All present.
Prayer by Sherry Rodriguez, Chaplain.
Father, I would like to take a moment to say Thank You. Those two words are so simple, but yet, we take things for granted and forget to say them.
Thank You for carrying us this far, but now we ask that You might share a little bit of Your strength to get us through these final days of Session with grace and dignity.
Help us to maintain friendships that may have been strained, and give strength to those who are weary.
With the help of Your strength and wisdom, we take the next steps to complete a long and tedious task. We thank You for Your guidance.

AMEN.
Pledge of Allegiance to the Flag.

Senator Wiener moved that further reading of the Journal be dispensed with, and the President and Secretary be authorized to make the necessary corrections and additions.

The following amendment was proposed by the Committee on Finance:
Amendment No. 846.
"SUMMARY [Establishes provisions] Provides requirements governing payment for the provision of certain services and care to patients and reports relating to those services and care. (BDR 40-192)"
"AN ACT relating to health care; requiring certain hospitals and physicians to accept certain \textit{rates} \textit{amounts} as payment in full for the provision of certain services and care to certain patients; providing an exception under certain circumstances; requiring the submission of certain reports relating to policies of health insurance and similar contractual agreements by certain third parties who issue those policies and agreements; \textit{revising provisions relating to the duties of the Director of the Office for Consumer Health Assistance}; \textit{requiring the Commissioner of Insurance} \textbf{Administrator of the Health Division of the Department of Health and Human Services} to study issues relating to policies of health insurance and similar contractual agreements; \textit{requiring the Commissioner to adopt related regulations}; and providing other matters properly relating thereto."

\textbf{Legislative Counsel's Digest:}

Under existing law, a hospital is required to provide emergency services and care and to admit certain patients where appropriate, regardless of the financial status of the patient. (NRS 439B.410) Existing law also requires certain major hospitals to reduce total billed charges by at least 30 percent for hospital services provided to certain patients who have no insurance or other contractual provision for the payment of the charges by a third party. (NRS 439B.260) \textbf{Section 13} of this bill requires an out-of-network hospital with 100 or more beds that is not operated by a federal, state or local governmental entity to accept, under certain circumstances, as payment in full for the provision of \textit{any medical screening and emergency services and care to \textit{certain patients a rate} stabilize a patient who arrives at the out-of-network hospital through an emergency transport an amount which \textit{does not exceed the greater of: (1) the amount that the third party negotiated with other hospitals in this State; (2) the amount calculated using the same method the third party uses to determine payments to out of network hospitals, without reducing the calculation for cost sharing; or (2) the amount that would be paid by Medicare. The Commissioner of Insurance may adopt regulations to interpret these provisions in a manner that is similar to the interpretation of the federal regulation establishing the amount that certain health insurance providers must pay to out-of-network hospitals for emergency services. (29 C.F.R. § 2590.715-2719A) \textbf{equals} 115 percent of the amount set forth in the schedule of fees and charges established by the Division of Industrial Relations of the Department of Business and Industry for costs associated with services and care provided to a patient for treatment other than treatment of a traumatic injury, and 120 percent of the amount set forth in that schedule of fees and charges for costs associated with services and care provided to the patient for treatment of a traumatic injury. Section 14 of this bill \textbf{similarly} requires an out-of-network physician \textit{on the medical staff} of an out-of-network hospital with 100 or more beds to accept as payment in full for the provision of \textit{medical screening and emergency services and care \textbf{other than services and care provided} to stabilize a patient \textit{a rate} an}
amount which is similarly calculated to that in section 13. Section 15 of this bill requires an out-of-network physician on the medical staff of an in-network hospital with 100 or more beds to accept as payment in full for the provision of medical services and care, other than services and care provided to stabilize a patient, a rate which is similarly calculated to that in section 13. Sections 13–15 further provide that, if a hospital or physician, as applicable, determines that the amount prescribed pursuant to those sections is not sufficient to reimburse for the provision of services and care to a patient, the hospital or physician may negotiate a different rate with the third party and may, under certain circumstances, file a complaint and request for mediation with the Director of the Office for Consumer Health Assistance. Section 17 of this bill requires the Director to establish a procedure for filing and processing such complaints and requests for mediation based on the schedule of fees and charges established by the Division of Industrial Relations. A physician who provides services and care to the patient for treatment other than treatment of a traumatic injury will receive an amount equal to 115 percent of the amount set forth in that schedule of fees and charges, an anesthesiologist will receive an amount equal to 120 percent of the amount set forth in that schedule of fees and charges, and a physician who provides services and care to the patient for treatment of a traumatic injury will receive 120 percent of the amount set forth in that schedule of fees and charges. Section 14 excludes emergency room physicians from these provisions. Sections 13 and 14 allow an out-of-network hospital and an out-of-network physician to negotiate a different amount if the hospital or physician believes that the amount provided pursuant to those sections does not provide a fair and reasonable rate of return in relation to the services provided. In addition, section 13 requires that a patient be transferred to an in-network hospital within a certain period after which the third party will be responsible for the billed charges if the patient has not been transferred. Section 14.5 of this bill provides the process for submitting a dispute regarding the fair and reasonable rate of return to mediation.

Section 16 of this bill requires a third party who wishes to pay the amounts prescribed pursuant to sections 13–15 and 14 to maintain an adequate network of providers and submit certain reports to the Commissioner of Insurance, Administrator of the Health Division of the Department of Health and Human Services and to the Legislative Committee on Health Care. Section 11 of this bill requires the Commissioner of Insurance, Administrator of the Health Division to prescribe the standards of adequacy for the networks of third parties in this State and to determine whether third parties have adequate networks. Section 11 of this bill provides that the provisions of this bill apply only to certain insurers that are organized as nonprofit entities. Section 12.7 of this bill provides that the provisions of this bill do not apply to Medicaid or to the Children’s Health Insurance Program.

If submitted to arbitration, the decision is final and binding upon the parties and the provisions of NRS 38.206 to 38.248, inclusive, apply.

Sec. 15. 1. Except as otherwise provided in subsections 3 and 4, an out-of-network physician on the medical staff of an in-network hospital with 100 or more beds shall accept as payment in full for the provision of medical services and care to a patient, other than services and care provided to stabilize the patient, a rate in accordance with subsection 2 if the patient has a policy of insurance or other contractual agreement with a third party that provides coverage for the provision of medical services and care by more
than one physician in this State who provides the type of services and care other than the physician who provided the services and care.

2. Except as otherwise provided in subsections 3 and 4, an out-of-network physician on the medical staff of an in-network hospital with 100 or more beds that provides to a patient described in subsection 1 medical services and care, other than services and care provided to stabilize the patient, shall accept as payment in full for such services and care a rate which does not exceed the greater of:

(a) The amount negotiated by the third party with in-network physicians in this State for the medical services and care provided, excluding any deductible, copayment or coinsurance paid by the patient. If there is more than one amount negotiated with in-network physicians for the medical services and care, the amount prescribed in this paragraph must be equal to the median of the amounts negotiated by the third party with all in-network physicians. The median must be determined by treating the amount negotiated with each in-network physician as a separate amount, even if the same amount is paid to more than one physician.

(b) The amount for the medical services and care calculated using the same method the third party uses to determine payments to out-of-network physicians, including, without limitation, the usual, customary and reasonable amount, excluding any deductible, copayment or coinsurance paid by the patient. The amount prescribed in this paragraph must be determined without reducing the calculation for cost sharing that is applied by the third party with respect to medical services and care provided by an out-of-network physician.

(c) The amount that would be paid by Medicare pursuant to Title XVIII of the Social Security Act, 42 U.S.C. §§ 1395 et seq., for the medical services and care, excluding any deductible, copayment or coinsurance paid by the patient.

The Commissioner of Insurance may adopt regulations that interpret the provisions of this subsection, which must be consistent with the provisions of 29 C.F.R. § 2590.715-2710.4 to the extent practicable.

3. An out-of-network physician is not required to accept as payment in full the amount specified pursuant to subsection 2 if:

(a) The network of the third party that issued the policy of insurance or other contractual agreement which provides coverage to the patient does not meet the standards of adequacy, as determined by the Commissioner of Insurance pursuant to section 18 of this act;

(b) The third party that issued the policy of insurance or other contractual agreement which provides coverage to the patient has not submitted the quarterly reports required by section 16 of this act;

(c) The third party which provides coverage to the patient has not, in good faith, participated in a negotiation or mediation pursuant to subsection 4 and has not documented the occurrence and outcome of any negotiation or mediation;
(d) The patient has not paid the deductible, copayment or coinsurance that the patient would have paid for the provision of health care to an in-network physician; or

(e) The third party has not paid the out-of-network physician for the services and care within 60 days after receipt of the bill or, if applicable, within 60 days after the conclusion of any negotiation or mediation between the third party and the physician.

4. If an out-of-network physician believes that the amounts prescribed in subsection 2 are insufficient to compensate the physician for the medical services and care provided by the physician, the physician may enter into negotiations with the third party which provides coverage to the patient to resolve the difference between the amount charged by the physician and the amount paid by the third party. If such negotiations do not result in an agreement on the amount that will be paid for the services and care, the out-of-network physician may file a complaint with the Director of the Office for Consumer Health Assistance pursuant to NRS 223.560 and request that the Director mediate to determine the amount that must be paid for such services and care. [Deleted by amendment.]

Sec. 16. 1. If a third party [who] which issues a policy of insurance or other contractual agreement that provides coverage for health care in this State wishes for out-of-network hospitals and out-of-network physicians to accept as payment in full the amounts prescribed in sections 13 [and 14 and 15] of this act, the third party shall:

(a) Compile a list of the in-network hospitals and in-network physicians of the third party and review information concerning the in-network hospitals and in-network physicians to determine whether a person who is covered by that policy of insurance or other contractual agreement that provides coverage for health care has adequate access to health care, including, without limitation, a review of:

1) The number and types of in-network hospitals and in-network physicians, including, without limitation, emergency room physicians, anesthesiologists and specialty physicians;

2) The location of the in-network hospitals and in-network physicians compared to the location where the persons covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care live and work;

3) Whether a person who is covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care has access to in-network hospitals and in-network physicians without experiencing an unreasonable delay in the provision of health care;

4) Whether the third party has an adequate number of providers of health care in its network to ensure access to medical emergency services and care, as determined by the [Commissioner of Insurance]
Administrator of the Health Division of the Department pursuant to section 18 of this act; and

(d) The in-network hospitals which provide medical screenings and emergency services and care and the number and type of in-network physicians [on the medical staff of] who have privileges at those in-network hospitals to ensure that the third party has contracted with a sufficient number and type of physicians [who are on the medical staff of] at those in-network hospitals.

(b) Review the frequency with which persons covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care [are treated for] receive medical screenings and emergency services and care by out-of-network physicians at in-network hospitals and the rate at which those medical screening and emergency services and care are reimbursed by the third party.

(c) Ensure that persons covered by the policy of insurance or other contractual agreement that provides coverage for the provision of health care receive adequate information regarding in-network hospitals and in-network physicians and the financial impact of receiving [medical] medical screenings or emergency services and care from out-of-network hospitals and out-of-network physicians, including, without limitation, the financial impact of receiving [medical] medical screenings and emergency services and care from an out-of-network physician [on the medical staff of] at an in-network hospital. The information must be provided in a format that is meaningful for persons making an informed decision concerning [medical] medical screenings and emergency services and care and must be accessible to persons covered by the policy of insurance or other contractual agreement.

(d) Submit once each calendar quarter to the Administrator of the Health Division of the Department and the Legislative Committee on Health Care a report containing a summary of the information collected pursuant to this subsection and the educational efforts undertaken pursuant to paragraph (c).

2. If an out-of-network hospital or out-of-network physician is required to accept as payment in full the amounts prescribed in section 13 and 14 of this act, as applicable, the third party which issues a policy of insurance or other contractual agreement that provides coverage for health care in this State is not entitled to any other discount from the out-of-network hospital or out-of-network physician and, except as otherwise provided in sections 13 and 14 of this act, must pay the amount provided pursuant to sections 13 and 14 of this act, as applicable, for each charge covered by those sections for care provided to the patient.

3. An out-of-network hospital or out-of-network physician which is required to accept as payment in full the amount prescribed in sections 13 and 14 of this act, as applicable, shall not collect or attempt to collect from
the patient any amount other than any deductible, copayment or coinsurance which the patient would otherwise be required to pay had the medical screening or emergency services and care been provided at an in-network hospital or by an in-network physician, as applicable.

Senator Coping moved the adoption of the amendment.
Remarks by Senator Coping.

Senate Bill No. 115 limits the amount that certain out-of-network hospitals and out-of-network physicians may charge when a patient is transported to the emergency room. Amendment No. 846 revises Senate Bill No. 115 in some significant ways to accommodate many of the concerns that were raised about the underlying bill. The amendment removes the Commissioner of Insurance. The bill requires a study of the adequacy of networks of the insurers. This amendment will require that study to be conducted by the Administrator of the Health Division and requires the Administrator to prescribe standards of adequacy.

The amendment limits the application of the bill only to insurers that are organized as nonprofit entities. This is in Section 11.

The amendment exempts Medicaid and the Children's Health Insurance Program from this bill. It provides that compensation to the out-of-network hospitals and physicians that are subject to the bill will be determined using the schedule of fees and charges established by the Division of Industrial Relations (DIR) of the Department of Business and Industry. For non-trauma care provided to the patient the hospital and physicians will be compensated at 115 percent of the amount set forth in that schedule, and for trauma care they will be compensated at 120 percent of the amount set forth in that schedule. Anesthesiologists will always receive 120 percent of the amount set forth in that schedule. These rates apply to the provision of any medical screening and emergency services and care required to stabilize the patient. This is in sections 13 and 14.

The amendment allows an out-of-network hospital or out-of-network physician to negotiate a different amount if the hospital or physician believes that the payment does not provide a fair and reasonable rate of return in relation to the services provided. In addition, if the parties cannot agree on a fair and reasonable rate, they are required to use mediation to try to resolve the dispute. This is in sections 13(4) and 14(4).

The amendment requires a patient to be transferred to an in-network hospital within a certain period, after which the third party will be responsible for the billed charges if the patient is not transferred. This is in sections 13(5) and 14(5).

The amendment exempts emergency room physicians from the provisions of the measure. This is in Section 14.
The amendment provides the process for submitting a dispute regarding the fair and reasonable rate of return to mediation. The parties are allowed to select a mediator, or if they are unable to agree on a mediator, they are authorized to request a list of seven potential mediators from the American Arbitration Association or the Federal Mediation and Conciliation Service. The mediator is selected by alternately striking one name until one mediator remains. The out-of-network hospital or out-of-network physician has the benefit of striking the first name. The mediator must attempt to settle the dispute within 30 days. Each party to the mediation is required to pay one-half of the cost of mediation. If the parties are unable to reach an arbitration for resolution or may commence and action in a court of competent jurisdiction within 30 days after the completion of the mediation. This is in Section 14.5.

The amendment requires an insurer that wants to apply the limitation on payment prescribed in the measure to maintain an adequate network of providers and submit certain reports regarding network adequacy and out-of-network services and care to the Administrator of the Health Division of the Department of Health and Human Services and to the Legislative Committee on Health Care. This is in Section 16(1). Out-of-network hospitals and out-of-network physicians are not required to accept the amount specified in the measure if the third-payer does not meet these and other specified requirements. This is in Sections 13(3) and 14(3).

The amendment provides that an insurer that pays a hospital or physician applying the provisions of this bill is not entitled to any other discount from the out-of-network hospital or out-of-network physician. This is in Section 16(2).

The amendment requires payments by the insurer to be made within 30 days after receiving the bill or after the conclusion of any negotiations or mediation. This is in Sections 13(3)(e) and 14(3)(e).

The amendment requires the patient to make payments or arrange for payments of deductibles, copayments, or coinsurance within 30 days of receipt of bill. It prohibits an out-of-network hospital or out-of-network physician from collecting from the patient any amount other than any deductible, co-payment, or coinsurance which would otherwise be required to pay had the medical screening or emergency services and care been provided at an in-network hospital or by an in-network physician. This is Section 13(3)(d) and Section 14(3)(d).

The amendment prohibits providers from collecting or attempting to collect any additional payments for the patient. This is in Section 16(3).

Senator Hardy requested that the following remarks be entered in the Journal.
SENATOR HARDY:  
Thank you, Mr. President. Recognizing the Division of Industrial Relations (DIR) is referenced as to the criteria that looks at the rate setting, occasionally there is an emergency during a pregnancy and a woman may be transported to a hospital by ambulance. Does the Division of Industry, which specializes in workman's compensation, have a nexus to an emergency during a pregnancy where a woman may have to go to the emergency room?

SENATOR COPENING:  
Thank you, Mr. President. We spoke with the head of DIR and they have a schedule for pregnancy, but for anything they do not have, they use the relative values for physicians.

The following amendment was proposed by the Committee on Education:

Amendment No. 876.

"SUMMARY—Revises provisions governing charter schools. (BDR 34-900)"

"AN ACT relating to education; revising provisions relating to sponsorship of charter schools; creating the State Public Charter School Authority; prescribing the membership, duties and powers of the State Public Charter School Authority; imposing certain restrictions on contracts between a charter school or proposed charter school and a contractor or educational management organization; repealing the Subcommittee on Charter Schools of the State Board of Education; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law authorizes the formation of charter schools and authorizes school districts, the State Board of Education and colleges and universities within the Nevada System of Higher Education to sponsor charter schools. (NRS 386.500-386.610) Sections 25-35.5 of this bill create the State Public Charter School Authority and prescribe the membership of the State Public Charter School Authority. Section 38 of this bill removes the authority of the State Board of Education to sponsor charter schools and authorizes the State Public Charter School Authority to sponsor charter schools. Sections 43 and 49 of this bill authorize the State Public Charter School Authority to adopt certain regulations relating to charter schools and eliminate the authority of the Department of Education and the State Board of Education to adopt certain regulations relating to charter schools. Section 2 of this bill transfers the duty to prepare an annual report of accountability information of each charter school in this State from the board of trustees of a school district to the sponsor of that charter school. Sections 59 and 60 of this bill require the Director of the State Public Charter School Authority and other persons employed by the State Public Charter School Authority to be appointed or hired, as appropriate. Section 61 of this bill requires the members of the State Public Charter School Authority to be appointed. Section 64 of this bill
transfers the sponsorship of all charter schools sponsored by the State Board of Education to the State Public Charter School Authority.

Existing administrative regulations of the Department of Education set forth certain restrictions on contracts and proposed contracts between a charter school or proposed charter school and a contractor or an educational management organization. (NAC 386.403) Section 35.7 of this bill codifies into statute the provisions of this regulation. Section 35.7 also defines educational management organization for purposes of that section.

Section 57 of this bill repeals the Subcommittee on Charter Schools of the State Board of Education.

WHEREAS, The Legislature recognizes that each child in this State should be afforded the opportunity to receive a high-quality education from the public schools of this State; and

WHEREAS, Some children perform better in different learning environments, and the educational programs in public schools should be designed to fit the individual needs of those children; and

WHEREAS, It is the intent of the Legislature to provide teachers and other educational personnel, parents, legal guardians and other persons who are interested in the system of public education in this State the opportunity to:

1. Improve the learning of pupils by creating public schools with rigorous standards for the academic achievement of pupils;
2. Close the achievement gaps between high-performing and low-performing groups of pupils;
3. Increase the opportunities for learning for all pupils;
4. Increase access to alternative educational programs for pupils who are identified as being at risk for academic failure; and
5. Encourage diverse approaches to public education and the use of innovative teaching methods that have proven effective; and

WHEREAS, The Legislature finds that the success of charter schools in this State depends upon the support of high-quality sponsors, effective charter associations and resource centers, effective educational personnel and parents and legal guardians of pupils enrolled in the charter schools; and

WHEREAS, The Legislature finds that the sponsors of successful charter schools maintain high standards for the sponsor and the charter schools they sponsor, preserve autonomy for the charter schools they sponsor and protect the interests of the pupils enrolled in the charter schools and the communities they serve; and

WHEREAS, The Legislature finds that the creation of a State Public Charter School Authority can serve as a model of the best practices in sponsoring charter schools and can foster high-quality public school choice through the charter schools it sponsors by providing pupils with an opportunity to maximize their academic potential; now, therefore,
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 385.005 is hereby amended to read as follows:

385.005  1. The Legislature reaffirms its intent that public education in
the State of Nevada is essentially a matter for local control by local school
districts. The provisions of this title are intended to reserve to the boards of
trustees of local school districts within this state such rights and powers as
are necessary to maintain control of the education of the children within their
respective districts. These rights and powers may only be limited by other
specific provisions of law.

2. The responsibility of establishing a statewide policy of integration or
desegregation of public schools is reserved to the Legislature. The
responsibility for establishing a local policy of integration or desegregation
of public schools consistent with the statewide policy established by the
Legislature is delegated to the respective boards of trustees of local school
districts and to the governing body of each charter school.

3. The State Board shall, and the State Public Charter School
Authority, each board of trustees of a local school district, the governing
body of each charter school and any other school officer may, advise the
Legislature at each regular session of any recommended legislative action to
ensure high standards of equality of educational opportunity for all children
in the State of Nevada.

Sec. 2. NRS 385.347 is hereby amended to read as follows:

385.347  1. The board of trustees of each school district in this State, in
cooperation with associations recognized by the State Board as representing
licensed educational personnel in the district, shall adopt a program
providing for the accountability of the school district to the residents of the
district and to the State Board for the quality of the schools and the
educational achievement of the pupils in the district, including, without
limitation, pupils enrolled in charter schools sponsored by the school
district. The board of trustees of each school district shall report the
information required by subsection 2 for each charter school that is located
within the school district, regardless of the sponsor of the charter school.
The information for charter schools must be reported separately.

2. The board of trustees of each school district shall, on or before
August 15 of each year, prepare an annual report of accountability
concerning:

(a) The educational goals and objectives of the school district.

(b) Pupil achievement for each school in the district and the district as a
whole, including, without limitation, each charter school sponsored by
the district. The board of trustees of the district shall base its report on the
results of the examinations administered pursuant to NRS 389.015 and 389.550 and shall compare the results of those examinations for the current school year with those of previous school years. The report must include, for each school in the district, including, without limitation, each charter school sponsored by the district, and each grade in which the examinations were administered:

A holder of such a written charter may apply for grants of money to prepare the charter school for operation. A written charter issued pursuant to this subsection must not be designated as a conditional charter or a provisional charter or otherwise contain any other designation that would indicate the charter is issued for a temporary period.

8. The holder of a written charter that is issued pursuant to subsection 7 shall not commence operation of the charter school and is not eligible to receive apportionments pursuant to NRS 387.124 until the sponsor has determined that the requirements adopted by the State Board [Public Charter School Authority] pursuant to subsection 7 have been satisfied and that the facility the charter school will occupy has been inspected and meets the requirements of any applicable building codes, codes for the prevention of fire, and codes pertaining to safety, health and sanitation. Except as otherwise provided in this subsection, the sponsor shall make such a determination 30 days before the first day of school for the:

(a) Schools of the school district in which the charter school is located that operate on a traditional school schedule and not a year-round school schedule; or

(b) Charter school,
whichever date the sponsor selects. The sponsor shall not require a charter school to demonstrate compliance with the requirements of this subsection more than 30 days before the date selected. However, it may authorize a charter school to demonstrate compliance less than 30 days before the date selected.

(a) Include a statement of the deficiencies or reasons upon which the action of the sponsor is based; and

(b) Prescribe a period of not less than 30 days during which the charter school may correct any such deficiencies.

If the charter school corrects the deficiencies to the satisfaction of the sponsor within the time prescribed in paragraph (b), the sponsor shall renew the charter of the charter school.

3. A charter school that does not satisfy the requirements of subsection 1 shall submit a quarterly report of the financial status of the charter school if requested by the sponsor of the charter school.

Sec. 45.5. NRS 386.560 is hereby amended to read as follows:

386.560 1. If the board of trustees of a school district or a college or university within the Nevada System of Higher Education is the sponsor of the charter school, the governing body and the sponsor must enter into a service agreement pursuant to section 35.3 of this act before the provision of such services.

2. A charter school may use any public facility located within the school district in which the charter school is located. A charter school may use school buildings owned by the school district only upon approval of the board of trustees of the school district and during times that are not regular school hours.

3. The board of trustees of a school district may donate surplus personal property of the school district to a charter school that is located within the school district.

4. Except as otherwise provided in this subsection, upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in a class that is not available to the pupil at the charter school or participate in an extracurricular activity, excluding sports, at a public school within the school district if:

(a) Space for the pupil in the class or extracurricular activity is available; and

(b) The parent or legal guardian demonstrates to the satisfaction of the board of trustees that the pupil is qualified to participate in the class or extracurricular activity.
If the board of trustees of a school district authorizes a pupil to participate in a class or extracurricular activity, excluding sports, pursuant to this subsection, the board of trustees is not required to provide transportation for the pupil to attend the class or activity. The provisions of this subsection do not apply to a pupil who is enrolled in a charter school and who desires to participate on a part-time basis in a program of distance education provided by the board of trustees of a school district pursuant to NRS 388.820 to 388.874, inclusive. Such a pupil must comply with NRS 388.858.

5. Upon the request of a parent or legal guardian of a pupil who is enrolled in a charter school, the board of trustees of the school district in which the pupil resides shall authorize the pupil to participate in sports at the public school that he or she would otherwise be required to attend within the school district, or upon approval of the board of trustees, any public school within the same zone of attendance as the charter school if:

If the board of trustees so revokes its approval, neither the board of trustees nor the public school is liable for any damages relating to the denial of services to the pupil.

Sec. 46. NRS 386.570 is hereby amended to read as follows:

386.570 1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive, unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing
body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school. The Superintendent of Public Instruction shall pay to the sponsor of a charter school one-quarter of the yearly sponsorship fee for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable, pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.
which must be deducted from the quarterly apportionment to the charter school made pursuant to NRS 387.124. Except as otherwise provided in this subsection, the yearly sponsorship fee for the sponsor of a charter school must be in an amount of money not to exceed 2 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124.

4. If the governing body of a charter school satisfies the requirements of this subsection, the governing body may submit a request to the sponsor of the charter school for approval of a sponsorship fee in an amount that is less than 2 percent but at least 1 percent of the total amount of money apportioned to the charter school during the school year pursuant to NRS 387.124. If the sponsor of the charter school approves such a request, the sponsor shall provide notice of the decision to the governing body of the charter school and the Superintendent of Public Instruction. If the sponsor of the charter school denies such a request, the governing body of the charter school may appeal the decision of the sponsor to the Superintendent of Public Instruction. Upon appeal, the governing body of the charter school and the charter school are entitled to present evidence. The decision of the Superintendent of Public Instruction on the appeal is final and is not subject to judicial review. The governing body of a charter school may submit a request for a reduction of the sponsorship fee pursuant to this subsection if:

(a) The charter school has been operating in this State for at least 3 consecutive years and is in good financial standing;
(b) Each financial audit and each performance audit of the charter school required pursuant to NRS 386.540 contains no major notations, corrections or errors concerning the charter school for at least 3 consecutive years;
(c) The charter school has met or exceeded adequate yearly progress as determined pursuant to NRS 385.3613 or has demonstrated improvement in the achievement of pupils enrolled in the charter school, as indicated by annual measurable objectives determined by the State Board, for the majority of the years of its operation; and
(d) At least 75 percent of the pupils enrolled in the charter school who are required to take the high school proficiency examination have passed that examination, if the charter school enrolls pupils at the high school grade level. The charter school satisfies the requirements of subsection 1 of NRS 386.5515; and
(b) There has been a decrease in the duties of the sponsor of the charter school that justifies a decrease in the sponsorship fee.
To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board of Public Charter School Authority may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.

(f) Prescribe the date by which each university school for profoundly gifted pupils shall report the data to the Department;

(g) Prescribe standardized codes for all data elements used within the automated system and all exchanges of data within the automated system, including, without limitation, data concerning:
(1) Individual pupils;
(2) Individual teachers and paraprofessionals;
(3) Individual schools and school districts; and
(4) Programs and financial information;
(h) Provide technical assistance to each school district to ensure that the data from each public school in the school district, including, without limitation, each charter school and university school for profoundly gifted pupils located within the school district, is compatible with the automated system of information and comparable to the data reported by other school districts; and
(i) Provide for the analysis and reporting of the data in the automated system of information.

4. The Department shall establish, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, a mechanism by which persons or entities, including, without limitation, state officers who are members of the Executive or Legislative Branch, administrators of public schools and school districts, teachers and other educational personnel, and parents and guardians, will have different types of access to the accountability information contained within the automated system to the extent that such information is necessary for the performance of a duty or to the extent that such information may be made available to the general public without posing a threat to the confidentiality of an individual pupil.

5. The Department may, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, enter into an agreement with the Nevada System of Higher Education to provide access to data contained within the automated system for research purposes.

Sec. 53. NRS 387.124 is hereby amended to read as follows:

387.124 Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the county. No apportionment may be made to a
school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus the sponsorship fee prescribed by NRS 386.570 and minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State Board of Public Charter School Authority or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus the sponsorship fee prescribed by NRS 386.570 and minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2) of paragraph (a) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located plus the amount of
local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, the State Controller may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action.

TEXT OF REPEALED SECTIONS

386.507 Subcommittee on Charter Schools: Appointment of members; terms. The Subcommittee on Charter Schools of the State Board is hereby created. The President of the State Board shall appoint three members of the State Board to serve on the Subcommittee. Except as otherwise provided in this section, the members of the Subcommittee serve terms of 2 years. 386.508 Charter School District for State Board-Sponsored Charter Schools and Nevada System of Higher Education-Sponsored Charter Schools. The School District comprises only those charter schools that are sponsored by the State Board or sponsored by a college or university within the
Nevada System of Higher Education. The State Board is hereby deemed the Board of Trustees of the School District. The School District is created for the sole purpose of providing local educational agency status to the School District for purposes of federal law governing charter schools.

Senator Denis moved the adoption of the amendment.
Remarks by Senator Denis.
Senator Denis requested that his remarks be entered in the Journal.
Amendment No. 876 makes several changes to Senate Bill No. 212. The amendment provides that a request to reduce the sponsorship fee paid by a charter school to its sponsor must first be made to the sponsor. If the request is denied, the charter school may appeal to the Superintendent of Public Instruction whose decision is final.

The amendment specifies that the appointment of the charter school members of the State Charter School Authority will be made by the Charter School Association of Nevada.

The amendment specifies the State Board of Education will be responsible for adopting regulations concerning charter schools, not the State Charter School Authority.

The amendment changes from three to five, the number of years the charter school must have been operating in Nevada in good standing in order to qualify for a reduction in the fee it pays to its sponsor.

The amendment defines an educational management organization and prohibits several potential elements from being included in contracts between a charter school and a contractor or an education management organization. These provisions are currently outlined in Nevada Administrative Code (NAC) 386.403 and prohibit contract provisions that would give control of the school to the contractor or Education Management Organization (EMO).

Amendment adopted.
Bill ordered reprinted, re-engrossed and to third reading.
Senator Wiener moved that all necessary rules be suspended, that the reprinting of Senate Bill No. 212 be dispensed with, and that the Secretary be authorized to insert Amendment No. 876 adopted by the Senate, and the bill be placed on the next agenda.

GENERAL FILE AND THIRD READING

Assembly Bill No. 224.
Bill read third time.
Remarks by Senators McGinness, Denis and Hardy.
Senator Denis requested that the following remarks be entered in the Journal.

SENATOR MCGINNESS:
Thank you, Mr. President. I will be consistent, since this bill states five times it "requires school districts." I have concerns about school mandates. This is one as well.

SENATOR DENIS:
We heard Assembly Bill No. 224 in the Education Committee and when we talk about education, one of the big concerns is that parents need to be involved. We have approved this bill before, using one-shot funding. This will create the Office of Parental Involvement and Family Engagement within the Department of Education. In so doing, the measure requires the Superintendent of Public Instruction to appoint an employee of the Department to serve as the Director of the Office and ensure that the Office has a sufficient number of personnel to carry out its duties. The duties of the Office include reviewing and evaluating programs to increase parental involvement and family engagement in the public schools; developing a list of effective practices to re-engage parents and families and provide them with the skills and resources necessary to support the academic achievement of their children; working with multiple groups to increase parental involvement and family engagement; and providing information to schools and districts on the availability of competitive grants for programs designed to increase parental involvement and family engagement, including professional development for educational personnel and training for parents.

The measure changes the name of the State's Advisory Council on Parental Involvement to the Advisory Council on Parental Involvement and Family Engagement and requires the new Office to work in partnership with the Advisory Council to review and evaluate the annual accountability reports and plans for improvements relating to parental involvement and family engagement. The contents of the annual accountability reports and plans for improvement are revised to include a description of the efforts made by schools and school districts to increase the involvement of parents and the engagement of families of pupils and the effectiveness of those efforts.

The Commission on Professional Standards in Education is required to work in cooperation with the Office to adopt regulations on or before December 31, 2011, prescribing course work on parental involvement.

We heard in Committee that the Washoe County School District and the Clark County School Districts have parental involvement people. The rural school districts are asking for help in being able to work with parents. If we are talking about reforms in education, then we really have to have parental involvement. The number one factor for student success is parental involvement. I urge your support.

SENATOR HARDY:
Thank you, Mr. President. It sounds like this bill is creating an office to help other offices do what they are supposed to be doing as well as encouraging parental involvement.

SENATOR DENIS:
Correct. This is going to be someone at the State level who is going to be able to help all of the districts as they implement their parental involvement standards, as well as working with the Commission on Professional Standards to work with the universities and those who teach teachers so that they can learn how to engage parents in education.

SENATOR HARDY:
Will this be using current people who are already in place, but reassigning them to this new office, giving them specific direction as to what they are doing or is this a new hire?
SENATOR DENIS:
This is a new hire at the Department of Education. It would be one position, at this point.

Assembly Bill No. 474 creates a Sunset Subcommittee of the Legislative Commission. The Senate Majority Leader and Speaker of the Assembly each appoint two legislators as members, the Minority Leaders of the Senate and the Assembly each appoint one legislator as a member, and the remaining three members are appointed by the Chair of the Legislative Commission from a list of names of members of the general public submitted by the Governor. The duties of
the Subcommittee include reviewing each board and commission in the State and making recommendations for improvement, consolidation, or other action; and reviewing tax abatements, exemptions and set-asides for such entities, and making recommendations for termination, modification, or other action. The bill sets forth the information to be reported by each board and commission to the Subcommittee and requires each board and commission to pay for the cost of the Subcommittee's review. At least 20 boards and commissions must be reviewed each year and each board and commission must be reviewed at least every 10 years.

"SUMMARY—Revises provisions governing certain programs that supervise children. (BDR 38-782)"

"AN ACT relating to education; establishing the Interim Task Force on Out-of-School-Time Programs; requiring the Task Force to prescribe standards for out-of-school-time programs and to make certain recommendations relating to out-of-school-time programs; exempting out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs from licensure and regulation as child care facilities; requiring certain out-of-school recreation programs to obtain a permit; establishing certain requirements for the operation of an out-of-school recreation program; authorizing an out-of-school-time program to report certain information to the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires a child care facility to be licensed by an agency created by a city or county for the licensing of child care facilities or by the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services. (NRS 432A.131, 432A.141) Section 13 of this bill removes the licensure requirements for out-of-school-time programs, out-of-school recreation programs and seasonal or temporary recreation programs by excluding those terms from the definition of "child care facility."

Section 2 of this bill defines an "out-of-school-time program" as a program that operates for 10 or more hours per week, is offered on a continuing basis, provides supervision of children who are of school age and provides regularly scheduled, structured and supervised activities where learning opportunities take place during times when a child is not in school. Section 5 of this bill exempts an out-of-school-time program from the licensing requirements for and regulation of a child care facility by excluding an out-of-school-time program from the definition of a "child care facility." Sections 6-8 of this bill ensure that the existing definition of "child care facility" is not changed for certain other purposes. Section 4 of this bill defines an
"out-of-school recreation program" which is similar to an out-of-school-time program, but which is operated or sponsored by a local government in a facility which is owned, operated or leased by the local government. Section 5 of the bill defines "seasonal or temporary recreation programs" which include certain programs offered to children for a limited time or duration.

In lieu of the requirements for licensure as a child care facility, sections 6-11 of this bill provide specific requirements for out-of-school recreation programs. Section 6 requires a local government to obtain a permit to operate an out-of-school recreation program. To obtain a permit, the local government must complete an application, pay a fee and meet certain requirements. Section 7 requires a local government that operates an out-of-school recreation program to comply with certain health and safety standards and to comply with other requirements relating to the safety of participants. Section 8 provides certain requirements for the staff of an out-of-school recreation program. Section 8 also limits the number of participants in such a program and establishes certain components that must be included in the program. Section 9 requires an out-of-school recreation program to maintain certain records about participants in the program. Section 10 requires a local government that operates an out-of-school recreation program to provide copies of certain inspections of the facility where the program is conducted according to a schedule established by the Bureau. If the local government submits such records, section 10 prohibits the Bureau from conducting any additional on-site inspections of the facility. Section 11 authorizes the Bureau to adopt any regulations necessary to provide for the permits to operate an out-of-school recreation program.

Section 17 of this bill establishes the Interim Task Force on Out-of-School-Time Programs and requires the Task Force to prescribe standards for out-of-school-time programs and make certain other recommendations concerning out-of-school-time programs. Section 17 also requires the Task Force to submit a report of its recommendations to the Governor and to the Director of the Legislative Counsel Bureau for transmittal to the 77th Session of the Nevada Legislature.

Legislative Counsel’s Digest:
Existing law creates the Department of Wildlife and requires the Department to administer the wildlife laws of this State. (NRS 501.331) Existing law also creates the Office of Energy within the Office of the Governor to analyze, review and study the use of energy and availability of energy in this State, as well as to coordinate activities with other agencies to administer programs related to the use of renewable energy and to conserve or reduce the demand for energy. (NRS 701.150, 701.180) This bill requires the Department of Wildlife and the Office of Energy to cooperate in acting as a resource for the Federal Government, the Public Utilities Commission of Nevada, the counties of this State and the public by compiling and providing certain information relating to certain energy development projects.
Section 5 of this bill defines an "energy development project" as any project for the generation, transmission and development of energy, whether on public or private land. Section 6 of this bill exempts from the provisions of this bill a project that has a generating capacity of less than 10 megawatts.

Section 7 of this bill requires any person who files an application with the Federal Government for a lease or easement for a right-of-way for an energy development project or an application with the Public Utilities Commission of Nevada or any county in this State relating to the construction of an energy development project to file a notice concurrently with the Department of Wildlife. The notice required by section 7 must include a description of the location, boundaries and estimated infrastructure requirements for the project and a description of the project itself and an estimate of the energy output of the project. Section 7 further requires the Department to provide a copy of the notice to the Office of Energy and requires the Department, in consultation with the Office of Energy, to adopt regulations to provide for making reasonable deposits and reimbursing the Department for providing information relating to wildlife or wildlife habitat based on the location of an energy development project. [Fund to allow for developers to request the Director of the Office of Energy to coordinate discussions with interested parties concerning the potential effects of energy development projects.]

Section 9 of this bill creates the Energy Planning and Conservation Fund and requires the money in the Fund to be administered by the Director of the Department of Wildlife and used by the Department in accordance with the State Wildlife Action Plan for conducting surveys of wildlife, for mapping locations of wildlife and its habitat, for conservation projects for the habitat of wildlife impacted by energy development projects and to match any federal money for a project or program for the conservation of any species of wildlife which is of critical concern. Section 9.5 of this bill creates the Fund for the Recovery of Costs and requires the money in the Fund to be administered by the Director of the Department of Wildlife and used by the Department solely to provide to the Federal Government, the Public Utilities Commission of Nevada or any person with information relating to wildlife or wildlife habitat based on the location of an energy development project or to match any federal money for a project or program for the conservation of any species of wildlife.

Section 8 of this bill requires the Department of Wildlife to compile and maintain information on all energy development projects for which notice is filed pursuant to section 7 and to prepare and submit a report detailing such projects to the Legislative Commission in even-numbered years and, in odd-numbered years, to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

Section 11 of this bill expands the duties of the Director of the Office of Energy to include coordinating discussions with interested parties concerning the potential effects of energy development projects.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 895.
"SUMMARY—Revises provisions regarding properties leased for use by the State. (BDR 27-381)"

"AN ACT relating to state buildings; requiring the Chief of the Buildings and Grounds Division of the Department of Administration to negotiate and approve any agreements to lease office rooms for use by certain state entities; requiring certain state entities to provide the Chief with an inventory of all real property used by the entity; requiring the Chief to post on an Internet website certain information regarding certain real property owned or leased by the State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Chief of the Buildings and Grounds Division of the Department of Administration is authorized to lease and equip office rooms outside of state buildings for the use of certain state officers and employees whenever sufficient space cannot be provided within state buildings. (NRS 331.110) Section 1 of this bill requires that any agreement to lease office rooms for state officers, departments, agencies, commissions or boards must be negotiated, approved and overseen by the Chief. Section 1 also requires state officers, departments, agencies, commissions and boards to provide the Chief with an inventory of all real property leased to the State that is used by the state officer, department, agency, commission or board. Section 1 further requires the Chief to post, on an Internet website, a list of real property that is leased or owned by the State, including a brief description of the property, its use and the terms of the agreement under which the property is leased by the State, except that the information must not be posted if the Chief of the Budget Division of the Department of Administration deems the information to be confidential. Such information may be deemed confidential if the state officer or public entity that uses the property requests that the information be kept confidential to maintain public safety. If the information is deemed confidential, the Chief of the Budget Division is required to inform the Chief of the Buildings and Grounds Division. Sections 2, 3 and 4 of this bill extend the requirements of section 1 to properties leased for use by the Gaming Control Board, the Department of Public Safety and the Department of Motor Vehicles, which are currently exempted from certain requirements relating to the lease or purchase of property. (NRS 463.100, 480.160, 481.055)

SENATOR ROBERSON:
Thank you, Mr. President. In a recurring theme of this Session, we have another bill that will result in more prisoners being released from prison early. I cannot support this. I ask you not to support it.

SENATOR PARKS:
Thank you, Mr. President. This is called aggregating of sentences. A judge will inform a prisoner when the prisoner is sentenced that, if he has multiple offenses, he will have a certain number of years he must serve for each of those offenses and that he would not be eligible for parole before a certain date. What is happening now is that, on a lesser sentence, an inmate has an opportunity to go to a parole hearing when they have barely been sentenced to prison. This creates a real problem for victims, especially if it is for a heinous crime. It keeps dragging the victims back through repeated parole hearings. That runs up a lot of money. It costs the State to have the parole hearings and the idea of the aggregated sentence has the opportunity to save the State money in incarceration fees.

Sec. 27. NRS 338.1907 is hereby amended to read as follows:

338.1907  1. A governing body may designate one or more energy retrofit coordinators for the buildings occupied by the local government.

2. If such a coordinator is designated, upon request by or consultation with an officer or employee of the local government who is responsible for the budget of a department, board, commission or other entity of the local government, the coordinator may request the approval of the governing body to advertise a request for proposals to retrofit a building, or any portion thereof, that is occupied by the department, board, commission or other entity, to make the use of energy in the building, or portion thereof, more efficient.

3. Upon approval of the governing body, the coordinator shall prepare a request for proposals for the retrofitting of one or more buildings, or any portion thereof, which includes:

   (a) The name and location of the coordinator;

   (b) A brief description of the requirements for the initial audit of the use of energy and the retrofitting;

   (d) The date and time not later than which proposals must be received by the coordinator; and

   (e) The date and time when responses will be opened.

4. The request for proposals must be published
(a) On the Internet website of the governing body, if the governing body maintains an Internet website, every day for not less than 7 days before the opening of bids; and

If no qualified newspaper is published in the county where the public work will be performed, the required advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county where the public work will be performed.

5. After receiving the proposals but before making a decision on the proposals, the coordinator shall consider:

(a) The best interests of the local government;

(b) The experience and financial stability of the persons submitting the proposals;

(c) Whether the proposals conform with the terms of the request for proposals;

(d) The prices of the proposals; and

(e) Any other factor disclosed in the request for proposals.

6. The coordinator shall determine the relative weight of each factor before a request for proposals is advertised. The weight of each factor must not be disclosed before the date proposals are required to be submitted to the coordinator.

7. After reviewing the proposals, if the coordinator determines that the dollar value of the annual energy savings resulting from the retrofit will meet or exceed the total annual contract payments to be made by the local government, including any financing charges to be incurred by the local government over the life of the contract, the coordinator shall select the best proposal and request the approval of the governing body to award the contract. The request for approval must include the proposed method of financing the audit and retrofit, which may include an installment contract, a shared savings contract or any other contract for a reasonable financing arrangement. Such a contract may commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body, or both.

8. Before approving a retrofit pursuant to this section, the governing body shall evaluate any projects that would utilize shared savings as a method of payment or any method of financing that would commit the local government to make payments beyond the fiscal year in which the contract is executed or beyond the terms of office of the governing body to ensure that:

(a) The dollar value of the annual energy savings resulting from the retrofit will meet or exceed the total annual contract payments to be made by the local government related to the retrofit, including any financing charges to be incurred by the local government over the life of the contract; and
(b) The local government is likely to continue to occupy the building for the entire period required to recoup the cost of the retrofit in energy savings.

9. Upon approval of the governing body, the coordinator shall execute the contract and notify each officer or employee who is responsible for the budget of a department, board, commission or other entity which occupies a portion of a building that will be retrofitted of the amount of money it will be required to pay annually for its portion of the retrofit.

10. A change order to a contract executed pursuant to this section may not be approved by the local government if the cost of the change order would cause the dollar value of the annual energy savings resulting from the retrofit to be less than the total annual contract payments to be made by the local government, including financing charges to be incurred by the local government over the life of the contract, unless approval of the change order is more economically feasible than termination of the retrofit.

11. NRS 338.1385 and 338.143 do not apply to a project for which a request for proposals is advertised and the contract is awarded pursuant to the provisions of this section.

Sec. 28. NRS 496.090 is hereby amended to read as follows:

Senator Schneider moved that the Senate do not concur in the Assembly amendment to Senate Bill No. 294.
Motion carried.
Bill ordered transmitted to the Assembly.

Senate Bill No. 30.
The following Assembly amendment was read:
Amendment No. 626.
"SUMMARY—Makes various changes relating to common-interest communities. (BDR 10-477)"
"AN ACT relating to common-interest communities; providing for the electronic transfer of money to the United States Government or federal or state agencies under certain circumstances; authorizing an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances; revising provisions relating to the requirement that the executive board of an association make certain records available for review at a designated location; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law requires certain signatures for the withdrawal of money from an account of a unit-owners' association of a common-interest community. (NRS 116.31153) Section 1 of this bill allows the withdrawal of money, without the required signatures, from the operating account of an association to make an electronic transfer of money to the United States Government or a federal or state agency. Section 1 also authorizes an association to use electronic signatures to withdraw money from the operating account of the association under certain circumstances.

Existing law requires the executive board of a unit-owners' association to make certain financial records available for review at the business office of the association or some other location within the county in which the common-interest community is located. Existing law also requires the board to provide, upon request, a copy of those records to a unit's owner or the Ombudsman for Owners in Common-Interest Communities and Condominium Hotels and authorizes the board to charge a certain fee to cover the actual costs of preparing the copy. (NRS 116.31177) Section 3 of this bill repeals that provision and instead, section 2 of this bill requires the executive board of a unit-owners' association to make those records available for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community. Section 2 also retains the requirement that the board provide, upon request, a copy of such records to a unit's owner or the Ombudsman; and retains the authority of the board to charge a fee to cover the actual costs of preparing the copy.
(2) requires the board to provide the copy in electronic format at no charge to the unit's owner or the Ombudsman or, if the board is unable to provide the copy in electronic format, in paper format at a cost not to exceed a certain amount per page of the record.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

   (d) Make an electronic transfer of money to the United States Government, or any agency thereof, pursuant to any federal law requiring transfers of money to be made by an electronic means authorized by the United States Government or the agency thereof.

4. An association may use electronic signatures to withdraw money in the operating account of the association if:

   (a) The electronic transfer of money is made pursuant to a written agreement entered into between the association and the financial institution where the operating account of the association is maintained;

5. As used in this section, "electronic transfer of money" has the meaning ascribed to it in NRS 353.1467.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

3. If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

(a) On behalf of the unit's owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

The following Assembly amendment was read:
Amendment No. 734.

"SUMMARY—Revises certain provisions governing liens of owners of facilities for storage. (BDR 9-907)"

"AN ACT relating to liens; revising certain provisions governing liens of owners of facilities for storage; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law generally provides that if an occupant of a storage space at a self-storage facility defaults on the payment of rent or other charges that are due to the owner of the facility pursuant to a rental agreement, the owner has a lien on the occupant's personal property contained in the storage space and is entitled to certain remedies until the lien is satisfied. (NRS 108.4753, 108.4763) In addition to being able to deny the occupant access to the storage space and remove the occupant's personal property from the storage space, an owner may also sell the occupant's personal property to satisfy the lien. (NRS 108.4763) Section 16 of this bill further authorizes an owner to dispose of certain personal property. Sections 13, 16, and 19 of this bill revise various provisions relating to an owner's lien on an occupant's personal property as well as the sale to satisfy such a lien.

Existing law also authorizes an occupant to prevent the sale of his or her personal property to satisfy the lien by executing a declaration in opposition to the sale and returning the declaration to the owner. Upon receipt of the declaration in opposition to the sale, the owner may commence an action in court to enforce the lien. (NRS 108.4765, 108.478) Section 22 of this bill repeals these provisions. Section 16.5 of this bill revises the information that a declaration in opposition to the sale must contain. Section 18.5 of this bill removes the provision which authorizes an owner to commence an action in court to enforce the lien upon receipt of a declaration in opposition to the sale. Instead, the occupant is required to commence an action not later than 21 days after the owner receives the declaration in opposition to the sale or the owner may sell the property. If an action is commenced, the owner is prohibited from selling the property unless the court enters judgment in favor of the owner.

Sections 15 and 16 provide that certain notices relating to an occupant's right to use a storage space and a sale to satisfy an owner's lien on an occupant's personal property must be sent by verified mail and, if available, electronic mail.

(2) If the occupant is subject to mandatory licensing, registration, permitting or other professional or occupational regulation by a governmental agency, board or commission and the protected property to be stored is related to the practice of that profession or occupation by the occupant, provide written notice to that agency, board or commission stating that the occupant is storing protected property at the facility, identifying the general type of protected property being stored at the facility and providing complete contact information for the facility. The occupant shall give the owner a copy of any written notice provided to such an agency, board or commission.
(3) Provide complete contact information for a secondary contact who may be contacted by the owner if the owner is unable to contact the occupant.

2. If any provision of the rental agreement provides that an owner, lessor, operator, manager or employee of the facility, or any combination thereof, is not liable, jointly or severally, for any loss or theft of personal property stored in a storage space at the facility, the provision is unenforceable unless:

(a) The rental agreement contains a statement advising the occupant to purchase insurance for any personal property stored in a storage space at the facility and informing the occupant that such insurance is available through most insurers;

(b) The provision and the statement are:

(1) Printed in all capital letters or, if the rental agreement is printed in all capital letters, printed in all capital letters and boldface type, italic type or underlined type; and

(2) Printed in a size equal to at least 10-point type or, if the rental agreement is printed in 10-point type or larger, printed in type that is at least 2 points larger than the size of type used for other provisions of the rental agreement; and

(c) The provision is otherwise enforceable pursuant to the laws of this state.

3. NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act do not apply and the lien for charges for storage does not attach unless the rental agreement contains a space for the occupant to provide the name and address of an alternative person to whom the notices under those sections may be sent. The occupant's failure to provide an alternative address does not affect the owner's remedies under those sections.

4. The parties may agree in the rental agreement to additional rights, obligations or remedies other than those provided by NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act. The rights provided in those sections are in addition to any other rights of a creditor against a debtor.

Sec. 15. NRS 108.476 is hereby amended to read as follows:

108.476 1. If any charges for rent or other items owed by the occupant remain unpaid for 14 days or more, the owner may terminate the occupant's right to use the individual storage space for storage at the facility for which charges are owed, not less than 14 days after sending a notice by certified mail, verified mail and if available, electronic mail to the occupant at his or her last known address and to the alternative address provided by the occupant in the rental agreement. The notice must contain:

(a) An itemized statement of the amount owed by the occupant at the time of the notice and the date when the amount became due;

(b) The name, address and telephone number of the owner or the owner's agent;
(c) A statement that the occupant's right to use the storage space will terminate on a specific date unless the occupant pays the amount owed to the owner; and

(d) A statement that upon the termination of the occupant's right to occupy the storage space and after the date specified in the notice, an owner's lien pursuant to NRS 108.4753, will be imposed.

2. For the purposes of this section, "last known address" means the postal and electronic mail address, if any, provided by the occupant in the most recent rental agreement between the owner and occupant, or the postal and electronic mail address, if any, provided by the occupant in a written notice sent to the owner with a change of the occupant's address after the execution of the rental agreement.

Sec. 16. NRS 108.4763 is hereby amended to read as follows:

108.4763  1. After the notice of the lien is mailed by the owner, if the occupant fails to pay the total amount due by the date specified in the notice, the owner may:

(a) Deny the occupant access to the storage space.

(b) Enter the storage space and remove the personal property within it to a safe place.

(c) Dispose of, but may not sell, any protected property contained in the storage space in accordance with the provisions of subsection 4 if the owner has actual knowledge of such protected property. If the owner disposes of the protected property in accordance with the provisions of subsection 4, the owner is not liable to the occupant or any other person who claims an interest in the protected property.

(d) If the personal property upon which the lien is claimed is a motor vehicle, boat or personal watercraft, and rent and other charges related to such property remain unpaid or unsatisfied for 60 days, have the property towed by any tow car operator subject to the jurisdiction of the Nevada Transportation Authority. If a motor vehicle, boat or personal watercraft is towed pursuant to this paragraph, the owner is not liable for any damages to such property once the tow car operator takes possession of the motor vehicle, boat or personal watercraft.

2. The owner shall send to the occupant a notice of a sale to satisfy the lien by certified mail to the occupant at his or her last known address of the occupant and to the alternative address provided by the occupant in the rental agreement at least 14 days before the sale. The owner shall also send such notice to the occupant by electronic mail at the last known electronic mail address of the occupant, if any. The notice must contain:

(a) A statement that the occupant may no longer use the storage space and no longer has access to the occupant's personal property stored therein;

(b) A statement that the personal property of the occupant is subject to a lien and the amount of the lien.
(c) A statement that the personal property will be sold or disposed of to satisfy the lien on a date specified in the notice, unless the total amount of the lien is paid or the occupant executes and returns by certified verified mail, the declaration in opposition to the sale; and

(d) A statement of the provisions of subsection 3.

3. Proceeds of the sale over the amount of the lien and the costs of the sale must be retained by the owner and may be reclaimed by the occupant or the occupant's authorized representative at any time up to 1 year from the date of the sale.

4. The notice of the sale must also contain a blank copy of a declaration in opposition to the sale to be executed by the occupant if the occupant wishes to do so.

5. The owner may dispose of protected property contained in the storage space by taking the following actions, in the following order of priority, until the protected property is disposed of:

(a) Contacting the occupant and returning the protected property to the occupant.

(b) Contacting the secondary contact listed by the occupant in the rental agreement and returning the protected property to the secondary contact.

(c) Contacting any appropriate state or federal authorities, including, without limitation, any appropriate governmental agency, board or commission listed by the occupant in the rental agreement pursuant to NRS 108.4755, ascertaining whether such authorities will accept the protected property and, if such authorities will accept the protected property, ensuring that the protected property is delivered to such authorities.

(d) Destroying the protected property in an appropriate manner which is authorized by law and which ensures that any confidential information contained in the protected property is completely obliterated and may not be examined or accessed by the public.

Sec. 16.5. NRS 108.4765 is hereby amended to read as follows:

108.4765 The occupant may prevent a sale of the personal property to satisfy the lien if the occupant executes a declaration in opposition to the sale under penalty of perjury and returns the declaration to the owner by certified verified mail. The declaration must contain the following:

1. The name, address and signature of the occupant;

2. The location of the personal property which is to be sold to satisfy a lien;

3. The date the declaration was executed by the occupant; and

4. A statement that:

(a) The occupant has received the notice of the sale to satisfy the lien;

Sec. 17. NRS 108.477 is hereby amended to read as follows:

108.477 1. If the declaration in opposition to the lien sale executed by the occupant is not received by the date of the sale specified in the notice mailed to the occupant, the owner may sell the property.

2. The owner shall advertise the sale once a week for 2 consecutive weeks immediately preceding the date of the sale in a newspaper of general circulation in the judicial district where the sale is to be held. The advertisement must contain:

3. If there is no newspaper of general circulation in the judicial district where the sale is to be held, the advertisement must be posted 10 days before the sale in at least six conspicuous places near the place of the sale.

4. The sale must be conducted in a commercially reasonable manner. If five or more bidders who are unrelated to the owner are in attendance at a sale held to satisfy the lien, the sale and all proceeds from the sale are deemed to be commercially reasonable.

5. After deducting the amount of the lien and the costs of the sale, the owner shall retain any excess proceeds from the sale on the behalf of the occupant.

6. The occupant or any person authorized by the occupant or by an order of the court may claim the excess proceeds or the portion of the proceeds necessary to satisfy the person's claim at any time within 1 year after the date of the sale. After 1 year, the owner shall pay any proceeds remaining from the sale to the treasurer of the county where the sale was held for deposit in the general fund of the county.

Sec. 18. NRS 108.4773 is hereby amended to read as follows:

2. Upon payment of the total amount due pursuant to this section, the owner shall deliver the personal property subject to the security interest to the person holding such interest and paying the amount of the owner's lien. The owner is not liable to any person for any action taken pursuant to this section if the owner complied with the provisions of NRS 108.473 to 108.4783, inclusive, and sections 2 to 6, inclusive, of this act.

The occupant must file a complaint in a court of competent jurisdiction not later than 21 days after the date on which the owner receives the declaration in opposition to the sale. If such an action is commenced, the owner must not sell the property unless the court enters judgment in favor of the owner.

4. The occupant may stay the enforcement of the judgment pending an appeal by posting with the court which entered the judgment a bond in an amount equal to 1.5 times the amount of the judgment. Senator Wiener moved that the Senate concur in the Assembly amendment to Senate Bill No. 150.

Motion carried by a constitutional majority.

Bill ordered enrolled.
Senate Bill No. 204.
The following Assembly amendment was read:
Amendment No. 744.
"SUMMARY—Enacts certain amendments to the Uniform
Common-Interest Ownership Act. (BDR 10-298)"
"AN ACT relating to common-interest communities; enacting certain
amendments to the Uniform Common-Interest Ownership Act; and providing
other matters properly relating thereto."
Legislative Counsel’s Digest:
Existing law relating to common-interest communities is based on the
Uniform Common-Interest Ownership Act (UCIOA), which was proposed by
the Uniform Law Commission (ULC). (Chapter 116 of NRS) This bill enacts
certain amendments to the UCIOA which have been proposed by the ULC.
Sections 2, 40 and 41 of this bill prescribe the manner in which an
association must provide notice of meetings of units' owners and of the
executive board and any other notice required to be given by an association
other than notices relating to the foreclosure of a lien on a unit held by the
association.
Section 4 of this bill authorizes the executive board or any other
interested person with an interest in the common-interest community to
commence an action in the district court for the termination of a
common-interest community if: (1) substantially all the units in the
common-interest community have been destroyed or are uninhabitable; and
(2) the available methods for giving notice of a meeting of units' owners to
consider termination are not likely to result in receipt of the notice.
Sections 5 and 6 of this bill reorganize and reenact certain provisions of
existing law relating to the indemnification of members of executive boards
and the provision of equal space to opposing views in official publications
under certain circumstances. Additionally, section 6 enacts provisions
providing for equal time for candidates and representatives of ballot
questions on a closed-circuit television station maintained by an association.
Under existing law, the definitions applicable to laws relating to
common-interest communities apply to the declarations and bylaws of
associations. (NRS 116.003) Section 7 of this bill provides that those definitions
no longer apply to those declarations and bylaws.
Sections 8-16 of this bill change certain definitions set forth in existing
law to conform to the language of the UCIOA.
Existing law provides that other principles of law, including, without
limitation, the law of corporations and the law of unincorporated
associations, supplement the existing law relating to common-interest
communities. (NRS 116.1108) Section 18 of this bill provides that the laws
governing other forms of organization supplement the existing law relating to
common-interest communities.
Sections 20-22 of this bill adopt the language of certain amendments to the
UCIOA relating to the applicability of existing law governing
common-interest communities. Section 21 also requires certain associations containing not more than 12 units to provide each unit with a copy of any changes made to the governing documents within 30 days after such changes are made.

Sections 24-31 of this bill adopt the language of certain amendments to the UCIOA relating to the creation, alteration and termination of common-interest communities. Section 29 grants units' owners the right to use the common elements for the purposes for which they were intended rather than granting an easement to use the common elements for all purposes. Section 30 amends provisions relating to requirements for amending the declaration of a common-interest community and to the enforcement of certain amendments. Section 31 amends the requirements for the termination of a common-interest community.

Sections 32-51 of this bill enact certain amendments to the UCIOA which relate to the governance of common-interest communities. Section 32 requires an association larger than 12 units to have an executive board and allows an association to be organized as any form of organization authorized by the law of this State. Section 33 allows the executive board not to take enforcement action if it determines that: (1) the law does not support such action; (2) the violation is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or (3) it is not in the best interest of the association to pursue an enforcement action. Section 34 provides that officers of the association and members of the executive board are subject to the conflict of interest rules which govern officers and directors of nonprofit corporations organized under the law of this State. Section 34.5 provides that if an association seeks to impose and enforce a construction penalty, the association must provide notice of the maximum allowable penalty and schedule in the public offering statement or resale package. Section 36 authorizes a declarant to end the period of declarant's control by giving notice to units' owners and recording an instrument stating that the declarant surrenders all rights to control activities of the association. Section 37 amends provisions relating to the removal of members of the executive board. Section 38 amends provisions relating to the termination of certain contracts entered into before the election of an executive board by units' owners. Section 40 provides that the portion of a meeting of the units' owners devoted to comments by units' owners is limited to comments by units' owners regarding any matter affecting the common-interest community or the association. Section 42 amends requirements for determining whether a quorum is present at a meeting of the executive board to provide that a majority of the votes on the executive board must be present at the time a vote is taken rather than at the beginning of the meeting. Section 43 authorizes units' owners to vote by absentee ballot at a meeting of the units' owners. Section 44 provides that a unit's owner is not liable, by reason of being a unit's owner, for injuries or damage arising out of the condition or use of the common elements. Sections 45 and 59.5 of this
bill require an association to obtain crime insurance and remove the requirement that a community manager post a bond. Section 45 also requires the association to maintain property, liability and crime insurance subject to reasonable deductibles. Section 48 amends provisions relating to common expenses caused by a unit's owner, a tenant or an invitee of a unit's owner or tenant. Section 49 amends provisions relating to liens for certain charges imposed by an association and authorizes a court to appoint a receiver when an association brings an action to foreclose a lien or collect assessments. Sections 51 and 60 amend provisions relating to the books and records of an association and the inspection of such books and records by units' owners.

Sections 52-58 of this bill enact certain amendments to the UCIOA which relate to the disclosures provided to purchasers of real estate located in a common-interest community and the warranties applicable to real estate located in a common-interest community. Section 52 exempts the disposition of a unit restricted to nonresidential purposes from the requirement to provide a public offering statement or certificate of resale. Section 53 amends the information required to be included in the public offering statement provided to an initial purchaser of a unit.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this act.

Sec. 2. 1. Except as otherwise provided in subsection 3, an association shall deliver any notice required to be given by the association under this chapter to any mailing or electronic mail address a unit's owner designates. Except as otherwise provided in subsection 3, if a unit's owner has not designated a mailing or electronic mail address to which a notice must be delivered, the association may deliver notices by:

(a) Hand delivery to each unit's owner;
(b) Hand delivery, United States mail, postage paid, or commercially reasonable delivery service to the mailing address of each unit;
(c) Electronic means, if the unit's owner has given the association an electronic mail address; or
(d) Any other method reasonably calculated to provide notice to the unit's owner.

2. The ineffectiveness of a good faith effort to deliver notice by an authorized means does not invalidate action taken at or without a meeting.

3. The provisions of this section do not apply:

(a) To a notice required to be given pursuant to NRS 116.3116 to 116.31168, inclusive; or
(b) If any other provision of this chapter specifies the manner in which a notice must be given by an association.

Sec. 3. This chapter modifies, limits and supersedes the federal Electronic Signatures in Global and National Commerce Act, 15 U.S.C. §§ 7001 et seq., but does not modify, limit or supersedes
Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).

Sec. 4. If substantially all the units in a common-interest community have been destroyed or are uninhabitable and the available methods for giving notice under NRS 116.3108 of a meeting of units' owners to consider termination under NRS 116.2118 will not likely result in receipt of the notice, the executive board or any other [interested] person holding an interest in the common-interest community may commence an action in the district court of the county in which the common-interest community is located seeking to terminate the common-interest community. During the pendency of the action, the court may issue whatever orders it considers appropriate, including, without limitation, an order for the appointment of a receiver. After a hearing, the court may terminate the common-interest community or reduce its size and may issue any other order the court considers to be in the best interest of the units' owners and persons holding an interest in the common-interest community.

Sec. 5. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted.

Sec. 6. 1. If an official publication contains any mention of a candidate or ballot question, the official publication must, upon request and under the same terms and conditions, provide equal space to all candidates or to a representative of an organization which supports the passage or defeat of the ballot question.

2. If an official publication contains the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and under the same terms and conditions, provide equal space to opposing views and opinions of a unit's owner of the common-interest community.

3. If an association has a closed-circuit television station and that station interviews, or provides time to, a candidate or a representative of an organization which supports the passage or defeat of a ballot question, the closed-circuit television station must, under the same terms and conditions, allow equal time for all candidates or a representative of an opposing view to the ballot question.

4. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and
which occurs in the course of carrying out any duties required pursuant to subsection 1, 2 or 3.

5. As used in this section:
   (a) "Issue of official interest" means:
       (1) Any issue on which the executive board or the units' owners will be voting, including, without limitation, elections; and
       (2) The enactment or adoption of rules or regulations that will affect the common-interest community.
   (b) "Official publication" means:
       (1) An official website;
       (2) An official newsletter or other similar publication that is circulated to each unit's owner; or
       (3) An official bulletin board that is available to each unit's owner.

Sec. 7. NRS 116.003 is hereby amended to read as follows:

116.003 As used in this chapter and in the declaration and bylaws of an association, unless the context otherwise requires, the words and terms defined in NRS 116.005 to 116.095, inclusive, have the meanings ascribed to them in those sections.

Sec. 8. NRS 116.007 is hereby amended to read as follows:

116.007 Affiliates control the declarant if:

1. A person "controls" a declarant if the person:
   (a) Is a general partner, officer, director or employer of the declarant;
   (b) Directly or indirectly or acting in concert with one or more other persons, or through one or more subsidiaries, owns, controls, holds with power to vote or holds proxies representing, more than 20 percent of the voting interest in the declarant;
   (c) Controls in any manner the election of a majority of the directors of the declarant; or
   (d) Has contributed more than 20 percent of the capital of the declarant.

2. A person "is controlled by" a declarant if the declarant:
   (a) Is a general partner, officer, director or employer of the person;

   (c) Controls in any manner the election of a majority of the directors of the person; or
   (d) Has contributed more than 20 percent of the capital of the person.

3. Control does not exist if the powers described in this section are held solely as security for an obligation and are not exercised.

Sec. 9. NRS 116.009 is hereby amended to read as follows:

116.009 "Allocated interests" means the following interests allocated to each unit:
1. In a condominium, the undivided interest in the common elements, the liability for common expenses, and votes in the association;
2. In a cooperative, the liability for common expenses, the ownership interest and votes in the association; and
3. In a planned community, the liability for common expenses and votes in the association.

Sec. 10. NRS 116.017 is hereby amended to read as follows:

116.017 "Common elements" means:
1. In the case of:
   (a) A condominium or cooperative, all portions of the common-interest community other than the units, including easements in favor of units or the common elements over other units and
   (b) A planned community, any real estate within a planned community which is owned or leased by the association, other than a unit.
2. In all common-interest communities, any other interests in real estate for the benefit of units' owners which are subject to the declaration.

Sec. 11. NRS 116.035 is hereby amended to read as follows:

116.035 "Declarant" means any person or group of persons acting in concert who:
1. As part of a common promotional plan, offers to dispose of the interest of the person or group of persons in a unit not previously disposed of; or
2. Reserves or succeeds to any special declarant's right.

Sec. 12. NRS 116.045 is hereby amended to read as follows:

116.045 "Executive board" means the body, regardless of name, designated in the declaration or bylaws to act on behalf of the association.

Sec. 13. NRS 116.079 is hereby amended to read as follows:

116.079 "Purchaser" means a person, other than a declarant or a dealer, who by means of a voluntary transfer acquires a legal or equitable interest in a unit other than:
1. A leasehold interest, including options to renew, of less than 20 years; or
2. As security for an obligation.

Sec. 14. NRS 116.081 is hereby amended to read as follows:

116.081 "Real estate" means any leasehold or other estate or interest in, over or under land, including structures, fixtures and other improvements and interests that by custom, usage or law pass with a conveyance of land though not described in the contract of sale or instrument of conveyance. The term includes parcels with or without upper or lower boundaries and spaces that may be filled with air or water.

Sec. 15. NRS 116.089 is hereby amended to read as follows:

116.089 "Special declarant's rights" means rights reserved for the benefit of a declarant to:
1. Complete improvements indicated on plats or in the declaration \{(NRS 116.2109)\} or, in a cooperative, to complete improvements described in the public offering statement pursuant to \textit{paragraph (b) of subsection 2} of NRS 116.4103;

116.095 "Unit's owner" means a declarant or other person who owns a unit, or a lessee of a unit in a leasehold common-interest community whose lease expires simultaneously with any lease the expiration or termination of which will remove the unit from the common-interest community, but does not include a person having an interest in a unit solely as security for an obligation. In a condominium or planned community, the declarant is the owner of any unit created by the declaration until that unit is conveyed to another person. In a cooperative, the declarant is treated as the owner of any unit to which allocated interests have been allocated \{(NRS 116.2107)\} until that unit has been conveyed to another person.

\textbf{Sec. 17.} NRS 116.1104 is hereby amended to read as follows:

116.1104 Except as expressly provided in this chapter, its provisions may not be varied by agreement, and rights conferred by it may not be waived. \[A\] \textit{Except as otherwise provided in paragraph (b) of subsection 2 of NRS 116.12075, a declarant may not act under a power of attorney, or use any other device, to evade the limitations or prohibitions of this chapter or the declaration.}

\textbf{Sec. 18.} NRS 116.1108 is hereby amended to read as follows:

116.1108 The principles of law and equity, including the law of corporations \{\} and any other form of organization authorized by law of this State, the law of unincorporated associations, the law of real property, and the law relative to capacity to contract, principal and agent, eminent domain, estoppel, fraud, misrepresentation, duress, coercion, mistake, receivership, substantial performance, or other validating or invalidating
cause supplement the provisions of this chapter, except to the extent inconsistent with this chapter.

Sec. 19. NRS 116.1114 is hereby amended to read as follows:

116.1114 1. The remedies provided by this chapter must be liberally administered to the end that the aggrieved party is put in as good a position as if the other party had fully performed. Consequential, special or punitive damages may not be awarded except as specifically provided in this chapter or by other rule of law.

2. Any right or obligation declared by this chapter is enforceable by judicial proceeding.

Sec. 20. NRS 116.1201 is hereby amended to read as follows:

116.1201 1. Except as otherwise provided in this section and NRS 116.1203, this chapter applies to all common-interest communities created within this State.

2. This chapter does not apply to:

(a) A limited-purpose association, except that a limited-purpose association:

(1) Shall pay the fees required pursuant to NRS 116.31155, except that if the limited-purpose association is created for a rural agricultural residential common-interest community, the limited-purpose association is not required to pay the fee unless the association intends to use the services of the Ombudsman;

(2) Shall register with the Ombudsman pursuant to NRS 116.31158;

(3) Shall comply with the provisions of:

(I) NRS 116.31038;

(II) NRS 116.31083 and 116.31152, unless the limited-purpose association is created for a rural agricultural residential common-interest community;

(III) NRS 116.31073, if the limited-purpose association is created for maintaining the landscape of the common elements of the common-interest community; and

(IV) NRS 116.31075, if the limited-purpose association is created for a rural agricultural residential common-interest community;

(4) Shall comply with the provisions of NRS 116.4101 to 116.412, inclusive, as required by the regulations adopted by the Commission pursuant to paragraph (b) of subsection 5; and

(5) Shall not enforce any restrictions concerning the use of units by the units’ owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.

(b) A planned community in which all units are restricted exclusively to nonresidential use unless the declaration provides that this chapter or a part of this chapter does apply to that planned community pursuant to NRS 116.12075. This chapter applies to a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted only if the declaration so provides or if the real
estate comprising the units that may be used for residential purposes would be a planned community in the absence of the units that may not be used for residential purposes.

(c) Common-interest communities or units located outside of this State, but the provisions of NRS 116.4102 to 116.4108, and, to the extent applicable, NRS 116.41035 to 116.4107, inclusive, apply to all contracts for the disposition of a unit in that common-interest community signed in this State by any party unless exempt under subsection 2 of NRS 116.4101.

(d) A common-interest community that was created before January 1, 1992, is located in a county whose population is less than 50,000, and has less than 50 percent of the units within the community put to residential use, unless a majority of the units' owners otherwise elect in writing.

(e) Except as otherwise provided in this chapter, time shares governed by the provisions of chapter 119A of NRS.

3. The provisions of this chapter do not:
   (a) Prohibit a common-interest community created before January 1, 1992, from providing for separate classes of voting for the units' owners;
   (b) Require a common-interest community created before January 1, 1992, to comply with the provisions of NRS 116.2101 to 116.2122, inclusive;
   (c) Invalidate any assessments that were imposed on or before October 1, 1999, by a common-interest community created before January 1, 1992;
   (d) Except as otherwise provided in subsection 8 of NRS 116.31105, prohibit a common-interest community created before January 1, 1992, or a common-interest community described in NRS 116.31105 from providing for a representative form of government, except that, in the election or removal of a member of the executive board, the voting rights of the units' owners may not be exercised by delegates or representatives;
   (e) Prohibit a master association which governs a time-share plan created pursuant to chapter 119A of NRS from providing for a representative form of government for the time-share plan; or
   (f) Prohibit a master association which governs a planned community containing both units that are restricted exclusively to nonresidential use and other units that are not so restricted and which is exempt from the provisions of this chapter pursuant to paragraph (b) of subsection 2 from providing for a representative form of government.

4. The provisions of chapters 117 and 278A of NRS do not apply to common-interest communities.

5. The Commission shall establish, by regulation:
   (a) The criteria for determining whether an association, a limited-purpose association or a common-interest community satisfies the requirements for an exemption or limited exemption from any provision of this chapter; and
(b) The extent to which a limited-purpose association must comply with the provisions of NRS 116.4101 to 116.412, inclusive.

6. As used in this section, "limited-purpose association" means an association that:
   (a) Is created for the limited purpose of maintaining:
       (1) The landscape of the common elements of a common-interest community;
       (2) Facilities for flood control; or
       (3) A rural agricultural residential common-interest community; and
   (b) Is not authorized by its governing documents to enforce any restrictions concerning the use of units by units' owners, unless the limited-purpose association is created for a rural agricultural residential common-interest community.

Sec. 21. NRS 116.1203 is hereby amended to read as follows:

116.1203 1. Except as otherwise provided in subsection 2, if a planned community contains no more than 12 units and is not subject to any developmental rights, it is subject only to NRS 116.1106 and 116.1107 unless the declaration provides that this entire chapter is applicable.

2. The provisions of NRS 116.12065 and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that the definitions are necessary to construe any of those provisions, apply to a residential planned community containing more than 6 units.

3. Except for NRS 116.3104, 116.31043, 116.31046 and 116.31138, the provisions of NRS 116.3101 to 116.350, inclusive, and sections 5 and 6 of this act and the definitions set forth in NRS 116.005 to 116.095, inclusive, to the extent that such definitions are necessary in construing any of those provisions, apply to a residential planned community containing more than 6 units.

Sec. 22. NRS 116.1206 is hereby amended to read as follows:

116.1206 1. Any provision contained in a declaration, bylaw or other governing document of a common-interest community that violates the provisions of this chapter:
   (a) Shall be deemed to conform with those provisions by operation of law, and any such declaration, bylaw or other governing document is not required to be amended to conform to those provisions.
   (b) Is superseded by the provisions of this chapter, regardless of whether the provision contained in the declaration, bylaw or other governing document became effective before the enactment of the provision of this chapter that is being violated.

2. In the case of amendments to the declaration, bylaws or plats of any common-interest community created before January 1, 1992:
   (a) If the result accomplished by the amendment was permitted by law before January 1, 1992, the amendment may be made either in accordance
with that law, in which case that law applies to that amendment, or it may be made under this chapter; and

(b) If the result accomplished by the amendment is permitted by this chapter, and was not permitted by law before January 1, 1992, the amendment may be made under this chapter.

3. An amendment to the declaration, bylaws or plats authorized by this section to be made under this chapter must be adopted in conformity with the applicable provisions of chapter 117 or 278A of NRS and, except as otherwise provided in subsection 8 of NRS 116.2117, with the procedures and requirements specified by those instruments. If an amendment grants to any person any rights, powers or privileges permitted by this chapter, all correlative obligations, liabilities and restrictions in this chapter also apply to that person.

Sec. 23. NRS 116.12075 is hereby amended to read as follows:

116.12075 1. The provisions of this chapter do not apply to a nonresidential condominium except to the extent that the declaration for the nonresidential condominium provides that:

(a) This entire chapter applies to the condominium;

(b) Only the provisions of NRS 116.001 to 116.2122, inclusive, and 116.3116 to 116.31168, inclusive, apply to the condominium; or

(c) Only the provisions of NRS 116.3116 to 116.31168, inclusive, apply to the condominium.

2. If this entire chapter applies to a nonresidential condominium, the declaration may also require, subject to NRS 116.1112, that:

(a) Notwithstanding NRS 116.3105, any management, maintenance operations or employment contract, lease of recreational or parking areas or facilities and any other contract or lease between the association and a declarant or an affiliate of a declarant continues in force after the declarant turns over control of the association; and

(b) Notwithstanding NRS 116.1104 and subsection 2 of NRS 116.311, purchasers of units must execute proxies, powers of attorney or similar devices in favor of the declarant regarding particular matters enumerated in those instruments.

Sec. 24. NRS 116.2103 is hereby amended to read as follows:

116.2103 1. The inclusion in a governing document of an association of a provision that violates any provision of this chapter does not render any other provisions of the governing document invalid or otherwise unenforceable if the other provisions can be given effect in accordance with their original intent and the provisions of this chapter.

2. The rule against perpetuities and NRS 111.103 to 111.1039, inclusive, do not apply to defeat any provision of the declaration, bylaws, rules or regulations adopted pursuant to NRS 116.3102.
3. In the event of a conflict exists between the provisions of the declaration and the bylaws, the declaration prevails except to the extent the declaration is inconsistent with this chapter.

4. Title to a unit and common elements is not rendered unmarketable or otherwise affected by reason of an insubstantial failure of the declaration to comply with this chapter. Whether a substantial failure impairs marketability is not affected by this chapter.

Sec. 25. NRS 116.2105 is hereby amended to read as follows:

116.2105 1. The declaration must contain:
(a) The names of the common-interest community and the association and a statement that the common-interest community is either a condominium, cooperative or planned community;
(b) The name of every county in which any part of the common-interest community is situated;
(c) A legally sufficient description of the real estate included in the common-interest community;
(d) A statement of the maximum number of units that the declarant reserves the right to create;
(e) In a condominium or planned community, a description of the boundaries of each unit created by the declaration, including the unit's identifying number or, in a cooperative, a description, which may be by plats, of each unit created by the declaration, including the unit's identifying number, its size or number of rooms, and its location within a building if it is within a building containing more than one unit;
(f) A description of any limited common elements, other than those specified in subsections 2 and 4 of NRS 116.2102, as provided in paragraph (g) of subsection 2 of NRS 116.2109 and, in a planned community, any real estate that is or must become common elements;
(g) A description of any real estate, except real estate subject to developmental rights, that may be allocated subsequently as limited common elements, other than limited common elements specified in subsections 2 and 4 of NRS 116.2102, together with a statement that they may be so allocated;
(h) A description of any developmental rights and other special declarant's rights reserved by the declarant, together with a legally sufficient description of the real estate to which each of those rights applies, and a time limit within which each of those rights must be exercised;
(i) If any developmental right may be exercised with respect to different parcels of real estate at different times, a statement to that effect together with:
(1) Either a statement fixing the boundaries of those portions and regulating the order in which those portions may be subjected to the exercise of each developmental right or a statement that no assurances are made in those regards; and
(2) A statement whether, if any developmental right is exercised in any portion of the real estate subject to that developmental right, that
developmental right must be exercised in all or in any other portion of the remainder of that real estate;

(j) Any other conditions or limitations under which the rights described in paragraph (h) may be exercised or will lapse;

(k) An allocation to each unit of the allocated interests in the manner described in NRS 116.2107;

(l) Any restrictions:
   (1) On use, occupancy and alienation of the units; and
   (2) On the amount for which a unit may be sold or on the amount that may be received by a unit's owner on sale, condemnation or casualty to the unit or to the common-interest community, or on termination of the common-interest community;

(m) The file number and book or other information to show where the recorded easements and licenses are recorded appurtenant to or included in the common-interest community or to which any portion of the common-interest community is or may become subject by virtue of a reservation in the declaration; and

2. The declaration may contain any other matters the declarant considers appropriate.

Sec. 26. NRS 116.2106 is hereby amended to read as follows:

116.2106 1. Any lease the expiration or termination of which may terminate the common-interest community or reduce its size must be recorded. Every lessor of those leases in a condominium or planned community shall sign the declaration. The declaration must state:
   (a) The recording data for the lease or a statement of where the lease may be inspected;
   (b) The date on which the lease is scheduled to expire;
   (c) A legally sufficient description of the real estate subject to the lease;
   (d) Any right of the units' owners to redeem the reversion and the manner whereby those rights may be exercised, or a statement that they do not have those rights;
   (e) Any right of the units' owners to remove any improvements within a reasonable time after the expiration or termination of the lease, or a statement that they do not have those rights; and
   (f) Any rights of the units' owners to renew the lease and the conditions of any renewal, or a statement that they do not have those rights.

2. After the declaration for a leasehold condominium or leasehold planned community is recorded, neither the lessor nor the lessor's successor in interest may terminate the leasehold interest of a unit's owner who makes timely payment of his or her share of the rent and otherwise complies with all covenants which, if violated, would entitle the lessor to terminate the lease. The leasehold interest of a unit's owner in a condominium or planned...
community is not affected by failure of any other person to pay rent or fulfill any other covenant.

3. Acquisition of the leasehold interest of any unit's owner by the owner of the reversion or remainder does not merge the leasehold and freehold interests unless the leasehold interests of all units' owners subject to that reversion or remainder are acquired.

4. If the expiration or termination of a lease decreases the number of units in a common-interest community, the allocated interests must be reallocated in accordance with subsection 1 of NRS 116.1107 as if those units had been taken by eminent domain. Reallocations must be confirmed by an amendment to the declaration prepared, executed and recorded by the association.

Sec. 27. NRS 116.2107 is hereby amended to read as follows:

116.2107  1. The declaration must allocate to each unit:

(a) In a condominium, a fraction or percentage of undivided interests in the common elements and in the common expenses of the association, and a portion of the votes in the association;

(b) In a cooperative, a proportionate ownership in the association, a fraction or percentage of the common expenses of the association and a portion of the votes in the association; and

(c) In a planned community, a fraction or percentage of the common expenses of the association and a portion of the votes in the association.

2. The declaration must state the formulas used to establish allocations of interests. Those allocations may not discriminate in favor of units owned by the declarant or an affiliate of the declarant.

3. If units may be added to or withdrawn from the common-interest community, the declaration must state the formulas to be used to reallocate the allocated interests among all units included in the common-interest community after the addition or withdrawal.

4. The declaration may provide:

(a) That different allocations of votes are made to the units on particular matters specified in the declaration;

(b) For cumulative voting only for the purpose of electing members of the executive board; and

(c) For class voting on specified issues affecting the class if necessary to protect valid interests of the class.

Except as otherwise provided in NRS 116.31032, a declarant may not utilize cumulative or class voting for the purpose of evading any limitation imposed on declarants by this chapter nor may units constitute a class because they are owned by a declarant.

5. Except for minor variations because of rounding, the sum of the liabilities for common expenses and, in a condominium, the sum of the undivided interests in the common elements allocated at any time to all the units must each equal one if stated as a fraction or 100 percent if stated as a
percentage. In the event of discrepancy between an allocated interest and the result derived from application of the pertinent formula, the allocated interest prevails.

6. In a condominium, the common elements are not subject to partition, and any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an undivided interest in the common elements made without the unit to which that interest is allocated is void.

7. In a cooperative, any purported conveyance, encumbrance, judicial sale or other voluntary or involuntary transfer of an ownership interest in the association made without the possessory interest in the unit to which that interest is related is void.

Sec. 28. NRS 116.2113 is hereby amended to read as follows:

116.2113 1. If the declaration expressly so permits, a unit may be subdivided into two or more units. Subject to the provisions of the declaration and other provisions of law other than this chapter, upon application of the unit's owner to subdivide a unit, the association shall prepare, execute and record an amendment to the declaration, including, in a condominium or planned community, the plats, subdividing that unit.

2. The amendment to the declaration must be executed by the owner of the unit to be subdivided, assign an identifying number to each unit created, and reallocate the allocated interests formerly allocated to the subdivided unit or on any other basis the declaration requires.

Sec. 29. NRS 116.2116 is hereby amended to read as follows:

116.2116 1. Subject to the provisions of the declaration, a declarant has an easement through the common elements as may be reasonably necessary to discharge the declarant's obligations or exercise special declarant's rights, whether arising under this chapter or reserved in the declaration.

2. In a planned community, subject to the provisions of Subject to paragraph (f) of subsection 1 of NRS 116.3102 and NRS 116.3112, the units' owners have an easement:
   (a) In the common elements for purposes of access to their units.
   (b) To

3. Subject to the declaration and any rules adopted by the association, the units' owners have a right to use the common elements that are not limited common elements and all real estate that must become common elements (paragraph (f) of subsection 1 of NRS 116.2105) for all other for the purposes for which they were intended.

4. Unless the terms of an easement in favor of an association prohibit a residential use of a servient estate, if the owner of the servient estate has obtained all necessary approvals required by law or any covenant, condition or restriction on the property, the owner may use such property in any manner authorized by law without obtaining any additional approval
from the association. Nothing in this subsection authorizes an owner of a servient estate to impede the lawful and contractual use of the easement.

4. The provisions of subsection 3 do not abrogate any easement, restrictive covenant, decision of a court, agreement of a party or any contract, governing document or declaration of covenants, conditions and restrictions, or any other decision, rule or regulation that a local governing body or other entity that makes decisions concerning land use or planning is authorized to make or enact that exists before October 1, 1999, including, without limitation, a zoning ordinance, permit or approval process or any other requirement of a local government or other entity that makes decisions concerning land use or planning.

Sec. 30. NRS 116.2117 is hereby amended to read as follows:

116.2117 1. Except as otherwise provided in NRS 116.21175, and except in cases of amendments that may be executed by a declarant under subsection 5 of NRS 116.2109 or NRS 116.211, or by the association under NRS 116.1107, 116.2106, subsection 3 of NRS 116.2108, subsection 1 of NRS 116.2112 or NRS 116.2113, or by certain units' owners under subsection 2 of NRS 116.2108, subsection 1 of NRS 116.2112, subsection 2 of NRS 116.2113 or subsection 2 of NRS 116.2118, and except as otherwise limited by subsections 4, 7 and 8, the declaration, including any plats, may be amended only by vote or agreement of units' owners of units to which at least a majority of the votes in the association are allocated, unless the declaration specifies a different percentage for all amendments or for specified subjects of amendment. If the declaration requires the approval of another person as a condition of its effectiveness, the amendment is not valid without that approval.

2. No action to challenge the validity of an amendment adopted by the association pursuant to this section may be brought more than 1 year after the amendment is recorded.

3. Every amendment to the declaration must be recorded in every county in which any portion of the common-interest community is located and is effective only upon recordation. An amendment, except an amendment pursuant to NRS 116.2112, must be indexed in the grantee's index in the name of the common-interest community and the association and in the grantor's index in the name of the parties executing the amendment.

4. Except to the extent expressly permitted or required by other provisions of this chapter, no amendment may change the boundaries of any unit, change the allocated interests of a unit, or change the uses to which any unit is restricted, in the absence of unanimous consent of only those units' owners whose units are affected and the consent of a majority of the owners of the remaining units.

5. Amendments to the declaration required by this chapter to be recorded by the association must be prepared, executed, recorded and certified on
behalf of the association by any officer of the association designated for that purpose or, in the absence of designation, by the president of the association.

6. An amendment to the declaration which prohibits or materially restricts the permitted uses of a unit or the number or other qualifications of persons who may occupy units may not be enforced against a unit's owner who was the owner of the unit on the date of the recordation of the amendment as long as the unit's owner remains the owner of that unit.

7. A provision in the declaration creating special declarant's rights that have not expired may not be amended without the consent of the declarant.

8. If any provision of this chapter or of the declaration requires the consent of a holder of a security interest in a unit, or an insurer or guarantor of such interest, as a condition to the effectiveness of an amendment to the declaration, that consent is deemed granted if:
   (a) The holder, insurer or guarantor has not requested, in writing, notice of any proposed amendment; or
   (b) Notice of any proposed amendment is required or has been requested and a written refusal to consent is not received by the association within 60 days after the association delivers notice of the proposed amendment to the holder, insurer or guarantor, by certified mail, return receipt requested, to the address for notice provided by the holder, insurer or guarantor in a prior written request for notice.

Sec. 31. NRS 116.2118 is hereby amended to read as follows:

1. Except in the case of a taking of all the units by eminent domain, in the case of foreclosure against an entire cooperative of a security interest that has priority over the declaration, or in the circumstances described in section 4 of this act, a common-interest community may be terminated only by agreement of units' owners to whom at least 80 percent of the votes in the association are allocated, or any larger percentage the declaration specifies, and with any other approvals required by the declaration. The declaration may specify a smaller percentage only if all of the units are restricted exclusively to nonresidential uses.

2. An agreement to terminate must be evidenced by the execution of an agreement to terminate, or ratifications thereof, in the same manner as a deed, by the requisite number of units' owners. The agreement must specify a date after which the agreement will be void unless it is recorded before that date. An agreement to terminate and all ratifications thereof must be recorded in every county in which a portion of the common-interest community is situated and is effective only upon recordation.

3. In the case of a condominium or planned community containing only units having horizontal boundaries described in the declaration, an agreement to terminate may provide that all of the common elements and units of the common-interest community must be sold following termination. If, pursuant to the agreement, any real estate in the common-interest community is to be
sold following termination, the agreement must set forth the minimum terms of the sale.

4. In the case of a condominium or planned community containing any units not having horizontal boundaries described in the declaration, an agreement to terminate may provide for sale of the common elements, but it may not require that the units be sold following termination, unless the declaration as originally recorded provided otherwise or all the units' owners consent to the sale.

5. The association, on behalf of the units' owners, may contract for the sale of real estate in a common-interest community, but the contract is not binding on the units' owners until approved pursuant to subsections 1 and 2. If any real estate is to be sold following termination, title to that real estate, upon termination, vests in the association as trustee for the holders of all interests in the units. Thereafter, the association has all powers necessary and appropriate to effect the sale. Until the sale has been concluded and the proceeds thereof distributed, the association continues in existence with all powers it had before termination. Proceeds of the sale must be distributed to units' owners and lienholders as their interests may appear, in accordance with NRS 116.21183 and 116.21185. Unless otherwise specified in the agreement to terminate, as long as the association holds title to the real estate, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit. During the period of that occupancy, each unit's owner and his or her successors in interest remain liable for all assessments and other obligations imposed on units' owners by this chapter or the declaration.

6. In a condominium or planned community, if the real estate constituting the common-interest community is not to be sold following termination, title to the common elements and, in a common-interest community containing only units having horizontal boundaries described in the declaration, title to all the real estate in the common-interest community, vests in the units' owners upon termination as tenants in common in proportion to their respective interests as provided in NRS 116.21185, and liens on the units shift accordingly. While the tenancy in common exists, each unit's owner and his or her successors in interest have an exclusive right to occupancy of the portion of the real estate that formerly constituted the unit.

7. Following termination of the common-interest community, the proceeds of any sale of real estate, together with the assets of the association, are held by the association as trustee for units' owners and holders of liens on the units as their interests may appear.

Section 32. NRS 116.3101 is hereby amended to read as follows:

116.3101 1. A unit-owners' association must be organized no later than the date the first unit in the common-interest community is conveyed.

2. The membership of the association at all times consists exclusively of all units' owners or, following termination of the common-interest
community, of all owners of former units entitled to distributions of proceeds under NRS 116.2118, 116.21183 and 116.21185, or their heirs, successors or assigns.

3. Except for a residential planned community containing not more than 12 units, the association must have an executive board.

4. The association must:
   (a) Be organized as a profit or nonprofit corporation, association, limited-liability company, trust, or any other form of organization authorized by the law of this State;
   (b) Include in its articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization, or any amendment thereof, that the purpose of the corporation, association, limited-liability company, trust or partnership is to operate as an association pursuant to this chapter;
   (c) Contain in its name the words "common-interest community," "community association," "master association," "homeowners' association" or "unit-owners' association"; and
   (d) Comply with the applicable provisions of chapters 78, 81, 82, 86, 87, 87A, 88 and 88A of NRS when filing with the Secretary of State its articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization, or any amendment thereof.

Sec. 33. NRS 116.3102 is hereby amended to read as follows:

116.3102  1. Except as otherwise provided in this section, chapter, and subject to the provisions of the declaration, the association:

   (a) Shall adopt and, except as otherwise provided in the bylaws, may amend bylaws and may adopt and amend rules and regulations.
   (b) Shall adopt and may amend budgets for revenues, expenditures and reserves and in accordance with the requirements set forth in NRS 116.31151, may collect assessments for common expenses from the units' owners and may invest funds of the association in accordance with the requirements set forth in NRS 116.311395.
   (c) May hire and discharge managing agents and other employees, agents and independent contractors.
   (d) May institute, defend or intervene in litigation or in arbitration, mediation or administrative proceedings in its own name on behalf of itself or two or more units' owners on matters affecting the common-interest community.
   (e) May make contracts and incur liabilities. Any contract between the association and a private entity for the furnishing of goods or services must not include a provision granting the private entity the right of first refusal with respect to extension or renewal of the contract.
Regulate. May regulate the use, maintenance, repair, replacement and modification of common elements.

Cause. May cause additional improvements to be made as a part of the common elements.

Acquire. May acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

1. Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and

2. Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.

Grant. May grant easements, leases, licenses and concessions through or over the common elements.

Impose. May impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units' owners, including, without limitation, any services provided pursuant to NRS 116.310312.

Impose. May impose charges for late payment of assessments pursuant to NRS 116.3115.

Impose. May impose construction penalties when authorized pursuant to NRS 116.310305.

Impose. May impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.

Impose. May impose reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

Provide. May provide for the indemnification of its officers and executive board and maintain directors and officers liability insurance.

Assign. May assign its right to future income, including the right to receive assessments for common expenses, but only to the extent the declarant expressly so provides.

Exercise. May exercise any other powers conferred by the declaration or bylaws.

Exercise. May exercise all other powers that may be exercised in this State by legal entities of the same type as the association.

Direct. May direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the
governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if a vehicle is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

(1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or

(2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community.

(t) Exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not impose limitations on the power of the association to deal with the declarant if the limit is more restrictive than the limitations imposed on the power of the association to deal with other persons.

3. The executive board may determine whether to take enforcement action by exercising the association's power to impose sanctions or commence an action for a violation of the declaration, bylaws or rules, including whether to compromise any claim for unpaid assessments or other claim made by or against it. The executive board does not have a duty to take enforcement action if it determines that, under the facts and circumstances presented:

(a) The association's legal position does not justify taking any or further enforcement action;

(b) The covenant, restriction or rule being enforced is, or is likely to be construed as, inconsistent with current law;

(c) Although a violation may exist or may have occurred, it is not so material as to be objectionable to a reasonable person or to justify expending the association's resources; or

(d) It is not in the association's best interests to pursue an enforcement action.

4. The executive board's decision under subsection 3 not to pursue enforcement under one set of circumstances does not prevent the executive board from taking enforcement action under another set of circumstances, but the executive board may not be arbitrary or capricious in taking enforcement action.

5. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, "assessment" does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television,
electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board acts on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries and shall act on an informed basis, in good faith and in the honest belief that their actions are in the best interest of the association. The Officers and members of the executive board are required to exercise the ordinary and reasonable care of officers and directors of a nonprofit corporation, subject to the business-judgment rule; and

(a) Are subject to conflict of interest rules governing the officers and directors of a nonprofit corporation organized under the law of this State.

2. The executive board may not act to amend:

(a) Amend the declaration,

(b) Terminate the common-interest community, or to elect

(c) Elect members of the executive board, but unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association, the executive board may fill vacancies in its membership for the unexpired portion of any term or until the next regularly scheduled election of executive board members, whichever is earlier. Any executive board member elected to a previously vacant position which was temporarily filled by board appointment may only be elected to fulfill the remainder of the unexpired portion of the term.

(d) Determine the qualifications, powers, and duties or terms of office, but the executive board may fill vacancies in its membership for the unexpired portion of any term unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association of members of the executive board.

3. The executive board shall adopt budgets as provided in NRS 116.31151.

Sec. 34.5. NRS 116.310305 is hereby amended to read as follows:

116.310305 1. A unit's owner shall adhere to a schedule required by the association for:

(a) The completion of the design of a unit or the design of an improvement to a unit;

(b) The commencement of the construction of a unit or the construction of an improvement to a unit;
(c) The completion of the construction of a unit or the construction of an improvement to the unit; or
(d) The issuance of a permit which is necessary for the occupancy of a unit or for the use of an improvement to a unit.

2. The association may impose and enforce a construction penalty against a unit's owner who fails to adhere to a schedule as required pursuant to subsection 1 if:
   (a) The maximum amount of the right to assess and collect a construction penalty and the schedule are set forth in:
      (1) The declaration;
      (2) Another document related to the common-interest community that is recorded before the date on which the unit's owner acquired title to the unit; or
      (3) A contract between the unit's owner and the association;
   (b) The association has included notice of the maximum amount of the construction penalty and schedule as part of any public offering statement or resale package required by this chapter; and
   (c) The unit's owner receives notice of the alleged violation which informs the unit's owner that he or she has a right to a hearing on the alleged violation.

3. For the purposes of this chapter, a construction penalty is not a fine.

Sec. 35. NRS 116.31031 is hereby amended to read as follows:

116.31031  1. Except as otherwise provided in this section, if a unit's owner or a tenant or an invitee of a unit's owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:
   (a) Prohibit, for a reasonable time, the unit's owner or the tenant or the invitee of the unit's owner or the tenant from:
      (1) Voting on matters related to the common-interest community.
      (2) Using the common elements. The provisions of this subparagraph do not prohibit the unit's owner or the tenant or the invitee of the unit's owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.
   (b) Impose a fine against the unit's owner or the tenant or the invitee of the unit's owner or the tenant for each violation, except that:
      (1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and
      (2) A fine may not be imposed against a unit's owner or a tenant or invitee of a unit's owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit's owner or tenant or invitee of the unit's owner or the tenant.
   → If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate
with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. The executive board may not impose a fine pursuant to subsection 1 against a unit's owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit's owner or the tenant unless the unit's owner:

   (a) Participated in or authorized the violation;
   (b) Had prior notice of the violation; or
   (c) Had an opportunity to stop the violation and failed to do so.

3. **If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner, a schedule of the fines that may be imposed for those violations.**

4. The executive board may not impose a fine pursuant to subsection 1 unless:

   (a) Not less than 30 days before the violation, the unit's owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the violation; and
   (b) Within a reasonable time after the discovery of the violation, the unit's owner and, if different, the person against whom the fine will be imposed has been provided with:

      (1) Written notice specifying the details of the violation, the amount of the fine, and the date, time and location for a hearing on the violation; and
      (2) A reasonable opportunity to contest the violation at the hearing.

   ➤ For the purposes of this subsection, a unit's owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit's owner.

5. The executive board must schedule the date, time and location for the hearing on the violation so that the unit's owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.
6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit's owner and, if different, the person against whom the fine will be imposed:
   (a) Executes a written waiver of the right to the hearing; or
   (b) Fails to appear at the hearing after being provided with proper notice of the hearing.

7. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

8. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

9. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:
   (a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.
   (b) Casts a vote in violation of this subsection, the vote is void.

10. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

11. Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

12. If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 36. NRS 116.31032 is hereby amended to read as follows:

A declarant may voluntarily surrender the right to appoint and remove officers and members of the executive board before termination of that period and, in that event, the declarant may require, for the duration

Not later than 60 days after conveyance of 25 percent of the units that may be created to units' owners other than a declarant, at least one member and not less than 25 percent of the members of the executive board must be elected by units' owners other than the declarant. Not later than 60 days after conveyance of 50 percent of the units that may be created to units' owners other than a declarant, not less than one-third of the members of the executive board must be elected by units' owners other than the declarant.

3. If a member of an executive board is named as a respondent or sued for liability for actions undertaken in his or her role as a member of the board, the association shall indemnify the member for his or her losses or claims, and undertake all costs of defense, unless it is proven that the member acted with willful or wanton misfeasance or with gross negligence. After such proof, the association is no longer liable for the cost of defense, and may recover costs already expended from the member of the executive board who so acted. Members of the executive board are not personally liable to the victims of crimes occurring on the property. Punitive damages may not be recovered against:

(a) The association;

The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Not less than 15 days or more than 60 days in advance of any meeting of the units' owners, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner or, if the association offers to send notice by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner, given to the units' owners in the manner set forth in section 2 of this act. The notice of the meeting must state the time and place of the meeting and include a copy of the agenda for the meeting. The notice must include notification of the right of a unit's owner to:

(a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

(b) Speak to the association or executive board, unless the executive board is meeting in executive session.
4. The agenda for a meeting of the units' owners must consist of:

(a) A clear and complete statement of the topics scheduled to be considered during the meeting, including, without limitation, any proposed amendment to the declaration or bylaws, any fees or assessments to be imposed or increased by the association, any budgetary changes and any proposal to remove an officer of the association or member of the executive board.

(b) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items. In an emergency, the units' owners may take action on an item which is not listed on the agenda as an item on which action may be taken.

(c) A period devoted to comments by units' owners regarding any matter affecting the common-interest community or the association and discussion of those comments. Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner, a schedule of the fines that may be imposed for those violations.

6. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units' owners. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes to be made available to the units' owners. Except as otherwise provided in this subsection, a copy of the minutes or a summary of the minutes must be provided to any unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

7. Except as otherwise provided in subsection 8, the minutes of each meeting of the units' owners must include:

(a) The date, time and place of the meeting;

(b) The substance of all matters proposed, discussed or decided at the meeting; and

(c) The substance of remarks made by any unit's owner at the meeting if the unit's owner requests that the minutes reflect his or her remarks or, if the unit's owner has prepared written remarks, a copy of his or her prepared remarks if the unit's owner submits a copy for inclusion.
7. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of a meeting of the units' owners.

8. The association shall maintain the minutes of each meeting of the units' owners until the common-interest community is terminated.

9. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the units' owners if the unit's owner, before recording the meeting, provides notice of his or her intent to record the meeting to the other units' owners who are in attendance at the meeting.

10. The units' owners may approve, at the annual meeting of the units' owners, the minutes of the prior annual meeting of the units' owners and the minutes of any prior special meetings of the units' owners. A quorum is not required to be present when the units' owners approve the minutes.

11. As used in this section, "emergency" means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;
   (b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;
   (c) Requires the immediate attention of, and possible action by, the executive board; and
   (d) Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 41. NRS 116.31083 is hereby amended to read as follows:

1. A meeting of the executive board must be held at least once every quarter, and not less than once every 100 days and must be held at a time other than during standard business hours at least twice annually.

2. Except in an emergency or unless the bylaws of an association require a longer period of notice, the secretary or other officer specified in the bylaws of the association shall, not less than 10 days before the date of a meeting of the executive board, cause notice of the meeting to be given to the units' owners. Such notice must be:
   (a) Sent prepaid by United States mail to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit's owner;
   (b) Published in a newsletter or other similar publication that is circulated to each unit's owner.

3. In an emergency, the secretary or other officer specified in the bylaws of the association shall, if practicable, cause notice of the meeting to be sent prepaid by United States mail to the mailing address of each unit within the common-interest community. If delivery of the notice in this manner is
impracticable, the notice must be hand-delivered to each unit within the
common-interest community or posted in a prominent place or places within
the common elements of the association.

4. The notice of a meeting of the executive board must state the time and
place of the meeting and include a copy of the agenda for the meeting or the
date on which and the locations where copies of the agenda may be
conveniently obtained by the units’ owners. The notice must include
notification of the right of a unit’s owner to:

(a) Have a copy of the audio recording, the minutes or a summary of the
minutes of the meeting provided to the unit’s owner upon request, in
electronic format at no charge to the unit’s owner or, if the association is
unable to provide the copy or summary in electronic format, in paper format
at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents
per page thereafter.

(b) Speak to the association or executive board, unless the executive board
is meeting in executive session.

5. The agenda of the meeting of the executive board must comply with
the provisions of subsection 4 of NRS 116.3108. A period required to be
devoted to comments by the units' owners and discussion of those comments
must be scheduled for both the beginning and the end of each meeting.
During the period devoted to comments by the units' owners and discussion
of those comments at the beginning of each meeting, comments by the units'
owners and discussion of those comments must be limited to items listed on
the agenda. In an emergency, the executive board may take action on an item
which is not listed on the agenda as an item on which action may be taken.

6. At least once every quarter, and not less than once every 100 days,
unless the declaration or bylaws of the association impose more stringent
standards, the executive board shall review, at a minimum, the following
financial information at one of its meetings:

(a) A current year-to-date financial statement of the association;

(b) A current year-to-date schedule of revenues and expenses for the
operating account and the reserve account, compared to the budget for those
accounts;

(c) A current reconciliation of the operating account of the association;

(d) A current reconciliation of the reserve account of the association;

(e) The latest account statements prepared by the financial institutions in
which the accounts of the association are maintained; and

(f) The current status of any civil action or claim submitted to arbitration
or mediation in which the association is a party.

7. The secretary or other officer specified in the bylaws shall cause each
meeting of the executive board to be audio recorded and the minutes to be
recorded or otherwise taken at each meeting of the executive board, but if the
executive board is meeting in executive session, the meeting must not be
audio recorded. Not more than 30 days after each such meeting, the secretary
or other officer specified in the bylaws shall cause the audio recording of the
meeting, the minutes of the meeting and a summary of the minutes of the meeting to be made available to the units' owners. Except as otherwise provided in this subsection, a copy of the audio recording, the minutes or a summary of the minutes must be provided to any unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

8. Except as otherwise provided in subsection 9 and NRS 116.31085, the minutes of each meeting of the executive board must include:
   (a) The date, time and place of the meeting;
   (b) Those members of the executive board who were present and those members who were absent at the meeting;
   (c) The substance of all matters proposed, discussed or decided at the meeting;
   (d) A record of each member's vote on any matter decided by vote at the meeting; and
   (e) The substance of remarks made by any unit's owner who addresses the executive board at the meeting if the unit's owner requests that the minutes reflect his or her remarks or, if the unit's owner has prepared written remarks, a copy of his or her prepared remarks if the unit's owner submits a copy for inclusion.

9. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of its meetings.

10. The association shall maintain the minutes of each meeting of the executive board until the common-interest community is terminated.

11. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the executive board, unless the executive board is meeting in executive session, if the unit's owner, before recording the meeting, provides notice of his or her intent to record the meeting to the members of the executive board and the other units' owners who are in attendance at the meeting.

12. As used in this section, "emergency" means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;
   (b) Affects the health, welfare and safety of the units' owners or residents of the common-interest community;
   (c) Requires the immediate attention of, and possible action by, the executive board; and
   (d) Makes it impracticable to comply with the provisions of subsection 2 or 5.

Sec. 42. NRS 116.3109 is hereby amended to read as follows:

116.3109  1. Except as otherwise provided in this section and NRS 116.31034, and except when the governing documents provide otherwise, a quorum is present throughout any meeting of the association if
the number of members of units' owners if persons entitled to cast 20 percent of the votes in the association who are:

(a) Are present in person;

(b) Are present by proxy at the beginning of the meeting equals or exceeds 20 percent of the total number of voting members of the association;

(c) Have cast absentee ballots in accordance with paragraph (d) of subsection 2 of NRS 116.311; or

(d) Are present by any combination of paragraphs (a), (b) and (c).

2. If the governing documents of an association contain a quorum requirement for a meeting of the association that is greater than the 20 percent required by subsection 1 and, after proper notice has been given for a meeting, the members of the association who are present in person or by proxy at the meeting are unable to hold the meeting because a quorum is not present at the beginning of the meeting, the members who are present in person at the meeting may adjourn the meeting to a time that is not less than 48 hours or more than 30 days from the date of the meeting. At the subsequent meeting:

(a) A quorum shall be deemed to be present if the number of members of the association who are present in person or by proxy at the beginning of the subsequent meeting equals or exceeds 20 percent of the total number of voting members of the association; and

(b) If such a quorum is deemed to be present but the actual number of members who are present in person or by proxy at the beginning of the subsequent meeting is less than the number of members who are required for a quorum under the governing documents, the members who are present in person or by proxy at the subsequent meeting may take action only on those matters that were included as items on the agenda of the original meeting.

The provisions of this subsection do not change the actual number of votes that are required under the governing documents for taking action on any particular matter.

3. Unless the governing documents specify a larger percentage, number, a quorum of the executive board is deemed present throughout any for purposes of determining the validity of any action taken at a meeting of the executive board only if individuals entitled to cast a majority of the votes on that board are present at the time a vote regarding that action is taken. If a quorum is present when a vote is taken, the affirmative vote of a majority of the members present is the act of the executive board unless a greater vote is required by the declaration or bylaws.

4. Meetings of the association must be conducted in accordance with the most recent edition of Robert's Rules of Order Newly Revised, unless the bylaws or a resolution of the executive board adopted before the meeting provide otherwise.
Sec. 43. NRS 116.311 is hereby amended to read as follows:

116.311 1. Unless prohibited or limited by the declaration or bylaws and except as otherwise provided in this section, units' owners may vote at a meeting in person, by absentee ballot pursuant to paragraph (d) of subsection 2, by proxy pursuant to subsections 3 to 8, inclusive, or, when a vote is conducted without a meeting, by electronic or paper ballot pursuant to subsection 9.

2. At a meeting of units' owners, the following requirements apply:
   (a) Units' owners who are present in person may vote by voice vote, show of hands, standing or any other method for determining the votes of units' owners, as designated by the person presiding at the meeting.
   (b) If only one of several owners of a unit is present, that owner is entitled to cast all the votes allocated to that unit. If more than one of the owners are present, the votes allocated to that unit may be cast only in accordance with the agreement of a majority in interest of the owners, unless the declaration expressly provides otherwise. There is majority agreement if any one of the owners cast the votes allocated to the unit without protest being made promptly to the person presiding over the meeting by any of the other owners of the unit.
   (c) Unless a greater number or fraction of the votes in the association is required by this chapter or the declaration, a majority of the votes cast determines the outcome of any action of the association.
   (d) Subject to subsection 1, a unit's owner may vote by absentee ballot without being present at the meeting. The association promptly shall deliver an absentee ballot to an owner who requests it if the request is made at least 3 days before the scheduled meeting. Votes cast by absentee ballot must be included in the tally of a vote taken at that meeting.
   (e) When a unit's owner votes by absentee ballot, the association must be able to verify that the ballot is cast by the unit's owner having the right to do so.

3. Except as otherwise provided in this section, votes allocated to a unit may be cast pursuant to a proxy executed by a unit's owner. A unit's owner may give a proxy only to a member of his or her immediate family, a tenant of the unit's owner who resides in the common-interest community, another unit's owner who resides in the common-interest community, or a delegate or representative when authorized pursuant to NRS 116.31105. If a unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through an executed proxy. A unit's owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the association.

4. Before a vote may be cast pursuant to a proxy:
   (a) The proxy must be dated.
   (b) The proxy must not purport to be revocable without notice.
(c) The proxy must designate the meeting for which it is executed \[4\], \textit{and such a designation includes any recessed session of that meeting.}

(d) The proxy must designate each specific item on the agenda of the meeting for which the unit's owner has executed the proxy, except that the unit's owner may execute the proxy without designating any specific items on the agenda of the meeting if the proxy is to be used solely for determining whether a quorum is present for the meeting. If the proxy designates one or more specific items on the agenda of the meeting for which the unit's owner has executed the proxy, the proxy must indicate, for each specific item designated in the proxy, whether the holder of the proxy must cast a vote in the affirmative or the negative on behalf of the unit's owner. If the proxy does not indicate whether the holder of the proxy must cast a vote in the affirmative or the negative for a particular item on the agenda of the meeting, the proxy must be treated, with regard to that particular item, as if the unit's owner were present but not voting on that particular item.

(e) The holder of the proxy must disclose at the beginning of the meeting for which the proxy is executed \textit{and any recessed session of that meeting} the number of proxies pursuant to which the holder will be casting votes.

\[4\] 5. A proxy terminates immediately after the conclusion of the meeting, \textit{and any recessed sessions of the meeting}, for which it is executed.

\[5\] 6. Except as otherwise provided in this subsection, a vote may not be cast pursuant to a proxy for the election or removal of a member of the executive board of an association. A vote may be cast pursuant to a proxy for the election or removal of a member of the executive board of a master association which governs a time-share plan created pursuant to chapter 119A of NRS if the proxy is exercised through a delegate or representative authorized pursuant to NRS 116.31105.

\[6\] 7. The holder of a proxy may not cast a vote on behalf of the unit's owner who executed the proxy in a manner that is contrary to the proxy.

\[7\] 8. A proxy is void if the proxy or the holder of the proxy violates any provision of subsections \[4\] 3 to \[6\] 7, inclusive.

\[8\] 9. \textit{Unless prohibited or limited by the declaration or bylaws, an association may conduct a vote without a meeting. Except as otherwise provided in NRS 116.31034 and 116.31036, if an association conducts a vote without a meeting, the following requirements apply:}

\(a\) The association shall notify the units' owners that the vote will be taken by ballot.

\(b\) The association shall deliver a paper or electronic ballot to every unit's owner entitled to vote on the matter.

\(c\) The ballot must set forth each proposed action and provide an opportunity to vote for or against the action.

\(d\) When the association delivers the ballots, it shall also:

\(1\) Indicate the number of responses needed to meet the quorum requirements;
(2) State the percentage of votes necessary to approve each matter other than election of directors;

(3) Specify the time and date by which a ballot must be delivered to the association to be counted, which time and date may not be fewer than 3 days after the date the association delivers the ballot; and

(4) Describe the time, date and manner by which units' owners wishing to deliver information to all units' owners regarding the subject of the vote may do so.

(e) Except as otherwise provided in the declaration or bylaws, a ballot is not revoked after delivery to the association by death or disability of or attempted revocation by the person who cast that vote.

(f) Approval by ballot pursuant to this subsection is valid only if the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action.

10. If the declaration requires that votes on specified matters affecting the common-interest community must be cast by the lessees of leased units rather than the units' owners who have leased the units:

(a) [The provisions of subsections 1 to 7, inclusive, apply]

(b) The units' owners who have leased their units to the lessees may not cast votes on those specified matters;

(c) The lessees are entitled to notice of meetings, access to records and other rights respecting those matters as if they were the units' owners; and

(d) The units' owners must be given notice, in the manner provided in NRS 116.3108, of all meetings at which the lessees are entitled to vote.

Sec. 44. NRS 116.3111 is hereby amended to read as follows:

116.3111 1. A unit's owner is not liable, solely by reason of being a unit's owner, for an injury or damage arising out of the condition or use of the common elements. Neither the association nor any unit's owner except the declarant is liable for that declarant's torts in connection with any part of the common-interest community which that declarant has the responsibility to maintain. [Otherwise, an]

2. An action alleging a wrong done by the association including, without limitation, an action arising out of the condition or use of the common elements, may be maintained only against the association and not against any unit's owner. If the wrong occurred during any period of declarant's control and the association gives the declarant reasonable notice of and an opportunity to defend against the action, the declarant who then controlled the association is liable to the association or to any unit's owner for all tort losses not covered by insurance suffered by the association or that unit's owner, and all costs that the association would not have incurred but for a breach of contract or other wrongful act or omission. Whenever the
declarant is liable to the association under this section, the declarant is also liable for all expenses of litigation, including reasonable attorney's fees, incurred by the association. \[Any\]

3. **Except as otherwise provided in subsection 4 of NRS 116.4116 with respect to warranty claims, any statute of limitation affecting the association's right of action against a declarant under this section is tolled until the period of declarant's control terminates. A unit's owner is not precluded from maintaining an action contemplated by this section because he or she is a unit's owner or a member or officer of the association. Liens resulting from judgments against the association are governed by NRS 116.3117.**

Sec. 45. NRS 116.3113 is hereby amended to read as follows:

116.3113 1. Commencing not later than the time of the first conveyance of a unit to a person other than a declarant, the association shall maintain, to the extent reasonably available \[both of the following\] and subject to reasonable deductibles:

(a) Property insurance on the common elements and, in a planned community, also on property that must become common elements, insuring against \[all\] risks of direct physical loss commonly insured against \[or, in the case of a converted building, against fire and extended coverage perils. The total amount of\], which insurance, after application of any deductibles, must be not less than 80 percent of the actual cash value of the insured property at the time the insurance is purchased and at each renewal date, exclusive of land, excavations, foundations and other items normally excluded from property policies; \[\]

(b) \[Liability\] **Commercial general liability** insurance, including insurance for medical payments, in an amount determined by the executive board but not less than any amount specified in the declaration, covering all occurrences commonly insured against \[death, bodily injury, and property damage arising out of or in connection with the use, ownership, or maintenance of the common elements and, in cooperatives, also of all units\]; and

(c) **Crime insurance which includes coverage for dishonest acts by members of the executive board and the officers, employees, agents, directors and volunteers of the association and which extends coverage to any business entity that acts as the community manager of the association and the employees of that entity. Such insurance may not contain a conviction requirement, and the minimum amount of the policy must be not less than an amount equal to 3 months of aggregate assessments on all units plus reserve funds, or $5,000,000, whichever is less.**

2. In the case of a building \[that is part of a cooperative or\] that contains units \[having\] divided by horizontal boundaries described in the declaration, or vertical boundaries that comprise common walls between units, the insurance maintained under paragraph (a) of subsection 1, to the extent
reasonably available, must include the units, but need not include improvements and betterments installed by units' owners.

3. If the insurance described in subsections 1 and 2 is not reasonably available, the association promptly shall cause notice of that fact to be given to all units' owners. The declaration may require the association to carry any other insurance, and the association may carry any other insurance it considers appropriate to protect the association or the units' owners.

4. An insurance policy issued to the association does not prevent a unit's owner from obtaining insurance for the unit's owner's own benefit.

Sec. 46. NRS 116.31133 is hereby amended to read as follows:

116.31133 1. Insurance policies carried pursuant to NRS 116.3113 must provide to the extent reasonably available that:

(a) Each unit's owner is an insured person under the policy with respect to liability arising out of the unit's owner's interest in the common elements or membership in the association;

(b) The insurer waives its right to subrogation under the policy against any unit's owner or member of his or her household;

(c) No act or omission by any unit's owner, unless acting within the scope of his or her authority on behalf of the association, voids the policy or [be] is a condition to recovery under the policy; and

(d) If, at the time of a loss under the policy, there is other insurance in the name of a unit's owner covering the same risk covered by the policy, the association's policy provides primary insurance.

2. Any loss covered by the property policy under subsections 1 and 2 of NRS 116.3113 must be adjusted with the association, but the proceeds for that loss are payable to any insurance trustee designated for that purpose, or otherwise to the association, and not to any holder of a security interest. The insurance trustee or the association shall hold any insurance proceeds in trust for the association, units' owners, and lienholders as their interests may appear. Subject to the provisions of NRS 116.31135, the proceeds must be disbursed first for the repair or restoration of the damaged property, and the association, units' owners, and lienholders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or restored, or the common-interest community is terminated.

3. An insurer that has issued an insurance policy under this section shall issue certificates or memoranda of insurance to the association and, upon written request, to any unit's owner or holder of a security interest. The insurer issuing the policy may not cancel or refuse to renew it until 30 days after notice of the proposed cancellation or nonrenewal has been mailed to the association, each unit's owner and [to any person] each holder of a security interest to whom a certificate or memorandum of insurance has been issued at their respective last known addresses.
Sec. 47. NRS 116.31135 is hereby amended to read as follows:

116.31135 1. Any portion of the common-interest community for which insurance is required under NRS 116.3113 which is damaged or destroyed must be repaired or replaced promptly by the association unless:
   (a) The common-interest community is terminated, in which case NRS 116.2118, 116.21183 and 116.21185 apply;
   (b) Repair or replacement would be illegal under any state or local statute or ordinance governing health or safety; or
   (c) Eighty percent of the units' owners, including every owner of a unit or assigned limited common element that will not be rebuilt, vote not to rebuild.

2. The cost of repair or replacement in excess of insurance proceeds, deductibles and reserves is a common expense.

3. If the entire common-interest community is not repaired or replaced:
   (a) The insurance proceeds attributable to the damaged common elements must be used to restore the damaged area to a condition compatible with the remainder of the common-interest community; and
   (b) Except to the extent that other persons will be distributees (subparagraph 2 of paragraph (l) of subsection 1 of NRS 116.2105):
      (1) The insurance proceeds attributable to units and limited common elements that are not rebuilt must be distributed to the owners of those units and the owners of the units to which those limited common elements were allocated, or to lienholders, as their interests may appear; and
      (2) The remainder of the proceeds must be distributed to all the units' owners or lienholders, as their interests may appear, as follows:
         (I) In a condominium, in proportion to the interests of all the units in the common elements; and
         (II) In a cooperative or planned community, in proportion to the liabilities of all the units for common expenses.

3. If the units' owners vote not to rebuild any unit, that unit's allocated interests are automatically reallocated upon the vote as if the unit had been condemned under subsection 1 of NRS 116.1107, and the association promptly shall prepare, execute and record an amendment to the declaration reflecting the reallocations.

Sec. 48. NRS 116.3115 is hereby amended to read as follows:

116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted at least annually by the association in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.
2. Except for assessments under subsections 4 to 7, inclusive, or as otherwise provided in this chapter:
   (a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.

   (b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of the governing documents to the contrary, to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units' owners, impose any necessary and reasonable assessments against the units in the common-interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:
   (a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   (b) Any common expense or portion thereof benefiting fewer than all of the units or their owners may be assessed exclusively against the units or their owners benefited; and
The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If damage to a unit or other part of the common-interest community, or if any other common expense is caused by the willful misconduct or gross negligence of any unit's owner, tenant or invitee of a unit's owner or tenant, the association may assess that expense exclusively against his or her unit, even if the association maintains insurance with respect to that damage or common expense, unless the damage or other common expense is caused by a vehicle and is committed by a person who is delivering goods to, or performing services for, the unit's owner, tenant or invitee of the unit's owner or tenant.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit's owner of a meeting at which an assessment for a capital improvement is to be considered or action is to be taken on such an assessment at least 21 calendar days before the date of the meeting.

Sec. 49. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a statutory lien on a unit for any construction penalty that is imposed against the unit's owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit's owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102, and any other sums due to the association under the declaration, this chapter, or as a result of an administrative, arbitration, mediation or judicial decision, are enforceable in the same manner as unpaid assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) Any first security interest on the unit recorded before the date on which the assessment sought
to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit's owner's interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

The lien [under this section] is also prior to all security interests described in paragraph (b) [of subsection 2] to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) [of subsection 2] must be determined in accordance with those federal regulations, except that notwithstanding the provisions of the federal regulations, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. This subsection does not affect the priority of mechanics' or materialmen's liens, or the priority of liens for other assessments made by the association.

3. [4.] Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

4. [5.] Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

5. [6.] A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

6. [7.] This section does not prohibit actions [against units' owners] to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

7. [8.] A judgment or decree in any action brought under this section must include costs and reasonable attorney's fees for the prevailing party.

8. [9.] The association, upon written request, shall furnish to a unit's owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit's owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be
furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit's owner.

9. In a cooperative, upon nonpayment of an assessment on a unit, the unit's owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:
   (a) In a cooperative where the owner's interest in a unit is real estate under NRS 116.1105, the association's lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
   (b) In a cooperative where the owner's interest in a unit is personal property under NRS 116.1105, the association's lien:
      (1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or
      (2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

10. In an action by an association to collect assessments or to foreclose a lien created under this section, the court may appoint a receiver to collect all rents or other income from the unit alleged to be due and owing to a unit's owner before commencement or during pendency of the action. The receivership is governed by chapter 32 of NRS. The court may order the receiver to pay any sums held by the receiver to the association during pendency of the action to the extent of the association's common expense assessments based on a periodic budget adopted by the association pursuant to NRS 116.3115.

Sec. 50. NRS 116.3117 is hereby amended to read as follows:

116.3117 1. In a condominium or planned community:
   (a) Except as otherwise provided in paragraph (b), a judgment for money against the association, if a copy of the docket or an abstract or copy of the judgment is recorded, is not a lien on the common elements, but is a lien in favor of the judgment lienholder against all of the other real property of the association and all of the units in the common-interest community at the time the judgment was entered. No other property of a unit's owner is subject to the claims of creditors of the association.
   (b) If the association has granted a security interest in the common elements to a creditor of the association pursuant to NRS 116.3112, the holder of that security interest shall exercise its right against the common elements before its judgment lien on any unit may be enforced.
   (c) Whether perfected before or after the creation of the common-interest community, if a lien, other than a deed of trust or mortgage, including a judgment lien or lien attributable to work performed or materials supplied before creation of the common-interest community, becomes effective against two or more units, the owner of an affected unit may pay to the lienholder the amount of the lien attributable to his or her unit, and the lienholder, upon receipt of payment, promptly shall deliver a release of the lien covering that unit. The amount of the payment must be proportionate to the ratio which that owner's liability for common expenses bears to the
liabilities for common expenses of all owners whose units are subject to the lien. After payment, the association may not assess or have a lien against that owner's unit for any portion of the common expenses incurred in connection with that lien.

(d) A judgment against the association must be indexed in the name of the common-interest community and the association and, when so indexed, is notice of the lien against the units.

2. In a cooperative:

(a) If the association receives notice of an impending foreclosure on all or any portion of the association's real estate, the association shall promptly transmit a copy of that notice to each owner of a unit located within the real estate to be foreclosed. Failure of the association to transmit the notice does not affect the validity of the foreclosure.

(b) Whether or not an owner's unit is subject to the claims of the association's creditors, no other property of an owner is subject to those claims.

Sec. 51. NRS 116.31175 is hereby amended to read as follows:

116.31175 1. Except as otherwise provided in this subsection, the executive board of an association shall, upon the written request of a unit's owner, make available the books, records and other papers of the association for review at the business office of the association or a designated business location not to exceed 60 miles from the physical location of the common-interest community and during the regular working hours of the association, including, without limitation:

(a) The financial statement of the association;

(b) The budgets of the association required to be prepared pursuant to NRS 116.31151;

(c) The study of the reserves of the association required to be conducted pursuant to NRS 116.31152; and

(d) All contracts to which the association is a party and all records filed with a court relating to a civil or criminal action to which the association is a party.

2. The executive board shall provide a copy of any of the records described in paragraphs (a), (b) and (c) of subsection 1 to a unit's owner or the Ombudsman within 21 days after receiving a written request therefor. Such records must be provided in electronic format at no charge to the unit's owner or, if the association is unable to provide the records in electronic format, the executive board may charge a fee to cover the actual costs of preparing a copy, but the fee may not exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

3. If the executive board fails to provide a copy of any of the records pursuant to subsection 2 within 21 days, the executive board must pay a penalty of $25 for each day the executive board fails to provide the records.

4. The provisions of this subsection do not apply to:
(a) The personnel records of the employees of the association, except for those records relating to the number of hours worked and the salaries and benefits of those employees;

(b) The records of the association relating to another unit's owner, including, without limitation, any architectural plan or specification submitted by a unit's owner to the association during an approval process required by the governing documents, except for those records described in subsection 5. and

(c) Any document, including, without limitation, minutes of an executive board meeting, a reserve study and a budget, if the document:

(1) Is in the process of being developed for final consideration by the executive board; and

(2) Has not been placed on an agenda for final approval by the executive board.

The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:

(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.

(b) Must not contain the name or address of the person against whom the sanction was imposed or any other personal information which may be used to identify the person or the location of the unit, if any, that is associated with the violation.

(c) Must be maintained in an organized and convenient filing system or data system that allows a unit's owner to search and review the general records concerning violations of the governing documents.

If the executive board refuses to allow a unit's owner to review the books, records or other papers of the association, the Ombudsman may:

(a) On behalf of the unit's owner and upon written request, review the books, records or other papers of the association during the regular working hours of the association; and

(b) If the Ombudsman is denied access to the books, records or other papers, request the Commission, or any member thereof acting on behalf of the Commission, to issue a subpoena for their production.

The books, records and other papers of an association must be maintained for at least 10 years. The provisions of this subsection do not apply to:

(a) The minutes of a meeting of the units' owners which must be maintained in accordance with NRS 116.3108; or
(b) The minutes of a meeting of the executive board which must be maintained in accordance with NRS 116.31083.

\{5.1\} 8. The executive board shall not require a unit's owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.

6. If an official publication contains or will contain any mention of a candidate or ballot question, the official publication must, upon request and without charge, provide equal space to the candidate or a representative of an organization which supports the passage or defeat of the ballot question.

7. If an official publication contains or will contain the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and without charge, provide equal space to opposing views and opinions of a unit's owner, tenant or resident of the common-interest community.

8. The association and its officers, employees and agents are immune from criminal or civil liability for any act or omission which arises out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to subsection 6 or 7.

9. As used in this section:
   (a) "Issue of official interest" includes, without limitation:
      (1) Any issue on which the executive board or the units' owners will be voting, including, without limitation, the election of members of the executive board; and
      (2) The enactment or adoption of rules or regulations that will affect a common-interest community.
   (b) "Official publication" means:
      (1) An official website;
      (2) An official newsletter or other similar publication that is circulated to each unit's owner; or
      (3) An official bulletin board that is available to each unit's owner, which is published or maintained at the cost of an association and by an association, an executive board, a member of an executive board, a community manager or an officer, employee or agent of an association.

Sec. 54. NRS 116.41035 is hereby amended to read as follows:

Sec. 55. NRS 116.4109 is hereby amended to read as follows:

Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

4. If the association furnishes the documents and certificate pursuant to subsection 3:

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.
(c) The other documents furnished pursuant to subsection 3 must be provided in electronic format at no charge to the unit's owner or, if the association is unable to provide such documents in electronic format, the association may charge the unit's owner a reasonable fee, not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter, to cover the cost of copying the other documents furnished pursuant to subsection 3.

5. Neither a purchaser nor the purchaser's interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 days allowed by this section, the purchaser is not liable for the delinquent assessment.

6. Upon the request of a unit's owner or his or her authorized agent, or upon the request of a purchaser to whom the unit's owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit's owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

Sec. 56. (Deleted by amendment.)

Sec. 57. NRS 116.4114 is hereby amended to read as follows:

116.4114  1. A declarant and any dealer warrant that a unit will be in at least as good condition at the earlier of the time of the conveyance or delivery of possession as it was at the time of contracting, reasonable wear and tear excepted.

2. A declarant and any dealer impliedly warrant that a unit and the common elements in the common-interest community are suitable for the ordinary uses of real estate of its type and that any improvements made or contracted for by a declarant or dealer, or made by any person before the creation of the common-interest community, will be:

(a) Free from defective materials; and

(b) Constructed in accordance with applicable law, according to sound standards of engineering and construction, and in a workmanlike manner.

3. In addition, a declarant and any dealer warrant to a purchaser of a unit that may be used for residential use that an existing use, continuation of which is contemplated by the parties, does not violate applicable law at the earlier of the time of conveyance or delivery of possession.

4. Warranties imposed by this section may be excluded or modified as specified in NRS 116.4115.
5. For purposes of this section, improvements made or contracted for by an affiliate of a declarant are made or contracted for by the declarant.

6. Any conveyance of a unit transfers to the purchaser all of the declarant's implied warranties of quality.

Sec. 58. NRS 116.4116 is hereby amended to read as follows:

116.4116  1. Unless a period of limitation is tolled under NRS 116.3111 or affected by subsection 4, a judicial proceeding for breach of any obligation arising under NRS 116.4113 or 116.4114 must be commenced within 6 years after the cause of action accrues, but the parties may agree to reduce the period of limitation to not less than 2 years. With respect to a unit that may be occupied for residential use, an agreement to reduce the period of limitation must be evidenced by a separate instrument executed by the purchaser.

2. Subject to subsection 3, a cause of action for breach of warranty of quality, regardless of the purchaser's lack of knowledge of the breach, accrues:

(a) As to a unit, at the time the purchaser to whom the warranty is first made enters into possession if a possessory interest was conveyed or at the time of acceptance of the instrument of conveyance if a nonpossessory interest was conveyed; and

(b) As to each common element, at the time the common element is completed or, if later, as to:

(1) A common element that may be added to the common-interest community or portion thereof, at the time the first unit therein is conveyed to a bona fide purchaser; or

(2) A common element within any other portion of the common-interest community, at the time the first unit is conveyed to a purchaser in good faith.

3. If a warranty of quality explicitly extends to future performance or duration of any improvement or component of the common-interest community, the cause of action accrues at the time the breach is discovered or at the end of the period for which the warranty explicitly extends, whichever is earlier.

4. During the period of declarant control, the association may authorize an independent committee of the executive board to evaluate and enforce any warranty claims involving the common elements, and to address those claims. Only members of the executive board elected by units' owners other than the declarant and other persons appointed by those independent members may serve on the committee, and the committee's decision must be free of any control by the declarant or any member of the executive board or officer appointed by the declarant. All costs reasonably incurred by the committee, including attorney's fees, are common expenses, and must be added to the budget annually adopted by the association in accordance with the requirements of NRS 116.31151. If the committee is so created, the period of limitation for a warranty claim
considered by the committee begins to run from the date of the first meeting of the committee.

Sec. 59. NRS 116.4117 is hereby amended to read as follows:

116.4117  1. Subject to the requirements set forth in subsection 2, if a declarant, community manager or any other person subject to this chapter fails to comply with any of its provisions or any provision of the declaration or bylaws, any person or class of persons suffering actual damages from the failure to comply may bring a civil action for damages or other appropriate relief.

2. Subject to the requirements set forth in NRS 38.310 and except as otherwise provided in NRS 116.3111, a civil action for damages or other appropriate relief for a failure or refusal to comply with any provision of this chapter or the governing documents of an association may be brought:
   (a) By the association against:
      (1) A declarant;
      (2) A community manager; or
      (3) A unit's owner.
   (b) By a unit's owner against:

"SUMMARY
²
Revises provisions relating to common-interest communities. (BDR 10-264)"

"AN ACT relating to common-interest communities; revising procedures for alternative dispute resolution of certain claims relating to common-interest communities; revising provisions governing the review of certain books, papers and records of an association; revising provisions governing the confidentiality of certain documents and information obtained by the Real Estate Division of the Department of Business and Industry; revising the penalties for filing frivolous, false or fraudulent claims; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Sections 1, 2 and 6-21 of this bill revise the procedures for: (1) the alternative dispute resolution of civil actions which relate to any governing documents or covenants, conditions or restrictions applicable to residential property; and (2) administrative proceedings which relate to a violation of existing law governing common-interest communities and condominium hotels. Sections 10 and 18 require a person to include in a written claim filed with the Real Estate Division of the Department of Business and Industry all claims which: (1) allege a violation of the governing documents or covenants, conditions or restrictions; and (2) allege a violation of existing law governing common-interest communities and condominium hotels. Under sections 1 and 15, the Ombudsman for Owners in Common-Interest
Communities and Condominium Hotels must refer all claims to a mediator, and the Commission for Common-Interest Communities and Condominium Hotels shall adopt regulations establishing the maximum amount, not to exceed $500, of the fees and costs of the mediation and governing the manner in which such fees and costs are paid. If the mediation does not result in a settlement of the claim, sections 1 and 15 require the mediator to refer the claim: (1) to arbitration if the claim relates to the governing documents or covenants, conditions or restrictions applicable to the property; and (2) to the Division if the claim relates to a violation of a provision of existing law governing common-interest communities. If the claim is referred to an arbitrator, the arbitration is conducted in accordance with: (1) the rules of the American Arbitration Association or other comparable rules for speedy arbitration approved by the Division or the Commission; and (2) existing law governing the arbitration of such claims. If the claim is referred to the Division, section 11 requires the Division to determine whether good cause exists to proceed with a hearing on the alleged violation and, if good cause exists, to refer the claim to the Ombudsman or file a complaint with the Commission. If the claim is referred to the Ombudsman, the parties do not resolve the alleged violation with the assistance of the Ombudsman and the Division, after investigation, makes certain findings, the Administrator of the Division must file a formal complaint with the Commission.

Sections 5, 10 and 18 of this bill revise the penalties which may be imposed against a person who files with the Division a frivolous, false or fraudulent claim or response and provide for penalties against a person who files a claim with the Division for the purpose of delay or harassment.

Existing law authorizes an association of a common-interest community to foreclose a lien by sale of a unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) Section 3.5 of this bill revises provisions governing foreclosures by prohibiting an association from foreclosing a lien by sale during the pendency of any mediation or arbitration if the issue in dispute is the basis for the foreclosure.

Section 4 of this bill provides that, unless and until a complaint is filed by the Real Estate Administrator, the executive board is not required to make available certain confidential documents and information relating to certain claims filed with the Division.

The following Assembly amendment was read:
Amendment No. 741.
"SUMMARY—Revises provisions relating to the exercise of the power of sale under a deed of trust concerning owner-occupied property. [BDR 9-958]"
"AN ACT relating to real property; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied property; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) Existing law prohibits the exercise of the trustee's power of sale concerning owner-occupied property unless the trustee records in the office of the county recorder a certificate issued by the entity designated as the Mediation Administrator for the foreclosure mediation program which indicates that foreclosure mediation is not required or has been completed. (NRS 107.086)

This bill establishes additional restrictions on the trustee's power of sale with respect to owner-occupied housing which are based on Maryland law and which require an analysis of the eligibility of the grantor or person who holds the title of record for a loan modification or other loss mitigation alternative. Section 1 of this bill provides that, not later than 30 days before the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located, the beneficiary of the deed of trust must mail to the grantor or the person who holds title of record an application for a loan modification program or other loss mitigation alternative. If the application is returned to the beneficiary within 30 days after the date on which it is received by the grantor or person who holds title of record: (1) the beneficiary must forward it to the person responsible for analyzing the eligibility of the grantor or the person who holds title of record for a loan modification or other loss mitigation alternative; (2) that person must complete an analysis of the application; and (3) the trustee may not exercise the power of sale unless the beneficiary has mailed to the grantor or the person who holds title of record an affidavit certifying that an analysis of the application was completed. If the grantor or person who holds title of
record returns a loss mitigation application within the required time period and requests foreclosure mediation in accordance with existing law: (1) under section 1, the analysis of the application must be completed before the mediation is conducted; and (2) under section 1.7 of this bill, the beneficiary of the deed of trust must bring to the mediation certain information related to the loss mitigation application. Section 1 further provides that if the grantor or the person who holds title of record does not return the loss mitigation application within 30 days after receipt of the application: (1) the beneficiary shall mail an affidavit to the grantor or person who holds title of record attesting to that fact; and (2) the trustee may exercise the power of sale in accordance with existing law.

Existing law provides that if certain provisions of existing law governing the exercise of the trustee's power of sale are not followed, a court of competent jurisdiction may void the sale. (NRS 107.080) Section 1.3 of this bill authorizes a court of competent jurisdiction to void a sale made pursuant to the exercise of the trustee's power of sale if the beneficiary of the deed of trust does not comply with the provisions of this bill. One such restriction: (1) requires the trustee under the deed of trust to include a form to request mediation with the notice of default and election to sell which is mailed to the grantor of the deed of trust or the person who holds title of record; and (2) authorizes the grantor of the deed of trust or the person who holds the title of record to request mediation under rules adopted by the Supreme Court. (NRS 107.086) Section 1.7 of this bill requires the notice of default and election to sell that is mailed to the grantor or the person who holds the title of record to include a notice provided by the entity designated to administer the Foreclosure Mediation Program which states that the grantor or the person who holds the title of record has a right to seek foreclosure mediation in the Foreclosure Mediation Program.

Under existing law, another restriction on the exercise of the trustee's power of sale prohibits the trustee from exercising the power of sale unless, not later than 60 days before the date of the sale, the trustee causes a notice to be served on the grantor or the person who holds the title of record which contains the telephone numbers of certain agencies which may provide assistance to the grantor or the person who holds the title of record. (NRS 107.085) Section 1.5 of this bill amends this notice to include: (1) a statement that the person receiving the notice may have a right to participate in the State of Nevada Foreclosure Mediation Program if the time to request mediation has not expired; (2) the telephone number of the State of Nevada Foreclosure Mediation Program; and (3) the telephone number of the Division of Mortgage Lending of the Department of Business and Industry.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
Section 1. Chapter 107 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to the requirements of NRS 107.085 and 107.086, the exercise of the power of sale pursuant to NRS 107.080 with respect to any trust agreement which concerns owner-occupied housing is subject to the provisions of this section.

2. The trustee shall not exercise a power of sale pursuant to NRS 107.080 unless:

   (a) Not later than 30 days before the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located pursuant to subsection 3 of NRS 107.080, the beneficiary of the deed of trust mails by registered or certified mail, return receipt requested and with postage prepaid, to the grantor or to the person who holds the title of record:

      (1) A loss mitigation application for loss mitigation programs that are applicable to the obligation secured by the deed of trust;

      (2) Instructions for completing the loss mitigation application;

      (5) An envelope preprinted with the address of the beneficiary.

   (b) The beneficiary mails by registered or certified mail, return receipt requested and with postage prepaid, to the grantor or the person who holds title of record, the affidavit described in subsection 3 or a final loss mitigation affidavit.

3. If the grantor or the person who holds the title of record fails to return the loss mitigation application to the beneficiary of the deed of trust within 30 days after receipt of the application, the beneficiary shall execute an affidavit attesting to that fact under penalty of perjury and mail a copy of the affidavit to the grantor or the person who holds the title of record by registered or certified mail, return receipt requested and with postage prepaid.

4. If the grantor or the person who holds the title of record returns the loss mitigation application to the beneficiary of the deed of trust within 30 days after receipt of the application, the beneficiary shall forward the loss mitigation application to the person responsible for conducting loss mitigation analysis on behalf of the beneficiary. Upon receipt of a loss mitigation application pursuant to this subsection, the person responsible for conducting loss mitigation analysis shall perform and complete a loss mitigation analysis. If the grantor or the person who holds the title of record has returned the loss mitigation application to the beneficiary within the time specified in this subsection and has elected to enter into mediation pursuant
to NRS 107.086, the loss mitigation analysis must be completed before the mediation is conducted.

5. Upon completion of the loss mitigation analysis pursuant to subsection 4, the beneficiary shall:
   (a) Execute a final loss mitigation affidavit; and
   (b) Mail the final loss mitigation affidavit by registered or certified mail, return receipt requested and with postage prepaid, to the grantor or the person who holds the title of record.

6. A beneficiary of a deed of trust, or a person conducting loss mitigation analysis on behalf of the beneficiary, which has received a loan mitigation application within the time specified in subsection 4 shall not deny a loan modification or any other loss mitigation program because of an inability to establish communication with the grantor or the person who holds the title of record or obtain all documentation and information necessary to conduct the loss mitigation analysis unless, for at least 30 days after receipt of the loss mitigation application, the beneficiary or the person acting on its behalf has made good faith attempts to:
   (a) Establish communication with the grantor or the person who holds the title of record; and
   (b) Obtain all documentation and information necessary to conduct the loss mitigation analysis.

7. As used in this section:
   (a) "Final loss mitigation affidavit" means an affidavit that:
      (1) Is made by the beneficiary of a deed of trust or a person authorized to act on behalf of the beneficiary;
      (2) Certifies the completion of the final determination of loss mitigation analysis in connection with a deed of trust; and
      (3) Certifies the denial of a loan modification or other loss mitigation.
   (b) "Loss mitigation analysis" means an evaluation of the facts and circumstances of an obligation secured by a deed of trust concerning owner-occupied housing to determine:

   (c) "Loss mitigation program" means an option in connection with an obligation secured by a deed of trust concerning owner-occupied housing that:
      (1) Avoids the exercise of the trustee's power of sale through loan modification or other changes to the existing terms of the obligation that are intended to allow the grantor or the person who holds the title of record to stay in the property;
      (2) Avoids the exercise of the trustee's power of sale through a short sale, deed in lieu of trustee's sale or other alternative that is intended to
simplify the relinquishment of ownership of the property by the grantor or the person who holds the title of record; or
(3) Lessens the harmful impact of the exercise of the trustee's power of sale on the grantor or the person who holds the title of record.

(d) "Owner-occupied housing" has the meaning ascribed to it in NRS 107.086. [Deleted by amendment.]

Sec. 1.3. NRS 107.080 is hereby amended to read as follows:

107.080  1. Except as otherwise provided in NRS 107.085 and 107.086, and section 1 of this act, if any transfer in trust of any estate in real property is made after March 29, 1927, to secure the performance of an obligation or the payment of any debt, a power of sale is hereby conferred upon the trustee to be exercised after a breach of the obligation for which the transfer is security.

   (b) In the case of any trust agreement which concerns owner-occupied housing as defined in NRS 107.086, the grantor, the person who holds the title of record, a beneficiary under a subordinate deed of trust or any other person who has a subordinate lien or encumbrance of record on the property has, for a period that commences in the manner and subject to the requirements described in subsection 3 and expires 5 days before the date of sale, failed to make good the deficiency in performance or payment;

A sale made pursuant to this section may be declared void by any court of competent jurisdiction in the county where the sale took place if:

No further action may be taken to exercise the power of sale until the completion of the mediation. If the grantor or the person who holds the title of record indicates

10. A noncommercial lender is not excluded from the application of this section.

11. The Mediation Administrator and each mediator who acts pursuant to this section in good faith and without gross negligence are immune from civil liability for those acts.

"SUMMARY—Revises provisions concerning the issuance of marriage licenses. (BDR 11-227)"

"AN ACT relating to marriage; revising provisions concerning the issuance of marriage licenses; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) Section 8.5 of this bill requires the board of county commissioners in each county whose population is 100,000 or more but less than 700,000 (currently all counties other than Clark County and Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Additionally, section 8.5 authorizes the board of county commissioners in each county whose population is less than 100,000 (currently all counties other than Clark County and Washoe County) and in which a commercial wedding chapel has been in business for 5 years or more to provide for the establishment of a program whereby such a commercial wedding chapel may issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a
completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. Section 8.5 further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Section 12 of this act provides that the sections of this bill that provide for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels expire by limitation in 2 years.

If the applicant is referred to the district court, the district court may waive the requirements of subsection 3 with respect to the person who is unable to appear before the county clerk. If the district court waives the requirements of subsection 3, the district court shall notify the county clerk in writing. If the county clerk or the district court waives the requirements of subsection 3, the county clerk shall require the applicant who is able to appear before the county clerk to:

(a) Personally given before the clerk;
(b) Certified under the hand of the parent or guardian, attested by two witnesses, one of whom must appear before the clerk and make oath that the witness saw the parent or guardian subscribe his or her name to the annexed certificate, or heard him or her acknowledge it; or
(c) In writing, subscribed to and acknowledged before a person authorized by law to administer oaths. A facsimile of the acknowledged writing must be accepted if the original is not available.

6. If a parent giving consent to the marriage of a minor pursuant to subsection 5 has a last name different from that of the minor seeking to be married, the county clerk shall accept, as proof that the parent is the legal parent of the minor, a certified copy of the birth certificate of the minor which shows the parent's first and middle name and which matches the first and middle name of the parent on any document listed in subsection 2.

7. If the authorization of a district court is required, the county clerk shall issue the license if that authorization is given to the county clerk in writing.

8. All records pertaining to marriage licenses are public records and open to inspection pursuant to the provisions of NRS 239.010.

Sec. 12. This act becomes effective upon passage and approval and expires by limitation on June 30, 2013.

Amendment No. 765.

"SUMMARY—Revises provisions concerning the issuance of marriage licenses. (BDR 11-227)"

"AN ACT relating to marriage; revising provisions concerning the issuance of marriage licenses; counties; providing for the establishment of county programs for the issuance of marriage licenses by certain commercial wedding chapels; removing the prospective expiration of provisions allowing a county office to deviate from the required hours of operation under certain circumstances; providing a penalty; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that before two people may be joined in marriage, they must obtain a marriage license from the county clerk of any county in the State. (NRS 122.040) Section 8.5 of this bill requires the board of county commissioners in each county whose population is less than 700,000 (currently all counties other than Clark County) and in which a commercial wedding chapel has been in business for 5 years or more to: (1) ensure that an office where marriage licenses may be issued is open to the public for the purpose of issuing such licenses from 8 a.m. to 12 a.m. every day, including holidays; or (2) provide for the establishment of a program whereby a commercial wedding chapel that has been in business in the county for 5 years or more is authorized to issue marriage licenses during the hours when an office where marriage licenses may be issued is not open to the public. Any such program that is established must authorize a commercial wedding chapel that has been in business in the county for 5 years or more to begin issuing marriage licenses upon filing a completed registration form with the county clerk, along with a performance bond in the amount of $50,000.

Section 8.5 also requires a commercial wedding chapel to refer any application for a marriage license that includes the signature of a guardian for a minor applicant to the county clerk for review and issuance of the marriage license, and provides that the persons to whom a commercial wedding chapel issues a marriage license may only be joined in marriage in the county in which the marriage license is issued. Section 8.5 further provides that a commercial wedding chapel that violates any provision relating to the issuance of marriage licenses is guilty of a misdemeanor.

Existing law also establishes the required hours of operation for county offices, including offices where marriage licenses may be issued. (NRS 122.061, 245.040, 252.050) However, for the period between March 11, 2010, and June 30, 2011, county offices are authorized under existing law to deviate from those required hours of operation if the board of county commissioners approves the plan for the deviation submitted by the office. (Chapter 9, Statutes of Nevada 2010, 26th Special Session, p. 50) Section 9.7 of this bill makes the temporary authority to deviate from the required hours of operation permanent.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 122 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 8.5, inclusive, of this act.

Amendment No. 739.
"SUMMARY—Revises provisions relating to the information which must be provided by a unit's owner in a resale transaction. (BDR 10-1126)"
"AN ACT relating to common-interest communities; revising provisions relating to the information which must be provided by a unit's owner in a resale transaction; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
This bill revises provisions relating to the information which must be provided in a resale package by a unit's owner for the benefit of a purchaser in a resale transaction.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit's owner or his or her authorized agent shall, at the expense of the unit's owner, furnish to a purchaser a resale package containing all of the following:
(a) A copy of the declaration, other than any plats, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.4109.

(b) A statement from the association setting forth the amount of the monthly assessment for common expenses and any unpaid obligation of any kind, including, without limitation, management fees, transfer fees, fines, penalties, interest, collection costs, foreclosure fees and attorney's fees currently due from the selling unit's owner. The statement remains effective for the period specified in the statement, which must not be less than 15 working days from the date of delivery by the association to the unit's owner or his or her agent. If the association becomes aware of an error in the statement during the period in which the statement is effective but before the consummation of the resale, the association must deliver a replacement statement to the unit's owner or his or her agent and obtain an acknowledgment in writing by the unit's owner or his or her agent before that consummation. Unless the unit's owner or his or her agent receives a
replacement statement, the unit's owner or his or her agent may rely upon the accuracy of the information set forth in a statement provided by the association for the resale.

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information described in paragraphs (a) to (e), inclusive, of subsection 3 of NRS 116.31152.

(d) A statement of any unsatisfied judgments or pending legal actions against the association and the status of any pending legal actions relating to the common-interest community of which the unit's owner has actual knowledge.

(e) A statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit.

(f) In addition to any other document, a statement describing all current and expected fees or charges for each unit, including, without limitation, association fees, fines, assessments, late charges or penalties, interest rates on delinquent assessments, additional costs for collecting past due fines and charges for opening or closing any file for each unit.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, the purchaser must hand deliver the notice of cancellation to the unit's owner or his or her authorized agent or mail the notice of cancellation by prepaid United States mail to the unit's owner or his or her authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the unit's owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a unit's owner or his or her authorized agent, the association shall furnish all of the following to the unit's owner or his or her authorized agent for inclusion in the resale package:

(a) Copies of the documents required pursuant to paragraphs (a) and (c) of subsection 1; and

(b) A certificate containing the information necessary to enable the unit's owner to comply with paragraphs (b), (d) and (e) of subsection 1.

4. If the association furnishes the documents and certificate pursuant to subsection 3:
(a) The unit's owner or his or her authorized agent shall include the documents and certificate in the resale package provided to the purchaser, and neither the unit's owner nor his or her authorized agent is liable to the purchaser for any erroneous information provided by the association and included in the documents and certificate.

(b) The association may charge the unit's owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. The following Assembly amendment was read:

Amendment No. 881.

"SUMMARY—Makes various changes concerning public health. (BDR 54-837)"

"AN ACT relating to public health; revising provisions governing access to certain medical records; requiring a physician or an osteopathic physician who performs an autopsy to submit a written report of the findings of the
autopsy to the Board of Medical Examiners or the State Board of Osteopathic Medicine in certain circumstances; revising provisions governing the submission of certain reports concerning surgeries requiring conscious sedation, deep sedation or general anesthesia; revising provisions governing reports to the Board of Medical Examiners and the State Board of Osteopathic Medicine of a change in the privileges of certain providers of health care; revising provisions governing the standard of proof in any disciplinary hearing before the Board of Medical Examiners; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 1 of this bill provides that if the health care records of a patient are located within this State, a provider of health care must make the records available for physical inspection within 5 working days after they are requested.

Section 2 of this bill requires a physician who performs an autopsy and who determines that the death of the decedent is the result of an overdose of a controlled substance or dangerous drug to submit a written report of such findings to the Board of Medical Examiners. Section 2 also requires the Board, upon receipt of such a report, to investigate the death of the decedent to determine whether the conduct of any physician contributed to the death. Section 18 of this bill imposes similar requirements concerning an autopsy performed by an osteopathic physician.

Existing law requires any hospital, clinic or other medical facility or medical society to report to the Board of Medical Examiners any change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care while the person is under investigation and the outcome of any disciplinary action taken within 30 days after the change in privileges is made or disciplinary action is taken. A hospital, clinic or other medical facility or medical society is also required to report such information to the State Board of Osteopathic Medicine concerning a change in the privileges of an osteopathic physician who is under investigation. (NRS 630.307, 633.533)

Section 8 of this bill requires that such a report concerning a change in the privileges of a physician, perfusionist, physician assistant or practitioner of respiratory care be made within 5 days after the change in privileges is made if the change in privileges is based on an investigation of the mental, medical or psychological competency of the person or suspected or alleged substance abuse by the person. Section 21 of this bill imposes similar reporting requirements concerning a change in the privileges of a physician assistant who is under investigation and a change in the privileges of an osteopathic physician or physician assistant if the change in privileges is based on an investigation of the mental, medical or psychological competency of the osteopathic physician or physician assistant or suspected or alleged substance abuse by the osteopathic physician or physician assistant.
Section 10 of this bill provides that in any disciplinary hearing before the Board of Medical Examiners, a finding of the Board must be supported by a preponderance of the evidence.

Existing law requires persons who are licensed to practice medicine by the Board of Medical Examiners and persons who are licensed to practice osteopathic medicine by the State Board of Osteopathic Medicine to make certain reports concerning surgeries requiring conscious sedation, deep sedation or general anesthesia performed by the holder of the license and the occurrence of any sentinel events arising from those surgeries. Persons who are licensed to practice medicine are required to submit the reports to the Board of Medical Examiners and persons who are licensed to practice osteopathic medicine are required to submit the reports to the State Board of Osteopathic Medicine. The boards are required to submit the reports to the Health Division of the Department of Health and Human Services which then reviews the reports. (NRS 449.447, 630.30665, 633.524) Section 7.5 of this bill revises these reporting requirements as they pertain to a physician and requires a physician to report the occurrence of any sentinel event arising from a surgery requiring conscious sedation, deep sedation or general anesthesia within 14 days after the occurrence of the sentinel event. Section 20 of this bill imposes a similar reporting requirement on an osteopathic physician.

Section 1 of this bill requires the Board to impose an administrative fine of $1,000 against a licensee who fails or refuses to comply with an order of the Board in addition to certain other disciplinary actions which may be taken by the Board against the licensee.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 624.300 is hereby amended to read as follows:

   (d) Impose an administrative fine of not more than $10,000;
   (e) Order a licensee to repay to the account established pursuant to NRS 624.470, any amount paid out of the account pursuant to NRS 624.510 as a result of an act or omission of that licensee;
   (f) Order the licensee to take action to correct a condition resulting from an act which constitutes a cause for disciplinary action, at the licensee's cost, that may consist of requiring the licensee to:
      (1) Perform the corrective work himself or herself;
      (2) Hire and pay another licensee to perform the corrective work; or
      (3) Pay to the owner of the construction project a specified sum to correct the condition; or
   (g) Issue a public reprimand or take other less severe disciplinary action, including, without limitation, increasing the amount of the surety bond or cash deposit of the licensee,
   if the licensee commits any act which constitutes a cause for disciplinary action.

   2. If the Board suspends or revokes the license of a contractor for failure to establish financial responsibility, the Board may, in addition to any other conditions for reinstating or renewing the license, require that each contract undertaken by the licensee for a period to be designated by the Board, not to exceed 12 months, be separately covered by a bond or bonds approved by the Board and conditioned upon the performance of and the payment of labor and materials required by the contract.

   3. If a licensee violates:
      (a) The provisions of NRS 624.3014, subsection 2 or 3 of NRS 624.3015, subsection 1 of NRS 624.302 or subsection 1 of NRS 624.305, the Board
may impose for each violation an administrative fine in an amount that is not more than $50,000.

(b) The provisions of subsection 4 of NRS 624.3015:

(1) For a first offense, the Board shall impose an administrative fine of not less than $1,000 and not more than $50,000, and may suspend the license of the licensee for 6 months;

(c) The provisions of subsection 7 of NRS 624.302, the Board shall, in addition to any other disciplinary action taken pursuant to this section, impose an administrative fine of $1,000.

4. The Board shall, by regulation, establish standards for use by the Board in determining the amount of an administrative fine imposed pursuant to subsection 3. The standards must include, without limitation, provisions requiring the Board to consider:

(a) The gravity of the violation;

(b) The good faith of the licensee; and

(c) Any history of previous violations of the provisions of this chapter committed by the licensee.

5. If a licensee is prohibited from being awarded a contract for a public work pursuant to NRS 338.017, the Board may suspend the license of the licensee for the period of the prohibition.

7. If the Board finds that a licensee has engaged in repeated acts that would be cause for disciplinary action, the correction of any resulting conditions does not preclude the Board from taking disciplinary action pursuant to this section.

8. The expiration of a license by operation of law or by order or decision of the Board or a court, or the voluntary surrender of a license by a licensee, does not deprive the Board of jurisdiction to proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.

9. The Board shall not issue a private reprimand to a licensee.

10. An order that imposes discipline and the findings of fact and conclusions of law supporting that order are public records.

11. An administrative fine imposed pursuant to this section or NRS 624.341 or 624.710 plus interest at a rate that is equal to the prime rate at the largest bank in this State, as determined by the Commissioner of Financial Institutions on January 1 or July 1, as appropriate, immediately
preceding the date of the order imposing the administrative fine, plus 4 percent, must be paid to the Board before the issuance or renewal of a license to engage in the business of contracting in this State. The interest must be collected from the date of the order until the date the administrative fine is paid.

12. All fines and interest collected pursuant to this section must be deposited with the State Treasurer for credit to the Construction Education Account created pursuant to NRS 624.580.

Section 1. Sec. 2. NRS 624.302 is hereby amended to read as follows:

624.302 The following acts or omissions, among others, constitute cause for disciplinary action pursuant to NRS 624.300:

   whichever occurs later.

4. The suspension, revocation or other disciplinary action taken by another state against a contractor based on a license issued by that state if the contractor is licensed in this State or applies for a license in this State. A certified copy of the suspension, revocation or other disciplinary action taken by another state against a contractor based on a license issued by that state is conclusive evidence of that action.

5. Failure or refusal to respond to a written request from the Board or its designee to cooperate in the investigation of a complaint.

6. Failure or refusal to comply with a written request by the Board or its designee for information or records, or obstructing or delaying the providing of such information or records.

Senate Bill No. 36.

The following Assembly amendment was read:
Amendment No. 823.

"SUMMARY—Revises provisions governing the State Board of Podiatry health care providers. (BDR 54-502)"

"AN ACT relating to podiatry health care providers; requiring each person licensed by the State Board of Podiatry to maintain a permanent mailing address with the Board; requiring each licensee to provide the Board with written notification of any change in his or her permanent address; requiring the Board to impose a fine if a licensee fails to notify the Board of a change in his or her permanent address; requiring a licensee who closes his or her office in this State to notify the Board of the location and custodian of the medical records of the patients of the licensee for a certain period; codifying in statutory form the requirement in administrative regulation that an applicant for a license issued by the Board submit to a criminal background check; revising provisions governing the qualifications for obtaining a license to practice dental hygiene; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law authorizes the State Board of Podiatry to license and regulate the conduct of podiatrists and podiatry hygienists. (NRS 635.050-635.180) Section 2 of this bill requires a licensee to maintain a permanent mailing address with the Board and notify the Board in writing of any change in the licensee's permanent address. Section 2 also requires the Board to impose a fine against any licensee who fails to notify the Board of a change in his or her permanent address. Additionally, section 2 requires a licensee who changes the location of his or her office to notify the Board of the new location and requires a licensee who closes his or her office to notify the Board of the closure within 14 days after closing the office. Section 2 further requires a licensee who closes his or her office to keep the Board apprised of the location and custodian of the medical records of the licensee's patients for a minimum of 5 years.

Existing regulation requires each applicant for licensure by the Board to submit to the Board a complete set of fingerprints and written permission authorizing the Board to submit the fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. (NAC 635.023) Section 3 of this bill codifies in statute this existing requirement in regulation.

Section 4 of this bill provides that a licensee is subject to disciplinary action if he or she fails to notify the Board in writing of a change in permanent mailing address in the manner required by section 2 of this bill.

Section 4.5 of this bill revises provisions governing the qualifications for obtaining a license to practice dental hygiene by providing that an applicant may satisfy the clinical examination requirement for licensure if he or she presents evidence to the Board of Dental Examiners of Nevada that the applicant has, within the 5 years immediately preceding
the date of the application, passed a clinical examination approved by
the Board and the American Board of Dental Examiners.

"SUMMARY—Makes various changes concerning persons regulated by the Chiropractic Physicians' Board of Nevada. (BDR 54-834)"

"AN ACT relating to chiropractic; requiring the completion of certain continuing education requirements for the renewal of a certificate as a chiropractor's assistant; revising certain provisions governing the issuance and renewal of a license to practice chiropractic; certificate as a chiropractor's assistant; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, a chiropractor's assistant may renew his or her certificate as a chiropractor's assistant by paying a fee and submitting certain information to the Chiropractic Physicians' Board of Nevada. (NRS 634.130)
Section 1 of this bill additionally requires a chiropractor's assistant to complete at least 12 hours of continuing education every 2 years as a condition of the renewal of his or her certificate as a chiropractor's assistant. Section 1 also provides that courses related to lifesaving skills such as cardiopulmonary resuscitation may be included in the 12 hours of continuing education required to be completed by a chiropractor's assistant and requires the Board to determine how many hours of such course work are required. Section 1 further provides that the educational requirement may be waived by the Board if a chiropractor's assistant is prevented by a serious or disabling illness or physical disability from completing the educational requirement.

Under existing law, a license to practice chiropractic or a certificate as a chiropractor's assistant is valid for 2 years and must be renewed before January 1 of each odd-numbered year. (NRS 634.130) Section 1 requires a license to practice chiropractic or a certificate as a chiropractor's assistant to be renewed before January 1 of each even-numbered year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 634.130 is hereby amended to read as follows:

634.130 1. Licenses and certificates must be renewed biennially. Each person who is licensed pursuant to the provisions of this chapter must, upon the payment of the required renewal fee and the submission of all information required to complete the renewal, be granted a renewal certificate which authorizes the person to continue to practice for 2 years.

2. The renewal fee must be paid and all information required to complete the renewal must be submitted to the Board on or before January 1 of [each odd-numbered year]:

(a) Each [even-numbered] odd-numbered year for a licensee; and

(b) Each [odd-numbered] even-numbered year for a holder of a certificate as a chiropractor's assistant.

3. Except as otherwise provided in subsection 4, 5 or 6, a licensee in active practice within this State must submit satisfactory proof to the Board that, during the 24 months immediately preceding the renewal date of the license, the licensee has attended at least 36 hours of continuing education which is approved or endorsed by the Board.

4. Except as otherwise provided in subsection 5 or 7, a holder of a certificate as a chiropractor's assistant in active practice within this State must submit satisfactory proof to the Board that, during the 24 months immediately preceding the renewal date of the certificate, the certificate holder has attended at least 12 hours of continuing education which is approved or endorsed by the Board or the equivalent board of another state or jurisdiction that regulates chiropractors' assistants. The continuing education required by this subsection may include education related to lifesaving skills, including, without limitation, a course in cardiopulmonary resuscitation. The Board shall by regulation determine how many of the
required 12 hours of continuing education must be course work related to such lifesaving skills. Any course of continuing education approved or endorsed by the Board or the equivalent board of another state or jurisdiction pursuant to this subsection may be conducted via the Internet or in a live setting, including, without limitation, a conference, workshop or academic course of instruction. The Board shall not approve or endorse a course of continuing education which is self-directed or conducted via home study.

5. The educational requirement of this section subsection 3 or 4 may be waived by the Board if the licensee or holder of a certificate as a chiropractor's assistant files with the Board a statement of a chiropractic physician, osteopathic physician or doctor of medicine certifying that the licensee or holder of a certificate as a chiropractor's assistant is suffering from a serious or disabling illness or physical disability which prevented the licensee or holder of a certificate as a chiropractor's assistant from completing the requirements for continuing education during the 24 months immediately preceding the renewal date of the license.

6. A licensee is not required to comply with the requirements of subsection 3 until the first odd-numbered [even-numbered] year after the year the Board issues to the licensee an initial license to practice as a chiropractor in this State.

7. A certificate holder is not required to comply with the requirements of subsection 4 until the first [odd-numbered] even-numbered year after the Board issues to the certificate holder an initial certificate to practice as a chiropractor's assistant in this State.

8. If a licensee fails to:
   (a) Pay the renewal fee by January 1 of an odd-numbered [even-numbered] year;
   (b) Submit proof of continuing education pursuant to subsection 3;
   (c) Notify the Board of a change in the location of his or her office pursuant to NRS 634.129; or
   (d) Submit all information required to complete the renewal, the license is automatically suspended and, except as otherwise provided in NRS 634.131, may be reinstated only upon the payment, by January 1 of the even-numbered [odd-numbered] year following the year in which the license was suspended, of the required fee for reinstatement in addition to the renewal fee.

9. If a holder of a certificate as a chiropractor's assistant fails to:
   (a) Pay the renewal fee by January 1 of an [odd-numbered] even-numbered year;
   (b) Submit proof of continuing education pursuant to subsection 4;
   (c) Notify the Board of a change in the location of his or her office pursuant to NRS 634.129; or
   (d) Submit all information required to complete the renewal,
the certificate is automatically suspended and may be reinstated only upon the payment of the required fee for reinstatement in addition to the renewal fee.

Sec. 2. NRS 634.131 is hereby amended to read as follows:

634.131 1. If a license has been automatically suspended pursuant to the provisions of subsection 8 of NRS 634.130 and not reinstated pursuant to the provisions of that subsection, the person who held the license may apply to the Board to have the license reinstated to active status.

2. An applicant to have a suspended license reinstated to active status pursuant to subsection 1 must:
   (a) Either:
      (1) Submit satisfactory evidence to the Board:
         (I) That the applicant has maintained an active practice in another state, territory or country within the preceding 5 years;
         (II) From all other licensing agencies which have issued the applicant a license that he or she is in good standing and has no legal actions pending against him or her; and
         (III) That the applicant has participated in a program of continuing education in accordance with NRS 634.130 for the year in which he or she seeks to be reinstated to active status; or
      (2) Score 75 percent or higher on an examination prescribed by the Board on the provisions of this chapter and the regulations adopted by the Board; and
   (b) Pay:
      (1) The fee for the biennial renewal of a license to practice chiropractic; and
      (2) The fee for reinstating a license to practice chiropractic which has been suspended or revoked.

3. If any of the requirements set forth in subsection 2 are not met by an applicant for the reinstatement of a suspended license to active status, the Board, before reinstating the license of the applicant to active status:
   (a) Must hold a hearing to determine the professional competency and fitness of the applicant; and
   (b) May require the applicant to:
      (1) Pass the Special Purposes Examination for Chiropractic prepared by the National Board of Chiropractic Examiners; and

Amendment No. 654.

"SUMMARY—Revises provisions governing certain trust companies.

"AN ACT relating to trust companies; revising provisions governing the management of a trust by a family trust company or licensed family trust company; specifying the applicability of the Uniform Prudent Investor Act to a trust managed by a family trust company or licensed family trust company; authorizing a family trust company or licensed family trust company to engage in certain transactions involving the assets of the trust or take certain actions if the transaction or action is in the interest of the beneficiaries and complies with certain other requirements; authorizing a family trust company or licensed family trust company and an interested person to enter into a nonjudicial settlement agreement to resolve any matter related to the management, administration or interpretation of a trust; requiring a family trust company and licensed family trust company to provide an annual report or certain information in lieu of an annual report to certain persons concerning the management of a trust; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law requires a trust company that has been appointed as the fiduciary of a trust to invest and manage the assets of the trust according to the Uniform Prudent Investor Act. (NRS 164.700-164.775) The prudent investor rule requires, among other things, that a fiduciary of a trust diversify the assets of the trust through various investments. (NRS 164.750) Existing law places further restrictions on the types of transactions that a trust company may engage in with the assets of a trust for which it is a fiduciary. (NRS 669A.230) **Section 15** of this bill provides an exception to the provisions of the Uniform Prudent Investor Act as it applies to the management of a trust by a family trust company or licensed family trust company. **Section 7** of this bill authorizes a family trust company or licensed family trust company to engage in activities and transactions involving the assets of a trust, including the acquisition of concentrated holdings of stocks, bonds, securities or other assets, which might otherwise be prohibited by the Uniform Prudent Investor Act. **Section 7** requires that such transactions or actions by a family trust company or licensed family trust company be for a
fair price, if applicable, be in the interest of the beneficiaries and comply with the terms of the trust, a written consent agreement, a court order or a notice of proposed action. Furthermore, the transactions authorized by section 7 are not prohibited by a conflict of interest between the parties to the transaction.

Section 8 of this bill authorizes a family trust company or licensed family trust company and an interested person to enter into a nonjudicial settlement agreement with respect to any matter related to the management, administration or interpretation of a trust. Section 8 also authorizes a family trust company or licensed family trust company or an interested person to petition a court to approve a nonjudicial settlement agreement or to make certain other determinations related to the nonjudicial settlement agreement. Section 9 of this bill requires a family trust company or licensed family trust company that intends to execute a nonjudicial settlement agreement to meet certain notice requirements before executing the nonjudicial settlement agreement and also requires an interested person who receives such notice to object within a certain period to preserve the right to bring certain actions relating to the nonjudicial settlement agreement. Section 9 also authorizes a family trust company or licensed family trust company or an interested person who timely objects to petition the court to approve, disapprove, enforce or modify the nonjudicial settlement agreement. Section 10 of this bill authorizes a family trust company or licensed family trust company to refrain from taking an action that is authorized by a nonjudicial settlement agreement under certain circumstances.

Section 11 of this bill requires a family trust company and licensed family trust company to provide annual reports to certain persons outlining any transactions taken by the family trust company or licensed family trust company while acting as the fiduciary of a trust and further authorizes the trust company to provide an interested person with certain other information in lieu of an annual report.

   (b) A family affiliate; or
   (c) Any other company, agent, entity or person for which a conflict of interest may exist.

Sec. 8. 1. A family trust company or licensed family trust company and an interested person may enter into a nonjudicial settlement agreement with respect to any matter involving the management, administration or interpretation of a trust that is managed pursuant to this chapter.

A family trust company or licensed family trust company is not liable to an interested person for taking an action that is authorized by a nonjudicial settlement agreement which has been approved by a court.

Sec. 9. 1. A family trust company or licensed family trust company shall provide written notice by personal service or by certified mail to each interested person who is a necessary party to a nonjudicial settlement agreement entered into pursuant to section 8 of this act. A family trust company or licensed family trust company is not required to provide notice to any interested person who has consented in writing to the nonjudicial settlement agreement.

2. The notice provided pursuant to this section must:
   (a) Be provided at least 15 days before the execution of the nonjudicial settlement agreement;
   (b) Include a true and correct copy of the nonjudicial settlement agreement;
   (c) State that the notice is provided pursuant to this section and section 8 of this act;

   (e) State the date by which an objection to the nonjudicial settlement agreement must be made; and

3. An interested person who receives notice pursuant to this section may object to any term or condition of, or any act that is authorized by, the nonjudicial settlement agreement by submitting his or her objection in writing to the family trust company or licensed family trust company within 1 year after the date on which the interested person received the notice. Except as otherwise provided in subsection 5, if an interested person does not object within 1 year after receiving notice, his or her objection is waived, and the interested person may not bring any action relating to the terms and conditions of, or any act taken pursuant to, the nonjudicial settlement agreement.

4. An interested person who objects within the period specified in subsection 3 may petition the court for an order to approve, disapprove, enforce or modify the nonjudicial settlement agreement. The burden is on the interested person to prove that the nonjudicial settlement agreement should be approved, disapproved, enforced or modified.
5. The provisions of subsection 3 do not prohibit an interested person who has received notice pursuant to this section and who fails to object to the nonjudicial settlement agreement within 1 year after receiving the notice from bringing an action alleging that the nonjudicial settlement agreement was procured fraudulently, or entered into by the family trust company or licensed family trust company in bad faith or in willful violation of the terms of the trust. A person who brings such an action has the burden of proving by clear and convincing evidence that the nonjudicial settlement agreement was procured fraudulently, in bad faith or in willful violation of the terms of the trust.

The burden is on the beneficiary to prove that the proposed action is in the interest of the beneficiaries of the trust and should be taken.

4. A family trust company or licensed family trust company is not liable to an interested person for not taking an action that is authorized by a nonjudicial settlement agreement if the family trust company or licensed family trust company acted in good faith in not taking the action.

Sec. 11. 1. Except as otherwise provided in subsection 4, a family trust company or licensed family trust company, while acting as the fiduciary of a trust, shall provide an annual report to each interested person for each year of the existence of the trust until the trust is terminated, at which time the trust company shall provide to each interested person a final report.

2. A report that is provided pursuant to this section must, for the year immediately preceding the report, provide an accounting of:
(a) Each asset and liability of the trust and its current market value or amount, if known;
   (b) Each disbursement of income or principal, including the amount of the disbursement and to whom the disbursement was made;
   (c) All payments of compensation from any source to the family trust company or licensed family trust company or any other person for services rendered; and

An interested person who waives his or her right to a report may withdraw the waiver by submitting to the family trust company or licensed family trust company a written request for a report.

4. A family trust company or licensed family trust company is not required to provide a report pursuant to this section if the terms of the trust provide an exception to this requirement.

5. A family trust company or licensed family trust company may require an interested person who is entitled to receive confidential information pursuant to this section to execute a confidentiality agreement before providing the person with any confidential information.

6. In lieu of the information that a trustee is required to provide to an interested person pursuant to subsection 2, a trustee may provide to an interested person a statement indicating the accounting period and a financial report of the trust which is prepared by a certified public accountant and which summarizes the information required by paragraphs (a) to (d), inclusive, of subsection 2. Upon request, the trustee shall make all the information used in the preparation of the financial report available to each interested person who was provided a copy of the financial report pursuant to this subsection.

7. For the purposes of this chapter, information provided by a trustee to an interested person pursuant to subsection 6 is deemed an annual report.

8. A trustee may provide an annual report to an interested person via electronic mail or through a secure Internet website.

Sec. 12. NRS 669A.020 is hereby amended to read as follows:

Amendment No. 855.

"SUMMARY—Makes various changes relating to insurance.

AN ACT relating to insurance; revising provisions relating to nonadmitted insurance; authorizing the Commissioner of Insurance to enter into a multi-state agreement concerning nonadmitted insurance; revising provisions relating to the assessment and disbursement of taxes on nonadmitted insurance; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, certain insurance coverages that cannot be procured from authorized insurers in Nevada, known as surplus lines, may be obtained from unauthorized insurers if certain conditions are met. (NRS 685A.040) Additionally, a tax is assessed on the premiums charged for surplus lines coverages. (NRS 685A175, 685A.180) On July 21, 2010, the Dodd-Frank Wall Street Reform and Consumer Protection Act, of which the Nonadmitted and Reinsurance Reform Act (NRRA) was a part, was signed into law. (Pub. L. No. 111-203, 124 Stat. 1376) The NRRA authorizes the states to participate in a multi-state agreement to allocate premium tax proceeds for nonadmitted insurance on multi-state risks amongst the states and prohibits any state other than the insured's home state from collecting premium taxes on nonadmitted insurance. The NRRA also prohibits any state other than the insured's home state from regulating the placement of nonadmitted insurance and from requiring a surplus lines broker to be licensed. (15 U.S.C. §§ 8201 et seq.)

This bill makes various changes to existing law to conform to the NRRA. Sections 17, 32 and 33 of this bill authorize the Commissioner to enter into a multi-state agreement concerning nonadmitted insurance and to provide for the
payment of premium tax to and disbursement of premium tax from the clearinghouse established through the [Nonadmitted Insurance Multi-State Agreement] multi-state agreement.

An insurer may appoint a producer to act as agent for all or some insurers within its holding company or group by filing a single notice of appointment.       (5) Is a city whose population is 25,000 or more or a county whose population is 20,000 or more.
   2. The amounts set forth in subparagraphs (1), (2) and (4) of paragraph (c) of subsection 1 must be adjusted on or before January 1, 2015, and every 5 years thereafter to reflect inflation, as measured by the average percentage of increase or decrease in the Consumer Price Index for All Urban Consumers of the United States Department of Labor, Bureau of Labor Statistics for the preceding 5 years. The Commissioner shall determine the amount of the increase or decrease required by this subsection and establish the adjusted amounts to take effect on January 1 of that year.

685A.040 If this State is the insured's home state and certain insurance coverages cannot be procured from authorized insurers, such coverages, designated in this chapter as "surplus lines," nonadmitted insurance, may be procured from unauthorized insurers, subject to the following conditions:
1. The insurance must be procured through a surplus lines broker licensed as such under this chapter or procured by an insured directly from a nonadmitted insurer as permitted by law.
2. Except as otherwise provided in subsection 5, the full amount of insurance required must not be procurable from an insurer authorized to engage in the business of insurance in this State, after diligent effort has been made to do so.
3. The insurance must not be so exported for the purpose of procuring it at a premium rate lower than would be accepted by any authorized insurer; difference in rates alone will not support the export of the insurance if any authorized insurer is able and willing to carry the risk.
4. Differences, bearing directly upon the cost of insurance, in the terms of policies which otherwise provide substantially the same coverage will not support the export of the insurance.
5. A broker is not required to make a diligent effort to determine whether the full amount or type of insurance can be obtained from admitted insurers when the broker is seeking to procure or place nonadmitted insurance for an exempt commercial purchaser if:
   (a) The broker procuring or placing the nonadmitted insurance has disclosed to the exempt commercial purchaser that such insurance may or may not be available from the admitted market that may provide greater protection with more regulatory oversight; and

Sec. 23. NRS 685A.050 is hereby amended to read as follows:
685A.050 1. At the time of effecting any surplus lines insurance for which this State is the home state, the broker shall execute an affidavit, within 90 days after such insurance is so effected, submit a report, in the form prescribed or accepted by the Commissioner, setting forth facts from which it can be determined whether such insurance is eligible for export under NRS 685A.040.

Commissioner or a representative of the Commissioner at all times within 5 years after issuance of the coverage to which it relates.

Sec. 24. NRS 685A.060 is hereby amended to read as follows:

685A.060 1. The Commissioner may by order declare eligible for export generally and without compliance with subsections 2, 3 and 4 of NRS 685A.040 and NRS 685A.050, any class or classes of insurance coverage or risk for which the Commissioner finds that there is not a reasonable or adequate market among authorized insurers either as to acceptance of the risk, contract terms, or premium or premium rate. Any such order shall continue in effect during the existence of the conditions upon which predicated, but subject to earlier termination by the Commissioner.

2. [The] For surplus lines insurance, the broker shall file with or as directed by the Commissioner a memorandum as to each such coverage placed by the broker in an unauthorized insurer, in such form and context as the Commissioner may reasonably require for the identification of the coverage and determination of the tax payable to the State relative thereto.

3. The broker, or a licensed Nevada agent of the authorized insurer or a general lines broker, may also place with authorized insurers any insurance coverage made eligible for export generally under subsection 1, and without regard to rate or form filings which may otherwise be applicable to the authorized insurer. As to coverages so placed in an authorized insurer the premium tax thereon shall be reported and paid by the insurer as required generally under chapter 680B of NRS.

Sec. 25. NRS 685A.070 is hereby amended to read as follows:

685A.070 1. A broker shall not knowingly place surplus lines insurance with an insurer which is unsound financially or ineligible pursuant to this section.

2. [Except] With respect to nonadmitted insurance for insureds for which this State is the home state, except as otherwise provided in this section, an insurer is not eligible to accept surplus lines or independently procured risks pursuant to this chapter unless it has capital and surplus [as to policyholders] or its equivalent in an amount of not less than $15,000,000 and, in or the minimum capital and surplus requirements pursuant to NRS 680A.120, whichever is greater.

3. The requirements of subsection 2 may be satisfied by an insurer possessing less than the minimum capital and surplus upon an affirmative finding of acceptability by the Commissioner. The finding must be based upon such factors as quality of management, capital and surplus of any parent company, company underwriting profit and investment income trends, market availability and company record and reputation within the industry. The Commissioner shall not make an affirmative finding of acceptability when the nonadmitted insurer's capital and surplus is less than $4,500,000.

4. A broker shall not place surplus lines insurance with an alien insurer, unless the alien insurer is listed on the Quarterly Listing of Alien
Insurers maintained by the International Insurers Department of the National Association of Insurance Commissioners or, if the alien insurer is not listed on the Quarterly Listing of Alien Insurers, it has and maintains in a bank or trust company which is a member of the United States Federal Reserve System a trust fund established pursuant to terms that are reasonably adequate to protect all of its policyholders in the United States. (1) The liabilities are maintained in an irrevocable trust account in a qualified financial institution in the United States, on behalf of policyholders in the United States, consisting of cash, securities, letters of credit or any other investments of substantially the same character and quality as investments that are eligible investments pursuant to chapter 682A of NRS for the capital and statutory reserves of admitted insurers to write like kinds of insurance in this State. The trust fund, which must be included in any calculation of capital and surplus or its equivalent, must comply with the requirements set forth in the Standard Trust Agreement required for listing with the International Insurers Department of the National Association of Insurance Commissioners;

(2) The alien insurer may request approval by the Commissioner to use the trust fund to pay any valid claim against a surplus line if the balance of the trust fund is not, during any period, less than $5,400,000 or 30 percent of the alien insurer's current gross liabilities for surplus lines in the United States, excluding any liabilities for aviation, wet marine and transportation insurance; and

(3) In calculating the amount of the trust fund required by this subsection, credit must be given for any deposits for any surplus lines that are separately required and maintained within a state or territory of the United States, not to exceed the amount of the alien insurer's loss and loss adjustment reserves maintained in that state or territory.

(b) A group of insurers which includes individual unincorporated insurers, such a trust fund must not be less than $100,000,000.

(c) A group of incorporated insurers under common administration, such a trust fund must not be less than $100,000,000. Each insurer within the group must individually maintain capital and surplus of not less than $25,000,000. The group of incorporated insurers must:

If an insurance exchange maintains money for the protection of all policyholders, each syndicate shall maintain minimum capital and surplus of not less than $15,000,000 and must qualify separately to be eligible for the acceptance of surplus lines risks pursuant to this chapter.

The Commissioner may require larger trust funds or surplus as to policyholders than those set forth in this section if, in the judgment of the Commissioner, the volume of business being transacted or proposed to be transacted warrants larger amounts.

3. An insurer is not eligible to write surplus lines of insurance unless it has established a reputation for financial integrity and satisfactory practices in underwriting and handling claims. In addition, a

5. A foreign insurer must be authorized in the state of its domicile to write the kinds of insurance which it intends to write in Nevada.

4. The Commissioner may from time to time compile or approve a list of all surplus lines insurers deemed by the Commissioner to be eligible currently, and may mail a copy of the list to each broker at his or her office last of record with the Commissioner. To be placed on the list, a surplus lines insurer must file an application with the Commissioner. The application must be accompanied by a nonrefundable fee of $2,450 and, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110. To remain on the list, a surplus lines insurer must pay, in addition to any other fee or charge, all applicable fees required pursuant to NRS 680C.110. This subsection does not require the Commissioner to determine the actual financial condition or claims practices of any unauthorized insurer. The status of eligibility, if granted by the Commissioner, indicates only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the Commissioner has no credible evidence to the contrary. While any such list is in effect, the broker shall restrict to the insurers so listed all surplus lines business placed by the broker.

2. An insurer shall not change any term or condition of a policy of portable electronics insurance more than once in any 6-month period. If the insurer changes a term or condition of a policy of portable electronics insurance, the insurer shall, not less than 30 days before the effective date of the change, provide:

If the insurer fails to provide timely notice as required by this paragraph, the enrolled customer's coverage under the policy continues until the insurer provides notice of termination to the enrolled customer notwithstanding the exhaustion of the aggregate limit of liability.

6. A vendor or other holder of a group policy of portable electronics insurance shall not terminate an enrolled customer's coverage under the policy unless, not less than 30 days before the effective date of the termination, the insurer provides notice to each enrolled customer of the termination of the policy and the effective date of termination. An insurer may authorize a vendor to provide notice to an enrolled customer on behalf of the insurer pursuant to this subsection.

7. Any notice that is required pursuant to this section must be in writing and be:
   (a) Mailed or delivered to the enrolled customer, vendor or other policyholder at his or her last known address; or

Sec. 16. If a vendor or an employee or authorized representative of a vendor violates any provision of this chapter or an order or regulation of the Commissioner issued or adopted pursuant thereto, the Commissioner may, after notice and an opportunity for a hearing:

1. Impose an administrative fine pursuant to NRS 683A.461 for each violation, which must not exceed $50,000 in the aggregate;

2. Suspend a vendor's privilege of engaging in the sale or offering of coverage under a policy of portable electronics insurance at a particular location where the vendor does business;

3. Suspend or revoke the privilege of an employee or authorized representative of a vendor to sell or offer coverage under a policy of portable electronics insurance; or
4. Suspend or revoke the license issued by the Commissioner to the vendor as a licensed producer of insurance.

Sec. 17. The Commissioner may adopt such regulations as necessary to carry out the provisions of this chapter.

Sec. 18. NRS 683A.261 is hereby amended to read as follows:

683A.261 1. Unless the Commissioner refuses to issue the license under NRS 683A.451, the Commissioner shall issue a license as a producer of insurance to a person who has satisfied the requirements of NRS 683A.241 and 683A.251. A producer of insurance may qualify for a license in one or more of the lines of authority permitted by statute or regulation, including:

(g) Credit insurance, including life, disability, property, unemployment, involuntary unemployment, mortgage life, mortgage guaranty, mortgage disability, guaranteed protection of assets, and any other form of insurance offered in connection with an extension of credit that is limited to wholly or partially extinguishing the obligation which the Commissioner determines should be considered as limited-line credit insurance.

(h) Personal lines, consisting of automobile and motorcycle insurance and residential property insurance, including coverage for flood, of personal watercraft and of excess liability, written over one or more underlying policies of automobile or residential property insurance.

(i) Fixed annuities as a limited line.

(k) Rental car agency as a limited line.

(l) Portable electronics as a limited line.

(m) Continuous care coverage, which includes health insurance, as set forth in paragraph (b), and may include insurance for workers' compensation.

each authorization to transact business on behalf of a business organization licensed pursuant to subsection 2 of NRS 683A.251, and any requirement for education or any other requirement to renew the license is satisfied by the date specified on the license for the renewal. A producer of insurance may submit a request for a renewal of his or her license within 30 days after the date specified on the license for the renewal if the producer of insurance otherwise complies with the provisions of this subsection and pays, in addition to any fee paid pursuant to this subsection, a penalty of 50 percent of all applicable renewal fees, except for any fee required pursuant to NRS 680C.110. A license as a producer of insurance expires if the Commissioner receives a request for a renewal of the license more than 30 days after the date specified on the license for the renewal. A fee paid pursuant to this subsection is nonrefundable.

3. A natural person who allows his or her license as a producer of insurance to expire may reapply for the same license within 12 months after the date specified on the license for a renewal without passing a written examination or completing a course of study required by paragraph (c) of subsection 1 of NRS 683A.251, but a penalty of twice all applicable renewal fees, except for any fee required pursuant to NRS 680C.110, is required for any request for a renewal of the license that is received after the date specified on the license for the renewal.

4. A licensed producer of insurance who is unable to renew his or her license because of military service, extended medical disability or other extenuating circumstance may request a waiver of the time limit and of any fine or sanction otherwise required or imposed because of the failure to renew.

5. A license must state the licensee's name, address, personal identification number, the date of issuance, the lines of authority and the date of expiration and must contain any other information the Commissioner considers necessary. A resident producer of insurance shall maintain a place of business in this State which is accessible to the public and where the resident producer of insurance principally conducts transactions under his or her license. The place of business may be in his or her residence. The license must be conspicuously displayed in an area of the place of business which is open to the public.

6. A licensee shall inform the Commissioner of each change of location from which the licensee conducts business as a producer of insurance and each change of business or residence address, in writing or by other means acceptable to the Commissioner, within 30 days after the change. If a licensee changes the location from which the licensee conducts business as a producer of insurance or his or her business or residence address without giving written notice and the Commissioner is unable to locate the licensee after diligent effort, the Commissioner may revoke the license without a hearing. The mailing of a letter by certified mail, return receipt requested, addressed to the licensee at his or her last mailing address appearing on the
records of the Division, and the return of the letter undelivered, constitutes a
diligent effort by the Commissioner.

Sec. 19. NRS 683A.291 is hereby amended to read as follows:

683A.291 1. An applicant for licensing in this state as a producer of
insurance who was previously licensed for the same lines of authority in
another state need not complete any education or examination if the applicant
is currently licensed in that state or, if the application is received within
90 days after the cancellation of the license, the other state certifies that the
applicant was in good standing at the time of cancellation. Alternatively, the
exemption is available if the records of the National Association of Insurance
Commissioners show that the applicant is or was licensed and in good
standing for the lines of authority requested.

2. An examination is not required for a producer of insurance who
confines his or her activity to insurance categorized as limited line, credit,
travel, portable electronics, baggage or fixed annuity, or covering vehicles
leased for a short term.

3. A person licensed in another state who moves to this state and desires
to become licensed as a resident producer of insurance with the benefit of the
exemption provided in subsection 1 must apply for licensing within 90 days
after establishing legal residence.

Sec. 20. Notwithstanding the provisions of sections 2 to 17, inclusive, of
this act, a vendor is not required to be licensed as a producer of insurance
limited to portable electronics insurance to sell or offer coverage under a
policy of portable electronics insurance until 90 days after the Commissioner
of Insurance makes available an application for such a license or
October 1, 2011, whichever is later.

Sec. 21. This act becomes effective:

1. Upon passage and approval for the purposes of adopting regulations
and performing any other preparatory administrative tasks that are necessary
to carry out the provisions of this act; and

2. On October 1, 2011, for all other purposes.

"SUMMARY—Revises provisions governing prescriptions.
(BDR 54-904)"

"AN ACT relating to pharmacy; authorizing certain education and training
to be provided to practitioners concerning the management by a patient of
medications of the patient; requiring practitioners to post a sign informing
patients of the right to have the symptom or purpose for which a drug is
prescribed be included on the label of the container of the drug; revising provisions relating to prescriptions for controlled substances included in schedule II; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Existing law authorizes, but does not require, a practitioner to ask a patient if the patient wishes to have included on the label of a prescription the symptom or purpose for which the drug is dispensed and, if the patient so requests, requires the practitioner to include such information on the written prescription. (NRS 639.2352) Section 2 of this bill requires practitioners to post signs in English and Spanish informing patients of the right to have certain information included on the label attached to the container of the drug. Sections 1.3 and 1.7 of this bill require the Board of Medical Examiners and the State Board of Osteopathic Medicine to encourage physicians to obtain continuing education concerning methods of educating patients about how to effectively manage medications. Section 6.5 of this bill authorizes the State Board of Pharmacy or the Investigation Division of the Department of Public Safety, in cooperation with the Health Division of the Department of Health and Human Services, to carry out education and training regarding the rights of patients to have the symptom or purpose of a medication printed on the label attached to the container for that medication.

Section 6.3 of this bill authorizes the issuance of an electronic prescription for a controlled substance included in schedule II if such an electronic prescription is issued in compliance with any regulations adopted by the Board concerning electronic prescriptions.

Senate Bill No. 32.
The following Assembly amendment was read:
Amendment No. 665.
"SUMMARY—Makes various changes relating to equalization of property valuations. (BDR 32-433)"
"AN ACT relating to the equalization of property valuations; extending under certain circumstances the deadline for appeals to county boards of equalization; extending certain deadlines for the State Board of Equalization to conclude the business of equalization; requiring the State Board to post a schedule of certain meetings on the Internet website of the Department of Taxation; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
A taxpayer who desires to appeal the valuation of his or her property to a county board of equalization must file the appeal on or before January 15. (NRS 361.340) Section 1 of this bill extends that deadline to the next business day if January 15 falls on a Saturday, Sunday or legal holiday.

The State Board of Equalization hears appeals from the actions of the county boards of equalization and is required to equalize property valuations in the State by reviewing the tax rolls of the various counties and raising or lowering assessed property values, if appropriate, to ensure a uniform and equal rate of assessment and taxation in this State. (NRS 361.395, 361.400) Existing law requires the State Board to conclude the business of equalization on or before April 15 on cases that in its opinion have a substantial effect on tax revenues, while cases having a less substantive effect on tax revenues may be heard at additional meetings before October 1. (NRS 361.380) Section 3 of this bill instead requires that if a proposed equalization affects local governmental entities in more than one county and is likely to have a substantial effect on tax revenues, the State Board must notify each affected local governmental entity of the proposed equalization on or before April 30. In addition, sections 2 and 3 of this bill extend the deadline for cases which have a less substantive effect, or those arising from decisions made in individual cases, to November 1. Section 3 also requires the State Board to post a schedule of its meetings concerning such equalization on the Department of Taxation's Internet website in addition to publishing notice of meetings to be held in locations other than Carson City in a newspaper in the county where the meetings are to be held.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 361.340 is hereby amended to read as follows:

counties having a population of less than 15,000.
   2. The board of county commissioners may by resolution provide for an
additional panel of like composition to be added to the board of equalization

commissioners. The chair of the board of county commissioners shall
designate one of the appointees to serve as chair of the county board of
equalization.
   5. Except as otherwise provided in this subsection, the term of each
member is 4 years and any vacancy must be filled by appointment for the unexpired term. The term of any elected public officer expires upon the expiration of the term of his or her elected office.
   6. The county clerk or his or her designated deputy is the clerk of each
panel of the county board of equalization.

   8. The members of the county board of equalization are entitled to
receive per diem allowance and travel expenses as provided for state officers
and employees. The board of county commissioners of any county may by
resolution provide for compensation to members of the board of equalization
in its county who are not elected public officers as it deems adequate for time
actually spent on the work of the board of equalization. In no event may the
rate of compensation established by a board of county commissioners exceed
$125 per day.
   9. A majority of the members of the county board of equalization
constitutes a quorum, and a majority of the board determines the action of the
board.
10. A county board of equalization shall comply with any applicable regulation adopted by the Nevada Tax Commission.

11. The county board of equalization of each county shall hold such number of meetings as may be necessary to care for the business of equalization presented to it. Every appeal to the county board of equalization must be filed not later than January 15. If January 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. Each county board shall cause to be published, in a newspaper of general circulation published in that county, a schedule of dates, times and places of the board meetings at least 5 days before the first meeting. The district attorney or his or her deputy shall be present at all meetings of the county board of equalization to explain the law and the board's authority.

12. The county assessor or his or her deputy shall attend all meetings of each panel of the county board of equalization.

Sec. 2. NRS 361.360 is hereby amended to read as follows:

361.360 1. Any taxpayer aggrieved at the action of the county board of equalization in equalizing, or failing to equalize, the value of his or her property, or property of others, or a county assessor, may file an appeal with the State Board of Equalization on or before March 10 and present to the State Board of Equalization the matters complained of at one of its sessions. If March 10 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day.

2. All such appeals must be presented upon the same facts and evidence as were submitted to the county board of equalization in the first instance, unless there is discovered new evidence pertaining to the matter which could not, by due diligence, have been discovered before the final adjournment of the county board of equalization. The new evidence must be submitted in writing to the State Board of Equalization and served upon the county assessor not less than 7 days before the hearing.

3. Any taxpayer whose real or personal property placed on the unsecured tax roll was assessed after December 15 but before or on the following April 30 may likewise protest to the State Board of Equalization. Every such appeal must be filed on or before May 15. If May 15 falls on a Saturday, Sunday or legal holiday, the appeal may be filed on the next business day. A meeting must be held before May 31 to hear those protests that in the opinion of the State Board of Equalization may have a substantial effect on tax revenues. One or more meetings may be held at any time and place in the State before [October] November 1 to hear all other protests.
4. The State Board of Equalization may not reduce the assessment of the county assessor if:
   (a) The appeal involves an assessment on property which the taxpayer has refused or, without good cause, has neglected to include in the list required of the taxpayer pursuant to NRS 361.265 or if the taxpayer has refused or, without good cause, has neglected to provide the list to the county assessor; or
   (b) The taxpayer has, without good cause, refused entry to the assessor for the purpose of conducting the physical examination authorized by NRS 361.260.

5. Any change made in an assessment appealed to the State Board of Equalization is effective only for the fiscal year for which the assessment was made. The county assessor shall review each such change and maintain or remove the change as circumstances warrant for the next fiscal year.

6. If the State Board of Equalization determines that the record of a case on appeal from the county board of equalization is inadequate because of an act or omission of the county assessor, the district attorney or the county board of equalization, the State Board of Equalization may remand the case to the county board of equalization with directions to develop an adequate record within 30 days after the remand. The directions must indicate specifically the inadequacies to be remedied. If the State Board of Equalization determines that the record returned from the county board of equalization after remand is still inadequate, the State Board of Equalization may hold a hearing anew on the appellant's complaint or it may, if necessary, contract with an appropriate person to hear the matter, develop an adequate record in the case and submit recommendations to the State Board. The cost of the contract and all costs, including attorney's fees, to the State or the appellant necessary to remedy the inadequate record on appeal are a charge against the county.

Sec. 3. NRS 361.380 is hereby amended to read as follows:

361.380 1. Except as otherwise provided in subsection 3, annually, the State Board of Equalization shall convene on the fourth Monday in March in Carson City, Nevada, and shall hold such number of meetings as may be necessary to care for the business of equalization presented to it. Carson City, Nevada, for any of the meetings specified in subsection 1. If
such other place is so designated, notice thereof must be given by publication

This bill carries out various requirements of the Streamlined Sales and Use Tax Agreement. Sections 2 and 26 of this bill replace superseded requirements for purchases of direct mail with new requirements regarding the sourcing of those transactions to various jurisdictions and the respective responsibilities of sellers and purchasers for the collection, reporting and payment of the applicable taxes. Section 3 of this bill sets forth a new requirement regarding the registration of certain sellers who anticipate making no sales into certain states. Sections 3, 14 and 23 of this bill carry out a new requirement to allow the electronic filing of simplified tax returns. Sections 4 and 7 of this bill carry out a recent amendment to the Agreement governing the taxation of delivery charges. Section 4.5 of this bill carries out a recent amendment to the Agreement regarding the due dates for tax returns and payments. Sections 13 and 22 of this bill set forth new requirements regarding the liability of a seller for accepting certain certificates of exemption which indicate that the claimed exemption is not available. Sections 5 and 6 of this bill delete certain provisions of the Agreement that
do not apply in this State. Sections 9, 10, 18 and 19 of this bill delete a requirement for good faith which is not allowed by the Agreement.

Under existing law, the Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (Quill Corp. v. North Dakota, 504 U.S. 298, 112 S.Ct. 1904 (1992)) Sections 8 and 17 of this bill apply the sales and use taxes imposed in this State to every retailer whose activities have such a nexus.

Existing law creates various presumptions regarding the application of the use taxes imposed in this State to property which is delivered outside of this State to a purchaser or brought into this State by a purchaser. (NRS 372.250, 372.255, 372.258, 374.255, 374.260, 374.263) Sections 11, 12, 20, 21 and 26 of this bill revise that law to specify the methods for controverting a presumption that those taxes apply.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 360.299 is hereby amended to read as follows:

360.299 1. In determining the amount of:

(a) Sales tax due on a sale at retail, the rate of tax used must be the sum of the rates of all taxes imposed upon sales at retail in:

(1) The county determined pursuant to the provisions of NRS 360B.350 to 360B.375, inclusive [ ], or section 2 of this act; or

(2) If those provisions do not apply to the sale, the county in which the property is or will be delivered to the purchaser or the agent or designee of the purchaser.

(b) Use tax due on the purchase of tangible personal property for use, storage or other consumption in this state, the rate of tax used must be the sum of the rates of all taxes imposed upon the use, storage or other consumption of property in:

(1) The county determined pursuant to the provisions of NRS 360B.350 to 360B.375, inclusive [ ], or section 2 of this act; or

(2) If those provisions do not apply to the purchase, the county in which the property is first used, stored or consumed.

2. In determining the amount of taxes due pursuant to subsection 1:

(a) The amount due must be computed to the third decimal place and rounded to a whole cent using a method that rounds up to the next cent if the numeral in the third decimal place is greater than 4.

(b) A retailer may compute the amount due on a transaction on the basis of each item involved in the transaction or a single invoice for the entire transaction.

3. On or before January 1 of each year, the Department shall transmit to each retailer to whom a permit has been issued a notice which contains the provisions of subsections 1 and 2 and NRS 372.365.

Sec. 2. Chapter 360B of NRS is hereby amended by adding thereto a new section to read as follows:
1. Notwithstanding the provisions of NRS 360B.350 to 360B.375, inclusive:

(a) A purchaser of advertising and promotional direct mail may provide the seller with:

(1) Documentation of the direct pay permit of the purchaser issued pursuant NRS 360B.260;

(2) A certificate or written statement, in a form approved by the Department in accordance with the provisions of the Agreement, claiming the direct mail; or

(3) An informational statement of the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients.

(b) If the purchaser provides the documentation, certificate or statement pursuant to subparagraph (1) or (2) of paragraph (a), the sale shall be deemed to take place in the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients and:

(1) If the seller does not maintain a place of business in this State:

(I) The purchaser shall report and pay any applicable sales or use taxes due; and

(II) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the advertising and promotional direct mail to which the documentation, certificate or statement applies; or

(2) If the seller maintains a place of business in this State:

(I) The seller shall collect and remit any applicable sales or use taxes due in this State;

(II) The purchaser shall report and pay any applicable sales or use taxes due in any other state; and

(III) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the advertising and promotional direct mail to which the documentation, certificate or statement applies which are due in any other state.

(c) If the purchaser provides the informational statement pursuant to subparagraph (3) of paragraph (a):

(1) The sale shall be deemed to take place in the jurisdictions to which the advertising and promotional direct mail is to be delivered;

(2) The seller shall collect and remit any applicable sales or use taxes due to those jurisdictions; and

(3) If the seller complies with subparagraph (2) in accordance with the delivery information provided by the purchaser, the seller, in the absence of bad faith, is relieved of any further obligation to collect any additional sales or use taxes on the sale.

(d) If the purchaser does not provide the seller with any of the items listed in paragraph (a), the sale shall be deemed to take place at the location described in subsection 5 of NRS 360B.360. The state to which the
advertising and promotional direct mail is delivered may disallow credit for any sales or use taxes paid in accordance with this paragraph.

2. Notwithstanding the provisions of NRS 360B.350 to 360B.375, inclusive:

(a) Except as otherwise provided in this subsection, the sale of other direct mail shall be deemed to take place at the location described in subsection 3 of NRS 360B.360.

(b) A purchaser of other direct mail may provide the seller with:

(1) Documentation of the direct pay permit of the purchaser issued pursuant NRS 360B.260; or

(2) A certificate or written statement, in a form approved by the Department in accordance with the provisions of the Agreement, claiming the direct mail.

(c) If the purchaser provides the documentation, certificate or statement pursuant to paragraph (b), the sale shall be deemed to take place in the jurisdictions to which the other direct mail is to be delivered to the recipients and:

(1) If the seller does not maintain a place of business in this State:

(I) The purchaser shall report and pay any applicable sales or use taxes due; and

(II) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the other direct mail to which the documentation, certificate or statement applies; or

(2) If the seller maintains a place of business in this State:

(I) The seller shall collect and remit any applicable sales or use taxes due in this State;

(II) The purchaser shall report and pay any applicable sales or use taxes due in any other state; and

(III) The seller, in the absence of bad faith, is relieved of all obligations to collect, pay or remit any sales or use taxes applicable to any transaction involving the other direct mail to which the documentation, certificate or statement applies which are due in any other state.

3. This section does not apply to any transaction that includes the development of billing information or the provision of any data processing service that is more than incidental, regardless of whether any advertising and promotional direct mail is included in the same mailing.

4. If a transaction is a bundled transaction, as defined by a regulation of the Department in accordance with the provisions of the Agreement, that includes advertising and promotional direct mail, this section applies only if the primary purpose of the transaction is the sale of products that meet the definition set forth in paragraph (a) of subsection 6.

5. The provisions of this section do not limit any purchaser's:

(a) Liability for any sales or use taxes to any states to which the direct mail is delivered;
(b) Rights under local, state, federal or constitutional law, to a credit for sales or use taxes due and paid to other jurisdictions; or
(c) Right to a refund of any sales or use taxes overpaid to any jurisdiction.

6. As used in this section:
   (a) "Advertising and promotional direct mail" means direct mail, the primary purpose of which is to attract public attention to a product, person, business or organization, or to attempt to sell, popularize or secure financial support for a product, person, business or organization. As used in this paragraph, "product" means tangible personal property, a product transferred electronically or a service.
   (b) "Direct mail" means printed material delivered or distributed by the United States Postal Service or another delivery service to a mass audience or to addresses contained on a mailing list provided by a purchaser or at the direction of a purchaser when the cost of the items purchased is not billed directly to the recipients. The term includes tangible personal property supplied directly or indirectly by the purchaser to the seller of the direct mail for inclusion in the package containing the printed material. The term does not include multiple items of printed material delivered to a single address.
   (c) "Other direct mail" means any direct mail that is not advertising and promotional direct mail, regardless of whether any advertising and promotional direct mail is included in the same mailing. The term:
      (1) Includes, but is not limited to:
         (I) Transactional direct mail that contains personal information specific to the addressee, including, but not limited to, invoices, bills, statements of account and payroll advices;  
         (II) Any legally required mailings, including, but not limited to, privacy notices, tax reports and stockholder reports; and
         (III) Other nonpromotional direct mail delivered to existing or former shareholders, customers, employees or agents, including, but not limited to, newsletters and informational pieces; and
      (2) Does not include the development of billing information or the provision of any data processing service that is more than incidental.

Sec. 3. NRS 360B.200 is hereby amended to read as follows:
360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The
cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:
(a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;
(b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;
(c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or
(d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. A seller who registers pursuant to this section and does not make the election allowed pursuant to paragraph (a) of subsection 3 may elect to be registered in any state that:
(a) Is a member of the Agreement at the time of that registration, as a seller who anticipates making no sales into that state if the seller has not had any sales into that state for the preceding 12 months; and
(b) Becomes a member of the Agreement after that registration, as a seller who anticipates making no sales into that state.

5. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:
(a) Require from each seller who registers pursuant to this section:
   (1) Only one a single tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and
   (2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if the seller:
      (I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;
      (II) Is allowed to determine the amount of any additional remittance by a method of calculation instead of by the actual amount collected; and
      (III) Is not required to file any tax returns in addition to those otherwise required in accordance with this subsection.

(b) Allow any seller who registers pursuant to this section [and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3] to submit tax returns electronically in a simplified format [that does not include any more data fields than are permitted in accordance with the Agreement].
(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

6. The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining the liability of the seller to pay any tax imposed by this State.

Sec. 4. NRS 360B.290 is hereby amended to read as follows:

360B.290 Any invoice, billing or other document given to a purchaser that indicates the sales price for which tangible personal property is sold must:

1. May state separately any amount received by the seller for:
   - Any transportation, shipping or postage charges for the delivery of the property to a location designated by the purchaser; and

2. Must state separately any amount received by the seller for:
   (a) Any installation charges for the property;
   (b) Any credit for any trade-in which is specifically exempted from the sales price of the property pursuant to chapter 372 or 374 of NRS;
   (c) Any interest, financing and carrying charges from credit extended on the sale; and
   (d) Any taxes legally imposed directly on the consumer.

Sec. 4.5. NRS 360B.300 is hereby amended to read as follows:

1. If any sales or use tax is due and payable on a Saturday, Sunday or legal holiday, the tax may be paid on the next succeeding business day; or
   (b) A day on which a Federal Reserve bank is closed and, as a result of that closure, the taxpayer is not able to remit the tax electronically in accordance with the regulations adopted by the Department pursuant to NRS 360.092, the tax may be paid on the next succeeding day on which the Federal Reserve bank is open.

2. If any sales or use tax return is:
   (a) Due on a Saturday, Sunday or legal holiday, the return may be filed on the next succeeding business day; or
(b) Required to be filed in conjunction with a remittance of the tax and paragraph (b) of subsection 1 applies to that remittance, the return may be filed on the same day as the tax may be paid in accordance with that paragraph.

Sec. 5. NRS 360B.350 is hereby amended to read as follows:

360B.350 As used in NRS 360B.350 to 360B.375, inclusive:
1. "Receive" means taking possession of tangible personal property, whichever occurs first. The term does not include possession by a shipping company on behalf of a purchaser.
2. "Transportation equipment" means:
   (a) Locomotives and railcars used for the carriage of persons or property in interstate commerce.
   (b) Trucks and truck-tractors having a manufacturer's gross vehicle weight rating of more than 10,000 pounds, and trailers, semitrailers and passenger buses that are:

      (2) Operated under the authority of a carrier who is authorized by the Federal Government to engage in the carriage of persons or property in interstate commerce.
   (c) Aircraft operated by an air carrier who is authorized by the Federal Government or a foreign government to engage in the carriage of persons or property in interstate or foreign commerce.
   (d) Containers designed for use on and component parts attached or secured to any of the items described in paragraph (a), (b) or (c).

Sec. 5.5. NRS 360B.355 is hereby amended to read as follows:

360B.355 1. Except as otherwise provided in this section and section 2 of this act, for the purpose of determining the liability of a seller for sales and use taxes, a retail sale shall be deemed to take place at the location determined pursuant to NRS 360B.350 to 360B.375, inclusive.
2. NRS 360B.350 to 360B.375, inclusive, do not:
   (a) Affect any liability of a purchaser or lessee for a use tax.
   (b) Apply to:
      (1) The retail sale or transfer of watercraft, modular homes, manufactured homes or mobile homes.
      (2) The retail sale, other than the lease or rental, of motor vehicles, trailers, semitrailers or aircraft that do not constitute transportation equipment.

Sec. 6. NRS 360B.360 is hereby amended to read as follows:

360B.360 Except as otherwise provided in NRS 360B.350 to 360B.375, inclusive, the retail sale, excluding the lease or rental, of tangible personal property shall be deemed to take place:
1. If the property is received by the purchaser at a place of business of the seller, at that place of business.
2. If the property is not received by the purchaser at a place of business of the seller:
   (a) At the location indicated to the seller pursuant to any instructions provided for the delivery of the property to the purchaser or to another recipient who is designated by the purchaser as his or her donee; or
   (b) If no such instructions are provided and if known by the seller, at the location where the purchaser or another recipient who is designated by the purchaser as his or her donee, receives the property.

3. If subsections 1 and 2 do not apply, at the address of the purchaser indicated in the business records of the seller that are maintained in the ordinary course of the seller's business, unless the use of that address would constitute bad faith.

4. If subsections 1, 2 and 3 do not apply, at the address of the purchaser obtained during the consummation of the sale, including, if no other address is available, the address of the purchaser's instrument of payment, unless the use of an address pursuant to this subsection would constitute bad faith.

5. In all other circumstances, at the address from which the property was shipped [or, if it was delivered electronically, at the address from which it was first available for transmission by the seller.]

Sec. 7. NRS 360B.480 is hereby amended to read as follows:

360B.480 1. "Sales price" means the total amount of consideration, including cash, credit, property and services, for which personal property is sold, leased or rented, valued in money, whether received in money or otherwise, and without any deduction for:
   (a) The seller's cost of the property sold;
   (b) The cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expense of the seller;
   (c) Any charges by the seller for any services necessary to complete the sale, including any delivery charges which are not stated separately pursuant to subsection 1 of NRS 360B.290 and excluding any installation charges which are stated separately pursuant to subsection 2 of NRS 360B.290; and
   (d) Except as otherwise provided in subsection 2, any credit for any trade-in.

2. The term does not include:
   (a) Any delivery charges which are stated separately pursuant to subsection 1 of NRS 360B.290;
   (b) Any installation charges which are stated separately pursuant to subsection 2 of NRS 360B.290;
   (c) Any credit for any trade-in which is:
      (1) Specifically exempted from the sales price pursuant to chapter 372 or 374 of NRS; and
      (2) Stated separately pursuant to subsection 2 of NRS 360B.290;
(d) Any discounts, including those in the form of cash, term or coupons that are not reimbursed by a third party, which are allowed by a seller and taken by the purchaser on a sale;

(e) Any interest, financing and carrying charges from credit extended on the sale of personal property, if stated separately pursuant to subsection 2 of NRS 360B.290; and

(f) Any taxes legally imposed directly on the consumer which are stated separately pursuant to subsection 2 of NRS 360B.290.

3. The term includes consideration received by a seller from a third party if:

(a) The seller actually receives consideration from a person other than the purchaser and the consideration is directly related to a price reduction or discount on the sale;

(b) The seller has an obligation to pass the price reduction or discount through to the purchaser;

(c) The amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and

(d) Any of the following criteria is satisfied:

1. The purchaser presents a coupon, certificate or other documentation to the seller to claim a price reduction or discount, and the coupon, certificate or other documentation is authorized, distributed or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate or other documentation is presented.

2. The purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount. For the purposes of this subparagraph, a preferred customer card that is available to any patron does not constitute membership in such a group.

3. The price reduction or discount is identified as a third-party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate or other documentation presented by the purchaser.

Sec. 8. Chapter 372 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The provisions of this chapter relating to:

(a) The imposition, collection and remittance of the sales tax apply to every retailer whose activities have a sufficient nexus with this State to satisfy the requirements of the United States Constitution.

(b) The collection and remittance of the use tax apply to every retailer whose activities have a sufficient nexus with this State to satisfy the requirements of the United States Constitution.

2. In administering the provisions of this chapter, the Department shall construe the terms "seller," "retailer" and "retailer maintaining a place of business in this State" in accordance with the provisions of subsection 1.
Sec. 9. NRS 372.155 is hereby amended to read as follows:

372.155 1. For the purpose of the proper administration of this chapter and to prevent evasion of the sales tax, it is presumed that all gross receipts are subject to the tax until the contrary is established. The burden of proving that a sale of tangible personal property is not a sale at retail is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:

(a) Is engaged in the business of selling tangible personal property;

(b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 372.135; and

(c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment, the third-party vendor is relieved of the burden of proving that the sale is not a sale at retail if:

(a) The third-party vendor:

(1) Takes [in good faith] from his or her customer a certificate to the effect that the property is purchased for resale; or

(2) Obtains any other evidence acceptable to the Department that the property is purchased for resale; and

(b) His or her customer:

(1) Is engaged in the business of selling tangible personal property; and

(2) Is selling the property in the regular course of business.

Sec. 10. NRS 372.225 is hereby amended to read as follows:

372.225 1. For the purpose of the proper administration of this chapter and to prevent evasion of the use tax and the duty to collect the use tax, it is presumed that tangible personal property sold by any person for delivery in this State is sold for storage, use or other consumption in this State until the contrary is established. The burden of proving the contrary is upon the person who makes the sale unless the person takes [in good faith] from the purchaser a certificate to the effect that the property is purchased for resale and the purchaser:

(a) Is engaged in the business of selling tangible personal property;

(b) Is registered pursuant to NRS 360B.200 or holds a permit issued pursuant to NRS 372.135; and

(c) At the time of purchasing the property, intends to sell it in the regular course of business or is unable to ascertain at the time of purchase whether the property will be sold or will be used for some other purpose.

2. If a sale of tangible personal property is transacted by drop shipment, the third-party vendor is relieved of the burden of proving that the property is sold for storage, use or other consumption in this State if:

(a) The third-party vendor:
(1) Takes from his or her customer a certificate to the effect that the property is purchased for resale; or
(2) Obtains any other evidence acceptable to the Department that the property is purchased for resale; and
(b) His or her customer:
(1) Is engaged in the business of selling tangible personal property; and
(2) Is selling the property in the regular course of business.

Sec. 11. NRS 372.250 is hereby amended to read as follows:

372.250 1. It is presumed that tangible personal property shipped or brought to this State by the purchaser on or after July 1, 1979, was purchased from a retailer on or after July 1, 1979, for storage, use or other consumption in this State.

2. This presumption may be controverted by the vendor or purchaser by evidence showing that the property was stored or used:
(a) Exclusively outside of this State during the initial 30 days after its purchase; and
(b) Outside of this State for a majority of the time during the initial 12 months after its purchase.

Sec. 12. NRS 372.255 is hereby amended to read as follows:

372.255 1. Except as otherwise provided in NRS 372.258, on and after July 1, 1979, it is presumed that tangible personal property delivered outside this State to a purchaser known by the retailer to be a resident of this State was purchased from a retailer for storage, use or other consumption in this State and stored, used or otherwise consumed in this State.

2. This presumption may be controverted by:
(a) The vendor by a written statement in writing, signed by the purchaser or his or her authorized representative, and retained by the vendor, that the property was purchased for use at a designated point or points outside this State;
(b) Other evidence satisfactory to the Department that the property was not purchased for storage, use or other consumption in this State, if the statement is:
(1) Signed by the purchaser or his or her authorized representative; and
(2) Taken and retained by the vendor; or
(b) The vendor or purchaser by evidence showing that the property was stored or used:
(1) Exclusively outside of this State during the initial 30 days after its purchase; and
(2) Outside of this State for a majority of the time during the initial 12 months after its purchase.

Sec. 13. NRS 372.347 is hereby amended to read as follows:

372.347 1. If a purchaser wishes to claim an exemption from the taxes imposed by this chapter, the retailer shall obtain such identifying
information from the purchaser [at the time of sale] as is required by the Department.

2. The Department shall, to the extent feasible, establish an electronic system for submitting a request for an exemption. A purchaser is not required to provide a signature to claim an exemption if the request is submitted electronically.

3. The Department may establish a system whereby a purchaser who is exempt from the payment of the taxes imposed by this chapter is issued an identification number that can be presented to the retailer at the time of sale.

4. A retailer shall maintain such records of exempt transactions as are required by the Department and provide those records to the Department upon request.

5. Except as otherwise provided in this subsection, a retailer who complies with the provisions of this section is not liable for the payment of any tax imposed by this chapter if the purchaser improperly claims an exemption. If the purchaser improperly claims an exemption, the purchaser is liable for the payment of the tax. The provisions of this subsection do not apply if the retailer [fraudulently]:
   (a) Fraudulently fails to collect the tax [or solicits];
   (b) Solicits a purchaser to participate in an unlawful claim of an exemption [•]; or
   (c) Accepts a certificate of exemption from a purchaser who claims an entity-based exemption, the subject of the transaction sought to be covered by the certificate is actually received by the purchaser at a location operated by the seller, and the Department provides, and posts on a website or other Internet site that is operated or administered by or on behalf of the Department, a certificate of exemption which clearly and affirmatively indicates that the claimed exemption is not available.

6. As used in this section [•] "retailer":
   (a) "Entity-based exemption" means an exemption based on who purchases the product or who sells the product, and which is not available to all.
   (b) "Retailer" includes a certified service provider, as that term is defined in NRS 360B.060, acting on behalf of a retailer who is registered pursuant to NRS 360B.200.

Sec. 14. NRS 372.360 is hereby amended to read as follows:

372.360 Except as otherwise required by the Department pursuant to NRS 360B.200:

1. On or before the last day of the month following each reporting period, a return for the preceding period must be filed with the Department in such form and manner as the Department may prescribe. Any return required to be filed by this section must be combined with any return required to be filed pursuant to the provisions of chapter 374 of NRS.

2. For purposes of:

Amendment No. 825.
"SUMMARY—Makes various changes regarding the administration of sales and use taxes. (BDR 32-432)"

"AN ACT relating to taxation; revising the provisions governing the administration of sales and use taxes to ensure continued compliance with the Streamlined Sales and Use Tax Agreement [and to apply the taxes to retailers whose activities have a sufficient nexus with this State]; [and provide for the rebuttal of certain presumptions regarding the application of use taxes to property delivered outside of or brought into this State]; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides for the administration of sales and use taxes in this State pursuant to the Simplified Sales and Use Tax Administration Act, the Sales and Use Tax Act and the Local School Support Tax Law. (Chapters 360B, 372 and 374 of NRS) Under existing law, the Legislature has found and declared that this State should enter into an interstate agreement to simplify and modernize sales and use tax administration to reduce the burden of tax compliance for all sellers and types of commerce. (NRS 360B.020) Existing law requires the Nevada Tax Commission to enter into the Streamlined Sales and Use Tax Agreement and take all other actions
reasonably required to implement the provisions of the Agreement. (NRS 360B.110)

This bill carries out various requirements of the Streamlined Sales and Use Tax Agreement. Sections 2 and 26 of this bill replace superseded requirements for purchases of direct mail with new requirements regarding the sourcing of those transactions to various jurisdictions and the respective responsibilities of sellers and purchasers for the collection, reporting and payment of the applicable taxes. Section 3 of this bill sets forth a new requirement regarding the registration of certain sellers who anticipate making no sales into certain states. Sections 3, 14 and 23 of this bill carry out a new requirement to allow the electronic filing of simplified tax returns. Sections 4 and 7 of this bill carry out a recent amendment to the Agreement governing the taxation of delivery charges. Section 4.5 of this bill carries out a recent amendment to the Agreement regarding the due dates for tax returns and payments. Sections 13 and 22 of this bill set forth new requirements regarding the liability of a seller for accepting certain certificates of exemption which indicate that the claimed exemption is not available. Sections 5 and 6 of this bill delete certain provisions of the Agreement that do not apply in this State. Sections 3, 14 and 23 of this bill delete a requirement for good faith which is not allowed by the Agreement.

Under existing law, the Commerce Clause of the United States Constitution prohibits a state from requiring a retailer to collect sales and use taxes unless the activities of the retailer have a substantial nexus with the taxing state. (Quill Corp. v. North Dakota, 504 U.S. 298, 112 S.Ct. 1904 (1992)) Sections 8 and 17 of this bill apply the sales and use taxes imposed in this State to every retailer whose activities have such a nexus.

Existing law creates various presumptions regarding the application of the use taxes imposed in this State to property which is delivered outside of this State to a purchaser or brought into this State by a purchaser. (NRS 372.250, 372.255, 372.258, 374.255, 374.260, 374.263) Sections 11, 12, 20, 21 and 26 of this bill revise that law to specify the methods for controverting a presumption that those taxes apply.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

360B.200 1. The Department shall, in cooperation with any other states that are members of the Agreement, establish and maintain a central, electronic registration system that allows a seller to register to collect and remit the sales and use taxes imposed in this State and in the other states that are members of the Agreement.

2. A seller who registers pursuant to this section agrees to collect and remit sales and use taxes in accordance with the provisions of this chapter, the regulations of the Department and the applicable law of each state that is a member of the Agreement, including any state that becomes a member of the Agreement after the registration of the seller pursuant to this section. The cancellation or revocation of the registration of a seller pursuant to this section, the withdrawal of a state from the Agreement or the revocation of the Agreement does not relieve a seller from liability pursuant to this subsection to remit any taxes previously or subsequently collected on behalf of a state.

3. When registering pursuant to this section, a seller may:
   (a) Elect to use a certified service provider as its agent to perform all the functions of the seller relating to sales and use taxes, other than the obligation of the seller to remit the taxes on its own purchases;
   (b) Elect to use a certified automated system to calculate the amount of sales or use taxes due on its sales transactions;
   (c) Under such conditions as the Department deems appropriate in accordance with the Agreement, elect to use its own proprietary automated system to calculate the amount of sales or use taxes due on its sales transactions; or
   (d) Elect to use any other method authorized by the Department for performing the functions of the seller relating to sales and use taxes.

4. A seller who registers pursuant to this section and does not make the election allowed pursuant to paragraph (a) of subsection 3 may elect to be registered in any state that:

   (b) Becomes a member of the Agreement after that registration, as a seller who anticipates making no sales into that state.

5. A seller who registers pursuant to this section agrees to submit its sales and use tax returns, and to remit any sales and use taxes due, to the
Department at such times and in such a manner and format as the Department prescribes by regulation. Those regulations must:

(a) Require from each seller who registers pursuant to this section:

(1) Only one single tax return for each taxing period for all the sales and use taxes collected on behalf of this State and each local government in this State; and

(2) Only one remittance of taxes for each tax return, except that the Department may require additional remittances of taxes if the seller:

(I) Collects more than $30,000 in sales and use taxes on behalf of this State and the local governments in this State during the preceding calendar year;

(II) Is allowed to determine the amount of any additional remittance by a method of calculation instead of by the actual amount collected; and

(III) Is not required to file any tax returns in addition to those otherwise required in accordance with this subsection.

(b) Allow any seller who registers pursuant to this section and makes an election pursuant to paragraph (a), (b) or (c) of subsection 3 to submit tax returns electronically in a simplified format. [that does not include any more data fields than are permitted in accordance with the Agreement.]

(c) Allow any seller who registers pursuant to this section, does not maintain a place of business in this State and has not made an election pursuant to paragraph (a), (b) or (c) of subsection 3, to file tax returns at a frequency that does not exceed once per year unless the seller accumulates more than $1,000 in the collection of sales and use taxes on behalf of this State and the local governments in this State.

(d) Provide an alternative method for a seller who registers pursuant to this section to make tax payments the same day as the seller intends if an electronic transfer of money fails.

(e) Require any data that accompanies the remittance of a tax payment by or on behalf of a seller who registers pursuant to this section to be formatted using uniform codes for the type of tax and payment in accordance with the Agreement.

5. The registration of a seller and the collection and remission of sales and use taxes pursuant to this section may not be considered as a factor in determining whether a seller has a nexus with this State for the purposes of determining the liability of the seller to pay any tax imposed by this State.

Sec. 4. NRS 360B.290 is hereby amended to read as follows:

374.260 1. [Except as otherwise provided in NRS 374.263, on] On and after July 1, 1967, it is [further] presumed that tangible personal property delivered outside this State to a purchaser known by the retailer to be a resident of the county was purchased from a retailer for storage, use or other consumption in the county and stored, used or otherwise consumed in the county.

2. This presumption may be controverted by:

a. [A] The vendor by a written statement [in writing, signed by the purchaser or his or her authorized representative, and retained by the vendor,] that the property was purchased for use at a designated point or points outside this State.]

b. Other evidence satisfactory to the Department that the property was not purchased for storage, use or other consumption in this State.]

(1) Signed by the purchaser or his or her authorized representative; and

(2) Taken and retained by the vendor in good faith; or
(b) The vendor or purchaser by evidence showing that the property was
stored or used:

imposed by this chapter, the retailer shall obtain such identifying information
from the purchaser at the time of sale as is required by the Department.

2. The Department shall, to the extent feasible, establish an electronic
system for submitting a request for an exemption. A purchaser is not required
to provide a signature to claim an exemption if the request is submitted
electronically.

3. The Department may establish a system whereby a purchaser who is
exempt from the payment of the taxes imposed by this chapter is issued an
identification number that can be presented to the retailer at the time of sale.

4. A retailer shall maintain such records of exempt transactions as are
required by the Department and provide those records to the Department
upon request.

5. Except as otherwise provided in this subsection, a retailer who
complies with the provisions of this section is not liable for the payment of
any tax imposed by this chapter if the purchaser improperly claims an
exemption. If the purchaser improperly claims an exemption, the purchaser is
liable for the payment of the tax. The provisions of this subsection do not
apply if the retailer fraudulently:

(a) Fraudulently fails to collect the tax or solicits;

(b) Solicits a purchaser to participate in an unlawful claim of an
exemption; or

(c) Accepts a certificate of exemption from a purchaser who claims an
entity-based exemption, the subject of the transaction sought to be covered
by the certificate is actually received by the purchaser at a location
operated by the seller, and the Department provides, and posts on a website

Department, a certificate of exemption which clearly and affirmatively
indicates that the claimed exemption is not available.

6. As used in this section, "retailer":

(a) "Entity-based exemption" means an exemption based on who
purchases the product or who sells the product, and which is not available
to all.

(b) "Retailer" includes a certified service provider, as that term is defined
in NRS 360B.060, acting on behalf of a retailer who is registered pursuant to
NRS 360B.200.

      (2) The gross receipts must be segregated and reported separately for each county to which a sale of tangible personal property pertains.
      (3) A sale pertains to the county in this State in which the tangible personal property is or will be delivered to the purchaser or his or her agent or designee.
   (b) For purposes of the use tax:
      (1) In the case of a return filed by a retailer, the return must show the total sales price of the property purchased by him or her, the storage, use or consumption of which property became subject to the use tax during the preceding reporting period.

      (3) If the property was:
         (I) Brought into this State by the purchaser or his or her agent or designee, the sale pertains to the county in this State in which the property is or will be first used, stored or otherwise consumed.
         (II) Not brought into this State by the purchaser or his or her agent or designee, the sale pertains to the county in this State in which the property was delivered to the purchaser or his or her agent or designee.

2. In case of a return filed by a purchaser, the return must show the total sales price of the property purchased by him or her, the storage, use or
consumption of which became subject to the use tax during the preceding reporting period and indicate the county in this State in which the property was first used, stored or consumed.

4. Except as otherwise provided in subsection 5, upon determining that a retailer has filed a return which contains one or more violations of the provisions of this section, the Department shall:
   (a) For the first return of any retailer which contains one or more violations, issue a letter of warning to the retailer which provides an explanation of the violation or violations contained in the return.
   (b) For the first or second return, other than a return described in paragraph (a), in any calendar year which contains one or more violations, assess a penalty equal to the amount of the tax which was not reported or was reported for the wrong county or $1,000, whichever is less.
   (c) For the third and each subsequent return in any calendar year which contains one or more violations, assess a penalty of three times the amount of the tax which was not reported or was reported for the wrong county or $3,000, whichever is less.

5. For the purposes of subsection 4, if the first violation of this section by any retailer was determined by the Department through an audit which covered more than one return of the retailer, the Department shall treat all returns which were determined through the same audit to contain a violation or violations in the manner provided in paragraph (a) of subsection 4.

Sec. 25. NRS 374.380 is hereby amended to read as follows:

Money for street and highway construction outside the area embraced by the plan may be distributed directly from the regional street and highway fund as provided in NRS 373.150.

2. The board or, in a county whose population is 100,000 or more, a commission, may, after the enactment of any ordinance authorized by the provisions of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 or paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066, issue revenue bonds and other revenue securities, on the behalf and in the name of the county or the commission, as the case may be:

→ all bonds and other securities issued pursuant to the provisions of this chapter must be payable solely from the proceeds of fuel taxes collected by or remitted to the county pursuant to chapter 365 of NRS, as supplemented by this chapter. Receipts of the taxes levied in NRS 365.180 and 365.190 and pursuant to the provisions of paragraphs (a) and (b) of subsection 1 of NRS 373.065 and paragraphs (a) and (b) of subsection 1 of NRS 373.066 may be used by the county for the payment of securities issued pursuant to the provisions of this chapter and may be pledged therefor. Such taxes may also be used by a commission in a county whose population is 100,000 or more for the payment of bonds or other securities issued pursuant to the provisions of this chapter and may be pledged therefor if the board of the county consents to such use. If during any period any securities payable from these tax proceeds are outstanding, the tax receipts must not be used directly for the construction, maintenance and repair of any streets, roads or other highways nor for any purchase of equipment therefor, and the receipts of the tax levied in NRS 365.190 must not be apportioned pursuant to subsection 2 of NRS 365.560 unless, at any time the tax receipts are so apportioned, provision has been made in a timely manner for the payment of such outstanding securities as to the principal of, any prior redemption premiums due in connection with, and the interest on the securities as they become due, as provided in the securities, the ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing their issuance and any other instrument appertaining to the securities.

7. The ordinance, in the case of securities issued by a county, or the resolution, in the case of securities issued by a commission, authorizing the issuance of any bond or other revenue security under this section must
describe the purpose for which it is issued at least in general terms and may
describe the purpose in detail. This section does not require the purpose so
stated to be set forth in the detail in which the project approved by the
commission pursuant to subsection 2 of NRS 373.140 is stated, or prevent
the modification by the board or commission, as the case may be, of details
as to the purpose stated in the ordinance authorizing the issuance of any bond
or other security after its issuance, subject to approval by the commission of
the project as so modified if such bond or other security is issued by the
county and not the commission.

8. Notwithstanding any other provision of this chapter, no commission
has authority to issue bonds or other securities pursuant to this chapter
unless the commission has executed an interlocal agreement with the
county relating to the issuance of bonds or other securities by the
commission. Any such interlocal agreement must include an
acknowledgment of the authority of the commission to issue bonds and
other securities and contain provisions relating to the pledge of revenues
for the repayment of the bonds or other securities, the lien priority of the
pledge of revenues securing the bonds or other securities, and related
matters.

Sec. 3. NRS 373.160 is hereby amended to read as follows:
373.160 1. The ordinance or ordinances, or the resolution or
resolutions, providing for the issuance of any bonds or other securities issued
under this chapter payable from the receipts from the fuel excise taxes
designated in this chapter may at the discretion of the board or, in the case
of bonds or other securities issued by a commission, the commission, in
addition to covenants and other provisions authorized in the Local
Government Securities Law, contain covenants or other provisions as to the
pledge of and the creation of a lien upon the receipts of the taxes collected
for the county pursuant to the provisions of NRS 373.030, paragraph (d) of
subsection 1 of NRS 373.065 and paragraphs (d) to (m), inclusive, of
subsection 1 of NRS 373.066, excluding any tax proceeds to be distributed
directly under the provisions of NRS 373.150, or the proceeds of the bonds
or other securities pending their application to defray the cost of the project,
or both such tax proceeds and security proceeds, to secure the payment of
revenue bonds or other securities issued under this chapter.

2. If the board or, in the case of bonds or other securities issued by a
commission, the commission, determines in any ordinance or resolution
authorizing the issuance of any bonds or other securities under this chapter
that the proceeds of the taxes levied and collected pursuant to the provisions
of NRS 373.030, paragraph (d) of subsection 1 of NRS 373.065 and
paragraphs (d) to (m), inclusive, of subsection 1 of NRS 373.066 are
sufficient to pay all bonds and securities, including the proposed issue, from
the proceeds thereof, the board or, in the case of bonds or other securities
issued by a commission, the commission with the consent of the board as
provided in subsection 6 of NRS 373.131, may additionally secure the
payment of any bonds or other securities issued pursuant to the ordinance or resolution under this chapter by a pledge of and the creation of a lien upon not only the proceeds of any fuel tax authorized at the time of the issuance of such securities to be used for such payment in subsection 6 of NRS 373.131, but also the proceeds of any such tax thereafter authorized to be used or pledged, or used and pledged, for the payment of such securities, whether such tax be levied or collected by the county, the State of Nevada, or otherwise, or be levied in at least an equivalent value in lieu of any such tax existing at the time of the issuance of such securities or be levied in supplementation thereof.

3. The pledges and liens authorized by subsections 1 and 2 extend to the proceeds of any tax collected for use by the county on any fuel so long as any bonds or other securities issued under this chapter remain outstanding and are not limited to any type or types of fuel in use when the bonds or other securities are issued.

Sec. 4. NRS 373.190 is hereby amended to read as follows:

373.190 The board, or a commission authorized to issue bonds or other securities pursuant to subsection 2 of NRS 373.131, is authorized to sell such bonds or other securities from time to time at public or private sale as the board or the commission, as the case may be, may determine.

Sec. 5. NRS 377A.090 is hereby amended to read as follows:

377A.090 1. Money for the payment of the cost of establishing and maintaining a public transit system, for the construction, maintenance and repair of public roads, for the improvement of air quality or for any combination of those purposes may be obtained by the issuance of bonds and other securities as provided in subsection 2 or 3 or, subject to any pledges, liens and other contractual limitations made pursuant to this chapter, may be obtained by direct distribution from the public transit fund, or may be obtained both by the issuance of such securities and by such direct distribution as the board or, in the case of securities issued by a regional transportation commission, the regional transportation commission, may determine.

2. The board may, after the enactment of an ordinance authorized by paragraph (a) of subsection 1 of NRS 377A.020, from time to time issue bonds and other securities, which are general or special obligations of the county and which may be secured as to principal and interest by a pledge authorized by this chapter of the receipts from the tax imposed by that ordinance.

3. A regional transportation commission authorized to issue bonds or other securities pursuant to subsection 2 of NRS 373.131 may, after the enactment by a board of county commissioners of an ordinance authorized by paragraph (a) of subsection 1 of NRS 377A.020, from time to time issue bonds and other securities, which are special obligations of the regional transportation commission and which may be secured as to principal and
interest by a pledge authorized by this chapter or the receipts from the tax imposed by that ordinance.

4. Notwithstanding any other provision of this chapter, no regional transportation commission may issue bonds or other securities pursuant to this chapter unless the regional transportation commission has executed an interlocal agreement with the county relating to the issuance of bonds or other securities by the regional transportation commission. Any such interlocal agreement must include an acknowledgment of the authority of the regional transportation commission to issue bonds or other securities and contain provisions relating to the pledge of revenues for the repayment of the bonds or other securities, the lien priority of the pledge of revenues securing the bonds or other securities, and related matters.

5. The ordinance or resolution authorizing the issuance of any bond or other security must describe the purpose for which it is issued.

Sec. 6. NRS 377A.100 is hereby amended to read as follows:

377A.100  1. Each ordinance or resolution providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (b) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon the receipts of the tax or upon the proceeds of any bond or security pending their application to defray the cost of establishing or operating a public transit system, constructing, maintaining or repairing public roads or improving air quality, or both tax proceeds and security proceeds, to secure the payment of any bond or security issued under this chapter.

2. Each ordinance providing for the issuance of any bond or security issued under this chapter payable from the receipts of the tax imposed pursuant to paragraph (d) of subsection 1 of NRS 377A.030 may, in addition to covenants and other provisions authorized in the Local Government Securities Law, contain a covenant or other provision to pledge and create a lien upon:

(a) The receipts of the tax;

(b) The proceeds of any bond or security pending their application to defray the cost of acquiring, developing, constructing, equipping, operating, maintaining, improving and managing libraries, parks, recreational programs and facilities, and facilities and services for senior citizens, and for preserving and protecting agriculture, or for any combination of those purposes; or

(c) Both tax proceeds and security proceeds, to secure the payment of any bond or security issued under this chapter.

The provisions of this subsection do not authorize the board of county commissioners of a county to obtain money to acquire, develop, construct, equip, operate, maintain, improve and manage recreational programs by the issuance of bonds.
3. Any money pledged to the payment of bonds or other securities pursuant to subsection 1 or 2 may be treated as pledged revenues of the project for the purposes of subsection 3 of NRS 350.020.

Sec. 7. NRS 377A.110 is hereby amended to read as follows:

377A.110 1. Subject to the provisions of subsection 2, the board may gradually reduce the amount of any tax imposed pursuant to this chapter for a public transit system, for the construction, maintenance and repair of public roads, for the improvement of air quality or for any combination of those purposes as revenue from the operation of those projects permits. The date on which any reduction in the tax becomes effective must be the first day of the first calendar quarter that begins at least 120 days after the effective date of the ordinance reducing the amount of tax imposed.

2. No such taxing ordinance may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds issued under this chapter, or other obligations incurred under this chapter, until all obligations, for which revenues from the ordinance have been pledged or otherwise made payable from such revenues pursuant to this chapter, have been discharged in full, but the board may at any time dissolve the regional transportation commission as provided in NRS 373.120 and provide that no further obligations be incurred thereafter.

Sec. 8. NRS 377B.100 is hereby amended to read as follows:

377B.100 1. The board of county commissioners of any county may by ordinance, but not as in a case of emergency, impose a tax for infrastructure pursuant to this section and NRS 377B.110.

2. An ordinance enacted pursuant to this chapter may not become effective before a question concerning the imposition of the tax is approved by a two-thirds majority of the members of the board of county commissioners. Any proposal to increase the rate of the tax or change the previously approved uses for the proceeds of the tax must be approved by a two-thirds majority of the members of the board of county commissioners. The board of county commissioners shall not change a previously approved use for the proceeds of the tax to a use that is not authorized for that county pursuant to NRS 377B.160.

3. An ordinance enacted pursuant to this section must:

(a) Specify the date on which the tax must first be imposed or on which an increase in the rate of the tax becomes effective, which must occur on the first day of the first month of the next calendar quarter that is at least 120 days after the date on which a two-thirds majority of the board of county commissioners approved the question.

(b) In a county whose population is 400,000 or more, provide for the cessation of the tax not later than:

(1) The last day of the month in which the Department determines that the total sum collected since the tax was first imposed, exclusive of any penalties and interest, exceeds $2.3 billion; or

(2) June 30, 2025.
whichever occurs earlier.

4. Notwithstanding the provisions of an ordinance described in subsection 3, in a county whose population is 400,000 or more, the tax may continue to be imposed after the date set forth in the ordinance for the cessation of the tax if the board of county commissioners determines by an affirmative vote of at least two-thirds of its members that the cessation of the tax is not advisable.

5. The board of county commissioners in a county whose population is 400,000 or more and in which a water authority exists shall review the necessity for the continued imposition of the tax authorized pursuant to this chapter at least once every 10 years.

6. Before enacting an ordinance pursuant to this chapter, the board of county commissioners shall hold a public hearing regarding the imposition of a tax for infrastructure. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall also hold a public hearing regarding the tax for infrastructure. Notice of the time and place of each hearing must be:

   (a) Published in a newspaper of general circulation in the county at least once a week for the 2 consecutive weeks immediately preceding the date of the hearing. Such notice must be a display advertisement of not less than 3 inches by 5 inches.

   (b) Posted at the building in which the meeting is to be held and at not less than three other separate, prominent places within the county at least 2 weeks before the date of the hearing.

7. Before enacting an ordinance pursuant to this chapter, the board of county commissioners of a county whose population is less than 400,000 or a county whose population is 400,000 or more and in which no water authority exists, shall develop a plan for the expenditure of the proceeds of a tax imposed pursuant to this chapter for the purposes set forth in NRS 377B.160. The plan may include a regional project for which two or more such counties have entered into an interlocal agreement to expend jointly all or a portion of the proceeds of a tax imposed in each county pursuant to this chapter. Such a plan must include, without limitation, the date on which the plan expires, a description of each proposed project, the method of financing each project and the costs related to each project. Before adopting a plan pursuant to this subsection, the board of county commissioners of a county in which a regional planning commission has been established pursuant to NRS 278.0262 shall transmit to the regional planning commission a list of the proposed projects for which a tax for infrastructure may be imposed. The regional planning commission shall hold a public hearing at which it shall rank each project in relative priority. The recommendations of the regional planning commission regarding the priority of the proposed projects are not binding on the board of county commissioners. The board of county commissioners shall
hold at least one public hearing on the plan. Notice of the time and place of the hearing must be provided in the manner set forth in subsection 6. The plan must be approved by the board of county commissioners at a public hearing. Subject to the provisions of subsection 8, on or before the date on which a plan expires, the board of county commissioners shall determine whether a necessity exists for the continued imposition of the tax. If the board determines that such a necessity does not exist, the board shall repeal the ordinance that enacted the tax. If the board of county commissioners determines that the tax must be continued for a purpose set forth in NRS 377B.160, the board shall adopt, in the manner prescribed in this subsection, a new plan for the expenditure of the proceeds of the tax for such a purpose.

No ordinance imposing a tax which is enacted pursuant to this chapter may be repealed or amended or otherwise directly or indirectly modified in such a manner as to impair any outstanding bonds or other obligations which are payable from or secured by a pledge of a tax enacted pursuant to this chapter until those bonds or other obligations have been discharged in full.

Sec. 8.3. NRS 377B.150 is hereby amended to read as follows:

1. In a county whose population is less than 400,000 or a county whose population is 400,000 or more and in which no water authority exists, the county treasurer shall deposit the money received from the State Controller pursuant to NRS 377B.130 in the county treasury for credit to a fund to be known as the infrastructure fund. The infrastructure fund must be accounted for as a separate fund and not as a part of any other fund. The money for each project included in the plan adopted pursuant to subsection 7 of NRS 377B.100 must be accounted for separately in the fund.

2. In a county whose population is 400,000 or more and in which a water authority exists, the water authority shall deposit the money received from the State Controller pursuant to NRS 377B.130 in a separate account of the water authority to be known as the infrastructure fund. This fund must be accounted for as a separate fund and not as part of any other fund of the water authority.

Sec. 8.7. NRS 377B.160 is hereby amended to read as follows:

(c) The ongoing expenses of operation and maintenance of projects described in subparagraph (1) of paragraph (a), if such projects were included in a plan adopted by the board of county commissioners pursuant to subsection 6 of NRS 377B.100 before January 1, 2003;
(d) Any program to provide financial assistance to owners of public and private property in areas likely to be flooded in order to make such property resistant to flood damage that is established pursuant to NRS 244.3653; or
(e) Any combination of those purposes.

3. In a county whose population is less than 100,000, must only be expended by the board of county commissioners in the manner set forth in the plan adopted pursuant to subsection 6 of NRS 377B.100 for:

(h) Any combination of those purposes.

377B.190 1. Money for the payment of the cost of one or more projects for which the board of county commissioners has imposed all or a portion of the tax authorized pursuant to this chapter may be obtained by the issuance of bonds and other securities as provided in this section, or, subject to any pledges, liens and other contractual limitations made pursuant to this chapter, may be obtained by direct distribution from the infrastructure fund, or may be obtained both by the issuance of such securities and by such direct distribution as determined by the board of county commissioners or, in a county whose population is 400,000 or more and in which a water authority exists, by the water authority.

(b) June 30, 2025,

 whichever occurs earlier, unless the board of county commissioners pursuant to subsection 4 of NRS 377B.100 has determined by an
affirmative vote of at least two-thirds of its members that the cessation of the tax is not advisable.

Sec. 10. NRS 99.065 is hereby amended to read as follows:

Sec. 13. NRS 350.682 is hereby amended to read as follows:

350.682 1. Sec. 14. NRS 350.694 is hereby amended to read as follows:

350.694 1. No bonds may be refunded under this chapter unless the holders thereof voluntarily surrender them for exchange or payment, or unless they either mature or are callable for prior redemption under their
terms within 25 years from the date of issuance of the refunding bonds. Provision must be made for paying the securities within that period.

2. The maturity of any bond refunded may not be extended beyond 25 years, or beyond 1 year next following the date of the last outstanding maturity, whichever limitation is later, nor may any interest on any bond refunded be increased to any rate which exceeds the limit provided in NRS 350.2011.

3. The principal amount of the refunding bonds may exceed the principal amount of the refunded bonds, but in the case of any bonds constituting a debt the principal of the bonds may not be increased to any amount in excess of any municipal debt limitation.

4. The principal amount of the refunding bonds may also be less than or the same as the principal amount of the bonds being refunded so long as provision is duly and sufficiently made for their payment.

Senator Schneider moved that the Senate concur in the Assembly amendment to Senate Bill No. 19.

Motion carried by a constitutional majority.

Bill ordered enrolled.

Senate Bill No. 140.

The following Assembly amendments were read:

Amendment No. 670.

"SUMMARY—Prohibits the use of a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances. (BDR 43-45)"

"AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) Section 1 of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. Section 1 further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. Section 1 provides an exception to the prohibitions when the cellular telephone or other device is used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; [see] (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information;[4] or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch. A violation of the provisions added by section 1 is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense within the immediately preceding 7 years. However, section 4 of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to
person for violating section 1 but must give the person a verbal or written warning. Section 1 further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. Section 2 of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 484B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, a person shall not, while operating a motor vehicle on a highway in this State:
   (a) Manually type or enter text into a cellular telephone or other handheld wireless communications device, or send or read data using any such device to access or search the Internet or to engage in nonvoice communications with another person, including, without limitation, texting, electronic messaging and instant messaging.

Amendment No. 809.

"SUMMARY—Prohibits the use of a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances. (BDR 43-45)"

"AN ACT relating to traffic laws; prohibiting a person from using a cellular telephone or other handheld wireless communications device while operating a motor vehicle in certain circumstances; providing penalties; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing traffic laws of this State, it is a crime to engage in various activities while operating a motor vehicle or to operate a motor vehicle in a reckless or unsafe manner. (Chapters 484A-484E of NRS) Section 1 of this bill makes it a crime for a person to manually type or enter text into a cellular telephone or other similar device, or to send or read data using any such device, while operating a motor vehicle. Section 1 further prohibits a person from using such a device for voice communications unless the device is used with an accessory which allows the person to communicate without using his or her hands, with certain limited exceptions. Section 1 provides an exception to the prohibitions when the cellular telephone or other device is
used by certain emergency and law enforcement personnel and persons designated by a sheriff or chief of police or the Director of the Department of Public Safety who are acting within the course and scope of their employment. Additional exceptions apply if: (1) the person is using the cellular telephone or other device to report or request assistance relating to a medical emergency, a safety hazard or criminal activity; (2) the person is responding to a situation requiring immediate action and stopping the vehicle would be inadvisable, impractical or dangerous; (3) the person is a licensed amateur radio operator providing communications services in connection with a disaster or emergency, participating in a drill, test, or other exercise in preparation for a disaster or emergency or otherwise communicating public information; or (4) the person is an employee or contractor of a public utility and is responding to an emergency dispatch. A violation of the provisions added by section 1 is a misdemeanor and punishable by a fine of $50 for a first offense within the immediately preceding 7 years, $100 for a second offense within the immediately preceding 7 years and $250 for a third or subsequent offense within the immediately preceding 7 years. However, section 4 of this bill provides that until January 1, 2012, a law enforcement officer must not issue a citation to a person for violating section 1 but must give the person a verbal or written warning. Section 1 further provides that a first offense will not be treated as a moving traffic violation. Additionally, if a person is convicted of a third or subsequent offense, in addition to the fine, the driver's license of the person will be suspended for 6 months. Section 2 of this bill makes the enhanced penalty for certain traffic violations that occur in a temporary traffic control zone applicable to violations of these new crimes.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter 484B of NRS is hereby amended by adding thereto a new section to read as follows:

The following Assembly amendment was read:

Amendment No. 627.

"SUMMARY—Urges Congress to enact legislation to require the Secretary of the Interior to convey ownership of certain land to the State of Nevada to help fund education. (BDR R-90)"

SENATE JOINT RESOLUTION—Urging Congress to enact legislation requiring the Secretary of the Interior to convey ownership of certain land to the State of Nevada to help fund education in Nevada.
WHEREAS, The State of Nevada and other western states face unique challenges in providing the best education to their residents due to vast acreages of untaxable federal lands within their borders; and
WHEREAS, Early in Nevada's history, the Congress of the United States recognized the importance of supporting public education in Nevada and established school trust lands in Nevada to help fund education in the State; and
WHEREAS, When the Territory of Nevada was admitted to statehood, the Federal Government provided Nevada with two sections of land in each township for the benefit of common schools, which amounted to 3.9 million acres, while other territories that were subsequently admitted to statehood received four sections of land in each township for the benefit of common schools; and
WHEREAS, The land originally granted by the Federal Government to Nevada for common schools was not providing sufficient revenue for education because the land included large sections that were undesirable or difficult to survey; and
WHEREAS, In 1880, it was necessary for Nevada to agree to exchange its 3.9 million acres for only 2 million acres of its own selection, as Nevada had an immediate need for public school revenues; and
WHEREAS, The disproportionately small amount of land received from the Federal Government for the benefit of common schools contributes only a small amount of revenue for the schools in Nevada in comparison to other states and places an excessive burden on the financial resources of each county in Nevada; and
WHEREAS, In Nevada, approximately 87 percent of the land, which amounts to approximately 61 million acres, is held by the Federal Government; and
WHEREAS, In 15 of the 17 counties in Nevada, more than 50 percent of the land is held by the Federal Government, and in 4 of the 17 counties, more than 90 percent of the land is held by the Federal Government; and
WHEREAS, The management and control of such an extensive amount of the land in Nevada by the Federal Government has an adverse effect on the ability of the school districts in Nevada to provide [a] funding for quality education [to its] for the residents of Nevada; and
WHEREAS, Nevada and the other western states are falling behind in education funding as measured by the growth of expenditures per pupil; and
WHEREAS, The difficulty experienced by Nevada and the other western states in providing a quality education to their residents is exacerbated by projections that enrollment in public schools from 2007 to 2019 is expected to increase by approximately 34 percent in Nevada and the other western states, but increase by less than 1 percent in the remaining states in the United States; now, therefore, be it
RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA, JOINTLY, That the members of the 76th Session of the Nevada
Legislature urge Congress and the Nevada Congressional Delegation to enact legislation requiring the Secretary of the Interior to convey ownership of federal land located in Nevada from the Federal Government to Nevada to help fund education for the residents of Nevada and to put the education system of Nevada in parity with that of the other states in the United States; and be it further

 RESOLVED, That the Secretary of the Senate prepare and transmit a copy of this resolution to the President of the United States, the Vice President of the United States as the presiding officer of the Senate, the Speaker of the House of Representatives and each member of the Nevada Congressional Delegation; and be it further

 RESOLVED, That this resolution becomes effective upon passage.

Senator Horsford requested that his remarks be entered in the Journal.

Senate Bill No. 503, together with the General Appropriations Act, the school funding bill,
and the capital improvement projects bill for the 2011-2013 biennium, constitute the major
budget bills for the ongoing operation of state government for the next two fiscal years and
reflect the culmination of a considerable amount of work by the Senate Committee on Finance
and the Assembly Committee on Ways and Means.

Senate Bill No. 503 represents authority for agencies to collect and expend monies other than
State General Funds and includes federal funds, gifts, grants, interagency transfers, service fees
and other funds. The total authorized funding recommended for approval by the Legislature for
ongoing operations is approximately $11.07 billion for the 2011-2013 biennium, which includes
approximately $659 million in Highway Fund appropriations.

The Senate Committee on Finance and the Assembly Committee on Ways and Means met
independently and jointly and made numerous changes to the Governor's recommended budget.
The money committees worked diligently to mitigate the impact of budget reductions and to
ensure essential services provided by the State remain intact.

This bill includes funding for elected officials. It includes funding for the Secretary of State,
the State Office of Energy and the Judicial Branch. It includes funding for finance and
administration including the Department of Administration. Under the Department of Education,
funding for public schools was considered separately in the school funding bill, which is in the
Assembly and will come later. That includes funding for basic support, class-size reduction,
full-day kindergarten, teacher and administrator training and other programs. We will consider
that bill later.

This bill includes the Nevada System of Higher Education. When closing the budgets of the
Nevada System of Higher Education (NSHE), the money committees approved revenue from all
sources totaling $1.4 billion for the 2011-2013 biennium. Of the total approved revenues,
non-General Fund revenues total $456.6 million or 32.6 percent and include student registration
fees, non-resident tuition, student application fees, federal revenues and operating capital
investment income. Additionally, the money committees supported the NSHE's plan to annually
generate an additional $43.3 million in non-General Fund revenues of which $21.3 million could
be generated through a potential 13 percent registration fee surcharge and $22.2 million generated through NSHE identified sources.

The money committees concurred with NSHE and the Governor to not use the traditional, three-year weighted average enrollment projection methodology for the 2011-2013 biennium and used the NSHE's FY 2011 preliminary actual enrollments of 69,023 student full-time equivalents (SFTE) as the basis for projecting FY 2012 and FY 2013 enrollments. Additionally, the money committees concurred with NSHE's and the Governor's recommendation and approved suspending the use of the funding formula for the calculation and distribution of available General Fund appropriations to the NSHE operating budgets.

This bill also includes funding for the commerce and industry area of the budget including the Department of Business and Industry. It includes funding for Human Services within the Director's Office, the Division of Aging and Disability Services, the Division of Health Care Financing and Policy, the Health Division, the State Health Division, the Division of Welfare and Supportive Services, the Division of Mental Health and Developmental Services, and the Division of Child and Family Services, all-inclusive.

This bill also includes funding for the Department of Employment, Training and Rehabilitation and the Department of Public Safety. The Infrastructure Budget includes funding for the Department of Conservation and Natural Resources and the Department of Transportation.

Special purpose agencies include funding for Public Employees' Benefits Program and the Office of Veterans' Services.

Senate Bill No. 504 provides for the implementation of the 2011 Capital Improvement Program as approved by the money committees. The bill includes funding in the amount of approximately $53.2 million. The program will be funded primarily through the issuance of $27.1 million in general obligation bonds. Senate Bill No. 504 also authorizes the utilization of $2.6 million in federal funds for projects for the Office of the Military and approximately $14.3 million in excess funding reallocated to the 2011 Capital Improvement Program from the State's Capital Improvement Programs approved in 2007 and 2009. Additionally, the bill appropriates $2.4 million in State Highway Funds for projects for the Department of Motor Vehicles and the Department of Administration.

Senate Bill No. 505, the Pay Bill, establishes the maximum allowable salaries for employees in the unclassified and classified-medical service. The bill requires that the salary of each employee in all Departments of State Government be reduced by 2.5 percent. The bill provides for 48 hours of unpaid furlough leave each year for full-time employees of all branches of State government. The bill holds employees subject to furloughs harmless in the accumulation of retirement service credit for time taken as furlough leave. The bill also provides an exception to the requirement of furlough leave for employees identified by their employing agency as critical in the protection of public health, safety, and welfare, with approval of the appropriate governing body. In lieu of furlough leave, these exempt employees will incur a 2.3 percent reduction in pay on top of what is required by all employees.

The bill makes appropriations from the General Fund and Highway Fund to provide for the difference in funding approved for the departments, commissions and agencies of the State and the actual salaries net of requirements for unpaid furlough leave.

The bill provides for the Department of Health and Human Services and the Department of Corrections to adopt a plan to authorize additional callback pay for unclassified medical positions and pharmacists to perform on-call responsibilities to ensure 24-hour coverage in psychiatric facilities. The bill also authorizes the Gaming Control Board to continue the credential pay plan, which provides up to $5,000 annually for unclassified Gaming employees who possess a current Nevada certified public accountant certificate, a license to practice law, or are in a qualifying position as electronic laboratory engineer and possess a Bachelor of Science or higher degree in engineering, electronic engineering, or computer science.

This act becomes effective on July 1, 2011.

SECOND READING AND AMENDMENT
Senate Bill No. 11.
Bill read second time.
The following amendment was proposed by the Committee on Finance:
Amendment No. 907.
"SUMMARY — [Revises the Nevada Plan for School Finance for funding school districts, charter schools and university schools for profoundly gifted pupils; Directs the Legislative Commission to appoint a committee to conduct an interim study concerning the development of a new method for funding public schools. (BDR 34-304)]"

"AN ACT relating to public school finance; [revising the Nevada Plan for School Finance for funding school districts, charter schools and university schools for profoundly gifted pupils to include the establishment of weighted values for certain categories of pupils, requiring the establishment of weighted values for certain smaller school districts and schools; revising the manner by which apportionments are calculated to add the applicable weighted values to the basic support guarantee per pupil; requiring the establishment of a separate basic support guarantee for certain schools that offer a program of distance education; removing the establishment of special education program units;] directing the Legislative Commission to appoint a committee to conduct an interim study concerning the development of a new method for funding public schools in this State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Under existing law, the Nevada Plan for School Finance provides for the financial support of the school districts, charter schools and university schools for profoundly gifted pupils. The formula in the Nevada Plan is expressed as: State financial aid to school districts equals the difference between school district basic support guarantee and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school or a university school for profoundly gifted pupils. (NRS 387.121) [Section 4 of this bill revises the manner in which the formula is expressed to include a weighted value for certain categories of pupils and for certain smaller school districts and schools and requires those weighted values to be added to the school district basic support guarantee per pupil.]
Section 6 of this bill requires that in addition to the establishment of the basic support guarantee per pupil, the Legislature shall establish a weighted value for each of the following categories of pupils: (1) pupils with disabilities; (2) gifted and talented pupils; (3) pupils enrolled in career and technical education; (4) English language learners; (5) pupils who are eligible to receive free or reduced-priced meals; (6) pupils who are homeless; (7) pupils who are transient; and (8) pupils who are in foster care. In addition, section 6 requires that weighted values be established for certain smaller school districts and schools. Section 6 also requires the Legislature to establish a separate basic support guarantee per pupil for certain schools which enroll pupils full-time and which offer at least 75 percent of the courses through a program of distance education. Section 6 further prescribes that the apportionments to the school districts, charter schools and university schools for profoundly gifted pupils must be determined by adding the basic support guarantee per pupil to the weighted values for the categories of pupils and multiplying that sum by the number of pupils reported in each category, plus any applicable weighted values for certain smaller schools and school districts.

Section 7 of this bill removes the establishment of special education program units for the funding of the provision of educational programs and services for pupils with disabilities and gifted and talented pupils.

Section 8 of this bill revises the count of pupils for apportionment purposes to include a disaggregated count of the categories of pupils identified in section 6.

Sections 2, 14 and 17 of this bill revise the information which must be included in the annual report of a charter school, school district and university school for profoundly gifted pupils to include the costs of providing programs of instruction to the categories of pupils identified in section 6, if the enrollment of the charter school, school district or university school for profoundly gifted pupils includes such pupils.

Section 19 of this bill requires the Department of Education to establish an advisory group to develop a formula for establishing weighted values and the manner in which the weighted values will be calculated for implementation beginning with the 2013-2014 school year. Section 22 of this bill directs the Legislative Commission to appoint a committee to conduct an interim study concerning the development of a new method for funding public schools in Nevada.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 386.570 is hereby amended to read as follows:

386.570  1. Each pupil who is enrolled in a charter school, including, without limitation, a pupil who is enrolled in a program of special education in a charter school, must be included in the count of pupils in the school district for the purposes of apportionments and allowances from the State Distributive School Account pursuant to NRS 387.121 to 387.126, inclusive,
unless the pupil is exempt from compulsory attendance pursuant to NRS 392.070. A charter school is entitled to receive its proportionate share of any other money available from federal, state or local sources that the school or the pupils who are enrolled in the school are eligible to receive. If a charter school receives special education program units directly from this State, the amount of money for special education that the school district pays to the charter school may be reduced proportionately by the amount of money the charter school received from this State for that purpose.

2. All money received by the charter school from this State or from the board of trustees of a school district must be deposited in an account with a bank, credit union or other financial institution in this State. The governing body of a charter school may negotiate with the board of trustees of the school district and the State Board for additional money to pay for services which the governing body wishes to offer.

3. Upon completion of each school quarter, the sponsor of a charter school may request reimbursement from the governing body of the charter school for the administrative costs associated with sponsorship for that school quarter if the sponsor provided administrative services during that school quarter. The request must include an itemized list of those costs. Unless a delay is granted pursuant to subsection 9, upon receipt of such a request, the governing body shall pay the reimbursement to the board of trustees of the school district if the board of trustees sponsors the charter school, to the Department if the State Board sponsors the charter school or to the college or university within the Nevada System of Higher Education if that institution sponsors the charter school. If a governing body fails to pay the reimbursement pursuant to this subsection or pursuant to a plan approved by the Superintendent of Public Instruction in accordance with subsection 9, the charter school shall be deemed to have violated its written charter and the sponsor may take such action to revoke the written charter pursuant to NRS 386.535 as it deems necessary. If the board of trustees of a school district is the sponsor of a charter school, the amount of money that may be paid to the sponsor pursuant to this subsection for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

4. If the State Board or a college or university within the Nevada System of Higher Education is the sponsor of a charter school, the amount of money that may be paid to the Department or to the institution, as applicable,
pursuant to subsection 3 for administrative expenses in 1 school year must not exceed:

(a) For the first year of operation of the charter school, 2 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

(b) For any year after the first year of operation of the charter school, 1.5 percent of the total amount of money apportioned to the charter school during the year pursuant to NRS 387.124, as adjusted by the final computation of apportionment pursuant to subsection 4 of NRS 387.1243.

5. To determine the amount of money for distribution to a charter school in its first year of operation, the count of pupils who are enrolled in the charter school must initially be determined 30 days before the beginning of the school year of the school district, based on the number of pupils whose applications for enrollment have been approved by the charter school. The count of pupils who are enrolled in the charter school must be revised on the last day of the first school month of the school district in which the charter school is located for the school year, based on the actual number of pupils who are enrolled in the charter school. Pursuant to subsection 5 of NRS 387.124, the governing body of a charter school may request that the apportionments made to the charter school in its first year of operation be paid to the charter school 30 days before the apportionments are otherwise required to be made.

6. If a charter school ceases to operate as a charter school during a school year, the remaining apportionments that would have been made to the charter school pursuant to NRS 387.124 for that year must be paid on a proportionate basis to the school districts where the pupils who were enrolled in the charter school reside.

7. The governing body of a charter school may solicit and accept donations, money, grants, property, loans, personal services or other assistance for purposes relating to education from members of the general public, corporations or agencies. The governing body may comply with applicable federal laws and regulations governing the provision of federal grants for charter schools. The State Board may assist a charter school that operates exclusively for the enrollment of pupils who receive special education in identifying sources of money that may be available from the Federal Government or this State for the provision of educational programs and services to such pupils.

8. If a charter school uses money received from this State to purchase real property, buildings, equipment or facilities, the governing body of the charter school shall assign a security interest in the property, buildings, equipment and facilities to the State of Nevada.

9. The governing body of a charter school may submit to the Superintendent of Public Instruction a written request to delay a quarterly payment of a reimbursement for the administrative costs that a charter school
owes pursuant to this section. The written request must be in the form prescribed by the Superintendent and must include, without limitation, documentation that a financial hardship exists for the charter school and a plan for the payment of the reimbursement. The Superintendent may approve or deny the request and shall notify the governing body and the sponsor of the charter school of the approval or denial of the request.\textbf{(Deleted by amendment.)}

\textbf{Sec. 2.} [NRS 386.600 is hereby amended to read as follows:}

386.600 1. On or before November 15 of each year, the governing body of each charter school shall submit to the sponsor of the charter school, the Superintendent of Public Instruction and the Director of the Legislative Counsel Bureau for transmission to the Majority Leader of the Senate and the Speaker of the Assembly a report that includes:

(a) A written description of the progress of the charter school in achieving the mission and goals of the charter school set forth in its application.

(b) For each fund maintained by the charter school, including, without limitation, the general fund of the charter school and any special revenue fund which receives state money, the total number and salaries of licensed and nonlicensed persons whose salaries are paid from the fund and who are employed by the governing body in full-time positions or in part-time positions added together to represent full-time positions. Information must be provided for the current school year based upon the final budget of the charter school, including any amendments and augmentations thereto, and for the preceding school year. An employee must be categorized as filling an instructional, administrative, instructional support or other position.

(c) The actual expenditures of the charter school in the fiscal year immediately preceding the report.

(d) The proposed expenditures of the charter school for the current fiscal year.

(e) The salary schedule for licensed employees and nonlicensed teachers in the current school year and a statement of whether salary negotiations for the current school year have been completed. If salary negotiations have not been completed at the time the salary schedule is submitted, the governing body shall submit a supplemental report to the Superintendent of Public Instruction upon completion of negotiations.

(f) The number of employees eligible for health insurance within the charter school for the current and preceding fiscal years and the amount paid for health insurance for each such employee during those years.

(g) The rates for fringe benefits, excluding health insurance, paid by the charter school for its licensed employees in the preceding and current fiscal years.

(h) The amount paid for extra duties, supervision of extracurricular activities and supplemental pay and the number of employees receiving that pay in the preceding and current fiscal years.
If the enrollment of the charter school includes pupils from one or more categories identified in subsection 4 of NRS 387.122, the costs of the charter school to provide programs of instruction for each such category of pupils.

2. On or before November 25 of each year, the Superintendent of Public Instruction shall submit to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, in a format approved by the Director of the Department of Administration, a compilation of the reports made by each governing body pursuant to subsection 1.

3. The Superintendent of Public Instruction shall, in the compilation required by subsection 2, reconcile the revenues and expenditures of the charter schools with the apportionment received by those schools from the State Distributive School Account for the preceding year. (Deleted by amendment.)

Sec. 3. [NRS 387.047 is hereby amended to read as follows:

387.047 1. Except as otherwise provided in this section, each school district and charter school shall separately account for all money received for the instruction of and the provision of related services to pupils with disabilities, gifted and talented pupils and pupils who receive early intervening services described by NRS 388.520.

2. The separate accounting must include:

(a) The amount of money provided to the school district or charter school for pupils enrolled in special education; and
(b) Transfers of money from the general fund of the school district or charter school needed to balance the special revenue fund;
(c) The cost of:
(1) Instruction provided by licensed special education teachers and supporting staff;
(2) Related services, including, but not limited to, services provided by psychologists, therapists and health-related personnel;
(3) Transportation of the pupils with disabilities and gifted and talented pupils to and from school;
(4) The direct supervision of educational and supporting programs; and
(5) The supplies and equipment needed for providing special education; and
(d) The amount of money, if any, expended by the school district or charter school for early intervening services provided pursuant to subsection 2 of NRS 388.450.

3. Money received from federal sources must be:
(a) Accounted for separately; and
(b) Excluded from the accounting required pursuant to this section. (Deleted by amendment.)

Sec. 4. [NRS 387.121 is hereby amended to read as follows:

387.121 The Legislature declares that the proper objective of state financial aid to public education is to ensure each Nevada child a reasonably
equal educational opportunity. Recognizing wide local variations in wealth and costs per pupil, this State should supplement local financial ability to whatever extent necessary in each school district to provide programs of instruction in both compulsory and elective subjects that offer full opportunity for every Nevada child to receive the benefit of the purposes for which public schools are maintained. The Legislature further declares that the cost of providing instruction to the categories of pupils identified in subsection 4 of NRS 387.122 is dependent upon the educational services that are required to address the specific needs of those pupils. Therefore, the quintessence of the State's financial obligation for such programs can be expressed in a formula partially on a per pupil basis and partially on weighted values and partially on a per program basis as: State financial aid to school districts equals the difference between school district basic support guarantee plus the weighted values established pursuant to subsection 4 of NRS 387.122 and any applicable weighted values established pursuant to subsection 5 of NRS 387.122, and local available funds produced by mandatory taxes minus all the local funds attributable to pupils who reside in the county but attend a charter school or a university school for profoundly gifted pupils. This formula is designated the Nevada Plan.]

Sec. 5. [NRS 387.1211 is hereby amended to read as follows:

387.1211 As used in NRS 387.121 to 387.126, inclusive:
1. "Average daily attendance" means the total number of pupils attending a particular school each day during a period of reporting divided by the number of days school is in session during that period.

2. "Enrollment" means the count of pupils enrolled in and scheduled to attend programs of instruction of a school district, charter school or university school for profoundly gifted pupils at a specified time during the school year.

3. ["Special education program unit" means an organized unit of special education and related services which includes full-time services of persons licensed by the Superintendent of Public Instruction or other appropriate licensing body, providing a program of instruction in accordance with minimum standards prescribed by the State Board.] "Weighted value" means the dollar amount established by law for the costs, above basic support, of providing programs of instruction for each category of pupils identified in subsection 4 of NRS 387.122 and for certain smaller school districts or smaller schools as described in subsection 5 of NRS 387.122.]

Sec. 6. [NRS 387.122 is hereby amended to read as follows:

387.122 For making the apportionments of the State Distributive School Account in the State General Fund required by the provisions of this title, the basic support guarantee per pupil for each school district and the [basic support guarantee for each special education program unit maintained and operated during at least 9 months of a school year] weighted value for
each category of pupils identified in subsection 4 and the weighted values pursuant to subsection 5 are established by law for each school year.

2. The Legislature shall establish a separate basic support guarantee per pupil by law for each school year for pupils who are enrolled full-time in a school which offers at least 75 percent of its courses through a program of distance education pursuant to NRS 388.820 to 388.874, inclusive, and which does not require the pupils enrolled in the school to be physically in attendance at the school to meet with a teacher at least once per week.

3. The apportionment to a school district must be determined by adding the basic support guarantee per pupil to the weighted value for each category of pupils identified in subsection 4 that are enrolled in the school district and multiplying that sum by the number of pupils reported in each such category, plus any applicable weighted values established pursuant to subsection 5. The apportionment to a charter school or university school for profoundly gifted pupils must be determined by adding the basic support guarantee per pupil to the weighted value for each category of pupils identified in subsection 4 that are enrolled in the charter school or university school and multiplying that sum by the number of pupils reported in each such category. A pupil must not be reported in more than one category regardless of whether the status of the pupil qualifies him or her for more than one category.

4. A weighted value must be established by law for each school year for each of the following categories:

(a) Pupils with disabilities;
(b) Gifted and talented pupils;
(c) Pupils enrolled in career and technical education;
(d) English language learners;
(e) Pupils who are eligible to receive free or reduced-priced meals;
(f) Pupils who are homeless;
(g) Pupils who are transient; and
(h) Pupils in foster care.

5. In addition to the weighted values established pursuant to subsection 4, a weighted value must be established by law for each school year for:

(a) A school district with an enrollment of 10,000 or fewer pupils.
(b) A school with an enrollment of 200 or fewer pupils if the school is part of a school district with an enrollment of more than 10,000 pupils.

6. A school district, charter school or university school for profoundly gifted pupils shall designate the category in which a pupil is reported if the status of the pupil qualifies him or her for more than one category. (Deleted by amendment.)

Sec. 7. [NRS 387.1221 is hereby amended to read as follows:]

387.1221 1. The basic support guarantee for any special education program unit maintained and operated during a period of less than 9 school months is in the same proportion to the amount established by law for that
school year as the period during which the program unit actually was maintained and operated is 9 school months.

2. Any unused allocations for special education program units may be reallocated to other school districts, charter schools, or university schools for profoundly gifted pupils by the Superintendent of Public Instruction. In such a reallocation, first priority must be given to special education programs with statewide implications, and second priority must be given to special education programs maintained and operated within counties whose allocation is less than or equal to the amount provided by law. If there are more unused allocations than necessary to cover programs of first and second priority but not enough to cover all remaining special education programs eligible for payment from reallocations, then payment for the remaining programs must be prorated. If there are more unused allocations than necessary to cover programs of first priority but not enough to cover all programs of second priority, then payment for programs of second priority must be prorated. If unused allocations are not enough to cover all programs of first priority, then payment for programs of first priority must be prorated.

3. A school district, a charter school, or a university school for profoundly gifted pupils may, after receiving the approval of the Superintendent of Public Instruction, contract with any person, state agency or legal entity to provide a special education program unit for pupils of the district pursuant to NRS 388.440 to 388.520, inclusive.

4. A school district in a county whose population is less than 400,000, a charter school, or a university school for profoundly gifted pupils that receives an allocation for special education program units apportionment which includes a weighted value for the provision of special education to pupils with disabilities may use not more than 15 percent of its allocation apportionment which represents that category of pupils to provide early intervening services. (Deleted by amendment.)

Sec. 8. NRS 387.123 is hereby amended to read as follows:

387.123  1. The count of pupils for apportionment purposes includes all pupils who are enrolled in programs of instruction of the school district, including, without limitation, a program of distance education provided by the school district, pupils who reside in the county in which the school district is located and are enrolled in any charter school, including, without limitation, a program of distance education provided by a charter school, and pupils who are enrolled in a university school for profoundly gifted pupils located in the county, for:

(a) Pupils in the kindergarten department.

(b) Pupils in grades 1 to 12, inclusive, reported in the aggregate and disaggregated by each of the following categories:

(h) Pupils who are enrolled in classes and taking courses necessary to receive a high school diploma, excluding those pupils who are included in paragraphs (d), (f) and (g).

2. The State Board shall establish uniform regulations for counting enrollment and calculating the average daily attendance of pupils. In establishing such regulations for the public schools, the State Board:

(a) Shall divide the school year into 10 school months, each containing 20 or fewer school days, or its equivalent for those public schools operating under an alternative schedule authorized pursuant to NRS 388.090.

(b) May divide the pupils in grades 1 to 12, inclusive, into categories composed respectively of those enrolled in elementary schools and those enrolled in secondary schools.

(c) Shall prohibit the counting of any pupil specified in subsection 1 more than once.

3. Except as otherwise provided in subsection 4 and NRS 388.700, the State Board shall establish by regulation the maximum pupil-teacher ratio in each grade, and for each subject matter wherever different subjects are taught in separate classes, for each school district of this State which is consistent with:

(a) The maintenance of an acceptable standard of instruction;

(b) The conditions prevailing in the school district with respect to the number and distribution of pupils in each grade; and

(c) Methods of instruction used, which may include educational television, team teaching or new teaching systems or techniques.

If the Superintendent of Public Instruction finds that any school district is maintaining one or more classes whose pupil-teacher ratio exceeds the applicable maximum, and unless the Superintendent finds that the board of
trustees of the school district has made every reasonable effort in good faith to comply with the applicable standard, the Superintendent shall, with the approval of the State Board, reduce the count of pupils for apportionment purposes by the percentage which the number of pupils attending those classes is of the total number of pupils in the district, and the State Board may direct the Superintendent to withhold the quarterly apportionment entirely.

4. The provisions of subsection 3 do not apply to a charter school, a university school for profoundly gifted pupils or a program of distance education provided pursuant to NRS 388.820 to 388.874, inclusive.]

(Deleted by amendment.)

Sec. 9. [NRS 387.1233 is hereby amended to read as follows:]

387.1233 1. Except as otherwise provided in subsection 2, this section, basic support of each school district must be computed by:

(a) Multiplying the basic support guarantee per pupil established for that school district for that school year pursuant to subsection 1 of NRS 387.122 by the sum of:

{(1) Six-tenths the count of pupils enrolled in the kindergarten department on the last day of the first school month of the school district for the school year, including, without limitation, the count of pupils who reside in the county and are enrolled in any charter school on the last day of the first school month of the school district for the school year.

(2) The count of pupils enrolled in grades 1 to 12, inclusive, on the last day of the first school month of the school district for the school year, including, without limitation, the count of pupils who reside in the county and are enrolled in any charter school on the last day of the first school month of the school district for the school year and the count of pupils who are enrolled in a university school for profoundly gifted pupils located in the county.

(3) The count of pupils not included under subparagraph (1) or (2) who are enrolled full-time in a program of distance education provided by that school district or a charter school located within that school district on the last day of the first school month of the school district for the school year.

(4) The count of pupils who reside in the county and are enrolled:

(I) In a public school of the school district and are concurrently enrolled part-time in a program of distance education provided by another school district or a charter school on the last day of the first school month of the school district for the school year, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to subparagraph (2).

(II) Paragraph (b).}
In a charter school and are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school on the last day of the first school month of the school district for the school year, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to [subparagraph (2)].

The count of pupils not included under [subparagraph (1), (2), (3) or (4)] paragraph (a), (b), (c) or (d), who are receiving special education pursuant to the provisions of NRS 388.440 to 388.520, inclusive, on the last day of the first school month of the school district for the school year, excluding the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.490 on that day.

Six-tenths the count of pupils who have not attained the age of 5 years and who are receiving special education pursuant to subsection 1 of NRS 388.490 on the last day of the first school month of the school district for the school year.

The count of children detained in facilities for the detention of children, alternative programs and juvenile forestry camps receiving instruction pursuant to the provisions of NRS 388.550, 388.560 and 388.570 on the last day of the first school month of the school district for the school year.

The count of pupils who are enrolled in classes for at least one semester pursuant to subsection 4 of NRS 386.560, subsection 5 of NRS 386.580 or subsection 3 of NRS 392.070, expressed as a percentage of the total time services are provided to those pupils per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to [subparagraph (2)].

(b) Multiplying the number of special education program units maintained and operated by the amount per program established for that school year.

(c) Adding the amounts computed in paragraphs (a) and (b).

2. If a school enrolls pupils full-time and offers at least 75 percent of its courses through a program of distance education and the school does not require the pupils to be physically in attendance at the school to meet with a teacher at least once per week, the basic support for that school must be computed by multiplying the basic support guarantee per pupil established pursuant to subsection 2 of NRS 387.122 by the count of pupils enrolled in the program of distance education.

If the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is less than or equal to 95 percent of the enrollment of pupils in the same school district or charter school on the
last day of the first school month of the school district for the immediately preceding school year, the largest number from among the immediately preceding 2 school years must be used for purposes of apportioning money from the State Distributive School Account to that school district or charter school pursuant to NRS 387.124.

3. If the enrollment of pupils in a school district or a charter school that is located within the school district on the last day of the first school month of the school district for the school year is more than 95 percent of the enrollment of pupils in the same school district or charter school on the last day of the first school month of the school district for the immediately preceding school year, the larger enrollment number from the current year or the immediately preceding school year must be used for purposes of apportioning money from the State Distributive School Account to that school district or charter school pursuant to NRS 387.124.

4. Pupils who are excused from attendance at examinations or have completed their work in accordance with the rules of the board of trustees must be credited with attendance during that period.

5. Pupils who are incarcerated in a facility or institution operated by the Department of Corrections must not be counted for the purpose of computing basic support pursuant to this section. The average daily attendance for such pupils must be reported to the Department of Education.

6. Pupils who are enrolled in courses which are approved by the Department as meeting the requirements for an adult to earn a high school diploma must not be counted for the purpose of computing basic support pursuant to this section. [Deleted by amendment.]

Sec. 10. NRS 387.124 is hereby amended to read as follows:

387.124  Except as otherwise provided in this section and NRS 387.528:

1. On or before August 1, November 1, February 1 and May 1 of each year, the Superintendent of Public Instruction shall apportion the State Distributive School Account in the State General Fund among the several county school districts, charter schools and university schools for profoundly gifted pupils in amounts approximating one-fourth of their respective yearly apportionments less any amount set aside as a reserve. The apportionment to a school district, computed on a yearly basis, equals the difference between the basic support per pupil established pursuant to NRS 387.122, including the basic support per pupil established pursuant to subsection 2 of NRS 387.122, if applicable, plus the weighted values established pursuant to subsections 4 and 5 of NRS 387.122 applicable for that school district, and the local funds available pursuant to NRS 387.1235, minus all the funds attributable to pupils who reside in the county but attend a charter school, all the funds attributable to pupils who reside in the county and are enrolled full-time or part-time in a program of distance education provided by another school district or a charter school and all the funds attributable to pupils who are enrolled in a university school for profoundly gifted pupils located in the
county. No apportionment may be made to a school district if the amount of the local funds exceeds the amount of basic support.

2. Except as otherwise provided in subsection 3, the apportionment to a charter school, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides or, if applicable, the basic support per pupil established pursuant to subsection 2 of NRS 387.122, plus the weighted values established pursuant to subsection 4 of NRS 387.122 applicable for that charter school and plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides minus all the funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school. If the apportionment per pupil to a charter school is more than the amount to be apportioned to the school district in which a pupil who is enrolled in the charter school resides, the school district in which the pupil resides shall pay the difference directly to the charter school.

3. The apportionment to a charter school that is sponsored by the State Board or by a college or university within the Nevada System of Higher Education, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the pupil resides or, if applicable, the basic support per pupil established pursuant to subsection 2 of NRS 387.122, plus the weighted values established pursuant to subsection 4 of NRS 387.122 applicable for that charter school and plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the pupil resides, minus all funds attributable to pupils who are enrolled in the charter school but are concurrently enrolled part-time in a program of distance education provided by a school district or another charter school.

4. In addition to the apportionments made pursuant to this section, an apportionment must be made to a school district or charter school that provides a program of distance education for each pupil who is enrolled part-time in the program. The amount of the apportionment must be equal to the percentage of the total time services are provided to the pupil through the program of distance education per school day in proportion to the total time services are provided during a school day to pupils who are counted pursuant to paragraph (b) of subsection 1 of NRS 387.1233 for the school district in which the pupil resides.

5. The governing body of a charter school may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the charter school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A
charter school may receive all four apportionments in advance in its first year of operation.

6. The apportionment to a university school for profoundly gifted pupils, computed on a yearly basis, is equal to the sum of the basic support per pupil in the county in which the university school is located or, if applicable, the basic support per pupil established pursuant to subsection 2 of NRS 387.122, plus the weighted values established pursuant to subsection 4 of NRS 387.122 applicable for that university school and plus the amount of local funds available per pupil pursuant to NRS 387.1235 and all other funds available for public schools in the county in which the university school is located. If the apportionment per pupil to a university school for profoundly gifted pupils is more than the amount to be apportioned to the school district in which the university school is located, the school district shall pay the difference directly to the university school. The governing body of a university school for profoundly gifted pupils may submit a written request to the Superintendent of Public Instruction to receive, in the first year of operation of the university school, an apportionment 30 days before the apportionment is required to be made pursuant to subsection 1. Upon receipt of such a request, the Superintendent of Public Instruction may make the apportionment 30 days before the apportionment is required to be made. A university school for profoundly gifted pupils may receive all four apportionments in advance in its first year of operation.

7. The Superintendent of Public Instruction shall apportion, on or before August 1 of each year, the money designated as the "Nutrition State Match" pursuant to NRS 387.105 to those school districts that participate in the National School Lunch Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school district must be directly related to the district's reimbursements for the Program as compared with the total amount of reimbursements for all school districts in this State that participate in the Program.

8. If the State Controller finds that such an action is needed to maintain the balance in the State General Fund at a level sufficient to pay the other appropriations from it, the State Controller may pay out the apportionments monthly, each approximately one-twelfth of the yearly apportionment less any amount set aside as a reserve. If such action is needed, the State Controller shall submit a report to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau documenting reasons for the action. (Deleted by amendment.)

Sec. 11. NRS 387.1243 is hereby amended to read as follows:

387.1243 1. The first apportionment based on an estimated number of pupils [and special education program units] and succeeding apportionments are subject to adjustment from time to time as the need therefor may appear.

2. The apportionments to a school district may be adjusted during a fiscal year by the Department of Education, upon approval by the State Board of Examiners and the Interim Finance Committee, if the Department of
Taxation and the county assessor in the county in which the school district is located certify to the Department of Education that the school district will not receive the tax levied pursuant to subsection 1 of NRS 387.195 on property of the Federal Government located within the county if:

(a) The leasehold interest, possessor interest, beneficial interest or beneficial use of the property is subject to taxation pursuant to NRS 361.157 and 361.159 and one or more lessees or users of the property are delinquent in paying the tax; and

(b) The total amount of tax owed but not paid for the fiscal year by any such lessees and users is at least 5 percent of the proceeds that the school district would have received from the tax levied pursuant to subsection 1 of NRS 387.195.

If a lessee or user pays the tax owed after the school district’s apportionment has been increased in accordance with the provisions of this subsection to compensate for the tax owed, the school district shall repay to the State Distributive School Account in the State General Fund an amount equal to the tax received from the lessee or user for the year in which the school district received an increased apportionment, not to exceed the increase in apportionments made to the school district pursuant to this subsection.

3. On or before August 1 of each year, the board of trustees of a school district shall provide to the Department, in a format prescribed by the Department, the count of pupils calculated pursuant to paragraph (h) of subsection 1 of NRS 387.1233 who completed at least one semester during the immediately preceding school year. The count of pupils submitted to the Department must be included in the final adjustment computed pursuant to subsection 4.

4. A final adjustment for each school district, charter school and university school for profoundly gifted pupils must be computed as soon as practicable following the close of the school year, but not later than August 25. The final computation must be based upon the actual counts of pupils required to be made for the computation of basic support and the limits upon the support of special education programs, except that for any year when the total enrollment of pupils and children in a school district, a charter school located within the school district or a university school for profoundly gifted pupils located within the school district described in paragraphs (a), (b), (c) and (e) of subsection 1 of NRS 387.123 is greater on the last day of any school month of the school district after the second school month of the school district and the increase in enrollment shows at least:

(a) A 3-percent gain, basic support as computed from first-month enrollment for the school district, charter school or university school for profoundly gifted pupils must be increased by 2 percent.

(b) A 6-percent gain, basic support as computed from first-month enrollment for the school district, charter school or university school for profoundly gifted pupils must be increased by an additional 2 percent.
5. If the final computation of apportionment for any school district, charter school or university school for profoundly gifted pupils exceeds the actual amount paid to the school district, charter school or university school for profoundly gifted pupils during the school year, the additional amount due must be paid before September 1. If the final computation of apportionment for any school district, charter school or university school for profoundly gifted pupils is less than the actual amount paid to the school district, charter school or university school for profoundly gifted pupils during the school year, the difference must be repaid to the State Distributive School Account in the State General Fund by the school district, charter school or university school for profoundly gifted pupils before September 25. [Deleted by amendment.]

Sec. 12. NRS 387.206 is hereby amended to read as follows:

387.206 1. On or before July 1 of each year, the Department, in consultation with the Budget Division of the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall determine the combined minimum amount of money required to be expended during that fiscal year for textbooks, instructional supplies, instructional software and instructional hardware by all school districts, charter schools and university schools for profoundly gifted pupils. The amount must be determined by increasing the amount that was established for the Fiscal Year 2004-2005 by the percentage of the change in enrollment between Fiscal Year 2004-2005 and the fiscal year for which the amount is being established, plus any inflationary adjustment approved by the Legislature after Fiscal Year 2004-2005.

2. The Department, in consultation with the Budget Division of the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, shall develop or revise, as applicable, a formula for determining the minimum amount of money that each school district, charter school and university school for profoundly gifted pupils is required to expend each fiscal year for textbooks, instructional supplies, instructional software and instructional hardware. The sum of all of the minimum amounts determined pursuant to this subsection must be equal to the combined minimum amount determined pursuant to subsection 1. The formula must be used only to develop expenditure requirements and must not be used to alter the distribution of money for basic support and the weighted values established pursuant to NRS 387.122 to school districts, charter schools or university schools for profoundly gifted pupils.

3. Upon approval of the formula pursuant to subsection 2, the Department shall provide written notice to each school district, charter school and university school for profoundly gifted pupils within the first 30 days of each fiscal year that sets forth the required minimum combined amount of money that the school district, charter school and university school for profoundly gifted pupils must expend for textbooks, instructional supplies, instructional software and instructional hardware for that fiscal year. If a
school district, charter school or university school for profoundly gifted pupils is granted a waiver pursuant to NRS 387.2065, the Department shall provide written notice to the school district, charter school or university school within 30 days after the Interim Finance Committee grants the waiver setting forth the revised amount of money that the school district, charter school or university school must expend for textbooks, instructional supplies, instructional software and instructional hardware for the fiscal year.

4. On or before January 1 of each year, the Department shall determine whether each school district, charter school and university school for profoundly gifted pupils has expended, during the immediately preceding fiscal year, the required minimum amount of money set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3. In making this determination, the Department shall use the report submitted by:

(a) The school district pursuant to NRS 387.303.

(b) The charter school pursuant to NRS 386.600.

(c) The university school for profoundly gifted pupils pursuant to NRS 392A.073.

5. Except as otherwise provided in subsection 6, if the Department determines that a school district, charter school or university school for profoundly gifted pupils, as applicable, has not expended the required minimum amount of money set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3, a reduction must be made from the basic support and weighted values allocation otherwise payable to that school district, charter school or university school for profoundly gifted pupils, as applicable, in an amount that is equal to the difference between the actual combined expenditure for textbooks, instructional supplies, instructional software and instructional hardware and the minimum required combined expenditure set forth in the notice or the revised notice, as applicable, provided pursuant to subsection 3. A reduction in the amount of the basic support and weighted values allocation pursuant to this subsection:

(a) Does not reduce the amount that the school district, charter school or university school for profoundly gifted pupils, as applicable, is required to expend on textbooks, instructional supplies, instructional software and instructional hardware in the current fiscal year; and

(b) Must not exceed the amount of basic support and the amount for the weighted values that was provided to the school district, charter school or university school for profoundly gifted pupils, as applicable, for the fiscal year in which the minimum expenditure amount was not satisfied.

6. If the actual enrollment of pupils in a school district, charter school or university school for profoundly gifted pupils is less than the enrollment included in the projections used in the biennial budget of the school district submitted pursuant to NRS 387.303, the budget of the charter school submitted pursuant to NRS 386.600 or the report of the university school for profoundly gifted pupils submitted pursuant to NRS 392A.073, as applicable, the required expenditure for textbooks, instructional supplies, instructional
software and instructional hardware pursuant to this section must be reduced proportionately.] *(Deleted by amendment.)*

**Sec. 13.** [NRS 387.2065 is hereby amended to read as follows:

387.2065 1. The board of trustees of a school district, the governing body of a charter school or the governing body of a university school for profoundly gifted pupils that experiences an economic hardship may submit a written request to the Department on a form prescribed by the Department for a waiver of all or a portion of the amount of money the school district, charter school or university school is required to expend for textbooks, instructional supplies, instructional software and instructional hardware pursuant to NRS 387.206 for the fiscal year.

2. Upon receipt of a written request pursuant to subsection 1, the Department shall consider the request and determine whether an economic hardship exists for the school district, charter school or university school for profoundly gifted pupils. The Department may request additional information from the applicant in making the determination. If the Department determines that an economic hardship exists for the applicant, the Department shall forward the request to the Interim Finance Committee and the State Board of Examiners, including the basis for its determination and any recommendations of the Department for the amount of a waiver.

3. Upon receipt of a written request from the Department pursuant to subsection 2, the State Board of Examiners shall consider the request and determine whether an economic hardship exists for the school district, charter school or university school for profoundly gifted pupils. If the State Board of Examiners determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district, charter school or university school for the fiscal year pursuant to NRS 387.206. The State Board of Examiners may request additional information from the applicant in making the determination. If the State Board of Examiners determines that an economic hardship exists for the applicant and that a waiver from all or a portion of the expenditure requirements is justified, the State Board of Examiners shall forward the request to the Interim Finance Committee, including the basis for its determination and its recommendation for the amount of the waiver. The Interim Finance Committee is not bound to follow the recommendations of the State Board of Examiners.

4. Upon receipt of a written request from the State Board of Examiners pursuant to subsection 3, the Interim Finance Committee shall consider the request and determine whether an economic hardship exists for the school district, charter school or university school for profoundly gifted pupils. If the Interim Finance Committee determines that an economic hardship exists, it shall determine whether the hardship justifies a waiver of all or a portion of the expenditure requirements established for that school district, charter school or university school for the fiscal year pursuant to NRS 387.206. The Interim Finance Committee may request additional information from the
applicant in making the determination. If the Interim Finance Committee grants a waiver, the Committee shall by resolution set forth the:

(a) Grounds for its determination;
(b) Amount of the waiver; and
(c) Period for which the waiver is effective.

5. The board of trustees of a school district, the governing body of a charter school or the governing body of a university school for profoundly gifted pupils that is granted a waiver by the Interim Finance Committee pursuant to this section shall, upon expiration of the period for which the waiver is granted, provide a written accounting to the Interim Finance Committee and the Department that includes a:

(a) Reconciliation of the revenue and expenditures with the projections of revenue and expenditures that were used to determine whether an economic hardship existed for the school district, charter school or university school; and

(b) Description of how the money from the waiver was used.

6. If the Interim Finance Committee grants a waiver pursuant to this section and subsequently the economic hardship to the school district, charter school or university school for profoundly gifted pupils is mitigated because the actual revenue attributable to the school district, charter school or university school exceeds projections or the actual expenses incurred by the school district, charter school or university school are less than anticipated:

(a) The amount of the waiver must be reduced accordingly by the school district, charter school or university school; and

(b) The amount of money the school district, charter school or university school is required to expend for textbooks, instructional supplies, instructional software and instructional hardware in the next fiscal year, as determined pursuant to subsection 1 of NRS 387.206, must be adjusted accordingly.

7. If a school district, charter school or university school for profoundly gifted pupils is granted a waiver pursuant to this section, the money that would have otherwise been expended by the school district, charter school or university school for profoundly gifted pupils to meet the requirements of NRS 387.206 for the fiscal year:

(a) May not be considered as financial ability to pay for the purposes of negotiation or arbitration regarding salaries and benefits.

(b) Must not be used to settle or arbitrate disputes or negotiate settlements between an organization that represents licensed employees of the school district, charter school or university school and the school district, charter school or university school.

(c) Must not be used to adjust the schedules of salaries and benefits of the employees of the school district, charter school or university school.

8. For purposes of this section, an economic hardship exists for a school district, charter school or university school for profoundly gifted pupils if:
(a) Projections of revenue do not meet or exceed the revenue anticipated at the time the basic support guarantees and the weighted values are established for the fiscal year pursuant to NRS 387.122; or

(b) The school district, charter school or university school for profoundly gifted pupils incurs unforeseen expenses, including, without limitation, expenses related to a natural disaster. [(Deleted by amendment.)]

If the board of trustees is required to pay an increase in salary retroactively pursuant to subsection 2 of NRS 391.160, the board of trustees shall submit a supplemental report to the Superintendent of Public Instruction not later than February 15 of the year in which the retroactive payment was made that includes the number of teachers to whom an increase in salary was paid retroactively.

(f) The number of employees eligible for health insurance within the school district for the current and preceding fiscal years and the amount paid for health insurance for each such employee during those years.
(g) The rates for fringe benefits, excluding health insurance, paid by the school district for its licensed employees in the preceding and current fiscal years.

(h) The amount paid for extra duties, supervision of extracurricular activities and supplemental pay and the number of employees receiving that pay in the preceding and current fiscal years.

(i) The expenditures from the account created pursuant to subsection 4 of NRS 179.1187. The report must indicate the total amount received by the district in the preceding fiscal year and the specific amount spent on books and computer hardware and software for each grade level in the district.

On or before November 25 of each year, the Superintendent of Public Instruction shall submit to the Department of Administration and the Fiscal Analysis Division of the Legislative Counsel Bureau, in a format approved by the Director of the Department of Administration, a compilation of the reports made by each school district pursuant to subsection 1.

3. In preparing the agency biennial budget request for the State Distributive School Account for submission to the Department of Administration, the Superintendent of Public Instruction:

(a) Shall compile the information from the most recent compilation of reports submitted pursuant to subsection 2;

(b) May increase the line items of expenditures or revenues based on merit salary increases and cost of living adjustments or inflation, as deemed credible and reliable based upon published indexes and research relevant to the specific line item of expenditure or revenue;

(c) May adjust expenditures and revenues pursuant to paragraph (b) for any year remaining before the biennium for which the budget is being prepared and for the 2 years of the biennium covered by the biennial budget request to project the cost of expenditures or the receipt of revenues for the specific line items;

(d) May consider the cost of enhancements to existing programs or the projected cost of proposed new educational programs, regardless of whether those enhancements or new programs are included in the per pupil basic support guarantee or the weighted values established for the categories of pupils identified in NRS 387.122 for inclusion in the biennial budget request to the Department of Administration; and

(e) Shall obtain approval from the State Board for any inflationary increase, enhancement to an existing program or addition of a new program included in the agency biennial budget request.

4. The Superintendent of Public Instruction shall, in the compilation required by subsection 2, reconcile the revenues of the school districts with the apportionment received by those districts from the State Distributive School Account for the preceding year.

(Deleted by amendment.)

Sec. 15. [NRS 388.450 is hereby amended to read as follows:

388.450  1. The Legislature declares that the basic support guarantee for each special education program unit established by law for each school year establishes financial resources sufficient to ensure a reasonably equal educational opportunity to pupils with disabilities and gifted and talented pupils residing in Nevada.

2. Subject to the provisions of NRS 388.440 to 388.520, inclusive, the board of trustees of each school district shall make such special provisions as may be necessary for the education of pupils with disabilities and gifted and talented pupils.

(3) The board of trustees of a school district in a county whose population is less than 400,000 may provide early intervening services. Such services must be provided in accordance with the Individuals with Disabilities Education Act, 20 U.S.C. §§ 1400 et seq., and the regulations adopted pursuant thereto.

Recent education reforms, including the adoption of common core standards, the advancement of empowerment schools and charter schools, the creation of the Teachers and Leaders Council of Nevada and other important advancements in the public education system will enhance the ability of public schools to meet the needs of individual students;
9. Such reforms are specifically designed to improve and advance the purpose of this State's public education system and to help prepare students for higher education and for careers;

10. The success of these reforms depends on a funding method that effectively meets the variety of individual student needs and characteristics inherent in an ever-growing and increasingly diverse student body;

6. The committee shall carry out the duties of this section only to the extent that money is available to do so from sources including, without limitation, gifts, grants and donations.

"SUMMARY—Makes various changes to provisions governing children who are placed with someone other than a parent. (BDR 38-909)"

"AN ACT relating to child welfare; requiring a school district to develop an individualized academic plan for foster children enrolled in elementary schools to assist such children in achieving academic success; requiring the licensee of a foster home to obtain a written explanation of the need for and effect of any prescription medication provided to a foster child; requiring the Department of Corrections to allow a prisoner who has a child that has been placed in foster care to maintain contact with the child in certain circumstances; requiring the State Board of Parole Commissioners to include a plan for reunification with a child who is in foster care as a condition of parole for certain prisoners; providing for the use of telecommunications devices by prisoners for that purpose; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Section 2 of this bill requires a licensee of a foster home who enrolls a foster child in school to request the school district to develop an individualized plan of instruction for the child. Existing law requires an academic plan for pupils in middle school or junior high school and a 4-year academic plan for pupils in ninth grade. (NRS 388.165, 388.205) Section 8 of this bill requires the board of trustees of each school district to adopt a policy for each elementary school in the district to develop an academic plan for each foster child enrolled in the elementary school whom the school district is informed is enrolled in the school. The academic plan must be reviewed at least annually, and a new plan must be developed for any pupil who transfers to an elementary school whom the school is informed is a foster child. The academic plan must be developed with the goal of the child achieving academic success. [through high school; Section 8 further requires the school district to review ...
the plan at least twice each academic year and provide to the licensee a
written report concerning the academic progress of the child and any
revisions that have been made to the plan. Section 2 of this bill requires
the Division of Child and Family Services of the Department of Health
and Human Services to ensure that a school district is informed when a
foster child is enrolled in a school in the school district so that an
academic plan may be developed for the foster child. Section 5 of this bill
requires that a copy of the academic plan and any written reports to
be submitted to the court with jurisdiction over the child during the biennial
review of the placement of the child.

Section 3 of this bill requires a licensee of a foster home to obtain a
written explanation from a medical professional who provides a prescription
for medication for a foster child. The explanation must include the need for
the medication and the effect of the medication on the child. Section 5
requires that a copy of any such explanations be submitted to the court
with jurisdiction over the child during the biennial review of the
placement of the child.

Section 4 of this bill establishes the order of priority for placing a child
who is taken into protective custody and allows a child to be placed with a
fictive kin, which is a person who is not related to the child but with whom
the child has a significant relationship. Section 4 also specifies that in making
such a placement, siblings must be placed together whenever possible.

Section 6 of this bill requires the Department of Corrections to allow a
prisoner whose child has been placed with someone other than a parent to
maintain contact with the child if the child is willing and allowed to
maintain such contact and the contact is not prohibited by law, by
order of the court or by regulations of the Department. The Department
is further required to maintain equipment to allow such a prisoner to
videoconference with the child. Section 7 of this bill requires the State
Board of Parole Commissioners to determine before a prisoner is released on
parole whether the prisoner has a minor child who has been placed with
someone other than a parent with whom the prisoner may reunite. If such a
child is willing and allowed to participate in a plan for reunification, the
Board is required to include such a plan in the conditions for parole of the
prisoner if such equipment is available. Section 6.3 of this bill authorizes
a prisoner to use approved telecommunications devices subject to any
limitations to engage in such communications with his or her child.
Section 6.7 allows communications by a prisoner using
telecommunications devices to be intercepted in certain circumstances.

If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the parent has not appeared in the action, the report need not be sent to that parent.

4. After a plan for visitation between a child and the siblings of the child submitted pursuant to subparagraph (4) of paragraph (b) of subsection 2 has been approved by the court, the agency which provides child welfare services must request the court to issue an order requiring the visitation set forth in the plan for visitation. "AN ACT relating to education; requiring the implementation of a school breakfast program at certain public schools; requiring the Department of Education to report on the school breakfast program for each public school; requiring school districts to report on school nutrition programs; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

The Child Nutrition Act enacted in 1966 established the School Breakfast Program which provides grants to the states to establish school breakfast programs in public schools. (42 U.S.C. §§ 1771 et. seq.) Federal regulations provide that a public school may elect to operate a school breakfast program pursuant to one of three alternative Provisions and prescribe the requirements by which a public school may operate the program pursuant to one of those Provisions. (7 C.F.R. § 245.9) If a school provides a school breakfast program pursuant to Provision 2 of the federal regulations, the school serves those meals free of charge to all pupils enrolled in the school. Under existing law, the boards of trustees of school districts and the governing bodies of charter schools are authorized to operate or provide for the operation of programs of nutrition in the public schools under their jurisdiction. (NRS 387.090) Section 1 of this bill requires the implementation of a school breakfast program to provide breakfast to pupils enrolled in each public school, including a charter school, that is eligible to operate a program of nutrition in accordance with the requirements of Provision 2 set forth in the federal regulations and as authorized by the Department of Education. Section 1 also requires the Department, on a biennial basis, to prepare a written report on the school breakfast program for each public school in this State and requires the board of trustees of each school district, on a biennial basis, to submit to the Department a report containing certain information concerning nutrition programs. Section 1 further requires the Department to submit compilations of the reports, on or before January 1 of each odd-numbered year, to the Legislative Committee on Health Care, the Interim Finance Committee and the Director of the Legislative Counsel Bureau for transmission to the next regular session of the Legislature.

Effective on July 1, 2013, section 3.5 of this bill provides that the school breakfast program implemented by a school district or charter school must provide for the serving of breakfast after the school day has commenced in the following order of priority: (1) the classroom; (2) a transportable manner; or (3) the cafeteria.

Senate Bill No. 115.
Bill read third time.
Remarks by Senators Kieckhefer, Hardy, Copening, Schneider, Horsford and Roberson.

Senator Kieckhefer requested that the following remarks be entered in the Journal.

SENATOR KIECKHEFER:
Thank you, Mr. President. I have numerous problems with this bill. I would like to discuss a few of my concerns.

This bill is trying to address a problem through legislation that exists between an individual and their insurance company. If an individual is in an automobile accident and they are taken by ambulance to an emergency room that is out of network of their insurance company, this bill requires the hospital that takes that person, to accept the level of payment that is dictated by us, the Legislature. They are not allowed to bill for the cost of providing that service.

There are opportunities to contract with insurance companies. Most insurance companies cover a situation such as I have described. If you are an employee of the State of Nevada and are covered by PEBP and you are in a car accident and are taken to an out of network hospital, you are covered until you are stabilized and then transferred to a hospital in your network. For the Legislature to get in between the individual, their insurance company, and the hospital is inappropriate. We will be forcing hospitals to take a rate that is below the cost of providing service. We are already paying them less than the cost of service for Medicare and Medicaid. We are now asking them to take less from a private insurance company as well. This will result in a reduction in the level of service that hospitals are able to provide. We will lose access to services throughout our State. We are picking a winner and a loser. I think this is inappropriate. I respectfully request you vote against this bill.

SENATOR HARDY:
Thank you, Mr. President. I agree with the Senator from Washoe District No. 4.

SENATOR COPENDING:
Thank you, Mr. President. I know all of you have heard my lengthy explanation of Senate Bill No. 115 yesterday. There have been changes that have been made. The percentages have gone
up significantly. Various changes have been on the Assembly side to continue with the improvement of this bill. The reason this bill is important is that we have too many situations where a patient out of no choice of their own ends up in an emergency hospital room where they are not covered because it is an out of network hospital or it may be an in network hospital with an out of network physician. The patient is then responsible for a very large medical bill. We have had many people who have had to file medical bankruptcy as a result of this.

This bill attempts to come up with a fair payment schedule for physicians and hospitals so the patient is removed from the situation and the hospital and the physician will be reimbursed fairly. It allows for mediation in the event that a physician or a hospital does not believe that they are being reimbursed fairly.

I know this bill is not perfect, but the situation many patients face is not a good one, either. I will vote and stand in support of this bill. I have worked very hard with all sides involved to try to arrive at something reasonable. We will continue to work on this as much as we need to.

SENATOR SCHNEIDER:
Thank you, Mr. President. If I have an emergency tonight, perhaps a heart attack, and I am rushed to a hospital in my plan, my insurance company would pay for me at a certain level. If I went to an out of network hospital, it could cost me $100,000 or $200,000 by the time I was stabilized and perhaps needed heart surgery. Currently, if the hospital is out of network, it is all my responsibility. I am not covered at all under my insurance. Under your proposed amendments to this bill, my insurance would pay to a negotiated rate equal to that of my insurance coverage at my in network hospital. Is that correct?

SENATOR COPENING:
Currently, in the situation you just described, you would be responsible for that $200,000. Under the bill, there is a rate schedule that has been put in place. In your situation, where you have gone to an out of network hospital and your insurance does not cover, the hospital would be forced to receive payment as set forth in this bill. The bill states 115 percent above the Division of Industrial Relations' (DIR) schedule. That is for workers' compensation. In the Assembly, the percentage has been increased to 200 percent. That is what is going to be proposed by them. There is a good reason for this. When we crunched the numbers at 115 percent above workers' compensation, it still fell below the contracted rates the hospitals were receiving. We do not want that to happen. We want them to be able to make more. When you are dealing with contracts, you do not want to put them in a situation where you are going to have a physician or a hospital losing money, but we have to protect the patient. That is what would be worked out. The insurance company would be required to pay the 200 percent, with the new amendment, of DIR's medical schedule.

SENATOR SCHNEIDER:
With this, the hospital is guaranteed 200 percent of DIR's schedule. They are guaranteed that under this bill. If I was uninsured or I had some insurance and I was taken to the closest hospital in an emergency, there is no guarantee. Under federal and State law, they have to take care of me because I was in a trauma situation. If I have no money, then the hospital is responsible for the entire bill. It is my understanding this is all for workers in a non-profit plan. Those workers, many in Las Vegas working in the resort and service industry, do not have big incomes. If their insurance is not going to cover their emergency treatment, they are going to go bankrupt and the hospital will get nothing.

SENATOR COPENING:
I want to clarify that the current bill we are voting on is limited to 115 percent for non-trauma and to 120 percent. This is less than what we are going to come back with and propose later. This will go up, if accepted by the body. It will go up to 200 percent and 230 percent.

You are correct. But, if you are uninsured you are out of luck. This bill is dealing with people who have insurance but have gone to an out of network facility for an emergency or to an in-network hospital, but the doctor who treated you was not part of your plan and you still received the $100,000 bill.
I had an emergency during the last session. My insurance did not cover anything up here. I had to go to an Urgent Care and I had to pay the full bill. I paid the deductible at the time, and then received the bill for the balance. I was surprised by this and called my insurance company. I asked them why they did not cover the bill. They told me that this was not part of my plan. I asked if a person has an emergency outside of their plan, they are not covered? They said, no they are not covered.

This bill is limited. It deals with the non-profit insurance companies. It deals with only emergency care. It is specific. We are talking about a small population. These are the people who file for bankruptcy. We are trying to protect them.

Senator Kieckhefer:
Thank you, Mr. President. If the Senator did have a heart attack and he was taken to the hospital here, there is a distinct likelihood that his insurance company would cover the emergency service.

My two older children were born in an emergency situation at an out of network hospital. My plan stated that in case of emergency we are covered. The problem we are addressing with this bill is that there is a particular self-insured plan in Las Vegas that does not want to cover their members in situations where they are taken by ambulance after an accident. They do not want to assume that risk. That is their problem. They are coming to us asking us to stabilize their expenses because they do not want to. I do not think that is proper.

Senator Horsford:
I rise in support of Senate Bill No. 115. As a former member of the Health and Human Services Committee last session, I have experience working on this measure. I was assigned to work on a subcommittee with Senator Washington and other members to try to reach an agreement. An interim study was conducted which included several of the recommendations now included in Senate Bill No. 115.

I want to frame this differently from my colleague from Washoe District No. 4. This is not between insurance companies and doctors alone. That is a factor in the overall provisions of the bill, but this is a consumer bill as it pertains to health care in the State of Nevada. I would like to give you an example.

One of my children was playing with a sucker and it lodged in the back of the throat. We thought my child was choking. We called 911, but did not have ample time to get them to our home, so my wife and I drove to the hospital with our child. We arrived at the closest hospital, whether in network or out of network, we did not know, because we wanted our child to be safe, to be able to breathe. I filled out the paper work. They asked for my insurance card. They did all the necessary paperwork every hospital does. I did not ask if they were in or out of network. I did not ask if the doctor was in or out of network. I wanted to be certain my child received the best health care at that moment. Fortunately, there was not an issue. We were able to leave the hospital that night. Some weeks later, however, I got bills in the mail. I had paid my co-pay in the hospital for the required amount by my insurance company, as a consumer. The bills were for out of network costs from physicians who helped to treat my child when we were in the emergency room. I did not know about any of these provisions and how they applied until that moment, in that situation.

I have health insurance, but as a consumer am I supposed to have to pay an additional amount of cost because we happened to be treated by an out of network doctor? I assumed my insurance covered that. I did not care which hospital or which doctor saw my child. I wanted the care. I paid the bill, but many of our constituents do not have the ability to pay a bill like that. They are placed in the same situations, whether for a heart attack, a broken bone, or for whatever emergency may befall them, and they cannot pay.

Over the course of the debate on this legislation, which dates back to at least 2005 when Senator Heck worked on the bill, this has been an ongoing issue. In my view, this is a consumer issue. This is a quality of health care issue for consumers.

To my colleagues who may object to the measure and some of the contracting provisions, I do not dispute some of their concerns. I feel the Chair of the Health and Human Services Committee and the members on that Committee have done everything they could to help balance this legislation by requiring adequacy of network. Some insurance companies do not have a very
good network of providers even though they contract out. Do we know that as consumers? We will if Senate Bill No. 115 is passed. It will be something that is required.

As the Chair of the Health and Human Services Committee indicated, there will be additional adjustments made in the Assembly. There is an agreement to increase the percentage based on the request from those in the hospital industry. That is fair. What I do not think is fair is to deny consumers legislation that protects them from medical bankruptcy. That is what is happening now. We have constituents who because of no fault of their own end up in a situation receiving bills totaling many thousands of dollars because they happen to be seen by the wrong doctor or be taken to the wrong facility. It is not wrong for the quality of care, but for insurance purposes. When those bills come due, and they are not paid, that cost is passed on to all of us in our premiums for insurance. That is why Senate Bill No. 115 deserves this body's support. I urge the members to approve this measure.

Senator Roberson:
Thank you, Mr. President. I would like to respond to comments made by my colleagues. My colleague from Washoe County indicated that this is about a self-insured program. I believe he is referring to the Culinary Union. I have a question for my colleague from Clark District No. 6. It sounds to me like the Union does not want to pay. They do not want to cover for out of network. Instead, they want the hospitals to take it in the shorts. To the Majority Leader, it does not sound like this is a consumer issue; this is a union issue.

Senator Horsford:
I will not debate my colleague from Clark District No. 5. It is time for us to stop pitting groups against groups and suggesting that measures before us are somehow implicating the members. This is a consumer issue that affects hundreds of thousands of people in the State of Nevada. This is not limited to any particular health plan. Some of the largest employers will be affected by Senate Bill No. 115 whether they are union or non-union. There are non-profit health plans, police, fire and school districts that will be affected by Senate Bill No. 115. I urge the members of this body whether you are new or whether you have been here a while, to put aside the ideological rhetoric and to focus on the measures of the bill. I just listed ten provisions why I support Senate Bill No. 115. I would urge the members to object on the merits of the bill and to not turn this into something that it is not.

CONSIDERATION OF ASSEMBLY AMENDMENTS

Senate Bill No. 57.
The following Assembly amendment was read:
Amendment No. 735.

"SUMMARY — Expands the circumstances pursuant to which a court is authorized to issue certain warrants. (BDR 11-289) Establishes procedures for the Children's Advocate or his or her designee to obtain warrants. (BDR 11-289)"

"AN ACT relating to children; establishing procedures for the Children's Advocate or his or her designee to obtain, under certain circumstances, a warrant to take physical custody of a missing child who was allegedly abducted; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law as set forth in the Uniform Child Custody Jurisdiction and Enforcement Act (chapter 125A of NRS) authorizes a court in a proceeding to enforce a child custody determination to issue a warrant to take physical custody of a child in an emergency situation if the court finds that the child is immediately likely to suffer serious physical harm or to be removed from this State. Before issuing the warrant, the court is required to hold a hearing at which the party alleging the need for the warrant is present but not the party who has physical custody of the child. (NRS 125A.525) The Uniform Child Custody Jurisdiction and Enforcement Act also authorizes a court in this State, to enforce a child custody determination issued by a court in another state, to issue an order to take physical custody of a child in a nonemergency
situation after holding a hearing at which both parties, the petitioner and the respondent, are given an opportunity to be heard. (NRS 125A.495)

Existing law as set forth in the Uniform Child Abduction Prevention Act (chapter 125D of NRS) authorizes a court, pursuant to a petition filed either before or after a child custody determination has been made, to issue a warrant to take physical custody of a child in an emergency situation if the court finds that there is a credible risk that the child is imminently likely to be wrongfully removed. The court may issue the warrant without providing prior notice and an opportunity to be heard to the party who has physical custody of the child. (NRS 125D.200)

Existing law also authorizes the court in divorce or other dissolution of marriage proceedings to enter an order allowing a party, under certain circumstances and with the assistance of a law enforcement agency, to obtain physical custody of a child from the party having physical custody of the child if the court finds that it would be in the best interest of the child to do so. (NRS 125.470) Section 1 of this bill deletes this provision regarding divorce and other dissolution of marriage proceedings, and section 2 of this bill sets forth a new procedure.

Section 2 expands the circumstances in which a court is authorized to issue a warrant to take physical custody of a child. Specifically, section 2 authorizes a court, upon a petition submitted during a proceeding to establish custody of a child or to enforce or modify a child custody determination, to issue a warrant to take physical custody of the child where there is probable cause to believe that the child has been abducted. If the court determines that the child has been abducted and that an emergency situation exists, including, without limitation, a situation in which the child is in imminent danger of being removed from this State or in imminent danger of serious physical harm, the court is authorized to issue a warrant. Before issuing the warrant in an emergency situation, the court must hold a hearing at which the party alleging the need for the warrant is present but not the party alleged to have committed the act of abduction. If the court determines that the situation is not an emergency situation, before issuing the warrant, the court must hold a hearing at which both parties, the party alleging the need for the warrant and the party alleged to have committed the act of abduction, are given an opportunity to be heard.

Finally, existing law establishes the Office of Advocate for Missing or Exploited Children within the Office of the Attorney General and requires the Children's Advocate to carry out various duties relating to missing or exploited children in this State. (NRS 432.157) Section 2 of this bill authorizes the Children's Advocate or his or her designee, under certain circumstances, to apply to a court for a warrant to take physical custody of a missing child where there is probable cause to believe that the child has been abducted. Further, section 2 establishes the procedures for issuing such a warrant. Section 2 also defines the term "abduction" to include kidnapping, aiding and abetting kidnapping and the
willful detaining, concealing or removing of a child from a person having lawful custody or a right of visitation of the child by a person who has a limited right of custody to the child by operation of law or pursuant to a court order, judgment or decree or who has no right of custody to the child.

Section 2 differs from the similar provisions of the Uniform Child Custody Jurisdiction and Enforcement Act and the Uniform Child Abduction Prevention Act in various ways, including, without limitation, with regard to the types of cases to which it applies. For example, section 2 applies to: (1) a broader category of emergency situations; (2) emergency situations which occur before a child custody determination has been made and in which the child is in imminent danger of serious physical harm; (3) nonemergency situations for child custody determinations that are issued by courts in this State; and (4) children who are willfully detained or concealed from persons having lawful custody or a right of visitation of the child, in addition to children who are removed from such persons.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 125.470 is hereby amended to read as follows:

125.470 1. If, during any proceeding brought under this chapter, either before or after the entry of a final order concerning the custody of a minor child, it appears to the court that any minor child of either party has been, or is likely to be, taken or removed out of this State or concealed within this State, the court shall forthwith order such child to be produced before it and make such disposition of the child's custody as appears most advantageous to and in the best interest of the child and most likely to secure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.

2. If, during any proceeding brought under this chapter, either before or after the entry of a final order concerning the custody of a minor child, the court finds that it would be in the best interest of the minor child, the court may enter an order providing that a party may, with the assistance of the appropriate law enforcement agency, obtain physical custody of the child from the party having physical custody of the child. The order must provide that if the party obtains physical custody of the child, the child must be produced before the court as soon as practicable to allow the court to make such disposition of the child's custody as appears most advantageous to and in the best interest of the child and most likely to secure to him or her the benefit of the final order or the modification or termination of the final order to be made in his or her behalf.

3. If the court enters an order pursuant to subsection 2 providing that a party may obtain physical custody of a child, the court shall order that party to give the party having physical custody of the child notice at least 24 hours before the time at which he or she intends to obtain physical custody of the child, unless the court deems that requiring the notice would likely defeat the purpose of the order.
4.] All orders for a party to appear with a child issued pursuant to this section may be enforced by issuing a warrant of arrest against that party to secure his or her appearance with the child.

[5.] 3. A proceeding under this section must be given priority on the court calendar. (Deleted by amendment.)

Sec. 2. Chapter 125C 432 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Children's Advocate or his or her designee may apply to the court for a warrant to take physical custody of a missing child if, during an investigation of the missing child, it appears that there is probable cause to believe that:

(b) The act of abduction was not committed without just cause, the court may issue a warrant to take physical custody of the child. A copy of a petition submitted pursuant to this subsection must be served upon the Children's Advocate appointed pursuant to NRS 432.157 before any hearing is held by the court pursuant to this section.

The petition must include, without limitation:

(g) A copy of the most recent child custody determination, if any, concerning the child, or if there is no such determination, a statement as to the legal basis for the custody of the child; and

(h) A declaration made under oath and penalty of perjury that every factual representation made in the application is true and correct to the best of the knowledge of the applicant.

4. The court may, in its discretion, supplement the allegations made in the [petition] application with the sworn testimony of the [petitioner] applicant at a hearing before the court. Any such testimony must be recorded and preserved in the records of the court.

5. If an application is filed pursuant to this section:

(a) The Children’s Advocate or his or her designee may not be assessed a filing fee for the application; and

(b) Any proceedings regarding the application must be expedited by the court.

6. If the court determines that no exigent circumstances exist in relation to the issuance of the warrant, the court:

(a) Shall hold a hearing before it issues the warrant;

7. If the court determines that exigent circumstances exist in relation to the issuance of the warrant, including, without limitation, that the child is in imminent danger of being removed from this State or in imminent danger of serious physical harm, the court may issue the warrant [described in subsection 6] after an ex parte hearing. If the court issues the warrant after an ex parte hearing:

(a) [Shall] The court shall afford the [party] custodial parent, the person alleged to have committed the act of abduction and, if different, the person alleged to have possession of the child an opportunity to be heard at the earliest possible time after the warrant is executed, but not later than [the next judicial day] 48 hours after the warrant is executed unless a hearing [on that date] within that period is impossible. If a hearing [on the next judicial day] within that period is impossible, the court shall hold the hearing on the first judicial day possible.

(b) [Shall provide, or cause the petitioner to provide.] The Children's Advocate or his or her designee shall provide notice of the hearing to be held pursuant to paragraph (a) to the custodial parent, the [party] person alleged to have committed the act of abduction and [all other interested parties], if different, the person alleged to have possession of the child.

(b) Finds by a preponderance of the evidence that the act of abduction of the child was committed for the protection of the child or the person who allegedly abducted the child as described in subsection 1, the court shall:

10. If the court finds, after a hearing, that a petitioner sought a warrant pursuant to this section for the purpose of harassment or in bad faith, the court may:

(a) Award the other party reasonable attorney's fees, costs and expenses; and
(b) Impose a civil penalty of not more than $1,000 on the petitioner.

Senate Bill No. 348.
The following Assembly amendment was read:
Amendment No. 663.
"SUMMARY—Eliminates limits on the amounts of certain property that is exempt from execution. Makes various changes concerning the execution on property of a judgment debtor or defendant. (BDR 2-779)"

"AN ACT relating to property; providing that a certain amount of money held in a personal bank account that is likely to be exempt from execution is not subject to a writ of execution or garnishment; providing a procedure to execute on property held in a safe-deposit box; eliminating limits on the amounts of certain property that is exempt from execution; exempting certain property from execution; revising the procedure for claiming an exemption from execution on certain property; making various other changes to provisions governing writs of execution, attachment and garnishment; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law allows a judgment creditor to obtain a writ of execution, attachment or garnishment to levy on the property of a judgment debtor or defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain property, however, is exempt from execution and therefore cannot be the subject of such a writ. (NRS 21.090) Section 3 of this bill provides that a certain amount of money held in the personal bank account of a judgment debtor which is likely to be exempt from execution is not subject to a writ of execution or garnishment and must remain accessible to the judgment debtor. Section 3 further provides immunity from liability to a financial institution which makes an incorrect determination concerning whether money is subject to execution. Section 4 of this bill provides that notwithstanding the provisions of section 3, if a judgment debtor has personal bank accounts in more than one financial institution, the writ may attach to all money in those accounts. The judgment debtor then may claim any exemption that may apply.

Section 5 of this bill provides that a separate writ must be issued to levy on property in a safe-deposit box and provides a procedure for executing on such a writ.
Existing law exempts from execution all money, benefits, privileges or immunities arising out of a policy of life insurance if the annual premium paid for the policy does not exceed $15,000 and exempts a portion of those insurance proceeds if the premium does exceed $15,000. (NRS 21.090) Section 7 of this bill eliminates the $15,000 premium limit, allowing for a complete exemption from the execution of all money, benefits, privileges or immunities arising from a policy of life insurance. Section 7 also provides additional exemptions from execution which are provided by Nevada law.

Section 8 of this bill revises the procedures for claiming an exemption from execution, and for objecting to such a claim of exemption. Sections 6 and 10 of this bill revise the notice that is provided to a
judgment debtor or defendant when a writ of execution, attachment or garnishment is levied on the property of the judgment debtor or defendant so that the procedures listed in the notice reflect the changes made in section 8. Sections 6 and 10 further revise the notice to provide additional information concerning the claiming of exemptions.

Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in section 3.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Existing law exempts from execution any annuity benefits presently due and payable to an annuitant on a scheduled or periodic basis up to a total of $350 per month but allows a court to order certain just and proper payments from annuity benefits if those benefits exceed $350 per month. (NRS 687B.290) Section 15 of this bill eliminates the $350 monthly benefit exemption limit, allowing for a complete exemption from the execution of annuity benefits.

Section 16 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in section 8.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. A constable may perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.
Sec. 3. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and money has been deposited into the account electronically within the immediately preceding 45 days from the date on which the writ was served which is reasonably identifiable as exempt from execution, notwithstanding any other deposits of money into the account, $2,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:

(a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors' benefits, supplemental security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

(b) Veterans' benefits which are exempt from execution pursuant to 38 U.S.C. § 5301;

(c) Annuities payable to retired railroad employees which are exempt from execution pursuant to 45 U.S.C. § 231m;

(d) Benefits provided for retirement or disability of federal employees which are exempt from execution pursuant to 5 U.S.C. §§ 8346 and 8470;

(e) Annuities payable to retired members of the Armed Forces of the United States and to any surviving spouse or children of such members which are exempt from execution pursuant to 10 U.S.C. §§ 1440 and 1450;

(f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

(g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

(h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

(i) Compensation or benefits due or payable to longshore and harbor workers which are exempt from execution pursuant to 33 U.S.C. § 916;

(j) Annuities and benefits for retirement and disability of members of the foreign service which are exempt from execution pursuant to 22 U.S.C. § 4060;

(k) Compensation for injury, death or detention of employees of contractors with the United States outside the United States which is exempt from execution pursuant to 42 U.S.C. § 1717;

(l) Assistance for a disaster from the Federal Emergency Management Agency which is exempt from execution pursuant to 44 C.F.R. § 206.110;
(m) Black lung benefits paid to a miner or a miner's surviving spouse or children pursuant to 30 U.S.C. § 922 or 931 which are exempt from execution; and

(n) Benefits provided pursuant to any other federal law.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor.

3. If a judgment debtor has more than one personal bank account with the financial institution to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.

5. If money in the personal account of the judgment debtor which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2 includes exempt and nonexempt money, the judgment debtor may claim an exemption for the exempt money in the manner set forth in NRS 21.112. To determine whether such money in the account is exempt, the judgment creditor must use the method of accounting which applies the standard that the first money deposited in the account is the first money withdrawn from the account. The court may require a judgment debtor to provide statements from the financial institution which include all deposits into and withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine whether money in the account of a judgment debtor is subject to execution for the purposes of this section is immune from civil liability for any act or omission with respect to that determination, including, without limitation, when the financial institution makes an incorrect determination after applying commercially reasonable methods for determining whether money in an account is exempt because the source of the money was not clearly identifiable or because the financial institution inadvertently misidentified the source of the money. If a court determines that a financial institution failed to identify that money in an account was not subject to execution pursuant to this section, the financial institution must adjust its actions with respect to a writ of execution as soon as possible but may not be held liable for damages.

7. Nothing in this section requires a financial institution to revise its determination about whether money is exempt, except by an order of a court.

Sec. 4. 1. Notwithstanding the provisions of section 3 of this act, if a judgment debtor has a personal bank account in more than one financial
institution, the judgment creditor is entitled to an order from the court to be
issued with the writ of execution or garnishment which states that all
money held in all such accounts of the judgment debtor that are identified
in the application for the order are subject to the writ.

2. A judgment creditor may apply to the court for an order pursuant to
subsection 1 by submitting a signed affidavit which identifies each
financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money
in the account to which the writ attaches in the manner set forth in
NRS 21.112.

Sec. 5. 1. If a writ of execution or garnishment is levied on property
in a safe-deposit box maintained at a financial institution, a separate writ
must be issued from any writ that is issued to levy on an account of the
judgment debtor with the financial institution. Notice of the writ must be
served personally on the financial institution and promptly thereafter on
any third person who is named on the safe-deposit box.

2. During the period in which the writ of execution or garnishment is
in effect, the financial institution must not allow the contents of the
safe-deposit box to be removed other than as directed by the sheriff or by
court order.

3. The sheriff may allow the person in whose name the safe-deposit box
is held to open the safe-deposit box so that the contents may be removed
pursuant to the levy. The financial institution may refuse to allow the
forcible opening of the safe-deposit box to allow the removal of the
property levied upon unless the judgment creditor pays in advance the cost
of forcibly opening the safe-deposit box and of repairing any damage
caused thereby.

Sec. 6. NRS 21.075 is hereby amended to read as follows:

21.075 1. Execution on the writ of execution by levying on the
property of the judgment debtor may occur only if the sheriff serves the
judgment debtor with a notice of the writ of execution pursuant to
NRS 21.076 and a copy of the writ. The notice must describe the types of
property exempt from execution and explain the procedure for claiming those
exemptions in the manner required in subsection 2. The clerk of the court
shall attach the notice to the writ of execution at the time the writ is issued.

2. The notice required pursuant to subsection 1 must be substantially in
the following form:

NOTICE OF EXECUTION
YOUR PROPERTY IS BEING ATTACHED OR
YOUR WAGES ARE BEING GARNISHED

A court has determined that you owe money to ........... (name of
person), the judgment creditor. The judgment creditor has begun the
procedure to collect that money by garnishing your wages, bank
account and other personal property held by third persons or by taking
money or other property in your possession.
Certain benefits and property owned by you may be exempt from execution and may not be taken from you. The following is a partial list of exemptions:

25. A tax refund received from the earned income credit provided by federal law or a similar state law.
26. Stock of a corporation described in subsection 2 of NRS 78.746 except as set forth in that section.

These exemptions may not apply in certain cases such as proceedings to enforce a judgment for support of a child or a judgment of foreclosure on a mechanic's lien. You should consult an attorney immediately to assist you in determining whether your property or money is exempt from execution. If you cannot afford an attorney, you may be eligible for assistance through .......... (name of organization in county providing legal services to the indigent or elderly persons). If you do not wish to consult an attorney or receive legal services from an organization that provides assistance to persons who qualify, you may obtain the form to be used to claim an exemption from the clerk of the court.

PROCEDURE FOR CLAIMING EXEMPT PROPERTY

If you believe that the money or property taken from you is exempt or necessary for the support of you or your family, you must file with the clerk of the court on a form provided by the clerk a notarized affidavit claiming the executed claim of exemption. A copy of the claim of exemption must be served upon the sheriff, the garnishee and the judgment creditor within 20 calendar days after the notice of execution or garnishment is served on you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on. The property must be returned by the garnishee or the sheriff within 9 judicial days after you file the affidavit claim of exemption upon the sheriff, garnishee and judgment creditor, unless the judgment creditor files a motion for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 8 judicial days after the claim of exemption is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 judicial days before the date set for the hearing. The
hearing must be held within 7 judicial days after the objection to the claim of exemption and notice for a hearing is filed. You may be able to have your property released more quickly if you mail to the judgment creditor or the attorney of the judgment creditor written proof that the property is exempt. Such proof may include, without limitation, a letter from the government, an annual statement from a pension fund, receipts for payment, copies of checks, records from financial institutions or any other document which demonstrates that the money in your account is exempt.

IF YOU DO NOT FILE THE EXECUTED CLAIM OF EXEMPTION WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS EXEMPT OR NECESSARY FOR THE SUPPORT OF YOU OR YOUR FAMILY.

Sec. 11. NRS 31.290 is hereby amended to read as follows:

31.290 1. The interrogatories to be submitted with any writ of execution, attachment or garnishment to the garnishee may be in substance as follows:

INTERROGATORIES

Are you in any manner indebted to the defendants

........................................................................................................................................

........................................................................................................................................

Are you an employer of one or all of the defendants? If so, state the length of your pay period and the amount of disposable earnings, as defined in NRS 31.295, that each defendant presently earns during a pay period. State the minimum amount of disposable earnings that is exempt from this garnishment, which is the federal minimum hourly wage prescribed by section 6(a)(1) of the federal Fair Labor Standards Act of 1938.
29 U.S.C. § 206(a)(1), in effect at the time the earnings are payable multiplied by 50 for each week of the pay period, after deducting any amount required by law to be withheld.

Calculate the attachable amount as follows:

(1) Gross Earnings $  

(2) Deductions required by law (not including child support) $  

(3) Disposable Earnings [Subtract line 2 from line 1] $  

(4) Federal Minimum Wage $  

(5) Multiply line 4 by 50 $  

(6) Complete the following directions in accordance with the letter selected above:

[A] Multiply line 5 by 1 $  

[B] Multiply line 5 by 2 $  

[C] Multiply line 5 by 52 and then divide by 24 $  

[D] Multiply line 5 by 52 and then divide by 12 $  

(7) Subtract line 6 from line 3 $  

This is the attachable earnings. This amount must not exceed 25% of the disposable earnings from line 3.

2. The garnishee shall answer the interrogatories in writing upon oath or affirmation and submit the answers to the sheriff within the time required by the writ. The garnishee shall submit his or her answers to the judgment debtor within the same time. If the garnishee fails to do so, the garnishee shall be deemed in default.

Sec. 12. NRS 31.296 is hereby amended to read as follows:
31.296 1. Except as otherwise provided in subsection 3, if the garnishee indicates in the garnishee's answer to garnishee interrogatories that the garnishee is the employer of the defendant, the writ of garnishment served on the garnishee shall be deemed to continue for 120 days or until the amount demanded in the writ is satisfied, whichever occurs earlier.
2. In addition to the fee set forth in NRS 31.270, a garnishee is entitled to a fee from the plaintiff of $3 per pay period, not to exceed $12 per month, for each withholding made of the defendant's earnings. This subsection does not apply to the first pay period in which the defendant's earnings are garnished.
3. If the defendant's employment by the garnishee is terminated before the writ of garnishment is satisfied, the garnishee:
   (a) Is liable only for the amount of earned but unpaid, disposable earnings that are subject to garnishment.
   (b) Shall provide the plaintiff or the plaintiff's attorney with the last known address of the defendant and the name of any new employer of the defendant, if known by the garnishee.

The judgment creditor must submit this accounting with each subsequent application for writ made by the judgment creditor concerning the same debt.

Sec. 13. NRS 258.230 is hereby amended to read as follows:

258.230 Except with respect to the fees described in paragraphs (a) and (d) of subsection 2 of NRS 258.125, all fees prescribed in this chapter shall be payable in advance, if demanded. If a constable shall not have received any or all of his or her fees, which may be due the constable for services rendered by him or her in any suit or proceedings, the constable may have execution therefor in his or her own name against the party or parties from whom they are due, to be issued from the court where the action is pending, upon the order of the justice of the peace or court upon affidavit filed.

Sec. 14. NRS 612.710 is hereby amended to read as follows:

2. Benefits are exempt from levy, execution, attachment, or any other remedy provided for the collection of debt. 3. Any other waiver of any exemption provided for in this section is void.

Sec. 15. NRS 687B.290 is hereby amended to read as follows:

687B.290 1. The benefits, rights, privileges and options which under any annuity contract issued prior to or after January 1, 1972, are due or prospectively due the annuitant shall not be subject to execution nor shall the annuitant be compelled to exercise any such rights, powers or options, nor shall creditors be allowed to interfere with or terminate the contract, except:

(a) As to amounts paid for or as premium on any such annuity with intent to defraud creditors, with interest thereon, and of which the creditor has given the insurer written notice at its home office prior to the making of the payment to the annuitant out of which the creditor seeks to recover. Any such notice shall specify the amount claimed or such facts as will enable the insurer to ascertain such amount, and shall set forth such facts as will enable
the insurer to ascertain the annuity contract, the annuitant and the payment sought to be avoided on the ground of fraud.

{(b) The total exemption of benefits presently due and payable to any annuitant periodically or at stated times under all annuity contracts under which he or she is an annuitant shall not at any time exceed $350 per month for the length of time represented by such installments, and such periodic payments in excess of $350 per month shall be subject to garnishee execution to the same extent as are wages and salaries.

(c) If the total benefits presently due and payable to any annuitant under all annuity contracts under which he or she is an annuitant, at any time exceed payment at the rate of $350 per month, then the court may order such annuitant to pay to a judgment creditor or apply on the judgment, in installments, such portion of such excess benefits as to the court may appear just and proper, after due regard for the reasonable requirements of the judgment debtor and the family of the judgment debtor, if dependent upon the judgment debtor, as well as any payments required to be made by the annuitant to other creditors under prior court orders.}

2. If the contract so provides, the benefits, rights, privileges or options accruing under such contract to a beneficiary or assignee shall not be transferable or subject to commutation, and if the benefits are payable periodically or at stated times, the same exemptions and exceptions contained in this section for the annuitant shall apply with respect to such beneficiary or assignee.

Sec. 16. NRS 21.114 is hereby repealed.

TEXT OF REPEALED SECTION

1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.

2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.

Senator Denis requested that his remarks be entered in the Journal.

Amendment No. 942 makes significant changes to the bill. Major changes include the following items.

For the State Board of Education, the amendment provides that there are 11 total members. Seven are voting and four are non-voting. Of the seven voting members, four are elected by Congressional District and serve four years. Three of the voting members are appointed by the Governor, with the Senate Majority Leader and the Speaker of the Assembly nominating one each. These appointed members serve two-year terms with the ability to be reappointed for a second two-year term. Voting member appointees must include a teacher, a parent, and a business person and must reflect the State's geographic diversity. A list of three nominees for the teacher appointment will be provided by the Nevada State Education Association.

With regard to the four non-voting members, one is a school board member appointed by the Nevada Association of School Boards, one is a district superintendent appointed by the Nevada Association of School Superintendents, one is a representative of the Nevada System of Higher Education appointed by the Board of Regents, and one is a public school student appointed by the Nevada Association of Student Councils in consultation with the Nevada Youth Legislature. Non-voting appointed members serve one-year terms with a one-year reappointment option. The term for the student is based upon a school year.

The Board must meet at least 9 and not more than 12 times a year, one of which must be an "education summit."

The changes to the Superintendent of Public Instruction include the following measures:

The Superintendent will now be appointed by the Governor from a list of three names submitted by the State Board of Education. The Superintendent serves at the pleasure of the Governor and is in the Executive Department of State Government.

The Superintendent serves as the State's educational leader and is charged with enforcing the State education statutes and regulations governing K-12 public education. As part of that authority, he or she may impose corrective plans for non-compliance.

In consultation with the State Board, the Superintendent prepares a detailed report on the state of public education in Nevada.

The Superintendent is responsible for ensuring the duties and responsibilities are carried out successfully by the Commission on Educational Excellence, the Advisory Council on Parent Involvement, the Commission on Educational Technology and the Council to Establish Academic Standards.

There is one revision to the activities of the Commission on Professional Standards in Education. This is the commission responsible for teacher licensure. The Commission must now report to the State Board and to the Legislature about its progress and prepare a work plan for adopting required regulations.

For the Regional Professional Development Programs (RPDPs), the amendment does the following.

It transfers the Churchill County School District to the Northwest Nevada regional training program, and provides authority for transferring appropriate funding associated with that transfer.

It revises the funding mechanism for the RPDPs to provide flexibility to the Clark and Washoe County school districts in obtaining professional development for teachers and other licensed educational personnel. Sufficient funding is provided to the program currently serving the Clark County and Washoe County school districts for administrative costs, and for direct professional services to the rural school districts served by the region.

It requires each RPDP to establish an evaluation system for teachers and other licensed educational personnel. The evaluation system shall include measures of success and recommendations for follow-up. The evaluation is to be provided to the person evaluated and to the principal.

In addition to training in the academic standards, the measure adds curriculum and instruction, as related to the common core standards and culturally relevant pedagogy.

This is what is known as the governance bill.

The following amendment was proposed by Senator Horsford:
Amendment No. 925.
"SUMMARY—Revises provisions governing redevelopment agencies.
(BDR 22-937)"
"AN ACT relating to redevelopment of communities; revising
requirements for the submission of an employment plan; requiring a
redevelopment agency to withhold a portion of any incentive provided to a
developer unless the developer satisfies certain conditions; requiring the
reporting of certain information relating to the redevelopment project by
certain developers; extending the duration of certain redevelopment
plans; requiring an employment plan to include information relating to
preferences for hiring persons from the redevelopment area; authorizing a
redevelopment agency to loan money to finance certain improvements
under certain circumstances; requiring certain redevelopment agencies
to set aside certain revenue from property taxes for additional purposes;
and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Under existing law, if a redevelopment agency provides property for
development for less than the fair market value of the property or provides
financial incentives of more than $100,000 to a developer, the developer
must comply with certain laws relating to the payment of a prevailing wage.
(NRS 279.500) Additionally, a proposal for a redevelopment project must
include an employment plan, if appropriate. (NRS 279.482)
Sections 2-9 of this bill only apply to a developer for a redevelopment
project if part of the redevelopment area is within an enterprise community.
Section 6 of this bill requires public agencies who use
redevelopment funds for a public work to submit an employment plan.
and exempts private developers who do not construct a redevelopment project for a known owner from that requirement. Section 7 of this bill requires an agency that proposes to
provide an incentive to a developer to withhold payment of 10 percent of the
incentive unless: (1) 15 percent of the employees of contractors,
subcontractors, vendors and suppliers of the developer are residents of the
redevelopment area; (2) 15 percent of the jobs created by employers as a
result of the redevelopment project are filled by residents of the
redevelopment area; (3) the developer or build-to-suit owner or lessee
complies with the requirements in the employment plan; and (4) the
developer satisfies the reporting required by section 8 of this bill. Section 9
of this bill allows a developer to appeal a refusal to pay the amount provided for in section 7 to the legislative body of the community.

Section 8 requires a developer that receives an incentive of more than $100,000 to report to the redevelopment agency certain information relating to the redevelopment project. Section 8 also requires a developer that receives $100,000 or less in incentives to use its best efforts to report such information. Finally, section 8 allows the redevelopment agency to refuse to pay all or a portion of the incentive or to require repayment of any incentive already paid if a developer fails to comply.

Section 11 of this bill requires the employment plan to include information about the preference for hiring persons living within the redevelopment area used by the developer and each employer who will be relocating a business into the area as a result of the redevelopment.

Section 12 of this bill makes an appropriation for a study of the feasibility of a renewable energy sustainability center in the Southern Nevada Enterprise Community.

Existing law provides that a redevelopment plan adopted by a redevelopment agency before July 1, 1991, terminates at the end of the fiscal year in which the principal and interest of the last maturing securities issued before that date concerning the redevelopment area are fully paid, or 45 years after the date on which the original redevelopment plan was adopted, whichever is later. (NRS 279.438)

Section 10.5 of this bill provides that in a county whose population is 700,000 or more (currently Clark County), such a redevelopment plan terminates at the end of the fiscal year in which the principal and interest of the last maturing securities issued before that date concerning the redevelopment area are fully paid, or 60 years after the date on which the original redevelopment plan was adopted, whichever is later.

Section 13 of this bill authorizes a redevelopment agency to loan money to finance certain improvements with the consent of the legislative body of the community where the redevelopment agency is located.

Section 14 of this bill requires the redevelopment agency of a city whose population if 300,000 or more (currently the City of Las Vegas) that receives certain revenue from taxes set aside a portion of those revenues received on or after July 1, 2011, to be used for specific purposes, including renewable energy projects, economic development, improvement of public educational facilities and the development of affordable housing within enterprise communities.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 279 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 9, inclusive, of this act.

Before the legislative body may give its consent, it must determine that:

(a) The buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located; and

(b) No other reasonable means of financing those buildings, facilities, structures or other improvements are available.

Those determinations by the agency and the legislative body are final and conclusive.

2. In reaching its determination that the buildings, facilities, structures or other improvements are of benefit to the redevelopment area or the immediate neighborhood in which the redevelopment area is located, the legislative body shall consider:

(a) Whether the buildings, facilities, structures or other improvements are likely to:

(1) Encourage the creation of new business or other appropriate development;

(b) The opinions of persons who reside in the redevelopment area or the immediate neighborhood in which the redevelopment area is located.
(c) Comparisons between the level of spending proposed by the agency and projections, made on a pro forma basis by the agency, of future revenues attributable to the buildings, facilities, structures or other improvements.

3. If the value of that land or the cost of the construction of that building, facility, structure or other improvement, or the installation of any improvement has been, or will be, paid or provided for initially by the community or other governmental entity, the agency may enter into a contract with that community or governmental entity under which it agrees to reimburse the community or governmental entity for all or part of the value of that land or of the cost of the building, facility, structure or other improvement, or both, by periodic payments over a period of years. The obligation of the agency under that contract constitutes an indebtedness of the agency which may be payable out of taxes levied and allocated to the agency under paragraph (b) of subsection 1 of NRS 279.676, or out of any other available money.

Sec. 14. NRS 279.685 is hereby amended to read as follows:

(1) One half of such amount for economic development, renewable energy projects, the improvement of public educational facilities and the development of affordable housing within an enterprise community which is currently or was previously established pursuant to 24 C.F.R. Part 597, including, without limitation, the Southern Nevada Enterprise Community.

(2) One half of such amount for the improvement of public educational facilities within the community and to increase, improve and preserve the number of dwelling units in the community for low-income households.

2. The obligation of an agency to set aside not less than 15 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. As used in this subsection, "existing obligations" means the principal and interest, when due, on any bonds, notes or other indebtedness whether funded, refunded, assumed or otherwise incurred by the agency before July 1, 1993, to finance or refinance in whole or in part, the redevelopment of a redevelopment area. For the purposes of this subsection, obligations incurred by an agency after July 1, 1993, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.
3. The obligation of an agency to set aside an additional 3 percent of the revenue from taxes allocated to and received by the agency pursuant to paragraph (b) of subsection 1 of NRS 279.676 is subordinate to any existing obligations of the agency. For the purposes of this subsection, obligations incurred by an agency after October 1, 1999, shall be deemed existing obligations if the net proceeds are used to refinance existing obligations of the agency.

4. Except as otherwise provided in paragraph (b) of subsection 1, the agency may expend or otherwise commit money for the purposes of subsection 1 outside the boundaries of the redevelopment area.

Sec. 15. Section 6 of Senate Bill No. 92 of this session is hereby repealed.

Sec. 16. This act becomes effective on July 1, 2011.

Senator Horsford moved the adoption of the amendment.

Remarks by Senator Horsford.

Senator Horsford requested that his remarks be entered in the Journal.

Senate Bill No. 360 as amended by Amendment No. 925 requires public agencies that use redevelopment funds for redevelopment projects being built as a public work to submit an employment plan as specified in statute. In addition, this bill provides that certain private developers who construct a redevelopment project for the purpose of conveying or leasing the property to an unknown owner or lessee may voluntarily submit an employment plan. This bill also requires employment plans to include certain information about preferences for hiring persons living within the redevelopment area.

Senate Bill No. 360 requires an agency that proposes to provide an incentive to certain developers to withhold payment of 10 percent of the incentive unless at least 15 percent of the employees of contractors, subcontractors, vendors and suppliers of the developer are residents of the redevelopment area.

This bill allows for redevelopment plans adopted before January 1, 1991, and any amendments to the redevelopment plan, to terminate on various timeframes based upon a certain population threshold. This bill also requires an agency of a city whose population exceeds a certain threshold, on or after July 1, 2011, to use one-half of its low-income housing set-aside funds for economic development, renewable energy projects, education projects and the development of affordable housing within an enterprise community specified in statute.

Amendment No. 948.

"SUMMARY—Makes various changes concerning the protection of children. (BDR 38-3)"

"AN ACT relating to children; requiring the nomination and appointment of a person who is legally responsible for the health psychiatric care of a child who is placed in the custody of an agency which provides child welfare services; establishing the duties and responsibilities of such a legally responsible person; imposing criminal and civil liability on a legally responsible person for certain acts committed by or harm occurring to a child under certain circumstances; revising provisions governing the provision of mental health psychiatric care to children in the custody of agencies which provide child welfare services; revising provisions relating to the health care records of children who are placed in the custody of such an agency; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, each agency which provides child welfare services is required to establish appropriate policies to ensure that children in the custody of the agency have timely access to clinically appropriate psychotropic medication. (NRS 432B.197) Sections 2-7 of this bill require the appointment of a person who is legally responsible for the health psychiatric care of each child who is in the custody of such an agency and who requires mental health psychiatric care, including making all decisions concerning services, treatment and psychotropic medications provided to such children.

Section 3 of this bill requires an agency which provides child welfare services to nominate a person who is legally responsible for the health psychiatric care of a child who is in the custody of the agency and who requires mental health psychiatric care. The court with jurisdiction over the child is required pursuant to section 7 of this bill to appoint a person who is legally responsible for the health psychiatric care of the child. The court may appoint the person nominated by the agency or may appoint any other person who the court determines is qualified to carry out the duties and responsibilities of a person who is legally responsible for the health psychiatric care of the child. To the extent that a parent or legal guardian of the child is able and willing to serve as the person who is legally responsible for the psychiatric care of the child, the parent or guardian must be nominated and appointed pursuant to this bill.

Section 4 of this bill requires the person who is legally responsible for the health psychiatric care of a child to provide written consent or, in writing, deny consent for each appointment or for a course of routine treatment for mental health psychiatric care of the child and to maintain current information concerning the medical history and the emotional, behavioral and educational needs of the child. Section 4 also requires the person who is legally responsible for the psychiatric care of a child to notify the
parent or legal guardian, if applicable, and the agency which provides child welfare services of each appointment.

Section 5 of this bill requires the person who is legally responsible for the health psychiatric care of a child to approve or deny the administration of each psychotropic medication recommended for the child and to provide notice of the approval or denial. Sections 5 and 9 of this bill prohibit the administration of a psychotropic medication to a child in the custody of an agency without consent from the person who is legally responsible for the psychiatric care of the child. Section 5.5 of this bill sets forth circumstances in which a child in the custody of an agency which provides child welfare services may be administered a psychotropic medication without the approval of the person who is legally responsible for the psychiatric care of the child, including in cases of emergency.

Section 6 of this bill requires that reasonable care be taken by a person who is legally responsible for the health care of a child and imposes criminal and civil liability for certain acts committed by or harm occurring to the child under certain circumstances.

Section 14 of this bill requires certain providers of health care to obtain written consent from a person who is legally responsible for the mental health psychiatric care of a child before providing psychiatric care to a child in the custody of an agency which provides child welfare services and requires the provider of health care to keep a copy of the consent in the health care record of the child.

Senator Horsford moved the adoption of the amendment.
Remarks by Senator Horsford.

In the Executive Budget, the Governor recommends dissolving various departments and reorganizing the remaining components under current State agencies. Senate Bill No. 427, as amended, makes the statutory changes necessary to implement the reorganization. The bill repeals sections of NRS 378 to provide for the dissolution of the Department of Cultural Affairs and the reorganization of the former Department's four divisions. The State Historic Preservation Office would be placed under the Department of Conservation and Natural Resources and the Division of State Library and Archives would be placed under the Department of Administration.

In addition to transferring the Nevada State Library and Archives Division to the Department of Administration, Senate Bill No. 427, as amended, also changes current State departments to divisions and merges the new divisions under the Department of Administration. This bill converts the Department of Personnel into the new Division of Human Resource Management; and reclassifies several positions within that function.

The bill provides for the Director of Administration to appoint an Administrator for each of the divisions and adds each division to the Department of Administration's Operating Fund for Administrative Services, an internal service fund.

This bill revises NRS 223 to provide that the Governor may appoint a Chief Information Officer of the State and designate the Administrator of the Division of Enterprise Information Technology Services as the State Chief Information Officer.

The bill restricts the powers and duties of the State Public Works Board, such that the Board will only be empowered to make recommendations concerning the priority of construction for the State's Capital Improvement Program, adopt regulations, and preside over certain appeals. Various other powers and duties of the Board are reassigned.
Senate Bill No. 427 provides for the creation of a Division of Tourism Administrator position appointed by the Director of the Department and responsible for the administration of the Division of Tourism.

The bill contains two supplemental appropriations to the Department of Cultural Affairs not provided for in the Executive Budget to offset lower than projected admission revenue from the State museums and the Division of Museums and History.

Sec. 35.1. Chapter 598 of NRS is hereby amended by adding thereto the provisions set forth as sections 35.2 to 35.95, inclusive, of this act.

Section 35.2 of chapter 475, Statutes of Nevada 2009, at page 2709:

Sec. 35.2. 1. Each organization for buying goods or services at a discount regulated by the provisions of this section, NRS 598.840 to 598.930, inclusive, and sections 35.3, 35.4 and 35.5 of this act shall apply for registration on the form prescribed by the Division.

2. At the time of application for registration, the applicant must pay to the Division an administrative fee of $25 and deposit the required security with the Division.

3. Upon receipt of the security in the proper form and the payment of the administrative fee required by this section, the Division shall issue a certificate of registration to the applicant. A certificate of registration:
   (a) Is not transferable or assignable; and
   (b) Expires 1 year after it is issued.

4. A registrant must renew a certificate of registration issued pursuant to this section before the certificate expires by submitting to the Division an application for the renewal of the certificate on a form prescribed by the Division.

Section 35.3 of chapter 475, Statutes of Nevada 2009, at page 2709:

Sec. 35.3. 1. Each registrant shall deposit with the Division:
   (a) A bond executed by a corporate surety approved by the Commissioner and licensed to do business in this State;
   (b) An irrevocable letter of credit for which the registrant is the obligor, issued by a bank whose deposits are federally insured; or
(c) A certificate of deposit in a financial institution which is doing business in this State and which is federally insured or insured by a private insurer approved pursuant to NRS 678.755. The certificate of deposit may be withdrawn only on the order of the Commissioner, except that the interest may accrue to the registrant.

2. The term of the bond, letter of credit or certificate of deposit, or any renewal thereof, must be not less than 1 year.

3. If the registrant deposits a bond, the registrant shall keep accurate records of the bond and the payments made on the premium. The records must be open to inspection by the Division during business hours. The registrant shall notify the Division not later than 30 days before the date of expiration of the bond and provide written proof of the renewal of the bond to the Division.

4. The Commissioner may reject any bond, letter of credit or certificate of deposit which fails to conform to the requirements of this section, NRS 598.840 to 598.930, inclusive, and sections 35.2, 35.4 and 35.5 of this act.

5. A registrant may change the form of security which he has deposited with the Division. If the registrant changes the form of the security, the Commissioner may retain for not more than 1 year any portion of the security previously deposited by the registrant as security for claims arising during the time the previous security was in effect.

6. If the amount of the deposited security falls below the amount required by this section, NRS 598.840 to 598.930, inclusive, and sections 35.2, 35.4 and 35.5 of this act for that security, the registrant shall be deemed not to be registered as required by section 35.2 of this act for the purposes of this section, NRS 598.840 to 598.930, inclusive, and sections 35.2, 35.4 and 35.5 of this act.

Sec. 35.4. 1. The security required to be deposited by a registrant pursuant to section 35.3 of this act must be held in trust for consumers injured by the bankruptcy of the registrant or the registrant's breach of any agreement entered into in his capacity as a registrant.

2. A consumer so injured may bring and maintain an action in any court of competent jurisdiction to recover against the security.

3. The Division may bring an action for interpleader against all claimants upon the security. If the Division brings such an action, the Division shall publish notice of the action at least once each week for 2 weeks in a newspaper of general circulation in the county in which the organization has its principal place of business. The Division may deduct its costs of the action, including the costs of the publication of the notice, from the amount of the security. All claims against the security have equal priority. If the security is insufficient to pay all the claims in full, the claims must be paid pro rata. If the registrant has posted a bond with the Division, the surety is then relieved of all liability under the bond.
4. The Division may, in lieu of bringing an action for interpleader pursuant to subsection 3, conduct a hearing to determine the distribution of the security to claimants. The Division shall adopt regulations to provide for adequate notice and the conduct of the hearing. If the registrant has posted a bond with the Division, distribution pursuant to this subsection relieves the surety of all liability under the bond.

5. If the security is sufficient to pay all claims against the security in full, the Division may deduct from the amount of the security, the cost of any investigation or hearing it conducted to determine the distribution of the security.

Section 35.5 of chapter 475, Statutes of Nevada 2009, at page 2710:
Sec. 35.5. 1. If no claims have been filed against the security deposited with the Division pursuant to section 35.3 of this act within 6 months after the registrant ceases to operate or his registration expires, whichever occurs later, the Commissioner shall release the security to the registrant and shall not audit any claims filed against the security thereafter by consumers.

2. If one or more claims have been filed against the security within 6 months after the registrant ceases to operate or his registration expires, whichever occurs later, the proceeds must not be released to the registrant or distributed to any consumer earlier than 1 year after the registrant ceases to operate or his registration expires, whichever occurs later.

3. For the purposes of this section, the Commissioner shall determine the date on which a registrant ceases to operate.

2. At the time of application for registration, the applicant must pay to the Division an administrative fee of $25 and deposit the required security with the Division.

Sec. 35.9. 1. The security required to be deposited by a registrant pursuant to section 35.8 of this act must be held in trust for consumers injured by the bankruptcy of the registrant or the registrant's breach of any agreement entered into in his capacity as a registrant.
2. A consumer so injured may bring and maintain an action in any court of competent jurisdiction to recover against the security.
3. The Division may bring an action for interpleader against all claimants upon the security. Assembly Bill No. 579.

Bill read third time.

Remarks by Senators Horsford, Schneider and Roberson.

Senator Horsford requested that the following remarks be entered in the Journal.

SENATOR HORSFORD:

Thank you, Mr. President. I think it is important to have some discussion on Assembly Bill No. 579. I invite my colleagues who are going to vote "no" to offer a final argument to the public as to why they are going to do so.

Regarding our State's budget, the truth is that the Supreme Court's decision made the already worst-case scenario a disaster. I want to thank my colleagues and the Governor who understand that reality. I want to thank them for coming to the table to find the middle ground and the balanced solution we have talked about from the beginning of the Session. No one got exactly
what he or she wanted. The sobering reality is that this budget saves what would have been a sinking ship. It funds education responsibly which is a victory for our State, but, at the same time, it would be a gross understatement to say that there is room for improvement.

Mr. President, I would like to commend the Governor. I did not know how he would respond or how he would react in the hours after that Supreme Court ruling. Initially, when we first convened I did not know where we would end up. But, despite the outcome, I am proud that the Governor took the helm of the situation, did not ignore the facts, and he did what a good Governor should do. He brought us together to resolve the State's problems in a responsible way, first, by helping us to understand both the short and long-term implications of that decision and, ultimately, he brought us together to try to reach an agreement that was fair and balanced to each side.

It is always hard to explain to people that it could have been worse. Right now, that is the truth. People may say the Democrats won or lost or the Republicans won or lost, that liberals and conservatives may be mad at their party for not holding the line. To the Senator, from Washoe District No. 4, I, also, have gotten my share of hate e-mails. I have gotten e-mails that have asked why I did not hold the line, and why I was willing to say "yes" to the agreement that was reached. There is a point where the politics ceases to matter in a situation. For me, that point is at education. This budget is not perfect, but it will maintain adequate funding for our schools, funding that this Legislature has restored with agreement with the Governor. We will have the funds to improve our crumbling schools. We will have safe students and teachers in already overcrowded classrooms. We will restore per pupil spending to reasonable levels. I am happy to vote "yes" on this budget to keep my promise to the Nevada families that we will prevent deep cuts to education because we were willing to find that middle ground and a balanced solution.

I urge the body's adoption and approval of Assembly Bill No. 579. I encourage those members to explain to the public why they support it or why they do not.

SENATOR SCHNEIDER:
Let me begin by saying, I will reluctantly and sadly, be voting for this budget. I am doing so because I do not want to disrespect and dismiss the hard work done by the Majority Leader and the members of the Finance and Revenue Committees.

However, in my 20th and final year of legislative service, I would not be honest with you or myself if I did not express my profound disappointment that yet another legislative session will end without making any significant advances in our schools or meaningful investment in our children.

Let us be clear and honest. We passed reforms that may allow us to identify and deal with the small number of underperforming teachers in our schools, but cut the pay of every teacher in Nevada. Where is the balance in that? How does that encourage smart and willing young people to pursue a career in education? Clearly, it does not.

How does a reduction in per pupil spending reflect a commitment to improve our children's learning? How does a budget that cuts spending in schools and universities reflect an investment in the youth of our State? It does not.

In that very nicely staged press conference with the Governor the other day, we announced a deal, not a plan, not a blueprint, not a vision for our future, but a deal. A phrase used when bargaining with a used car salesman, I fear we bought a clunker.

In this case, the deal was based purely on an arbitrary number set by the political winds, the swirling political winds of the day.

For months we have listened to the pleas of the education community, to parents with autistic children, to Nevadans who have to raise their children and care for their elderly parents, to health care givers, neglected and abused children's case workers, first responders and others.

Despite the economic hardships of the past several years, industry leaders throughout Nevada have stepped forward to offer support in responding to our needs and to investing in our State's future. Representatives from banking, health care, gaming, mining and technology all testified repeatedly, urging us to pass fair, stable and broad based taxes, but, instead, we made a deal.

Again, I will vote for this deal because, in this political environment, I have been told this is the best we can do.

Really? The best we can do? How sad.
SENATOR ROBERSON:
Since the Majority Leader invited some of us who may be voting "no" on this to speak, I will speak briefly, now, but I will speak at length when we get to the revenue bill because all of these bills, Senate Bill Nos. 503, 504, 505 and Assembly Bill Nos. 579 and 580 are tied together. You cannot do these unless you have the money to pay for them. I do not want you to think for a second that there are not people in this room who feel just as passionately as you do about these issues. I appreciate the invitation to speak. I will be voting "no" on this. I will speak at length on these issues when we get to the revenue bill.

The following amendment was proposed by the Committee on Commerce, Labor and Energy:
Amendment No. 903.
"SUMMARY—Revises various provisions relating to the regulation of the insurance industry. (BDR 57-472)"
"AN ACT relating to insurance; requiring the Commissioner of Insurance to adopt regulations relating to electronic signatures, records and payments; revising provisions relating to the external review of adverse determinations of health carriers; clarifying the circumstances under which an actuary is not liable for damages with respect to the actuary's opinion; authorizing the electronic transmission of fingerprints with an application for a license; revising provisions relating to the licensing of adjusters; revising provisions relating to surplus lines insurance; revising provisions relating to the use of credit information; requiring that certain policies of group insurance be filed with and approved by the Commissioner; revising provisions relating to annuities, pure endowment contracts and policies of life insurance; revising provisions relating to evidence of insurance for motor vehicles; revising provisions relating to disciplinary action by the Commissioner; revising and clarifying provisions relating to employee leasing companies; providing for coverage by the Nevada Life and Health Insurance Guarantee Association for certain unallocated annuity contracts owned by certain governmental retirement plans; providing a penalty; and providing other matters properly relating thereto."
Legislative Counsel's Digest:
Existing law provides a set of procedures for the external review of an adverse determination by a managed care organization. (NRS 695G.241-695G.310) Sections 2, 3, 8, 9, 79-118.8, 123-127 and 129-131 of this bill amend the external review process to comply with the federal Patient Protection and Affordable Care Act (Public Law 111-148) and enact other related provisions necessary to comply with the minimum standards prescribed by federal law.
Existing law limits the liability of a qualified actuary for damages relating to the actuary's opinion regarding an insurer who offers life insurance. (NRS 681B.250) Section 6 of this bill clarifies that this limitation of liability applies not only for life insurance but for any opinion an actuary issues pursuant to chapter 681B of NRS or any regulations adopted thereto.
Existing law requires the Commissioner of Insurance to adopt regulations governing the use of certain electronic methods relating to insurance. (NRS 679B.136, 685A.210) Sections 1 and 29 of this bill expand the electronic methods that the Commissioner can allow the use of for insurance transactions. Additionally, sections 10, 11, 20, 44-47 and 122 of this bill allow for the fingerprints required to be submitted with an application for a license pursuant to the Nevada Insurance Code to be submitted electronically.
Existing law requires an applicant for a license as an insurance adjuster to be a resident of this State with certain exceptions. (NRS 684A.070) On December 9, 2009, the United States District Court for the District of Nevada held that the residency requirement to obtain a license as an insurance adjuster violates the Privileges and Immunities Clause of the United States Constitution. (*Reitz v. Kipper*, 674 F.Supp.2d 1194 (D. Nev. 2009))

**Sections 15-26** of this bill revise provisions relating to the licensing of insurance adjusters to remove the residency requirement. **Sections 15-26** also require that an applicant either pass an examination in this State before receiving a license as an insurance adjuster or, if not a resident of this State, be currently licensed in a state that requires an examination before licensure.

Existing law governs trade practices and frauds relating to the insurance business and gives the Commissioner exclusive jurisdiction to regulate trade practices in the insurance business. (Chapter 686A of NRS) **Section 30** of this bill requires an insurer that uses credit information to provide reasonable exceptions to their rates in certain circumstances.

Under existing law, an insurer may not market certain insurance products without first filing the product with the Commissioner and receiving the Commissioner's approval. (NRS 687B.120) **Section 35** of this bill also requires any group insurance policies to be issued pursuant to NRS 688B.030 or 689B.026 to be filed with and approved by the Commissioner before being marketed.

Under existing law, an employee leasing company is deemed to be the employer of its leased employees for the purposes of sponsoring and maintaining any benefit plans. (NRS 616B.691) In 2007, this section was amended to clarify that such a company is also deemed to be the employer for the purposes of the Employee Retirement Income Security Act of 1974 (ERISA). (Chapter 536, Statutes of Nevada 2007, p. 3339) On August 6, 2010, the United States District Court for the District of Nevada held that NRS 616B.691 was preempted by federal law to the extent that it declares the status of any benefit plans for purposes of ERISA. (*Payroll Solutions Group, Ltd. v. Nevada*, No. 02-CV-06-00927-JCM-RJJ (D. Nev. Aug. 6, 2010)) **Section 128** of this bill reverses the changes made to NRS 616B.691 during the 2007 Legislative Session. In addition, **section 128** clarifies that the provisions of subsection 1 of that section apply only for the purposes of chapters 612 and 616A-617 of NRS. **Section 128** also clarifies that the provisions of subsection 2 of that section do not affect the existing employer-employee relationship between a leased employee and a client company.

**Sections 33.1, 33.3 and 33.7** of this bill require the Nevada Life and Health Insurance Guarantee Association to provide coverage for certain unallocated annuity contracts owned by a governmental retirement plan under certain circumstances. **Section 33.7** provides that such coverage must not exceed $100,000 in the aggregate for each participant, regardless of the number of contracts.

2. The term includes a policy of life insurance which incorporates long-term care insurance if the policy of life insurance may incorporate the long-term care insurance pursuant to section 36 of this act.

Sec. 5. NRS 681B.200 is hereby amended to read as follows:

681B.200 As used in NRS 681B.200 to 681B.260, inclusive, "qualified actuary" means a member in good standing of the American Academy of Actuaries, or a successor organization approved by the Commissioner who meets the requirements set forth in the organization's regulations. Sec. 5.5. NRS 681B.210 is hereby amended to read as follows:

681B.210 Every insurer offering life insurance doing business in this state shall annually submit the opinion of a qualified actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the Commissioner by regulation are computed appropriately, are based on assumptions which satisfy contractual provisions, are consistent with prior reported amounts, and comply with applicable laws of this state. The Commissioner by regulation may further define or enlarge the scope of this opinion.

Sec. 6. NRS 681B.250 is hereby amended to read as follows:

681B.250 1. Except in a case of fraud or willful misconduct, a qualified actuary who is appointed by an insurer to issue an opinion pursuant to this chapter or any regulation adopted pursuant thereto is not liable for damages to any person other than an affected insurer or the Commissioner for any act, error, omission, decision or conduct with respect to the actuary's opinion.

2. Disciplinary action by the Commissioner against an actuary must be prescribed by regulation by the Commissioner.

Sec. 7. Chapter 683A of NRS is hereby amended by adding thereto the provisions set forth as sections 8 and 9 of this act.

Sec. 8. 1. An independent review organization must be approved by the Commissioner to be eligible to be assigned to conduct external reviews.

2. In order to be eligible for approval or reapproval by the Commissioner to conduct external reviews, an independent review organization:

(a) Except as otherwise provided in this section, must be accredited by a nationally recognized private accrediting entity which the Commissioner has determined has standards for the accreditation of independent review organizations that are equivalent to or exceed the minimum qualifications for independent review organizations established under section 9 of this act; and

(b) Must submit an application in accordance with subsection 4.
3. The Commissioner shall develop an application form for the initial approval and reapproval of an independent review organization to conduct external reviews.

4. An independent review organization wishing to be approved or reapproved to conduct external reviews must submit the application form and include with the form all documentation and information necessary for the Commissioner to determine if the independent review organization satisfies the minimum qualifications established under section 9 of this act.

5. The Commissioner may approve an independent review organization that is not accredited by a nationally recognized private accrediting entity if there are no acceptable nationally recognized private accrediting entities providing accreditation of independent review organizations.

6. The Commissioner may charge any applicable fee which an independent review organization must submit to the Commissioner with its application for initial approval or reapproval.

7. An approval or reapproval is effective for 2 years unless the Commissioner determines before its expiration that the independent review organization does not satisfy the minimum qualifications established under section 9 of this act.

8. Whenever the Commissioner determines that an independent review organization has lost its accreditation or no longer satisfies the minimum requirements established under section 9 of this act, the Commissioner shall terminate the approval of the independent review organization and remove the independent review organization from the list of independent review organizations approved to conduct external reviews that is maintained by the Commissioner pursuant to subsection 9.

9. The Commissioner shall maintain and periodically update a list of approved independent review organizations.

10. The Commissioner may adopt regulations to carry out the provisions of this section.

11. As used in this section, "independent review organization" has the meaning ascribed to it in NRS 695G.018.

Sec. 9. 1. To be approved under section 8 of this act to conduct external reviews, an independent review organization shall have and maintain written policies and procedures that govern all aspects of both the standard external review process and the expedited external review process which include, without limitation:

(a) A quality assurance mechanism which ensures:

(1) That an external review is conducted within the specified time frames and required notices are provided in a timely manner;

(2) The selection of qualified and impartial clinical reviewers to conduct external reviews on behalf of the independent review organization, suitable matching of reviewers to specific cases and that the independent review organization employs or contracts with an adequate number of clinical reviewers to meet this requirement;

(d) Have no history of disciplinary actions or sanctions, including loss of staff privileges or participation restrictions, that have been taken or are pending by any hospital, governmental agency or unit, or regulatory body that raise a substantial question as to the clinical reviewer's physical, mental or professional competence or moral character.

3. In addition to the requirements set forth in subsection 1, an independent review organization may not own or control, be a subsidiary of or in any way be owned or controlled by, or exercise control with a health benefit plan, a national, state or local trade association of health benefit plans, or a national, state or local trade association of health care providers.

4. 6. The Commissioner shall initially review and periodically review the standards of a nationally recognized private accrediting entity for accreditation of independent review organizations to determine whether the entity's standards are equivalent to or exceed the minimum qualifications established in this section. The Commissioner may accept a review conducted by the National Association of Insurance Commissioners for the purpose of the determination under this subsection and subsection 7.

7. Upon request, a nationally recognized private accrediting entity shall make its current standards for the accreditation of independent review organizations available to the Commissioner or to the National Association of Insurance Commissioners in order for the Commissioner to determine if the entity's standards are equivalent to or exceed the minimum qualifications established in this section. The Commissioner may exclude any private accrediting entity that is not reviewed by the National Association of Insurance Commissioners.

8. An independent review organization must be unbiased. An independent review organization shall establish and maintain written procedures to ensure that it is unbiased in addition to any other procedures required under this section.

A producer of insurance may qualify for a license in one or more of the lines of authority permitted by statute or regulation, including:

(g) Credit insurance, including credit life, credit disability, accident and health, credit property, credit unemployment, mortgage life, mortgage guaranty, mortgage disability, guaranteed asset protection, and any other form of insurance offered in connection with an extension of credit that is limited to wholly or partially extinguishing the obligation which the Commissioner determines should be considered as limited-line credit insurance.

(h) Personal lines, consisting of automobile and motorcycle insurance and residential property insurance, including coverage for flood, of personal watercraft and of excess liability, written over one or more underlying policies of automobile or residential property insurance.

(i) Fixed annuities, including, without limitation, indexed annuities, as a limited line.

(k) Rental car agency as a limited line.

(l) Continuous care coverage, which includes health insurance, as set forth in paragraph (b), and may include insurance for workers’ compensation.

(k) Crop as a limited line.

2. A license as a producer of insurance remains in effect unless revoked, suspended or otherwise terminated if a request for a renewal is submitted on or before the date for the renewal specified on the license, all applicable fees for renewal and a fee established by the Commissioner of not more than $15 for deposit in the Insurance Recovery Account are paid for each license and each authorization to transact business on behalf of a business organization licensed pursuant to subsection 2 of NRS 683A.251, and any requirement for education or any other requirement to renew the license is satisfied by the date specified on the license for the renewal. A producer of insurance may submit a request for a renewal of his or her license within 30 days after the date specified on the license for the renewal if the producer of insurance
otherwise complies with the provisions of this subsection and pays, in addition to any fee paid pursuant to this subsection, a penalty of 50 percent of all applicable renewal fees, except for any fee required pursuant to NRS 680C.110. A license as a producer of insurance expires if the Commissioner receives a request for a renewal of the license more than 30 days after the date specified on the license for the renewal. A fee paid pursuant to this subsection is nonrefundable.

3. A natural person who allows his or her license as a producer of insurance to expire may reapply for the same license within 12 months after the date specified on the license for a renewal without passing a written examination or completing a course of study required by paragraph (c) of subsection 1 of NRS 683A.251, but a penalty of twice all applicable renewal fees, except for any fee required pursuant to NRS 680C.110, is required for any request for a renewal of the license that is received after the date specified on the license for the renewal.

4. A licensed producer of insurance who is unable to renew his or her license because of military service, extended medical disability or other extenuating circumstance may request a waiver of the time limit and of any fine or sanction otherwise required or imposed because of the failure to renew.

5. A license must state the licensee's name, address, personal identification number, the date of issuance, the lines of authority and the date of expiration and must contain any other information the Commissioner considers necessary. A resident producer of insurance shall maintain a place of business in this State which is accessible to the public and where the resident producer of insurance principally conducts transactions under his or her license. The place of business may be in his or her residence. The license must be conspicuously displayed in an area of the place of business which is open to the public.

6. A licensee shall inform the Commissioner of each change of location from which the licensee conducts business as a producer of insurance and each change of business or residence address, in writing or by other means acceptable to the Commissioner, within 30 days after the change. If a licensee changes the location from which the licensee conducts business as a producer of insurance or his or her business or residence address without giving written notice and the Commissioner is unable to locate the licensee after diligent effort, the Commissioner may revoke the license without a hearing. The mailing of a letter by certified mail, return receipt requested, addressed to the licensee at his or her last mailing address appearing on the records of the Division, and the return of the letter undelivered, constitutes a diligent effort by the Commissioner.

Sec. 12.5. NRS 683A.367 is hereby amended to read as follows:

2. With respect to contracts providing for flexible considerations, the minimum nonforfeiture amount for any time at or before the commencement of any annuity payments is equal to an accumulation of 87.5 percent of the gross considerations up to such time at a rate of interest calculated pursuant to subsection 3, which must be decreased by the sum of:

(b) An annual charge in the amount of $50, accumulated at rates of interest calculated pursuant to subsection 3;

(c) Any premium tax paid by the company for the contract, accumulated at rates of interest calculated pursuant to subsection 3; and

The net considerations for a given contract year used to define the minimum nonforfeiture amount must be an amount that is equal to 87.5 percent of the gross considerations credited to the contract during that contract year.

3. For the purpose of this section, the rate of interest used to determine the minimum nonforfeiture amounts must be an annual rate of interest determined as the lesser of 3 percent per annum or a rate specified in the contract if the rate is calculated in accordance with regulations adopted by the Commissioner, except that at no time may the resulting rate be less than 1 percent per annum.

688A.3633 1. For contracts which provide cash surrender benefits, such benefits available before maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid before the time of cash surrender, reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate of not more than 1 percent higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. Any cash surrender benefit shall not be less than the minimum
nonforfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

   (b) A surrender charge may not be imposed on or past the maturity date of the annuity contract; and
   (c) For annuity contracts with one or more renewable guaranteed periods, a new surrender charge schedule may be imposed for each new guaranteed period if:
      (1) The surrender charge is zero at the end of each guaranteed period and remains zero for at least 30 days;
      (2) The contract provides for continuation of the contract without surrender charges unless the contract holder specifically elects a new guaranteed period with a new surrender charge schedule; and
      (3) The renewal period does not exceed 10 years and the maturity date complies with NRS 688A.3637.

3. An annuity contract that provides for flexible considerations may have separate surrender charge schedules associated with each consideration.

   (a) In the case of annuity contracts issued before January 1, 2012, under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election is permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant’s 70th birthday or the 10th anniversary of the contract, whichever is later.
   (b) In the case of annuity contracts issued on or after January 1, 2012, the maturity date shall be deemed to be the latest date permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant’s 70th birthday or the 10th anniversary of the contract, whichever is later.

Sec. 51. NRS 689B.080 is hereby amended to read as follows:
689B.080 Any insurer authorized to write health insurance in this state, including a nonprofit corporation for hospital, medical or dental services that has a certificate of authority issued pursuant to chapter 695B of NRS, may issue blanket accident and health insurance. No blanket policy, except as provided in subsection 5 of NRS 687B.120, may be issued or delivered in
this state unless a copy of the form thereof has been filed in accordance with NRS 687B.120. Every blanket policy must contain provisions which in the opinion of the Commissioner are not less favorable to the policyholder and the individual insured than the following:

1. A provision that the policy, including endorsements and a copy of the application, if any, of the policyholder and the persons insured constitutes the entire contract between the parties, and that any statement made by the policyholder or by a person insured is in the absence of fraud a representation and not a warranty, and that no such statements may be used in defense to a claim under the policy, unless contained in a written application. The insured or the beneficiary or assignee of the insured has the right to make a written request to the insurer for a copy of an application, and the insurer shall, within 15 days after the receipt of a request at its home office or any branch office of the insurer, deliver or mail to the person making the request a copy of the application. If a copy is not so delivered or mailed, the insurer is precluded from introducing the application as evidence in any action based upon or involving any statements contained therein.

2. A provision that written notice of sickness or of injury must be given to the insurer within 20 days after the date when the sickness or injury occurred. Failure to give notice within that time does not invalidate or reduce any claim if it is shown that it was not reasonably possible to give notice and that notice was given as soon as was reasonably possible.

3. A provision that the insurer will furnish to the claimant or to the policyholder for delivery to the claimant such forms as are usually furnished by it for filing proof of loss. If the forms are not furnished before the expiration of 15 days after giving written notice of sickness or injury, the claimant shall be deemed to have complied with the requirements of the policy as to proof of loss upon submitting, within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

4. A provision that in the case of a claim for loss of time for disability, written proof of the loss must be furnished to the insurer within 90 days after the commencement of the period for which the insurer is liable, and that subsequent written proofs of the continuance of the disability must be furnished to the insurer at such intervals as the insurer may reasonably require, and that in the case of a claim for any other loss, written proof of the loss must be furnished to the insurer within 90 days after the date of the loss. Failure to furnish such proof within that time does not invalidate or reduce any claim if it is shown that it was not reasonably possible to furnish proof and that the proof was furnished as soon as was reasonably possible.

5. A provision that all benefits payable under the policy other than benefits for loss of time will be payable immediately upon receipt of written proof of loss, and that, subject to proof of loss, all accrued benefits payable under the policy for loss of time will be paid not less frequently than monthly during the continuance of the period for which the insurer is liable, and that
any balance remaining unpaid at the termination of that period will be paid immediately upon receipt of proof.

6. A provision that the insurer at its own expense has the right and opportunity to examine the person of the insured when and so often as it may reasonably require during the pendency of claim under the policy and also the right and opportunity to make an autopsy where it is not prohibited by law.

7. A provision, if applicable, setting forth the provisions of NRS 689B.035.

8. A provision for benefits for expense arising from care at home or health supportive services if that care or service was prescribed by a physician and would have been covered by the policy if performed in a medical facility or facility for the dependent as defined in chapter 449 of NRS.

The following amendment was proposed by the Committee on Education:
Amendment No. 926.
"SUMMARY—Creates the Teachers and Leaders Council of Nevada. (BDR 34-873)"

"AN ACT relating to education; creating the Teachers and Leaders Council of Nevada; prescribing the membership and duties of the Council; requiring the State Board of Education to establish a statewide performance evaluation system for teachers and administrators; revising provisions governing the policies for the evaluation of teachers and administrators; revising the designations required of the evaluations of teachers and administrators; making an appropriation; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**
Sections 4-6 of this bill create the Teachers and Leaders Council of Nevada and prescribe the membership and duties of the Council. **Section 6** requires the Council to make recommendations to the State Board of Education for the establishment of a statewide performance evaluation system for teachers and administrators employed by school districts.

Existing law requires the automated system of accountability information for Nevada to track the achievement of pupils over time and to identify which teachers [and paraprofessionals] are assigned to individual pupils. The information is required to be considered, but must not be the sole criterion, in evaluating the performance of or taking disciplinary action against an individual teacher [or paraprofessional] or other employee. (NRS 386.650) Existing law also requires the board of trustees of each school district to develop a policy for the evaluation of teachers and administrators pursuant to which the performance of an individual teacher or administrator is designated as "satisfactory" or "unsatisfactory." (NRS 391.3125, 391.3127) **Section 7** of this bill requires the State Board of Education, based upon the recommendations of the Council, to establish a statewide performance evaluation system for teachers and administrators employed by school districts. Effective July 1, 2013, the statewide performance evaluation system will require the evaluation of an individual teacher or administrator as "highly effective," "effective," "minimally effective" or "ineffective." [Also effective July 1, 2013, section 2 of this bill] Assembly Bill No. 229 of this session, which was enacted by the Legislature on June 2, 2011, requires that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for at least 50 percent of the evaluations of teachers and administrators. **Sections 2**
and 7 of this bill make conforming changes on the use of pupil achievement data in the evaluation of teachers and administrators as the requirements on the use of that data contained in Assembly Bill No. 229. Sections 8.5 and 9.5 of this bill require the policies for the evaluations of teachers and administrators employed by school districts to comply with the statewide performance evaluation system established by the State Board.

Until the implementation of the statewide performance evaluation system, sections 8 and 9 of this bill provide that the policies for the evaluations of teachers and administrators employed by school districts must require that certain information on pupil achievement which is maintained by the automated system of accountability information for Nevada account for a significant portion of the evaluation, as determined by the board of trustees.

Assembly Bill No. 229 of this session, provides that if the written evaluation of a probationary teacher or probationary administrator states that the overall performance of the teacher or administrator has been designated as "unsatisfactory," the evaluation must include a written statement which states that if the teacher or administrator has received two evaluations for the school year which designate his or her performance as "unsatisfactory" and the teacher or administrator has another evaluation remaining in the school year, the teacher or administrator may request that the remaining evaluation be conducted by another administrator. Section 10.3 of this bill amends Assembly Bill No. 229 to provide that the probationary teacher or probationary administrator may make such a request if the teacher or administrator receives an "unsatisfactory" evaluation on the first or second evaluation, or both evaluations. Effective on July 1, 2013, section 10.4 of this bill amends Assembly Bill No. 229 to provide that the probationary teacher or probationary administrator may make such a request for an outside evaluator if he or she receives an evaluation of "minimally effective" or "ineffective" on the first or second evaluation, or both evaluations.

Section 10.5 of this bill makes an appropriation to the Department of Education for the costs associated with the Teachers and Leaders Council of Nevada created by section 5.

2. The board of trustees of each school district shall:

(a) Adopt and maintain the program prescribed by the Superintendent of Public Instruction pursuant to subsection 3 for the collection, maintenance and transfer of data from the records of individual pupils to the automated system of information, including, without limitation, the development of plans for the educational technology which is necessary to adopt and maintain the program;

      (3) Individual schools and school districts; and
      (4) Programs and financial information;
   (h) Provide technical assistance to each school district to ensure that the data from each public school in the school district, including, without limitation, each charter school and university school for profoundly gifted pupils located within the school district, is compatible with the automated system of information and comparable to the data reported by other school districts; and
   (i) Provide for the analysis and reporting of the data in the automated system of information.

4. The Department shall establish, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, a mechanism by which persons or entities, including, without limitation, state officers who are members of the Executive or Legislative Branch, administrators of public schools and school districts, teachers and other educational personnel, and parents and guardians, will have different types of access to the accountability information contained within the automated system to the extent that such information is necessary for the performance of a duty or to the extent that such information may be made available to the general public without posing a threat to the confidentiality of an individual pupil.

5. The Department may, to the extent authorized by the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, and any regulations adopted pursuant thereto, enter into an agreement with the

Sec. 10. NRS 391.3197 is hereby amended to read as follows:

391.3197 1. A probationary employee is employed on a contract basis for two 1-year periods and has no right to employment after either of the two probationary contract years.

2. The board shall notify each probationary employee in writing on or before May 1 of the first and second school years of the employee's probationary period, as appropriate, whether the employee is to be reemployed for the second year of the probationary period or for the next school year as a postprobationary employee. The employee must advise the board in writing on or before May 10 of the first or second year of the employee's probationary period, as appropriate, of the employee's acceptance of reemployment. If a probationary employee is assigned to a school that operates all year, the board shall notify the employee in writing, in both the first and second years of the employee's probationary period, no later than 45 days before his or her last day of work for the year under his or her contract whether the employee is to be reemployed for the second year of the probationary period or for the next school year as a postprobationary employee. The employee must advise the board in writing within 10 days after the date of notification of his or her acceptance or rejection of reemployment for another year. Failure to advise the board of the employee's acceptance of reemployment constitutes rejection of the contract.

4. If a probationary employee receives notice pursuant to subsection 4 of NRS 391.3125 not later than March 1 of a potential decision not to reemploy him or her, the employee may request a supplemental evaluation by another administrator in the school district selected by the employee and the superintendent. Such an employee is entitled to be a postprobationary employee in the ensuing year of employment.

5. If a probationary employee is notified that the employee will not be reemployed for the second year of the employee's probationary period or the ensuing school year, his or her employment ends on the last day of the current school year. The notice that the employee will not be reemployed must include a statement of the reasons for that decision.

6. A new employee or a postprobationary teacher who is employed as an administrator shall be deemed to be a probationary employee for the purposes of this section and must serve a 2-year probationary period as an administrator in accordance with the provisions of this section. In the first biennium, the seventh member is appointed one member must be recommended by the Minority Leader of the Senate. In the next biennium, the seventh member is appointed one member must be recommended by the Minority Leader of the Assembly. The appointment continues to alternate authority of the Minority Leader of the Senate and the Minority Leader of the Assembly to make those recommendations alternates each biennium thereafter. Section 7 of this bill requires the Commission to provide oversight of compliance with Nevada
law relating to the activities of each state agency \textit{or political subdivision} with respect to the taxation, operation, safety and environmental regulation of mines and mining in this State. Section 7 also identifies particular state entities that are subject to the supervision of the Commission with respect to their activities related to mines and mining: (1) the Nevada Tax Commission and the Department of Taxation in the taxation of the net proceeds of minerals; (2) the Division of Industrial Relations of the Department of Business and Industry concerning the safe and healthful working conditions at mines; (3) the Commission on Mineral Resources and the Division of Minerals of the Commission; (4) the Bureau of Mines and Geology of the State of Nevada; and (5) the Division of Environmental Protection of the State Department of Conservation and Natural Resources in its activities concerning the reclamation of land used in mining. Sections 8 and 13-16 of this bill establish certain reports and other information that those entities are required to provide to the Commission. Section 11 of this bill authorizes the Commission to request the Legislative Commission to direct the Legislative Auditor to provide for a special audit or investigation of the activities of any state agency, board, bureau, commission or political subdivision in connection with the taxation, operation, safety and environmental regulation of mines and mining in this State. Section 12 of this bill provides that certain regulations of the Nevada Tax Commission, Administrator of the Division of Industrial Relations, Commission on Mineral Resources and the State Environmental Commission concerning mines and mining are not effective unless they are \textit{approved} by the Mining Oversight and Accountability Commission \textit{before being approved by the Legislative Commission}. Sections 12.5 and 12.7 of this bill revise provisions governing the calculation of net proceeds from certain mining operations conducted in this State.

During the 26th Special Session in 2010, the Legislature enacted a law imposing a fee on the filing of an affidavit of the work performed on or improvements made to a mining claim or an affidavit of the intent to hold a mining claim, if the person who holds the mining claim holds 11 or more mining claims in this State. (NRS 517.187) Section 16.3 of this bill repeals that law. Section 16.7 of this bill allows any person who paid that fee to receive a credit of the amount paid against any liability of the person for the state modified business tax or, if that is not practical, a refund of the amount paid.

Senator Leslie moved the adoption of the amendment.

Remarks by Senators Leslie and Kieckhefer.

Senator Leslie requested that the following remarks be entered in the Journal.

Senator Leslie:

Amendment No. 927 to Senate Bill No. 493 revises the process by which appointments are made to the Mining Oversight and Accountability Commission to require members to be recommended rather than directly appointed by the Majority Leader of the Senate, the Speaker of the Assembly and the Minority Leader of each House. The Governor would then make the actual appointment of the members from these recommendations.

The amendment removes the political subdivisions from the list of entities subject to oversight of compliance with Nevada law by the Mining Oversight and Accountability Commission.

The amendment establishes that the Mining Oversight and Accountability Commission shall review, rather than approve, certain permanent regulations adopted by the Nevada Tax Commission in order to become effective.

The amendment provides that the deduction for premiums for industrial insurance, and the actual cost of hospital and medical attention and accident benefits and group insurance for all employees, may not be claimed for purposes of calculating the net proceeds of minerals tax for
FY 2012 and FY 2013 only. Beginning in FY 2014, this deduction is reinstated for employees actually engaged in mining operations within the State of Nevada.

The amendment repeals the provisions of NRS 517.187, which is the Mining Claims Fee enacted during the Twenty-sixth Special Session, and establishes a mechanism to provide a refund or a credit against the Modified Business Tax for any fees already paid pursuant to this provision.

The amendment to Senate Bill No. 493 carries out the legislative policy decision to repeal the additional fee on mining claims enacted during the 2010 Twenty-Six Special Session and codified in the statutes as NRS 517.187. Because we have reached an agreement on the budget, we decided, as a matter of policy, that the collection of this additional fee on mining claims is no longer required at this time, and we are repealing the statute.

However, we want to emphasize that our policy decision was not made because of the recent decision by the Carson City district court finding the statute unconstitutional. We are confident that we would be successful on appeal in overturning the district court’s decision because the decision is contrary to the plain language of Article 10 of the Nevada Constitution. The decision also conflicts with the history of the 1989 constitutional amendment regarding the net proceeds tax, and it is inconsistent with the contemporaneous legislation enacted by this body in 1989 to implement the constitutional amendment.

That being said, we decided that the better policy choice at this time would be to repeal the mining claim fee statute because it is no longer required under the budget compromise. But, this legislative policy choice must not be interpreted as any type of concurrence with the district court’s legal conclusions because we adamantly disagree with those legal conclusions. Our decision to repeal the statute is based entirely on legislative policy. It is not based in any way on the constitutional challenges lodged against the statute.

SENATOR KIECKHEFER:
In Section 16.7 of the bill, it offers a refund or credit for anyone who paid the mining claim fee in the previous biennium. How much is being repaid to the mining industry?

SENATOR LESLIE:
The testimony for our fiscal staff indicated that $4.8 million has been paid. However, we heard from mining industry representatives that $8 million has been paid. We are trying to track down that discrepancy. The money for the mining claims fee is paid to the county recorders and they only have to report that to the State on a quarterly basis.

Amendment adopted.
Bill ordered adopted, re-engrossed and to third reading.

Remarks by Senators Denis and Horsford.
Senator Denis requested that the following remarks be entered in the Journal.

SENATOR DENIS:
Provisions concerning filing for office and for nominating and electing the elected members are effective for that purpose on January 1, 2012. The provisions affecting the appointed members are effective on January 8, 2013. The terms of all Board members who are incumbent on January 7, 2013, expire on that date. Sections of the bill dealing with the Board's mission and goals and the number and content of certain meetings are effective on January 1, 2013. All other provisions are effective on July 1, 2011. The Superintendent will be effective in March 2013. This is another one of the pieces of education reform that will help us towards our goal of making education better in Nevada. I urge your support.

SENATOR HORSFORD:
I want to commend the Chair of Education for his hard work and that of the Committee on this bill. This is a major reform initiative for K-12 education. To the governance structure, this is something members have attempted to accomplish before. This body unanimously approved legislation in 2009, which reflects many of the reforms which are now being considered by this Legislature. I believe in the provisions of the bill. I think that the Governor should have more of a say in control over the Superintendent for Public Instruction. That the governance of the State Board of Education matters. That is where the leadership is provided to our local school districts. I want to commend the Chair, the members of the Committee and all of the parties involved in the agreement on this bill, including the Governor.

The following amendment was proposed by the Committee on Finance:
Amendment No. 868.
"SUMMARY—Makes various changes regarding funding and autonomy of Nevada System of Higher Education. (BDR 31-1175)"
"AN ACT relating to the Nevada System of Higher Education; [creating the Nevada System of Higher Education Stabilization Account; requiring the preparation of separate budget for certain fees imposed by the System;] revising provisions governing the retention [and use] of certain appropriations to the System; [temporarily redirecting a portion of the taxes ad valorem levied in Clark and Washoe Counties to the System;] revising provisions related to capital improvements constructed by or on behalf of the System; [requiring the adoption of certain standards for measuring the preparation of pupils for college; requiring certain annual reports;] and providing other matters properly relating thereto."

Legislative Counsel's Digest:
| Section 2 of this bill creates the Nevada System of Higher Education Stabilization Account within the Fund to Stabilize the Operation of the State Government, requires the State Controller to deposit money reverted from the Nevada System of Higher Education at the close of the previous fiscal year into that Account and establishes a maximum allowed balance for the Account. Section 2 authorizes the Board of Regents of the University of |
Nevada to request an allocation from the Account to offset any reserves required to be set aside by the Nevada System of Higher Education.

Existing law requires the preparation of a budget for the Executive Department of the State Government. (NRS 352.150-352.246) Section 2 of this bill excludes from that budget the tuition charges and other fees assessed by the Board of Regents of the University of Nevada and requires the Board of Regents to present to the Legislature a separate budget for the expenditure of those proceeds.

Section 5 of this bill provides that the portion of any appropriations of money made to the Nevada System of Higher Education from the State General Fund that are not expended during a fiscal year will be retained by the System instead of being returned to the State General Fund, except for any amounts needed to maintain the maximum allowed balance for the Nevada System of Higher Education Stabilization Account.

Section 6 of this bill allows the Nevada System of Higher Education to transfer the money included in any appropriations made to the System among any of the budget accounts of the System.

Existing law authorizes a county to impose an ad valorem tax for capital projects in the amount of 5 cents per $100 of the assessed valuation of the county. (NRS 354.59815) Section 8 of this bill requires the distribution to the Nevada System of Higher Education of a portion of the proceeds of any such tax imposed during the next 2 fiscal years in a county whose population is 100,000 or more (currently Clark and Washoe Counties).

Existing law authorizes the State Public Works Board, upon the request of the head of a state agency, to provide certain services to the Nevada System of Higher Education with respect to capital improvements. (NRS 341.141, 341.155, 341.201) Sections 9-12 of this bill exclude the System from the provisions of chapter 341 of NRS and remove all references to the System from that chapter. Section 14 of this bill requires the Board of Regents of the University of Nevada to manage or provide for the management of the System's capital improvements. Section 15 of this bill requires the Board of Regents of the University of Nevada to adopt standards for measuring the preparation of pupils in
kindergarten through grade 12 to participate successfully in programs of higher education.

Section 16 of this bill requires the Board of Regents of the University of Nevada to prepare, for dissemination to the Governor and the Legislature, annual reports containing certain information regarding the preparation of students for college and the performance and budgets of the Nevada System of Higher Education.

Section 18 of this bill requires the distribution to the Nevada System of Higher Education of the portion of the property taxes levied for the next 2 fiscal years for operating purposes by Clark and Washoe Counties at the rate of 4 cents per $100 of assessed valuation.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [Chapter 353 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this act.] (Deleted by amendment.)

Sec. 2. [1. The Nevada System of Higher Education Stabilization Account is hereby created in the Fund to Stabilize the Operation of the State Government created by NRS 353.288.

2. Except as otherwise provided in subsection 3, the State Controller shall, after the close of the previous fiscal year and before the issuance of the State Controller's annual report, transfer from the State General Fund to the Nevada System of Higher Education Stabilization Account any money which was reverted from the Nevada System of Higher Education to the State General Fund at the close of the previous fiscal year. Money transferred pursuant to this subsection to the Nevada System of Higher Education Stabilization Account is hereby appropriated as a continuing appropriation solely for the purpose of authorizing the expenditure of the transferred money for the purposes set forth in this section.

3. The balance in the Nevada System of Higher Education Stabilization Account must not exceed 10 percent of the combined sum of:
(a) Money appropriated by the Legislature to the Nevada System of Higher Education for operating expenses; and
(b) Any revenue from taxes ad valorem approved by the Legislature for expenditure by the Nevada System of Higher Education.

4. Except as otherwise provided in subsection 3, the interest and income earned on the sum of:
(a) The money in the Nevada System of Higher Education Stabilization Account; and
(b) Unexpended appropriations made to the Nevada System of Higher Education Stabilization Account from the State General Fund,
must be credited to the Nevada System of Higher Education Stabilization Account. If the amount of such credit would cause the Account to exceed the maximum allowed balance in the Account established pursuant to subsection 3, the amount of such excess credit must be deposited for credit to
the Fund to Stabilize the Operation of the State Government or, if the amount of such excess credit would cause that Fund to exceed the maximum allowed balance in that Fund established pursuant to subsection 3 of NRS 353.288, the amount of such excess credit must be deposited for credit to the State General Fund.

5. The money in the Nevada System of Higher Education Stabilization Account must not be used to replace or supplant money otherwise available from other sources for the operation of the Nevada System of Higher Education.

6. The money in the Nevada System of Higher Education Stabilization Account may only be allocated by the Legislature or, if the Legislature is not in session, by the Interim Finance Committee pursuant to subsection 7, 8 or 9.

7. If the Board of Regents of the University of Nevada is required to set aside any reserves pursuant to NRS 353.225 or other specific statute and the Legislature is in session, the Board of Regents may submit a request for an allocation from the Nevada System of Higher Education Stabilization Account to the Director of the Legislative Counsel Bureau for transmission to the Legislature. If the Legislature finds that an allocation should be made from the Nevada System of Higher Education Stabilization Account, the Legislature shall by resolution establish the amount and purpose of the allocation and direct the State Controller to transfer that amount to the Nevada System of Higher Education. The State Controller shall thereupon make the transfer.

8. If the Board of Regents of the University of Nevada is required to set aside any reserves pursuant to NRS 353.225 or other specific statute and the Legislature is not in session, the Board of Regents may submit a request for an allocation from the Nevada System of Higher Education Stabilization Account to the State Board of Examiners. The State Board of Examiners shall consider the request and shall, if it finds that an allocation should be made, recommend the amount of the allocation to the Interim Finance Committee for its independent evaluation and action. The Interim Finance Committee is not bound to follow the recommendations of the State Board of Examiners.

9. If the Interim Finance Committee, after independent determination, finds that an allocation should and may lawfully be made from the Nevada System of Higher Education Stabilization Account, the Committee shall by resolution establish the amount and purpose of the allocation and direct the State Controller to transfer that amount to the Nevada System of Higher Education. The State Controller shall thereupon make the transfer. In acting upon a request for an allocation, the Interim Finance Committee shall consider, among other things:

(a) The need for the allocation; and
(b) The intent of the Legislature in creating the Nevada System of Higher Education Stabilization Account.
10. An allocation to offset any reserves required to be set aside by the Board of Regents of the University of Nevada pursuant to NRS 353.225 or other specific statute must be made from the Nevada System of Higher Education Stabilization Account in accordance with this section before any allocation is made from the Fund to Stabilize the Operation of the State Government for the same purpose. No allocation may be made from the Fund to Stabilize the Operation of the State Government to offset any reserves required to be set aside by the Board of Regents of the University of Nevada pursuant to NRS 353.225 or other specific statute until all money which is available in the Nevada System of Higher Education Stabilization Account has been allocated. [Deleted by amendment.]

Sec. 3. [Notwithstanding any other statutory provision to the contrary:

1. The proceeds of any tuition charges, registration fees and other fees assessed against students by the Board of Regents of the University of Nevada, and the expenditure of such proceeds, must be excluded from each budget prepared for the Executive Department of the State Government pursuant to NRS 353.150 to 353.245, inclusive.

2. The Board of Regents of the University of Nevada shall submit to the Legislature in the same format as the proposed executive budget a separate budget for the expenditure of the proceeds of any tuition charges, registration fees and other fees assessed against students by the Board of Regents. [Deleted by amendment.]

Sec. 4. [NRS 353.150 is hereby amended to read as follows:

353.150 NRS 353.150 to 353.246, inclusive, and section 3 of this act may be cited as the State Budget Act. [Deleted by amendment.]

These deposits must be made to work program accounts directly or to other budget accounts.

2. Except for the balance in any proprietary fund and appropriated or authorized reserves, any balance remaining at the end of a fiscal year in a budget account of an agency, department or institution of the State of Nevada, whether or not authorized for expenditure under a work program, reverts to the source of funding supporting the agency, department or institution. If that source of funding is federal money or a source of revenue the use of which is restricted by statute, then the balance may be authorized for expenditure under a work program for the subsequent fiscal year in accordance with the provisions of this chapter.

3. No provision of this chapter may be construed to authorize or direct the transfer, expenditure or reversion of any money received from the Federal Government contrary to the conditions upon which that money was received or to any federal law or regulation respecting the accountability therefor.
4. "Except as otherwise provided in subsection 5, this section does not apply to the Board of Regents of the University of Nevada and the Nevada State Museum.

5. Any sums appropriated to the Nevada System of Higher Education do not lapse to the State General Fund at the end of any fiscal year except for such amounts as may be necessary to maintain the maximum allowed balance in the Nevada System of Higher Education Stabilization Account.

Sec. 6. [NRS 353.255 is hereby amended to read as follows:

2. Any sums appropriated to the Nevada System of Higher Education may be transferred among the various budget accounts of the Nevada System of Higher Education in the same manner and within the same limits as allowed for revisions of work programs in NRS 353.220.

Sec. 7. [NRS 353.288 is hereby amended to read as follows:

353.288 1. The Fund to Stabilize the Operation of the State Government is hereby created as a special revenue fund. (a) Forty percent of the unrestricted balance of the State General Fund, as of the close of the previous fiscal year, which remains after subtracting an amount equal to 7 percent of all appropriations made from the State General Fund during that previous fiscal year for the operation of all departments, institutions and agencies of State Government and for the funding of schools; and

(b) Commencing with the fiscal year that begins on July 1, 2011, 1 percent of the total anticipated revenue for the fiscal year in which the transfer will be made, as projected by the Economic Forum for that fiscal year pursuant to paragraph (e) of subsection 1 of NRS 353.228 and as adjusted by any legislation enacted by the Legislature that affects state revenue for that fiscal year.

6. The State Board of Examiners shall consider a request made pursuant to subsection 5 and shall, if it finds that a transfer should be made, recommend the amount of the transfer to the Interim Finance Committee for its independent evaluation and action. The Interim Finance Committee is not bound to follow the recommendation of the State Board of Examiners.

7. If the Interim Finance Committee finds that a transfer recommended by the State Board of Examiners should and may lawfully be made, the Committee shall by resolution establish the amount and direct the State Controller to transfer that amount to the State General Fund. The State Controller shall thereupon make the transfer.

8. In addition to the manner of allocation authorized pursuant to subsections 5, 6 and 7, the money in the Fund to Stabilize the Operation of the State Government may be allocated directly by the Legislature to be used for any other purpose.] (Deleted by amendment.)

Sec. 8. [NRS 354.59815 is hereby amended to read as follows:]

(II) Sixty percent of those proceeds to the State Treasurer for deposit in the State Highway Fund for administration pursuant to subsection 7 of NRS 408.235.

3. The board of county commissioners shall not reduce the rate of any tax levied pursuant to the provisions of subsection 1 without the approval of the State Board of Finance and each of the local governments that receives a portion of the tax, except that, if a local government declines to receive its portion of the tax in a particular year the levy may be reduced by the amount that local government would have received. Sec. 17.  NRS 463.385 is hereby amended to read as follows:
463.385  1.  In addition to any other license fees and taxes imposed by
this chapter, there is hereby imposed upon each slot machine operated in this
State an annual excise tax of $250. If a slot machine is replaced by another,
the replacement is not considered a different slot machine for the purpose of
imposing this tax.
2.  The Commission shall:
(a) Collect the tax annually on or before June 30, as a condition precedent
to the issuance of a state gaming license to operate any slot machine for the
ensuing fiscal year beginning July 1, from a licensee whose operation is
continuing.
(b) Collect the tax in advance from a licensee who begins operation or
puts additional slot machines into play during the fiscal year, prorated
monthly after July 31.
(c) Include the proceeds of the tax in its reports of state gaming taxes
collected.
3.  Any other person, including, without limitation, an operator of an
inter-casino linked system, who is authorized to receive a share of the
revenue from any slot machine that is operated on the premises of a licensee
is liable to the licensee for that person's proportionate share of the license
fees paid by the licensee pursuant to this section and shall remit or credit the
full proportionate share to the licensee on or before the dates set forth in
subsection 2. A licensee is not liable to any other person authorized to
receive a share of the licensee's revenue from any slot machine that is
operated on the premises of a licensee for that person's proportionate share of
5726 JOURNAL OF THE SENATE

the license fees to be remitted or credited to the licensee by that person pursuant to this section.

4. The Commission shall pay over the tax as collected to the State Treasurer to be deposited to the credit of the State Distributive School Account in the State General Fund, and the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education, which are hereby created in the State Treasury as special revenue funds, in the amounts and to be expended only for the purposes specified in this section, or for any other purpose authorized by the Legislature.

5. During each fiscal year, the State Treasurer shall deposit the tax paid over to him or her by the Commission as follows:

(a) The first $5,000,000 of the tax in the Capital Construction Fund for Higher Education;

(b) Twenty percent of the tax in the Special Capital Construction Fund for Higher Education; and

(c) The remainder of the tax in the State Distributive School Account in the State General Fund.

6. There is hereby appropriated from the balance in the Special Capital Construction Fund for Higher Education on July 31 of each year the amount necessary to pay the principal and interest due in that fiscal year on the bonds issued pursuant to section 5 of chapter 679, Statutes of Nevada 1979, as amended by chapter 585, Statutes of Nevada 1981, at page 1251, the bonds authorized to be issued by section 2 of chapter 643, Statutes of Nevada 1987, at page 1503, the bonds authorized to be issued by section 2 of chapter 614, Statutes of Nevada 1989, at page 1377, the bonds authorized to be issued by section 2 of chapter 718, Statutes of Nevada 1991, at page 2382, and the bonds authorized to be issued by section 2 of chapter 629, Statutes of Nevada 1997, at page 3106. If in any year the balance in that fund is not sufficient for this purpose, the remainder necessary is hereby appropriated on July 31 from the Capital Construction Fund for Higher Education. The balance remaining unappropriated in the Capital Construction Fund for Higher Education on August 1 of each year and all amounts received thereafter during the fiscal year must be transferred to the State General Fund for the support of higher education. If bonds described in this subsection are refunded and if the amount required to pay the principal of and interest on the refunding bonds in any fiscal year during the term of the bonds is less than the amount that would have been required in the same fiscal year to pay the principal of and the interest on the original bonds if they had not been refunded, there is appropriated to the Nevada System of Higher Education an amount sufficient to pay the principal of and interest on the original bonds, as if they had not been refunded. The amount required to pay the principal of and interest on the refunding bonds must be used for that purpose from the amount appropriated. The amount equal to the saving realized in that fiscal year from the refunding must be used by the Nevada System of Higher Education to
defray, in whole or in part, the expenses of operation and maintenance of the facilities acquired in part with the proceeds of the original bonds.

7. After the requirements of subsection 6 have been met for each fiscal year, when specific projects are authorized by the Legislature, money in the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education must be transferred by the State Controller and the State Treasurer to the Board of Regents of the University of Nevada for the construction of capital improvement projects for the Nevada System of Higher Education, including, but not limited to, capital improvement projects for the community colleges of the Nevada System of Higher Education. As used in this subsection, "construction" includes, but is not limited to, planning, designing, acquiring and developing a site, construction, reconstruction, furnishing, equipping, replacing, repairing, rehabilitating, expanding and remodeling. Any money remaining in either Fund at the end of a fiscal year does not revert to the State General Fund but remains in those Funds for authorized expenditure.

8. The money deposited in the State Distributive School Account in the State General Fund under this section must be apportioned as provided in NRS 387.030 among the several school districts and charter schools of the State at the times and in the manner provided by law.

9. The Board of Regents of the University of Nevada may use any money in the Capital Construction Fund for Higher Education and the Special Capital Construction Fund for Higher Education for the payment of interest and amortization of principal on bonds and other securities, whether issued before, on or after July 1, 1979, to defray in whole or in part the costs of any capital project authorized by the Legislature.

Sec. 18. 1. Notwithstanding any other statutory provision to the contrary, the County Treasurer of Clark County shall distribute quarterly to the Board of Regents of the University of Nevada for the maintenance and support of the Nevada System of Higher Education, from the proceeds of the taxes ad valorem levied by that County for the operating expenses of the County during the fiscal years beginning on July 1, 2011, and July 1, 2012, the amount of those proceeds attributable to the levy of those taxes on all taxable property in the County at the rate of 4 cents per $100 of assessed valuation. For the purposes of NRS 354.59811, the amount of the proceeds distributed to the Board of Regents pursuant to this subsection shall be deemed to constitute revenue received by Clark County from taxes ad valorem.

2. Notwithstanding any other statutory provision to the contrary, the County Treasurer of Washoe County shall distribute quarterly to the Board of Regents of the University of Nevada for the maintenance and support of the Nevada System of Higher Education, from the proceeds of the taxes ad valorem levied by that County for the operating expenses of the County during the fiscal years beginning on July 1, 2011, and July 1, 2012, the
amount of those proceeds attributable to the levy of those taxes on all taxable property in the County at the rate of 4 cents per $100 of assessed valuation. For the purposes of NRS 354.59811, the amount of the proceeds distributed to the Board of Regents pursuant to this subsection shall be deemed to constitute revenue received by Washoe County from taxes ad valorem.} (Deleted by amendment.)

Sec. 19. [The amendatory provisions of section 8 of this act must not be applied to modify, directly or indirectly, any taxes levied or revenues pledged in such a manner as to impair adversely any outstanding obligations of this State or of any county, city or town in this State, including, without limitation, bonds, medium-term financing, letters of credit and any other financial obligation, until all such obligations have been discharged in full or provision for their payment and redemption has been fully made.] (Deleted by amendment.)

Sec. 20. This act becomes effective on July 1, 2011.

Senator Horsford moved the adoption of the amendment.
Remarks by Senator Horsford.
Senator Horsford requested that his remarks be entered in the Journal.
First, Senate Bill No. 434, as amended, revises NRS Chapter 353 to provide that any monies appropriated by the Legislature to the Nevada System of Higher Education (NSHE) State supported operating budgets do not revert to the State General Fund at the end of each fiscal year.
Second, Senate Bill No. 434, as amended, revises NRS Chapter 341 to provide that upon the request of the Board of Regents, the State Public Works Board shall delegate to the NSHE any of the State Public Works Board's authorities for any specific buildings, facilities, improvements and structures designated by the Board of Regents to be constructed by or on behalf of the NSHE. At present, the State Public Works Board is responsible for determining the entity responsible for managing projects and has the authority to delegate such responsibility.
Finally, Senate Bill No. 434, as amended, revises NRS Chapter 463.385 to provide that the monies allocated to the Higher Education Capital Construction and Special Higher Education Capital Construction funds and authorized for expenditure by the Legislature are to be transferred to the Board of Regents by the State Controller rather than to the State Public Works Board.

Senate Bill No. 434, as amended, is effective July 1, 2011.

Senator Denis requested that his remarks be entered in the Journal.
Assembly Bill No. 222 creates the Teachers and Leaders Council of Nevada, consisting of 15 members. The Council is authorized to accept gifts, grants, donations and contributions from any source to carry out the provisions of this measure.

The measure requires the Council to make recommendations to the State Board of Education concerning the adoption of regulations for establishing a statewide performance evaluation system for teachers and administrators employed by school districts. Based upon the recommendations of the Council, the State Board of Education is required to adopt regulations establishing an evaluation system that incorporates multiple measures of an employee's performance.

Effective July 1, 2013, the evaluation system will require that at least 50 percent of the evaluation of an individual teacher or administrator be based upon the academic achievement of pupils. In addition, the measure provides that an evaluation of a probationary or postprobationary teacher must include an evaluation of whether the teacher employs practices and strategies to involve and engage the parents and families of pupils in the classroom. If a teacher receives a negative evaluation on the first or second evaluation, or both, the teacher may then request the third evaluation be conducted by another evaluator selected from a list of three candidates submitted by the superintendent of the school district. The bill amends Assembly Bill No. 229, already passed by both houses, to make the bills conform in this regard.

Finally, the evaluation system shall require that an employee's overall performance be determined to be "highly effective," "effective," "minimally effective," or "ineffective." Charter schools are not required to participate in the evaluation system created by the Council. Until implementation of the new performance evaluation system on July 1, 2013, the measure requires each school district to develop a policy for the evaluation of teachers and administrators that requires student achievement to account for a significant portion of the evaluation.

Finally, the measure appropriates from the State General Fund to the Department of Education $32,000 over the biennium to fund the costs of Teachers and Leaders Council.

This will be a good way to be able to evaluate teachers. This has been found to be effective in other states. I urge your support on the bill.

Remarks by Senators Horsford, McGinness, Kieckhefer and Leslie.
Senator Horsford requested that the following remarks be entered in the Journal.

SENATOR HORSFORD:
There has been a lot of work by many individuals on this bill. On March 10, 2011, we learned that the Department of Taxation had not audited the mining industry's claims for deductions for more than two years. In that time, the level of deductions taken by the industry against its gross yield had greatly increased. Despite the price of gold and the gross proceeds of mines rising rapidly, there was a decline in the net proceeds that served as the basis for taxation of the mining industry, a sure indicator that deductions were growing. In the case of one large mining company, there was a gap of 72 percent between gross and net proceeds.

Just as disturbing, we also learned that the regulations adopted by the Nevada Tax Commission allowed deductions that went far beyond those permitted by State law. For years, the industry had been writing off expenses authorized by regulation that were not allowed for by law.

I petitioned as a private citizen to the Nevada Tax Commission to review those regulations, which they accepted and are doing, but one of the things that the Tax Commission members said is that we as the Legislative Body needed to better clarify those deductions that are allowable and those that should not be allowed.

State law did not allow for deductions for sales tax. But, there were regulations adopted by the Taxation Committee that permitted them.

State law does not allow companies to deduct out-of-state expenses including out-of-state corporate salaries. The Tax Commission has regulations allowing for them.

State law does not permit deductions for employee vacation pay, sick leave, bonuses and contributions to retirement plans. The Tax Commission approved regulations allowing them.

State law did not authorize deductions for employee housing, but the Tax Commission agreed to let mining companies take them.

Senate Bill No. 493 closes these loopholes and others, which brings our system more in line. Generally, the bill puts in statute what deductions the mining industry is allowed rather than relying solely on the Nevada Tax Commission to draw up those regulations, which over the years have been heavily influenced by the industry and go further than the intent of State law, as I have indicated.

Another important provision of the bill is the establishment of the new Mining Oversight and Accountability Commission, which will provide an additional layer of oversight to the regulations that are developed by the areas of taxation, safety, as well as environmental protection. It allows for that review prior to the approval of the Legislative Commission of any final regulations.

I believe this is necessary in order to have a good tax policy and to ensure that those taxes that are due to the State of Nevada are paid and that necessary loopholes are closed. I urge the body's approval of Senate Bill No. 493, and I would like to thank the Chair of the Revenue Committee for her hard work on this bill, as well.
SENATOR MCGINNESS:
Thank you, Mr. President. I voted against this bill in Committee. As it stands, now, I will support it. I was very concerned about the Oversight Committee. I felt the umbrella was too big and had too much power, but some of that has been trimmed back. We should take a fair and objective look at mining, not just go into the meetings with the objective of getting mining, because it is sexy to steal gold bars from people. We need to make certain they have a fair and equitable hearing during the interim. I will be supporting this bill.

SENATOR KIECKHEFER:
Thank you, Mr. President. I wanted to ask, since this is a bill that will increase revenue for the State, how much are we expecting to get out of this as a part of the budget agreement?

SENATOR LESLIE:
Thank you, Mr. President. I believe the net result of the deductions we are removing will generate about $12 million per year, to the State and an equal amount to the counties.

SENATOR KIECKHEFER:
Are there any additional revenues that the mining industry is going to be giving to the State to help solve our budget for the next biennium, aside from the $12 million per year?

SENATOR LESLIE:
I hope so, but I am not aware of any. They pay the same taxes through the Modified Business Tax.

SENATOR KIECKHEFER:
There is no additional revenue they are making as a part of a deal.

SENATOR LESLIE:
Not that I am aware of. If you are referring to the media accounts where mining was going to write a check, no.

SENATOR KIECKHEFER:
I have agreed to support the budget agreement as it was crafted with the revenue that is included in this bill as a component of that agreement. I will be supporting this bill. I am concerned, however, that some of the reform measures that were agreed to in those negotiations may not be living up to the expectations of my side of the aisle. If that is the case, then I believe the agreements that were reached are not necessarily being met. I want to put it on the record that I am prepared not to vote for additional revenue measures that come forward if the agreement that was reached is not lived up to.

REPORTS OF CONFERENCE COMMITTEES

Mr. President:
The Conference Committee concerning Senate Bill No. 193, consisting of the undersigned members, has met and reports that:
It has agreed to recommend that Amendment No. 568 of the Assembly be concurred in.
It has agreed to recommend that the bill be further amended as set forth in Conference Amendment No. 3, which is attached to and hereby made a part of this report.
"SUMMARY—Makes various changes concerning the State Board of Cosmetology and persons and practices regulated by the Board. (BDR 54-637)"
"AN ACT relating to cosmetology; revising certain provisions governing schools of cosmetology; establishing the procedures for the licensure of certain persons who engage in the practice of hair braiding and persons who operate an establishment for hair braiding; revising provisions relating to the regulation of sanitary conditions; revising provisions relating to the licensure of various cosmetology professionals and cosmetological establishments; repealing a provision relating to the requirements for a school of cosmetology; and providing other matters properly relating thereto."

**Legislative Counsel's Digest:**

Existing law requires the State Board of Cosmetology to determine the qualifications of applicants for various licenses in cosmetology, requires the Board to license schools of cosmetology, and authorizes the Board to adopt regulations governing the sanitary conditions in cosmetological establishments, schools of cosmetology and in the practice of cosmetology. (NRS 644.090, 644.120)

Section 6 of this bill: (1) prohibits a school of cosmetology from collecting the entire amount of the cost for a program at the school of cosmetology from a student of cosmetology when the student enters into a contract with the school of cosmetology; (2) authorizes a school of cosmetology to collect certain periodic payments from students; and (3) requires a school of cosmetology to use the contract for enrollment that was submitted to and approved by the Board.

Section 6.5 of this bill requires each school of cosmetology to: (1) obtain a surety bond in accordance with regulations adopted by the Board; or (2) provide for payment plans, including plans for periodic payments, in accordance with regulations adopted by the Board. The regulations regarding periodic payments must, as the Board determines appropriate, be modeled after certain federal regulations that provide payment periods for certain federal educational loans and grants.

Sections 7-9 of this bill establish a new license as a hair braider and set forth the requirements, including passing certain examinations, that must be met before the Board may issue such a license to a person. Section 7 sets forth the requirements for obtaining such a license for persons who have not previously practiced hair braiding or who have practiced hair braiding in this State on certain relatives without accepting compensation. Section 8 sets forth the requirements for persons who have practiced hair braiding in another state. Section 9 sets forth the scope of the examinations that are required to obtain a license to practice hair braiding.

Section 24 of this bill provides an exemption from the licensure requirements for a person who, without accepting compensation, practices hair braiding on a person who is related within the sixth degree of consanguinity.

Section 10 of this bill establishes a new license for persons who wish to operate an establishment for hair braiding and sets forth the requirements that must be met before the Board may issue such a license. Sections 11-16 of this bill set forth additional requirements governing an establishment for hair braiding, including, without limitation, requirements relating to the notice which must be provided to the Board concerning a change of ownership or location and requirements relating to the qualifications of the person who must supervise the operation of such an establishment.

Under existing law, the Board is also required to provide for the registration of any person who engages in the practice of threading, and is authorized to inspect any facility in which threading is conducted. (NRS 644.331) Section 22 of this bill authorizes the Board to include the practice of threading and any facility in which it is conducted in its regulations regarding sanitary conditions. Sections 26-31 and 35 of this bill add United States citizenship or the legal right to remain and work in the United States to the requirements for applicants seeking licensure by the Board.

Existing law requires that schools of cosmetology post with the Board a surety bond as part of licensure. (NRS 644.383) Section 43 of this bill repeals that requirement.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FollowS:

**Section 1.** NRS 640C.100 is hereby amended to read as follows:

640C.100 1. The provisions of this chapter do not apply to:
(a) A person licensed pursuant to chapter 630, 630A, 631, 632, 633, 634, 634A, 635, 640, 640A or 640B of NRS if the massage therapy is performed in the course of the practice for which the person is licensed.

(b) A person licensed as a barber or apprentice pursuant to chapter 643 of NRS if the person is massaging, cleansing or stimulating the scalp, face, neck or skin within the permissible scope of practice for a barber or apprentice pursuant to that chapter.

(c) A person licensed or registered as an aesthetician, hair designer, hair braider, cosmetologist or cosmetologist's apprentice pursuant to chapter 644 of NRS if the person is massaging, cleansing or stimulating the scalp, face, neck or skin within the permissible scope of practice for an aesthetician, hair designer, hair braider, cosmetologist or cosmetologist's apprentice pursuant to that chapter.

(d) A person who is an employee of an athletic department of any high school, college or university in this State and who, within the scope of that employment, practices massage therapy on athletes.

(e) Students enrolled in a school of massage therapy recognized by the Board.

(f) A person who practices massage therapy solely on members of his or her immediate family.

(g) A person who performs any activity in a licensed brothel.

2. Except as otherwise provided in subsection 3, the provisions of this chapter preempt the licensure and regulation of a massage therapist by a county, city or town, including, without limitation, conducting a criminal background investigation and examination of a massage therapist or applicant for a license to practice massage therapy.

3. The provisions of this chapter do not prohibit a county, city or town from requiring a massage therapist to obtain a license or permit to transact business within the jurisdiction of the county, city or town, if the license or permit is required of other persons, regardless of occupation or profession, who transact business within the jurisdiction of the county, city or town.

4. As used in this section, "immediate family" means persons who are related by blood, adoption or marriage, within the second degree of consanguinity or affinity.

Sec. 2. Chapter 644 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 16, inclusive, of this act.

The bond must be to the State of Nevada in favor of every person who pays or deposits money with the school as payment for instruction. A bond continues in effect until notice of termination is given by registered or certified mail to the Board, and every bond must set forth this fact.

A person claiming to be injured or damaged by an act of the school may maintain an action in any court of competent jurisdiction on the bond against the school and the surety named therein, or either of them, for refund of tuition paid. Any judgment against the principal or surety in any such action must include the costs thereof and those incident to the bringing of the action, including a reasonable attorney's fee. The aggregate liability of the surety to all such persons may not exceed the sum of the bond.

10. The Board shall adopt regulations defining the terms "minor violation" and "major violation" for the purposes of subsection 6.

Senator Breeden moved that the Senate adopt the report of the Conference Committee concerning Senate Bill No. 193.
Motion carried by a constitutional majority.

Mr. President:
The Conference Committee concerning Assembly Bill No. 136, consisting of the undersigned members, has met and reports that:
It has agreed to recommend that Amendment No. 693 of the Senate be concurred in.
It has agreed to recommend that the bill be further amended as set forth in Conference Amendment No. 5, which is attached to and hereby made a part of this report.

"SUMMARY—Revises provisions governing credits for offenders sentenced for certain crimes; (BDR 16-634)"

"AN ACT relating to offenders; criminal laws; revising provisions governing credits for offenders sentenced for certain crimes; revising provisions governing the sealing and removal of certain records; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law provides that certain credits to the sentence of an offender convicted of certain category C, D or E felonies must be deducted from the minimum term imposed by the sentence
until the offender becomes eligible for parole and from the maximum term imposed by the sentence, except in certain circumstances. (NRS 209.4465) [This Section 1 of this bill adds to the exceptions that an offender who has been convicted of being a habitual criminal or a habitual felon may not have credits applied to both the minimum and maximum term imposed by the sentence. [This bill] Section 1 further provides that an offender convicted of a category B felony also qualifies to have certain credits deducted from the minimum term imposed by the sentence until the offender becomes eligible for parole and from the maximum term imposed by the sentence, except in certain circumstances.

Existing law authorizes a person arrested for alleged criminal conduct to petition for the sealing of all records relating to the arrest if the charges were dismissed or the person was acquitted of the charges. (NRS 179.255) Section 1.3 of this bill authorizes such a person to petition for the sealing of all records relating to an arrest if the prosecuting attorney declines to prosecute the charges.

Existing law also provides that a person arrested, or issued a citation or a warrant, for alleged criminal conduct may apply to the Central Repository for Nevada Records of Criminal History to remove the record of criminal history if the charge was dismissed, acquittal was entered or the disposition of the charge was favorable to the accused. (NRS 179A.160) Section 1.7 of this bill authorizes such a person to apply to have the record of criminal history removed if the prosecuting attorney declined to prosecute the charges.

             were dismissed; or

2. If the conviction of a person is set aside pursuant to NRS 458A.240, the person may
   petition the court that set aside the conviction, at any time after the conviction has been set aside,
   for the sealing of all records relating to the setting aside of the conviction.
3. A petition filed pursuant to subsection 1 or 2 must:
   (a) Be accompanied by a current, verified record of the criminal history of the petitioner
       received from the local law enforcement agency of the city or county in which the petitioner
       appeared in court;
   (b) Include a list of any other public or private agency, company, official and other custodian
       of records that is reasonably known to the petitioner to have possession of records of the arrest
       and of the proceedings leading to the dismissal, declination or acquittal and to whom the order
       to seal records, if issued, will be directed; and
   (c) Include information that, to the best knowledge and belief of the petitioner, accurately
       and completely identifies the records to be sealed.
4. Upon receiving a petition pursuant to subsection 1, the court shall notify the law

7. If, after the hearing on a petition submitted pursuant to subsection 2, the court finds that the conviction of the petitioner was set aside pursuant to NRS 458A.240, the court may order sealed all records relating to the setting aside of the conviction which are in the custody of the court, of another court in the State of Nevada or of a public or private company, agency or official in the State of Nevada.

8. If the prosecuting attorney having jurisdiction previously declined prosecution of the charges and the records of the arrest have been sealed, the prosecuting attorney may subsequently file the charges at any time before the running of the statute of limitations for those charges. If such charges are filed with the court, the court shall order the inspection of the records without the prosecuting attorney having to petition the court pursuant to NRS 179.295.

Sec. 1.5. NRS 179.295 is hereby amended to read as follows:

179.295 1. The person who is the subject of the records that are sealed pursuant to NRS 176A.265, 176A.295, 179.245, 179.255, 179.259, 453.3365 or 458.330 may petition the court that ordered the records sealed to permit inspection of the records by a person named in the petition, and the court may order such inspection. 2. If a person has been arrested, the charges have been dismissed and the records of the arrest have been sealed, the court may order the inspection of the records by a prosecuting attorney upon a showing that as a result of newly discovered evidence, the person has been arrested for the same or a similar offense and that there is sufficient evidence reasonably to conclude that the person will stand trial for the offense.

3. The court may, upon the application of a prosecuting attorney or an attorney representing a defendant in a criminal action, order an inspection of such records for the purpose of obtaining information relating to persons who were involved in the incident recorded.

4. This section does not prohibit a court from considering a conviction for which records have been sealed pursuant to NRS 176A.265, 176A.295, 179.245, 179.255, 179.259, 453.3365 or 458.330 in determining whether to grant a petition pursuant to NRS 176A.265, 176A.295, 179.245, 179.255, 179.259, 453.3365 or 458.330 for a conviction of another offense.

2. If a person has been arrested or issued a citation, or has been the subject of a warrant for alleged criminal conduct and the prosecuting attorney having jurisdiction declined prosecution, at any time after 180 days after the declination, the person who is the subject of a
record of criminal history relating to the arrest, citation or warrant may apply in writing to the
Central Repository and the agency which maintains the record to have it removed from the
files which are available and generally searched for the purpose of responding to inquiries
concerning the criminal history of a person.

3. The Central Repository and the agency shall remove the record unless:
   (a) The defendant is a fugitive;
   (b) The case is under active prosecution according to a current certificate of a prosecuting
       attorney;
   (c) The disposition of the case was a deferred prosecution, plea bargain or other similar

   (e) The person who is the subject of the record has been arrested for or charged with another
       crime, other than a minor traffic violation, since the arrest, citation or warrant which the person
       seeks to have removed from the record.

4. This section does not restrict the authority of a court to order the deletion or
   modification of a record in a particular cause or concerning a particular person or event.

UNFINISHED BUSINESS
REPORTS OF CONFERENCE COMMITTEES

Mr. President:
The Conference Committee concerning Senate Bill No. 136, consisting of the undersigned members, has met and reports that:
It has agreed to recommend that Amendment No. 811 of the Assembly be concurred in.
It has agreed to recommend that the bill be further amended as set forth in Conference Amendment No. 11, which is attached to and hereby made a part of this report.
"SUMMARY—Revises certain provisions governing financial institutions, organizations, (BDR 55-737)"
"AN ACT relating to financial institutions; organizations; revising provisions governing the period that a bank may hold certain real property; removing provisions requiring a bank annually to charge off a certain percentage of the value of certain real property held by the bank and acquired as a result of a debt owed to the bank; revising provisions governing the review of certain applications for licensure by the Commissioner of Financial Institutions; revising provisions relating to the control of a retail trust company; revising provisions governing the assets which certain trust companies are required to maintain; revising provisions governing applications for a license to operate a retail trust company; authorizing certain persons to appeal certain decisions of the Commissioner; revising the period after which certain property is presumed to be abandoned; requiring the State Controller to develop and operate with financial institutions a data-match system for the collection of certain debts owed to the State; and providing other matters properly relating thereto."

Legislative Counsel's Digest:
Existing law authorizes a bank to hold real property that the bank acquires through the collection of debts owed to it for up to 10 years, and section 1 of this bill reduces that period to 5 years, except that a bank may request an extension of that period from the Commissioner of Financial Institutions of not more than 5 years. Existing law also requires a bank to charge off the real property on a schedule of not less than 10 percent per year, or at a greater percentage if so required by the Commissioner. (NRS 662.015) Section 1 removes the requirement that a bank annually charge off a certain percentage of the value of such real property.

Existing law charges the Commissioner with certain duties and responsibilities related to retail trust companies, including investigating companies that apply for licensure as a retail trust company, issuing licenses to qualified companies to operate as a retail trust company and removing from office an officer, director, manager or employee of a retail trust company for certain conduct. (NRS 657.180, 669.085, 669.090, 669.130, 669.150, 669.160, 669.281) Section 3 of this bill requires the Commissioner to consider certain criteria related to the potential long-term success of a trust company before approving the company's application for licensure to operate as a retail trust company. Section 4 of this bill requires a person who intends to obtain control of a retail trust company to submit an application for licensure to the Commissioner. Section 7 of this bill requires the Commissioner to provide to an applicant for licensure as a retail trust company written notice of any grounds for denial of an application and authorizes the applicant to cure any defect or deficiency in the application and resubmit the application within a certain period. Section 8 of this bill provides that a person who is removed from office by the Commissioner may appeal his or her removal from office within a certain period.
Existing law requires a retail trust company to maintain at least 50 percent of its required stockholders' equity in cash, unless the Commissioner approves a different amount, with the remaining amount to be held in the form of readily marketable securities or certain other assets that may be approved by the Commissioner. Existing law also requires a noncustodial trust company to maintain 50 percent of its required minimum capital in cash. (NRS 669.100)

Section 6 of this bill requires a retail trust company to maintain a certain amount of its required stockholders' equity in the form of cash or certain cash equivalents and authorizes a retail trust company to hold the remaining amount of the required stockholders' equity in the form of readily marketable securities or certain other assets upon the approval of the Commissioner.

Section 6 further requires that bonds or other evidence of indebtedness held by a retail trust company as part of its required stockholders' equity meet certain investment standards. Section 6 also requires a noncustodial trust company to maintain 25 percent of its required minimum capital in the form of cash.

Section 8.5 of this bill reduces from 3 years to 2 years the period after which unclaimed property is presumed to be abandoned property if the holder of the property reported holding more than $10 million in property presumed abandoned on the most recent report filed by the holder.

Section 10 of this bill requires the State Controller to develop and operate a system for matching data to collect outstanding debts owed to the State. Financial institutions in this State must provide to the State Controller information on persons who maintain accounts at the financial institution and are identified by the State Controller as owing outstanding debts to the State. Financial institutions are then required to encumber certain assets held in the financial institution by the debtors to pay their debts.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

(b) A money order, 7 years after issuance;
(c) Any stock or other equity interest in a business association or financial organization, including a security entitlement under NRS 104.8101 to 104.8511, inclusive, 3 years after the earlier of the date of the most recent dividend, stock split or other distribution unclaimed by the apparent owner, or the date of the second mailing of a statement of account or other notification or communication that was returned as undeliverable or after the holder discontinued mailings, notifications or communications to the apparent owner;
(d) Any debt of a business association or financial organization, other than a bearer bond or an original issue discount bond, 3 years after the date of the most recent interest payment unclaimed by the apparent owner;
(e) A demand, savings or time deposit, including a deposit that is automatically renewable, 3 years after the earlier of maturity or the date of the last indication by the owner of interest in the property, but a deposit that is automatically renewable is deemed matured for purposes of this section upon its initial date of maturity, unless the owner has consented to a renewal at or about the time of the renewal and the consent is in writing or is evidenced by a memorandum or other record on file with the holder;
(f) Except as otherwise provided in NRS 120A.520, any money or credits owed to a customer as a result of a retail business transaction, 3 years after the obligation accrued;
(g) Any amount owed by an insurer on a life or endowment insurance policy or an annuity that has matured or terminated, 3 years after the obligation to pay arose or, in the case of a policy or annuity payable upon proof of death, 3 years after the insured has attained, or would have attained if living, the limiting age under the mortality table on which the reserve is based;
(h) Any property distributable by a business association or financial organization in a course of dissolution, 1 year after the property becomes distributable;
(i) Any property received by a court as proceeds of a class action and not distributed pursuant to the judgment, 1 year after the distribution date;
(j) Except as otherwise provided in NRS 607.170 and 703.375, any property held by a court, government, governmental subdivision, agency or instrumentality, 1 year after the property becomes distributable;

3. (c) The making of a deposit to or withdrawal from a bank account; and

(d) The payment of a premium with respect to a property interest in an insurance policy, but the application of an automatic premium loan provision or other nonforfeiture provision contained in an insurance policy does not prevent a policy from maturing or terminating if the insured has died or the insured or the beneficiary of the policy has otherwise become entitled to the proceeds before the depletion of the cash surrender value of a policy by the application of those provisions.

5. Property is payable or distributable for purposes of this chapter notwithstanding the owner's failure to make demand or present an instrument or document otherwise required to obtain payment.

6. The following property clearly designated as such must not be presumed abandoned because of inactivity or failure to make a demand:

(a) An account or asset managed through a guardianship;

(b) An account blocked at the direction of a court;

(c) A trust account established to address a special need;

(d) A qualified income trust account;

(e) A trust account established for tuition purposes;

(f) A trust account established on behalf of a client; and

(g) An account or fund established to meet the costs of burial.

7. For property described in paragraphs (c), (d), (e), (f) and (n) of subsection 1, the 3-year period described in each of those paragraphs must be reduced to a 2-year period if the holder of the property reported more than $10 million in property presumed abandoned on the holder’s most recent report of abandoned property made pursuant to NRS 120A.560.

Sec. 9. NRS 239A.070 is hereby amended to read as follows:

"SUMMARY
²
Revises provisions relating to public works. (BDR 28-740)"

"AN ACT relating to public works; revising provisions relating to preferences when competing for contracts for certain public works projects; requiring a contractor to replace an unacceptable subcontractor on a public work of this State without an increase in the amount of the bid; requiring a prime contractor to forfeit a portion of the amount of a contract for a public work under certain circumstances; revising the manner in which a construction manager at risk may solicit bids and select a subcontractor for a public work; revising provisions governing the selection of a construction manager at risk for preconstruction services and the construction of a public work; revising the manner in which a construction manager at risk may solicit bids and select a subcontractor for a public work; and providing other matters properly relating thereto."

Legislative Counsel's Digest:

Under existing law, a contract for a public work involving a design-build team is awarded by a public body based on the application of certain criteria. A design-build team may qualify for a preference in bidding on such a contract if the contractor on the design-build team has submitted proof to the State Contractors' Board that the contractor has paid certain taxes to the State for the past 5 years. (NRS 338.1389, 338.147, 338.1727, 408.3886)

Section 2 of this bill allows a person who holds a certificate of registration to engage in the practice of architecture or landscape architecture or who holds a license as a professional engineer or professional land surveyor to qualify for a preference when competing for public works if the person has submitted proof to the appropriate licensing board that the person has paid certain taxes to the State for the past 3 years. Sections 26 and 31 of this bill allow a design-build team to receive a preference in selection as a finalist for a public work or a project for the construction, reconstruction or improvement of a highway if both the contractor and the design professionals on the design-build team possess a certificate of eligibility to receive their respective preferences. Sections 28 and 32 of this bill allow a design-build team that has been selected as a finalist for a public work or a project for the construction, reconstruction or improvement of a highway to receive a preference in selection for a contract only if both the contractor and the design professionals on the design-build team possess a certificate of eligibility to receive their respective preferences. Section 33 of this bill allows an architect,
professional engineer or professional land surveyor to receive a preference in selection for certain public works if the architect, professional engineer or professional land surveyor possesses a certificate of eligibility to receive a preference when competing for public works.

Existing law provides that a public body which selects a design-build team as a finalist in the selection process for a contract for a public work must make public specified information concerning the design-build team and its selection. (NRS 338.1725) Section 31 of this bill adds a similar requirement for the Department of Transportation to make public specified information concerning a design-build team and the selection of that design-build team as a finalist in the selection process for a contract for a project for the construction, reconstruction or improvement of a highway. Section 16 of this bill requires that a public body must, after selecting but before entering into a contract with a design professional who is not a member of a design-build team, transmit certain information concerning the selection of the design profession to the licensing board that regulates the design professional. That licensing board must post the information on its Internet website.

Before a contract for a public work of this State is awarded, existing law requires a contractor to replace a subcontractor that is named in the contractor's bid for the contract if the subcontractor is not properly licensed or has been disqualified from participating in public works sponsored by the State Public Works Board. (NRS 338.13895) Section 12 of this bill requires the contractor to replace such a subcontractor without an increase in the amount of the bid. This same requirement currently applies with respect to the replacement of a subcontractor named in a bid for a contract for a public work of a local government if the subcontractor is not properly licensed. (NRS 338.13895)

Under existing law, a contractor is required to list in his or her bid for a public work the names of certain subcontractors who will be performing work on the public work if the contractor is awarded the contract. Existing law sets forth requirements with which a prime contractor who is awarded the contract must comply to substitute a subcontractor for another subcontractor. (NRS 338.141) If a prime contractor does not comply with the requirements related to the substitution of subcontractors, section 13 of this bill requires the prime contractor to forfeit 1 percent of the contract amount as a penalty.

Existing law also requires a contractor to include his or her name on a bid for a public work if, as the prime contractor, the contractor will perform a portion of the work on the public work which is estimated to exceed 3 percent of the estimated cost of the public work. (NRS 338.141) Section 13 of this bill requires a prime contractor to forfeit a specified amount as a penalty if the prime contractor substitutes a subcontractor to perform the work that the prime contractor indicated on the bid that the prime contractor or another subcontractor would perform.

In order for a subcontractor to be eligible to provide materials, equipment, work or other services on a public work for which a construction manager at risk was awarded a contract, existing law requires the subcontractor to be licensed and to be selected based on a process of competitive bidding set forth for all subcontractors on any public work in the State. (NRS 338.1699) Sections 4 and 5 of this bill changes the manner in which a construction manager at risk selects subcontractors and sets forth specific procedures a construction manager at risk must follow when selecting subcontractors to provide materials, equipment, work or other services on a public work for which the construction manager at risk was awarded a contract.

Existing law authorizes a public body to construct a public work by selecting a construction manager at risk and sets forth certain procedures the public body must follow when selecting the construction manager at risk and entering into a contract with him or her for preconstruction services or to construct the public work. (NRS 338.169-338.1699) Sections 8-22 of this bill amend the provisions governing the way in which a public body must select a construction manager at risk. Existing law provides for a two-step selection process, wherein construction managers at risk must first submit a statement of qualifications, and then the public body selects finalists who are requested to submit final proposals and are interviewed before one is chosen to be awarded the contract. (NRS 338.1692-338.1695) Instead, sections 20 and 21 of this bill change the process to a single step: a construction manager at risk submits a proposal from the start, which contains a combination of the statement of qualifications and any material existing law required to be included in a final proposal, and the public body chooses which applicants to interview and which to select from those proposals. Section 22 of this bill allows a public body
to enter into negotiations with the construction manager at risk who is providing the preconstruction services for the construction of a portion of the public work as soon as that portion of the design is finalized instead of waiting until the complete design is finished, as is currently required by existing law. In addition, section 22 allows the construction manager at risk providing preconstruction services to bid on the project if negotiations for the contract fail and the public body opens it up for bids.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 338 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. 1. (a) Paid directly, on his or her own behalf the excise tax imposed upon an employer by NRS 363B.110 of not less than $1,500 for each consecutive 12-month period for 36 months immediately preceding the submission of the affidavit from the certified public accountant; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating business that engages in the practice of architecture that:

(1) Satisfies the requirements of NRS 623.350; and

(2) Possesses a certificate of eligibility to receive a preference when competing for public works.

2. The State Board of Landscape Architecture shall issue a certificate of eligibility to receive a preference when competing for public works to a person who holds a certificate of registration to engage in the practice of landscape architecture pursuant to the provisions of chapter 623A of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the person has, while holding a certificate of registration to engage in the practice of landscape architecture in this State:

(a) Paid directly, on his or her own behalf the excise tax imposed upon an employer by NRS 363B.110 of not less than $1,500 for each consecutive 12-month period for 36 months immediately preceding the submission of the affidavit from the certified public accountant; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating business that engages in the practice of landscape architecture that:

(1) Satisfies the requirements of NRS 623A.250; and

(2) Possesses a certificate of eligibility to receive a preference when competing for public works.

3. The State Board of Professional Engineers and Land Surveyors shall issue a certificate of eligibility to receive a preference when competing for public works to a professional engineer or professional land surveyor who is licensed pursuant to the provisions of chapter 625 of NRS and submits to the Board an affidavit from a certified public accountant setting forth that the professional engineer or professional land surveyor has, while licensed as a professional engineer or professional land surveyor in this State:

(a) Paid directly, on his or her own behalf the excise tax imposed upon an employer by NRS 363B.110 of not less than $1,500 for each consecutive 12-month period for 36 months immediately preceding the submission of the affidavit from the certified public accountant; or

(b) Acquired, by purchase, inheritance, gift or transfer through a stock option plan, all the assets and liabilities of a viable, operating business that engages in engineering or land surveying that:

(1) Satisfies the requirements of NRS 625.407; and

(2) Possesses a certificate of eligibility to receive a preference when competing for public works.
4. For the purposes of complying with the requirements set forth in paragraph (a) of subsection 1, paragraph (a) of subsection 2 and paragraph (a) of subsection 3, a person shall be deemed to have paid:

(a) The excise tax imposed upon an employer by NRS 363B.110 by an affiliate or parent company of the person, if the affiliate or parent company also satisfies the requirements of NRS 623.350, 623A.250 or 625.407, as applicable; and

(b) The excise tax imposed upon an employer by NRS 363B.110 by a joint venture in which the person is a participant, in proportion to the amount of interest the person has in the joint venture.

5. A design professional who has received a certificate of eligibility to receive a preference when competing for public works pursuant to subsection 1, 2 or 3 must, at the time for the renewal of his or her professional license or certificate of registration, as applicable, pursuant to chapter 623, 623A or 625 of NRS, submit to the applicable licensing board an affidavit from a certified public accountant setting forth that the design professional has, during the immediately preceding 12 months, paid the taxes required pursuant to paragraph (a) of subsection 1, paragraph (a) of subsection 2 or paragraph (a) of subsection 3, as applicable, to maintain eligibility to hold such a certificate.

6. A design professional who fails to submit an affidavit to the applicable licensing board pursuant to subsection 5 ceases to be eligible to receive a preference when competing for public works unless the design professional re_deploys for and receives a certificate of eligibility pursuant to subsection 1, 2 or 3, as applicable.

7. If a design professional holds more than one license or certificate of registration, the design professional must submit a separate application for each license or certificate of registration pursuant to which the design professional wishes to qualify for a preference when competing for public works. Upon issuance, the certificate of eligibility to receive a preference when competing for public works becomes part of the design professional’s license or certificate of registration for which the design professional submitted the application.

8. If a design professional who applies to a licensing board for a certificate of eligibility to receive a preference when competing for public works pursuant to subsection 1, 2 or 3 submits false information to the licensing board regarding the required payment of taxes, the design professional is not eligible to receive a preference when competing for public works for a period of 5 years after the date on which the licensing board becomes aware of the submission of the false information.

9. The State Board of Architecture, Interior Design and Residential Design, the State Board of Landscape Architecture and the State Board of Professional Engineers and Land Surveyors shall adopt regulations and may assess reasonable fees relating to their respective certification of design professionals for a preference when competing for public works.

10. A person or entity who believes that a design professional wrongfully holds a certificate of eligibility to receive a preference when competing for public works may challenge the validity of the certificate by filing a written objection with the public body which selected, for the purpose of providing services for a public work, the design professional who holds the certificate. A written objection authorized pursuant to this subsection must:

(a) Set forth proof or substantiating evidence to support the belief of the person or entity that the design professional wrongfully holds a certificate of eligibility to receive a preference when competing for public works; and

(b) Be filed with the public body not later than 3 business days after:

(1) The date on which the public body makes available to the public pursuant to subsection 3 of NRS 338.1725 the information required by that subsection, if the design-build team of which the design professional who holds the certificate is a part was selected as a finalist pursuant to NRS 338.1725;

(2) The date on which the Department of Transportation makes available to the public pursuant to subsection 3 of NRS 408.3885 the information required by that subsection, if the design-build team of which the design professional who holds the certificate is a part was selected as a finalist pursuant to NRS 408.3885; or

(3) The date on which the licensing board which issued the certificate to the design professional posted on its Internet website the information required by subsection 3 of
NRS 338.155, if the design professional is identified in that information as being selected for a contract governed by NRS 338.155.

11. If a public body receives a written objection pursuant to subsection 10, the public body shall determine whether the objection is accompanied by the proof or substantiating evidence required pursuant to paragraph (a) of that subsection. If the public body determines that the objection is not accompanied by the required proof or substantiating evidence, the public body shall dismiss the objection and the public body or its authorized representative may proceed immediately to award the contract. If the public body determines that the objection is accompanied by the required proof or substantiating evidence, the public body shall determine whether the design professional qualifies for the certificate pursuant to the provisions of this section and the public body or its authorized representative may proceed to award the contract accordingly.

Sec. 3. 1. Notwithstanding the provisions of sections 4 and 5 of this act, and subject to the provisions of subsection 2, if a public body enters into a contract with a construction manager at risk for preconstruction services pursuant to NRS 338.1693, the construction manager at risk may enter into a contract with a subcontractor licensed pursuant to chapter 624 of NRS to provide any of the following preconstruction services, the basis of payment for which is a negotiated price:

(a) Assisting the construction manager at risk in identifying and selecting materials and equipment to be provided by each subcontractor;

(b) Assisting the construction manager at risk in creating a schedule for the provision of labor, materials or equipment by each subcontractor;

(c) For the purpose of enabling the construction manager at risk to establish a budget for the construction of the public work, estimating the cost of labor, materials or equipment to be provided by each subcontractor; and

(d) Providing recommendations to the construction manager at risk regarding the design for the public work, as the design pertains to the labor, materials or equipment to be provided by each subcontractor.

2. A subcontractor may not provide preconstruction services pursuant to this section in an area of work outside the field or scope of the license of the subcontractor.

Sec. 4. 1. To be eligible to provide labor, materials or equipment on a public work, the contract for which a public body has entered into with a construction manager at risk pursuant to NRS 338.1696, a subcontractor must be:

(a) Licensed pursuant to chapter 624 of NRS; and

(b) Qualified pursuant to the provisions of this section to submit a proposal for the provision of labor, materials or equipment on a public work.

2. Subject to the provisions of subsections 3, 4 and 5, the construction manager at risk shall determine whether an applicant is qualified to submit a proposal for the provision of labor, materials or equipment on the public work for the purposes of paragraph (b) of subsection 1.

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to apply to qualify to submit a meaningful and responsive proposal for the provision of labor, materials or equipment on the public work, and not later than 21 days before the date by which such an application must be submitted, the construction manager at risk shall advertise for such applications in a newspaper qualified pursuant to chapter 238 of NRS that is published in the county where the public work will be performed. If no qualified newspaper is published in the county where the public work will be performed, the advertisement must be published in some qualified newspaper that is printed in the State of Nevada and has a general circulation in the county.

4. The criteria to be used by the construction manager at risk when determining whether an applicant is qualified to submit a proposal for the provision of labor, materials or equipment must include, and must be limited to:

(a) The monetary limit placed on the license of the applicant by the State Contractors' Board pursuant to NRS 624.220;

(b) The financial ability of the applicant to provide the labor, materials or equipment required on the public work;
(c) Whether the applicant has the ability to obtain the necessary bonding for the work required by the public body;
(d) The safety programs established and the safety records accumulated by the applicant;
(e) Whether the applicant has breached any contracts with a public body or person in this State or any other State during the 5 years immediately preceding the application;
(f) Whether the applicant has been disciplined or fined by the State Contractors' Board or another state or federal agency for conduct that relates to the ability of the applicant to perform the public work;
(g) The performance history of the applicant concerning other recent, similar public or private contracts, if any, completed by the applicant in Nevada;
(h) The principal personnel of the applicant;
(i) Whether the applicant has been disqualified from the award of any contract pursuant to NRS 338.017 or 338.13895; and
(j) The truthfulness and completeness of the application.

5. The public body or its authorized representative shall ensure that each determination made pursuant to subsection 2 is made subject to the provisions of subsection 4.

6. The construction manager at risk shall notify each applicant and the public body in writing of a determination made pursuant to subsection 2.

7. A determination made pursuant to subsection 2 that an applicant is not qualified may be appealed pursuant to NRS 338.1381 to the public body with whom the construction manager at risk has entered into a contract for the construction of the public work.

Sec. 5. 1. If a public body enters into a contract with a construction manager at risk for the construction of a public work pursuant to NRS 338.1696, the construction manager at risk may enter into a subcontract for the provision of labor, materials and equipment necessary for the construction of the public work only as provided in this section.

2. The provisions of this section apply only to a subcontract for which the estimated value is at least 1 percent of the total cost of the public work.

3. After the design and schedule for the construction of the public work is sufficiently detailed and complete to allow a subcontractor to submit a meaningful and responsive proposal, and not later than 21 days before the date by which a proposal for the provision of labor, materials or equipment by a subcontractor must be submitted, the construction manager at risk shall notify in writing each subcontractor who was determined pursuant to section 4 of this act to be qualified to submit such a proposal of a request for such proposals. A copy of the notice required pursuant to this subsection must be provided to the public body.

4. The notice required pursuant to subsection 3 must include, without limitation:
(a) A description of the design for the public work and a statement indicating where a copy of the documents relating to that design may be obtained;
(b) A description of the type and scope of labor, equipment and materials for which subcontractor proposals are being sought;
(c) The dates on which it is anticipated that construction of the public work will begin and end;
(d) The date, time and place at which a preproposal meeting will be held;
(e) The date and time by which proposals must be received, and to whom they must be submitted;
(f) The date, time and place at which proposals will be opened for evaluation;
(g) A description of the bonding and insurance requirements for subcontractors;
(h) Any other information reasonably necessary for a subcontractor to submit a responsive proposal; and
(i) A statement in substantially the following form:
Notice: For a proposal for a subcontract on the public work to be considered:
1. The subcontractor must be licensed pursuant to chapter 624 of NRS;
2. The proposal must be timely received;
3. The subcontractor must attend the preproposal meeting; and
4. The subcontractor may not modify the proposal after the date and time the proposal is received.
5. A subcontractor may not modify a proposal after the date and time the proposal is received.

6. To be considered responsive, a proposal must:
   (a) Be timely received by the construction manager at risk; and
   (b) Substantially and materially conform to the details and requirements included in the proposal instructions and for the finalized bid package for the public work, including, without limitation, details and requirements affecting price and performance.

7. The opening of the proposals must be attended by an authorized representative of the public body and the architect or engineer responsible for the design of the public work but is not otherwise open to the public.

8. At the time the proposals are opened, the construction manager at risk shall compile and provide to the public body or its authorized representative a list that includes, without limitation, the name and contact information of each subcontractor who submits a timely proposal and the price of the proposal submitted by the subcontractor. The list must be made available to the public upon request.

9. Not less than 10 working days after opening the proposal, the construction manager at risk shall:
   (a) Evaluate the proposals and determine which proposals are responsive.
   (b) Select the subcontractor who submits the proposal that the construction manager at risk determines is the best proposal. The subcontractor must be selected from among those:
      (1) Who attended the preproposal meeting;
      (2) Who submitted a responsive proposal; and
      (3) Whose names are included on the list compiled and provided to the public body or its authorized representative pursuant to subsection 8.
   (c) Inform the public body or its authorized representative which subcontractor has been selected.

10. The public body or its authorized representative shall ensure that the evaluation of proposals and selection of subcontractors are done pursuant to the provisions of this section and regulations adopted by the State Public Works Board.

11. A subcontractor selected pursuant to subsection 9 need not be selected by the construction manager at risk solely on the basis of lowest price.

12. Except as otherwise provided in subsection 13, the construction manager at risk shall enter into a subcontract with a subcontractor selected pursuant to subsection 9 to provide the labor, materials or equipment described in the request for proposals.

13. A construction manager at risk shall not substitute a subcontractor for any subcontractor selected pursuant to subsection 9 unless:
   (a) The public body or its authorized representative objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change; or
   (b) The substitution is approved by the public body after the selected subcontractor:
      (1) Files for bankruptcy or becomes insolvent;
      (2) After having a reasonable opportunity, fails or refuses to execute a written contract with the construction manager at risk which was offered to the selected subcontractor with the same general terms that all other subcontractors on the project were offered;
      (3) Fails or refuses to perform the subcontract within a reasonable time;
      (4) Is unable to furnish a performance bond and payment bond pursuant to NRS 339.025, if required for the public work; or
      (5) Is not properly licensed to provide that labor or portion of the work.

14. The construction manager at risk shall make available to the public, including, without limitation, each subcontractor who submits a proposal, the final rankings of the subcontractors and shall provide, upon request, an explanation to any subcontractor who is not selected of the reasons why the subcontractor was not selected.

15. If a public work is being constructed in phases, and a construction manager at risk selects a subcontractor pursuant to subsection 9 for the provision of labor, materials or equipment for any phase of that construction, the construction manager at risk may select that
subcontractor for the provision of labor, materials or equipment for any other phase of the construction without following the requirements of subsections 3 to 11, inclusive.

3. If, after awarding the contract, but before commencement of the work, the public body or its authorized representative discovers that the person to whom the contract was awarded is not licensed, or that the contract would exceed the person's license, the public body or its authorized representative shall rescind the award of the contract and may accept the next lowest bid for that public work from a responsive bidder who was determined by the public body or its authorized representative to be a qualified bidder pursuant to NRS 338.1379 or 338.1382 without requiring that new bids be submitted.

Sec. 13. NRS 338.141 is hereby amended to read as follows:

338.141  1. Except as otherwise provided in NRS 338.1727, each bid submitted to a public body for any public work to which paragraph (a) of subsection 1 of NRS 338.1385 or paragraph (a) of subsection 1 of NRS 338.143 applies, must include:
   (a) If the public body provides a list of the labor or portions of the public work which are estimated by the public body to exceed 3 percent of the estimated cost of the public work, the name of each first tier subcontractor who will provide such labor or portion of the work on the public work which is estimated to exceed 3 percent of the estimated cost of the public work; or
   (b) If the public body does not provide a list of the labor or portions of the public work which are estimated by the public body to exceed 3 percent of the estimated cost of the public work, the name of each first tier subcontractor who will provide labor or a portion of the work on the public work to the prime contractor for which the first tier subcontractor will be paid an amount exceeding 5 percent of the prime contractor's total bid. If the bid is submitted pursuant to this paragraph, within 2 hours after the completion of the opening of the bids, the contractors who submitted the three lowest bids must submit a list containing the name of each first tier subcontractor who will provide labor or a portion of the work on the public work to the prime contractor for which the first tier subcontractor will be paid an amount exceeding 1 percent of the prime contractor's total bid or $50,000, whichever is greater, and the number of the license issued to the first tier subcontractor pursuant to chapter 624 of NRS.

2. The lists required by subsection 1 must include a description of the labor or portion of the work which each first tier subcontractor named in the list will provide to the prime contractor.

3. A prime contractor shall include his or her name on a list required by paragraph (a) or (b) of subsection 1 if, as the prime contractor, the prime contractor will perform any of the work required to be listed pursuant to paragraph (a) or (b) of subsection 1.

4. Except as otherwise provided in this subsection, if a contractor:
   (a) Fails to submit the list within the required time; or
   (b) Submits a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the State Public Works Board pursuant to NRS 338.1376,
   the contractor's bid shall be deemed not responsive. A contractor's bid shall not be deemed not responsive on the grounds that the contractor submitted a list that includes the name of a subcontractor who, at the time of the submission of the list, is on disqualified status with the State Public Works Board pursuant to NRS 338.1376 if the contractor, before the award of the contract, provides an acceptable replacement subcontractor in the manner set forth in subsection 1 or 2 of NRS 338.13895.

5. A prime contractor whose bid is accepted shall not substitute a subcontractor for any subcontractor who is named in the bid, unless:
   (a) The public body or its authorized representative objects to the subcontractor, requests in writing a change in the subcontractor and pays any increase in costs resulting from the change.
(b) The substitution is approved by the public body or its authorized representative. The substitution must be approved if the public body or its authorized representative determines that:

1. The named subcontractor, after having a reasonable opportunity, fails or refuses to execute a written contract with the contractor which was offered to the named subcontractor with the same general terms that all other subcontractors on the project were offered;

2. The named subcontractor files for bankruptcy or becomes insolvent;

3. The named subcontractor fails or refuses to perform his or her subcontract within a reasonable time or is unable to furnish a performance bond and payment bond pursuant to NRS 339.025; or

4. The named subcontractor is not properly licensed to provide that labor or portion of the work.

c) If the public body awarding the contract is a governing body, the public body or its authorized representative, in awarding the contract pursuant to NRS 338.1375 to 338.139, inclusive:

1. Applies such criteria set forth in NRS 338.1377 as are appropriate for subcontractors and determines that the subcontractor does not meet that criteria; and

2. Requests in writing a substitution of the subcontractor.

6. If a prime contractor substitutes a subcontractor for any subcontractor who is named in the bid without complying with the provisions of subsection 5, the prime contractor shall forfeit, as a penalty to the public body that awarded the contract, an amount equal to 1 percent of the total amount of the contract.

7. If a prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, a subcontractor to perform such work, the prime contractor shall provide to the public body a written explanation in the form required by the public body which contains the reasons that:

(a) A subcontractor was not originally contemplated to be used on that portion of the public work; and

(b) The substitution is in the best interest of the public body.

7. The prime contractor indicated pursuant to subsection 3 that he or she would perform a portion of work on the public work and thereafter requests to substitute, a subcontractor to perform such work, the prime contractor shall forfeit as a penalty to the public body that awarded the contract, the lesser of, and excluding any amount of the contract that is attributable to change orders:

(a) An amount equal to 2.5 percent of the total amount of the contract; or

(b) An amount equal to 35 percent of the estimate by the engineer of the cost of the work the prime contractor indicated pursuant to subsection 3 that he or she would perform on the public work.

8. As used in this section:

(a) "First tier subcontractor" means a subcontractor who contracts directly with a prime contractor to provide labor, materials or services for a construction project.

(b) "General terms" means the terms and conditions of a contract that set the basic requirements for a public work and apply without regard to the particular trade or specialty of a subcontractor, but does not include any provision that controls or relates to the specific portion of the public work that will be completed by a subcontractor, including, without limitation, the materials to be used by the subcontractor or other details of the work to be performed by the subcontractor.

Sec. 14. NRS 338.142 is hereby amended to read as follows:

338.142 1. A person who bids on a contract may file a notice of protest regarding the awarding of the contract with the authorized representative designated by the public body within 5 business days after the date the recommendation to award a contract is issued by the public body or its authorized representative.

2. The notice of protest must include a written statement setting forth with specificity the reasons the person filing the notice believes the applicable provisions of law were violated.

3. A person filing a notice of protest may be required by the public body or its authorized representative, at the time the notice of protest is filed, to post a bond with a good and solvent surety authorized to do business in this state or submit other security, in a form approved by the public body, to the public body who shall hold the bond or other security until a determination is
made on the protest. A bond posted or other security submitted with a notice of protest must be in an amount equal to the lesser of:

(a) Twenty-five percent of the total value of the bid submitted by the person filing the notice of protest; or
(b) Two hundred fifty thousand dollars.

4. A notice of protest filed in accordance with the provisions of this section operates as a stay of action in relation to the awarding of any contract until a determination is made by the public body on the protest.

5. A person who makes an unsuccessful bid may not seek any type of judicial intervention until the public body has made a determination on the protest and awarded the contract.

6. Neither a public body nor any authorized representative of the public body is liable for any costs, expenses, attorney's fees, loss of income or other damages sustained by a person who makes a bid, whether or not the person files a notice of protest pursuant to this section.

7. If the protest is upheld, the bond posted or other security submitted with the notice of protest must be returned to the person who posted the bond or submitted the security. If the protest is rejected, a claim may be made against the bond or other security by the public body in an amount equal to the expenses incurred by the public body because of the unsuccessful protest. Any money remaining after the claim has been satisfied must be returned to the person who posted the bond or submitted the security.

(c) The public interest would be served by such a rejection.

6. A local government may let a contract without competitive bidding if no bids were received in response to an advertisement for bids and:

If the insurer by which the design professional is insured against professional liability does not so defend the public body and the employees, officers and agents of the public body and the design professional is adjudicated to be liable by a trier of fact, the trier of fact shall award reasonable attorney's fees and costs to be paid to the public body by the design professional in an amount which is proportionate to the liability of the design professional.

professional is insured against professional liability does not so defend the public body and the
employees, officers and agents of the public body and the design professional is adjudicated to
be liable by a trier of fact, the trier of fact shall award reasonable attorney's fees and costs to be
paid to the public body by the design professional in an amount which is proportionate to the

(2) The performance history of the members of the design-build team concerning other recent, similar projects completed by those members, if any;
(3) The safety programs established and the safety records accumulated by the members of the design-build team;

(4) The proposed plan of the design-build team to manage the design and construction of the project that sets forth in detail the ability of the design-build team to design and construct the project; and

(5) The degree to which the preliminary proposal is responsive to the requirements of the Department for the submittal of a preliminary proposal; and

(c) Except as otherwise provided in this paragraph, assigning, without limitation, a relative weight of 5 percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this paragraph relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this paragraph do not apply insofar as their application would preclude or reduce federal assistance for that public work.

3. After the selection of finalists pursuant to this section, the Department shall make available to the public the results of the evaluations of preliminary proposals conducted pursuant to paragraph (b) of subsection 2 and identify which of the finalists, if any, received an assignment of 5 percent pursuant to paragraph (c) of subsection 2.

Sec. 32. NRS 408.3886 is hereby amended to read as follows:

408.3886 1. After selecting the finalists pursuant to NRS 408.3885, the Department shall provide to each finalist a request for final proposals for the project. The request for final proposals must:

(a) Set forth the factors that the Department will use to select a design-build team to design and construct the project, including the relative weight to be assigned to each factor; and

(b) Set forth the date by which final proposals must be submitted to the Department.

2. Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a design-build team pursuant to subsection 1, the Department shall assign, without limitation, a relative weight of 5 percent to the possession of both a certificate of eligibility to receive a preference in bidding on public works by the prime contractor on the design-build team and a certificate of eligibility to receive a preference when competing for public works by all persons who hold a certificate of registration to practice architecture or a license as a professional engineer on the design-build team, and a relative weight of at least 30 percent for the proposed cost of design and construction of the project. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular project because of the provisions of this subsection relating to a preference in bidding on public works or a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that project.

3. A final proposal submitted by a design-build team pursuant to this section must be prepared thoroughly, be responsive to the criteria that the Department will use to select a design-build team to design and construct the project described in subsection 1 and comply with the provisions of NRS 338.141.

4. After receiving the final proposals for the project, the Department shall:

(a) Select the most cost-effective and responsive final proposal, using the criteria set forth pursuant to subsections 1 and 2;

(b) Reject all the final proposals; or

(c) Request best and final offers from all finalists in accordance with subsection 5.

5. If the Department determines that no final proposal received is cost-effective or responsive and the Department further determines that requesting best and final offers pursuant to this subsection will likely result in the submission of a satisfactory offer, the Department may prepare and provide to each finalist a request for best and final offers for the project. In conjunction with preparing a request for best and final offers pursuant to this subsection, the Department may alter the scope of the project, revise the estimates of the costs of designing and
constructing the project, and revise the selection factors and relative weights described in paragraph (a) of subsection 1. A request for best and final offers prepared pursuant to this subsection must set forth the date by which best and final offers must be submitted to the Department. After receiving the best and final offers, the Department shall:

(a) Select the most cost-effective and responsive best and final offer, using the criteria set forth in the request for best and final offers; or

(b) Reject all the best and final offers.

6. If the Department selects a final proposal pursuant to paragraph (a) of subsection 4 or selects a best and final offer pursuant to paragraph (a) of subsection 5, the Department shall hold a public meeting to:

(a) Review and ratify the selection.

(b) Partially reimburse the unsuccessful finalists if partial reimbursement was provided for in the request for preliminary proposals pursuant to paragraph (f) of subsection 3 of NRS 408.3883. The amount of reimbursement must not exceed, for each unsuccessful finalist, 3 percent of the total amount to be paid to the design-build team as set forth in the design-build contract.

(c) Make available to the public a summary setting forth the factors used by the Department to select the successful design-build team and the ranking of the design-build teams who submitted final proposals and, if applicable, best and final offers. The Department shall not release to a third party, or otherwise make public, financial or proprietary information submitted by a design-build team.

7. A contract awarded pursuant to this section:

(a) Must comply with the provisions of NRS 338.020 to 338.090, inclusive; and

(b) Must specify:

(1) An amount that is the maximum amount that the Department will pay for the performance of all the work required by the contract, excluding any amount related to costs that may be incurred as a result of unexpected conditions or occurrences as authorized by the contract;

(2) An amount that is the maximum amount that the Department will pay for the performance of the professional services required by the contract; and

(3) A date by which performance of the work required by the contract must be completed.

8. A design-build team to whom a contract is awarded pursuant to this section shall:

(a) Assume overall responsibility for ensuring that the design and construction of the project is completed in a satisfactory manner; and

(b) Use the workforce of the prime contractor on the design-build team to construct at least 15 percent of the project.

Sec. 33. NRS 625.530 is hereby amended to read as follows:

625.530 Except as otherwise provided in NRS 338.1711 to 338.1727, inclusive, and section 2 of this act and 408.3875 to 408.3887, inclusive:

1. The State of Nevada or any of its political subdivisions, including a county, city or town, shall not engage in any public work requiring the practice of professional engineering or land surveying, unless the maps, plans, specifications, reports and estimates have been prepared by, and the work executed under the supervision of, a professional engineer, professional land surveyor or registered architect.

2. The provisions of this section do not:

(a) Apply to any public work wherein the expenditure for the complete project of which the work is a part does not exceed $35,000.

(b) Include any maintenance work undertaken by the State of Nevada or its political subdivisions.

(c) Authorize a professional engineer, registered architect or professional land surveyor to practice in violation of any of the provisions of this chapter or chapter 623 of NRS.

(d) Require the services of an architect registered pursuant to the provisions of chapter 623 of NRS for the erection of buildings or structures manufactured in an industrial plant, if those buildings or structures meet the requirements of local building codes of the jurisdiction in which they are being erected.

3. The selection of a professional engineer, professional land surveyor or registered architect to perform services pursuant to subsection 1 must be made on the basis of the
competence and qualifications of the engineer, land surveyor or architect for the type of services to be performed and not on the basis of competitive fees. If, after selection of the engineer, land surveyor or architect, an agreement upon a fair and reasonable fee cannot be reached with him or her, the public agency may terminate negotiations and select another engineer, land surveyor or architect. *Except as otherwise provided in this subsection, in assigning the relative weight to each factor for selecting a professional engineer, professional land surveyor or registered architect pursuant to this subsection, the public agency shall assign, without limitation, a relative weight of 5 percent to the possession of a certificate of eligibility to receive a preference when competing for public works. If any federal statute or regulation precludes the granting of federal assistance or reduces the amount of that assistance for a particular public work because of the provisions of this subsection relating to a preference when competing for public works, those provisions of this subsection do not apply insofar as their application would preclude or reduce federal assistance for that public work.*

Sec. 34. NRS 338.1694, 338.1695 and 338.1699 are hereby repealed.

Sec. 35. 1. The State Board of Architecture, Interior Design and Residential Design, the State Board of Landscape Architecture and the State Board of Professional Engineers and Land Surveyors shall, before October 1, 2011, adopt any regulations which are required by or necessary to carry out the provisions of this act.

2. The State Public Works Board shall, as soon as practicable after the effective date of this section, adopt regulations governing the acts required by subsection 9 of section 5 of this act.

2. Before August 1, 2011, the Committee on Local Government Finance created pursuant to NRS 354.105 shall prescribe a form for the report described in subsection 1, which must include, without limitation:

(a) The total number of contracts and selections described in subsection 1 awarded and made by the State Public Works Board or local government during the year to which the report pertains; and

(b) A description of each such contract or selection, including, without limitation:

(1) The name of the person or entity who was selected or to whom the contract was awarded.

(2) The particular type of goods or services involved in the contract or selection.

(3) The dollar amount of the contract or selection.

(4) Whether the person or entity who was selected or to whom the contract was awarded was awarded the contract or selected as a result of the person or entity possessing a certificate of eligibility to receive a preference when competing for public works pursuant to subsection 1, 2 or 3 of section 2 of this act.

(5) If the person or entity who was selected or to whom the contract was awarded did not possess a certificate for eligibility to receive a preference when competing for public works pursuant to subsection 1, 2 or 3 of section 2 of this act, the number of persons or entities that did possess such a certificate that bid on the contract or were considered for selection.

Sec. 37. The provisions of sections 4 and 5 of this act apply only to contracts entered into on or after July 1, 2011.

Sec. 38. 1. This section and sections 1, 3 to 6, inclusive, 10 to 15, inclusive, 18 to 25, inclusive, 27, 29, 34, 35 and 37 of this act become effective:

(a) Upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of those sections; and

(b) On July 1, 2011, for all other purposes.

2. Sections 2, 7, 16, 26, 28, 30 to 33, inclusive, and 36 of this act become effective:
(a) Upon passage and approval for the purpose of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of those sections; and

   (a) Set forth the date by which final proposals must be submitted to the public body;
   (b) Set forth the proposed forms of the contract to assist in the preconstruction of the public work and the contract to construct the public work that include, without limitation, the proposed terms and general conditions of the contracts; and
   (c) Set forth the selection criteria and relative weight of the selection criteria that will be used to evaluate the final proposals.
2. A final proposal must include, without limitation:
   (a) The professional qualifications and experience of the applicant, including, without limitation, the resumes of any employees of the applicant who will be managing the preconstruction and construction of the public work;

   (c) The safety programs established and the safety records accumulated by the applicant;
   (d) The proposed plan of the applicant to manage the preconstruction and construction of the public work, which plan sets forth in detail the ability of the applicant to provide preconstruction services and to construct the public work; and

The panel shall interview the two or three applicants whose final proposals received the highest scores. After conducting such interviews, the panel shall rank the applicants based on the final proposals and interviews, which must be given equal weight.
2. Upon receipt of the final rankings of the applicants from the panel, the public body shall enter into negotiations with the most qualified applicant determined pursuant to subsection 1 for a contract for preconstruction services. If the public body is unable to negotiate a contract with the most qualified applicant at an amount of compensation that the public body and the most qualified applicant determine to be fair and reasonable, the public body shall terminate negotiations with that applicant. The public body may then undertake negotiations with the next most qualified applicant in sequence until an agreement is reached or a determination is made by the public body to reject all applicants.
3. The public body shall make available to the applicants and the public the results of the evaluations of final proposals and interviews conducted pursuant to subsection 1 and the final rankings of the applicants.
