Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Pastor Gary Gryte.

Our Heavenly Father, we ask Your presence with us as we represent the people of the great state of Nevada.

May we respect each other as much as we respect ourselves. May we care for those we stand for as much as You do. May we honor the seat we warm with fairness, with caring, justice, and compassion.

Care for our families today wherever they are. Care for them so we can be content at heart and do our jobs in peace.

We look with anticipation to the wonderful ways You are going to answer our prayer today, for it is in the name of Jesus we ask.

AMEN.

AN ACT relating to criminal procedure; authorizing courts to allow certain victims of sex trafficking or involuntary servitude who have been convicted of engaging in or soliciting prostitution to seek new trials and have their judgments of conviction vacated; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that it is a crime for anyone to engage in or solicit prostitution, except in a licensed house of prostitution. (NRS 201.354)

Existing law also provides that if a defendant is convicted of a crime, the court may grant a new trial to the defendant, under certain circumstances, if the defendant makes a motion for a new trial within a certain period after the verdict or finding of guilt. (NRS 176.515.) This bill allows a court to grant a motion to vacate a judgment if the defendant who was convicted of engaging in or soliciting prostitution, and the defendant’s participation in the offense was the result of having been a victim of sex trafficking or involuntary servitude, to make a motion for a new trial beyond the time limitations set forth in existing law. If the court grants such a motion, the court must vacate the judgment entered against the defendant and must dismiss the accusatory pleading.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 176.515 is hereby amended to read as follows:

176.515 1. The court may grant a new trial to a defendant if required as a matter of law or on the ground of newly discovered evidence.

2. If trial was by the court without a jury, the court may vacate the judgment if entered, take additional testimony and direct the entry of a new judgment.

3. Except as otherwise provided in subsection 5 and subsection 6, a motion for a new trial based on the ground of newly discovered evidence may be made only within 2 years after the verdict or finding of guilt.

4. Except as otherwise provided in subsection 5 and subsection 6, a motion for a new trial based on any other grounds must be made within 7 days after the verdict or finding of guilt or within such further time as the court may fix during the 7-day period.

5. The court may waive the time limitations set forth in subsections 3 and 4 and may grant a motion for a new trial to vacate a judgment if:

(a) The judgment is a conviction for a violation of NRS 201.354, for engaging in prostitution or solicitation for prostitution, provided that the defendant was not alleged to be a customer of a prostitute;
(b) The participation of the defendant in the offense was the result of the defendant having been a victim of:
    (1) Trafficking in persons as described in the Trafficking Victims Protection Act of 2000, 22 U.S.C. §§ 7101 et seq.; or
    (2) Involuntary servitude as described in NRS 200.463; and
(c) The defendant makes a motion under this subsection with due diligence after the defendant has ceased being a victim of trafficking or involuntary servitude or has sought services for victims of such trafficking or involuntary servitude.
6. In deciding whether to grant a motion made pursuant to subsection 5, the court shall take into consideration any reasonable concerns for the safety of the defendant, family members of the defendant or other victims that may be jeopardized by the bringing of such a motion.
7. If the court grants a motion made pursuant to subsection 5, the court:
    (a) Shall vacate the judgment and dismiss the accusatory pleading; and
    (b) May take any additional action that the court deems appropriate under the circumstances.

Amendment No. 14.

AN ACT relating to securities; designating certain uses of a certification or professional designation as unethical or dishonest practices in the securities business; requiring the filing of certain forms when a sales representative terminates association with a broker-dealer; revising activities for which the Administrator of the Securities Division of the Office of the Secretary of State may deny a license or impose certain limitations or disciplinary actions
upon a licensee; revising certain registration and filing requirements for

certain securities; increasing the penalty for the putting off, circulation or
publication of any false or misleading writing, statement or intelligence
regarding a security that is publicly traded; prohibiting certain activities in an
investigation, proceeding or prosecution; increasing certain fees; and
providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill provides that a person engages in unethical or
dishonest practices in the securities business if the person uses a certification
or professional designation in certain specified ways.

Section 2 of this bill increases the annual licensing fee for a representative
of an investment adviser from $110 to $125 and requires licensing of branch
offices of investment advisers in the same manner as branch offices of
broker-dealers.

Existing law requires a person licensed as a sales representative or the
broker-dealer on whose behalf the sales representative is acting to promptly
notify the Administrator of the Securities Division of the Office of the
Secretary of State when the sales representative terminates association with
the broker-dealer. (NRS 90.380) Section 3 of this bill specifies that the sales
representative or the broker-dealer must promptly file with the Administrator
a Uniform Termination Notice for Securities Industry Registration (Form U-
5).

Existing law authorizes the Administrator to deny a license or impose
certain limitations or disciplinary actions upon a licensee if, within the
preceding 10 years, the applicant or licensee has been convicted of certain
felonies or misdemeanors. (NRS 90.420) Section 4 of this bill includes
among the specified felonies and misdemeanors crimes which involve moral
turpitude. Section 4 also authorizes the Administrator to take the described
actions if the applicant or licensee: (1) has been convicted of the specified
felonies at any point in time and the specified misdemeanors within the
preceding 10 years; or (2) is or has been the subject of certain orders
prohibiting the person from serving in certain capacities.

Existing law exempts from certain registration and filing requirements
certain governmental securities except for securities payable solely from
revenues to be received from an enterprise unless certain conditions are met.
(NRS 90.520) Section 5 of this bill specifies that the enterprise must be a
private industrial or commercial enterprise.

Existing law exempts from certain registration and filing requirements
certain specified securities if certain documents, including a notice on Form
NF or Form N-9, as prescribed by the Administrator, are filed with the
Administrator before the initial offering of the securities in this State. (NRS
90.565) Section 6 of this bill establishes the effective period of a notice filed
on Form NF or Form N-9 and a procedure for its renewal.

Existing law requires an issuer of securities to file with the Administrator a
fee of $500 within 15 days after the first sale of the security in this State if
the Administrator exempts that security from certain registration and filing requirements. (NRS 90.567) **Section 7** of this bill requires the issuer to: (1) file any other document which the Administrator may require in addition to the $500 fee; and (2) pay an additional fee of $250 if a filing is up to 10 days late and $500 if a filing is more than 10 days late.

Existing law makes the putting off, circulation or publication of any false or misleading writing, statement or intelligence regarding a security that is publicly traded a gross misdemeanor. (NRS 205.440) **Sections 8 and 12** of this bill make such conduct a category B felony instead.

Existing law prohibits certain activities in an investigation, proceeding or prosecution with respect to a violation of any securities laws, regulations or orders issued thereunder. (NRS 90.605) **Section 9** of this bill prohibits the willful making of a materially false or fictitious statement or representation with the intent to effectuate certain concealments, delays or hindrances impeding the investigation, proceeding or prosecution.

**Section 10** of this bill increases the fee for a request to the Administrator for a waiver or a no-action letter from $200 to $500.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 90 of NRS is hereby amended by adding thereto a new section to read as follows:

1. **A person engages in unethical or dishonest practices in the securities business if, without limitation, the person uses a certification or professional designation that:**
   (a) Indicates or implies that the person has special certification or training in advising or providing services to older persons or retirees in connection with the offer, sale or purchase of securities or in the provision of advice as to the value of or advisability of investing in, purchasing or selling securities, either directly or indirectly, through publications or writings or by issuing or publishing analyses or reports related to securities if the person does not have such special certification or training;
   (b) The person has not earned or is otherwise ineligible to use;
   (c) Is nonexistent;
   (d) The person conferred upon himself or herself;
   (e) Indicates or implies a level of occupational qualifications obtained through education, training or experience that the person using the certification or professional designation has not obtained; or
   (f) Was obtained from a certifying or designating organization that, except as otherwise provided in subsection 2:
      (1) Is primarily engaged in the business of instruction in sales or marketing;
      (2) Does not have reasonable standards or procedures for assuring the competency of its certificate holders or designees;
(3) Does not have reasonable standards or procedures for monitoring and disciplining its certificate holders or designees for conduct that is improper or unethical; or

(4) Does not have reasonable requirements for continuing education for its certificate holders or designees in order to maintain the certificate or designation.

2. There is a rebuttable presumption that paragraph (f) of subsection 1 does not include a certification or professional designation that:
   (a) Does not primarily apply to sales or marketing; and
   (b) Was conferred by a certifying or designating organization that has been accredited by:
      (1) The American National Standards Institute;
      (2) The National Commission for Certifying Agencies; or
      (3) An organization that is on the list provided by the United States Department of Education entitled “Accrediting Agencies Recognized for Title IV Purposes.” [A copy of the list may be obtained at the Internet address http://www2.ed.gov/admins/finaid/accred/accreditation_pg9.html.]

3. In determining whether a combination of words or an acronym standing for a combination of words constitutes a certification or professional designation indicating or implying that a person has special certification or training in advising or providing services to older persons or retirees, factors to be considered will include, without limitation:
   (a) The use of one or more words such as “elder,” “retirement,” “senior” or similar words combined with one or more words such as “chartered,” “certified,” “registered,” “adviser,” “consultant,” “planner,” or “specialist” or similar words in the name of the certification or professional designation; and
   (b) The manner in which those words are combined.

4. For the purposes of this section, a title of a job within an organization that is licensed or registered by a financial services regulatory agency of this State, any other state or the Federal Government is not a certification or professional designation if the title is not used in a manner that would confuse or mislead a reasonable consumer and the title:
   (a) Indicates seniority or standing within the organization; or
   (b) Specifies a person’s area of specialization within the organization.

5. As used in this section:

Amendment No. 451.
AN ACT relating to business associations; excluding certain nonprofit organizations from the definition of “business”; imposing a fine on certain business entities that transact business in this State without qualifying to do business in this State under certain circumstances; revising provisions relating to certain filings with the Secretary of State by certain business associations; making various technical corrections to various provisions relating to business associations; requiring and increasing certain fees; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law defines “business” for the purposes of statutes governing state business licenses. (NRS 76.020) Section 1 of this bill amends the definition to exclude certain nonprofit organizations.

Sections 2 and 3 of this bill provide for a fine of not less than $1,000 but not more than $10,000 upon a business entity that fails to obtain or renew a state business license before conducting business in this State within 30 days of receiving notice of such failure and authorize the Secretary of State to instruct a district attorney or the Attorney General, or both, to institute proceedings to recover the penalty, fine and certain costs and fees in a court of competent jurisdiction. Finally, sections 2 and 3 authorize the Secretary of State to adopt regulations to administer the provisions of sections 2 and 3.

Existing law provides for a fine against certain business associations purporting to do business in this State that willfully fail or neglect to comply with certain requirements for qualification to do business in this State. (NRS 78.047, 80.055, 82.5234, 86.213, 86.548, 87.445, 87.445, 87.5405, 87A.237, 87A.610, 87A.632, 87A.652, 88.352, 88.600, 88.6062, 88.6087, 88A.215, 88A.750, 89.215) Sections 4, 6, 8, 9 and 11-24 of this bill eliminate the element of willfulness neglect from these provisions.

Sections 5, 7 and 10 of this bill revise the list of items that certain business associations must file with the Secretary of State.

Section 27 of this bill requires the Secretary of State to charge a fee of $50 for each duplicate certificate issued and increases the fee for certifying certain documents from $20 to $30.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 129.

AN ACT relating to water; revising the amount of the fee for issuing and recording a permit to change the point of diversion or place of use only of an existing water right for irrigational purposes; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law sets forth a schedule of fees that the State Engineer is required to collect for providing various services relating to the appropriation of water for beneficial uses in Nevada. In 2009, a fee of $200 for issuing and recording a permit to change the point of diversion or place of use only of an existing water right for irrigational purposes was eliminated and the following fee became applicable to such a permit: (1) a fee of $250 for issuing and recording a permit to change an existing water right for any purpose other than for watering livestock or wildlife purposes or for certain uses concerning the generation of hydroelectric power; and (2) an additional fee of $3 for each acre-foot of water or fraction thereof approved in the permit by the State Engineer. (Chapter 250, Statutes of Nevada 2009, p. 1014; NRS 533.435) This bill reinstates and increases to $500 the flat fee that had been eliminated in 2009 for issuing and recording a permit to change the
point of diversion or place of use only of an existing water right for irrigational purposes. Thus, under this bill, a person who is issued such a permit is required to pay a flat fee of $500 rather than a fee of $250 plus an additional fee of $3 for each acre-foot of water or fraction thereof approved in the permit by the State Engineer.

Amendment No. 204.

SUMMARY—Revises provisions governing the collection of fines, administrative assessments, fees and restitution owed by certain convicted persons. (BDR 14-557)

AN ACT relating to the State Controller; requiring a county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning the responsibility of collecting fines, administrative assessments, fees and restitution from persons convicted of certain criminal offenses; defendants; making various changes relating to the collection of fines, administrative assessments, fees and restitution from certain criminal defendants; making various changes relating to debt collection between this State and the Federal Government; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that if a fine, administrative assessment, fee or restitution imposed upon a defendant is delinquent: (1) the defendant is liable for a collection fee; (2) the entity responsible for collecting the delinquent amount may report the delinquency to credit reporting agencies, may contract with a collection agency and may request that the court take appropriate action; and (3) the court may request that a prosecuting attorney undertake collection efforts, may order the suspension of the driver’s license of the defendant and may, in the case of a delinquent fine or administrative assessment, order that the defendant be confined in the appropriate prison, jail or detention facility. (NRS 176.064)

This bill provides that if a defendant is convicted of a felony or gross misdemeanor and ordered to pay a fine, administrative assessment, fee or restitution, the State Controller is responsible for: (1) collecting the fine, administrative assessment, fee or restitution; and (2) distributing the fine, administrative assessment, fee or restitution to the entity entitled to receive it. Sections 1 and 2 of this bill require: (1) each district court, the Chief of the Division of Parole and Probation of the Department of Public Safety and the Director of the Department of Corrections to provide, upon request and in the manner prescribed by the State Controller, necessary information to the State Controller regarding the amount of any fine, administrative assessment, fee or restitution owed by a person convicted of a felony or gross misdemeanor; and (2) each district court, the Department of Public Safety, the Department of Corrections and any other state or local agency involved in the collection of fines, administrative assessments, fees or restitution to collaborate with the State Controller. Sections 7 and 11 of this bill require the district court to forward to the county treasurer the necessary information for the collection of the debt of a criminal defendant. If a county is unable to collect the debt, sections 7, 11 and 14 of this bill authorize the county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning to the Office of the State Controller the responsibility for collecting the debt.

Sections 7 and 11 of this bill require the district court to forward to the county treasurer the necessary information for the collection of the debt of a criminal defendant. If a county is unable to collect the debt, sections 7, 11 and 14 of this bill authorize the county treasurer to enter into a cooperative agreement with the Office of the State Controller for the purpose of assigning to the Office of the State Controller the responsibility for collecting the debt.

Under existing law, a judgment entered by the court ordering a defendant to pay a fine, administrative assessment or restitution constitutes a lien. (NRS 176.275) Section 8 of this bill requires a district court judge to inform a defendant at the time of sentencing of the provisions of NRS 176.275, and that if the lien is not satisfied, collection efforts may be undertaken against the defendant.

Sections 9 and 12 of this bill require a defendant to pay costs and fees associated with the efforts to collect a debt.

Section 14 authorizes the Office of the State Controller to enter into a cooperative agreement with a governmental entity for the purpose of establishing the Office of the State Controller as the collection agent for the governmental entity.
Section 15 of this bill authorizes the State Controller or his or her designee to enter into a reciprocal agreement with the Federal Government for the collection and offset of indebtedness.

   (a) Not more than $100, if the amount of the delinquency is less than $2,000.
   (b) Not more than $500, if the amount of the delinquency is $2,000 or greater, but is less than $5,000.
   (c) Ten percent of the amount of the delinquency, if the amount of the delinquency is $5,000 or greater.

2. If the defendant is already the subject of a court order suspending or delaying the issuance of the defendant’s driver’s license, the court may order the additional suspension or delay, as appropriate, to apply consecutively with the previous order. At the time the court issues an order suspending the driver’s license of a defendant pursuant to this paragraph, the court shall require the defendant to surrender to the court all driver’s licenses then held by the defendant. The court shall, within 5 days after issuing the order, forward to the Department of Motor Vehicles the licenses, together with a copy of the order. The Department of Motor Vehicles shall report a suspension pursuant to this paragraph to an insurance company or its agent inquiring about the defendant’s driving record, but such a suspension must not be considered for the purpose of rating or underwriting.

(c) For a delinquent fine or administrative assessment, order the confinement of the person in the appropriate prison, jail or detention facility, as provided in NRS 176.065 and 176.075.

The Court Administrator] State Controller may use the money in the account only to develop and implement a program for the collection of fines, administrative assessments, fees and restitution in this State.

The defendant is entitled to a hearing to show the existence of such a hardship.

5. If, within 3 years after the defendant has been discharged from probation, the [Division] State Controller has not located the person to whom the restitution was ordered, the money paid by the defendant must be deposited with the State Treasurer for credit to the Fund for the Compensation of Victims of Crime. The defendant is entitled to a hearing to show the existence of that hardship.

8. If, within 2 years after the parolee is discharged from parole, the [Division] State Controller has not located the person to whom the restitution was ordered, the money paid to the [Division] State Controller by the parolee must be deposited in the Fund for the Compensation of Victims of Crime. Amendment No. 152.
AN ACT relating to gaming; authorizing the Nevada Gaming Commission to adopt regulations relating to the issuance of a preliminary finding of suitability; revising provisions relating to investigations and the initiation of complaints by the State Gaming Control Board; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law authorizes the Nevada Gaming Commission to require a finding of suitability of a person under certain circumstances. (NRS 463.162) Section 1 of this bill authorizes the Commission to adopt regulations relating to the issuance of a preliminary finding of suitability.

Existing law requires the State Gaming Control Board to make investigations and to initiate a hearing by filing a complaint with the Commission if the Board is satisfied that a license, registration, finding of suitability, pari-mutuel license or prior approval by the Commission of any transaction for which approval was required or permitted should be limited, conditioned, suspended or revoked. (NRS 463.310) Section 2 of this bill clarifies that the Board may, after an investigation, initiate a hearing by filing a complaint with the Commission if the Board is satisfied that a person or entity which is licensed, registered, found suitable or found preliminarily suitable or which previously obtained approval for which Commission approval was required or permitted should be fined.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 463 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Commission may, with the advice and assistance of the Board, adopt regulations governing the issuance of a preliminary finding of suitability to a person.

2. The regulations adopted by the Commission pursuant to this section must:

   (a) Provide that a person must demonstrate to the satisfaction of the Commission that the person has the suitability to become involved as a licensee but has not otherwise entered into a position or transaction which would require licensing pursuant to this chapter.

   (b) Provide that a preliminary finding of suitability expires not more than 2 years after issuance by the Commission but may be renewed for additional periods of not more than 2 years as the Commission deems appropriate.

   (c) Set forth standards for a person to be issued a preliminary finding of suitability that are as stringent as the standards for a person to be issued a nonrestricted license.

   (d) Establish the fees for a person to apply for, to be investigated for and to hold a preliminary finding of suitability.
(e) Provide that no person may be issued a preliminary finding of suitability unless the person agrees that, for the duration of the period in which the person holds the preliminary finding of suitability, the person will not seek or in any way engage in a corporate acquisition opposed by management.

(f) Define “preliminary finding of suitability” as the term is used in this section.

3. As used in this section:
   (a) “Acquire control” or “acquiring control” means any act or conduct by a person whereby the person obtains control, whether accomplished through the ownership of equity or voting securities, ownership of rights to acquire equity or voting securities, by management or consulting agreements or other contract, by proxy or power of attorney, by statutory mergers, by consummation of a tender offer, by acquisition of assets, or otherwise.
   (b) “Control” means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person.
   (c) “Corporate acquisition opposed by management” means an attempt to acquire control of a publicly traded corporation that is an affiliated company by means of a tender offer that is opposed by the board of directors of the affiliated company.
   (d) “Tender offer” means a public offer by a person other than the issuer to purchase voting securities of a publicly traded corporation that is an affiliated company, made directly to security holders for the purpose of acquiring control of the affiliated company.
   (e) “Voting security” means a security the holder of which is entitled to vote for the election of a member or members of the board of directors or board of trustees of a corporation or a comparable person or persons in the case of a partnership, trust, or other form of business organization other than a corporation.

Sec. 2. NRS 463.310 is hereby amended to read as follows:

463.310 1. The Board shall make appropriate investigations:
   (a) To determine whether there has been any violation of this chapter or chapter 462, 464, 465 or 466 of NRS or any regulations adopted thereunder.
   (b) To determine any facts, conditions, practices or matters which it may deem necessary or proper to aid in the enforcement of any such law or regulation.
   (c) To aid in adopting regulations.
   (d) To secure information as a basis for recommending legislation relating to this chapter or chapter 462, 464, 465 or 466 of NRS.
   (e) As directed by the Commission.
2. If, after any investigation the Board is satisfied that:
   (a) A license, registration, finding of suitability, preliminary finding of suitability, pari-mutuel license or prior approval by the Commission of any transaction for which the approval was required or permitted under the
provisions of this chapter or chapter 462, 464 or 466 of NRS should be limited, conditioned, suspended or revoked; or

(b) A person or entity which is licensed, registered, found suitable or found preliminarily suitable pursuant to this chapter or chapter 464 of NRS or which previously obtained approval for any act or transaction for which Commission approval was required or permitted under the provisions of this chapter or chapter 464 of NRS should be fined.

3. Upon receipt of the complaint of the Board, the Commission shall review the complaint and all matter presented in support thereof, and shall conduct further proceedings in accordance with NRS 463.312 to 463.3145, inclusive.

(b) Limit, condition, suspend or revoke any registration, finding of suitability, pari-mutuel license, or prior approval given or granted to any applicant by the Commission;

(c) Order a licensed gaming establishment to keep an individual licensee from the premises of the licensed gaming establishment or not to pay the licensee any remuneration for services or any profits, income or accruals on the investment of the licensee in the licensed gaming establishment; and

(d) Fine each person or entity, or both, which is licensed, registered or found suitable pursuant to this chapter or chapter 464 of NRS or which previously obtained approval for any act or transaction for which Commission approval was required or permitted under the provisions of this chapter or chapter 464 of NRS:

6. If the Commission limits, conditions, suspends or revokes any license or imposes a fine, or limits, conditions, suspends or revokes any registration, finding of suitability, pari-mutuel license or prior approval, it shall issue its written order therefor after causing to be prepared and filed its written decision upon which the order is based.

7. Any such limitation, condition, revocation, suspension or fine so made is effective until reversed upon judicial review, except that the Commission may stay its order pending a rehearing or judicial review upon such terms and conditions as it deems proper.

8. Judicial review of any such order or decision of the Commission may be had in accordance with NRS 463.315 to 463.318, inclusive.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 103.

AN ACT relating to court reporters; making various changes pertaining to the appointment, duties and work product of court reporters in the district courts and justice courts of this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill provides that a business organization appointed to provide to a district court the services of a certified court reporter must be licensed by the Certified Court Reporters’ Board of Nevada. (NRS 3.320)

Section 2 of this bill clarifies that an official reporter pro tempore of a district court is appointed rather than employed and, like the official reporter he or she replaces, does not have a fixed term of employment. (NRS 3.320, 3.340)

Section 3 of this bill states that prima facie evidence of the testimony and proceedings in a district court is provided by the transcript and not the report of the official reporter. (NRS 3.360)

Section 4 of this bill makes various changes with respect to the compensation of the official reporter of a district court. (NRS 3.370)

Section 5 of this bill provides that, when sound recording equipment is used to record proceedings in a district court and a transcript is subsequently made: (1) the person who transcribes the recording shall subscribe to an oath that he or she has truly and correctly transcribed the proceedings as recorded; and (2) the person who operates the sound recording equipment shall subscribe to an oath that the sound recording is a true and accurate recording of the proceedings and, in the event of an error, malfunction or other problem relating to the sound recording equipment or
the sound recording, report that error, malfunction or problem to the court. (NRS 3.380) Section 6 of this bill states that, with regard to proceedings in a justice court, compensation for the preparation of a transcript is to be deposited with the certified court reporter and not with the deputy clerk of the court. (NRS 4.410) Section 7 of this bill provides that, (1) the sound recording of each proceeding in justice court must be preserved until at least 1 year, instead of 30 days, after the time for filing an appeal expires; and (2) with respect to certain criminal proceedings in a justice court, sound recordings must be preserved for a period of at least 8 years. (NRS 4.420)

The court shall not stay the order of the Board pending a final determination by the court.

3. For the purposes of this section, “recovered” means the net sum recovered by the plaintiff after deducting any disbursements or costs incurred in connection with the prosecution or settlement of the claim. Costs of medical care incurred by the plaintiff and general and administrative expenses incurred by the office of the attorney are not deductible disbursements or costs.
4. As used in this section:
(a) “Professional negligence” means a negligent act or omission to act by a provider of health care in the rendering of professional services, which act or omission is the proximate cause of a personal injury or wrongful death. The term does not include services that are outside the scope of services for which the provider of health care is licensed or services for which any restriction has been imposed by the applicable regulatory board or health care facility.
(b) “Provider of health care” means a physician licensed under chapter 630 or 633 of NRS, dentist, registered nurse, dispensing optician, optometrist, registered physical therapist, podiatric physician, licensed psychologist, chiropractor, doctor of Oriental medicine, medical laboratory director or technician, licensed dietitian or a licensed hospital and its employees.

Sec. 50. NRS 42.021 is hereby amended to read as follows:
42.021 1. In an action for injury or death against a provider of health care based upon professional negligence, if the defendant so elects, the defendant may introduce evidence of any amount payable as a benefit to the plaintiff as a result of the injury or death pursuant to the United States Social Security Act, any state or federal income disability or worker’s compensation act, any health, sickness or income-disability insurance, accident insurance that provides health benefits or income-disability coverage, and any contract or agreement of any group, organization, partnership or corporation to provide, pay for or reimburse the cost of medical, hospital, dental or other health care services. If the defendant elects to introduce such evidence, the
plaintiff may introduce evidence of any amount that the plaintiff has paid or contributed to secure the plaintiff’s right to any insurance benefits concerning which the defendant has introduced evidence.

2. A source of collateral benefits introduced pursuant to subsection 1 may not:
   (a) Recover any amount against the plaintiff; or
   (b) Be subrogated to the rights of the plaintiff against a defendant.

3. In an action for injury or death against a provider of health care based upon professional negligence, a district court shall, at the request of either party, enter a judgment ordering that money damages or its equivalent for future damages of the judgment creditor be paid in whole or in part by periodic payments rather than by a lump-sum payment if the award equals or exceeds $50,000 in future damages.

4. In entering a judgment ordering the payment of future damages by periodic payments pursuant to subsection 3, the court shall make a specific finding as to the dollar amount of periodic payments that will compensate the judgment creditor for such future damages. As a condition to authorizing periodic payments of future damages, the court shall require a judgment debtor who is not adequately insured to post security adequate to assure full payment of such damages awarded by the judgment. Upon termination of periodic payments of future damages, the court shall order the return of this security, or so much as remains, to the judgment debtor.

5. A judgment ordering the payment of future damages by periodic payments entered pursuant to subsection 3 must specify the recipient or recipients of the payments, the dollar amount of the payments, the interval between payments, and the number of payments or the period of time over which payments will be made. Such payments must only be subject to modification in the event of the death of the judgment creditor. Money damages awarded for loss of future earnings must not be reduced or payments terminated by reason of the death of the judgment creditor, but must be paid to persons to whom the judgment creditor owed a duty of support, as provided by law, immediately before the judgment creditor’s death. In such cases, the court that rendered the original judgment may, upon petition of any party in interest, modify the judgment to award and apportion the unpaid future damages in accordance with this subsection.

6. If the court finds that the judgment debtor has exhibited a continuing pattern of failing to make the periodic payments as specified pursuant to subsection 5, the court shall find the judgment debtor in contempt of court and, in addition to the required periodic payments, shall order the judgment debtor to pay the judgment creditor all damages caused by the failure to make such periodic payments, including, but not limited to, court costs and attorney’s fees.

7. Following the occurrence or expiration of all obligations specified in the periodic payment judgment, any obligation of the judgment debtor to
make further payments ceases and any security given pursuant to subsection 4 reverts to the judgment debtor.

8. As used in this section:
   (a) “Future damages” includes damages for future medical treatment, care or custody, loss of future earnings, loss of bodily function, or future pain and suffering of the judgment creditor.
   (b) “Periodic payments” means the payment of money or delivery of other property to the judgment creditor at regular intervals.
   (c) “Professional negligence” means a negligent act or omission to act by a provider of health care in the rendering of professional services, which act or omission is the proximate cause of a personal injury or wrongful death. Legislative Counsel’s Digest:
Under existing law, the high school proficiency examination is administered to pupils enrolled in high school in the subject areas of reading, mathematics, science and writing. (NRS 389.015, 389.550) Also under existing law, unless a pupil satisfies certain alternative criteria, passage of the high school proficiency examination in its entirety is required for receipt of a standard high school diploma. (NRS 389.805) Existing administrative regulations of the State Board of Education set forth the times for the administration of the high school proficiency examination beginning with grade 10. (NAC 389.051)

Section 3 of this bill requires the board of trustees of each school district to administer the practice test of the high school proficiency examination to all pupils enrolled in grade 10 during the first month of the fall semester of the school year. Section 4 of this bill authorizes the principal of a high school or the principal’s designee to postpone the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 for not more than 1 year if: (1) the principal or the principal’s designee and the pupil’s teacher who provides instruction in the applicable subject area determine that the pupil is not academically ready to take the examination, as demonstrated by the pupil’s performance on the practice test of the high school proficiency examination, based upon a determination that the pupil is not achieving at least 79 percent competency in the applicable subject area; and (2) the parent or legal guardian of the pupil agrees in writing that the pupil is not academically ready for that subject area of the examination. If the administration of the examination is postponed, the pupil’s academic plan for high school must be revised to ensure that: (1) the pupil is enrolled in or scheduled to enroll in the appropriate course work for his or her grade level and receives the necessary preparation to prepare the pupil to take the subject area of the high school proficiency examination which was postponed; and (2) the pupil participates in the statewide program to prepare pupils for the high school proficiency
examination or enrolls in a course of study offered by the board of trustees of the school district designed to assist pupils with passing the high school proficiency examination.

**Effective on July 1, 2011, existing law authorizes the board of trustees of each school district to require the administration of district-wide tests, examinations and assessments that are in addition to any other test, examination or assessment that is required by state or federal law.** (NRS 389.006) **Section 4.5 of this bill authorizes the board of trustees of each school district to administer the practice test of the high school proficiency examination to pupils enrolled in high school.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.205 is hereby amended to read as follows:

388.205 1. The board of trustees of each school district shall adopt a policy for each public school in the school district in which ninth grade pupils are enrolled to develop a 4-year academic plan for each of those pupils. The academic plan must set forth the specific educational goals that the pupil intends to achieve before graduation from high school. The plan may include, without limitation, the designation of a career pathway and enrollment in dual credit courses, career and technical education courses, advanced placement courses and honors courses.

2. The policy must require each pupil enrolled in ninth grade and the pupil’s parent or legal guardian to:
   (a) Work in consultation with a school counselor to develop an academic plan for the pupil;
   (b) Sign the academic plan; and
   (c) Review the academic plan at least once each school year in consultation with a school counselor and revise the plan if necessary.

3. If a pupil enrolls in a high school after ninth grade, an academic plan must be developed for that pupil with appropriate modifications for the grade level of the pupil.

4. **If the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed for a pupil pursuant to section 4 of this act, the pupil’s academic plan must be revised in consultation with the pupil’s teacher who provides instruction in the applicable subject area and the pupil’s parent or legal guardian as set forth in section 4 of this act.**

5. An academic plan for a pupil must be used as a guide for the pupil and the parent or legal guardian of the pupil to plan, monitor and manage the pupil’s educational and occupational development and make determinations of the appropriate courses of study for the pupil. If a pupil does not satisfy all the goals set forth in the academic plan, the pupil is eligible to graduate and receive a high school diploma if the pupil otherwise satisfies the requirements for a diploma.
Sec. 2. Chapter 389 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 and 4 of this act.

Sec. 3. 1. The board of trustees of each school district shall administer the practice test of the high school proficiency examination, as prescribed by the Department, to all pupils enrolled in grade 10 in the school district during the first month of the fall semester of the school year.

2. If a pupil transfers to a high school in this State from a school outside of this State after the practice test is administered pursuant to subsection 1, the principal of the high school to which the pupil transfers shall ensure that the pupil takes the practice test of the high school proficiency examination within the first month of the pupil’s transfer to determine the placement of the pupil in the appropriate courses of study at the high school.

(Deleted by amendment.)

Sec. 4. 1. The principal of a high school, or the principal’s designee, may postpone, for not more than 1 year, the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 at the high school if:

(a) The principal, or the principal’s designee, and the pupil’s teacher who provides instruction in the applicable subject area determine that the pupil is not academically ready to take the high school proficiency examination in the subject area of mathematics or science, based upon the pupil’s performance in the subject area on the practice test of the high school proficiency examination administered pursuant to section 3 of this act; and

b) a determination that the pupil is not achieving at least 79 percent competency in the applicable subject area. If the high school in which the pupil is enrolled administers the practice test of the high school proficiency examination, the results of the pupil on that test may be included as one of the factors to determine the pupil’s readiness.

(b) The parent or legal guardian of the pupil agrees in writing with the determination of the principal, or the principal’s designee, and the teacher that the pupil is not academically ready to take the high school proficiency examination in the subject area of mathematics or science, or both.

2. If the administration of the mathematics or science subject area of the high school proficiency examination is postponed for a pupil pursuant to subsection 1, the principal of the school, or the principal’s designee, shall provide the pupil and his or her parent or legal guardian a copy of the informational pamphlet concerning the high school proficiency examination developed by the Department pursuant to NRS 389.0173.

3. If the administration of the mathematics or science subject area of the high school proficiency examination is postponed for a pupil pursuant to subsection 1, the academic plan of the pupil developed pursuant to NRS 388.205 must be revised to:

(a) Ensure that the pupil is enrolled in or scheduled to enroll in the course work for his or her grade level and receives the necessary preparation to enable the pupil to take, not later than 1 year
after the postponement is made, the subject area of the high school proficiency examination for which the examination is postponed; and

(b) Require the pupil to participate in the statewide program to prepare pupils for the high school proficiency examination established pursuant to NRS 389.0175 or enroll in the course of study designed to assist pupils with passing the high school proficiency examination prescribed by the State Board pursuant to NRS 389.045, or both.

4. On or before July 1 of each year, the board of trustees of each school district shall submit a report to the Department and the Legislative Committee on Education indicating:

(a) The number of pupils for whom the administration of the high school proficiency examination is postponed in the immediately preceding school year; and

(b) A notation indicating whether the administration was postponed for the subject area of mathematics or science, or both.

Sec. 4.5. NRS 389.006 is hereby amended to read as follows:

389.006 1. In addition to any other test, examination or assessment required by state or federal law, the board of trustees of each school district may require the administration of district-wide tests, examinations and assessments, including, without limitation, the practice test of the high school proficiency examination to pupils enrolled in high school, that the board of trustees determines are vital to measure the achievement and progress of pupils. In making this determination, the board of trustees shall consider any applicable findings and recommendations of the Legislative Committee on Education.

2. The tests, examinations and assessments required pursuant to subsection 1 must be limited to those which can be demonstrated to provide a direct benefit to pupils or which are used by teachers to improve instruction and the achievement of pupils.

3. The board of trustees of each school district and the State Board shall periodically review the tests, examinations and assessments administered to pupils to ensure that the time taken from instruction to conduct a test, examination or assessment is warranted because it is still accomplishing its original purpose.

Sec. 5. NRS 389.015 is hereby amended to read as follows:

389.015 1. The board of trustees of each school district shall administer examinations in all public schools of the school district. The governing body of a charter school shall administer the same examinations in the charter school. The examinations administered by the board of trustees and governing body must determine the achievement and proficiency of pupils in:

(a) Reading;
(b) Mathematics; and
(c) Science.

2. The examinations required by subsection 1 must be:
(a) Administered before the completion of grades 4, 7, 10 and 11, except for a pupil enrolled in grade 10 for whom the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed pursuant to section 4 of this act.

(b) Administered in each school district and each charter school at the same time during the spring semester. The time for the administration of the examinations must be prescribed by the State Board.

(c) Administered in each school in accordance with uniform procedures adopted by the State Board. The Department shall monitor the compliance of school districts and individual schools with the uniform procedures.

(d) Administered in each school in accordance with the plan adopted pursuant to NRS 389.616 by the Department and with the plan adopted pursuant to NRS 389.620 by the board of trustees of the school district in which the examinations are administered. The Department shall monitor the compliance of school districts and individual schools with:

1. The plan adopted by the Department; and
2. The plan adopted by the board of trustees of the applicable school district, to the extent that the plan adopted by the board of trustees of the school district is consistent with the plan adopted by the Department.

(e) Scored by a single private entity that has contracted with the State Board to score the examinations. The private entity that scores the examinations shall report the results of the examinations in the form and by the date required by the Department.

3. Not more than 14 working days after the results of the examinations are reported to the Department by a private entity that scored the examinations, the Superintendent of Public Instruction shall certify that the results of the examinations have been transmitted to each school district and each charter school. Not more than 10 working days after a school district receives the results of the examinations, the superintendent of schools of each school district shall certify that the results of the examinations have been transmitted to each school within the school district. Except as otherwise provided in this subsection, not more than 15 working days after each school receives the results of the examinations, the principal of each school and the governing body of each charter school shall certify that the results for each pupil have been provided to the parent or legal guardian of the pupil:

1. During a conference between the teacher of the pupil or administrator of the school and the parent or legal guardian of the pupil; or
2. By mailing the results of the examinations to the last known address of the parent or legal guardian of the pupil.

If a pupil fails the high school proficiency examination, the school shall notify the pupil and the parents or legal guardian of the pupil of each subject area that the pupil failed as soon as practicable but not later than 15 working days after the school receives the results of the examination.

4. If a pupil fails to demonstrate at least adequate achievement on the examination administered before the completion of grade 4, 7 or 10, the pupil
may be promoted to the next higher grade, but the results of the pupil’s examination must be evaluated to determine what remedial study is appropriate. If such a pupil is enrolled at a school that has failed to make adequate yearly progress or in which less than 60 percent of the pupils enrolled in grade 4, 7 or 10 in the school who took the examinations administered pursuant to this section received an average score on those examinations that is at least equal to the 26th percentile of the national reference group of pupils to which the examinations were compared, the pupil must, in accordance with the requirements set forth in this subsection, complete remedial study that is determined to be appropriate for the pupil.

5. Except as otherwise provided in subsection 6, if a pupil fails to pass the high school proficiency examination, the pupil must not be graduated unless he or she:
   (a) Is able, through remedial study, to pass the proficiency examination; or
   (b) Passes the subject areas of mathematics and reading tested on the proficiency examination, has at least a 2.75 grade point average on a 4.0 grading scale and satisfies the alternative criteria prescribed by the State Board pursuant to NRS 389.805,

but the pupil may be given a certificate of attendance, in place of a diploma, if the pupil has reached the age of 18 years.

6. A pupil who transfers during grade 12 to a school in this State from a school outside this State because of the military transfer of the parent or legal guardian of the pupil may receive a waiver from the requirements of subsection 5 if, in accordance with the provisions of NRS 392C.010, the school district in which the pupil is enrolled:
   (a) Accepts the results of the exit or end-of-course examinations required for graduation in the local education agency in which the pupil was previously enrolled;
   (b) Accepts the results of a national norm-referenced achievement examination taken by the pupil; or
   (c) Establishes an alternative test for the pupil which demonstrates proficiency in the subject areas tested on the high school proficiency examination, and the pupil successfully passes that test.

7. The State Board shall prescribe standard examinations of achievement and proficiency to be administered pursuant to subsection 1. The high school proficiency examination must include the subjects of reading, mathematics and science and, except for the writing portion prescribed pursuant to NRS 389.550, must be developed, printed and scored by a nationally recognized testing company in accordance with the process established by the testing company. The examinations on reading, mathematics and science prescribed for grades 4, 7 and 10 must be selected from examinations created by private entities and administered to a national reference group, and must allow for a comparison of the achievement and proficiency of pupils in grades 4, 7 and 10 in this State to that of a national reference group of pupils in grades 4, 7 and 10. The questions contained in the examinations and the approved
answers used for grading them are confidential, and disclosure is unlawful except:
(a) To the extent necessary for administering and evaluating the examinations.
(b) That a disclosure may be made to a:

   (3) Director of curriculum of a school district to the extent that it is necessary for the performance of his or her duties; and
   (4) Director of testing of a school district to the extent that it is necessary for the performance of his or her duties.
(c) That specific questions and answers may be disclosed if the Superintendent of Public Instruction determines that the content of the questions and answers is not being used in a current examination and making the content available to the public poses no threat to the security of the current examination process.
(d) As required pursuant to NRS 239.0115.

Legislative Counsel’s Digest:
This bill provides that an agreement between an heir finder and an apparent heir relating to the recovery of property in an estate for which the public administrator petitioned for letters of administration is void and unenforceable if the agreement is entered into during the period beginning with the death of the person whose estate is in probate until 6 months after the filing of a petition for letters of administration, thereafter.

  Amendment No. 472.
  ASSEMBLY BILL NO. 300—ASSEMBLYMEN FRIERSON, ATKINSON, HORNE, SMITH, OCEGUERA; BROOKS, BUSTAMANTE ADAMS, CONKLIN, DIAZ, ORENRENSCHALL AND SEGEBLUM
  AN ACT relating to real property; revising provisions providing for mediation in certain actions for foreclosure; and providing other matters properly relating thereto.
  Legislative Counsel’s Digest:
  Existing law sets forth procedures governing foreclosures on real property upon default. A trustee under a deed of trust, commonly referred to as a lender, has the power to sell the property to which a deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085) Existing law sets forth additional restrictions on the lender’s power of sale with respect to owner-occupied housing by providing a grantor of a deed of trust or the
person who holds the title of record, commonly referred to as a homeowner, with the right to request mediation under which he or she may receive a loan modification. (NRS 107.086)

Sections 7-10 of this bill revise the procedures concerning such a mediation. Specifically, section 7: (1) requires a mediator to complete and submit a statement that includes the findings of the mediator; (2) authorizes the homeowner to petition the court for an order imposing sanctions against the lender; and (3) creates a rebuttable presumption that the court will impose sanctions against the lender under certain circumstances which include, without limitation, the failure of the lender to attend the mediation.

Section 8 of this bill authorizes either party to the mediation to petition for judicial review if the party is dissatisfied with the findings of the mediator. Section 9 of this bill requires, under certain circumstances, a foreclosure to take place within 90 days after the specific date by which the homeowner is required to vacate the property pursuant to an agreement reached by the parties to such a mediation. Section 10 of this bill sets forth certain requirements governing an agreement reached by the parties to such a mediation that authorizes a “short sale” of the property in which the sale price would be insufficient to pay to the lender the entire outstanding balance of the lien upon the trust property and the costs of the sale.

Section 13 of this bill prohibits a lender from assessing any fee to a homeowner for participating in such a mediation or any subsequent court action.

Section 6 of this bill establishes additional duties of the Mediation Administrator, including, without limitation, collecting and compiling statistics on the participation of lenders in such mediations.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 107 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 10, inclusive, of this act.

Sec. 2. As used in NRS 107.086 and sections 2 to 10, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 3, 4 and 5 of this act have the meanings ascribed to them in those sections.

Sec. 3. “Mediation Administrator” means the entity so designated pursuant to subsection 8 of NRS 107.086.

Sec. 4. “Noncommercial lender” means a lender which makes a loan secured by a deed of trust on owner-occupied housing and which is not a bank, financial institution or other entity regulated pursuant to title 55 or 56 of NRS.

Sec. 5. “Owner-occupied housing” means housing that is occupied by an owner as the owner’s primary residence. The term does not include any time share or other property regulated under chapter 119A of NRS.
Sec. 6. 1. The Mediation Administrator shall collect and compile statistics on the participation of beneficiaries of deeds of trust or their representatives in mediation conducted pursuant to NRS 107.086 and shall document, by beneficiary, information concerning such mediation, including, without limitation:
   (a) The number of mediations in which the beneficiary of the deed of trust or a representative was a participant;
   (b) Whether the parties to the mediation reached an agreement as determined by the mediator; and
   (c) Whether the mediator found that the beneficiary of the deed of trust or the representative complied with the requirements of the mediation as set forth in NRS 107.086, including, without limitation, whether the beneficiary or the representative:
      (1) Attended the mediation;
      (2) Brought the requisite documents to the mediation;
      (3) Had authority to negotiate a loan modification or access to a person with the authority required by subsection 4 of NRS 107.086; and
      (4) Participated in the mediation in good faith.
2. The Mediation Administrator shall post the statistics maintained pursuant to subsection 1 on its Internet website.

Sec. 7. 1. After the conclusion of the mediation conducted pursuant to NRS 107.086 or if the beneficiary of the deed of trust or a representative fails to attend such a mediation, the mediator shall complete and submit to the Mediation Administrator a statement that includes the findings of the mediator.
2. If the statement of the mediator includes a finding by the mediator that the beneficiary of the deed of trust or the representative failed to attend the mediation, failed to participate in the mediation in good faith, did not bring to the mediation each document required by subsection 4 of NRS 107.086 or did not have the authority or access to a person with the authority required by subsection 4 of NRS 107.086:
   (a) The Mediation Administrator shall not issue a certificate to foreclose; and
   (b) No additional late fees or interest on the loan may be assessed to the grantor or the person who holds the title of record.
3. The statement of the mediator must document the conduct of the beneficiary of the deed of trust and the representative, if any, and include details concerning the conduct that would be sufficient to enable a judge considering the issue on judicial review to ascertain the circumstances and make a ruling.
4. If the grantor or the person who holds the title of record wishes to pursue sanctions as a result of the conduct of the beneficiary of the deed of trust or the representative, the grantor or the person who holds the title of record may petition the court for an order imposing sanctions against the beneficiary of the deed of trust or the representative.
5. If the court finds that the beneficiary of the deed of trust or the representative failed to attend the mediation, failed to participate in the mediation in good faith, did not bring to the mediation each document required by subsection 4 of NRS 107.086 or did not have the authority or access to a person with the authority required by subsection 4 of NRS 107.086, there is a rebuttable presumption that the court will impose sanctions against the beneficiary of the deed of trust or the representative.

6. In determining whether to impose sanctions against the beneficiary of the deed of trust or the representative, the court shall consider:
   (a) Whether the conduct of the beneficiary of the deed of trust or the representative was intentional;
   (b) Whether the beneficiary of the deed of trust or the representative has engaged in a pattern of similar conduct;
   (c) The record of the beneficiary of the deed of trust or the representative in mediations conducted pursuant to NRS 107.086 as set forth on the Internet website of the Mediation Administrator; and
   (d) The pattern, as a whole, of the beneficiary of the deed of trust or the representative with regard to participation in mediations conducted pursuant to NRS 107.086.

7. The court may issue an order imposing such sanctions against the beneficiary of the deed of trust or the representative as the court determines appropriate, including, without limitation:
   (a) Requiring a loan modification [in the manner determined proper by the court]; if a loan modification was agreed to by the parties to a mediation conducted pursuant to NRS 107.086 and the loan modification is reflected in the statement of the mediator;
   (b) Requiring further mediation and requiring the beneficiary of the deed of trust or the representative to pay:
      (1) The fee for mediation services described in paragraph (e) of subsection 8 of NRS 107.086 for any subsequent mediation of the grantor or the person who holds the title of record; and
      (2) The attorney’s fees and costs of the grantor or the person who holds the title of record for any such subsequent mediation;
   (c) Monetary sanctions which may include, without limitation [the ]:
      (1) The payment of sums to the grantor or the person who holds the title of record which may be applied by the grantor or the person who holds the title of record to reduce the principal of the loan; and
      (2) The interest and fees that accrued on the loan after the date on which the statement of the mediator was submitted to the Mediation Administrator pursuant to subsection 1 if the statement included any findings described in subsection 2; and
   (d) Such other relief as the court deems appropriate.

8. The court shall set forth written findings concerning any order issued by the court pursuant to subsection 7.
Sec. 8. If a party to a mediation conducted pursuant to NRS 107.086 is dissatisfied with the findings of the mediator, the party may file a petition for judicial review. The court shall:
1. Review the statement of the mediator required pursuant to section 7 of this act and any briefs of the parties to the mediation;
2. Hold a hearing at which the parties to the mediation may present evidence; and
3. Order such relief as may be appropriate.

Sec. 9. If the parties to a mediation conducted pursuant to NRS 107.086 agree that the grantor or the person who holds the title of record is required to vacate the property as of a date certain and the Mediation Administrator has issued a certificate to foreclose, foreclosure must take place not later than 90 days after the date indicated in the agreement as the date by which the grantor or the person who holds the title of record is required to vacate the property unless otherwise agreed to by the parties to the mediation.

Sec. 10. 1. If the parties to a mediation conducted pursuant to NRS 107.086 agree to a short sale, in which the sale price would be insufficient to pay to the beneficiary of the deed of trust the entire outstanding balance of the lien upon the trust property and the costs of the sale, the statement of the mediator required pursuant to section 7 of this act must include, without limitation:
(a) The date by which the beneficiary of the deed of trust will provide the grantor or the person who holds the title of record with an agreed-upon price at which the property will be listed for sale, which must include the costs of the sale;
(b) The date by which the property will be listed for sale;
(c) A specified period during which the property will be listed for sale; and
(d) A provision indicating that the beneficiary of the deed of trust has a specified period within which to decide whether to accept an offer to purchase the property. The specified period must not be more than 30 days after the date on which such an offer is communicated to the beneficiary of the deed of trust.

2. Any option for a short sale agreed to by the parties to the mediation agreement made pursuant to this section must include a release of the deficiency, if any, owed by the grantor or the person who holds the title of record.

3. If the close of escrow is not completed within the period allowed by the agreement after the acceptance of an offer to purchase the property, the beneficiary of the deed of trust may submit a request to the Mediation Administrator to issue a certificate to foreclose unless such failure to close escrow is a result of the action or inaction of the beneficiary of the deed of trust.
4. If the grantor or the person who holds the title of record believes that:
   (a) The beneficiary of the deed of trust failed to comply with the terms of the agreement for the short sale, the grantor or the person who holds the title of record may file a petition for judicial review within 30 days after the expiration of the period set forth in the agreement.
   (b) Escrow did not close because of the action or inaction of the beneficiary of the deed of trust, the grantor or the person who holds the title of record may file a petition for judicial review within 30 days after the date on which escrow was required to close.

Sec. 11. NRS 107.080 is hereby amended to read as follows:

107.080 1. Except as otherwise provided in NRS 107.085 and 107.086, if any transfer in trust of any estate in real property is made after March 29, 1927, to secure the performance of an obligation or the payment of any debt, a power of sale is hereby conferred upon the trustee to be exercised after a breach of the obligation for which the transfer is security.

2. The power of sale must not be exercised, however, until:

2. The trustee shall not exercise a power of sale pursuant to NRS 107.080 unless the trustee:

   (a) Includes with the notice of default and election to sell which is mailed to the grantor or the person who holds the title of record as required by subsection 3 of NRS 107.080:

If the grantor or the person who holds the title of record indicates on the form an election to enter into mediation, the trustee shall notify the beneficiary of the deed of trust and every other person with an interest as defined in NRS 107.090, by certified mail, return receipt requested, of the election of the grantor or the person who holds the title of record to enter into
mediation and file the form with the Mediation Administrator, who shall assign the matter to a senior justice, judge, hearing master or other designee and schedule the matter for mediation. No further action may be taken to exercise the power of sale until the completion of the mediation. If the beneficiary of the deed of trust is represented at the mediation by another person, that person must have authority to negotiate a loan modification on behalf of the beneficiary of the deed of trust or have access at all times during the mediation to a person with such authority.

5. If the beneficiary of the deed of trust or the representative fails to attend the mediation, fails to participate in the mediation in good faith or does not bring to the mediation each document required by subsection 4 or does not have the authority or access to a person with the authority required by subsection 4, the mediator shall prepare and submit to the Mediation Administrator a petition and recommendation concerning the imposition of sanctions against the beneficiary of the deed of trust or the representative. 7. A beneficiary of the deed of trust or a representative shall not assess any fee, however described, to the grantor or the person who holds the title of record for participating in the mediation or any subsequent court action, unless specifically ordered by a court.

8. The Supreme Court shall adopt rules necessary to carry out the provisions of this section and sections 2 to 10, inclusive, of this act. The rules must, without limitation, include provisions:
   (a) Designating an entity to serve as the Mediation Administrator pursuant to this section. The entities that may be so designated include, without limitation, the Administrative Office of the Courts, the District Court of the county in which the property is situated or any other judicial entity.

   (c) Requiring each party to a mediation to provide such information as the mediator determines necessary.
   (d) Establishing procedures to protect the mediation process from abuse and to ensure that each party to the mediation acts in good faith.
   (e) Establishing a total fee of not more than $400 that may be charged and collected by the Mediation Administrator for mediation services pursuant to this section and providing that, except as otherwise provided in section 7 of this act, the responsibility for payment of the fee must be shared equally by the parties to the mediation.

9. Except as otherwise provided in subsection 11, the provisions of this section and sections 2 to 10, inclusive, of this act do not apply if:
   (a) The grantor or the person who holds the title of record has surrendered the property, as evidenced by a letter confirming the surrender or delivery of the keys to the property to the trustee, the beneficiary of the deed of trust or the mortgagee, or an authorized agent thereof; or
   (b) A petition in bankruptcy has been filed with respect to the grantor or the person who holds the title of record under chapter 7, 11, 12 or 13 of Title 11 of the United States Code and the bankruptcy court has not entered an order closing or dismissing the case or granting relief from a stay of foreclosure.

(c) “Owner occupied housing” means housing that is occupied by an owner as the owner’s primary residence. The term does not include any time share or other property regulated under chapter 119A of NRS.

Sec. 14. NRS 107.095 is hereby amended to read as follows:

107.095 1. The notice of default required by NRS 107.080 must also be sent by registered or certified mail, return receipt requested and with postage prepaid, to each guarantor or surety of the debt. If the address of the guarantor or surety is unknown, the notice must be sent to the address of the trust property. Failure to give the notice, except as otherwise provided in subsection 3, releases the guarantor or surety from his or her obligation to the beneficiary, but does not affect the validity of a sale conducted pursuant to NRS 107.080 or the obligation of any guarantor or surety to whom the notice was properly given.

2. Failure to give the notice of default required by NRS 107.090, except as otherwise provided in subsection 3, releases the obligation to the beneficiary of any person who has complied with NRS 107.090 and who is or may otherwise be held liable for the debt or other obligation secured by the deed of trust, but such a failure does not affect the validity of a sale conducted pursuant to NRS 107.080 or the obligation of any person to whom the notice was properly given pursuant to this section or to NRS 107.080 or 107.090.

3. A guarantor, surety or other obligor is not released pursuant to this section if:

(a) The required notice is given at least 15 days before the later of:

(1) The expiration of the 15- or 35-day period described in paragraph (a) of subsection 2 of NRS 107.080;

(3) Any extension of the applicable period by the beneficiary; or

(b) The notice is rescinded before the sale is advertised.

The following amendment was proposed by the Committee on Judiciary:
AN ACT relating to the use of force; revising the provisions governing justifiable homicide; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing case law, there is no duty to retreat before using deadly force if the person using deadly force is not the original aggressor and reasonably believes that he or she is about to be killed or seriously injured. (*Culverson v. State*, 106 Nev. 484 (1990)) This bill provides that under the defense of justifiable homicide there is no duty to retreat if the person using deadly force: (1) is not the original aggressor; (2) has a right to be present at the location where deadly force is used; and (3) is not **actively** engaged in **conduct in furtherance of** criminal activity at the time deadly force is used.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 200.120 is hereby amended to read as follows:

200.120 1. Justifiable homicide is the killing of a human being in necessary self-defense, or in defense of habitation, property or person, against one who manifestly intends or endeavors, by violence or surprise, to commit a felony, or against any person or persons who manifestly intend and endeavor, in a violent, riotous, tumultuous or surreptitious manner, to enter the habitation of another for the purpose of assaulting or offering personal violence to any person dwelling or being therein.

2. *A person is not required to retreat before using deadly force as provided in subsection 1 if the person:*
   (a) *Is not the original aggressor;*
   (b) *Has a right to be present at the location where deadly force is used;* and
   (c) *Is not actively engaged in conduct in furtherance of criminal activity at the time deadly force is used.*

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 323.

AN ACT relating to real property; providing for a cause of action against a public agency which delays certain actions after adopting a resolution of intent to exercise eminent domain; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
The Nevada Supreme Court has held that a governmental entity may be liable for precondemnation damages if it: (1) has taken official action
amounting to an announcement of its intent to acquire the real property by eminent domain; and (2) following such action, has “acted improperly.” Two examples given by the Court of circumstances in which a governmental entity acted improperly are when it: (1) unreasonably delayed commencing the eminent domain proceeding; or (2) engaged in other improper or oppressive conduct. The Court further held that the determination of whether a governmental entity has unreasonably delayed the commencement of an eminent domain proceeding or engaged in other oppressive conduct is a question of fact to be determined by the fact finder. *(Buzz Stew, LLC v. City of North Las Vegas, 124 Nev. Adv. Op. 21, 181 P.3d 670 (2008))*

This bill, which is patterned after the provisions of California Code of Civil Procedure § 1245.260, creates a statutory cause of action where a governmental entity: (1) has adopted a resolution which announces its intent to acquire property; and (2) has not commenced an eminent domain proceeding to acquire the property within $180\text{ days}$ after the adoption of the resolution or has commenced such a proceeding but, within $180\text{ days}$ after commencing the action, has not served the complaint and summons relating to the proceeding. If the action is successful, the governmental entity may be required to do either or both of the following: (1) take the property and pay just compensation for it; or (2) pay damages for any interference with the possession and use of the property which resulted from the adoption of the resolution. An action is exempt from any statutory requirement to present a claim to a governmental entity before the commencement of an action against the governmental entity, and the action must be commenced within 15 years after the adoption of the resolution. After the commencement of an action, the governmental entity may rescind the resolution or abandon the taking of the property only under the same circumstances and subject to the same consequences as the abandonment of an eminent domain proceeding.

Under this bill, in lieu of an action for inverse condemnation or if the statute of limitations has expired, the owner of the property may obtain a writ of mandate to compel the governmental entity to rescind the resolution or commence an eminent domain proceeding to acquire the property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 37 of NRS is hereby amended by adding thereto a new section to read as follows:

1. *If a public agency has adopted a resolution of necessity but has not commenced an eminent domain proceeding to acquire the property within $180\text{ days}$ after the date of the adoption of the resolution, or has commenced such a proceeding but has not within $180\text{ days}$ after the commencement of the proceeding served the complaint and the summons relating to the proceeding, the owner of the property may, by an action in inverse condemnation, do either or both of the following:*

   a. [Further text related to the amendment.]
(a) Require the public agency to take the property and pay just compensation therefor.
(b) Recover damages from the public agency for any interference with the possession and use of the property resulting from the adoption of the resolution of necessity.

2. No claim need be presented against a public agency under NRS 41.036, 244.250, 268.020 or any other statute requiring the presentation of claim to a public agency as a prerequisite to commencement or maintenance of an action under subsection 1, but any such action must be commenced within 15 years after the date on which the public agency adopted the resolution of necessity.

3. After the owner of the property has commenced an action under this section, the public entity may rescind the resolution of necessity and abandon the taking of the property only under the same circumstances and subject to the same conditions and consequences as the abandonment of an eminent domain proceeding pursuant to NRS 37.180.

4. Commencement of an action under this section does not affect any authority of a public agency to commence an eminent domain proceeding, take possession of the property pursuant to NRS 37.100 and 37.170, or abandon the eminent domain proceeding pursuant to NRS 37.180.

5. In lieu of bringing an action under subsection 1 or if the limitations period set forth in subsection 2 has expired, the owner of the property may obtain a writ of mandate to compel the public agency, within such time as the court deems appropriate, to rescind the resolution of necessity or to commence an eminent domain proceeding to acquire the property.

6. As used in this section:
   (a) “Public agency” means an agency or political subdivision of this State.
   (b) “Resolution of necessity” means a resolution which:
       (1) Is adopted by a public agency authorized by NRS 37.0095 to exercise the power of eminent domain; and
       (2) Announces the intent of the public agency to acquire property.

The following amendment was proposed by the Committee on Health and Human Services:

Amendment No. 274.

AN ACT relating to protection of children; requiring a court that orders a child to be placed with someone other than a parent to retain jurisdiction over the child after the child reaches the age of 18 years in certain circumstances; requiring an agency which provides child welfare services to continue to
provide services and financial support to such a child while the child remains under the jurisdiction of the court; requiring the agency which provides child welfare services and such a child to enter into a written agreement; requiring the agency which provides child welfare services to develop a plan for such a child to assist the child in transitioning to independent living; revising various provisions relating to a child placed with someone other than a parent to clarify the application of those provisions to persons who remain in foster care beyond the age of 18 years; revising provisions governing the placement of children who are taken into protective custody or placed with someone other than a parent; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law gives a juvenile court exclusive jurisdiction over proceedings concerning a child in need of protection in this State, except if the child is subject to the jurisdiction of an Indian tribe pursuant to the Indian Child Welfare Act. (NRS 432B.410) The juvenile court may take actions to protect a child from abuse and neglect, including ordering a child to be placed into the custody of a person or entity other than a parent. (NRS 432B.550)

Section 18 of this bill requires the juvenile court that has jurisdiction over a child who was placed with a person other than a parent to continue to retain jurisdiction over the child when the child reaches the age of 18 years if the child so requests. Section 18 provides that jurisdiction over the child will terminate when the child reaches 21 years of age unless certain conditions occur first.

Section 16 of this bill requires the juvenile court to refer a child to an attorney when the child is 17 years of age if the court determines that the child is not likely to be returned to the custody of a parent before reaching 18 years of age. Section 16 requires the juvenile court to request that the attorney assist the child in deciding whether to remain under the jurisdiction of the court. Section 17 of this bill requires the agency which provides child welfare services to meet with the child at least 120 days before the child reaches 18 years of age to determine whether the child intends to remain under the jurisdiction of the court. However, the child is allowed to change his or her mind any time before reaching 18 years of age. In addition, section 18 requires the child and the agency which provides child welfare services to enter into a written agreement which must be filed with the juvenile court that includes provisions stating some of the conditions and consequences of the child remaining under the jurisdiction of the juvenile court. Section 18 further requires the agency which provides child welfare services to continue to provide the same services and financial support to the child that the child was entitled to receive before reaching 18 years of age while the child remains under the jurisdiction of the court. Section 18 also establishes a procedure for resolving issues involving a child who remains under the jurisdiction of the court. The agency which provides child welfare services and the child are required to attempt to resolve
any issue before taking the issue to court. If the agency which provides child welfare services decides to recommend that jurisdiction over the child be terminated, section 18 requires the agency to provide notice to the child and an opportunity for the child to have an informal administrative review of the decision. If the agency and the child are unable to reach an agreement, section 18 authorizes the child or the attorney of the child to request a hearing before the court.

Section 19 of this bill requires the agency which provides child welfare services to develop a written plan to assist a child who remains under the jurisdiction of the juvenile court in transitioning to independent living and provides other duties of the agency which provides child welfare services with respect to a child who remains under the jurisdiction of the juvenile court. Section 19 also requires the agency which provides child welfare services to conduct an exit interview with such a child before the jurisdiction of the court is terminated to determine whether the child requires any additional services. Section 20 of this bill revises the definition of “child” in existing law to clarify that a child who remains under the jurisdiction of the juvenile court after reaching 18 years of age is not included within that term for purposes of certain other provisions relating to the protection of children. Section 21 of this bill similarly revises the definition of “custodian” in existing law to provide that the term does not include a custodian of such a child for purposes of certain other provisions relating to the protection of children.

Section 22 of this bill establishes the order of priority in which to place a child who is taken into protective custody and allows the child to be placed with certain persons who are not related to the child but with whom the child has developed a significant emotional and positive relationship. Section 25 of this bill establishes the order of preference when placing a child with someone other than with a parent.

Sections 1-13 and 23 and 24 of this bill make various changes so that the provisions of NRS relating to a child who is in foster care are consistent and apply to a person who remains in foster care under the jurisdiction of a court after attaining 18 years of age in the same manner as a child in foster care who is less than 18 years of age.

Sec. 22. NRS 432B.390 is hereby amended to read as follows:
1. An agent or officer of a law enforcement agency, an officer of the local juvenile probation department or the local department of juvenile services, or a designee of an agency which provides child welfare services:
(a) May place a child in protective custody without the consent of the person responsible for the child’s welfare if the agent, officer or designee has reasonable cause to believe that immediate action is necessary to protect the child from injury, abuse or neglect.

(b) Shall place a child in protective custody upon the death of a parent of the child, without the consent of the person responsible for the welfare of the child, if the agent, officer or designee has reasonable cause to believe that the death of the parent of the child is or may be the result of an act by the other parent that constitutes domestic violence pursuant to NRS 33.018.

2. When an agency which provides child welfare services receives a report pursuant to subsection 2 of NRS 432B.630, a designee of the agency which provides child welfare services shall immediately place the child in protective custody.

If an agency other than an agency which provides child welfare services becomes aware that there is reasonable cause to believe that the death of a parent of a child is or may be the result of an act by the other parent that constitutes domestic violence pursuant to NRS 33.018, that agency shall immediately notify the agency which provides child welfare services and a protective custody hearing must be scheduled.

4. An agency which provides child welfare services shall request the assistance of a law enforcement agency in the removal of a child if the agency has reasonable cause to believe that the child or the person placing the child in protective custody may be threatened with harm.

5. Before taking a child for placement in protective custody, the person taking the child shall show his or her identification to any person who is responsible for the child and is present at the time the child is taken. If a person who is responsible for the child is not present at the time the child is taken, the person taking the child shall show his or her identification to any other person upon request. The identification required by this subsection must be a single card that contains a photograph of the person taking the child and identifies the person as a person authorized pursuant to this section to place a child in protective custody.

6. A child placed in protective custody pending an investigation and a hearing held pursuant to NRS 432B.470 must be placed, in a hospital, if the child needs hospitalization, or in a shelter, which may include, without limitation, a foster home or other home or facility which provides care for those children, except as otherwise provided in NRS 432B.3905, in the following order of priority:

(a) In a hospital, if the child needs hospitalization.
(b) With a parent of the child, if the agency which provides child welfare services reasonably believes that the parent did not participate in the alleged injury, abuse or neglect.

(c) With a person who is related within the fifth degree of consanguinity or a fictive kin, and who is suitable and able to provide proper care and guidance for the child, regardless of whether the relative or fictive kin resides within this State.

(e) In a foster home that is licensed pursuant to chapter 424 of NRS.

(f) In any other licensed shelter that provides care to such children.

7. Whenever possible, a child placed pursuant to subsection 6 must be placed together with any siblings of the child. Such a child must not be placed in a jail or other place for detention, incarceration or residential care of persons convicted of a crime or children charged with delinquent acts.

8. A person placing a child in protective custody pursuant to subsection 1 shall:

(b) Immediately make a reasonable effort to inform the person responsible for the child’s welfare that the child has been placed in protective custody; and

(c) Give preference in placement of the child to any person related within the fifth degree of consanguinity to the child who is suitable and able to provide proper care and guidance for the child, regardless of whether the relative resides within this State; and

(d) As soon as practicable, inform the agency which provides child welfare services and the appropriate law enforcement agency, except that if the placement violates the provisions of NRS 432B.3905, the person shall immediately provide such notification.

9. If a child is placed with any person who resides outside this State, the placement must be in accordance with NRS 127.330.

10. As used in this section, “fictive kin” means a person who is not related by blood to a child but who has a significant emotional and positive relationship with the child.

Sec. 23. NRS 432B.391 is hereby amended to read as follows:

432B.391 1. An agency which provides child welfare services or its approved designee may, in accordance with the procedures set forth in 28 C.F.R. §§ 901 et. seq., conduct a preliminary Federal Bureau of Investigation Interstate Identification Index name-based check of the records of criminal history of a resident who is 18 years of age or older of a home in which the agency which provides child welfare services wishes to place a child in an
emergency situation, other than a resident who remains under the jurisdiction of a court pursuant to section 18 of this act, to determine whether the person investigated has been arrested for or convicted of any crime.

2. Upon request of an agency which provides child welfare services that wishes to place a child in a home in an emergency situation, or upon request of the approved designee of the agency which provides child welfare services, a resident who is 18 years of age or older of the home in which the agency which provides child welfare services wishes to place the child, other than a resident who remains under the jurisdiction of a court pursuant to section 18 of this act, must submit to the agency which provides child welfare services or its approved designee a complete set of fingerprints and written permission authorizing the agency which provides child welfare services or its approved designee to forward those fingerprints to the Central Repository for Nevada Records of Criminal History for submission to the Federal Bureau of Investigation for its report. The agency which provides child welfare services or its approved designee shall forward the fingerprints to the Central Repository for Nevada Records of Criminal History within the time set forth in federal law or regulation.

3. If a resident who is 18 years of age or older of a home in which an agency which provides child welfare services places a child in an emergency situation, other than a resident who remains under the jurisdiction of a court pursuant to section 18 of this act, refuses to provide a complete set of fingerprints to the agency which provides child welfare services or its approved designee upon request pursuant to subsection 2, the agency which provides child welfare services must immediately remove the child from the home.

Sec. 24. NRS 432B.468 is hereby amended to read as follows:

432B.468. 1. The court shall retain jurisdiction to enforce, modify or terminate a guardianship established pursuant to NRS 432B.4665 until the child reaches 18 years of age (or for the period specified in section 18 of this act, whichever is later).

2. Any person having a direct interest in a guardianship established pursuant to NRS 432B.4665 may move to enforce, modify or terminate an order concerning the guardianship.

3. The court shall issue an order directing the appropriate agency which provides child welfare services to file a report and make a recommendation in response to any motion to enforce, modify or terminate an order concerning a guardianship established pursuant to NRS 432B.4665. The agency must submit the report to the court within 45 days after receiving the order of the court.

4. Any motion to enforce, modify or terminate an order concerning a guardianship established pursuant to NRS 432B.4665 must comply with the provisions set forth in chapter 159 of NRS for motions to enforce, modify or terminate orders concerning guardianships.
5. A successor guardian may be appointed in accordance with the procedures set forth in chapter 159 of NRS. (Deleted by amendment.)

Sec. 25. NRS 432B.550 is hereby amended to read as follows:

432B.550 1. If the court finds that a child is in need of protection, it may, by its order, after receipt and review of the report from the agency which provides child welfare services:

(a) Permit the child to remain in the temporary or permanent custody of the parents of the child or a guardian with or without supervision by the court or a person or agency designated by the court, and with or without retaining jurisdiction of the case, upon such conditions as the court may prescribe;

(b) Place the child in the temporary or permanent custody of a relative, a fictive kin or other person the court finds suitable to receive and care for the child with or without supervision, and with or without retaining jurisdiction of the case, upon such conditions as the court may prescribe; or

(c) Place the child in the temporary custody of a public agency or institution authorized to care for children, the local juvenile probation department, the local department of juvenile services or a private agency or institution licensed by the Department of Health and Human Services or a county whose population is 100,000 or more to care for such a child.

In carrying out this subsection, the court may, in its sole discretion and in compliance with the requirements of chapter 159 of NRS, consider an application for the guardianship of the child. If the court grants such an application, it may retain jurisdiction of the case or transfer the case to another court of competent jurisdiction.

2. If, pursuant to subsection 1, a child is placed other than with a parent:

(a) The parent retains the right to consent to adoption, to determine the child’s religious affiliation and to reasonable visitation, unless restricted by the court. If the custodian of the child interferes with these rights, the parent may petition the court for enforcement of the rights of the parent.

(b) The court shall set forth good cause why the child was placed other than with a parent.

3. If, pursuant to subsection 1, the child is to be placed with a relative, a fictive kin, the court may consider, among other factors, whether the child has resided with a particular relative or fictive kin for 3 years or more before the incident which brought the child to the court’s attention.

4. Except as otherwise provided in this subsection, a copy of the report prepared for the court by the agency which provides child welfare services must be sent to the custodian and the parent or legal guardian. If the child was delivered to a provider of emergency services pursuant to NRS 432B.630 and the location of the parent is unknown, the report need not be sent to that parent.

5. In determining the placement of a child pursuant to this section, if the child is not permitted to remain in the custody of the parents of the child or guardian:
It must be presumed to be in the best interests of the child to be placed together with the siblings of the child.

Preference must be given to placing the child in the following order:

1. With any person related within the fifth degree of consanguinity to the child or a fictive kin, and who is suitable and able to provide proper care and guidance for the child, regardless of whether the relative or fictive kin resides within this State.

(2) In a foster home that is licensed pursuant to chapter 424 of NRS.

6. Any search for a relative with whom to place a child pursuant to this section must be completed within 1 year after the initial placement of the child outside of the home of the child. If a child is placed with any person who resides outside of this State, the placement must be in accordance with NRS 127.330.

7. Within 60 days after the removal of a child from the home of the child, the court shall:

(a) Determine whether:

1. The agency which provides child welfare services has made the reasonable efforts required by paragraph (a) of subsection 1 of NRS 432B.393; or

2. No such efforts are required in the particular case; and

(b) Prepare an explicit statement of the facts upon which its determination is based.

8. As used in this section, “fictive kin” means a person who is not related by blood to a child but who has a significant emotional and positive relationship with the child.

Sec. 26. The provisions of NRS 354.599 do not apply to any additional expenses of a local government that are related to the provisions of this act.

Sec. 27. This act becomes effective upon passage and approval.

Assembly Bill No. 401.

Bill read second time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 360.

AN ACT relating to constructional defects; revising the definition of “constructional defect”; revising provisions governing attorney’s fees in claims concerning constructional defects; revising the statutes of limitation and repose relating to certain actions concerning constructional defects; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that a defect in the design, construction, manufacture, repair or landscaping of a new residence, of an alteration of or addition to an existing residence, of an appurtenance, which is done in violation of law, including in violation of local codes or ordinances, is a
constructional defect. (NRS 40.615) Section 1 of this bill provides that there is a rebuttable presumption that workmanship which exceeds the standards set forth in the applicable law, including any applicable local codes or ordinances, is not a constructional defect.

Existing law provides that in a claim for damages as the result of a constructional defect, reasonable attorney’s fees may be recovered as damages. (NRS 40.655) Section 2 of this bill provides that: (1) the court shall award to the prevailing party reasonable attorney’s fees, which must be an element of costs and awarded as costs; and (2) the amount of any attorney’s fees awarded must be determined by and approved by the court. Additionally, section 2 authorizes any party to petition the court to determine the reasonableness of attorney’s fees to be reimbursed to the claimant if: (1) the contractor has made satisfactory repairs in response to a notice of constructional defect; and (2) the only issue remaining is the amount of the reasonable attorney’s fees to be reimbursed to the claimant.

Existing law sets forth the statute of limitations for various actions. (NRS 11.190) Section 4 of this bill provides for a statute of limitations of 3 years for an action for damages for certain deficiencies, injury or wrongful death caused by a defect in construction if the defect is a result of willful misconduct or was fraudulently concealed.

Existing law contains certain periods of limitation, known as statutes of repose, in which certain actions for damages for certain deficiencies, injury or wrongful death caused by a defect in construction must be commenced. These statutes of repose apply to both commercial and residential construction. (NRS 11.202-11.206) Sections 3 and 5-8 of this bill exclude residential construction from the existing statutes of repose and provide a new statute of repose relating specifically to residential construction.

Section 9 of this bill provides that the amendatory provisions of the bill relating to claims for constructional defects governed by NRS 40.600 to 40.695, inclusive, apply to claims that arise on or after October 1, 2011, and the amendatory provisions of the remaining sections of the bill apply to actions based upon construction that occurs on or after October 1, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 40.615 is hereby amended to read as follows:

40.615 A "Constructional defect" means a defect in the design, construction, manufacture, repair or landscaping of a new residence, of an alteration of or addition to an existing residence, or of an appurtenance.

2. The term includes, without limitation, the design, construction, manufacture, repair or landscaping of a new residence, of an alteration of or addition to an existing residence, or of an appurtenance:
(a) Which is done in violation of law, including, without limitation, in violation of local codes or ordinances; except as otherwise provided in subsection 3;
(b) Which proximately causes physical damage to the residence, an appurtenance or the real property to which the residence or appurtenance is affixed;
(c) Which is not completed in a good and workmanlike manner in accordance with the generally accepted standard of care in the industry for that type of design, construction, manufacture, repair or landscaping; or
(d) Which presents an unreasonable risk of injury to a person or property.

3. There exists a rebuttable presumption that the term does not include the design, construction, manufacture, repair or landscaping of a new residence, of an alteration of or addition to an existing residence, or of an appurtenance which is done in violation of law, including, without limitation, in violation of local codes or ordinances, if the workmanship of the design, construction, manufacture, repair or landscaping exceeds the standards set forth in the applicable law, including, without limitation, the applicable local codes or ordinances.

Sec. 2. NRS 40.655 is hereby amended to read as follows:
1. Except as otherwise provided in NRS 40.650, in a claim governed by NRS 40.600 to 40.695, inclusive, the claimant may recover only the following costs and damages to the extent proximately caused by a constructional defect:
(a) Any reasonable attorney’s fees;
(b) The reasonable cost of any repairs already made that were necessary and of any repairs yet to be made that are necessary to cure any constructional defect that the contractor failed to cure and the reasonable expenses of temporary housing reasonably necessary during the repair;
(c) The reduction in market value of the residence or accessory structure, if any, to the extent the reduction is because of structural failure;
(d) The loss of the use of all or any part of the residence;
(e) The reasonable value of any other property damaged by the constructional defect;
(f) Any additional costs reasonably incurred by the claimant, including, but not limited to, any costs and fees incurred for the retention of experts to:
(1) Ascertain the nature and extent of the constructional defects;
(2) Evaluate appropriate corrective measures to estimate the value of loss of use; and
(3) Estimate the value of loss of use, the cost of temporary housing and the reduction of market value of the residence; and
(g) Any interest provided by statute.
2. The court shall award to the prevailing party reasonable attorney’s fees, which must be an element of costs and awarded as costs. The amount
of any attorney’s fees awarded pursuant to this section must be determined by and approved by the court.

3. If a contractor complies with the provisions of NRS 40.600 to 40.695, inclusive, the claimant may not recover from the contractor, as a result of the constructional defect, anything other than that which is provided pursuant to NRS 40.600 to 40.695, inclusive. If a contractor makes satisfactory repairs in response to a notice of a constructional defect pursuant to NRS 40.600 to 40.695, inclusive, and the only issue remaining is the amount of reasonable attorney’s fees to be reimbursed to the claimant, any party may petition the court to determine the reasonableness of the fees.

4. This section must not be construed as impairing any contractual rights between a contractor and a subcontractor, supplier or design professional.

Amendment No. 297.
AN ACT relating to programs for recycling; enacting provisions requiring the payment of deposits and refunds on certain beverage containers sold in this State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

This bill establishes a program for requiring deposits to be paid and then refunded on certain recyclable beverage containers sold in this State. Under section 10 of this bill, every beverage container, with certain exceptions, has a refund value of 5 cents. Section 11 of this bill requires every beverage container sold in this State to be clearly labeled with that refund value and being recyclable and originally sold in this State. Section 12 of this bill requires a consumer to deposit the refund value of each beverage container when purchasing a filled container, and requires a dealer who receives that deposit to submit the amount of the deposit to the Director of the State Department of Conservation and Natural Resources for deposit in the Beverage Container Recycling Fund. Section 12 also authorizes a consumer to return the beverage container to a redemption center and requires the Division of Environmental Protection of the Department to adopt regulations for the certification of those redemption centers. Section 13 of this bill provides for the refunding of the value of the empty beverage container to the consumer by a redemption center. Section 14 of this bill prohibits a person from attempting to return for a refund more than a certain number of empty beverage containers that the person knows or has reason to know were not originally sold in this State. Section 15 of this bill provides for the separate accounting of money received as a deposit for a beverage container and requires certain surplus money to be transferred to the Division of Environmental Protection of the State Department of Conservation and Natural Resources for use in creating the Beverage Container Recycling Fund and requires the money in the Fund to be used for recycling and recycling promotion and education programs. Section 16 of this bill requires certain reports to be made to the Director of the Department, and section 17 of this bill requires the Division to adopt regulations necessary to carry out the provisions of this bill.

Legislative Counsel’s Digest:

Existing law makes it unlawful for a private employer to make rules or regulations that prohibit or prevent an employee from engaging in politics or becoming a candidate for public office. (NRS 613.040) A violation of that prohibition by an employer is punishable by a fine of not more than $5,000. In addition, the costs of the proceeding to recover the fine are recoverable by the Attorney General. (NRS 613.050) The employee is also authorized to bring a separate lawsuit for damages for such a violation. (NRS 613.070) This bill makes it unlawful for public employers and labor organizations, in addition to private employers, to engage in such unlawful activity and also makes it unlawful for any public or private employer or labor organization to take any adverse employment action against an employee as a result of the employee becoming a candidate for public office. With respect to public employees, this bill makes an exception where necessary to meet requirements of federal law, such as the Hatch Act, 5 U.S.C. §§ 1501-1508, which imposes restrictions on certain political activities by state and local governmental employees.

WHEREAS, Every eligible person has a right to participate in the functions of government; and
WHEREAS, Participating as a candidate in an election for public office and participating in politics are at the core of government; and
WHEREAS, It is the policy of the State of Nevada to encourage participation in government; and
WHEREAS, Anything which tends to prevent a person from so participating is contrary to the policy of this State; now therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 613.040 is hereby amended to read as follows:

613.040 Except as necessary to meet requirements of federal law as it pertains to a particular public employee, it shall be unlawful for any person [firm or corporation doing business or employing labor in the State of Nevada to] who employs or has under his or her direction and control any person for wages or under a contract of hire and for any labor organization referring a person to an employer for employment:

(b) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and
(c) The applicant provides proof satisfactory to the State Engineer of the applicant’s:
   (1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and
   (2) Financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.

2. Except as otherwise provided in this subsection and subsections 3 and 11 and NRS 533.365, the State Engineer shall approve or reject each application within 1 year after the final date for filing a protest. The State Engineer may:
(a) Postpone action upon written authorization to do so by the applicant or, if an application is protested, by the protestant and the applicant.
(b) Postpone action if the purpose for which the application was made is municipal use.
(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. Except as otherwise provided in subsection 11, the State Engineer shall approve or reject, within 6 months after the final date for filing a
protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

4. If the State Engineer does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer.

5. Except as otherwise provided in subsection 11, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

6. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) Any other factor the State Engineer determines to be relevant.

7. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the records of the State Engineer. The copy of the application so endorsed must
be returned to the applicant. Except as otherwise provided in subsection 12, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. If:
   (a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;
   (b) The application involves an amount of water exceeding 250 acre-feet per annum;
   (c) The application involves an interbasin transfer of groundwater; and
   (d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

the State Engineer shall notice a new period of 45 days in which a person who is a successor in interest to a protestant or an affected water right owner may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in subsection 10, a person who is a successor in interest to a protestant or an affected water right owner who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer on a form provided by the State Engineer.

11. The provisions of subsections 1 to 6, inclusive, do not apply to an application for an environmental permit.
12. The provisions of subsection 7 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

13. The State Engineer shall, by regulation, define the term “environmentally sound” for the purpose of paragraph (c) of subsection 6.

14. As used in this section:
(a) “County of origin” means the county from which groundwater is transferred or proposed to be transferred.
(b) “Domestic well” has the meaning ascribed to it in NRS 534.350.

Sec. 2. The State Engineer shall:
1. On or before December 31, 2011, begin the regulatory process to adopt any regulations which are required by the provisions of this act.
2. On or before December 31, 2012, adopt any regulations which are required by the provisions of this act.
3. If those regulations are not adopted on or before December 31, 2012, submit a report to the 77th Session of the Nevada Legislature concerning the progress made toward the adoption of those regulations and provide an estimate of the additional time needed to adopt those regulations.

Sec. 3. This act becomes effective:
1. Upon passage and approval for the purpose of adopting regulations; and
2. On January 1, 2013, for all other purposes.

Assembly Bill No. 538.
Bill read second time.
The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 440.
AN ACT relating to pawnbrokers; revising the rate of interest that may be charged by pawnbrokers; revising the minimum time a pawnbroker must hold certain property; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
This bill increases the maximum rate of interest a pawnbroker may charge under certain circumstances from 10 percent to 13 percent. This bill also decreases the required minimum period of time for which a pawnbroker must hold personal property received in pledge from 120 days to 90 days after the date of pledge.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 646.050 is hereby amended to read as follows:

646.050 1. A pawnbroker may charge and receive interest at the rate of
13 percent a month for money loaned on the security of personal
property actually received in pledge, and a person shall not ask or receive a
higher rate of interest or discount on any such loan, or on any actual or
pretended sale or redemption of personal property. For any loan made, a
pawnbroker may make an initial charge of $5 in addition to interest at the
authorized rate.

2. All personal property must be held for redemption for at least 90
days after the date of pledge with any pawnbroker.

3. A pawnbroker shall give to the person securing the loan a printed
receipt clearly showing the amount loaned and rate of interest, together with
a description of the pledged property. The receipt must be marked in such a
manner that the amounts of principal and interest paid by the person securing
the loan can be clearly designated. Each payment must be entered upon the
receipt, and each entry must designate how much of the payment is being
credited to principal and how much to interest, with dates of payments shown
thereon.

4. A pawnbroker shall not charge more than $3 per day for the storage of
a motor vehicle which is collateral for a loan.

MESSAGE TO THE LEGISLATURE OF NEVADA
SEVENTY-SIXTH SESSION, 2011

Speaker Oceguera, Majority Leader Horsford, Speaker pro Tempore Smith, Minority Leader Goicoechea, and Minority Leader Mike McGinness. I thank you very much for giving me the opportunity to speak with you this evening. I know that you are very, very busy right now, and taking time out of your very busy schedules to listen to me is greatly appreciated. I know we have this wonderful tradition of your federal officials coming, one at a time, and speaking to our Legislature. I think it is a lovely tradition, and I hope it continues for many, many years into the future.

I want to acknowledge the guests, in addition to the assemblymen and state senators, that are here today. I want to particularly thank the members of our judiciary for coming over to the Legislative Branch and, of course, the constitutional officers. You honor me with your presence tonight. I thank you very much. I would be remiss if I did not personally thank the Governor for taking time from his busy schedule to be here. I appreciate the courtesy very, very much.

Before I begin my remarks, I think it would be very appropriate to acknowledge the men and women from Nevada that are serving in our Armed Forces overseas. I don’t believe in a moment of silence or a prayer at this time because everybody acknowledges our fighting men and women in their own way. But I think it is important that the leaders of this great state, since we are here together, acknowledge the extraordinary work that our Armed Forces do every day for the rest of us.

I also would be remiss if I didn’t acknowledge the passing of President Glick. It is a most unfortunate loss, not only for UNR, but for higher education, education in general, and for the entire state of Nevada. He will be sorely missed, and I am very sorry that he is gone.
I have been your representative in Congress for 13 years now. I first spoke with you as a member of Congress 13 years ago. It has been 28 years since I served as an assemblywoman in this body. I sat right over there where Ms. Flores is sitting, and I had my seven-month-old son Max with me. Now, like most people, I tell time by the birth of my children and their ages. Max is now 28 years old, and we are waiting for word that he passed the bar, ladies and gentlemen of the judiciary. I am most anxious to get him off my payroll and on to someone else’s.

Because I am a colleague in fashion, because we are all public servants here, and because I have served in this body, I fully appreciate and respect the work that you are doing. These are not easy times, and you are doing amazing work in a very, very short period of time. I understand the challenges that are facing all of us throughout our nation, and particularly here in our beloved state of Nevada.

We have the highest unemployment rate in the country. We have the highest mortgage foreclosure rate in the country. People who never missed a day of work have lost their jobs. People that have never missed a monthly mortgage payment are losing their homes. They are looking to us for help or suggestions or solutions, and as public officials and leaders of this state and this nation, it is our obligation to do exactly that.

For me, the single most important issue right now is jobs, jobs, jobs. There is nothing more important than getting our economy moving and getting our fellow citizens back to work. We need to get our fiscal house in order, and we need to prepare for our nation’s future.

There are three issues, in my mind, that are essential to accomplishing these goals: education, infrastructure, energy independence. I would like to spend a couple of minutes on each of those items, if I may.

Education—most of the people in this room know me well, but for those that don’t, let me tell you of my own history. My father has a ninth grade education; my mother graduated high school. But in our family, they knew that the difference between success and failure was that their children got a good education. When I was growing up, my parents didn’t care if I was pretty or popular—I would like to think I was both—but they cared that I got good grades. I’m the first person in my family to go to college, and if it wasn’t for the university and community college system here in this great state, I guarantee that I wouldn’t be standing here in front of you today. I know that my story is not dissimilar to so many people sitting here as well. I see so many of us that either graduated from UNLV, UNR, the community college system, or at the very least took classes at one of our community colleges.

Our Nevada children are no longer competing with students from Missouri and Minnesota and Montana. Our children are competing with the Indians and children from China, who are investing in their future by investing billions of dollars in their education system. Low taxes, which we are very proud of in this state; good weather; and good location in the western United States are no longer enough to attract industry and new business to our state.

If we are going to diversify our economy, which we must—we’ve been talking about it for 30 years—if we are going to do that, we have to invest in ourselves. Businesses coming to Nevada need and want a well-educated and well-trained workforce. They are not going to come here if we don’t deliver that. That is why I fought drastic cuts in Pell Grants and in job training programs. I couldn’t have gotten through college without grants and scholarships and working on the side, and I suspect that many of the students that go to our universities and community colleges are in the same position today that I was when I was growing up. To take Pell Grants away from students that have all the right abilities to get a good education and make something of themselves, I think, would be a terrible mistake for this country.

Now I am very careful not to criticize the people in this room. I know you spent hours last night—just last night alone—and many, many hours and days and weeks discussing these issues. But in my mind, gutting our education system is shortchanging our children, and almost as important as that, it is undermining our ability to diversify our economy. If we are going to climb our way out of this economic mess that has not only taken over the state of Nevada in a disproportionately harsh way but the entire country, we are going to need to figure out new ways of doing things.

If I could for a moment wax poetic, our very democracy depends on a well-educated electorate making informed decisions at the ballot box. That well-educated electorate starts with
our classrooms, and those classrooms start with adequate funding so that our kids can get the best possible education this state can have.

Infrastructure—this nation has an aging and crumbling infrastructure. It was no accident that the levees didn’t hold in New Orleans. It was no accident that the bridge collapsed in Minnesota. It was a catastrophic loss of life, and billions and billions of taxpayers’ dollars went down the drain and are now being used to fix these infrastructure projects. We are either going to pay now or we are going to pay later, but if we pay now, we actually create an infrastructure that will take this country through the twenty-first century, and we will have something to show for it at the end. In addition to new roads and bridges and dams and levees throughout the United States and here in the state of Nevada, we will also be creating jobs—good paying construction jobs—hundreds of thousands of them so we can get our people back to work. That is the importance of infrastructure.

Renewable energy—we must end our dependence on foreign oil, and there are three reasons why we have to do this. It is an economic necessity. It is an environmental necessity. It is a national security imperative. Nevada has an abundance of sun and wind and geothermal. We could be the epicenter of renewable energy production. We could be a net exporter to the rest of the western United States if we invest our dollars in renewable energy. I believe we can create an entire green economy based on green jobs.

Prior to me serving here in the Nevada Legislature, I was in-house counsel at Southwest Gas Corporation. I know a little bit—a little bit—about energy. We have to diversify our energy options. I am not foolish enough to suggest that we will never be dependent on oil, but certainly we can harness the sun and wind and geothermal to be part of a more diverse energy portfolio.

So when Congress voted to end loan guarantees for solar power projects, I voted no. And the reason I voted no to end these loan guarantees is because it is bad for Nevada. Our state is home to some of the biggest solar energy projects in the United States. If we end these loan guarantees in Washington, the Tonopah solar project, which is just about to get started, will come to a screeching halt. What does that do? Not only don’t we create the solar energy that we could use, but we are also going to be losing 600 jobs. The state of Nevada can’t afford to lose one job right now. The idea that we would be losing 600 jobs would be an anathema to me, and that is why I voted against ending that loan guarantee program for solar projects. We need it here in the state of Nevada; it is important for our future.

The Department of Energy is working with private energy companies to develop a battery-powered car that can go 300 miles without a charge. They are being tested and being manufactured right here in the United States. If we pull the plug on research and development funding, they are not going to be tested and they are not going to be manufactured here. Now we keep talking about expanding our manufacturing base. We don’t manufacture enough things here in the United States. This is tailor made for us, and I guarantee if we end those research and development dollars—if we take away the funding—that these projects are going to maybe dry up here in the United States. I bet dollars to doughnuts the Chinese and the Koreans are going to develop these batteries. And you know what? We are going to be buying these batteries from them. We shouldn’t have to do that. Let’s keep these research and development dollars.

The owners of a Nevada company that sells and installs energy-efficient products like solar screens and insulation for water heaters came to my office recently. This is what they told me. They said that their business is going gangbusters. They are selling a lot of product, and they are hiring a lot of people. But if we end the tax credits for consumers—for people like you and me that want to put solar screens on our windows so that we lower the cost of energy in our homes or if we want to wrap our heating elements and save hundreds of dollars on a monthly basis—if we end those tax credits, their business is going to dry up. They are going to have to close, and they are going to have to lay off all of these workers that they hired. This is the future and this is the future of our state. That is why I fight so hard to keep these tax credits, to make sure that these projects are built, and to make sure that consumers can lower the cost of their monthly energy bills and keep these businesses local and keep them open. That is why I think it is so important for us to do that.

Energy independence, in my mind, is a national security imperative. It is incomprehensible to me that a super power like the United States of America is so dependent on the Saudis and the Venezuelans and the Nigerians to have our energy needs met. These countries are not our
friends. They do not wish us well, and the longer we remain dependent on the Saudis and the Venezuelans and the Nigerians—and so many other countries that are dictatorial terrorist regimes that happen to be sitting on a lot of oil—the worse off this nation is going to be. The sooner we become energy independent—as soon as we harness the sun, wind, geothermal, biomass, and so many other possibilities that we have now—the sooner our children aren’t going to have to be holding hands with the Saudi royal family pretending they are friends when the reality is they are the biggest exporters of terrorism and the biggest financiers of terrorism on the planet. We are so desperate for that oil that we pretend they are our friends and allies. Shame on us. Let’s start moving toward energy independence.

There are a number of issues that we are addressing in our nation’s capital, and I would like to share some of them with you. There is a movement afoot to restart Yucca Mountain. If anybody in this room doesn’t know what that means, I will refresh your memory. That means shipping a minimum of 77,000 tons of radioactive, toxic nuclear waste that has a radioactive shelf life of approximately 300 years across 43 states to be buried in a hole in the Nevada desert where we have groundwater issues, seismic activity, and volcanic activity. Now, that cost of reopening Yucca Mountain and using it as a national repository when we can and we do have an alternative of dry cast storage onsite so it doesn’t have to be moved and it is perfectly safe where it is—the very cost of that is $100 billion. I would suggest to the people in Washington—and we all are interested in lowering our deficit—but if you want to seriously lower the deficit, let’s save $100 billion right off the bat and end Yucca Mountain once and for all.

Medicare—the House passed a bill that I voted against that would end Medicare and replace it with a voucher system. Our most vulnerable citizens would be required to purchase insurance from a private insurance company. What would that mean? Our seniors would be dependent on the whims of the insurance companies. How many among us reach the age of 65 without a preexisting condition? What insurance company is going to insure a senior citizen that has a preexisting condition? And what happens when that voucher outpaces the cost of their health care? Do they remove themselves from their dialysis machine and go quietly away to die? The estimated cost per senior of moving to a voucher system is $6,000 a year for that senior. A third of the seniors that we collectively represent in this state—a third of them—are on a fixed income, which means the only income they have is their social security check. From that check, they pay their rent, they pay for their medication, they pay their energy bills and for their food. Where are they going to get $6,000 to pay for additional health care costs? The health and well-being of our seniors cannot and should not be a partisan issue. It doesn’t matter if we are Republicans or Democrats or Independents; we are all getting old, and we are all going to get sick. What we need to do is fix, not destroy, this nation’s Medicare system.

The Ryan budget that I just voted against reopened the doughnut hole. For those of you who don’t know, we are trying to make prescription medication affordable for our seniors. If the doughnut hole is reopened, if that legislation becomes law today, 26,000 of our Nevada seniors will pay more for their prescription medication just on day one. That number will increase as time goes on. Why would we want to do this to our senior citizens? Are we really that anxious to balance our budget on the backs of the most vulnerable among us? I don’t think so. I don’t think anybody here in this room would want to do that.

Social security—I believe we have to protect social security, not privatize it. We have so many of our seniors that depend on it, and frankly, I am not about to entrust Wall Street with our seniors’ retirement savings so that they can do to social security what they did to the housing market and bring this nation to the brink of financial disaster. I am not going to do it.

Medicaid—I voted against block granting Medicaid funds to the states. Nevada is already facing a huge shortfall in our budget. This proposal could possibly slash $6.9 billion in health benefits over the next ten years. If that happens, we would be forced to remove 136 Nevadans from our Medicaid rolls, and we would be closing our nursing homes. That is unacceptable, and I suspect it is unacceptable to everybody in this room.

Veterans—I am the daughter of a World War II veteran. I am the wife of a Vietnam-era veteran. My father served in the Navy. My husband served nine and a half years in the Army. We have a responsibility and an obligation to those that sacrifice much on behalf of the rest of us. A very small percentage of our fellow citizens stand up and answer the call. For those that do, I think when they return, we have an obligation to provide the services—health services,
education services, housing services—that we promised them when they left. When they come back, those things need to be assured—that we are there for them as they were there for us.

I could never support legislation that cuts the housing voucher program for our homeless vets. Six hundred Nevada veterans are off the streets and living in housing because they qualified for a housing voucher from the VA. I will not cut that program. There are hundreds more of our fellow Nevadans on the streets tonight that should not be, and we need to fund those programs, not eliminate them. It is that important.

Our veterans wait for much, but what they won’t be waiting for much longer is the VA medical complex that is being built in North Las Vegas. It is one of the first new constructions of a VA facility in the United States of America. It is on 147 acres; three buildings, a full service hospital, a long-term care facility, and an outpatient clinic. The VA will be hiring, or is in the process of hiring, a thousand employees to staff those three facilities. It is on time, it is on budget, and in the year 2006, it was the single largest earmark in our federal budget. And no, I am not giving it back.

My friends and colleagues, we have been through a lot together. There are people in this room that I have known for a better part of my life, others that I have admired from afar, others that I worked very closely with, and I have the highest regard for everybody serving, particularly at this most challenging time.

Our nation is facing many challenges. This state certainly is. But I believe our best years are ahead of us. There is no doubt in my mind about that. But the challenge is how we get from here to there, and this is how I think we should do it: by investing in our future; by empowering the middle class by getting people back to work; by keeping our promises to our seniors and our veterans and our children and getting our fiscal house in order; by harnessing technology and the entrepreneurial spirit that has marked the United States of America, particularly an amazing state in the middle of nowhere—the state of Nevada. If we do these simple things, we will remind ourselves and show the world why the United States is the great nation that we are and that we intend to remain a super power and the great nation that we are and a light on to the other nations for many, many, many generations to come.

I thank each and every one of you for your friendship and your service to the people of the state of Nevada. It is a privilege for me to serve, and it is a privilege for me to speak with you this evening. Thank you very much.
