THE SEVENTY-NINTH DAY

CARSON CITY (Tuesday), April 26, 2011

Assembly called to order at 12 noon.
Mr. Speaker presiding.
Roll called.
All present.
Prayer by the Chaplain, Pastor Albert Tilstra.
We thank You, Lord, that there is no weather in heaven. Let not the cold of this day get into our hearts or minds. May we be warm and cheerful, secure in the knowledge that You are still here, that no clouds can blot You out, no rain or sleet or snow drive You away.
As winter is still blowing her icy breath along the city's streets, our love goes out to all who need encouragement, to all who lack food and clothing, to all who are cold and cheerless, to all who long for home and friendship.
Help us, in our blessedness, to be more willing to share the good things of life. Give us generosity and concern for others that shall mark us as Your followers.

AMEN.

Pledge of allegiance to the Flag.

Assemblyman Conklin moved that further reading of the Journal be dispensed with, and the Speaker and Chief Clerk be authorized to make the necessary corrections and additions.
Motion carried.

This subsection does not prohibit a mortgage broker from requiring additional amounts to be paid into an impound trust account to recover a deficiency that exists in the account.

6. A mortgage broker shall not make payments from an impound trust account in a manner that causes a policy of insurance to be cancelled or causes property taxes or similar payments to become delinquent.

Amendment No. 371.

JOINT SPONSORS: SENATORS HORSEFORD AND PARKS

SUMMARY—Provides for the establishment of intermediate sanction facilities in a pilot diversion program within the Department of Corrections
to provide treatment for alcohol or drug abuse or mental illness to certain probation violators. (BDR S-509)

AN ACT relating to criminal offenders; requiring the Department of Corrections to establish a pilot diversion program for certain probation violators to receive treatment for alcohol or drug abuse or mental illness; requiring the Department of Health and Human Services to provide such treatment; authorizing courts to set aside the conviction of an offender or return a probation violator to probation in lieu of imprisonment upon successful completion of treatment at an intermediate sanction facility; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that a person who violates the conditions of his or her probation must be brought before the court to determine the actions to be taken, which may include causing the sentence imposed to be executed. (NRS 176A.630) Existing law also authorizes the establishment of programs of treatment for alcohol and drug abuse by the district courts for the treatment of certain offenders. (NRS 453.580) A person who elects to participate in such a treatment program may have his or her sentence set aside upon successful completion of the treatment program. (NRS 458.330) Section 1 of this bill requires the Department of Corrections to establish a pilot diversion program within the facilities maintained by the Department. The pilot diversion program must be used to provide intensive treatment to certain probation violators who are determined to be alcoholics or drug addicts or in need of treatment for a mental illness and are ordered to the custody of the Department to receive such treatment. The Department of Corrections is required to provide food and housing as well as emergency medical services, but is not responsible for providing treatment to the persons placed in the facilities, which instead is to be provided by the Department of Health and Human Services. Section 1 also requires probationers to release in writing the Department of Corrections from liability as a condition of participation in the pilot diversion program. Section 2 of this bill requires the Director of the Department of Health and Human Services to provide for the evaluation of probation violators referred to the Department of Health and Human Services by the court and authorizes the Director to enter into contracts with qualified persons or entities to provide such evaluations and treatment.

Sections 3 and 4 of this bill identify the probation violators who are eligible to elect placement in an intermediate sanction facility. Section 5 of this bill provides that assignment to an intermediate sanction facility is a civil commitment, and not a criminal conviction. Section 5 further provides that placement in an intermediate sanction facility is not a right and is within the discretion of the district
The pilot diversion program. Section 6 of this bill provides that a person placed in an intermediate sanction facility is required to pay for the cost of his or her treatment and supervision to the extent of his or her financial resources and authorizes a court to require such a person to perform community service upon completion of treatment to contribute toward the cost of his or her treatment and supervision.

Section 7.5 of this bill provides that the court will defer sentencing of a probation violator or offender who is placed in an intermediate sanction facility. Upon successful completion of the treatment, the court may set aside the conviction of an offender, or may require the offender to first complete a period of probation and then set aside the conviction. Upon successful completion of treatment by a probation violator, he or she will be returned to the custody of the Division of Parole and Probation of the Department of Public Safety upon satisfaction of the terms and conditions imposed upon a probation violator for participation in the pilot diversion program, the court shall release the probationer from supervision and order the probationer to complete any period of probation without having the sentence executed. If a probation violator violates the rules of the program or does not satisfy the terms and conditions of participation or successfully complete treatment, the court may execute the sentence. If a person placed in an intermediate sanction facility is not benefiting from treatment, the Director of the Department of Health and Human Services may inform the court, which may then determine whether to terminate or continue the treatment. Revoke probation. Section 8 of this bill requires the Department of Corrections to collect data concerning the persons placed in intermediate sanction facilities and the Department of Health and Human Services and the Division of Parole and Probation of the Department of Public Safety to jointly provide a report which aggregates the data to each regular session of the Legislature for the Interim Finance Committee. Section 10 of this bill makes an appropriation to the Department of Health and Human Services to pay for the evaluation and treatment of probation violators. This bill is established as a pilot program, and section 11 of this bill makes it expire by limitation on July 1, 2015.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. 1. The Department of Corrections shall establish a pilot diversion program within the correctional institutions or other facilities maintained by the Department. (The intermediate sanction facilities must be used to provide intensive treatment for alcohol or drug abuse to certain probation violators and offenders who are ordered to the custody of the Department to receive such treatment pursuant to sections 3 and 4 of this act.)
2. The Department of Corrections shall ensure that facilities of adequate capacity for the pilot diversion program are available in the northern and southern regions of the State and have a total capacity of not less than 400 offenders, with not less than 250 offenders placed in facilities in the southern region of the State. The Department shall not be required to provide housing for more than 50 probation violators at one time.

3. The Department of Corrections shall provide a healthful diet and appropriate, secure and sanitary housing and necessary emergency medical and dental services for the probation violators and offenders who are placed in an intermediate sanction facility. The Department is not responsible for providing treatment to the probation violators or offenders placed in an intermediate sanction facility.

4. As a condition of participation in the program, a probationer must release in writing the Department from liability and agree to abide by the applicable rules and regulations of the Department.

Sec. 2. 1. To the extent practicable within the appropriation provided in section 10 of this act, the Director of the Department of Health and Human Services shall provide for the evaluation of each probation violator and offender who is ordered to be evaluated by a court pursuant to section 5 of this act to determine if the probation violator or offender is an abuser of alcohol or drugs, or in need of treatment for a mental illness, and shall provide treatment to any such probation violator or offender who is remanded to the pilot diversion program pursuant to section 5 of this act. The Director may:

(a) Enter into contracts with persons or private entities that are qualified to evaluate and provide such treatment to probation violators and offenders who are alcohol or drug abusers or in need of treatment for a mental illness; and

(b) Accept donations, gifts or grants of money or services to supplement the appropriation in section 10 of this act.

2. When a person has completed treatment for the term for which the person was assigned to the intermediate sanction facility, the Director of the Department or a designee of the Director shall submit a report certifying to the court:

(a) Whether the person successfully completed the treatment;
(b) Whether the person is believed to be rehabilitated; and
(c) Any recommendations for actions to ensure that the person does not begin to abuse alcohol or drugs upon release.
3. The Director of the Department may adopt any regulations necessary to carry out the provisions of this section.

Sec. 3. 1. A district court may [allow remand] a probationer who is returned to the district court for a violation of his or her probation to [elect to be placed in the custody of an intermediate sanction facility] the pilot diversion program established pursuant to section 1 of this act for supervision. The court may allow the probationer who is remanded to the pilot diversion program to:

(a) Leave the facilities of the Department of Corrections during the day for education, treatment or employment; or
(b) Reside outside the facilities of the Department.

2. The court may require the probationer to receive treatment for alcohol or drug abuse or a mental illness if the court has reason to believe that the probationer is an alcoholic or drug addict or in need of treatment for a mental illness and the court finds that the probationer:

1. Committed only a technical violation of his or her probation;
2. Has not previously been placed in an intermediate sanction facility for a violation related to the same offense; and
3. [a] Agrees to participate in the pilot diversion program;
[b] Was not returned to the court for committing an act involving violence, the use of force, or the threat of violence or the use of force;
[c] Meets the requirements for assignment to an institution or facility of minimum security as set forth in NRS 209.481; and
(d) Is not rejected for participation in the pilot diversion program by the Department of Corrections as posing a threat to the health, safety and welfare of:

(1) Other probationers remanded to the program;
(2) Employees of the Department of Corrections and its agents; or
(3) Employees of the Department of Health and Human Services and its agents.

Sec. 4. A district court may allow an offender who is found guilty of a crime involving the use of alcohol or drugs to elect to be placed in the custody of an intermediate sanction facility established pursuant to section 1 of this act to receive treatment for alcohol or drug abuse if:

1. The offender is eligible for, but is not able to participate in, a treatment program pursuant to NRS 452.580 because the court has not established such a treatment program, the treatment program cannot accommodate additional offenders or for any other reason; and
2. The court has reason to believe that the offender is an alcoholic or drug addict and the offender elects to be placed in such a facility to receive the treatment.

(Deleted by amendment.)

Sec. 5. 1. Before a court determines that a probation violator or offender is eligible to elect placement in an intermediate sanction facility to receive treatment rather than serving a term of imprisonment, the court may order
the examination of the probationer \[or offender\] by the Department of Health and Human Services or by a person or entity designated by the Director of the Department to determine whether the probationer \[or offender\] is an alcoholic or drug addict \or in need of treatment for a mental illness\ and is likely to be rehabilitated through treatment.

2. Before ordering a probation violator or offender to the custody of an intermediate sanction facility, the court shall advise the probation violator or offender that:

(a) Sentencing will be postponed if the probation violator or offender elects to submit to treatment and that the court may impose any conditions upon the election of treatment that it otherwise would be authorized to impose as a condition of probation;

(b) The probation violator or offender may be required to complete a period of probation after his or her release from the intermediate sanction facility;

(c) During treatment, the probation violator or offender will be confined in the intermediate sanction facility and will not be allowed to leave the facility; and

(d) Upon successful completion of the treatment and any subsequent period of probation, the sentence of the probation violator will not be executed or the conviction of the offender will be set aside, as applicable.

3. If the court determines that the probation violator \or offender is an alcoholic or a drug addict, would benefit from and is likely to be rehabilitated through treatment and is a good candidate for treatment, the court remands the probationer to the pilot diversion program, the court may:

(a) If the probation violator or offender elects to receive treatment, order the probation violator or offender to the custody of the Department of Corrections for placement in an intermediate sanction facility for a period not to exceed 6 months; and

(b) Defer sentencing until such time, if any, as sentencing is authorized pursuant to section 7 of this act.

4. If the court assigns the probation violator or offender to an intermediate sanction facility, the assignment shall establish the terms and conditions for successful completion of the treatment, may provide for a period of probation upon release.

5. A probation violator or offender does not have a right to be assigned to an intermediate sanction facility pursuant to this section, or to remain in the custody of such a facility after such an assignment. It is not intended that the establishment or operation of an intermediate sanction facility creates any right or interest in liberty or property or establishes a basis for any cause of action against the State of Nevada, its political subdivisions, agencies, boards, commissions, departments, officers or employees. The decision by the court of whether to place a person in an intermediate sanction facility is not subject to appeal.
6. Assignment of a probation violator or offender to an intermediate sanction facility pursuant to this section after a determination of alcoholism or drug addiction is a civil commitment and shall not be deemed a criminal conviction, in addition to the terms and conditions that the court establishes pursuant to section 3 of this act.

Sec. 6. 1. A probation violator (or offender) who is placed in an intermediate sanction facility, the pilot diversion program for supervision and, if appropriate, to receive treatment for alcohol or drug abuse or a mental illness shall pay the cost of his or her treatment and supervision to the extent of his or her financial resources.

2. A court shall not refuse to place a probation violator (or offender) in an intermediate sanction facility, the pilot diversion program if the probation violator (or offender) does not have the financial resources to pay any or all of the related costs.

3. The court may order a probation violator (or offender) who is placed in an intermediate sanction facility, the pilot diversion program to perform a specified amount of community service upon completion of the treatment to contribute toward the cost of his or her treatment and supervision. Any such community service must be performed for and under the supervising authority of a county, city, town or other political subdivision or agency of the State of Nevada or a charitable organization that renders service to the community or its residents.

4. The court may issue a judgment against a probation violator and in favor of the State for the costs of treatment and supervision which remain unpaid when the probationer is released from the pilot diversion program but in no event may the amount of the judgment include any amount of debt which was extinguished by the successful completion of community service pursuant to subsection 3.

Sec. 7. 1. When a probation violator or offender is placed in an intermediate sanction facility, the court must defer sentencing for the violation or offense, and if the Department of Health and Human Services certifies to the court pursuant to section 2 of this act that the probation violator or offender has satisfactorily completed the treatment program, and the court approves the certification and determines that the conditions upon the election of treatment have been satisfied, the court must:

(a) For an offender, set aside the conviction, or place the offender into the custody of the Division of Parole and Probation of the Department of Public Safety to complete a period of probation. If an offender is required to complete an additional period of probation after completion of the treatment, upon the successful completion of probation, his or her conviction must be set aside.

(b) For a probation violator, return the probationer to the custody of the Division of Parole and Probation to complete any remaining or additional period of probation.
2. If, upon conclusion of the period of treatment in an intermediate sanction facility, the Department of Health and Human Services does not certify that the probation violator or offender has completed his or her treatment program satisfactorily, the court must sentence the probation violator or offender. Such a sentence may include causing the sentence for the underlying crime to be executed.

3. If, before the treatment period expires, the Director of the Department of Health and Human Services, or his or her designee, determines that the probation violator or offender is not likely to benefit from further treatment at the facility or is not likely to be rehabilitated, the Director or designee of the Director must so advise the court. The court shall then determine whether to allow the probation violator or offender to remain in the intermediate sanction facility to continue treatment or terminate the treatment and sentence the person.

4. Any time that a probation violator or offender is confined in an intermediate sanction facility must be deducted from any sentence that is imposed pursuant to this section. (Deleted by amendment.)

Sec. 7.5. 1. When the court determines that a probation violator who was remanded to the pilot diversion program has satisfied the applicable terms and conditions established pursuant to sections 3 and 5 of this act, the court shall release the probationer from supervision and order the probationer to complete any remaining or additional period of probation as determined by the court.

2. If the court determines that a probation violator who was remanded to the pilot diversion program is violating the rules of participation in the program, has not satisfied the terms or conditions of participation in the program or has not successfully completed the treatment for alcohol or drug abuse or a mental illness, the court may revoke probation.

Sec. 8. 1. The Department of Corrections shall collect data concerning each person who is placed in an intermediate sanction facility. Such data must include, without limitation, the following information about the person:

(a) Race and ethnicity;
(b) Gender;
(c) The crime committed by the person and the sentence that may be imposed if the person does not successfully complete treatment;

1. The number of probationers participating in the pilot diversion program;
2. The reasons the probationers entered the program;
3. The number of probationers who satisfied the terms and conditions of their participation in the program; and
4. The status of the probationers who are in the program at the time the report is prepared.

Sec. 9. [The Department of Corrections shall adopt any regulations necessary to carry out the provisions of this act. (Deleted by amendment.)]

Sec. 10. 1. There is hereby appropriated from the State General Fund to the Department of Health and Human Services for the evaluation of probation violators (and offenders) to determine whether they are alcoholics or drug addicts or in need of treatment for mental illness and to provide treatment to such probation violators (and offenders) who are placed in an intermediate sanction facility remanded to the pilot diversion program as required pursuant to section 5 of this act:

The Secretary of State shall ensure that a form for the execution of the
declaration, including an indication of the date of execution of the declaration, is a prominent part of all balloting materials for which the declaration is required.

Sec. 13. An overseas voter is eligible to be a covered voter if:
1. Before leaving the United States, the overseas voter was eligible to vote in this State and, except for the residency requirement, otherwise satisfies this State’s voter eligibility requirements;

   (b) The overseas voter is not registered to vote in any other state.

Sec. 14. In registering to vote, a covered voter shall use and must be assigned to the precinct of the address of the last place of residence of the covered voter in this State or, in the case of a dependent, the address of the last place of residence in this State of the parent or legal guardian of the covered voter. If the last place of residence in this State has not been assigned a street address, the address at which the covered voter resides for purposes of this section is a description of the location at which the voter actually resides. The description must identify the location with sufficient specificity to allow the county clerk to assign the location to a precinct.

Sec. 15. 1. In addition to any other method of registering to vote set forth in chapter 293 of NRS, a covered voter may use a federal postcard application, as prescribed under section 101(b)(2) of the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. § 1973ff(b)(2), or the application’s electronic equivalent, to apply to register to vote.
2. A covered voter may use the declaration accompanying the federal write-in absentee ballot, as prescribed under section 103 of the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. § 1973ff-2, to apply to register to vote simultaneously with the submission of the federal write-in absentee ballot, if the declaration is received by the later of the fifth or seventh day before the election, or the last day for registration set forth in NRS 293.560 or 293C.527, as applicable. If the declaration is received after the later of the fifth or seventh day before the election, or the last day for registration set forth in NRS 293.560 or 293C.527, as applicable, it must be treated as an application to register to vote for subsequent elections.
3. The Secretary of State shall ensure that the system of approved electronic transmission described in subsection 2 of section 12 of this act is capable of accepting both a federal postcard application and any other approved electronic registration application sent to the appropriate local elections official. The covered voter may use the system of approved electronic transmission or any other method set forth in chapter 293 of NRS to register to vote.

Sec. 16. 1. A covered voter who is registered to vote in this State may apply for a military-overseas ballot by submitting a federal postcard application, as prescribed under section 101(b)(2) of the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. § 1973ff(b)(2), or the application's electronic equivalent, pursuant to this section.

2. A covered voter who is not registered to vote in this State may use the federal postcard application or the application’s electronic equivalent simultaneously to apply to register to vote pursuant to section 15 of this act and to apply for a military-overseas ballot.

3. The Secretary of State shall ensure that the system of approved electronic transmission described in subsection 2 of section 12 of this act is capable of accepting the submission of both a federal postcard application and any other approved electronic military-overseas ballot application sent to the appropriate local elections official. The covered voter may use approved electronic transmission or any other method approved by the Secretary of State to apply for a military-overseas ballot.

4. A covered voter may use the declaration accompanying the federal write-in absentee ballot, as prescribed under section 103 of the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. § 1973ff-2, as an application for a military-overseas ballot simultaneously with the submission of the federal write-in absentee ballot, if the declaration is received by the appropriate local elections official by the later of the fifth or seventh day before the election.

5. To receive the benefits of this chapter, a covered voter must inform the appropriate local elections official that he or she is a covered voter. Methods of informing the appropriate local elections official that a person is a covered voter include, without limitation:
   (a) The use of a federal postcard application or federal write-in absentee ballot;
   (b) The use of an overseas address on an approved voting registration application or ballot application; and
   (c) The inclusion on an application to register to vote or an application for a military-overseas ballot of other information sufficient to identify that the person is a covered voter.

6. This chapter does not prohibit a covered voter from applying for an absent ballot pursuant to the provisions of NRS 293.315 or 293C.312, as applicable, or voting in person.
Sec. 17. An application for a military-overseas ballot is timely if received by the later of the fifth or seventh day before the election, or the last day for registration set forth in NRS 293.560 or 293C.527, as applicable. An application for a military-overseas ballot for a primary election, whether or not timely, is effective as an application for a military-overseas ballot for the general election.

Sec. 18. 1. For all covered elections for which this State has not received a waiver pursuant to section 579 of the Military and Overseas Voter Empowerment Act, 42 U.S.C. § 1973ff-1(g)(2), not later than 45 days before the election or, if the 45th day before the election is a weekend or holiday, not later than the business day preceding the 45th day, the local elections official in each jurisdiction charged with distributing military-overseas ballots and balloting materials shall transmit military-overseas ballots and balloting materials to all covered voters who by that date submit a valid application for military-overseas ballots.

2. A covered voter who requests that a military-overseas ballot and balloting materials be sent to the covered voter by approved electronic transmission may choose to receive the military-overseas ballot and balloting materials by facsimile transmission or electronic mail delivery. The local elections official in each jurisdiction shall transmit the military-overseas ballot and balloting materials to the covered voter using the means of approved electronic transmission chosen by the covered voter.

3. If an application for a military-overseas ballot from a covered voter arrives after the jurisdiction begins transmitting ballots and balloting materials to other voters, the local elections official shall transmit the military-overseas ballot and balloting materials to the covered voter not later than 2 business days after the application arrives.

Sec. 19. A military-overseas ballot must be received by the appropriate local elections official not later than the close of the polls. A covered voter must submit the military-overseas ballot for mailing, approved electronic transmission or other authorized means of delivery not later than 12:01 a.m. on the date of the election at the place where the covered voter completes the military-overseas ballot.

Sec. 20. 1. Except as otherwise provided in subsection 2, a covered voter may use the federal write-in absentee ballot, in accordance with section 103 of the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. § 1973ff-2, to vote for all offices and ballot measures in an election.

2. If the covered voter indicates on the federal write-in absentee ballot that he or she is residing overseas indefinitely, the covered voter may only use the federal write-in absentee ballot to vote for federal offices.

Sec. 21. 1. A valid military-overseas ballot cast in accordance with section 19 of this act must be counted if it is delivered by the end of business on the business day before the latest deadline for completing the canvas completed pursuant to NRS 293.387 or 293C.387, as applicable, to
2. If, at the time of completing a military-overseas ballot and balloting materials, the covered voter has affirmed under penalty of perjury, pursuant to section 22 of this act, that the ballot was timely submitted, the military-overseas ballot may not be rejected on the basis that it has a late postmark, an unreadable postmark, or no postmark. (Deleted by amendment.)

Sec. 22. Each military-overseas ballot must include or be accompanied by a declaration signed by the covered voter declaring that a material misstatement of fact in completing the document may be grounds for a conviction of perjury under the laws of the United States or this State.

Sec. 23. The Secretary of State, in coordination with local elections officials, shall establish and maintain an electronic free-access system which uses the telephone, electronic mail or the Internet so that a covered voter may determine by telephone, electronic mail, or Internet whether:

1. The covered voter’s federal postcard application or other registration or military-overseas ballot application has been received and accepted; and

2. The covered voter’s military-overseas ballot has been received and the current status of the military-overseas ballot.

Sec. 24. 1. The local elections official shall request an electronic-mail address from each covered voter who registers to vote. An electronic-mail address provided by a covered voter is confidential and is not a public book or record within the meaning of NRS 239.010. A local elections official may not release a covered voter’s electronic-mail address to a third party. A local elections official may use the address only to communicate with the covered voter about the voting process, including transmitting military-overseas ballots and election materials if the covered voter has requested electronic transmission, and verifying the covered voter’s mailing address and physical location, as needed. A request for an electronic-mail address under this subsection must describe the purpose for which the electronic-mail address will be used and state that any other use or disclosure is prohibited.

2. A covered voter who provides an electronic-mail address may request that his or her application for a military-overseas ballot be considered a standing request for electronic delivery of a ballot for all elections held through December 31 of the year following the calendar year of the date of the application or another shorter period the covered voter specifies. The local elections official shall provide a military-overseas ballot to a covered voter who makes a request for each election to which the request is applicable. A covered voter who is entitled to receive a military-overseas ballot for a primary election under this subsection is also entitled to receive a military-overseas ballot for the general election.

Sec. 25. Not later than 100 days before a regularly scheduled election to which this chapter applies, and as soon as practicable in the case
of a special election, a local elections official in each jurisdiction charged
with printing and distributing ballots and balloting material shall prepare an
election notice for that jurisdiction, to be used in conjunction with the federal
write-in absentee ballot described in section 20 of this act. The election
notice must contain a list of all of the ballot measures and federal, state and
local offices that, as of that date, the local elections official expects to be on
the ballot on the date of the election. The notice also must contain specific
instructions for how a covered voter is to indicate on the federal write-in
absentee ballot the covered voter’s choice for each office to be filled and for
each ballot measure to be contested.

2. A covered voter may request a copy of an election notice. The local
elections official charged with preparing the election notice shall send the
notice to the covered voter by facsimile, electronic mail or regular mail, as
the covered voter requests.

3. As soon as ballot styles are certified, and not later than the date that
absent ballots are required to be prepared and ready for distribution
pursuant to NRS 293.309 or 293C.305, as applicable, to voters who reside
outside the State, the local elections official charged with preparing the
election notice shall update the notice with the certified candidates for each
office and ballot measure question and make the updated notice publicly
available.

4. A local elections official who establishes and maintains an Internet
website shall make updated versions of his or her election notices regularly
available on the website.

Sec. 26. 1. If a covered voter’s mistake or omission in the
completion of a document under this chapter does not prevent determining
whether a covered voter is eligible to vote, the mistake or omission does not
invalidate the document. Failure to satisfy a nonessential requirement,
including, without limitation, using paper or envelopes of a specified size
or weight, does not invalidate any document submitted under this chapter.
In any write-in ballot authorized by this chapter, if the intention of the covered
candidate on a regular ballot, if the intention of the covered voter
is discernable under this State’s uniform definition of what constitutes a
vote, as required by the Help America Vote Act of 2002, 42 U.S.C.
§ 15481(a)(6), an abbreviation, misspelling or other minor variation in the
form of the name of a candidate or a political party must be accepted as a
valid vote.

2. Notarization is not required for the execution of any document under
this chapter. An authentication, other than the declaration specified in
section 22 of this act or the declaration on the federal postcard application
and federal write-in absentee ballot, is not required for execution of a
document under this chapter. The declaration and any information in the
document may be compared against information on file to ascertain the
validity of the document.
Sec. 27. A court may issue an injunction or grant other equitable relief appropriate to ensure substantial compliance with, or enforce, this chapter on application by:
1. A covered voter alleging a grievance under this chapter; or
2. The Secretary of State or a local elections official.

Sec. 28. In applying and construing this chapter, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that have enacted the Uniformed and Overseas Citizens Absentee Voting Act, 42 U.S.C. § 1973ff et seq.

Sec. 29. This chapter modifies, limits and supersedes the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. § 7001 et seq., but does not modify, limit or supersede Section 101(c) of that Act, 15 U.S.C. § 7001(c), or authorize electronic delivery of any of the notices described in Section 103(b) of that Act, 15 U.S.C. § 7003(b).

The county clerk shall, upon request, mail an application to register to vote to an applicant. The county clerk shall make the applications available at various public places in the county. An application to register to vote may be used to correct information in the registrar of voters’ register.

2. An application to register to vote which is mailed to an applicant by the county clerk or made available to the public at various locations or voter registration agencies in the county may be returned to the county clerk by mail or in person. For the purposes of this section, an application which is personally delivered to the county clerk shall be deemed to have been returned by mail.

3. The applicant must complete the application, including, without limitation, checking the boxes described in paragraphs (b) and (c) of subsection 10 and signing the application.

4. The county clerk shall, upon receipt of an application, determine whether the application is complete.

5. If the county clerk determines that the application is complete, he or she shall, within 10 days after receiving the application, mail to the applicant:

(a) A notice that the applicant is registered to vote and a voter registration card as required by subsection 6 of NRS 293.517; or
(b) A notice that the registrar of voters’ register has been corrected to reflect any changes indicated on the application.

6. Except as otherwise provided in subsection 5 of NRS 293.518, if the county clerk determines that the application is not complete, the county clerk shall, as soon as possible, mail a notice to the applicant that additional information is required to complete the application. If the applicant provides the information requested by the county clerk within 15 days after the county clerk mails the notice, the county clerk shall, within 10 days after receiving the information, mail to the applicant:

8. If the applicant fails to check the box described in paragraph (b) of subsection 10, the application shall not be considered invalid and the county clerk shall provide a means for the applicant to correct the omission at the time the applicant appears to vote in person at the assigned polling place.

9. The Secretary of State shall prescribe the form for an application to register to vote by mail which must be used to register to vote by mail in this State.

10. The application to register to vote by mail must include:

(d) A statement instructing the applicant not to complete the application if the applicant checked “no” in response to the question set forth in paragraph (b) or (c).

(e) A statement informing the applicant that if the application is submitted by mail and the applicant is registering to vote for the first time, the applicant
must submit the information set forth in paragraph (a) of subsection 2 of NRS 293.2725 to avoid the requirements of subsection 1 of NRS 293.2725 upon voting for the first time.

11. Except as otherwise provided in subsection 5 of NRS 293.518, the county clerk shall not register a person to vote pursuant to this section unless that person has provided all of the information required by the application.

12. The county clerk shall mail, by postcard, the notices required pursuant to subsections 5 and 6. 13. A person who, by mail, registers to vote pursuant to this section may be assisted in completing the application to register to vote by any other person. Amendment adopted.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 115.

Bill read third time.
The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 130.

AN ACT relating to water; revising provisions governing the approval or rejection by the State Engineer of an application to appropriate water for beneficial use; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Under existing law, any person who wishes to appropriate water for beneficial use in Nevada, or change the place of diversion, manner of use or place of use of water already appropriated, is required to first apply to the State Engineer for a permit to do so. (NRS 533.325) Any interested person may file a written protest against the granting of such a permit with the State Engineer. (NRS 533.365) For most applications, the State Engineer is required to approve or reject the application within 1 year after the final date for filing a protest. However, the State Engineer is authorized to postpone taking action on applications for certain specified reasons. (NRS 533.370)

This bill increases the period in which the State Engineer is required to approve or reject an application to 2 years, unless action is postponed on the application. If the State Engineer has not approved or rejected the application within 2 years after the final day for filing a protest, the State Engineer is required to cause republication of notice of the application on the Internet website of the State Engineer for 30 days after the expiration of the 2-year period and protests are authorized to be filed against the granting of the application. If the application remains active, the State Engineer is required to cause notice of the action to be republished in a newspaper and protests are authorized to be filed in the typical manner.

Also under this bill, if two or more applications are made to appropriate water from the same basin, and if action is postponed on the application that is made first, the State Engineer is authorized to act on any later application only after determining that water is available in the basin in an amount in excess of the amount requested in the postponed application. This bill makes other conforming changes to carry out the revisions to the process for approving or rejecting applications.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 533.360 is hereby amended to read as follows:

533.360 1. Except as otherwise provided in subsection 4 of NRS 533.345 and subsection 2 of NRS 533.370, when an application is filed in compliance with this chapter, the State Engineer shall, within 30 days, publish or cause to be published once a week for 4 consecutive weeks in a newspaper of general circulation and printed and published in the county...
A PRIL 26, 2011 —  DAY 79  2595

(e) The location of the place of diversion, described by legal subdivision or metes and bounds and by a physical description of that place of diversion.
(f) The purpose for which the water is to be appropriated.

The publisher shall add thereto the date of the first publication and the date of the last publication.

2. Except as otherwise provided in subsection 4, proof of publication must be filed within 30 days after the final day of publication. The State Engineer shall pay for the publication from the application fee. If the application is cancelled for any reason before publication, the State Engineer shall return to the applicant that portion of the application fee collected for publication.

3. If the application is for a proposed well:
   (a) For municipal, quasi-municipal or industrial use; and
   (b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,
   the applicant shall mail a copy of the notice of application to each owner of real property containing a domestic well that is within 2,500 feet of the proposed well, to the owner’s address as shown in the latest records of the county assessor. If there are not more than six such wells, notices must be sent to each owner by certified mail, return receipt requested. If there are more than six such wells, at least six notices must be sent to owners by certified mail, return receipt requested. The return receipts from these notices must be filed with the State Engineer before the State Engineer may consider the application.

4. The provisions of this section do not apply to an environmental permit.

533.365  1. Any person interested may, within 30 days after the date of last publication of the notice of application, file with the State Engineer a written protest against the granting of the application, setting forth with reasonable certainty the grounds of such protest, which must be verified by the affidavit of the protestant, or an agent or attorney thereof.

2. On receipt of a protest, the State Engineer shall advise the applicant whose application has been protested of the fact that the protest has been filed with the State Engineer, which advice must be sent by certified mail.

3. The State Engineer shall consider the protest, and may, in his or her discretion, hold hearings and require the filing of such evidence as the State Engineer may deem necessary to a full understanding of the rights involved. The State Engineer shall give notice of the hearing by certified mail to both
the applicant and the protestant. The notice must state the time and place at which the hearing is to be held and must be mailed at least 15 days before the date set for the hearing.

4. Each applicant and each protestant shall, in accordance with a schedule established by the State Engineer, provide to the State Engineer and to each protestant and each applicant information required by the State Engineer relating to the application or protest.

5. If the State Engineer holds a hearing pursuant to subsection 3, the State Engineer shall render a decision on each application not later than 240 days after the later of:
   (a) The date all transcripts of the hearing become available to the State Engineer; or
   (b) The date specified by the State Engineer for the filing of any additional information, evidence, studies or compilations requested by the State Engineer. The State Engineer may, for good cause shown, extend any applicable period.

6. The State Engineer shall adopt rules of practice regarding the conduct of a hearing held pursuant to subsection 3. The rules of practice must be adopted in accordance with the provisions of NRS 233B.040 to 233B.120, inclusive, and codified in the Nevada Administrative Code. The technical rules of evidence do not apply at such a hearing.

7. The provisions of this section do not prohibit the noticing of a new period of 45 days in which a person may file with the State Engineer a written protest against the granting of the application, if such notification is required to be given pursuant to subsection 8 of NRS 533.370.

Sec. 3. NRS 533.370 is hereby amended to read as follows:

533.370 1. Except as otherwise provided in this section and NRS 533.345, 533.371, 533.372 and 533.503, the State Engineer shall approve an application submitted in proper form which contemplates the application of water to beneficial use if:
   (a) The application is accompanied by the prescribed fees;
   (b) There is unappropriated water in the proposed source of supply;
   (c) The proposed use or change does not conflict with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024;
   (d) The proposed use or change does not threaten to prove detrimental to the public interest;
   (e) The proposed use or change, if within an irrigation district, does not adversely affect the cost of water for other holders of water rights in the district or lessen the efficiency of the district in its delivery or use of water; and
   (f) The applicant provides proof satisfactory to the State Engineer of the applicant’s:
      (1) Intention in good faith to construct any work necessary to apply the water to the intended beneficial use with reasonable diligence; and
(2) Financial ability and reasonable expectation actually to construct the work and apply the water to the intended beneficial use with reasonable diligence.  

2. If a previous application for a similar use of water within the same basin has been rejected because the application did not meet the requirements set forth in subsection 1, the State Engineer may reject a new application without publication.  

3. Except as otherwise provided in subsection 10, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.  

3. In addition to the criteria set forth in subsections 1 and 2, in determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:  

(a) Whether the applicant has justified the need to import the water from another basin;  

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;  

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;  

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and  

(e) Any other factor the State Engineer determines to be relevant.  

4. Except as otherwise provided in this subsection and subsections 1, 6 and 11 and NRS 533.365, the State Engineer shall approve or reject each application within 2 years after the final date for filing a protest. The State Engineer may:  

(a) Postpone action upon:  

(1) Written authorization to do so by the applicant.  

(2) If an application is protested by the protestant and the applicant.  

(b) Postpone action if:  

(1) The purpose for which the application was made is municipal use.  

(c) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368.  

(d) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368.
(e) Where court actions or adjudications are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

3. which may affect the outcome of the application.

(f) In areas in which adjudication of vested water rights is deemed necessary by the State Engineer.

(g) On an application for a permit to change a vested water right in a basin where vested water rights have not been adjudicated.

(h) Where authorized entry to any land needed to use the water for which the application is submitted is required from a governmental agency.

(i) On an application for which the State Engineer has required additional information pursuant to NRS 533.375.

5. If the State Engineer does not act upon an application in accordance with subsections 4 and 6, the application remains active until approved or rejected by the State Engineer.

6. Except as otherwise provided in this subsection and subsection 10, the State Engineer shall approve or reject, within 6 months after the final date for filing a protest, an application filed to change the point of diversion of water already appropriated when the existing and proposed points of diversion are on the same property for which the water has already been appropriated under the existing water right or the proposed point of diversion is on real property that is proven to be owned by the applicant and is contiguous to the place of use of the existing water right. The State Engineer may:

(a) Postpone action upon written authorization to do so by the applicant or, if the application is protested, by the protestant and the applicant.

(b) In areas where studies of water supplies have been determined to be necessary by the State Engineer pursuant to NRS 533.368 or where court actions are pending, withhold action until it is determined there is unappropriated water or the court action becomes final.

(f) In areas in which adjudication of vested water rights is ongoing.

(g) On an application for a permit to change a vested water right in an area where vested water rights have not been adjudicated.

(h) Where authorized entry to any land needed to use the water for which the application is submitted is required by a governmental agency.

7. If the State Engineer has not approved, rejected or held a hearing on an application pursuant to subsection 3 and does not act upon an application within 1 year after the final date for filing a protest, the application remains active until acted upon by the State Engineer shall cause notice of the application to be republished on the Internet website of the State Engineer for 30 days immediately preceding the time at which the State Engineer is ready to approve or reject the application. The cost of the republication must be paid by the applicant.
After such republication, a protest may be filed in accordance with NRS 533.365.

4. Except as otherwise provided in subsection 11, where there is no unappropriated water in the proposed source of supply, or where its proposed use or change conflicts with existing rights or with protectable interests in existing domestic wells as set forth in NRS 533.024, or threatens to prove detrimental to the public interest, the State Engineer shall reject the application and refuse to issue the requested permit. If a previous application for a similar use of water within the same basin has been rejected on those grounds, the new application may be denied without publication.

5. If the State Engineer has postponed action on an application pursuant to subsection 3 and does not act upon the application within 7 years after the final date for filing a protest, the State Engineer shall cause notice of the application to be republished pursuant to NRS 533.360. The cost of the republication must be paid by the applicant.

6. If two or more applications are made to appropriate water from the same basin as determined by the State Engineer, and action on the application made first is postponed pursuant to subsection 3, the State Engineer may act on each remaining application only if the State Engineer determines that water is available in the basin in an amount which exceeds the amount requested in each postponed application.

7. In determining whether an application for an interbasin transfer of groundwater must be rejected pursuant to this section, the State Engineer shall consider:

(a) Whether the applicant has justified the need to import the water from another basin;

(b) If the State Engineer determines that a plan for conservation of water is advisable for the basin into which the water is to be imported, whether the applicant has demonstrated that such a plan has been adopted and is being effectively carried out;

(c) Whether the proposed action is environmentally sound as it relates to the basin from which the water is exported;

(d) Whether the proposed action is an appropriate long-term use which will not unduly limit the future growth and development in the basin from which the water is exported; and

(e) If the applicant does not intend to place the water to beneficial use personally, whether a contractual or agency relationship exists between the applicant and a purveyor of water; and

(f) Any other factor the State Engineer determines to be relevant.

8. If a hearing is held regarding an application, the decision of the State Engineer must be in writing and include findings of fact, conclusions of law and a statement of the underlying facts supporting the findings of fact. The written decision may take the form of a transcription of an oral ruling. The rejection or approval of an application must be endorsed on a copy of the original application, and a record must be made of the endorsement in the
records of the State Engineer. The copy of the application so endorsed must be returned to the applicant. Except as otherwise provided in subsection 11, if the application is approved, the applicant may, on receipt thereof, proceed with the construction of the necessary works and take all steps required to apply the water to beneficial use and to perfect the proposed appropriation. If the application is rejected, the applicant may take no steps toward the prosecution of the proposed work or the diversion and use of the public water while the rejection continues in force.

8. If:
   (a) The State Engineer receives an application to appropriate any of the public waters, or to change the point of diversion, manner of use or place of use of water already appropriated;
   (b) The application involves an amount of water exceeding 250 acre-feet per annum;
   (c) The application involves an interbasin transfer of groundwater; and
   (d) Within 7 years after the date of last publication of the notice of application, the State Engineer has not granted the application, denied the application, held an administrative hearing on the application or issued a permit in response to the application,

the State Engineer shall notice a new period of 45 days in which a person who is a successor in interest to a protestant or an affected water right owner may file with the State Engineer a written protest against the granting of the application. Such notification must be entered on the Internet website of the State Engineer and must, concurrently with that notification, be mailed to the board of county commissioners of the county of origin.

9. Except as otherwise provided in subsection 10, a person who is a successor in interest to a protestant or an affected water right owner who wishes to protest an application in accordance with a new period of protest noticed pursuant to subsection 8 shall, within 45 days after the date on which the notification was entered and mailed, file with the State Engineer a written protest that complies with the provisions of this chapter and with the regulations adopted by the State Engineer, including, without limitation, any regulations prescribing the use of particular forms or requiring the payment of certain fees.

10. If a person is the successor in interest of an owner of a water right or an owner of real property upon which a domestic well is located and if the former owner of the water right or real property on which a domestic well is located had previously filed a written protest against the granting of an application, the successor in interest must be allowed to pursue that protest in the same manner as if the successor in interest were the former owner whose interest he or she succeeded. If the successor in interest wishes to pursue the protest, the successor in interest must notify the State Engineer in a timely manner on a form provided by the State Engineer.

11. The provisions of subsections 1 to 9, inclusive, do not apply to an application for an environmental permit.
11. The provisions of subsection 8 do not authorize the recipient of an approved application to use any state land administered by the Division of State Lands of the State Department of Conservation and Natural Resources without the appropriate authorization for that use from the State Land Registrar.

12. As used in this section:

(a) “County of origin” means the county from which groundwater is transferred or proposed to be transferred.

(b) “Domestic well” has the meaning ascribed to it in NRS 534.350.

Sec. 4. NRS 533.3703 is hereby amended to read as follows:

533.3703 1. The State Engineer may consider the consumptive use of a water right and the consumptive use of a proposed beneficial use of water in determining whether a proposed change in the place of diversion, manner of use or place of use complies with the provisions of subsection 5 paragraphs (b), (c) and (d) of subsection 2 of NRS 533.370.

2. The provisions of this section:

(a) Must not be applied by the State Engineer in a manner that is inconsistent with any applicable federal or state decree concerning consumptive use.

(b) Do not apply to any decreed, certified or permitted right to appropriate water which originates in the Virgin River or the Muddy River.

Sec. 5. NRS 534.270 is hereby amended to read as follows:

534.270 1. Upon receipt of an application for a permit to operate a project, the State Engineer shall endorse on the application the date it was received and keep a record of the application. The State Engineer shall conduct an initial review of the application within 45 days after receipt of the application. If the State Engineer determines in the initial review that the application is incomplete, the State Engineer shall notify the applicant. The application is incomplete until the applicant files all the information requested in the application. The State Engineer shall determine whether the application is correct within 180 days after receipt of a complete application. The State Engineer may request additional information from the applicant. The State Engineer may conduct such independent investigations as are necessary to determine whether the application should be approved or rejected.

2. If the application is determined to be complete and correct, the State Engineer, within 30 days after such a determination or a longer period if requested by the applicant, shall cause notice of the application to be given once each week for 2 consecutive weeks in a newspaper of general circulation in the county or counties in which persons reside who could reasonably be expected to be affected by the project. The notice must state:

(a) The legal description of the location of the proposed project;

(b) A brief description of the proposed project including its capacity;
(c) That any person who may be adversely affected by the project may file a written protest with the State Engineer within 30 days after the last publication of the notice;
(d) The date of the last publication;
(e) That the grounds for protesting the project are limited to whether the project would be in compliance with subsection 2 of NRS 534.250;
(f) The name of the applicant; and

(g) That a protest must:
  (1) State the name and mailing address of the protester;
  (2) Clearly set forth the reason why the permit should not be issued; and
  (3) Be signed by the protester or the protester’s agent or attorney.

3. A protest to a proposed project:
(a) May be made by any person who may be adversely affected by the project;
(b) Must be in writing;
(c) Must be filed with the State Engineer within 30 days after the last publication of the notice;
(d) Must be upon a ground listed in subsection 2 of NRS 534.250;
(e) Must state the name and mailing address of the protester;

6. The State Engineer shall either approve or deny each application within 1 year after the final date for filing a protest, unless the State Engineer has received a written request from the applicant to postpone making a decision or, in the case of a protested application, from both the protester and the applicant. The State Engineer may delay action on the application pursuant to paragraph (c) of paragraph (d) of subsection 2 of NRS 533.370.

7. Any person aggrieved by any decision of the State Engineer made pursuant to subsection 6 may appeal that decision to the district court pursuant to NRS 533.450.

Sec. 6. NRS 538.171 is hereby amended to read as follows:
538.171  1. The Commission shall receive, protect and safeguard and hold in trust for the State of Nevada all water and water rights, and all other rights, interests or benefits in and to the waters described in NRS 538.041 to 538.251, inclusive, and to the power generated thereon, held by or which may accrue to the State of Nevada under and by virtue of any Act of the
Congress of the United States or any agreements, compacts or treaties to which the State of Nevada may become a party, or otherwise.

2. Except as otherwise provided in this subsection, applications for the original appropriation of such waters, or to change the place of diversion, manner of use or place of use of water covered by the original appropriation, must be made to the Commission in accordance with the regulations of the Commission. In considering such an application, the Commission shall use the criteria set forth in subsection 6 of NRS 533.370. The Commission’s action on the application constitutes the recommendation of the State of Nevada to the United States for the purposes of any federal action on the matter required by law. The provisions of this subsection do not apply to supplemental water.

3. The Commission shall furnish to the State Engineer a copy of all agreements entered into by the Commission concerning the original appropriation and use of such waters. It shall also furnish to the State Engineer any other information it possesses relating to the use of water from the Colorado River which the State Engineer deems necessary to allow the State Engineer to act on applications for permits for the subsequent appropriation of these waters after they fall within the State Engineer’s jurisdiction.

4. Notwithstanding any provision of chapter 533 of NRS, any original appropriation and use of the waters described in subsection 1 by the Commission or by any entity to whom or with whom the Commission has contracted the water is not subject to regulation by the State Engineer.

5. Any use of water from the Muddy River or the Virgin River for the creation of any developed shortage supply or intentionally created surplus does not require the submission of an application to the State Engineer to change the place of diversion, manner of use or place of use. As used in this subsection:
   (a) “Developed shortage supply” has the meaning ascribed to it in NRS 533.030.
   (b) “Intentionally created surplus” has the meaning ascribed to it in NRS 533.030.

Sec. 7. The provisions of NRS 533.370, as amended by section 3 of this act, do not apply to:

3. A written protest relating to an application specified in subsection 1 or 2, filed before July 1, 2011.

Sec. 8. This act becomes effective on July 1, 2011.

Amendment No. 508.
AN ACT relating to energy; authorizing the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Under existing law, the governing body of a city or county: (1) may enact zoning regulations and restrictions to promote the health, safety, morals or general welfare of the community; (2) is prohibited from adopting an ordinance or taking any other action which unreasonably prohibits or restricts an owner of real property from using a system for obtaining solar or wind energy on his or her property; (3) may impose a reasonable restriction on the use of a system for obtaining wind energy which is related to the height, noise or safety of the system; and (4) is required to authorize the use of a system which uses solar or wind energy to reduce energy costs for a structure if the system and structure comply with all applicable building codes and zoning ordinances. (NRS 278.020, 278.02077, 278.0208, 278.580) The governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining solar or wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the solar or wind energy system unless the restriction provides for the use of a comparable alternative system. (NRS 278.02077, 278.0208) Section 1 of this bill provides that, in addition to reasonable restrictions relating to height, noise or safety, reasonable restrictions on the use of a system for obtaining wind energy may include restrictions relating to setback, location and appearance, and section 2 of this bill authorizes the imposition of reasonable restrictions relating to the appearance, height, location, noise or setback of a system for obtaining solar energy. Additionally, sections 1 and 2 require a governing body to adopt an ordinance that: (1) requires the owner of a residential lot to obtain a special use permit or conditional use permit for a wind or solar energy system; and (2) provides affected property owners with notice and an opportunity to be heard.
WHEREAS, Nevada has significant amounts of solar and wind resources available for use in the production of clean, renewable sources of energy; and
WHEREAS, It has been a stated goal of the Nevada Legislature to encourage the availability of these solar and wind resources for use by the residents of this State; and
WHEREAS, Local governments have traditionally been authorized to enact zoning and land use regulations and restrictions to promote the health, safety, morals and general welfare of their communities; and
WHEREAS, It is the intent of the Nevada Legislature to encourage local governments to balance the use of clean, renewable sources of energy with
the promotion of the health, safety, morals and general welfare of their communities; now, therefore

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1.  NRS 278.02077 is hereby amended to read as follows:

278.02077  1.  Except as otherwise provided in subsection 2:
(a) A governing body shall not adopt an ordinance, regulation or plan or
take any other action that prohibits or unreasonably restricts the owner of real
property from using a system for obtaining wind energy on his or her
property.
(b) Any covenant, restriction or condition contained in a deed, contract or
other legal instrument which affects the transfer or sale of, or any other
interest in, real property and which prohibits or unreasonably restricts the
owner of the property from using a system for obtaining wind energy on his
or her property is void and unenforceable.
2.  The provisions of subsection 1 do not prohibit a reasonable restriction
or requirement:
(a) Imposed pursuant to a determination by the Federal Aviation
Administration that the installation of the system for obtaining wind energy
would create a hazard to air navigation;
(b) Relating to the appearance, height, location, noise or setback of a system for obtaining wind energy;
(c) Prohibiting the construction of more than one system for obtaining
wind energy per acre for a residential lot.
3.  Each governing body shall adopt an ordinance that:
(a) Prohibits an owner of a residential lot from installing a system for
obtaining wind energy on the residential lot unless the owner has obtained
a special use permit or conditional use permit for that use of the residential
lot; and
(b) Provides any property owner that would be affected by the system for
obtaining wind energy with notice and an opportunity to be heard.
4.  For the purposes of this section, “unreasonably restricts the owner of
the property from using a system for obtaining wind energy” includes the
placing of a restriction or requirement on the use of a system for obtaining
wind energy which significantly decreases the efficiency or performance of
the system and which does not allow for the use of an alternative system at a
substantially comparable cost and with substantially comparable efficiency
and performance.

Sec. 2.  NRS 278.0208 is hereby amended to read as follows:

278.0208  1.  Except as otherwise provided in subsection 2:
(a) A governing body shall not adopt an ordinance, regulation or plan or
take any other action that prohibits or unreasonably restricts or has the effect
of prohibiting or unreasonably restricting the owner of real property from
using a system for obtaining solar energy on his or her property.
Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of the property from using a system for obtaining solar energy on his or her property is void and unenforceable.

2. The provisions of subsection 1 do not prohibit a reasonable restriction or requirement relating to the appearance, height, location, noise, safety or setback of a system for obtaining solar energy.

3. Each governing body shall adopt an ordinance that:
   (a) Prohibits an owner of a residential lot from installing a system for obtaining solar energy on the residential lot unless the owner has obtained a special use permit or conditional use permit for that use of the residential lot; and
   (b) Provides any property owner that would be affected by the system for obtaining solar energy with notice and an opportunity to be heard.

4. For the purposes of this section, the following shall be deemed to be unreasonable restrictions:
   (a) The placing of a restriction or requirement on the use of a system for obtaining solar energy which decreases the efficiency or performance of the system by more than 10 percent of the amount that was originally specified for the system, as determined by the Director of the Office of Energy, and which does not allow for the use of an alternative system at a substantially comparable cost and with substantially comparable efficiency and performance.
   (b) The prohibition of a system for obtaining solar energy that uses components painted with black solar glazing.

Sec. 3. This act becomes effective upon passage and approval.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 62.

AN ACT relating to offenders; revising provisions governing credits for offenders sentenced for certain crimes; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law provides that certain credits to the sentence of an offender convicted of certain category C, D or E felonies must be deducted from the minimum term imposed by the sentence until the offender becomes eligible for parole and from the maximum term imposed by the sentence.
(NRS 209.4465) This bill provides that an offender convicted of certain category B felonies also qualifies to have certain credits deducted from the minimum term imposed by the sentence until the offender becomes eligible for parole and from the maximum term imposed by the sentence. However, an offender who has been convicted of being a habitual criminal, a habitual felon or a habitually fraudulent felon does not qualify for such credits.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 209.4465 is hereby amended to read as follows:

209.4465 1. An offender who is sentenced to prison for a crime committed on or after July 17, 1997, who has no serious infraction of the regulations of the Department, the terms and conditions of his or her residential confinement or the laws of the State recorded against the offender, and who performs in a faithful, orderly and peaceable manner the duties assigned to the offender, must be allowed:

(a) For the period the offender is actually incarcerated pursuant to his or her sentence;
(b) For the period the offender is in residential confinement; and
(c) For the period the offender is in the custody of the Division of Parole and Probation of the Department of Public Safety pursuant to NRS 209.4886 or 209.4888, a deduction of 20 days from his or her sentence for each month the offender serves.

2. In addition to the credits allowed pursuant to subsection 1, the Director may allow not more than 10 days of credit each month for an offender whose diligence in labor and study merits such credits. In addition to the credits allowed pursuant to this subsection, an offender is entitled to the following credits for educational achievement:

(a) For earning a general educational development certificate, 60 days.
(b) For earning a high school diploma, 90 days.
(c) For earning his or her first associate degree, 120 days.

3. The Director may, in his or her discretion, authorize an offender to receive a maximum of 90 days of credit for each additional degree of higher education earned by the offender.

4. The Director may allow not more than 10 days of credit each month for an offender who participates in a diligent and responsible manner in a center for the purpose of making restitution, program for reentry of offenders and parolees into the community, conservation camp, program of work release or another program conducted outside of the prison. An offender who earns credit pursuant to this subsection is eligible to earn the entire 30 days of credit each month that is allowed pursuant to subsections 1 and 2.

5. The Director may allow not more than 90 days of credit each year for an offender who engages in exceptional meritorious service.
6. The Board shall adopt regulations governing the award, forfeiture and restoration of credits pursuant to this section.
7. Except as otherwise provided in subsection 8, credits earned pursuant to this section:
   (a) Must be deducted from the maximum term imposed by the sentence; and
   (b) Apply to eligibility for parole unless the offender was sentenced pursuant to a statute which specifies a minimum sentence that must be served before a person becomes eligible for parole.
8. Credits earned pursuant to this section by an offender who has not been convicted of:
   (a) Any crime that is punishable as a felony involving the use or threatened use of force or violence against the victim;
   (b) A sexual offense that is punishable as a felony;
   (c) A violation of NRS 484C.110, 484C.120, 484C.130 or 484C.430 that is punishable as a felony;
   (d) Being a habitual criminal pursuant to NRS 207.010, a habitual felon pursuant to NRS 207.012 or a habitually fraudulent felon pursuant to NRS 207.014; or
   (e) A category A or B felony,
apply to eligibility for parole and must be deducted from the maximum term imposed by the sentence until the offender becomes eligible for parole and must be deducted from the maximum term imposed by the sentence.
Sec. 2. For the purpose of calculating the credits earned by an offender pursuant to NRS 209.4465, the amendatory provisions of section 1 of this act must be applied:

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 373.
AN ACT relating to civil actions; providing that a certain amount of
money held in a personal bank account that is likely to be exempt from
execution is not subject to a writ of execution or garnishment; providing a
procedure to execute on property held in a safe-deposit box; revising the
procedure for claiming an exemption from execution on certain property;
making various other changes to provisions governing writs of execution,
attachment and garnishment; and providing other matters properly relating
thereto.
Legislative Counsel’s Digest:
Existing law allows a judgment creditor to obtain a writ of execution,
attachment or garnishment to levy on the property of a judgment debtor or
defendant in certain circumstances. (Chapters 21 and 31 of NRS) Certain
property, however, is exempt from execution and therefore cannot be the
subject of such a writ. (NRS 21.090) Section 3 of this bill provides that a
certain amount of money held in the personal bank account of a judgment
debtor which is likely to be exempt from execution is not subject to a writ of
execution or garnishment and must remain accessible to the judgment debtor.
Section 3 further provides immunity from liability to a financial institution
which makes an incorrect determination concerning whether money is subject to execution. Section 4 of this bill provides that notwithstanding the
provisions of section 3, if a judgment debtor has personal bank accounts in
more than one financial institution, the writ may attach to all money in those
accounts. The judgment debtor then may claim any exemption that may
apply.
Section 5 of this bill provides that a separate writ must be issued to levy on
property in a safe-deposit box and provides a procedure for executing on
such a writ.
Section 7 of this bill revises the exemptions from execution so that the
exemption for certain plans and accounts for deferred payments applies not
only to the money that is held in the account, but also to the proceeds paid
from those accounts. Section 7 also lists additional exemptions from execution which are provided by Nevada law.
Section 8 of this bill revises the procedures for claiming an exemption
from execution, and for objecting to such a claim of exemption. Sections 6
and 10 of this bill revise the notice that is provided to a judgment debtor or
defendant when a writ of execution, attachment or garnishment is levied on
the property of the judgment debtor or defendant so that the procedures listed
in the notice reflect the changes made in section 8. Sections 6 and 10 further
revise the notice to provide additional information concerning the claiming of
exemptions.
Sections 2 and 9 of this bill clarify that a constable has authority to perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff with respect to a writ of execution, garnishment or attachment.

Section 11 of this bill revises the interrogatories that are used with a writ of execution, attachment or garnishment to clarify the manner of determining the earnings which must be identified as subject to execution and to provide specific questions for a bank to conform to the new provisions in section 3.

Section 12 of this bill requires the judgment creditor who caused a writ of attachment to issue to prepare an accounting and provide a report to the judgment debtor, the sheriff and each garnishee every 120 days providing information about the debt and the rights of the debtor. The accounting must also be submitted with each subsequent application for a writ filed by the judgment creditor concerning the same judgment.

Section 13 of this bill provides that the fee for receiving, removing and taking care of property on execution, attachment or court order collected by a constable is not payable in advance.

Section 14 of this bill provides that certain unemployment benefits are exempt from execution regardless of whether they are mingled with other money.

Section 15 of this bill repeals NRS 21.114 concerning the submission of sureties to the jurisdiction of the court because the requirement for an undertaking requiring a surety is removed in section 8.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 21 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this act.

Sec. 2. A constable may perform any of the duties assigned to a sheriff and has all of the authority granted to a sheriff pursuant to this chapter with respect to a writ of execution or garnishment.

Sec. 3. 1. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and money has been deposited into the account electronically within the immediately preceding 45 days from the date on which the writ was served which is reasonably identifiable as exempt from execution, notwithstanding any other deposits of money into the account, $2,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor. For the purposes of this section, money is reasonably identifiable as exempt from execution if the money is deposited in the bank account by the United States Department of the Treasury, including, without limitation, money deposited as:

(a) Benefits provided pursuant to the Social Security Act which are exempt from execution pursuant to 42 U.S.C. §§ 407 and 1383, including, without limitation, retirement and survivors’ benefits, supplemental

security income benefits, disability insurance benefits and child support payments that are processed pursuant to Part D of Title IV of the Social Security Act;

(b) Veterans’ benefits which are exempt from execution pursuant to 38 U.S.C. § 5301;

(c) Annuities payable to retired railroad employees which are exempt from execution pursuant to 45 U.S.C. § 231m;

(d) Benefits provided for retirement or disability of federal employees which are exempt from execution pursuant to 5 U.S.C. §§ 8346 and 8470;

(e) Annuities payable to retired members of the Armed Forces of the United States and to any surviving spouse or children of such members which are exempt from execution pursuant to 10 U.S.C. §§ 1440 and 1450;

(f) Payments and allowances to members of the Armed Forces of the United States which are exempt from execution pursuant to 37 U.S.C. § 701;

(g) Federal student loan payments which are exempt from execution pursuant to 20 U.S.C. § 1095a;

(h) Wages due or accruing to merchant seamen which are exempt from execution pursuant to 46 U.S.C. § 11109;

(i) Compensation or benefits due or payable to longshore and harbor workers which are exempt from execution pursuant to 33 U.S.C. § 916;

(j) Annuities and benefits for retirement and disability of members of the foreign service which are exempt from execution pursuant to 22 U.S.C. § 4060;

(k) Compensation for injury, death or detention of employees of contractors with the United States outside the United States which is exempt from execution pursuant to 42 U.S.C. § 1717;

(l) Assistance for a disaster from the Federal Emergency Management Agency which is exempt from execution pursuant to 44 C.F.R. § 206.110;

(m) Black lung benefits paid to a miner or a miner’s surviving spouse or children pursuant to 30 U.S.C. § 922 or 931 which are exempt from execution; and

(n) Benefits provided pursuant to any other federal law.

2. If a writ of execution or garnishment is levied on the personal bank account of the judgment debtor and the provisions of subsection 1 do not apply, $1,000 or the entire amount in the account, whichever is less, is not subject to execution and must remain accessible to the judgment debtor.

3. If a judgment debtor has more than one personal bank account with the bank to which a writ is issued, the amount that is not subject to execution must not in the aggregate exceed the amount specified in subsection 1 or 2, as applicable.

4. A judgment debtor may apply to a court to claim an exemption for any amount subject to a writ levied on a personal bank account which exceeds the amount that is not subject to execution pursuant to subsection 1 or 2.
5. If money in the personal account of the judgment debtor which
exceeds the amount that is not subject to execution pursuant to subsection
1 or 2 includes exempt and nonexempt money, the judgment debtor may
claim an exemption for the exempt money in the manner set forth in
NRS 21.112. To determine whether such money in the account is exempt,
the judgment creditor must use the method of accounting which applies the
standard that the first money deposited in the account is the first money
withdrawn from the account. The court may require a judgment debtor to
provide statements from the bank which include all deposits into and
withdrawals from the account for the immediately preceding 90 days.

6. A financial institution which makes a reasonable effort to determine
whether money in the account of a judgment debtor is subject to execution
for the purposes of this section is immune from civil liability for any act or
omission with respect to that determination, including, without limitation,
when the financial institution makes an incorrect determination after
applying commercially reasonable methods for determining whether money
in an account is exempt because the source of the money was not clearly
identifiable or because the financial institution inadvertently misidentified
the source of the money. If a court determines that a financial institution
failed to identify that money in an account was not subject to execution
pursuant to this section, the financial institution must adjust its actions
with respect to a writ of execution as soon as possible but may not be held
liable for damages.

7. Nothing in this section requires a financial institution to revise its
determination about whether money is exempt, except by an order of a
court.

Sec. 4. 1. Notwithstanding the provisions of section 3 of this act, if a
judgment debtor has a personal bank account in more than one financial
institution, the judgment creditor is entitled to an order from the court to be
issued with the writ of execution or garnishment which states that all
money held in all such accounts of the judgment debtor that are identified
in the application for the order are subject to the writ.

2. A judgment creditor may apply to the court for an order pursuant to
subsection 1 by submitting a signed affidavit which identifies each
financial institution in which the judgment debtor has a personal account.

3. A judgment debtor may claim an exemption for any exempt money
in the account to which the writ attaches in the manner set forth in
NRS 21.112.

Sec. 5. 1. If a writ of execution or garnishment is levied on property
in a safe-deposit box maintained at a financial institution, a separate writ
must be issued from any writ that is issued to levy on an account of the
judgment debtor with the financial institution. Notice of the writ must be
served personally on the financial institution and promptly thereafter on
any third person who is named on the safe-deposit box.
2. During the period in which the writ of execution or garnishment is in effect, the financial institution must not allow the contents of the safe-deposit box to be removed other than as directed by the sheriff or by court order.

3. The sheriff may allow the person in whose name the safe-deposit box is held to open the safe-deposit box so that the contents may be removed pursuant to the levy. The financial institution may refuse to allow the forcible opening of the safe-deposit box to allow the removal of the property levied upon unless the judgment creditor pays in advance the cost of forcibly opening the safe-deposit box and of repairing any damage caused thereby.

Sec. 6. NRS 21.075 is hereby amended to read as follows:

21.075 1. Execution on the writ of execution by levying on the property of the judgment debtor may occur only if the sheriff serves the judgment debtor with a notice of the writ of execution pursuant to NRS 21.076 and a copy of the writ. The notice must describe the types of property exempt from execution and explain the procedure for claiming those exemptions in the manner required in subsection 2. The clerk of the court shall attach the notice to the writ of execution at the time the writ is issued.

2. The notice required pursuant to subsection 1 must be substantially in the following form:

PROCEDURE FOR CLAIMING EXEMPT PROPERTY

If you believe that the money or property taken from you is exempt or necessary for the support of you or your family, you must file with the clerk of the court on a form provided by the clerk a notarized affidavit claiming the executed claim of exemption. A copy of the affidavit claim of
exemption must be served upon the sheriff, the garnishee and the judgment creditor within [8] 20 calendar days after the notice of execution or garnishment is mailed. The property must be returned to you by mail pursuant to NRS 21.076 which identifies the specific property that is being levied on. The property must be returned by the garnishee or the sheriff within [9] 9 judicial days after you file and serve the affidavit of claim of exemption upon the sheriff, garnishee and judgment creditor, unless the judgment creditor files a motion for a hearing to determine the issue of exemption. If this happens, a hearing will be held to determine whether the property or money is exempt. The objection to the claim of exemption and notice for the hearing to determine the issue of exemption must be filed within 8 judicial days after the claim of exemption is served on the judgment creditor by mail or in person and served on the judgment debtor, the sheriff and any garnishee not less than 5 judicial days before the date set for the hearing. The hearing must be held within [10] 7 judicial days after the motion for a hearing is filed. You may be able to have your property released more quickly if you mail to the judgment creditor or the attorney of the judgment creditor written proof that the property is exempt. Such proof may include, without limitation, a letter from the government, an annual statement from a pension fund, receipts for payment, copies of checks, records from financial institutions or any other document which demonstrates that the money in your account is exempt.

**IF YOU DO NOT FILE THE AFFIDAVIT OF EXECUTED CLAIM OF EXEMPTION WITHIN THE TIME SPECIFIED, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE JUDGMENT CREDITOR, EVEN IF THE PROPERTY OR MONEY IS EXEMPT.**

If you received this notice with a notice of a hearing for attachment and you believe that the money or property which would be taken from you by a writ of attachment is exempt or necessary for the support of you or your family, you are entitled to describe to the court at the hearing why you believe your property is exempt. You may also file a motion with the court for a discharge of the writ of attachment. You may make that motion any time before trial. A hearing will be held on that motion.

**IF YOU DO NOT FILE THE MOTION BEFORE THE TRIAL, YOUR PROPERTY MAY BE SOLD AND THE MONEY GIVEN TO THE PLAINTIFF, EVEN IF THE PROPERTY OR MONEY IS EXEMPT OR NECESSARY FOR THE SUPPORT OF YOU OR YOUR FAMILY.**

Sec. 11. NRS 31.290 is hereby amended to read as follows:
31.290 1. The interrogatories to be submitted with any writ of execution, attachment or garnishment to the garnishee may be in substance as follows:

**INTERROGATORIES**

Are you in any manner indebted to the defendants………………………………………………………………………………………………………………………………………………,
or either of them, either in property or money, and is the debt now due? If not due, when is the debt to become due? State fully all particulars.
Answer: ……………………………………………………………………………………

Are you an employer of one or all of the defendants? If so, state the length of your pay period and the amount of disposable earnings, as defined in NRS 31.295, that each defendant presently earns during a pay period. State the minimum amount of disposable earnings that is exempt from this garnishment, which is the federal minimum hourly wage prescribed by section 6(a)(1) of the federal Fair Labor Standards Act of 1938, 29 U.S.C. § 206(a)(1), in effect at the time the earnings are payable multiplied by 50 for each week of the pay period, after deducting any amount required by law to be withheld. The minimum amount of disposable earnings may be determined, if the pay period is:

- **Weekly:** By multiplying 50 times the federal minimum hourly wage;
- **Biweekly:** By multiplying 50 times the federal minimum hourly wage, times 2;
- **Semimonthly:** By multiplying 50 times the federal minimum hourly wage, times 52, divided by 24; or
- **Monthly:** By multiplying 50 times the federal minimum hourly wage, times 52, divided by 12.

State the amount that is subject to garnishment, which must not exceed 25 percent of the disposable earnings.
Calculate the attachable amount as follows:
(Check one of the following) The employee is paid:

- **A** Weekly: __
- **B** Biweekly: __
- **C** Semimonthly: __
- **D** Monthly: __

(1) **Gross Earnings**  
$(\text{line 1})$

(2) **Deductions required by law (not including child support)**  
$(\text{subtract line 2 from line 1})$

(3) **Disposable Earnings**  
$(\text{line 3})$

(4) **Federal Minimum Wage**  
$(\text{line 4})$

(5) **Multiply line 4 by 50**  
$(\text{line 5})$

(6) **Complete the following directions in accordance with the letter selected above:**

- **A** Multiply line 5 by 1  
  $(\text{line 6})$
- **B** Multiply line 5 by 2  
  $(\text{line 7})$
Multiply line 5 by 52 and then divide by 24

Multiply line 5 by 52 and then divide by 12

Subtract line 6 from line 3

This amount must not exceed 25% of the disposable earnings from line 3.

Did you have in your possession, in your charge or under your control, on the date the writ of garnishment was served upon you, any money, property, effects, goods, chattels, rights, credits or choses in action of the defendants, or either of them, or in which is interested? If so, state its value, and state fully all particulars.

Answer:

Do you know of any debts owing to the defendants, whether due or not due, or any money, property, effects, goods, chattels, rights, credits or choses in action, belonging to or in which is interested, and now in the possession or under the control of others? If so, state particulars.

Answer:

Are you a financial institution with a personal account held by one or all of the defendants? If so, state the account number and the amount of money in the account which is subject to garnishment. As set forth in section 3 of this act, $2,000 or the entire amount in the account, whichever is less, is not subject to garnishment if the financial institution reasonably identifies that an electronic deposit of money has been made into the account within the immediately preceding 45 days which is exempt from execution, including, without limitation, payments of money described in section 3 of this act or, if no such deposit has been made, $1,000 or the entire amount in the account, whichever is less, is not subject to garnishment. The amount which is not subject to garnishment does not apply to each account of the judgment debtor, but rather is an aggregate amount that is not subject to garnishment.

Answer:

State your correct name and address, or the name and address of your attorney upon whom written notice of further proceedings in this action may be served.
Answer:

Garnishee

I (insert the name of the garnishee), [do solemnly swear (or affirm)]
declare under penalty of perjury that the answers to the foregoing
interrogatories by me subscribed are true [\textit{and correct}.]

(Signature of garnishee)

2. The garnishee shall answer the interrogatories in writing upon oath or
affirmation and submit the answers to the sheriff within the time required by
the writ. The garnishee shall submit his or her answers to the judgment
debtor within the same time. If the garnishee fails to do so, the garnishee
shall be deemed in default.

Sec. 12. NRS 31.296 is hereby amended to read as follows:

31.296 1. Except as otherwise provided in subsection 3, if the garnishee indicates in the garnishee’s answer to garnishee interrogatories that
the garnishee is the employer of the defendant, the writ of garnishment
served on the garnishee shall be deemed to continue for 120 days or until the
amount demanded in the writ is satisfied, whichever occurs earlier.

2. In addition to the fee set forth in NRS 31.270, a garnishee is entitled to
a fee from the plaintiff of $3 per pay period, not to exceed $12 per month, for
each withholding made of the defendant’s earnings. This subsection does not
apply to the first pay period in which the defendant’s earnings are garnished.

3. If the defendant’s employment by the garnishee is terminated before
the writ of garnishment is satisfied, the garnishee:
(a) Is liable only for the amount of earned but unpaid, disposable earnings
that are subject to garnishment.
(b) Shall provide the plaintiff or the plaintiff’s attorney with the last
known address of the defendant and the name of any new employer of the
defendant, if known by the garnishee.

4. The judgment creditor who caused the writ of attachment to issue
pursuant to NRS 31.013 shall prepare an accounting and provide a report
to the judgment debtor, the sheriff and each garnishee every 120 days
which sets forth, without limitation, the amount owed by the judgment
debtor, the costs and fees allowed pursuant to NRS 18.160 and any accrued
interest and costs on the judgment. The report must advise the judgment
debtor of the judgment debtor’s right to request a hearing pursuant to
NRS 18.110 to dispute any accrued interest, fee or other charge. The
judgment creditor must submit this accounting with each subsequent
application for writ made by the judgment creditor concerning the same
debt.

Sec. 13. NRS 258.230 is hereby amended to read as follows:
258.230 Except with respect to the fees described in paragraphs (a) and (d) of subsection 2 of NRS 258.125, all fees prescribed in this chapter shall be payable in advance, if demanded. If a constable shall not have received any or all of his or her fees, which may be due the constable for services rendered by him or her in any suit or proceedings, the constable may have execution therefor in his or her own name against the party or parties from whom they are due, to be issued from the court where the action is pending, upon the order of the justice of the peace or court upon affidavit filed.

Sec. 14. NRS 612.710 is hereby amended to read as follows:

612.710 Except as otherwise provided in NRS 31A.150:
1. Any assignment, pledge or encumbrance of any right to benefits which are or may become due or payable under this chapter is void, except for a voluntary assignment of benefits to satisfy an obligation to pay support for a child.
2. Benefits are exempt from levy, execution, attachment, or any other remedy provided for the collection of debt. Benefits received by any person, if they are not mingled with other money of the recipient, are exempt from any remedy for the collection of all debts, except debts incurred for necessaries furnished to the person or the person’s spouse or dependents during the time when the person was unemployed.
3. Any other waiver of any exemption provided for in this section is void.

Sec. 15. NRS 21.114 is hereby repealed.

TEXT OF REPEALED SECTION

21.114 Sureties: Submission to jurisdiction of court; exceptions to sufficiency and justification.
1. By entering into any undertaking provided for in NRS 21.112, the sureties thereunder submit themselves to the jurisdiction of the court and irrevocably appoint the clerk of the court as agent upon whom any papers affecting liability on the undertaking may be served. Liability on such undertaking may be enforced on motion to the court without the necessity of an independent action. The motion and such reasonable notice of the motion as the court prescribes may be served on the clerk of the court, who shall forthwith mail copies to the sureties if their addresses are known.
2. Exceptions to the sufficiency of the sureties and their justification may be had and taken in the same manner as upon an undertaking given in other cases under titles 2 and 3 of NRS. If they, or others in their place, fail to justify at the time and place appointed, the sheriff must release the property; but if no exception is taken within 5 days after notice of receipt of the undertaking, the judgment debtor shall be deemed to have waived any and all objections to the sufficiency of the sureties.
Assemblyman Ohrenschall moved the adoption of the amendment. Amendment adopted.
Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 240.
Bill read second time.
The following amendment was proposed by the Committee on Government Affairs:
	Amendment No. 520.
AN ACT relating to public agencies; revising the restrictions on contracts with or employment of former or current state employees by a state agency; requiring state agencies to report all contracts for services as part of the budget process; requiring that a contractor with a state agency or with a school district have a current and valid business license; be in active and good standing with the Secretary of State; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law restricts the employment of consultants by public agencies and requires the approval of certain contracts with consultants by the Interim Finance Committee. (NRS 284.1729) Section 1 of this bill expands those restrictions to apply to all contracts to provide services to state agencies and revises the exceptions to the restrictions and requires approval of the State Board of Examiners rather than the Interim Finance Committee of contracts subject to the restrictions. Section 1 also prohibits a state agency from entering into a contract with a person for services without ensuring that the person is in active and good standing with the Secretary of State. Section 2 of this bill requires state agencies to report all contracts for services as part of the budget process instead of only reporting contracts with consultants and temporary employment services. Sections 1 and 3 of this bill prohibit a state agency or a school district from entering into a contract with a person for services without ensuring that the person has a current and valid state business license. Section 3 also moves the reporting requirements for school districts regarding consultants to the chapter which specifically governs school districts.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 391. AN ACT relating to the Open Meeting Law; revising provisions governing periods devoted to public comment; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Open Meeting Law requires that meetings of public bodies be open to the public, with limited exceptions. Under the Open Meeting Law, a public body is required to provide written notice of all such meetings, which must include an agenda with a period devoted to comments by the general public and discussion of those comments. However, a public body is prohibited from taking action upon a matter that is raised during such a period for public comment until the matter has been specifically included on an agenda and is denoted to be an item upon which the public body may take action. (NRS 241.020) This bill requires the public body, before taking action on an agenda item that is denoted as an item on which the public body may take action, to provide two separate periods devoted to public comment on the agenda item. The public body is also required to provide one additional period for public comment immediately: (1) one at the beginning of the meeting; and (2) one before the adjournment of the
meeting, each of which must allow for discussion of any public comments.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 241.020 is hereby amended to read as follows:

241.020 1. Except as otherwise provided by specific statute, all meetings of public bodies must be open and public, and all persons must be permitted to attend any meeting of these public bodies. A meeting that is closed pursuant to a specific statute may only be closed to the extent specified in the statute allowing the meeting to be closed. All other portions of the meeting must be open and public, and the public body must comply with all other provisions of this chapter to the extent not specifically precluded by the specific statute. Public officers and employees responsible for these meetings shall make reasonable efforts to assist and accommodate persons with physical disabilities desiring to attend.

2. Except in an emergency, written notice of all meetings must be given at least 3 working days before the meeting. The notice must include:
   (a) The time, place and location of the meeting.
   (b) A list of the locations where the notice has been posted.
   (c) An agenda consisting of:
      (1) A clear and complete statement of the topics scheduled to be considered during the meeting.
      (2) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items.
      (3) At least two periods devoted to comments by the general public, if any, and discussion of those comments. A public body shall provide an additional period devoted to comments by the general public, if any, and discussion of those comments immediately before the adjournment of the meeting. No action may be taken upon a matter raised under this item of the agenda during a period devoted to comments by the general public until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to subparagraph (2).
      (4) If any portion of the meeting will be closed to consider the character, alleged misconduct or professional competence of a person, the name of the person whose character, alleged misconduct or professional competence will be considered.
      (5) If, during any portion of the meeting, the public body will consider whether to take administrative action against a person, the name of the person against whom administrative action may be taken.
3. Minimum public notice is:
   (a) Posting a copy of the notice at the principal office of the public body or, if there is no principal office, at the building in which the meeting is to be held, and at not less than three other separate, prominent places within the jurisdiction of the public body not later than 9 a.m. of the third working day before the meeting; and
   (b) Providing a copy of the notice to any person who has requested notice of the meetings of the public body. A request for notice lapses 6 months after it is made. The public body shall inform the requester of this fact by enclosure with, notation upon or text included within the first notice sent. The notice must be:
      (1) Delivered to the postal service used by the public body not later than 9 a.m. of the third working day before the meeting for transmittal to the requester by regular mail; or
      (2) If feasible for the public body and the requester has agreed to receive the public notice by electronic mail, transmitted to the requester by electronic mail sent not later than 9 a.m. of the third working day before the meeting.

4. If a public body maintains a website on the Internet or its successor, the public body shall post notice of each of its meetings on its website unless the public body is unable to do so because of technical problems relating to the operation or maintenance of its website. Notice posted pursuant to this subsection is supplemental to and is not a substitute for the minimum public notice required pursuant to subsection 3. The inability of a public body to post notice of a meeting pursuant to this subsection as a result of technical problems with its website shall not be deemed to be a violation of the provisions of this chapter.

5. Upon any request, a public body shall provide, at no charge, at least one copy of:
   (a) An agenda for a public meeting;
   (b) A proposed ordinance or regulation which will be discussed at the public meeting; and
   (c) Subject to the provisions of subsection 6, any other supporting material provided to the members of the public body for an item on the agenda, except materials:
      (1) Submitted to the public body pursuant to a nondisclosure or confidentiality agreement which relates to proprietary information;
      (2) Pertaining to the closed portion of such a meeting of the public body; or
      (3) Declared confidential by law, unless otherwise agreed to by each person whose interest is being protected under the order of confidentiality.

The public body shall make at least one copy of the documents described in paragraphs (a), (b) and (c) available to the public at the meeting to which the documents pertain. As used in this subsection, “proprietary information” has the meaning ascribed to it in NRS 332.025.
6. A copy of supporting material required to be provided upon request pursuant to paragraph (c) of subsection 5 must be:
   (a) If the supporting material is provided to the members of the public body before the meeting, made available to the requester at the time the material is provided to the members of the public body; or
   (b) If the supporting material is provided to the members of the public body at the meeting, made available at the meeting to the requester at the same time the material is provided to the members of the public body.
   If the requester has agreed to receive the information and material set forth in subsection 5 by electronic mail, the public body shall, if feasible, provide the information and material by electronic mail.

7. A public body may provide the public notice, information and material required by this section by electronic mail. If a public body makes such notice, information and material available by electronic mail, the public body shall inquire of a person who requests the notice, information or material if the person will accept receipt by electronic mail. The inability of a public body, as a result of technical problems with its electronic mail system, to provide a public notice, information or material required by this section to a person who has agreed to receive such notice, information or material by electronic mail shall not be deemed to be a violation of the provisions of this chapter.

8. As used in this section, “emergency” means an unforeseen circumstance which requires immediate action and includes, but is not limited to:
   (a) Disasters caused by fire, flood, earthquake or other natural causes; or
   (b) Any impairment of the health and safety of the public.

The following amendment was proposed by the Committee on Government Affairs:
Amendment No. 392.

AN ACT relating to peace officers; requiring a law enforcement agency to release a peace officer from his or her regular working hours to attend certain hearings and administrative proceedings under certain circumstances; revising the circumstances under which a law enforcement agency is prohibited from suspending a peace officer without pay during an investigation; authorizing a representative of a peace officer to attend an interview with the peace officer under certain circumstances; requiring a law enforcement agency to compensate a peace officer’s...
work schedule for attending certain hearings and administrative proceedings; [providing a civil penalty for certain violations of the rights of a peace officer;] prohibiting the use in a criminal proceeding of a statement or answer of a peace officer obtained during an investigation under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes a law enforcement agency to conduct an investigation of a peace officer in response to a complaint or allegation that the peace officer has engaged in activities which may result in punitive action. Existing law prohibits the law enforcement agency from suspending the peace officer without pay during the investigation until all investigations relating to the matter have concluded. (NRS 289.057) Section 1 of this bill prohibits the law enforcement agency from suspending the peace officer without pay except as otherwise provided in a collective bargaining agreement.

Existing law requires a law enforcement agency to notify a peace officer not later than 48 hours before conducting any interrogation or hearing relating to an investigation of the peace officer. (NRS 289.060) Section 1.5 of this bill imposes additional requirements by requiring the law enforcement agency to provide a written notice to any other peace officer the law enforcement agency believes has any knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation. The written notice must advise the peace officer that he or she must appear and be interviewed as a witness in connection with the investigation. Section 1.5 also limits the use of certain evidence discovered during the course of an investigation or hearing and prohibits the use of certain statements or answers made by a peace officer in any subsequent criminal proceeding.

Finally, existing law provides that, if a peace officer is the subject of an investigation of alleged misconduct, existing law provides that a law enforcement agency must interrogate the peace officer during his or her regular working hours, if practical, or compensate the peace officer for his or her time based on the peace officer’s wages, if no charges arise from the interrogation. (NRS 289.060) Section 1 of this bill requires instead that any time a peace officer is required to attend any interrogation, hearing or administrative proceeding concerning the peace officer, such interrogation, hearing or administrative proceeding must be held during the peace officer’s regular working hours, or the peace officer must be released from his or her regular working hours the day before the interrogation, hearing or administrative proceeding and must be compensated for the day of the interrogation, hearing or administrative proceeding at his or her regular wages.

Existing law provides that, if prejudicial evidence is obtained in violation of a peace officer’s rights during an investigation of the peace officer which
could result in punitive action, that evidence is inadmissible in any administrative proceeding or civil action against the peace officer. (NRS 289.085) Section 2 of this bill provides that, in addition to the exclusion of the evidence, a person who violates a peace officer’s rights intentionally, knowingly or willfully in such an investigation is liable to the peace officer for a civil penalty of not more than $5,000, plus reasonable attorney’s fees and costs. Section 1.5 of this bill deletes the requirement for the payment of compensation to the peace officer and instead requires the law enforcement agency to revise the peace officer’s work schedule to allow any time that is required for the interrogation to be deemed a part of the peace officer’s regular working hours. If the law enforcement agency does not interrogate the peace officer during his or her regular working hours and the peace officer receives a notice to appear for an interrogation at a time that he or she is off duty, section 1.5 requires the peace officer to be compensated for appearing at the interrogation based on his or her wages and any other benefits he or she is entitled to receive.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 289.057 is hereby amended to read as follows:

289.057 1. An investigation of a peace officer may be conducted in response to a complaint or allegation that the peace officer has engaged in activities which could result in punitive action.

2. Except as otherwise provided in a collective bargaining agreement, a law enforcement agency shall not suspend a peace officer without pay during or pursuant to an investigation conducted pursuant to this section until all investigations relating to the matter have concluded.

3. After the conclusion of the investigation:
   (a) If the investigation causes a law enforcement agency to impose punitive action against the peace officer who was the subject of the investigation and the peace officer has received notice of the imposition of the punitive action, the peace officer or a representative authorized by the peace officer may, except as otherwise prohibited by federal or state law, review any administrative or investigative file maintained by the law enforcement agency relating to the investigation, including any recordings, notes, transcripts of interviews and documents.
   (b) If, pursuant to a policy of a law enforcement agency or a labor agreement, the record of the investigation or the imposition of punitive action is subject to being removed from any administrative file relating to the peace officer maintained by the law enforcement agency, the law enforcement agency shall not, except as otherwise required by federal or state law, keep or make a record of the investigation or the imposition of punitive action after the record is required to be removed from the administrative file.

Section 1.5 Sec. 1.5 NRS 289.060 is hereby amended to read as follows:
289.060Except as otherwise provided in this subsection, a law enforcement agency shall, not later than 48 hours before any interrogation or hearing is held relating to an investigation conducted pursuant to NRS 289.057, provide a written notice to the peace officer who is the subject of the investigation. If the law enforcement agency believes that any other peace officer has any knowledge of any fact relating to the complaint or allegation against the peace officer who is the subject of the investigation, the law enforcement agency shall provide a written notice to the peace officer advising the peace officer that he or she must appear and be interviewed as a witness in connection with the investigation. Any peace officer who serves as a witness during an interview must be allowed a reasonable opportunity to arrange for a representative chosen by the peace officer to attend the interview with the peace officer. Such a representative must not include the peace officer who is the subject of the investigation or any other witness who the law enforcement agency believes may have knowledge of any fact relating to the investigation. Any peace officer specified in this subsection may waive the notice required pursuant to this section.

2. The notice provided to the peace officer who is the subject of the investigation must include:
   (a) A description of the nature of the investigation;
   (b) A summary of alleged misconduct of the peace officer and any other peace officer whom the law enforcement agency is investigating in connection with the complaint or allegation;
   (c) The date, time and place of the interrogation or hearing;
   (d) The name and rank of the officer in charge of the investigation and the officers who will conduct any interrogation or hearing;
   (e) The name of any other person who will be present at any interrogation or hearing; and
   (f) A statement setting forth the provisions of subsection 1 of NRS 289.080.

3. The law enforcement agency shall:
   (a) Interrogate the peace officer during the peace officer’s regular working hours, if reasonably practicable, or compensate the peace officer for that time based on the peace officer’s regular wages if no charges arise from the interrogation.
   (b) Revise the peace officer’s work schedule to allow any time that is required for the interrogation or for any hearing to be deemed a part of the peace officer’s regular working hours. Any such time must be calculated based on the peace officer’s regular wages for his or her regularly scheduled working hours. If the peace officer is not interrogated during his or her regular working hours or if his or her work schedule is not revised pursuant to this paragraph and the law enforcement agency notifies the peace officer to appear at a time when he or she is off duty, the peace officer must be compensated for appearing at the interrogation based...
on the wages and any other benefits the peace officer is entitled to receive for appearing at the time set forth in the notice.

(b) Immediately before any interrogation or hearing begins, inform the peace officer orally on the record that:

(1) The peace officer is required to provide a statement and answer questions related to the peace officer’s alleged misconduct; and

(2) If the peace officer fails to provide such a statement or to answer any such questions, the agency may charge the peace officer with insubordination.

(c) Limit the scope of the questions during the interrogation or hearing to the alleged misconduct of the peace officer. If any evidence is discovered during the course of an investigation or hearing which establishes or may establish any other possible misconduct engaged in by the peace officer, the law enforcement agency shall notify the peace officer of that fact and shall not conduct any further interrogation of the peace officer concerning the possible misconduct until a subsequent notice of that evidence and possible misconduct is provided to the peace officer pursuant to this chapter.

(d) Allow the peace officer to explain an answer or refute a negative implication which results from questioning during an interrogation or hearing.

4. If a peace officer is required to attend any interrogation, hearing or other administrative proceeding held relating to an investigation of the peace officer conducted pursuant to NRS 289.057 or any internal administrative grievance procedure conducted pursuant to NRS 289.020, the law enforcement agency shall:

(a) If the law enforcement agency interrogates the peace officer, interrogate the peace officer during the peace officer’s regular working hours, if reasonably practicable; or

(b) Release the peace officer from his or her regular working hours the day before the interrogation, hearing or other administrative proceeding and compensate the peace officer for the day of the interrogation, hearing or other administrative proceeding based on the peace officer’s regular wages. If provides a statement or answers a question relating to the alleged misconduct of a peace officer who is the subject of an investigation pursuant to NRS 289.057 after the peace officer is informed that failing to provide the statement or answer may result in punitive action against him or her, the statement or answer must not be used against the peace officer who provided the statement or answer in any subsequent criminal proceeding.

Sec. 2. NRS 289.085 is hereby amended to read as follows:

289.085 If an arbitrator or court determines that evidence was obtained during an investigation of a peace officer concerning conduct that could result in punitive action in a manner which violates any provision of NRS 289.010 to 289.120, inclusive, and that such evidence may be
prejudicial to the peace officer, such evidence is inadmissible and the arbitrator or court shall exclude such evidence during any administrative proceeding commenced or civil action filed against the peace officer.

2. A person who intentionally, knowingly or willfully violates a provision of NRS 289.010 to 289.120, inclusive, during an investigation of a peace officer is liable for a civil penalty of not more than $5,000 for each violation, payable to the peace officer, together with reasonable attorney’s fees and costs. Amendment No. 394.
SUMMARY—Exempts from the limitation on the total proposed budgetary expenditures for a biennium any expenditures for the purpose of satisfying an unfunded federal mandate from the State Distributive School Account in the State General Fund. (BDR 31-1009)

AN ACT relating to state financial administration; exempting from the limitation on the proposed expenditures of the Executive Department of the State Government any expenditures for the purpose of satisfying an unfunded federal mandate from the State Distributive School Account in the State General Fund; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the Chief of the Budget Division of the Department of Administration prepares a proposed budget for the Executive Department of the State Government. (NRS 353.185) The proposed total expenditures in this proposed budget, excluding proposed expenditures for construction and expenditures that reduce any unfunded accrued liability of the State Retirees’ Health and Welfare Benefits Fund, cannot exceed a certain amount. (NRS 353.213) This bill provides that expenditures to satisfy any unfunded federal mandate from the State Distributive School Account in the State General Fund are also excluded from the limitation on proposed total expenditures.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 353.213 is hereby amended to read as follows:
353.213 1. In preparing the proposed budget for the Executive Department of the State Government for each biennium, the Chief shall not exceed the limit upon total proposed expenditures for purposes other than construction and reducing any unfunded accrued liability of the State Retirees’ Health and Welfare Benefits Fund created by NRS 287.0436 from the State General Fund calculated pursuant to this section. The base for each biennium is the total expenditure, for the purposes limited, from the State General Fund appropriated and authorized by the Legislature for the biennium beginning on July 1, 1975.
2. The limit for each biennium is calculated as follows:
(a) The amount of expenditure constituting the base is multiplied by the percentage of change in population for the current biennium from the population on July 1, 1974, and this product is added to or subtracted from the amount of expenditure constituting the base.

(b) The amount calculated pursuant to paragraph (a) is multiplied by the percentage of inflation or deflation, and this product is added to or subtracted from the amount calculated pursuant to paragraph (a).

(c) Subject to the limitations of this paragraph:

(1) If the amount resulting from the calculations pursuant to paragraphs (a) and (b) represents a net increase over the base biennium, the Chief may increase the proposed expenditure accordingly.

(2) If the amount represents a net decrease, the Chief shall decrease the proposed expenditure accordingly.

(3) If the amount is the same as in the base biennium, that amount is the limit of permissible proposed expenditure.

3. The proposed budget for each fiscal year of the biennium must provide for a reserve of:

(a) Not less than 5 percent or more than 10 percent of the total of all proposed appropriations from the State General Fund for the operation of all departments, institutions and agencies of the State Government and authorized expenditures from the State General Fund for the regulation of gaming for that fiscal year; and

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 532.

AN ACT relating to real property; requiring the disclosure form required to be provided by the seller of residential property to include only certain
information related to the residential property; prohibiting the unit owners’ association of a common interest community from charging a unit’s owner any costs of collecting a past due obligation other than costs related to the recording of certain documents; revising provisions governing the foreclosure of an association’s lien based on a fine or penalty for a violation of the governing documents of the common interest community; revising provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil remedies for failure to comply with certain provisions governing the exercise of the power of sale under a deed of trust concerning owner-occupied real property; providing civil penalties; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the seller of residential property to serve on the purchaser or the purchaser’s agent a completed disclosure form regarding the residential property. (NRS 113.130) Section 1 of this bill requires the disclosure to include only information related to the residential property and the homeowners’ association for the residential property, if any.

Existing law authorizes the unit owners’ association of a common interest community to charge reasonable fees to cover the costs of collecting a past due financial obligation owed by a unit’s owner and requires the Commission for Common Interest Communities and Condominium Hotels to adopt regulations establishing the amount of those fees. (NRS 116.310313) Section 2 of this bill prohibits an association from charging any costs of collecting a past due financial obligation to a unit’s owner other than certain recording fees.

Existing law prohibits the unit owners’ association of a common interest community from foreclosing on a unit based on an unpaid fine or penalty for a violation of the governing documents unless: (1) the violation poses an imminent threat of causing a substantial adverse effect on the health, safety, or welfare of the units’ owners or residents of the common interest community; or (2) the penalty was imposed for failure to adhere to a construction schedule. (NRS 116.31162) Section 3 of this bill removes the exceptions to the power to foreclose on a unit based on an unpaid fine so that the association is prohibited from foreclosing on a unit based on any unpaid fine or penalty for a violation of the governing document.

Under existing law, the trustee under a deed of trust concerning owner-occupied housing has the power to sell the property to which the deed of trust applies, subject to certain restrictions. (NRS 107.080, 107.085, 107.086) Sections 4-22 of this bill establish additional restrictions on the trustee’s power of sale with respect to owner-occupied housing which are based on Senate Bill No. 729 of the current session of the California Legislature, as amended. Section 23 of this bill provides that these additional restrictions apply only to a notice of default and election to sell which is recorded on or after July 1, 2011.
Section 13 prohibits the recording of a notice of default and election to sell unless reasonable and good faith efforts have been made to evaluate the borrower for all available alternatives to the exercise of the trustee’s power of sale. Section 14 prohibits the recording of a notice of default and election to sell until the trustee, beneficiary or authorized agent complies with certain requirements regarding contact with, or attempts to contact, the borrower. Under section 15, if an eligible borrower requests, either orally or in writing, a loan modification, a notice of default and election to sell may not be recorded unless the borrower’s application has been reviewed in good faith and a decision has been rendered on that application. Sections 17 and 19 require a declaration of compliance to be recorded with the notice of default and election to sell and section 17 provides a form for that declaration. Section 18: (1) authorizes a borrower to bring a civil action to enjoin a trustee’s sale, to void a trustee’s sale and to recover a specified amount of damages and reasonable attorney’s fee and costs under certain circumstances; (2) authorizes the Attorney General to obtain civil penalties for violations of the provisions of this bill; and (3) provides that a violation of the provisions of this bill by a person which is licensed in this State is deemed to be a violation of the law governing that license.

Additionally, section 19: (1) requires a life-of-loan accounting containing certain information to be included with the copy of the notice of default and election to sell which is mailed to the borrower; and (2) prohibits the recording of a notice of sale if the borrower has entered into a contract to sell the property which has been approved by the lender or the borrower has requested approval of such a contract but the lender has not yet approved or disapproved the sale.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The provisions of sections 5 to 18, inclusive, of this act apply only to a deed of trust under a trust agreement which concerns owner-occupied housing.

Sec. 13. 1. A trustee, beneficiary or authorized agent shall not record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 unless the trustee, beneficiary or authorized agent makes reasonable and good faith efforts to evaluate the borrower for all available loss mitigation options to avoid foreclosure.

2. This section must not be construed to require a trustee, beneficiary or authorized agent to act in a manner inconsistent with the terms of any applicable contract for the servicing of the loan at issue.

Sec. 14. 1. Except as otherwise provided in this section, a trustee, beneficiary or authorized agent shall not record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 until:

(a) Thirty days after initial contact is made with the borrower as required by subsection 2 or 30 days after satisfying the requirements of subsection 5; and

(b) If applicable, the requirements of section 15 of this act have been satisfied.

2. Except as otherwise provided in subsection 6, a beneficiary or its authorized agent shall contact the borrower in person or by telephone to assess the borrower’s financial situation and to explore options to avoid the exercise of the trustee’s power of sale pursuant to NRS 107.080. The assessment of the borrower’s financial situation and the discussion of the options to avoid the exercise of the trustee’s power of sale may occur during the initial contact or at the subsequent meeting scheduled for that purpose. In either case, the beneficiary or its authorized agent shall provide to the borrower the toll-free telephone number made available by the United States Department of Housing and Urban Development to find a housing counseling agency certified by that Department and, if the borrower may be eligible for a loan modification, a deadline for the borrower to submit an initial application for a loan modification which must not be earlier than 45 days after the initial contact.

3. The loss mitigation personnel of the beneficiary or its authorized agent may participate by telephone during any contact required by this section.

4. A borrower may designate, in writing, a housing counseling agency certified by the United States Department of Housing and Urban Development, an attorney or any other advisor to discuss with the
beneficiary or its authorized agent, on the borrower's behalf, the borrower's financial situation and options for the borrower to avoid the exercise of the trustee's power of sale. Contact with a person or agency designated by a borrower pursuant to this subsection satisfies the requirements of subsection 2. A loan modification or workout plan offered to a person or agency designated by a borrower pursuant to this subsection is subject to approval by the borrower.

5. Subject to the requirements of section 15 of this act and except as otherwise provided in subsection 6, even if the beneficiary or its authorized agent has not contacted the borrower as required by subsection 2, a notice of default may be recorded pursuant to subsection 3 of NRS 107.080 if the beneficiary or its authorized agent has taken all the following actions:

(b) After mailing the letter required by paragraph (a), the beneficiary or its authorized agent has attempted to contact the borrower by telephone at least 3 times at different hours and on different days. Telephone calls made pursuant to this paragraph must be made to the primary telephone number of the borrower which is on file with the beneficiary. The beneficiary or its authorized agent satisfies the requirements of this paragraph if it determines, after attempting contact pursuant to this paragraph, that the primary telephone number of the borrower on file and any secondary telephone numbers on file have been disconnected.

(c) If the borrower does not respond within 2 weeks after the beneficiary or its authorized agent has satisfied the requirements of paragraph (b), the beneficiary or its authorized agent has mailed to the borrower, by registered or certified mail, return receipt requested and with postage prepaid, a letter which includes the information required by paragraph (a).

(4) The toll-free telephone number made available by the United States Department of Housing and Urban Development to find a housing counseling agency certified by that Department.

6. The requirements of subsections 1, 2 and 5 do not apply if the borrower:
   (a) Has surrendered the property as evidenced by either a letter confirming the surrender or delivery of the keys to the property to the trustee, beneficiary or authorized agent;
   (b) Has contracted with a person whose primary business is advising persons who have decided to leave their homes on how to extend the foreclosure process and avoid their contractual obligations to beneficiaries; or
   (c) Has filed a petition pursuant to Title 11 of the United States Code and the bankruptcy court has not entered an order closing or dismissing the petition or granting relief from a stay of the trustee’s sale.

Sec. 15. 1. Except as otherwise provided in this section, if an eligible borrower requests an application for a loan modification, either orally or in writing, not later than 90 days after the date on which the obligation became delinquent or not later than 45 days after the beneficiary or its authorized agent makes initial contact with the borrower pursuant to section 14 of this act, whichever is later, the trustee, beneficiary or authorized agent shall not record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 unless and until it has, in good faith, reviewed the application, rendered a decision on the application and sent the borrower a denial explanation letter as required by section 16 of this act.

2. If a borrower requests a loan modification, either orally or in writing, by the deadline described in subsection 1, but does not initially submit all the documentation or information the beneficiary or its authorized agent requires to consider the borrower for a loan modification, the beneficiary or its authorized agent shall provide the borrower with a written notice that:
   (a) Lists any supplemental documentation or information required; and
(b) Includes the deadline for providing that documentation or information, which must not be earlier than 30 calendar days from the date on which the borrower receives the notice.

3. Except as otherwise provided in this subsection, if a borrower requests a loan modification, either orally or in writing, within 15 days after receiving a copy of the notice of default and election to sell as required by subsection 3 of NRS 107.080 and submits a completed application for a loan modification within 15 days after receiving application instructions from the mortgage servicer or any other application deadline communicated in writing by the mortgage servicer, whichever is later, the trustee, beneficiary or authorized agent shall not record a notice of sale pursuant to subsection 5 of NRS 107.080 until at least 10 business days after it has, in good faith, reviewed the application, rendered a decision on the application and sent the borrower a denial explanation letter in accordance with section 16 of this act. This subsection does not apply if a borrower applied for a loan modification before the notice of default and election to sell was recorded pursuant to subsection 3 of NRS 107.080 and the trustee, beneficiary or authorized agent satisfied the requirements of sections 16 and 17 of this act.

4. If the mortgage servicer has signed a Making Home Affordable Servicer Participation Agreement with the Federal National Mortgage Association or is otherwise required to review the borrower’s loan under the guidelines of the federal Making Home Affordable Modification Program, compliance with applicable rules of that program regarding deadlines and timeframes for the borrower to submit and complete an application for a loan modification satisfy the requirements of this section while that program remains in effect.

5. The provisions of this section must not be construed:
   (a) To require a mortgage servicer to perform services in a manner inconsistent with the terms of any applicable contract for the servicing of the loan at issue.
   (b) To diminish in any way the obligations of a trustee, beneficiary or authorized agent that has signed a Making Home Affordable Servicer Participation Agreement with the Federal National Mortgage Association or is otherwise required to review a loan under the guidelines of the federal Making Home Affordable Modification Program.

6. The requirements of this section do not apply if:
   (a) The borrower has surrendered the property as evidenced by either a letter confirming the surrender or delivery of the keys to the property to the trustee, beneficiary or authorized agent; or
   (b) The beneficiary or its authorized agent does not offer any loan modifications.

Sec. 16. 1. If a borrower who requests a loan modification, either orally or in writing, is denied either a permanent loan modification or a trial period plan through the federal Making Home Affordable
Modification Program, the beneficiary or its authorized agent shall mail to
the borrower by certified mail, not later than 10 business days following the
denial, a denial explanation letter that states the reason or reasons for the
denial.

2. If an application for a loan modification is denied because the
borrower failed to provide all required documents or information by the
applicable deadline set forth in subsection 2 of section 15 of this act, the
denial explanation letter mailed pursuant to subsection 1 must:
   (a) Indicate the deadline for the submission of the documents or
       information;
   (b) List the documents or information that were not provided; and
   (c) State that the application for a loan modification was denied for that
       reason.

3. If the borrower submits all required written application materials for
a loan modification by the applicable deadline as set forth in subsection 2
or 3 of section 15 of this act and the application is denied, the denial
explanation letter must include:
   (a) The date on which the beneficiary or its authorized agent received
       the final materials required to complete its review of the borrower’s
       application for a loan modification.
   (b) The date on which the beneficiary or its authorized agent made the
decision to deny the borrower’s application for a loan modification.
   (c) If the beneficiary or its authorized agent was required to consider the
       borrower for a loan modification under the guidelines of the federal
       Making Home Affordable Modification Program, the information required
to be provided in the borrower notice described in the most current version
of the Making Home Affordable Program Handbook for Servicers of Non-
GSE Mortgages and any subsequent amendments thereto.
   (d) The reason or reasons the borrower did not qualify for a loan
       modification, including, as applicable:
       (1) If the denial is based on any investor guideline or restriction on
           loan modifications, a description of the guideline or restriction that
           resulted in the denial with a copy of the applicable provision in the pooling
           and servicing agreement or other controlling document evidencing that
           guideline or restriction;
       (2) If the denial is based on the borrower’s income or expenses, the
           income and expense figures used to determine the borrower’s qualification
           for a loan modification, including, without limitation, the borrower’s gross
           and net monthly income, property taxes and hazard insurance premiums;
       (3) If the denial is based on a determination that the net present value
           of the income stream expected from the modified loan is not greater than
           the net present value of the income stream that is expected from the loan
           without modification, all the inputs, assumptions and calculations used to
           make that determination; and
(4) If applicable, a finding that the borrower was previously offered a loan modification but failed to successfully make payments under the terms of the loan modification.

e) The name and contact information of the holder of the note for the borrower’s loan.

(f) A description of alternatives to avoid the exercise of the trustee’s sale other than a loan modification for which the borrower may be eligible, if any, including, without limitation, other loan modification programs, a short sale, a deed in lieu of a trustee’s sale or a forbearance, and a list of the steps the borrower must take to be considered for those options. If the borrower has already been approved for another alternative to the exercise of the trustee’s sale, information necessary to participate in or complete the alternative should be included.

g) Contact information which the borrower may use to reach the beneficiary or its authorized agent to discuss the reasons for the denial of the loan modification.

4. If a borrower is denied a loan modification and the beneficiary or its authorized agent sends a denial explanation letter pursuant to this section, the trustee, beneficiary or authorized agent may record a notice of default and election to sell pursuant to subsection 3 of NRS 107.080 even if the borrower initiates a dispute relating to the denial and the dispute has not yet been resolved.

Sec. 17. 1. After satisfying the requirements of sections 15 and 16 of this act, as applicable, a mortgage servicer shall take the following action to initiate the process of exercising the trustee’s power of sale pursuant to NRS 107.080:

(a) Compile in one place a record demonstrating that the initial contact required by subsection 2 of section 14 of this act has occurred or the requirements of subsection 5 of section 14 of this act have been satisfied. The record must:

(2) After the recording of a notice of default and election to sell pursuant to subsection 3 of NRS 107.080, be made available to the borrower within 10 business days after a written request for the record by the borrower; and

(b) Transmit to the trustee or its authorized agent a declaration of compliance that is signed on behalf of the mortgage servicer by a natural person having personal knowledge of the facts stated in the declaration, or by a natural person with authority to bind the mortgage servicer, who certifies that the declaration is based on records which were made in the regular course of business at or near the time of the events recorded. (a) Without completing an evaluation of a timely completed application for a loan modification;
(b) Before the borrower's deadline for requesting and applying for a loan modification; or
(c) Without sending a denial explanation letter that materially complies with section 16 of this act,
the borrower may seek an order in any court having jurisdiction to enjoin the exercise of the trustee's power of sale with respect to the property until any of these requirements not previously satisfied are satisfied.

2. If:
(a) The trustee, beneficiary or authorized agent records a notice of default and election to sell pursuant to subsection 3 of NRS 107.080:
(1) Without completing its evaluation of the borrower's timely completed application for a loan modification;

the borrower may recover in a civil action which must be commenced within 1 year following the trustee's sale the greater of treble actual damages or statutory damages in the amount of $15,000, plus reasonable attorney's fees and costs.

3. If:
(a) The trustee, beneficiary or authorized agent records a notice of default and election to sell pursuant to subsection 3 of NRS 107.080:

the borrower may recover in a civil action which must be commenced within 1 year following the trustee’s sale the greater of treble actual damages or statutory damages in the amount of $15,000, plus reasonable attorney’s fees and costs. If the trustee, beneficiary or authorized agent had actual notice of the borrower’s claim under this subsection before selling the property to a bona fide purchaser, the borrower is entitled to recover statutory damages in the amount of $20,000 in addition to other damages recoverable under this subsection.

4. If the trustee, beneficiary or authorized agent:

107.080 1. Except as otherwise provided in NRS 107.085 and 107.086,
 and sections 5 to 18, inclusive, of this act, if any transfer in trust of any

 performance of an obligation or the payment of any debt, a power of sale is
 hereby conferred upon the trustee to be exercised after a breach of the
 obligation for which the transfer is security.

2. The power of sale must not be exercised, however, until:
   (a) Except as otherwise provided in paragraph (b), in the case of any trust
       agreement coming into force:
       (1) On or after July 1, 1949, and before July 1, 1957, the grantor, the
           person who holds the title of record, a beneficiary under a subordinate deed
           of trust or any other person who has a subordinate lien or encumbrance of

           of record, a beneficiary under a subordinate deed of trust or any other person who has a

   (b) In the case of any trust agreement which concerns owner-occupied
       housing as defined in NRS 107.086, the grantor, the person who holds the
       title of record, a beneficiary under a subordinate deed of trust or any other
       person who has a subordinate lien or encumbrance of record on the property
       has, for a period that commences in the manner and subject to the
       requirements described in subsection 3 and expires 5 days before the date of
       sale, failed to make good the deficiency in performance or payment;
   (c) The beneficiary, the successor in interest of the beneficiary or the
       trustee first executes and causes to be recorded in the office of the recorder of
       the county wherein the trust property, or some part thereof, is situated a

       to satisfy the obligation; and
   (d) Not less than 3 months have elapsed after the recording of the notice.
3. The 15- or 35-day period provided in paragraph (a) of subsection 2, or the period provided in paragraph (b) of subsection 2, commences on the first day following the day upon which the notice of default and election to sell is recorded in the office of the county recorder of the county in which the property is located and a copy of the notice of default and election to sell is mailed by registered or certified mail, return receipt requested and with postage prepaid to the grantor or, to the person who holds the title of record on the date the notice of default and election to sell is recorded, and, if the property is operated as a facility licensed under chapter 449 of NRS, to the State Board of Health, at their respective addresses, if known, otherwise to the address of the trust property. The notice of default and election to sell must:

(a) Describe the deficiency in performance or payment and may contain a notice of intent to declare the entire unpaid balance due if acceleration is permitted by the obligation secured by the deed of trust, but acceleration must not occur if the deficiency in performance or payment is made good and any costs, fees and expenses incident to the preparation or recordation of the notice and incident to the making good of the deficiency in performance or payment are paid within the time specified in subsection 2.

(b) If the property is owner-occupied housing as defined in NRS 107.086, include, or have attached to it, the declaration of compliance required by section 16 of this act and proof of ownership of the note secured by the deed of trust. Proof of ownership of the note must include a copy of the note secured by the deed of trust, evidence of all assignments and endorsements of the deed of trust and the note secured by the deed of trust and a declaration which attests to the existence and possession of the note secured by the deed of trust and to all assignments and endorsements of that note and certifies ownership of the deed of trust and the right to exercise the trustee’s power of sale. If this proof cannot be located, the trustee, beneficiary or authorized agent shall include with, or attach to, the notice of default and election to sell a declaration signed either by a natural person having personal knowledge of the facts stated within, or by a natural person with authority to bind the trustee, beneficiary or authorized agent, who certifies that the declaration is based upon records that were made in the regular course of business at or near the time of the events recorded, including the following:

1. Facts sufficient to show that the trustee, beneficiary or authorized agent has the right to enforce the note secured by the deed of trust;
2. A statement that the person cannot reasonably obtain possession of the note and a description of the reasonable efforts made to obtain the note; and

This paragraph must not be construed in derogation of the parties’ rights established under NRS 104.3309 or any similar right established under the law of this State.

(d) A breakdown of the current escrow charges which indicates how the charges are calculated and the reason for any increase in the charges within the preceding 24 months, and any shortage or surplus in the escrow account in the past three years.

5. The trustee, or other person authorized to make the sale under the terms of the trust deed or transfer in trust, shall, after expiration of the 3-month period following the recording of the notice of breach and election to sell, and before the making of the sale, give notice of the time and place thereof by recording the notice of sale and by:

6. Every sale made under the provisions of this section and other sections of this chapter vests in the purchaser the title of the grantor and any successors in interest without equity or right of redemption. A sale made pursuant to this section may be declared void by any court of competent jurisdiction in the county where the sale took place if:

(c) A notice of lis pendens providing notice of the pendency of the action is recorded in the office of the county recorder of the county where the sale took place within 30 days after commencement of the action.

7. If proper notice is not provided pursuant to subsection 3 or paragraph (a) of subsection 5 to the grantor, to the person who holds the title of record on the date the notice of default and election to sell is recorded, to each trustor or to any other person entitled to such notice, the person who did not receive such proper notice may commence an action pursuant to subsection 6 within 120 days after the date on which the person received actual notice of the sale.

8. The sale of a lease of a dwelling unit of a cooperative housing corporation vests in the purchaser title to the shares in the corporation which accompany the lease.

(b) Is liable in a civil action for any actual damages caused by the failure to comply with the provisions of subsection 9 and for reasonable attorney’s fees and the costs of bringing the action.

The county recorder shall, in addition to any other fee, at the time of recording a notice of default and election to sell collect:

(a) A fee of $150 for deposit in the State General Fund.

(b) A fee of $50 for deposit in the Account for Foreclosure Mediation, which is hereby created in the State General Fund. The Account must be administered by the Court Administrator, and the money in the Account may be expended only for the purpose of supporting a program of foreclosure mediation established by Supreme Court Rule.

The fees collected pursuant to this subsection must be paid over to the county treasurer by the county recorder on or before the fifth day of each month for the preceding calendar month, and, except as otherwise provided in this subsection, must be placed to the credit of the State General Fund or the Account as prescribed pursuant to this subsection. Between now and the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the landlord.
After the date of the sale, you may be evicted if you fail to pay rent or live up to your other obligations to the successful bidder, in accordance with chapter 118A of the Nevada Revised Statutes.

2. If you are absent from your place of residence or usual place of business, leaving a copy with a person of suitable age and discretion at either place and mailing a copy to you at your place of residence or business; or

3. A hearing regarding a temporary eviction may be called as soon as 11 days after you are served with the summons and complaint; and
4. A hearing regarding a permanent eviction may be called as soon as 20 days after you are served with the summons and complaint.

      (1) Is to be used for acquiring property or removing or remediating hazardous substances on property; and

Assembly Bill No. 394.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 449.

AN ACT relating to common-interest communities; revising provisions governing the collection of past due financial obligations in common-interest communities; establishing limits on the amount which may be charged to a unit’s owner to cover the costs of collecting a past due financial obligation; revising provisions governing an association’s lien for assessments; revising provisions governing the foreclosure of an association’s lien by sale; revising provisions governing the manner of collecting debts owed to an association; establishing a limit on the amount of the fee which may be charged to a unit’s owner to record a transfer of the unit in the records of the association; revising various provisions relating to common-interest communities; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes certain restrictions on the actions of an association of a common-interest community with respect to regulating the use of a unit by a unit’s owner. (NRS 116.2111) Section 3 of this bill prohibits an association from prohibiting or unreasonably restricting a unit’s owner from installing and using a clothesline within the boundaries of his or her unit.

Existing law requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the amount of the fees that may be charged to a unit’s owner to cover the costs of collecting a past due financial obligation owed to an association of a common-interest community. (NRS 116.310313) Section 1 of this bill revises the definition of “costs of collecting” so that: (1) attorney’s fees incurred by an
association because a unit’s owner has filed a bankruptcy petition are not subject to the restrictions on fees to cover the costs of collecting a past due obligation; and (2) other attorney’s fees incurred by an association in collecting a past due obligation are subject to those restrictions. Section 5 of this bill prohibits the association from charging a unit’s owner the costs of collecting a past due obligation unless two-thirds of the total number of voting members of the association approve a collection policy for the association. Section 5 requires the collection policy to establish the rates for the costs of collecting a past due obligation and establishes limits on the fees charged to a unit’s owner to cover the costs of collecting such obligations, which are based on the amount of the outstanding balance of the past due obligation. In addition, section 5 establishes limits on the amount of the fee charged to a unit’s owner to transfer an account for collection and to change the name of the unit’s owner on such an account.

Under existing law, the association has a lien for certain amounts due the association. This lien is prior to the lien of a first security interest on the unit to the extent of charges incurred by the association to maintain certain units which are being foreclosed and to the extent of a specified number of months of assessments. (NRS 116.3116) Section 8 of this bill provides that if the title to the unit is acquired at a foreclosure sale or trustee’s sale and the mortgage on the unit was insured by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the amount secured by the lien given priority must not exceed the amount of common expenses and assessments authorized to be given such priority by the federal regulations or underwriting guidelines of the federal entity which insured the debt.

Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.3116-116.31168) Sections 9 and 10 of this bill revise provisions governing such foreclosures by prohibiting the association from: (1) foreclosing its lien by sale based on delinquent assessments unless the amount of delinquent assessments exceeds a certain amount; (2) foreclosing its lien by sale unless the executive board of the association authorizes the foreclosure in an executive session after providing notice of the meeting to a unit’s owner; and (3) selling the unit and charging any costs of collecting to a unit’s owner if the sale does not occur within 120 days after the association mails the notice of default and election to sell to the unit’s owner.

Existing law requires the association to provide a statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit in the resale package which is provided to a potential purchaser of a unit. (NRS 116.4109) Section 11 of this bill establishes a limit of not more than $50 on a fee charged to a unit’s owner to record the transfer of a unit in the records of the association or its community manager.

Existing law provides that a collection agency which violates the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any
regulation adopted pursuant thereto violates the provisions in existing state law relating to collection agencies. (NRS 649.370) Because the Fair Debt Collection Practices Act applies to consumer debts owed by natural persons, it does not apply when a collection agency collects any debt owed by an entity. (15 U.S.C. §§ 1692 et seq.) Section 12 of this bill provides that a collection agency which violates the federal Fair Debt Collection Practices Act with respect to any debt owed to an association by a unit’s owner is deemed to violate existing state law relating to collection agencies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:

“Costs of collecting” includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a notice of default and election to sell or notice of foreclosure sale or a rescission thereof, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association [charges a unit’s owner] incurs for the investigation, enforcement or collection of a past due obligation. The term does not include [any costs] attorney’s fees incurred by an association [if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court] because the unit’s owner has filed a bankruptcy petition pursuant to Title 11 of the United States Code.

Sec. 2. NRS 116.003 is hereby amended to read as follows:

116.003 As used in this chapter and in the declaration and bylaws of an association, unless the context otherwise requires, the words and terms defined in NRS 116.005 to 116.095, inclusive, and section 1 of this act have the meanings ascribed to them in those sections.

Sec. 3. NRS 116.2111 is hereby amended to read as follows:

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit’s owner:

(a) May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community;

(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and

(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.
2. An association may not:
   (a) Unreasonably restrict, prohibit or otherwise impede the lawful rights of a unit’s owner to have reasonable access to his or her unit.
   (b) Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit’s owner or a tenant of a unit’s owner or for any visitor to the common-interest community or invitee of a unit’s owner or a tenant of a unit’s owner to enter the common-interest community.
   (c) Unreasonably restrict, prohibit or withhold approval for a unit’s owner to add to a unit:
      (1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;
      (2) Additional locks to improve the security of the unit;
      (3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit;
      (4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.
   (d) With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.
   (e) Prohibit or unreasonably restrict a unit’s owner from installing and using a clothesline within the boundaries of his or her unit.

3. Any improvement or alteration made pursuant to subsection 2 that is visible from any other portion of the common-interest community must be installed, constructed or added in accordance with the procedures set forth in the governing documents of the association and must be selected or designed to the maximum extent practicable to be compatible with the style of the common-interest community.

4. An association may not unreasonably restrict, prohibit or withhold approval for a unit’s owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:
   (a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and
   (b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.

5. If a unit’s owner adds shutters pursuant to subsection 4, the unit’s owner is responsible for the maintenance of the shutters.

6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a
policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:
(a) In existence on July 1, 2009; or
(b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.
7. A unit’s owner may not add to the unit a system that uses wind energy as described in subparagraph (4) of paragraph (c) of subsection 2 unless the unit’s owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.

Sec. 4. NRS 116.310312 is hereby amended to read as follows:
116.310312 1. A person who holds a security interest in a unit must provide the association with the person’s contact information as soon as reasonably practicable, but not later than 30 days after the person:
(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or
(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.
2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit’s owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit’s owner refuses or fails to take any action or comply with any requirement imposed on the unit’s owner within the time specified by the association as a result of the hearing:

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties but not to exceed 60 miles from the physical location of the common-interest community; and

(b) Copies of the budgets will be provided upon request.

3. 116.3116  1. The association has a lien on a unit for any construction penalty that is imposed against the unit’s owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;

(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and perfected before the date on which the assessment sought to be enforced became delinquent; and

(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

3. The lien under this section is also prior to all security interests described in paragraph (b) of subsection 2 to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations or underwriting guidelines adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations or underwriting guidelines adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests...
described in paragraph (b) of priority must be determined in accordance with those federal regulations or underwriting guidelines, except that notwithstanding the provisions of the federal regulations or underwriting guidelines, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien.

If title to a unit is acquired by a sale conducted pursuant to NRS 40.430 or 107.080 to obtain payment of a debt secured by a security interest described in paragraph (b) of subsection 2 and that debt was insured by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the amount secured by the lien given priority over the security interests described in paragraph (b) of subsection 2 must not exceed the amount of common expenses and assessments authorized to be given such priority by the federal regulations or underwriting guidelines adopted by the entity which insured the debt.

4. The provisions of subsections 2 and 3 do not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

5. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

6. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

7. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

8. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

9. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

10. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

11. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
(b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:
   (1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or
   (2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

minutes of the meeting at which such action is taken. Except as otherwise
provided in this paragraph, if the lien is imposed against a unit which is
occupied by the unit’s owner, not later than 20 days before the meeting, the
association must provide to the unit’s owner or his or her successor in
interest by personal delivery notice that the executive board will determine
whether to authorize the foreclosure of the association’s lien by sale of the
unit. If the lien is imposed against a unit which is not occupied by the
unit’s owner, the association may provide the notice by first-class mail to
the last known mailing address of the unit’s owner.

2. The notice of default and election to sell must be signed by the person designated in the declaration or by the association for that purpose or, if no one is designated, by the president of the association.

3. The period of 90 days begins on the first day following:

Sec. 10. NRS 116.31164 is hereby amended to read as follows:

116.31164 1. The sale must be conducted in the county in which the common-interest community or part of it is situated, and may be conducted by the association, its agent or attorney, or a title insurance company or escrow agent licensed to do business in this State, except that the sale may be made at the office of the association if the notice of the sale so provided, whether the unit is located within the same county as the office of the association or not. The association or other person conducting the sale may from time to time postpone the sale by such advertisement and notice as it considers reasonable or, without further advertisement or notice, by
proclamation made to the persons assembled at the time and place previously set and advertised for the sale.

2. If the sale does not occur within 120 days after the date on which a copy of the notice of default and election to sell was personally delivered or mailed to the unit’s owner or his or her successor in interest in the manner required by paragraph (b) of subsection 1 of NRS 116.31162, the association and any person acting on behalf of the association may not:
   (a) Foreclose the association’s lien by sale; or
   (b) Charge to, or collect from, the unit’s owner or his or her successor in interest any costs of collecting the past due obligation to which the notice of default relates unless the unit’s owner or his or her successor in interest has agreed to a payment plan which includes the payment, in whole or in part, of the costs of collecting the past due obligation.

3. On the day of sale originally advertised or to which the sale is postponed, at the time and place specified in the notice or postponement, the person conducting the sale may sell the unit at public auction to the highest cash bidder. Unless otherwise provided in the declaration or by agreement, the association may purchase the unit and hold, lease, mortgage or convey it. The association may purchase by a credit bid up to the amount of the unpaid assessments and any permitted costs, fees and expenses incident to the enforcement of its lien.

4. After the sale, the person conducting the sale shall:
   (a) Make, execute and, after payment is made, deliver to the purchaser, or his or her successor or assign, a deed without warranty which conveys to the grantee all title of the unit’s owner to the unit;
   (b) Deliver a copy of the deed to the Ombudsman within 30 days after the deed is delivered to the purchaser, or his or her successor or assign; and
   (c) Apply the proceeds of the sale for the following purposes in the following order:
      (1) The reasonable expenses of sale;
      (2) The reasonable expenses of securing possession before sale, holding, maintaining, and preparing the unit for sale, including payment of taxes and other governmental charges, premiums on hazard and liability insurance, and, to the extent provided for by the declaration, reasonable attorney’s fees and other legal expenses incurred by the association;
      (3) Satisfaction of the association’s lien;
      (4) Satisfaction in the order of priority of any subordinate claim of record; and
      (5) Remittance of any excess to the unit’s owner.

Sec. 11. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public offering statement is required, or unless exempt under subsection 2 of NRS 116.4101, a unit’s owner or his or her authorized agent shall, at the expense of the unit’s owner, furnish to a purchaser a resale package containing all of the following:
(a) A copy of the declaration, other than any plats, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.41095;

(b) A statement setting forth the amount of the monthly assessment for common expenses and any unpaid assessment of any kind currently due from the selling unit’s owner;

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information described in paragraphs (a) to (e), inclusive, of subsection 3 of NRS 116.31152;

(d) A statement of any unsatisfied judgments or pending legal actions against the association and the status of any pending legal actions relating to the common-interest community of which the unit’s owner has actual knowledge;

(e) A statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit; and

(f) In addition to any other document, a statement describing all current and expected fees or charges for each unit, including, without limitation, association fees, fines, assessments, late charges or penalties, interest rates on delinquent assessments, additional costs for collecting past due fines and charges for opening or closing any file for each unit.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, the purchaser must hand deliver the notice of cancellation to the unit’s owner or his or her authorized agent or mail the notice of cancellation by prepaid United States mail to the unit’s owner or his or her authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the unit’s owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a unit’s owner or his or her authorized agent, the association shall furnish all of the following to the unit’s owner or his or her authorized agent for inclusion in the resale package:

(a) Copies of the documents required pursuant to paragraphs (a) and (c) of subsection 1; and
(b) A certificate containing the information necessary to enable the unit’s owner to comply with paragraphs (b), (d) and (e) of subsection 1.

4. If the association furnishes the documents and certificate pursuant to subsection 3:
   (a) The unit’s owner or his or her authorized agent shall include the documents and certificate in the resale package provided to the purchaser, and neither the unit’s owner nor his or her authorized agent is liable to the purchaser for any erroneous information provided by the association and included in the documents and certificate.
   (b) The association may charge the unit’s owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.
   (c) The association may charge the unit’s owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.
   (d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit’s owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser’s interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 days allowed by this section, the seller is not liable for the delinquent assessment.

6. Upon the request of a unit’s owner or his or her authorized agent, or upon the request of a purchaser to whom the unit’s owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit’s owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

7. An association or a community manager may not charge a unit’s owner, and may not require a unit’s owner to pay, a fee of more than $50 to cover the cost of recording in the books and records of the association or community manager the transfer of the ownership of the unit.

Sec. 12. NRS 649.370 is hereby amended to read as follows:

2. Even if a claim is not governed by the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., a violation of any provision of that Act, or any regulation adopted pursuant thereto, with respect to collecting or attempting to collect a claim owed to a unit-owners’ association by a unit’s owner shall be deemed to be a violation of this chapter.

Sec. 13. The amendatory provisions of sections 9 and 10 of this act apply only if a notice of default and election to sell is recorded pursuant to NRS 116.31162 on or after July 1, 2011.

Sec. 14. This act becomes effective on July 1, 2011.

Assemblyman Ohrenschall moved the adoption of the amendment.

Amendment adopted.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 478.

AN ACT relating to common-interest communities; revising provisions governing the collection of past due financial obligations in common-interest communities; establishing limits on the amount which may be charged to a unit’s owner to cover the costs of collecting a past due financial obligation; revising provisions governing an association’s lien for assessments; revising provisions governing the foreclosure of an association’s lien by sale; revising provisions governing the manner of collecting debts owed to an association; establishing a limit on the amount of the fee which may be charged to a unit’s owner to record a transfer of the unit in the records of the association; revising various provisions relating to common-interest communities; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes certain restrictions on the actions of an association of a common-interest community with respect to regulating the use of a unit by a unit’s owner. (NRS 116.2111) Section 3 of this bill prohibits an association from prohibiting or unreasonably restricting a unit’s owner from installing and using a clothesline within the boundaries of his or her unit.

Existing law requires the Commission for Common-Interest Communities and Condominium Hotels to adopt regulations establishing the amount of the fees that may be charged to a unit’s owner to cover the costs of collecting a past due financial obligation owed to an association of a common-interest community. (NRS 116.310313) Section 5 of this bill prohibits the association from charging a unit’s owner the costs of collecting a past due obligation unless [two-thirds of the total number of voting members of the association, a majority of the units’ owners who cast votes] approve a collection policy for the association. Section 5 also: (1) requires the collection policy to establish the rates for include a list or schedule of the maximum amount of each fee, cost, charge or other amount which may be charged to a unit’s owner to cover the costs of collecting a past due obligation; and (2) establishes limits on the amount a unit’s owner may be charged to cover the costs of collecting such obligations, which are based on the amount of the outstanding balance of the past due obligation. In addition,
section 5: (1) prohibits an association from transferring to another person, other than an officer or employee of the association or its community manager, the collection activity with respect to a fine for a violation of the governing documents; and (2) establishes limits on the amount of the fee charged to a unit’s owner to transfer an account for collection and to change the name of the unit’s owner on such an account.

Under existing law, the association has a lien for certain amounts due the association. This lien is prior to the lien of a first security interest on the unit to the extent of charges incurred by the association to maintain certain units which are being foreclosed and to the extent of a specified number of months of assessments. (NRS 116.3116) Section 8 of this bill provides that if the title to the unit is acquired at a foreclosure sale or trustee’s sale and the mortgage on the unit was insured by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the amount secured by the lien given priority must not exceed the amount of common expenses and assessments authorized to be given such priority by the federal regulations or underwriting guidelines of the federal entity which insured the debt.

Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.3116-116.31168) Section 9 of this bill revises provisions governing such foreclosures by prohibiting the association from: (1) foreclosing its lien by sale based on delinquent assessments unless the amount of delinquent assessments exceeds a certain amount; and (2) foreclosing its lien by sale unless the executive board of the association votes to authorize the foreclosure in an executive session after providing notice of the meeting to a unit’s owner, and (3) selling the unit and charging any costs of collecting to a unit’s owner if the sale does not occur within 120 days after the association mails the notice of default and election to sell to the unit’s owner.

Existing law requires the association to provide a statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit in the resale package which is provided to a potential purchaser of a unit. (NRS 116.4109) Section 11 of this bill establishes a limit of not more than $50 on a fee charged to a unit’s owner to record the transfer of a unit in the records of the association or its community manager.

Existing law provides that a collection agency which violates the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any regulation adopted pursuant thereto violates the provisions in existing state law relating to collection agencies. (NRS 649.370) Because the Fair Debt Collection Practices Act applies to consumer debts owed by natural persons, it does not apply when a collection agency collects any debt owed by an entity. (15 U.S.C. §§ 1692 et seq.) Section 12 of this bill provides that a collection agency which violates the federal Fair Debt Collection Practices Act with respect to any debt owed to an association by a unit’s owner is deemed to violate existing state law relating to collection agencies.
THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:

“Costs of collecting” includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a notice of default and election to sell or notice of foreclosure sale or a rescission thereof, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association charges a unit’s owner for the investigation, enforcement or collection of a past due obligation. The term does not include any costs incurred by an association if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.

Sec. 2. NRS 116.003 is hereby amended to read as follows:

116.003 As used in this chapter and in the declaration and bylaws of an association, unless the context otherwise requires, the words and terms defined in NRS 116.005 to 116.095, inclusive, and section 1 of this act have the meanings ascribed to them in those sections.

Sec. 3. NRS 116.2111 is hereby amended to read as follows:

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit’s owner:

(a) May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community;

(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and

(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.

2. An association may not:

(a) Unreasonably restrict, prohibit or otherwise impede the lawful rights of a unit’s owner to have reasonable access to his or her unit.

(b) Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit’s owner or a tenant of a unit’s owner or for any visitor to the common-interest community or invitee of a unit’s owner or a tenant of a unit’s owner to enter the common-interest community.

(c) Unreasonably restrict, prohibit or withhold approval for a unit’s owner to add to a unit:
(1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;
(2) Additional locks to improve the security of the unit;
(3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit; or
(4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.
(d) With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.
(e) Prohibit or unreasonably restrict a unit’s owner from installing and using a clothesline within the boundaries of his or her unit.
3. Any improvement or alteration made pursuant to subsection 2 that is visible from any other portion of the common-interest community must be installed, constructed or added in accordance with the procedures set forth in the governing documents of the association and must be selected or designed to the maximum extent practicable to be compatible with the style of the common-interest community.
4. An association may not unreasonably restrict, prohibit or withhold approval for a unit’s owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:
(a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and
(b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.
5. If a unit’s owner adds shutters pursuant to subsection 4, the unit’s owner is responsible for the maintenance of the shutters.
6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:
(a) In existence on July 1, 2009; or
(b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.
7. A unit’s owner may not add to the unit a system that uses wind energy as described in subparagraph (4) of paragraph (c) of subsection 2 unless the unit’s owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.
Sec. 4. NRS 116.310312 is hereby amended to read as follows:
1. A person who holds a security interest in a unit must provide the association with the person’s contact information as soon as reasonably practicable, but not later than 30 days after the person:
   (a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or
   (b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit’s owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit’s owner refuses or fails to take any action or comply with any requirement imposed on the unit’s owner within the time specified by the association as a result of the hearing:
   (a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal.
   (b) Remove or abate a public nuisance on the exterior of the unit which:
       (1) Is visible from any common area of the community or public streets;
       (2) Threatens the health or safety of the residents of the common-interest community;
       (3) Results in blighting or deterioration of the unit or surrounding area; and
       (4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit’s owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit’s owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. [Except as otherwise provided in this subsection.] Subject to the limitations provided in NRS 116.3116, a lien described in subsection 4 is
prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee’s sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:
   (a) “Exterior of the unit” includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.
   (b) “Vacant” means a unit:
      (1) Which reasonably appears to be unoccupied;
      (2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents the association; and
      (3) On which the owner has failed to pay assessments for more than 60 days.

Sec. 5. NRS 116.310313 is hereby amended to read as follows:

116.310313 1. An association may not charge a unit’s owner reasonable fees to cover the costs of collecting any past due obligation unless:
   (a) The executive board proposes a collection policy which includes, without limitation:
      (1) The responsibility of the unit’s owner to pay an obligation in a timely manner;
      (2) The association’s rights concerning the collection of an obligation if the unit’s owner fails to pay the obligation in a timely manner; and
      (3) A list or schedule of the maximum amount of each fee, cost, charge or other amount which may be charged to a unit’s owner to cover the costs of collecting a past due obligation; and
   (b) The Commission shall adopt regulations establishing the amount of the fees that an association may charge pursuant to this section.
(b) Units’ owners constituting at least two-thirds a majority of the total number of voting members of the association must approve the collection policy proposed by the executive board.

2. Subject to the limitation set forth in subsection 3, if, pursuant to subsection 1, the association is authorized to charge a unit’s owner the costs of collecting a past due obligation, the rate established by the association for the costs of collecting the past due obligation:
   (a) May not exceed $50, if the outstanding balance is less than $200.
   (b) May not exceed $75, if the outstanding balance is $200 or more but is less than $500.
   (c) May not exceed $100, if the outstanding balance is $500 or more but is less than $1,000.
   (d) May not exceed $250, if the outstanding balance is $1,000 or more but is less than $5,000.
   (e) May not exceed $500, if the outstanding balance is $5,000 or more.

3. The rate established by the association for the costs of collecting a past due obligation must provide that, during any 24-month period, the association may not charge a unit’s owner the costs of collecting a past due obligation in an amount which exceeds $600 per unit.

4. An association may not transfer an account for the collection of a past due fine for a violation of the governing documents to any person other than an officer or employee of the association or the community manager. If an association transfers an account for the collection of a past due fine for a violation of the governing documents to the community manager of the association, the community manager may not transfer the account to any person other than an officer or employee of the community manager.

5. Each written attempt to collect from a unit’s owner a past due obligation which is more than 60 days past due in which the association or its authorized agent expresses an intent to engage in further collection activity if the unit’s owner fails to pay the total amount due must include:
   (a) A statement of the current amount due; and
   (b) A schedule of the amount of the fees, costs, charges or other amounts which may be charged to the unit’s owner if the unit’s owner fails to pay the total amount due.

For the purposes of this subsection, providing a standard monthly statement or a coupon book is not an attempt to collect a past due obligation.

6. The provisions of this section apply to any costs of collecting a past due obligation charged to a unit’s owner, regardless of whether the past due obligation is collected by the association itself or by any person acting on behalf of the association, including, without limitation, an officer or employee of the association, a community manager or a collection agency.

7. An association or a community manager may not charge a unit’s owner, or require a unit’s owner to pay, a fee of more than:
(a) Fifty dollars for transferring an account for the collection of a past due obligation to another person; and
(b) Twenty-five dollars for changing the name of the unit’s owner on the account for the collection of a past due obligation.

Sec. 8. As used in this section:

(a) “Costs of collecting” includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a lien or lien rescission, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association charges a unit’s owner for the investigation, enforcement or collection of a past due obligation. The term does not include any costs incurred by an association if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.

(b) “Obligation” means any assessment, fine, construction penalty, fee, charge or interest levied or imposed against a unit’s owner pursuant to any provision of this chapter or the governing documents.

(b) “Outstanding balance” means the amount of a past due obligation that remains unpaid before any interest, charges for late payment or costs of collecting the past due obligation are added.

Sec. 6. NRS 116.31085 is hereby amended to read as follows:

116.31085 1. Except as otherwise provided in this section, a unit’s owner may attend any meeting of the units’ owners or of the executive board and speak at any such meeting. The executive board may establish reasonable limitations on the time a unit’s owner may speak at such a meeting.

2. An executive board may not meet in executive session to open or consider bids for an association project as defined in NRS 116.31086, or to enter into, renew, modify, terminate or take any other action regarding a contract.

3. An executive board may meet in executive session only to:

(a) Consult with the attorney for the association on matters relating to proposed or pending litigation if the contents of the discussion would otherwise be governed by the privilege set forth in NRS 49.035 to 49.115, inclusive.

(b) Discuss the character, alleged misconduct, professional competence, or physical or mental health of a community manager or an employee of the association.

(c) Except as otherwise provided in subsection 4, discuss a violation of the governing documents, including, without limitation, the failure to pay an assessment.

(d) Discuss the alleged failure of a unit’s owner to adhere to a schedule required pursuant to NRS 116.310305 if the alleged failure may subject the unit’s owner to a construction penalty.

(e) Discuss an authorization to foreclose the association’s lien by sale pursuant to paragraph (b) of subsection 1 of NRS 116.31162. The vote of
each member of the executive board concerning whether to authorize the
foreclosure of the association’s lien by sale must be recorded in the
minutes of the meeting.

4. An executive board shall meet in executive session to hold a hearing
on an alleged violation of the governing documents unless the person who
may be sanctioned for the alleged violation requests in writing that an open
hearing be conducted by the executive board. If the person who may be
sanctioned for the alleged violation requests in writing that an open hearing
be conducted, the person:
(a) Is entitled to attend all portions of the hearing related to the alleged
violation, including, without limitation, the presentation of evidence and the
testimony of witnesses;
(b) Is entitled to due process, as set forth in the standards adopted by
regulation by the Commission, which must include, without limitation, the
right to counsel, the right to present witnesses and the right to present
information relating to any conflict of interest of any member of the hearing
panel; and
(c) Is not entitled to attend the deliberations of the executive board.

5. The provisions of subsection 4 establish the minimum protections that
the executive board must provide before it may make a decision. The
provisions of subsection 4 do not preempt any provisions of the governing
documents that provide greater protections.

6. Except as otherwise provided in this subsection, any matter discussed
by the executive board when it meets in executive session must be generally
noted in the minutes of the meeting of the executive board. The executive
board shall maintain minutes of any decision made pursuant to subsection 4
concerning an alleged violation and, upon request, provide a copy of the
decision to the person who was subject to being sanctioned at the hearing or
to the person’s designated representative.

7. Except as otherwise provided in subsection 4, a unit’s owner is not
entitled to attend or speak at a meeting of the executive board held in
executive session.

Sec. 7. NRS 116.31151 is hereby amended to read as follows:

116.31151 1. Except as otherwise provided in subsection 2 and unless
the declaration of a common-interest community imposes more stringent
standards, the executive board shall, not less than 30 days or more than 60
days before the beginning of the fiscal year of the association, prepare and
distribute to each unit’s owner a copy of:
(a) The budget for the daily operation of the association. The budget must
include, without limitation, the estimated annual revenue and expenditures of
the association and any contributions to be made to the reserve account of the
association.
(b) The budget to provide adequate funding for the reserves required by
paragraph (b) of subsection 2 of NRS 116.3115. The budget must include,
without limitation:
(1) The current estimated replacement cost, estimated remaining life and estimated useful life of each major component of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(2) As of the end of the fiscal year for which the budget is prepared, the current estimate of the amount of cash reserves that are necessary, and the current amount of accumulated cash reserves that are set aside, to repair, replace or restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(3) A statement as to whether the executive board has determined or anticipates that the levy of one or more special assessments will be necessary to repair, replace or restore any major component of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore or to provide adequate funding for the reserves designated for that purpose; and

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit’s owner a summary of those budgets, accompanied by a written notice that:

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties but not to exceed 60 miles from the physical location of the common-interest community; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall provide a summary of the proposed budget to each unit’s owner and shall set a date for a meeting of the units’ owners to consider ratification of the proposed budget not less than 14 days or more than 30 days after the mailing of the summaries. Unless at that meeting a majority of all units’ owners, or any larger vote specified in the declaration, reject the proposed budget, the proposed budget is ratified, whether or not a quorum is present. If the proposed budget is rejected, the periodic budget last ratified by the units’ owners must be continued until such time as the units’ owners ratify a subsequent budget proposed by the executive board.

4. The executive board shall, at the same time and in the same manner that the executive board makes the budget available to a unit’s owner pursuant to this section, make available to each unit’s owner the collection policy for the association concerning the collection of any fees.
finances, assessments or costs imposed against a unit’s owner pursuant to this chapter. The policy must include, without limitation:
(a) The responsibility of the unit’s owner to pay any such fees, fines, assessments or costs in a timely manner; and
(b) The association’s rights concerning the collection of such fees, fines, assessments or costs if the unit’s owner fails to pay the fees, fines, assessments or costs in a timely manner.

Sec. 8. NRS 116.3116 is hereby amended to read as follows:

116.3116  1. The association has a lien on a unit for any construction penalty that is imposed against the unit’s owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
(a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;
(b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and perfected before the date on which the assessment sought to be enforced became delinquent; and
(c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

3. The lien under this section is also prior to all security interests described in paragraph (b) of subsection 2 to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations or underwriting guidelines adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations or underwriting guidelines adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period [during which the lien is prior to all security interests]
4. The provisions of subsections 2 and 3 do not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

5. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

6. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

7. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

8. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.

9. A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

10. The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

11. In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.
(b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

Sec. 9. NRS 116.31162 is hereby amended to read as follows:

116.31162  1. Except as otherwise provided in subsections 4 and 5, and paragraph (a) of subsection 2 of NRS 116.31164, in a condominium, in a planned community, in a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, or in a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105 and the declaration provides that a lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the association may foreclose its lien by sale after all of the following occur:

(a) The association has mailed by certified or registered mail, return receipt requested, to the unit’s owner or his or her successor in interest, at his or her address, if known, and at the address of the unit, a notice of delinquent assessment which states the amount of the assessments and other sums which are due in accordance with subsection 1 of NRS 116.3116, a description of the unit against which the lien is imposed and the name of the record owner of the unit.

(b) Before the association records the notice of default and election to sell in the manner required by paragraph (c), the executive board authorizes the foreclosure of the association’s lien by sale by a majority vote of the members of the executive board which is recorded in the minutes of the meeting at which such action is taken. (Except as otherwise provided in this paragraph, if the lien is imposed against a unit which is occupied by the unit’s owner, not later than 20 days before the meeting, the association must provide to the unit’s owner or his or her successor in interest by personal delivery notice that the executive board will determine whether to authorize the foreclosure of the association’s lien by sale of the unit. If the lien is imposed against a unit which is not occupied by the unit’s owner, the association may provide the notice by first class mail to the last known mailing address of the unit’s owner.)

(c) Not less than 30 days after mailing the notice of delinquent assessment pursuant to paragraph (a), the association or other person conducting the sale has executed and caused to be recorded, with the county recorder of the county in which the common-interest community or any part of it is situated, a notice of default and election to sell the unit to satisfy the lien which must contain the same information as the notice of delinquent assessment and which must also comply with the following:

(1) Describe the deficiency in payment.

(2) State the name and address of the person authorized by the association to enforce the lien by sale.
(3) Contain, in 14-point bold type, the following warning:

WARNING! IF YOU FAIL TO PAY THE AMOUNT SPECIFIED IN THIS NOTICE, YOU COULD LOSE YOUR HOME, EVEN IF THE AMOUNT IS IN DISPUTE!

\( (d) \) The unit’s owner or his or her successor in interest has failed to pay the amount of the lien, including costs, fees and expenses incident to its enforcement, for 90 days following the recording of the notice of default and election to sell.

2. The notice of default and election to sell must be signed by the person designated in the declaration or by the association for that purpose or, if no one is designated, by the president of the association.

3. The period of 90 days begins on the first day following:
   (a) The date on which the notice of default is recorded; or
   (b) The date on which a copy of the notice of default is mailed by certified or registered mail, return receipt requested, to the unit’s owner or his or her successor in interest at his or her address, if known, and at the address of the unit,
   whichever date occurs later.

4. The association may not foreclose a lien by sale based on a fine or penalty for a violation of the governing documents of the association unless:
   (a) The violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community; or
   (b) The penalty is imposed for failure to adhere to a schedule required pursuant to NRS 116.310305.

5. The association may not foreclose a lien by sale based on a delinquent assessment unless the amount of the delinquent assessment, excluding acceleration and any interest, charges for late payment or costs of collecting the assessment:
   (a) Is more than $1,800; or
   (b) Is equal to or greater than the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which became due during the 12 months immediately preceding institution of the foreclosure.

Sec. 10. NRS 116.31164 is hereby amended to read as follows:

116.31164 1. The sale must be conducted in the county in which the common-interest community or part of it is situated, and may be conducted by the association, its agent or attorney, or a title insurance company or escrow agent licensed to do business in this State, except that the sale may be made at the office of the association if the notice of the sale so provided, whether the unit is located within the same county as the office of the association or not. The association or other person conducting the sale may from time to time postpone the sale by such advertisement and notice as it considers reasonable or, without further advertisement or notice, by.
proclamation made to the persons assembled at the time and place previously
set and advertised for the sale.

2. If the sale does not occur within 120 days after the date on which a
 copy of the notice of default and election to sell was personally delivered or
 mailed to the unit's owner or his or her successor in interest in the manner
 required by paragraph (b) of subsection 1 of NRS 116.31162, the
 association and any person acting on behalf of the association may not
 (a) Foreclose the association's lien by sale; or
 (b) Charge to, or collect from, the unit's owner or his or her successor
 in interest any costs of collecting the past due obligation to which the
 notice of default relates unless the unit's owner or his or her successor in
 interest has agreed to a payment plan which includes the payment, in
 whole or in part, of the costs of collecting the past due obligation.

3. On the day of sale originally advertised or to which the sale is
 postponed, at the time and place specified in the notice or postponement, the
 person conducting the sale may sell the unit at public auction to the highest
 cash bidder. Unless otherwise provided in the declaration or by agreement,
 the association may purchase the unit and hold, lease, mortgage or convey it.
 The association may purchase by a credit bid up to the amount of the unpaid
 assessments and any permitted costs, fees and expenses incident to the
 enforcement of its lien.

3. After the sale, the person conducting the sale shall:

 his or her successor or assign, a deed without warranty which conveys to the
 grantee all title of the unit's owner to the
 unit;

 deed is delivered to the purchaser, or his or her successor or assign; and
 (c) Apply the proceeds of the sale for the following purposes in the
 following order:

 (2) The reasonable expenses of securing possession before sale, holding,
 maintaining, and preparing the unit for sale, including payment of
 taxes and other governmental charges, premiums on hazard and liability
 insurance, and, to the extent provided for by the declaration, reasonable
 attorney’s fees and other legal expenses incurred by the association;
 (3) Satisfaction of the association’s lien;
 (4) Satisfaction in the order of priority of any subordinate claim of
 record; and
 (5) Remittance of any excess to the unit’s owner. [Deleted by
 amendment.]

Sec. 11. NRS 116.4109 is hereby amended to read as follows:

116.4109 1. Except in the case of a sale in which delivery of a public
 offering statement is required, or unless exempt under subsection 2 of
 NRS 116.4101, a unit's owner or his or her authorized agent shall, at the
expense of the unit’s owner, furnish to a purchaser a resale package containing all of the following:

(a) A copy of the declaration, other than any plats, the bylaws, the rules or regulations of the association and the information statement required by NRS 116.41095;

(b) A statement setting forth the amount of the monthly assessment for common expenses and any unpaid assessment of any kind currently due from the selling unit’s owner;

(c) A copy of the current operating budget of the association and current year-to-date financial statement for the association, which must include a summary of the reserves of the association required by NRS 116.31152 and which must include, without limitation, a summary of the information described in paragraphs (a) to (e), inclusive, of subsection 3 of NRS 116.31152;

(d) A statement of any unsatisfied judgments or pending legal actions against the association and the status of any pending legal actions relating to the common-interest community of which the unit’s owner has actual knowledge;

(e) A statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit; and

(f) In addition to any other document, a statement describing all current and expected fees or charges for each unit, including, without limitation, association fees, fines, assessments, late charges or penalties, interest rates on delinquent assessments, additional costs for collecting past due fines and charges for opening or closing any file for each unit.

2. The purchaser may, by written notice, cancel the contract of purchase until midnight of the fifth calendar day following the date of receipt of the resale package described in subsection 1, and the contract for purchase must contain a provision to that effect. If the purchaser elects to cancel a contract pursuant to this subsection, the purchaser must hand deliver the notice of cancellation to the unit’s owner or his or her authorized agent or mail the notice of cancellation by prepaid United States mail to the unit’s owner or his or her authorized agent. Cancellation is without penalty, and all payments made by the purchaser before cancellation must be refunded promptly. If the purchaser has accepted a conveyance of the unit, the purchaser is not entitled to:

(a) Cancel the contract pursuant to this subsection; or

(b) Damages, rescission or other relief based solely on the ground that the unit’s owner or his or her authorized agent failed to furnish the resale package, or any portion thereof, as required by this section.

3. Within 10 days after receipt of a written request by a unit’s owner or his or her authorized agent, the association shall furnish all of the following to the unit’s owner or his or her authorized agent for inclusion in the resale package:
(a) Copies of the documents required pursuant to paragraphs (a) and (c) of subsection 1; and

4. If the association furnishes the documents and certificate pursuant to subsection 3:

(a) The unit’s owner or his or her authorized agent shall include the documents and certificate in the resale package provided to the purchaser, and neither the unit’s owner nor his or her authorized agent is liable to the purchaser for any erroneous information provided by the association and included in the documents and certificate.

(b) The association may charge the unit’s owner a reasonable fee to cover the cost of preparing the certificate furnished pursuant to subsection 3. Such a fee must be based on the actual cost the association incurs to fulfill the requirements of this section in preparing the certificate. The Commission shall adopt regulations establishing the maximum amount of the fee that an association may charge for preparing the certificate.

(c) The association may charge the unit’s owner a reasonable fee, not to exceed 25 cents per page, to cover the cost of copying the other documents furnished pursuant to subsection 3.

(d) Except for the fees allowed pursuant to paragraphs (b) and (c), the association may not charge the unit's owner any other fees for preparing or furnishing the documents and certificate pursuant to subsection 3.

5. Neither a purchaser nor the purchaser’s interest in a unit is liable for any unpaid assessment or fee greater than the amount set forth in the documents and certificate prepared by the association. If the association fails to furnish the documents and certificate within the 10 days allowed by this section, the seller is not liable for the delinquent assessment.

6. Upon the request of a unit’s owner or his or her authorized agent, or upon the request of a purchaser to whom the unit’s owner has provided a resale package pursuant to this section or his or her authorized agent, the association shall make the entire study of the reserves of the association which is required by NRS 116.31152 reasonably available for the unit’s owner, purchaser or authorized agent to inspect, examine, photocopy and audit. The study must be made available at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties.

7. An association or a community manager may not charge a unit’s owner, and may not require a unit’s owner to pay, a fee of more than $50 to cover the cost of recording in the books and records of the association or community manager the transfer of the ownership of the unit.

Sec. 12. NRS 649.370 is hereby amended to read as follows:

2. Even if a claim is not governed by the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., a violation of any provision of that Act, or any regulation adopted pursuant thereto, with respect to collecting or attempting to collect a claim owed to a unit-owners’ association by a unit’s owner shall be deemed to be a violation of this chapter.

Sec. 13. The amendatory provisions of [sections] section 9 [and 10] of this act apply only if a notice of default and election to sell is recorded pursuant to NRS 116.31162 on or after July 1, 2011.

Bill read third time.

The following amendment was proposed by the Committee on Judiciary:

Amendment No. 375.

AN ACT relating to liens; requiring certain owners and lessees to obtain the services of an escrow agency and to establish trust accounts for amounts withheld from payment to contractors and subcontractors; requiring those owners and lessees to record a notice of establishment of a trust account and a verification of compliance under certain circumstances; establishing requirements for administering such trust accounts; providing that a lien claimant has a lien against such retention amounts and trust accounts under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, contractors and subcontractors who provide work, material or equipment for the construction, alteration or repair of property or improvements to property have a lien against the property, improvements and certain disbursement accounts for a certain amount related to that work, material or equipment. (NRS 108.222) Section 7.5 of this bill establishes certain limitations and requirements with respect to retention amounts, which are certain amounts withheld from payment to contractors and subcontractors until the work is completed or materials or equipment are furnished. Section 8 of this bill requires certain owners and lessees for certain contracts for construction to establish trust accounts for retention amounts, which are certain amounts withheld from payment to contractors and subcontractors until the work is completed or the materials or equipment are furnished. Specifically, section 8 requires those owners and lessees to obtain the services of an escrow agency and record a notice of establishment of a trust account if: (1) the total price or estimated budget of the contract is $1,000,000 or more; and (2) the owner or lessee is authorized by the contract
to withhold a retention amount. [Section] Sections 7.5 and 9 of this bill establish requirements for the retention amounts, including making clear that retention amounts remain the separate property of the prime contractor and lower-tiered subcontractors from whom they are withheld.

Section 10 of this bill further requires, with certain exceptions, an owner or lessee who withholds a retention amount to immediately cause the withheld amount to be deposited in a trust account. If the lessee, pursuant to existing law, establishes a construction disbursement account which funds the account in an amount equal to the total cost of the work of improvement, section 10 requires the retention amount to be transferred from the construction distribution account to the trust account. Section 10 also provides that, under certain circumstances, for a rebuttable presumption that an owner, lessee, contractor or escrow agency has a claim against the retention amount if the contractor or subcontractor with whom the person contracted does not perform or complete the work required by the contract, breached its fiduciary duties with respect to a retention amount if the owner, lessee or escrow agency uses the retention amount in violation of the provisions of this bill.

Section 10 of this bill provides the manner in which retention amounts are paid from an owner or lessee to a prime contractor, and from the prime contractor to his or her lower-tiered subcontractors. Section 10 also authorizes the stoppage of work on, or the termination of a contract for, the construction, alteration or repair of an improvement or work of improvement under certain circumstances. Section 10 additionally requires an owner, lessee or escrow agency to execute and have recorded a verification of compliance as to the disposition of retention amounts.

Section 11 of this bill establishes the requirements for administering such trust accounts, including, without limitation, the requirements for keeping records and the procedures for an accounting of such trust accounts. [Section] Section 11 further provides that an escrow agency and its bond are liable for certain resulting damages if the escrow agency fails to comply with those requirements.

Section 14 of this bill provides, with certain exceptions, that contractors or subcontractors who provide work, material or equipment for the construction, alteration or repair of property or improvements to property have a lien against such retention amounts and trust accounts in addition to having a lien against the property and improvements and any construction disbursement account that has been established.

Under existing law, certain persons, including, without limitation, certain financial institutions, attorneys rendering services in the performance of their duties as attorneys, and any person doing any act under order of any court, are exempt from the provisions governing escrow agencies and agents. (NRS 645A.015) Section 22 of this bill provides that those persons are not
exempt from the provisions governing escrow agencies and agents if they are administering certain trust accounts established for retention amounts.

Recently, the Nevada Supreme Court, discussing NRS 108.22112, 108.22184 and 108.225, held that: (1) pursuant to NRS 108.225, “commencement of construction,” as defined in existing law, is required for lien priority; (2) the definition of “commencement of construction” plainly requires visibility of on-site work in order for a mechanic’s lien to take a priority position over a deed of trust; (3) the visible work performed by a contractor who had provided numerous preconstruction services amounted to the placement of a business sign and the removal of power lines; and (4) such preparatory work performed did not constitute “commencement of construction” and, thus, the contractor’s mechanic’s lien was junior to a bank’s deed of trust. (J.E. Dunn NW., Inc. v. Corus Constr. Venture, LLC, 127 Nev. Adv. Op. 5 (Mar. 3, 2011))

Sections 5.5, 7.3, 7.4, 12.5 and 13.5 of this bill change the existing law upon which the conclusion of the Court in Dunn was based, making it such that the visibility of a much wider variety of activities and items is sufficient for a mechanic’s lien to take a priority lien position.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Amendment adopted.

Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 419.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 176.

AN ACT relating to water; requiring the State Engineer to designate certain groundwater basins as critical management areas; [4] in certain circumstances; requiring the State Engineer to take certain actions in such a basin unless a groundwater management plan has been approved for the basin; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the State Engineer has various powers and duties with respect to regulating the groundwater in this State. (Chapter 534 of NRS) Section 3 of this bill requires the State Engineer to designate as a critical management area any basin in which withdrawals of groundwater exceed the perennial yield of the basin, [4] upon the petition of a majority of the holders of certificates or permits to appropriate water in the basin that are on file in the Office of the State Engineer. If a basin is
so designated for at least 10 consecutive years, section 3 requires the State
Engineer to order that withdrawals of groundwater be restricted in the basin
to conform to priority rights, unless a groundwater management plan has
been approved for the basin. Section 1 of this bill prescribes the procedure
for the proposal, approval and revision of such a plan. Section 2 of this bill
includes the existence of a groundwater management plan in a basin as a
consideration for the State Engineer in determining whether to grant a
request for an extension of the time necessary to work a forfeiture of water in
such a basin.

Section 1. Chapter 534 of NRS is hereby amended by adding thereto a
new section to read as follows:

1. In a basin that has been designated as a critical management area
by the State Engineer pursuant to subsection 7 of NRS 534.110, a petition
for the approval of a groundwater management plan for the basin may be
submitted to the State Engineer. The petition must be signed by a majority
of the holders of permits or certificates to appropriate water in the basin that are on file in the Office of the State
Engineer and must be accompanied by a groundwater
management plan which must set forth the necessary steps for removal of
the basin’s designation as a critical management area.

2. In determining whether to approve a groundwater management plan
submitted pursuant to subsection 1, the State Engineer shall consider,
without limitation:

(a) The hydrology of the basin;
(b) The physical characteristics of the basin;
(c) The relationship between surface water and groundwater in the
basin;
(d) The geographic spacing and location of the withdrawals of
groundwater in the basin;
(e) The quality of the water in the basin;
(f) The wells located in the basin including, without limitation,
domestic wells;
(g) Whether a groundwater management plan already exists for the
basin; and
(h) Any other factor deemed relevant by the State Engineer.

3. Before approving or disapproving a groundwater management plan
submitted pursuant to subsection 1, the State Engineer shall hold a public
hearing to take testimony on the plan in the county where the basin lies or,
if the basin lies in more than one county, within the county where the
major portion of the basin lies. The State Engineer shall cause notice of
the hearing to be...
(a) Given once each week for 2 consecutive weeks before the hearing in a newspaper of general circulation in the county or counties in which the basin lies.

(b) Posted on the Internet website of the State Engineer for at least 2 consecutive weeks immediately preceding the date of the hearing.

4. The decision of the State Engineer on a groundwater management plan may be reviewed by the district court of the county pursuant to NRS 533.450.

5. An amendment to a groundwater management plan must be proposed and approved in the same manner as an original groundwater management plan is proposed and approved pursuant to this section.

Sec. 2. NRS 534.090 is hereby amended to read as follows:

534.090 1. Except as otherwise provided in this section, failure for 5 successive years after April 15, 1967, on the part of the holder of any right, whether it is an adjudicated right, an unadjudicated right or a permitted right, and further whether the right is initiated after or before March 25, 1939, to use beneficially all or any part of the underground water for the purpose for which the right is acquired or claimed, works a forfeiture of both undetermined rights and determined rights to the use of that water to the extent of the nonuse. If the records of the State Engineer or any other documents specified by the State Engineer indicate at least 4 consecutive years, but less than 5 consecutive years, of nonuse of all or any part of a water right which is governed by this chapter, the State Engineer shall notify the owner of the water right, as determined in the records of the Office of the State Engineer, by registered or certified mail that the owner has 1 year after the date of the notice in which to use the water right beneficially and to provide proof of such use to the State Engineer or apply for relief pursuant to subsection 2 to avoid forfeiting the water right. If, after 1 year after the date of the notice, proof of beneficial use is not sent to the State Engineer, the State Engineer shall, unless the State Engineer has granted a request to extend the time necessary to work a forfeiture of the water right, declare the right forfeited within 30 days. Upon the forfeiture of a right to the use of groundwater, the water reverts to the public and is available for further appropriation, subject to existing rights. If, upon notice by registered or certified mail to the owner of record whose right has been declared forfeited, the owner of record fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the forfeiture becomes final. The failure to receive a notice pursuant to this subsection does not nullify the forfeiture or extend the time necessary to work the forfeiture of a water right.

2. The State Engineer may, upon the request of the holder of any right described in subsection 1, extend the time necessary to work a forfeiture under that subsection if the request is made before the expiration of the time necessary to work a forfeiture. The State Engineer may grant, upon request and for good cause shown, any number of extensions, but a single extension
must not exceed 1 year. In determining whether to grant or deny a request, the State Engineer shall, among other reasons, consider:

(a) Whether the holder has shown good cause for the holder’s failure to use all or any part of the water beneficially for the purpose for which the holder’s right is acquired or claimed;

(b) The unavailability of water to put to a beneficial use which is beyond the control of the holder;

(c) Any economic conditions or natural disasters which made the holder unable to put the water to that use;

(d) Any prolonged period in which precipitation in the basin where the water right is located is below the average for that basin or in which indexes that measure soil moisture show that a deficit in soil moisture has occurred in that basin;

(e) Whether a groundwater management plan has been approved for the basin pursuant to section 1 of this act; and

(f) Whether the holder has demonstrated efficient ways of using the water for agricultural purposes, such as center-pivot irrigation.

The State Engineer shall notify, by registered or certified mail, the owner of the water right, as determined in the records of the Office of the State Engineer, of whether the State Engineer has granted or denied the holder’s request for an extension pursuant to this subsection.

3. If the failure to use the water pursuant to subsection 1 is because of the use of center-pivot irrigation before July 1, 1983, and such use could result in a forfeiture of a portion of a right, the State Engineer shall, by registered or certified mail, send to the owner of record a notice of intent to declare a forfeiture. The notice must provide that the owner has at least 1 year after the date of the notice to use the water beneficially or apply for additional relief pursuant to subsection 2 before forfeiture of the owner’s right is declared by the State Engineer.

4. A right to use underground water whether it is vested or otherwise may be lost by abandonment. If the State Engineer, in investigating a groundwater source, upon which there has been a prior right, for the purpose of acting upon an application to appropriate water from the same source, is of the belief from his or her examination that an abandonment has taken place, the State Engineer shall so state in the ruling approving the application. If, upon notice by registered or certified mail to the owner of record who had the prior right, the owner of record of the prior right fails to appeal the ruling in the manner provided for in NRS 533.450, and within the time provided for therein, the alleged abandonment declaration as set forth by the State Engineer becomes final.

Sec. 3. NRS 534.110 is hereby amended to read as follows:

534.110 1. The State Engineer shall administer this chapter and shall prescribe all necessary regulations within the terms of this chapter for its administration.

2. The State Engineer may:
(a) Require periodical statements of water elevations, water used, and acreage on which water was used from all holders of permits and claimants of vested rights.
(b) Upon his or her own initiation, conduct pumping tests to determine if overpumping is indicated, to determine the specific yield of the aquifers and to determine permeability characteristics.

3. The State Engineer shall determine whether there is unappropriated water in the area affected and may issue permits only if the determination is affirmative. The State Engineer may require each applicant to whom a permit is issued for a well:
   (a) For municipal, quasi-municipal or industrial use; and
   (b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,
   to report periodically to the State Engineer concerning the effect of that well on other previously existing wells that are located within 2,500 feet of the well.

4. It is a condition of each appropriation of groundwater acquired under this chapter that the right of the appropriator relates to a specific quantity of water and that the right must allow for a reasonable lowering of the static water level at the appropriator’s point of diversion. In determining a reasonable lowering of the static water level in a particular area, the State Engineer shall consider the economics of pumping water for the general type of crops growing and may also consider the effect of using water on the economy of the area in general.

5. This section does not prevent the granting of permits to applicants later in time on the ground that the diversions under the proposed later appropriations may cause the water level to be lowered at the point of diversion of a prior appropriator, so long as any protectable interests in existing domestic wells as set forth in NRS 533.024 and the rights of holders of existing appropriations can be satisfied under such express conditions. At the time a permit is granted for a well:
   (a) For municipal, quasi-municipal or industrial use; and
   (b) Whose reasonably expected rate of diversion is one-half cubic foot per second or more,
   the State Engineer shall include as a condition of the permit that pumping water pursuant to the permit may be limited or prohibited to prevent any unreasonable adverse effects on an existing domestic well located within 2,500 feet of the well, unless the holder of the permit and the owner of the domestic well have agreed to alternative measures that mitigate those adverse effects.

6. Except as otherwise provided in subsection 7, the State Engineer shall conduct investigations in any basin or portion thereof where it appears that the average annual replenishment to the groundwater supply may not be adequate for the needs of all permittees and all vested-right claimants, and if the findings of the State Engineer so indicate, the State
Engineer may order that withdrawals, including, without limitation, withdrawals from domestic wells, be restricted to conform to priority rights.

7. The State Engineer shall:
   (a) May designate as a critical management area any basin in which withdrawals of groundwater consistently exceed the perennial yield of the basin, for a critical management area. Such designation of a basin as a critical management area pursuant to this subsection may be appealed pursuant to NRS 533.450. If a basin has been designated as a critical management area for at least 10 consecutive years, the State Engineer shall order that withdrawals, including, without limitation, withdrawals from domestic wells, be restricted in that basin to conform to priority rights, unless a groundwater management plan has been approved for the basin pursuant to section 1 of this act.

8. In any basin or portion thereof in the State designated by the State Engineer, the State Engineer may restrict drilling of wells in any portion thereof if the State Engineer determines that additional wells would cause an undue interference with existing wells. Any order or decision of the State Engineer so restricting drilling of such wells may be reviewed by the district court of the county pursuant to NRS 533.450.

9. As used in this section, “perennial yield” means the amount of usable water from a groundwater aquifer that can be economically withdrawn and consumed each year for an indefinite period of time, which cannot exceed the natural recharge to that aquifer and is limited to the maximum amount of discharge that can be utilized for beneficial use.

Sec. 4. This act becomes effective on July 1, 2011.

Amendment No. 530.

SUMMARY—Provides specific authority for public bodies to lease water rights to certain owners or holders of water rights; revises provisions relating to water. (BDR 48-681)

AN ACT relating to water; providing specific authority for public bodies to lease water rights to certain owners or holders of water rights; revising
provisions relating to the Program for the Management of Groundwater in the Las Vegas Valley Groundwater Basin; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

[This] Section 1 of this bill specifically authorizes a public body to lease a water right owned by the public body to an owner or holder of a water right who, as determined by the State Engineer, is exceeding the amount of water to which the owner or holder is entitled.

The Advisory Committee for the Management of Groundwater in the Las Vegas Valley Groundwater Basin is created in existing law to advise the Southern Nevada Water Authority concerning the Program for the Management of Groundwater in the Las Vegas Valley Groundwater Basin. (Sections 8, 9 and 12 of chapter 572, Statutes of Nevada 1997, p. 2799) Section 3 of this bill increases the term of an appointed member of the Advisory Committee from 2 years to 4 years. Section 4 of this bill revises the frequency of the meetings of the Advisory Committee from quarterly to annually. Section 5 of this bill revises the frequency of and responsibility for preparation of reports concerning the Program.

Under existing law, the Southern Nevada Water Authority is authorized to establish a program under which it may enter into an agreement with a property owner in the Basin for the abandonment or plugging of a well on the owner’s property or the connection of the property to a public water system. (Section 14.3 of chapter 468, Statutes of Nevada 1999, p. 2386) Section 6 of this bill makes the mandatory provisions in existing law for such an agreement discretionary and authorizes the inclusion of other provisions in such an agreement that are reasonably necessary to carry out the purposes and intent of the program.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 533 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A public body may lease a water right owned by the public body to an owner or holder of a water right who, as determined by the State Engineer, is exceeding the amount of water to which the owner or holder is entitled.

2. As used in this section, “public body” means the State or a county, city, town, school district or any public agency of this State or its political subdivisions. The term includes, without limitation, a water district organized pursuant to a special act of the Legislature or a water authority organized as a political subdivision created by a cooperative agreement or created by a special act of the Legislature.

Sec. 2. NRS 533.550 is hereby amended to read as follows:
533.550  1. Notwithstanding any other provision of law and except as otherwise provided in section 1 of this act, a public body shall not sell or lease for a term of more than 5 years a water right owned by the public body unless the public body, after holding at least one public hearing at which public comment was solicited, has issued written findings that:

(a) The sale or lease of the water right is consistent with the prudent, long-term management of the water resources within the jurisdiction of the public body;

(b) The sale or lease of the water right will not deprive residents and businesses within the jurisdiction of the public body of reasonable access to water resources for growth and development;

(c) The sale or lease of the water right is a reasonable means of promoting development and use of the water right; and

(d) The means by which the water right is sold or leased reasonably ensures that the public body will receive the actual value of the water right or comparable economic benefits.

2. As used in this section, “public body” means the State or a county, city, town, school district or any public agency of this State or its political subdivisions. The term does not include a water district organized pursuant to a special act of the Legislature or a water authority organized as a political subdivision created by a cooperative agreement or created by a special act of the Legislature.

Sec. 3. Section 8 of the Southern Nevada Water Authority Act, being chapter 572, Statutes of Nevada 1997, at page 2800, is hereby amended to read as follows:

2. Members of the Advisory Committee serve without compensation, except that while engaged in the business of the Advisory Committee, each member is entitled to the per diem allowance and travel expenses provided for state officers and employees generally, to be paid by the Southern Nevada Water Authority.

3. After the initial term, the term of each appointed member is 4 years. Members may be reappointed. At the expiration of the term of a member, or if a member resigns or is otherwise unable to complete his or her term, the Board of Directors shall, not later than 90 days after the vacancy occurs, appoint a person pursuant to subsection 4 to fill the vacancy.

2. On or before December 31 of each even-numbered year, the Southern Nevada Water Authority and the Advisory Committee shall prepare a joint report and submit the report to the Director of the Legislative Counsel Bureau for transmittal to the Nevada Legislature. The joint report must include, without limitation:
1. A summary of all of the activities, studies and research conducted on behalf of the Management Program during the previous 2 calendar years;

   (b) Provide that all money to be repaid to the Southern Nevada Water Authority pursuant to the agreement be due and payable upon the sale or other transfer of the real property;
   (c) Be secured by a lien upon the real property;
   (d) Be acknowledged and recorded in the same manner as conveyances affecting real property are required to be acknowledged and recorded pursuant to chapter 111 of NRS; and

An act relating to taxation; providing a deduction from the payroll tax for wages paid to newly hired full-time employees under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires employers to pay a payroll tax on the wages paid to their respective employees during each calendar quarter. The tax is imposed on financial institutions at the rate of 2 percent per calendar quarter and on other employers at the rate of 0.63 percent per calendar quarter. (NRS 363A.130, 363B.110) Sections 1 and 2 of this bill authorize financial institutions and other employers, respectively, to deduct from the total amount of wages reported and upon which the payroll tax is imposed all wages paid to a newly hired full-time employee during the first 4 full calendar quarters next following the hiring of the employee, and 50 percent of all wages paid to the employee during the fifth through eighth full calendar quarters next following the hiring of the employee if, at the time of hiring, the employee has been unemployed for a continuous period of not less than 60 days and certain other conditions are satisfied.

The People of the State of Nevada, represented in Senate and Assembly, do enact as follows:

Section 1. Chapter 363A of NRS is hereby amended by adding thereto a new section to read as follows:

(c) The employee is employed in a full-time position throughout the entire calendar quarter for which the deduction is claimed;
(d) The total number of employees employed by the employer on the last day of the calendar quarter for which the deduction is claimed exceeds the total number of employees employed by the employer on the last day of the corresponding calendar quarter of the immediately preceding calendar year; and
(e) The total number of hours worked by all employees employed by the employer during the calendar quarter for which the deduction is claimed exceeds the total number of hours worked by all employees employed by the employer during the corresponding calendar quarter of the immediately preceding calendar year.

2. The total amount of wages with respect to which an employer may, pursuant to subsection 1, claim a deduction from the excise tax imposed pursuant to NRS 363A.130 must not, under any circumstances, exceed the amount by which the total wages paid by the employer to all employees during the calendar quarter for which the deduction is claimed exceed the total wages paid by the employer to all employees during the corresponding calendar quarter of the immediately preceding calendar year.

3. An employer claiming the deduction allowed pursuant to this section shall, upon the request of the Department, explain the amount claimed to the satisfaction of the Department and provide the Department with such documentation as the Department deems appropriate for that purpose.

Sec. 2. Chapter 363B of NRS is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in subsection 2, an employer may deduct from the total amount of wages reported and upon which the excise tax is imposed pursuant to NRS 363B.110 all wages paid by the employer to an employee during the first 4 full calendar quarters next following the hiring of the employee, and 50 percent of all wages paid by the employer to the employee during the fifth through eighth full calendar quarters next following the hiring of the employee, if:

(c) The employee is employed in a full-time position throughout the entire calendar quarter for which the deduction is claimed;
(d) The total number of employees employed by the employer on the last day of the calendar quarter for which the deduction is claimed exceeds the total number of employees employed by the employer on the last day of the
corresponding calendar quarter of the immediately preceding calendar year; and

e) The total number of hours worked by all employees employed by the employer during the calendar quarter for which the deduction is claimed exceeds the total number of hours worked by all employees employed by the employer during the corresponding calendar quarter of the immediately preceding calendar year.

2. The total amount of wages with respect to which an employer may, pursuant to subsection 1, claim a deduction from the excise tax imposed pursuant to NRS 363B.110 must not, under any circumstances, exceed the amount by which the total wages paid by the employer to all employees during the calendar quarter for which the deduction is claimed exceed the total wages paid by the employer to all employees during the corresponding calendar quarter of the immediately preceding calendar year.

Legislative Counsel’s Digest:

Section 1 of this bill provides for the issuance of orders to cease and desist by the Administrator of the Real Estate Division of the Department of Business and Industry under certain circumstances. Existing law prohibits an association of a common-interest community from unreasonably restricting, prohibiting or otherwise impeding the right of a unit’s owner to have access to his or her unit. (NRS 116.2111) Section 2 of this bill prohibits the association from restricting, prohibiting or otherwise impeding the access to any unit of the parents and children of the unit’s owner. Section 2 also prohibits the association from: (1) charging a fee to a unit’s owner for obtaining permission to change the exterior appearance of a unit or the landscaping; and (2) restricting in a manner which violates certain federal regulations the installation, maintenance or use of an antenna or other device for receiving certain broadcast signals.

Section 3 of this bill requires an association to provide certain notice at least 48 hours before directing the removal of a vehicle which is improperly parked on property owned or leased by the association unless the vehicle is blocking a fire hydrant, fire lane or handicapped parking space or poses a threat to the health, safety and welfare of residents. Section 4 of this bill provides for an emergency election to fill certain vacancies on the executive board if the executive board is unable to obtain a quorum because of such vacancies and requires the Division to apply for the appointment of a receiver for the association if the units’ owners are unable to fill such vacancies. Section 4 also: (1) requires the association to make available to members of the executive board, at no charge, certain books, records and papers; and (2) requires the executive board to notify the
Existing law authorizes an association to impose a construction penalty against a unit’s owner who fails to adhere to a schedule. (NRS 116.310305) **Section 5** of this bill prohibits the imposition of a construction penalty if the failure to adhere to the schedule is caused by circumstances beyond the control of the unit’s owner.

Existing law authorizes an association to prohibit a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant from using the common elements as a sanction for a violation of the governing documents. (NRS 116.31031) **Section 6** of this bill provides that the association may prohibit only the use of a common element to which the violation relates, unless the violation is failure to pay an assessment. **Section 6** of this bill revises provisions relating to fines for violations of the governing documents by: (1) providing a lifetime cap of $2,500 on the amount of fines which may be imposed on a unit’s owner and his or her spouse; (2) prohibiting an association from imposing a fine if another association has imposed a fine for the same conduct; (2) authorizing the postponement of a hearing on a violation for medical reasons; and (3) requiring a hearing before the imposition of a fine for a continuing violation. **Section 6** also provides that the Real Estate Division of the Department of Business and Industry a claim or affidavit concerning the imposition of the fine.

Existing law authorizes, but does not require, an association to enter the grounds of a unit to maintain the exterior of the unit under certain circumstances. (NRS 116.310312) **Section 7** of this bill provides that this authorization expires if the unit’s owner or the agent of the unit’s owner performs the maintenance necessary for the unit to meet the community standards. **Section 8** of this bill limits the type of collection fees which an association may charge to a unit’s owner and establishes a cap on the amount of such fees which is based on the amount of the outstanding balance.

**Section 9** of this bill requires a member of the executive board to complete 2 hours of education concerning the duties of members of an executive board each year. **Section 9** also provides that unless the governing documents provide otherwise, officers of the association are required to be units’ owners; and (2) a person who resides with, or is related within the first degree of consanguinity to, an officer of the association or member of the executive board may not become an officer of the association or a member of the executive board.

**Section 11** of this bill revises various provisions relating to meetings of the units’ owners by: (1) authorizing a unit’s owner to request that an item be included on the agenda for the meeting; (2) authorizing a guest of a unit’s...
owner to attend the meeting, and (3) authorizing a unit’s owner to record the meeting on videotape as well as audiotape.

Section 12 of this bill revises various provisions relating to meetings of the executive board by: (1) requiring the meetings which are held at a time other than standard business hours to start no earlier than 6 p.m.; (2) requiring the agenda to be available not later than 5 days before the meeting; (3) requiring a copy of certain financial information required to be reviewed at an executive board meeting to be made available at no charge to each person present at the meeting and to be provided in electronic format at no charge to a unit’s owner who requests the information; and (4) providing that a page limit on materials, remarks or other information to be included in the minutes of the meeting must not be less than two double-sided pages.

Section 14 of this bill requires bids for the provision of durable goods to the association to be opened during a meeting of the executive board.

Existing law requires an executive board which receives a complaint from a unit’s owner alleging that the executive board has violated existing law or the governing documents to place the subject of the complaint on the agenda for its next meeting if the unit’s owner requests that action. (NRS 116.31087) Section 15 of this bill requires the executive board to discuss the complaint fully and completely and attempt to resolve the complaint at the meeting.

Existing law creates certain crimes related to voting by units’ owners. (NRS 116.31107) Section 16 of this bill requires these provisions to be printed on each ballot provided to the units’ owners.

Section 17 of this bill defines “surplus funds” for the purpose of determining whether the association is required to pay the surplus funds to units’ owners.

Existing law requires a review or audit of the financial statement of an association at certain times. (NRS 116.31144) Section 18 of this bill requires the association to provide a copy of the review or audit at the request of a unit’s owner in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter, or in electronic format at no charge to the unit’s owner if the unit’s owner requests such a copy.

Under existing law, the proposed budget of an association takes effect unless the units’ owners reject the proposed budget. (NRS 116.3115, 116.31151) Sections 19 and 20 of this bill provide that the proposed budget
does not take effect unless the units’ owners ratify the proposed budget. If the proposed budget is not ratified, the most recently ratified budget continues in effect.

Section 19 also revises provisions governing special assessments by: (1) removing provisions which specifically authorize the executive board to impose necessary and reasonable assessments to carry out a plan to adequately fund the reserves of the association without seeking or obtaining the approval of the units’ owners; (2) providing that an assessment to fund the reserves of the association may not exceed $35 per unit per month; and (3) requiring the approval of the units’ owners for capital expenditures exceeding a certain amount and for any visible changes to the interior or exterior of a common element.

Section 20 of this bill requires the collections policy of the association to establish a certain period after which a delinquent fee, fine, assessment or cost may be referred for collection.

Existing law requires an association to conduct a study of the reserves required to repair, replace and restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain. (NRS 116.31152) Section 21 of this bill prohibits the executive board from taking any action based on the study of the reserves, including, without limitation, establishing a funding plan to provide adequate funding for the required reserves, unless and until the executive board approves the study of the reserves at a meeting of the executive board. Section 21 also: (1) requires the reserve study to be made available to a unit’s owner in electronic format at no charge; and (2) provides for notice of the meeting to a unit’s owner.

§ Section 22 of this bill revises provisions governing the amount of the association’s lien which is prior to a first security interest on a unit.

Section 22 of this bill prohibits the foreclosure of an association’s lien and the filing of a civil action to obtain a judgment for the amount due if: (1) the foreclosure sale does not occur within 120 days after mailing the notice of default and election to sell; or (2) an agreement extending that period is not reached.

Section 24 of this bill revises provisions governing the access of a unit’s owner to the books, records and papers of an association and requires the publication of the views or opinions of a unit’s owner in the association’s official newsletter under certain circumstances.

Existing law provides for a civil action if the executive board, a member of the executive board, a community manager or an officer, employee or agent of the association take, direct or encourage certain retaliatory action against a unit’s owner. (NRS 116.31183) Section 25 of this bill specifies certain actions which constitute retaliatory action.

§ Section 26 of this bill prohibits an association from charging a fee to a unit’s owner to obtain approval for the installation of drought tolerant landscaping.
Section 27 of this bill replaces the authorization of an executive board to approve the renting or leasing of a unit under certain circumstances with a provision requiring the executive board to grant such approval under certain circumstances.

Section 28 of this bill [ (1) prohibits the executive board and the governing documents from interfering with the parking of an automobile, privately owned standard pickup truck, motorcycle or certain other vehicles; and (2) requires the association of a common-interest community which is not gated or enclosed to display signs on or near any property on which parking is prohibited or restricted.

Sections 31 and 32 of this bill require the sharing of information by the parties to an affidavit filed with the Division alleging a violation of existing law governing common-interest communities.

Section 34 of this bill revises provisions governing the mediation and arbitration of certain claims relating to the governing documents by: (1) prohibiting the findings of a mediator or arbitrator from being admitted in a civil action; (2) limiting the fees of a mediator or an arbitrator to $750; (3) $1,000 unless a greater fee is authorized by the Commission for Common-Interest Communities and Condominium Hotels; (2) requiring each party to a mediation or arbitration to pay an equal percentage of the fees of a mediator or arbitrator; (4) providing that a party to a mediation or arbitration is not liable for the costs and attorney’s fees incurred by another party during the mediation or arbitration; and (5) providing for the removal of a mediator or arbitrator under certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:

1. If the Administrator has reasonable cause to believe that any person or executive board has engaged in any activity in violation of any provision of this chapter, any regulation adopted pursuant thereto or any order, decision, demand or requirement of the Commission or Division or a hearing panel, or is about to commit such a violation, and that the violation or potential violation has caused or is likely to cause irreparable harm, the Administrator may issue an order directing the person or executive board...]

to desist and refrain from continuing to commit the violation or from doing any act in furtherance of the violation.

2. Within 30 days after the receipt of such an order, the person may file a verified petition with the Administrator for a hearing before the Commission.

3. The Commission shall hold a hearing at the next regularly scheduled meeting of the Commission. If the Commission fails to hold such a hearing, or does not render a written decision within 30 days after the hearing, the cease and desist order is rescinded.

4. The decision of the Commission at a hearing held pursuant to subsection 2 is a final decision for the purposes of judicial review.

Sec. 2. NRS 116.2111 is hereby amended to read as follows:

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit’s owner:

(a) May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community;

(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and

(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.

2. An association may not:

(a) Restrict, prohibit or otherwise impede the lawful rights of a unit’s owner and the children or parents of a unit’s owner, or any resident of a unit, to have reasonable access to his or her unit, unless directed otherwise by the unit’s owner.

(b) Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit’s owner or a tenant of a unit’s owner or for any visitor to the common-interest community or invitee of a unit’s owner or a tenant of a unit’s owner to enter the common-interest community.

(c) Unreasonably restrict, prohibit or withhold approval for a unit’s owner to add to a unit:

(1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;

(2) Additional locks to improve the security of the unit;

(3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit; or
(4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.

(d) With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.

e) Charge any fee to a unit’s owner for obtaining permission to change the exterior appearance of a unit or the landscaping associated with a unit.

(f) Restrict in a manner which violates the provisions of 47 C.F.R. § 1.4000 the installation, maintenance or use of any antenna or other device described in that section.

3. Any improvement or alteration made pursuant to subsection 2 that is visible from any other portion of the common-interest community must be installed, constructed or added in accordance with the procedures set forth in the governing documents of the association and must be selected or designed to the maximum extent practicable to be compatible with the style of the common-interest community.

4. An association may not unreasonably restrict, prohibit or withhold approval for a unit’s owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:

(a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and

(b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.

5. If a unit’s owner adds shutters pursuant to subsection 4, the unit’s owner is responsible for the maintenance of the shutters.

6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:

(a) In existence on July 1, 2009; or

(b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.

7. A unit’s owner may not add to the unit a system that uses wind energy as described in subparagraph 4 of paragraph (c) of subsection 2 unless the unit’s owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.

Sec. 3. NRS 116.3102 is hereby amended to read as follows:

116.3102 1. Except as otherwise provided in this section, and subject to the provisions of the declaration, the association may do any or all of the following:
(a) Adopt and amend bylaws, rules and regulations.
(b) Adopt and amend budgets for revenues, expenditures and reserves and collect assessments for common expenses from the units’ owners.

(d) Institute, defend or intervene in litigation or administrative proceedings in its own name on behalf of itself or two or more units’ owners on matters affecting the common-interest community.

(f) Regulate the use, maintenance, repair, replacement and modification of common elements.
(g) Cause additional improvements to be made as a part of the common elements.
(h) Acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:
   (1) Common elements in a condominium or planned community may be conveyed or subjected to a security interest only pursuant to NRS 116.3112; and
   (2) Part of a cooperative may be conveyed, or all or part of a cooperative may be subjected to a security interest, only pursuant to NRS 116.3112.
(i) Grant easements, leases, licenses and concessions through or over the common elements.
(j) Impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units’ owners, including, without limitation, any services provided pursuant to NRS 116.310312.
(k) Impose collection costs and charges for late payment of assessments pursuant to NRS 116.3115.
(l) Impose construction penalties when authorized pursuant to NRS 116.310305.
(m) Impose reasonable fines for violations of the governing documents of the association only if the association complies with the requirements set forth in NRS 116.31031.
(n) Impose reasonable charges for the preparation and recordation of any amendments to the declaration or any statements of unpaid assessments, and impose reasonable fees, not to exceed the amounts authorized by NRS 116.4109, for preparing and furnishing the documents and certificate required by that section.

(q) Exercise any other powers conferred by the declaration or bylaws.
(r) Exercise all other powers that may be exercised in this State by legal entities of the same type as the association.
(s) Direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if any vehicle, regardless of the person who owns the vehicle, is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:
   (1) Is blocking a fire hydrant, fire lane or parking space designated for the handicapped; or
   (2) Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community.
(t) Exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

3. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, “assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 4. NRS 116.3103 is hereby amended to read as follows:

116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board may act in all instances on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries and shall act on an informed basis, in good faith and in the honest belief that
their actions are in the best interest of the association. The members of the executive board are required to exercise the ordinary and reasonable care of directors of a corporation, subject to the business-judgment rule.

2. The executive board may not act on behalf of the association to amend the declaration, to terminate the common-interest community, or to elect members of the executive board or determine their qualifications, powers and duties or terms of office, but the executive board may fill vacancies in its membership for the unexpired portion of any term if the executive board is able to obtain a quorum pursuant to subsection 3 of NRS 116.3109, unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association. If the executive board is authorized to fill vacancies in its membership pursuant to this subsection, the executive board may not appoint to the executive board a person who has been removed from the executive board pursuant to NRS 116.31036 within the immediately preceding 6 years.

3. Notwithstanding the provisions of NRS 116.31175, 116.31177 and 116.3118, upon the request of a member of the executive board, the association shall make available to the member of the executive board, at no charge, the books, records and other papers of the executive board and the association, including, without limitation, records, invoices, contracts, agreements, letters of instruction issued by the Division, correspondence between a unit’s owner and the community manager, notices of violations, financial records, bank statements, personnel records, employment contracts, reserve studies, notices of delinquent assessments and notices of default and election to sell mailed pursuant to NRS 116.31162, architectural plans and specifications submitted by a unit’s owner, minutes of executive sessions of the executive board, voice recordings and any other book, record or paper created by the executive board or the association, its agents or a member of the executive board acting in the course and scope of his or her duties as a member of the executive board.

4. If the Commission, a mediator or an arbitrator who conducts a mediation or arbitration pursuant to NRS 38.300 to 38.360, inclusive, or a court finds that the executive board has committed a violation of any provision of the governing documents, this chapter, any regulation adopted pursuant thereto or any order of the Commission or a hearing panel, the executive board must notify the units’ owners of the findings by mailing a statement of the findings to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by a unit’s owner.

5. Notwithstanding any provision of this chapter or the governing documents, if the executive board is unable to obtain a quorum pursuant to subsection 3 of NRS 116.3109 because of vacancies on the executive board, the association must, within 30 days, hold a meeting of the units’ owners for the purpose of conducting an election to fill such vacancies as necessary to
provide a quorum for the executive board. The meeting and election must be
conducted in the following manner:

(a) Not later than 10 days in advance of the meeting, the secretary or
other officer specified in the bylaws shall cause notice of the meeting to be
hand delivered, sent prepaid by United States mail to the mailing address of
each unit or to any other mailing address designated in writing by the unit’s
owner or, if the association offers to send notice by electronic mail, sent by
electronic mail at the request of the unit’s owner to an electronic mail
address designated in writing by the unit’s owner. The notice of the meeting
must state the time and place of the meeting and that the meeting is being
held for the purpose of filling vacancies on the executive board. The notice
must include notification of the right of a unit’s owner to:

(1) Have a copy of the minutes or a summary of the minutes of the
meeting provided to the unit’s owner upon request, in electronic format at no
charge to the unit’s owner or, if the association is unable to provide the copy
or summary in electronic format, in paper format at a cost not to exceed 25
cents per page for the first 10 pages, and 10 cents per page thereafter.

(2) Speak to the association regarding the election to fill vacancies on
the executive board.

(b) At the meeting:

(1) A quorum of the unit’s owners is not required for the nomination of
any candidate to fill a vacancy on the executive board or for the election to
fill the vacancy.

(2) A unit’s owner may attend the meeting in person or by proxy. The
provisions of NRS 116.311 apply to the use of proxies at the meeting.

(3) The unit’s owners present in person or by proxy shall nominate
candidates to fill such vacancies on the executive board as are necessary to
create a quorum for the executive board.

(4) After nominations are taken, the election to fill a vacancy must be
conducted by secret written ballot.

(5) The secret written ballots must be opened and counted at the
meeting and the candidate receiving a majority of the votes cast for that seat
on the executive board is elected to the executive board for the period
provided in paragraph (d).

(c) The provisions of subsections 8, 9, 11 and 12 of NRS 116.3108
regarding the minutes of the meeting and the recording of the meeting by a
unit’s owner are applicable to the meeting.

(d) Upon the election of members to the executive board pursuant to this
subsection:

(1) A candidate elected to the executive board pursuant to this
subsection is elected for a term of 90 days, except that if the regular election
for that seat on the executive board must be conducted within 180 days after
the candidate’s election, the candidate is elected for the unexpired portion of
the term.
(2) The executive board may not fill any vacancy remaining after the election but, within 90 days after the election pursuant to this subsection, must call for an election to be conducted pursuant to NRS 116.31034 to fill:
(i) Each remaining vacancy for which a regular election is not required within 180 days; and
(ii) The seats on the executive board which were filled pursuant to this subsection, unless an election for such a seat is required to be conducted within 180 days.

6. If at an election conducted pursuant to subsection 5, the units’ owners do not fill a sufficient number of vacancies on the executive board to provide a quorum for the executive board, the Division must apply to a court of competent jurisdiction for the appointment of a receiver for the association. In the application for the appointment of the receiver, notice of a temporary appointment of a receiver may be given to the association alone, by process as in the case of an application for a temporary restraining order or injunction. The hearing thereon may be had after 5 days’ notice unless the court directs a longer or different notice and different parties. The court may appoint one or more receivers to carry out the business of the association. The members of the executive board must be preferred in making the appointment. The powers of any receiver appointed pursuant to this subsection may be continued as long as the court deems necessary and proper. At any time, for sufficient cause, the court may order the receivership terminated. Any receiver appointed pursuant to this subsection has, among the usual powers, all the functions, powers, tenure and duties to be exercised under the direction of the court as are conferred on receivers and as provided in NRS 78.625, 78.640 and 78.645, whether or not the association is insolvent. Such powers include, without limitation, the powers to:
(a) Take charge of the estate and effects of the association;
(b) Appoint an agent or agents;
(c) Collect any debt and property due and belonging to the association and prosecute and defend, in the name of the association, or otherwise, any civil action as may be necessary or proper for the purposes of collecting debts and property;
(d) Perform any other act in accordance with the governing documents of the association and this chapter that may be necessary for the association to carry out its obligations; and
(e) By injunction, restrain the association from exercising any of its powers or doing business in any way except by and through a receiver appointed by the court.

Sec. 5. NRS 116.310305 is hereby amended to read as follows:
116.310305 1. A unit’s owner shall adhere to a schedule required by the association for:
(a) The completion of the design of a unit or the design of an improvement to a unit;
(b) The commencement of the construction of a unit or the construction of an improvement to a unit;
(c) The completion of the construction of a unit or the construction of an improvement to the unit; or
(d) The issuance of a permit which is necessary for the occupancy of a unit or for the use of an improvement to a unit.

2. Except as otherwise provided by subsection 3, the association may impose and enforce a construction penalty against a unit’s owner who fails to adhere to a schedule as required pursuant to subsection 1 if:
   (a) The maximum amount of the construction penalty and the schedule are set forth in:
      (1) The declaration;
      (2) Another document related to the common-interest community that is recorded before the date on which the unit’s owner acquired title to the unit; or
      (3) A contract between the unit’s owner and the association; and
   (b) The unit’s owner receives notice of the alleged violation which informs the unit’s owner that he or she has a right to a hearing on the alleged violation.

3. The association may not impose or enforce a construction penalty against a unit’s owner pursuant to subsection 2 if the failure to adhere to the schedule as required pursuant to subsection 1 is caused by circumstances beyond the control of the unit’s owner.

4. For the purposes of this chapter, a construction penalty is not a fine.

Sec. 6. NRS 116.31031 is hereby amended to read as follows:
116.31031  1. Except as otherwise provided in this section, if a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:
   (a) Prohibit, for a reasonable time, the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from:
      (1) Voting on matters related to the common-interest community.
      (2) Using the common elements. The provisions of this subparagraph do not prohibit the executive board from prohibiting a unit’s owner from using the common elements if the unit’s owner is delinquent in the payment of any assessment and do not prohibit the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.
   (b) Impose a fine against the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant for each violation, except that:
      (1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and
(2) A fine may not be imposed against a unit’s owner or a tenant or invitee of a unit’s owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person who is delivering goods to, or performing services for, the unit’s owner or tenant or invitee of the unit’s owner or the tenant.

If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less.

During the lifetime of the unit’s owner and any successor in interest who is the spouse of the unit’s owner, the total amount of fines imposed against the unit’s owner and the successor in interest must not exceed $2,500. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. **Notwithstanding any other provision of this chapter, the executive board may not impose a fine pursuant to subsection 1 against a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant if the executive board of another association has imposed a fine against the unit’s owner, tenant or invitee for the same action, or failure to act, on the part of the unit’s owner, tenant or invitee.**

3. The executive board may not impose a fine pursuant to subsection 1 against a unit’s owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit’s owner or the tenant unless the unit’s owner:

   (a) Participated in or authorized the violation;
   (b) Had prior notice of the violation; or
   (c) Had an opportunity to stop the violation and failed to do so.

4. The executive board may not impose a fine pursuant to subsection 1 unless:

   (a) Not less than 30 days before the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the alleged violation; and
   (b) Within a reasonable time after the discovery of the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed has been provided with:
(1) Written notice specifying the details of the alleged violation, the location of the alleged violation, the amount of the fine, and the date, time and location for a hearing on the violation; and

(2) A reasonable opportunity to contest the alleged violation at the hearing.

For the purposes of this subsection, a unit’s owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit’s owner.

5. The executive board must schedule the date, time and location for the hearing on the alleged violation so that the unit’s owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

A hearing may be postponed if the unit’s owner or, if different, the person against whom the fine will be imposed presents to the executive board or an officer of the association medical documentation indicating that he or she is unable to participate in the hearing for medical reasons. At the hearing on the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed may be represented by an attorney or any other representative. Notwithstanding any other provision of this chapter, the cost of an attorney representing the association or executive board at a hearing pursuant to this section may not be charged to the unit’s owner or other person against whom the fine will be imposed.

6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit’s owner and, if different, the person against whom the fine will be imposed:

(a) Executes a written waiver of the right to the hearing; or

(b) Fails to appear at the hearing after being provided with proper notice of the hearing.

7. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

8. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if
the member has not paid all assessments which are due to the association by
the member. If a member of the executive board:
(a) Participates in a hearing in violation of this subsection, any action
taken at the hearing is void.
(b) Casts a vote in violation of this subsection, the vote is void.

If a unit's owner or, if different, a person against whom a fine
was imposed pursuant subsection 1 files a claim with the Division pursuant
to NRS 38.320 which alleges that the executive board violated a provision
of the governing documents in connection with the imposition of the fine,
the imposition and collection of the fine is stayed until the conclusion of
mediation or, if applicable, the issuance of an arbitration decision. If a
unit's owner or, if different, a person against whom a fine was imposed
pursuant to subsection 1 files an affidavit with the Division pursuant to
NRS 116.760 which alleges that the executive board violated a provision
of the governing documents this chapter in connection with the imposition
of the fine, the imposition and collection of the fine is stayed until the
resolution of the matter pursuant to subsection 1 of NRS 116.785, the
issuance of a decision by the Division to not file a formal complaint
pursuant to subsection 5 of NRS 116.765 or the final decision of the
Commission, whichever is applicable.

The provisions of this section establish the minimum
procedural requirements that the executive board must follow before it may
impose a fine. The provisions of this section do not preempt any provisions
of the governing documents that provide greater procedural protections.

Any past due fine must not bear interest, but may include
any costs incurred by the association during a civil action to enforce the
payment of the past due fine.

If requested by a person upon whom a fine was imposed,
not later than 60 days after receiving any payment of a fine, an association
shall provide to the person upon whom the fine was imposed a statement of
the remaining balance owed.

Sec. 7. NRS 116.310312 is hereby amended to read as follows:

A person who holds a security interest in a unit must
provide the association with the person's contact information as soon as
reasonably practicable, but not later than 30 days after the person:
(a) Files an action for recovery of a debt or enforcement of any right
secured by the unit pursuant to NRS 40.430; or
(b) Records or has recorded on his or her behalf a notice of a breach of
obligation secured by the unit and the election to sell or have the unit sold
pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or
recorded regarding a unit and the association has provided the unit's owner
with notice and an opportunity for a hearing in the manner provided in
NRS 116.31031, the association, including its employees, agents and
community manager, may, but is not required to, enter the grounds of the
unit, whether or not the unit is vacant, to take any of the following actions if the unit’s owner refuses or fails to take any action or comply with any requirement imposed on the unit’s owner within the time specified by the association as a result of the hearing:

(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal. The authorization to enter the grounds of the unit for the purposes set forth in this paragraph continues until the unit’s owner or an agent of the unit’s owner performs the maintenance necessary to maintain the exterior of the unit in accordance with the standards set forth in the governing documents.

(b) Remove or abate a public nuisance on the exterior of the unit which:

(1) Is visible from any common area of the community or public streets;
(2) Threatens the health or safety of the residents of the common-interest community;
(3) Results in blighting or deterioration of the unit or surrounding area; and
(4) Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit’s owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit’s owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. Except as otherwise provided in this subsection, a lien described in subsection 4 is prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116. If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.
7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee’s sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior of the unit in accordance with the governing documents of the association. Such a unit may only be removed from a common-interest community in accordance with the governing documents pursuant to this chapter.

8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:
   (a) “Exterior of the unit” includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.
   (b) “Vacant” means a unit:
       (1) Which reasonably appears to be unoccupied;
       (2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents the association; and
       (3) On which the owner has failed to pay assessments for more than 60 days.

Sec. 8. [NRS 116.310313 is hereby amended to read as follows:

116.310313 1. [An] If the governing documents authorize an association to charge a unit’s owner reasonable fees to cover the costs of collecting any past due obligation, the Commission shall adopt regulations establishing the amount of the fees that an association may charge pursuant to this section. The governing documents may not authorize the association to charge the unit’s owner for any costs of collecting other than costs relating to filing, recording, title searches, bankruptcy searches and postage. The rate established by the association for the costs of collecting the past due obligations:
   (a) May not exceed $10, if the outstanding balance is less than $200.
   (b) May not exceed $75, if the outstanding balance is $200 or more but is less than $500.
   (c) May not exceed $125, if the outstanding balance is $500 or more but is less than $1,000.
   (d) May not exceed $175, if the outstanding balance is $1,000 or more but is less than $5,000.
   (e) May not exceed $200, if the outstanding balance is $5,000 or more.

2. The provisions of this section apply to any costs of collecting a past due obligation charged to a unit’s owner, regardless of whether the past due obligation is collected by the association itself or by any person acting on behalf of the association, including, without limitation, an officer or employee of the association, a community manager or a collection agency.

3. As used in this section:
(a) “Costs of collecting” includes any fee, charge or cost, by whatever name, including without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a lien or lien rescission, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association charges a unit’s owner for the investigation, enforcement or collection of a past due obligation. The term does not include any costs incurred by an association if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.

(b) “Obligation” means any assessment, fine, construction penalty, fee, charge or interest levied or imposed against a unit’s owner pursuant to any provision of this chapter or the governing documents. (Deleted by amendment.)

Sec. 9. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all of whom must be units’ owners. The executive board shall elect the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election. If two persons reside together in a unit, are married to each other or are related by blood, adoption or marriage, within the first degree of consanguinity or affinity, and if one of those persons is an officer of the association or a member of the executive board, the other person may not be an officer of the association or a member of the executive board.

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

   (a) Members of the executive board who are appointed by the declarant; and
   (b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the
names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit’s owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit’s owner informing each unit’s owner that:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

(1) A unit’s owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and

(2) The number of units’ owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit’s owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit’s owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:
(a) Prepare and mail ballots to the units’ owners pursuant to this section; and
(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for a member of the executive board pursuant to subsection 4 or 5 must:
   (a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and
   (b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

   The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and mailed pursuant to subsection 6, in the next regular mailing of the association. The association is not obligated to distribute any disclosure pursuant to this subsection if the disclosure contains information that is believed to be defamatory, libelous or profane.

9. Unless a person is appointed by the declarant:
   (a) A person may not be a member of the executive board or an officer of the association if the person, the person’s spouse or the person’s parent or child, by blood, marriage or adoption, performs the duties of a community manager for that association.
   (b) A person may not be a member of the executive board of a master association or an officer of that master association if the person, the person’s spouse or the person’s parent or child, by blood, marriage or adoption, performs the duties of a community manager for:
      (1) That master association; or
      (2) Any association that is subject to the governing documents of that master association.

10. An officer, employee, agent or director of a corporate owner of a unit, a trustee or designated beneficiary of a trust that owns a unit, a partner of a partnership that owns a unit, a member or manager of a limited-liability company that owns a unit, and a fiduciary of an estate that owns a unit may be an officer of the association or a member of the executive board. In all events where the person serving or offering to serve as an officer of the association or a member of the executive board is not the record owner, the person shall file proof in the records of the association that:
(a) The person is associated with the corporate owner, trust, partnership, limited-liability company or estate as required by this subsection; and
(b) Identifies the unit or units owned by the corporate owner, trust, partnership, limited-liability company or estate.

11. Except as otherwise provided in subsection 6 or NRS 116.31105, the election of any member of the executive board must be conducted by secret written ballot in the following manner:

(a) The secretary or other officer specified in the bylaws of the association shall cause a secret ballot and a return envelope to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.

(b) Each unit’s owner must be provided with at least 15 days after the date the secret written ballot is mailed to the unit’s owner to return the secret written ballot to the association.

(c) A quorum is not required for the election of any member of the executive board.

(d) Only the secret written ballots that are returned to the association may be counted to determine the outcome of the election.

(e) The secret written ballots must be opened and counted at a meeting of the association. A quorum is not required to be present when the secret written ballots are opened and counted at the meeting.

(f) The incumbent members of the executive board and each person whose name is placed on the ballot as a candidate for a member of the executive board may not possess, be given access to or participate in the opening or counting of the secret written ballots that are returned to the association before those secret written ballots have been opened and counted at a meeting of the association.

12. An association shall not adopt any rule or regulation that has the effect of prohibiting or unreasonably interfering with a candidate in the candidate’s campaign for election as a member of the executive board, except that the candidate’s campaign may be limited to 90 days before the date that ballots are required to be returned to the association. A candidate may request that the secretary or other officer specified in the bylaws of the association send, 30 days before the date of the election and at the association’s expense, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner a candidate informational statement. The candidate informational statement:

(a) Must be no longer than a single, typed page;
(b) Must not contain any defamatory, libelous or profane information; and
(c) May be sent with the secret ballot mailed pursuant to subsection 11 or in a separate mailing.

The association and its directors, officers, employees and agents are immune from criminal or civil liability for any act or omission which arises
out of the publication or disclosure of any information related to any person and which occurs in the course of carrying out any duties required pursuant to this subsection.

13. Each member of the executive board shall, within 90 days after his or her appointment or election, certify in writing to the association, on a form prescribed by the Administrator, that the member has read and understands the governing documents of the association and the provisions of this chapter to the best of his or her ability. The Administrator may require the association to submit a copy of the certification of each member of the executive board of that association at the time the association registers with the Ombudsman pursuant to NRS 116.31158.

14. Within 3 months after his or her election or appointment to the executive board, a member of the executive board shall complete 2 hours of instruction in a course of education relating to the duties of a member of the executive board. Every year thereafter during which the member of the executive board is a member of the executive board, he or she shall complete 2 hours of instruction in such a course of education.

Sec. 10. NRS 116.31038 is hereby amended to read as follows:

116.31038 In addition to any applicable requirement set forth in NRS 116.310395, within 30 days after units’ owners other than the declarant may elect a majority of the members of the executive board, the declarant shall deliver to the association all property of the units’ owners and of the association held by or controlled by the declarant, including:

1. The original or a certified copy of the recorded declaration as amended, the articles of incorporation, articles of association, articles of organization, certificate of registration, certificate of limited partnership, certificate of trust or other documents of organization for the association, the bylaws, minute books and other books and records of the association and any rules or regulations which may have been adopted.

2. An accounting for money of the association and audited financial statements for each fiscal year and any ancillary period from the date of the last audit of the association to the date the period of the declarant’s control ends. The financial statements must fairly and accurately report the association’s financial position. The declarant shall pay the costs of the ancillary audit. The ancillary audit must be delivered within 210 days after the date the period of the declarant’s control ends.

3. A complete study of the reserves of the association, conducted by a person who is registered as a reserve study specialist pursuant to chapter 116A of NRS. At the time the control of the declarant ends, the declarant shall:

(a) Except as otherwise provided in this paragraph, deliver to the association a reserve account that contains the declarant’s share of the amounts then due, and control of the account. If the declaration was recorded before October 1, 1999, and, at the time the control of the declarant ends, the
declarant has failed to pay his or her share of the amounts due, the executive board shall authorize the declarant to pay the deficiency in installments for a period of 3 years, unless the declarant and the executive board agree to a shorter period.

(b) Disclose, in writing, to the units’ owners the amount by which the declarant has subsidized the association’s dues on a per unit or per lot basis.

4. The association’s money or control thereof.

5. All of the declarant’s tangible personal property that has been represented by the declarant as property of the association or, unless the declarant has disclosed in the public offering statement that all such personal property used in the common-interest community will remain the declarant’s property, all of the declarant’s tangible personal property that is necessary for, and has been used exclusively in, the operation and enjoyment of the common elements, and inventories of these properties.

6. A copy of any plans and specifications used in the construction of the improvements in the common-interest community which were completed within 2 years before the declaration was recorded.

7. All insurance policies then in force, in which the units’ owners, the association, or its directors and officers are named as insured persons.

8. Copies of any certificates of occupancy that may have been issued with respect to any improvements comprising the common-interest community other than units in a planned community.

9. Any renewable permits and approvals issued by governmental bodies applicable to the common-interest community which are in force and any other permits and approvals so issued and applicable which are required by law to be kept on the premises of the community.

10. Written warranties of the contractor, subcontractors, suppliers and manufacturers that are still effective.

11. A roster of owners and mortgagees of units and their addresses and telephone numbers, if known, as shown on the declarant’s records.

12. Contracts of employment in which the association is a contracting party.

13. Any contract for service in which the association is a contracting party or in which the association or the units’ owners have any obligation to pay a fee to the persons performing the services.

Sec. 11. NRS 116.3108 is hereby amended to read as follows:

116.3108 1. A meeting of the units’ owners must be held at least once each year. If the governing documents do not designate an annual meeting date of the units’ owners, a meeting of the units’ owners must be held 1 year after the date of the last meeting of the units’ owners. If the units’ owners have not held a meeting for 1 year, a meeting of the units’ owners must be held on the following March 1.

2. Special meetings of the units’ owners may be called by the president, by a majority of the executive board or by units’ owners constituting at least 10 percent, or any lower percentage specified in the bylaws, of the total
number of voting members of the association. The same number of units’ owners may also call a removal election pursuant to NRS 116.31036. To call a special meeting or a removal election, the units’ owners must submit a written petition which is signed by the required percentage of the total number of voting members of the association pursuant to this subsection and which is mailed, return receipt requested, or served by a process server to the executive board or the community manager for the association. If the petition calls for a special meeting, the executive board shall set the date for the special meeting so that the special meeting is held not less than 15 days or more than 60 days after the date on which the petition is received. If the petition calls for a removal election and:

   (a) The voting rights of the owners of time shares will be exercised by delegates or representatives as set forth in NRS 116.31105, the executive board shall set the date for the removal election so that the removal election is held not less than 15 days or more than 60 days after the date on which the petition is received; or

   (b) The voting rights of the units’ owners will be exercised through the use of secret written ballots pursuant to NRS 116.31036, the secret written ballots for the removal election must be sent in the manner required by NRS 116.31036 not less than 15 days or more than 60 days after the date on which the petition is received, and the executive board shall set the date for the meeting to open and count the secret written ballots so that the meeting is held not more than 15 days after the deadline for returning the secret written ballots.

The association shall not adopt any rule or regulation which prevents or unreasonably interferes with the collection of the required percentage of signatures for a petition pursuant to this subsection.

3. Not less than 15 days or more than 60 days in advance of any meeting of the units’ owners, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit’s owner to an electronic mail address designated in writing by the unit’s owner. The notice of the meeting must state the time and place of the meeting and include a copy of the agenda for the meeting. The notice must include notification of the right of a unit’s owner to:

   (a) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit’s owner upon request, in electronic format at no charge to the unit’s owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

   (b) Speak to the association or executive board, unless the executive board is meeting in executive session.

4. The agenda for a meeting of the units’ owners must consist of:
(a) A clear and complete statement of the topics scheduled to be considered during the meeting, including, without limitation, any proposed amendment to the declaration or bylaws, any fees or assessments to be imposed or increased by the association, any budgetary changes and any proposal to remove an officer of the association or member of the executive board.

(b) A list describing the items on which action may be taken and clearly denoting that action may be taken on those items. In an emergency, the units’ owners may take action on an item which is not listed on the agenda as an item on which action may be taken.

(c) A period devoted to comments by units’ owners and discussion of those comments. Except in emergencies, no action may be taken upon a matter raised under this item of the agenda until the matter itself has been specifically included on an agenda as an item upon which action may be taken pursuant to paragraph (b).

5. Before the agenda is mailed to the units’ owners pursuant to subsection 3, a unit’s owner may request items to be placed on the agenda and any requested items must be included on the agenda.

6. If the association adopts a policy imposing fines for any violations of the governing documents of the association, the secretary or other officer specified in the bylaws shall prepare and cause to be hand-delivered or sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit’s owner, a schedule of the fines that may be imposed for those violations.

7. A guest of a unit’s owner must be allowed to attend any meeting of the units’ owners.

8. The secretary or other officer specified in the bylaws shall cause minutes to be recorded or otherwise taken at each meeting of the units’ owners. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the minutes or a summary of the minutes of the meeting to be made available to the units’ owners. Except as otherwise provided in this subsection, a copy of the minutes or a summary of the minutes must be provided to any unit’s owner upon request, in electronic format at no charge to the unit’s owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

9. Except as otherwise provided in subsection 8, the minutes of each meeting of the units’ owners must include:
   (a) The date, time and place of the meeting;
   (b) The substance of all matters proposed, discussed or decided at the meeting; and
   (c) The substance of remarks made by any unit’s owner at the meeting if the unit’s owner requests that the minutes reflect his or her remarks or, if the
unit’s owner has prepared written remarks, a copy of his or her prepared remarks if the unit’s owner submits a copy for inclusion.

9. The executive board may establish reasonable limitations on materials, remarks or other information to be included in the minutes of a meeting of the units’ owners.

10. The association shall maintain the minutes of each meeting of the units’ owners until the common-interest community is terminated.

11. A unit’s owner may record on audiotape or any other means of sound reproduction a meeting of the units’ owners if the unit’s owner, before recording the meeting, provides notice of his or her intent to record the meeting to the other units’ owners who are in attendance at the meeting.

12. The units’ owners may approve, at the annual meeting of the units’ owners, the minutes of the prior annual meeting of the units’ owners and the minutes of any prior special meetings of the units’ owners. A quorum is not required to be present when the units’ owners approve the minutes.

13. As used in this section, “emergency” means any occurrence or combination of occurrences that:
   a. Could not have been reasonably foreseen;
   b. Affects the health, welfare and safety of the units’ owners or residents of the common-interest community;
   c. Requires the immediate attention of, and possible action by, the executive board; and
   d. Makes it impracticable to comply with the provisions of subsection 3 or 4.

Sec. 12. NRS 116.31083 is hereby amended to read as follows:

3. In an emergency, the secretary or other officer specified in the bylaws of the association shall, if practicable, cause notice of the meeting to be sent prepaid by United States mail to the mailing address of each unit within the common-interest community. The notice must include notification of the right of a unit's owner to:
   (a) Have a copy of the audio recording, the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

7. The secretary or other officer specified in the bylaws shall cause each meeting of the executive board to be audio recorded and the minutes to be recorded or otherwise taken at each meeting of the executive board, but if the executive board is meeting in executive session, the meeting must not be audio recorded. Not more than 30 days after each such meeting, the secretary or other officer specified in the bylaws shall cause the audio recording of the meeting, the minutes of the meeting and a summary of the minutes of the meeting to be made available to the units' owners. 11. A unit's owner may record on audiotape or any other means of sound reproduction a meeting of the executive board, unless the executive board is meeting in executive session, if the unit's owner, before recording the meeting, provides notice of his or her intent to record the meeting to the
members of the executive board and the other units’ owners who are in attendance at the meeting.

12. As used in this section, “emergency” means any occurrence or combination of occurrences that:
   (a) Could not have been reasonably foreseen;

(b) Is entitled to due process, as set forth in the standards adopted by regulation by the Commission, which must include, without limitation, the right to counsel or any other representative chosen by the person, the right to present witnesses and the right to present information relating to any conflict of interest of any member of the hearing panel; and

(c) Is not entitled to attend the deliberations of the executive board.

The provisions of subsection 4 establish the minimum protections that the executive board must provide before it may make a decision. The provisions of subsection 4 do not preempt any provisions of the governing documents that provide greater protections.

Except as otherwise provided in this subsection, any matter discussed by the executive board when it meets in executive session must be generally noted in the minutes of the meeting of the executive board. The executive board shall maintain minutes of any decision made pursuant to subsection 4 concerning an alleged violation and, upon request, provide a copy of the decision to the person who was subject to being sanctioned at the hearing or to the person’s designated representative.

Except as otherwise provided in subsection 4, a unit’s owner is not entitled to attend or speak at a meeting of the executive board held in executive session.

3. At the meeting, the executive board shall discuss fully and attempt to resolve any complaint placed on the agenda of the meeting pursuant to this section. Any decision of the executive board with respect to the complaint must be included in detail in the minutes of the meeting.

Sec. 19. NRS 116.3115 is hereby amended to read as follows:
116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted [at least annually] by the association and ratified by the unit’s owners at least annually in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily
operation of the association and a budget for the reserves required by
paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive:
   (a) All common expenses, including the reserves, must be assessed against

       components of the common elements and any other portion of the common-

       including, without limitation, repairing, replacing and restoring roofs, roads
       and sidewalks, and must not be used for daily maintenance or capital

       repair, replacement and restoration of the major components of the common
       elements and any other portion of the common-interest community that the
       association is obligated to maintain, repair, replace or restore over a period of
       years if the funding plan is designed in an actuarially sound manner which
       will ensure that sufficient money is available when the repair, replacement
       and restoration of the major components of the common elements or any
       other portion of the common-interest community that the association is
       obligated to maintain, repair, replace or restore are necessary.

assessments imposed by the executive board must be based on the study of
the reserves of the association conducted pursuant to NRS 116.31152,

3. Any assessment for common expenses or installment thereof that is 60

must be adjusted accordingly on each January 1 and July 1 thereafter until
the balance is satisfied.

4. Except as otherwise provided in the governing documents:
   (a) Any common expense associated with the maintenance, repair,
       restoration or replacement of a limited common element must be assessed
       against the units to which that limited common element is assigned, equally,

6. If any common expense is caused by the misconduct of any unit’s
owner, the association may assess that expense exclusively against his or her
unit.
7. The association of a common interest community created before
January 1, 1992, is not required to make an assessment against a vacant lot

9. The association shall provide written notice to each unit’s owner of a
meeting at which an assessment or expenditure for a capital improvement in
an amount of $500 or more is to be considered or action is to be taken on
such an assessment or expenditure at least 21 calendar days before the date
of the meeting. An assessment for a capital improvement may not exceed
$35 per unit per month.
10. In a common interest community with less than 500 units, the
association shall not make or cause to be made any visible changes to the
interior or exterior of the common elements, including, without limitation,
landscaping, unless:
(a) At least 21 calendar days before a meeting of the units’ owners to
consider and take action on the changes, the association provides written
notice to each unit’s owner of the meeting; and
(b) At the meeting, a majority of the units’ owners approve the changes
by secret written ballot.
11. In a common interest community:
(a) With less than 150 units, the association shall not make an
expenditure for a capital improvement of $7,500 or more unless a majority
of the units’ owners who vote on such an expenditure approve the

make an expenditure for a capital improvement of $25,000 or more unless
a majority of the units’ owners who vote on such an expenditure approve
the expenditure.

As used in this section, “capital improvement” means an expenditure by the association for the construction of a new common element, an addition or improvement to an existing common element or the installation of landscaping where no landscaping previously existed.

Sec. 20. NRS 116.31151 is hereby amended to read as follows:

116.31151 1. Except as otherwise provided in subsection 2 and unless the declaration of a common-interest community imposes more stringent standards, the executive board shall, not less than 30 days or more than 60 days before the beginning of the fiscal year of the association, prepare and distribute to each unit’s owner a copy of:

(a) The budget for the daily operation of the association. The budget must include, without limitation, the estimated annual revenue and expenditures of the association and any contributions to be made to the reserve account of the association.

(b) The budget to provide adequate funding for the reserves required by paragraph (b) of subsection 2 of NRS 116.3115. The budget must include, without limitation:

(1) The current estimated replacement cost, estimated remaining life and estimated useful life of each major component of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(3) A statement as to whether the executive board has determined or anticipates that the levy of one or more special assessments will be necessary to repair, replace or restore any major component of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore or to provide adequate funding for the reserves designated for that purpose; and

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit’s owner a summary of those budgets, accompanied by a written notice that:
(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties but not to exceed 60 miles from the physical location of the common-interest community; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall provide:

   (a) Cause a summary of the proposed budget to each unit’s owner and provide a return envelope to be used, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner; and shall set a date for a meeting of the units’ owners to consider ratification of the proposed budget. The meeting must be held not less than 14 days or more than 30 days after the mailing of the summaries. Unless ballots are requested, the president of the association shall provide a committee of the units’ owners shall open and count only the secret written ballots that are returned to the association. A quorum is not required to be present when the secret written ballots are opened and counted. At the meeting, a majority of all units’ owners, or any larger vote specified in the declaration, must ratify the proposed budget. If the proposed budget is rejected, the periodic budget last ratified by the units’ owners must be continued until such time as the units’ owners ratify a subsequent budget proposed by the executive board.

4. The executive board shall, at the same time and in the same manner that the executive board makes the budget available to a unit’s owner pursuant to this section, make available to each unit’s owner the policy established for the association concerning the collection of any fees, fines, assessments or costs imposed against a unit’s owner pursuant to this chapter. The policy must include, without limitation:

   (a) A provision that a fee, fine, assessment or cost may not be referred for collection unless the unit’s owner has not paid the fee, fine, assessment or cost within 60 days after the first day of the month following the month in which notice of the fee, fine, assessment or cost is sent or otherwise communicated to the unit’s owner or, if the amount of the fee, fine, assessment or cost is $1,000 or more, within 90 days after the period set forth in this paragraph; and

   (b) The association’s rights concerning the collection of such fees, fines, assessments or costs if the unit’s owner fails to pay the fees, fines, assessments or costs in a timely manner.
Sec. 21. NRS 116.31152 is hereby amended to read as follows:

116.31152 1. The executive board shall:
(a) At least once every 5 years, cause to be conducted a study of the reserves required to repair, replace and restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;
(b) At least annually, review the results of that study to determine whether those reserves are sufficient; and
(c) At least annually, make any adjustments to the association’s funding plan which the executive board deems necessary to provide adequate funding for the required reserves.

2. Except as otherwise provided in this subsection, the study of the reserves required by subsection 1 must be conducted by a person who holds a permit issued pursuant to chapter 116A of NRS. If the common-interest community contains 20 or fewer units and is located in a county whose population is 50,000 or less, the study of the reserves required by subsection 1 may be conducted by any person whom the executive board deems qualified to conduct the study.

3. The study of the reserves must include, without limitation:
(a) A summary of an inspection of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;
(b) An identification of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore which have a remaining useful life of less than 30 years;

(d) An estimate of the cost of maintenance, repair, replacement or restoration of each major component of the common elements and any other portion of the common-interest community identified pursuant to paragraph (b) during and at the end of its useful life; and
(e) An estimate of the total annual assessment that may be necessary to cover the cost of maintaining, repairing, replacement or restoration of the major components of the common elements and any other portion of the common-interest community identified pursuant to paragraph (b), after subtracting the reserves of the association as of the date of the study, and an estimate of the funding plan that may be necessary to provide adequate funding for the required reserves.

4. Upon completion of the study of the reserves required by this section, the association shall notify the units’ owners that the study is available for review and make the study available in electronic format to a unit’s owner at no charge. Not earlier than 20 days after the association notifies the units’ owners that the study is available for review.
The executive board must conduct a meeting of the executive board for the purpose of approving the study. Before approving the study at the meeting, the executive board shall accept, review and consider comments by the units’ owners in the manner required by NRS 116.31085. Notwithstanding any other provision of this chapter or the governing documents, the executive board may not take any actions based on the study, including, without limitation, establishing a funding plan to provide adequate funding for the reserves, unless and until the executive board approves the study at a meeting of the executive board.

5. A summary of the study of the reserves required by subsection 1 must be submitted to the Division not later than 45 days after the date that the executive board adopts the results of the study.

6. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:

Unless otherwise provided by an agreement of the parties, mediation must be completed within 60 days after the parties agree to mediation. Any agreement obtained through mediation conducted pursuant to this section must, within 20 days after the conclusion of mediation, be reduced to writing by the mediator and a copy thereof provided to each party. The agreement may be enforced as any other written agreement. If a party commences a civil action based upon any claim which was the subject of mediation, the findings of the mediator are not admissible in that action. Except as otherwise provided in this section, the parties are responsible for all costs of mediation conducted pursuant to this section.

2. If all the parties named in the claim do not agree to mediation, the parties shall select an arbitrator from the list of arbitrators maintained by the Division pursuant to NRS 38.340. Any arbitrator selected must be available within the geographic area. If the parties fail to agree upon an arbitrator, the Division shall appoint an arbitrator from the list maintained by the Division. Any arbitrator appointed must be available within the geographic area. Upon appointing an arbitrator, the Division shall provide the name of the arbitrator to each party. An arbitrator shall, not later than 5 days after the arbitrator’s selection or appointment pursuant to this subsection, provide to the parties an informational statement relating to the arbitration of a claim pursuant to this section. The written informational statement:
   (a) Must be written in plain English;
   (b) Must explain the procedures and applicable law relating to the arbitration of a claim conducted pursuant to this section, including, without limitation, the procedures, timelines and applicable law relating to confirmation of an award pursuant to NRS 38.239, vacation of an award pursuant to NRS 38.241, judgment on an award pursuant to NRS 38.243, and any applicable statute or court rule governing the award of attorney’s fees or costs to any party; and
   (c) Must be accompanied by a separate form acknowledging that the party has received and read the informational statement, which must be returned to the arbitrator by the party not later than 10 days after receipt of the informational statement.

3. The Division may provide for the payment of the fees for a mediator or an arbitrator selected or appointed pursuant to this section from the Account for Common-Interest Communities and Condominium Hotels created by NRS 116.630, to the extent that:
   (a) The Commission for Common-Interest Communities and Condominium Hotels approves the payment; and
   (b) There is money available in the Account for this purpose.

4. The fees for a mediator or an arbitrator selected or appointed pursuant to this section must not exceed $750 and, except $1,000, unless a greater fee is authorized for good cause shown. Except as otherwise
provided in subsection 3, each party to the mediation or arbitration must pay an equal percentage of the fees for the mediator or arbitrator.

5. A party to a mediation or an arbitration conducted pursuant to this section is not liable for the costs or attorney’s fees incurred by another party during the mediation or arbitration.

6. If a party to a mediation or an arbitration conducted pursuant to this section submits a written statement to the Division alleging that the mediator or arbitrator has a conflict of interest or is biased against that party and submits with the written statement evidence to substantiate the allegation, the Division shall remove the mediator or arbitrator and appoint a mediator or arbitrator from the list maintained by the Division pursuant to NRS 38.340 who is acceptable to each party. A mediator or arbitrator who has been removed by the Division pursuant to this subsection shall refund to the parties any payments made by the parties for the fees of the mediator or arbitrator.

7. Except as otherwise provided in this section and except where inconsistent with the provisions of NRS 38.300 to 38.360, inclusive, the arbitration of a claim pursuant to this section must be conducted in accordance with the provisions of NRS 38.231, 38.232, 38.233, 38.236 to 38.239, inclusive, 38.242 and 38.243. At any time during the arbitration of a claim relating to the interpretation, application or enforcement of any covenants, conditions or restrictions applicable to residential property or any bylaws, rules or regulations adopted by an association, the arbitrator may issue an order prohibiting the action upon which the claim is based. An award must be made within 30 days after the conclusion of arbitration, unless a shorter period is agreed upon by the parties to the arbitration.

8. If all the parties have agreed to nonbinding arbitration, any party to the nonbinding arbitration may, within 30 days after a decision and award have been served upon the parties, commence a civil action in the proper court concerning the claim which was submitted for arbitration. Any complaint filed in such an action must contain a sworn statement indicating that the issues addressed in the complaint have been arbitrated pursuant to the provisions of NRS 38.300 to 38.360, inclusive. If such an action is commenced within that period, the findings of the arbitrator are not admissible in that action.

9. If all the parties agree in writing to binding arbitration, the arbitration must be conducted in accordance with the provisions of this chapter. An award procured pursuant to such binding arbitration may be vacated and a rehearing granted upon application of a party pursuant to the provisions of NRS 38.241.

10. If, after the conclusion of binding arbitration, a party:

(a) Applies to have an award vacated and a rehearing granted pursuant to NRS 38.241; or
(b) Commences a civil action based upon any claim which was the subject of arbitration, the party shall, if the party fails to obtain a more favorable award or judgment than that which was obtained in the initial binding arbitration, pay all costs and reasonable attorney's fees incurred by the opposing party after the application for a rehearing was made or after the complaint in the civil action was filed.

11. Upon request by a party, the Division shall provide a statement to the party indicating the amount of the fees for a mediator or an arbitrator selected or appointed pursuant to this section.

12. As used in this section, “geographic area” means an area within 150 miles from any residential property or association which is the subject of a written claim submitted pursuant to NRS 38.320.

Sec. 35. The provisions of NRS 116.31164, as amended by section 23 of this act, apply only if a notice of default and election to sell is recorded pursuant to NRS 116.31162 on or after July 1, 2011. (Deleted by amendment.)

Legislative Counsel’s Digest:

Section 1.3 of this bill revises the definition of “costs of collecting” so
that: (1) attorney’s fees incurred by an association because a unit owner
has filed a bankruptcy petition are not subject to the restrictions on fees
to cover the costs of collecting a past due obligation; and (2) other
attorney’s fees incurred by an association in collecting a past due
obligation are subject to those restrictions.

Section 1.5 of this bill provides for the issuance of orders to cease and
desist by the Administrator of the Real Estate Division of the Department of
Business and Industry under certain circumstances.

Existing law prohibits an association of a common-interest community
from unreasonably restricting, prohibiting or otherwise impeding the right of
a unit’s owner to have access to his or her unit. (NRS 116.2111) Section 2 of
this bill prohibits the association from: (1) restricting, prohibiting or
otherwise impeding the access to the unit of the parents and children of the
unit’s owner; (2) charging a fee to a unit’s owner for obtaining permission to change the
exterior appearance of a unit or the landscaping; (3) restricting in a
manner which violates certain federal regulations the installation,
maintenance or use of an antenna or other device for receiving certain
broadcast signals; and (4) prohibiting or unreasonably restricting a
unit’s owner from installing and using a clothesline within the
boundaries of his or her unit.

Existing law requires an association to provide certain notice at least
48 hours before directing the removal of a vehicle which is improperly
parked on property owned or leased by the association unless the vehicle is
blocking a fire hydrant, fire lane or handicapped parking space or poses a
threat to the health, safety and welfare of residents. (NRS 116.3102) Section 3 of
this bill requires the association to provide the 48-hour notice before
removing a vehicle which is blocking a handicapped parking space.

Section 4 of this bill provides for an emergency election to fill certain
vacancies on the executive board if the executive board is unable to obtain a
quorum because of such vacancies and requires the Division to apply for the
appointment of a receiver for the association if the units’ owners are unable
to fill such vacancies. Section 4 also: (1) requires the association to make
available to members of the executive board, at no charge, certain books,
records and papers; and (2) requires the executive board to notify the units’
owners if the executive board has been found to have violated the provisions of existing law governing common-interest communities or the governing documents.

Existing law authorizes an association to impose a construction penalty against a unit’s owner who fails to adhere to a schedule. (NRS 116.310305) **Section 5** of this bill prohibits the imposition of a construction penalty if the failure to adhere to the schedule is caused by circumstances beyond the control of the unit’s owner.

Existing law authorizes an association to prohibit a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant from using the common elements as a sanction for a violation of the governing documents. (NRS 116.31031) **Section 6** of this bill provides that the association may prohibit only the use of a common element to which the violation relates, unless the violation is failure to pay an assessment. **Section 6** also revises provisions relating to fines for violations of the governing documents by: (1) providing a lifetime cap of $2,500 on the amount of fines which may be imposed on a unit’s owner and his or her spouse; (2) prohibiting an association from imposing a fine if another association has imposed a fine for the same conduct; (3) authorizing the postponement of a hearing on a violation for medical reasons; and (4) requiring a hearing before the imposition of a fine for a continuing violation.

Existing law authorizes, but does not require, an association to enter the grounds of a unit to maintain the exterior of the unit under certain circumstances. (NRS 116.310312) **Section 7** of this bill provides that this authorization expires if the unit’s owner or the agent of the unit’s owner performs the maintenance necessary for the unit to meet the community standards.

**Section 8** of this bill limits the type of collection fees which an association may charge to a unit’s owner and establishes a cap on the amount of such collection fees which is based on the amount of the outstanding balance, and revises various provisions relating to the collection of amounts due the association.

**Section 9** of this bill requires a member of the executive board to successfully complete 2 hours of education concerning the duties of members of an executive board each year. **Section 9** also provides that: (1) unless the governing documents provide otherwise, officers of the association are required to be units’ owners; and (2) a person who resides with, or is related within the first degree of consanguinity to, an officer of the association or member of the executive board may not become an officer of the association or a member of the executive board.

**Section 11** of this bill revises various provisions relating to meetings of the units’ owners by: (1) authorizing a unit’s owner to request that an item be included on the agenda for the meeting; (2) authorizing a guest of a unit’s owner to attend the meeting; and (3) authorizing a unit’s owner to record the meeting on videotape as well as audiotape.
Section 12 of this bill revises various provisions relating to meetings of the executive board by: (1) requiring the meetings which are held at a time other than standard business hours to start no earlier than 6 p.m.; (2) requiring the agenda to be available not later than 5 days before the meeting; (3) requiring a copy of certain financial information required to be reviewed at an executive board meeting to be made available at no charge to each person present at the meeting and to be provided in electronic format at no charge to a unit’s owner who requests the information; and (4) providing that a page limit on materials, remarks or other information to be included in the minutes of the meeting must not be less than two double-sided pages.

Section 13 of this bill revises provisions governing the right of a unit’s owner to speak at a meeting of the units’ owners or the executive board by: (1) requiring a limitation of not less than 3 minutes on the time a unit’s owner may speak; (2) requiring the association to comply with the Americans with Disabilities Act in providing access to the meeting; (3) requiring the executive board to provide a period of comments by the units’ owners before voting on a matter; and (4) authorizing a person to be represented by a person of his or her choosing at a hearing concerning an alleged violation of the governing documents.

Section 14 of this bill requires bids for the provision of durable goods to the association to be opened during a meeting of the executive board.

Existing law requires an executive board which receives a complaint from a unit’s owner alleging that the executive board has violated existing law or the governing documents to place the subject of the complaint on the agenda for its next meeting if the unit’s owner requests that action. (NRS 116.31087)

Section 15 of this bill requires the executive board to discuss the complaint fully and completely and attempt to resolve the complaint at the meeting.

Existing law creates certain crimes related to voting by units’ owners. (NRS 116.31107) Section 16 of this bill requires these provisions to be printed on each ballot provided to the units’ owners.

Section 17 of this bill defines “surplus funds” for the purpose of determining whether the association is required to pay the surplus funds to units’ owners.

Existing law requires a review or audit of the financial statement of an association at certain times. (NRS 116.31144) Section 18 of this bill requires the association to provide a copy of the review or audit to a unit’s owner in either paper or electronic format at no charge to the unit’s owner if the unit’s owner requests such a copy.

Under existing law, the proposed budget of an association takes effect unless the units’ owners reject the proposed budget. (NRS 116.3115, 116.31151) Sections 19 and 20 of this bill provide that the proposed budget does not take effect unless the units’ owners ratify the proposed budget. If the proposed budget is not ratified, the most recently ratified budget continues in effect.
Section 19 also revises provisions governing special assessments by: (1) removing provisions which specifically authorize the executive board to impose necessary and reasonable assessments to carry out a plan to adequately fund the reserves of the association without seeking or obtaining the approval of the units’ owners; (2) providing that an assessment to fund the reserves of the association may not exceed $35 per unit per month; and (3) requiring the approval of the units’ owners for capital expenditures exceeding a certain amount and for any visible changes to the interior or exterior of a common element.

Section 20 prohibits the association from charging fees to cover the costs of collecting a past due obligation unless the executive board has proposed, and a majority of the units’ owners who cast votes have approved, a collection policy. Section 20 also requires the collection policy of the association to establish a certain period after which a delinquent fee, fine, assessment or cost may be referred for collection.

Existing law requires an association to conduct a study of the reserves required to repair, replace and restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain. (NRS 116.31152) Section 21 of this bill prohibits the executive board from taking any action based on the study of the reserves, including, without limitation, establishing a funding plan to provide adequate funding for the required reserves, unless and until the executive board approves the study of the reserves at a meeting of the executive board. Section 21 also: (1) requires the reserve study to be made available to a unit’s owner in electronic format at no charge; and (2) provides for notice of the meeting to a unit’s owner.

Section 22 of this bill revises provisions governing the amount of the association’s lien which is prior to a first security interest on a unit.

Section 23 of this bill prohibits the foreclosure of an association’s lien and the filing of a civil action to obtain a judgment for the amount due if: (1) the foreclosure sale does not occur within 120 days after mailing the notice of default and election to sell; or (2) an agreement extending that period is not reached.

Existing law authorizes the association to foreclose its lien by sale of the unit and prescribes the procedures for such a foreclosure. (NRS 116.31162-116.31168) Section 22.5 of this bill revises provisions governing foreclosures by prohibiting the association from: (1) foreclosing its lien by sale based on delinquent assessments unless the amount of delinquent assessments exceeds a certain amount; and (2) foreclosing its lien by sale unless the executive board of the association authorizes the foreclosure in an executive session after providing notice of the meeting to a unit’s owner.

Section 24 of this bill revises provisions governing the access of a unit’s owner to the books, records and papers of an association and requires the
publication of the views or opinions of a unit’s owner in the association’s official newsletter under certain circumstances.

Existing law provides for a civil action if the executive board, a member of the executive board, a community manager or an officer, employee or agent of the association take, direct or encourage certain retaliatory action against a unit’s owner. (NRS 116.31183) **Section 25** of this bill specifies certain actions which constitute retaliatory action.

**Section 26** of this bill prohibits an association from charging a fee to a unit’s owner to obtain approval for the installation of drought tolerant landscaping.

**Section 27** of this bill replaces the authorization of an executive board to approve the renting or leasing of a unit under certain circumstances with a provision requiring the executive board to grant such approval under certain circumstances.

**Section 28** of this bill: (1) prohibits the executive board and the governing documents from interfering with the parking of an automobile, privately owned standard pickup truck, motorcycle or certain other vehicles; and (2) requires the association of a common-interest community which is not gated or enclosed to display signs on or near any property on which parking is prohibited or restricted.

**Existing law requires the association to provide a statement of any transfer fees, transaction fees or any other fees associated with the resale of a unit in the resale package which is provided to a potential purchaser of a unit. (NRS 116.4109)** Section 28.5 of this bill establishes a limit of not more than $50 on a fee charged to a unit’s owner to record the transfer of a unit in the records of the association or its community manager.

**Sections 29 and 33** of this bill revise provisions governing mediation and arbitration of claims relating to the interpretation, application or enforcement of certain governing documents by authorizing a civil action concerning certain claims to be commenced without submitting the claims to mediation or arbitration. **Section 29** also authorizes a civil action concerning a violation of existing law governing common-interest communities to be brought by a tenant or an invitee of a unit’s owner or a tenant.

**Sections 31 and 32** of this bill require the sharing of information by the parties to an affidavit filed with the Division alleging a violation of existing law governing common-interest communities.

**Section 34** of this bill revises provisions governing the mediation and arbitration of certain claims relating to the governing documents by: (1) prohibiting the findings of a mediator or arbitrator from being admitted in a civil action; (2) limiting the fees of a mediator or an arbitrator to $750; (3) requiring each party to a mediation or arbitration to pay an equal percentage of the fees of a mediator or arbitrator; (4) providing that a party to a mediation or arbitration is not liable for the costs and attorney’s fees incurred
by another party during the mediation or arbitration; and (5) providing for the removal of a mediator or arbitrator under certain circumstances.

Existing law provides that a collection agency which violates the federal Fair Debt Collection Practices Act, 15 U.S.C. §§ 1692 et seq., or any regulation adopted pursuant thereto violates the provisions in existing state law relating to collection agencies. (NRS 649.370) Section 34.5 of this bill provides that a collection agency which violates the federal Fair Debt Collection Practices Act with respect to any debt owed to an association by a unit’s owner is deemed to violate existing state law relating to collection agencies.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 116 of NRS is hereby amended by adding thereto a new section to read as follows:

Sec. 1.3. “Costs of collecting” includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a notice of default and election to sell or notice of foreclosure sale or a rescission thereof, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association incurs for the investigation, enforcement or collection of a past due obligation. The term does not include attorney’s fees incurred by an association because the unit’s owner has filed a bankruptcy petition pursuant to Title 11 of the United States Code.

Sec. 1.5. 1. If the Administrator has reasonable cause to believe that any person or executive board has engaged in any activity in violation of any provision of this chapter, any regulation adopted pursuant thereto or any order, decision, demand or requirement of the Commission or Division or a hearing panel, or is about to commit such a violation, and that the violation or potential violation has caused or is likely to cause irreversible harm, the Administrator may issue an order directing the person or executive board to desist and refrain from continuing to commit the violation or from doing any act in furtherance of the violation.

2. Within 30 days after the receipt of such an order, the person may file a verified petition with the Administrator for a hearing before the Commission.

3. The Commission shall hold a hearing at the next regularly scheduled meeting of the Commission. If the Commission fails to hold such a hearing, or does not render a written decision within 30 days after the hearing, the cease and desist order is rescinded.

4. The decision of the Commission at a hearing held pursuant to subsection 3 is a final decision for the purposes of judicial review.

Sec. 1.7. NRS 116.003 is hereby amended to read as follows:
116.003 As used in this chapter and in the declaration and bylaws of an association, unless the context otherwise requires, the words and terms defined in NRS 116.005 to 116.095, inclusive, and section 1.3 of this act have the meanings ascribed to them in those sections.

Sec. 2. NRS 116.2111 is hereby amended to read as follows:

116.2111 1. Except as otherwise provided in this section and subject to the provisions of the declaration and other provisions of law, a unit’s owner:
(a) May make any improvements or alterations to his or her unit that do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community;
(b) May not change the appearance of the common elements, or the exterior appearance of a unit or any other portion of the common-interest community, without permission of the association; and
(c) After acquiring an adjoining unit or an adjoining part of an adjoining unit, may remove or alter any intervening partition or create apertures therein, even if the partition in whole or in part is a common element, if those acts do not impair the structural integrity or mechanical systems or lessen the support of any portion of the common-interest community. Removal of partitions or creation of apertures under this paragraph is not an alteration of boundaries.

2. An association may not:
(a) Restrict, prohibit or otherwise impede the lawful rights of a unit’s owner, and the children or parents of a unit’s owner, to have reasonable access to his or her unit, unless directed otherwise by the unit’s owner.
(b) Charge any fee for a person to enter the common-interest community to provide services to a unit, a unit’s owner or a tenant of a unit’s owner or for any visitor to the common-interest community or invitee of a unit’s owner or a tenant of a unit’s owner to enter the common-interest community.
(c) Unreasonably restrict, prohibit or withhold approval for a unit’s owner to add to a unit:
(1) Improvements such as ramps, railings or elevators that are necessary to improve access to the unit for any occupant of the unit who has a disability;
(2) Additional locks to improve the security of the unit;
(3) Shutters to improve the security of the unit or to reduce the costs of energy for the unit; or
(4) A system that uses wind energy to reduce the costs of energy for the unit if the boundaries of the unit encompass 2 acres or more within the common-interest community.
(d) With regard to approving or disapproving any improvement or alteration made to a unit, act in violation of any state or federal law.
(e) Charge any fee to a unit’s owner for obtaining permission to change the exterior appearance of a unit or the landscaping associated with a unit.
(f) Restrict in a manner which violates the provisions of 47 C.F.R. § 1.4000 the installation, maintenance or use of any antenna or other device described in that section.

(g) Prohibit or unreasonably restrict a unit’s owner from installing and using a clothesline within the boundaries of his or her unit.

3. Any improvement or alteration made pursuant to subsection 2 that is visible from any other portion of the common-interest community must be installed, constructed or added in accordance with the procedures set forth in the governing documents of the association and must be selected or designed to the maximum extent practicable to be compatible with the style of the common-interest community.

4. An association may not unreasonably restrict, prohibit or withhold approval for a unit’s owner to add shutters to improve the security of the unit or to reduce the costs of energy for the unit, including, without limitation, rolling shutters, that are attached to a portion of an interior or exterior window, interior or exterior door or interior or exterior wall which is not part of the unit and which is a common element or limited common element if:
   (a) The portion of the window, door or wall to which the shutters are attached is adjoining the unit; and
   (b) The shutters must necessarily be attached to that portion of the window, door or wall during installation to achieve the maximum benefit in improving the security of the unit or reducing the costs of energy for the unit.

5. If a unit’s owner adds shutters pursuant to subsection 4, the unit’s owner is responsible for the maintenance of the shutters.

6. For the purposes of subsection 4, a covenant, restriction or condition which does not unreasonably restrict the addition of shutters and which is contained in the governing documents of a common-interest community or a policy established by a common-interest community is enforceable so long as the covenant, restriction or condition was:
   (a) In existence on July 1, 2009; or
   (b) Contained in the governing documents in effect on the close of escrow of the first sale of a unit in the common-interest community.

7. A unit’s owner may not add to the unit a system that uses wind energy as described in subparagraph 4 of paragraph (c) of subsection 2 unless the unit’s owner first obtains the written consent of each owner of property within 300 feet of any boundary of the unit.

Sec. 3. NRS 116.3102 is hereby amended to read as follows:

116.3102 1. Except as otherwise provided in this section, and subject to the provisions of the declaration, the association may do any or all of the following:

(g) Cause additional improvements to be made as a part of the common elements.

(h) Acquire, hold, encumber and convey in its own name any right, title or interest to real estate or personal property, but:

(i) Grant easements, leases, licenses and concessions through or over the common elements.

(j) Impose and receive any payments, fees or charges for the use, rental or operation of the common elements, other than limited common elements described in subsections 2 and 4 of NRS 116.2102, and for services provided to the units’ owners, including, without limitation, any services provided pursuant to NRS 116.310312.

(k) Impose collection costs and charges for late payment of assessments pursuant to NRS 116.3115.

(l) Impose construction penalties when authorized pursuant to NRS 116.310305.

(r) Exercise all other powers that may be exercised in this State by legal entities of the same type as the association.

(s) Direct the removal of vehicles improperly parked on property owned or leased by the association, as authorized pursuant to NRS 487.038, or improperly parked on any road, street, alley or other thoroughfare within the common-interest community in violation of the governing documents. In addition to complying with the requirements of NRS 487.038 and any requirements in the governing documents, if any vehicle, regardless of the person who owns the vehicle, is improperly parked as described in this paragraph, the association must post written notice in a conspicuous place on the vehicle or provide oral or written notice to the owner or operator of the vehicle at least 48 hours before the association may direct the removal of the vehicle, unless the vehicle:

1. Is blocking a fire hydrant or fire lane; or parking space designated for the handicapped; or

2. Poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community.

(t) Exercise any other powers necessary and proper for the governance and operation of the association.

2. The declaration may not impose limitations on the power of the association to deal with the declarant which are more restrictive than the limitations imposed on the power of the association to deal with other persons.

3. Notwithstanding any provision of this chapter or the governing documents to the contrary, an association may not impose any assessment pursuant to this chapter or the governing documents on the owner of any property in the common-interest community that is exempt from taxation pursuant to NRS 361.125. For the purposes of this subsection, “assessment” does not include any charge for any utility services, including, without limitation, telecommunications, broadband communications, cable television, electricity, natural gas, sewer services, garbage collection, water or for any other service which is delivered to and used or consumed directly by the property in the common-interest community that is exempt from taxation pursuant to NRS 361.125.

Sec. 4. NRS 116.3103 is hereby amended to read as follows:

116.3103 1. Except as otherwise provided in the declaration, the bylaws, this section or other provisions of this chapter, the executive board may act in all instances on behalf of the association. In the performance of their duties, the officers and members of the executive board are fiduciaries and shall act on an informed basis, in good faith and in the honest belief that their actions are in the best interest of the association. The members of the executive board are required to exercise the ordinary and reasonable care of directors of a corporation, subject to the business-judgment rule.
2. The executive board may not act on behalf of the association to amend the declaration, to terminate the common-interest community, or to elect members of the executive board or determine their qualifications, powers and duties or terms of office, but the executive board may fill vacancies in its membership for the unexpired portion of any term if the executive board is able to obtain a quorum pursuant to subsection 3 of NRS 116.3109 unless the governing documents provide that a vacancy on the executive board must be filled by a vote of the membership of the association. If the executive board is authorized to fill vacancies in its membership pursuant to this subsection, the executive board may not appoint to the executive board a person who has been removed from the executive board pursuant to NRS 116.31036 within the immediately preceding 6 years.

3. Notwithstanding the provisions of NRS 116.31175, 116.31177 and 116.3118, upon the request of a member of the executive board, the association shall make available to the member of the executive board, at no charge, the books, records and other papers of the executive board and the association, including, without limitation, records, invoices, contracts, agreements, letters of instruction issued by the Division, correspondence between a unit’s owner and the community manager, notices of violations, financial records, bank statements, personnel records, employment contracts, reserve studies, notices of delinquent assessments and notices of default and election to sell mailed pursuant to NRS 116.31162, architectural plans and specifications submitted by a unit’s owner, minutes of executive sessions of the executive board, voice recordings and any other book, record or paper created by the executive board or the association, its agents or a member of the executive board acting in the course and scope of his or her duties as a member of the executive board.

4. If the Commission, a mediator or an arbitrator who conducts a mediation or arbitration pursuant to NRS 38.300 to 38.360, inclusive, or a court finds that the executive board has committed a violation of any provision of the governing documents, this chapter, any regulation adopted pursuant thereto or any order of the Commission or a hearing panel, the executive board must notify the units’ owners of the findings by mailing a statement of the findings to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by a unit’s owner.

5. Notwithstanding any provision of this chapter or the governing documents, if the executive board is unable to obtain a quorum pursuant to subsection 3 of NRS 116.3109 because of vacancies on the executive board, the association must, within 30 days, hold a meeting of the units’ owners for the purpose of conducting an election to fill such vacancies as necessary to provide a quorum for the executive board. The meeting and election must be conducted in the following manner:

(a) Not later than 10 days in advance of the meeting, the secretary or other officer specified in the bylaws shall cause notice of the meeting to be
hand-delivered, sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit's owner or, if the association offers to send notice by electronic mail, sent by electronic mail at the request of the unit's owner to an electronic mail address designated in writing by the unit's owner. The notice of the meeting must state the time and place of the meeting and that the meeting is being held for the purpose of filling vacancies on the executive board. The notice must include notification of the right of a unit's owner to:

(1) Have a copy of the minutes or a summary of the minutes of the meeting provided to the unit's owner upon request, in electronic format at no charge to the unit's owner or, if the association is unable to provide the copy or summary in electronic format, in paper format at a cost not to exceed 25 cents per page for the first 10 pages, and 10 cents per page thereafter.

(2) Speak to the association regarding the election to fill vacancies on the executive board.

(b) At the meeting:

(1) A quorum of the units' owners is not required for the nomination of any candidate to fill a vacancy on the executive board or for the election to fill the vacancy.

(2) A units' owner may attend the meeting in person or by proxy. The provisions of NRS 116.311 apply to the use of proxies at the meeting.

(3) The units' owners present in person or by proxy shall nominate candidates to fill such vacancies on the executive board as are necessary to create a quorum for the executive board.

(4) After nominations are taken, the election to fill a vacancy must be conducted by secret written ballot.

(5) The secret written ballots must be opened and counted at the meeting and the candidate receiving a majority of the votes cast for that seat on the executive board is elected to the executive board for the period provided in paragraph (d).

(c) The provisions of subsections 8, 9, 11 and 12 of NRS 116.3108 regarding the minutes of the meeting and the recording of the meeting by a unit's owner are applicable to the meeting.

(d) Upon the election of members to the executive board pursuant to this subsection:

(1) A candidate elected to the executive board pursuant to this subsection is elected for a term of 90 days, except that if the regular election for that seat on the executive board must be conducted within 180 days after the candidate’s election, the candidate is elected for the unexpired portion of the term.

(2) The executive board may not fill any vacancy remaining after the election but, within 90 days after the election pursuant to this subsection, must call for an election to be conducted pursuant to NRS 116.31034 to fill:
(I) Each remaining vacancy for which a regular election is not required within 180 days; and

(II) The seats on the executive board which were filled pursuant to this subsection, unless an election for such a seat is required to be conducted within 180 days.

6. If, at an election conducted pursuant to subsection 5, the units’ owners do not fill a sufficient number of vacancies on the executive board to provide a quorum for the executive board, the Division must apply to a court of competent jurisdiction for the appointment of a receiver for the association. In the application for the appointment of the receiver, notice of a temporary appointment of a receiver may be given to the association alone, by process as in the case of an application for a temporary restraining order or injunction. The hearing thereon may be had after 5 days’ notice unless the court directs a longer or different notice and different parties. The court may appoint one or more receivers to carry out the business of the association. The members of the executive board must be preferred in making the appointment. The powers of any receiver appointed pursuant to this subsection may be continued as long as the court deems necessary and proper. At any time, for sufficient cause, the court may order the receivership terminated. Any receiver appointed pursuant to this subsection has, among the usual powers, all the functions, powers, tenure and duties to be exercised under the direction of the court as are conferred on receivers and as provided in NRS 78.635, 78.640 and 78.645, whether or not the association is insolvent. Such powers include, without limitation, the powers to:

(a) Take charge of the estate and effects of the association;

(b) Appoint an agent or agents;

(c) Collect any debts and property due and belonging to the association and prosecute and defend, in the name of the association, or otherwise, any civil action as may be necessary or proper for the purposes of collecting debts and property;

(d) Perform any other act in accordance with the governing documents of the association and this chapter that may be necessary for the association to carry out its obligations; and

(e) By injunction, restrain the association from exercising any of its powers or doing business in any way except by and through a receiver appointed by the court.

Sec. 5. NRS 116.310305 is hereby amended to read as follows:

116.310305 1. A unit’s owner shall adhere to a schedule required by the association for:

(a) The completion of the design of a unit or the design of an improvement to a unit;

(b) The commencement of the construction of a unit or the construction of an improvement to a unit;
The completion of the construction of a unit or the construction of an improvement to the unit; or

(d) The issuance of a permit which is necessary for the occupancy of a unit or for the use of an improvement to a unit.

2. Except as otherwise provided by subsection 3, the association may impose and enforce a construction penalty against a unit’s owner who fails to adhere to a schedule as required pursuant to subsection 1 if:

(a) The maximum amount of the construction penalty and the schedule are set forth in:

(1) The declaration;

(2) Another document related to the common-interest community that is recorded before the date on which the unit’s owner acquired title to the unit; or

(3) A contract between the unit’s owner and the association; and

(b) The unit’s owner receives notice of the alleged violation which informs the unit’s owner that he or she has a right to a hearing on the alleged violation.

3. The association may not impose or enforce a construction penalty against a unit’s owner pursuant to subsection 2 if the failure to adhere to the schedule as required pursuant to subsection 1 is caused by circumstances beyond the control of the unit’s owner.

4. For the purposes of this chapter, a construction penalty is not a fine.

Sec. 6. NRS 116.31031 is hereby amended to read as follows:

116.31031 1. Except as otherwise provided in this section, if a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant violates any provision of the governing documents of an association, the executive board may, if the governing documents so provide:

(a) Prohibit, for a reasonable time, the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from:

(1) Voting on matters related to the common-interest community.

(2) Using the specific common elements to which the violation relates, if the violation relates to a common element. The provisions of this subparagraph do not prohibit the executive board from prohibiting a unit’s owner from using the common elements if the unit’s owner is delinquent in the payment of any assessment and do not prohibit the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant from using any vehicular or pedestrian ingress or egress to go to or from the unit, including any area used for parking.

(b) Impose a fine against the unit’s owner or the tenant or the invitee of the unit’s owner or the tenant for each violation, except that:

(1) A fine may not be imposed for a violation that is the subject of a construction penalty pursuant to NRS 116.310305; and

(2) A fine may not be imposed against a unit’s owner or a tenant or invitee of a unit’s owner or a tenant for a violation of the governing documents which involves a vehicle and which is committed by a person
who is delivering goods to, or performing services for, the unit’s owner or tenant or invitee of the unit’s owner or the tenant.

If the violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents. If the violation does not pose an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units’ owners or residents of the common-interest community, the amount of the fine must be commensurate with the severity of the violation and must be determined by the executive board in accordance with the governing documents, but the amount of the fine must not exceed $100 for each violation or a total amount of $1,000, whichever is less.

During the lifetime of the unit’s owner and any successor in interest who is the spouse of the unit’s owner, the total amount of fines imposed against the unit’s owner and the successor in interest must not exceed $2,500. The limitations on the amount of the fine do not apply to any charges or costs that may be collected by the association pursuant to this section if the fine becomes past due.

2. Notwithstanding any other provision of this chapter, the executive board may not impose a fine pursuant to subsection 1 against a unit’s owner or a tenant or an invitee of a unit’s owner or a tenant if the executive board of another association has imposed a fine against the unit’s owner, tenant or invitee for the same action, or failure to act, on the part of the unit’s owner, tenant or invitee.

3. The executive board may not impose a fine pursuant to subsection 1 against a unit’s owner for a violation of any provision of the governing documents of an association committed by an invitee of the unit’s owner or the tenant unless the unit’s owner:
   (a) Participated in or authorized the violation;
   (b) Had prior notice of the violation; or
   (c) Had an opportunity to stop the violation and failed to do so.

4. The executive board may not impose a fine pursuant to subsection 1 unless:
   (a) Not less than 30 days before the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed had been provided with written notice of the applicable provisions of the governing documents that form the basis of the alleged violation; and
   (b) Within a reasonable time after the discovery of the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed has been provided with:
      (1) Written notice specifying the details of the alleged violation, the location of the alleged violation, the amount of the fine, and the date, time and location for a hearing on the violation; and
(2) A reasonable opportunity to contest the alleged violation at the hearing.

For the purposes of this subsection, a unit’s owner shall not be deemed to have received written notice unless written notice is mailed to the address of the unit and, if different, to a mailing address specified by the unit’s owner.

5. The executive board must schedule the date, time and location for the hearing on the alleged violation so that the unit’s owner and, if different, the person against whom the fine will be imposed is provided with a reasonable opportunity to prepare for the hearing and to be present at the hearing.

A hearing may be postponed if the unit’s owner or, if different, the person against whom the fine will be imposed presents to the executive board or an officer of the association medical documentation indicating that he or she is unable to participate in the hearing for medical reasons. At the hearing on the alleged violation, the unit’s owner and, if different, the person against whom the fine will be imposed may be represented by an attorney or any other representative. Notwithstanding any other provision of this chapter, the cost of an attorney representing the association or executive board at a hearing pursuant to this section may not be charged to the unit’s owner or other person against whom the fine will be imposed.

6. The executive board must hold a hearing before it may impose the fine, unless the fine is paid before the hearing or unless the unit’s owner and, if different, the person against whom the fine will be imposed:
   (a) Executes a written waiver of the right to the hearing; or
   (b) Fails to appear at the hearing after being provided with proper notice of the hearing.

6. If a fine is imposed pursuant to subsection 1 and the violation is not cured within 14 days, or within any longer period that may be established by the executive board, the violation shall be deemed a continuing violation. Thereafter, the executive board may impose an additional fine for the violation for each 7-day period or portion thereof that the violation is not cured. Any additional fine may be imposed without notice and an opportunity to be heard.

7. If the governing documents so provide, the executive board may appoint a committee, with not less than three members, to conduct hearings on violations and to impose fines pursuant to this section. While acting on behalf of the executive board for those limited purposes, the committee and its members are entitled to all privileges and immunities and are subject to all duties and requirements of the executive board and its members.

8. A member of the executive board shall not participate in any hearing or cast any vote relating to a fine imposed pursuant to subsection 1 if the member has not paid all assessments which are due to the association by the member. If a member of the executive board:
   (a) Participates in a hearing in violation of this subsection, any action taken at the hearing is void.
(b) Casts a vote in violation of this subsection, the vote is void.

9. If a unit's owner or, if different, a person against whom a fine was imposed pursuant subsection 1 files a claim with the Division pursuant to NRS 38.320 which alleges that the executive board violated a provision of the governing documents in connection with the imposition of the fine, the imposition and collection of the fine is stayed until the conclusion of mediation or, if applicable, the issuance of an arbitration decision. If a unit's owner or, if different, a person against whom a fine was imposed pursuant to subsection 1 files an affidavit with the Division pursuant to NRS 116.760 which alleges that the executive board violated a provision of the governing documents in connection with the imposition of the fine, the imposition and collection of the fine is stayed until the resolution of the matter pursuant to subsection 1 of NRS 116.785, the issuance of a decision by the Division to not file a formal complaint pursuant to subsection 5 of NRS 116.765 or the final decision of the Commission, whichever is applicable.

10. The provisions of this section establish the minimum procedural requirements that the executive board must follow before it may impose a fine. The provisions of this section do not preempt any provisions of the governing documents that provide greater procedural protections.

11. Any past due fine must not bear interest, but may include any costs incurred by the association during a civil action to enforce the payment of the past due fine.

12. If requested by a person upon whom a fine was imposed, not later than 60 days after receiving any payment of a fine, an association shall provide to the person upon whom the fine was imposed a statement of the remaining balance owed.

Sec. 7. NRS 116.310312 is hereby amended to read as follows:

116.310312 1. A person who holds a security interest in a unit must provide the association with the person’s contact information as soon as reasonably practicable, but not later than 30 days after the person:

(a) Files an action for recovery of a debt or enforcement of any right secured by the unit pursuant to NRS 40.430; or

(b) Records or has recorded on his or her behalf a notice of a breach of obligation secured by the unit and the election to sell or have the unit sold pursuant to NRS 107.080.

2. If an action or notice described in subsection 1 has been filed or recorded regarding a unit and the association has provided the unit’s owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may, but is not required to, enter the grounds of the unit, whether or not the unit is vacant, to take any of the following actions if the unit’s owner refuses or fails to take any action or comply with any requirement imposed on the unit’s owner within the time specified by the association as a result of the hearing:
(a) Maintain the exterior of the unit in accordance with the standards set forth in the governing documents, including, without limitation, any provisions governing maintenance, standing water or snow removal. The authorization to enter the grounds of the unit for the purposes set forth in this paragraph continues until the unit's owner or an agent of the unit's owner performs the maintenance necessary to maintain the exterior of the unit in accordance with the standards set forth in the governing documents.

(b) Remove or abate a public nuisance on the exterior of the unit which:

1. Is visible from any common area of the community or public streets;
2. Threatens the health or safety of the residents of the common-interest community;
3. Results in blighting or deterioration of the unit or surrounding area; and
4. Adversely affects the use and enjoyment of nearby units.

3. If a unit is vacant and the association has provided the unit's owner with notice and an opportunity for a hearing in the manner provided in NRS 116.31031, the association, including its employees, agents and community manager, may enter the grounds of the unit to maintain the exterior of the unit or abate a public nuisance as described in subsection 2 if the unit's owner refuses or fails to do so.

4. The association may order that the costs of any maintenance or abatement conducted pursuant to subsection 2 or 3, including, without limitation, reasonable inspection fees, notification and collection costs and interest, be charged against the unit. The association shall keep a record of such costs and interest charged against the unit and has a lien on the unit for any unpaid amount of the charges. The lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

5. A lien described in subsection 4 bears interest from the date that the charges become due at a rate determined pursuant to NRS 17.130 until the charges, including all interest due, are paid.

6. Subject to the limitations provided in NRS 116.3116, a lien described in subsection 4 is prior and superior to all liens, claims, encumbrances and titles other than the liens described in paragraphs (a) and (c) of subsection 2 of NRS 116.3116.

If the federal regulations of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior and superior to other security interests shall be determined in accordance with those federal regulations. Notwithstanding the federal regulations, the period of priority of the lien must not be less than the 6 months immediately preceding the institution of an action to enforce the lien.

7. A person who purchases or acquires a unit at a foreclosure sale pursuant to NRS 40.430 or a trustee's sale pursuant to NRS 107.080 is bound by the governing documents of the association and shall maintain the exterior
8. Notwithstanding any other provision of law, an association, its directors or members of the executive board, employees, agents or community manager who enter the grounds of a unit pursuant to this section are not liable for trespass.

9. As used in this section:
   (a) “Exterior of the unit” includes, without limitation, all landscaping outside of a unit and the exterior of all property exclusively owned by the unit owner.
   (b) “Vacant” means a unit:
      (1) Which reasonably appears to be unoccupied;
      (2) On which the owner has failed to maintain the exterior to the standards set forth in the governing documents the association; and
      (3) On which the owner has failed to pay assessments for more than 60 days.

Sec. 8. NRS 116.310313 is hereby amended to read as follows:

116.310313  1. If the governing documents authorize an association pursuant to subsection 4 of NRS 116.31151, an association may authorize to charge a unit’s owner reasonable fees to cover the costs of collecting a past due obligation. The Commission shall adopt regulations establishing the amount of the fees that an association may charge pursuant to this section, the governing documents may not authorize the association to charge the unit’s owner for any costs of collecting other than costs relating to filing, recording, title searches, bankruptcy searches and postage. The rate established by the association for the costs of collecting the past due obligation:
   (a) May not exceed $40, if the outstanding balance is less than $200.
   (b) May not exceed $75, if the outstanding balance is $200 or more but is less than $500.
   (c) May not exceed $125, if the outstanding balance is $500 or more but is less than $1,000.
   (d) May not exceed $250, if the outstanding balance is $1,000 or more but is less than $5,000.
   (e) May not exceed $500, if the outstanding balance is $5,000 or more.

2. An association or a community manager may not charge a unit’s owner, or require a unit’s owner to pay, a fee of more than:
   (a) Fifty dollars for transferring an account for the collection of a past due obligation to another person; and
   (b) Twenty-five dollars for changing the name of the unit’s owner on the account for the collection of a past due obligation.
3. An association may not transfer an account for the collection of a past due fine for a violation of the governing documents to any person other than an officer or employee of the association or the community manager. If an association transfers an account for the collection of a past due fine for a violation of the governing documents to the community manager of the association, the community manager may not transfer the account to any person other than an officer or employee of the community manager.

4. Each written attempt to collect from a unit’s owner a past due obligation which is more than 60 days past due in which the association or its authorized agent expresses an intent to engage in further collection activity if the unit’s owner fails to pay the total amount due must include:
   (a) A statement of the current amount due; and
   (b) A schedule of the amount of the fees, costs, charges or other amounts which may be charged to the unit’s owner if the unit’s owner fails to pay the total amount due.

For the purposes of this subsection, providing a standard monthly statement or a coupon book is not an attempt to collect a past due obligation.

5. The provisions of this section apply to any costs of collecting a past due obligation charged to a unit’s owner, regardless of whether the past due obligation is collected by the association itself or by any person acting on behalf of the association, including, without limitation, an officer or employee of the association, a community manager or a collection agency.

6. As used in this section:
   (a) “Costs of collecting” includes any fee, charge or cost, by whatever name, including, without limitation, any collection fee, filing fee, recording fee, fee related to the preparation, recording or delivery of a lien or lien rescission, title search lien fee, bankruptcy search fee, referral fee, fee for postage or delivery and any other fee or cost that an association charges a unit’s owner for the investigation, enforcement or collection of a past due obligation. The term does not include any costs incurred by an association if a lawsuit is filed to enforce any past due obligation or any costs awarded by a court.
   (b) “Obligation” means any assessment, fine, construction penalty, fee, charge or interest levied or imposed against a unit’s owner pursuant to any provision of this chapter or the governing documents.
   (b) “Outstanding balance” means the amount of a past due obligation that remains unpaid before any interest, charges for late payment or costs of collecting the past due obligation are added.

Sec. 9. NRS 116.31034 is hereby amended to read as follows:

116.31034 1. Except as otherwise provided in subsection 5 of NRS 116.212, not later than the termination of any period of declarant’s control, the units’ owners shall elect an executive board of at least three members, all of whom must be units’ owners. The executive board shall elect
the officers of the association. Unless the governing documents provide otherwise, the officers of the association are not required to be units’ owners. The members of the executive board and the officers of the association shall take office upon election. **If two persons reside together in a unit, are married to each other or are related by blood, adoption or marriage, within the first degree of consanguinity or affinity, and if one of those persons is an officer of the association or a member of the executive board, the other person may not be an officer of the association or a member of the executive board.**

2. The term of office of a member of the executive board may not exceed 3 years, except for members who are appointed by the declarant. Unless the governing documents provide otherwise, there is no limitation on the number of terms that a person may serve as a member of the executive board.

3. The governing documents of the association must provide for terms of office that are staggered in such a manner that, to the extent possible, an equal number of members of the executive board are elected at each election. The provisions of this subsection do not apply to:

   (a) Members of the executive board who are appointed by the declarant; and

   (b) Members of the executive board who serve a term of 1 year or less.

4. Not less than 30 days before the preparation of a ballot for the election of members of the executive board, the secretary or other officer specified in the bylaws of the association shall cause notice to be given to each unit’s owner of the unit’s owner’s eligibility to serve as a member of the executive board. Each unit’s owner who is qualified to serve as a member of the executive board may have his or her name placed on the ballot along with the names of the nominees selected by the members of the executive board or a nominating committee established by the association.

5. Before the secretary or other officer specified in the bylaws of the association causes notice to be given to each unit’s owner of his or her eligibility to serve as a member of the executive board pursuant to subsection 4, the executive board may determine that if, at the closing of the prescribed period for nominations for membership on the executive board, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board at the election, then the secretary or other officer specified in the bylaws of the association will cause notice to be given to each unit’s owner informing each unit’s owner that:

   (a) The association will not prepare or mail any ballots to units’ owners pursuant to this section and the nominated candidates shall be deemed to be duly elected to the executive board unless:

      (1) A unit’s owner who is qualified to serve on the executive board nominates himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection; and
(2) The number of units’ owners who submit such a nomination causes the number of candidates nominated for membership on the executive board to be greater than the number of members to be elected to the executive board.

(b) Each unit’s owner who is qualified to serve as a member of the executive board may nominate himself or herself for membership on the executive board by submitting a nomination to the executive board within 30 days after the notice provided by this subsection.

6. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is equal to or less than the number of members to be elected to the executive board, then:

(a) The association will not prepare or mail any ballots to units’ owners pursuant to this section;

(b) The nominated candidates shall be deemed to be duly elected to the executive board not later than 30 days after the date of the closing of the period for nominations described in subsection 5; and

(c) The association shall send to each unit’s owner notification that the candidates nominated have been elected to the executive board.

7. If the notice described in subsection 5 is given and if, at the closing of the prescribed period for nominations for membership on the executive board described in subsection 5, the number of candidates nominated for membership on the executive board is greater than the number of members to be elected to the executive board, then the association shall:

(a) Prepare and mail ballots to the units’ owners pursuant to this section; and

(b) Conduct an election for membership on the executive board pursuant to this section.

8. Each person who is nominated as a candidate for a member of the executive board pursuant to subsection 4 or 5 must:

(a) Make a good faith effort to disclose any financial, business, professional or personal relationship or interest that would result or would appear to a reasonable person to result in a potential conflict of interest for the candidate if the candidate were to be elected to serve as a member of the executive board; and

(b) Disclose whether the candidate is a member in good standing. For the purposes of this paragraph, a candidate shall not be deemed to be in “good standing” if the candidate has any unpaid and past due assessments or construction penalties that are required to be paid to the association.

The candidate must make all disclosures required pursuant to this subsection in writing to the association with his or her candidacy information. Except as otherwise provided in this subsection, the association shall distribute the disclosures, on behalf of the candidate, to each member of the association with the ballot or, in the event ballots are not prepared and

statement for that fiscal year to be audited by an independent certified public accountant if, within 180 days before the end of the fiscal year, 15 percent of the total number of voting members of the association submit a written request for such an audit.

3. The Commission shall adopt regulations prescribing the requirements for the auditing or reviewing of financial statements of an association pursuant to this section. Such regulations must include, without limitation:
(a) The qualifications necessary for a person to audit or review financial statements of an association; and
(b) The standards and format to be followed in auditing or reviewing financial statements of an association.

4. If a unit’s owner requests a copy of a review or audit performed pursuant to this section, the association must provide a copy of the review or audit to the unit’s owner in paper format or electronic format, whichever is requested by the unit’s owner, at no charge.

Sec. 19. NRS 116.3115 is hereby amended to read as follows:

116.3115 1. Until the association makes an assessment for common expenses, the declarant shall pay all common expenses. After an assessment has been made by the association, assessments must be made at least annually, based on a budget adopted [at least annually] by the association and ratified by the units’ owners at least annually in accordance with the requirements set forth in NRS 116.31151. Unless the declaration imposes more stringent standards, the budget must include a budget for the daily operation of the association and a budget for the reserves required by paragraph (b) of subsection 2.

2. Except for assessments under subsections 4 to 7, inclusive:
(a) All common expenses, including the reserves, must be assessed against all the units in accordance with the allocations set forth in the declaration pursuant to subsections 1 and 2 of NRS 116.2107.
(b) The association shall establish adequate reserves, funded on a reasonable basis, for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore. The reserves may be used only for those purposes, including, without limitation, repairing, replacing and restoring roofs, roads and sidewalks, and must not be used for daily maintenance or capital improvements. The association may comply with the provisions of this paragraph through a funding plan that is designed to allocate the costs for the repair, replacement and restoration of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore over a period of years if the funding plan is designed in an actuarially sound manner which will ensure that sufficient money is available when the repair, replacement and restoration of the major components of the common elements or any other portion of the common-interest community that the association is
obligated to maintain, repair, replace or restore are necessary. Notwithstanding any provision of this chapter or the governing documents to the contrary, a special assessment to establish adequate reserves pursuant to this paragraph, including, without limitation, to establish or carry out a funding plan, the executive board may, without seeking or obtaining the approval of the units’ owners, impose any necessary and reasonable assessments against the units in the common interest community. Any such assessments imposed by the executive board must be based on the study of the reserves of the association conducted pursuant to NRS 116.31152. May not exceed $35 per unit per month.

3. Any assessment for common expenses or installment thereof that is 60 days or more past due bears interest at a rate equal to the prime rate at the largest bank in Nevada as ascertained by the Commissioner of Financial Institutions on January 1 or July 1, as the case may be, immediately preceding the date the assessment becomes past due, plus 2 percent. The rate must be adjusted accordingly on each January 1 and July 1 thereafter until the balance is satisfied.

4. Except as otherwise provided in the governing documents:
   a) Any common expense associated with the maintenance, repair, restoration or replacement of a limited common element must be assessed against the units to which that limited common element is assigned, equally, or in any other proportion the declaration provides;
   b) Any common expense or portion thereof benefiting fewer than all of the units must be assessed exclusively against the units benefited; and
   c) The costs of insurance must be assessed in proportion to risk and the costs of utilities must be assessed in proportion to usage.

5. Assessments to pay a judgment against the association may be made only against the units in the common-interest community at the time the judgment was entered, in proportion to their liabilities for common expenses.

6. If any common expense is caused by the misconduct of any unit’s owner, the association may assess that expense exclusively against his or her unit.

7. The association of a common-interest community created before January 1, 1992, is not required to make an assessment against a vacant lot located within the community that is owned by the declarant.

8. If liabilities for common expenses are reallocated, assessments for common expenses and any installment thereof not yet due must be recalculated in accordance with the reallocated liabilities.

9. The association shall provide written notice to each unit’s owner of a meeting at which an assessment or expenditure for a capital improvement in an amount of $500 or more is to be considered or action is to be taken on such an assessment or expenditure at least 21 calendar days before the date of the meeting. An assessment for a capital improvement may not exceed $35 per unit per month.
10. In a common-interest community with less than 500 units, the association shall not make or cause to be made any visible changes to the interior or exterior of the common elements, including, without limitation, landscaping, unless:
   (a) At least 21 calendar days before a meeting of the units’ owners to consider and take action on the changes, the association provides written notice to each unit’s owner of the meeting; and
   (b) At the meeting, a majority of the units’ owners approve the changes by secret written ballot.

11. In a common-interest community:
   (a) With less than 150 units, the association shall not make an expenditure for a capital improvement of $7,500 or more unless a majority of the units’ owners who vote on such an expenditure approve the expenditure.
   (b) With at least 150 but less than 250 units, the association shall not make an expenditure for a capital improvement of $15,000 or more unless a majority of the units’ owners who vote on such an expenditure approve the expenditure.
   (c) With at least 250 but less than 500 units, the association shall not make an expenditure for a capital improvement of $25,000 or more unless a majority of the units’ owners who vote on such an expenditure approve the expenditure.
   (d) With 500 or more units, the association shall not make an expenditure for a capital improvement of $35,000 or more unless a majority of the units’ owners who vote on such an expenditure approve the expenditure.

12. As used in this section, “capital improvement” means an expenditure by the association for the construction of a new common element, an addition or improvement to an existing common element or the installation of landscaping where no landscaping previously existed.

Sec. 20. NRS 116.31151 is hereby amended to read as follows:
116.31151 1. Except as otherwise provided in subsection 2 and unless the declaration of a common-interest community imposes more stringent standards, the executive board shall, not less than 30 days or more than 60 days before the beginning of the fiscal year of the association, prepare and distribute to each unit’s owner a copy of:
   (a) The budget for the daily operation of the association. The budget must include, without limitation, the estimated annual revenue and expenditures of the association and any contributions to be made to the reserve account of the association.
   (b) The budget to provide adequate funding for the reserves required by paragraph (b) of subsection 2 of NRS 116.3115. The budget must include, without limitation:
       (1) The current estimated replacement cost, estimated remaining life and estimated useful life of each major component of the common elements.
and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(2) As of the end of the fiscal year for which the budget is prepared, the current estimate of the amount of cash reserves that are necessary, and the current amount of accumulated cash reserves that are set aside, to repair, replace or restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;

(3) A statement as to whether the executive board has determined or anticipates that the levy of one or more special assessments will be necessary to repair, replace or restore any major component of the common elements or any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore or to provide adequate funding for the reserves designated for that purpose; and

(4) A general statement describing the procedures used for the estimation and accumulation of cash reserves pursuant to subparagraph (2), including, without limitation, the qualifications of the person responsible for the preparation of the study of the reserves required by NRS 116.31152.

2. In lieu of distributing copies of the budgets of the association required by subsection 1, the executive board may distribute to each unit’s owner a summary of those budgets, accompanied by a written notice that:

(a) The budgets are available for review at the business office of the association or some other suitable location within the county where the common-interest community is situated or, if it is situated in more than one county, within one of those counties but not to exceed 60 miles from the physical location of the common-interest community; and

(b) Copies of the budgets will be provided upon request.

3. Within 60 days after adoption of any proposed budget for the common-interest community, the executive board shall:

(a) Cause a summary of the proposed budget to be sent, prepaid by United States mail, to the mailing address of each unit within the common-interest community or to any other mailing address designated in writing by the unit’s owner.

(b) Set a date for a meeting of the units’ owners to consider ratification of the proposed budget. The meeting must be not less than 14 days or more than 30 days after the mailing of the summaries. At the meeting, a committee of the units’ owners shall open and count only the secret written ballots that are returned to the association. A quorum is not required to be present when the secret written ballots are opened and counted. If, at that meeting, a majority of the units’ owners, or any larger vote specified in the declaration, reject the votes cast are cast in favor of ratifying the proposed budget, the proposed budget is ratified. If a quorum is not present, the
An association may not charge a unit’s owner the costs of collecting a past due obligation unless:

- (a) The responsibility of the executive board proposes a collection policy which includes, without limitation:
  - (1) The responsibility of the unit’s owner to pay an obligation in a timely manner;
  - (2) A provision that a fee, fine, assessment or cost may not be referred for collection unless the unit’s owner has not paid the fee, fine, assessment or cost within 60 days after the first day of the month following the month in which notice of the fee, fine, assessment or cost is sent or otherwise communicated to the unit’s owner or, if the amount of the fee, fine, assessment or cost is $1,000 or more, within 90 days after the period set forth in this paragraph; and
  - (3) The association’s rights concerning the collection of such fees, fines, assessments or costs if the unit’s owner fails to pay the fees, fines, assessments or costs in a timely manner within the period set forth in paragraph (a); and
  - (4) The rate established by the association for the costs of collecting a past due obligation.

- (b) Units’ owners constituting a majority of the votes cast approve the collection policy proposed by the executive board; and
- (c) The collection service for which the cost is incurred has been performed, except that the fees and costs associated with a release of a delinquent assessment lien may be charged to the unit’s owner at the time of the recording of the notice of a delinquent assessment lien.

Sec. 21. NRS 116.31152 is hereby amended to read as follows:

116.31152  1. The executive board shall:
- (a) At least once every 5 years, cause to be conducted a study of the reserves required to repair, replace and restore the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;
- (b) At least annually, review the results of that study to determine whether those reserves are sufficient; and
- (c) At least annually, make any adjustments to the association’s funding plan which the executive board deems necessary to provide adequate funding for the required reserves.
2. Except as otherwise provided in this subsection, the study of the reserves required by subsection 1 must be conducted by a person who holds a permit issued pursuant to chapter 116A of NRS. If the common-interest community contains 20 or fewer units and is located in a county whose population is 50,000 or less, the study of the reserves required by subsection 1 may be conducted by any person whom the executive board deems qualified to conduct the study.

3. The study of the reserves must include, without limitation:
   (a) A summary of an inspection of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore;
   (b) An identification of the major components of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore which have a remaining useful life of less than 30 years;
   (c) An estimate of the remaining useful life of each major component of the common elements and any other portion of the common-interest community that the association is obligated to maintain, repair, replace or restore identified pursuant to paragraph (b);
   (d) An estimate of the cost of maintenance, repair, replacement or restoration of each major component of the common elements and any other portion of the common-interest community identified pursuant to paragraph (b) during and at the end of its useful life; and
   (e) An estimate of the total annual assessment that may be necessary to cover the cost of maintaining, repairing, replacement or restoration of the major components of the common elements and any other portion of the common-interest community identified pursuant to paragraph (b), after subtracting the reserves of the association as of the date of the study, and an estimate of the funding plan that may be necessary to provide adequate funding for the required reserves.

4. Upon completion of the study of the reserves required by this section, the association shall notify the units’ owners that the study is available for review and make the study available in electronic format to a unit’s owner at no charge. Not earlier than 20 days after the association notifies the units’ owners of the completion of the study, the executive board must conduct a meeting of the executive board for the purpose of approving the study. Before approving the study at the meeting, the executive board shall accept, review and consider comments by the units’ owners in the manner required by NRS 116.31085. Notwithstanding any other provision of this chapter or the governing documents, the executive board may not take any actions based on the study, including, without limitation, establishing a funding plan to provide adequate funding for the reserves, unless and until the executive board approves the study at a meeting of the executive board.
5. A summary of the study of the reserves required by subsection 1 must be submitted to the Division not later than 45 days after the date that the executive board adopts the results of the study.

6. If a common-interest community was developed as part of a planned unit development pursuant to chapter 278A of NRS and is subject to an agreement with a city or county to receive credit against the amount of the residential construction tax that is imposed pursuant to NRS 278.4983 and 278.4985, the association that is organized for the common-interest community may use the money from that credit for the repair, replacement or restoration of park facilities and related improvements if:
   (a) The park facilities and related improvements are identified as major components of the common elements of the association; and
   (b) The association is obligated to repair, replace or restore the park facilities and related improvements in accordance with the study of the reserves required by subsection 1.

Sec. 22. NRS 116.3116 is hereby amended to read as follows:

116.3116 1. The association has a lien on a unit for any construction penalty that is imposed against the unit’s owner pursuant to NRS 116.310305, any assessment levied against that unit or any fines imposed against the unit’s owner from the time the construction penalty, assessment or fine becomes due. Unless the declaration otherwise provides, any penalties, fees, charges, late charges, fines and interest charged pursuant to paragraphs (j) to (n), inclusive, of subsection 1 of NRS 116.3102 are enforceable as assessments under this section. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

2. A lien under this section is prior to all other liens and encumbrances on a unit except:
   (a) Liens and encumbrances recorded before the recordation of the declaration and, in a cooperative, liens and encumbrances which the association creates, assumes or takes subject to;
   (b) A first security interest on the unit recorded before the date on which the assessment sought to be enforced became delinquent or, in a cooperative, the first security interest encumbering only the unit’s owner’s interest and perfected before the date on which the assessment sought to be enforced became delinquent; and
   (c) Liens for real estate taxes and other governmental assessments or charges against the unit or cooperative.

3. The lien under this section is also prior to all security interests described in paragraph (b) of subsection 2 to the extent of any charges incurred by the association on a unit pursuant to NRS 116.310312 and to the extent of the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115.
which would have become due in the absence of acceleration during the 9 months immediately preceding institution of an action to enforce the lien, unless federal regulations or underwriting guidelines adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien. If federal regulations or underwriting guidelines adopted by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association require a shorter period of priority for the lien, the period during which the lien is prior to all security interests described in paragraph (b) must be determined in accordance with those federal regulations or underwriting guidelines, except that notwithstanding the provisions of the federal regulations or underwriting guidelines, the period of priority for the lien must not be less than the 6 months immediately preceding institution of an action to enforce the lien. If title to a unit is acquired by a sale conducted pursuant to NRS 40.430 or 107.080 to obtain payment of a debt secured by a security interest described in paragraph (b) of subsection 2 and that debt was insured by the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association, the amount secured by the lien given priority over the security interests described in paragraph (b) of subsection 2 must not exceed the amount of common expenses and assessments authorized to be given such priority by the federal regulations or underwriting guidelines adopted by the entity which insured the debt.

4. The provisions of subsections 2 and 3 do not affect the priority of mechanics’ or materialmen’s liens, or the priority of liens for other assessments made by the association.

5. Unless the declaration otherwise provides, if two or more associations have liens for assessments created at any time on the same property, those liens have equal priority.

6. Recording of the declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for assessment under this section is required.

7. A lien for unpaid assessments is extinguished unless proceedings to enforce the lien are instituted within 3 years after the full amount of the assessments becomes due.

8. This section does not prohibit actions to recover sums for which subsection 1 creates a lien or prohibit an association from taking a deed in lieu of foreclosure.
A judgment or decree in any action brought under this section must include costs and reasonable attorney’s fees for the prevailing party.

The association, upon written request, shall furnish to a unit’s owner a statement setting forth the amount of unpaid assessments against the unit. If the interest of the unit’s owner is real estate or if a lien for the unpaid assessments may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the statement must be in recordable form. The statement must be furnished within 10 business days after receipt of the request and is binding on the association, the executive board and every unit’s owner.

In a cooperative, upon nonpayment of an assessment on a unit, the unit’s owner may be evicted in the same manner as provided by law in the case of an unlawful holdover by a commercial tenant, and:

(a) In a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, the association’s lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

(b) In a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105, the association’s lien:

(1) May be foreclosed as a security interest under NRS 104.9101 to 104.9709, inclusive; or

(2) If the declaration so provides, may be foreclosed under NRS 116.31162 to 116.31168, inclusive.

Sec. 22.5. NRS 116.31162 is hereby amended to read as follows:

116.31162  1.  Except as otherwise provided in subsections 4 and 5, in a condominium, in a planned community, in a cooperative where the owner’s interest in a unit is real estate under NRS 116.1105, or in a cooperative where the owner’s interest in a unit is personal property under NRS 116.1105 and the declaration provides that a lien may be foreclosed under NRS 116.31162 to 116.31168, inclusive, the association may foreclose its lien by sale after all of the following occur:

(a) The association has mailed by certified or registered mail, return receipt requested, to the unit’s owner or his or her successor in interest, at his or her address, if known, and at the address of the unit, a notice of delinquent assessment which states the amount of the assessments and other sums which are due in accordance with subsection 1 of NRS 116.3116, a description of the unit against which the lien is imposed and the name of the record owner of the unit.

(b) Before the association records the notice of default and election to sell in the manner required by paragraph (c), the executive board authorizes the foreclosure of the association’s lien by sale by a majority vote of the members of the executive board which is recorded in the minutes of the meeting at which such action is taken.

(c) Not less than 30 days after mailing the notice of delinquent assessment pursuant to paragraph (a), the association or other person conducting the sale has executed and caused to be recorded, with the county recorder of the county in which the common-interest community or any part of it is situated,
a notice of default and election to sell the unit to satisfy the lien which must contain the same information as the notice of delinquent assessment and which must also comply with the following:

1. Describe the deficiency in payment.
2. State the name and address of the person authorized by the association to enforce the lien by sale.
3. Contain, in 14-point bold type, the following warning:

WARNING! IF YOU FAIL TO PAY THE AMOUNT SPECIFIED IN THIS NOTICE, YOU COULD LOSE YOUR HOME, EVEN IF THE AMOUNT IS IN DISPUTE!

(d) The unit's owner or his or her successor in interest has failed to pay the amount of the lien, including costs, fees and expenses incident to its enforcement, for 90 days following the recording of the notice of default and election to sell.

2. The notice of default and election to sell must be signed by the person designated in the declaration or by the association for that purpose or, if no one is designated, by the president of the association.

3. The period of 90 days begins on the first day following:
   (a) The date on which the notice of default is recorded; or
   (b) The date on which a copy of the notice of default is mailed by certified or registered mail, return receipt requested, to the unit's owner or his or her successor in interest at his or her address, if known, and at the address of the unit, whichever date occurs later.

4. The association may not foreclose a lien by sale based on a fine or penalty for a violation of the governing documents of the association unless:
   (a) The violation poses an imminent threat of causing a substantial adverse effect on the health, safety or welfare of the units' owners or residents of the common-interest community; or
   (b) The penalty is imposed for failure to adhere to a schedule required pursuant to NRS 116.310305.

5. The association may not foreclose a lien by sale based on a delinquent assessment unless the amount of the delinquent assessment, excluding acceleration and any interest, charges for late payment, fines or costs of collecting the assessment:
   (a) Is more than $1,800; or
   (b) Is equal to or greater than the assessments for common expenses based on the periodic budget adopted by the association pursuant to NRS 116.3115 which became due during the 12 months immediately preceding institution of the foreclosure.

Sec. 23. NRS 116.31164 is hereby amended to read as follows:

116.31164 1. The sale must be conducted in the county in which the common-interest community or part of it is situated, and may be conducted by the association, its agent or attorney, or a title insurance company or
escrow agent licensed to do business in this State, except that the sale may be
made at the office of the association if the notice of the sale so provided,
whether the unit is located within the same county as the office of the
association or not. The association or other person conducting the sale may
from time to time postpone the sale by such advertisement and notice as it
considers reasonable or, without further advertisement or notice, by
proclamation made to the persons assembled at the time and place previously
set and advertised for the sale.

2. If the sale does not occur within 120 days after the date on which a
copy of the notice of default and election to sell was mailed to the unit’s
owner or his or her successor in interest in the manner required by
paragraph (b) of subsection 3 of NRS 116.31162, the association and any
person acting on behalf of the association may not

(a) Foreclose the association’s lien by sale pursuant to NRS 116.31162
to 116.31168, inclusive or
(b) File a civil action to obtain a judgment against the unit’s owner for
the amount due,

unless, within the period set forth in this subsection, the association, the
unit’s owner and any other person with a lien on the unit execute and
record in the office of the county recorder of the county in which the unit is
located a written agreement extending the period. The written agreement
must be acknowledged as required by law for the acknowledgment of
deeds. If the sale does not occur within the time provided in the written
agreement, the association and any person acting on behalf of the
association may not foreclose the association’s lien by sale pursuant to
NRS 116.31162 to 116.31168, inclusive, or file a civil action to obtain a
judgment against the unit’s owner for the amount due.

3. On the day of sale originally advertised or to which the sale is
postponed, at the time and place specified in the notice or postponement, the
person conducting the sale may sell the unit at public auction to the highest
cash bidder. Unless otherwise provided in the declaration or by agreement,
the association may purchase the unit and hold, lease, mortgage or convey it.
The association may purchase by a credit bid up to the amount of the unpaid
assessments and any permitted costs, fees and expenses incident to the
enforcement of its lien.

4. After the sale, the person conducting the sale shall

(a) Make, execute and, after payment is made, deliver to the purchaser, or
his or her successor or assign, a deed without warranty which conveys to the
grantee all title of the unit’s owner to the unit;
(b) Deliver a copy of the deed to the Ombudsman within 30 days after the
deed is delivered to the purchaser, or his or her successor or assign; and
(c) Apply the proceeds of the sale for the following purposes in the
following order:

2. The executive board of an association shall maintain a general record concerning each violation of the governing documents, other than a violation involving a failure to pay an assessment, for which the executive board has imposed a fine, a construction penalty or any other sanction. The general record:
(a) Must contain a general description of the nature of the violation and the type of the sanction imposed. If the sanction imposed was a fine or construction penalty, the general record must specify the amount of the fine or construction penalty.

5. The executive board shall not require a unit’s owner to pay an amount in excess of $10 per hour to review any books, records, contracts or other papers of the association pursuant to the provisions of this section.
6. If an official publication contains or will contain any mention of a candidate or ballot question, the official publication must, upon request and without charge, provide equal space to the candidate or a representative of an organization which supports the passage or defeat of the ballot question.
7. If an official publication contains or will contain the views or opinions of the association, the executive board, a community manager or an officer, employee or agent of an association concerning an issue of official interest, the official publication must, upon request and without charge, provide equal

Sections 2-20 of this bill provide that, except under certain circumstances, campaign contribution and expenditure reports related to candidates for state, county, city and district offices must be filed electronically with the Secretary of State. Sections 4, 7-11 and 16 also revise the deadlines for filing such reports.

Existing law requires a candidate to report on his or her campaign contribution and expenditure report: (1) each campaign contribution in excess of $100 received during the reporting period and contributions
received during the period from a contributor which cumulatively exceed $100; (2) each campaign expense incurred, or expenditure made, in excess of $100 during the reporting period; and (3) any unspent campaign contribution that is disposed of during the reporting period in excess of $100. (NRS 294A.120, 294A.125, 294A.200) Sections 4, 5 and 9 of this bill require candidates to report, in the aggregate, contributions, expenses, expenditures or amounts of unspent campaign contributions disposed of which are less than $100.

Section 18 of this bill requires the Secretary of State to design a form for each campaign contribution and expenditure report rather than requiring the design of a single form for all campaign contribution and expenditure reports in order to accommodate the new electronic filing requirements.

Sections 23-26 and 28-33 of this bill provide that, except under certain circumstances, appointed and elected public officers must file statements of financial disclosure electronically with the Secretary of State rather than the Commission on Ethics.

Under existing law, former members of the Public Utilities Commission of Nevada, the State Gaming Control Board and the Nevada Gaming Commission must observe a 1-year “cooling-off” period prior to appearing before the Public Utilities Commission of Nevada, the State Gaming Control Board or the Nevada Gaming Commission, as applicable, on behalf of certain regulated businesses or industries. (NRS 281A.550) Section 27 of this bill increases this “cooling-off” period to 2 years. Section 22 of this bill prohibits former public officers from receiving compensation or other consideration to lobby any member of the governing body of the State or a political subdivision, as applicable, to which the former public officer was elected or appointed for 2 years after leaving office.

Bill read third time.

The following amendment was proposed by Assemblywoman Kirkpatrick:

Amendment No. 533.

AN ACT relating to homeland security; revising various provisions governing homeland security; establishing a statewide repository for the protection of critical infrastructure information; increasing the number of voting members of the Nevada Commission on Homeland Security; revising provisions relating to the Nevada Commission on Homeland Security, the confidentiality of vulnerability assessments and emergency response plans of utilities, public entities and private businesses in this State; clarifying that certain documents, records and other items of information may be inspected by and released to the Legislative Auditor when conducting a postaudit; providing a penalty; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:

Existing law provides that it is within the public interest that the Legislature enact provisions to protect this State from acts of terrorism. (NRS 239C.010) Section 15 of this bill specifies that such provisions should include securing statewide critical infrastructure and key resources. Section 14 of this bill establishes a statewide repository for the protection of critical infrastructure information for the purpose of storing confidential and protected critical infrastructure information which may be accessed by emergency response agencies when responding to an act of terrorism or a related all-hazards emergency. Sections 14, 26, 29, 35, 37 and 39 of this bill provide that a person who unlawfully discloses certain confidential information is guilty of a gross misdemeanor or a category C felony, depending on the actions of the person relating to such disclosure. Sections 2-13 of this bill add new definitions relating to homeland security, and sections 17-21 of this bill revise existing definitions.

Existing law also establishes the Nevada Commission on Homeland Security, for which the Governor appoints the voting members and certain nonvoting members. The Commission has certain duties relating to the protection of residents of this State and visitors to this State from acts of terrorism and related emergencies. (NRS 239C.120, 239C.160) Section 22 of this bill increases the number of voting members that the Governor must appoint to the Commission from 14 members to 15 members, to include a representative of the broadcaster community. Section 22 also requires the Governor to appoint as a nonvoting member on the Commission a representative to represent the tribal nations in Nevada. Section 24 of this bill additionally requires the Commission to make recommendations to the Governor on the use and distribution of funding that is received by the State which is related to homeland security, and a representative recommended by the Inter-Tribal Council of Nevada, Inc.

Existing law provides that the Governor may, by executive order, determine that certain documents, records and other information relating to preventing and responding to acts of terrorism are confidential. Such documents, records and other information are not subject to subpoena or discovery, not subject to inspection by the general public and may only be inspected by and released to public safety and public health personnel. (NRS 239C.210) Section 26 of this bill extends that authority to include vulnerability assessments and emergency response plans of utilities, public entities and private businesses in this State. Section 26 also clarifies that the documents, records and other items of information subject to an executive order of confidentiality for security purposes may be inspected by and released to the Legislative Auditor when conducting a postaudit.

The provisions of title 32 of NRS require the Department of Taxation to collect certain taxes imposed on property of an interstate or intercounty nature, the net proceeds of minerals, financial institutions and other businesses, live entertainment, liquor, tobacco, controlled substances, estates and generation-skipping transfers, and various sales and use taxes. (Chapters 361, 362, 363A, 363B, 368A, 369, 370, 372, 372A, 374, 374A, 375A-377B of NRS) Existing law imposes joint and several liability upon certain responsible persons who fail to collect or pay to the Department some of these taxes or any pertinent fees. (NRS 360.297) **Section 4** of this bill limits this liability to the willful failure to pay or collect an applicable tax or fee and applies this liability to all of the taxes and fees required to be paid to the Department under title 32 of NRS.

Under existing law, the Department of Taxation is authorized to waive or reduce the interest and penalties imposed on a person whose failure to timely file a return or pay certain taxes collected by the Department is the result of circumstances beyond the person’s control and occurred despite the exercise of ordinary care and without intent. (NRS 360.419) **Section 5** of this bill extends that authority to all of the taxes and fees required to be paid to the Department under title 32 of NRS and to certain fees imposed on the lease of a passenger car by a short-term lessor.

If a person owes delinquent taxes or has a deficiency determination against him or her with respect to any tax administered by the Department of Taxation, existing law authorizes the Department to attempt collection of the tax or deficiency in certain ways. The Department may: (1) file an action in any court of competent jurisdiction for summary judgment for the amount due; (2) file a certificate in the office of any county recorder, at which time the amount due becomes a lien upon all real and personal property the person owns or acquires in the county before the lien expires or is discharged; and (3) issue a warrant for the enforcement of a lien and for the collection of any delinquent tax or fee. (NRS 360.420, 360.473, 360.483) Existing law also allows a county to take such actions when any tax is delinquent on a transfer of real property in the county. (NRS 375.160, 375.170, 375.200) Such actions must occur within 3 years after the date the tax, fee or deficiency determination was due. Existing law allows the State Controller to take
certain actions with respect to unpaid debts to the State within 4 years after the debt becomes due. (NRS 353C.140, 353C.150) Sections 6-8 and 10-12 of this bill similarly extend the time by which the Department or county may take action to collect delinquent taxes, fees or deficiencies to within 4 years after payment was due.

Existing law requires the deposit of certain proceeds from liquor taxes, cigarette taxes, real property transfer taxes, city-county relief taxes and governmental services taxes into the Local Government Tax Distribution Account. (NRS 369.173, 370.260, 375.070, 377.055, 377.057, 482.181) Under existing law, the Executive Director of the Department of Taxation is required to allocate the money in the Account each fiscal year to local governments, special districts and enterprise districts in accordance with a mathematical formula, except that a county clerk may, not later than December 31 of the immediately preceding year, submit to the Executive Director a local cooperative agreement which provides for the allocation of that money under an alternative formula that commences the next fiscal year. (NRS 360.680, 360.690, 360.730) Section 9 of this bill extends until May 31, 2011, the deadline for submitting such a cooperative agreement for an alternative formula that would commence with the fiscal year beginning on July 1, 2011.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 360 of NRS is hereby amended by adding thereto a new section to read as follows:

1. The Department shall:
   (a) On or before March 1 of each calendar year, issue an annual report of the projected population of each town, township, city and county in this State as of July 1 of that year and the next succeeding 4 years; and
   (b) On or before October 1 of each calendar year, issue an annual report of the projected population, as classified by age, sex, race and Hispanic origin, of each town, township, city and county in this State as of July 1 of that year and the next succeeding 19 years.

2. The Department shall post the annual reports required by subsection 1 on an Internet website maintained by the Department and, if the demographer employed pursuant to NRS 360.283 maintains a separate Internet website, require the demographer to post the annual reports required by subsection 1 on an Internet website maintained by the demographer.

Sec. 2. NRS 360.283 is hereby amended to read as follows:

360.283 1. The Department shall adopt regulations to establish a method of determining annually the population of each town, township, city and county in this State and estimate the population of each town, township, city and county pursuant to those regulations.
2. The Department shall, **on or after July 1 of each year**, issue an annual report of the estimated population of each town, township, city and county in this State **as of July 1 of that year**.

3. Any town, city or county in this State may petition the Department to revise the estimated population of that town, city or county. No such petition may be filed on behalf of a township. The Department shall by regulation establish a procedure to review each petition and to appeal the decision on review.

4. The Department shall, upon the completion of any review and appeal thereon pursuant to subsection 3, determine the population of each town, township, city and county in this State, and submit its determination to the Governor.

5. The Department shall employ a demographer to assist in the determination of population pursuant to this section and the projection of population pursuant to section 1 of this act, and to cooperate with the Federal Government in the conduct of each decennial census as it relates to this State.

**Sec. 3.** NRS 360.285 is hereby amended to read as follows:

360.285 1. For the purposes of this title, the Governor shall, on or before March 1 of each year, certify the population of each town, township, city and county in this state **as of the immediately preceding July 1** from the determination submitted to the Governor by the Department pursuant to subsection 4 of NRS 360.283.

2. Where any tax is collected by the Department for apportionment in whole or in part to any political subdivision and the basis of the apportionment is the population of the political subdivision, the Department shall use the populations certified by the Governor. The transition from one such certification to the next must be made on July 1 following the certification for use in the fiscal year beginning then. Every payment before that date must be based upon the earlier certification and every payment on or after that date must be based upon the later certification.

**Sec. 4.** NRS 360.297 is hereby amended to read as follows:

360.297 1. A responsible person who **willfully** fails to collect or pay to the Department any tax or fee imposed by this chapter, chapter 363A, 363B, 368A, 369, 370, 372 or 374 of NRS, **required to be paid to the Department pursuant to this title**, NRS 444A.090 or 482.313, or chapter 680B of NRS, or who attempts to evade the payment of any such tax or fee, is jointly and severally liable with any other person who is required to pay such a tax or fee for the tax or fee owed plus interest and all applicable penalties. The responsible person shall pay the tax or fee upon notice from the Department that it is due.

2. As used in this section, “responsible person” includes:

(a) An officer or employee of a corporation; and
(b) A member or employee of a partnership or limited-liability company,
whose job or duty it is to collect, account for or pay to the Department any tax or fee imposed by this chapter, chapter 363A, 363B, 368A, 369, 370, 372 or 374 of NRS, required to be paid to the Department pursuant to this title, NRS 444A.090 or 482.313, or chapter 680B of NRS.

Sec. 5. NRS 360.419 is hereby amended to read as follows:

360.419 1. If the Executive Director or a designated hearing officer finds that the failure of a person to make a timely return or payment of any tax imposed pursuant to NRS 361.320 or chapter 361A, 362, 363A, 363B, 369, 370, 372, 372A, 374, 375A, 375B, 376A, 377 or 377A of NRS, any tax or fee required to be paid to the Department pursuant to this title or NRS 482.313 is the result of circumstances beyond his or her control and occurred despite the exercise of ordinary care and without intent, the Department may relieve the person of all or part of any interest or penalty, or both.

2. A person seeking relief must file with the Department a statement under oath setting forth the facts upon which the person bases his or her claim.

3. The Department shall disclose, upon the request of any person:
(a) The name of the person to whom relief was granted; and
(b) The amount of the relief.

4. The Executive Director or a designated hearing officer shall act upon the request of a taxpayer seeking relief pursuant to NRS 361.4835 which is deferred by a county treasurer or county assessor.

Sec. 6. NRS 360.420 is hereby amended to read as follows:

360.420 1. If, with respect to any tax or fee administered by the Department, a person:
(a) Fails to pay the tax or fee when due according to his or her own return filed with the Department;
(b) Fails to pay a deficiency determination when due; or
(c) Defaults on a payment pursuant to a written agreement with the Department,

the Department may, within [3] 4 years after the amount is due, file in the office of the clerk of any court of competent jurisdiction an application for the entry of a summary judgment for the amount due.

2. The application must be accompanied by a certificate specifying:
(a) The amount required to be paid, including any interest and penalties due;
(b) The name and address of the person liable for the payment, as they appear on the records of the Department;
(c) The basis for the determination of the Department of the amount due; and
(d) That the Department has complied with the applicable provisions of law in relation to the determination of the amount required to be paid.
3. The application must include a request that judgment be entered against the person in the amount required to be paid, including any interest and penalties due, as set forth in the certificate.

Sec. 7. NRS 360.473 is hereby amended to read as follows:

360.473 1. If any tax or fee administered by the Department is not paid when due, the Department may, within 3 years after the date that the tax or fee was due, file for record a certificate in the office of any county recorder which states:
   (a) The amount of the tax or fee and any interest or penalties due;
   (b) The name and address of the person who is liable for the amount due as they appear on the records of the Department; and
   (c) That the Department has complied with all procedures required by law for determining the amount due.

2. From the time of the filing of the certificate, the amount due, including interest and penalties, constitutes a lien upon all real and personal property in the county owned by the person or acquired by the person afterwards and before the lien expires. The lien has the effect and priority of a judgment lien and continues for 5 years after the time of the filing of the certificate unless sooner released or otherwise discharged.

3. Within 5 years after the date of the filing of the certificate or within 5 years after the date of the last extension of the lien pursuant to this subsection, the lien may be extended by filing for record a new certificate in the office of the county recorder of any county. From the time of filing, the lien is extended to all real and personal property in the county owned by the person or acquired by the person afterwards for 5 years, unless sooner released or otherwise discharged.

Sec. 8. NRS 360.483 is hereby amended to read as follows:

360.483 1. The Department or its authorized representative may issue a warrant for the enforcement of a lien and for the collection of any delinquent tax or fee which is administered by the Department:
   (a) Within 3 years after the person is delinquent in the payment of the tax or fee; or
   (b) Within 5 years after the last recording of an abstract of judgment or of a certificate constituting a lien for the tax or fee.

2. The warrant must be directed to a sheriff or constable and has the same effect as a writ of execution.

3. The warrant must be levied and sale made pursuant to the warrant in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

Sec. 9. NRS 360.730 is hereby amended to read as follows:

360.730 1. The governing bodies of two or more local governments or special districts, or any combination thereof, may, pursuant to the provisions of NRS 277.045, enter into a cooperative agreement that sets forth an alternative formula for the distribution of the taxes included in the Account to the local governments or special districts which are parties to the agreement.
The governing bodies of each local government or special district that is a party to the agreement must approve the alternative formula by majority vote.

2. The county clerk of a county in which a local government or special district that is a party to a cooperative agreement pursuant to subsection 1 is located shall transmit a copy of the cooperative agreement to the Executive Director:
   (a) Within 10 days after the agreement is approved by each of the governing bodies of the local governments or special districts that are parties to the agreement; and
   (b) Not later than May 31 immediately preceding the initial year of distribution that will be governed by the cooperative agreement.

3. The governing bodies of two or more local governments or special districts shall not enter into more than one cooperative agreement pursuant to subsection 1 that involves the same local governments or special districts.

4. If at least two cooperative agreements exist among the local governments and special districts that are located in the same county, the Executive Director shall ensure that the terms of those cooperative agreements do not conflict.

5. Any local government or special district that is not a party to a cooperative agreement pursuant to subsection 1 must continue to receive money from the Account pursuant to the provisions of NRS 360.680 and 360.690.

6. The governing bodies of the local governments and special districts that have entered into a cooperative agreement pursuant to subsection 1 may, by majority vote, amend the terms of the agreement. The governing bodies shall not amend the terms of a cooperative agreement more than once during the first 2 years after the cooperative agreement is effective and once every year thereafter, unless the Committee on Local Government Finance approves the amendment. The provisions of this subsection do not apply to any interlocal agreements for the consolidation of governmental services entered into by local governments or special districts pursuant to the provisions of NRS 277.080 to 277.180, inclusive, that do not relate to the distribution of taxes included in the Account.

7. A cooperative agreement executed pursuant to this section may not be terminated unless the governing body of each local government or special district that is a party to a cooperative agreement pursuant to subsection 1 agrees to terminate the agreement.

8. For each fiscal year the cooperative agreement is in effect, the Executive Director shall continue to calculate the amount each local government or special district that is a party to a cooperative agreement pursuant to subsection 1 would receive pursuant to the provisions of NRS 360.680 and 360.690.

9. If the governing bodies of the local governments or special districts that are parties to a cooperative agreement terminate the agreement pursuant
to subsection 7, the Executive Director must distribute to those local governments or special districts an amount equal to the amount the local government or special district would have received pursuant to the provisions of NRS 360.680 and 360.690 according to the calculations performed pursuant to subsection 8.

Sec. 10.  NRS 375.160 is hereby amended to read as follows:

375.160 1. If any tax imposed pursuant to this chapter is not paid when due, the county may, within 34 years after the date that the tax was due, record a certificate in the office of the county recorder which states:
(a) The amount of the tax and any interest or penalties due;
(b) The name and address of the person who is liable for the amount due as they appear on the records of the county; and
(c) That the county recorder has complied with all procedures required by law for determining the amount due.
2. From the time of the recording of the certificate, the amount due, including interest and penalties, constitutes:
(a) A lien upon the real property for which the tax was due if the person who owes the tax still owns the property; or
(b) A demand for payment if the property has been sold or otherwise transferred to another person.
3. The lien has the effect and priority of a judgment lien and continues for 5 years after the time of the recording of the certificate unless sooner released or otherwise discharged.
4. Within 5 years after the date of recording the certificate or within 5 years after the date of the last extension of the lien pursuant to this subsection, the lien may be extended by recording a new certificate in the office of the county recorder. From the time of recording the new certificate, the lien is extended for 5 years, unless sooner released or otherwise discharged.

Sec. 11.  NRS 375.170 is hereby amended to read as follows:

375.170 1. If a person is delinquent in the payment of any tax imposed by this chapter or has not paid the amount of a deficiency determination, the county may bring an action in a court of this state, a court of any other state or a court of the United States that has competent jurisdiction to collect the delinquent or deficient amount, penalties and interest. The action:
(a) May not be brought if the decision that the payment is delinquent or that there is a deficiency determination is on appeal to a hearing officer pursuant to NRS 375.320.
(b) Must be brought not later than 34 years after the payment became delinquent or the determination became final.
2. The district attorney shall prosecute the action. The provisions of the Nevada Revised Statutes, Nevada Rules of Civil Procedure and Nevada Rules of Appellate Procedure relating to service of summons, pleadings, proofs, trials and appeals are applicable to the proceedings. In the action, a
writ of attachment may issue. A bond or affidavit is not required before an attachment may be issued.

3. In an action, a certificate by the county recorder showing the delinquency is prima facie evidence of:
   (a) The determination of the tax or the amount of the tax;
   (b) The delinquency of the amounts; and
   (c) The compliance by the county recorder with all the procedures required by law relating to the computation and determination of the amounts.

   [Sec. 11] Sec. 12. NRS 375.200 is hereby amended to read as follows:

   375.200 1. The county or its authorized representative may issue a warrant for the enforcement of a lien and for the collection of any delinquent tax that is administered pursuant to this chapter:
   (a) Within 3 years after the person is delinquent in the payment of the tax; or
   (b) Within 5 years after the last recording of a certificate copy constituting a lien for the tax.

   2. The warrant must be directed to a sheriff or constable and has the same effect as a writ of execution.

   3. The warrant must be levied and sale made pursuant to the warrant in the same manner and with the same effect as a levy of and a sale pursuant to a writ of execution.

   [Sec. 12] Sec. 13. NRS 4.065 is hereby amended to read as follows:

   4.065 1. The justice of the peace shall, on the commencement of any action or proceeding in the justice court for which a fee is required, and on the answer or appearance of any defendant in any such action or proceeding for which a fee is required, charge and collect a fee of $1 from the party commencing, answering or appearing in the action or proceeding. These fees are in addition to any other fee required by law.

   2. On or before the first Monday of each month, the justice of the peace shall pay over to the county treasurer the amount of all fees collected by the justice of the peace pursuant to subsection 1 for credit to the State General Fund. Quarterly, the county treasurer shall remit all money so collected to the State Controller, who shall place the money in an account in the State General Fund for use by the Executive Director of the Department of Taxation to administer the provisions of NRS 360.283 and section 1 of this act.

   [Sec. 13] Sec. 14. This act becomes effective upon passage and approval.

   1. This section becomes effective upon passage and approval.

The following amendment was proposed by the Committee on Judiciary:
Amendment No. 525.

AN ACT relating to crimes; revising provisions governing the crime of trespassing; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, unless a greater penalty is provided by NRS 200.602, which governs the crime of peering, peeping or spying through an opening of the dwelling of another person, a person who commits the crime of trespassing is guilty of a misdemeanor. (NRS 207.200) Existing law further provides that, except when a person solicits a child for prostitution, a
A person who engages in prostitution or solicitation for prostitution is also guilty of a misdemeanor. (NRS 201.354) A person who is convicted of a misdemeanor generally must be punished by: (1) imprisonment in the county jail for not more than 6 months; (2) a fine of not more than $1,000; or (3) both imprisonment and a fine. Alternatively, instead of all or a portion of such punishment, a person may be sentenced to perform community service. (NRS 193.150)

This bill [requires that unless a greater penalty is provided by NRS 200.603] provides that if a person [who] is convicted of trespassing on the premises of a licensed gaming establishment [for the third or subsequent time within 5 years], must be punished and the person has been previously convicted of three violations of engaging in or soliciting for prostitution within the immediately preceding 5 years, the court may suspend proceedings against the person under certain circumstances and place the person on probation upon terms and conditions that must include attendance and successful completion of a counseling or educational program or, if the person is dependent upon drugs, a program of treatment and rehabilitation. Before the person is assigned to any such program, he or she must agree to pay the costs associated with the program to the extent of his or her available financial resources. If the person violates any term or condition, the court may enter a judgment of conviction and punish the person by: (1) a fine of $1,000; (2) a fine of $1,000 and imprisonment in the county jail for not more than 6 months; or (3) both fine and imprisonment. A person may also be sentenced to perform community service instead of all or a portion of such punishment. If the person fulfills the terms and conditions, the court must discharge the person and dismiss the proceedings against him or her. This bill also specifies that such discharge and dismissal by the court is not a conviction for any purpose other than determining additional penalties imposed for second or subsequent convictions or the setting of bail. However, a person may be discharged by the court and have the proceedings dismissed only once under such provisions.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. [NRS 207.200 is hereby amended to read as follows:]

207.200. — Unless a greater penalty is provided pursuant to subsection 2 or NRS 200.603, any person who, under circumstances not amounting to a burglary:

(a) Goes upon the land or into any building of another with intent to vex or annoy the owner or occupant thereof, or to commit any unlawful act; or

(b) Willfully goes or remains upon any land or in any building after having been warned by the owner or occupant thereof not to trespass, is guilty of a misdemeanor. The meaning of this subsection is not limited by subsections 2, 3 and 4.
2.—Unless a greater penalty is provided pursuant to NRS 200.603, any person who has previously been convicted of two or more violations of subsection 1 by trespassing on the premises of a licensed gaming establishment and who commits a third or subsequent violation of subsection 1 within 5 years by trespassing on the premises of a licensed gaming establishment is guilty of a misdemeanor and shall be punished by:

(a) A fine of $1,000; or

(b) A fine of $1,000 and imprisonment in the county jail for not more than 6 months.

In lieu of all or a part of the punishment which may be imposed pursuant to this subsection, the person may be sentenced to perform a fixed period of community service pursuant to the conditions prescribed in NRS 176.087.

3.—A sufficient warning against trespassing, within the meaning of this section, is given by any of the following methods:

(a) If the land is used for agricultural purposes or for herding or grazing livestock, by painting with fluorescent orange paint:

(1) Not less than 50 square inches of the exterior portion of a structure or natural object or the top 12 inches of the exterior portion of a post, whether made of wood, metal or other material, at:

(I) Intervals of such a distance as is necessary to ensure that at least one such structure, natural object or post would be within the direct line of sight of a person standing next to another such structure, natural object or post, but at intervals of not more than 1,000 feet; and

(II) Each corner of the land, upon or near the boundary; and

(2) Each side of all gates, cattle guards and openings that are designed to allow human ingress to the area;

(b) If the land is not used in the manner specified in paragraph (a), by painting with fluorescent orange paint not less than 50 square inches of the exterior portion of a structure or natural object or the top 12 inches of the exterior portion of a post, whether made of wood, metal or other material, at:

(1) Intervals of such a distance as is necessary to ensure that at least one such structure, natural object or post would be within the direct line of sight of a person standing next to another such structure, natural object or post, but at intervals of not more than 200 feet; and

(2) Each corner of the land, upon or near the boundary; and

(c) Fencing the area; or

(d) By the owner or occupant of the land or building making an oral or written demand to any guest to vacate the land or building.

[3.—It is prima facie evidence of trespass for any person to be found on private or public property which is posted or fenced as provided in subsection 2 without lawful business with the owner or occupant of the property.

[4.—An entryman on land under the laws of the United States is an owner within the meaning of this section.

[5.—As used in this section:
(a) “Fence” means a barrier sufficient to indicate an intent to restrict the area to human ingress, including, but not limited to, a wall, hedge or chain link or wire mesh fence. The term does not include a barrier made of barbed wire.

(b) “Guest” means any person entertained or to whom hospitality is extended, including, but not limited to, any person who stays overnight. The term does not include a tenant as defined in NRS 118A.170.

(c) “Licensed gaming establishment” has the meaning ascribed to it in NRS 463.0169. (Deleted by amendment.)

Sec. 2. NRS 207.205 is hereby amended to read as follows:

207.205 1. It is unlawful for any person to post such land within the meaning of subsection 2 of NRS 207.200 unless the person has:

(a) Obtained written authorization from the owner or occupant of the land, or any building thereon, to do so unless the person is the owner or occupant.

(b) Placed the name and address of the owner or occupant on each sign.

2. Any person violating any of the provisions of subsection 1 is guilty of a misdemeanor. (Deleted by amendment.)

Sec. 2.5. Chapter 207 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Unless a greater penalty is provided pursuant to NRS 200.603, any person who commits a violation of NRS 207.200 by trespassing on the premises of a licensed gaming establishment and who has previously been convicted of three violations of NRS 201.354 within the immediately preceding 5 years is guilty of a misdemeanor and shall be punished by:

(a) A fine of $1,000;

(b) Imprisonment in the county jail for not more than 6 months; or

(c) Both fine and imprisonment.

In lieu of all or a part of the punishment which may be imposed pursuant to this subsection, the person may be sentenced to perform a fixed period of community service pursuant to the conditions prescribed in NRS 176.087.

2. The court, without entering a judgment of conviction and with the consent of the accused, may suspend further proceedings and place the person on probation upon terms and conditions that must include attendance and successful completion of a counseling or educational program or, in the case of a person dependent upon drugs, of a program of treatment and rehabilitation pursuant to NRS 453.580.

3. Upon violation of a term or condition, the court may enter a judgment of conviction and punish the person as provided in subsection 1.

4. Upon fulfillment of the terms and conditions, the court shall discharge the accused and dismiss the proceedings against him or her.

5. Except as otherwise provided in subsection 6, discharge and dismissal under this section is without adjudication of guilt and is not a conviction for purposes of this section or for purposes of employment, civil rights or any statute or regulation or license or questionnaire or for any
other public or private purpose, but is a conviction for the purpose of
additional penalties imposed for second or subsequent convictions or the
setting of bail. Discharge and dismissal restores the person discharged, in
the contemplation of the law, to the status occupied before the arrest,
indictment or information. The person may not be held thereafter under
any law to be guilty of perjury or otherwise giving a false statement by
reason of failure to recite or acknowledge that arrest, indictment,
information or trial in response to an inquiry made of the person for any
purpose. Discharge and dismissal under this section may only occur once
with respect to any person.

6. A professional licensing board may consider a proceeding under this
section in determining suitability for a license or liability to discipline for
misconduct. Such a board is entitled for those purposes to a truthful
answer from the applicant or licensee concerning any such proceeding
with respect to the applicant or licensee.

7. Before the court assigns a person to a program pursuant to this
section, the person must agree to pay the cost of the program to which the
person is assigned and the cost of any additional supervision required, to
the extent of the financial resources of the person. If the person does not
have the financial resources to pay all of the related costs, the court shall,
to the extent practicable, arrange for the person to be assigned to a
program at a facility that receives a sufficient amount of federal or state
funding to offset the remainder of the costs.

8. As used in this section, “licensed gaming establishment” has the
meaning ascribed to it in NRS 463.0169.

Sec. 3. The amendatory provisions of this act apply to offenses
committed before October 1, 2011, for the purpose of determining whether a
person is subject to the provisions of subsection 2 of NRS 207.200, as
amended by section 2.5 of this act.

The following amendment was proposed by Assemblyman Livermore:
Amendment No. 543.
AN ACT relating to energy; authorizing the imposition of certain reasonable restrictions or requirements relating to systems for obtaining wind and solar energy; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, the governing body of a city or county: (1) may enact zoning regulations and restrictions to promote the health, safety, morals or general welfare of the community; (2) is prohibited from adopting an ordinance or taking any other action which unreasonably prohibits or restricts an owner of real property from using a system for obtaining solar or wind energy on his or her property; (3) may impose a reasonable restriction on the use of a system for obtaining wind energy which is related to the height, noise or safety of the system; and (4) is required to authorize the use of a system which uses solar or wind energy to reduce energy costs for a structure if the system and structure comply with all applicable building codes and zoning ordinances. (NRS 278.020, 278.02077, 278.0208, 278.580) The governing body of a city or county unreasonably prohibits or restricts the use of a system for obtaining solar or wind energy if the governing body imposes restrictions that significantly decrease the efficiency or performance of the solar or wind energy system unless the restriction provides for the use of a comparable alternative system. (NRS 278.02077, 278.0208) Section 1 of this bill provides that, in addition to reasonable restrictions relating to height, noise or safety, reasonable restrictions on the use of a system for obtaining wind energy may include restrictions relating to setback, location and appearance, and section 2 of this bill authorizes the imposition of reasonable restrictions relating to the appearance, height, location, noise, safety or setback of a system for obtaining solar energy. Additionally, sections 1 and 2 require a governing body to adopt an ordinance that: (1) requires the owner of a residential lot to obtain a special use permit or conditional use permit for a wind or solar energy system; and (2) provides affected property owners...
with notice and an opportunity to be heard. Section 2 of this bill authorizes a governing body to require that a special use permit or conditional permit be obtained for a system for obtaining solar energy proposed to be installed or constructed within the boundaries of an incorporated city or town on nonresidential property that is adjacent to residential property.

WHEREAS, Nevada has significant amounts of solar and wind resources available for use in the production of clean, renewable sources of energy; and

WHEREAS, It has been a stated goal of the Nevada Legislature to encourage the availability of these solar and wind resources for use by the residents of this State; and

WHEREAS, Local governments have traditionally been authorized to enact zoning and land use regulations and restrictions to promote the health, safety, morals and general welfare of their communities; and

WHEREAS, It is the intent of the Nevada Legislature to encourage local governments to balance the use of clean, renewable sources of energy with the promotion of the health, safety, morals and general welfare of their communities; now, therefore

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 278.02077 is hereby amended to read as follows:

278.02077 1. Except as otherwise provided in subsection 2:
(a) A governing body shall not adopt an ordinance, regulation or plan or take any other action that prohibits or unreasonably restricts the owner of real property from using a system for obtaining wind energy on his or her property.
(b) Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts the owner of the property from using a system for obtaining wind energy on his or her property is void and unenforceable.
2. The provisions of subsection 1 do not prohibit a reasonable restriction or requirement:
(a) Imposed pursuant to a determination by the Federal Aviation Administration that the installation of the system for obtaining wind energy would create a hazard to air navigation; or
(b) Relating to the appearance, finish, height, location, noise, or safety or setback of a system for obtaining wind energy; or
(c) Prohibiting the construction of more than one system for obtaining wind energy per acre for a residential lot.

3. Each governing body shall adopt an ordinance that:
(a) Prohibits an owner of a residential lot from installing a system for obtaining wind energy on the residential lot unless the owner has obtained a

special use permit or conditional use permit for that use of the residential lot; and

(b) Provides any property owner that would be affected by the system for obtaining wind energy with notice and an opportunity to be heard.

For the purposes of this section, “unreasonably restricts the owner of the property from using a system for obtaining wind energy” includes the placing of a restriction or requirement on the use of a system for obtaining wind energy which significantly decreases the efficiency or performance of the system and which does not allow for the use of an alternative system at a substantially comparable cost and with substantially comparable efficiency and performance.

Sec. 2. NRS 278.0208 is hereby amended to read as follows:

278.0208 1. Except as otherwise provided in subsection 2:

(a) A governing body shall not adopt an ordinance, regulation or plan or take any other action that prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of real property from using a system for obtaining solar energy on his or her property.

2. Any covenant, restriction or condition contained in a deed, contract or other legal instrument which affects the transfer or sale of, or any other interest in, real property and which prohibits or unreasonably restricts or has the effect of prohibiting or unreasonably restricting the owner of the property from using a system for obtaining solar energy on his or her property is void and unenforceable.

2. The provisions of subsection 1 do not prohibit a reasonable restriction or requirement relating to the appearance, height, location, noise, safety or setback of a system for obtaining solar energy. A governing body may require that a special use permit or conditional permit be obtained in the manner provided in NRS 278.315 for the construction or installation of a system for obtaining solar energy within the boundaries of an incorporated city or town on nonresidential property that is adjacent to residential property. As used in this subsection, “nonresidential property” means all real property other than residential property and includes, without limitation, real property owned by a governmental entity.

3. Each governing body shall adopt an ordinance that:

(a) Prohibits an owner of a residential lot from installing a system for obtaining solar energy on the residential lot unless the owner has obtained a special use permit or conditional use permit for that use of the residential lot; and

(b) Provides any property owner that would be affected by the system for obtaining solar energy with notice and an opportunity to be heard.

For the purposes of this section, the following shall be deemed to be unreasonable restrictions:

(a) The placing of a restriction or requirement on the use of a system for obtaining solar energy which decreases the efficiency or performance of the system by more than 10 percent of the amount that was originally specified
for the system, as determined by the Director of the Office of Energy, and
which does not allow for the use of an alternative system at a substantially
comparable cost and with substantially comparable efficiency and
performance.

(b) The prohibition of a system for obtaining solar energy that uses
components painted with black solar glazing.

Sec. 3. This act becomes effective upon passage and approval.

Assemblywoman Flores moved the adoption of the amendment.

The following amendment was proposed by the Committee on
Transportation:

Amendment No. 542.

SUMMARY—Revises provisions regarding salvage vehicles and total
loss vehicles. (BDR 43-265)

AN ACT relating to motor vehicles; revising provisions relating to
licensed automobile wreckers that obtain vehicles to be processed as parts or
scrap metal; revising provisions relating to the determination that a
motor vehicle is a total loss vehicle; and providing other matters properly
relating thereto.

Legislative Counsel’s Digest:

Existing law requires a licensed automobile wrecker to forward to the
Department of Motor Vehicles the certificates of title and registration for
certain vehicles acquired by the wrecker. (NRS 487.100) Section 5 of this
bill eliminates that requirement if the wrecker, pursuant to section 4 of this
bill, provides the Department with certain identifying information about a
motor vehicle and affirms to the Department that the motor vehicle is to be processed
as parts or scrap metal by the wrecker. Section 4 of this bill
provides that if a licensed automobile wrecker procures and files with
the Department an additional bond, the wrecker may avail himself or
herself of a streamlined procedure for processing as parts or scrap metal
vehicles that have reached the end of their useful life. Section 4 requires a
licensed automobile wrecker to provide the Department with an affirmation
and certain information about a motor vehicle that is to be processed
as parts or scrap metal and sets forth that the wrecker may only
process the motor vehicle as parts or scrap metal if 5 business days
elapse and the wrecker has not been notified by the Department that
the vehicle is not to be processed as parts or scrap metal. Section 4 also
provides that any liability which arises from the processing of a motor
vehicle as parts or scrap metal is to be borne by the licensed automobile
wrecker, not the Department. In addition, section 4 requires the
Department to validate the vehicle identification number of
issue a
nonrepairable vehicle certificate for a motor vehicle which has been processed as parts or scrap metal, so that the number cannot subsequently be used to title or register the vehicle. Section 7 of this bill revises the requirements for a licensed automobile wrecker to maintain records of motor vehicles that have been processed as parts or scrap metal to include the retention for 2 years of any certificates of title or registration or other documentation of ownership obtained when the motor vehicle was acquired.

Existing law restricts the sale of a salvage vehicle in certain circumstances. For example, if such a vehicle has not been repaired, it may only be sold to a salvage pool, automobile auction, rebuilder, automobile wrecker or a new or used motor vehicle dealer. (NRS 487.800) The term “salvage vehicle” includes a “total loss vehicle,” which is defined as a vehicle that has sustained damage to such an extent that the cost of repair, not including the cost of painting any portion of the vehicle, is 65 percent or more of the fair market value of the vehicle immediately before it was damaged. (NRS 487.770, 487.790) Section 11 of this bill revises the definition of “total loss vehicle” to exempt from the cost of repair the replacement of “major” electronic components in accordance with the specifications of the manufacturer and towing charges. Section 11 also specifies that the term “total loss vehicle” does not include a vehicle that has been stolen and subsequently recovered if the vehicle has no structural damage but is missing only tires, wheels, or audio or video equipment. Section 13 of this bill makes conforming changes as to exempting from the cost of repair the replacement of “major” electronic components in accordance with the specifications of the manufacturer, and towing charges, when determining an estimate of repair costs for a vehicle in certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 482.470 is hereby amended to read as follows:

482.470 1. Except as otherwise provided in section 4 of this act, if any vehicle is dismantled, junked or rendered inoperative and unfit for further use in accordance with the original purpose for which it was constructed, the owner shall deliver to the Department any certificate of registration and certificate of title issued by the Department or any other jurisdiction, unless the certificate of title is required for the collection of any insurance or other indemnity for the loss of the vehicle, or for transfer in order to dispose of the vehicle.

2. Except as otherwise provided in section 4 of this act, any other person taking possession of a vehicle described in subsection 1 shall immediately deliver to the Department any license plate or plates, certificate of registration or certificate of title issued by the Department or any other jurisdiction, if the person has acquired possession of any of these and unless
the certificate of title is required for a further transfer in the ultimate disposition of the vehicle.

3. The Department may issue a salvage title as provided in chapter 487 of NRS.

4. The Department shall destroy any plate or plates that are returned in a manner described in subsections 1 and 2.

Sec. 2. Chapter 487 of NRS is hereby amended by adding thereto a new section to read as follows:

Sec. 3. “Electronic components” means major electrical or electronic items or parts within a motor vehicle, including, without limitation:

1. Computer control modules for the:
   (a) Engine of the vehicle;
   (b) Air conditioning systems and parts thereof;
   (c) Traction control systems and parts thereof;
   (d) Antilock braking systems and parts thereof;
   (e) Electrical or electronic items used to power or propel a hybrid vehicle;
   (f) Wiring harnesses; or
   (g) Supplemental restraint systems; and

2. Any other major electrical item or part declared by regulation of the Department to be an electronic component.

Sec. 4. 1. If a licensed automobile wrecker, in addition to any other bond required by NRS 487.047 to 487.200, inclusive, procures and files with the Department a good and sufficient bond in the amount of $50,000, with a corporate surety thereon licensed to do business in the State of Nevada, approved as to form by the Attorney General, and conditioned that the applicant conducts his or her relevant activities in accordance with the provisions of this section, the wrecker may use the procedure set forth in this section to process a motor vehicle as parts or scrap metal. The additional bond described in this subsection may cover more than one location at which the licensed automobile wrecker does business, if the wrecker holds an ownership interest of 51 percent or more in each such business location.

2. Upon obtaining a motor vehicle that is to be processed as parts or scrap metal, a licensed automobile wrecker who has procured and filed the additional bond described in subsection 1 and who wishes to use the procedure provided in this section:
   (a) Shall, within 2 business days after the date on which the automobile wrecker receives the motor vehicle, transmit to the Department electronically or via facsimile, as specified by the Department, a report that includes:
      (1) The make, model, vehicle identification number and registration number, if applicable, of the motor vehicle; and
(2) An affirmation by the licensed automobile wrecker that the motor vehicle has been designated by the licensed automobile wrecker for processing as parts or scrap metal.

(b) May process the motor vehicle for parts or scrap metal only if:

(1) Five or more business days elapse after the report required by paragraph (a); and

(2) The licensed automobile wrecker does not receive notification from the Department that the motor vehicle is not to be processed as parts or scrap metal.

3. A licensed automobile wrecker who processes a motor vehicle for parts or scrap metal assumes all liability for any injuries to any person or property arising from or incident to the act of such processing. No action may be brought under NRS 41.031 or against an officer or employee of the State or any of its agencies or political subdivisions which is based upon any injuries to any person or property arising from or incident to the act of processing a motor vehicle for parts or scrap metal as authorized pursuant to this section.

4. If a licensed automobile wrecker submits to the Department the report described in subsection 2 and the Department confirms that the motor vehicle which is the subject of the report has been processed as parts or scrap metal, the Department shall issue a nonrepairable vehicle certificate for the motor vehicle.

5. NRS 487.100 is hereby amended to read as follows:

1. Except as otherwise provided in subsection 2, any automobile wrecker purchasing from any person other than a licensed operator of a salvage pool any vehicle subject to registration pursuant to the laws of this State shall forward to the Department the certificates of title and registration last issued therefor.

2. The certificate of ownership last issued for a mobile home or commercial coach must be sent by the wrecker to the Manufactured Housing Division of the Department of Business and Industry.

3. An automobile wrecker is not required to:

(a) Provide the Department with a certificate of title, salvage title or a nonrepairable vehicle certificate and certificate of registration last issued; or

(b) Obtain from the Department a certificate of title, salvage title, nonrepairable vehicle certificate or certificate of registration, for a motor vehicle that is to be processed as parts or scrap metal by the automobile wrecker pursuant to section 4 of this act.

6. NRS 487.160 is hereby amended to read as follows:
487.160  1. The Department may suspend, revoke or refuse to renew a license of an automobile wrecker upon determining that the automobile wrecker:
   (a) Is not lawfully entitled thereto;
   (b) Has made, or knowingly or negligently permitted, any illegal use of that license;
   (c) Has failed to return a salvage title to the state agency when and as required of the licensee by NRS 487.710 to 487.890, inclusive; or
   (d) Has Except as otherwise provided in section 4 of this act, has failed to surrender to the state agency title for vehicles before beginning to dismantle or wreck the vehicles.

2. The applicant or licensee may, within 30 days after receipt of the notice of refusal, suspension or revocation, petition the Department in writing for a hearing.

3. Hearings under this section and appeals therefrom must be conducted in the manner prescribed in NRS 482.353 and 482.354.

4. The Department may suspend, revoke or refuse to renew a license of an automobile wrecker, or may deny a license to an applicant therefor, for any reason determined by the Director to be in the best interest of the public, or if the licensee or applicant:

 Upon the receipt of any report or complaint alleging that an applicant or a licensee has engaged in financial misconduct or has failed to satisfy any financial obligation related to the business of dismantling, scrapping, processing or wrecking of vehicles, the Department may require the applicant or licensee to submit to the Department an authorization for the disclosure of financial records for the business as provided in NRS 239A.090. The Department may use any information obtained pursuant to such an authorization only to determine the suitability of the applicant or licensee for initial or continued licensure. For the purposes of this section, failure to adhere to the directives of the state agency advising the licensee of noncompliance with any provision of NRS 487.047 to 487.200, inclusive, or NRS 487.710 to 487.890, inclusive, and section 2 of this act, or regulations of the state agency, within 10 days after the receipt of those directives, is prima facie evidence of willful failure to comply.

3. Failure to reclaim within 15 days after notification a vehicle appraised at $500 or less constitutes a waiver of interest in the vehicle by any person having an interest in the vehicle.
4. If all recorded interests in a vehicle appraised at $500 or less are waived, either as provided in subsection 3 or by written disclaimer by any person having an interest in the vehicle, the state agency, except as otherwise provided in subsection 3 of NRS 487.100, shall issue a salvage title pursuant to NRS 487.810 to the automobile wrecker who towed the vehicle or to whom the vehicle may have been delivered, or a certificate of title to the garage owner if the garage owner elects to retain the vehicle and the vehicle is equipped as required by chapter 484D of NRS.

Except as otherwise provided in subsection 3 of NRS 487.100, an automobile wrecker who purchases a vehicle for which a junk certificate has been issued shall immediately affix the business name of the automobile wrecker as purchaser to the first available space provided on the reverse side of the certificate. For the purposes of this subsection, such an automobile wrecker is the owner of the junk vehicle.

5. If insufficient space exists on the reverse side of a junk certificate to transfer the vehicle pursuant to subsection 4, except as otherwise provided in subsection 3 of NRS 487.100, an automobile wrecker who purchases a junk vehicle for which a junk certificate has been previously issued shall, within 10 days after purchase, apply to the Department for a new junk certificate and surrender the original certificate.

6. A person who sells, dismantles, scraps, crushes or otherwise destroys a junk vehicle shall maintain, for at least 2 years, a copy of the junk certificate and a record of the name and address of the person from whom the vehicle was acquired and the date thereof. The person shall allow any peace officer or any investigator employed by a state agency to inspect the records during business hours.

7. An automobile wrecker who processes a junk vehicle for parts or scrap metal shall maintain records as required by NRS 487.170.

Assembly Bill No. 81.
Bill read third time.

The following amendment was proposed by the Committee on Legislative Operations and Elections:

Amendment No. 310.

AN ACT relating to elections; revising provisions relating to declarations of candidacy or acceptance of candidacy; clarifying when a minor political party may be recognized, organized; revising certain requirements for petitions of referendum; increasing fees for filing for candidacy; revising
provisions concerning ballots; revising provisions relating to counting ballots, posting voting results and recounts; requiring employers to allow employees to be absent to participate in the nomination process for President of the United States; providing that the residency of spouses of certain military personnel is not changed whether absent or present in this State; making various changes concerning campaign contributions and expenditures; making various other changes to provisions governing elections; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires a person to file a declaration of candidacy or acceptance of candidacy in order to have the person’s name appear on a ballot. (NRS 293.177, 293C.185) Sections 4 and 31 of this bill prohibit a person from filing a declaration or acceptance of candidacy if the person has an outstanding civil penalty or fine related to a violation of a provision of election law.

In order to qualify to place the names of candidates on the ballot, under existing law, a minor political party must have filed with the Secretary of State a certificate of existence and a list of candidates. Also, the minor political party must have: (1) at the last preceding general election, polled for any of its candidates for partisan office a number of votes equal to or more than 1 percent of the total number of votes cast for the offices of Representative in Congress; (2) been designated as the political party on the applications to register to vote of at least 1 percent of the total number of registered voters in this State; or (3) filed a petition with the Secretary of State which is signed by a number of registered voters equal to at least 1 percent of the total number of votes cast at the last preceding election for the offices of Representative of Congress. Alternatively, the minor political party may place the name of a candidate on the ballot if the minor political party has filed with the Secretary of State a certificate of existence and a petition on behalf of the candidate that it wants to place on the ballot containing a certain number of signatures. (NRS 293.1715) Sections 16, 16.2 and 16.4 of this bill remove the option of a minor political party to place a candidate on the ballot by filing a petition on behalf of the candidate. Sections 6 and 15-18 of this bill clarify that an organization is organized as a minor political party when it files a certificate of existence. A minor political party must still meet the other requirements in order to qualify to place candidates on the ballot.

Sections 7-12 and 64 of this bill provide that the signature and verification requirements for initiative petitions also apply to petitions for referendum. Existing law provides the requirements for nominating candidates for office and placing candidates on the ballot for the general election. (NRS 293.165, 293.166, 293.368) Sections 13, 14 and 25 of this bill move the date after which no change may be made on the ballot for the general election
from the first Tuesday after the primary election to the fourth Friday in June of the year in which the general election is held.

Existing law provides that if a person willfully files a declaration or acceptance of candidacy that contains a false statement, the name of the person must not appear on the ballot for the election for which the person filed the declaration or acceptance of candidacy. (NRS 293.184, 293C.1865)

Sections 19 and 32 of this bill further require that if the name of such a person appears on the ballot because the deadline for making changes to the ballot has passed, the Secretary of State, county clerk or city clerk must inform voters by posting signs at polling places that the person is disqualified from entering upon the duties of office.

Section 20 of this bill increases the fees for filing for candidacy for federal, state, county, city and township office. Section 20 exempts a person who does not have the ability to pay the fees in certain circumstances.

Section 21 of this bill allows a person to cast a primary ballot for a major political party only if the person is a member of that major political party.

Section 22 of this bill revises the order in which candidates for justice of the Supreme Court will appear on a ballot so that they appear with other constitutional officers.

Existing law sets forth procedures for depositing absent ballots in the ballot box, including verifying the absent voter’s signature that appears on the back of the return envelope or facsimile. (NRS 293.333, 293C.332) Because certain military personnel and overseas citizens may return special absent ballots via approved electronic transmission other than facsimile, sections 23 and 33 of this bill authorize the verification of the signature of these voters by comparing the signature from the special absent ballot or the oath of the voter that must be included in the special absent ballot with that on the original application to register to vote.

Existing law sets forth the period for early voting by personal appearance at a primary or general election, which excludes Sundays and state and federal holidays. (NRS 293.3568, 293C.3568) Sections 24 and 34 of this bill provide that state holidays are not excluded from that period.

Section 26 of this bill prohibits a county clerk from posting voting results for a statewide or multicounty race or ballot question until the Secretary of State notifies the county clerk that all polling places are closed and all votes have been cast.

Section 27 of this bill [authorizes a person who] revises the procedure for demands for an election recount in a county or city using a mechanical voting system [to demand the recount of only absent ballots cast by mail].

Existing law requires an employer to allow an employee to be absent from his or her place of employment for the purpose of voting in an election. (NRS 293.462) Section 28 of this bill requires employers to also allow employees to be absent from their places of employment to participate in the nomination process for candidates for President of the United States at a caucus of a political party [and for recounts affecting more than one county].
Existing law provides that a person does not gain or lose residence in the State by reason of his or her presence or absence while being employed in the military, naval or civil service of the United States or the State of Nevada or while engaged in the navigation of the waters of the United States or of the high seas. (NRS 293.487) Section 30 of this bill provides that the spouse of such a person also does not gain or lose residence in the State.

Sections 36.5 and 39.5 of this bill differentiate between “campaign expenses” and “expenditures” for purposes of campaign reporting requirements.

Section 37 of this bill requires certain persons, committees for political action, political parties and committees of political parties that expend more than $100 for the purpose of financing certain public communications to disclose on the communication the name of the person, committee or political party that paid for the communication.

Section 38 of this bill requires that certain independent expenditures on behalf of a candidate or group of candidates of more than $5,000 be reported to the Secretary of State.

Existing law limits the amount that may be contributed to a candidate for office to $5,000 for the primary election and $5,000 for the general election. (NRS 294A.100) Section 41 of this bill limits the amount that may be contributed to a committee for political action that is organized solely for the support or opposition of a single candidate to $5,000 for the primary election and $5,000 for the general election.

Sections 42, 44-48 and 57 of this bill amend the dates for filing reports relating to campaign contribution and expenditures and add an additional report that must be filed by candidates, groups and various parties and committees.

Section 49 of this bill provides that if a committee for political action fails to register with the Secretary of State before engaging in any activity within the State, the Secretary of State may impose on the committee a civil penalty for each time the committee engages in activity without being registered.

Sections 40, 44, 45, 47, 48, 50-53, 55, 59-62 and 69 of this bill repeal the term “business entity” and remove the term from provisions governing registration and campaign contribution and expenditure reporting. These entities, however, are not exempt from the provisions because they are business organizations included within the term “person” as defined in existing law. (NRS 294A.009)

Section 54 of this bill: (1) prohibits a candidate or public officer from using campaign contributions to pay civil or criminal penalties; and (2) authorizes a candidate or public officer to use campaign contributions to pay for legal expenses that the candidate or public officer incurred in relation to a campaign or while serving in public office. Any such candidate or public officer is not required to establish a legal defense fund in order to use campaign contributions to pay for legal expenses, but sections 29, 54, 56, 58,
Sections 65 and 66 of this bill require the candidate or public officer to report the expenditure of such money on his or her campaign expenditure reports.

Section 58 of this bill adds contributions made to another candidate, a nonprofit corporation, a committee for political action or a committee for the recall of a public officer to the categories of expenditures that must be reported on campaign expenditure reports.

Section 65 of this bill requires the affidavit executed by a circulator of a petition for initiative or referendum to include the contact information of the circulator and a statement that the circulator is at least 18 years of age.

Sections 65.5 and 66 of this bill: (1) clarify that a candidate for or person appointed to the office of Legislator is required to file a statement of financial disclosure with the Secretary of State; and (2) requires a public officer who leaves office to file a statement of financial disclosure on January 15th of the year immediately following the year in which the public officer leaves office unless the public officer leaves office before January 15 in the prior year.

Sections 67 and 68 of this bill require that candidates for city office in the cities of Carlin and Wells file declarations of candidacy at the same time as candidates for statewide office.

2. Notwithstanding the provisions of subsection 1, a person described in subsection 1 may submit and the county clerk shall accept the declaration of candidacy or acceptance of candidacy if the unpaid civil penalty or fine is under appeal and the person posts a bond with the Secretary of State for the same amount as the unpaid civil penalty or fine.

293.127561 1. The Legislature shall establish petition districts from which signatures for a petition for initiative or referendum that proposes a constitutional amendment or statewide measure must be gathered. The petition districts must be established in a manner that is fair to all residents of the State, represent approximately equal populations and ensure that each signature is afforded the same weight.

2. Petition districts must be:

(a) Based on the population databases compiled by the Bureau of the Census of the United States Department of Commerce as validated and incorporated into the geographic information system by the Legislative Counsel Bureau for use by the Nevada Legislature.

(b) Designated in the maps filed with the Office of the Secretary of State pursuant to NRS 293.127562.

Sec. 8. NRS 293.127563 is hereby amended to read as follows:

2. To determine the number of signatures required to be gathered from a petition district, the Secretary of State shall calculate the amount that equals 10 percent of the voters who voted in that petition district at the last preceding general election.

Sec. 9. NRS 293.1276 is hereby amended to read as follows:

293.1276 1. Within 4 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110, the county clerk shall determine the total number of signatures affixed to the documents and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained fully or partially within the county and forward that information to the Secretary of State.
2. If the Secretary of State finds that the total number of signatures filed with all the county clerks is less than 100 percent of the required number of registered voters, the Secretary of State shall so notify the person who submitted the petition and the county clerks and no further action may be taken in regard to the petition. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

3. After the petition is submitted to the county clerk, it must not be handled by any other person except by an employee of the county clerk’s office until it is filed with the Secretary of State.

Sec. 10. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk’s county and, in the case of a petition for initiative or referendum proposing a [statute, an amendment to a statute or an amendment to the Constitution] constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk’s county.

2. If more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.

3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk’s records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

4. In the case of a petition for initiative or referendum proposing a [statute, an amendment to a statute or an amendment to the Constitution] constitutional amendment or statewide measure, when the county clerk is determining the number of registered voters who signed the documents from each petition district contained fully or partially within the county clerk’s county, he or she must use the statewide voter registration list available pursuant to NRS 293.675.
5. Except as otherwise provided in subsection 7, upon completing the examination, the county clerk shall immediately attach to the documents a certificate properly dated, showing the result of the examination, including the tally of signatures by petition district, if required, and transmit the documents with the certificate to the Secretary of State. If In the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, if a petition district comprises more than one county, [and the petition proposes a statute, an amendment to a statute or an amendment to the Constitution], the appropriate county clerks shall comply with the regulations adopted by the Secretary of State pursuant to this section to complete the certificate. A copy of this certificate must be filed in the clerk’s office. A public officer who is the subject of a recall petition must also be allowed to witness the verification of the signatures on the petition.

7. 8. The Secretary of State shall by regulation establish further procedures for carrying out the provisions of this section.

Sec. 11. NRS 293.1278 is hereby amended to read as follows:

293.1278 1. If the certificates received by the Secretary of State from all the county clerks establish that the number of valid signatures is less than 90 percent of the required number of registered voters, the petition shall be deemed to have failed to qualify, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

2. If those certificates establish that the number of valid signatures is equal to or more than the sum of 100 percent of the number of registered voters needed to make the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015 and, in the case of a petition for initiative or referendum proposing a constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of those certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.
3. If the certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient but the petition fails to qualify pursuant to subsection 2, each county clerk who received a request to remove a name pursuant to NRS 295.055 or 306.015 shall remove each name as requested, amend the certificate and transmit the amended certificate to the Secretary of State. If the amended certificates establish that the petitioners have 100 percent or more of the number of registered voters needed to make the petition sufficient and, in the case of a petition for initiative or referendum proposing a statute, an amendment to a statute or an amendment to the Constitution, constitutional amendment or statewide measure, that the petition has the minimum number of signatures required for each petition district, the petition shall be deemed to qualify as of the date of receipt by the Secretary of State of the amended certificates, and the Secretary of State shall immediately so notify the petitioners and the county clerks.

Sec. 12. NRS 293.1279 is hereby amended to read as follows:

293.1279 1. If the statistical sampling shows that the number of valid signatures filed is 90 percent or more, but less than the sum of 100 percent of the number of signatures of registered voters needed to declare the petition sufficient plus the total number of requests to remove a name received by the county clerks pursuant to NRS 295.055 or 306.015, the Secretary of State shall order the county clerks to examine the signatures for verification. (a) A public officer appointed to fill the unexpired term of an elected or appointed public officer shall file a statement of financial disclosure within 30 days after the public officer’s appointment.

(b) Each public officer appointed to fill an office shall file a statement of financial disclosure on or before January 15 of each:

(1) Each year of the term, including the year in which the public officer leaves office; and

(2) The year immediately following the year in which the public officer leaves office, unless the public officer leaves office before January 15 in the prior year.

The statement must disclose the required information for the full calendar year immediately preceding the date of filing.

2. If a person is serving in a public office for which the person is required to file a statement pursuant to subsection 1, the person may use the statement the person files for that initial office to satisfy the requirements of subsection 1 for every other public office to which the person is appointed and in which the person is also serving.

3. A judicial officer who is appointed to fill the unexpired term of a predecessor or to fill a newly created judgeship shall file a statement of financial disclosure pursuant to the requirements of Canon 4I of the Nevada Code of Judicial Conduct. Such a statement of financial disclosure must include, without limitation, all information required to be included in a statement of financial disclosure pursuant to NRS 281A.620.

4. The Commission shall provide written notification to the Secretary of State of the public officers who failed to file the statements of financial disclosure required by subsection 1 or who failed to file those statements in a timely manner. The notice must be sent within 30 days after the deadlines set forth in subsection 1 and must include:

6. A statement of financial disclosure shall be deemed to be filed with the Commission:

Sec. 66. NRS 281A.610 is hereby amended to read as follows:

(b) Each public officer shall file a statement of financial disclosure for:

The statement must disclose the required information for the full calendar year immediately preceding the date of filing.

2. Except as otherwise provided in this subsection, if a candidate for public office is serving in a public office for which the candidate is required to file a statement pursuant to paragraph (b) of subsection 1 or subsection 1 of NRS 281A.600, the candidate need not file the statement required by subsection 1 for the full calendar year for which the candidate previously filed a statement. The provisions of this subsection do not relieve the candidate of the requirement pursuant to paragraph (a) of subsection 1 to file a statement of financial disclosure for the period between January 1 of the year in which the election for the office will be held and the last day to qualify as a candidate for the office.

3. A person elected pursuant to NRS 548.285 to the office of supervisor of a conservation district is not required to file a statement of financial disclosure relative to that office pursuant to subsection 1.

7. The Secretary of State shall prescribe, by regulation, procedures for the submission of statements of financial disclosure filed pursuant to this section, maintain files of such statements and make the statements available for public inspection.

Amendment adopted.

The following amendment was proposed by Assemblymen Oceguera and Conklin:

Amendment No. 545.

AN ACT relating to elections; revising provisions relating to declarations of candidacy or acceptance of candidacy; clarifying when a minor political party may be recognized; revising certain requirements for petitions of referendum; increasing fees for filing for candidacy; revising provisions concerning ballots; revising provisions relating to counting ballots, posting voting results and recounts; requiring employers to allow employees to be absent to participate in the nomination process for President of the United States; providing that the residency of spouses of certain military personnel is not changed whether absent or present in this State; making various changes concerning campaign contributions and expenditures; making various other changes to provisions governing elections; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires a person to file a declaration of candidacy or acceptance of candidacy in order to have the person’s name appear on a ballot. (NRS 293.177, 293C.185) Sections 4 and 31 of this bill prohibit a person from filing a declaration or acceptance of candidacy if the person has an outstanding civil penalty or fine related to a violation of a provision of election law.

In order to qualify to place the names of candidates on the ballot, under existing law, a minor political party must have filed with the Secretary of
State a certificate of existence and a list of candidates. Also, the minor political party must have: (1) at the last preceding general election, polled for any of its candidates for partisan office a number of votes equal to or more than 1 percent of the total number of votes cast for the offices of Representative in Congress; (2) been designated as the political party on the applications to register to vote of at least 1 percent of the total number of registered voters in this State; or (3) filed a petition with the Secretary of State which is signed by a number of registered voters equal to at least 1 percent of the total number of votes cast at the last preceding election for the offices of Representative of Congress. Alternatively, the minor political party may place the name of a candidate on the ballot if the minor political party has filed with the Secretary of State a certificate of existence and a petition on behalf of the candidate that it wants to place on the ballot containing a certain number of signatures. (NRS 293.1715) Sections 6 and 15-18 of this bill clarify that an organization is recognized as a minor political party when it files a certificate of existence. A minor political party must still meet the other requirements in order to qualify to place candidates on the ballot.

Sections 7-12 and 64 of this bill provide that the signature and verification requirements for initiative petitions also apply to petitions for referendum.

Existing law provides the requirements for nominating candidates for office and placing candidates on the ballot for the general election. (NRS 293.165, 293.166, 293.368) Sections 13, 14 and 25 of this bill move the date after which no change may be made on the ballot for the general election from the first Tuesday after the primary election to the fourth Friday in June of the year in which the general election is held.

Existing law provides that if a person willfully files a declaration or acceptance of candidacy that contains a false statement, the name of the person must not appear on the ballot for the election for which the person filed the declaration or acceptance of candidacy. (NRS 293.184, 293C.1865) Sections 19 and 32 of this bill further require that if the name of such a person appears on the ballot because the deadline for making changes to the ballot has passed, the Secretary of State, county clerk or city clerk must inform voters by posting signs at polling places that the person is disqualified from entering upon the duties of office.

Section 20 of this bill increases the fees for filing for candidacy for federal, state, county, city and township office. Section 20 exempts a person who does not have the ability to pay the fees in certain circumstances.

Section 21 of this bill allows a person to cast a primary ballot for a major political party only if the person is a member of that major political party.

Section 22 of this bill revises the order in which candidates for justice of the Supreme Court will appear on a ballot so that they appear with other constitutional officers.

Existing law sets forth procedures for depositing absent ballots in the ballot box, including verifying the absent voter’s signature that appears on the back of the return envelope or facsimile. (NRS 293.333, 293C.332)
Because certain military personnel and overseas citizens may return special absent ballots via approved electronic transmission other than facsimile, sections 23 and 33 of this bill authorize the verification of the signature of these voters by comparing the signature from the special absent ballot or the oath of the voter that must be included in the special absent ballot with that on the original application to register to vote.

Existing law sets forth the period for early voting by personal appearance at a primary or general election, which excludes Sundays and state and federal holidays. (NRS 293.3568, 293C.3568) Sections 24 and 34 of this bill provide that state holidays are not excluded from that period.

Section 26 of this bill prohibits a county clerk from posting voting results for a statewide or multicounty race or ballot question until the Secretary of State notifies the county clerk that all polling places are closed and all votes have been cast.

Section 27 of this bill authorizes a person who demands an election recount in a county or city using a mechanical voting system to demand the recount of only absent ballots cast by mail.

Existing law requires an employer to allow an employee to be absent from his or her place of employment for the purpose of voting in an election. (NRS 293.463) Section 28 of this bill requires employers to also allow employees to be absent from their places of employment to participate in the nomination process for candidates for President of the United States at a caucus of a political party.

Existing law provides that a person does not gain or lose residence in the State by reason of his or her presence or absence while being employed in the military, naval or civil service of the United States or the State of Nevada or while engaged in the navigation of the waters of the United States or of the high seas. (NRS 293.487) Section 30 of this bill provides that the spouse of such a person also does not gain or lose residence in the State.

Section 37 of this bill requires certain persons, committees for political action, political parties and committees of political parties that make an expenditure of more than $100 for the purpose of financing certain public communications to disclose on the communication the name of the person, committee or political party that paid for the communication.

Section 38 of this bill requires that certain independent expenditures on behalf of a candidate or group of candidates of more than $5,000 be reported to the Secretary of State.

Existing law limits the amount that may be contributed to a candidate for office to $5,000 for the primary election and $5,000 for the general election. (NRS 294A.100) Section 41 of this bill limits the amount that may be contributed to a committee for political action that is organized solely for the support or opposition of a single candidate to $5,000 for the primary election and $5,000 for the general election.

Section 41.5 of this bill prohibits a person from making a contribution to a committee for political action with the knowledge and intent that the
committee for political action will contribute that money to a specific candidate which, in combination with the total contributions already made by the person for the same election, would violate the limitations on contributions in existing law.

Sections 42, 44-48 and 57 of this bill amend the dates for filing reports relating to campaign contribution and expenditures and add an additional report that must be filed by candidates, groups and various parties and committees.

Section 49 of this bill provides that if a committee for political action fails to register with the Secretary of State before engaging in any activity within the State, the Secretary of State may impose on the committee a civil penalty for each time the committee engages in activity without being registered.

Sections 40, 44, 45, 47, 48, 50-53, 55, 59-62 and 69 of this bill repeal the term “business entity” and remove the term from provisions governing registration and campaign contribution and expenditure reporting. These entities, however, are not exempt from the provisions because they are business organizations included within the term “person” as defined in existing law. (NRS 294A.009)

Section 54 of this bill authorizes a candidate or public officer to use campaign contributions to pay for legal expenses that the candidate or public officer incurred in relation to a campaign or while serving in public office. Any such candidate or public officer is not required to establish a legal defense fund in order to use campaign contributions to pay for legal expenses, but sections 29, 54, 56, 58, 59, 61 and 62 of this bill require the candidate or public officer to report the expenditure of such money on his or her campaign expenditure reports.

Section 65 of this bill requires the affidavit executed by a circulator of a petition for initiative or referendum to include the contact information of the circulator and a statement that the circulator is at least 18 years of age.

Section 66 of this bill requires a Legislator to file a statement of financial disclosure on January 15th of the year immediately following the year in which the Legislator’s term expires.

Sections 67 and 68 of this bill require that candidates for city office in the cities of Carlin and Wells file declarations of candidacy at the same time as candidates for statewide office.

Sec. 6. NRS 293.066 is hereby amended to read as follows:

Sec. 7. NRS 293.127561 is hereby amended to read as follows:

293.127561 1. The Legislature shall establish petition districts from which signatures for a petition for initiative or referendum that proposes a statute, an amendment to a statute or an amendment to the Constitution of this State, constitutional amendment or statewide measure must be gathered. The petition districts must be established in a manner that is fair to all residents of the State, represent approximately equal populations and ensure that each signature is afforded the same weight.

2. Petition districts must be:

(a) Based on the population databases compiled by the Bureau of the Census of the United States Department of Commerce as validated and incorporated into the geographic information system by the Legislative Counsel Bureau for use by the Nevada Legislature.

(b) Designated in the maps filed with the Office of the Secretary of State pursuant to NRS 293.127562.

Sec. 8. NRS 293.127563 is hereby amended to read as follows:

293.127563 1. As soon as practicable after each general election, the Secretary of State shall determine the number of signatures required to be gathered from each petition district within the State for a petition for initiative or referendum that proposes a statute, an amendment to a statute or an amendment to the Constitution of this State, constitutional amendment or statewide measure.
2. To determine the number of signatures required to be gathered from a petition district, the Secretary of State shall calculate the amount that equals 10 percent of the voters who voted in that petition district at the last preceding general election.

Sec. 9. NRS 293.1276 is hereby amended to read as follows:

293.1276 1. Within 4 days, excluding Saturdays, Sundays and holidays, after the submission of a petition containing signatures which are required to be verified pursuant to NRS 293.128, 293.165, 293.172, 293.200, 295.056, 298.109, 306.035 or 306.110, the county clerk shall determine the total number of signatures affixed to the documents and, in the case of a petition for initiative or referendum proposing a statute, an amendment to a statute or an amendment to the Constitution, constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained fully or partially within the county and forward that information to the Secretary of State.

2. If the Secretary of State finds that the total number of signatures filed with all the county clerks is less than 100 percent of the required number of registered voters, the Secretary of State shall so notify the person who submitted the petition and the county clerks and no further action may be taken in regard to the petition. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

3. After the petition is submitted to the county clerk, it must not be handled by any other person except by an employee of the county clerk’s office until it is filed with the Secretary of State.

Sec. 10. NRS 293.1277 is hereby amended to read as follows:

293.1277 1. If the Secretary of State finds that the total number of signatures submitted to all the county clerks is 100 percent or more of the number of registered voters needed to declare the petition sufficient, the Secretary of State shall immediately so notify the county clerks. Within 9 days, excluding Saturdays, Sundays and holidays, after notification, each of the county clerks shall determine the number of registered voters who have signed the documents submitted in the county clerk’s county and, in the case of a petition for initiative or referendum proposing a statute, an amendment to a statute or an amendment to the Constitution, constitutional amendment or statewide measure, shall tally the number of signatures for each petition district contained or fully contained within the county clerk’s county.

2. If more than 500 names have been signed on the documents submitted to a county clerk, the county clerk shall examine the signatures by sampling them at random for verification. The random sample of signatures to be verified must be drawn in such a manner that every signature which has been submitted to the county clerk is given an equal opportunity to be included in the sample. The sample must include an examination of at least 500 or 5 percent of the signatures, whichever is greater.
3. In determining from the records of registration the number of registered voters who signed the documents, the county clerk may use the signatures contained in the file of applications to register to vote. If the county clerk uses that file, the county clerk shall ensure that every application in the file is examined, including any application in his or her possession which may not yet be entered into the county clerk’s records. The county clerk shall rely only on the appearance of the signature and the address and date included with each signature in making his or her determination.

4. The county clerks shall examine the signatures for verification until they determine that 100 percent of the number of signatures of registered voters needed to declare the petition sufficient are valid. valid until they have removed each name as requested pursuant to NRS 295.055 or 306.015.

2. If necessary, the board of county commissioners shall allow the county clerk additional assistants for examining the signatures and provide for their compensation. In determining from the records of registration what number of registered voters have signed the petition and in determining in which petition district the voters reside, the county clerk must use the statewide voter registration list. The county clerk may rely on the appearance of the signature and the address and date included with each signature in determining the number of registered voters that signed the petition.

4. Except as otherwise provided in subsection 5, upon completing the examination, the county clerk or county clerks shall immediately attach to the documents of the petition an amended certificate, properly dated, showing the result of the examination and shall immediately forward the documents with the amended certificate to the Secretary of State. 6. Except for a petition to recall a county, district or municipal officer, the petition shall be deemed filed with the Secretary of State as of the date on which the Secretary of State receives certificates from the county clerks showing the petition to be signed by the requisite number of voters of the State.

7. If the amended certificates received from all county clerks by the Secretary of State establish that the petition is still insufficient, the Secretary of State shall immediately so notify the petitioners and the county clerks. If the petition is a petition to recall a county, district or municipal officer, the Secretary of State shall also notify the officer with whom the petition is to be filed.

Assembly Bill No. 471.

Bill read third time.

The following amendment was proposed by the Committee on Government Affairs:

Amendment No. 536.
AN ACT relating to local government financial administration; prohibiting the limiting the authority of a governing body of a local government from loaning or transferring money from an enterprise fund under certain circumstances; and to increase fees imposed for the purpose of an enterprise fund; requiring certain reports from the Committee on Local Government Finance; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Local Government Budget and Finance Act authorizes the governing body of a local government to establish certain funds, including an enterprise fund to account for operations which are financed and conducted in a manner similar to the operations of a private business, where the intent of the governing body is to have the expenses of providing goods or services to the general public financed through charges imposed on users. (NRS 354.470-354.626) Section 1 of this bill prohibits a governing body of a local government from loaning or transferring any money from an enterprise fund, any money collected from fees imposed for the purpose for which an enterprise fund was created or any income or interest earned on money in an enterprise fund to: (1) any fund that is unrelated to the purpose for which the enterprise fund was created; or (2) the general fund of a local government. to loan or transfer money from an enterprise fund only if the loan or transfer is made: (1) as a medium-term obligation in compliance with certain requirements; (2) to pay the expenses of the pertinent enterprise; (3) for a cost allocation for employees, equipment or other resources; or (4) upon the dissolution of the fund. In addition, section 1 allows such a governing body to increase the amount of the fees imposed for the purpose for which an enterprise fund was created only if the Committee on Local Government Finance approves that increase or the fees are imposed on certain public utilities for a right-of-way over a public area. Lastly, section 1 requires the Committee to submit biennial reports to the Legislature regarding compliance with the requirements of that section. Section 9 of this bill provides that any officer or employee of a local government who violates section 1 is guilty of a misdemeanor and upon conviction ceases to hold his or her office or employment.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 354 of NRS is hereby amended by adding thereto a new section to read as follows:

1. Any fund that is unrelated to the purpose for which the enterprise fund was created; or

2. The general fund of the local government which created the enterprise fund or of any other local government, only if the loan or transfer is made:

      (1) The money is repaid in full to the enterprise fund within 5 years; or
      (2) If the recipient will be unable to repay the money in full to the enterprise fund within 5 years, the recipient notifies the Committee on Local Government Finance of:

   (a) The increase is not prohibited by law;
   (b) The increase is necessary for the continuation or expansion of the purpose for which the enterprise fund was created; and
   (c) The governing body is not using any money from the enterprise fund, any money collected from fees imposed for the purpose for which the enterprise fund was created or any income or interest earned on money in the enterprise fund for any purpose other than that for which the enterprise fund was created, except to repay any money loaned or transferred to the enterprise fund from another fund of the local government or of another local government to provide working capital for the enterprise fund.

3.    (a) Adopt an ordinance providing for the withdrawal;
   (b) Obtain approval from the board; and
   (c) Give notice to the other participating entity or entities of its intent to withdraw,
   at least 6 months before the date on which the withdrawal would be effective.

Motion carried.

ASSEMBLYWOMAN KIRKPATRICK:
Thank you, Mr. Speaker. Because water is a very contentious issue within our state, we worked very hard to make sure our record was very clear within the Government Affairs Committee. We want to make sure this is very clear in the Journal today, as well. Today, I would like to read a very lengthy yet very important floor statement to ensure that the record is clear, for the third time.

Assembly Bill 115 extends the time within which the State Engineer may act on an application from one year to two years. The bill deletes the requirement for a protestant to approve the postponement of an application and adds additional grounds for postponement of an application. An application that has not been approved or rejected, or on which a hearing has not been held within seven years, must be republished and the protest period reopened.

The bill clarifies that applications remain active until either approved or rejected. Additional technical amendments include reordering certain existing sections of the statutes, eliminating unused definitions, and deleting redundant provisions. This measure states that the amendment only applies to applications filed on or after July 1, 2011.

Mr. Speaker, I just want to clarify, also, that we had a Supreme Court ruling. We worked with Great Basin Network to address the concerns that were raised by the Supreme Court ruling that we heard during the 2010 Special Session. This clarifies that we cleaned the record so that within the statute you can actually find, specifically, where things go. With that, I would urge your support.

GENERAL FILE AND THIRD READING

Assembly Bill No. 301.
Bill read third time.
The following amendment was proposed by the Committee on Legislative Operations and Elections:
Amendment No. 544.
AN ACT relating to civil rights; revising provisions governing the restoration of the right to vote; revising provisions governing the right to serve on a jury in civil matters for any person who has completed a sentence for a felony conviction or who has been convicted of a felony; revising provisions governing the restoration of the right to hold public office and the right to serve on a jury in criminal matters for persons who have been convicted of a felony; revising provisions governing the registration to vote of a person convicted of a felony; revising provisions governing the cancellation of the registration to vote of a person convicted of a felony; revising provisions governing a challenge to the right to vote of a person convicted of a felony; and providing other matters properly relating thereto.
Legislative Counsel’s Digest:
Existing law requires a county clerk to cancel the registration to vote of a person who has been convicted of a felony unless the person’s right to vote
has been restored: (1) under the laws of this State; or (2) if the conviction occurred in another state, under the laws of that state. (NRS 293.540) In addition, existing law provides that a person who has been convicted of a felony is not eligible to serve on a jury unless that right has been restored. (NRS 6.010) Under existing law, unless a person has been convicted of certain specified felonies, a person who has been convicted of a felony is restored to the right to vote and the right to serve on a jury in a civil matter upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon; (4) an honorable discharge from parole; or (5) being released from prison because of the expiration of his or her sentence. (NRS 176A.850, 179.285, 213.090, 213.155, 213.157)

Sections 4, 5 and 7 of this bill provide remove all exceptions to the restoration of the right to vote of a person convicted of a felony so that any person convicted of any felony in this State is restored to the right to vote and the right to serve on a jury in a civil matter in this State upon: (1) an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon; (4) an honorable discharge from parole; or (5) the completion of his or her sentence and release from prison. Under sections 1-4 and 7-9, the Director of the Department of Corrections, the Division of Parole and Probation of the Department of Public Safety, the State Board of Parole Commissioners or the court, whichever is applicable to the circumstances, must provide notice to the county clerk where the person resides that the person's right to vote has been restored. Under sections 2, 4, 5, 7 and 8, the Director of the Department of Corrections, the Division of Parole and Probation or the State Board of Parole Commissioners, as appropriate, must provide an application to register to vote to the person whose right to vote has been restored.

Under existing law, unless a person has been convicted of certain specified felonies, a person who has been convicted of a felony is restored to the right to hold public office and the right to serve on a jury in a criminal matter upon: (1) the passing of a certain number of years after an honorable discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon; (4) the passing of a certain number of years after being honorably discharged from parole; and (5) the passing of a certain number of years after being released from prison because of the expiration of his or her sentence. (NRS 176A.850, 179.285, 213.090, 213.155, 213.157) Sections 4, 5, 7 and 8 of this bill provide that a person convicted of any felony in any state is restored to the right to hold public office and the right to serve on a jury in a criminal matter in this State upon: (1) the passing of a certain number of years after any discharge from probation; (2) the sealing of his or her records by a court; (3) the granting of a pardon; (4) the passing of a certain number of years after any discharge from parole; and (5) the passing of a certain number of years after the completion of his or her sentence and release from prison.)
Sections 10-15 of this bill revise provisions relating to voter registration. Under existing law, the civil right to vote of a person who is resident of this State and who has been convicted of a felony in another state is determined by the law of that other state. (NRS 293.540) Section 10.3 of this bill provides that a resident of this State who was convicted of a felony in another state is restored to the right to vote in this State if he or she: (1) has been released from prison because of the expiration of his or her sentence; (2) has received a discharge from probation or parole which is not a dishonorable discharge; or (3) has received a pardon, or an order from a court of competent jurisdiction, which restores the person’s civil right to vote. Section 10.5 of this bill prohibits a county clerk from requiring a person seeking to register to vote to present documentation indicating that the person’s right to vote has been restored following a conviction for a felony under the laws of this State or another state. Section 10.7 of this bill provides for an appeal to the Secretary of State and the district court if the county clerk cancels the voter registration of, or refuses to register, a person on the ground that the person is ineligible to vote because the person (1) has been convicted of a felony under the laws of this State or another state; and (2) has not had his or her civil right to vote restored. Section 12 revises the procedures to be followed by a county clerk upon a determination based on specific evidence that a person is ineligible to vote because the person (1) has been convicted of a felony under the laws of this State or another state; and (2) has not had his or her civil right to vote restored. Section 13 revises the procedure for reregistering a person to vote after a cancellation of the person’s right to vote because of a felony conviction. Section 14 revises the procedures to be followed by a county clerk, district attorney or court upon a receipt of a challenge providing that a person is ineligible to vote because the person (1) has been convicted of a felony under the laws of this State or another state; and (2) has not had his or her civil right to vote restored.

Service of such process must first be attempted at the appropriate address as specified by the candidate in the declaration or acceptance of candidacy. If the candidate cannot be served at that address,
service must be made by personally delivering to and leaving with the filing officer duplicate copies of the process. The filing officer shall immediately send, by registered or certified mail, one of the copies to the candidate at the specified address, unless the candidate has designated in writing to the filing officer a different address for that purpose, in which case the filing officer shall mail the copy to the last address so designated.

6. If the filing officer receives credible evidence indicating that a candidate has been convicted of a felony and has not had his or her civil rights restored, the filing officer:

(a) May conduct an investigation to determine whether the candidate has been convicted of a felony and, if so, whether the candidate has had his or her civil rights restored; and

(b) Shall transmit the credible evidence and the findings from such investigation to the Attorney General, if the filing officer is the Secretary of State, or to the district attorney, if the filing officer is a person other than the Secretary of State.

7. The receipt of information by the Attorney General or district attorney pursuant to subsection 6 must be treated as a challenge of a candidate pursuant to subsections 4 and 5 of NRS 293.182. If the ballots are printed before a court of competent jurisdiction makes a determination that a candidate has been convicted of a felony and has not had his or her civil rights restored, the filing officer must post a notice at each polling place where the candidate’s name will appear on the ballot informing the voters that the candidate is disqualified from entering upon the duties of the office for which the candidate filed the declaration of candidacy or acceptance of candidacy.

Sec. 12. NRS 293.540 is hereby amended to read as follows:

293.540 The county clerk shall cancel the registration:

If the registrant so affirms or presents a court order or official documentation indicating that his or her civil right to vote has been restored pursuant to NRS 176A.850, 176A.870, 179.285, 213.090, 213.155 or 213.157 or pursuant to the laws of another state, he or she has had his or her civil right to vote in this State restored pursuant to the provisions of NRS 176A.850, 179.285, 213.090, 213.155 or 213.157 or pursuant to the provisions of section 10.3 of this act, the county clerk may not cancel the registration unless the county clerk has specific, documentary evidence that the registrant is ineligible to vote in this State. If the registrant fails to respond within 30 days after receiving the notice pursuant to this subsection, the county clerk may cancel the registration.

4. Upon the production of a certified copy of the judgment of any court directing the cancellation to be made.

5. Upon the request of any registered voter to affiliate with any political party or to change affiliation, if that change is made before the end of the last day to register to vote in the election.

6. At the request of the person registered.

7. If the county clerk has discovered an incorrect registration pursuant to the provisions of NRS 293.5235, 293.530 or 293.535 and the elector has failed to respond or appear to vote within the required time.

8. As required by NRS 293.541.

9. Upon verification that the application to register to vote is a duplicate if the county clerk has the original or another duplicate of the application on file in the county clerk’s office.

293.543 1. If the registration of an elector is cancelled pursuant to subsection 2 of NRS 293.540, the county clerk shall reregister the elector upon notice from the clerk of the district court that the elector has been declared sane or mentally competent by the district court.

2. If the registration of an elector is cancelled pursuant to subsection 3 of NRS 293.540, the elector may reregister if:

(a) [Conviction] The elector’s conviction has been overturned; the elector is no longer incarcerated because of a felony conviction under the laws of this State or another state; or
Civil rights have been restored:

(1) If the elector was convicted in this State, pursuant to the provisions of NRS 213.090, 213.155 or 213.157.

Assemblyman Segerblom moved the adoption of the amendment.
Amendment adopted.
Bill ordered reprinted, engrossed, and to third reading.

Assembly Bill No. 359.
Bill read third time.

The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 436.
AN ACT relating to energy; revising the categories of uses, capacity goals and prospective expiration of the Waterpower Energy Systems Demonstration Program; revising provisions governing net metering for waterpower energy systems; [providing that systems which generate electricity from the recovery of waste heat from a qualified energy recovery process may qualify for net metering under certain circumstances; increasing] revising the cumulative capacity requirement for net metering systems; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

The Waterpower Energy Systems Demonstration Program was established for agricultural uses with a goal of the installation of not less than 500 kilowatts of waterpower energy systems in this State by 2012. (NRS 701B.820, 701B.840) The Waterpower Program is currently set to expire on June 30, 2011. Section 1 of this bill expands the Waterpower Program to encompass [municipal uses] Indian tribes and tribal organizations that are customers of a utility. Section 2 of this bill increases the capacity goals for the Waterpower Program [and] limits the amount of any rebate provided pursuant to the Waterpower Program, and sections 9-11 of this bill extend the Waterpower Program until June 30, 2016. Section 6 of this bill authorizes a person who installs a waterpower energy system to participate in net metering if the waterpower energy system is located on property owned by the customer-generator and generates electricity primarily intended to offset the customer-generator’s requirements for electricity on that property or contiguous property owned by the customer-generator.

Sections 3, 4 and 6 of this bill authorize a person to participate in net metering if the person operates a system that generates electricity through the use of waste heat from a qualified energy recovery process.

Each electric utility in this State is required to offer net metering to customer-generators of the utility until the cumulative capacity of net metering systems in the service area of the utility is equal to 1 percent of the utility’s peak capacity. (NRS 704.773) Section 7 of this bill [increases] requires a utility to offer net metering until the cumulative capacity of net metering systems is equal to 1 percent of the total peak capacity of all utilities in this State and further authorizes the Public Utilities Commission of Nevada to increase the cumulative capacity requirement for net metering to [4] 1.5 percent of the total peak capacity. Section 7 also prohibits a utility from charging a customer-generator who participates in net metering any fee or charge because the customer-generator does not generate electricity of all utilities in this State under certain circumstances.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 701B.820 is hereby amended to read as follows:
1. The Waterpower Energy Systems Demonstration Program is hereby created.

2. The Waterpower Demonstration Program is created for [agricultural and municipal uses]:
   (a) Agricultural uses; and
   (b) Indian tribes and tribal organizations that are customers of a utility.

3. To be eligible to participate in the Waterpower Demonstration Program, a person must meet the qualifications established pursuant to subsection 4, apply to a utility and be selected by the utility for inclusion in the Waterpower Demonstration Program.

4. The Commission shall adopt regulations providing for the qualifications an applicant must meet to qualify to participate in the Waterpower Demonstration Program.

Sec. 2. NRS 701B.840 is hereby amended to read as follows:

701B.840 The Commission shall adopt regulations that establish:
1. The capacity goals for the Program, which must be designed to meet the goal of the Legislature of the installation of not less than 500 kilowatts of waterpower energy systems in this State by 2012, not less than 10 megawatts of waterpower energy systems in this State by 2016, and not less than 25 megawatts of waterpower energy systems in this State by 2020 and the goals for each category of the Program. The regulations must provide that not less than 1 megawatt of capacity must be set aside for the installation of waterpower energy systems with a nameplate capacity of 100 kilowatts or less.

2. A system of incentives that are based on rebates that decline as the capacity goals for the Program and the goals for each category of the Program are met. The rebates must be based on predicted energy savings. The regulations must provide that the amount of any rebate provided pursuant to the Program must not exceed 50 percent of the total cost of the installation of the waterpower energy system for which the rebate is provided.

3. The procedure for claiming incentives, including, without limitation, the form and content of the incentive claim form.

Sec. 3. Chapter 704 of NRS is hereby amended by adding thereto a new section to read as follows:

704.766 It is hereby declared to be the purpose and policy of the Legislature in enacting NRS 704.766 to 704.775, inclusive, and section 3.5 of this act to:

1. Encourage private investment in renewable energy resources and qualified energy recovery processes;
2. Stimulate the economic growth of this State;
3. Enhance the continued diversification of the energy resources used in this State; and
4. Streamline the process for customers of a utility to apply for and install net metering systems.

Sec. 5. NRS 704.767 is hereby amended to read as follows:

704.767 As used in NRS 704.766 to 704.775, inclusive, and section 3.5 of this act, unless the context otherwise requires, the words and terms defined in NRS 704.768 to 704.772, inclusive, and section 3.5 of this act have the meanings ascribed to them in those sections.

Sec. 6. NRS 704.771 is hereby amended to read as follows:

704.771 1. “Net metering system” means:
(a) A facility or energy system for the generation of electricity that:
   (1) Uses renewable energy or waste heat from a qualified energy recovery process as its primary source of energy to generate electricity;
   (2) Has a generating capacity of not more than 1 megawatt;
   (3) Is located on the customer-generator’s premises;
   (4) Operates in parallel with the utility’s transmission and distribution facilities; and
   (5) Is intended primarily to offset part or all of the customer-generator’s requirements for electricity;
(b) A facility or system for the generation of electricity that:
   (1) Uses waterpower as its primary source of energy to generate electricity;
   (2) Is located on property owned by the customer-generator;
   (3) Has a generating capacity of not more than 1 megawatt;
   (4) Generates electricity that is delivered to the transmission and distribution facilities of the utility; and
   (5) Is intended primarily to offset all or part of the customer-generator’s requirements for electricity on that property or contiguous property owned by the customer-generator.

2. The term does not include a facility or energy system for the generation of electricity which has a generating capacity that exceeds the greater of:
(a) The limit on the demand that the class of customer of the customer-generator may place on the system of the utility; or
(b) One hundred fifty
   (a) Which is used to produce more than 150 percent of the customer-generator’s annual requirements for electricity.
(b) Which is part of a larger system that aggregates electricity generated from renewable energy for resale or for use at a location other than the premises on which the facility or energy system is located.

Sec. 7. NRS 704.773 is hereby amended to read as follows:

704.773  1. Except as otherwise provided in this subsection, a utility shall offer net metering, as set forth in NRS 704.775, to the customer-generators operating within its service area until the cumulative capacity of all such net metering systems is equal to 1\% of the total peak capacity of all utilities in this State. If, at any time, the Commission determines that the cumulative capacity of all such net metering systems is 0.8 percent or more of the total peak capacity of all utilities in this State, the Commission may issue an order requiring a utility to offer net metering, as set forth in NRS 704.775, to the customer-generators operating within its service area until the cumulative capacity of all such net metering systems is equal to 1.5 percent of the total peak capacity of all utilities in this State.

2. If the net metering system of a customer-generator who accepts the offer of a utility for net metering has a capacity of not more than 100 kilowatts, the utility:
   (a) Shall offer to make available to the customer-generator an energy meter that is capable of registering the flow of electricity in two directions.
   (b) May, at its own expense and with the written consent of the customer-generator, install one or more additional meters to monitor the flow of electricity in each direction.
   (c) Shall not charge a customer-generator any fee or charge that would increase the customer-generator’s minimum monthly charge to an amount greater than that of other customers of the utility in the same rate class as the customer-generator.

3. If the net metering system of a customer-generator who accepts the offer of a utility for net metering has a capacity of more than 100 kilowatts, the utility:
   (a) May require the customer-generator to install at its own cost:
      (1) An energy meter that is capable of measuring generation output and customer load; and
      (2) Any upgrades to the system of the utility that are required to make the net metering system compatible with the system of the utility.
   (b) Except as otherwise provided in paragraph (c), may charge the customer-generator any applicable fee or charge charged to other customers of the utility in the same rate class as the customer-generator, including, without limitation, customer, demand and facility charges.
   (c) Shall not charge the customer-generator any standby charge.
   (d) Shall not charge the customer-generator any fee or charge for not generating electricity.

At the time of installation or upgrade of any portion of a net metering system, the utility must allow a customer-generator governed by this
subsection to pay the entire cost of the installation or upgrade of the portion of the net metering system.

4. If the net metering system of a customer-generator is a net metering system described in paragraph (b) of subsection 1 of NRS 704.771 and:
   (a) The system is intended primarily to offset part or all of the customer-generator’s requirements for electricity on property contiguous to the property on which the net metering system is located; and
   (b) The customer-generator sells or transfers his or her interest in the contiguous property,
   the net metering system ceases to be eligible to participate in net metering.

5. The Commission shall adopt regulations prescribing the form and substance for a net metering tariff and a standard net metering contract. The regulations must include, without limitation:
   (a) The particular provisions, limitations and responsibilities of a customer-generator which must be included in a net metering tariff with regard to:
      (1) Metering equipment;
      (2) Net energy metering and billing; and
      (3) Interconnection,
   based on the allowable size of the net metering system.
   (b) The particular provisions, limitations and responsibilities of a customer-generator and the utility which must be included in a standard net metering contract.
   (c) A timeline for processing applications and contracts for net metering applicants.
   (d) Any other provisions the Commission finds necessary to carry out the provisions of NRS 704.766 to 704.775, inclusive, and section 3.5 of this act.

Sec. 8. NRS 704.7800 is hereby amended to read as follows:

704.7800 1. “Qualified energy recovery process” means a system with a nameplate capacity of not more than 15 megawatts that converts the otherwise lost energy from:
   (a) The heat from exhaust stacks or pipes used for engines or manufacturing or industrial processes; or
   (b) The reduction of high pressure in water or gas pipelines before the distribution of the water or gas,

Assembly Bill No. 363. Bill read third time.

The following amendment was proposed by the Committee on Commerce and Labor:

Amendment No. 282.

AN ACT relating to manufactured housing; authorizing a city or county building department to enforce regulations and conduct inspections with respect to the installation and tie down of manufactured homes, mobile homes and commercial coaches without obtaining written approval from the Manufactured Housing Division of the Department of Business and Industry; requiring a city or county building department to provide certain notices to the Division; authorizing a licensed contractor to perform any work on a mobile home, manufactured home, manufactured building, commercial coach or factory-built housing that is within the scope of his or her contractor’s license issued by the State Contractors’ Board; requiring the Division to develop and enter into certain cooperative agreements with a city or county building department; exempting a licensed contractor from certain provisions governing licensure as a specialty serviceperson by the Manufactured Housing Division; under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires a city or county building department to obtain written approval from the Manufactured Housing Division of the Department of Business and Industry before enforcing certain regulations and conducting inspections with respect to the installation and tie down of manufactured homes, mobile homes and commercial coaches. (NRS 489.287) Section 1 of this bill removes the requirement that a city or county building department obtain written approval from the Division before enforcing such regulations and conducting such inspections. Section 1 also requires the city or county building department to provide written notice to the Division of its intent to
begin or cease such enforcement or inspections and requires the Division, upon receipt of such notice, to develop and enter into a cooperative agreement with the city or county building department which sets forth the respective duties and responsibilities of the Division and the city or county building department.

Existing law prohibits a person who is licensed as a contractor by the State Contractors’ Board from performing any work on a mobile home, manufactured home, manufactured building, commercial coach or factory-built housing without obtaining a license from the Division. (NRS 489.311, 624.284) Sections 2 and 5 of this bill authorize a licensed contractor to perform any work on a mobile home, manufactured home, manufactured building, commercial coach or factory-built housing that is within the scope of his or her contractor’s license without obtaining a license from or satisfying any requirements for licensure by the Division. Sections 2.3 and 2.7 of this bill exempt a person who is licensed as a contractor by the State Contractors’ Board from certain requirements for licensure as a specialty serviceperson by the Division.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 489.287 is hereby amended to read as follows:

489.287 1. Except as otherwise provided in subsection 2, a city or county building department may, with the written approval of the Division, upon providing notice to the Division pursuant to subsection 3, enforce all regulations adopted pursuant to this chapter and make all inspections within its jurisdiction required by those regulations regarding the installation and tie down of manufactured homes, mobile homes or commercial coaches. Those inspections must be conducted in compliance with the provisions of this chapter and the regulations adopted pursuant to this chapter.

2. If a city or county building department fails to enforce the regulations adopted pursuant to this chapter or make the inspections required by subsection 1, the Division shall enforce those regulations and make the inspections in that jurisdiction, and may, at no cost to the local governing body, engage an independent contractor to perform any inspection.

3. A city or county building department shall, before enforcing regulations or conducting inspections pursuant to subsection 1, provide written notice to the Division of the intention of the city or county building department to enforce such regulations or conduct inspections. If the city or county building department ceases to enforce regulations or conduct inspections pursuant to subsection 1, the city or county building department shall provide written notice to the Division before cessation of such enforcement and inspections.

4. If the Division receives notice of the intention of a city or county building department to enforce regulations or conduct inspections pursuant to subsection 3, the Division shall develop and enter into a written
cooperative agreement with the city or county building department setting forth the respective duties and responsibilities of each party to the cooperative agreement.

Sec. 2. NRS 489.311 is hereby amended to read as follows:

489.311 1. 3. Notwithstanding the provisions of any other law, a person who holds a valid contractor's license issued by the State Contractors' Board pursuant to chapter 624 of NRS may, without obtaining a license pursuant to or meeting any other requirement for licensure required by this chapter, perform any work on a mobile home, manufactured home, manufactured building, commercial coach or factory-built housing that is within the scope of his or her contractor's license. (Deleted by amendment.)

Sec. 2.3. NRS 489.323 is hereby amended to read as follows:

(b) The services performed by the applicant pursuant to that license are substantially similar to the services to be performed by the applicant as a specialty serviceperson.

(c) For an applicant who holds a valid contractor’s license issued by the State Contractors’ Board pursuant to chapter 624 of NRS, the applicant provides proof satisfactory to the Division that the applicant, through training or experience, is qualified to perform the work for which the applicant seeks licensure.

Sec. 3. NRS 118B.067 is hereby amended to read as follows:

118B.067 1. If a landlord approves the placement of a manufactured home on a lot in a park and it is determined after the home is placed on the lot that the placement of the home does not comply with the requirements of the local ordinances relating to that placement, the landlord shall pay the cost to ensure compliance with those requirements.

2. A landlord shall notify any tenant who is bringing a manufactured home which is new to the manufactured home park into the manufactured home park that the provisions of NRS 489.311 requires that only persons licensed by the State of Nevada as contractors or general servicepersons are legally permitted to set up and install a manufactured home. Before the tenant may bring such a manufactured home into the manufactured home park, the tenant must provide to the landlord a copy of the license issued pursuant to NRS 489.311 or chapter 624 of NRS to the person who will be installing the manufactured home. (Deleted by amendment.)

Assembly Bill No. 379.
Bill read third time.
The following amendment was proposed by the Committee on Judiciary:
Amendment No. 456.

AN ACT relating to crimes; establishing the crime of stolen valor; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
The federal Stolen Valor Act of 2005 prohibits a person from falsely representing himself or herself, verbally or in writing, to have been awarded certain military decorations or awards. A person who violates this provision may be fined, imprisoned for not more than 6 months or both fined and imprisoned. (18 U.S.C. § 704(b)) The United States Court of Appeals for the Ninth Circuit recently held that the Stolen Valor Act is facially invalid pursuant to the First Amendment to the Constitution of the United States and is therefore unconstitutional. The Ninth Circuit Court found that the Act as currently drafted restricts free speech rights, but the Court suggested that the statute could be modified into a constitutional anti-fraud statute. (United States v. Alvarez, 617 F.3d 1198, 1212, 1217 (9th Cir. 2010)) The Court noted that to prove that a person is liable for fraud, it must be shown that the person knowingly made a false representation of fact to intentionally mislead another person and successfully misled the other person through such false representation. (United States v. Alvarez, 617 F.3d 1198, 1211 (9th Cir. 2010) (citing Ill. ex rel. Madigan v. Telemarketing Assocs., Inc., 538 U.S. 600, 620 (2003)))

Existing Nevada law prohibits a person from willfully wearing the badge, button, insignia or rosette of any military order or of any secret order or society, or from using any such item to obtain aid, assistance or any other benefit or advantage, if the person is not entitled to wear or use any such items. (NRS 205.410) This bill repeals existing Nevada law and provides that a person commits the crime of stolen valor if the person knowingly, with the intent to mislead or defraud and with the intent to obtain something of value, misleads or defrauds another person by committing
various acts concerning the making any false representation of himself or herself with relation to his or her military service and obtains something of value. If the amount of the loss caused by the violation: (1) is less than $2,500, the person who committed the violation is guilty of a gross misdemeanor; and (2) is $2,500 or more, the person who committed the violation is guilty of a category E felony.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

   (b) Make such false representation with the intent to obtain something of value; and
   (c) Mislead or defraud another person through such false representation and obtain something of value.

4. A person shall not knowingly, with the intent to mislead or defraud:
(a) Falsely claim, verbally or in writing, to be or to have been a member of any elite United States Special Operations Command (USSOCOM) of the Armed Forces of the United States, any of its component units or the predecessors of any such units by wearing or displaying the distinctive emblem, badge or pin thereof;

(c) Mislead or defraud another person through the use of any such false document and obtain something of value.

6. A person who violates any provision of this section is guilty of the crime of stolen valor. A person who violates:

(a) Subsection 1 is guilty of a misdemeanor.

(b) Subsection 2, except as otherwise provided in subsection 7 or 8, is guilty of a misdemeanor.

(c) Subsection 3, except as otherwise provided in subsection 7 or 8, is guilty of a misdemeanor.

(d) Subsection 4 is guilty of a misdemeanor.

(e) Subsection 5 is guilty of a gross misdemeanor.

7. A person who violates subsection 2 or 3 by wearing or falsely representing himself or herself to have been awarded a Distinguished Service Cross, Navy Cross, Air Force Cross, Silver Star or Purple Heart, or any replacement or duplicate medal for any such medal as authorized by law, is guilty of a gross misdemeanor.

8. A person who violates subsection 2 or 3 by wearing or falsely representing himself or herself to have been awarded a Medal of Honor is guilty of a category E felony and shall be punished as provided in NRS 193.130.

If the amount of the loss caused by a violation of subsection 1:

(a) Is less than $2,500, the person who committed the violation is guilty of a gross misdemeanor.

(b) Is $2,500 or more, the person who committed the violation is guilty of a category E felony and shall be punished as provided in NRS 193.130.

Sec. 2. NRS 205.410 is hereby repealed.

ASSEMBLYMAN ATKINSON:
Thank you, Mr. Speaker. I rise in support of Assembly Bill 182. Assembly Bill 182 is enabling legislation that permits participating entities to seek approval for creation of inland ports and inland port authorities, the purposes of which are to promote, encourage, and aid in economic development and employment opportunities within Nevada. A participating entity is a county or a city. Nevada’s Commission on Economic Development must develop a State Plan for Inland Ports and may only approve an application if the proposed inland port and authority are in conformance with the State Plan. An inland port must not contain any residential property and must be a contiguous area that contains at least two of the following: (1) a municipal airport; (2) a highway within the National Highway System; or (3) operating assets of one or more Class I railroads.

This is something we have talked about for quite some time. If you take a look at Dallas, Texas, they have the same concept that we are considering here in this state—something we have looked at in the interim in a committee that I sat on and chaired. We looked at this idea as a great opportunity to bring new business to the state and give our state a shot in the arm. Dallas has done this for quite some time. Over the last ten years, they have brought $20 billion to their state, an average of $2 billion per year. I do not think any of us can argue the fact that our state badly needs the income. This is a first effort and hopefully we will get others to get on board with this, which they already have. I urge your support. Thank you.

ASSEMBLYMAN HAMMOND:
Thank you, Mr. Speaker. There is no controversy with this bill. This bill is good. That is all I have to say.

ASSEMBLYMAN CONKLIN:
Thank you, Mr. Speaker. To the sponsor of the bill, Section 2, line 3, on the first page of the bill, talks about the word manipulation. This is a shared concept in law, one to the chiropractic statutes and one to the physical therapy statutes, and I want to make it perfectly clear on the
record, your intent. My understanding is it is the intent to apply to the chiropractor statutes and
not to others. I just wanted to hear it from you before I cast my vote. Thank you.

ASSEMBLYMAN HAMMOND:
Thank you. To my colleague from the south, I believe that that is the intent of the
chiropractors—to make sure those who are licensed to practice chiropractic medicine will be the
ones who supervise those who are in their preceptorship program and they will be doing
everything they can do right now, which is the manipulations that they perform.
