the beneficiary requesting the account must pay for the services of each reviewer. The expense of preparing the account must be paid as an expense of the trust.

5. Each reviewer must agree that:
   (a) The account provided must be reviewed confidentially and must not be provided to the beneficiary except as otherwise provided in paragraph (b) or in an order of the court; and
   (b) The reviewer's duty is to review the account and to prepare a written report, which must be filed with the court clerk under seal or submitted to the court for in camera review, informing the court if there is anything that would indicate that the trust, as it affects the beneficiary's interest, has not been or may not have been properly administered or accounted for in accordance with applicable law, the trust instrument and generally accepted accounting principles applicable to trusts. At the same time a copy of the reviewer's report is provided to the court, a copy of each reviewer's report must be delivered to the trustee or to the trustee's attorney of record.

6. The trustee may submit to the court and to each reviewer an objection to the report of a reviewer within 10 days after the trustee received the reviewer's report. The trustee shall submit the objections to the court and to each reviewer in the same manner as the trustee provided the account. The court may consider each reviewer's report and the objections of the trustee with or without a hearing. If the court, after considering the report of any reviewer and any objection submitted by the trustee, finds that the trust, as it affects the beneficiary's interest, has not been or may not have been properly administered or accounted for in accordance with applicable law, the trust instrument and generally accepted accounting principles applicable to trusts, in addition to any other relief granted by the court pursuant to NRS 153.031 or section 195 of this act, the court shall enter an order granting the relief necessary to protect the beneficiary's interests or to allow the beneficiary to enforce his or her rights under the trust.
7. An order granting relief described in subsection 6 may include one or more of the following:
   (a) A directive to the trustee to provide the beneficiary an account which complies with the provisions of subsection 3 or 4 of NRS 165.135, together with such additional information as the beneficiary may require to properly enforce his or her rights under the trust;
   (b) A directive to the trustee to provide further annual accounts required under this section without further court order;
   (c) A directive to the trustee to provide the court and each reviewer a more complete account or such additional information as the court deems necessary to determine if the trust is being properly administered in compliance with the trust instrument and applicable law;
   (d) A directive to the trustee to take action to remedy or mitigate the effects of any improper administration of the trust;
   (e) A declaration relieving each reviewer from any further obligation of confidentiality; and
   (f) Any such additional relief as the court deems proper to ensure the trustee's compliance with the trust instrument and applicable law and to allow enforcement of the beneficiary's rights.

8. If the beneficiary is granted any relief by the court on the basis that the trust was not properly administered or accounted for, the provisions of subsection 3 of NRS 153.031 and subsection 4 of section 193 of this act apply with regard to the reimbursement of costs incurred by the beneficiary.

Sec. 197. 1. Upon request by a beneficiary who is entitled to receive an account pursuant to the terms of NRS 165.135 and sections 185 to 198, inclusive, of this act, a trustee shall provide a copy of the trust instrument to that beneficiary except as expressly provided otherwise in the trust instrument.

2. Notwithstanding the provisions of subsection 1 or any provision to the contrary in the trust instrument, the court may direct the trustee to provide a beneficiary who is entitled to receive an account pursuant to the terms of NRS 165.135 and sections 185 to 198, inclusive, of this act a copy of the trust instrument, or such portions as the court deems to be pertinent to the determination of the adequacy of the trustee's account and to the enforcement of the beneficiary's rights under the trust.

3. Except as otherwise provided in section 196 of this act or by order of the court for good cause shown, the trustee must not be compelled to provide a copy of the trust instrument to a person who is not a beneficiary of the trust or a person who is not entitled to an account of the trust pursuant to the provisions of NRS 165.135 and sections 185 to 198, inclusive, of this act.

Sec. 198. Except as otherwise provided in a trust instrument, a person holding a power of appointment pursuant to a nontestamentary trust does
not owe a fiduciary duty to any person and is not liable to any person with respect to the exercise or nonexercise of the power of appointment.

Sec. 199. NRS 165.135 is hereby amended to read as follows:

165.135 1. The trustee of a nontestamentary trust shall 

165.135 2. (not less often

2. For purposes of NRS 166.170, if the domicile of an existing trust is transferred from another state or from a foreign jurisdiction to this State and the laws of the other state or jurisdiction are similar to the provisions of this chapter, the transfer shall be deemed to have occurred:

(a) On the date on which the settlor of the trust transferred assets into the trust if the applicable law of the trust has at all times been substantially similar to the provisions of this chapter; or
(b) On the earliest date on which the applicable laws of the trust were substantially similar to the provisions of this chapter.

Sec. 203. The settlor of a spendthrift trust has only those powers and rights that are conferred to the settlor by the trust instrument. An
agreement or understanding, express or implied, between the settlor and the trustee that attempts to grant or permit the retention of greater rights or authority than is stated in the trust instrument is void.

**Sec. 204.** NRS 166.015 is hereby amended to read as follows:

166.015 1. Unless the writing declares to the contrary, expressly, this chapter governs the construction, operation and enforcement, in this State, of all spendthrift trusts created in or outside this State if:

(b) All or part of the personal property, interest of money, dividends upon stock and other produce thereof, affected, are in this State;

(c) The declared domicile of the creator of a spendthrift trust affecting personal property is in this State; or

(d) At least one trustee qualified under subsection 2 has powers that include maintaining records and preparing income tax returns for the trust, and all or part of the administration of the trust is performed in this State.

2. If the settlor is a beneficiary of the trust, at least one trustee of a spendthrift trust must be:

(a) A natural person who resides and has his or her domicile in this State;

(b) A trust company that:

(1) Is organized under federal law or under the laws of this State or another state; and

(2) Maintains an office in this State for the transaction of business; or

(c) A bank that:

(1) Is organized under federal law or under the laws of this State or another state;

(2) Maintains an office in this State for the transaction of business; and

(3) Possesses and exercises trust powers.

3. Except as otherwise provided in subsection 1, this chapter also governs the construction, operation and enforcement, outside of this State, of all spendthrift trusts created in this State, except so far as prohibited by valid laws of other states. Unless the writing declares to the contrary, expressly, it shall be deemed to be made in the light of this chapter and all other acts relating to spendthrift trusts enacted in this State.

**Sec. 205.** NRS 166.040 is hereby amended to read as follows:

166.040 1. Any person competent by law to execute a will or deed may, by writing only, duly executed, by will, conveyance or other writing, create a spendthrift trust in real, personal or mixed property for the benefit of:

(a) A person other than the settlor;

(b) The settlor if the writing is irrevocable, does not require that any part of the income or principal of the trust be distributed to the settlor, and was not intended to hinder, delay or defraud known creditors; or

(c) Both the settlor and another person if the writing meets the requirements of paragraph (b).

2. For the purposes of this section, a writing...
(a) Is "irrevocable"] meets the requirements of paragraph (b) of subsection 1 even if [the] under the terms of the writing:

(a) The settlor may prevent a distribution from the trust [or];

(b) The settlor holds a special lifetime or testamentary special power of appointment [or similar power].

(b) Does not "require" a distribution to the settlor if the trust instrument provides that the settlor may receive it only in the discretion of another person that cannot be exercised in favor of the settlor, the settlor's estate, a creditor of the settlor or a creditor of the settlor's estate;

(c) The settlor is a beneficiary of a trust that qualifies as a charitable remainder trust pursuant to 26 U.S.C. § 664, or any successor provision, even if the settlor has the right to release the settlor's retained interest in such a trust, in whole or in part, in favor of one or more of the remainder beneficiaries of the trust;

(d) The settlor is authorized or entitled to receive a percentage of the value of the trust each year as specified in the trust instrument of the initial value of the trust assets or their value determined from time to time pursuant to the trust instrument, but not exceeding:

(1) The amount that may be defined as income pursuant to 26 U.S.C. § 643(b); or

(2) With respect to benefits from any qualified retirement plan or any eligible deferred compensation plan, the minimum required distribution as defined in 26 U.S.C. § 4974(b);

(e) The settlor is authorized or entitled to receive income or principal from a grantor retained annuity trust paying out a qualified annuity interest within the meaning of 26 C.F.R. § 25.2702-3(b) or a grantor retained unitrust paying out a qualified unitrust interest within the meaning of 26 C.F.R. § 25.2702-3(c);

(f) The settlor is authorized or entitled to use real property held under a qualified personal residence trust as described in 26 C.F.R. § 25.2702-5(c), and any successor provision, or the settlor may possess or actually possesses a qualified annuity interest within the meaning of that term as described in 26 C.F.R. § 25.2702-3(b), and any successor provision;

(g) The settlor is authorized to receive income or principal from the trust, but only subject to the discretion of another person; or

(h) The settlor is authorized to use real or personal property owned by the trust.

3. Except for the power of the settlor to make distributions to himself or herself without the consent of another person, the provisions of this section shall not be construed to prohibit the settlor of a spendthrift trust from holding other powers under the trust, whether or not the settlor is a cotrustee, including, without limitation, the power to remove and replace a trustee, direct trust investments and execute other management powers.

4. As used in this section, "remainder beneficiary" has the meaning ascribed to it in NRS 164.783.
Sec. 206.  NRS 166.170 is hereby amended to read as follows:

166.170  1.  A person may not bring an action with respect to a transfer of property to a spendthrift trust:
   (a) If the person is a creditor when the transfer is made, unless the action is commenced within:
      (1) Two years after the transfer is made; or
      (2) Six months after the person discovers or reasonably should have discovered the transfer, whichever is later.
   (b) If the person becomes a creditor after the transfer is made, unless the action is commenced within 2 years after the transfer is made.

2.  A person shall be deemed to have discovered a transfer at the time a public record is made of the transfer, including, without limitation, the conveyance of real property that is recorded in the office of the county recorder of the county in which the property is located or the filing of a financing statement pursuant to chapter 104 of NRS.

3.  A creditor may not bring an action with respect to transfer of property to a spendthrift trust unless a creditor can prove by clear and convincing evidence that the transfer of property was a fraudulent transfer pursuant to chapter 112 of NRS or was otherwise wrongful as to the creditor. In the absence of such clear and convincing proof, the property transferred is not subject to the claims of the creditor. Proof by one creditor that a transfer of property was fraudulent or wrongful does not constitute proof as to any other creditor and proof of a fraudulent or wrongful transfer of property as to one creditor shall not invalidate any other transfer of property.

4.  If property transferred to a spendthrift trust is conveyed to the settlor or to a beneficiary for the purpose of obtaining a loan secured by a mortgage or deed of trust on the property and then reconveyed to the trust, for the purpose of subsection 1, the transfer is disregarded and the reconveyance relates back to the date the property was originally transferred to the trust. The mortgage or deed of trust on the property shall be enforceable against the trust.

5.  A person may not bring a claim against an adviser to the settlor or trustee of a spendthrift trust unless the person can show by clear and convincing evidence that the adviser acted in violation of the laws of this State, knowingly and in bad faith, and the adviser's actions directly caused the damages suffered by the person.

6.  A person other than a beneficiary or settlor may not bring a claim against a trustee of a spendthrift trust unless the person can show by clear and convincing evidence that the trustee acted in violation of the laws of this State, knowingly and in bad faith, and the trustee's actions directly caused the damages suffered by the person. As used in this subsection, "trustee" includes a cotrustee, if any, and a predecessor trustee.
7. If more than one transfer is made to a spendthrift trust:
   (a) The subsequent transfer to the spendthrift trust must be disregarded
       for the purpose of determining whether a person may bring an action
       pursuant to subsection 1 with respect to a prior transfer to the spendthrift
       trust; and
   (b) Any distribution to a beneficiary from the spendthrift trust shall be
       deemed to have been made from the most recent transfer made to the
       spendthrift trust.

8. Notwithstanding any other provision of law, no action of any kind,
   including, without limitation, an action to enforce a judgment entered by a
   court or other body having adjudicative authority, may be brought at law or
   in equity against the trustee of a spendthrift trust if, as of the date the
   action is brought, an action by a creditor with respect to a transfer to the
   spendthrift trust would be barred pursuant to this section.

9. For purposes of this section, if a trustee exercises his or her
   discretion or authority to distribute trust income or principal to or for a
   beneficiary of the spendthrift trust, by appointing the property of the
   original spendthrift trust in favor of a second spendthrift trust for the
   benefit of one or more of the beneficiaries as authorized by NRS 163.556,
   the time of the transfer for purposes of this section shall be deemed to have
   occurred on the date the settlor of the original spendthrift trust transferred
   assets into the original spendthrift trust, regardless of the fact that the
   property of the original spendthrift trust may have been transferred to a
   second spendthrift trust.

10. As used in this section:
    (a) "Adviser" means any person, including, without limitation, an
        accountant, attorney or investment adviser, who gives advice concerning or
        was involved in the creation of, transfer of property to, or administration of
        the spendthrift trust or who participated in the preparation of accountings, tax
        returns or other reports related to the trust.
    (b) "Creditor" has the meaning ascribed to it in subsection 4 of
        NRS 112.150.

Sec. 207. NRS 253.0415 is hereby amended to read as follows:

253.0415  1. The public administrator shall:
   (a) Investigate:
       (1) The financial status of any decedent for whom he or she has been
           requested to serve as administrator to determine the assets and liabilities of
           the estate.
       (2) Whether there is any qualified person who is willing and able to
           serve as administrator of the estate of an intestate decedent to determine
           whether he or she is eligible to serve in that capacity.
       (3) Whether there are beneficiaries named on any asset of the estate or
           whether any deed upon death executed pursuant to NRS 111.109 is on file
           with the county recorder.
(b) Except as otherwise provided in NRS 253.0403 and 253.0425, petition the court for letters of administration of the estate of an intestate decedent if, after investigation, the public administrator finds that there is no other qualified person having a prior right who is willing and able to serve.

(c) Upon court order, act as administrator of the estate of an intestate decedent, regardless of the amount of assets in the estate of the decedent if no other qualified person is willing and able to serve.

2. The public administrator shall not administer any estate:
   (a) Held in joint tenancy unless all joint tenants are deceased; or
   (b) For which a beneficiary form has been registered pursuant to NRS 111.480 to 111.650, inclusive; or
   (c) For which a deed upon death has been executed pursuant to NRS 111.109.

3. As used in this section, "intestate decedent" means a person who has died without leaving a valid will, trust or other estate plan.

Sec. 208. NRS 678.630 is hereby amended to read as follows:

678.630 1. Any account payable to a trustee for another person may be paid to the trustee on demand.

2. Unless a credit union has received written notice of the terms of any trust other than the form of the account, payment may be made to the:
   (a) Personal representative or heirs of a deceased trustee if proof of death is presented to the credit union showing that the decedent was the survivor of all other persons named on the account either as trustee or beneficiary; or
   (b) Beneficiary upon presentation to the credit union of proof of death showing that such beneficiary or beneficiaries survived all persons named as trustees.

3. The protection provided a credit union in subsections 1 and 2 has no bearing on the rights of parties in disputes between themselves or their successors concerning the beneficial ownership of funds in, or withdrawn from, multiple-party accounts.

Sec. 209. NRS 111.480, 111.490, 111.500, 111.510, 111.520, 111.530, 111.540, 111.550, 111.560, 111.570, 111.580, 111.590, 111.600, 111.610, 111.620, 111.630, 111.640, 111.650, 133.105, 663.025, 673.370, 677.614, 678.580, 678.590, 678.600, 678.610, 678.620 and 678.640 are hereby repealed.

Sec. 210. The amendatory provisions of:

1. Sections 73 and 177 of this act apply to existing wills, whenever created.

2. Sections 185 to 199, inclusive, of this act apply to nontestamentary trusts, whenever created, but shall not be construed to require a trustee to modify or update an account that:
   (a) Has been approved by the court or by the trust's beneficiaries; or
   (b) Is deemed approved by the trust's beneficiaries pursuant to the provisions of the trust instrument or pursuant to paragraph (h) of subsection 1 of section 192 of this act.
Senator Wiener moved that the Senate concur in the Assembly amendment to Senate Bill No. 221.

Senator Wiener requested that her remarks be entered in the Journal.

Amendment No. 743 requires a trustee who is administering an irrevocable trust to equitably reduce the amount of expenses charged against an income beneficiary if those charges would exceed 15 percent of the trust's income, unless one of the following exceptions applies: the
trustee reasonably concludes that the reduction is not in the best interest of the beneficiaries; the reduction would violate the express terms of the trust instrument; the trust instrument authorizes the trustee to distribute trust principal to each income beneficiary; or the trustee gives notice of the intent not to make the adjustment, and no current income beneficiary objects.

SECOND READING AND AMENDMENT

Senate Bill No. 421.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 608.
"SUMMARY—Revises provisions relating to certain funds.
(BDR 40-1170)"
"AN ACT relating to public health; increasing the percentage of certain money received by the State to be allocated to the Fund for a Healthy Nevada; revising provisions relating to the allocation of money in the Fund for a Healthy Nevada; eliminating the Trust Fund for Public Health; providing for the transfer of money remaining in the Trust Fund for Public Health; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Trust Fund for Public Health receives 10 percent of all "tobacco settlement" money, which is that money received by the State pursuant to any settlement entered into by the State and a manufacturer of tobacco products and money received by the State pursuant to any judgment in a civil action against a manufacturer of tobacco products. The Trust Fund for Public Health uses interest and income earned on that money to fund grants for programs relating to public health. (NRS 439.605) Additionally, 50 percent of all tobacco settlement money goes to the Fund for a Healthy Nevada and is then allocated to various other programs relating to public health in amounts or according to percentages of available revenues set by statute. (NRS 439.620, 439.630)

This bill eliminates the Trust Fund for Public Health and provides for money in the Trust Fund for Public Health to be transferred to the Fund for a Healthy Nevada. This bill also increases to 60 percent the share of tobacco settlement money allocated to the Fund for a Healthy Nevada. Additionally, this bill removes the provisions setting the percentages of available revenues to be allocated from the Fund for a Healthy Nevada on specific programs and instead requires the Department of Health and Human Services to propose a
biennial plan for the allocation of money for those programs. The plan must be submitted as part of the proposed biennial budget of the Department. Finally, this bill removes certain programs relating to the prevention, reduction and treatment of tobacco use from the list of programs for which money in the Fund for a Healthy Nevada must be allocated.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 439.620 is hereby amended to read as follows:

439.620 1. The Fund for a Healthy Nevada is hereby created in the State Treasury. The State Treasurer shall deposit in the Fund:

(a) [Fifty] Sixty percent of all money received by this State pursuant to any settlement entered into by the State of Nevada and a manufacturer of tobacco products; and
(b) [Fifty] Sixty percent of all money recovered by this State from a judgment in a civil action against a manufacturer of tobacco products.

2. The State Treasurer shall administer the Fund. As administrator of the Fund, the State Treasurer:

(a) Shall maintain the financial records of the Fund;
(b) Shall invest the money in the Fund as the money in other state funds is invested;
(c) Shall manage any account associated with the Fund;
(d) Shall maintain any instruments that evidence investments made with the money in the Fund;
(e) May contract with vendors for any good or service that is necessary to carry out the provisions of this section; and
(f) May perform any other duties necessary to administer the Fund.

3. The interest and income earned on the money in the Fund must, after deducting any applicable charges, be credited to the Fund. All claims against the Fund must be paid as other claims against the State are paid.

4. The State Treasurer or the Department may submit to the Interim Finance Committee a request for an allocation for administrative expenses from the Fund pursuant to this section. Except as otherwise limited by this subsection, the Interim Finance Committee may allocate all or part of the money so requested. The annual allocation for administrative expenses from the Fund must:

(a) Not exceed 2 percent of the money in the Fund, as calculated pursuant to this subsection, each year to pay the costs incurred by the State Treasurer to administer the Fund; and
(b) Not exceed 5 percent of the money in the Fund, as calculated pursuant to this subsection, each year to pay the costs incurred by the Department, including, without limitation, the Aging and Disability Services Division of the Department, to carry out its duties set forth in NRS 439.630, to administer the provisions of NRS 439.635 to 439.690, inclusive, and NRS 439.705 to 439.795, inclusive.
For the purposes of this subsection, the amount of money available for allocation to pay for the administrative costs must be calculated at the beginning of each fiscal year based on the total amount of money anticipated by the State Treasurer to be deposited in the Fund during that fiscal year.

5. The money in the Fund remains in the Fund and does not revert to the State General Fund at the end of any fiscal year.

6. All money that is deposited or paid into the Fund is hereby appropriated to be used for any purpose authorized by the Legislature or by the Department for expenditure or allocation in accordance with the provisions of NRS 439.630. Money expended from the Fund must not be used to supplant existing methods of funding that are available to public agencies.

Sec. 2. NRS 439.630 is hereby amended to read as follows:

439.630 1. The Department shall:
(a) Conduct, or require the Grants Management Advisory Committee created by NRS 232.383 to conduct, public hearings to accept public testimony from a wide variety of sources and perspectives regarding existing or proposed programs that:

1. Respite care or relief of informal caretakers;
2. Transportation to new or existing services to assist senior citizens in living independently; and

Bill read second time.
The following amendment was proposed by the Committee on Finance: Amendment No. 818.

"SUMMARY—Makes various changes related to energy. (BDR 58-1156)"

"AN ACT relating to energy; eliminating the Renewable Energy and Energy Efficiency Authority and the position of Nevada Energy Commissioner; requiring the Office of Energy and its Director to assume certain responsibilities of the repealed entities; transferring authority for the program to track the use of energy in buildings occupied by state agencies to the Office of Energy; revising provisions governing certain contracts necessary to carry out the program; revising provisions relating to the partial abatement of certain taxes for qualified energy systems; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law establishes a Renewable Energy and Energy Efficiency Authority and creates the position of Nevada Energy Commissioner as its head. (NRS 701.330-701.400) This bill repeals the position of Nevada Energy Commissioner and the Renewable Energy and Energy Efficiency Authority and requires the Office of Energy and its Director to assume the duties of those entities. Sections 15 and 19 of this bill give the Director of the Office of Energy the authority to add not more than three members to the State and Local Government Panel on Renewable and Efficient Energy and the New Energy Industry Task Force, respectively. Section 34 of this bill transfers responsibility for the program to track the use of energy in buildings occupied by state agencies from the Buildings and Grounds Division of the Department of Administration to the Office of Energy and authorizes the Director of the Office of Energy to enter into certain contracts to carry out the program.

Section 23.5 of this bill revises certain provisions relating to eligibility for the partial abatement of certain taxes for certain energy systems that are used to heat or cool buildings or the water used by such buildings or to provide electricity to certain buildings or irrigation systems.

The following amendment was proposed by the Committee on Finance:
Amendment No. 820.
"SUMMARY—Revises provisions governing the composition of the State Department of Conservation and Natural Resources. (BDR 18-1209)"
"AN ACT relating to governmental administration; revising provisions governing the composition of the State Department of Conservation and Natural Resources; eliminating the Advisory Board on Natural Resources, the Division of Conservation Districts [the State Conservation Commission] and the Commission for the Preservation of Wild Horses; creating the Conservation Districts Program within the Department; transferring the duties of the [State Conservation Commission] Division of Conservation Districts to the [State Environmental Commission]; revising certain provisions governing the administration of conservation districts; repealing certain provisions governing those districts; Conservation Districts Program; and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Existing law creates of the Advisory Board on Natural Resources to advise the Director of the State Department of Conservation and Natural Resources on certain matters relating to the use of land and natural resources in this State. (NRS 232.085) Section 35 of this bill eliminates the Advisory Board. Section 2 of this bill requires the Director to consider input from members of the public, industries in this State and representatives of organizations, associations, groups or other entities concerned with matters of conservation and natural resources on the matters upon which the Advisory Board provided input.
Existing law creates the State Department of Conservation and Natural Resources, consisting of several divisions and commissions including the Division of Conservation Districts, the State Environmental Commission, the State Conservation Commission and the Commission for the Preservation of Wild Horses. (NRS 232.090) Sections 3 and 35 of this bill eliminates the Division of Conservation Districts [the State Conservation Commission] and the Commission for the Preservation of Wild Horses. — Existing law provides for the creation of conservation districts in this State to provide local planning for the conservation and development of natural resources in their areas and requires the State Conservation Commission, with the assistance of the Division of Conservation Districts, to oversee the conservation districts. (NRS 548.105, 548.175) Section 9 of this bill transfers the authority to oversee the conservation districts to the State Environmental Commission, and section 4 of this bill requires the Division of Environmental Protection to provide the Commission with assistance as necessary.
Existing law authorizes the adoption of regulations for the use of land within conservation districts, including provisions for: (1) carrying out engineering operations; (2) methods of cultivation; (3) specifications of cropping programs; (4) requirements for the retirement from cultivation of erosive areas; and (5) other measures that may assist in conservation. Existing law also provides for the establishment of boards of adjustment, which have the power to grant variances to the established land use regulations. (NRS 548.410-548.510) Section 35 of this bill repeals the authority to adopt land use regulations and eliminates the boards of adjustments. However, section 37 of this bill provides that existing land use regulations in effect on July 1, 2011, will remain in effect until amended or repealed and creates the Conservation Districts Program within the Department. Section 14.5 of this bill transfers the duties of the Division of Conservation Districts to the Conservation Districts Program. Section 35 of this bill repeals provisions relating to the Advisory Board on Natural Resources, the Division of Conservation Districts and the Commission for the Preservation of Wild Horses.

such determination, and shall determine the township or townships to be

       relevant, having due regard to the legislative determinations set forth in
       NRS 548.095 to 548.110, inclusive.

3. After consideration of the petition and of any other evidence of
   interest in the organization of a district, and of the relevant factors regarding
   the need for a district to function in the territory being considered, the [State

2. The Commission may conduct such public meetings and public hearings upon such petition as may be necessary to assist it in the consideration thereof.

3. The Commission shall determine, on the basis of information presented in the petition or brought out in public hearings and on the basis of the number of petitioners in relation to the total number of occupiers of land lying within the district, whether it can render a reasonable determination of approval or denial of the petition without holding a referendum, or whether a referendum shall be held.

3. Such dissolution shall not affect the lien of any judgment entered under the provisions of NRS 548.455, nor the pendency of any action instituted under the provisions of NRS 548.445 and 548.450, and the Commission shall succeed to all the rights and obligations of the district or supervisors as to such liens and actions.

Amendment adopted.

Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 81.

Bill read second time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 685.

"SUMMARY—Revises various provisions relating to elections. (BDR 24-406)"

"AN ACT relating to elections; clarifying how a minor political party may be organized; revising certain requirements for petitions of referendum; revising provisions relating to counting ballots, posting voting results and recounts; providing that the residency of spouses of certain military personnel is not changed whether absent or present in this State; making various changes concerning campaign contributions and expenditures; making various other changes to provisions governing elections; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

In order to qualify to place the names of candidates on the ballot, under existing law, a minor political party must have filed with the Secretary of State a certificate of existence and a list of candidates. Also, the minor political party must have: (1) at the last preceding general election, polled for any of its candidates for partisan office a number of votes equal to or more than 1 percent of the total number of votes cast for the offices of Representative in Congress; (2) been designated as the political party on the applications to register to vote of at least 1 percent of the total number of registered voters in this State; or (3) filed a petition with the Secretary of State which is signed by a number of registered voters equal to at least 1 percent of the total number of votes cast at the last preceding election for the offices of Representative of Congress. Alternatively, the minor political party may place the name of a candidate on the ballot if the minor political party has filed with the Secretary of State a certificate of existence and a petition on behalf of the candidate that it wants to place on the ballot containing a certain number of signatures. (NRS 293.1715) Sections 16, 16.2 and 16.4 of this bill remove the option of a minor political party to place a candidate on the ballot by filing a petition on behalf of the candidate. Sections 6 and 15-18 of this bill clarify that an organization is organized as a minor political party when it files a certificate of existence. A minor political
party must still meet the other requirements in order to qualify to place candidates on the ballot.

Sections 7-12 and 64 of this bill provide that the signature and verification requirements for initiative petitions also apply to petitions for referendum.

Existing law provides the requirements for nominating candidates for office and placing candidates on the ballot for the general election. (NRS 293.165, 293.166, 293.368) Sections 13, 14 and 25 of this bill move the date after which no change may be made on the ballot for the general election from the first Tuesday after the primary election to the fourth Friday in June of the year in which the general election is held.

Existing law provides that if a person willfully files a declaration or acceptance of candidacy that contains a false statement, the name of the person must not appear on the ballot for the election for which the person filed the declaration or acceptance of candidacy. (NRS 293.184, 293C.1865) Sections 19 and 32 of this bill further require that if the name of such a person appears on the ballot because the deadline for making changes to the ballot has passed, the Secretary of State, county clerk or city clerk must inform voters by posting signs at polling places that the person is disqualified from entering upon the duties of office.

Section 21 of this bill allows a person to cast a primary ballot for a major political party only if the person is a member of that major political party.

Existing law sets forth procedures for depositing absent ballots in the ballot box, including verifying the absent voter's signature that appears on the back of the return envelope or facsimile. (NRS 293.333, 293C.332) Because certain military personnel and overseas citizens may return special absent ballots via approved electronic transmission other than facsimile, sections 23 and 33 of this bill authorize the verification of the signature of these voters by comparing the signature from the special absent ballot or the oath of the voter that must be included in the special absent ballot with that on the original application to register to vote.

Existing law sets forth the period for early voting by personal appearance at a primary or general election, which excludes Sundays and state and federal holidays. (NRS 293.3568, 293C.3568) Sections 24 and 34 of this bill provide that state holidays are not excluded from that period.

Section 26 of this bill prohibits a county clerk from posting voting results for a statewide or multicounty race or ballot question until the Secretary of State notifies the county clerk that all polling places are closed and all votes have been cast.

Section 27 of this bill revises the procedure for demands for an election recount in a county or city using a mechanical voting system and for recounts affecting more than one county.

Existing law provides that a person does not gain or lose residence in the State by reason of his or her presence or absence while being employed in the military, naval or civil service of the United States or the State of Nevada or while engaged in the navigation of the waters of the United States or of the
high seas. (NRS 293.487) **Section 30** of this bill provides that the spouse of such a person also does not gain or lose residence in the State.

**Sections 36.5 and 39.5** of this bill differentiate between "campaign expenses" and "expenditures" for purposes of campaign reporting requirements.

**Section 37** of this bill requires certain persons, committees for political action, political parties and committees of political parties that expend more than $100 for the purpose of financing certain public communications to disclose on the communication the name of the person, committee or political party that paid for the communication.

**Section 41.5** of this bill prohibits a person from making a contribution to a committee for political action with the knowledge and intent that the committee for political action will contribute that money to a specific candidate which, in combination with the total contributions already made by the person for the same election, would violate the limitations on contributions in existing law.

**Section 49** of this bill provides that if a committee for political action fails to register with the Secretary of State before engaging in any activity within the State, the Secretary of State may impose on the committee a civil penalty for each time the committee engages in activity without being registered.

**Sections 40, 44, 45, 47, 48, 50-53, 55, 59-62 and 69** of this bill repeal the term "business entity" and remove the term from provisions governing registration and campaign contribution and expenditure reporting. These entities, however, are not exempt from the provisions because they are business organizations included within the term "person" as defined in existing law. (NRS 294A.009)

**Section 54** of this bill: (1) prohibits a candidate or public officer from using campaign contributions to pay civil or criminal penalties; and (2) authorizes a candidate or public officer to use campaign contributions to pay for legal expenses that the candidate or public officer incurred in relation to a campaign or while serving in public office. Any such candidate or public officer is not required to establish a legal defense fund in order to use campaign contributions to pay for legal expenses, but **sections 29, 54, 56, 58, 59, 61 and 62** of this bill require the candidate or public officer to report the expenditure of such money on his or her campaign expenditure reports.

**Section 58** of this bill adds contributions made to another candidate, a nonprofit corporation, a committee for political action or a committee for the recall of a public officer to the categories of expenditures that must be reported on campaign expenditure reports.

**Section 59.5 of this bill requires the Secretary of State, for the purposes of implementing and administering the election laws, to consider whether organization of or actions taken by a group or entity are for the purpose of avoiding the limitations on campaign contributions.**
Section 65 of this bill requires the affidavit executed by a circulator of a petition for initiative or referendum to include the contact information of the circulator and a statement that the circulator is at least 18 years of age.

Sections 65.5 and 66 of this bill: (1) clarify that a candidate for or person appointed to the office of Legislator is required to file a statement of financial disclosure with the Secretary of State; and (2) requires a public officer who leaves office to file a statement of financial disclosure on January 15th of the year immediately following the year in which the public officer leaves office unless the public officer leaves office before January 15 in the prior year.

Sections 67 and 68 of this bill require that candidates for city office in the cities of Carlin and Wells file declarations of candidacy at the same time as candidates for statewide office.

2. To determine the number of signatures required to be gathered from a petition district, the Secretary of State shall calculate the amount that equals 10 percent of the voters who voted in that petition district at the last preceding general election.

Sec. 9. NRS 293.1276 is hereby amended to read as follows:

293.1276 1. Within 4 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110, the county clerk shall determine the total number of signatures affixed to the documents and, in the case of a petition for initiative or referendum proposing a statute, an amendment to a statute or an amendment to the Constitution, constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained fully or partially within the county and forward that information to the Secretary of State.

Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk's county and, in the case of a petition for initiative or referendum proposing a statute, an amendment to a statute or an amendment to the Constitution, constitutional amendment
or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk's county.

2. If more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk's records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

4. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk's county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.

5. Except as otherwise provided in subsection 7, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk's office. When the county clerk transmits the certificate to the Secretary of State, the county clerk shall notify the Secretary of State of the number of requests to remove a name received by the county clerk pursuant to NRS 295.055 or 306.015.

6. A person who submits a petition to the county clerk which is required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110 must be allowed to witness the verification of the signatures. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.
7. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not transmit to the Secretary of State the documents containing the signatures of the registered voters.

8. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

Sec. 11. NRS 293.1278 is hereby amended to read as follows:

293.1278  1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015 and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of those certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to NRS 295.055 or 306.015 shall remove each name as requested, amend the certificate and transmit the amended certificate to the Secretary of State. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of the amended certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

Sec. 12. NRS 293.1279 is hereby amended to read as follows:

293.1279  1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State
shall order the county clerks to examine the signatures for verification. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. If the county clerks received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerks may not determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. Except as otherwise provided in this subsection, if the statistical sampling shows that the number of valid signatures filed in any county is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county plus the total number of requests to remove a name received by the county clerk in that county pursuant to NRS 295.055 or 306.015, the Secretary of State may order the county clerk in that county to examine every signature for verification. If the county clerk received a request to remove a name pursuant to NRS 295.055 or 306.015, the county clerk may not determine that 100 percent or more of the number of signatures of registered voters needed to constitute 10 percent of the number of voters who voted at the last preceding general election in that county are valid until the county clerk has removed each name as requested pursuant to NRS 295.055 or 306.015. In the case of a petition for initiative or referendum that proposes a statute, an amendment to a statute or an amendment to the Constitution of this State, a constitutional amendment or statewide measure, if the statistical sampling shows that the number of valid signatures in any petition district is 90 percent or more but less than the sum of 100 percent of the number of signatures of registered voters required for that petition district pursuant to NRS 295.012 plus the total number of requests to remove a name received by the county clerk or county clerks, if the petition district comprises more than one county, pursuant to NRS 295.055, the Secretary of State may order a county clerk to examine every signature for verification.

3. Within 12 days, excluding Saturdays, Sundays and holidays, after receipt of such an order, the county clerk or county clerks shall determine from the records of registration what number of registered voters have signed the petition and, if appropriate, tally those signatures by petition district. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.
4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. A copy of the amended certificate must be filed in the county clerk's office. In the case of a petition for initiative or referendum to propose a statute, amendment to a statute or amendment to the Constitution, constitutional amendment or statewide measure, if a petition district comprises more than one county, the county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the amended certificate.

5. For any petition containing signatures which are required to be verified pursuant to the provisions of NRS 293.165, 293.200, 306.035 or 306.110 for any county, district or municipal office within one county, the county clerk shall not forward to the Secretary of State the documents containing the signatures of the registered voters.

6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

8. The Secretary of State shall adopt regulations to carry out the provisions of this section.

Amendment No. 677.
"SUMMARY—Provides for special license plates honoring female veterans. (BDR 43-810)"
"AN ACT relating to motor vehicles; requiring the Department of Motor Vehicles, with respect to special license plates for the support of outreach programs and services for veterans and their families, to make such plates available to female veterans with an optional image representative of female veterans; providing for the issuance of special license plates inscribed with the words "DISABLED FEMALE VETERAN"; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires the Director of the Department of Motor Vehicles to order the preparation of special license plates for the support of outreach programs and services for veterans and their families. These special license plates are available to veterans of the Army, Navy, Air Force, Marine Corps or Coast Guard of the United States, a reserve component thereof or the National Guard, or the spouse, parent or child of such a veteran. (NRS 482.3763) Section 4 of this bill requires the Department to make the plates available: (1) to female veterans; and (2) with an optional image representative of female veterans. The fees for the initial issuance and renewal of the optional version of the special license plates for the support of outreach programs and services for veterans and their families are the same as for the regular version.

Under existing law, new special license plates authorized by an act of the Legislature typically are subject to all of the following: (1) approval or disapproval by the Commission on Special License Plates; (2) the limitation on the number of separate designs of special license plates that may be issued by the Department at any one time; and (3) the requirement that the Department receive at least 1,000 applications for the issuance of the plate within 2 years after the effective date of the act of the Legislature.
The optional special license plates for female veterans are exempt from all three of the preceding requirements because the plates are simply an optional version of existing special license plates for veterans.

Existing law entitles a veteran who has suffered a 100-percent service-connected disability and who receives compensation from the United States for the disability to receive special license plates inscribed with the words "DISABLED VETERAN" or "VETERAN WHO IS DISABLED." (NRS 482.377) Veterans with these license plates are entitled to certain privileges and exemptions related to parking. (NRS 482.377, 484B.463, 484B.467) Section 4.5 of this bill provides for the issuance of such plates inscribed with the words "DISABLED FEMALE VETERAN."

3. If, during a registration year, the holder of special plates issued pursuant to this section disposes of the vehicle to which the plates are affixed, the holder shall:

3. The Department shall issue specially designed license plates for persons qualified pursuant to this section who submit an application on a form prescribed by the Department and evidence of disability or former imprisonment required by the Department.

4. A vehicle on which license plates issued by the Department pursuant to this section are displayed is exempt from the payment of any parking fees, including those collected through parking meters, charged by the State or any political subdivision or other public body within the State, other than the United States.

5. If, during a registration year, the holder of a set of special license plates issued pursuant to this section disposes of the vehicle to which the plates are affixed, the holder shall:
(a) Retain the plates and affix them to another vehicle which meets the requirements of this section and report the change to the Department in accordance with the procedure set forth for other transfers; or
(b) Within 30 days after removing the plates from the vehicle, return them to the Department.

Sec. 5. The Nevada Veterans' Services Commission, created by NRS 417.150, shall provide an image representative of female veterans to the Department of Motor Vehicles for the purposes of NRS 482.3763, as amended by section 4 of this act.

(b) A manufacturer, seller or distributor of a mobile gaming system; and
(c) A manufacturer of equipment associated with mobile gaming.

2. The Commission may not adopt regulations pursuant to this section until the Commission first determines that:

3. The regulations adopted by the Commission pursuant to this section must:

   (d) Define "mobile gaming system," "operator of a mobile gaming system," "equipment associated with mobile gaming," and "public area" as the terms are used in this chapter.

Senator Wiener moved the adoption of the amendment.
Remarks by Senator Wiener.
Senator Wiener requested that her remarks be entered in the Journal.
The amendment revises certain definitions, particularly by eliminating "public area" from the definition of "mobile gaming."
The amendment also adds several new sections to the bill to eliminate a storage medium containing a control program from the definition of "gaming device."
It clarifies that "manufacture" includes gaming systems for play in Nevada.
It specifies that the term "assume responsibility" means to accept continuing legal responsibility for gaming devices and systems.
The amendment removes authority of the Nevada Gaming Commission to regulate independent contractors that manufacture certain property related to gaming; and it makes it unlawful to distribute gaming devices, systems, or related equipment from Nevada to another jurisdiction where such devices and systems are illegal.

Amendment No. 689.
"SUMMARY—Revises provisions governing campaign practices. (BDR 24-721)"
"AN ACT relating to campaign practices; requiring a notice of an alleged violation of provisions governing campaign practices to include certain information; requiring the Secretary of State to provide a copy of the notice and any accompanying information to the person alleged in the notice to have committed the violation; authorizing the person to respond to such a notice; authorizing the Secretary of State to conduct an investigation based on such a notice in certain circumstances; authorizing the Secretary of State or a designated officer or employee of the Secretary of State to subpoena witnesses and require the production of documents or records by subpoena when conducting an investigation based on such a notice in certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law confers authority upon the Secretary of State to conduct investigations concerning alleged violations of chapter 294A of NRS governing campaign practices. Existing law also authorizes a person who believes that any provision of that chapter has been violated to notify the Secretary of State in writing. The notice must be signed by the person and include any information in support of the alleged violation. (NRS 294A.410) This bill specifies the information that must be included in the notice and requires the Secretary of State to provide a copy of the notice and any accompanying information to the person, if any, alleged in the notice to have committed the violation. If, based on such a notice, the Secretary of State determines that reasonable suspicion exists that a violation has occurred, the Secretary of State is authorized to investigate the allegation. This bill further provides that, if the notice is received within 180 days after the general election, general city election or special election for the office or ballot question to which the notice pertains, the Secretary of State is authorized, when conducting an investigation based on the notice, to subpoena witnesses and require the production by subpoena of any books, papers, correspondence, memoranda, agreements or other documents or records in the possession of any person: (1) alleged in the notice to have committed the violation; (2) who the Secretary of State or a designated officer or employee of the Secretary of State has reasonable cause to believe produced or disseminated the materials that are the subject of the notice, if the Secretary of State or a designated officer or employee of the Secretary of State determines that the documents or records are relevant or material to the investigation. Finally, this bill authorizes the Secretary of State or a designated officer or employee of the
Secretary of State to apply to a court for an order compelling compliance if a person fails to testify or produce the required documents or records.

State determines are relevant or material to the investigation and are in the possession of:

(a) Any person alleged in the notice to have committed the violation; or

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 635.
"SUMMARY—Establishes the crime of stolen valor. (BDR 15-1005)"
"AN ACT relating to crimes; establishing the crime of stolen valor; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
The federal Stolen Valor Act of 2005 prohibits a person from falsely representing himself or herself, verbally or in writing, to have been awarded certain military decorations or awards. A person who violates this provision may be fined, imprisoned for not more than 6 months or both fined and imprisoned. (18 U.S.C. § 704(b)) The United States Court of Appeals for the Ninth Circuit recently held that the Stolen Valor Act is facially invalid pursuant to the First Amendment to the Constitution of the United States and is therefore unconstitutional. The Ninth Circuit Court found that the Act as currently drafted restricts free speech rights, but the Court suggested that the
statute could be modified into a constitutional anti-fraud statute. (*United States v. Alvarez*, 617 F.3d 1198, 1212, 1217 (9th Cir. 2010)) The Court noted that to prove that a person is liable for fraud, it must be shown that the person knowingly made a false representation of fact to intentionally mislead another person and successfully misled the other person through such false representation. (*United States v. Alvarez*, 617 F.3d 1198, 1211 (9th Cir. 2010) (citing *Ill. ex rel. Madigan v. Telemarketing Assocs., Inc.*, 538 U.S. 600, 620 (2003)))

Existing Nevada law prohibits a person from willfully wearing the badge, button, insigne or rosette of any military order or of any secret order or society, or from using any such item to obtain aid, assistance or any other benefit or advantage, if the person is not entitled to wear or use any such items. (NRS 205.410) This bill repeals existing Nevada law and provides that a person commits the crime of stolen valor if the person knowingly, with the intent to mislead or defraud and with the intent to obtain some benefit or something of monetary value, misleads or defrauds another person by committing various acts concerning the false representation of himself or herself in relation to military service and obtains something of value. If the amount of the loss caused by the violation: (1) is less than $2,500, the person who committed the violation is guilty of a gross misdemeanor, and (2) is $2,500 or more, the person who committed the violation is guilty of a category E felony.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1. A person shall not knowingly, with the intent to mislead or defraud:

Every person who shall willfully wear the badge, button, insignia or rosette of any military order or of any secret order or society, or any similitude thereof; or who shall use any such badge, button, insignia or rosette to obtain aid or assistance, or any other benefit or advantage, unless the person shall be entitled to so wear or use the same under the constitution, bylaws, rules and regulations of such order or society, shall be fined not more than $500.

Senator Wiener requested that her remarks be entered in the Journal.

The amendment returns the sponsors' bill to the original bill that was introduced in the other house adding the amendment we proposed in this house, which is adding the word "monetary" to "anything of value." Therefore, with the amended language, it would be "anything of monetary value" added to the restored original bill.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 696.
"SUMMARY—Revises provisions relating to real property. (BDR 9-568)"
"AN ACT relating to real property; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil remedies for failure to comply with certain provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil penalties, and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086)
Sections 4-22 of this bill establish additional restrictions on the trustee's power of sale with respect to owner-occupied housing which are based on Senate Bill No. 729 of the current session of the California Legislature, as amended. Section 23 of this bill provides that these additional restrictions apply only to a notice of default and election to sell which is recorded on or after July 1, 2011.
Section 12 prohibits the recording of a notice of default and election to sell unless reasonable and good faith efforts have been made to evaluate the borrower for all available alternatives to the exercise of the trustee's power of sale. Section 14 prohibits the recording of a notice of default and election to sell until the trustee, beneficiary or authorized agent complies with certain requirements regarding contact with, or attempts to contact, the borrower. Under section 15, if an eligible borrower requests, either orally or in writing, a loan modification, a notice of default and election to sell may not be recorded unless the borrower's application has been reviewed in good faith and a decision has been rendered on that application. Sections 17 and 19 require a declaration of compliance to be recorded with the notice of default and election to sell and section 17 provides a form for that declaration.
Section 18: (1) authorizes a borrower to bring a civil action to enjoin a trustee's sale, to void a trustee's sale and to recover a specified amount of damages and reasonable attorney's fee and costs under certain circumstances; (2) authorizes the Attorney General to obtain civil penalties for violations of the provisions of this bill; and (3) provides that a violation of the provisions of this bill by a person which is licensed in this State is deemed to be a violation of the law governing that license.

Additionally, section 19: (1) requires a life-of-loan accounting containing certain information to be included with the copy of the notice of default and election to sell which is mailed to the borrower; and (2) prohibits the recording of a notice of sale if the borrower has entered into a contract to sell the property which has been approved by the lender or the borrower has requested approval of such a contract but the lender has not yet approved or disapproved the sale.

One such restriction: (1) requires the trustee under the deed of trust to include a form to request mediation with the notice of default and election to sell which is mailed to the grantor of the deed of trust or the person who holds the title of record; and (2) authorizes the grantor of the deed of trust or the person who holds the title of record to request mediation under rules adopted by the Supreme Court. (NRS 107.086) Section 20.7 of this bill requires the notice of default and election to sell which is mailed to the grantor or the person who holds the title of record to include a notice provided by the entity designated to administer the Foreclosure Mediation Program which states that the grantor or the person who holds the title of record has a right to seek foreclosure mediation in the Foreclosure Mediation Program.

Under existing law, another restriction on the exercise of the trustee's power of sale prohibits the trustee from exercising the power of sale unless, not later than 60 days before the date of the sale, the trustee causes a notice to be served on the grantor or the person who holds the title of record which contains the telephone numbers of certain agencies which may provide assistance to the grantor or the person who holds the title of record. (NRS 107.085) Section 20.3 of this bill amends this notice to include: (1) a statement that the person receiving the notice may have a right to participate in the State of Nevada Foreclosure Mediation Program if the time to request mediation has not expired; (2) the telephone number of the State of Nevada Foreclosure Mediation Program; and (3) the telephone number of the Division of Mortgage Lending of the Department of Business and Industry.

Assembly Bill No. 117.

Bill read third time.

The following amendment was proposed by the Committee on Finance:

Amendment No. 831.
"SUMMARY—Temporarily revises provisions governing the required minimum number of school days in public schools. (BDR 34-91)"

"AN ACT relating to education; authorizing the board of trustees of a school district and the governing body of a charter school to request, for the 2011-2013 biennium, a waiver from the required minimum number of school days in a school year during an economic hardship; setting forth certain provisions governing a furlough program of employees of school districts and charter schools as the program relates to the Public Employees' Retirement System; expiring the provisions of this act; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, each school district is required to schedule and provide annually a minimum of 180 days of school in the schools of the school district and a charter school is required to schedule and provide at least as many days of instruction as are required of other public schools in the school district in which the charter school is located. (NRS 386.550, 388.090)

Section 2

For the 2011-2013 biennium, section 6.5 of this bill authorizes the board of trustees of a school district and the governing body of a charter school to request a waiver of not more than 10 school noninstructional days from the required minimum number of school days for a school year in that biennium during an economic hardship to avoid the layoff of teachers and other educational personnel employed by the school district or charter school. A request for a waiver must be reviewed by the Superintendent of Public Instruction and, if approved, transmitted to the Interim Finance Committee, which makes the final determination of whether to grant a waiver. For purposes of requesting a waiver from the required minimum school days, the circumstances in which an economic hardship exists for a school district or charter school are identical to the circumstances in which an economic hardship exists under existing law for a school district or charter school to request a waiver from the required minimum expenditures for textbooks, instructional supplies, instructional software and instructional hardware. (NRS 387.2065)

The 2009 Session of the Legislature enacted provisions requiring furlough leave of certain state employees and set forth provisions relating to the furlough program and the manner in which the program is carried out as it relates to the Public Employees' Retirement System. (Chapter 391, Statutes of Nevada 2009, p. 2160) Section 7 of this bill sets forth the intent of the Legislature in the establishment of a program certified by the board of trustees of a school district or the governing body of a charter school whereby employees of school districts and charter schools who are members of the Public Employees' Retirement System and who take furlough leave due to extreme fiscal need be held harmless in the accumulation of retirement service credit and reported salary. Section 7 further sets forth provisions concerning the furlough leave as it relates to the Public Employees'
Retirement System in a manner similar to the furlough program of state employees.

Senator Horsford moved the adoption of the amendment.

Remarks by Senator Horsford.
Senator Horsford requested that his remarks be entered in the Journal.

This is an important amendment that changes the policy approved by the Assembly which creates a process for a school district or charter school to apply for a waiver from the required 180 minimum number of school days, during times of economic hardship. The legislation allows for a waiver of no more than five non-instructional days or minutes, and requires any furlough time negotiated by the school district or charter school be taken from the number of non-instructional days or minutes as established during the current school year, including the equivalent of not more than five professional development days, or other non-instructional days outside the 180-day minimum requirement. The amendment ensures that if there are furloughs taken that they are taken on non-instructional days, and not on days that would take away from student learning.

Amendment adopted.

Senator Copening moved that the Senate concur in the Assembly amendment to Senate Bill No. 246.
Motion carried by a constitutional majority.
Bill ordered enrolled.

Senate Bill No. 300.
The following Assembly amendment was read:
Amendment No. 712.
"SUMMARY—Revises provisions governing certain billing and related practices of hospitals. (BDR 40-797)"
"AN ACT relating to medical facilities; revising provisions governing billing and related practices of certain larger hospitals; revising requirements relating to notices of billing practices which must be provided to patients of certain hospitals; providing administrative penalties; and providing other matters properly relating thereto."
Legislative Counsel’s Digest:
Existing law requires major hospitals with 200 or more beds to reduce by at least 30 percent the total billed charges for hospital services provided to inpatients who: (1) do not have insurance; (2) are not eligible for a government program which provides medical assistance; and (3) make arrangements to pay the hospital bill. (NRS 439B.260) Section 2 of this bill specifies that the reduction in total billed charges applies only to inpatients who do not have health insurance and specifically excludes policies of insurance such as casualty and property insurance for purposes of determining whether an inpatient has insurance. Existing law requires major hospitals to give patients, upon discharge, notice of the provisions concerning the reduction of billed charges. (NRS 449.730) Section 2 additionally requires major hospitals to include such a notice on or with the first statement of the hospital bill provided to each patient. Existing law prescribes civil and administrative penalties which are applicable to a violation of the provisions of section 2. (NRS 439B.500)

Section 3 of this bill prohibits a hospital from collecting any amount owed to the hospital for hospital care from the proceeds or potential proceeds of a civil action or from an insurer other than a health insurer if the patient was covered by health insurance and the hospital has a contractual agreement with the insurer of the patient.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. (Deleted by amendment.)
Sec. 2. NRS 439B.260 is hereby amended to read as follows:
439B.260 1. A major hospital shall reduce or discount the total billed charge by at least 30 percent for hospital services provided to an inpatient who:

(b) Is not eligible for coverage by a state or federal program of public assistance that would provide for the payment of the charge; and

(c) Makes reasonable arrangements within 30 days after discharge the date that notice was sent pursuant to subsection 2 to pay the hospital bill.

2. *A major hospital shall include on or with the first statement of the hospital bill provided to the patient after his or her discharge a notice of the reduction or discount available pursuant to this section, including, without limitation, notice of the criteria a patient must satisfy to qualify for a reduction or discount.*

2. Collection efforts may begin and interest may begin to accrue on any amount owed to the hospital for hospital care which remains unpaid by the responsible party not sooner than 30 days after the responsible party is sent a bill by mail stating the amount that he or she is responsible to pay which has been established after receiving a determination concerning payment of the claim by any insurer or public program and after applying any discounts. Interest must accrue at a rate which does not exceed the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date on which the payment becomes due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the payment is satisfied.

REMARKS FROM THE FLOOR

Senator Brower requested that his remarks be entered in the Journal.

Louis J. Capurro, Jr. 92, the grandson of Italian immigrants Pasquale Capurro and Luigia Battaglia Capurro; Pietro Bartolino and Teresa Procarione Bartolino, died Saturday evening peacefully at the home ranch where he had lived all of his life. He was born June 27, 1918 to Louis J. Capurro, Sr. and Isabella Bartolino Capurro.

He attended the original Huffaker Elementary School, many days riding his horse; attended B.D. Billinghurst Middle School from 1929-1932; Reno High School from 1932-1935 and received his BA in business from the University of Nevada in 1939, the year he started his first insurance business.

In 1940, he married Genevieve Dondero. They enjoyed 55 years together until her death in 1995.

Louis was very active in the business community and held various public service assignments throughout his life. He was elected President of the 20-30 Club in 1942; he served a decade in the Assembly of the Nevada State Legislature, first elected in 1943 when he was 25 years old and sent back by the voters for four additional sessions where later, his son Randy, also served in the lower house. In 1949, county boards of adjustments were created by the State lawmakers as non-salaried volunteer positions. In July 1949, Louis became a charter member of the Washoe County Board of Adjustment, appointed by the Washoe County Commission. He was chairman of this board several times, once for a 10-year period. He served a numbing 37 years, retiring from that position in 1986 after attending approximately 500 monthly meetings and special sessions. He always knew what was happening in the Reno-Sparks area.

Also an avid hunter, Louis was a Triple Champion in various shooting competitions in 1949, including the Nevada State Championship; the Reno Great Pacific Open 410 ga. Class C and the All Bore 5-Man Team Class B. His very active membership in the Honey Lake Ranch gave him many years of great duck, goose and pheasant hunting.

From 1949-1964 his insurance company became the Capurro-McKenna Insurance Company. and from 1964-1986, with his son Randy and Richard Voss, it was known as Capurro-Voss Insurance Company. Then, in 1986, the business was sold to and he continued to work for Fred S. James (Sedgewick James) Insurance Company.

He was associated with the Nevada Star Grange Organization in earlier years. He was a member of the Prospector's Club in Reno and enjoyed many pleasant occasions there. His association with the beloved ROMEO'S (Retired Old Men Eating Out), since 1984, was the highlight of his week, sharing the kind of perspective that shows the value of enduring
friendship. No group of men could ever show more humor, stories, frank observations of life and genuine love for each other.

Louis' vision was made real in 1964-1965 with the organizing and opening of Pioneer Citizen's Bank of Nevada. He and four other descendants of pioneer Nevada families; Paul Laiolo, Royal Stewart, Harold Cafferrata and Ben Caramella were at the helm. Louis served as the first Chairman of the Board. In 1999, Pioneer Citizens Bank was sold to Zions Bank and is locally known as Nevada State Bank of Nevada.

Louis was also very active in the Reno Benevolent and Protective Order of Elks (BPOE). He served as the Exalted Ruler in 1965-1966. In 1967, he was the District Deputy Exalted Ruler for the Northern Nevada District of BPOE. In 1977-1978, he was elected the Nevada State Elks Association's President. In 1984-1985, he was the Grand Lodge Committee Designate. He also held the title of Past Grand Loyal Knight.

In 1998, he received the Distinguished Nevadan Degree from the University of Nevada. Through all of this, Louis never lost sight of his family. All of us knew we were the most important part of his life and he was sought after for his knowledge, wisdom and love by each of us, including his loving companion, Florence Rose.

Preceding Louis in death besides his wife, Genevieve, were grandchild, Lorin Louis Capurro and great grandchild Lisa Jean Capurro. Surviving are his three children: Allen Capurro (Carol), Randall Capurro (Annette) and Corinne Capurro Guio (Bill). Eight Grandchildren: Steven Allen Capurro; Clinton Dale Capurro (Michelle); Suzanne Marie Capurro Murphy (Brian); Gina Louise Capurro Gardner (Ken); Anthony Randall Capurro (Julie); Christopher Capurro (Chrissty); Heather Lynn Guio Parks (Steve) and Thomas Victor Guio. Thirteen great grandchildren including: Renee, Ashley, Kylee, Conner, Electra and Angele Capurro; Morgan, Madison and Chandler Murphy; Lucas, Addison and Mallory Gardner; and Mia Parks.

Services were scheduled on Thursday, Feb. 3 at 5:00 p.m. Viewing at Walton's 2nd St. Chapel followed by 7:00 p.m. Rosary on Friday, Feb 4 at 10:00 a.m., funeral Mass was at St. Theresa's Little Flower Catholic Church.

In lieu of flowers, gifts may be made in Louie's memory to the University of Nevada Reno Foundation/Capurro Family Endowment, sent to University of Nevada, Reno Foundation, Mail Stop 0162, Reno, NV 89507.

Senator Horsford moved that the Senate adjourn until Monday, May 30, 2011, at 11 a.m. and that it do so in memory of Louis J. Capurro.

Bill read second time.
The following amendment was proposed by the Committee on Transportation:
Amendment No. 737.
"SUMMARY—Revises provisions governing certain motor carriers.
(BDR 58-1049)"
"AN ACT relating to motor carriers; authorizing operators of taxicabs and operators of limousines to accept credit cards and debit cards for payment of rates, fares and charges; authorizing the prescribing of maximum fees that may be charged to customers of taxicabs and limousines for the convenience of payment by a credit card or debit card; prohibiting issuers of credit cards and debit cards and certain other persons from prohibiting the collection of the convenience fees; requiring the Taxicab Authority to compile a report for the Legislature concerning the costs of purchasing, installing and maintaining equipment to accept such payments; requiring a portion of the fee paid in certain counties to be used for certain transportation services; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
The Nevada Transportation Authority regulates common motor carriers of passengers, which include limousines and, in counties with a population of less than 400,000 (currently all counties other than Clark County), taxicabs. (NRS 706.166) The Taxicab Authority regulates taxicabs in counties with a population of 400,000 or more (currently Clark County). (NRS 706.8818)
Sections 2 and 3 of this bill authorize taxicab and limousine operators to accept payment by a credit card or debit card. Section 2 authorizes the Nevada Transportation Authority to prescribe by regulation or order the maximum fees that a taxicab motor carrier or limousine operator within its jurisdiction may charge for the convenience of paying by using a credit card or debit card. Section 3 authorizes the Taxicab Authority to prescribe by regulation or order the maximum fees that a certificate holder in a county whose population is 400,000 or more may charge for the convenience of paying by using a credit card or debit card. Sections 2 and 3 also set forth the manner in which the amount of the fee that may be charged will be determined and prohibit an issuer of a credit card or debit card or certain other persons who facilitate the acceptance of a credit card or debit card from prohibiting the collection by a taxicab or limousine operator of the convenience fee.

Section 11 of this bill requires each taxicab motor carrier in a county whose population is 700,000 or more (currently Clark County) to transmit a report to the Taxicab Authority on or before January 1, 2012, July 1, 2012, January 1, 2013, and July 1, 2013, which sets out the actual costs that the taxicab motor carrier incurred during the immediately preceding 6 months to purchase, install and maintain the equipment used to accept credit cards or debit cards. Section 11 requires the Taxicab Authority to compile the information contained in the reports within 30 days of receipt and transmit the information to the Director of the Legislative Counsel Bureau for distribution to the Legislature.

Section 12 of this bill requires each taxicab motor carrier in a county whose population is 700,000 or more (currently Clark County) that charges a fee to customers for using a credit card or debit card to transmit a portion of the fee so collected to the Taxicab Authority on or before January 1, 2012, July 1, 2012, and January 1, 2013. The Taxicab Authority is required to determine the amount to be transmitted on a fair and equitable basis to ensure that the Taxicab Authority is able to transmit $400,000 on or before January 15, 2012, July 15, 2012, and January 15, 2013, to the Aging and Disability Services Division of the Department of Health and Human Services for expenditure on transportation services in Clark County.

Section 13 of this bill requires the adoption of any regulations by the Taxicab Authority and the Nevada Transportation Authority necessary to implement the bill by October 1, 2011.

Bill read second time.
The following amendment was proposed by the Committee on Legislative
Operations and Elections:
Amendment No. 834.
"SUMMARY—Revises provisions relating to governmental
administration. (BDR 24-1136)"

"AN ACT relating to governmental administration; requiring the electronic
filing of certain campaign contribution and expenditure reports and
statements of financial disclosure; amending the deadlines for filing certain
campaign contribution and expenditure reports; requiring candidates to report
certain contributions and expenditures in the aggregate on campaign
contribution and expenditure reports; requiring candidates to report the
disposal of certain unspent campaign contributions in the aggregate on
campaign contribution and expenditure reports; prohibiting certain former
public officers from receiving compensation or other consideration to lobby
for 2 years after leaving office; increasing the "cooling-off" period for former
members of the Public Utilities Commission of Nevada, the State Gaming
Control Board and the Nevada Gaming Commission to lobby on behalf of
certain regulated businesses and industries; making various other changes relating to campaign finance; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Sections 2-20 of this bill provide that, except under certain circumstances, campaign contribution and expenditure reports related to candidates for state, county, city and district offices must be filed electronically with the Secretary of State. Sections 4, 7-11 and 16 also revise the deadlines for filing such reports.

Existing law requires a candidate to report on his or her campaign contribution and expenditure report: (1) each campaign contribution in excess of $100 received during the reporting period and contributions received during the period from a contributor which cumulatively exceed $100; (2) each campaign expense incurred, or expenditure made, in excess of $100 during the reporting period; and (3) any unspent campaign contribution that is disposed of during the reporting period in excess of $100. (NRS 294A.120, 294A.125, 294A.200) Sections 4, 5 and 9 of this bill require candidates to report, in the aggregate, contributions, expenses, expenditures or amounts of unspent campaign contributions disposed of which are less than $100.

Existing law requires a candidate, person, committee, political party, group of persons or business entity to sign all campaign contribution and expenditure reports under penalty of perjury. (NRS 294A.120, 294A.125, 294A.128, 294A.140, 294A.150, 294A.200, 294A.210, 294A.220, 294A.270, 294A.280, 294A.283, 294A.286) Sections 2-15, 18 and 23 of this bill authorize a person signing such a report the alternative option of signing under an oath to God but provides that a person who signs a report under an oath to God is subject to the same penalties as if he or she signed the report under penalty of perjury.

Section 18 of this bill requires the Secretary of State to design a form for each campaign contribution and expenditure report rather than requiring the design of a single form for all campaign contribution and expenditure reports in order to accommodate the new electronic filing requirements.

Sections 23-26 and 28-33 of this bill provide that, except under certain circumstances, appointed and elected public officers must file statements of financial disclosure electronically with the Secretary of State rather than the Commission on Ethics.

Under existing law, former members of the Public Utilities Commission of Nevada, the State Gaming Control Board and the Nevada Gaming Commission must observe a 1-year "cooling-off" period prior to appearing before the Public Utilities Commission of Nevada, the State Gaming Control Board or the Nevada Gaming Commission, as applicable, on behalf of certain regulated businesses or industries. (NRS 281A.550) Section 27 of this bill increases this "cooling-off" period to 2 years. Section 22 of this bill prohibits former public officers from receiving compensation or other consideration to
lobby any member of the governing body of the State or a political subdivision, as applicable, to which the former public officer was elected or appointed for 2 years after leaving office.

Senator Parks moved the adoption of the amendment. Remarks by Senators Parks and Hardy.

Senator Parks requested that the following remarks be entered in the Journal.

SENATOR PARKS:
Assembly Bill No. 452 relates to campaign finance.
Amendment No. 834 makes the following changes: a person signing campaign contribution and expenditure reports who signs the report under an oath to God is still subject to the same penalties as if he or she signed under penalty of perjury; and for cooling off periods applicable to former members of certain state agencies and former public officers, they are removed from the bill.

SENATOR HARDY:
Thank you, Mr. President. The amendments are scattered through the bill. It says, "a person who signs a form under an oath to God is subject to the same penalties."
What if the person is an atheist?

SENATOR PARKS:
Thank you, Mr. President. They would have to sign, "under penalty of perjury."

SENATOR HARDY:
There are some people who believe in God. They may have a problem in taking an oath or swearing to something. Therefore, they have different verbiage they use. Would they be covered under "taking a statement under penalty of perjury" and it would still be all right?

SENATOR PARKS:
Thank you, Mr. President. Yes, the language was reviewed by the Secretary of State's Office. They had no problem with the language. The lines on the various forms would add the condition that it has been signed under penalty of perjury or that you have signed it under an oath to God.

Amendment adopted.
Bill ordered reprinted, re-engrossed and to third reading.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 749.
"SUMMARY—Revises provisions relating to enterprise funds. (BDR 31-915)"
"AN ACT relating to local government financial administration; limiting the authority of a governing body of a local government to loan or transfer money from an enterprise fund and to increase fees imposed for the purpose of an enterprise fund; requiring certain reports from the Committee on Local Government Finance; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
The Local Government Budget and Finance Act authorizes the governing body of a local government to establish certain funds, including an enterprise fund to account for operations which are financed and conducted in a manner similar to the operations of a private business, where the intent of the governing body is to have the expenses of providing goods or services to the general public financed through charges imposed on users. (NRS 354.470-354.626) Section 1 of this bill allows a governing body of a local government to loan or transfer money from an enterprise fund only if the loan or transfer is made: (1) as a medium-term obligation in compliance with certain requirements; (2) to pay the expenses of the pertinent enterprise; (3) for a cost allocation for employees, equipment or other resources; or (4) upon the dissolution of the fund. In addition, section 1 allows such a governing body to increase the amount of the fees imposed for the purpose for which an enterprise fund was created only if the Committee on Local Government Finance approves that increase or the fees are imposed on certain public utilities for a right-of-way over a public area. Lastly, fees are used for certain specified purposes or the governing body determines that: (1) the increase is not prohibited by law; (2) the increase is necessary for the pertinent enterprise; and (3) all fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected. Furthermore, section 1 requires the Committee on Local Government Finance to submit biennial reports to the Legislature regarding compliance with the requirements of that section. Section 9 of this bill provides that any officer or employee of a local government who violates section 1 is guilty of a misdemeanor and upon conviction ceases to hold his or her office or employment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 354 of NRS is hereby amended by adding thereto a new section to read as follows:
1. Except as otherwise provided in this section, the governing body of a local government may, on or after July 1, 2011, loan or transfer money from an enterprise fund, money collected from fees imposed for the purpose for which an enterprise fund was created or any income or interest earned on money in an enterprise fund only if the loan or transfer is made:

   (a) In accordance with a medium-term obligation issued by the recipient in compliance with the provisions of chapter 350 of NRS, the loan or transfer is proposed to be made and the governing body approves the loan or transfer under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and:

       (1) The money is repaid in full to the enterprise fund within 5 years; or

       (2) If the recipient will be unable to repay the money in full to the enterprise fund within 5 years, the recipient notifies the Committee on Local Government Finance of:

           (I) The total amount of the loan or transfer;

           (II) The purpose of the loan or transfer;

           (III) The date of the loan or transfer; and

           (IV) The estimated date that the money will be repaid in full to the enterprise fund;

   (b) To pay the expenses related to the purpose for which the enterprise fund was created;

   (c) For a cost allocation for employees, equipment or other resources related to the purpose of the enterprise fund which is approved by the governing body under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body; or

   (d) Upon the dissolution of the enterprise fund.

2. Except as otherwise provided in subsection 3, this section, the governing body of a local government may increase the amount of any fee imposed for the purpose for which an enterprise fund was created only if the Committee on Local Government Finance governing body approves the increase under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and the governing body determines that:

   (a) The increase is not prohibited by law;

   (b) The increase is necessary for the continuation or expansion of the purpose for which the enterprise fund was created; and

   (c) The governing body is not using any money from the enterprise fund, any money collected from fees imposed for the purpose for which the enterprise fund was created or any income or interest earned on money in the enterprise fund for any purpose other than that for which the enterprise fund was created, except to repay any money loaned or transferred to the enterprise fund from another fund of the local government or of another local government to provide working capital for the enterprise fund.
3. All fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected.

3. Upon the adoption of an increase in any fee pursuant to subsection 2, the governing body shall, except as otherwise provided in this subsection, provide to the Department of Taxation an executed copy of the action increasing the fee. This requirement does not apply to the governing body of a federally regulated airport.

4. The provisions of subsection 2 do not limit the authority of the governing body of a local government to increase the amount of any fee imposed upon a public utility in compliance with the provisions of NRS 354.59881 to 354.59889, inclusive, for a right-of-way over any public area if the public utility is billed separately for that fee. As used in this subsection, "public utility" has the meaning ascribed to it in NRS 354.598817.

5. This section must not be construed to:
   (a) Prohibit a local government from increasing a fee or using money in an enterprise fund to repay a loan lawfully made to the enterprise fund from another fund of the local government; or
   (b) Prohibit or impose any substantive or procedural limitations on any increase of a fee that is necessary to meet the requirements of an instrument that authorizes any bonds or other debt obligations which are secured by or payable from, in whole or in part, money in the enterprise fund or the revenues of the enterprise for which the enterprise fund was created.

6. The Department of Taxation shall provide to the Committee on Local Government Finance a copy of each report submitted to the Department on or after July 1, 2011, by a county or city pursuant to NRS 354.6015. The Committee shall:
   (a) Review each report to determine whether the governing body of the local government is in compliance with the provisions of this section; and
   (b) On or before January 15 of each odd-numbered year, submit a report of its findings to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

5. As used in this section, "public utility" has the meaning ascribed to it in NRS 354.598817.

7. A fee increase imposed in violation of this section must not be invalidated on the basis of that violation. The sole remedy for a violation of this section is the penalty provided in NRS 354.626. Any person who pays a fee for the enterprise for which the enterprise fund is created may file a complaint with the district attorney or Attorney General alleging a violation of this section for prosecution pursuant to NRS 354.626.

8. For the purposes of paragraph (c) of subsection 1, the Committee on Local Government Finance shall adopt regulations setting forth the extent to which general, overhead, administrative and similar expenses of a local
government of a type described in paragraph (c) of subsection 1 may be allocated to an enterprise fund. The regulations must require that:

(a) Each cost allocation makes an equitable distribution of all general, overhead, administrative and similar expenses of the local government among all activities of the local government, including the activities funded by the enterprise fund; and

(b) Only the enterprise fund’s equitable share of those expenses may be treated as expenses of the enterprise fund and allocated to it pursuant to paragraph (c) of subsection 1.

9. Except as otherwise provided in subsections 10 and 11, if a local government has subsidized its general fund with money from an enterprise fund for the 5 fiscal years immediately preceding the fiscal year beginning on July 1, 2011, the provisions of subsection 1 do not apply until July 1, 2021, to transfers from the enterprise fund to the general fund of the local government for the purpose of subsidizing the general fund if the local government:

(a) Does not increase the amount of the transfers to subsidize the general fund in any fiscal year beginning on or after July 1, 2011, above the amount transferred in the fiscal year ending on June 30, 2011, except for loans and transfers that comply with the provisions of subsection 1; and

(b) Does not, on or after July 1, 2011, increase any fees for any enterprise fund used to subsidize the general fund except for increases described in paragraph (b) of subsection 5.

10. On or before July 1, 2012, a local government to which the provisions of subsection 9 apply shall adopt a plan to eliminate, on or before the fiscal year beginning on July 1, 2021, all transfers from any enterprise funds to subsidize the general fund that are not made in compliance with subsection 1. A copy of the plan must be filed with the Department of Taxation on or before July 15, 2012.

11. On and after July 1, 2012, the provisions of subsection 9 do not apply to a local government that fails to comply with the provisions of subsection 10.

Sec. 2. NRS 354.470 is hereby amended to read as follows:

body; or

(d) Upon the dissolution of the enterprise fund.

2. Except as otherwise provided in this section, the governing
body of a local government may increase the amount of any fee
imposed for the purpose for which an enterprise fund was created only
if the governing body approves the increase under a nonconsent item
that is separately listed on the agenda for a regular meeting of the
governing body, and the governing body determines that:
(a) The increase is not prohibited by law;
(b) The increase is necessary for the continuation or expansion of the purpose for which the enterprise fund was created; and
(c) All fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected.

3. Upon the adoption of an increase in any fee pursuant to subsection 2, the governing body shall, except as otherwise provided in this subsection, provide to the Department of Taxation an executed copy of the action increasing the fee. This requirement does not apply to the governing body of a federally regulated airport.

4. The provisions of subsection 2 do not limit the authority of the governing body of a local government to increase the amount of any fee imposed upon a public utility in compliance with the provisions of NRS 354.59881 to 354.59889, inclusive, for a right-of-way over any public area if the public utility is billed separately for that fee. (b) On or before January 15 of each odd-numbered year, submit a report of its findings to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

7. A fee increase imposed in violation of this section must not be invalidated on the basis of that violation. The sole remedy for a violation of this section is the penalty provided in NRS 354.626. Any person who pays a fee for the enterprise for which the enterprise fund is created may file a complaint with the district attorney or Attorney General alleging a violation of this section for prosecution pursuant to NRS 354.626.
8. For the purposes of paragraph (c) of subsection 1, the Committee on Local Government Finance shall adopt regulations setting forth the extent to which general, overhead, administrative and similar expenses of a local government of a type described in paragraph (c) of subsection 1 may be allocated to an enterprise fund. The regulations must require that:

(a) Each cost allocation makes an equitable distribution of all general, overhead, administrative and similar expenses of the local government among all activities of the local government, including the activities funded by the enterprise fund; and

(b) Only the enterprise fund’s equitable share of those expenses may be treated as expenses of the enterprise fund and allocated to it pursuant to paragraph (c) of subsection 1.

9. Except as otherwise provided in subsections 10 and 11, if a local government has subsidized its general fund with money from an enterprise fund for the 5 fiscal years immediately preceding the fiscal year beginning on July 1, 2011, the provisions of subsection 1 do not apply until July 1, 2021, to transfers from the enterprise fund to the general fund of the local government for the purpose of subsidizing the general fund if the local government:

(a) Does not increase the amount of the transfers to subsidize the general fund in any fiscal year beginning on or after July 1, 2011, above the amount transferred in the fiscal year ending on June 30, 2011, except for loans and transfers that comply with the provisions of subsection 1; and

(b) Does not, on or after July 1, 2011, increase any fees for any enterprise fund used to subsidize the general fund except for increases described in paragraph (b) of subsection 5.

10. On or before July 1, 2012, a local government to which the provisions of subsection 9 apply shall adopt a plan to eliminate, on or before the fiscal year beginning on July 1, 2021, all transfers from any enterprise funds to subsidize the general fund that are not made in compliance with subsection 1. A copy of the plan must be filed with the Department of Taxation on or before July 15, 2012.

   (b) Must have experience in budgeting and financial control.

Senator Lee moved the adoption of the amendment.
Remarks by Senator Lee.
Senator Lee requested that his remarks be entered in the Journal.

Amendment No. 749 to Assembly Bill No. 471 amends Section 1 to provide that a loan from the enterprise fund relating to a medium-term obligation, a cost allocation for employees, equipment, or other resources, or an enterprise fund fee increase must be made with the approval of the governing body under a non-consent item that is separately listed on the agenda for a regular meeting.

It provides that the governing body, and not the Committee on Local Government Finance, may approve a fee increase associated with an enterprise fund, provided the governing body determines that all fees that are deposited in the enterprise fund are being used solely for the purposes for which the fees are collected.

The amendment requires, upon adoption of any fee increase, the governing body to provide to the Department of Taxation an executed copy of the action increasing the fee. This requirement would not apply to the governing body of a federally regulated airport.

It requires the Committee on Local Government Finance to adopt regulations setting forth the extent to which general, overhead, and administrative expenses may be allocated to an enterprise fund. These regulations must be adopted no later than January 1, 2012; and it sets forth a procedure to assist a local government that has been using an enterprise fund to subsidize their general funds for the past five years by requiring the local government to develop a plan, no later than July 1, 2012, to cease such subsidization by July 1, 2021. After July 1, 2021, no general fund subsidization shall occur.

Amendment adopted.

Amendment No. 836.

"SUMMARY—Revises provisions governing elections. (BDR 24-1021)"

"AN ACT relating to elections; amending the requirements of a declaration or acceptance of candidacy for certain offices; revising the deadline for preparing and sending absent ballots to certain voters; revising the hours of operation during the final days of voter registration; requiring online voter registration to remain open until midnight on the day before early voting begins; requiring that complaints challenging initiatives or referenda be given priority over all other matters pending before the court, except for criminal proceedings; revising the filing deadline for candidates for the Board of the Virgin Valley Water District; making various other changes relating to elections; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, a person declaring or accepting candidacy must declare of which political party he or she is a registered member. (NRS 293.177) Section 1 of this bill requires a person declaring or accepting candidacy to declare that he or she is currently registered as a member of a particular party.

Under existing law, the name of the political party of a partisan candidate must follow the name of the candidate on the ballot and the word "nonpartisan" must follow the name of a nonpartisan candidate. Section 3 of this bill authorizes the use of abbreviations of the party name or "independent" or "nonpartisan," as applicable.

Under existing law, a person who registers to vote by mail must provide certain identification before voting at a polling place or by mail. (NRS 293.2725) Section 4 of this bill requires that a photo identification used for this purpose shows the physical address of the person.

Under existing law, the county clerk of each county is required to prepare absent ballots for registered voters who have requested them. (NRS 293.309) Sections 5 and 10 of this bill require the county or city clerk, as applicable, to prepare and have ready for distribution absent ballots for persons who applied for absent ballots pursuant to the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. §§ 1973ff et seq., not later than 45 days before an election.

Under existing law, a county clerk is required to consider a request for an absent ballot on a form provided by the Federal Government as a request for an absent ballot for the two primary and general elections following receipt of the request. (NRS 293.313) Sections 6 and 11 of this bill remove the requirement that the request be considered for two elections.
Sections 7 and 12 of this bill remove the requirement that counting board officers record the number of votes received by each candidate or for and against any question submitted to the electors in words and figures.

Existing law authorizes a county to establish a system for using a computer to register voters. (NRS 293.506) Section 8 of this bill requires a county that establishes a system for online voter registration to keep online registration open until midnight on the day before early voting begins.

Existing law requires that city and county clerk offices be open at certain times during the registration period. (NRS 293.560, 293C.527, 349.017, 710.153) Sections 9, 13, 15 and 16 of this bill revise the hours of operation of the office of the city or county clerk during the registration period.

Under existing law, a complaint challenging an initiative or referendum receives priority over all criminal proceedings. (NRS 295.061) Section 14 of this bill requires the court to give such a complaint priority over all other matters pending with the court, except for criminal proceedings.

Section 17 of this bill changes the filing deadline for candidates for election to the governing board of the Virgin Valley Water District from at least 60 days before the election to not earlier than the first Monday in March of the year in which the election is to be held and not later than 5 p.m. on the second Friday after the first Monday in March.

Under existing law, political parties are authorized to recommend three registered voters to the county clerk to act as election board officers. (NRS 293.219) Section 18 of this bill removes that requirement.

3. The address of a candidate which must be included in the declaration of candidacy or acceptance of candidacy pursuant to subsection 2 must be the street address of the residence where the candidate actually, as opposed to constructively, resides in accordance with NRS 281.050, if one has been assigned. The declaration or acceptance of candidacy must not be accepted for filing if:
   (a) The candidate's address is listed as a post office box unless a street address has not been assigned to his or her residence; or
   (b) The candidate does not present to the filing officer:
      (1) A valid driver's license or identification card issued by a governmental agency that contains a photograph of the candidate and the candidate's residential address; or
      (2) A current utility bill, bank statement, paycheck, or document issued by a governmental entity, including a check which indicates the candidate's name and residential address, but not including a voter registration card issued pursuant to NRS 293.517.
4. The filing officer shall retain a copy of the proof of identity and residency provided by the candidate pursuant to paragraph (b) of subsection 3. Such a copy:
   (a) May not be withheld from the public; and
   (b) Must not contain the social security number or driver's license or identification card number of the candidate.

5. By filing the declaration or acceptance of candidacy, the candidate shall be deemed to have appointed the filing officer for the office as his or her agent for service of process for the purposes of a proceeding pursuant to NRS 293.182. Service of such process must first be attempted at the appropriate address as specified by the candidate in the declaration or acceptance of candidacy. If the candidate cannot be served at that address, service must be made by personally delivering to and leaving with the filing officer duplicate copies of the process. The filing officer shall immediately send, by registered or certified mail, one of the copies to the candidate at the specified address, unless the candidate has designated in writing to the filing officer a different address for that purpose, in which case the filing officer shall mail the copy to the last address so designated.

6. If the filing officer receives credible evidence indicating that a candidate has been convicted of a felony and has not had his or her civil rights restored by a court of competent jurisdiction, the filing officer:
   (a) May conduct an investigation to determine whether the candidate has been convicted of a felony and, if so, whether the candidate has had his or her civil rights restored by a court of competent jurisdiction; and
   (b) Shall transmit the credible evidence and the findings from such investigation to the Attorney General, if the filing officer is the Secretary of State, or to the district attorney, if the filing officer is a person other than the Secretary of State.

7. The receipt of information by the Attorney General or district attorney pursuant to subsection 6 must be treated as a challenge of a candidate pursuant to subsections 4 and 5 of NRS 293.182. If the ballots are printed before a court of competent jurisdiction makes a determination that a candidate has been convicted of a felony and has not had his or her civil rights restored by a court of competent jurisdiction, the filing officer must post a notice at each polling place where the candidate's name will appear on the ballot informing the voters that the candidate is disqualified from entering upon the duties of the office for which the candidate filed the declaration of candidacy or acceptance of candidacy.\footnote{Deleted by amendment.}

Sec. 3. NRS 293.267 is hereby amended to read as follows:

3. Except as otherwise provided in subsection 4:
   (a) Immediately following the name of each candidate for a partisan office must appear the name or abbreviation of his or her political party, or the word "independent," or the abbreviation "IND," as the case may be.
   (b) Immediately following the name of each candidate for a nonpartisan office must appear the word "nonpartisan," or the abbreviation "NP."

4. Where a system of voting other than by paper ballot is used, the Secretary of State may provide for any placement of the name or abbreviation of the political party, or the word "independent" or "nonpartisan" or the abbreviation "IND" or "NP," as appropriate, which clearly relates the designation to the name of the candidate to whom it applies.

5. If the Legislature rejects a statewide measure proposed by initiative and proposes a different measure on the same subject which the Governor approves, the measure proposed by the Legislature and approved by the Governor must be listed on the ballot before the statewide measure proposed by initiative. Each ballot and sample ballot upon which the measures appear must contain a statement that reads substantially as follows:

   The following questions are alternative approaches to the same issue, and only one approach may be enacted into law. Please vote for only one.

Remarks by Senators Roberson, Copening, Wiener, Brower, Parks, Gustavson and Schneider.
Senator Roberson requested that the following remarks be entered in the Journal.

SENATOR ROBERSON:
Thank you, Mr. President. We heard this bill in Senate Judiciary. I think everyone needs to know that this bill guts truth in sentencing in this State. It frees felons early. If you are okay with that, then vote "yes." I am voting "no."

SENATOR COPENING:
Assembly Bill No. 136 allows credits earned by a category B felony offender for educational achievement and good behavior to apply to the offender's eligibility for parole, unless the offender was convicted as a habitual criminal, of a crime involving the use of force or violence, of felony driving under the influence, or of a sexual offense.
Additionally, the credits do not apply to the offender's eligibility for parole if the offender has
served three or more separate terms of imprisonment for three separate felony convictions in
Nevada, is serving a sentence for which an additional penalty was imposed for use of a firearm,
and is serving a sentence for being a felon in possession of a firearm. The bill requires the credits
to be deducted from the minimum term, until the offender becomes eligible for parole, and from
the maximum term.

This measure is effective on January 1, 2012, and applies retroactively to January 1, 2005, to
reduce the minimum term of an offender in custody on the effective date, and to January 1, 2011,
to reduce the maximum term of an offender placed on parole before the effective date.

SENATOR WIENER:
Thank you, Mr. President.

Since the truth in sentencing provision was passed in 1995, and particularly since the passage
of Assembly Bill No. 510 of the 74th Legislative Session, the Legislature has taken positions to
address the provision and to change the laws about truth in sentencing. Those were legislative
decisions made during different legislative sessions.

For clarification, the credits allow the inmate earlier access to a Parole Board hearing. This
does not, in any way, assure that the person would be paroled.

There are several exceptions to anyone who would even be eligible. If a firearm was used in
the offense, they would not be eligible. If the inmate has been convicted three times, though not
an habitual offender, he or she would be ineligible.

Several people testified and collaborated on the amendment we, as a Senate body, supported
yesterday.

SENATOR ROBERSON:
My concern with this bill is that, today in this State, the public does not know, the victims
do not know, how long a felon is going to serve in prison based on the minimum sentence that a
judge assigns to them. Because of so many credits given on the front end, someone could be
sentenced to a punishment for three to ten years. We do not know, and in many cases, we learn
later that the felon will not serve the minimum of three years.

After the hearing in Senate Judiciary, I had a retired judge approach me. He was furious about
this bill. He told me that right now judges do not know, when they sentence criminals, what
Parole and Probation is going to do as far as giving credits. They cannot be certain that when
they sentence a felon to prison that the prisoner will serve the minimum assigned sentence. This
bill exacerbates the problem. For the first time in a long time, this bill allows good time credits
and other credits to be taken off the minimum sentence for a felon. This is bad policy. I ask you
to oppose this bill.

SENATOR BROWER:
Thank you, Mr. President. I rise in opposition to this bill. My colleague from Clark District
No. 5 is correct. This is not a step in the right direction with respect to truth in sentencing in our
State. We do not have much truth in sentencing currently. There is not time enough left in the
Session to address that issue. I hope that future Legislatures will. Compared to the federal
system where when a judge sentences an offender, everyone, the offender, the victim, knows
exactly how much time that person is going to do, or not do. The judge can sentence to
probation. Everyone knows after sentencing exactly what the sentence will be.

In our State system, it is a mystery. I would encourage a future Legislature to work on making
it more clear. This bill takes us back a step or two and makes it less clear. I urge your opposition.

SENATOR PARKS:
I rise in support of Assembly Bill No. 136. We do have a significant budget crisis. Nevada is
a State that spends far more dollars on incarceration than most other states. We are at the top of
the list, per capita.

On average, inmates in Nevada serve much longer sentences than inmates in other states. My
colleague from southern Nevada stated that Assembly Bill No. 510 was passed in 2007. The
experience we have found from that, in budget savings and in that the program has worked well,
which underlies the argument for passage of Assembly Bill No. 136. I encourage your support.
SENATOR GUSTAVSON:
I rise in opposition to Assembly Bill No. 136. We are in a financial crisis in this State, it costs the State more money, but what about the citizens? Many of these offenders, when released, reoffend. We all know that. The recidivism rate is too high. We are working on getting that down. To let these people out sooner to commit crimes again, is wrong. It is going to hurt the citizens. It is going to cost tax payers more money in the long run. They will go back into the court system again, hire attorneys and it is bad policy to let these people out early. I urge you to vote against this bill.

SENATOR SCHNEIDER:
Thank you, Mr. President. I stand in support of this. I support my colleague from District No. 7. I was here in this house when Senator James chaired Judiciary. We systematically enhanced every crime in this State. We were tough on crime. The Senator from District No. 7 pointed that out. We have a higher incarceration rate, a longer time, than any other state. We have put ourselves in a jackpot. Now, we are paying for that and we are paying dearly. I stand in support of this.

Remarks by Senators Hardy, Schneider and Kieckhefer.
Senator Hardy requested that the following remarks be entered in the Journal.

SENATOR HARDY:
Thank you, Mr. President. The summary to this bill is interesting in that it talked about the practice of pharmacy, but it is really an issue of a scope of practice. This practice of medicine is a collaborative practice. This bill would allow a pharmacist to implement and modify drug therapy. It seems as if this bill is asking the pharmacist to become a physician assistant or a nurse practitioner. That person may not have the clinical, albeit, the scientific training in pharmacology. I have nothing against pharmacists, but the physician, physician assistant and the nurse practitioner have reached a certain level of expertise.

Initials are important. I saw M.D. on the side of a used ambulance that had been converted into a plumbing truck. That is how I see the “Rx” usage. This is what we use for a symbol for a treatment or a prescription. I have issues with the bill and will not be supporting it.
SENATOR SCHNEIDER:
A person operating a business that is not required to be licensed by the Board may use the letters "Rx" with the Board's approval. The Board must not unreasonably deny approval but approval may be withheld if the use of the letters is confusing or misleading or threatens public health or safety.

A plumbing truck with "Rx" on the side is not confusing to the public. The Rehab Lounge with "Rx" at the Hard Rock is not confusing to the public. I do not think RxRealty is confusing to the public. I am not going to go there to get a prescription filled. The Board will make their own rules. That is why the effective date of this October 1, 2011. They have time to put together their rules on this. The Pharmacy Board is in full support of this bill and the amendment.

SENATOR KIECKHEFER:
Thank you, Mr. President. Was there a discussion in Committee as to whether the change that will allow a pharmacist to modify a drug therapy will anyway change their insurance requirements? Will they have to start to carry medical malpractice insurance or is it any different from what they are carrying now. What are the implications?

SENATOR SCHNEIDER:
Thank you, Mr. President. There was no discussion about malpractice insurance. I know that people often go to multiple doctors. The intent of this bill is that the pharmacist could make or suggest changes. In other countries, Mexico, for instance, the doctors give the patient written directions and the pharmacist decides what medication to give the patient. We rely heavily on pharmacists. We are trying to have the pharmacist more involved than just giving a patient 30 pills and sending you home. He can check to make certain that all the medications you are on are not conflicting.

The following amendment was proposed by Senators Wiener and Roberson:

Amendment No. 824.

"SUMMARY—Revises provisions governing deficiencies existing after foreclosure sales and sales in lieu of foreclosure sales. [governing deficiencies existing after foreclosure sales and sales in lieu of foreclosure sales.] relating to real property. (BDR 3-561)"

"AN ACT relating to real property; revising provisions governing the amount which a person holding a junior lien on real property may recover in a civil action under certain circumstances; prohibiting certain persons holding a junior lien on certain residential property from bringing a civil action under certain circumstances; revising provisions governing the amount of a deficiency judgment after the foreclosure of a mortgage or a deed of trust; limiting the amount of certain judgments against guarantors, sureties or other obligors of obligations secured by real property under certain circumstances; revising provisions governing mortgages and deeds of trust; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, a judgment creditor or a beneficiary of a deed of trust may obtain, after a hearing, a deficiency judgment after a foreclosure sale or trustee's sale if it appears from the sheriff's return or the recital of consideration in the trustee's deed that there is a deficiency of the proceeds of the sale and a balance remaining due the judgment creditor or beneficiary of the deed of trust. Existing law requires a judgment creditor or beneficiary of a deed of trust to bring an action for such a deficiency judgment within 6 months after the foreclosure sale or trustee's sale. For an obligation secured by a mortgage or deed of trust on or after October 1, 2009, a court may not award a deficiency judgment to the judgment creditor or the beneficiary of the deed of trust if: (1) the creditor or beneficiary is a financial institution; (2) the real property is a single-family dwelling and the debtor or grantor was the owner of the property; (3) the debtor or grantor used the loan to purchase the property; (4) the debtor or grantor occupied the property continuously after obtaining the loan; and (5) the debtor or grantor did not refinance the loan. (NRS 40.455)

Sections 3, 3.3 and 5.7 of this bill enact similar provisions to govern deficiency judgments sought by junior lienholders after a foreclosure sale, a trustee's sale or any sale or deed in lieu of a foreclosure sale or trustee's sale. Section 3 provides that, if the circumstances prohibiting a deficiency judgment after a foreclosure sale or trustee's sale under current law exist with respect to a junior lienholder, the creditor may not bring a civil action to recover the debt owed to it after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Existing law authorizes a creditor under an obligation secured by a junior mortgage or deed of trust to bring an action to obtain a personal judgment against the debtor only if the action is commenced within 6 years after the date of the debtor's default. (NRS 11.190) Under sections 3.3 and 5.7 of this
bill, if the real property securing such an obligation is the subject of a foreclosure sale, a trustee's sale or a sale or deed in lieu of such a sale, the creditor may bring an action to obtain a personal judgment against the debtor only if the action is brought within 6 months after the foreclosure sale, the trustee's sale or the sale in lieu of a foreclosure sale or trustee's sale.

Under existing law, the amount of a deficiency judgment after a foreclosure sale or a trustee's sale may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the foreclosed property at the time of the sale; or (2) the amount of the indebtedness minus the amount for which the foreclosed property actually sold. (NRS 40.459)

Section 5 of this bill provides that, for a deficiency judgment sought by a secured creditor after a foreclosure sale, trustee's sale or sale in lieu of a foreclosure sale or trustee's sale, the amount of the deficiency judgment must be reduced by the amount of any insurance proceeds received by, or payable to, the creditor. Section 2 of this bill enacts a corresponding provision for money judgments sought against a debtor by a junior lienholder after a foreclosure sale, a trustee's sale or a sale or deed in lieu of a foreclosure sale or trustee's sale.

Sections 2 and 5 also limit the recovery of a creditor who acquired the right to obtain payment for an obligation secured by the real property from another person who owned that obligation. If the creditor is seeking a deficiency judgment after a foreclosure sale, a trustee's sale or a sale in lieu of a foreclosure sale or trustee's sale, section 5 provides that the creditor may not receive an amount which exceeds the lesser of: (1) the consideration paid for the obligation minus the fair market value of the property at the time of the foreclosure sale, with interest from the date of sale and reasonable costs; or (2) the consideration paid for the obligation minus the amount for which the property actually sold, with interest from the date of sale and reasonable costs. If the creditor is a junior lienholder who filed a civil action to obtain a money judgment against the debtor, section 2 provides that the creditor may not receive an amount greater than the consideration paid for the obligation, with interest from the date on which the person acquired the right to obtain payment and reasonable costs.

Section 5.5 of this bill limits the amount of a judgment against a guarantor, surety or other obligor, other than a mortgagor or grantor of a deed of trust, in an action commenced before a foreclosure sale or trustee's sale to enforce the obligation to pay, satisfy or purchase all or part of an obligation secured by a mortgage or other lien on real property. Under section 5.5, the amount of the judgment may not exceed the lesser of: (1) the amount of the indebtedness minus the fair market value of the real property at the time of the commencement of the action; or (2) if a foreclosure sale or a trustee's sale is completed before the date on which judgment is entered, the amount of the indebtedness minus the amount for which the foreclosed property actually sold.
Section 6 of this bill provides that the amendatory provisions of: (1) sections 1-3 apply only prospectively to obligations secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this bill; (2) sections 3.3 and 5.7 apply only to an action commenced after a foreclosure sale or sale in lieu of a foreclosure sale that occurs on or after July 1, 2011; and (3) section 5.5 apply only to an action against a guarantor, surety or other obligor commenced on or after the effective date of this bill. Under section 7 of this bill, the amendatory provisions of section 5 become effective upon passage and approval and thus apply to a deficiency judgment awarded on or after that effective date.

Section 6 of Assembly Bill No. 284 of this session requires the trustee under a deed of trust to be: (1) an attorney licensed in this State; (2) a title insurer or title agent authorized to do business in this State; or (3) a person licensed as a trust company or exempt from the requirement to be licensed as a trust company. Section 5.8 of this bill amends section 6 of Assembly Bill No. 284 of this session: (1) to authorize any foreign or domestic entity which holds a current state business license to be the trustee under a deed of trust; and (2) to specifically describe certain persons who are exempt from the requirement to obtain a license as a trust company and who are authorized to be the trustee under a deed of trust. Sections 5.9 and 5.95 of this bill change the effective date of Assembly Bill No. 284 of this session from July 1, 2011, to October 1, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The term includes, without limitation, a deed in lieu of a foreclosure sale.

  in determining the amount owed by the debtor, the court shall not include the amount of any proceeds received by, or payable to, the person pursuant to an insurance policy to compensate the person for losses incurred with respect to the property or the default on the obligation.

2. If:
(a) A person acquired the right to enforce an obligation secured by a junior mortgage or lien on real property from a person who previously held that right;
(b) The person files a civil action to obtain a money judgment against the debtor after a foreclosure sale or a sale in lieu of a foreclosure sale; and
(c) Such action is not barred by NRS 40.430,
  the court shall not render judgment for more than the amount of the consideration paid for that right, plus interest from the date on which the person acquired the right and reasonable costs.

3. As used in this section, "obligation secured by a junior mortgage or lien on real property" includes, without limitation, an obligation which is not currently secured by a mortgage or lien on real property if the obligation:
(a) Is incurred by the debtor under an obligation which was secured by a mortgage or lien on real property; and
(b) Has the effect of reaffirming the obligation which was secured by a mortgage or lien on real property.

Sec. 3. 1. A person to whom an obligation secured by a junior mortgage or lien on real property is owed may not bring any action to enforce that obligation after a foreclosure sale of the real property which secured that obligation or a sale in lieu of a foreclosure sale if:
(a) The person is a financial institution;
(b) The real property which secured the obligation is a single-family dwelling and the debtor or grantor was the owner of the real property at the time of the foreclosure sale or sale in lieu of a foreclosure sale;
(c) The debtor or grantor used the amount of the obligation to purchase the real property;
(d) The debtor or grantor continuously occupied the real property as the debtor's or grantor's principal residence after securing the obligation; and
(e) The debtor or grantor did not refinance the obligation after securing it.

2. As used in this section, "financial institution" has the meaning ascribed to it in NRS 363A.050.

Sec. 3.3. A civil action not barred by NRS 40.430 or section 3 of this act by a person to whom an obligation secured by a junior mortgage or lien

on real property is owed to obtain a money judgment against the debtor after a foreclosure sale of the real property or a sale in lieu of a foreclosure sale may only be commenced within 6 months after the date of the foreclosure sale or sale in lieu of a foreclosure.

Sec. 4. (Deleted by amendment.)

Sec. 5. NRS 40.459 is hereby amended to read as follows:

40.459 1. After the hearing, the court shall award a money judgment against the debtor, guarantor or surety who is personally liable for the debt. The court shall not render judgment for more than:

(a) The amount by which the amount of the indebtedness which was secured exceeds the fair market value of the property sold at the time of the sale, with interest from the date of the sale; or

(b) The amount which is the difference between the amount for which the property was actually sold and the amount of the indebtedness which was secured, with interest from the date of sale; or

(c) If the person seeking the judgment acquired the right to obtain the judgment from a person who previously held that right, the amount by which the amount of the consideration paid for that right exceeds the fair market value of the property sold at the time of sale or the amount for which the property was actually sold, whichever is greater, with interest from the date of sale and reasonable costs, whichever is the lesser amount.

2. For the purposes of this section, the "amount of the indebtedness" does not include any amount received by, or payable to, the judgment creditor or beneficiary of the deed of trust pursuant to an insurance policy to compensate the judgment creditor or beneficiary for any losses incurred with respect to the property or the default on the debt.

Sec. 5.5. NRS 40.495 is hereby amended to read as follows:

40.495 1. The provisions of NRS 40.475 and 40.485 may be waived by the guarantor, surety or other obligor only after default.

2. Except as otherwise provided in subsection 4, a guarantor, surety or other obligor, other than the mortgagor or grantor of a deed of trust, may waive the provisions of NRS 40.430. If a guarantor, surety or other obligor waives the provisions of NRS 40.430, an action for the enforcement of that person's obligation to pay, satisfy or purchase all or part of an indebtedness or obligation secured by a mortgage or lien upon real property may be maintained separately and independently from:

(a) An action on the debt;

(b) The exercise of any power of sale;

(c) Any action to foreclose or otherwise enforce a mortgage or lien and the indebtedness or obligations secured thereby; and

(d) Any other proceeding against a mortgagor or grantor of a deed of trust.

3. If the obligee maintains an action to foreclose or otherwise enforce a mortgage or lien and the indebtedness or obligations secured thereby, the
guarantor, surety or other obligor may assert any legal or equitable defenses provided pursuant to the provisions of NRS 40.451 to 40.463, inclusive.

4. If, before a foreclosure sale of real property, the obligee commences an action against a guarantor, surety or other obligor, other than the mortgagor or grantor of a deed of trust, to enforce an obligation to pay, satisfy or purchase all or part of an indebtedness or obligation secured by a mortgage or lien upon the real property:

   (a) The court must hold a hearing and take evidence presented by either party concerning the fair market value of the property as of the date of the commencement of the action. Notice of such hearing must be served upon all defendants who have appeared in the action and against whom a judgment is sought, or upon their attorneys of record, at least 15 days before the date set for the hearing.

   (b) After the hearing, if the court awards a money judgment against the debtor, guarantor or surety who is personally liable for the debt, the court must not render judgment for more than:

      (1) The amount by which the amount of the indebtedness exceeds the fair market value of the property as of the date of the commencement of the action; or

      (2) If a foreclosure sale is concluded before a judgment is entered, the amount that is the difference between the amount for which the property was actually sold and the amount of the indebtedness which was secured, whichever is the lesser amount.

5. The provisions of NRS 40.430 may not be waived by a guarantor, surety or other obligor if the mortgage or lien:

   (a) Secures an indebtedness for which the principal balance of the obligation was never greater than $500,000;

   (b) Secures an indebtedness to a seller of real property for which the obligation was originally extended to the seller for any portion of the purchase price;

   (c) Is secured by real property which is used primarily for the production of farm products as of the date the mortgage or lien upon the real property is created; or

   (d) Is secured by real property upon which:

      (1) The owner maintains the owner's principal residence;

      (2) There is not more than one residential structure; and

      (3) Not more than four families reside.

6. As used in this section, "foreclosure sale" has the meaning ascribed to it in NRS 40.462.

Sec. 5.7. NRS 11.190 is hereby amended to read as follows:

11.190 Except as otherwise provided in NRS 125B.050 and 217.007, and section 3.3 of this act, actions other than those for the recovery of real property, unless further limited by specific statute, may only be commenced as follows:

1. Within 6 years:
(a) An action upon a judgment or decree of any court of the United States, or of any state or territory within the United States, or the renewal thereof.

(b) An action upon a contract, obligation or liability founded upon an instrument in writing, except those mentioned in the preceding sections of this chapter.

(c) An action upon a contract, obligation or liability not founded upon an instrument in writing.

(d) An action against a person alleged to have committed a deceptive trade practice in violation of NRS 598.0903 to 598.0999, inclusive, but the cause of action shall be deemed to accrue when the aggrieved party discovers, or by the exercise of due diligence should have discovered, the facts constituting the deceptive trade practice.

3. Within 3 years:

(a) An action upon a liability created by statute, other than a penalty or forfeiture.

(b) An action for waste or trespass of real property, but when the waste or trespass is committed by means of underground works upon any mining claim, the cause of action shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the waste or trespass.

(c) An action for taking, detaining or injuring personal property, including actions for specific recovery thereof, but in all cases where the subject of the action is a domestic animal usually included in the term "livestock," which has a recorded mark or brand upon it at the time of its loss, and which strays or is stolen from the true owner without the owner's fault, the statute does not begin to run against an action for the recovery of the animal until the owner has actual knowledge of such facts as would put a reasonable person upon inquiry as to the possession thereof by the defendant.

(d) Except as otherwise provided in NRS 112.230 and 166.170, an action for relief on the ground of fraud or mistake, but the cause of action in such a case shall be deemed to accrue upon the discovery by the aggrieved party of the facts constituting the fraud or mistake.

(e) An action pursuant to NRS 40.750 for damages sustained by a financial institution or other lender because of its reliance on certain fraudulent conduct of a borrower, but the cause of action in such a case shall be deemed to accrue upon the discovery by the financial institution or other lender of the facts constituting the concealment or false statement.

4. Within 2 years:

(a) An action against a sheriff, coroner or constable upon liability incurred by acting in his or her official capacity and in virtue of his or her office, or by the omission of an official duty, including the nonpayment of money collected upon an execution.

(e) Except as otherwise provided in NRS 11.215, an action to recover damages for injuries to a person or for the death of a person caused by the wrongful act or neglect of another. The provisions of this paragraph relating to an action to recover damages for injuries to a person apply only to causes of action which accrue after March 20, 1951.

(f) An action to recover damages under NRS 41.740.

5. Within 1 year:

(a) An action against an officer, or officer de facto to recover goods, wares, merchandise or other property seized by the officer in his or her official capacity, as tax collector, or to recover the price or value of goods, wares, merchandise or other personal property so seized, or for damages for the seizure, detention or sale of, or injury to, goods, wares, merchandise or other personal property seized, or for damages done to any person or property in making the seizure.

(b) An action against an officer, or officer de facto for money paid to the officer under protest, or seized by the officer in his or her official capacity, as a collector of taxes, and which, it is claimed, ought to be refunded.

Sec. 5.8. Section 6 of Assembly Bill No. 284 of this session is hereby amended to read as follows:

Sec. 6. Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The trustee under a deed of trust must be:
   (a) An attorney licensed to practice law in this State;
   (b) A title insurer or title agent authorized to do business in this State pursuant to chapter 692A of NRS;
   (c) A person licensed pursuant to chapter 669 of NRS; or a person exempt from the provisions of chapter 669 of NRS pursuant to paragraph (a) or (h) of subsection 1 of NRS 669.080;
   (d) A domestic or foreign entity which holds a current state business license issued by the Secretary of State pursuant to chapter 76 of NRS;
   (e) A person who does business under the laws of this State, the United States or another state relating to banks, savings banks, savings and loan associations or thrift companies;
   (f) A person who is appointed as a fiduciary pursuant to NRS 662.245;
(g) A person who acts as a registered agent for a domestic or foreign corporation, limited-liability company, limited partnership or limited-liability partnership;

(h) A person who acts as a trustee of a trust holding real property for the primary purpose of facilitating any transaction with respect to real estate if he or she is not regularly engaged in the business of acting as a trustee for such trusts;

(i) A person who engages in the business of a collection agency pursuant to chapter 649 of NRS; or

(j) A person who engages in the business of an escrow agency, escrow agent or escrow officer pursuant to the provisions of chapter 645A or 692A of NRS.

2. A trustee under a deed of trust must not be the beneficiary of the deed of trust for the purposes of exercising the power of sale pursuant to NRS 107.080.

3. A trustee under a deed of trust must not:

(a) Lend its name or its corporate capacity to any person who is not qualified to be the trustee under a deed of trust pursuant to subsection 1.

(b) Act individually or in concert with any other person to circumvent the requirements of subsection 1.

4. A beneficiary of record may replace its trustee with another trustee. The appointment of a new trustee is not effective until the substitution of trustee is recorded in the office of the recorder of the county in which the real property is located.

5. The trustee does not have a fiduciary obligation to the grantor or any other person having an interest in the property which is subject to the deed of trust. The trustee shall act impartially and in good faith with respect to the deed of trust and shall act in accordance with the laws of this State. A rebuttable presumption that a trustee has acted impartially and in good faith exists if the trustee acts in compliance with the provisions of NRS 107.080. In performing acts required by NRS 107.080, the trustee incurs no liability for any good faith error resulting from reliance on information provided by the beneficiary regarding the nature and the amount of the default under the obligation secured by the deed of trust if the trustee corrects the good faith error not later than 20 days after discovering the error.

6. If, in an action brought by a grantor, a person who holds title of record or a beneficiary in the district court in and for the county in which the real property is located, the court finds that the trustee did not comply with this section, any other provision of this chapter or any applicable provision of chapter 106 or 205 of NRS, the court must award to the grantor, the person who holds title of record or the beneficiary:
(a) Damages of $5,000 or treble the amount of actual damages, whichever is greater;

(b) An injunction enjoining the exercise of the power of sale until the beneficiary, the successor in interest of the beneficiary or the trustee complies with the requirements of subsections 2, 3 and 4; and

(c) Reasonable attorney's fees and costs, unless the court finds good cause for a different award.

Sec. 5.9. Section 14.5 of Assembly Bill No. 284 of this session is hereby amended to read as follows:

Sec. 14.5. The amendatory provisions of:

1. Section 1 of this act apply only to an assignment of a mortgage of real property, or of a mortgage of personal property or crops recorded before March 27, 1935, and any assignment of the beneficial interest under a deed of trust, which is made on or after October 1, 2011.

2. Section 2 of this act apply only to an instrument by which any mortgage or deed of trust of, lien upon or interest in real property is subordinated or waived as to priority which is made on or after October 1, 2011.

3. Section 5 of this act apply only to an instrument encumbering a borrower's real property to secure future advances from a lender within a mutually agreed maximum amount of principal, or an amendment to such an instrument, which is made on or after October 1, 2011.

4. Section 9 of this act apply only to a notice of default and election to sell which is recorded pursuant to NRS 107.080, as amended by section 9 of this act, on or after October 1, 2011.

Sec. 5.95. Section 15 of Assembly Bill No. 284 of this session is hereby amended to read as follows:

Sec. 15. This act becomes effective on October 1, 2011.

Sec. 6. The amendatory provisions of:

1. Sections 1 to 3, inclusive, of this act apply only to an obligation secured by a mortgage, deed of trust or other encumbrance upon real property on or after the effective date of this act.

2. Sections 3.3 and 5.7 of this act apply only to an action commenced after a foreclosure sale or sale in lieu of a foreclosure sale that occurs on or after July 1, 2011.

3. Section 5.5 of this act apply only to an action against a guarantor, surety or other obligor commenced on or after the effective date of this act.

Sec. 7. 1. This section and sections 1 to 3, inclusive, 5, 5.5 and 5.8 to 6, inclusive, of this act become effective upon passage and approval.

2. Sections 3.3 and 5.7 of this act become effective on July 1, 2011.
Senator Wiener moved the adoption of the amendment.  
Remarks by Senators Wiener, Schneider and Roberson.  
Senator Wiener requested that the following remarks be entered in the Journal.

Senator Wiener:
This amendment revises Section 6 of Assembly Bill No. 284 that requires the trustee under a deed of trust to be an attorney licensed in Nevada, a title insurer or title agent authorized to do business in Nevada, or person licensed as a trust company or otherwise exempt from the requirement to be a licensed trust company in this State.  
Amendment No. 824 expands those provisions in Assembly Bill No. 284 so that a trustee under a deed of trust may be a domestic or foreign entity which holds a current state business license or certain persons who are exempt from having to obtain a license as a trust company but are authorized to be a trustee under a deed of trust. They include a person who does business relating to banks, savings and loan associations, or thrift companies, a person appointed as fiduciary, a trustee of a trust that is holding real property for the purpose of facilitation real estate transaction or a registered agent, collection agency or escrow agency.  
Lastly, the amendment revises the effective date of Assembly Bill No. 284 from July 1, 2011 to October 1, 2011.

Senator Schneider:  
Could someone explain this amendment and its intent more than the floor statement?

Senator Roberson:  
Thank you, Mr. President. The purpose of this amendment is to clean up some things that were missed on Assembly Bill No. 284 which passed this house and has been signed by the Governor.  
In Section 5.8 of the amendment, it revises Section 6 of Assembly Bill No. 284. It clarifies who can act as a trustee under a deed of trust for a residential property. There was a concern that there were certain small, family owned businesses in this State that would have been put out of business by Assembly Bill No. 284. We want to make certain this does not happen. This clarifies Assembly Bill No. 284 so we do not put businesses out of business.

Remarks by Senators Wiener, Brower and Roberson.  
Senator Wiener requested that the following remarks be entered in the Journal.
SENATOR WIENER:
Assembly Bill No. 291 relates to an agreement between an heir finder and an apparent heir regarding the recovery of property in an estate for which the public administrator has petitioned for letters of administration. The bill provides that such an agreement is void and unenforceable if it was entered into during the period beginning with the death of the person whose estate is in probate and ending 90 days after the filing of a petition for letters of administration.

We had an amendment on this bill that took it from 180 days. There was a lot of negotiation. We felt the appropriate compromise was 90 days.

SENATOR BROWER:
Could the Chair of the Committee explain the reason behind the statutory delay of 90 days?

SENATOR WIENER:
Up to this point, there has been no timeline assigned to this kind of transaction. One of the concerns of the public administrators during testimony was their desire to have an appropriate amount of time to find heirs. In terms of public policy, this allows the public administrators the opportunity to do the necessary search. The bill started with a 180 day timeline. With the sponsor's approval, 90 days was deemed an appropriate compromise.

SENATOR BROWER:
Are the public administrators of the State in support of this bill?

SENATOR WIENER:
They wanted the 180 days, but they compromised with 90 days.

SENATOR ROBERSON:
Thank you, Mr. President.
This was a four to three vote in the Committee. Three of us felt 90 days was far too long. It should have been 30 days. That is why we voted "no" and why I will continue to vote "no."

Remarks by Senators Wiener and Kieckhefer.
Senator Wiener requested that the following remarks be entered in the Journal.

SENATOR WIENER:
Assembly Bill No. 294 authorizes mobile gaming to be conducted in any area of an establishment that holds a non-restricted gaming license and operates at least 100 slot machines. The bill removes the authority of the Nevada Gaming Commission to regulate independent contractors that manufacture certain property related to gaming. It also makes it unlawful for a person to knowingly distribute any gaming device, system, or related equipment from Nevada to any other jurisdiction where the use of such items is illegal. Finally, this bill clarifies that a computer system associated with mobile gaming may be located outside a licensed gaming establishment but must be located within this State.
SENATOR KIECKHEFER:
Thank you, Mr. President. Does the bill allow for gaming in private rooms of the hotel, or is it only in public areas of the gaming establishment?

SENATOR WIENER:
Current law allows mobile gaming in several public areas in a gaming establishment. This would allow it to be carried on anywhere in the footprint of the property. If you were to go across the street, it is programmed in such a way that you could not do it anywhere outside the footprint.

Years back, I had great hesitation about the mischief that could occur in rooms with underage patrons. Technology has moved forward substantially since that original bill passed. I feel comfortable that those safeguards are built in, even during the time of playing the game. Electronic safeguards will allow those who own the mobile gaming devices to check at any time to see if the appropriate person is using the device. This bill expands current law to allow use of the mobile device anywhere on the property including rooms.

Remarks by Senators Parks, Hardy, Brower, Settelmeyer and Leslie.
Senator Parks requested that the following remarks be entered in the Journal.

SENATOR PARKS:
Assembly Bill No. 301 removes all exceptions to the restoration of the right to vote for a person who has been convicted of a felony if the person has completed his or her prison sentence and has been released from prison; the person received an honorable discharge from parole or probation; the person's records have been sealed by a court; or the person was granted a pardon.

The bill also prohibits a county clerk from requiring a person seeking to register to vote to provide documentation indicating that the person's right to vote has been restored, and provides an appeal process for a person whose voter registration application has been denied or whose voter registration has been cancelled on the grounds that the person has been convicted of a felony or has not had his or her right to vote restored. Further, the bill revises procedures for a clerk, district attorney, or court to follow upon receipt of a challenge providing that a person is not eligible to vote because the person has been convicted of a felony and has not had his or her right to vote restored.

The bill restores the civil right to vote to any person who was honorably discharged from probation or parole, was granted a pardon with restoration of the right to vote, or had completed a sentence prior to July 1, 2011. The bill does not require that notification be given to these persons of the restoration of their civil right to vote.

SENATOR HARDY:
Thank you, Mr. President. I rise in support of Assembly Bill No. 301. I appreciate the ACLU representative who worked with me on this.

In 2003, I worked with Assemblywoman Giunchigliani extending the rights to vote for former felons. I decided I did not want to have class A felons restored their right to vote. I appreciated the ability and the opportunity for Ms. Gasca to help me understand some of this and appreciate her working through this with me.
I sought guidance in scriptural references such as, Peter, when he said things are unclean. What the Lord told him was, "that which I have cleansed, call thee not common." I remembered about forgiving all men and the sacred right of voting in Exodus 24:23, and Acts 15:25, "in remembering not your sins" Hebrews 8:12, "rendering unto Caesar," I think is applicable because these people have paid their debt to society as heinous as their crime may have been. I recognize that I, being imperfect, still struggle with judging not and still judging unrighteously. I would counsel the people, who are not yet able to vote, that they look at Daniel 3:16 through 3:18 and recognize that, but if not, they still have an opportunity to do this.

**Senator Brower:**
Thank you, Mr. President. This concept came up in the form of a bill several years ago while I was in the Assembly. My position, then, was, and still is, that those who have been convicted of felonies and who have paid their debt to society by doing prison time or by serving a term on probation, should be encouraged to, upon rejoining society, become productive citizens again, including, being voting members of the public, but they should have to apply for that restoration of that right. That right should not be difficult to obtain once again. However, they should have to apply for it. I will oppose this bill.

**Senator Hardy:**
The application that could be counted towards this could be the State of Nevada voter registration application. In box number 11, it says, "I am not laboring under any felony conviction or other loss of civil rights that it would make it unlawful for me to vote. I declare under penalty of perjury that the foregoing is true and correct." Then the person is allowed to sign the form. The person is, with the passage of this bill, affirming that he is no longer under felony conviction or loss of such civil rights. He would be applying to have the sacred privilege of voting rights.

**Senator Settelmeyer:**
Thank you, Mr. President. We had testimony during the hearing on elections and procedures. One of the issues and concerns that I had was that this process is the same regardless of the level of the crime. I believe certain felonies are more egregious than others. We had a bill in this house earlier this year that created a felony for torturing a dog. However, if all felons are lumped together in the same category, even those who have done mayhem by cutting off someone's arm is treated the same as for a lesser crime. I do not think we should treat all felons the same. That is why I do not support this legislation. Also, in talking to my county clerk, it was indicated to me that the shifting of the burden of checking to the clerks to prove that individuals have already done all they can do to regain their rights, would be a costly process. For those reasons, I oppose this bill.

**Senator Parks:**
The language in this bill is intended to be clean-up language. It is supposed to reduce confusion. It would allow county clerks to more easily perform their task. This bill takes away the challenge requirement that a county clerk or registrar would have. It provides for the process to be more streamlined, including the creation of several new forms. This is going to be a much simpler process for everyone to follow.

**Senator Leslie:**
I want to concur with my colleague from southern Nevada. I had a constituent I was trying to assist with the process after we passed a previous bill in this body. It is extremely complicated. This bill sets out a much better process. There is an issue of basic fairness. After someone has paid their debt to society, they should be entitled to have their voting rights restored. I urge passage of this measure.

Remarks by Senators Manendo and Lee.
Senator Manendo requested that the following remarks be entered in the Journal.

Senator Manendo:
Assembly Bill No. 322 revises the qualifications for the member of the Board of Wildlife Commissioners who is appointed based on conservation involvement. The measure also gives the Governor greater discretion in appointing the Director of the Department of Wildlife by removing a requirement that the Governor choose from nominees provided by the Board of Wildlife Commissioners.
I would like to mention my thoughts on one of the members of the Commission. There is a gentleman who currently serves on the Commission who feels he has been the target of this particular piece of legislation. We all know him to be a gentleman, a caring, loving Nevadan and I hope there will be a place for him whether in this role or in another role in the near future on the Commission. I know he cares passionately about our State.
I urge adoption of this bill.

Senator Lee:
As to the gentleman sitting on the Board now, it would be wise, not to start the practice of tearing people away from their responsibilities until their terms have ended. I am certain this bill will pass. It is a good piece of legislation. I would like to ask that we could continue on with this Board until the next term limits take place.

Thank you, Mr. President. Senate Bill No. 276 revises provisions governing a safe and respectful learning environment in public schools. This is a follow up-bill to a number of bills passed over the last decade including the cyber-bullying bill passed last session. This bill is modeled after the much acclaimed legislation that was passed at the beginning of this year by the state of New Jersey. I recommend everyone support this bill.

SENATOR MCGINNESS:
Thank you, Mr. President. Bullying is a problem. I support all efforts to stop that. But, again, this is another mandate to school districts. We should let the local school districts have that option. I will oppose the bill.

The following amendment was proposed by Senator Parks:
Amendment No. 845.
"SUMMARY—Makes various changes relating to the Public Employees' Benefits Program. (BDR 23-496)"

"AN ACT relating to the Public Employees' Benefits Program; making various changes relating to the Program; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, the Board of the Public Employees' Benefits Program is required to submit various reports concerning the administration and operation of the Program. (NRS 287.043, 287.04366) Sections 3, 8 and 14 of this bill make the Executive Officer of the Program, rather than the Board, responsible for submitting such reports.

Under existing law, if a retired public officer or employee of the State or a local governmental agency, or the surviving spouse of such a retired officer or employee, who was formerly covered by health insurance provided under the Program, or under a plan offered by the local governmental employer, reinstates such insurance, the reinstated insurance excludes coverage for certain preexisting conditions during the first 12 months after such reinstatement. (NRS 287.0205, 287.0475) Sections 4.5 and 12 of this bill eliminate the exclusion for certain preexisting conditions as called for in the Patient Protection and Affordable Care Act. (Pub. L. No. 111-148, 124 Stat. 119) Section 12 also prohibits a public officer or employee who retired from a local governmental agency, or his or her surviving spouse or domestic partner, from reinstating health insurance under the Program if the Board has adopted regulations that exclude such persons from participation in the Program because they are eligible for health coverage from a health and welfare plan or trust that arose out of certain collective bargaining agreements or under certain federal laws.

Under existing law, a state agency is required to pay to the Program a certain amount to pay a portion of the cost of coverage under the Program for each state officer or employee of that state agency who participates in the Program. State officers and employees are required to pay the remaining portion of the costs of their coverage as well as the full amount of covering their dependents under the Program. The Board is authorized to allocate the money paid by the state agency between the costs of coverage for such officers and employees and for their dependents. (NRS 287.044) Section 9 of this bill clarifies the manner in which the Board may perform the allocation.

Existing law provides for the payment of a subsidy to cover a portion of the costs of coverage under the Program for certain retired state officers and employees. (NRS 287.046) Section 10 of this bill clarifies that employees who are initially hired by the State on or after January 1, 2010, are not entitled to the subsidy for coverage under the Program if they retire with less than 15 years of service, which must include state service and may include local governmental service, with the exception of disabled retirees, or if they fail to maintain continuous coverage under the Program during retirement.
Section 6 of this bill clarifies the application of this provision to persons who retire from employment with local governmental agencies.

Existing law provides that if a state officer or employee or a dependent of a state officer or employee incurs medical costs that are payable under the Program, but for which a third person has the legal liability to pay, the Board is subrogated to the rights of the officer, employee or dependent and may commence, join or intervene in any legal action against the third person to enforce that legal liability. (NRS 287.0465) Section 11 of this bill extends this provision to apply to any person who participates in the Program, including retired, as well as active, officers and employees of the State and their dependents and to active and retired officers and employees of local governments and their dependents who are covered under the Program.

Existing law provides that the surviving spouse and any surviving child of a police officer or firefighter who was killed in the line of duty are eligible to obtain or continue coverage under the Program or a benefits plan established by his or her local governmental employer under certain circumstances. The public employer of the police officer or firefighter, or the State of Nevada in the case of a volunteer firefighter, is required to pay the entire cost of the coverage for the surviving spouse for life and the entire cost of the coverage for any surviving child at least until the child reaches 18 years of age and until the child reaches 23 years of age so long as the child is a full-time student. (NRS 287.021, 287.0477)

Sections 5 and 13 of this bill provide that neither the public employer nor the State is required to pay the cost of the coverage for the surviving domestic partner of such a police officer or firefighter. Sections 5 and 13 also of this bill codify that the duration of the coverage for the surviving children of police officers and firefighters killed in the line of duty is the same as the duration of coverage for children otherwise in the public employer's health care plan.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 287 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. ["Domestic partner" has the meaning ascribed to it NRS 122A.030.] (Deleted by amendment.)

Sec. 3. 1. The Executive Officer shall submit a report regarding the administration and operation of the Program to the Board and the Director of the Department of Administration, and to the Director of the Legislative Counsel Bureau for transmittal to the appropriate committees of the Legislature or, if the Legislature is not in regular session, to the Legislative Commission and the Interim Retirement and Benefits Committee of the Legislature created by NRS 218E.420. The report must include, without limitation:

2. The report must include, without limitation:

(a) An independent biennial certified actuarial valuation and report of the State's health and welfare benefits for current and future state retirees, which are provided for the purpose of developing the annual required contribution pursuant to the statements issued by the Governmental Accounting Standards Board.

(b) A biennial review of the Program to determine whether the Program complies with federal and state laws relating to taxes and employee benefits. The review must be conducted by an attorney who specializes in employee benefits.

Sec. 4. NRS 287.0205 is hereby amended to read as follows:

Whenever an officer or employee of the governing body of any county, school district, municipal corporation, political subdivision, public corporation or other local governmental agency of the State of Nevada retires under the conditions set forth in NRS 1A.350 or 1A.480, or 286.510 or 286.620 and, during the period in which the person served as an officer or employee, was eligible to be covered or had dependents who were eligible to

2. A retired person who continues coverage under the Public Employees' Benefits Program shall assume the portion of the premium or contribution costs for the coverage which the governing body or the State does not pay on behalf of retired officers or employees. 3. Notice of the selection of the option must be given in writing to the last public employer of the officer or employee within 60 days after the date of retirement or death, as the case may be. If no notice is given by that date, the retired officer or employee and any dependents shall be deemed to have selected the option to cancel the coverage for the group insurance, plan of benefits or medical and hospital service established pursuant to NRS 287.010, 287.015, 287.020 or paragraph (b), (c) or (d) of subsection 1 of NRS 287.025 or coverage under the Public Employees' Benefits Program pursuant to paragraph (a) of subsection 1 of NRS 287.025.

Senator Parks moved the adoption of the amendment.
   Remarks by Senator Parks.
   Senator Parks requested that his remarks be entered in the Journal.
   Thank you, Mr. President. Assembly Bill No. 80 relates to the Public Employees' Benefits Program (PEBP). The bill is a clean up bill for this Session. The amendment removes statutory language that is already in regulation. There is little reason to place into statute that which is already in regulation. Regulations can be changed by the PEBP board at any time, however statutory regulation takes two years to change. I encourage your support.

Senator McGinness requested that the following remarks be entered in the Journal.

SENATOR MCGINNESS:
Thank you, Mr. President. I would like an explanation of this bill. Was there any discussion with local governments where they would be abating those taxes; if they have a say, or is there at least some discussion on this?

SENATOR KIECKHEFER:
Thank you, Mr. President. I do not recall a specific conversation during the Committee meeting with the local governments. Mr. Fontaine from the Nevada Association of Counties testified on the bill. There was nothing specific as to opposition. The purpose of the bill is to provide economic incentive to encourage additional manufacturers to relocate into the State of Nevada. There was a consensus with the Select Committee on Economic Growth & Employment that the provisions would help ensure diversification of our economy and try to bring new business to the State.

SENATOR KIHUEN:
Assembly Bill No. 202 requires the Director of the Office of Energy to establish regulations for granting a partial abatement of property taxes, other than any taxes imposed for public education, on manufacturing businesses in Nevada. A manufacturer that applies for the partial abatement must renovate an existing building or other structure to meet the equivalent of the silver level or higher in accordance with the Green Building Rating System.

Assembly Bill No. 258 declares that the State of Nevada leads the United States in gaming regulation and enforcement, is uniquely positioned to develop a comprehensive and effective regulatory structure for interactive gaming, and must be prepared for possible federal legislation.

The bill requires the Nevada Gaming Commission, on or before January 31, 2012, to adopt regulations governing the licensing and operation of interactive gaming, including Internet poker. The regulations must establish appropriate licensing fees, set forth standards for the suitability of a person to be licensed as a manufacturer of interactive gaming systems, and provide that gross revenue received is subject to the same license fee provisions as games and gaming devices, unless federal law otherwise provides for a similar fee or tax.

The bill requires the regulations to provide that any license to operate interstate interactive gaming does not become effective until a federal law authorizing the specific type of interactive gaming for which the license was granted is enacted, or the U.S. Department of Justice notifies the Commission or the Gaming Control Board that it is permissible under federal law. Finally, Assembly Bill No. 258 provides that it is unlawful for an owner or lessee to operate an interactive gaming system without having procured all required local, State, and federal licenses.

SENATOR PARKS:
Assembly Bill No. 473 authorizes a clerk to use abbreviations for the terms "independent" and "nonpartisan" on sample and actual ballots. Additionally, this measure revises procedures for preparing and sending absent ballots to certain voters in compliance with federal law, and revises the required hours of operation for city and county clerks' offices during voter registration periods. It also requires that complaints challenging initiatives or referenda be given priority over all but criminal matters pending before a court, and makes technical revisions to the filing deadline for candidates for the Board of the Virgin Valley Water District.

SENATOR MCGINNESS:
Could the Chair of the Committee answer a question about the hours of operation? The bill says, "the hours of operation." Was that until midnight for all counties?
Thank you, Mr. President. We had an amendment earlier today that removed those late hours. That was the portion where you could file to register to vote electronically. We removed that.

GENERAL FILE AND THIRD READING

Assembly Bill No. 223.
Bill read third time.
The following amendment was proposed by Senator Lee:
Amendment No. 851.
"SUMMARY—Makes various changes concerning the execution on property of a judgment debtor or defendant. (BDR 2-989)"
"AN ACT relating to civil actions; providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment except in certain circumstances; providing a procedure to execute on property held in a safe-deposit box; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) Section 3 of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor.
except in certain circumstances. **Section 3** further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. **Section 4** of this bill provides that notwithstanding the provisions of **section 3**, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money in those accounts. The judgment debtor then may claim any exemption that may apply.

**Section 5** of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.

**Section 5.5** of this bill revises the form for a writ of execution issued on a judgment for the recovery of money to include notice on the form to financial institutions of whether the judgment is for the recovery of money for the support of a person.

**Section 7** of this bill provides additional exemptions from execution which are provided by Nevada law.

**Section 8** of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. **Sections 6 and 10** of this bill revise the notice that is provided to a judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in **section 8**. **Sections 6 and 10** further revise the notice to provide additional information concerning the claiming of exemptions.

**Sections 2 and 9** of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

**Section 11** of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in **section 3**.

**Section 12** of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

**Section 13** of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

**Section 14** of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.
Section 15 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in section 8.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. A constable may perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.

Sec. 3. 1. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and money has been deposited into the account electronically within the immediately preceding 45 days from the date on which the writ was served which is reasonably identifiable as exempt from execution, notwithstanding any other deposits of money into the account, $2,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:

   (a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors' benefits, supplemental security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

   (b) Veterans' benefits which are exempt from execution pursuant to 38 U.S.C. § 5301;

   (c) Annuities payable to retired railroad employees which are exempt from execution pursuant to 45 U.S.C. § 231m;

   (d) Benefits provided for retirement or disability of federal employees which are exempt from execution pursuant to 5 U.S.C. §§ 8346 and 8470;

   (e) Annuities payable to retired members of the Armed Forces of the United States and to any surviving spouse or children of such members which are exempt from execution pursuant to 10 U.S.C. §§ 1440 and 1450;

   (f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

   (g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

   (h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

   (i) Compensation or benefits due or payable to longshore and harbor workers which are exempt from execution pursuant to 33 U.S.C. § 916;
(j) Annuities and benefits for retirement and disability of members of the foreign service which are exempt from execution pursuant to 22 U.S.C. § 4060;

(k) Compensation for injury, death or detention of employees of contractors with the United States outside the United States which is exempt from execution pursuant to 42 U.S.C. § 1717;

(l) Assistance for a disaster from the Federal Emergency Management Agency which is exempt from execution pursuant to 44 C.F.R. § 206.110;

(m) Black lung benefits paid to a miner or a miner's surviving spouse or children pursuant to 30 U.S.C. § 922 or 931 which are exempt from execution; and

(n) Benefits provided pursuant to any other federal law.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor, unless the writ of execution or garnishment is for the recovery of money owed for the support of any person.

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money withdrawn from the account. The court may require a judgment debtor to provide statements from the bank which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation, when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified
the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. 1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial institution, the judgment creditor is entitled to an order from the court to be issued with the writ of execution or garnishment which states that all money held in all such accounts of the judgment debtor that are identified in the application for the order are subject to the writ.

2. A judgment creditor may apply to the court for an order pursuant to subsection 1 by submitting a signed affidavit which identifies each financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money in the account to which the writ attaches in the manner set forth in NRS 21.112.

Sec. 5. 1. If a writ of execution or garnishment is levied on property in a safe-deposit box maintained at a financial institution, a separate writ must be issued from any writ that is issued to levy on an account of the judgment debtor with the financial institution. Notice of the writ must be served personally on the financial institution and promptly thereafter on any third person who is named on the safe-deposit box.

2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 5.5. NRS 21.025 is hereby amended to read as follows:

21.025 A writ of execution issued on a judgment for the recovery of money must be substantially in the following form:

(Title of the Court)

A copy of the affidavit must be served upon the sheriff, the garnishee and the judgment creditor within 10 days after the notice of execution or garnishment is served on you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on. The property must be released by the garnishee or the sheriff within 9 judicial days after you serve the affidavit upon the sheriff, garnishee and judgment creditor, unless you or the judgment creditor files a motion the sheriff or garnishee receives a copy of an objection to the claim of exemption and a notice for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 10 judicial days after the affidavit claiming exempt property is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 judicial days before the date set for the hearing. The hearing to determine whether the property or money is exempt must be held within 7 judicial days after the objection to the claim of exemption and notice for the hearing is filed. Such proof may include, without limitation, a letter from the government, an annual statement from a pension fund, receipts for payment, copies of checks, records from
financial institutions or any other document which demonstrates that the money in your account is exempt.

IF YOU DO NOT FILE THE [AFFIDAVIT] EXECUTED CLAIM OF EXEMPTION WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

Sec. 7. NRS 21.090 is hereby amended to read as follows:

   (g) For any workweek, 75 percent of the disposable earnings of a judgment debtor during that week, or 50 times the minimum hourly wage prescribed by section 6(a)(1) of the federal Fair Labor Standards Act of 1938, 29 U.S.C. § 206(a)(1), and in effect at the time the earnings are payable, whichever is greater. Except as otherwise provided in paragraphs (o), (s) and (t), the exemption provided in this paragraph does not apply in the case of any order of a court of competent jurisdiction for the support of any person, any order of a court of bankruptcy or of any debt due for any state or federal tax. As used in this paragraph:

      (1) "Disposable earnings" means that part of the earnings of a judgment debtor remaining after the deduction from those earnings of any amounts required by law to be withheld.
(2) "Earnings" means compensation paid or payable for personal services performed by a judgment debtor in the regular course of business, including, without limitation, compensation designated as income, wages, tips, a salary, a commission or a bonus. (k) All money, benefits, privileges or immunities accruing or in any manner growing out of any life insurance, if the annual premium paid does not exceed $15,000. If the premium exceeds that amount, a similar exemption exists which bears the same proportion to the money, benefits, privileges and immunities so accruing or growing out of the insurance that the $15,000 bears to the whole annual premium paid.

(l) The homestead as provided for by law, including a homestead for which allodial title has been established and not relinquished and for which a waiver executed pursuant to NRS 115.010 is not applicable.

(m) The dwelling of the judgment debtor occupied as a home for himself or herself and family, where the amount of equity held by the judgment debtor in the home does not exceed $550,000 in value and the dwelling is situated upon lands not owned by the judgment debtor.

(n) All money reasonably deposited with a landlord by the judgment debtor to secure an agreement to rent or lease a dwelling that is used by the judgment debtor as his or her primary residence, except that such money is not exempt with respect to a landlord or the landlord's successor in interest who seeks to enforce the terms of the agreement to rent or lease the dwelling.
(o) All property in this State of the judgment debtor where the judgment is in favor of any state for failure to pay that state's income tax on benefits received from a pension or other retirement plan.

(p) Any vehicle owned by the judgment debtor for use by the judgment debtor or the judgment debtor's dependent that is equipped or modified to provide mobility for a person with a permanent disability.

(q) Any prosthesis or equipment prescribed by a physician or dentist for the judgment debtor or a dependent of the debtor.

(r) Money, not to exceed $500,000 in present value, held in:
   (1) An individual retirement arrangement which conforms with the applicable limitations and requirements of section 408 or 408A of the Internal Revenue Code, 26 U.S.C. §§ 408 and 408A;
   (2) A written simplified employee pension plan which conforms with the applicable limitations and requirements of section 408 of the Internal Revenue Code, 26 U.S.C. § 408;
   (3) A cash or deferred arrangement which is a qualified plan pursuant to the Internal Revenue Code;

Sec. 11. NRS 31.290 is hereby amended to read as follows:

31.290 1. The interrogatories to be submitted with any writ of execution, attachment or garnishment to the garnishee may be in substance as follows:

INTERROGATORIES

Are you in any manner indebted to the defendants ........................................
.......................................................................................................................
......................................................................................................................,
or either of them, either in property or money, and is the debt now due? If not due, when is the debt to become due? State fully all particulars.
Answer: ....................................................................................................
.......................................................................................................................

Are you an employer of one or all of the defendants? If so, state the length of your pay period and the amount of disposable earnings, as defined in NRS 31.295, that each defendant presently earns during a pay period. State the minimum amount of disposable earnings that is exempt from this garnishment, which is the federal minimum hourly wage prescribed by section 6(a)(1) of the federal Fair Labor Standards Act of 1938, 29 U.S.C. § 206(a)(1), in effect at the time the earnings are payable multiplied by 50 for each week of the pay period, after deducting any amount required by law to be withheld.

Calculate the attachable amount as follows:

(Check one of the following) The employee is paid:

(1) Gross Earnings $__________

(2) Deductions required by law (not including child support) $__________

(3) Disposable Earnings [Subtract line 2 from line 1] $__________

(4) Federal Minimum Wage $__________

(5) Multiply line 4 by 50 $__________

(6) Complete the following directions in accordance with the letter selected above:

[A] Multiply line 5 by 1 $__________

[B] Multiply line 5 by 2 $__________

[C] Multiply line 5 by 52 and then divide by 24 $__________

[D] Multiply line 5 by 52 and then divide by 12 $__________

(7) Subtract line 6 from line 3 $__________

This is the attachable earnings. This amount must not exceed 25% of the disposable earnings from line 3.
Did you have in your possession, in your charge or under your control, on the date the writ of garnishment was served upon you, any money, property, effects, goods, chattels, rights, credits or choses in action of the defendants, or either of them, or in which ..........is interested? If so, state its value, and state fully all particulars.

Answer: .......................................................................................................................

Do you know of any debts owing to the defendants, whether due or not due, or any money, property, effects, goods, chattels, rights, credits or choses in action, belonging to ........ or in which ............is interested, and now in the possession or under the control of others? If so, state particulars.

Answer: .......................................................................................................................

Are you a financial institution with a personal account held by one or all of the defendants? If so, state the account number and the amount of money in the account which is subject to garnishment. As set forth in section 3 of this act, $2,000 or the entire amount in the account, whichever is less, is not subject to garnishment if the financial institution reasonably identifies that an electronic deposit of money has been made into the account within the immediately preceding 45 days which is exempt from execution, including, without limitation, payments of money described in section 3 of this act or, if no such deposit has been made, $1,000 or the entire amount in the account, whichever is less, is not subject to garnishment, unless the garnishment is for the recovery of money owed for the support of any person. The amount which is not subject to garnishment does not apply to each account of the judgment debtor, but rather is an aggregate amount that is not subject to garnishment.

Answer: .......................................................................................................................

State your correct name and address, or the name and address of your attorney upon whom written notice of further proceedings in this action may be served.

Answer: .......................................................................................................................

I (insert the name of the garnishee), do solemnly swear (or affirm) and declare under penalty of perjury that the answers to the foregoing interrogatories by me subscribed are true and correct.

(Signature of garnishee)
2. The garnishee shall answer the interrogatories in writing upon oath or affirmation and submit the answers to the sheriff within the time required by the writ. *The garnishee shall submit his or her answers to the judgment debtor within the same time.* If the garnishee fails to do so, the garnishee shall be deemed in default.

**Sec. 12.** NRS 31.296 is hereby amended to read as follows:

31.296 1. Except as otherwise provided in subsection 3, if the garnishee indicates in the garnishee's answer to garnishee interrogatories that the garnishee is the employer of the defendant, the writ of garnishment served on the garnishee shall be deemed to continue for 120 days or until the amount demanded in the writ is satisfied, whichever occurs earlier.

2. In addition to the fee set forth in NRS 31.270, a garnishee is entitled to a fee from the plaintiff of $3 per pay period, not to exceed $12 per month, for each withholding made of the defendant's earnings. This subsection does not apply to the first pay period in which the defendant's earnings are garnished.

3. If the defendant's employment by the garnishee is terminated before the writ of garnishment is satisfied, the garnishee:

   (a) Is liable only for the amount of earned but unpaid, disposable earnings that are subject to garnishment.

   (b) Shall provide the plaintiff or the plaintiff's attorney with the last known address of the defendant and the name of any new employer of the defendant, if known by the garnishee.

4. *The judgment creditor who caused the writ of attachment to issue pursuant to NRS 31.013 shall prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days which sets forth, without limitation, the amount owed by the judgment debtor, the costs and fees allowed pursuant to NRS 18.160 and any accrued interest and costs on the judgment. The report must advise the judgment debtor of the judgment debtor's right to request a hearing pursuant to NRS 18.110 to dispute any accrued interest, fee or other charge. The judgment creditor must submit this accounting with each subsequent application for writ made by the judgment creditor concerning the same debt.*

**Sec. 13.** NRS 258.230 is hereby amended to read as follows:

If a constable shall not have received any or all of his or her fees, which may be due the constable for services rendered by him or her in any suit or proceedings, the constable may have execution therefor in his or her own name against the party or parties from whom they are due, to be issued from the court where the action is pending, upon the order of the justice of the peace or court upon affidavit filed.
Sec. 14. NRS 612.710 is hereby amended to read as follows:

612.710 Except as otherwise provided in NRS 31A.150:

1. Any assignment, pledge or encumbrance of any right to benefits which are or may become due or payable under this chapter is void, except for a voluntary assignment of benefits to satisfy an obligation to pay support for a child.

2. Benefits are exempt from levy, execution, attachment, or any other remedy provided for the collection of debt. Benefits received by any person, if they are not mingled with other money of the recipient, are exempt from any remedy for the collection of all debts, except debts incurred for necessaries furnished to the person or the person’s spouse or dependents during the time when the person was unemployed.

3. Any other waiver of any exemption provided for in this section is void.

TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

Senator Lee moved the adoption of the amendment.

Remarks by Senator Lee.

Senator Lee requested that his remarks be entered in the Journal.

Currently Assembly Bill No. 223 provides that if a writ relating to a civil judgment is levied on the personal bank account of a debtor, and if money has been deposited electronically in the account within the last 45 days that is reasonably identifiable as exempt from execution, $1,000 or the balance in the account, whichever is less, is not subject to execution unless recovery of the money is for the support of a person.

The amendment lowers the threshold account balance from $1,000 to $400 and currently, the bill changes the deadline for serving a claim of exemption from 8 to 20 calendar days after a notice of writ is served on the debtor. The amendment adjusts this deadline to 10 days.

Senator Wiener moved the adoption of the amendment.
Remarks by Senator Wiener.
Senator Wiener requested that her remarks be entered in the Journal.
This amendment does several things. The changes take place on page 3 of the amendment. In Section 3, subsection 3, it requires that all sessions be recorded electronically. That stipulation is important to a section later in the amendment. In Section 3, subsection 6, it adds employment as a reason for missing training. In Section 3, subsection 7, it adds new language that the Director of the Legislative Counsel Bureau shall provide an electronic copy that has been recorded of all the training to each new member of the Legislature. For the days a member is not able to attend in person, that member will have an opportunity to review the DVD. Others may review it at any time, as well. Legislators would attest to the completion of viewing that DVD. In Section 3, subsection 8, the Legislative Counsel Director will issue a "Certificate of Graduation from the Legislative Training Academy" to each Legislator who has completed the training.

Section 4 is very important. It is the deletion of all penalties.

Senate Bill No. 421.
Bill read third time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 847.
"SUMMARY—Revises provisions relating to certain funds. (BDR 40-1170)"

"AN ACT relating to public health; increasing the percentage of certain money received by the State to be allocated to the Fund for a Healthy
Nevada; revising provisions relating to the allocation of money in the Fund for a Healthy Nevada; eliminating the Trust Fund for Public Health; providing for the transfer of money remaining in the Trust Fund for Public Health; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, the Trust Fund for Public Health receives 10 percent of all "tobacco settlement" money, which is that money received by the State pursuant to any settlement entered into by the State and a manufacturer of tobacco products and money received by the State pursuant to any judgment in a civil action against a manufacturer of tobacco products. The Trust Fund for Public Health uses interest and income earned on that money to fund grants for programs relating to public health. (NRS 439.605) Additionally, 50 percent of all tobacco settlement money goes to the Fund for a Healthy Nevada and is then allocated to various other programs relating to public health in amounts or according to percentages of available revenues set by statute. (NRS 439.620, 439.630)

This bill eliminates the Trust Fund for Public Health and provides for money in the Trust Fund for Public Health to be transferred to the Fund for a Healthy Nevada. This bill also increases to 60 percent the share of tobacco settlement money allocated to the Fund for a Healthy Nevada. Additionally, this bill removes the provisions setting the percentages of available revenues to be allocated from the Fund for a Healthy Nevada on specific programs and instead requires the Department of Health and Human Services to propose a biennial plan for the allocation of money for those programs. The plan must be submitted as part of the proposed biennial budget of the Department. In preparing the plan, the Department shall consider recommendations submitted by the Grants Management Advisory Committee, the Nevada Commission on Aging and the Nevada Commission on Services for Persons with Disabilities. Finally, this bill removes certain programs relating to the prevention, reduction and treatment of tobacco use from the list of programs for which money in the Fund for a Healthy Nevada must be allocated.

This amendment makes certain that the public has input into the plan to spend the tobacco settlement money from the civil action against tobacco manufacturers. On page 6, there is specific language from line 24 through line 29 that uses already established committees and commissions to review the plan and to provide input to the Department of Health and Human Services.

Thank you, Mr. President. Assembly Bill No. 78 deals a crushing blow to Nevada's smallest home-based businesses and to our national image as a business-friendly State. As I said when we voted on this the first time, this will increase fees on our smallest businesses by 260 percent. Many, if not everyone, in this body has campaigned, in part, on being a friend to small business. Now is the time to prove it. I encourage you to vote "no" on Assembly Bill No. 78.

Assembly Bill No. 80 clarifies the reporting requirements on the administration and operation of the Public Employees' Benefit Program and repeals a redundant provision. Amendment No. 860.

"SUMMARY—Requires an additional probationary period for certain teachers and administrators. (BDR 34-876)"

"AN ACT relating to educational personnel; requiring certain teachers and administrators who receive unsatisfactory evaluations to serve an additional probationary period; authorizing certain employees to request an expedited hearing under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law provides that each teacher and administrator who is employed by a school district in this State must serve a 2-year probationary period, unless the second year of the probationary period is waived by the superintendent of schools of the school district or the superintendent's designee. A probationary employee who completes his or her probationary period and receives a notice of reemployment from the school district becomes a postprobationary employee in the ensuing year of employment. (NRS 391.3197) Existing law also provides that a postprobationary teacher or administrator must be evaluated at least once each year. (NRS 391.3125, 391.3127) Section 1 of this bill provides that a postprobationary teacher or administrator who receives an unsatisfactory evaluation, or any other equivalent evaluation which designates his or her overall performance as below average, for 2 consecutive school years shall be deemed to be a probationary employee and must serve an additional probationary period. Section 4 of this bill provides that the provisions of section 1 do not apply if are not superseded by the terms of a collective bargaining agreement. Section 5 of this bill authorizes a teacher or administrator who is deemed to be a probationary employee pursuant to section 1 and who receives notice that he or she will be dismissed before the completion of the current school
year to request an expedited hearing pursuant to the expedited hearing procedures established by the American Arbitration Association.

Amendment No. 861.

"SUMMARY—Revises provisions governing the accountability and performance of public schools and educational personnel. (BDR 34-515)"

"AN ACT relating to education; revising the annual reports of accountability information for public schools; requiring the board of trustees of each school district to establish and implement a program of performance pay and enhanced compensation for the recruitment and retention of licensed teachers and administrators; removing probationary teachers and probationary administrators from the applicability of certain provisions governing certain disciplinary measures by school districts; revising provisions governing the demotion, suspension, dismissal and nonreemployment of certain teachers and administrators; expanding the grounds for immediate dismissal and refusal to reemploy; revising the designations of the overall performance of teachers and administrators required by the policies for evaluations of each school district; authorizing a probationary or postprobationary employee to request an expedited hearing under certain circumstances; revising provisions governing the probationary periods of teachers and administrators and the evaluations of
probationary teachers and probationary administrators; **revising provisions governing the reduction in the workforce of a school district**; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Existing law requires the State Board of Education and the board of trustees of each school district to prepare an annual report of accountability information for public schools. (NRS 385.3469, 385.347) **Sections 1 and 2** of this bill expand the requirements of the annual reports of accountability to include a reporting of the number and percentages of administrators, teachers and **support other staff** for each elementary school, middle school or junior high school, and high school and for each school district in the State.

**Section 8** of this bill requires the board of trustees of each school district to: (1) establish a program of performance pay and enhanced compensation for the recruitment and retention of licensed teachers and administrators; and (2) implement the program commencing with the 2014-2015 school year.

Existing law requires that the board of trustees of each school district develop a policy for the evaluation of teachers and administrators pursuant to which an individual teacher or administrator is designated as "satisfactory" or "unsatisfactory." (NRS 391.3125, 391.3127) Effective July 1, 2013, **sections 14 and 16** of this bill revise the policies for evaluations to require the designation of an individual teacher or administrator as "highly effective," "effective," "minimally effective" or "ineffective" and provide that the policies must require that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for at least 50 percent of the evaluations.

**Section 9** of this bill provides that if a written evaluation of a probationary teacher or probationary administrator states that the overall performance of the teacher or administrator has been designated as "unsatisfactory": (1) the evaluation must include a written statement that the contract of the person so evaluated may not be renewed for the next school year and that the employee may request reasonable assistance in correcting the deficiencies identified in the evaluation; and (2) the person must acknowledge in writing that he or she has received and understands the written statement. **Section 20** of this bill amends **section 9**, effective July 1, 2013, when the four types of designations for the evaluations of teachers and administrators will take effect.

Existing law sets forth certain rights and responsibilities relating to disciplinary measures taken by school districts with respect to probationary and postprobationary teachers and administrators. (NRS 391.311-391.3197) **Section 11** of this bill removes probationary teachers and new employees hired as probationary administrators from the applicability of the provisions governing admonition, demotion, suspension, dismissal and nonreemployment.

**Section 12** of this bill revises the grounds for which a teacher may be suspended, dismissed or not reemployed or for which an administrator may
be demoted, suspended, dismissed or not reemployed to include gross misconduct.

Section 13 of this bill provides that a postprobationary teacher who receives an unsatisfactory evaluation must be evaluated three times in the immediately succeeding school year. Effective July 1, 2013, section 14 of this bill provides that a postprobationary teacher who receives an evaluation of "minimally effective" or "ineffective" must be evaluated three times in the immediately succeeding school year.

Section 17 of this bill expands the grounds for which a licensed employee is subject to immediate dismissal or a refusal to reemploy without first receiving a written admonition to include gross misconduct.

Section 18 of this bill authorizes a postprobationary employee who receives notice that he or she will be dismissed before completion of the current school year to request an expedited hearing pursuant to the expedited procedures established by the American Arbitration Association.

Under existing law, a probationary teacher and a probationary administrator serve two 1-year periods as a probationary employee. If the employee receives satisfactory evaluations in the first probationary year, the second probationary year must be waived and the person is entitled to postprobationary employment with the school district. (NRS 391.3197) Section 19 of this bill revises the probationary period from two 1-year periods to three 1-year periods, without a waiver of any of the probationary years. Section 19 also provides that a probationary employee who receives notice that he or she will be dismissed before the completion of the current school year may request an expedited hearing pursuant to the procedures established by the American Arbitration Association or its successor organization.

Section 19.6 provides that a board of trustees of a school district that determines a reduction in the existing workforce of the licensed educational personnel in the school district is necessary must not base the decision to lay off a teacher or an administrator solely on the seniority of the teacher or administrator and may consider certain other factors.

Section 1 of Assembly Bill No. 225 of this session provides that if a postprobationary employee receives an unsatisfactory evaluation on an evaluation conducted pursuant to NRS 391.3125 or 391.3127, as applicable, or any other equivalent evaluation system which designates his or her overall performance as below average for 2 consecutive school years, the employee shall be deemed a probationary employee and serve an additional probationary period. Section 20.5 of this bill amends section 1 of Assembly Bill No. 225 to provide that a postprobationary employee must serve an additional probationary period if he or she receives an evaluation for 2 consecutive school years as: (1) minimally effective; (2) ineffective; (3) minimally effective during 1 year of the 2-year consecutive period and ineffective during the other year of the
period; or (4) if evaluated pursuant to any other system of evaluation, any designation which indicates that the overall performance of the employee is below average. Section 23 of this bill provides that section 20.5 becomes effective if, and only if, Assembly Bill No. 225 of this session is enacted by the Legislature and becomes effective.

If a postprobationary teacher is evaluated three times in a school year and he or she receives an evaluation designating his or her overall performance as minimally effective or ineffective on the first or second evaluation, or both evaluations, the postprobationary teacher may request that the third evaluation be conducted by another administrator. If a postprobationary teacher requests that his or her third evaluation be conducted by another administrator, that administrator must be:
   (a) Employed by the school district or, if the school district has five or fewer administrators, employed by another school district in this State; and
   (b) Selected by the postprobationary teacher from a list of three candidates submitted by the superintendent.

5. The evaluation of a probationary teacher or a postprobationary teacher must include, without limitation:

(d) An evaluation of whether the teacher is appropriately addressing the needs of the pupils in the classroom, including, without limitation, special educational needs, cultural and ethnic diversity, the needs of pupils enrolled in advanced courses of study and the needs of pupils who are limited English proficient;

(e) If necessary, recommendations for improvements in the performance of the teacher;

(f) A description of the action that will be taken to assist the teacher in correcting any deficiencies reported in the evaluation; and

(g) A statement by the administrator who evaluated the teacher indicating the amount of time that the administrator personally observed the performance of the teacher in the classroom.

6. The teacher must receive a copy of each evaluation not later than 15 days after the evaluation. A copy of the evaluation and the teacher's response must be permanently attached to the teacher's personnel file. Upon the request of a teacher, a reasonable effort must be made to assist the teacher to correct those deficiencies reported in the evaluation of the teacher for which the teacher requests assistance.

The administrator may appeal the decision of the superintendent to the board by requesting a hearing in writing to the president of the board within 5 days after receiving the notice from the superintendent.
The board shall hear the matter within 10 days after the president receives the request, and shall render its decision within 5 days after the hearing. The decision of the board is final.

Sec. 16. NRS 391.3127 is hereby amended to read as follows:

391.3127 1. Each board, following consultation with and involvement of elected representatives of administrative personnel or their designated representatives, shall develop an objective policy for the objective evaluation of administrators in narrative form. The policy must set forth a means according to which an administrator's overall performance is determined to be highly effective, effective, minimally effective or ineffective. The policy must require that the information maintained pursuant to paragraphs (c), (d) and (e) of subsection 1 of NRS 386.650 account for at least 50 percent of the evaluation. The policy may include an evaluation by the administrator, superintendent, pupils or other administrators or any combination thereof. The administrator may appeal the decision of the superintendent to the board by requesting a hearing in writing to the president of the board within 5 days after receiving the notice from the superintendent. Sec. 17. NRS 391.313 is hereby amended to read as follows:

391.313 1. Whenever an administrator charged with supervision of a licensed employee believes it is necessary to admonish the employee for a reason that the administrator believes may lead to demotion or dismissal or may cause the employee not to be reemployed under the provisions of NRS 391.312, the administrator shall:

(a) Except as otherwise provided in subsection 3, bring the matter to the attention of the employee involved, in writing, stating the reasons for the admonition and that it may lead to the employee's demotion, dismissal or a refusal to reemploy him or her, and make a reasonable effort to assist the employee to correct whatever appears to be the cause for the employee's potential demotion, dismissal or a potential recommendation not to reemploy him or her; and
(b) Except as otherwise provided in NRS 391.314, allow reasonable time for improvement, which must not exceed 3 months for the first admonition. The admonition must include a description of the deficiencies of the teacher and the action that is necessary to correct those deficiencies.

2. An admonition issued to a licensed employee who, within the time granted for improvement, has met the standards set for the employee by the administrator who issued the admonition must be removed from the records of the employee together with all notations and indications of its having been issued. The admonition must be removed from the records of the employee not later than 3 years after it is issued.

3. An administrator need not admonish an employee pursuant to paragraph (a) of subsection 1 if his or her employment will be terminated pursuant to NRS 391.3197. If by March 1 of the first or second year of the employee's probationary period a probationary employee does not receive a written notice pursuant to subsection 4 of NRS 391.3125 of a potential decision not to reemploy him or her, the employee must receive an admonition before any such decision is made.

4. A licensed employee is subject to immediate dismissal or a refusal to reemploy according to the procedures provided in NRS 391.311 to 391.3197, inclusive, and section 9 of this act without the admonition required by this section, on grounds contained in paragraphs (b), (f), (g), (h), (p) and (t) of subsection 1 of NRS 391.312.

Sec. 18. NRS 391.317 is hereby amended to read as follows:

391.317 1. At least 15 days before recommending to a board that it demote, dismiss or not reemploy a postprobationary employee, or dismiss or demote a probationary employee, the superintendent shall give written notice to the employee, by registered or certified mail, of the superintendent's intention to make the recommendation.

2. The notice must:
   (a) Inform the licensed employee of the grounds for the recommendation.
   (b) Inform the employee that, if a written request therefor is directed to the superintendent within 10 days after receipt of the notice, the employee is entitled to a hearing before a hearing officer pursuant to NRS 391.315 to 391.3194, inclusive, or if a dismissal of the employee will occur before the completion of the current school year, the employee may request an expedited hearing pursuant to subsection 3.
   (c) Refer to chapter 391 of NRS.

3. If a postprobationary employee receives notice pursuant to subsection 1 that he or she will be dismissed before the completion of the current school year, the employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization. If the employee elects to proceed under the expedited procedures, the provisions of NRS 391.3161, 391.3192 and 391.3193 do not apply.

Sec. 19. NRS 391.3197 is hereby amended to read as follows:
1. A probationary employee is employed on a contract basis for two three 1-year periods and has no right to employment after either any of the two three probationary contract years.

2. The board shall notify each probationary employee in writing on or before May 1 of the first, and second and third school years of the employee's probationary period, as appropriate, whether the employee is to be reemployed for the second or third year of the probationary period or for the next fourth school year as a postprobationary employee. Failure of the board to notify the probationary employee in writing on or before May 1 in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing on or before May 10 of the first, or second or third year of the employee's probationary period, as appropriate, of the employee's acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in both the first, and second and third years of the employee's probationary period, no later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second or third year of the probationary period or for the next fourth school year as a postprobationary employee. Failure of the board to notify a probationary employee in writing within the prescribed period in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee's acceptance of reemployment pursuant to this subsection constitutes rejection of the contract.

3. A probationary employee who completes:

(a) Completes a 2-year 3-year probationary period and receives;

(b) Receives a designation of "satisfactory" on each of his or her performance evaluations for 2 consecutive school years; and

(c) Receives a notice of reemployment from the school district in the second third year of the employee's probationary period, is entitled to be a postprobationary employee in the ensuing year of employment.

4. If a probationary employee receives notice pursuant to subsection 4 of NRS 391.3125 not later than March 1 of a potential decision not to reemploy him or her, the employee may request a supplemental evaluation by another administrator in the school district selected by the employee and the superintendent. If a school district has five or fewer administrators, the supplemental evaluator may be an administrator from another school district in this State. If a probationary employee has received during the first school year of the employee's probationary period three evaluations which state that the employee's overall performance has been satisfactory, the superintendent of schools of the school district or the superintendent's designee shall waive
the second year of the employee's probationary period by expressly providing in writing on the final evaluation of the employee for the first probationary year that the second year of the employee's probationary period is waived. Such an employee is entitled to be a postprobationary employee in the ensuing year of employment.

5. If a probationary employee is notified that the employee will not be reemployed for the second year of the employee's probationary period or the ensuing school year following the 3-year probationary period, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

6. A new employee who is employed as an administrator or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 2-year probationary period as an administrator in accordance with the provisions of this section. If the administrator does not receive an unsatisfactory evaluation during the first year of probation, the superintendent or the superintendent's designee shall waive the second year of the administrator's probationary period. Such an administrator is entitled to be a postprobationary employee in the ensuing year of employment. If:

(a) A postprobationary teacher who is an administrator is not reemployed as an administrator after either any year of his or her probationary period; and

(b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed, the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

7. An administrator who has completed his or her probationary period pursuant to subsection 6 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If an administrator is promoted to the position of principal before completion of his or her probationary period pursuant to subsection 5, the administrator must serve the remainder of his or her probationary period pursuant to subsection 5 or an additional probationary period of 1 year in the position of principal, whichever is longer. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the probationary period or additional probationary period, as applicable, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a
contract, the person shall be deemed to have rejected the offer of employment.

8. Before dismissal, the probationary employee is entitled to a hearing before a hearing officer which affords due process as set out in NRS 391.311 to 391.3196, inclusive.

7. If a probationary employee receives notice that he or she will be dismissed before the completion of the current school year, the probationary employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization.

Sec. 19.5. NRS 391.3197 is hereby amended to read as follows:

391.3197 1. A probationary employee is employed on a contract basis for three 1-year periods and has no right to employment after any of the three probationary contract years.

2. The board shall notify each probationary employee in writing on or before May 1 of the first, second and third school years of the employee's probationary period, as appropriate, whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify the probationary employee in writing on or before May 1 in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing on or before May 10 of the first, second or third year of the employee's probationary period, as appropriate, of the employee's acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in the first, second and third years of the employee's probationary period, no later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second or third year of the probationary period or for the fourth school year as a postprobationary employee. Failure of the board to notify a probationary employee in writing within the prescribed period in the first or second year of the probationary period does not entitle the employee to postprobationary status. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee's acceptance of reemployment pursuant to this subsection constitutes rejection of the contract.

3. A probationary employee who:

(a) Completes a 3-year probationary period;

(b) Receives a designation of "satisfactory" or "highly effective" or "effective" on each of his or her performance evaluations for 2 consecutive school years; and

(c) Receives a notice of reemployment from the school district in the third year of the employee's probationary period,
is entitled to be a postprobationary employee in the ensuing year of employment.

4. If a probationary employee is notified that the employee will not be reemployed for the school year following the 3-year probationary period, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

5. A new employee who is employed as an administrator or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 3-year probationary period as an administrator in accordance with the provisions of this section. If:
   (a) A postprobationary teacher who is an administrator is not reemployed as an administrator after any year of his or her probationary period; and
   (b) There is a position as a teacher available for the ensuing school year in the school district in which the person is employed,

   the board of trustees of the school district shall, on or before May 1, offer the person a contract as a teacher for the ensuing school year. The person may accept the contract in writing on or before May 10. If the person fails to accept the contract as a teacher, the person shall be deemed to have rejected the offer of a contract as a teacher.

6. An administrator who has completed his or her probationary period pursuant to subsection 5 and is thereafter promoted to the position of principal must serve an additional probationary period of 1 year in the position of principal. If an administrator is promoted to the position of principal before the completion of his or her probationary period pursuant to subsection 5, the administrator must serve the remainder of his or her probationary period pursuant to subsection 5 or an additional probationary period of 1 year in the position of principal, whichever is longer. If the administrator serving the additional probationary period is not reemployed as a principal after the expiration of the probationary period or additional probationary period, as applicable, the board of trustees of the school district in which the person is employed shall, on or before May 1, offer the person a contract for the ensuing school year for the administrative position in which the person attained postprobationary status. The person may accept the contract in writing on or before May 10. If the person fails to accept such a contract, the person shall be deemed to have rejected the offer of employment.

7. If a probationary employee receives notice that he or she will be dismissed before the completion of the current school year, the employee may request an expedited hearing pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association or its successor organization.

Sec. 19.6. Chapter 288 of NRS is hereby amended by adding thereto a new section to read as follows:
If the board of trustees of a school district determines that a reduction in the existing workforce of the licensed educational personnel in the school district is necessary, the decision to lay off a teacher or an administrator must not be based solely on the seniority of the teacher or administrator and may include, without limitation, a consideration of the following factors:

1. Whether the teacher or administrator is employed in a position which is hard to fill;
2. Whether the teacher or administrator has received a national board certification;
3. The performance evaluations of the teacher or administrator;
4. The disciplinary record of the teacher or administrator within the school district;
5. The criminal record of the teacher or administrator, if any;

Senator Denis moved the adoption of the amendment.
Remarks by Senator Denis.
Senator Denis requested that his remarks be entered in the Journal.
The amendment makes numerous changes to the bill. The significant changes include revisions to the reporting requirements for ratios of certain staff to include new definitions for teachers, instructional support staff, administrators and other staff.
It provides that a post-probationary teacher receiving an evaluation of unsatisfactory must be evaluated three times during the next school year.
It clarifies that an educator entitled to three evaluations in a contract year who receives a negative evaluation on the first or second evaluation may request the third evaluation be conducted by an outside evaluator selected from a list of three candidates submitted by the superintendent of the school district.
It specifies that, with reference to an evaluation of a public school teacher or administrator, the term "unsatisfactory" is to be replaced by "minimally effective or ineffective," to reflect the new terminology that will be in place after July 1, 2013.
It requires that the policy for educator performance evaluations require that at least 50 percent of the evaluation be based upon certain information concerning longitudinal comparisons of student achievement data.
It provides that a probationary employee must receive a satisfactory performance rating for two consecutive years before he or she receives a notice of reemployment from the school district in the last year of the employee's probationary period, and is entitled to be a post-probationary employee in the ensuing year of employment.
It provides for an expedited hearing, upon request, for a new probationary employee if the employee receives a notice of dismissal before the completion of the school year.
It provides that if the school district board of trustees determines that a reduction of workforce is necessary, the decision to lay off a teacher or administrator must not be based solely on seniority and may include consideration of whether the person is in a hard to fill position, attainment of National Board certification, performance evaluations, disciplinary records, criminal records, type of license held, and degree attainment germane to the position.
It amends certain sections of Assembly Bill No. 225 to make them parallel and consistent with changes made within Assembly Bill No. 229. These portions of the amendment take effect if and only if Assembly Bill No. 225 also is enacted.

Amendment adopted.
Bill ordered reprinted, re-engrossed and to third reading.

Bill read third time.
Remarks by Senators Denis, Schneider, Kieckhefer and Roberson.

Senator Denis requested that the following remarks be entered in the Journal.

SENATOR DENIS:
We have spent a lot of time this Session talking about education and education reform. These two bills form what is the basis of all the reforms we are talking about. There are several other bills. To get to this point we have had to work with all factions in the education community. Not everyone is happy with everything that is in this bill. Not everyone is unhappy with everything that is here. We have created a starting point for reform. There are some significant things in this bill. In the end, these are reforms that will help our children. It is not perfect. There will need to be adjustments in the future. Assembly Bill No. 225 specifically talks about post-probationary employees. This is a good bill. It will be good for our students in Nevada. I urge your support.

SENATOR SCHNEIDER:
We are all experts on education because we all went to school. Here we are dinking around again with education. In the ten sessions I have been in this Legislature, we have dinked with education because we are experts. We went to school. Some of us even went to college. That makes us experts. We dink around, we dink around, and we dink around. That is all we do and we mess things up more. This is just another half attempt at trying to do something. When was the last time you asked the professionals in education, "What is it going to take to get good students? What is it going to take?"

This is like building a football team. What is it going to take to get a winning team? You have to pay for it.

We are asking our teachers to take a pay cut. We are asking them to work more days. We are asking them to put more students in the classroom. Then we write an amendment that says this is reform and, now, it will be better. This is a joke. What we are doing tonight is a joke. I realize it is tied to the budget negotiations, but it is a joke. We are not building a better team. This is another attempt at tearing education up. That is what we are really doing.

We should be asking them what does it take to get us better students. It takes smaller schools. I have tried to do that in the past. Everyone with the Clark County School District who testified stated they would rather have students in smaller schools. Private schools are smaller schools. That makes a big difference. How about having schools with windows? That may give you better students. We do not pursue any of these ideas. We build the biggest schools we can to get the biggest bang for our buck. We jam the students in. There are 3,000 or 4,000 in a high school. We have middle schools with over 3,000 in Las Vegas. We lose students because they are just numbers. We do not listen to the professionals in education. We dink around because we are the experts. We went to school.

This is as if we have amended how you sell cars. We could tell people how to sell cars, but we do not do that because we would be interfering with private business. This is just another attempt at futility. This bill does not make education better. We need to look at ourselves. We need to stop and think about it. We fund education at the worst level in the nation, but we build the biggest schools in the nation. We fail our system. We fail our students, because we can save a buck. We can do it a little cheaper.

I appreciate what the Chair of Education is doing. He is trying. But, we are failing. I appreciate that the Majority Leader is trying to get some reform, trying to close this budget. I know we will have to vote for this. We will walk out of here saying we have done something good. But, thank you, Mr. President, this is not any good.

SENATOR KIECKHEFER:
I rise in support of Assembly Bill No. 225. I respectfully disagree with my colleague from Clark District No. 11. I have spoken several times this Session about the system we utilize to provide education to our children. I believe this bill as well as Assembly Bill No. 229, along with other bills making their way through this Legislative Body, are a significant improvement to the system of education in our State. I would like to thank the Chair of the Education Committee for processing these bills and amendments and putting the teeth into these bills that
are necessary to ensure that we can provide our children with the education they deserve and that we know they need in order to give them the future they want. I will support these bills. I encourage every member of this body to do the same and to feel good about their vote when they walk out of these Chambers. This is a good thing for our State.

SENATOR ROBERSON:
Thank you, Mr. President. I do not disagree with everything that the Senator from Clark District No. 11 had to say. We are dinking around the edges here. It is a good start, but it has taken four months to get to this point and the teachers' union is still objecting. They do not want this minimal reform. I would love to talk about sweeping education reform. I would like to talk about school choice on the ballot, but the majority party wanted no part of that. I want to give parents and children a choice in their education. Maybe they could choose a school with windows among other things. I do not disagree with everything the Senator from Clark District No. 11 says, but as long as we are going to let the teachers' union run our education system in this State, we are not going to get sweeping reforms.

SENATOR DENIS:
Many people came to the table to work on these bills. The teachers' union came to the table. There are parts of this they do not like. But, they also came forward and worked on this. I know that the sponsor has worked on these bills for over a year and a half. I appreciate everyone coming forward. It may not be a perfect thing, but the teachers' union did come forward. They are trying to do what is right for students, too. This is a good bill and we will see some good results from this.

SENATOR ROBERSON:
I appreciate my colleague from southern Nevada's comments. Let us be clear about one thing. The teachers' unions are not just concerned about parts of this bill. They have just sent us all an e-mail, a vote alert, the NSEA is strongly opposed to this bill. Here we are on May 30 and we have been working on this for months. They are still fighting tooth and nail against minimal education reform. That is the reality.

Remarks by Senators Denis and Lee
Senator Denis requested that the following remarks be entered in the Journal.

SENATOR DENIS:
This bill is a companion bill to Assembly Bill No. 225. They work together. Assembly Bill No. 229 is a continuation of reforms for evaluation of teachers and administrators and revises the probationary period for teachers and administrators from two one-year periods to three one-year periods.
SENATOR LEE:
I would like to ask a question. If the post-probationary teachers' evaluation shows an unsatisfactory evaluation, they will have three more evaluations throughout the year. The bill says, "If for not less than a cumulative total of 60 minutes in each evaluation period, with one observation, 60 minute evaluation period consisting of at least 30 consecutive minutes." Do we make the evaluation of the teacher three times in three hours and that removes them? What are the other things besides sitting down and watching a teacher teach that gives a good or bad evaluation within that 60 minute period? On page 25, line 34 it says, "Administrator charged with the evaluation of a post-probationary teacher shall personally observe the performance of the teacher in the classroom for not less than a cumulative total of 60 minutes during each evaluation period." Are we evaluating the careers of these people by observing them for 20 minutes, returning to the office, then coming back to the classroom to evaluate them for another 20 minutes? How does this postprobationary performance evaluation take place? It seems draconian to me to terminate someone based on this evaluation.

SENATOR DENIS:
They do have a procedure they follow. They have a formal evaluation process, but it does not preclude the principal from observing the teacher many times on a regular basis. The process they follow examines where the teacher is. The procedure is determined by the district. It is not determined by the Legislature. This is a fair procedure by which to evaluate them.

SENATOR LEE:
A teacher is evaluated, but is that teacher compared to other teachers teaching the same course? Are there other things that go into the evaluation rather than just an administrator watching the teacher for 60 minutes?

SENATOR DENIS:
There are standards that teachers have to follow. They will use those and the evaluation will compare them to the standards. They are not going to be compared to other teachers. The growth of the students will also be taken into consideration as the teacher is evaluated.

SENATOR LEE:
That does not completely answer my question.

Remarks by Senator Horsford.

Senate Bill No. 421, as amended, eliminates the Trust Fund for Public Health, and in so doing increases the share of Tobacco Settlement Funds allocated to the Fund for a Healthy Nevada from 50 percent to 60 percent. Under current law, the Tobacco Master Settlement Agreement allocates 10 percent of the Tobacco Settlement Funds to the Trust Fund for Public Health, 50 percent to the Fund for a Healthy Nevada, and 40 percent to the Guinn Millennium Scholarship Account. The bill also removes the provisions in current law that require certain percentages from the Fund for a Healthy Nevada be allocated for specific purposes and instead requires tobacco funds be distributed in accordance with policies and procedures developed by the Director of the Health and Human Services Department.

CONSIDERATION OF ASSEMBLY AMENDMENTS
Senate Bill No. 257.
The following Assembly amendment was read:
Amendment No. 794.
"SUMMARY—Revises various provisions governing graffiti offenses. (BDR 15-616)"
"AN ACT relating to crimes; revising various provisions governing graffiti offenses; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law generally provides that a person who unlawfully places graffiti on or otherwise defaces public or private property is guilty of a misdemeanor, gross misdemeanor or felony, depending on the value of the loss of the property. Additionally, if a person commits more than one offense pursuant to a scheme or continuing course of conduct, the value of the loss of all the property must be aggregated for the purposes of determining a penalty if the value of the loss is $5,000 or more. (NRS 206.330) Section 1 of this bill revises this provision and requires aggregation when the value of the loss is $500 or more. Section 1 also provides that a person who commits an offense on any protected site in this State is guilty of a category C felony.

Existing law also requires a person who unlawfully places graffiti on or otherwise defaces public or private property to pay a monetary fine and perform community service. (NRS 206.330) Section 1 specifies that in addition to any other fine or penalty imposed, a court may order such a person to pay restitution. Section 1 also provides that a person convicted of a third offense must perform up to 300 hours of community service for up to a year cleaning up, repairing, replacing or keeping clean of graffiti the property damaged or destroyed by the person or another specified property. Section 2 of this bill also authorizes a court to order a person who unlawfully places graffiti on or otherwise defaces public or private property to participate in counseling, and if the person is less than 18 years of age, order the parent or legal guardian of the person to attend or participate in counseling. Section 2 further authorizes the owner of public or private property that has been damaged by graffiti to bring a civil action against the
person who damaged the property. The property owner may be awarded damages in an amount up to three times the amount of any loss in value to the property and up to three times the cost of restoring the property, in addition to attorney's fees and costs.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 206.330 is hereby amended to read as follows:

206.330 1. Unless a greater criminal penalty is provided by a specific statute, a person who places graffiti on or otherwise defaces the public or private property, real or personal, of another, without the permission of the owner:

(a) Where the value of the loss is less than $250, is guilty of a misdemeanor.

(b) Where the value of the loss is $250 or more but less than $5,000, is guilty of a gross misdemeanor.

(c) Where the value of the loss is $5,000 or more or where the damage results in the impairment of public communication, transportation or police and fire protection, is guilty of a category E felony and shall be punished as provided in NRS 193.130. If the court grants probation to such a person, the court shall require as a condition of probation that the person serve at least 10 days in the county jail.

(d) Where the offense is committed on any protected site in this State, is guilty of a category C felony and shall be punished as provided in NRS 193.130. If the court grants probation to such a person, the court shall require as a condition of probation that the person serve at least 10 days in the county jail.

2. If a person commits more than one offense pursuant to a scheme or continuing course of conduct, the value of all property damaged or destroyed by that person in the commission of those offenses must be aggregated for the purpose of determining the penalty prescribed in subsection 1, but only if the value of the loss when aggregated is $5,000 or more.

3. A person who violates subsection 1 shall, in addition to any other fine or penalty imposed:

(a) For the first offense, pay a fine of not less than $400 but not more than $1,000 and perform 100 hours of community service.

(b) For the second offense, pay a fine of not less than $750 but not more than $1,000 and perform 200 hours of community service.

(c) For the third and each subsequent offense, pay:

(1) A fine of $1,000; and

(2) Perform up to 300 hours of community service for up to 1 year, as determined by the court. The court may order the person to repair, replace, clean up or keep free of graffiti the property damaged or destroyed by the person or, if it is not practicable for the person to repair, replace, clean up or keep free of graffiti that specific property, the court may order
the person to repair, replace, clean up or keep free of graffiti another specified property.

- The community service assigned pursuant to this subsection must, if possible, be related to the abatement of graffiti.

4. The court may, in addition to any other fine or penalty imposed, order a person who violates subsection 1 to pay restitution.

5. The parent or legal guardian of a person under the age of 18 years who violates this section is liable for all fines and penalties imposed against the person. If the parent or legal guardian is unable to pay the fine and penalties resulting from a violation of this section because of financial hardship, the court may require the parent or legal guardian to perform community service.

6. If a person who is 18 years of age or older is found guilty of violating this section, the court shall, in addition to any other penalty imposed, issue an order suspending the driver's license of the person for not less than 6 months but not more than 2 years. The court shall require the person to surrender all driver's licenses then held by the person. If the person does not possess a driver's license, the court shall issue an order prohibiting the person from applying for a driver's license for not less than 6 months but not more than 2 years. The court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles any licenses together with a copy of the order.

7. The Department of Motor Vehicles:

(a) Shall not treat a violation of this section in the manner statutorily required for a moving traffic violation.

(b) Shall report the suspension of a driver's license pursuant to this section to an insurance company or its agent inquiring about the person's driving record. An insurance company shall not use any information obtained pursuant to this paragraph for purposes related to establishing premium rates or determining whether to underwrite the insurance.

8. A criminal penalty imposed pursuant to this section is in addition to any civil penalty or other remedy available pursuant to this section or another statute for the same conduct.

9. As used in this section:

(a) "Historic site" means a site, landmark or monument of historical significance pertaining to the history of the settlement of Nevada, or Indian campgrounds, shelters, petroglyphs, pictographs and burials.

(b) "Impairment" means the disruption of ordinary and incidental services, the temporary loss of use or the removal of the property from service for repair of damage.

(3) Any archeological or paleontological site, ruin, deposit, fossilized footprints and other impressions, petroglyphs and pictographs, habitation caves, rock shelters, natural caves, burial ground or sites of religious or cultural importance to an Indian tribe.

(c) "Value of the loss" means the cost of repairing, restoring or replacing the property, including, without limitation, the cost of any materials and labor necessary to repair, restore or replace the item.

Sec. 2. NRS 206.345 is hereby amended to read as follows:

206.345 1. A court may, in addition to any other fine or penalty imposed, order a person who places graffiti on or otherwise defaces public or private property in violation of NRS 206.125 or 206.330 to participate in counseling, and if the person is less than 18 years of age, order the parent or legal guardian of the person to attend or participate in counseling pursuant to NRS 62E.290.

2. If a court orders a person who violates the provisions of NRS 206.125 or 206.330 to pay restitution, the person shall pay the restitution to:
   1. (a) The owner of the property which was affected by the violation; or
   2. (b) If the violation involved the placing of graffiti on any public property, the governmental entity that incurred expenses for removing, covering or cleaning up the graffiti.

3. The owner of public or private property that has been damaged by graffiti may bring a civil action against the person who placed the graffiti on such property. The court may award to the property owner damages in an amount up to three times the amount of any loss in value to the property and up to three times the cost of restoring the property plus attorney's fees and costs, which may be recovered from the offender or, if the offender is less than 18 years of age, from the parent or legal guardian of the offender.

Senate Bill No. 101. 
The following Assembly amendment was read: 
Amendment No. 659.
"SUMMARY—Revises [certain] provisions relating to [certificates of 
marriage and the solemnization of] marriage. (BDR 11-635)"
"AN ACT relating to marriage; revising certain provisions relating to 
certificates of marriage and the solemnization of marriage; revising 
provisions governing deputy commissioners of civil marriages; and 
providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, the county clerk may place an affidavit of application 
for a marriage license, a certificate of marriage and a marriage license on a 
single form, on the reverse of which the county clerk must have printed or 
stamped instructions for obtaining a certified copy or certified abstract of the 
certificate of marriage. (NRS 122.055) Section 2 of this bill requires the 
county clerk to include on the reverse of such a form: (1) instructions for 
obtaining a certified copy or certified abstract of the certificate of marriage; 
(2) certain language explaining that the certificate is not a certified copy and 
that a certified copy will need to be obtained for certain legal matters; and 
(3) a time stamp used by the clerk to signify that the form has been filed. 

Existing law also provides that a certificate of permission to perform 
marrriages expires when a minister or other person who is authorized to 
solemnize a marriage, to whom the certificate has been issued, moves from 
the county in which his or her certificate was issued. (NRS 122.066) 
Section 3 of this bill specifies that a certificate of permission remains valid 
when a minister or other person who is authorized to solemnize a marriage, 
who is retired and who has been issued the certificate, moves to another 
county in this State.

Existing law authorizes, under certain circumstances, the 
commissioner of civil marriages in certain counties to appoint deputy 
commissioners of civil marriages and provides that deputy 
commissioners of civil marriages are employees of the county clerk's 
office. (NRS 122.175) Section 5 of this bill: (1) removes the prohibition 
against deputy commissioners of civil marriages solemnizing marriages 
at any time other than the working hours or shift during which the 
deputy commissioners of civil marriages are employed; (2) sets forth 
certain prerequisites that must be satisfied before a person who will be 
retained as an independent contractor by the county clerk's office may 
be appointed as a deputy commissioner of civil marriages; and 
(3) authorizes the compensation of a deputy commissioner of civil 
mariages who is retained as an independent contractor by the county
clerk's office to be based upon the number or volume of marriages that the deputy commissioner solemnizes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1.  (Deleted by amendment.)

Sec. 2.  NRS 122.055 is hereby amended to read as follows:

122.055  1.  The county clerk may place the affidavit of application for a marriage license, the certificate of marriage and the marriage license on a single form.

2.  The county clerk shall have printed or stamped on the reverse of the form:

(a) Instructions for obtaining a certified copy or certified abstract of the certificate of marriage.

(b) Language in black ink and at least 16-point bold type in a font that is easy to read and that is in substantially the following form:

This is your certificate. This is not a certified copy. For name changes and other legal matters, you will need to obtain a certified copy.

3.  Nothing may be printed, stamped or written on the reverse of the form other than the instructions and language described in subsection 2 and a time stamp used by the county clerk to signify that the form has been filed.

Sec. 3.  NRS 122.066 is hereby amended to read as follows:

122.066  1.  The Secretary of State shall establish and maintain a statewide database of ministers or other persons authorized to solemnize a marriage. The database must:

(a) Serve as the official list of ministers or other persons authorized to solemnize a marriage approved in this State;

(b) Provide for a single method of storing and managing the official list;

(c) Be a uniform, centralized and interactive database;

(d) Be electronically secure and accessible to each county clerk in this State;

(f) Include a unique identifier assigned by the Secretary of State to each minister or other person authorized to solemnize a marriage.

2.  If the county clerk approves an application for a certificate of permission to perform marriages, the county clerk shall:

(b) Provide to the Secretary of State all information related to the minister or other person authorized to solemnize a marriage pursuant to paragraph (e) of subsection 1.

3. Upon approval of an application pursuant to subsection 2, the minister or other person authorized to solemnize a marriage:

(b) Is subject to further review or investigation by the county clerk to ensure that he or she continues to meet the statutory requirements for a person authorized to solemnize a marriage; and

(c) Shall provide the county clerk with any changes to his or her status or information, including, without limitation, the address or telephone number of the church or religious organization or any other information pertaining to certification.

4. A certificate of permission is valid until the county clerk has received an affidavit of revocation of authority to solemnize marriages pursuant to NRS 122.0665.

5. An affidavit of revocation of authority to solemnize marriages that is received pursuant to subsection 4 must be sent to the county clerk within 5 days after the minister or other person authorized to solemnize a marriage ceased to be a member of the church or religious organization in good standing or ceased to be a minister or other person authorized to solemnize a marriage for the church or religious organization.

6. If the county clerk in the county where the certificate of permission was issued has reason to believe that the minister or other person authorized to solemnize a marriage is no longer in good standing within his or her church or religious organization, or that he or she is no longer a minister or other person authorized to solemnize a marriage, or that such church or religious organization no longer exists, the county clerk may require satisfactory proof of the good standing of the minister or other person authorized to solemnize a marriage. If such proof is not presented within 15 days, the county clerk shall revoke the certificate of permission by amending the electronic record of the minister or other person authorized to solemnize a marriage in the statewide database pursuant to subsection 1.

7. Except as otherwise provided in subsection 8, if any minister or other person authorized to solemnize a marriage to whom a certificate of permission has been issued severs ties with his or her church or religious organization or moves from the county in which his or her certificate was issued, the certificate shall expire immediately upon such severance or move, and the church or religious organization shall, within 5 days after the severance or move, file an affidavit of revocation of authority to solemnize marriages pursuant to NRS 122.0665. If the minister or other person authorized to solemnize a marriage voluntarily advises the county clerk of the county in which his or her certificate was issued of his or her severance
with his or her church or religious organization, or that he or she has moved from the county, the certificate shall expire immediately upon such severance or move without any notification to the county clerk by the church or religious organization.

8. If any minister or other person authorized to solemnize a marriage, who is retired and to whom a certificate of permission has been issued, moves from the county in which his or her certificate was issued to another county in this State, the certificate remains valid until such time as the certificate otherwise expires or is revoked as prescribed by law. The minister or other person authorized to solemnize a marriage must provide his or her new address to the county clerk in the county to which the minister or other person authorized to solemnize a marriage has moved.

9. The Secretary of State may adopt regulations concerning the creation and administration of the statewide database. This section does not prohibit the Secretary of State from making the database publicly accessible for the purpose of viewing ministers or other persons who are authorized to solemnize a marriage in this State.

Sec. 4. (Deleted by amendment.)

Sec. 5. NRS 122.175 is hereby amended to read as follows:

122.175 1. In a county whose population is 400,000 or more, the commissioner of civil marriages may appoint deputy commissioners of civil marriages. Such deputies shall:

(a) Solemnize marriages in commissioner townships under the direction of the commissioner; and

(b) Perform such other duties as the commissioner may direct.

2. In a county whose population is less than 400,000 and in which the board of county commissioners has appointed the county clerk to act as the commissioner of civil marriages, the board may, by ordinance, establish the number of deputy commissioners of civil marriages which may be appointed by the commissioner of civil marriages to carry out the duties set forth in subsection 1.

3. No deputy commissioner of civil marriages may solemnize marriages at any time other than during the working hours or shift during which the deputy commissioner is employed.

4. The deputy commissioners of civil marriages who are employees of the county clerk's office are entitled to be compensated by a salary and by such other benefits as are available to other county personnel regularly employed in the same county clerk's office. The compensation of any deputy commissioner of civil marriages who is an employee of the county clerk's office must not be based in any manner upon the number or volume of marriages that the deputy commissioner may solemnize in the performance of his or her duties.

4. Before the commissioner of civil marriages may appoint a person who will be retained as an independent contractor by the county clerk's office as a deputy commissioner of civil marriages:

Prayer by the Chaplain, Pastor Albert Tilstra.
O God. At this moment, the Senators of this great State, humbly ask for Your help and guidance. Make it a sacred moment, a moment when we all become aware of our need for You: a moment when answers come and guidance is given.
Often we pray for that which is already ours, neglected and unused. Sometimes, we pray for that which can never be ours and sometimes, for that which we must do for ourselves.
How many times we never pray at all and then work ourselves to death to earn something that is ours for the asking.
Help us to understand that “faith without works is dead,” and that work without faith can never live.

AMEN.

Pledge of Allegiance to the Flag.

Senator Horsford moved that further reading of the Journal be dispensed with, and the President and Secretary be authorized to make the necessary corrections and additions.

MESSAGES FROM THE GOVERNOR
OFFICE OF THE GOVERNOR

May 31, 2011

The Honorable John Oceguera, Speaker of the Assembly, Legislative building, 401 South Carson Street, Carson City, Nevada, 89701
Legislative Building, Nevada 89701
RE: Assembly Bill No. 566 of the 76th Legislative Session

DEAR SPEAKER OCEGUERA:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill No. 566, which is entitled:

AN ACT relating to elections; revising the legislative districts from which the members of the Senate and Assembly are elected; revising the districts from which Representatives in the Congress of the United States are elected; and providing other matters properly relating thereto.

This bill relates to the revision of legislative and Congressional districts in our state. On May 14, 2011, I vetoed Senate Bill No. 497 relating to the same subject. In my message to the President of the Senate, I stated my objections: the plan reflected in the bill does not provide for the fair representation of the people of the State of Nevada, nor did it comply with the voting Rights Act of 1965. I veto this bill for the same reasons, incorporating by reference my letter to the President of the Senate of March 14, 2011 relating to Senate Bill No. 497 in support of this action.

Sincere regards,

BRIAN SANDOVAL
Governor

UNFINISHED BUSINESS

Senate Bill No. 223.
The following Assembly amendment was read:
Amendment No. 681.
"SUMMARY—Revises provisions relating to cruelty to animals. (BDR 50-760)"

"AN ACT relating to animals; authorizing a person to report an act of cruelty against an animal; requiring such a report to be kept confidential under certain circumstances; making certain willful and malicious acts of cruelty to certain animals punishable as a felony; clarifying that a retailer, dealer or operator who separates a dog or cat from its mother is guilty of a misdemeanor under certain circumstances; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law prohibits a person from committing an act of cruelty against an animal. (NRS 574.100) "Cruelty" is defined to include any act, omission or neglect, whereby unjustifiable physical pain, suffering or death is caused or permitted. (NRS 574.050) For a first or second offense within 7 years, existing law provides that a person who commits an act of cruelty against an animal is guilty of a misdemeanor. For a third or subsequent offense within 7 years, existing law provides that such a person is guilty of a category C felony. (NRS 574.100) Existing law also prohibits a person from committing certain acts against a dog that is owned by another person and that is used in an exhibition, show, contest or other event in which the skill, breeding or stamina of the dog is judged or examined. Specifically, a person who willfully, unjustifiably and maliciously tampers or interferes with such a dog is guilty of a category D felony. A person who willfully and unjustifiably abuses or injures such a dog is guilty of a category D felony and may be further punished by a fine of not more than $10,000. A person who willfully and unjustifiably kills such a dog is guilty of a category C felony. (NRS 574.107) Section 1 of this bill: (1) authorizes a person to report an act of cruelty against an animal to any peace officer, officer of a society for the prevention of cruelty to animals or animal control officer; (2) provides that the report is confidential; and (3) prohibits releasing any information concerning the report except pursuant to for the purposes of a criminal investigation or prosecution. Section 4 of this bill provides that a person who willfully and maliciously commits certain acts of cruelty against an animal kept for companionship or pleasure or against any cat or dog is guilty of a category D felony, except that the person is guilty of a category C felony if the act of cruelty is committed against the animal in order to threaten, intimidate or terrorize another person.

Existing law prohibits a retailer, dealer or operator from separating a dog or cat from its mother until it is 8 weeks of age or is accustomed to taking food or nourishment other than by nursing, whichever is later. (NRS 574.500) Although no penalty is specifically provided for violating that prohibition, existing law provides that whenever the performance of any act is prohibited by any statute, and no penalty for the violation of such statute is imposed, a person who commits that act is guilty of a misdemeanor.
(NRS 193.170) **Section 6** of this bill clarifies that a person who separates a dog or cat from its mother before it is 8 weeks old or is accustomed to taking food or nourishment other than by nursing is guilty of a misdemeanor.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 574 of NRS is hereby amended by adding thereto a new section to read as follows:

If the owner is not present at the taking and the officer cannot find the owner after a reasonable search, the officer shall post the

Senate Bill No. 323.

The following Assembly amendment was read:

Amendment No. 672.

"SUMMARY—Revises provisions relating to motor vehicle liability insurance and registration. (BDR 43-421)"

"AN ACT relating to vehicles; revising provisions governing the reinstatement of the registration of a motor vehicle whose registered owner has allowed his or her policy of liability insurance to lapse; revising provisions governing registration of vehicles in this State by residents of this State; requiring certain nonresidents to register vehicles in this State; prohibiting the Department of Motor Vehicles from registering a motor vehicle under certain circumstances; providing penalties; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Under existing law, a registered owner who failed to have liability insurance on a date specified by the Department of Motor Vehicles is required, with respect to a vehicle that is not dormant, to pay to the Department a fee of $250 to reinstate the registration of the vehicle. (NRS 482.480) **Section 2** of this bill replaces the flat $250 reinstatement fee with a tiered system of penalties that includes, depending upon how many times the registered owner has allowed his or her insurance to lapse and
depending upon the length of time during which the insurance has lapsed, escalating reinstatement fees, escalating fines, requirements to file and maintain a certificate of financial responsibility and possible suspension of the registered owner's driver's license.

Existing law requires a person, within 60 days after becoming a resident of this State, to apply for the registration of each vehicle he or she owns which is operated in this State. A nonresident owner of a noncommercial vehicle is not required to apply for registration of the vehicle unless the vehicle is furnished to a resident for his or her continuous use within this State. (NRS 482.385) Section 2 of this bill changes the 60-day period within which a new resident must apply for registration of his or her vehicle to a 30-day period. Section 2 also requires certain persons to register their vehicles: (1) if the person is a nonresident and the vehicle is operated in this State for a period of more than 30 days in the aggregate in any 1 calendar year; (2) within 30 days if the person is a resident or nonresident and engages in a trade, profession or occupation or accepts gainful employment in this State; (3) within 30 days if the person is a resident or nonresident and enrolls his or her children in a public school in this State; or (4) within 30 days if the person is a resident and operates a vehicle owned by a nonresident. Section 2 provides exceptions to the preceding requirements for persons who are on active duty in the military service of the United States, out-of-state students, certain students of institutions of higher education who are present in this State to participate in a work-study program, and migrant or seasonal farm workers.

Under existing law, a constable may issue a citation to an owner or driver, as appropriate, of a vehicle that is required to be registered in this State if the constable determines that the vehicle is not properly registered. Such a constable must, upon the issuance of the citation, charge and collect a fee of $100 from the person to whom the citation was issued. (NRS 258.070) Section 3 of this bill prohibits the Department of Motor Vehicles from registering a motor vehicle if the Department has received from a local authority notice that the owner of the vehicle has failed to pay a fee imposed by a constable for noncompliance with the provisions of NRS 482.385, unless the owner provides to the Department a receipt indicating that the owner has paid the fee to the local authority or the local authority transmits to the Department a notice stating that the owner has paid the fee.

Senator Bill No. 339.

The following Assembly amendment was read:

Amendment No. 711.

"SUMMARY—Establishes provisions relating to the safety of patients in certain medical facilities. (BDR 40-662)"

"AN ACT relating to public health; requiring certain medical facilities to provide to patients and to post certain information relating to facility-acquired infections; requiring providers of health care to provide certain information to a patient who has an infection or a person authorized by the patient to receive such information; revising requirements for patient safety plans adopted by certain medical facilities; requiring certain medical facilities to designate an infection control officer and establish an infection control program; including facilities for intermediate care and facilities for skilled nursing within the scope of these requirements and other provisions concerning health and safety of patients; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 2 of this bill requires certain medical facilities to provide to their patients certain information relating to facility-acquired infections and to post in public areas of the facilities information on reporting facility-acquired infections.

Section 2.5 of this bill requires a provider of health care or the designee of a provider of health care to inform a patient at a medical
facility or the legal guardian or other person authorized by the patient to receive such information of a diagnosis that the patient has an infection as soon as practicable but not later than 5 days after the diagnosis is confirmed, except that such notice may be delayed in certain limited circumstances. Section 2.5 further requires the medical facility to ensure that providers of health care of the medical facility establish protocols for providing such information and for informing a patient or the legal guardian or other person authorized by the patient to receive such information whether the infection was acquired at the medical facility and of the apparent source of the infection. Section 2.5 further provides for immunity from liability for providing certain information to a patient relating to the source of an infection.

Section 3 of this bill requires certain medical facilities to designate an infection control officer to carry out certain duties relating to the prevention and control of infections. Section 3 also establishes requirements for the qualification and training of infection control officers and requires that at least one employee per 100 occupied beds have certain training in infection control.

Section 4.5 of this bill extends the provisions of this bill and other provisions concerning health and safety of patients at certain medical facilities to facilities for intermediate care and facilities for skilled nursing.

Existing law requires certain medical facilities to prepare a patient safety plan and to submit a copy of the plan to the Health Division of the Department of Health and Human Services on or before March 1 of each year. (NRS 439.843, 439.865) Section 6 of this bill requires the patient safety plan which is prepared by each medical facility to include an infection control program to prevent and control infections within the medical facility. In addition, section 6 requires that the patient safety plan be revised, reviewed and updated annually and to include a program for the prevention and control of infections.

Section 5 of this bill requires the Department to post each patient safety plan on an Internet website maintained by the Department.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 439 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 2.5 and 3 of this act.

Such information may be added to other required notices concerning the making of reports to the Health Division.

(a) The measures used by the medical facility for preventing infections, including facility-acquired infections;

(b) Information on determining whether a patient had an infection upon admission to the medical facility, risk factors for acquiring infections and determining whether an infection has been acquired;

(c) Information on preventing facility-acquired infections;

(d) Instructions for reporting facility-acquired infections, including, without limitation, the contact information for making reports to the Health Division; and

(e) Any other information that the medical facility deems necessary.

3. A person or governmental entity who, with reasonable care, informs a patient or the legal guardian or other person authorized by the patient to receive such information that an infection was not acquired at the medical facility and of the apparent source of the infection pursuant to subsection 2 is immune from any criminal or civil liability for providing that information.

Sec. 2.5. 1. Except as otherwise provided in subsection 2, when a provider of health care confirms that a patient at the medical facility has an infection, the provider of health care or the designee of the provider of health care shall, as soon as practicable but not later than 5 days after the diagnosis is confirmed, inform the patient or the legal guardian or other person authorized by the patient to receive such information that the patient has an infection.

2. The provider of health care or the designee of the provider of health care may delay providing information about an infection if the patient does not have a legal guardian, has not authorized any other person to receive such information and:

(a) Is not capable of understanding the information;

(b) Is not conscious; or

(c) In the judgment of the provider of health care, is likely to harm himself or herself if informed about the infection.

3. If the provider of health care or the designee of the provider of health care delays providing information about an infection pursuant to subsection 2, such information must be provided as soon as practicable after:
(a) The patient is capable of understanding the information;
(b) The patient regains consciousness;
(c) In the judgment of the provider of health care, the patient is not likely to harm himself or herself if informed about the infection; or
(d) A legal guardian or other person authorized to receive such information is available.

4. A medical facility shall ensure that the providers of health care of the medical facility establish protocols in accordance with this section that provide the manner in which a provider of health care or his or her designee must:
   (a) Inform a patient or the legal guardian or other person authorized by a patient to receive such information that the patient has an infection; and
   (b) If known or determined while a patient remains at the medical facility, inform the patient or the legal guardian or other person authorized by the patient to receive such information whether the infection was acquired at the medical facility and of the apparent source of the infection.

5. A person or governmental entity who, with reasonable care, informs a patient or the legal guardian or other person authorized by the patient to receive such information that an infection was not acquired at the medical facility and of the apparent source of the infection pursuant to subsection 4 is immune from any criminal or civil liability for providing that information.

Sec. 3. 1. A medical facility shall designate an officer or employee of the facility to serve as the infection control officer of the medical facility.

2. The person who is designated as the infection control officer of a medical facility:

   (e) Shall carry out the provisions of the infection control program adopted pursuant to NRS 439.865 and ensure compliance with the program.

3. If a medical facility has 175 or more beds, the person who is designated as the infection control officer of the medical facility must be certified as an infection preventionist by the Certification Board of Infection Control and Epidemiology, Inc., or a successor organization. A person may serve as the certified infection preventionist for more than one medical facility if the facilities have common ownership.

4. A medical facility that designates an infection control officer who is not a certified infection preventionist must ensure that the person has
successfully completed a nationally recognized basic training program in infection control, which may include, without limitation, the program offered by the Association for Professionals in Infection Control and Epidemiology, Inc., or a successor organization. A medical facility shall ensure that an infection control officer completes at least 4 hours of continuing education each year on topics relating to current practices in infection control and prevention.

5. A medical facility shall ensure that it maintains a ratio of at least one employee who has the training described in subsection 4 for every 100 occupied beds. The number of beds must be determined based upon the most recent annual calendar-year average reported by the medical facility to the Director pursuant to NRS 449.490 and the regulations adopted pursuant thereto.

6. A medical facility shall maintain records concerning the certification and training required by this section.

7. The Health Division shall provide education and technical assistance relating to infection control and prevention in medical facilities.

MESSAGES FROM THE GOVERNOR
OFFICE OF THE GOVERNOR

June 1, 2011

The Honorable John Oceguera, Speaker of the Assembly, Legislative Building, 401 South
RE: Assembly Bill No. 135 of the 76th Legislative Session

DEAR SPEAKER OCEGUERA:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill No. 135, which is entitled:

AN ACT relating to probation; revising provisions concerning violations of probation; and providing other matters properly relating thereto.

This bill relates to the authority of courts to, upon determination that a person has violated a condition of probation, continue or revoke the probation or suspension of sentence. More specifically, the bill limits courts' discretion to revoke the probation and suspension of sentence to cases where: (1) imprisonment is necessary to protect the community from further criminal activity by the probationer; (2) the probationer is in need of treatment which can most effectively be provided if he or she is imprisoned; (3) the seriousness of the violation or the totality of violations by the probationer warrant revocation of probation and suspension of the sentence; or (4) the violation demonstrates the probationer cannot be supervised pursuant to practices and policies governing probation.

The bill further precludes courts from revoking probation and the suspension of the sentence based on the probationer's failure to pay court imposed administrative assessments, fees and expenses. In addition, before revoking probation and the suspension of the sentence, the bill requires courts to make findings to support the reasons for the revocation and state them on the record.

The requirement that courts state on the record the reasons for revocation of probation and the suspension of a sentence is reasonable. The limits imposed on the discretion of the courts to revoke probation and the suspension of a sentence, however, are not. The effective administration of justice requires the proportionate enforcement of criminal sentences. Proportionality is not, though, easily obtained through the application of categorical methodology. Instead, courts require flexibility and discretion in fashioning the appropriate response to a probation violation. Thus, courts have traditionally been granted latitude in determining the appropriate mechanism by which such sentences are enforced. The revocation of probation and the suspension of a sentence are tools often employed toward that end.

Insofar as this bill limits the cases in which these enforcement mechanisms are available, it undermines the ability of courts to effectively enforce sentences. The Legislature's attempt to categorically define the circumstances under which revocation of probation and the suspension of a sentence are appropriate fails to adequately capture the scope of cases where such revocation is appropriate; therefore, I veto this bill and return it to you without my approval.

Sincerely,

BRIAN SANDOVAL
Governor of Nevada

The Honorable John Oceguera, Speaker of the Assembly, Legislative Building, 401 South Carson Street, Carson City, Nevada 89701

RE: Assembly Bill No. 253 of the 76th Legislative Session

DEAR SPEAKER OCEGUERA:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill No. 253, which is entitled:

AN ACT relating to occupational safety; revising certain fines for willful violations of the Nevada Occupational Safety and Health Act; authorizing citations and fines for violation of a settlement agreement; providing for a survey of salaries of safety and mechanical inspectors; and providing other matters properly relating thereto.

This bill relates to occupational safety. It proposes significant increases to the fines that may be imposed for willful violations of the Nevada Occupational Safety and Health Act (OSHA).
The bill also revises the punishment for a willful violation that results in the death of an employee. There is some merit to the argument that the bill's increased fines may help reduce the number of willful OSHA violations occurring in Nevada's workplaces. However, a more innovative and proactive approach is warranted to improve workplace safety and change behavior before it results in workplace injuries or death. I therefore exercise my constitutional grant of authority to veto AB 253 and return it to you without my approval.

Sincerely,

BRIAN SANDOVAL
Governor of Nevada

The Honorable John Oceguera, Speaker of the Assembly, Legislative Building, 401 South Carson Street, Carson City, Nevada 89701
RE: Assembly Bill No. 254 of the 76th Legislative Session
DEAR SPEAKER OCEGUERA:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill No. 254, which is entitled:

AN ACT relating to occupational safety; revising provisions governing the grounds for the issuance of a citation for certain occupational safety and health violations; providing for the issuance of a citation for certain occupational safety and health violations upon a determination by the Administrator of the Division of Industrial Relations of the Department of Business and Industry or the Administrator's authorized representative that any employee has access to a hazard; and providing other matters properly relating thereto.

This bill relates to occupational safety. Like Assembly Bill No. 253, which I have already vetoed, Assembly Bill No. 254 unnecessarily increases the complexity and cost of operating a business in Nevada. The bill expands the scope of behavior for which a citation may be issued to an employer for violating the Nevada Occupational Safety and Health Act (OSHA) by allowing the issuance of a citation based upon a determination that an employee "has access to a hazard" in the workplace.

Legislation passed in 2009 has significantly improved jobsite safety and enforcement of OSHA violations in Nevada, and I am a strong supporter of continued improvement in these areas. However, this bill creates ambiguous and misguided new requirements that will be difficult to enforce and burdensome to comply with. Because this bill will not proactively improve the conditions and safety of our workplaces, I veto it and return it to you without my approval.

Sincerely,

BRIAN SANDOVAL
Governor of Nevada

MESSAGES FROM THE GOVERNOR
OFFICE OF THE GOVERNOR

June 1, 2011

The Honorable John Oceguera, Speaker of the Assembly, Legislative Building, 401 South Carson Street, Carson City, Nevada 89701
RE: Assembly Bill No. 456 of the 76th Legislative Session
DEAR SPEAKER OCEGUERA:

I am herewith forwarding to you, for filing within the constitutional time limit and without my approval, Assembly Bill No. 456, which is entitled:

AN ACT relating to education; authorizing certain pupils to receive a standard high school diploma without passing all subject areas of the high school proficiency examination under certain circumstances; authorizing the board of trustees of a school district to adopt a policy that allows
certain pupils enrolled in high school the opportunity to make up credit; authorizing a juvenile court to impose certain orders against the parent or legal guardian of a child who is adjudicated in need of supervision because the child is a habitual truant; revising provisions governing employment of minors; and providing other matters properly relating thereto.

This bill alters requirements for graduation from high school. In order to receive a standard high school diploma, students must pass all portions of the Nevada High School Proficiency Examination (HSPE) and meet certain other district and state requirements. Approval of Assembly Bill No. 456 would allow students to graduate from high school even if they continue to fail one subject area of the HSPE, so long as they earn at least a 2.75 grade point average, satisfy minimum attendance requirements, do not have any pending disciplinary actions, and obtain a cumulative passing score on the HSPE.

Supporters of the bill point out that some students cannot pass the math portion of the HSPE, but these students are otherwise proficient in all other subjects areas and do well in school. While personally compelling, this argument lacks a broad policy implication; if the number of students is as small as has been represented, other remedies may exist besides a wholesale change in graduation requirements. The bill does not address the fact that Nevada's graduation rates and grade-level performance are amongst the worst in the nation. It similarly fails to address why an achievement gap exists for a few students on certain portions of the HSPE. Other measures already enacted this legislative session do more to change the status quo. For example, Assembly Bill No. 290 will allow the principal of a high school to postpone administration of the math and/or science portion of the HSPE for pupils who are not academically ready. These students will be enrolled in the appropriate course work and participate in a program designed to help students pass the exam.

Although this bill may allow more students to graduate from high school, it represents diminished expectations for our students and lower standards for obtaining a high school diploma in Nevada. In my State of the State address, I said that our education system emphasizes too many of the wrong things. Assembly Bill No. 456 is another example of this paradigm and would send the wrong message to our students.

I am committed to improving our education system and enhancing student achievement. Because this bill provides a way to hide or ignore a student achievement problem, rather than to fix it, I veto it and return it to you without my approval.

Sincerely,

BRIAN SANDOVAL
Governor of Nevada

"AN ACT relating to notaries public; [subjecting a person to punishment for a category C felony if the person knowingly submits an application for appointment as a notary public that contains a substantial and material misstatement or omission of fact;] revising provisions relating to the requirements for appointment as a notary public, storage of the stamp and journal of a notary public, documentation of notarial acts, and liability and penalties for certain misconduct and violations of law by a notary public or an employer of a notary public; prohibiting a notary public from performing a notarial act on certain documents or from making or noting a protest of a negotiable instrument under certain circumstances; authorizing the Secretary of State to impose a civil penalty for certain violations; [providing a penalty;] and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Notaries public are appointed by and subject to the authority of the Secretary of State pursuant to the provisions of chapter 240 of NRS. Section 4 of this bill prohibits a notary public from performing a notarial act on a document that is not completely filled out and signed and prohibits the notary public from making or noting a protest of a negotiable instrument under certain circumstances. Section 6 of this bill amends provisions relating to penalties for violations of law by notaries public and employers of notaries public.

"SUMMARY
Establishes the Office of Grant Procurement, Coordination and Management in the Department of Administration. Makes various changes concerning the administration of grants. (BDR 18-1058)"

"AN ACT relating to grants; establishing the Office of Grant Procurement, Coordination and Management in the Department of Administration; setting forth the duties of the Chief of the Office; requiring all state and local agencies to notify the Office of any grants for which the agency applies and any which they receive; authorizing state agencies, commissions and departments to hold certain hearings relating to grants; authorizing state departments, institutions and agencies to take certain actions to carry out a grant before receiving approval from the Interim Finance Committee; increasing the monetary thresholds at which certain approval of revisions of work programs and acceptance of gifts and grants is required; increasing the amount of certain gifts and grants that certain state agencies may accept under certain circumstances; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides for the Department of Administration, divides the Department into various divisions and requires the Director of the Department to appoint Chiefs of those divisions. (NRS 232.213, 232.215) Sections 9 and 10 of this bill establish the Office of Grant Procurement, Coordination and Management in the Department and require the Director to appoint the Chief of the Office. Section 2 of this bill sets forth the qualifications for the Chief. Section 2.5 of this bill requires the Chief to employ two persons to assist him or her in carrying out the duties of the Office. Section 3 of this bill sets forth the duties of the Chief, which include: (1) researching and identifying federal grants which may be available to state and local agencies; (2) writing grants for federal funds for state agencies; (3) coordinating with members of Congress representing this State to identify and manage available federal grants and programs; (4) seeking out grants and writing grant proposals for state agencies in Nevada; and (5) compiling information about grants and
providing information to state and local agencies about grants for which they are eligible to apply; (6) keeping track of all the grants for which state and local agencies have applied and of all grants they have received, and, if practicable, coordinating with those state and local agencies that have received grants for similar projects to ensure they do not duplicate their efforts or services; and (7) seeking grants for which businesses can apply to develop projects in Nevada and offering to help those companies in applying for such grants. In addition, section 3 authorizes the Chief to write grants for federal funds for local agencies and local nonprofit organizations if he or she is requested to do so by the local agency or local nonprofit organization.

Section 4 of this bill requires all state and local agencies to notify the Office of any grants for which they apply and any grants which they receive. If a public hearing is required in connection with a grant from the Federal Government to a state agency, commission or department, section 11.3 of this bill authorizes the agency, commission or department to either request that the hearing be included as an agenda item at a meeting of the Interim Finance Committee or conduct the hearing itself. Section 11.5 of this bill authorizes a department, institution or agency of the Executive Department of State Government which has received a grant that requires approval from the Interim Finance Committee to take steps to carry out the grant before receiving such approval, including, without limitation, classifying positions, recruiting for positions, advertising for bids or requesting proposals if the department, institution or agency includes a statement in the notice or advertisement that any position or contract is contingent upon approval by the Interim Finance Committee.

Under the State Budget Act, a department, institution or agency of the Executive Department of State Government is required to obtain approval from the Interim Finance Committee, except in certain limited circumstances, before revising a work program in an amount more than $20,000 if the revision will increase or decrease by 10 percent or $50,000, whichever is less, the expenditure level approved by the Legislature for any of the allotments within the work program. (NRS 353.220) Section 11.7 of this bill increases the monetary threshold to an amount of more than $30,000 if the revision will increase by 10 percent or $75,000, whichever is less, the expenditure level approved by the Legislature for any of the allotments within the work program. Section 11.9 of this bill increases, under certain circumstances, the maximum amount of gifts, including grants from nongovernmental sources, that certain state agencies can accept from $10,000 to $20,000 and the maximum amount of governmental grants that such an agency can accept from $100,000 to $150,000.

Section 12 of this bill requires the Chief of the Office to develop suggestions and proposals for an incentive program to encourage businesses
to apply for grants to develop projects in Nevada and, on or before January 1, 2013, to submit a report setting forth those suggestions and proposals, together with any recommendations for legislation, to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

Whenever the Governor so declares, the Interim Finance Committee has 15 days after the proposal is submitted to its Secretary within which to approve or deny the acceptance. Any proposed acceptance which is not considered within the 15-day period shall be deemed approved.

The following Assembly amendment was read:

Amendment No. 614.

"SUMMARY—Authorizes the issuance of a temporary permit to appropriate water to establish fire-resistant vegetative cover in certain areas. (BDR 48-285)"

"AN ACT relating to water; authorizing the issuance of a temporary permit to appropriate water to establish fire-resistant vegetative cover in certain areas; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Section 1 of this bill authorizes a person to apply to the State Engineer for the issuance of a temporary permit to appropriate water to establish vegetative cover that is resistant to fire in an area that has been burned by a wildfire or to prevent or reduce the impact of a wildfire in an area. The duration of such a temporary permit is limited to 1 year. Section 2 of this bill declares the use of water to prevent or reduce the impact of wildfires or to rehabilitate areas burned by wildfires as a policy of the State.

Sections 3-7 of this bill exempt an application for such a temporary permit from several requirements in existing law for applications for permits concerning water rights, including publication of notice of the application in a newspaper and authorization for the filing of protests against the granting of the application. This expedited process is similar to the process for the issuance of environmental permits by the State Engineer. (NRS 533.437-533.4377)

Section 8 of this bill requires the State Forester Firewarden, upon the request of the State Engineer, to review the plan for establishing the vegetative cover that is required to be submitted by the applicant for the temporary permit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A person may apply for a temporary permit to appropriate water to establish vegetative cover that is resistant to fire in an area that has been burned by a wildfire or to prevent or reduce the impact of a wildfire in an area.

2. In addition to the information required by NRS 533.335, an applicant for a temporary permit shall submit to the State Engineer:

   (a) A plan for establishing vegetative cover that is resistant to fire in the area;

   (b) Any other information which is necessary for a full understanding of the necessity of the appropriation; and

   (c) For:
(1) Examining and filing the application for the temporary permit, $150.

(2) Issuing and recording the temporary permit, $200.

3. The State Engineer may forward a plan submitted pursuant to subsection 2 to the State Forester Firewarden for his or her review and comments.

4. The State Engineer shall approve an application for a temporary permit if:
   (a) The application is accompanied by the prescribed fees;
   (b) The appropriation is in the public interest; and
   (c) The appropriation does not impair water rights held by other persons.

5. A temporary permit issued pursuant to this section must not exceed 1 year in duration. [but may be extended by the State Engineer in increments not to exceed 1 year in duration.]

Sec. 2. NRS 533.024 is hereby amended to read as follows:

533.024 The Legislature declares that:

1. It is the policy of this State:
   (a) To encourage and promote the use of effluent, where that use is not contrary to the public health, safety or welfare, and where that use does not interfere with federal obligations to deliver water of the Colorado River.
   (b) To recognize the importance of domestic wells as appurtenances to private homes, to create a protectable interest in such wells and to protect their supply of water from unreasonable adverse effects which are caused by municipal, quasi-municipal or industrial uses and which cannot reasonably be mitigated.
   (c) To encourage the State Engineer to consider the best available science in rendering decisions concerning the available surface and underground sources of water in Nevada.
   (d) To encourage and promote the use of water to prevent or reduce the spread of wildfire or to rehabilitate areas burned by wildfire, including, without limitation, through the establishment of vegetative cover that is resistant to fire.

2. The procedures in this chapter for changing the place of diversion, manner of use or place of use of water, and for confirming a report of conveyance, are not intended to have the effect of quieting title to or changing ownership of a water right and that only a court of competent jurisdiction has the power to determine conflicting claims to ownership of a water right.

Sec. 3. NRS 533.360 is hereby amended to read as follows:

533.360 1. Except as otherwise provided in subsection 4, NRS 533.345 and subsection 5 of NRS 533.370, when an application is filed in compliance with this chapter, the State Engineer shall, within 30 days, publish or cause to be published once a week for 4 consecutive weeks in a newspaper of general
circulation and printed and published in the county where the water is sought to be appropriated, a notice of the application which sets forth:
(a) That the application has been filed.
(b) The date of the filing.
(c) The name and address of the applicant.
(d) The name of the source from which the appropriation is to be made.
(e) The location of the place of diversion, described by legal subdivision or metes and bounds and by a physical description of that place of diversion.
(f) The purpose for which the water is to be appropriated.

The publisher shall add thereto the date of the first publication and the date of the last publication.

2. Except as otherwise provided in subsection 4, proof of publication must be filed within 30 days after the final day of publication. The State Engineer shall pay for the publication from the application fee. If the application is cancelled for any reason before publication, the State Engineer shall return to the applicant that portion of the application fee collected for publication.

3. If the application is for a proposed well:
   (a) For municipal, quasi-municipal or industrial use; and
   (b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,

the applicant shall mail a copy of the notice of application to each owner of real property containing a domestic well that is within 2,500 feet of the proposed well, to the owner's address as shown in the latest records of the county assessor. If there are not more than six such wells, notices must be sent to each owner by certified mail, return receipt requested. If there are more than six such wells, at least six notices must be sent to owners by certified mail, return receipt requested. The return receipts from these notices must be filed with the State Engineer before the State Engineer may consider the application.

4. The provisions of this section do not apply to an environmental permit or a temporary permit issued pursuant to section 1 of this act.

Sec. 4. NRS 533.363 is hereby amended to read as follows:

533.363 1. Except as otherwise provided in subsection 2, if water for which a permit is requested is to be used in a county other than that county in which it is to be appropriated, or is to be diverted from or used in a different county than that in which it is currently being diverted or used, then the State Engineer shall give notice of the receipt of the request for the permit to:
   (a) The board of county commissioners of the county in which the water for which the permit is requested will be appropriated or is currently being diverted or used; and
   (b) The board of county commissioners of the county in which the water will be diverted or used.

2. The provisions of subsection 1 do not apply:
(a) To an environmental permit or a temporary permit issued pursuant to section 1 of this act.

(b) If:

(1) The water is to be appropriated and used; or

(2) Both the current and requested place of diversion or use of the water are, within a single, contiguous parcel of real property.

3. A person who requests a permit to which the provisions of subsection 1 apply shall submit to each appropriate board of county commissioners a copy of the application and any information relevant to the request.

4. Each board of county commissioners which is notified of a request for a permit pursuant to this section shall consider the request at the next regular or special meeting of the board held not earlier than 3 weeks after the notice is received. The board shall provide public notice of the meeting for 3 consecutive weeks in a newspaper of general circulation in its county. The notice must state the time, place and purpose of the meeting. At the conclusion of the meeting the board may recommend a course of action to the State Engineer, but the recommendation is not binding on the State Engineer.

Sec. 5. NRS 533.370 is hereby amended to read as follows:

533.370 1. Except as otherwise provided in this section and NRS 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:

(a) The application is accompanied by the prescribed fees;

(b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and

(c) The applicant provides proof satisfactory to the State Engineer of the applicant's:

(1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and

(2) Financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in this subsection and subsections 3 and 11 and NRS 533.365, the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if an application is protested, by the protestant and the applicant.

(b) Postpone action if the purpose for which the application was made is municipal use.
(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection 11, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

   (a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

   (b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.

5. Except as otherwise provided in subsection 11, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

   (a) Whether the applicant has justified the need to import the water from another basin;

   (b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

   (c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

   (d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

   (e) Any other factor the State Engineer determines to be relevant.
7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection 12, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. If:

(a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;

(b) The application involves an amount of water exceeding 250 acre-feet per annum;

(c) The application involves an interbasin transfer of groundwater; and

(d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

the State Engineer shall notice a new period of 45 days in which a person who is a successor in interest to a protestant or an affected water right owner may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in subsection 10, a person who is a successor in interest to a protestant or an affected water right owner who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in
the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer on a form provided by the State Engineer.

11. The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit or a temporary permit issued pursuant to section 1 of this act.

12. The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

13. As used in this section:
   (a) "County of origin" means the county from which groundwater is transferred or proposed to be transferred.
   (b) "Domestic well" has the meaning ascribed to it in NRS 534.350.

Sec. 6. NRS 533.380 is hereby amended to read as follows:

533.380 1. Except as otherwise provided in subsection 5, in an endorsement of approval upon any application, the State Engineer shall:
   (a) Set a time before which the construction of the work must be completed, which must be within 5 years after the date of approval.
   (b) Except as otherwise provided in this paragraph, set a time before which the complete application of water to a beneficial use must be made, which must not exceed 10 years after the date of the approval. The time set under this paragraph respecting an application for a permit to apply water to a municipal or quasi-municipal use on any land:
      (1) For which a final subdivision map has been recorded pursuant to chapter 278 of NRS;
      (2) For which a plan for the development of a project has been approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or
      (3) On any land for which a plan for the development of a planned unit development has been recorded pursuant to chapter 278A of NRS, must not be less than 5 years.

2. The State Engineer may limit the applicant to a smaller quantity of water, to a shorter time for the completion of work, and, except as otherwise provided in paragraph (b) of subsection 1, to a shorter time for the perfecting of the application than named in the application.

3. Except as otherwise provided in subsection 4 and NRS 533.395 and 533.4377, the State Engineer may, for good cause shown, grant any number of extensions of time within which construction work must be completed, or water must be applied to a beneficial use under any permit therefore issued by the State Engineer, but a single extension of time for a municipal or quasi-municipal use for a public water system, as defined in NRS 445A.235, must not exceed 5 years, and any other single extension of time must not exceed 1 year. An application for the extension must in all cases be:
(a) Made within 30 days following notice by registered or certified mail that proof of the work is due as provided for in NRS 533.390 and 533.410; and

(b) Accompanied by proof and evidence of the reasonable diligence with which the applicant is pursuing the perfection of the application.

The State Engineer shall not grant an extension of time unless the State Engineer determines from the proof and evidence so submitted that the applicant is proceeding in good faith and with reasonable diligence to perfect the application. The failure to provide the proof and evidence required pursuant to this subsection is prima facie evidence that the holder is not proceeding in good faith and with reasonable diligence to perfect the application.

4. Except as otherwise provided in subsection 5 and NRS 533.395, whenever the holder of a permit issued for any municipal or quasi-municipal use of water on any land referred to in paragraph (b) of subsection 1, or for any use which may be served by a county, city, town, public water district or public water company, requests an extension of time to apply the water to a beneficial use, the State Engineer shall, in determining whether to grant or deny the extension, consider, among other factors:

(a) Whether the holder has shown good cause for not having made a complete application of the water to a beneficial use;

(b) The number of parcels and commercial or residential units which are contained in or planned for the land being developed or the area being served by the county, city, town, public water district or public water company;

(c) Any economic conditions which affect the ability of the holder to make a complete application of the water to a beneficial use;

(d) Any delays in the development of the land or the area being served by the county, city, town, public water district or public water company which were caused by unanticipated natural conditions; and

(e) The period contemplated in the:

1. Plan for the development of a project approved by the local government pursuant to NRS 278.010 to 278.460, inclusive; or

2. Plan for the development of a planned unit development recorded pursuant to chapter 278A of NRS,

if any, for completing the development of the land.

5. The provisions of subsections 1 and 4 do not apply to an environmental permit or a temporary permit issued pursuant to section 1 of this act.

6. For the purposes of this section, the measure of reasonable diligence is the steady application of effort to perfect the application in a reasonably expeditious and efficient manner under all the facts and circumstances. When a project or integrated system is composed of several features, work on one feature of the project or system may be considered in finding that reasonable diligence has been shown in the development of water rights for all features of the entire project or system.
Sec. 7.  NRS 533.400 is hereby amended to read as follows:

533.400  1. Except as otherwise provided in subsection 2, on or before the date set in the endorsement of a permit for the application of water to beneficial use, or on the date set by the State Engineer under a proper application for extension therefor, any person holding a permit from the State Engineer to appropriate the public waters of the State of Nevada, to change the place of diversion or the manner or place of use, shall file with the State Engineer a statement under oath, on a form prescribed by the State Engineer. The statement must include:
   (a) The name and post office address of the person making the proof.
   (b) The number and date of the permit for which proof is made.
   (c) The source of the water supply.
   (d) The name of the canal or other works by which the water is conducted to the place of use.
   (e) The name of the original person to whom the permit was issued.
   (f) The purpose for which the water is used.
   (g) If for irrigation, the actual number of acres of land upon which the water granted in the permit has been beneficially used, giving the same by 40-acre legal subdivisions when possible.
   (h) An actual measurement taken by a licensed state water right surveyor or an official or employee of the Office of the State Engineer of the water diverted for beneficial use.
   (i) The capacity of the works of diversion.
   (j) If for power, the dimensions and capacity of the flume, pipe, ditch or other conduit.
   (k) The average grade and difference in elevation between the termini of the conduit.
   (l) The number of months, naming them, in which water has been beneficially used.
   (m) The amount of water beneficially used, taken from actual measurements, together with such other data as the State Engineer may require to become acquainted with the amount of the appropriation for which the proof is filed.

2. The provisions of subsection 1 do not apply to a person holding an environmental permit or a temporary permit issued pursuant to section 1 of this act.

Sec. 8.  NRS 472.040 is hereby amended to read as follows:

472.040  1. The State Forester Firewarden shall:
   (a) Supervise or coordinate all forestry and watershed work on state-owned and privately owned lands, including fire control, in Nevada, working with federal agencies, private associations, counties, towns, cities or private persons.
   (b) Administer all fire control laws and all forestry laws in Nevada outside of townsite boundaries, and perform any other duties designated by the

(c) Assist and encourage county or local fire protection districts to create legally constituted fire protection districts where they are needed and offer guidance and advice in their operation.

(d) Designate the boundaries of each area of the State where the construction of buildings on forested lands creates such a fire hazard as to require the regulation of roofing materials.

(e) Adopt and enforce regulations relating to standards for fire retardant roofing materials to be used in the construction, alteration, change or repair of buildings located within the boundaries of fire hazardous forested areas.

(f) Purchase communication equipment which can use the microwave channels of the state communications system and store this equipment in regional locations for use in emergencies.

(g) Administer money appropriated and grants awarded for fire prevention, fire control and the education of firefighters and award grants of money for those purposes to fire departments and educational institutions in this State.

(h) Determine the amount of wages that must be paid to offenders who participate in conservation camps and who perform work relating to fire fighting and other work projects of conservation camps.

(i) Cooperate with the State Fire Marshal in the enforcement of all laws and the adoption of regulations relating to the prevention of fire through the management of vegetation in counties located within or partially within the Lake Tahoe Basin and the Lake Mead Basin.

(j) Assess the codes, rules and regulations which are adopted by other agencies that have specific regulatory authority within the Lake Tahoe Basin and the Lake Mead Basin, and which are not subject to the authority of a state or local fire agency, for consistency with fire codes, rules and regulations.

(k) Ensure that any adopted regulations are consistent with those of fire protection districts created pursuant to chapter 318, 473 or 474 of NRS.

(l) **Upon the request of the State Engineer, review a plan submitted with an application for the issuance of a temporary permit pursuant to section 1 of this act.**

2. The State Forester Firewarden in carrying out the provisions of this chapter may:

(b) Appoint suitable citizen-wardens. Citizen-wardens serve voluntarily except that they may receive compensation when an emergency is declared by the State Forester Firewarden.
(c) Appoint, upon the recommendation of the appropriate federal officials, resident officers of the United States Forest Service and the United States Bureau of Land Management as voluntary firewardens. Voluntary firewardens are not entitled to compensation for their services.

(d) Appoint certain paid foresters or firewardens to be arson investigators.

(e) Employ, with the consent of the Director of the State Department of Conservation and Natural Resources, clerical assistance, county and district coordinators, patrol officers, firefighters, and other employees as needed, and expend such sums as may be necessarily incurred for this purpose.

(f) Purchase, or acquire by donation, supplies, material, equipment and improvements necessary to fire protection and forest and watershed management.

(g) With the approval of the Director of the State Department of Conservation and Natural Resources and the State Board of Examiners, purchase or accept the donation of real property to be used for lookout sites and for other administrative, experimental or demonstration purposes. No real property may be purchased or accepted unless an examination of the title shows the property to be free from encumbrances, with title vested in the grantor. The title to the real property must be examined and approved by the Attorney General.

(h) Expend any money appropriated by the State to the Division of Forestry of the State Department of Conservation and Natural Resources for paying expenses incurred in fighting fires or in emergencies which threaten human life.

3. The State Forester Firewarden, in carrying out the powers and duties granted in this section, is subject to administrative supervision by the Director of the State Department of Conservation and Natural Resources.

SECOND READING AND AMENDMENT

Senate Bill No. 320.

Bill read second time.

The following amendment was proposed by the Committee on Finance:

Amendment No. 850.

"SUMMARY—Revises provisions governing certain motor carriers. (BDR 58-1051)"

"AN ACT relating to motor carriers; requiring [persons who wish to be employed as drivers for certain motor carriers subject to the jurisdiction of the Nevada Transportation Authority] certain short-term lessors to obtain a [driver's permit] certificate of public convenience and necessity issued by the Nevada Transportation Authority; requiring the suspension of the drivers' licenses of certain persons who fail to pay administrative fines to the Authority; providing a fee; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law provides for the regulation of certain motor carriers in this State by the Nevada Transportation Authority. (NRS 706.011-706.791) This bill requires a [person who wishes to be employed or enter into a contract or lease as a driver for certain motor carriers subject to the jurisdiction of the Authority] short-term lessor that offers, arranges for or allows the use of a paid driver, whether directly or through an affiliated person, to obtain a [driver's permit] certificate of public convenience and necessity issued by the Authority. [This bill also establishes] Existing law provides for the requirements, fees and procedures to obtain such a [permit] certificate. (NRS 706.011-706.791)

Sections 4.7 and 10.1 of this bill require the suspension of the driver's license of a person who fails to pay certain administrative fines and related costs to the Authority. Section 10.1 requires a person whose driver's license is suspended for the nonpayment of administrative fines to the Authority to pay that administrative fine and to pay a fee for the reinstatement of his or her driver's license.

Existing law provides that a short-term lessor is not liable for a fine or penalty related to the impoundment of certain vehicles if the vehicle was not in the control of the shorter-term lessor at the time that it was...
impounded. (NRS 706.478) Section 8.7 of this bill deletes the requirement that a true copy of the lease or rental agreement pursuant to which a vehicle was leased or rented to a lessee by the short-term lessor is prima facie evidence that the short-term lessor was not in control of the impounded vehicle.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 706 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 4.7, inclusive, of this act.

Sec. 2. [1.] A person shall not drive a motor vehicle for a fully regulated carrier of passengers or a taxicab motor carrier as an employee, independent contractor or lessee unless the person has a driver's permit issued by the Authority pursuant to this section.

2. The Authority shall issue a driver's permit to each applicant who satisfies the requirements of this section. Before issuing a driver's permit, the Authority shall:

(a) Require the applicant to submit a complete set of his or her fingerprints, which the Authority may forward to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation to ascertain whether the applicant has a criminal record and the nature of any such record, and shall further investigate the applicant's background; and

(b) Require proof that the applicant is employed or under a contract or lease agreement or has an offer of employment, a contract or a lease agreement that is contingent on the applicant's obtaining a driver's permit pursuant to this section and:

(1) Has a valid license issued pursuant to NRS 483.340 which authorizes the applicant to drive in this State any motor vehicle that is within the scope of the employment, contract or lease; or

(2) If the driver is a resident of a state other than Nevada, has a valid license issued by the state in which he or she resides which authorizes the applicant to drive any motor vehicle that is within the scope of the employment, contract or lease.

3. The Authority may refuse to issue a driver's permit if the applicant has been convicted of:

(a) A felony, other than a sexual offense, in this State or any other jurisdiction within the 5 years immediately preceding the date of the application;

(b) A felony involving any sexual offense in this State or any other jurisdiction at any time before the date of the application; or

(c) A violation of NRS 484C.110 or 484C.430 or a law of any other jurisdiction that prohibits the same or similar conduct within the 3 years immediately preceding the date of the application.

4. A driver's permit issued pursuant to this section is valid:

(a) If it is an original permit, for not longer than 1 year; or
(b) If it is a renewal permit, for not longer than 3 years, but lapses if the driver ceases to be employed by the carrier identified in the application for the original or renewal permit or if the contract or lease expires and the driver enters into a contract or lease with a different carrier. A driver must notify the Authority within 10 days after the lapse of a permit and obtain a new permit pursuant to this section before driving for a different carrier.

5. An applicant shall pay to the Authority:
   (a) For an original driver's permit, a fee not to exceed $50; and
   (b) For the renewal of a driver's permit, a fee not to exceed $50.

6. The provisions of this section:
   (a) Apply to a person who is the lessee of a taxicab pursuant to a lease agreement as set forth in NRS 706.473.
   (b) Do not apply to a driver who is employed by or under contract with:
       (1) The owner or operator of a charter bus which is not a fully regulated carrier;
       (2) A person or organization that provides a transportation service for persons with disabilities if the driver is certified as an emergency medical technician, intermediate emergency medical technician, or advanced emergency medical technician pursuant to chapter 450B of NRS; or
       (3) The owner or operator of any motor vehicle that is not subject to regulation by the Authority pursuant to NRS 706.011 to 706.791, inclusive, and sections 2, 3 and 4 of this act. (Deleted by amendment.)

Sec. 3. (1) In addition to any other requirements set forth in this chapter, an applicant for the issuance or renewal of a driver's permit pursuant to section 2 of this act shall:
   (a) Include the social security number of the applicant in the application submitted to the Authority.
   (b) Submit to the Authority the statement prescribed by the Division of Welfare and Supportive Services of the Department of Health and Human Services pursuant to NRS 425.520. The statement must be completed and signed by the applicant.
   (2) The Authority shall include the statement required pursuant to subsection 1 in:
       (a) The application or any other forms that must be submitted for the issuance or renewal of the driver's permit; or
       (b) A separate form prescribed by the Authority.
   (3) A driver's permit may not be issued or renewed by the Authority if the applicant:
       (a) Fails to submit the statement required pursuant to subsection 1; or
       (b) Indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order.
Sec. 4. If an applicant indicates on the statement submitted pursuant to subsection 1 that the applicant is subject to a court order for the support of a child and is not in compliance with the order or a plan approved by the district attorney or other public agency enforcing the order for the repayment of the amount owed pursuant to the order, the Authority shall advise the applicant to contact the district attorney or other public agency enforcing the order to determine the actions that the applicant may take to satisfy the arrearage. (Deleted by amendment.)

Sec. 4.3. “Short-term lessor” means a person who has leased a vehicle to another person for a period of 31 days or less, or by the day, or by the trip.

Sec. 4.7. 1. If the Authority imposes an administrative fine pursuant to NRS 706.476 or 706.771 in an amount greater than $100, the person who is responsible for payment of the administrative fine shall:

(a) Pay to the Authority the full amount of the administrative fine and any other costs owed by that person related to the administrative fine; or

(b) If the person is unable to pay the full amount owed, enter into a plan of repayment with the Authority for the payment over time of the administrative fine.

2. The Authority shall, within 20 days after imposing an administrative fine pursuant to NRS 706.476 or 706.771, provide notice by first-class mail to the person against whom the administrative fine is imposed. The notice must include a statement:

(a) Of the amount of the administrative fine and any other costs which must be paid to the Authority;

(b) That the person must, within 14 days after receiving the notice:

(1) Pay to the Authority the full amount of the administrative fine and any other costs; or
(2) If a plan of repayment has been approved by the Authority, comply with the terms of the plan of repayment; and

(c) That the Authority is required to notify the Department of Motor Vehicles of the failure to pay the amount owed and that the Department may suspend the driver's license of the person for failure to pay the administrative fine and any other costs.

3. The Authority shall provide to the Department of Motor Vehicles the name of a person to whom a notice is sent pursuant to paragraph (b) of subsection 2, including, without limitation, the date on which the notice was sent.

4. The Authority shall, within 5 days after receiving payment from a person or approving a plan of repayment, notify the Department of Motor Vehicles that the person has satisfied the requirements of payment of the administrative fine and any other costs owed by the person.

5. The provisions of this section do not relieve the Authority of any obligation to notify the State Controller of any debt that is past due pursuant to chapter 353C of NRS.

Sec. 5. NRS 706.011 is hereby amended to read as follows:

706.011 As used in NRS 706.011 to 706.791, inclusive, and sections 2, 3 and 4 to 4.7, inclusive, of this act, unless the context otherwise requires, the words and terms defined in NRS 706.013 to 706.146, inclusive, and section 4.3 of this act have the meanings ascribed to them in those sections.

The provisions of NRS 706.011 to 706.861, inclusive, and sections 2, 3 and 4 to 4.7, inclusive, of this act do not apply to vehicles leased to or owned by:

Senator Horsford moved the adoption of the amendment.
Remarks by Senator Horsford.
Senator Horsford requested that his remarks be entered in the Journal.

Senate Bill No. 320 requires the suspension of a driver's license for a person who fails to pay certain administrative fines and related costs to the Nevada Transportation Authority. It requires a person whose driver's license is suspended for the non-payment of administrative fines to the Authority to pay that fine and fee for the reinstatement of his or her driver's license. It provides that a short-term lessor is not liable for a fine or penalty related to the impoundment of certain vehicles if the vehicle was not in control of the short-term lessor at the time it was impounded. The bill prohibits the short-term lessor from offering, arranging for, or allowing the use of a paid driver whether directly or through an affiliated person.

The amendment as proposed removes the two-thirds requirement previously approved by the Committee.

Amendment adopted.
Bill ordered reprinted, engrossed and to third reading.

Amendment No. 848.
"SUMMARY—Revises provisions relating to health care and health insurance. (BDR 57-253)"

"AN ACT relating to health care; revising provisions governing the modification of contracts between insurers and providers of health care under certain circumstances; requiring the Department of Health and Human Services to report certain rates of reimbursement for physicians for care and services provided pursuant to certain state plans and programs which provide medical assistance; providing that certain requirements concerning health insurance shall be deemed not to apply to certain nonprofit entities; revising the requirement that certain insurers and health care facilities accept a standardized form to obtain information relating to the credentials of a provider of health care; requiring the Department to conduct a study concerning medical homes; requiring the Department to submit reports concerning certain studies to the Legislature; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Sections 8-12, 14 and 15 of this bill require written notice of a contract modification between certain insurers and a provider of health care which involves the insurer's schedule of payments to be sent to the provider at least 45 days before the proposed modification will take effect, and require such insurers, upon request, to submit to a provider of health care with whom they contract any changes to the fee schedule applicable to the provider's practice. Section 14.5 of this bill imposes similar requirements with respect to contracts between an organization for dental care and a dentist and, consistent with similar provisions of law, provides that such a contract may be modified at any time pursuant to a written agreement executed by both parties.

Section 16 of this bill requires the Department of Health and Human Services, with respect to the State Plan for Medicaid and the Children's Health Insurance Program, to report every rate of reimbursement for physicians which is provided on a fee-for-service basis and which is lower than the rate provided on the current Medicare fee schedule for care and services provided by physicians. Section 16 also requires the Director of the Department to publish a schedule of such rates of reimbursement on an Internet website maintained by the Department and to submit an annual report concerning such rates to the Legislature.

Section 17.5 of this bill provides that certain requirements concerning health insurance that are enacted after January 1, 2011, shall be deemed not to apply to certain nonprofit entities.

Existing law requires the Commissioner of Insurance to prescribe a single, standardized form for use by insurers, carriers, societies, corporations, health maintenance organizations and managed care organizations to obtain any information relating to the credentials of a provider of health care. (NRS 629.095) Section 21 of this bill requires the Commissioner to prescribe
that form for use by hospitals, medical facilities and other facilities that provide health care.

Section 24.5 of this bill requires the Department of Health and Human Services to conduct a study concerning medical homes and to submit certain reports concerning the study to the Legislature. Section 24.7 of this bill imposes similar reporting requirements on the Department with respect to its study of electronic identification cards that contain information relating to health insurance.

Senator Horsford moved the adoption of the amendment.

Remarks by Senator Horsford.

Senator Horsford requested that his remarks be entered in the Journal.

Amendment No. 848 requires written notice of a contract modification between insurers and providers of health care services. The notice must be provided at least 45 days prior to the effective date, which is an increase from the 30 days currently in statute. This requirement is also applicable to dental care and dentists; however, it does not apply to organizations that provide dental services to recipients of Medicaid or Nevada Check Up. Additionally, Senate Bill No. 278
requires the Department of Health and Human Services to report every rate of reimbursement for physicians that is provided on a fee-for-service basis through the Medicaid and Nevada Check Up programs and is lower than the rate currently paid for Medicare services. The rate schedules are to be published on the Department’s web site. The Department is also required to submit an annual report to the Legislature regarding these rates.

The statute requires the Insurance Commissioner to prescribe a single, standardized form for insurance providers to obtain information regarding the credentials of health care providers. Senate Bill No. 278, as amended, requires the Insurance Commissioner to prescribe that this form be used by hospitals, medical facilities and other facilities that provide health care.

I would like to thank the cosponsor of this bill, Senator Hardy, for working with me on this measure and the amendments proposed.

Amendment adopted.
Bill ordered reprinted, re-engrossed and to third reading.

GENERAL FILE AND THIRD READING

Senate Bill No. 338.
Bill read third time.

The following amendment was proposed by the Committee on Finance:
Amendment No. 849.
"SUMMARY—Revises provisions relating to reports of certain medical and related facilities. (BDR 40-261)"

"AN ACT relating to public health; requiring certain facilities for skilled nursing to submit information to the secure, Internet-based surveillance system established by the Division of Healthcare Quality Promotion of the Centers for Disease Control and Prevention of the United States Department of Health and Human Services; requiring reports and publication of certain information relating to the readmission of patients who received care in hospitals; and providing other matters properly relating thereto."

Legislative Counsel’s Digest:

Section 1 of this bill requires each facility for skilled nursing which provided medical services and care to an average of 25 or more patients during each business day in the immediately preceding calendar year to participate in the secure, Internet-based surveillance system established by the Division of Healthcare Quality Promotion of the Centers for Disease Control and Prevention of the United States Department of Health and Human Services. Section 1 also provides that other facilities for skilled nursing may participate in the system. Section 1 additionally requires the Health Division of the Department of Health and Human Services to report the information submitted to the system by all medical facilities on or after October 15, 2010, and skilled nursing facilities on or after January 1, 2012.
Section 2 of this bill requires hospitals to submit, as part of the program to increase public awareness of health care information, data relating to potentially preventable readmissions. Section 1.5 of this bill defines a potentially preventable readmission as an unplanned readmission which occurs not more than 30 days after a patient was discharged and which is clinically related to the initial admission and was preventable. Section 4 of this bill requires the Department of Health and Human Services to post that information on an Internet website. [Existing law authorizes the Department to seek injunctive relief or civil penalties against facilities that violate the reporting requirements. (NRS 439A.300, 439A.310)]

The following amendment was proposed by the Committee on Finance:

Amendment No. 870.

"SUMMARY—Revises provisions governing tuition charges, registration fees and other fees assessed against students in the Nevada System of Higher Education. (BDR 34-932)"

"AN ACT relating to the Nevada System of Higher Education; authorizing the Board of Regents of the University of Nevada to fix tuition charges and assess registration fees and other fees based on the demand for or the costs of providing the academic program or major for which the tuition charges are fixed or the registration fees are assessed; requiring the Board of Regents to establish a program authorizing scholarships and reduced fees for students who are economically disadvantaged under certain circumstances; requiring the Board of Regents to make certain reports to the Legislature; requiring the Director of the Department of Employment, Training and Rehabilitation to provide certain information on employment and wages to the Board of Regents for purposes of the report made by the Board of Regents; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law authorizes the Board of Regents of the University of Nevada to fix tuition charges for students at all campuses of the Nevada System of Higher Education. The tuition charges are in addition to any registration fees or other fees assessed against a student. (NRS 396.540) Section 2 of this bill authorizes the Board of Regents, in fixing tuition charges and assessing registration fees and other fees, to adjust the amount of the tuition charges and registration and other fees based on the demand for or the costs of carrying out the academic program or major for which the tuition charges or registration or other fees are assessed. The adjustment may be based on factors such as the cost of professional instruction, the cost of laboratory resources and ancillary costs. Section 2 also provides that if the Board of Regents adjusts the amount of tuition charges, registration fees or other fees based on the demand for or the cost of an academic program or major, the Board is required to establish a program to authorize scholarships and reduced fees for students who are economically disadvantaged and who are enrolled in academic programs or majors which are more costly as a result of the adjustments authorized by this bill. Finally, section 2 requires the Board of Regents to submit an annual report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature, or to the Legislative Commission if the Legislature is not in session, which identifies the demand for and the costs of each academic program and major and includes a schedule of all tuition charges, registration fees and other fees assessed for each academic program and major.

Section 3 of this bill requires the Board of Regents to submit a biennial report to the Legislature including certain information on: (1) the number and
percentage of students who complete academic programs at an institution within the System with a degree or certificate and a comparison with national statistics; (2) initiatives undertaken by the Board of Regents to increase the rate of students who complete academic programs with a degree or certificate; (3) initiatives undertaken by the Board of Regents to align the degree and certificate programs offered by institutions within the System with the economic development goals identified by the Commission on Economic Development.

Existing law creates the Department of Employment, Training and Rehabilitation, provides for a Director of the Department and imposes certain duties on the Director. (NRS 232.910, 232.920) Section 3.5 of this bill requires the Director to provide certain employment and wage information to the Board of Regents for purposes of the report required of the Board of Regents by section 3 of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 396 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.

Sec. 2. 1. In fixing a tuition charge for students at any campus of the System as provided by NRS 396.540 and in setting the amount of registration fees and other fees which are assessed against students, the Board of Regents may provide for the adjustment of the amount of the tuition charge or registration fee or other fee based on the demand for or the costs of carrying out the academic program or major for which the tuition charge, registration fee or other fee is assessed, including, without limitation, the costs of professional instruction, laboratory resources and other ancillary support.

2. If the Board of Regents provides for the adjustment of tuition charges, registration fees or other fees in the manner authorized by subsection 1, the Board of Regents shall establish a program to authorize scholarships and reduced fees for students who are economically disadvantaged and who are enrolled in academic programs or majors for which the adjustment of tuition charges, registration fees or other fees in the manner authorized by subsection 1 results in an increase in the costs of enrollment in such programs or majors.

3. If the Board of Regents provides for the adjustment of tuition charges, registration fees or other fees in the manner authorized by subsection 1, the Board of Regents shall, on or before February 1 of each year, submit a written report to the Director of the Legislative Counsel Bureau for transmittal to the Legislature, or to the Legislative Commission if the Legislature is not in session, which must, without limitation:

(a) Identify the demand for each academic program and major;
(b) Identify the costs of providing each academic program and major; and
(c) Include a schedule of all tuition charges, registration fees and other fees assessed for each academic program and major.

4. As used in this section, "tuition charge" has the meaning ascribed to it in NRS 396.540.

Sec. 3. The Board of Regents shall, on or before February 1 of each odd-numbered year submit a written report to the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature which includes:

1. By institution within the System and by each academic program at the institution:
   (a) The number of students who enter the academic program;
   (b) The percentage of students who complete the academic program; and
   (c) The average length of time for completion of the academic program to obtain a degree or certificate.

2. A comparison of the data which is reported pursuant to subsection 1 with available national metrics measuring how states throughout the country rank in the completion of academic programs leading to a degree or certificate and the average time for completion of those programs.

3. Initiatives undertaken by the Board of Regents to increase the rate of students who complete degree and certificate programs, including initiatives to shorten the time to complete those programs.

4. Based upon surveys of students who have completed an academic program and obtained a degree or certificate, the number and percentage of students who have obtained employment within their field of study in this State, and the average starting salary, which must be reported by institution within the System and by each academic program at the institution. The data must be matched:
   (a) Matched with industries identified in state economic development goals to determine whether students who graduated and obtained a degree or certificate are finding employment in those industries in this State; and
   (b) Based upon the employment and wage information provided by the Director of the Department of Employment, Training and Rehabilitation pursuant to NRS 232.920.

5. Initiatives undertaken by the Board of Regents to align the degree and certificate programs offered by the institutions within the System with the economic development goals identified by the Commission on Economic Development.

Sec. 3.5. NRS 232.920 is hereby amended to read as follows:

232.920 The Director:

1. Shall:
(a) Organize the Department into divisions and other operating units as needed to achieve the purposes of the Department;

(b) Upon request, provide the Director of the Department of Administration with a list of organizations and agencies in this State whose primary purpose is the training and employment of persons with disabilities;

(c) Except as otherwise provided by a specific statute, direct the divisions to share information in their records with agencies of local governments which are responsible for the collection of debts or obligations if the confidentiality of the information is otherwise maintained under the terms and conditions required by law;

(d) Provide the employment and wage information to the Board of Regents of the University of Nevada for purposes of the reporting required of the Board of Regents by subsection 4 of section 3 of this act.

2. Is responsible for the administration, through the divisions of the Department, of the provisions of NRS 426.010 to 426.720, inclusive, 426.740, 426.790 and 426.800, and chapters 612 and 615 of NRS, and all other provisions of law relating to the functions of the Department and its divisions, but is not responsible for the professional line activities of the divisions or other operating units except as otherwise provided by specific statute.

3. May employ, within the limits of legislative appropriations, such staff as is necessary for the performance of the duties of the Department.

The measure retains a 13-member Board. The ideal population in each Board district is 153,712. The overall range of population deviation is 0.41 percent. The plan includes nine Board of Regents districts wholly in Clark County, one district partially in Clark County, one district wholly in Washoe County, one district in parts of Washoe County and Pershing County, and one district containing the remaining rural counties.
The bill provides for the use of the term "reelect" in the 2012 General Election under certain circumstances. The measure also includes a severability clause.

Senate Bill No. 65.
The following Assembly amendment was read:
Amendment No. 645.
"SUMMARY—Revises provisions concerning the quarterly publication of certain financial information by certain local governments. (BDR 21-400)"

"AN ACT relating to local financial administration; revising provisions concerning the quarterly publication of certain financial information by an incorporated city or a county; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires the clerk and council of each city incorporated under general law or charter to publish in a newspaper a quarterly statement of the city's finances that shows the receipts and disbursements and the details of each bill that the city has paid. (NRS 268.030) Section 2 of this bill requires the publication of only the total amounts of the city's receipts, disbursements and bills paid for the quarter but expressly provides that the receipts, bills and other documents which support each transaction that is included in the published totals are public records which are available for inspection and copying. Section 2 also requires publication of the financial statement on the Internet website of the city, if the city maintains an Internet website. Section 1 of this bill eliminates a duplicative requirement for the publication of financial information that only applies to the city clerks of cities incorporated under general law.

Under existing law, a board of county commissioners is required to publish in a newspaper a quarterly financial statement of receipts, expenditures and bills allowed. (NRS 244.225, 354.210) Sections 3 and 4 of this bill require the publication of only the total amounts of the county's receipts, expenditures and bills allowed but expressly provides that the receipts, bills and other documents which support each transaction that is included in the published totals are public records which are available for inspection and copying. Sections 3 and 4 also require publication of the financial statement on the Internet website of the county if the county maintains an Internet website.

Senate Bill No. 92.
The following Assembly amendment was read:
Amendment No. 593.
"SUMMARY — Authorizes redevelopment agencies to expend money to improve schools. Makes various changes relating to development. (BDR 22-579)"
"AN ACT relating to community redevelopment; development; revising provisions relating to the preservation of historic neighborhoods in certain regional plans; authorizing redevelopment agencies to expend money, subject to certain limitations, to improve educational facilities located within certain cities or counties; requiring redevelopment agencies to file reports with their respective governing bodies and the
Director of the Legislative Counsel Bureau; **requiring certain redevelopment agencies to set aside certain revenue from property taxes for an additional purpose;** and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Section 1 of this bill removes the specific requirement of addressing the preservation of historic neighborhoods in the regional plan of a county whose population is 100,000 or more but less than 400,000 (currently Washoe County).

Section 2 of this bill requires a redevelopment agency to submit, upon adoption of a redevelopment plan for a redevelopment area, an initial report containing certain specified information regarding each redevelopment area to the legislative body of the community and to the Nevada Legislature. Each agency is also required to submit an annual report containing information for the redevelopment area for the previous fiscal year, including with respect to areas in existence on July 1, 2011. Section 7 of this bill provides for the submission of an initial report for each redevelopment area for which a redevelopment plan has been adopted before July 1, 2011.

Existing law authorizes the legislative body of a community, having recognized the need for a redevelopment agency to function in the community, to establish a redevelopment revolving fund. (NRS 279.386, 279.392, 279.396, 279.410, 279.620) Existing law also specifies the manner in which, and the permissible purposes for which, money may be expended from the redevelopment revolving fund. (NRS 279.628) **This Section 5 of this bill expands the permissible purposes for which money may be expended from a redevelopment revolving fund to include use by a redevelopment agency for the improvement, with certain limitations, of educational facilities in a city or county with a redevelopment area within its boundaries.**

Section 6 of this bill requires the redevelopment agency of a city whose population is 300,000 or more (currently the City of Las Vegas) that receives certain revenue from taxes to set aside a portion of those revenues received on or after October 1, 2011, to be used to increase, improve and preserve, in addition to the number of dwelling units in the community for low-income households, the number of educational facilities within the redevelopment area.

Senate Bill No. 110.
The following Assembly amendment was read:
Amendment No. 594.

"SUMMARY
Requires the establishment of a Revises provisions
governing the issuance of business license to engage in contracting licenses in certain counties and cities in this State. (BDR 20-820)"

"AN ACT relating to businesses; requiring a board of county commissioners and the governing bodies of certain incorporated cities to enter into an agreement to establish a business license to allow a licensed contractor to engage in the business of contracting in the county and cities under certain circumstances; authorizing a board of county commissioners and the governing bodies of certain other incorporated cities to enter into such an agreement; revising the circumstances for obtaining a county or city business license; revising certain provisions for the issuance of a license for a food establishment; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes counties, cities and towns to issue business licenses and permits to operate a business within the limits of the county, city or town and to collect taxes on those licenses. (NRS 244.335, 266.355, 268.095, 269.170) Sections 1 and 2 of this bill require the board of county commissioners in a county whose population is 700,000 or more (currently Clark County) and the governing body of each incorporated city whose population is 150,000 or more located in such a county (currently Henderson, Las Vegas and North Las Vegas) to enter into an agreement with each other for the establishment of a business license to allow a licensed contractor to engage in the business of contracting in the county and cities if the contractor: (1) has a place of business in an unincorporated area of the county; or (2) does not have a place of business in the county. Sections 1 and 2 also require such a board of county commissioners to enter into similar agreements with the governing body of each incorporated city whose population is less than 150,000 located in the county (currently Boulder City and Mesquite) who chooses to enter into such an agreement. Sections 1 and 2 further require the board of county
commissioners and governing body of each such incorporated city to establish by ordinance a system for issuing the business license which sets forth the requirements for obtaining the license and the fees for the issuance and renewal of the license.

Existing law requires an applicant for a county or city business license to sign an affidavit to affirm that he or she has complied with the business licensing provisions of this State. (NRS 244.335, 268.095) Sections 1.5 and 3 of this bill provide for an alternative procedure for an applicant to prove compliance by providing his or her entity number assigned by the Secretary of State for investigation by the city council or board of county commissioners to whom he or she is applying. Existing law also requires an applicant for a county or city business license to sign an affidavit affirming that the business maintains certain insurance requirements. (NRS 244.33505, 268.0955) Sections 1.7 and 3.5 of this bill allow an applicant to attest to his or her compliance with these provisions instead of providing a physical signature if the applicant submits his or her application electronically.

Existing law prohibits a city, county or other licensing authority from issuing a license for the operation of a food establishment until the owner has obtained the required permit by the health authority. (NRS 446.877) Section 3.7 of this bill authorizes the board of county commissioners or the governing body of an incorporated city to issue a license to a food establishment contingent upon the owner's obtaining the required health permit.

Section 9 also requires the Sunset
Subcommittee to assess each board or commission reviewed for the cost of conducting the review.

Section 10 of this bill requires each board and commission to submit certain information about itself and how it operates to the Sunset Subcommittee and authorizes the Sunset Subcommittee to direct the Legislative Counsel Bureau to assist the Sunset Subcommittee in investigating, reviewing and analyzing the information submitted. Section 11 of this bill requires the Sunset Subcommittee to hold public hearings to receive commentary on whether a board or commission should be terminated, modified, consolidated or continued. This bill establishes a process by which a state agency engaged in activities related to economic development and population research may obtain at no charge information on each parcel in a county, known as the parcel dataset, and the digital parcel base map of a county. Section 1 of this bill requires a county assessor to provide each year to the State Demographer employed by the Department of Taxation, at no charge, the fiscal year-end datasets parcel dataset of the county. Section 5 of this bill requires a county which maintains or possesses a digital parcel base map of the county to provide the fiscal year-end digital parcel base map to the State Demographer each year at no charge. Under sections 1 and 5 of this bill, the State Demographer may not require a county to provide a parcel dataset or a digital parcel base map in any particular digital or electronic format or to use any specific software to provide such information. (NRS 250.100-250.230) Existing law provides criminal and civil penalties for improper acts related to obtaining or disclosing these confidential records. (NRS 250.210-250.230) Section 1 of this bill makes these civil and criminal penalties applicable to an employee or agent of a state agency obtaining confidential information in parcel datasets from the State Demographer.

Amendment No. 893.
"SUMMARY—Creates the Mining Oversight and Accountability Commission \[\textit{b} \] and revises the provisions governing the calculation of the net proceeds of mines. (BDR 32-1152)"
"AN ACT relating to mining; creating the Mining Oversight and Accountability Commission and establishing its membership, powers and duties; revising provisions governing the calculation of net proceeds from certain mining operations conducted in this State; and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Existing law does not provide for a single administrative body to oversee the activities of the various state agencies that have responsibility for the taxation, operation, safety and environmental regulation of mines and mining in this State. Section 5 of this bill creates the Mining Oversight and Accountability Commission. Two members of the Commission are appointed by the Governor. The Majority Leader of the Senate and the Speaker of the Assembly each appoint two additional members. In the first biennium, the seventh member is appointed by the Minority Leader of the Senate. In the next biennium, the seventh member is appointed by the Minority Leader of the Assembly. The appointment continues to alternate each biennium thereafter. Section 7 of this bill requires the Commission to exercise plenary oversight of the activities of each state agency or political subdivision in connection with the taxation, operation, safety and environmental regulation of mines and mining in this State. Section 7 also identifies particular state entities that are subject to its oversight in connection with the supervision of the Commission with respect to their activities related to mines and mining: (1) the Nevada Tax Commission and the Department of Taxation in the taxation of the net proceeds of minerals; (2) the Division of Industrial Relations of the Department of Business and Industry concerning the safe and healthful working conditions at mines; (3) the Commission on Mineral
Resources and the Division of Minerals of the Commission; (4) the Bureau of Mines and Geology of the State of Nevada; and (5) the Division of Environmental Protection of the State Department of Conservation and Natural Resources in its activities concerning the reclamation of land used in mining. Sections 8 and 13-16 of this bill establish certain reports and other information that those entities are required to provide to the Commission. Section 11 of this bill authorizes the Commission to request the Legislative Commission to direct the Legislative Auditor to provide for a special audit or investigation of the activities of any state agency, board, bureau, commission or political subdivision in connection with the taxation, operation, safety and environmental regulation of mines and mining in this State. Section 12 of this bill provides that certain regulations of the Nevada Tax Commission, Administrator of the Division of Industrial Relations, Administrator of the Department of Business and Industry, Commission on Mineral Resources and the State Environmental Commission concerning mines and mining are not effective unless they are approved by the Commission. **Section 12.5 of this bill revises provisions governing the calculation of net proceeds from certain mining operations conducted in this State.**

Senator Leslie moved the adoption of the amendment.

Senator Leslie requested that her remarks be entered in the Journal.

Amendment No. 893 to Senate Bill No. 493 makes several changes and further clarifies the types of deductions that may be claimed for the purposes of calculating the net proceeds of minerals.

The amendment removes deductions for the cost of marketing, the cost of converting the mineral into money, and costs related to insurance.

The amendment adds deductions for the cost of in-state travel that is directly related to mining operations in Nevada, costs related to Nevada-based corporate services and certain costs related to reclamation and remediation of a site.

The amendment also identifies certain expenses that are specifically excluded from any deductions from the gross yield.

Finally, the amendment clarifies that the changes to the deductions contained within the bill will become effective on January 1, 2012, and will not impact the calculation of the net proceeds of minerals or any tax payments based on mining activity for calendar year 2011. The changes to the deductions will apply to the calculation of net proceeds of minerals and tax payments beginning in calendar year 2012 and each year thereafter.

Amendment adopted.

Consideration of Assembly Amendments

Senate Bill No. 200.

The following Assembly amendment was read:

Amendment No. 720.

"SUMMARY—Makes various changes relating to time shares. (BDR 10-217)"

"AN ACT relating to time shares; restricting the disclosure of certain information about owners of time shares; requiring certain mailings to owners of time shares upon request by an owner; following a notice of sale on the foreclosure of a time share to be given by posting on an Internet..."
and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 2 of this bill requires the manager or board of an association of a time-share plan to maintain a list of owners of time shares in the plan. Section 2 also prohibits the manager or board from disclosing personal information about an owner without the prior written consent of the owner except under certain circumstances.

Section 3 of this bill requires the manager or board of an association of a time-share plan to: (1) mail certain materials to all owners on the list of owners of time shares in the plan upon the request of an owner under certain circumstances; (2) provide an owner with the option to place certain limits on the information that may be provided to other owners; (3) provide an owner with a written disclosure regarding the potential effect of giving consent to publish or furnish information about the owner; and (4) establish procedures for such mailings.

Existing law requires that, among other forms of notice, a sale of a time share to satisfy a lien for unpaid assessments be noticed by publication in a newspaper under certain circumstances. (NRS 119A.560) Section 4 of this bill authorizes, as an alternative to the newspaper form of publication, such a notice of sale and a declaration in a form to be prepared by the Real Estate Division of the Department of Business and Industry to be posted on an Internet website if a statement of the Internet address is also published in a newspaper.

Existing law requires that, among other forms of notice, a sale of real property in foreclosure under a deed of trust be noticed by publication in a newspaper under certain circumstances. (NRS 107.080) Section 5 of this bill authorizes, as an alternative to that form of publication, a notice of a time share in foreclosure under a deed of trust to be posted on an Internet website if a statement of the Internet address is also published in a newspaper.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 107.030 is hereby amended to read as follows:

107.030 Every deed of trust made after March 29, 1927, may adopt by reference all or any of the following covenants, agreements, obligations, rights and remedies:

1. COVENANT NO. 1. That grantor agrees to pay and discharge at maturity all taxes and assessments and all other charges and encumbrances which now are or shall hereafter be, or appear to be, a lien upon the trust premises, or any part thereof; and that grantor will pay all interest or installments due on any prior encumbrance, and that in default thereof, beneficiary may, without demand or notice, pay the same, and beneficiary shall be sole judge of the legality or validity of such taxes, assessments, charges or encumbrances, and the amount necessary to be paid in satisfaction or discharge thereof.

2. COVENANT NO. 2. That the grantor will at all times keep the buildings and improvements which are now or shall hereafter be erected upon the premises insured against loss or damage by fire, to the amount of at least $...., by some insurance company or companies approved by beneficiary, the policies for which insurance shall be made payable, in case of loss, to beneficiary, and shall be delivered to and held by the beneficiary as further security; and that in default thereof, beneficiary may procure such insurance, not exceeding the amount aforesaid, to be effected either upon the interest of trustee or upon the interest of grantor, or his or her assigns, and in their names, loss, if any, being made payable to beneficiary, and may pay and expend for premiums for such insurance such sums of money as the beneficiary may deem necessary.

3. COVENANT NO. 3. That if, during the existence of the trust, there be commenced or pending any suit or action affecting the conveyed premises, or any part thereof, or the title thereto, or if any adverse claim for or against the premises, or any part thereof, be made or asserted, the trustee or beneficiary may appear or intervene in the suit or action and retain counsel therein and defend same, or otherwise take such action therein as they may be advised, and may settle or compromise same or the adverse claim; and in that behalf and for any of the purposes may pay and expend such sums of money as the trustee or beneficiary may deem to be necessary.
4. COVENANT NO. 4. That the grantor will pay to trustee and to beneficiary respectively, on demand, the amounts of all sums of money which they shall respectively pay or expend pursuant to the provisions of the implied covenants of this section, or any of them, together with interest upon each of the amounts, until paid, from the time of payment thereof, at the rate of ......... percent per annum.

5. COVENANT NO. 5. That in case grantor shall well and truly perform the obligation or pay or cause to be paid at maturity the debt or promissory note, and all moneys agreed to be paid, and interest thereon for the security of which the transfer is made, and also the reasonable expenses of the trust in this section specified, then the trustee, its successors or assigns, shall reconvey to the grantor all the estate in the premises conveyed to the trustee by the grantor. Any part of the trust property may be reconveyed at the request of the beneficiary.

6. COVENANT NO. 6. That if default be made in the performance of the obligation, or in the payment of the debt, or interest thereon, or any part thereof, or in the payment of any of the other moneys agreed to be paid, or of any interest thereon, or if any of the conditions or covenants in this section adopted by reference be violated, and if the notice of breach and election to sell, required by this chapter, be first recorded, then trustee, its successors or assigns, on demand by beneficiary, or assigns, shall sell the above-granted premises, or such part thereof as in its discretion it shall find necessary to sell, in order to accomplish the objects of these trusts, in the manner following, namely:

The trustees shall first give notice of the time and place of such sale, in the manner provided in NRS 107.080 and may postpone such sale not more than three times by proclamation made to the persons assembled at the time and place previously appointed and advertised for such sale, and on the day of sale so advertised, or to which such sale may have been postponed, the trustee may sell the property so advertised, or any portion thereof, at public auction, at the time and place specified in the notice, at a public location in the county in which the property, or any part thereof, to be sold, is situated, to the highest cash bidder. The beneficiary, obligee, creditor, or the holder or holders of the promissory note or notes secured thereby may bid and purchase at such sale. The beneficiary may, after recording the notice of breach and election, waive or withdraw the same or any proceedings thereunder, and shall thereupon be restored to the beneficiary's former position and have and enjoy the same rights as though such notice had not been recorded.

7. COVENANT NO. 7. That the trustee, upon such sale, shall make (without warranty), execute and, after due payment made, deliver to purchaser or purchasers, his, her or their heirs or assigns, a deed or deeds of the premises so sold which shall convey to the purchaser all the title of the grantor in the trust premises, and shall apply the proceeds of the sale thereof in payment, firstly, of the expenses of such sale, together with the reasonable
expenses of the trust, including counsel fees, in an amount equal to .......

percent of the amount secured thereby and remaining unpaid \$$ or reasonable counsel fees and costs actually incurred\$$, which shall become due upon any default made by grantor in any of the payments aforesaid; and also such sums, if any, as trustee or beneficiary shall have paid, for procuring a search of the title to the premises, or any part thereof, subsequent to the execution of the deed of trust; and in payment, secondly, of the obligation or debts secured, and interest thereon then remaining unpaid, and the amount of all other moneys with interest thereon herein agreed or provided to be paid by grantor; and the balance or surplus of such proceeds of sale it shall pay to grantor, his or her heirs, executors, administrators or assigns.

8. COVENANT NO. 8. That in the event of a sale of the premises conveyed or transferred in trust, or any part thereof, and the execution of a deed or deeds therefor under such trust, the recital therein of default, and of recording notice of breach and election of sale, and of the elapsing of the 3-month period, and of the giving of notice of sale, and of a demand by beneficiary, his or her heirs or assigns, that such sale should be made, shall be conclusive proof of such default, recording, election, elapsing of time, and of the due giving of such notice, and that the sale was regularly and validly made on due and proper demand by beneficiary, his or her heirs and assigns; and any such deed or deeds with such recitals therein shall be effectual and conclusive against grantor, his or her heirs and assigns, and all other persons; and the receipt for the purchase money recited or contained in any deed executed to the purchaser as aforesaid shall be sufficient discharge to such purchaser from all obligation to see to the proper application of the purchase money, according to the trusts aforesaid.

9. COVENANT NO. 9. That the beneficiary or his or her assigns may, from time to time, appoint another trustee, or trustees, to execute the trust created by the deed of trust or other conveyance in trust. A copy of a resolution of the board of directors of beneficiary (if beneficiary be a corporation), certified by the secretary thereof, under its corporate seal, or an instrument executed and acknowledged by the beneficiary (if the beneficiary be a natural person), shall be conclusive proof of the proper appointment of such substituted trustee. Upon the recording of such certified copy or executed and acknowledged instrument, the new trustee or trustees shall be vested with all the title, interest, powers, duties and trusts in the premises vested in or conferred upon the original trustee. If there be more than one trustee, either may act alone and execute the trusts upon the request of the beneficiary, and all of the trustee's acts thereunder shall be deemed to be the acts of all trustees, and the recital in any conveyance executed by such sole trustee of such request shall be conclusive evidence thereof, and of the authority of such sole trustee to act.

Senate Bill No. 249.

The following Assembly amendment was read:
Amendment No. 838.

"SUMMARY—Makes various changes relating to administration of taxes on property. (BDR 32-793)"

"AN ACT relating to the taxation of property; revising the provisions governing the administration of certain exemptions from taxation, the determination of the taxable value of the community units of a common-interest community, the conversion of mobile or manufactured homes from real to personal property, the issuance of certain notices by the county assessor and county treasurer, the payment of taxes on personal property in installments, and the determination of when an overpayment of taxes on personal property will not be refunded or a deficiency in the payment of such taxes will be exempted from collection; postponing the prospective expiration of certain provisions for the funding of accounts for the acquisition and improvement of technology in the offices of county assessors and revising the authorized uses of such accounts; repealing certain requirements relating to the minimum valuation of certain land; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law provides various exemptions from property taxes for surviving spouses, persons who are blind and veterans, if the persons claiming the exemptions are bona fide residents of this State, and requires the county assessors to mail annually to each person who claims such an exemption a form for the renewal of the exemption. (NRS 361.080, 361.085, 361.090, 361.091) Section 1 of this bill clarifies that these tax exemptions do not apply to a person who holds an identification card indicating that the person is only a seasonal resident of this State, unless the person has actually resided in Nevada for at least 6 months. Sections 2-5 of this bill authorize the county assessors to provide, upon request, the forms for renewal by electronic means and to authorize the return of those forms by electronic means.

Under existing law, the taxable value of the common elements of a common-interest community must be allocated on an equal basis to each of the community units of that common-interest community. (NRS 361.233) Section 6 of this bill instead requires, under certain conditions, the allocation of that taxable value to the community units in accordance with a formula for allocation set forth in the declaration creating the common-interest community or, if there is no such declaration, in the recorded deeds for the community units.

Under existing law, a mobile or manufactured home may not be converted from real to personal property and removed from the real property to which it is affixed unless the county assessor certifies that the current taxes on that home and real property have been paid. (NRS 361.2445) Section 7 of this bill instead requires this certification from the county tax receiver.

Existing law requires each board of county commissioners to pass a resolution during each fiscal year which directs the county assessor to
prepare a secured tax roll of taxable property in the county. The resolution must further direct the county assessor to mail a copy of the secured tax roll to each taxpayer in the county and publish the secured tax roll in a newspaper of general circulation in the county. Existing law also requires the county assessor to issue certain notices indicating that the secured tax roll is complete and available for inspection. (NRS 361.300) Section 9.5 of this bill requires the county assessor to, pursuant to a resolution adopted by the board of county commissioners, additionally post the secured tax roll in certain public areas, post the secured tax roll at the office of the county assessor and publish the secured tax roll on an Internet website maintained by the county assessor or the county. In addition, section 9.5 requires that notices to the effect that the secured tax roll is complete and open for inspection also indicate the locations at which the secured tax roll is available for inspection.

Existing law requires a county tax receiver to publish certain notices of delinquent taxes in a newspaper of general circulation in the county or, if no such newspaper exists, in at least five conspicuous places in the county. (NRS 361.565) Section 11.5 of this bill requires the county tax receiver to additionally publish such notices of delinquency on an Internet website maintained by the county treasurer or the county.

Existing law authorizes a taxpayer, upon request, to pay the personal property taxes imposed on the property of a business in installments if the total taxes exceed $10,000 and certain other conditions are met. (NRS 361.483) Section 10 of this bill revises this authorization to include the taxes imposed on personal property which is not the property of a business, to require the total amount of taxes to exceed $5,000 and to allow the installment payments only if the pertinent tax bill is issued on or before September 15.

Under existing law, an overpayment of personal property taxes in an amount which is less than the average cost of collecting taxes in this State must be paid into the county general fund unless the taxpayer requests a refund within 6 months, and a deficiency in the payment of personal property taxes must be exempted from collection efforts if the deficiency is less than that average cost of collecting taxes. (NRS 361.485) Section 11 of this bill requires, when calculating the amount paid to determine the existence and amount of such an overpayment or deficiency, the inclusion of the amount of any applicable penalties paid and the amount of any applicable partial abatements of taxes.

Existing law provides various exemptions from the governmental services taxes otherwise due on vehicles of surviving spouses, persons who are blind and veterans and requires the county assessors to mail annually to each person who claims such an exemption a form for the renewal of the exemption. (NRS 371.101, 371.102, 371.103, 371.104) Sections 12-15 of
this bill authorize the county assessors to provide, upon request, the forms for renewal by electronic means.

Under existing law, 2 percent of the property taxes collected for each county on personal property and the net proceeds of mines must be deposited into an account for the acquisition and improvement of technology in the office of the county assessor. (NRS 361.530, 362.170) **Section 16** of this bill provides for the continuation of this funding during the next biennium by postponing its prospective expiration until June 30, 2013. **Section 15.5** of this bill revises the authorized uses of the money in such an account.

Existing law requires persons who desire to claim a property tax exemption for personal property which is in transit through this State to make their claims in the form and manner prescribed by the regulations of the Department of Taxation. (NRS 361.170) Existing law also requires county assessors to assess all patented land and land held under a state land contract at a minimum rate of $1.25 per acre and requires county assessors to pay the difference between that amount and the amount of any lower assessments of that land. (NRS 361.230) **Section 17** of this bill repeals these requirements.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** NRS 361.015 is hereby amended to read as follows:

361.015 "Bona fide resident" means a person who [has:
1. Established a residence in the State of Nevada; and
2. [Actually] Has:
   (a) Actually resided in this state for at least 6 months; or [has a]
   (b) A valid driver's license or identification card issued by the Department of Motor Vehicles of this state [but], other than such an identification card which indicates that the person is a seasonal resident.

Sec. 2. NRS 361.080 is hereby amended to read as follows:

361.080 1. The property of surviving spouses, not to exceed the amount of $1,000 assessed valuation, is exempt from taxation, but no such exemption may be allowed to anyone but a bona fide resident of this State, and must be allowed in but one county in this State to the same family.

2. For the purpose of this section, property in which the surviving spouse has any interest shall be deemed the property of the surviving spouse.

3. The person claiming such an exemption must file with the county assessor an affidavit declaring that the person is a bona fide resident of this State and that the exemption has been claimed in no other county in this State. The affidavit must be made before the county assessor or a notary public. After the filing of the original affidavit, the county assessor shall, except as otherwise provided in this subsection, mail a form for renewal of the exemption to the person each year following a year in which the exemption was allowed for that person. The form must be designed to facilitate its return by mail by the person claiming the exemption. If so requested by the person claiming the exemption, the county assessor may
provide the form to the person by electronic means in lieu of by mail. The
county assessor may authorize the return of the form by electronic means
in accordance with the provisions of chapter 719 of NRS.

4. A surviving spouse is not entitled to the exemption provided by this
section in any fiscal year beginning after any remarriage, even if the
remarriage is later annulled.

5. If any person files a false affidavit or provides false proof to the
county assessor or a notary public and, as a result of the false affidavit or
false proof, the person is allowed a tax exemption to which the person is not
entitled, the person is guilty of a gross misdemeanor.

6. Beginning with the 2005-2006 Fiscal Year, the monetary amount in
subsection 1 must be adjusted for each fiscal year by adding to the amount
the product of the amount multiplied by the percentage increase in the
Consumer Price Index (All Items) from July 2003 to the July preceding the
fiscal year for which the adjustment is calculated. The Department shall
provide to each county assessor the adjusted amount, in writing, on or before
September 30 of each year.

Sec. 3. NRS 361.085 is hereby amended to read as follows:

361.085 1. The property of each person who is blind, not to exceed the
amount of $3,000 of assessed valuation, is exempt from taxation, including
community property to the extent only of the interest therein of the person
who is blind, but no such exemption may be allowed to anyone but a bona
fide resident of this State, and must be allowed in but one county in this State
on account of the same person.

2. The person claiming such an exemption must file with the county
assessor an affidavit declaring that the person is a bona fide resident of the
State of Nevada who meets all the other requirements for the exemption and
that the exemption is not claimed in any other county in this State. The
affidavit must be made before the county assessor or a notary public. After
the filing of the original affidavit, the county assessor shall, except as
otherwise provided in this subsection, mail a form for renewal of the
exemption to the person each year following a year in which the exemption
was allowed for that person. The form must be designed to facilitate its return
by mail by the person claiming the exemption. If so requested by the person
claiming the exemption, the county assessor may provide the form to the
person by electronic means in lieu of by mail. The county assessor may
authorize the return of the form by electronic means in accordance with
the provisions of chapter 719 of NRS.

3. Upon first claiming the exemption in a county the claimant shall
furnish to the assessor a certificate of a licensed physician setting forth that
the physician has examined the claimant and has found him or her to be a
person who is blind.

4. If any person files a false affidavit or provides false proof to the
county assessor or a notary public and, as a result of the false affidavit or
false proof, the person is allowed a tax exemption to which the person is not entitled, the person is guilty of a gross misdemeanor.

5. Beginning with the 2005-2006 Fiscal Year, the monetary amount in subsection 1 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from July 2003 to the July preceding the fiscal year for which the adjustment is calculated. The Department shall provide to each county assessor the adjusted amount, in writing, on or before September 30 of each year.

6. As used in this section, "person who is blind" includes any person whose visual acuity with correcting lenses does not exceed 20/200 in the better eye, or whose vision in the better eye is restricted to a field which subtends an angle of not greater than 20°.

Sec. 4. NRS 361.090 is hereby amended to read as follows:

2. For the purpose of this section, the first $2,000 assessed valuation of property in which an applicant has any interest shall be deemed the property of the applicant.

3. The exemption may be allowed only to a claimant who files an affidavit with his or her claim for exemption on real property pursuant to NRS 361.155. The affidavit may be filed at any time by a person claiming exemption from taxation on personal property.

4. The affidavit must be made before the county assessor or a notary public and filed with the county assessor. It must state that the affiant is a bona fide resident of the State of Nevada who meets all the other
requirements of subsection 1 and that the exemption is not claimed in any other county in this State. After the filing of the original affidavit, the county assessor shall, except as otherwise provided in this subsection, mail a form for:

(a) The renewal of the exemption; and

(b) The designation of any amount to be credited to the Gift Account for Veterans' Homes established pursuant to NRS 417.145, to the person each year following a year in which the exemption was allowed for that person. The form must be designed to facilitate its return by mail by the person claiming the exemption. If so requested by the person claiming the exemption, the county assessor may provide the form to the person by electronic means in lieu of by mail. The county assessor may authorize the return of the form by electronic means in accordance with the provisions of chapter 719 of NRS.

5. Persons in actual military service are exempt during the period of such service from filing the annual forms for renewal of the exemption, and the county assessors shall continue to grant the exemption to such persons on the basis of the original affidavits filed. In the case of any person who has entered the military service without having previously made and filed an affidavit of exemption, the affidavit may be filed in his or her behalf during the period of such service by any person having knowledge of the facts.

6. Before allowing any veteran's exemption pursuant to the provisions of this chapter, the county assessor shall require proof of status of the veteran, and for that purpose shall require production of an honorable discharge or certificate of satisfactory service or a certified copy thereof, or such other proof of status as may be necessary.

7. If any person files a false affidavit or produces false proof to the county assessor or a notary public and, as a result of the false affidavit or false proof, the person is allowed a tax exemption to which the person is not entitled, the person is guilty of a gross misdemeanor.

8. Beginning with the 2005-2006 Fiscal Year, the monetary amounts in subsections 1 and 2 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from July 2003 to the July preceding the fiscal year for which the adjustment is calculated. The Department shall provide to each county assessor the adjusted amount, in writing, on or before September 30 of each year.

2. The amount of exemption is based on the total percentage of permanent service-connected disability. The maximum allowable exemption
for total permanent disability is the first $20,000 assessed valuation. A person with a permanent service-connected disability of:

(a) Eighty to 99 percent, inclusive, is entitled to an exemption of $15,000 assessed value.

(b) Sixty to 79 percent, inclusive, is entitled to an exemption of $10,000 assessed value.

For the purposes of this section, any property in which an applicant has any interest is deemed to be the property of the applicant.

4. The affidavit must be made before the county assessor or a notary public and be filed with the county assessor. It must state that the affiant is a bona fide resident of the State of Nevada, that the affiant meets all the other requirements of subsection 1 and that the exemption is not claimed in any other county within this State. After the filing of the original affidavit, the county assessor shall, except as otherwise provided in this subsection, mail a form for:

(a) The renewal of the exemption; and

(b) The designation of any amount to be credited to the Gift Account for Veterans' Homes established pursuant to NRS 417.145, to the person each year following a year in which the exemption was allowed for that person. The form must be designed to facilitate its return by mail by the person claiming the exemption. If so requested by the person claiming the exemption, the county assessor may provide the form to the person by electronic means in lieu of by mail. The county assessor may authorize the return of the form by electronic means in accordance with the provisions of chapter 719 of NRS.

5. Before allowing any exemption pursuant to the provisions of this section, the county assessor shall require proof of the applicant's status, and for that purpose shall require the applicant to produce an original or certified copy of:

(a) An honorable discharge or other document of honorable separation from the Armed Forces of the United States which indicates the total percentage of his or her permanent service-connected disability;

(b) A certificate of satisfactory service which indicates the total percentage of his or her permanent service-connected disability; or

(c) A certificate from the Department of Veterans Affairs or any other military document which shows that he or she has incurred a permanent service-connected disability and which indicates the total percentage of that disability, together with a certificate of honorable discharge or satisfactory service.

(c) The surviving spouse has not remarried; and

(d) The surviving spouse is a bona fide resident of the State of Nevada.

The affidavit required by this subsection is in addition to the certification required pursuant to subsections 4 and 5. After the filing of the original affidavit required by this subsection, the county assessor shall, except as otherwise provided in this subsection, mail a form for renewal of the exemption to the person each year following a year in which the exemption was allowed for that person. The form must be designed to facilitate its return by mail by the person claiming the exemption. If so requested by the person claiming the exemption, the county assessor may provide the form to the person by electronic means in lieu of by mail. The county assessor may authorize the return of the form by electronic means in accordance with the provisions of chapter 719 of NRS.

7. If a veteran or the surviving spouse of a veteran submits, as proof of disability, documentation that indicates a percentage of permanent service-connected disability for more than one permanent service-connected disability, the amount of the exemption must be based on the total of those combined percentages, not to exceed 100 percent.

8. If a tax exemption is allowed under this section, the claimant is not entitled to an exemption under NRS 361.090.

9. If any person files a false affidavit or produces false proof to the county assessor or a notary public and, as a result of the false affidavit or false proof, the person is allowed a tax exemption to which the person is not entitled, the person is guilty of a gross misdemeanor.

10. Beginning with the 2005-2006 Fiscal Year, the monetary amounts in subsection 2 must be adjusted for each fiscal year by adding to the amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from July 2003 to the July preceding the fiscal year for which the adjustment is calculated. The Department shall provide to each county assessor the adjusted amount, in writing, on or before September 30 of each year.

4. Beginning with the 2005-2006 Fiscal Year, the monetary amount in subsection 1 must be adjusted for each fiscal year by adding to each amount the product of the amount multiplied by the percentage increase in the Consumer Price Index (All Items) from December 2003 to the December preceding the fiscal year for which the adjustment is calculated.

5. As used in this section, "person who is blind" includes any person whose visual acuity with correcting lenses does not exceed 20/200 in the better eye, or whose vision in the better eye is restricted to a field which subtends an angle of not greater than 20 degrees.

The following Assembly amendment was read:
Amendment No. 833.

"SUMMARY—Revises provisions relating to [competing for] public works by design professionals" (BDR 28-740)

"AN ACT relating to public works; revising provisions relating to preferences when competing for contracts for certain public works projects; requiring a contractor to replace an unacceptable subcontractor on a public work of this State without an increase in the amount of the bid; requiring a prime contractor to forfeit a portion of the amount of a contract for a public work under certain circumstances; revising the manner in which a construction manager at risk may solicit bids and select a subcontractor for a public work; revising provisions governing the selection of a construction manager at risk for preconstruction services and the construction of a public work; revising the manner in which a construction manager at risk may solicit bids and select a subcontractor for a public work; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, a contract for a public work involving a design-build team is awarded by a public body based on the application of certain criteria. A design-build team may qualify for a preference in bidding on such a contract if the contractor on the design-build team has submitted proof to the State Contractors' Board that the contractor has paid certain taxes to the State for the past 5 years. (NRS 338.1389, 338.147, 338.1727, 408.3886)

Section 1 of this bill allows a person who holds a certificate of registration to engage in the practice of architecture or landscape architecture or who holds a license as a professional engineer or professional land surveyor to qualify for a preference when competing for public works if the person has submitted proof to the appropriate licensing board that the person has paid certain taxes to the State for the past 3 years. Sections 26 and 31 of this bill allow a design-build team to receive a preference in selection as a finalist for a public work or a project for the construction, reconstruction or improvement of a highway if both the contractor and the design professionals on the design-build team possess a certificate of eligibility to receive their respective preferences. Sections 28 and 32 of this bill allow a design-build team that has been selected as a finalist for a public work or a project for the construction, reconstruction or improvement of a highway to receive a preference in selection for a contract only if both the contractor and the design professionals on the design-build team possess a certificate of eligibility to receive their respective preferences. Section 33 of this bill allows an architect, professional engineer or professional land surveyor to receive a preference in selection for certain public works if the architect, professional engineer or professional land surveyor possesses a
certificate of eligibility to receive a preference when competing for public works.

Existing law provides that a public body which selects a design-build team as a finalist in the selection process for a contract for a public work must make public specified information concerning the design-build team and its selection. (NRS 338.1725) Section 12 of this bill adds a similar requirement for the Department of Transportation to make public specified information concerning a design-build team and the selection of that design-build team as a finalist in the selection process for a contract for a project for the construction, reconstruction or improvement of a highway. Section 16 of this bill requires that a public body must, after selecting but before entering into a contract with a design professional who is not a member of a design-build team, transmit certain information concerning the selection of the design profession to the licensing board that regulates the design professional. That licensing board must post the information on its Internet website.

Before a contract for a public work of this State is awarded, existing law requires a contractor to replace a subcontractor that is named in the contractor's bid for the contract if the subcontractor is not properly licensed or has been disqualified from participating in public works sponsored by the State Public Works Board. (NRS 338.13895) Section 12 of this bill requires the contractor to replace such a subcontractor without an increase in the amount of the bid. This same requirement currently applies with respect to the replacement of a subcontractor named in a bid for a contract for a public work of a local government if the subcontractor is not properly licensed. (NRS 338.13895)

Under existing law, a contractor is required to list in his or her bid for a public work the names of certain subcontractors who will be performing work on the public work if the contractor is awarded the contract. Existing law sets forth requirements with which a prime contractor who is awarded the contract must comply to substitute a subcontractor for another subcontractor. (NRS 338.141) If a prime contractor does not comply with the requirements related to the substitution of subcontractors, section 13 of this bill requires the prime contractor to forfeit 1 percent of the contract amount as a penalty.

Existing law also requires a contractor to include his or her name on a bid for a public work if, as the prime contractor, the contractor will perform a portion of the work on the public work which is estimated to exceed 3 percent of the estimated cost of the public work. (NRS 338.141) Section 13 of this bill requires a prime contractor to forfeit a specified amount as a penalty if the prime contractor substitutes a subcontractor to perform the work that the prime contractor indicated on the bid that the prime contractor or another subcontractor would perform.

In order for a subcontractor to be eligible to provide materials, equipment, work or other services on a public work for which a
construction manager at risk was awarded a contract, existing law requires the subcontractor to be licensed and to be selected based on a process of competitive bidding set forth for all subcontractors on any public work in the State. (NRS 338.1699) Sections 4 and 5 of this bill change the manner in which a construction manager at risk selects subcontractors and sets forth specific procedures a construction manager at risk must follow when selecting subcontractors to provide materials, equipment, work or other services on a public work for which the construction manager at risk was awarded a contract.

Existing law authorizes a public body to construct a public work by selecting a construction manager at risk and sets forth certain procedures the public body must follow when selecting the construction manager at risk and entering into a contract with him or her for preconstruction services or to construct the public work. (NRS 338.169-338.1699) Sections 18-22 of this bill amend the provisions governing the way in which a public body must select a construction manager at risk. Existing law provides for a two-step selection process, wherein construction managers at risk must first submit a statement of qualifications, and then the public body selects finalists who are requested to submit final proposals and are interviewed before one is chosen to be awarded the contract. (NRS 338.1692-338.1695) Instead, sections 20 and 21 of this bill change the process to a single step: a construction manager at risk submits a proposal from the start, which contains a combination of the statement of qualifications and any material existing law required to be included in a final proposal, and the public body chooses which applicants to interview and which to select from those proposals. Section 22 of this bill allows a public body to enter into negotiations with the construction manager at risk who is providing the preconstruction services for the construction of a portion of the public work as soon as that portion of the design is finalized instead of waiting until the complete design is finished, as is currently required by existing law. In addition, section 22 allows the construction manager at risk providing preconstruction services to bid on the project if negotiations for the contract fail and the public body opens it up for bids.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto a new section to read as follows:

(2) Possesses a certificate of eligibility to receive a preference when
competing for public works.

3. The State Board of Professional Engineers and Land Surveyors

and submits to the Board an affidavit from a certified public accountant
setting forth that the professional engineer or professional land surveyor
has, while licensed as a professional engineer or professional land
surveyor in this State:

(a) Paid directly, on his or her own behalf the excise tax imposed upon

(a) The excise tax imposed upon an employer by NRS 363B.110 by an affiliate or parent company of the person, if the affiliate or parent company also satisfies the requirements of NRS 623.350, 623A.250 or 625.407, as applicable; and

(b) The excise tax imposed upon an employer by NRS 363B.110 by a joint venture in which the person is a participant, in proportion to the amount of interest the person has in the joint venture.

5. 6. Upon issuance, the certificate of eligibility to receive a preference when competing for public works becomes part of the design professional's license or certificate of registration for which the design professional submitted the application.

8. If a design professional who applies to a licensing board for a certificate of eligibility to receive a preference when competing for public works pursuant to subsection 1, 2 or 3 submits false information to the licensing board regarding the required payment of taxes, the design professional is not eligible to receive a preference when competing for public works for a period of 5 years after the date on which the licensing board becomes aware of the submission of the false information.

11. If a public body receives a written objection pursuant to subsection 10, the public body shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection and the public body or its authorized representative may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence, the public body shall determine whether the design professional qualifies for the certificate pursuant to the provisions of this section and the public body or its authorized representative may proceed to award the contract accordingly.

Sec. 3. 1. Notwithstanding the provisions of sections 4 and 5 of this act, and subject to the provisions of subsection 2, if a public body enters into a contract with a construction manager at risk for preconstruction services pursuant to NRS 338.1693, the construction manager at risk may
enter into a contract with a subcontractor licensed pursuant to chapter 624 of NRS to provide any of the following preconstruction services, the basis of payment for which is a negotiated price:

(a) Assisting the construction manager at risk in identifying and selecting materials and equipment to be provided by each subcontractor;

(b) Assisting the construction manager at risk in creating a schedule for the provision of labor, materials or equipment by each subcontractor;

(c) For the purpose of enabling the construction manager at risk to establish a budget for the construction of the public work, estimating the cost of labor, materials or equipment to be provided by each subcontractor; and

(d) Providing recommendations to the construction manager at risk regarding the design for the public work, as the design pertains to the labor, materials or equipment to be provided by each subcontractor.

2. A subcontractor may not provide preconstruction services pursuant to this section in an area of work outside the field or scope of the license of the subcontractor.

Sec. 4. 1. To be eligible to provide labor, materials or equipment on a public work, the contract for which a public body has entered into with a construction manager at risk pursuant to NRS 338.1696, a subcontractor must be:

(a) Licensed pursuant to chapter 624 of NRS; and

(b) Qualified pursuant to the provisions of this section to submit a proposal for the provision of labor, materials or equipment on a public work.

2. Subject to the provisions of subsections 3, 4 and 5, the construction manager at risk shall determine whether an applicant is qualified to submit a proposal for the provision of labor, materials or equipment on the public work for the purposes of paragraph (b) of subsection 1.

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to apply to qualify to submit a meaningful and responsive proposal for the provision of labor, materials or equipment on the public work, and not later than 21 days before the date by which such an application must be submitted, the construction manager at risk shall advertise for such applications in a newspaper qualified pursuant to chapter 238 of NRS that is published in the county where the public work will be performed. If no qualified newspaper is published in the county where the public work will be performed, the advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county.

4. The criteria to be used by the construction manager at risk when determining whether an applicant is qualified to submit a proposal for the provision of labor, materials or equipment must include, and must be limited to:

(b) The financial ability of the applicant to provide the labor, materials or equipment required on the public work;
(c) Whether the applicant has the ability to obtain the necessary bonding for the work required by the public body;
(d) The safety programs established and the safety records accumulated by the applicant;
(e) Whether the applicant has breached any contracts with a public body or person in this State or any other state during the 5 years immediately preceding the application;
(f) Whether the applicant has been disciplined or fined by the State Contractors' Board or another state or federal agency for conduct that relates to the ability of the applicant to perform the public work;
(g) The performance history of the applicant concerning other recent, similar public or private contracts, if any, completed by the applicant in Nevada;
(h) The principal personnel of the applicant;
(i) Whether the applicant has been disqualified from the award of any contract pursuant to NRS 338.017 or 338.13895; and
(j) The truthfulness and completeness of the application.

5. The public body or its authorized representative shall ensure that each determination made pursuant to subsection 2 is made subject to the provisions of subsection 4.

6. The construction manager at risk shall notify each applicant and the public body in writing of a determination made pursuant to subsection 2.

7. A determination made pursuant to subsection 2 that an applicant is not qualified may be appealed pursuant to NRS 338.1381 to the public body with whom the construction manager at risk has entered into a contract for the construction of the public work.

Sec. 5. 1. If a public body enters into a contract with a construction manager at risk for the construction of a public work pursuant to NRS 338.1696, the construction manager at risk may enter into a subcontract for the provision of labor, materials and equipment necessary for the construction of the public work only as provided in this section.

2. The provisions of this section apply only to a subcontract for which the estimated value is at least 1 percent of the total cost of the public work.

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to submit a meaningful and responsive proposal, and not later than 21 days before the date by which a proposal for the provision of labor, materials or equipment by a subcontractor must be submitted, the construction manager at risk shall notify in writing each subcontractor who was determined pursuant to section 4 of this act to be qualified to submit such a proposal of a request
for such proposals. A copy of the notice required pursuant to this subsection must be provided to the public body.

4. The notice required pursuant to subsection 3 must include, without limitation:
   (a) A description of the design for the public work and a statement indicating where a copy of the documents relating to that design may be obtained;
   (b) A description of the type and scope of labor, equipment and materials for which subcontractor proposals are being sought;
   (c) The dates on which it is anticipated that construction of the public work will begin and end;
   (d) The date, time and place at which a preproposal meeting will be held;
   (e) The date and time by which proposals must be received, and to whom they must be submitted;
   (f) The date, time and place at which proposals will be opened for evaluation;
   (g) A description of the bonding and insurance requirements for subcontractors;
   (h) Any other information reasonably necessary for a subcontractor to submit a responsive proposal; and
   (i) A statement in substantially the following form:

   Notice: For a proposal for a subcontract on the public work to be considered:
   1. The subcontractor must be licensed pursuant to chapter 624 of NRS;
   2. The proposal must be timely received;
   3. The subcontractor must attend the preproposal meeting; and
   4. The subcontractor may not modify the proposal after the date and time the proposal is received.
   5. A subcontractor may not modify a proposal after the date and time the proposal is received.
   6. To be considered responsive, a proposal must:
      (a) Be timely received by the construction manager at risk; and
      (b) Substantially and materially conform to the details and requirements included in the proposal instructions and for the finalized bid package for the public work, including, without limitation, details and requirements affecting price and performance.
   7. The opening of the proposals must be attended by an authorized representative of the public body and the architect or engineer responsible for the design of the public work but is not otherwise open to the public.
   8. At the time the proposals are opened, the construction manager at risk shall compile and provide to the public body or its authorized representative a list that includes, without limitation, the name and contact information of each subcontractor who submits a timely proposal and the
price of the proposal submitted by the subcontractor. The list must be made available to the public upon request.

9. Not less than 10 working days after opening the proposal, the construction manager at risk shall:
   (a) Evaluate the proposals and determine which proposals are responsive.
   (b) Select the subcontractor who submits the proposal that the construction manager at risk determines is the best proposal. The subcontractor must be selected from among those:
       (1) Who attended the preproposal meeting;
       (2) Who submitted a responsive proposal; and
       (3) Whose names are included on the list compiled and provided to the public body or its authorized representative pursuant to subsection 8.
   (c) Inform the public body or its authorized representative which subcontractor has been selected.

10. The public body or its authorized representative shall ensure that the evaluation of proposals and selection of subcontractors are done pursuant to the provisions of this section and regulations adopted by the State Public Works Board.

11. A subcontractor selected pursuant to subsection 9 need not be selected by the construction manager at risk solely on the basis of lowest price.

12. Except as otherwise provided in subsection 13, the construction manager at risk shall enter into a subcontract with a subcontractor selected pursuant to subsection 9 to provide the labor, materials or equipment described in the request for proposals.

13. A construction manager at risk shall not substitute a subcontractor for any subcontractor selected pursuant to subsection 9 unless:
   (a) The public body or its authorized representative objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change; or
   (b) The substitution is approved by the public body after the selected subcontractor:
       (1) Files for bankruptcy or becomes insolvent;
       (2) After having a reasonable opportunity, fails or refuses to execute a written contract with the construction manager at risk which was offered to the selected subcontractor with the same general terms that all other subcontractors on the project were offered;
       (3) Fails or refuses to perform the subcontract within a reasonable time;
       (4) Is unable to furnish a performance bond and payment bond pursuant to NRS 339.025, if required for the public work; or
       (5) Is not properly licensed to provide that labor or portion of the work.
14. The construction manager at risk shall make available to the public, including, without limitation, each subcontractor who submits a proposal, the final rankings of the subcontractors and shall provide, upon request, an explanation to any subcontractor who is not selected of the reasons why the subcontractor was not selected.

15. If a public work is being constructed in phases, and a construction manager at risk selects a subcontractor pursuant to subsection 9 for the provision of labor, materials or equipment for any phase of that construction, the construction manager at risk may select that subcontractor for the provision of labor, materials or equipment for any other phase of the construction without following the requirements of subsections 3 to 11, inclusive.

   (a) Commence a public work for which the estimated cost exceeds $100,000 unless it advertises in a newspaper qualified pursuant to chapter 238 of NRS that is published in the county where the public work will be performed for bids for the public work. If no qualified newspaper is published in the county where the public work will be performed, the required advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county.
   (b) Commence a public work for which the estimated cost is $100,000 or less unless it complies with the provisions of NRS 338.1386, 338.13862 and 338.13864 and, with respect to the State, NRS 338.1384 to 338.13847, inclusive.

4. Approved plans and specifications for the bids must be on file at a place and time stated in the advertisement for the inspection of all persons
desiring to bid thereon and for other interested persons. Contracts for the public work must be awarded on the basis of bids received.

5. Except as otherwise provided in subsection 6 and NRS 338.1389, a public body or its authorized representative shall award a contract to the lowest responsive and responsible bidder.

6. Any bids received in response to an advertisement for bids may be rejected if the public body or its authorized representative responsible for awarding the contract determines that:
   (a) The bidder is not a qualified bidder pursuant to NRS 338.1379 or 338.1382;
   (b) The bidder is not responsive or responsible;
   (c) The quality of the services, materials, equipment or labor offered does not conform to the approved plans or specifications; or
   (d) The public interest would be served by such a rejection.

7. A public body may let a contract without competitive bidding if no bids were received in response to an advertisement for bids and:

   (b) The public body considers any bid submitted in response to the notice published pursuant to paragraph (a);
   (c) The public body lets the contract not less than 7 days after publishing a notice pursuant to paragraph (a); and
   (d) The contract is awarded to the bidder who has submitted the lowest responsive and responsible bid.

8. Before a public body may commence the performance of a public work itself pursuant to the provisions of this section, based upon a determination that the public interest would be served by rejecting any bids received in response to an advertisement for bids, the public body shall prepare and make available for public inspection a written statement containing:
   (a) A list of all persons, including supervisors, whom the public body intends to assign to the public work, together with their classifications and an estimate of the direct and indirect costs of their labor;

   (c) An estimate of the cost of administrative support for the persons assigned to the public work;
   (d) An estimate of the total cost of the public work, including the fair market value of or, if known, the actual cost of all materials, supplies, labor and equipment to be used for the public work; and
   (e) An estimate of the amount of money the public body expects to save by rejecting the bids and performing the public work itself.

9. This section does not apply to:
   (a) Any utility subject to the provisions of chapter 318 or 710 of NRS;

Sec. 12. NRS 338.13895 is hereby amended to read as follows:

338.13895 1. The State Public Works Board shall not award a contract to a person who, at the time of the bid, is not properly licensed under the provisions of chapter 624 of NRS or if the contract would exceed the limit of the person's license. A subcontractor who is:

(a) Named in the bid for the contract as a subcontractor who will provide a portion of the work on the public work pursuant to NRS 338.141; and

(b) Not properly licensed for that portion of the work, or who, at the time of the bid, is on disqualified status with the State Public Works Board pursuant to NRS 338.1376, shall be deemed unacceptable. If the subcontractor is deemed unacceptable pursuant to this subsection, the contractor shall provide an acceptable subcontractor with no increase in the amount of the contract or bid.

2. A local government awarding a contract for a public work shall not award the contract to a person who, at the time of the bid, is not properly licensed under the provisions of chapter 624 of NRS or if the contract would exceed the limit of the person's license. A subcontractor who is:

(a) Named in the bid for the contract as a subcontractor who will provide a portion of the work on the public work pursuant to NRS 338.141; and

(b) Not properly licensed for that portion of work, shall be deemed unacceptable. If the subcontractor is deemed unacceptable pursuant to this subsection, the contractor shall provide an acceptable subcontractor with no increase in the amount of the contract or bid.

3. If, after awarding the contract, but before commencement of the work, the public body or its authorized representative discovers that the person to whom the contract was awarded is not licensed, or that the contract would
exceed the person's license, the public body or its authorized representative shall rescind the award of the contract and may accept the next lowest bid for that public work from a responsive bidder who was determined by the public body or its authorized representative to be a qualified bidder pursuant to NRS 338.1379 or 338.1382 without requiring that new bids be submitted.

Sec. 13. **NRS 338.141 is hereby amended to read as follows:**

338.141 1. Except as otherwise provided in NRS 338.1727, each bid submitted to a public body for any public work to which paragraph (a) of subsection 1 of NRS 338.1385 or paragraph (a) of subsection 1 of NRS 338.143 applies, must include:

   (a) If the public body provides a list of the labor or portions of the public work which are estimated by the public body to exceed 3 percent of the estimated cost of the public work, the name of each first tier subcontractor who will provide such labor or portion of the work on the public work which is estimated to exceed 3 percent of the estimated cost of the public work; or

   (b) If the public body does not provide a list of the labor or portions of the public work which are estimated by the public body to exceed 3 percent of the estimated cost of the public work, the name of each first tier subcontractor who will provide labor or a portion of the work on the public work to the prime contractor for which the first tier subcontractor will be paid an amount exceeding 5 percent of the prime contractor's total bid. If the bid is submitted pursuant to this paragraph, within 2 hours after the completion of the opening of the bids, the contractors who submitted the three lowest bids must submit a list containing the name of each first tier subcontractor who will provide labor or a portion of the work on the public work to the prime contractor for which the first tier subcontractor will be paid an amount exceeding 1 percent of the prime contractor's total bid or $50,000, whichever is greater, and the number of the license issued to the first tier subcontractor pursuant to chapter 624 of NRS.

2. The lists required by subsection 1 must include a description of the labor or portion of the work which each first tier subcontractor named in the list will provide to the prime contractor.

3. A prime contractor shall include his or her name on a list required by paragraph (a) or (b) of subsection 1 if, as the prime contractor, the prime contractor will perform any of the work required to be listed pursuant to paragraph (a) or (b) of subsection 1.

4. Except as otherwise provided in this subsection, if a contractor:

   (a) Fails to submit the list within the required time; or

   (b) Submits a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the State Public Works Board pursuant to NRS 338.1376,

   the contractor's bid shall be deemed not responsive. A contractor's bid shall not be deemed not responsive on the grounds that the contractor submitted a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the State Public
Works Board pursuant to NRS 338.1376 if the contractor, before the award of the contract, provides an acceptable replacement subcontractor in the manner set forth in subsection 1 or 2 of NRS 338.13895.

5. A prime contractor whose bid is accepted shall not substitute a subcontractor for any subcontractor who is named in the bid, unless:

(a) The public body or its authorized representative objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change.

(b) The substitution is approved by the public body or its authorized representative. The substitution must be approved if the public body or its authorized representative determines that:

1. The named subcontractor, after having a reasonable opportunity, fails or refuses to execute a written contract with the contractor which was offered to the named subcontractor with the same general terms that all other subcontractors on the project were offered;

2. The named subcontractor files for bankruptcy or becomes insolvent;

3. The named subcontractor fails or refuses to perform his or her subcontract within a reasonable time or is unable to furnish a performance bond and payment bond pursuant to NRS 339.025; or

4. The named subcontractor is not properly licensed to provide that labor or portion of the work.

(c) If the public body awarding the contract is a governing body, the public body or its authorized representative, in awarding the contract pursuant to NRS 338.1375 to 338.139, inclusive:

1. Applies such criteria set forth in NRS 338.1377 as are appropriate for subcontractors and determines that the subcontractor does not meet that criteria; and

2. Requests in writing a substitution of the subcontractor.

6. If a prime contractor substitutes a subcontractor for any subcontractor who is named in the bid without complying with the provisions of subsection 5, the prime contractor shall forfeit, as a penalty to the public body that awarded the contract, an amount equal to 1 percent of the total amount of the contract.

7. If a prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, after the submission of the bid, a subcontractor to perform such work, the prime contractor shall provide to the public body a written explanation in the form required by the public body which contains the reasons that:

(a) A subcontractor was not originally contemplated to be used on that portion of the public work; and

(b) The substitution is in the best interest of the public body.

If a prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, after the submission of the bid, a subcontractor to perform such work, the prime contractor shall provide to the public body a written explanation in the form required by the public body which contains the reasons that:

(a) A subcontractor was not originally contemplated to be used on that portion of the public work; and

(b) The substitution is in the best interest of the public body.

If a prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, after the submission of the bid, a subcontractor to perform such work, the prime contractor shall provide to the public body a written explanation in the form required by the public body which contains the reasons that:

(a) A subcontractor was not originally contemplated to be used on that portion of the public work; and

(b) The substitution is in the best interest of the public body.

If a prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, after the submission of the bid, a subcontractor to perform such work, the prime contractor shall provide to the public body a written explanation in the form required by the public body which contains the reasons that:

(a) A subcontractor was not originally contemplated to be used on that portion of the public work; and

(b) The substitution is in the best interest of the public body.

If a prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, after the submission of the bid, a subcontractor to perform such work, the prime contractor shall provide to the public body a written explanation in the form required by the public body which contains the reasons that:

(a) A subcontractor was not originally contemplated to be used on that portion of the public work; and

(b) The substitution is in the best interest of the public body.

Sec. 21. NRS 338.1693 is hereby amended to read as follows:

338.1693 1. The public body or its authorized representative shall appoint a panel consisting of at least three members, at least two of whom must have experience in the construction industry, to rank the [statements of qualifications] proposals submitted to the public body by evaluating the [statements of qualifications] proposals as required pursuant to subsections 2 and 3.

2. The panel shall rank the [statements of qualifications] proposals by:
   (a) Verifying that each applicant satisfies the requirements of NRS 338.1691; and
   (b) [Conducting an evaluation of the qualifications of each applicant based on the factors and relative weight assigned to each factor that the public body specified in the request for statements of qualifications advertised pursuant to NRS 338.1692.]

3. When ranking the [statements of qualifications] proposals, the panel shall assign a relative weight of 5 percent to the possession of a certificate of eligibility to receive a preference in bidding on public works. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that work.

4. After the panel ranks the [statements of qualifications] proposals, the public body or its authorized representative shall:
   (a) Make available to the public the rankings of the applicants; and
   (b) Except as otherwise provided in subsection 5, select at least the two but not more than the five applicants that the panel determined to be most qualified as finalists to submit final proposals to the public body pursuant to NRS 338.1694 whose proposals received the highest scores for interviews. During the interview process, the public body or its authorized representative may require the applicants to submit a preliminary proposed amount of compensation for managing the preconstruction and construction of the public work, but in no event shall the proposed amount of compensation exceed 20 percent of the scoring for the selection of the most qualified applicant. After conducting such interviews, the panel shall rank the applicants by using a ranking process that is separate from the process used to rank proposals pursuant to subsection 2 and is based only on information submitted during the interview process. The score to be given for the proposed amount of compensation, if any, must be calculated...
by dividing the lowest of all the proposed amounts of compensation by the applicant's proposed amount of compensation multiplied by the total possible points available to each applicant.

5. If the public body did not receive at least two proposals, the public body may not contract with a construction manager at risk.

6. Upon receipt of the final rankings of the applicants from the panel, the public body or its authorized representative shall enter into negotiations with the most qualified applicant determined pursuant to subsections 2, 3 and 4 for a contract for preconstruction services, unless the public body required the submission of a proposed amount of compensation, in which case the proposed amount of compensation submitted by the applicant must be the amount offered for the contract. If the public body or its authorized representative is unable to negotiate a contract with the most qualified applicant for an amount of compensation that the public body or its authorized representative determine to be fair and reasonable, the public body or its authorized representative shall terminate negotiations with that applicant. The public body or its authorized representative may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached and, if the negotiation is undertaken by an authorized representative of the public body, approved by the public body or until a determination is made by the public body to reject all applicants.

7. The public body or its authorized representative shall make available to all applicants and the public the final rankings of the applicants and shall provide, upon request, an explanation to any unsuccessful applicant of the reasons why the applicant was unsuccessful.

Sec. 22. NRS 338.1696 is hereby amended to read as follows:

338.1696 1. If a public body enters into a contract with a construction manager at risk for preconstruction services pursuant to NRS 338.1695, after the public body has finalized the design for the public work, or any portion thereof sufficient to determine the provable cost of that portion, the public body shall enter into negotiations with the construction manager at risk for a contract to construct the public work or the portion thereof for the public body for:

(a) The cost of the work, plus a fee, with a guaranteed maximum price;

(b) A fixed price; or

(c) A fixed price plus reimbursement for overhead and other costs and expenses related to the construction of the public work, or portion thereof, the public body shall:

(b) (a) May award the contract for the public work:
(1) If the public body is not a local government, pursuant to the provisions of NRS 338.1377 to 338.139, inclusive.

(2) If the public body is a local government, pursuant to the provisions of NRS 338.1377 to 338.139, inclusive, or 338.143 to 338.148, inclusive; and

(b) Shall accept a bid to construct the public work from the construction manager at risk with whom the public body entered into a contract for preconstruction services.

Sec. 23. NRS 338.1698 is hereby amended to read as follows:
338.1698 A contract awarded to a construction manager at risk pursuant to NRS 338.1695 or 338.1696:
1. Must comply with the provisions of NRS 338.020 to 338.090, inclusive.
2. Must specify a date by which performance of the work required by the contract must be completed.
3. May set forth the terms by which the construction manager at risk agrees to name the public body, at the cost of the public body, as an additional insured in an insurance policy held by the construction manager at risk.
4. Must require that the construction manager at risk to whom a contract is awarded assume overall responsibility for ensuring that the preconstruction or construction of the public work, as applicable, is completed in a satisfactory manner.
5. May include such additional provisions as may be agreed upon by the public body and the construction manager at risk.

Sec. 24. NRS 338.1711 is hereby amended to read as follows:
338.1711 1. Except as otherwise provided in this section and NRS 338.161 to 338.1699, inclusive, and sections 3, 4 and 5 of this act, a public body shall contract with a prime contractor for the construction of a public work for which the estimated cost exceeds $100,000.
2. A public body may contract with a design-build team for the design and construction of a public work that is a discrete project if the public body has approved the use of a design-build team for the design and construction of the public work and the public work:
   (a) Is the construction of a park and appurtenances thereto, the rehabilitation or remodeling of a public building, or the construction of an addition to a public building; or
   (b) Has an estimated cost which exceeds $5,000,000.

Sec. 25. NRS 338.1718 is hereby amended to read as follows:
338.1718 1. A construction manager as agent:
(a) Must:
   (1) Be a contractor licensed pursuant to chapter 624 of NRS;
   (2) Hold a certificate of registration to practice architecture, interior design or residential design pursuant to chapter 623 of NRS; or
(3) Be licensed as a professional engineer pursuant to chapter 625 of NRS.

(b) May enter into a contract with a public body to assist in the planning, scheduling and management of the construction of a public work without assuming any responsibility for the cost, quality or timely completion of the construction of the public work. A construction manager as agent who enters into a contract with a public body pursuant to this section may not take part in the design or construction of the public work; or

(1) Take part in the design or construction of the public work;

(2) Act as an agent of the public body to select a subcontractor if the work to be performed by the subcontractor is part of a larger public work.

2. A contract between a public body and a construction manager as agent is not required to be awarded by competitive bidding.

Sec. 4. Sec. 26. NRS 338.1725 is hereby amended to read as follows:

338.1725 1. The public body shall select at least two but not more than four finalists from among the design-build teams that submitted preliminary proposals. If the public body does not receive at least two preliminary proposals from design-build teams that the public body determines to be qualified pursuant to this section and NRS 338.1721, the public body may not contract with a design-build team for the design and construction of the public work.

2. The public body shall select finalists pursuant to subsection 1 by:

(a) Verifying that each design-build team which submitted a preliminary proposal satisfies the requirements of NRS 338.1721; and

(b) Conducting an evaluation of the qualifications of each design-build team that submitted a preliminary proposal, including, without limitation, an evaluation of:

(1) The professional qualifications and experience of the members of the design-build team;

(2) The performance history of the members of the design-build team concerning other recent, similar projects completed by those members, if any;

(3) The safety programs established and the safety records accumulated by the members of the design-build team; and

(4) The proposed plan of the design-build team to manage the design and construction of the public work that sets forth in detail the ability of the design-build team to design and construct the public work; and

(c) Except as otherwise provided in this paragraph, assigning, without limitation, a relative weight of 5 percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by all contractors on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all design professionals on the design-build team. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this
paragraph relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this paragraph do not apply insofar as their application would preclude or reduce federal assistance for that public work.

3. After the selection of finalists pursuant to this section, the public body shall make available to the public the results of the evaluations of preliminary proposals conducted pursuant to paragraph (b) of subsection 2 and identify which of the finalists, if any, received an assignment of 5 percent pursuant to paragraph (c) of subsection 2.

Sec. 27. NRS 338.1727 is hereby amended to read as follows:

338.1727 1. After selecting the finalists pursuant to NRS 338.1725, the public body shall provide to each finalist a request for final proposals for the public work. The request for final proposals must:

(a) Set forth the factors that the public body will use to select a design-build team to design and construct the public work, including the relative weight to be assigned to each factor; and

(b) Set forth the date by which final proposals must be submitted to the public body.

2. If one or more of the finalists selected pursuant to NRS 338.1725 is disqualified or withdraws, the public body may select a design-build team from the remaining finalist or finalists.

3. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the public body shall assign, without limitation, a relative weight of 5 percent to the possession of a certificate of eligibility to receive a preference in bidding on public works by all contractors on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all design professionals on the design-build team, and a relative weight of at least 30 percent to the proposed cost of design and construction of the public work. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection relating to preference in bidding on public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that public work.

4. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly and be responsive to the criteria that the public body will use to select a design-build team to design and construct the public work described in subsection 1. Sec. 31. NRS 408.3885 is hereby amended to read as follows:

408.3885 1. The Department shall select at least three but not more than five finalists from among the design-build teams that submitted preliminary proposals. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this paragraph relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this paragraph do not apply insofar as their application would preclude or reduce federal assistance for that public work.

3. After the selection of finalists pursuant to this section, the Department shall make available to the public the results of the evaluations of preliminary proposals conducted pursuant to paragraph (b) of subsection 2 and identify which of the finalists, if any, received an assignment of 5 percent pursuant to paragraph (c) of subsection 2.

2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of 5 percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team, and a relative weight of at least 30 percent for the proposed cost of design and construction of the project. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this
subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.

3. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly, be responsive to the criteria that the Department will use to select a design-build team to design and construct the project described in subsection 1 and comply with the provisions of NRS 338.141.

4. After receiving the final proposals for the project, the Department shall:

In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:
   (a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or
   (b) Reject all the best and final offers.

6. If the Department selects a final proposal pursuant to paragraph (a) of subsection 4 or selects a best and final offer pursuant to paragraph (a) of subsection 5, the Department shall hold a public meeting to:

The amount of reimbursement must not exceed, for each unsuccessful finalist, 3 percent of the total amount to be paid to the design-build team as set forth in the design-build contract.
   (c) Make available to the public a summary setting forth the factors used by the Department to select the successful design-build team and the ranking of the design-build teams who submitted final proposals and, if applicable, best and final offers. The Department shall not release to a third party, or
otherwise make public, financial or proprietary information submitted by a design-build team.

      (2) An amount that is the maximum amount that the Department will pay for the performance of the professional services required by the contract; and
      (3) A date by which performance of the work required by the contract must be completed.

8. A design-build team to whom a contract is awarded pursuant to this section shall:
   (a) Assume overall responsibility for ensuring that the design and construction of the project is completed in a satisfactory manner; and
   (b) Use the workforce of the prime contractor on the design-build team to construct at least 15 percent of the project.

   (c) Authorize a professional engineer, registered architect or professional land surveyor to practice in violation of any of the provisions of this chapter or chapter 623 of NRS.

3. The selection of a professional engineer, professional land surveyor or registered architect to perform services pursuant to subsection 1 must be
made on the basis of the competence and qualifications of the engineer, land surveyor or architect for the type of services to be performed and not on the basis of competitive fees. If, after selection of the engineer, land surveyor or architect, an agreement upon a fair and reasonable fee cannot be reached with him or her, the public agency may terminate negotiations and select another engineer, land surveyor or architect. *Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a professional engineer, professional land surveyor or registered architect pursuant to this subsection, the public agency shall assign, without limitation, a relative weight of 5 percent to the possession of a certificate of eligibility to receive a preference when competing for public works. Legislative Counsel's Digest:

Existing law authorizes a bank to hold real property that the bank acquires through the collection of debts owed to it for up to 10 years, and section 1 of this bill reduces that period to 5 years, except that a bank may request an extension of that period from the Commissioner of Financial Institutions of
not more than 5 years. Existing law also requires a bank to charge off the real property on a schedule of not less than 10 percent per year, or at a greater percentage if so required by the Commissioner. (NRS 662.015) [This bill]

Section 1 removes the requirement that a bank annually charge off a certain percentage of the value of such real property.

Existing law charges the Commissioner with certain duties and responsibilities related to retail trust companies, including investigating companies that apply for licensure as a retail trust company, issuing licenses to qualified companies to operate as a retail trust company and removing from office an officer, director, manager or employee of a retail trust company for certain conduct. (NRS 657.180, 669.085, 669.090, 669.130, 669.150, 669.160, 669.281) Section 3 of this bill requires the Commissioner to consider certain criteria related to the potential long-term success of a trust company before approving the company's application for licensure to operate as a retail trust company. Section 4 of this bill requires a person who intends to obtain control of a retail trust company to submit an application for licensure to the Commissioner. Section 7 of this bill requires the Commissioner to provide to an applicant for licensure as a retail trust company written notice of any grounds for denial of an application and authorizes the applicant to cure any defect or deficiency in the application and resubmit the application within a certain period. Section 8 of this bill provides that a person who is removed from office by the Commissioner may appeal his or her removal from office within a certain period.

Existing law requires a retail trust company to maintain at least 50 percent of its required stockholders' equity in cash, unless the Commissioner approves a different amount, with the remaining amount to be held in the form of readily marketable securities or certain other assets that may be approved by the Commissioner. Existing law also requires a noncustodial trust company to maintain 50 percent of its required minimum capital in cash. (NRS 669.100) Section 6 of this bill requires a retail trust company to maintain a certain amount of its required stockholders' equity in the form of cash or certain cash equivalents and authorizes a retail trust company to hold the remaining amount of the required stockholders' equity in the form of readily marketable securities or certain other assets upon the approval of the Commissioner. Section 6 further requires that bonds or other evidence of indebtedness held by a retail trust company as part of its required stockholders' equity meet certain investment standards. Section 6 also requires a noncustodial trust company to maintain 25 percent of its required minimum capital in the form of cash.

Amendment No. 811.

"SUMMARY—Revises certain provisions governing financial institutions. (BDR 55-737)"

"AN ACT relating to financial institutions; revising provisions governing the period that a bank may hold certain real property; removing provisions requiring a bank annually to charge off a certain percentage of the value of certain real property held by the bank and acquired as a result of a debt owed to the bank; revising provisions governing the review of certain applications for licensure by the Commissioner of Financial Institutions; revising provisions relating to the control of a retail trust company; revising provisions governing the assets which certain trust companies are required to maintain; revising provisions governing applications for a license to operate a retail trust company; authorizing certain persons to appeal certain decisions of the Commissioner; requiring the State Controller to develop and operate with financial institutions a data-match system for the collection of certain debts owed to the State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law authorizes a bank to hold real property that the bank acquires through the collection of debts owed to it for up to 10 years, and section 1 of this bill reduces that period to 5 years, except that a bank may request an extension of that period from the Commissioner of Financial Institutions of not more than 5 years. Existing law also requires a bank to charge off the real property on a schedule of not less than 10 percent per year, or at a greater percentage if so required by the Commissioner. (NRS 662.015) Section 1 removes the requirement that a bank annually charge off a certain percentage of the value of such real property.

Existing law charges the Commissioner with certain duties and responsibilities related to retail trust companies, including investigating
companies that apply for licensure as a retail trust company, issuing licenses to qualified companies to operate as a retail trust company and removing from office an officer, director, manager or employee of a retail trust company for certain conduct. (NRS 657.180, 669.085, 669.090, 669.130, 669.150, 669.160, 669.281) **Section 3** of this bill requires the Commissioner to consider certain criteria related to the potential long-term success of a trust company before approving the company’s application for licensure to operate as a retail trust company. **Section 4** of this bill requires a person who intends to obtain control of a retail trust company to submit an application for licensure to the Commissioner. **Section 7** of this bill requires the Commissioner to provide to an applicant for licensure as a retail trust company written notice of any grounds for denial of an application and authorizes the applicant to cure any defect or deficiency in the application and resubmit the application within a certain period. **Section 8** of this bill provides that a person who is removed from office by the Commissioner may appeal his or her removal from office within a certain period.

Existing law requires a retail trust company to maintain at least 50 percent of its required stockholders' equity in cash, unless the Commissioner approves a different amount, with the remaining amount to be held in the form of readily marketable securities or certain other assets that may be approved by the Commissioner. Existing law also requires a noncustodial trust company to maintain 50 percent of its required minimum capital in cash. (NRS 669.100) **Section 6** of this bill requires a retail trust company to maintain a certain amount of its required stockholders' equity in the form of cash or certain cash equivalents and authorizes a retail trust company to hold the remaining amount of the required stockholders' equity in the form of readily marketable securities or certain other assets upon the approval of the Commissioner. **Section 6** further requires that bonds or other evidence of indebtedness held by a retail trust company as part of its required stockholders' equity meet certain investment standards. **Section 6** also requires a noncustodial trust company to maintain 25 percent of its required minimum capital in the form of cash.

**Section 10** of this bill requires the State Controller to develop and operate a system for matching data to collect outstanding debts owed to the State. Financial institutions in this State must provide to the State Controller information on persons who maintain accounts at the financial institution and are identified by the State Controller as owing outstanding debts to the State. Financial institutions are then required to encumber assets held in the financial institution by the debtors to pay their debts.

Senator Schneider moved that the Senate do not concur in the Assembly amendments to Senate Bill No. 136.

Motion carried.

Bill ordered transmitted to the Assembly.

Senate Bill No. 365.

The following Assembly amendment was read:

Amendment No. 639.

"SUMMARY—Eliminates certain mandates pertaining to school districts and public schools in this State. (BDR 34-184)"

"AN ACT relating to education; eliminating certain requirements imposed by statute on school districts and public schools in this State; requiring the board of trustees of each school district to review certain plans, policies, programs and procedures; requiring the board of trustees of certain school districts to adopt a pilot program to provide a program of small learning communities in certain middle schools, junior high schools and high schools; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, the board of trustees of each school district is required to adopt a policy to engage certain administrators in the classroom. (NRS 391.235) Section 21.5 of this bill makes the adoption of such a policy permissive rather than mandatory.

Under existing federal law, a school which is served under Title I and which is identified as needing improvement pursuant to the federal law is required to develop and implement a school improvement plan. (20 U.S.C. § 6316(b)(3)) Also under existing federal law, a school district which is served under Title I and which is identified as needing improvement pursuant to the federal law is required to develop and implement a plan for improvement for the school district. (20 U.S.C. § 6316(c)(7)) Under existing state law, the board of trustees of each school district is required to prepare a plan to improve the achievement of pupils enrolled in the school district. (NRS 385.348) Also under existing law, the principal of each public school is required to prepare a plan to improve the achievement of pupils enrolled in the school. This bill repeals both of those state statutory requirements relating to plans for improvement.
Under existing law, certain school districts in this State are required to adopt a policy providing for the creation of small learning communities for certain pupils enrolled in middle school or junior high school and high school. (NRS 388.171, 388.215) [This bill repeals these statutory requirements.

Under existing law, the boards of trustees of school districts are required to enforce in the public schools the use of textbooks prescribed by the State Board of Education. (NRS 390.220) This bill repeals that statutory requirement.

Section 21.3 of this bill requires the board of trustees of each school district which includes at least one high school with an enrollment of 1,200 pupils or more to adopt a pilot program of small learning communities for implementation in at least 50 percent of those high schools. Section 36.3 of this bill requires the board of trustees of each school district which includes at least one middle school or junior high school with an enrollment of 500 pupils or more to adopt a pilot program of small learning communities for pupils in their initial year of enrollment for implementation in at least 50 percent of those schools. Sections 36.5 and 38 of this bill require both pilot programs to be implemented beginning with the 2013-2014 school year.

Under existing law, effective on July 1, 2011, an academic plan must be developed for each pupil enrolled in middle school or junior high school in accordance with a policy adopted by the board of trustees of the school district. Section 36.5 of this bill extends the date for adoption of such a policy to January 1, 2013, for implementation beginning with the 2013-2014 school year.

Section 37.5 of this bill authorizes the board of trustees of each school district to review certain plans, policies, programs and procedures. If the board of trustees of a school district conducts such a review, the board of trustees is required to prepare a written report on the plans, policies, programs and procedures which the board of trustees determines place an unfunded mandate and an undue financial hardship on the school district and submit the written report, on or before August 1, 2012, to the Legislative Committee on Education and the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature.

The following amendment was proposed by the Committee on Finance:
Amendment No. 873.
"SUMMARY—Makes various changes concerning the administration of child welfare services. (BDR 38-1218)"
"AN ACT relating to protection of children; revising provisions governing the corrective actions that are required when an agency which provides child welfare services is not in compliance with certain laws, plans or policies; providing for the Division of Child and Family Services of the Department of Health and Human Services to award block grants, categorical grants and to administer a program to award incentive payments to an agency which provides child welfare services in larger counties; requiring the Division to submit an annual report to the Governor and the Legislature concerning the program to award incentive payments; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law the Division of Child and Family Services of the Department of Health and Human Services provides child welfare services directly or arranges for the provision of such services in smaller counties. The Division further administers all federal money granted to the State for child welfare services and coordinates and monitors the delivery of child welfare services in this State. The Division further evaluates all child welfare services provided throughout the State and is required to ensure that agencies
which provide child welfare services carry out corrective actions when the agencies are not in compliance with the law or with statewide plans or policies. (NRS 432B.180) **Section 2** of this bill requires an agency which provides child welfare services to carry out such corrective actions or develop and submit a corrective action plan to the Division within 60 days. **Section 2** further requires the agency which provides child welfare services to carry out the corrective action plan within 90 days after it is approved. If it is not carried out within that time, the agency which provides child welfare services is subject to certain actions by the Division, which may include having money withheld.

**Section 3** of this bill requires each agency which provides child welfare services to submit an improvement plan to the Division of Child and Family Services. Beginning January 1, 2013, section 3 requires a request for a block grant to be accompanied by an improvement plan. The improvement plan submitted by the agency which provides child welfare services must cover a period of 2 years and include specific performance targets for improving the services provided to children in the care of the agency. Each year, the agency which provides child welfare services is required to submit data to the Division demonstrating the progress made toward meeting the specific performance targets.

**Section 4** of this bill requires the Division of Child and Family Services to administer a program to award incentive payments to an agency which provides child welfare services in larger counties and sets forth the requirements for any agency to apply for and the Division to award such incentive payments. **Sections 5 and 6** of this bill provide the manner in which an agency which provides child welfare services may apply for incentive payments for the fiscal years following an award of an incentive payment and provides that the amount of such subsequent incentive payments will be determined based upon whether the agency achieved the goal for which the incentive payment was made and, if not, the percentage of the goal that was achieved. **Section 8.5 of this bill provides for a different amount for the incentive payments awarded in Fiscal Years 2012-2013 and 2013-2014.**

**Section 7** of this bill requires the Division of Child and Family Services to prepare and submit a report concerning the improvements plans and the program for incentive payments to the Governor and the Legislature on or before January 31 of each year. **Section 7.5 of this bill requires the Division of Child and Family Services to award a block grant for each fiscal year to each agency which provides child welfare services in larger counties to the extent that money has been appropriated in an amount which is based on the amount appropriated for the previous biennium. An agency which provides child welfare services that receives a block grant is authorized
to use the money without restriction, and any money remaining at the end of the fiscal year does not revert to the State General Fund. The amount of the block grant will be reduced if the county appropriates an amount less than the amount granted to the agency which provides child welfare services for the fiscal year beginning on July 1, 2010.

Section 7.7 of this bill requires the Division of Child and Family Services to provide a categorical grant to each agency which provides child welfare services for each fiscal year for its adoption assistance program to the extent that money is available for that purpose.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter 432B of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this act.

Sec. 2. 1. When the Division of Child and Family Services determines pursuant to subsection 7 of NRS 432B.180 that corrective action by an agency which provides child welfare services is necessary, the Division shall notify the agency which provides child welfare services of the specific areas in which the agency is in noncompliance with the federal or state laws, regulations adopted pursuant to such laws or statewide plans or policies and inform the agency which provides child welfare services that it must, within 60 days, carry out the corrective action or develop a corrective action plan.

2. The Division of Child and Family Services shall determine whether to approve a corrective action plan submitted pursuant to subsection 1 within 30 days after receipt. If the Division of Child and Family Services does not approve the plan, the Division of Child and Family Services must notify the agency which provides child welfare services of the deficiencies and allow the agency which provides child welfare services 30 days in which to submit a revised corrective action plan for reconsideration. If a revised corrective action plan is not resubmitted within 30 days, the Division may take any of the actions set forth in subsection 4.

3. After the Division of Child and Family Services approves a corrective action plan, the agency which provides child welfare services must carry out the plan within 90 days.

4. If the agency which provides child welfare services fails to take corrective action or to carry out a corrective action plan within the required period, the Division of Child and Family Services may take one or more of the following actions:

(a) Withhold money from the agency which provides child welfare services;

(b) Impose an administrative fine against the agency which provides child welfare services;

(c) Provide the agency which provides child welfare services with direct supervision and recover the cost and expenses incurred by the Division in providing such supervision; and
(d) Require the agency which provides child welfare services to
determine whether it is necessary to impose disciplinary action that is
consistent with the personnel rules of the agency which provides child
welfare services against an employee who substantially contributed to the
noncompliance of the agency which provides child welfare services with
the federal or state laws, regulations adopted pursuant to such laws or
statewide plans or policies, including, without limitation, suspension of the
employee without pay, if appropriate.

5. The Division of Child and Family Services shall adopt regulations to
carry out the provisions of this section, including, without limitation,
regulations which prescribe the circumstances under which action must be
taken against an agency which provides child welfare services for failure to
take corrective action and which specify that any such action by the
Division must not impede the provision of child welfare services.

6. The Division of Child and Family Services shall deposit any money
received from the administrative fines imposed pursuant to this section
with the State Treasurer for credit to the State General Fund. The State
Treasurer shall account separately for the money deposited pursuant to
this subsection. The money in the account may only be used by the Division
to improve the provision of child welfare services in this State, including,
without limitation:

(a) To pay the costs associated with providing training and technical
assistance and conducting quality improvement activities for an agency
which provides child welfare services to assist the agency in any area in
which the agency has failed to take corrective action; and

(b) Hiring a qualified consultant to conduct such training, technical
assistance and quality improvement activities.

Sec. 3. 1. [On or before January 1 of each year, an agency which

Division of Child and Family Services on or [after] before January 1, 2013.

3. The improvement plan must cover a period of 2 years and include, without limitation:
(a) Specific performance targets for improving the safety, permanency and well-being of the children in the care of the agency which provides child welfare services; and

(b) The approach that the agency which provides child welfare services will take to achieve the specific performance targets, including, without limitation, specific strategies that will be used.

5. The Division of Child and Family Services shall award a block grant to an agency which provides child welfare services that complies with the provisions of this section to the extent that money has been appropriated for that purpose.

6. On or before December 31 of each year, the agency which provides child welfare services must submit to the Division of Child and Family Services data demonstrating the progress that the agency which provides child welfare services has made towards meeting the specific performance targets set forth in the improvement plan submitted pursuant to subsection 1.

Sec. 4. 1. The Division of Child and Family Services shall administer a program to award incentive payments to an agency which provides child welfare services in a county whose population is 100,000 or more.

2. On or before May 1 of each year, an agency which provides child welfare services may submit an application to the Division of Child and Family Services for an incentive payment.

3. The application for an incentive payment must include, without limitation:

(a) A description of the specific goal that the agency which provides child welfare services agrees to achieve by June 30 of the following year if the incentive payment is awarded;

(b) Baseline data to support the need to achieve the specific goal and which will provide a manner in which to measure whether the goal is achieved or to determine the percentage of the goal that is achieved; and

(c) The amount requested by the agency which provides child welfare services as an incentive payment.

4. If the Division of Child and Family Services does not approve the application, the Division must notify the agency which provides child welfare services of the specific deficiencies in the application and allow the agency to resubmit the application within 30 days.

5. If the Division of Child and Family Services approves the application, the Division of Child and Family Services shall, to the extent that money is available for that purpose, award an incentive payment to the agency which provides child welfare services for the fiscal year beginning on July 1 of the year in which the application is submitted.

Sec. 5. 1. Each year following the award of an incentive payment pursuant to section 4 of this act, the agency which provides child welfare services may submit an application on or before May 1 for an incentive
payment to be awarded for the next fiscal year beginning on July 1 following approval of the application.

2. The agency which provides child welfare services shall submit the application in the manner set forth in section 4 of this act and must, in addition to the information required pursuant to section 4 of this act, include an estimate of the percentage of the goals established in the prior application that will be achieved by the agency which provides child welfare services by June 30. If the agency which provides child welfare services does not estimate that it will achieve at least 75 percent of the goal that was established, the application must be denied and the agency which provides child welfare services will not be eligible for an incentive payment.

3. If the Division of Child and Family Services approves the application, the Division shall, to the extent that money has been made available for that purpose, award an incentive payment to the agency which provides child welfare services for the fiscal year beginning on July 1 of the year in which the application is submitted in an amount not to exceed a percentage of the amount awarded for the current fiscal year as determined pursuant to subsection 4.

4. The amount of an incentive payment that may be awarded for the next fiscal year pursuant to this section must not exceed 40 percent of the amount awarded for the current fiscal year if the agency which provides child welfare services estimates that it will achieve not less than 75 percent and not more than 76 percent of the goal established for the current fiscal year by June 30. The amount of an incentive payment that may be awarded increases by 3 percent for each additional percentage point of completion of the goal established for the current fiscal year, up to a maximum of 100 percent of the amount of the incentive payment awarded for the current fiscal year.

Sec. 6. 1. On or before September 1 of the year following the year in which an agency which provides child welfare services is awarded an incentive payment from the program established pursuant to section 4 of this act, the agency which provides child welfare services shall submit to the Division of Child and Family Services a report which demonstrates whether the goal established pursuant to section 4 of this act was achieved and, if not, the percentage of the goal that was achieved by June 30 of the fiscal year in which the incentive payment was awarded.

2. If the report submitted pursuant to subsection 1 demonstrates that the agency which provides child welfare services achieved:

   (a) A greater percentage of the goal than estimated pursuant to section 5 of this act, the Division of Child and Family Services shall increase the incentive payment to the agency which provides child welfare services by an amount equal to the additional amount that should have been awarded pursuant to subsection 4 of section 5 of this act; or

   (b) A lower percentage of the goal than estimated pursuant to section 5 of this act, the agency which provides child welfare services shall
reimburse to the Division an amount equal to the additional amount that should not have been awarded pursuant to subsection 4 of section 5 of this act.

Sec. 7. On or before January 31 of each year, the Division of Child and Family Services shall prepare and submit a report to the Governor and the Legislature which includes, without limitation, information concerning:

1. The progress made by each agency which provides child welfare services in a county whose population is 100,000 or more toward achieving the specific performance targets set forth in an improvement plan submitted by the agency pursuant to section 3 of this act; and

2. Whether the agency which provides child welfare services in a county whose population is 100,000 or more achieved the specific goal established pursuant to section 4 of this act during the previous fiscal year and, if not, the percentage of the goal that was achieved.

Sec. 7.5. 1. The Division of Child and Family Services shall award a block grant to each agency which provides child welfare services in a county whose population is 100,000 or more for each fiscal year to the extent that money has been appropriated to the Division for that purpose. The amount of the block grant must be determined for 2 years beginning on July 1 of each odd-numbered year and allocated each fiscal year.

2. An agency which provides child welfare services that receives a block grant pursuant to subsection 1 may use the money allocated for any costs of providing child welfare services without restriction, the agency which provides child welfare services is not required to return any money remaining from that allocation at the end of the fiscal year, and the money does not revert to the State General Fund.

3. If the board of county commissioners of a county whose population is 100,000 or more appropriates to the agency which provides child welfare services for the county an amount less than the amount appropriated to the agency for the fiscal year beginning on July 1, 2010, the Division of Child and Family Services must reduce the amount of the block grant awarded pursuant to subsection 1 by an equal amount.

Sec. 7.7. 1. The Division of Child and Family Services shall provide a categorical grant to each agency which provides child welfare services for each fiscal year for its adoption assistance program to the extent that money has been appropriated to the Division for that purpose. The amount of the grant must be based upon the estimated cost of the projected growth in the adoption assistance program.

2. The amount of the grant awarded pursuant to subsection 1 must be determined for 2 years beginning on July 1 of each odd-numbered year and allocated each fiscal year.
3. An agency which provides child welfare services that receives a grant pursuant to subsection 1 must use the money allocated only for costs associated with the adoption assistance program. Any money from the grant awarded pursuant to subsection 1 that has not been used or committed for expenditure by the agency which provides child welfare services by the end of the fiscal year reverts to the State General Fund.

Senator Leslie moved the adoption of the amendment.

Remarks by Senator Leslie.

Senator Leslie requested that her remarks be entered in the Journal.

Senate Bill No. 447, as amended, requires the Division of Child and Family Services, to the extent that money has been appropriated, to award block grants to counties whose population is 100,000 or more, currently Clark County and Washoe County, for the provision of child welfare services in those counties. The bill allows the counties that receive the block grants to use the money without restriction for child welfare services and without requirement to revert unspent money to the General Fund. The bill also requires the Division to provide a categorical grant to the same counties for the cost of adoption assistance services within the counties.

The bill provides for a performance improvement plan to be implemented by the Division, requiring each agency that provides child welfare services, Clark County and Washoe County and the Division itself, to submit improvement plans biennially to improve the safety, permanency, and well-being of children in the agencies' care. The bill also requires the Division to administer an incentive program for the counties that provide child welfare services; to make fiscal incentive payments based upon the counties' achievement of specific goals for improvement proposed by the counties and approved by the Division. The Division is required to submit a report to the Governor and the Legislature each year on the county child welfare agencies' progress in achieving performance improvement targets.

Amendment adopted.

Amendment No. 822.

"SUMMARY—Revises provisions relating to public health.

(BDR 40-1200)"

"AN ACT relating to public health; requiring counties to [reimburse] pay an assessment to the Health Division of the Department of Health and Human Services for the cost of providing various services; authorizing a county to submit a proposal for the county to provide such services and receive an exemption from the assessment; revising the membership of a district board of health in certain counties; transferring the powers and duties of the Health Division regarding communicable diseases to a health authority in a county; authorizing the Health Division to impose administrative penalties for violations of certain provisions governing
emergency medical services; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 1 of this bill requires each county to **reimburse** pay an assessment to the Health Division of the Department of Health and Human Services for the costs of services provided in that county by the Health Division or the State Health Officer. **A county is authorized to request an exemption from the assessment by submitting a proposal to the Governor for the county to carry out those services. If the Governor approves the proposal, the Interim Finance Committee must consider whether to approve the exemption. An exemption may not be effective until at least 6 months after the Interim Finance Committee gives its approval.**

Existing law provides for a health district in a county whose population is 700,000 or more (currently Clark County). The health district consists of a district health officer and a district board of health which consists of representatives selected by various governmental entities and selected by those representatives. (NRS 439.362) Section 1.5 of this bill adds one representative of the association of gaming establishments who meets certain requirements and is selected from a list of nominees submitted by the association. If no such association exists, the representative selected must represent the gaming industry.

Sections 4-20 of this bill transfer the powers and duties concerning control, prevention, treatment and cure of communicable diseases, including, without limitation, sexually transmitted diseases and tuberculosis, from the Health Division to the health authority. Under existing law, the term "health authority" is defined for the purposes of certain provisions governing infectious diseases to mean the district health officer or his or her designee in those counties that have a district health officer or the State Health Officer or his or her designee in those counties that do not have a district health officer. (NRS 441A.050) If the State Health Officer or his or her designee performs any such duties for a county, the county must **reimburse** pay the Health Division an assessment for the cost of such services as required by section 1 of this bill.

Sections 23 and 24 of this bill: (1) authorize the Health Division to impose an administrative penalty against any person who violates certain provisions governing emergency medical services; and (2) restrict the use of certain money received by the Health Division, including money from such administrative fines, for a training program for emergency medical services personnel.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

If the Governor approves the proposal, the Governor shall submit a recommendation to the Interim Finance Committee to exempt the county from the assessment required pursuant to subsection 1. The Interim Finance Committee, upon receiving the recommendation from the Governor, shall consider the proposal and determine whether to approve the exemption. In considering whether to approve the exemption, the Interim Finance Committee shall consider, among other things, the best interests of the State, the effect of the exemption and the intent of the Legislature in requiring the assessment to be paid by each county.

4. An exemption that is approved by the Interim Finance Committee pursuant to subsection 3 must not become effective until at least 6 months after that approval.

Senate Bill No. 476.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 872.
"SUMMARY—Makes various changes concerning the juvenile justice system. (BDR 5-1216)"
"AN ACT relating to juvenile justice; requiring each county to pay an assessment to the State for the activities of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services; authorizing a county to submit a proposal for the county to provide the services of the Youth Parole Bureau for the county and receive an exemption from the assessment; prohibiting a juvenile court from committing a delinquent child to a private institution; revising the manner in which a determination is made about where to commit a delinquent child; revising provisions relating to a juvenile who is held in a detention facility pending a hearing concerning a violation of parole; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires certain counties to pay an assessment for the operation of regional facilities for the detention of children that are partially supported by the State of Nevada and are operated by the county. (NRS 62B.150) Section 6 of this bill repeals that provision. Section 1 of this bill [instead] requires each county to pay an assessment for the activities of the Youth Parole Bureau of the Division of Child and Family Services of the Department of Health and Human Services. The amount of the assessment is determined by the Administrator of the Division of Child and Family Services using a formula that is based upon the number of pupils enrolled in public schools in the county. Section 1 allows a county to request an exemption from the assessment by submitting a proposal to the Governor for the county to carry out the functions of the Youth Parole Bureau for the county. If the Governor approves the proposal, the Interim Finance Committee must consider whether to approve the exemption. Section 4.5 of this bill provides that if such an exemption is
approved, the county is required to carry out the functions of the Youth Parole Bureau.

Section 2 of this bill removes the authority of a juvenile court to commit a child to a private institution under certain circumstances. Existing law allows a juvenile court to commit a delinquent child to the custody of the Division of Child and Family Services for suitable placement, including a child between 8 and 12 years of age in certain circumstances. (NRS 62E.520) Section 3 of this bill removes the authority of a juvenile court to place a child who is between 8 and 12 years of age in a correctional or institutional facility. In addition, section 3 requires the juvenile court to confirm that there is a room allocated for the child in a state facility for the detention of children and adequate resources in the state facility to provide the necessary care of the child before committing the child to a state facility. Section 4 of this bill requires the Division to make an annual determination of the equitable allocation of rooms for each judicial district. The determination is based upon the number of pupils enrolled in public schools within the judicial district.

Existing law authorizes a juvenile court to order the return of a child who is alleged to have violated parole to a state facility for the detention of children or to be held in the local or regional facility for the detention of children pending a hearing. In addition, if the child is held in a local or regional facility, existing law requires the Youth Parole Bureau to pay the costs for the confinement of the child. (NRS 63.770) Section 5 of this bill removes the authority of a juvenile court to order the child to be returned to a state facility for the detention of children in such circumstances and removes the requirement that authorizes, instead of requiring, the Youth Parole Bureau pay the costs of confinement of a child who is held, pending a hearing, in a local or regional facility for the detention of children to the extent that money is available for that purpose.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter 62B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Unless an exemption is approved pursuant to subsection 4, each county shall pay an assessment for the activities of the Youth Parole Bureau that are necessary to carry out its duties under the provisions of NRS 63.700 to 63.780, inclusive.

2. The assessment owed by each county equals the total amount budgeted by the Legislature for the operation of the Youth Parole Bureau, divided by the total number of pupils enrolled in grades 7 through 12 in public schools in this State in the preceding school year and multiplied by the number of pupils enrolled in grades 7 through 12 in public schools in the assessed county. The Administrator of the Division of Child and Family Services shall calculate the assessment owed by each county in June of each year for the ensuing fiscal year.
3. Each county must pay the assessed amount to the Division of Child and Family Services in quarterly installments that are due the first day of the first month of each calendar quarter.

4. A county may submit a proposal to the Governor for the county to carry out the provisions of NRS 63.700 to 63.780, inclusive, with respect to any child released from a state facility for the detention of children who resides within the county. If the Governor approves the proposal, the Governor must submit a recommendation to the Interim Finance Committee to exempt the county from the assessment required pursuant to subsection 1. The Interim Finance Committee, upon receiving the recommendation from the Governor, shall consider the proposal and determine whether to approve the exemption. In considering whether to approve the exemption, the Interim Finance Committee shall consider, among other things, the best interests of the State, the effect of the exemption and the intent of the Legislature in requiring the assessment to be paid by each county.

Sec. 2. NRS 62E.510 is hereby amended to read as follows:

62E.510 1. If a delinquent child is less than 12 years of age, the juvenile court shall not commit the child to a state facility for the detention of children.

2. If a delinquent child is 12 years of age or older, the juvenile court shall not commit the child to a private institution. [unless the commitment is approved by the superintendent of the state facility for the detention of children to which the child would otherwise have been committed.]

Sec. 3. [NRS 62E.520 is hereby amended to read as follows:

62E.520 1. The juvenile court may commit a delinquent child to the custody of the Division of Child and Family Services for placement in a state facility for the detention of children if:]

(b) The child is at least 12 years of age but less than 18 years of age, and the juvenile court finds that the child:

2. Before the juvenile court commits a delinquent child to the custody of the Division of Child and Family Services, the juvenile court shall:

(a) Notify the Division at least 3 working days before the juvenile court holds a hearing to consider such a commitment; and

(b) At the request of the Division, provide the Division with not more than 10 working days within which to:
— (1) Investigate the child and the circumstances of the child; and
— (2) Recommend a suitable placement to the juvenile court. [Deleted by amendment.]

Sec. 4.  [NRS 63.400 is hereby amended to read as follows:]

63.400  1.  If the juvenile court or the Division of Child and Family Services commits or places a child in a facility, the superintendent of the facility shall accept the child unless, before the child is conveyed to the facility, the superintendent determines that:

— (a) There is not [adequate] room [or resources] allocated in the facility [to provide the necessary care of] for the child [as determined pursuant to subsection 2];

— (b) There are not adequate [money] resources available [for the support of] in the facility [to provide the necessary care for the child]; or

— (c) In the opinion of the superintendent, the child is not suitable for admission to the facility.

2.  On or before July 1 of each year, the Division of Child and Family Services shall determine an equitable allocation of rooms for each judicial district based upon the ratio that the number of pupils who were enrolled in grades 7 through 12 in public schools within the judicial district during the preceding school year bears to the total number of pupils enrolled in grades 7 through 12 in public schools in this State, as determined by the Department of Education.

3.  The superintendent of the facility shall fix the time at which the child must be delivered to the facility.

3.  The juvenile court shall send to the superintendent of the facility a summary of all the facts in the possession of the juvenile court concerning the history of the child committed to the facility. [Deleted by amendment.]

Sec. 4.5.  Chapter 63 of NRS is hereby amended by adding thereto a new section to read as follows:

1.  A county that receives approval to carry out the provisions of NRS 63.700 to 63.780, inclusive, and an exemption from the assessment imposed pursuant to section 1 of this act shall:

— (b) Appoint a person to act in the place of the Chief of the Youth Parole Bureau in carrying out those provisions.

Remarks by Senator Leslie.
Senator Leslie requested that her remarks be entered in the Journal.
Senate Bill No. 480, as amended, requires the Division of Child and Family Services to assess counties whose populations are less than 100,000, currently all counties except Clark County and Washoe County, for the cost of child protective services. The bill requires the Division to submit reports on a prescribed schedule to the Governor, the affected counties, and the Legislative Commission with information on the number of children receiving child protective services and the costs of those services. Clark County and Washoe County already pay for those services.
Amendment adopted.
Bill ordered reprinted, engrossed and to third reading.

Assembly Bill No. 359.
Bill read second time.
The following amendment was proposed by the Committee on Commerce, Labor and Energy:

Amendment No. 875.
"SUMMARY—Revises provisions governing energy. (BDR 58-1064)"
"AN ACT relating to energy; revising the categories of uses, capacity goals and prospective expiration of the Waterpower Energy Systems Demonstration Program; revising provisions governing net metering for waterpower energy systems; revising the cumulative capacity requirement for net metering systems; revising provisions governing net metering for certain wind energy systems; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
The Waterpower Energy Systems Demonstration Program was established for agricultural uses with a goal of the installation of not less than 500 kilowatts of waterpower energy systems in this State by 2012. (NRS 701B.820, 701B.840) The Waterpower Program is currently set to expire on June 30, 2011. Section 1 of this bill expands the Waterpower Program to encompass Indian tribes and tribal organizations that are customers of a utility. Section 2 of this bill increases the capacity goals for the Waterpower Program, and limits the amount of any rebate provided pursuant to the Waterpower Program, and sections 9-11 of this bill extend the Waterpower Program until June 30, 2016. Section 6 of this bill authorizes a person who installs a waterpower energy system to participate in net metering if the waterpower energy system is located on property owned by the customer-generator and generates electricity primarily intended to offset the customer-generator's requirements for electricity on that property or contiguous property owned by the customer-generator. Section 6 also authorizes certain persons who install certain wind energy systems on property owned or leased by an institution of higher education in this State to participate in net metering. Section 3.7 of this bill provides that persons who own or operate such wind energy systems are not considered public utilities.

Each electric utility in this State is required to offer net metering to customer-generators of the utility until the cumulative capacity of net metering systems in the service area of the utility is equal to 1 percent of the utility's peak capacity. (NRS 704.773) Section 7 of this bill requires a utility to offer net metering until the cumulative capacity of net metering systems is equal to 1 percent of the total peak capacity of all utilities in this State and further authorizes the Public Utilities Commission of Nevada to increase the
cumulative capacity requirement for net metering to 1.5 percent of the total peak capacity of all utilities in this State under certain circumstances.]

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701B.820 is hereby amended to read as follows:

701B.820 1. The Waterpower Energy Systems Demonstration Program is hereby created.

2. The Waterpower Demonstration Program is created for [agricultural uses.]

(a) Agricultural uses; and

(b) Indian tribes and tribal organizations that are customers of a utility.

3. To be eligible to participate in the Waterpower Demonstration Program, a person must meet the qualifications established pursuant to subsection 4, apply to a utility and be selected by the utility for inclusion in the Waterpower Demonstration Program.

4. The Commission shall adopt regulations providing for the qualifications an applicant must meet to qualify to participate in the Waterpower Demonstration Program.

Sec. 2. NRS 701B.840 is hereby amended to read as follows:

701B.840 The Commission shall adopt regulations that establish:

1. The capacity goals for the Program, which must be designed to meet the goal of the Legislature of the installation of not less than [500 kilowatts of waterpower energy systems in this State by 2012] 5 megawatts of waterpower energy systems in this State by 2016 and the goals for each category of the Program. The regulations must provide that not less than 1 megawatt of capacity must be set aside for the installation of waterpower energy systems with a nameplate capacity of 100 kilowatts or less.

2. A system of incentives that are based on rebates that decline as the capacity goals for the Program and the goals for each category of the Program are met. The rebates must be based on predicted energy savings. [The regulations must provide that the amount of any rebate provided pursuant to the Program must not exceed 50 percent of the total cost of the installation of the waterpower energy system for which the rebate is provided.]

3. The procedure for claiming incentives, including, without limitation, the form and content of the incentive claim form.

Sec. 3. (Deleted by amendment.)

Sec. 3.5. Chapter 704 of NRS is hereby amended by adding thereto a new section to read as follows:

3. If the net metering system of a customer-generator who accepts the offer of a utility for net metering has a capacity of more than 100 kilowatts, the utility:
   (a) May require the customer-generator to install at its own cost:
      (1) An energy meter that is capable of measuring generation output and customer load; and
      (2) Any upgrades to the system of the utility that are required to make the net metering system compatible with the system of the utility.
   (b) Except as otherwise provided in paragraph (c), may charge the customer-generator any applicable fee or charge charged to other customers of the utility in the same rate class as the customer-generator, including, without limitation, customer, demand and facility charges.

Thank you, Mr. President. This amendment is about demonstration projects regarding wind energy systems and water systems. We amended this to make certain that both are compatible and both can be used in the law because there was a conflict on the net metering of the systems. This was an agreed upon amendment. The Assemblymen who proposed this amendment were happy with it.

The following amendment was proposed by the Committee on Commerce, Labor and Energy:
   Amendment No. 803.
   "SUMMARY — Increases certain fees for residential and general appraisers to cover an increase in federal registry fees. Revises provisions relating to appraisers of real estate. (BDR 54-1199)"
   "AN ACT relating to appraisers of real estate; revising provisions governing continuing education requirements for certified and licensed appraisers and registered interns; requiring the Commission of Appraisers of Real Estate to establish certain requirements concerning continuing education; requiring the Commission to establish certain fees relating to continuing education; requiring the Real Estate Division of the Department of Business and Industry to conduct certain investigations and examinations of each certified or licensed appraiser; requiring an appraiser who is investigated or examined by the Division
to pay certain costs relating to the investigation or examination; authorizing the Division to contract for or procure the services of certain persons to assist in or carry out investigations and examinations of appraisers; revising certain fees for the issuance or renewal of a license or certificate; making an appropriation; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law requires an appraiser to complete certain continuing education as a condition for the renewal or reinstatement of a certificate or license and further requires the Commission of Appraisers of Real Estate to adopt regulations governing the continuing education requirements for appraisers. (NRS 645C.430, 645C.440) Section 2 of this bill requires appraisers and interns to complete a course of continuing education which must include education in ethics and issues relating to the appraisal of real property with an emphasis on trends and market conditions in Nevada and any changes in law which affect the appraisal of real property. Section 2 requires the Commission to establish a reasonable fee for the cost of the course. Section 2 additionally requires the Real Estate Division of the Department of Business and Industry to develop the curriculum for the course and submit the curriculum to the Commission for approval. Section 3 of this bill creates the Account for Real Estate Appraisal Audit and Education in the State General Fund and provides that the fees collected by the Division for the cost of the course of continuing education required by section 2 must be deposited in the Account and used to defray the costs of the Commission and the Division in carrying out the provisions of section 2.

Section 4 of this bill requires the Division to conduct an examination and investigation of each certified or licensed appraiser not less frequently than every 4 years. Section 4 authorizes the Division to contract for and procure the services of examiners and other specialized technical or professional assistance as may reasonably be required to carry out such examinations and investigations. Section 5 of this bill requires an appraiser who is subject to such examination or investigation to pay certain costs relating to the examination or investigation. Section 6 of this bill requires that all money collected pursuant to section 5 be used to pay the expenses relating to the examination or investigation of an appraiser or for any other purpose authorized by the Legislature.

Section 7.7 of this bill requires the Real Estate Administrator to employ an administrative assistant and an investigator to carry out the provisions of this bill and makes an appropriation from the State General Fund to the Real Estate Administration Account in Fiscal Year 2011-2012 and Fiscal Year 2012-2013 to pay the salaries and related expenses of these two new positions.
Under existing law, a fee of $290 is charged for the issuance or biennial renewal of a license or certificate as a residential appraiser, and a fee of $390 is charged for the issuance or biennial renewal of a certificate as a general appraiser. (NRS 645C.450) A portion of that fee, currently $50, is retained by the Real Estate Division of the Department of Business and Industry for payment of the registry fee to the Federal Financial Institutions Examination Council. (NRS 645C.240) On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act (Dodd-Frank Act) was signed into law. (Pub. L. No. 111-203, 124 Stat. 1376) The Dodd-Frank Act revised 12 U.S.C. § 3338 to increase the annual registry fee from $25 to $40.

This Section 7 of this bill increases the biennial fees charged for the issuance or renewal of a license or certificate as a residential appraiser and for the issuance or renewal of a certificate as a general appraiser by $30 to cover the annual $15 increase in the federal registry fee.

CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 304.
The following Assembly amendment was read:
Amendment No. 804.
"SUMMARY—Provides for redistricting of election districts in Carson City and the Cities of Henderson, Reno and Sparks, contingent upon voter
Revises provisions governing elections and officers in certain cities. (BDR S-731)"

"AN ACT relating to [redistricting]; cities; creating, contingent upon voter approval, a sixth ward for the City of Reno; requiring, contingent upon voter approval, that the candidates for Supervisor in Carson City and for Council Member in the City of Henderson, the City of Reno and the City of Sparks be voted upon in a primary or general election only by the registered voters of the ward that a candidate seeks to represent; revising the requirements for serving as the City Attorney for the City of Sparks; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

The existing Charter of the City of Reno divides the City into five wards, each of which is represented on the City Council by a Council Member. A sixth Council Member represents the City at large. (Reno City Charter §§ 1.050, 2.010) Section 7 of this bill increases the number of wards in Reno to six, and sections 8-10 of this bill replace the office of Council Member at large with the office of Council Member to represent the newly created sixth ward.

The existing Charters of the Cities of Reno and Sparks provide that the candidates for Council Member to represent a particular ward must be voted on in a primary election only by the registered voters of that ward but in a general election, must be elected by the registered voters of the City at large. (Reno City Charter §§ 5.010, 5.020; Sparks City Charter §§ 5.010, 5.020) Sections 9 and 10 of this bill amend the Charter of the City of Reno, and sections 11 and 12 of this bill amend the Charter of the City of Sparks, to provide that all candidates for Council Member must be elected in a general election by only the registered voters of the ward that a candidate seeks to represent. The existing Charters of Carson City and the City of Henderson provide that the candidates for Supervisor and Council Member, respectively, must be elected by the registered voters of the City at large in both a primary and a general election. (Carson City Charter §§ 2.010, 5.010, 5.020; Henderson City Charter §§ 2.010, 5.010, 5.020) Sections 1-3 of this bill amend the Charter of Carson City, and sections 4-6 of this bill amend the Charter of the City of Henderson, to provide that all candidates for Supervisor and Council Member, respectively, must be elected in a primary or general election only by the registered voters of the ward that a candidate seeks to represent.

Sections 15-18 of this bill require Carson City and the Cities of Henderson, Reno and Sparks to place on the ballot for the 2012 general election the question of whether to amend their respective charters to provide that all candidates for Supervisor or Council Member, as appropriate, must be elected in a primary or general election by only the registered voters of the ward that a candidate seeks to represent.

The existing Charter of the City of Sparks provides that all elective officers, including the City Attorney, must be: (1) residents of the City
for at least 30 days before the end of the period for filing for office and for the duration of their term of office; and (2) registered voters within the City. (Sparks City Charter § 1.060) Section 10.5 of this bill revises these requirements for the City Attorney, requiring instead that the City Attorney be a resident of and registered to vote in Washoe County, rather than the City of Sparks.

Section 19 of this bill provides that the sections of this bill relating to each Carson City and the Cities of Henderson and Sparks become effective only if the voters of that City approve the ballot question required by this bill. Section 19 also provides that the sections of this bill relating to the City of Reno and the City Attorney for the City of Sparks become effective on July 1, 2011. Finally, section 19 provides that the sections of this bill relating to the City of Reno expire on June 30, 2015, if the voters of that City do not approve the ballot question required by this bill.

It has agreed to recommend that Amendment No. 636 of the Assembly be concurred in.
It has agreed to recommend that the bill be further amended as set forth in Conference Amendment No. 2, which is attached to and hereby made a part of this report.
Conference Amendment.
"SUMMARY—Revises provisions concerning the regulation of certain medical facilities.
(BDR 40-15)"
"AN ACT relating to public health; revising requirements for various reports concerning the care provided by certain medical and related facilities; revising provisions relating to administrative fines collected by the Health Division of the Department of Health and Human Services; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires certain medical facilities to submit to the Health Division of the Department of Health and Human Services reports of sentinel events. (NRS 439.835) The term "sentinel event" is defined for the purposes of these reports to mean an unexpected occurrence at the facility which involves facility-acquired infection, death or serious physical or psychological injury or the risk thereof, including, without limitation, any process variation for which a recurrence would carry a significant chance of a serious adverse outcome. (NRS 439.830) The Health Division is required to prepare annual reports concerning those reports which were submitted by medical facilities located in a county whose population is 100,000 or more (currently Clark and Washoe Counties). (NRS 439.840) Section 5 of this bill requires the Health Division to prepare such annual reports for medical facilities in every county and to make those reports available on the Department's website. Section 5 also requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.
Existing law requires medical facilities which provide care to 25 or more patients per day to submit information to the Internet-based surveillance system established and maintained by the Centers for Disease Control and Prevention of the United States Department of Health and Human Services and requires the Health Division to analyze that information. (NRS 439.847) Section 9 of this bill requires the Health Division to report that information publicly in a format which allows for comparisons of medical facilities.
Sections 15.3-17 of this bill require hospitals to submit, as part of the program to increase public awareness of health care information concerning hospitals, data relating to the readmission of a patient if the readmission was potentially preventable and clinically related to the initial admission of the patient. Section 20 of this bill requires the Department of Health and Human Services to post that information on an Internet website. Section 16 also authorizes the Department to report certain information concerning the quality of care provided by hospitals if it can be determined from reports already submitted to the Department. Existing law authorizes the Department to seek injunctive relief or civil penalties against facilities that violate the reporting requirements. (NRS 439A.300, 439A.310)
Sections 21, 22, 24 and 25 of this bill authorize the Health Division to use money which is collected as administrative penalties to administer and carry out the provisions of chapter 449 of NRS and to protect the health and property of the patients and residents of facilities.
Section 35 of this bill repeals NRS 439.825 and 439.850.
