Assemblyman Bobzien:
The Assembly Committee on Ways and Means has completed its review of the various budgets for the Division of Insurance for the 2011-13 biennium. The major closing recommendations for these accounts include the following:

Insurance regulation (101-3813) B&I-57:
The Committee did not approve the Governor’s recommendation to consolidate six of the Division’s budget accounts into the Insurance Regulation account. The Committee approved a letter of intent requesting the Division report to the Interim Finance Committee, no later than February 2012, on the options considered for reducing the number of employees included in its cost allocation methodology.

The Committee approved the Governor’s recommendation to transfer five positions from the Division of Insurance to the Business and Industry Director’s Office, as part of the Department’s centralization plan for personnel, fiscal, and IT functions.

The Committee approved continuation of the letter of intent issued following the 2009 Legislative Session, requesting the Division to report to the Interim Finance Committee, no later than September 2012 regarding the costs of administering the Self Insured Workers’ Compensation program during FY 2012, based on actual time and effort reports by staff funded through the Insurance Regulation account.

The Committee voted not to approve the Governor’s recommendation to include a $100 General Fund appropriation in each year of the 2011-13 biennium. The Committee authorized a General Fund advance, equal to no more than two months of operating expenses, if the Division experiences an unanticipated revenue shortfall during the 2011-13 biennium.

Insurance examiners (223-3817) B&I-76:
The Committee approved a letter of intent directing the Division to report to the Interim Finance Committee, no later than January 1, 2012, the process to be used to refund overpayment of fees charged to insurers for the Insurance Premium Tax Desk Audit program, the methodology used to determine which refund option was most appropriate, and when the refund or tax credit would be implemented by the Division. Additionally, the agency was directed to utilize the approach that would have the least negative impact on the General Fund.

The Committee did not approve the Governor’s recommendation to consolidate this account into the Insurance Regulation account.

National Association of Insurance Commissioners (101-3828) B&I-98:
The Committee voted to increase out-of-state travel authority to $19,000 in each year of the 2011-13 biennium, which is $18,943 more than recommended in The Executive Budget.

The Committee voted to approve the suspension of the National Association of Insurance Commissioners assessment during the 2011-13 biennium, based on the projected reserve levels in this account at the end of FY 2013. The Division plans to reinstate the assessment in The Executive Budget for the 2013-2015 biennium. This was not included in the Governor’s recommended budget.
The Committee did not approve the Governor’s recommendation to consolidate this account into the Insurance Regulation account.

**Other accounts with no major closing issues:**

The following accounts were closed by the Committee as recommended by the Governor, excluding approval of the Governor’s recommendation to consolidate all of the accounts, except the Self Insured Workers’ Compensation account, into the Insurance Regulation account:

- CAPTIVE INSURERS (101-3818) B&I-82
- INSURANCE RECOVERY (101-3821) B&I-89
- INSURANCE EDUCATION & RESEARCH (101-3824) B&I-91
- INSURANCE COST STABILIZATION (101-3833) B&I-101
- SELF INSURED WORKERS’ COMPENSATION (210-4684) B&I-108

**Assemblywoman Mastroluca:**

The Ways and Means Committee has closed the following accounts for the Nevada Department of Education. The closings decrease General Fund appropriations for the Department by $505,700 in FY 2012 and $507,087 in FY 2013.

**Educational Trust Fund (101-2614) K-12 Education-23:**

The balance of the Educational Trust Fund, which is funded through expired or abandoned gift certificates, is projected at $58,481 in FY 2012 and $67,481 in FY 2013. Pursuant to statute, collections from the trust fund can only be expended as authorized by the Legislature. The Committee approved expenditures from the trust fund of $7,000 in each year of the 2011-13 biennium to establish a State Teacher of the Year program as recommended by the State Superintendent of Public Instruction.

**Education State Programs (101-2673) K-12 Education-27:**

The Committee approved the Governor’s recommendation to eliminate General Funds of $270,000 each year of the biennium for technical assistance and school support teams for non-Title I schools.

**Education Support Services (101-2720) K-12 Education-39:**

The Committee approved $8,764 in reserves over the 2011-13 biennium for additional training expenditures to allow grant management training for staff. The Committee approved the remainder of the account as recommended by the Governor.

**Proficiency Testing (101-2697) K-12 Education-46:**

The Committee supported the Governor’s recommendation to reduce General Funds of $1.85 million over the 2011-13 biennium for the elimination of the norm-referenced tests.

**Teacher Education and Licensing (101-2705) K-12 Education-52:**

The Committee closed the Teacher Licensing account as recommended by the Governor; however, expressed concern regarding the ability of the Office of Teacher Licensure to remain self-supporting due to declining revenues and reserves. In that regard, the Committee issued a letter of intent directing the Department to report on the reserves in the account, and any proposed changes to the fee structure or staffing levels in order to remain self-supporting. The Committee also expressed concern regarding the completion of the teacher licensure database approved by the 2009 Legislature, which was not completed due to declining revenues. In that regard, the Committee issued a letter of intent directing the Department to report on the status of the completion of the teacher licensure database.

**Drug Abuse Education (101-2605) K-12 Education-58:**

The Committee approved the Governor’s recommendation to eliminate this account from The Executive Budget due to the elimination of federal Safe and Drug-Free Schools and Communities grant funds. The elimination of the federal grant includes the elimination of one position.

**Other Unrestricted Accounts (101-2706) K-12 Education-73:**

The Committee approved staff’s recommendation to transfer a position from the Education State Programs account to this account, to be funded with charter school fees since the position works 100 percent on charter school activities. The Committee’s action resulted in a General Fund savings of $103,175 in FY 2012 and $104,562 in FY 2013. The Committee approved the remainder of the account as recommended by the Governor.
The Committee approved staff’s recommendation to carry-forward federal Education Jobs grant funds of $30.1 million in FY 2012, which had not been included in The Executive Budget. The Committee closed the remainder of the account as recommended by the Governor.

**Student Incentive Grants (101-2606) K-12 Education-101:**
The Committee approved the Governor’s budget amendment to eliminate the Student Incentive Grants account from The Executive Budget due to the elimination of federal grant funds, resulting in a reduction of General Funds of $381,634 in each year of the 2011-13 biennium appropriated for match funds to receive the federal grants.

**Nutrition Education Programs (101-2691) K-12 Education-114:**
The Committee closed the account as recommended by the Governor, but included a letter of intent directing the Department to work with the school districts to increase the state’s participation rate in the National School Lunch program and the School Breakfast program to the national average.

**Individuals with Disabilities (IDEA) (101-2715) K-12 Education-122:**
The Committee approved staff’s recommendation to reduce General Funds of $20,891 in each year of the 2011-13 biennium since no child is currently enrolled in the NRS 395 program. The program requires out-of-state placement and monitoring of certain students with disabilities. The Committee approved the remainder of the account as recommended by the Governor.

The Committee closed the following accounts as recommended by the Governor, with technical adjustments:
- Education Staffing Services (101-2719)
- School Health Education – AIDS (101-2611)

SUMMARY—Revises certain provisions governing certain real property held by banks. financial institutions. (BDR 55-737)
AN ACT relating to financial institutions; revising provisions governing
the period that a bank may hold certain real property; removing provisions
requiring a bank annually to charge off a certain percentage of the value of
certain real property held by the bank and acquired as a result of a debt owed
to the bank; revising provisions governing the review of certain
applications for licensure by the Commissioner of Financial Institutions;
revising provisions relating to the control of a retail trust company;
revising provisions governing the assets which certain trust companies
are required to maintain; revising provisions governing applications for
a license to operate a retail trust company; authorizing certain persons
to appeal certain decisions of the Commissioner; and providing other
matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes a bank to hold real property that the bank acquires
through the collection of debts owed to it for up to 10 years, and section 1 of
this bill reduces that period to 5 years, except that a bank may request an
extension of that period from the Commissioner of Financial Institutions of
not more than 5 years. Existing law also requires a bank to charge off the real
property on a schedule of not less than 10 percent per year, or at a greater
percentage if so required by the Commissioner. (NRS 662.015) [This bill]
Section 1 removes the requirement that a bank annually charge off a certain
percentage of the value of such real property.

Existing law charges the Commissioner with certain duties and
responsibilities related to retail trust companies, including investigating
companies that apply for licensure as a retail trust company, issuing
licenses to qualified companies to operate as a retail trust company and
removing from office an officer, director, manager or employee of a
retail trust company for certain conduct. (NRS 657.180, 669.085,
669.090, 669.130, 669.150, 669.160, 669.281) Section 3 of this bill requires
the Commissioner to consider certain criteria related to the potential
long-term success of a trust company before approving the company’s
application for licensure to operate as a retail trust company. Section 4 of
this bill requires a person who intends to obtain control of a retail
trust company to submit an application for licensure to the
Commissioner. Section 7 of this bill requires the Commissioner to
provide to an applicant for licensure as a retail trust company written
notice of any grounds for denial of an application and authorizes the
applicant to cure any defect or deficiency in the application and
resubmit the application within a certain period. Section 8 of this bill
provides that a person who is removed from office by the Commissioner
may appeal his or her removal from office within a certain period.

Existing law requires a retail trust company to maintain at least 50
percent of its required stockholders’ equity in cash, unless the
Commissioner approves a different amount, with the remaining amount
to be held in the form of readily marketable securities or certain other
assets that may be approved by the Commissioner. Existing law also requires a noncustodial trust company to maintain 50 percent of its required minimum capital in cash. (NRS 669.100) Section 6 of this bill requires a retail trust company to maintain a certain amount of its required stockholders’ equity in the form of cash or certain cash equivalents and authorizes a retail trust company to hold the remaining amount of the required stockholders’ equity in the form of readily marketable securities or certain other assets upon the approval of the Commissioner. Section 6 further requires that bonds or other evidence of indebtedness held by a retail trust company as part of its required stockholders’ equity meet certain investment standards. Section 6 also requires a noncustodial trust company to maintain 25 percent of its required minimum capital in the form of cash.

The Commissioner shall allow the applicant an opportunity to cure any defect or deficiency in the application and, not later than 30 days after receipt of the notice of denial, to resubmit the application for approval.

If a defect or deficiency in an application is not cured pursuant to subsection 2, written notice of the entry of an order refusing a license to a trust company must be given in writing, served personally or sent by certified mail to the company affected. Senate Bill No. 190.
Bill read second time.

The following amendment was proposed by the Committee on Commerce and Labor:
Amendment No. 721.

AN ACT relating to music therapy; providing for the licensure of music therapists by the State Board of Health; authorizing the Board to establish a voluntary Music Therapy Advisory Group; prohibiting a person from
engaging in the practice of music therapy without a license; prescribing the
requirements for the issuance and renewal of a license as a music therapist;
establishing the grounds for disciplinary action against a music therapist;
providing the disciplinary actions the Board may take against a music
therapist; providing a penalty; and providing other matters properly relating
thereto.

Legislative Counsel’s Digest:
Existing law provides for the licensure and regulation of certain
professions, occupations and businesses. (Title 54 of NRS) This bill provides
for the licensure and regulation of music therapists. Section 12 of this bill
makes it unlawful to practice music therapy or hold oneself out as a music
therapist without a license. Section 17 of this bill sets forth the authorized
music therapy services that may be provided by a music therapist. Sections
13 and 14 of this bill make the State Board of Health the licensing entity for
music therapists and establishes the requirements and fee for licensure to
practice as a music therapist. Sections 15 and 16 of this bill provide for the
renewal of a license to practice music therapy every years as well as the
requirements and fee for renewal. Section 34 of this bill provides that the
State Board of Health may not increase the fee for issuing or renewing a
license sooner than January 1, 2014.

Section 10 of this bill allows the State Board of Health to adopt any
regulations it deems necessary to carry out the provisions of the bill. In
addition, section 10 requires the Board to enforce the provisions of the bill to
the extent that money is available for that purpose. The Board is also required
to maintain a list of applicants, licensees and persons whose licenses have
been revoked or suspended and make those lists available upon request and
payment of any fee. Section 11 of this bill authorizes the State Board of
Health to establish a Music Therapy Advisory Group that serves without
compensation to assist the Board in carrying out its duties.

Sections 18-23 of this bill establish the grounds for disciplinary action
against a music therapist and the procedures for addressing complaints and
taking such disciplinary action. Section 24 of this bill prohibits a person from
requiring a music therapist to delegate certain services to another person in
certain circumstances.

Section 25 of this bill adds music therapists to the definition of “provider
of health care” as used in the chapter which addresses healing arts. That
definition is also referred to and used in various sections of the NRS for
various purposes. (See e.g. NRS 48.039, 162A.760, 391.208) Section 26 of
this bill adds music therapists to the list of persons required to report
unprofessional conduct by a nurse or other person licensed or certified by the
State Board of Nursing. Sections 27-29 of this bill add music therapists to
the list of persons required to report any known or suspected abuse, neglect,
exploitation or isolation of an older or vulnerable person. Section 30 of this
bill adds music therapists to the list of persons required to report any known
or suspected abuse or neglect of a child. Section 31 of this bill makes the
regulations of the State Board of Health relating to licensing music therapists subject to review of the Legislative Committee on Health Care. After any such review, the Committee would notify the Board of the advisability of adopting or revising the proposed regulation. (NRS 439B.225)

Amendment No. 720.
AN ACT relating to time shares; restricting the disclosure of certain information about owners of time shares; requiring certain mailings to
owners of time shares upon request by an owner; allowing a notice of sale on the foreclosure of a time share to be given by posting on an Internet website under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 2 of this bill requires the manager or board of an association of a time-share plan to maintain a list of owners of time shares in the plan. Section 2 also prohibits the manager or board from disclosing personal information about an owner without the prior written consent of the owner except under certain circumstances.

Section 3 of this bill requires the manager or board of an association of a time-share plan to: (1) mail certain materials to all owners on the list of owners of time shares in the plan upon the request of an owner under certain circumstances; (2) provide an owner with the option to place certain limits on the information that may be provided to other owners; (3) provide an owner with a written disclosure regarding the potential effect of giving consent to publish or furnish information about the owner; and (4) establish procedures for such mailings.

Existing law requires that, among other forms of notice, a sale of a time share to satisfy a lien for unpaid assessments be noticed by publication in a newspaper under certain circumstances. (NRS 119A.560) Section 4 of this bill authorizes, as an alternative to the newspaper form of publication, such a notice of sale and a declaration in a form to be prepared by the Real Estate Division of the Department of Business and Industry to be posted on an Internet website if a statement of the Internet address is also published in a newspaper.

Existing law requires that, among other forms of notice, a sale of real property in foreclosure under a deed of trust be noticed by publication in a newspaper under certain circumstances. (NRS 107.080) Section 5 of this bill authorizes, as an alternative to that form of publication, a notice of a time share in foreclosure under a deed of trust to be posted on an Internet website if a statement of the Internet address is also published in a newspaper.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2. The board is responsible for determining whether a mailing requested pursuant to this section advances legitimate matters of business of the association.

Amendment No. 719.
AN ACT relating to chiropractic; requiring the completion of certain continuing education requirements for the renewal of a certificate as a chiropractor’s assistant; revising certain provisions governing the issuance and renewal of a certificate as a chiropractor’s assistant; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, a chiropractor’s assistant may renew his or her certificate as a chiropractor’s assistant by paying a fee and submitting certain information to the Chiropractic Physicians’ Board of Nevada. (NRS 634.130) Section 1 of this bill additionally requires a chiropractor’s assistant to complete at least 12 hours of continuing education every 2 years as a condition of the renewal of his or her certificate as a chiropractor’s assistant. Section 1 also provides that courses related to lifesaving skills such as cardiopulmonary resuscitation may be included in the 12 hours of continuing education required to be completed by a chiropractor’s assistant and requires the Board to determine how many hours of such course work are required. Section 1 further provides that the educational requirement may be waived by the Board if a chiropractor’s assistant is prevented by a serious or
disabling illness or physical disability from completing the educational requirement.

Under existing law, a license to practice chiropractic or a certificate as a chiropractor’s assistant is valid for 2 years and must be renewed before January 1 of each odd-numbered year. (NRS 634.130) Section 1 requires a certificate as a chiropractor’s assistant to be renewed before January 1 of each even-numbered year.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 634.130 is hereby amended to read as follows:

634.130 1. Licenses and certificates must be renewed biennially. Each person who is licensed pursuant to the provisions of this chapter must, upon the payment of the required renewal fee and the submission of all information required to complete the renewal, be granted a renewal certificate which authorizes the person to continue to practice for 2 years.

2. The renewal fee must be paid and all information required to complete the renewal must be submitted to the Board on or before January 1 of each odd-numbered year:

3. Except as otherwise provided in subsection 5 or 6, a licensee in active practice within this State must submit satisfactory proof to the Board that, during the 24 months immediately preceding the renewal date of the license, the licensee has attended at least 36 hours of continuing education which is approved or endorsed by the Board.

4. Except as otherwise provided in subsection 5 or 7, a holder of a certificate as a chiropractor’s assistant in active practice within this State must submit satisfactory proof to the Board that, during the 24 months immediately preceding the renewal date of the certificate, the certificate holder has attended at least 12 hours of continuing education which is approved or endorsed by the Board or the equivalent board of another state or jurisdiction that regulates chiropractors’ assistants. The continuing education required by this subsection may include education related to lifesaving skills, including, without limitation, a course in cardiopulmonary resuscitation. The Board shall by regulation determine how many of the required 12 hours of continuing education must be course work related to such lifesaving skills. Any course of continuing education approved or endorsed by the Board or the equivalent board of another state or jurisdiction pursuant to this subsection may be conducted via the Internet or in a live setting, including, without limitation, a conference, workshop or academic course of instruction. The Board shall not approve or endorse a course of continuing education which is self-directed or conducted via home study.
5. The educational requirement of this section subsection 3 or 4 may be waived by the Board if the licensee or holder of a certificate as a chiropractor’s assistant files with the Board a statement of a chiropractic physician, osteopathic physician or doctor of medicine certifying that the licensee or holder of a certificate as a chiropractor’s assistant is suffering from a serious or disabling illness or physical disability which prevented the licensee or holder of a certificate as a chiropractor’s assistant from completing the requirements for continuing education during the 24 months immediately preceding the renewal date of the license.

6. A licensee is not required to comply with the requirements of subsection 3 until the first odd-numbered year after the year the Board issues to the licensee an initial license to practice as a chiropractor in this State.

7. A certificate holder is not required to comply with the requirements of subsection 4 until the first odd-numbered year after the Board issues to the certificate holder an initial certificate to practice as a chiropractor’s assistant in this State.

8. If a licensee fails to:
   (a) Pay the renewal fee by January 1 of an odd-numbered year;
   (b) Submit proof of continuing education pursuant to subsection 3;
   (c) Notify the Board of a change in the location of his or her office pursuant to NRS 634.129; or

If a customer elects to enroll in coverage under a policy of portable electronics insurance, the printed brochure or other written material may serve as a certificate of coverage if the material satisfies the requirements of subsection 1. A policy of portable electronics insurance, including the certificate of coverage of the policy, must be filed with the Commissioner not later than 15 days before the effective date of the policy.

Sec. 14. 1. If a customer purchases a policy of portable electronics insurance from a vendor or elects to enroll in coverage under the vendor’s policy of portable electronics insurance, the vendor may bill and collect the charges for the portable electronics insurance coverage.

2. Any charge to the customer for portable electronics insurance coverage that is not included in the cost associated with the purchase or lease of portable electronics or related services must be separately itemized on the customer’s bill.

3. If portable electronics insurance coverage is included with the purchase or lease of portable electronics or related services, the vendor must clearly and conspicuously disclose to the customer that the portable electronics insurance coverage is included with the purchase of the portable electronics or related services.

4. A vendor which bills and collects charges for portable electronics insurance coverage on behalf of an insurer is not required to maintain such money in a segregated account if the vendor:
   (a) Is authorized by the insurer to hold such money in an alternative manner; and
   (b) Remits such amounts to the supervising entity within 60 days after receipt.

   All money collected by a vendor from an enrolled customer for the sale of portable electronics insurance shall be deemed to be held in trust by the vendor in a fiduciary capacity for the benefit of the insurer. A vendor is entitled to receive compensation for billing and collection services.

Sec. 15. Notwithstanding any other provision of law:

1. Except as otherwise provided in this section, an insurer that issues a policy of portable electronics insurance may not terminate the policy before the expiration of the agreed term of the policy unless, not less than 30 days before the effective date of the termination, the insurer provides notice to:
   (a) The holder of the policy of portable electronics insurance; and
   (b) If the policy is a group policy issued to a vendor under which individual customers may elect to enroll for coverage, each enrolled customer.

2. An insurer shall not change any term or condition of a policy of portable electronics insurance more than once in any 6-month period. If
the insurer changes a term or condition of a policy of portable electronics insurance, the insurer shall, not less than 30 days before the effective date of the change, provide:

(a) The policyholder with a revised policy or endorsement; and

(b) Each enrolled customer with a revised certificate of coverage, endorsement, brochure or other evidence of coverage which:

(1) Declares that the insurer has changed a term or condition of the policy which may affect the enrolled customer’s coverage; and

(2) Provides a summary of the material changes.

3. An insurer may terminate an enrolled customer’s coverage under a vendor’s policy of portable electronics insurance upon the discovery of fraud or material misrepresentation by the enrolled customer in obtaining the coverage or in presenting a claim thereunder if the insurer provides notice of the termination to the vendor and the enrolled customer within 15 days after discovery of the fraud or material misrepresentation.

4. An insurer may terminate an enrolled customer’s coverage under a vendor’s policy of portable electronics insurance if the enrolled customer fails to pay a premium and the insurer gives the enrolled customer not less than 10 days’ notice of his or her failure to pay the premium.

5. An insurer may immediately terminate an enrolled customer’s coverage under a vendor’s policy of portable electronics insurance:

(a) If the enrolled customer ceases to have an active service with the vendor; or

(b) If the enrolled customer exhausts the aggregate limit of liability, if any, under the terms of the policy of portable electronics insurance and the insurer provides notice of termination to the customer within 30 calendar days after exhaustion of the limit. If the insurer fails to provide timely notice as required by this paragraph, the enrolled customer’s coverage under the policy continues until the insurer provides notice of termination to the enrolled customer notwithstanding the exhaustion of the aggregate limit of liability.

6. A vendor or other holder of a group policy of portable electronics insurance shall not terminate an enrolled customer’s coverage under the policy unless, not less than 30 days before the effective date of the termination, the insurer provides notice to each enrolled customer of the termination of the policy and the effective date of termination. An insurer may authorize a vendor to provide notice to an enrolled customer on behalf of the insurer pursuant to this subsection.

7. Any notice that is required pursuant to this section must be in writing and be:

(a) Mailed or delivered to the enrolled customer, vendor or other policyholder at his or her last known address; or

(b) Sent by electronic mail or other electronic means in accordance with regulations adopted by the Commissioner to the enrolled customer, vendor
or other policyholder at the electronic mail address of the enrolled
customer, vendor or other policyholder last known by the insurer.

An insurer or vendor who provides notice pursuant to this subsection
must maintain proof of mailing or delivery in a form authorized or
accepted by the United States Postal Service or other commercial mail
delivery service or an electronic record or other proof that the notice was
sent.

Sec. 16. If a vendor or an employee or authorized representative of a
vendor violates any provision of this chapter or an order or regulation of
the Commissioner issued or adopted pursuant thereto, the Commissioner
may, after notice and an opportunity for a hearing:

1. Impose an administrative fine pursuant to NRS 683A.461 for each
violation, which must not exceed $50,000 in the aggregate;
2. Suspend a vendor’s privilege of engaging in the sale or offering of
coverage under a policy of portable electronics insurance at a particular
location where the vendor does business;
3. Suspend or revoke the privilege of an employee or authorized
representative of a vendor to sell or offer coverage under a policy of
portable electronics insurance; or
4. Suspend or revoke the license issued by the Commissioner to the
vendor as a licensed producer of insurance.

Sec. 17. The Commissioner may adopt such regulations as necessary
to carry out the provisions of this chapter.

Sec. 18. NRS 683A.261 is hereby amended to read as follows:

683A.261 1. Unless the Commissioner refuses to issue the license
under NRS 683A.451, the Commissioner shall issue a license as a producer

(i) Fixed annuities as a limited line.

(l) Portable electronics as a limited line.

(m) Continuous care coverage, which includes health insurance, as set forth in paragraph (b), and may include insurance for workers’ compensation.

A producer of insurance may submit a request for a renewal of his or her license within 30 days after the date specified on the license for the renewal if the producer of insurance otherwise complies with the provisions of this subsection and pays, in addition to any fee paid pursuant to this subsection, a penalty of 50 percent of all applicable renewal fees, except for any fee required pursuant to NRS 680C.110. A license as a producer of insurance expires if the Commissioner receives a request for a renewal of the license more than 30 days after the date specified on the license for the renewal. A fee paid pursuant to this subsection is nonrefundable.

3. A natural person who allows his or her license as a producer of insurance to expire may reapply for the same license within 12 months after the date specified on the license for a renewal without passing a written examination or completing a course of study required by paragraph (c) of subsection 1 of NRS 683A.251, but a penalty of twice all applicable renewal fees, except for any fee required pursuant to NRS 680C.110, is required for any request for a renewal of the license that is received after the date specified on the license for the renewal.

4. A licensed producer of insurance who is unable to renew his or her license because of military service, extended medical disability or other extenuating circumstance may request a waiver of the time limit and of any fine or sanction otherwise required or imposed because of the failure to renew.
5. A license must state the licensee’s name, address, personal identification number, the date of issuance, the lines of authority and the date of expiration and must contain any other information the Commissioner considers necessary. A resident producer of insurance shall maintain a place of business in this State which is accessible to the public and where the resident producer of insurance principally conducts transactions under his or her license. The place of business may be in his or her residence. The license must be conspicuously displayed in an area of the place of business which is open to the public.

6. A licensee shall inform the Commissioner of each change of location from which the licensee conducts business as a producer of insurance and each change of business or residence address, in writing or by other means acceptable to the Commissioner, within 30 days after the change. If a licensee changes the location from which the licensee conducts business as a producer of insurance or his or her business or residence address without giving written notice and the Commissioner is unable to locate the licensee after diligent effort, the Commissioner may revoke the license without a hearing. The mailing of a letter by certified mail, return receipt requested, addressed to the licensee at his or her last mailing address appearing on the records of the Division, and the return of the letter undelivered, constitutes a diligent effort by the Commissioner.

Sec. 19. NRS 683A.291 is hereby amended to read as follows:

683A.291  1. An applicant for licensing in this state as a producer of insurance who was previously licensed for the same lines of authority in another state need not complete any education or examination if the applicant is currently licensed in that state or, if the application is received within 90 days after the cancellation of the license, the other state certifies that the applicant was in good standing at the time of cancellation. Alternatively, the exemption is available if the records of the National Association of Insurance Commissioners show that the applicant is or was licensed and in good standing for the lines of authority requested.

2. An examination is not required for a producer of insurance who confines his or her activity to insurance categorized as limited line, credit, travel, portable electronics, baggage or fixed annuity, or covering vehicles leased for a short term.

3. A person licensed in another state who moves to this state and desires to become licensed as a resident producer of insurance with the benefit of the exemption provided in subsection 1 must apply for licensing within 90 days after establishing legal residence.

Sec. 20. Notwithstanding the provisions of sections 2 to 17, inclusive, of this act, a vendor is not required to be licensed as a producer of insurance limited to portable electronics insurance to sell or offer coverage under a policy of portable electronics insurance until 90 days after the Commissioner of Insurance makes available an application for such a license or October 1, 2011, whichever is later.
Sec. 21. This act becomes effective:
1. Upon passage and approval for the purposes of adopting regulations and performing any other preparatory administrative tasks that are necessary to carry out the provisions of this act; and
2. On October 1, 2011, for all other purposes.

The following amendment was proposed by the Committee on Education:
Amendment No. 640.
AN ACT relating to educational personnel; requiring the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and administrators pursuant to an alternative route to licensure; requiring the State Board of Education to evaluate the providers of education and training approved by the Commission to offer an alternative route to licensure; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other educational personnel in this State. The regulations govern the issuance of a regular license and a special qualifications license. (NRS 391.019) Section 2 of this bill requires the Commission to adopt regulations prescribing the qualifications for licensing teachers and administrators pursuant to an alternative route to licensure and sets forth certain requirements that must be specified in those regulations, including: (1) that the required education and training may be provided by any qualified provider which has been approved by the Commission, including institutions of higher education and other providers that operate independently of an institution of higher education; (2) that the education and training required under the alternative route to licensure may be completed in 2 years or less; and (3) that, upon completion by a person of the education and training required under the alternative route to licensure and the satisfaction of all other requirements for licensure, the person must be issued a regular license. Section 1.5 of this bill requires the State Board of Education to conduct an annual evaluation of each provider approved by the Commission to offer an alternative route to licensure pursuant to section 2 of this bill.

Under existing law, the Commission is required to adopt regulations providing for the reciprocal licensure of educational personnel from other states. (NRS 391.032) Section 5 of this bill requires the regulations governing reciprocal licensure to include provisions for the reciprocal...
licensure of persons who obtained a license pursuant to an alternative route to licensure.

2. The Constitution of the State of Nevada; and

The provisions of this section do not prohibit the Commission from adopting regulations pursuant to subsection 2 of NRS 391.032 that provide an exemption from the examinations for teachers and other educational personnel from another state if the Commission determines that the examinations required for initial licensure for teachers and other educational personnel in that state are comparable to the examinations required for initial licensure in this State.

Senate Bill No. 365.

Bill read second time.

The following amendment was proposed by the Committee on Education:

Amendment No. 639.

AN ACT relating to education; eliminating certain requirements imposed by statute on school districts and public schools in this State; authorizing the board of trustees of each school district to review certain plans, policies, programs and procedures; requiring the board of trustees of certain school districts to adopt a pilot program to provide a program of small learning communities in certain middle schools, junior high schools and high schools; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the board of trustees of each school district is required to adopt a policy to engage certain administrators in the classroom. (NRS 391.235) Section 21.5 of this bill makes the adoption of such a policy permissive rather than mandatory.

Under existing federal law, a school which is served under Title I and which is identified as needing improvement pursuant to the federal law is required to develop and implement a school improvement plan. (20 U.S.C. § 6316(b)(3)) Also under existing federal law, a school district which is served under Title I and which is identified as needing improvement pursuant to the federal law is required to develop and implement a plan for improvement for the school district. (20 U.S.C. § 6316(c)(7)) Under existing state law, the
board of trustees of each school district is required to prepare a plan to improve the achievement of pupils enrolled in the school district. (NRS 385.348) **Also under existing law, the principal of each public school is required to prepare a plan to improve the achievement of pupils enrolled in the school.** This bill repeals both of those state statutory requirements relating to plans for improvement.

Under existing law, certain school districts in this State are required to adopt a policy providing for the creation of small learning communities for certain pupils enrolled in middle school or junior high school and high school. (NRS 388.171, 388.215) This bill repeals those statutory requirements.

Under existing law, the boards of trustees of school districts are required to enforce in the public schools the use of textbooks prescribed by the State Board of Education. (NRS 390.220) This bill repeals that statutory requirement. Section 21.3 of this bill requires the board of trustees of each school district which includes at least one high school with an enrollment of 1,200 pupils or more to adopt a pilot program of small learning communities for implementation in at least 50 percent of those high schools. Section 36.3 of this bill requires the board of trustees of each school district which includes at least one middle school or junior high school with an enrollment of 500 pupils or more to adopt a pilot program of small learning communities for pupils in their initial year of enrollment for implementation in at least 50 percent of those schools. Sections 36.5 and 38 of this bill require both pilot programs to be implemented beginning with the 2013-2014 school year.

Under existing law, effective on July 1, 2011, an academic plan must be developed for each pupil enrolled in middle school or junior high school in accordance with a policy adopted by the board of trustees of the school district. Section 36.5 of this bill extends the date for adoption of such a policy to January 1, 2013, for implementation beginning with the 2013-2014 school year.

Section 37.5 of this bill authorizes the board of trustees of each school district to review certain plans, policies, programs and procedures. If the board of trustees of a school district conducts such a review, the board of trustees is required to prepare a written report on the plans, policies, programs and procedures which the board of trustees determines place an unfunded mandate and an undue financial hardship on the school district and submit the written report, on or before August 1, 2012, to the Legislative Committee on Education and the Director of the Legislative Counsel Bureau for transmittal to the next regular session of the Legislature.

Amendment No. 627.

SENATE JOINT RESOLUTION—Urging Congress to enact legislation requiring the Secretary of the Interior to convey ownership of certain land to the State of Nevada to help fund education in Nevada.

WHEREAS, The State of Nevada and other western states face unique challenges in providing the best education to their residents due to vast acreages of untaxable federal lands within their borders; and

WHEREAS, Early in Nevada’s history, the Congress of the United States recognized the importance of supporting public education in Nevada and established school trust lands in Nevada to help fund education in the State; and

WHEREAS, When the Territory of Nevada was admitted to statehood, the Federal Government provided Nevada with two sections of land in each township for the benefit of common schools, which amounted to 3.9 million acres, while other territories that were subsequently admitted to statehood received four sections of land in each township for the benefit of common schools; and

WHEREAS, The land originally granted by the Federal Government to Nevada for common schools was not providing sufficient revenue for education because the land included large sections that were undesirable or difficult to survey; and

WHEREAS, In 1880, it was necessary for Nevada to agree to exchange its 3.9 million acres for only 2 million acres of its own selection, as Nevada had an immediate need for public school revenues; and

WHEREAS, The disproportionately small amount of land received from the Federal Government for the benefit of common schools contributes only a
small amount of revenue for the schools in Nevada in comparison to other
states and places an excessive burden on the financial resources of each
county in Nevada; and

WHEREAS, In Nevada, approximately 87 percent of the land, which
amounts to approximately 61 million acres, is held by the Federal
Government; and

WHEREAS, In 15 of the 17 counties in Nevada, more than 50 percent of the
land is held by the Federal Government, and in 4 of the 17 counties, more
than 90 percent of the land is held by the Federal Government; and

WHEREAS, The management and control of ownership of such an
extensive amount of the land in Nevada by the Federal Government has an
adverse effect on the ability of the school districts in Nevada to provide funding for
quality education for the residents of Nevada; and

WHEREAS, Nevada and the other western states are falling behind in
education funding as measured by the growth of expenditures per pupil; and

WHEREAS, The difficulty experienced by Nevada and the other western
states in providing a quality education to their residents is exacerbated by
projections that enrollment in public schools from 2007 to 2019 is expected to
increase by approximately 34 percent in Nevada and the other western
states, but increase by less than 1 percent in the remaining states in the
United States; now, therefore, be it

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF NEVADA,
JOINTLY, That the members of the 76th Session of the Nevada Legislature
urge Congress and the Nevada Congressional Delegation to enact legislation
requiring the Secretary of the Interior to convey ownership of federal land
located in Nevada from the Federal Government to Nevada to help fund
education for the residents of Nevada and to put the education system of
Nevada in parity with that of the other states in the United States; and be it
further

RESOLVED, That the Secretary of the Senate prepare and transmit a copy
of this resolution to the President of the United States, the Vice President of
the United States as the presiding officer of the Senate, the Speaker of the
House of Representatives and each member of the Nevada Congressional
Delegation; and be it further

RESOLVED, That this resolution becomes effective upon passage.

The following amendment was proposed by the Committee on
Ways and Means:
Amendment No. 753.
AN ACT relating to the protection of children; requiring a law enforcement agency to determine whether an infant who is relinquished to a provider of emergency services has been reported as a missing child; and providing other matters properly relating thereto.

Legislative Counsel's Digest:
Existing law allows the parent of a child who is not more than 30 days old to take the child to a provider of emergency services and leave the child with the provider of emergency services without the intent to return for the child. In such cases, the child so delivered is presumed abandoned. The parent of the child is not required to provide any information regarding the child and, unless there is reasonable cause to believe that the child has otherwise been abused or neglected, will not be investigated for abuse or neglect. The provider of emergency services is required to inform an agency which provides child welfare services that the provider has taken possession of the child within 24 hours after doing so. (NRS 432B.630) Existing law requires the agency which provides child welfare services, upon receiving such notice, to immediately place the child in protective custody. (NRS 432B.390) This bill requires the provider of emergency services to also notify a law enforcement agency within 24 hours after the provider takes possession of an abandoned child and requires the law enforcement agency to notify the Clearinghouse of missing children established by the Attorney General and to investigate further, if necessary, to determine whether the child has been reported as a missing child. Upon conclusion of the investigation, the law enforcement agency is required to inform the agency which provides child welfare services of its determination, and the agency is required to maintain that information for statistical and research purposes.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 432B.630 is hereby amended to read as follows:
1. A provider of emergency services shall take immediate possession of a child who is or appears to be not more than 30 days old:
   (a) When:
      (1) The child is voluntarily delivered to the provider by a parent of the child; and
      (2) The parent does not express an intent to return for the child; or
   (b) When the child is delivered to the provider by another provider of emergency services pursuant to paragraph (b) of subsection 2.

2. A provider of emergency services who takes possession of a child pursuant to subsection 1 shall:
   (a) Whenever possible, inform the parent of the child that:
      (1) By allowing the provider to take possession of the child, the parent is presumed to have abandoned the child;
      (2) By failing or refusing to provide an address where the parent can be located, the parent waives any notice of the hearing to be conducted pursuant to NRS 432B.470; and
      (3) Unless the parent contacts the local agency which provides child welfare services, action will be taken to terminate his or her parental rights regarding the child.
   (b) Perform any act necessary to maintain and protect the physical health and safety of the child. If the provider is a public fire-fighting agency or a law enforcement agency, the provider shall immediately cause the safe delivery of the child to a hospital, an obstetric center or an independent center for emergency medical care licensed pursuant to chapter 449 of NRS.
   (c) As soon as reasonably practicable but not later than 24 hours after the provider takes possession of the child, report that possession to an agency which provides child welfare services and, if the provider is not a law enforcement agency, to a law enforcement agency. The law enforcement agency shall investigate whether the child has been reported as a missing child. Upon conclusion of the investigation, the law enforcement agency shall inform the agency which provides child welfare services of its determination. The agency which provides child welfare services shall maintain that information for statistical and research purposes.

3. A parent who delivers a child to a provider of emergency services pursuant to paragraph (a) of subsection 1:
   (a) Shall leave the child:
      (1) In the physical possession of a person who the parent has reasonable cause to believe is an employee of the provider; or
      (2) On the property of the provider in a manner and location that the parent has reasonable cause to believe will not threaten the physical health or safety of the child, and immediately contact the provider, through the local emergency telephone number or otherwise, and inform the provider of the delivery and location of the child. A provider of emergency services is not
liable for any civil damages as a result of any harm or injury sustained by a child after the child is left on the property of the provider pursuant to this subparagraph and before the provider is informed of the delivery and location of the child pursuant to this subparagraph or the provider takes physical possession of the child, whichever occurs first.

(b) Shall be deemed to have given consent to the performance of all necessary emergency services and care for the child.

(c) Must not be required to provide any background or medical information regarding the child, but may voluntarily do so.

(d) Unless there is reasonable cause to believe that the child has been abused or neglected, excluding the mere fact that the parent has delivered the child to the provider pursuant to subsection 1:

(1) Must not be required to disclose any identifying information, but may voluntarily do so;
(2) Must be allowed to leave at any time; and
(3) Must not be pursued or followed.

4. As used in this section:

(a) “Clearinghouse” has the meaning ascribed to it in NRS 432.150.

(b) “Provider of emergency services” means:

(1) A hospital, an obstetric center or an independent center for emergency medical care licensed pursuant to chapter 449 of NRS;

(2) A public fire-fighting agency; or

(3) A law enforcement agency.

Amendment No. 756.

SUMMARY—Authorizes an agricultural user to apply to the Motor Carrier Division of the Department of Motor Vehicles for the issuance of a license plate and decal to operate a farm tractor or self-propelled tractor.
implement of husbandry on a highway in this State under certain circumstances. (BDR 43-300)

AN ACT relating to vehicles; authorizing an agricultural user to apply to the Motor Carrier Division of the Department of Motor Vehicles for the issuance of a license plate and decal to operate a farm tractor or self-propelled implement of husbandry on a highway in this State under certain circumstances; requiring the license plate to be displayed on the farm tractor or self-propelled implement of husbandry in a certain manner; authorizing the Department to issue a replacement license plate or decal upon the payment of a fee if a license plate or decal is lost or destroyed; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Under existing law, every owner of a motor vehicle, trailer or semitrailer that is intended to be operated upon any highway in this State is required, before operating the motor vehicle, trailer or semitrailer, to apply to the Department of Motor Vehicles to register the motor vehicle, trailer or semitrailer. (NRS 482.205) Existing law exempts an implement of husbandry from the registration requirement if the implement of husbandry is temporarily drawn, moved or otherwise propelled upon a highway. (NRS 482.210) This bill authorizes a person who is an agricultural user and who wishes to obtain a license plate and decal to operate a farm tractor or self-propelled implement of husbandry on the highways of this State to submit an application to the Motor Carrier Division of the Department of Motor Vehicles. An “agricultural user” is defined to mean a person who owns or operates a farm tractor or self-propelled implement of husbandry for a certain type of agricultural use. This bill requires the Department to issue a license plate and decal for the farm tractor or self-propelled implement of husbandry as soon as practicable after the Department receives the application, applicable fee and appropriate evidence of insurance. This bill also authorizes an agricultural user to submit an application for the renewal of a license plate and decal for a farm tractor or self-propelled implement of husbandry. An application for renewal must include the applicable fee and appropriate evidence of insurance. Finally, this bill authorizes the Department to issue a new license plate or decal for a farm tractor or self-propelled implement of husbandry if the license plate or decal is lost or destroyed and specifies that a certificate of compliance or vehicle inspection report concerning the control of emissions is not required for the farm tractor or self-propelled implement of husbandry.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 482 of NRS is hereby amended by adding thereto a new section to read as follows:

Notwithstanding any provision of this chapter to the contrary:
1. Any agricultural user who wishes to obtain a license plate and decal to operate a farm tractor or self-propelled implement of husbandry on the highways of this State may submit an application to the Motor Carrier Division of the Department. Each application must be made upon the appropriate form furnished by the Department. The application must include a nonrefundable fee of $20.50 and evidence satisfactory to the Department that the agricultural user is the holder of a policy of liability insurance which provides at least $300,000 in coverage for bodily injury and property damage resulting from any single accident caused by the agricultural user while operating the farm tractor or self-propelled implement of husbandry. As soon as practicable after receiving the application, fee and evidence of insurance, the Department shall issue the license plate and decal to the agricultural user to affix to the farm tractor or self-propelled implement of husbandry. A decal issued pursuant to this subsection expires on December 31 of the year in which the Department issues the decal. The license plate and decal are not transferable and must be surrendered or returned to the Department within 60 days after:
   (a) A transfer of ownership or interest in the farm tractor or self-propelled implement of husbandry occurs; or
   (b) The decal expires pursuant to this subsection and the agricultural user fails to submit an application for renewal pursuant to subsection 2.

2. An application for the renewal of a license plate and decal issued pursuant to subsection 1 must be made upon the appropriate form furnished by the Department. The application for renewal must include a nonrefundable fee of $10 and evidence satisfactory to the Department that the agricultural user is the holder of a policy of liability insurance specified in subsection 1. As soon as practicable after receiving the application for renewal, fee and evidence of insurance, the Department shall issue a new decal to affix to the license plate. A decal issued pursuant to this subsection expires on December 31 of the year in which the Department issues the decal.

3. A license plate issued pursuant to subsection 1 must be displayed on the farm tractor or self-propelled implement of husbandry in such a manner that the license plate is easily visible from the rear of the farm tractor or self-propelled implement of husbandry. If the license plate is lost or destroyed, the Department may issue a replacement plate upon the payment of a fee of 50 cents. If the decal is lost or destroyed, the Department may, upon the payment of the fee specified in subsection 2, issue a replacement decal for the farm tractor or self-propelled implement of husbandry.

4. Notwithstanding any provision of chapter 445B of NRS to the contrary, an agricultural user is not required to obtain a certificate of compliance or vehicle inspection report concerning the control of emissions from a farm tractor or self-propelled implement of husbandry.
before obtaining a license plate and decal for or operating the farm tractor
or self-propelled implement of husbandry pursuant to this section.

5. As used in this section, “agricultural user” means any person who
owns or operates a farm tractor or self-propelled implement of husbandry specified in subsection 1 for an agricultural use. As used in this
subsection, “agricultural use” has the meaning ascribed to it in NRS
361A.030.

Assembly Bill No. 552.
Bill read third time.
The following amendment was proposed by the Committee on Ways and Means:

Amendment No. 752.
AN ACT relating to genetic marker analysis; imposing an administrative assessment upon a defendant convicted of any crime; requiring that a biological specimen be obtained from a person arrested for a felony or a sexual offense; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 2 of this bill imposes an additional administrative assessment of $1 for every $10 in fines or fees imposed on a person convicted of a misdemeanor, gross misdemeanor or felony. Section 2 also provides that the money collected from the assessments must be used to defray the costs associated with obtaining biological specimens and genetic marker analysis.

Under existing law, if a defendant is convicted of a felony or certain other specified offenses, the court, as part of the defendant’s sentence, must order that a biological specimen be obtained from the defendant and that the specimen be used for analysis to determine the genetic markers of the specimen. (NRS 176.0911-176.0917) Section 3 of this bill requires that a biological specimen be obtained if a person is arrested for a felony or a sexual offense punishable as a misdemeanor. Section 3 also provides that if the person is convicted of the felony or the sexual offense, the specimen must be kept, but if the person is not convicted, the specimen and all records relating thereto must be destroyed and expunged.

Existing law prohibits a person from sharing or disclosing certain information relating to another person’s biological specimen or genetic marker analysis and makes such conduct a misdemeanor. (NRS 176.0913) Sections 3 and 8 of this bill increase the penalty for such conduct from a misdemeanor to a category C felony.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 176 of NRS is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this act.
Sec. 2. 1. In addition to any other administrative assessment imposed, when a defendant pleads guilty, is found guilty or enters a plea of nolo contendere to a misdemeanor, gross misdemeanor or felony, including the violation of any municipal ordinance, the justice or judge of the justice, municipal or district court, as applicable, shall include in the sentence the sum of $1 for every $10 or fraction thereof upon every fine or fee imposed and collected by the court. $2.50 as an administrative assessment for obtaining a biological specimen and conducting genetic marker analysis and shall render a judgment against the defendant for the assessment. If a defendant is sentenced to perform community service in lieu of a fine, the sentence must include the administrative assessment required pursuant to this subsection.

2. The money collected for an administrative assessment for the provision of genetic marker analysis must not be deducted from the fine imposed by the justice or judge but must be taxed against the defendant in addition to the fine. The money collected for such an administrative assessment must be stated separately on the court’s docket and must be included in the amount posted for bail. If bail is forfeited, the administrative assessment included in the bail pursuant to this subsection must be disbursed pursuant to subsection 3. If the defendant is found not guilty or the charges are dismissed, the money deposited with the court must be returned to the defendant. If the justice or judge cancels a fine because the fine has been determined to be uncollectible, any balance of the fine and the administrative assessment remaining unpaid shall be deemed to be uncollectible, and the defendant is not required to pay it. If a fine is determined to be uncollectible, the defendant is not entitled to a refund of the fine or administrative assessment he or she has paid, and the justice or judge shall not recalculate the administrative assessment.

3. If the justice or judge permits the fine and administrative assessment for the provision of genetic marker analysis to be paid in installments, the payments must be applied in the following order:
   (a) To pay the unpaid balance of an administrative assessment imposed pursuant to NRS 176.059;
   (b) To pay the unpaid balance of an administrative assessment for the provision of court facilities pursuant to NRS 176.0611;
   (c) To pay the unpaid balance of an administrative assessment for the provision of specialty court programs pursuant to NRS 176.0613;
   (d) To pay the unpaid balance of an administrative assessment for the provision of genetic marker analysis pursuant to this section; and
   (e) To pay the fine.

4. The money collected for an administrative assessment for the provision of genetic marker analysis must be paid by the clerk of the court to the county treasurer on or before the fifth day of each month for the preceding month for credit to the fund for genetic marker analysis pursuant to NRS 176.0915.
Sec. 3. 1. If a person is arrested for a felony pursuant to a warrant, the law enforcement agency making the arrest shall:
   (a) Submit the name, social security number, date of birth and any other information identifying the person to the Central Repository for Nevada Records of Criminal History; and
   (b) Upon booking the person into a city or county jail or detention facility, and before the person is released from custody, obtain a biological specimen from the person through a cheek swab pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The biological specimen may be collected by any authorized agent of an law enforcement agency.

2. If a person is arrested for a felony without a warrant, the law enforcement agency making the arrest shall:
   (a) Submit the name, social security number, date of birth and any other information identifying the person to the Central Repository for Nevada Records of Criminal History;
   (b) Upon booking the person into a city or county jail or detention facility, and before the person is released from custody, obtain a biological specimen from the person through a cheek swab pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The biological specimen may be collected by any authorized agent of an law enforcement agency; and
   (c) Not submit the biological specimen for genetic marker analysis pursuant to subsection 4 until a court or magistrate makes a determination that probable cause existed for the person’s arrest.

3. If the person is arrested for a sexual offense that is punishable as a misdemeanor, upon booking the person into a city or county jail or detention facility, and before the person is released from custody, the law enforcement agency making the arrest shall obtain a biological specimen from the person through a cheek swab pursuant to the provisions of this section so that the specimen can be used for an analysis to determine the genetic markers of the specimen. The law enforcement agency obtaining the biological specimen shall provide the biological specimen to the forensic laboratory that has been designated in the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917 and shall specifically direct the forensic laboratory to hold the biological specimen in a separate storage area pending notification from:
   (a) The Central Repository for Nevada Records of Criminal History resulting from a query of records indicating that the person from whom the biological specimen was obtained has been convicted; or
   (b) A court or magistrate indicating that the person from whom the biological specimen was obtained has failed to appear for a scheduled hearing.
Upon receipt of notification pursuant to paragraph (a) or (b), the forensic laboratory shall proceed with any genetic marker analysis pursuant to subsection 4.

4. The law enforcement agency obtaining the biological specimen shall provide the specimen to the forensic laboratory that has been designated by the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917. If the forensic laboratory determines that the biological specimen is inadequate or otherwise unusable, the law enforcement agency may obtain an additional biological specimen from the person arrested. Each designated laboratory is authorized to contract with individuals or organizations for services to perform genetic marker analysis. The identification characteristics resulting from the genetic marker analysis must be stored and maintained by the forensic laboratory in CODIS and only may be made available as provided in section 4 of this act. The information stored and maintained by the forensic laboratory and the computer software used by the forensic laboratory for CODIS are confidential and are not public books or records within the meaning of NRS 239.010. The information may only be disclosed and used as specifically authorized by law.

5. Any cost that is incurred to obtain a biological specimen from a person pursuant to this section is a charge against the county in which the person was arrested and must be paid as provided in NRS 176.0915.

6. A law enforcement agency shall not obtain a biological specimen from a person who has previously submitted such a specimen for an arrest or conviction of a prior offense unless the law enforcement agency, court or magistrate determines that an additional specimen is necessary.

7. A court or magistrate shall:
   (a) Make the provision of a biological specimen a condition of any person being admitted to bail or released on the person’s own recognizance; and
   (b) Require the biological specimen to be provided to the forensic laboratory that has been designated by the county in which the person was arrested to conduct or oversee genetic marker analysis for the county pursuant to NRS 176.0917.

Upon receipt of the biological specimen, the forensic laboratory shall proceed with any genetic marker analysis pursuant to subsection 4.

8. The Attorney General or a district attorney may petition a district court for an order requiring a person under this section to:
   (a) Provide a biological specimen; or
   (b) Provide a biological specimen by alternative means if the person will not cooperate.

Nothing in this subsection shall be construed to prevent the collection of a biological specimen by order of a court of competent jurisdiction or the collection of a biological specimen of persons required to provide such a specimen under this section.
9. The detention, arrest or conviction of a person based upon a match in CODIS or other information in CODIS is not invalidated if it is later determined that the biological specimen was obtained or placed in CODIS by mistake, provided that the forensic laboratory can demonstrate that a good faith effort has been made to comply with all laws and regulations governing the inclusion of such information in CODIS.

10. Upon completion of any genetic marker analysis, the forensic laboratory shall inform the Central Repository for Nevada Records of Criminal History of the existence of such information pursuant to this section.

11. The Central Repository for Nevada Records of Criminal History shall include an indication on the criminal history record regarding the collection of a biological specimen, but may not include the results of the genetic marker analysis or any other information relating to the forensic laboratory’s records.

12. A person whose genetic marker analysis has been included in the Central Repository for Nevada Records of Criminal History and CODIS pursuant to this section may make a written request to the Central Repository that it be automatically expunged on the grounds:
   (a) That the conviction on which the authority for keeping the biological specimen or the result of the genetic marker analysis has been reversed and the case dismissed; or
   (b) That the arrest which led to the inclusion of the biological specimen or the result of the genetic marker analysis has:
      (1) Resulted in a felony or sexual offense charge that has been resolved by a dismissal, nolle prosequi, successful completion of a preprosecution diversion program or a conditional discharge or acquittal; or
      (2) Not resulted in any additional criminal charges for a felony or sexual offense within 10 years after the arrest.

13. Within 90 days after receiving a written request pursuant to subsection 12, the Central Repository for Nevada Records of Criminal History shall forward such request and documentation to the forensic laboratory holding the biological specimen.

14. Except as otherwise provided in subsection 15, the forensic laboratory holding the biological specimen shall automatically purge all records and identifiable information pertaining to the person and destroy all specimens from the person upon receipt and confirmation of a written request that such data be expunged pursuant to this section, and:
   (a) A certified copy of the court order reversing and dismissing the conviction; or
   (b) For biological specimens included pursuant to arrest:
      (1) A certified copy of the dismissal, nolle prosequi, successful completion of a preprosecution diversion program or a conditional discharge, or acquittal; or
(2) A sworn affidavit from the law enforcement agency which submitted the biological specimen that no felony or sexual offense charges arising out of the arrest have been filed within 10 years after the arrest.

15. The forensic laboratory shall not expunge a person’s biological specimen and genetic marker analysis if the forensic laboratory is notified by a law enforcement agency that the person has a prior felony or sexual offense conviction, a new felony or sexual offense arrest or a pending felony or sexual offense charge for which collection of a biological specimen is authorized pursuant to this section.

16. When a person’s biological specimen and genetic marker analysis are expunged pursuant to this section, the forensic laboratory shall ensure that the person's biological specimen and genetic marker analysis are expunged from [the Central Repository for Nevada Records of Criminal History and] CODIS and shall inform the Central Repository for Nevada Records of Criminal History that the genetic marker analysis has been expunged from CODIS.

17. Except as otherwise authorized by federal law or specific statute, a biological specimen obtained pursuant to this section, the results of a genetic marker analysis and any information identifying or matching a biological specimen with a person must not knowingly be shared with or knowingly disclosed to any person other than the authorized personnel who have possession and control of the biological specimen, results of a genetic marker analysis or information identifying or matching a biological specimen with a person, except pursuant to:

Sec. 5. NRS 176.0611 is hereby amended to read as follows:

176.0611 1. MESSAGES FROM THE SENATE

SENATE CHAMBER, Carson City, May 25, 2011
To the Honorable the Assembly:
I have the honor to inform your honorable body that the Senate on this day passed Assembly Bill No. 566.

SHERRY L. RODRIGUEZ
Assistant Secretary of the Senate

UNFINISHED BUSINESS

CONSIDERATION OF SENATE AMENDMENTS

Assembly Bill No. 313.
The following Senate amendment was read:
Amendment No. 572.

JOINT SPONSOR: SENATOR GUSTAVSON

AN ACT relating to child custody; providing for the expiration by operation of law of certain orders modifying custody and visitation of children for persons who are members of the military; authorizing a court to
delegate the visitation rights of a member of the military to a family member of the member of the military under certain circumstances; requiring a court, under certain circumstances, to provide an expedited hearing concerning custody or visitation matters to allow participation in such a hearing by affidavit or electronic means, or to both hold an expedited hearing and allow such participation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law provides that an award of child custody or visitation may only be made by considering the best interest of the child. (NRS 125.480, 125C.010) Existing law further provides that the court is authorized, with certain exceptions, to modify its order at any time. (NRS 125.510) Section 10 of this bill prohibits a court from entering a final order modifying the terms of an existing custody or visitation order of a parent or legal guardian who is a member of the military and who has received mandatory written orders for deployment until 90 days after the deployment ends. Section 11 of this bill provides that deployment or the potential for future deployment of a parent or legal guardian must not, by itself, constitute a substantial change sufficient to justify a permanent modification of a custody or visitation order.

Section 12 of this bill authorizes a court to modify a custody or visitation order to reasonably accommodate the deployment of a parent or legal guardian and deems any such modification to be a temporary order. Section 13 of this bill provides, with certain exceptions, that such a temporary order expires automatically upon the completion of the deployment and the custody or visitation order that was in place before the order was modified by the temporary order is automatically reinstated.

Section 15 of this bill authorizes a court to delegate the visitation rights of the parent or legal guardian who is deployed to a family member of the parent or legal guardian under certain circumstances.

Section 14 of this bill requires a court, upon a motion of a parent or legal guardian who is deployed or has received mandatory written orders for deployment and whose ability, or anticipated ability, to appear in person at a regularly scheduled hearing concerning custody or visitation matters is materially affected by his or her military duties, to: (1) hold an expedited hearing; (2) allow the parent or legal guardian to present testimony and evidence by affidavit or electronic means; or (3) both hold an expedited hearing and allow testimony and evidence to be presented by affidavit or electronic means.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 125.510 is hereby amended to read as follows:
125.510 1. In determining the custody of a minor child in an action brought pursuant to this chapter, the court may, except as otherwise provided in this section and chapter 130 of NRS and sections 3 to 20, inclusive, of this act:
(a) During the pendency of the action, at the final hearing or at any time thereafter during the minority of any of the children of the marriage, make such an order for the custody, care, education, maintenance and support of the minor children as appears in their best interest; and

(b) At any time modify or vacate its order, even if the divorce was obtained by default without an appearance in the action by one of the parties.

The party seeking such an order shall submit to the jurisdiction of the court for the purposes of this subsection. The court may make such an order upon the application of one of the parties or the legal guardian of the minor.

2. Any order for joint custody may be modified or terminated by the court upon the petition of one or both parents or on the court’s own motion if it is shown that the best interest of the child requires the modification or termination. The court shall state in its decision the reasons for the order of modification or termination if either parent opposes it.

3. Any order for custody of a minor child or children of a marriage entered by a court of another state may, subject to the provisions of sections 3 to 20, inclusive, of this act and to the jurisdictional requirements in chapter 125A of NRS, be modified at any time to an order of joint custody.

4. A party may proceed pursuant to this section without counsel.

5. Any order awarding a party a limited right of custody to a child must define that right with sufficient particularity to ensure that the rights of the parties can be properly enforced and that the best interest of the child is achieved. The order must include all specific times and other terms of the limited right of custody. As used in this subsection, “sufficient particularity” means a statement of the rights in absolute terms and not by the use of the term “reasonable” or other similar term which is susceptible to different interpretations by the parties.

6. All orders authorized by this section must be made in accordance with the provisions of chapter 125A of NRS and sections 3 to 20, inclusive, of this act and must contain the following language:

   PENALTY FOR VIOLATION OF ORDER: THE ABDUCTION, CONCEALMENT OR DETENTION OF A CHILD IN VIOLATION OF THIS ORDER IS PUNISHABLE AS A CATEGORY D FELONY AS PROVIDED IN NRS 193.130. NRS 200.359 provides that every person having a limited right of custody to a child or any parent having no right of custody to the child who willfully detains, conceals or removes the child from a parent, guardian or other person having lawful custody or a right of visitation of the child in violation of an order of this court, or removes the child from the jurisdiction of the court without the consent of either the court or all persons who have the right to custody or visitation is subject to being punished for a category D felony as provided in NRS 193.130.

7. In addition to the language required pursuant to subsection 6, all orders authorized by this section must specify that the terms of the Hague Convention of October 25, 1980, adopted by the 14th Session of the Hague
Conference on Private International Law, apply if a parent abducts or wrongfully retains a child in a foreign country.

8. If a parent of the child lives in a foreign country or has significant commitments in a foreign country:

(a) The parties may agree, and the court shall include in the order for custody of the child, that the United States is the country of habitual residence of the child for the purposes of applying the terms of the Hague Convention as set forth in subsection 7.

(b) Upon motion of one of the parties, the court may order the parent to post a bond if the court determines that the parent poses an imminent risk of wrongfully removing or concealing the child outside the country of habitual residence. The bond must be in an amount determined by the court and may be used only to pay for the cost of locating the child and returning the child to his or her habitual residence if the child is wrongfully removed from or concealed outside the country of habitual residence. The fact that a parent has significant commitments in a foreign country does not create a presumption that the parent poses an imminent risk of wrongfully removing or concealing the child.

9. Except where a contract providing otherwise has been executed pursuant to NRS 123.080, the obligation for care, education, maintenance and support of any minor child created by any order entered pursuant to this section ceases:

(a) Upon the death of the person to whom the order was directed; or

(b) When the child reaches 18 years of age if the child is no longer enrolled in high school, otherwise, when the child reaches 19 years of age.

10. As used in this section, a parent has “significant commitments in a foreign country” if the parent:

(a) Is a citizen of a foreign country;

(b) Possesses a passport in his or her name from a foreign country;

(c) Became a citizen of the United States after marrying the other parent of the child; or

(d) Frequently travels to a foreign country.

Sec. 2. Chapter 125C of NRS is hereby amended by adding thereto the provisions set forth as sections 3 to 20, inclusive, of this act.

Sec. 3. As used in sections 3 to 20, inclusive, of this act, unless the context otherwise requires, the words and terms defined in sections 4 to 9, inclusive, of this act have the meanings ascribed to them in those sections.

Sec. 4. “Custody or visitation order” means:

1. A judgment, decree or order issued by a court of competent jurisdiction in this State which provides for custody or visitation with respect to a child; and

2. A judgment, decree or order issued by a court of another state which provides for custody or visitation with respect to a child if the judgment, decree or order has been registered in this State pursuant to NRS 125A.465.
Sec. 5. “Deployment” means the transfer or reassignment of a member of the military, unaccompanied by any family member, on active duty status in support of combat or another military operation, including, without limitation, temporary duty. The term does not include annual training of a reserve component of the Armed Forces of the United States or of the National Guard.

Sec. 6. “Member of the military” means a person who is presently serving in the Armed Forces of the United States, a reserve component thereof or the National Guard.

Sec. 7. “Parent” means a parent or legal guardian of a child under the age of 18 years.

Sec. 8. “Parent who received orders for deployment” means a parent who has received mandatory written orders for deployment and who is awaiting deployment or has been deployed pursuant to those orders.

Sec. 9. “Temporary duty” means the transfer of a member of the military, unaccompanied by any family member, from a military base to a different location, including, without limitation, another military base, for a limited time to accomplish training or to assist in the performance of a combat mission.

Sec. 10. 1. Except as otherwise provided in subsection 2, if a parent who is a member of the military and who has been awarded sole or joint custody or visitation of a child receives mandatory written orders for deployment, the court shall not enter a final order modifying the terms of the existing custody or visitation order until 90 days after the termination of the parent’s deployment.

2. If the matter was fully adjudicated by a court before the parent’s deployment, the court may enter such a final order at any time.

Sec. 11. Deployment or the potential for future deployment must not, by itself, constitute a substantial change in circumstances sufficient to warrant a permanent modification of a custody or visitation order.

Sec. 12. 1. The court may temporarily modify a custody or visitation order to reasonably accommodate the deployment of a parent. Any such modification by the court of a custody or visitation order shall be deemed a temporary order.

2. A temporary order issued pursuant to subsection 1 must:

   (a) Unless the court determines it is not in the best interest of the child, grant the parent who received orders for deployment reasonable custody or visitation during periods of approved military leave if the existing custody or visitation order granted that parent custody or visitation before deployment;

   (b) Include any restrictions concerning custody or visitation set forth in the existing custody or visitation order;

   (c) Specify that deployment is the reason for the modification of the existing custody or visitation order; and
(d) Require the other parent to provide the court and the parent who received orders for deployment with written notice of any change of his or her address or telephone number as soon as practicable but not later than 30 days after such change.

3. In issuing a temporary order pursuant to subsection 1, the court shall consider issuing any such appropriate temporary order as will ensure the ability of the parent who received orders for deployment to maintain frequent and continuing contact with the child by means that are reasonably available.

Sec. 13. 1. Except as otherwise provided in subsection 2, a temporary order issued pursuant to section 12 of this act expires by operation of law upon the completion of the parent's deployment and the previous custody or visitation order is reinstated.

2. The court may, upon a motion alleging immediate danger of irreparable harm to the child, hold an expedited hearing concerning custody or visitation upon the completion of the parent's deployment.

Sec. 14. 1. If the military duties of a parent who received orders for deployment have a material effect on the ability, or anticipated ability, of the parent to appear in person at a regularly scheduled hearing concerning any custody or visitation matters, the court shall, upon a motion of that parent and for good cause shown:

(a) Hold an expedited hearing;
(b) Allow the parent who received orders for deployment to present testimony and evidence by affidavit or electronic means; or
(c) Both hold an expedited hearing pursuant to paragraph (a) and allow testimony and evidence to be presented pursuant to paragraph (b).

2. As used in this section, “electronic means” includes, without limitation, telephone, videoconference or the Internet.

Sec. 15. 1. Upon a motion by the parent who received orders for deployment, the court may delegate his or her visitation rights, or a portion of those rights, to a family member of that parent who has a substantial relationship with the child if the court determines that such delegated visitation is in the best interest of the child.

2. In determining whether visitation rights should be delegated to a family member pursuant to subsection 1, the court shall consider the factors set forth in paragraphs (a) to (i), inclusive, of subsection 6 of NRS 125C.050.

3. Any visitation rights delegated to a family member pursuant to subsection 1 terminate upon:
(a) The expiration of a temporary order pursuant to section 13 of this act; or
(b) A showing that the delegated visitation is no longer in the best interest of the child.
4. Nothing in this section increases the authority of a family member who is delegated visitation rights pursuant to subsection 1 to seek separate visitation rights of the child pursuant to NRS 125C.050.

Sec. 16. If a custody or visitation order has not been issued and a parent’s deployment is imminent, the court shall, upon a motion of either parent, hold an expedited hearing for the purpose of issuing a temporary order establishing the custody and visitation arrangement in accordance with sections 3 to 20, inclusive, of this act.

Sec. 17. 1. If military necessity precludes court adjudication before deployment, the parent who received orders for deployment and the other parent shall cooperate with and provide information to each other in an effort to reach a mutually agreeable resolution with regard to custody and visitation matters.

2. Except as otherwise provided in this subsection, the parent who received orders for deployment shall, within 10 days after receiving the orders, provide a copy of the orders to the other parent. If the date of deployment is less than 10 days after receipt of the orders, a copy of the orders must be provided immediately to the other parent.

Sec. 18. 1. If a court in this State has issued a custody or visitation order, the absence of a child from this State during the deployment of a parent shall be deemed a temporary absence for the purposes of NRS 125A.085 and 125A.135 and this State retains exclusive, continuing jurisdiction as provided in NRS 125A.315.

2. The deployment of a parent may not be used as a basis to assert the issue of inconvenient forum pursuant to NRS 125A.365.

Sec. 19. In making a determination pursuant to sections 3 to 20, inclusive, of this act, a court may award costs and reasonable attorney’s fees against any parent:

1. Who the court determines caused unreasonable delays;

2. Who failed to provide any information required pursuant to sections 3 to 20, inclusive, of this act; and

3. In such other circumstances as the court deems proper.

Sec. 20. The provisions of sections 3 to 20, inclusive, of this act do not apply to any custody or visitation arrangement requested in a verified application for a temporary or extended order for protection against domestic violence filed pursuant to NRS 33.020.

Assemblyman Horne moved that the Assembly concur in the Senate amendment to Assembly Bill No. 313. Remarks by Assemblyman Horne. Motion carried by a constitutional majority. Bill ordered enrolled.

Assembly Bill No. 249. The following Senate amendment was read: Amendment No. 577.
AN ACT relating to court reporters; making various changes pertaining to the appointment, duties and work product of court reporters in the district courts and justice courts of this State; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that a business organization appointed to provide to a district court the services of a certified court reporter must be licensed by the Certified Court Reporters' Board of Nevada. (NRS 3.320) Section 2 of this bill clarifies that an official reporter pro tempore of a district court is appointed rather than employed and, like the official reporter he or she replaces, does not have a fixed term of employment. (NRS 3.320, 3.340) Section 3 of this bill states that prima facie evidence of the testimony and proceedings in a district court is provided by the transcript and not the report of the official reporter. (NRS 3.360) Section 4 of this bill makes various changes with respect to the compensation of the official reporter of a district court. (NRS 3.370) Section 5 of this bill provides that, when sound recording equipment is used to record proceedings in a district court and a transcript is subsequently made: (1) the person who transcribes the recording shall subscribe to an oath that he or she has truly and correctly transcribed the proceedings as recorded; and (2) the person who operates the sound recording equipment shall subscribe to an oath that the sound recording is a true and accurate recording of the proceedings and, in the event of an error, malfunction or other problem relating to the sound recording equipment or the sound recording, report that error, malfunction or problem to the court. Section 5 also requires a copy of a sound recording, if requested, to be provided with a requested transcript. The cost for providing the recording must not exceed the actual cost of producing the recording and must be paid by the party who requests the recording. (NRS 3.380) Section 6 of this bill states that, with regard to proceedings in a justice court, compensation for the preparation of a transcript is to be deposited with the certified court reporter and not with the deputy clerk of the court. (NRS 4.410) Section 7 of this bill provides that: (1) the sound recording of each proceeding in justice court must be preserved until at least 1 year, instead of 30 days, after the time for filing an appeal expires; and (2) with respect to certain criminal proceedings in a justice court, sound recordings must be preserved for a period of at least 8 years. (NRS 4.420)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 3.320 is hereby amended to read as follows:

3.320 1. The judge or judges of any district court may appoint, subject to the provisions of this chapter and other laws as to the qualifications and examinations of the appointee, one certified court reporter, to be known as official reporter of the court or department and to hold office during the pleasure of the judge appointing the official reporter. The appointee may be
any business organization licensed by the Board if the person representing the business organization, who actually performs the reporting service, is a certified court reporter.

2. The official reporter, or any one of them if there are two or more, shall:

(a) At the request of either party or of the court in a civil action or proceeding, and on the order of the court, the district attorney or the attorney for the defendant in a criminal action or proceeding, make a record of all the testimony, the objections made, the rulings of the court, the exceptions taken, all arraignments, pleas and sentences of defendants in criminal cases, and all statements and remarks made by the district attorney or judge, and all oral instructions given by the judge; and

(b) When directed by the court or requested by either party, within such reasonable time after the trial of the case as may be designated by law or, in the absence of any law relating thereto, by the court, write out the record, or such specific portions thereof as may be requested, in plain and legible longhand, or by typewriter or other printing machine, transcribe the record into a written transcript. The reporter shall certify that copy as being that action or proceeding was correctly reported and transcribed and, when directed by the law or court, shall file the written transcript with the clerk of the court.

3. As used in this section, “Board” means the Certified Court Reporters’ Board of Nevada, created by NRS 656.040.

Sec. 2. NRS 3.340 is hereby amended to read as follows:

3.340 The official reporter of any district court shall attend to the duties of office in person except when excused for good and sufficient reason by order of the court, which order shall be entered upon the minutes of the court. Employment in his or her professional capacity elsewhere shall not be deemed a good and sufficient reason for such excuse. When the official reporter of any court has been excused in the manner provided in this section, the court may designate an official reporter pro tempore who shall perform the same duties and receive the same compensation during the term of his or her employment appointment as the official reporter.

Sec. 3. NRS 3.360 is hereby amended to read as follows:

3.360 The report transcript of the official reporter, or official reporter pro tempore, of any court, duly appointed and sworn, when transcribed and certified as being a correct transcript of the testimony and proceedings in the case, is prima facie evidence of such testimony and proceedings.

Sec. 4. NRS 3.370 is hereby amended to read as follows:

3.370 1. Except as otherwise provided in subsection 3, for his or her services the official reporter or reporter pro tempore is entitled to the following compensation:

day except Saturday or Sunday, $170 per day, to be paid by the county as provided in subsection 4.

(b) For being available to report civil and criminal testimony and proceedings when the court is sitting beyond traditional business hours or on Saturday or Sunday:

   (1) If the reporter has been available to report for at least 4 hours, $35 per hour for each hour of availability; or

(c) For transcription:

   (1) Except as otherwise provided in subparagraph (2), for the original draft and any copy to be delivered:

      (I) Within 24 hours after it is requested, $7.50 per page for the original draft and one copy, and $2 per page for each additional copy;

      (III) Within 4 days after it is requested, $3.44 per page and 69 cents per page for each additional copy; or

      (II) Within 48 hours after it is requested, 83 cents per page;
      (III) Within 4 days after it is requested, 69 cents per page; or
      (IV) More than 4 days after it is requested, 55 cents per page.

(d) For reporting all civil matters, in addition to the compensation provided in paragraphs (a) and (b), $30 for each hour or fraction thereof actually spent, to be taxed as costs pursuant to subsection 5.

(e) For providing an instantaneous translation of testimony into English which appears on a computer that is located at a table in the courtroom where the attorney who requested the translation is seated:
(1) Except as otherwise provided in this subparagraph, in all criminal matters in which a party requests such a translation, in addition to the compensation provided pursuant to paragraphs (a) and (b), $140 for the first day and $90 per day for each subsequent day from the party who makes the request. This additional compensation must be paid by the county as provided pursuant to subsection 4 only if the court issues an order granting the translation service to the prosecuting attorney or to an indigent defendant who is represented by a county or state public defender.

(2) In all civil matters in which a party requests such a translation, in addition to the compensation provided pursuant to paragraphs (a), (b) and (d), $140 for the first day and $90 per day for each subsequent day, to be paid by the party who requests the translation.

(f) For providing a diskette containing testimony prepared from a translation provided pursuant to paragraph (e):

(1) Except as otherwise provided in this subparagraph, in all criminal matters in which a party requests the diskette and the reporter agrees to provide the diskette, in addition to the compensation provided pursuant to paragraphs (a), (b) and (e), $1.50 per page of the translation contained on the diskette from the party who makes the request. This additional compensation must be paid by the county as provided pursuant to subsection 4 only if the court issues an order granting the diskette to the prosecuting attorney or to an indigent defendant who is represented by a county or state public defender.

(2) In all civil matters in which a party requests the diskette and the reporter agrees to provide the diskette, in addition to the compensation provided pursuant to paragraphs (a), (b), (d) and (e), $1.50 per page of the translation contained on the diskette, to be paid by the party who requests the diskette.

2. For the purposes of subsection 1, a page is a sheet of paper 8 1/2 by 11 inches and does not include a condensed transcript. The left margin must not be more than 1 1/2 inches from the left edge of the paper. The right margin must not be more than three-fourths of an inch from the right edge of the paper. Each sheet must be numbered on the left margin and must contain at least 24 lines of type. The first line of each question and of each answer may be indented not more than five spaces from the left margin. The first line of any paragraph or other material may be indented not more than 10 spaces from the left margin. There must not be more than one space between words or more than two spaces between sentences. The type size must not be larger than 10 characters per inch. The lines of type may be double spaced or one and one-half spaced.

3. If the court determines that the services of more than one reporter are necessary to deliver transcripts on a daily basis in a criminal proceeding, each reporter is entitled to receive:

(a) The compensation set forth in paragraphs (a) and (b) of subsection 1 and subparagraph (1) of paragraph (e) of subsection 1, as appropriate; and
(b) Compensation of $7.50 per page for the original draft and one copy, and $2 per page for each additional copy for transcribing a proceeding of which the transcripts are ordered by the court to be delivered on or before the start of the next day the court is scheduled to conduct business.

4. The compensation specified in paragraphs (a) and (b) of subsection 1, the compensation for transcripts in criminal cases ordered by the court to be made, the compensation for transcripts in civil cases ordered by the court pursuant to NRS 12.015, the compensation for transcripts for parents or guardians or attorneys of parents or guardians who receive transcripts pursuant to NRS 432B.459, the compensation in criminal cases that is ordered by the court pursuant to subparagraph (1) of paragraph (e) and subparagraph (1) of paragraph (f) of subsection 1 and the compensation specified in subsection 3 must be paid out of the county treasury upon the order of the court. When there is no official reporter in attendance and a reporter pro tempore is appointed, his or her reasonable expenses for traveling and detention must be fixed and allowed by the court and paid in the same manner. The respective district judges may, with the approval of the respective board or boards of county commissioners within the judicial district, fix a monthly salary to be paid to the official reporter in lieu of per diem. The salary, and also actual traveling expenses in cases where the reporter acts in more than one county, must be prorated by the judge on the basis of time consumed by work in the respective counties and must be paid out of the respective county treasuries upon the order of the court.

5. Except as otherwise provided in subsection 4, in civil cases, the compensation prescribed in paragraph (d) of subsection 1 and for transcripts ordered by the court to be made must be paid by the parties in equal proportions, and either party may, at the party’s option, pay the entire compensation. In either case, all amounts so paid by the party to whom costs are awarded must be taxed as costs in the case. The compensation for transcripts and copies ordered by the parties must be paid by the party ordering them. No reporter may be required to perform any service in a civil case until his or her compensation has been paid to him or her.

6. Where a transcript is ordered by the court or by any party, the compensation for the transcript must be paid to the clerk of the court and by the clerk paid to the reporter before the furnishing of the transcript.

7. The testimony and proceedings in an uncontested divorce action need not be transcribed unless requested by a party or ordered by the court. If a proceeding is recorded and a transcript is requested, a copy of any sound recording must, if requested, be provided with the transcript. The cost for providing the sound recording must not exceed the actual cost of production and must be paid by the party who requests the sound recording.

Sec. 5. NRS 3.380 is hereby amended to read as follows:
3.380  1. The judge or judges of any district court may, with the
approval of the board of county commissioners of any one or more of the
counties comprising such district, in addition to the appointment of a court
reporter as in this chapter provided, enter an order for the installation of
sound recording equipment for use in any of the instances recited in NRS
3.320, for the recording of any civil and criminal proceedings, testimony,
objections, rulings, exceptions, arraignments, pleas, sentences, statements
and remarks made by the district attorney or judge, oral instructions given by
the judge and any other proceedings occurring in civil or criminal actions or
proceedings, or special proceedings whenever and wherever and to the same
extent as any of such proceedings have heretofore under existing statutes
been recorded by the official reporter or any special reporter or any reporter
pro tempore appointed by the court.

2. For the purpose of operating such sound recording equipment, the
court or judge may appoint or designate the official reporter or a special
reporter or reporter pro tempore or the county clerk or clerk of the court or
deputy clerk. The person so operating such sound recording equipment shall
subscribe to an oath that he or she will well and truly operate the equipment
so as to record all of the matters and proceedings.

3. The court may then designate the person operating such equipment or
any other competent person to [read] listen to [the recording] into [typing] written [text]. The person [transcribing] who:
   (a) Transcribes [the recording] shall subscribe to an oath that he or she has
   truly and correctly transcribed [it] the proceedings as recorded.
   (b) Operates the sound recording equipment as described in subsection 2
   shall:
       (1) Subscribe to an oath that the sound recording is a true and
       accurate recording of the proceedings; and
       (2) In the event of an error, malfunction or other problem relating to
       the sound recording equipment or the sound recording, report that error,
       malfunction or problem to the court.

4. The transcript may be used for all purposes for which transcripts have
heretofore been received and accepted under then existing statutes, including
transcripts of testimony and transcripts of proceedings as constituting bills of
exceptions or part of the bill of exceptions on appeals in all criminal cases
and transcripts of the evidence or proceedings as constituting the record on
appeal in civil cases and including transcripts of preliminary hearings before
justices of the peace and other committing magistrates, and are subject to
correction in the same manner as transcripts under existing statutes.

5. If a proceeding is recorded and a transcript is requested, a copy of
the sound recording must, if requested, be provided with the transcript. The
cost for providing the sound recording must not exceed the actual cost of
production and must be paid by the party who requests the sound
recording.
6. In civil and criminal cases when the court has ordered the use of such sound recording equipment, any party to the action, at the party’s own expense, may provide a certified court reporter to make a record of and transcribe all the matters of the proceeding. In such a case, the record prepared by sound recording is the official record of the proceedings, unless it fails or is incomplete because of equipment or operational failure, in which case the record prepared by the certified court reporter shall be deemed, for all purposes, the official record of the proceedings.

Sec. 6. NRS 4.410 is hereby amended to read as follows:

4.410 1. If the person designated to transcribe the proceedings is:

(a) Regularly employed as a public employee, the person is not entitled to additional compensation for preparing the transcript.

(b) Not regularly employed as a public employee and not a certified court reporter, the person is entitled to such compensation for preparing the transcript as the board of county commissioners determines.

(c) A certified court reporter, the person is entitled to the same compensation as set forth in NRS 3.370.

2. The compensation for transcripts and copies must be paid by the party ordering them. In a civil case, the preparation of the transcript need not commence until the compensation has been deposited with the [deputy clerk of the court] court reporter.

Sec. 7. NRS 4.420 is hereby amended to read as follows:

4.420 1. Except as otherwise provided in this section:

(a) The sound recording of each proceeding in justice court must be preserved until at least [30 days] 1 year after the time for filing an appeal expires.

(b) With respect to a proceeding in justice court that involves a misdemeanor for which enhanced penalties may be imposed, a gross misdemeanor or a felony, the sound recording of the proceeding must be preserved for at least 8 years after the time for filing an appeal expires.

2. If no appeal is taken, the justice of the peace may order the destruction of the recording at any time after that date.

3. If there is an appeal to the district court, the sound recording must be preserved until at least 30 days after final disposition of the case on appeal, but the justice of the peace may order the destruction of the recording at any time after that date.

Sec. 8. This act becomes effective upon passage and approval.

Assemblyman Horne moved that the Assembly concur in the Senate amendment to Assembly Bill No. 249.

Motion carried by a constitutional majority.

Bill ordered enrolled.
Assembly Bill No. 109.
The following Senate amendment was read:

Amendment No. 558.

AN ACT relating to secured transactions; enacting the amendments to Article 9 of the Uniform Commercial Code; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law contains Article 9 of the Uniform Commercial Code, the uniform law governing secured transactions. This bill enacts the 2010 amendments to Article 9.

Sections 2-9 and 25 of this bill provide that the amendments to Article 9 become effective on July 1, 2013, and enact the transitional rules included in those amendments.

Section 10 of this bill enacts the uniform amendments to the definitions of certain terms which are defined for the purposes of Article 9.

Existing law provides that a secured party may perfect a security interest in electronic chattel paper by obtaining control of the electronic chattel paper. Section 11 of this bill enacts the uniform amendments to the rule governing whether a secured party has such control.

Existing law provides that, in certain circumstances, the law of the jurisdiction in which a debtor is located governs the perfection and priority of a security interest. (NRS 104.9301) Section 12 of this bill enacts the uniform amendments to the rules for determining the location of an organization that is organized under the law of the United States and the location of a branch or agency of a bank that is not organized under the law of the United States or a state.

Section 13 of this bill enacts the uniform amendments to the rules governing the perfection of a security interest in property covered by a certificate of title.

Section 14 of this bill enacts the uniform amendments governing the perfection of a security interest that attaches before a debtor changes location and the perfection of a security interest when a new debtor becomes bound by a security agreement entered into by another person.

Section 15 of this bill enacts the uniform amendments to certain provisions governing the circumstances under which a buyer of property takes the property free of security interests.

Section 16 of this bill enacts the uniform amendments to provisions concerning the priority of security interests created by a new debtor who becomes bound by a security agreement entered into by another person.

Sections 17 and 18 of this bill enact the uniform amendments to provisions governing the effectiveness of certain contractual terms when a person who has a security interest in certain payment rights enforces the security interest and disposes of the payment rights.

Existing law requires a financing statement to be filed to perfect a security interest in certain circumstances. (NRS 104.9310) To be sufficient,
financing statement must contain the name of the debtor. (NRS 104.9502) Section 19 of this bill enacts the uniform amendments to the rules for determining whether a financing statement sufficiently provides the name of the debtor. Section 20 of this bill enacts the uniform amendments to rules governing the effectiveness of a financing statement when, at the time the financing statement was filed, the debtor’s name was sufficiently provided but, at a later date, the debtor’s name is no longer sufficiently provided.

Existing law provides that, if a financing statement states that the debtor is a transmitting utility, the financing statement does not lapse and is effective until a termination statement is filed. (NRS 104.9515) Section 21 of this bill provides that such a financing statement does not lapse only if the initial financing statement states that the debtor is a transmitting utility.

Section 22 of this bill enacts the uniform amendments to the circumstances under which a filing office may refuse to accept a financing statement.

Existing law authorizes a debtor to file a correction statement if the debtor believes that a record indexed under the debtor’s name is inaccurate or was wrongfully filed. Under existing law, the correction statement is informational and does not affect the effectiveness of a financing statement. (NRS 104.9518) Section 23 of this bill enacts the uniform amendment that authorizes a secured party to file an information statement under certain circumstances.

Existing law provides for the rights of a secured party upon a default by a debtor. (NRS 104.9601-104.9628) Section 24 of this bill enacts the uniform amendment to certain rights held by a person who has a security interest in a payment right secured by real property.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 104 of NRS is hereby amended by adding thereto the provisions set forth as sections 2 to 9, inclusive, of this act.

Sec. 2. 1. Except as otherwise provided in sections 2 to 9, inclusive, of this act, this article as amended applies to a transaction or lien within its scope, even if the transaction or lien was entered into or created before July 1, 2013.

2. This article as amended does not affect an action, case or proceeding commenced before July 1, 2013.

Sec. 3. 1. A security interest that is a perfected security interest immediately before July 1, 2013, is a perfected security interest under this article if, when this article as amended takes effect, the applicable requirements for attachment and perfection under this article as amended are satisfied without further action.

2. Except as otherwise provided in section 5 of this act, if, immediately before July 1, 2013, a security interest is a perfected security interest, but the applicable requirements for perfection under this article as amended are not satisfied on July 1, 2013, the security interest remains perfected
thereafter only if the applicable requirements for perfection under this article as amended are satisfied within 1 year after July 1, 2013.

Sec. 4. A security interest that is an unperfected security interest immediately before July 1, 2013, becomes a perfected security interest:
1. Without further action, on that date if the applicable requirements for perfection under this article as amended are satisfied before or at that time; or
2. When the applicable requirements for perfection are satisfied if the requirements are satisfied after that time.

Sec. 5. 1. The filing of a financing statement before July 1, 2013, is effective to perfect a security interest to the extent the filing would satisfy the applicable requirements for perfection under this article as amended.
2. This article as amended does not render ineffective an effective financing statement that, before July 1, 2013, is filed and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in this article before amendment. However, except as otherwise provided in subsections 3 and 4 and section 6 of this act, the financing statement ceases to be effective:
   (a) If the financing statement is filed in this State, at the time the financing statement would have ceased to be effective had this article as amended not taken effect; or
   (b) If the financing statement is filed in another jurisdiction, at the earlier of:
       (1) The time the financing statement would have ceased to be effective under the law of that jurisdiction; or
       (2) June 30, 2018.
3. The filing of a continuation statement on or after July 1, 2013, does not continue the effectiveness of the financing statement filed before that date. However, upon the timely filing of a continuation statement on or after July 1, 2013, and in accordance with the law of the jurisdiction governing perfection as provided in this article as amended, the effectiveness of a financing statement filed in the same office in that jurisdiction before July 1, 2013, continues for the period provided by the law of that jurisdiction.
4. Subparagraph (2) of paragraph (b) of subsection 2 applies to a financing statement that, before July 1, 2013, is filed against a transmitting utility and satisfies the applicable requirements for perfection under the law of the jurisdiction governing perfection as provided in this article before amendment, only to the extent that this article as amended provides that the law of a jurisdiction other than the jurisdiction in which the financing statement is filed governs perfection of a security interest in collateral covered by the financing statement.
5. A financing statement that includes a financing statement filed before July 1, 2013, and a continuation statement filed on or after July 1, 2013, is effective only to the extent that it satisfies the requirements of part
5 for an initial financing statement. A financing statement which indicates that the debtor is a decedent’s estate indicates that the collateral is being administered by a personal representative within the meaning of paragraph (b) of subsection 1 of NRS 104.9503. A financing statement which indicates that the debtor is a trust or a trustee acting with respect to property held in trust indicates that the collateral is held in a trust within the meaning of paragraph (c) of subsection 1 of NRS 104.9503.

Sec. 6. 1. The filing of an initial financing statement in the office specified in NRS 104.9501 continues the effectiveness of a financing statement filed before July 1, 2013, if:

(a) The filing of an initial financing statement in that office would be effective to perfect a security interest under this article as amended;

(b) The pre-effective-date financing statement was filed in an office in another state; and

(c) The initial financing statement satisfies subsection 3.

2. The filing of an initial financing statement under subsection 1 continues the effectiveness of the pre-effective-date financing statement:

(a) If the initial financing statement is filed before July 1, 2013, for the period provided in NRS 104.9515, as it existed before July 1, 2013, with respect to an initial financing statement; and

(b) If the initial financing statement is filed on or after July 1, 2013, for the period provided in NRS 104.9515 with respect to an initial financing statement.

3. To be effective for purposes of subsection 1, an initial financing statement must:

(a) Satisfy the requirements of part 5 for an initial financing statement;

(b) Identify the pre-effective-date financing statement by indicating the office in which the financing statement was filed and providing the dates of filing and file numbers, if any, of the financing statement and of the most recent continuation statement filed with respect to the financing statement; and

(c) Indicate that the pre-effective-date financing statement remains effective.

Sec. 7. 1. In this section, “pre-effective-date financing statement” means a financing statement filed before July 1, 2013.

2. On or after July 1, 2013, a person may add or delete collateral covered by, continue or terminate the effectiveness of, or otherwise amend the information provided in, a pre-effective-date financing statement only in accordance with the law of the jurisdiction governing perfection as provided in this article as amended. 8. The United States is deemed to be located in the District of Columbia.

Sec. 13. NRS 104.9311 is hereby amended to read as follows:

104.9311 1. Except as otherwise provided in subsection 4, the filing of a financing statement is not necessary or effective to perfect a security interest in property subject to:
(a) A statute, regulation or treaty of the United States whose requirements for a security interest’s obtaining priority over the rights of a lien creditor with respect to the property preempt subsection 1 of NRS 104.9310;
(b) Chapter 105 of NRS, NRS 482.423 to 482.431, inclusive, 488.1793 to 488.1827, inclusive, and 489.501 to 489.581, inclusive; or
(c) A [certificate of title] statute of another jurisdiction which provides for a security interest to be indicated on [the] a certificate of title as a condition or result of the security interest’s obtaining priority over the rights of a lien creditor with respect to the property.

2. Compliance with the requirements of a statute, regulation or treaty described in subsection 1 for obtaining priority over the rights of a lien creditor is equivalent to the filing of a financing statement under this article. Except as otherwise provided in subsection 4, NRS 104.9313 and subsections 4 and 5 of NRS 104.9316 for goods covered by a certificate of title, a security interest in property subject to a statute, regulation or treaty described in subsection 1 may be perfected only by compliance with those requirements, and a security interest so perfected remains perfected notwithstanding a change in the use or transfer of possession of the collateral.

3. Except as otherwise provided in subsection 4 and subsections 4 and 5 of NRS 104.9316, duration and renewal of perfection of a security interest perfected by compliance with the requirements prescribed by a statute, regulation or treaty described in subsection 1 are governed by the statute, regulation or treaty. In other respects, the security interest is subject to this article.

4. During any period in which collateral subject to a statute specified in paragraph (b) of subsection 1 is inventory held for sale or lease by a person or leased by that person as lessor and that person is in the business of selling goods of that kind, this section does not apply to a security interest in that collateral created by that person.

Sec. 14. NRS 104.9316 is hereby amended to read as follows:

104.9316 1. A security interest perfected pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 remains perfected until the earliest of:
(a) The time perfection would have ceased under the law of that jurisdiction;
(b) The expiration of 4 months after a change of the debtor’s location to another jurisdiction; or
(c) The expiration of 1 year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

2. If a security interest described in subsection 1 becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

3. A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if:
   (a) The collateral is located in one jurisdiction and subject to a security interest perfected under the law of that jurisdiction;
   (b) Thereafter the collateral is brought into another jurisdiction; and
   (c) Upon entry into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

4. Except as otherwise provided in subsection 5, a security interest in goods covered by a certificate of title which is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this State remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

5. A security interest described in subsection 4 becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under subsection 2 of NRS 104.9311 or under NRS 104.9313 are not satisfied before the earlier of:
   (a) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this State; or
   (b) The expiration of 4 months after the goods had become so covered.

6. A security interest in deposit accounts, letter-of-credit rights or investment property which is perfected under the law of the bank’s jurisdiction, the issuer’s jurisdiction, a nominated person’s jurisdiction, the securities intermediary’s jurisdiction or the commodity intermediary’s jurisdiction, as applicable, remains perfected until the earlier of:
   (a) The time the security interest would have become unperfected under the law of that jurisdiction; or
   (b) The expiration of 4 months after a change of the applicable jurisdiction to another jurisdiction.
7. If a security interest described in subsection 6 becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

8. The following rules apply to collateral to which a security interest attaches within 4 months after the debtor changes its location to another jurisdiction:

(a) A financing statement filed before the change pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral if the debtor had not changed its location.

(b) If a security interest perfected by a financing statement that is effective under paragraph (a) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 or the expiration of the 4-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

9. If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 and the new debtor is located in another jurisdiction, the following rules apply:

(a) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within 4 months after, the new debtor becomes bound under subsection 4 of NRS 104.9203, if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(b) A security interest perfected by the financing statement which becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in subsection 1 of NRS 104.9301 or subsection 3 of NRS 104.9305 or the expiration of the 4-month period remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

Sec. 15. NRS 104.9317 is hereby amended to read as follows:
A security interest or agricultural lien is subordinate to the rights of:

(a) A person entitled to priority under NRS 104.9322; and
(b) A person that becomes a lien creditor before the earlier of the time:
   (1) The security interest or agricultural lien is perfected; or
   (2) One of the conditions specified in paragraph (c) of subsection 2 of NRS 104.9203 is met and a financing statement covering the collateral is filed.

2. Except as otherwise provided in subsection 5, a buyer, other than a secured party, of tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

3. Except as otherwise provided in subsection 5, a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.

4. A licensee of a general intangible or a buyer, other than a secured party, of accounts, electronic chattel paper, electronic documents, general intangibles or investment property takes free of a security interest if the licensee gives value without knowledge of the security interest and before it is perfected.

5. Except as otherwise provided in NRS 104.9320 and 104.9321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee or lien creditor which arise between the time the security interest attaches and the time of filing.

Sec. 16. NRS 104.9326 is hereby amended to read as follows:

104.9326 1. Subject to subsection 2, a security interest that is created by a new debtor in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that is effective solely under NRS 104.9508 in collateral in which a new debtor has or acquires rights would be ineffective to perfect the security interest but for the application of paragraph (a) of subsection 9 of NRS 104.9316 or NRS 104.9508 is subordinate to a security interest in the same collateral which is perfected other than by such a filed financing statement, that is effective solely under that section.

2. The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements described in subsection 1. However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same party that is the new debtor, the agreement is not void.
original debtor, the conflicting security interests rank according to priority in
time of the new debtor’s having become bound.

Sec. 17. NRS 104.9406 is hereby amended to read as follows:

104.9406 1. Subject to subsections 2 to 8, inclusive, an account debtor
on an account, chattel paper or a payment intangible may discharge its
obligation by paying the assignor until, but not after, the account debtor
receives a notification, authenticated by the assignor or the assignee, that the
amount due or to become due has been assigned and that payment is to be
made to the assignee. After receipt of the notification, the account debtor
may discharge its obligation by paying the assignee and may not discharge
the obligation by paying the assignor.

2. Subject to subsection 8, notification is ineffective under subsection 1:
(a) If it does not reasonably identify the rights assigned;
(b) To the extent that an agreement between an account debtor and a seller
of a payment intangible limits the account debtor’s duty to pay a person other
than the seller and the limitation is effective under law other than this article;
or
(c) At the option of an account debtor, if the notification notifies the
account debtor to make less than the full amount of any installment or other
periodic payment to the assignee, even if:
(1) Only a portion of the account, chattel paper or payment intangible
has been assigned to that assignee;
(2) A portion has been assigned to another assignee; or
(3) The account debtor knows that the assignment to that assignee is
limited.

3. Subject to subsection 8, if requested by the account debtor, an assignee
shall seasonably furnish reasonable proof that the assignment has been made.
Unless the assignee complies, the account debtor may discharge its
obligation by paying the assignor, even if the account debtor has received a
notification under subsection 1.

4. Except as otherwise provided in subsection 5 and NRS 104.9407 and
104A.2303, and subject to subsection 8, a term in an agreement between an
account debtor and an assignor or in a promissory note is ineffective to the
extent that it:
(a) Prohibits, restricts or requires the consent of the account debtor or
person obligated on the promissory note to the assignment or transfer of, or
the creation, attachment, perfection or enforcement of a security interest in,
the account, chattel paper, payment intangible or promissory note; or
(b) Provides that the assignment or transfer, or the creation, attachment,
perfection or enforcement of the security interest may give rise to a default,
breach, right of recoupment, claim, defense, termination, right of termination,
or remedy under the account, chattel paper, payment intangible or promissory
note.
5. Subsection 4 does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

6. Subject to subsections 7 and 8, a rule of law, statute, or regulation, that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute or regulation:
   (a) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account or chattel paper; or
   (b) Provides that the assignment or transfer, or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

7. Subject to subsection 8, an account debtor may not waive or vary its option under paragraph (c) of subsection 2.

8. This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual or a natural person and who incurred the obligation primarily for personal, family or household purposes.

9. This section does not apply to an assignment of a health-care-insurance receivable or to a transfer of a right to receive payments pursuant to NRS 42.030.

Sec. 18. NRS 104.9408 is hereby amended to read as follows:

104.9408 1. Except as otherwise provided in subsection 2, a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license or franchise, and prohibits, restricts or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment or perfection of a security interest in, the promissory note, health-care-insurance receivable or general intangible, is ineffective to the extent that the term:
   (a) Would impair the creation, attachment or perfection of a security interest; or
   (b) Provides that the assignment or transfer, or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

2. Subsection 1 applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note, other than a sale pursuant to a...
disposition under NRS 104.9610 or an acceptance of collateral under NRS 104.9620.

3. A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable or general intangible, including a contract, permit, license or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute or regulation:
   (a) Would impair the creation, attachment or perfection of a security interest; or
   (b) Provides that the assignment or transfer, or the creation, attachment or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination or remedy under the promissory note, health-care-insurance receivable or general intangible.

4. To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection 3 would be effective under law other than this article but is ineffective under subsection 1 or 3, the creation, attachment or perfection of the security interest in the promissory note, health-care-insurance receivable or general intangible:
   (a) Is not enforceable against the person obligated on the promissory note or the account debtor;
   (b) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;
   (c) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party or accept payment or performance from the secured party;
   (d) Does not entitle the secured party to use or assign the debtor’s rights under the promissory note, health-care-insurance receivable or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable or general intangible;
   (e) Does not entitle the secured party to use, assign, possess or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and
   (f) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable or general intangible.

Sec. 18.5. NRS 104.9502 is hereby amended to read as follows:

104.9502  1. Subject to subsection 2, a financing statement is sufficient only if it:
   (a) Provides the name of the debtor;
(b) Provides the name of the secured party or a representative of the secured party; and
(c) Indicates the collateral covered by the financing statement.

2. Except as otherwise provided in subsection 2 of NRS 104.9501, to be sufficient, a financing statement that covers as-extracted collateral or timber to be cut, or which is filed as a fixture filing and covers goods that are or are to become fixtures, must satisfy subsection 1 and also:
(a) Indicate that it covers this type of collateral;
(b) Indicate that it is to be filed for record in the real property records;
(c) Provide a description of the real property to which the collateral is related sufficient to give constructive notice of the mortgage under the law of this State if the description were contained in a mortgage of the real property; and
(d) If the debtor does not have an interest of record in the real property, provide the name of a record owner.

3. A record of a mortgage is effective, from the date of recording, as a financing statement filed as a fixture filing or as a financing statement covering as-extracted collateral or timber to be cut only if:
(a) The record indicates the goods or accounts that it covers;
(b) The goods are or are to become fixtures related to the real property described in the mortgage or the collateral is related to the real property described in the mortgage and is as-extracted collateral or timber to be cut;
(c) The record satisfies the requirements for a financing statement in this section but:
(1) The record need not indicate that it is to be filed in the real property records; and
(2) The record sufficiently provides the name of a debtor who is a natural person if it provides the individual name of the debtor or the surname and first personal name of the debtor, even if the debtor is a natural person to whom paragraph (d) of subsection 1 of NRS 104.9503 applies; and
(d) The mortgage is recorded.

4. A financing statement may be filed before a security agreement is made or a security interest otherwise attaches.

Sec. 19. NRS 104.9503 is hereby amended to read as follows:

104.9503 1. A financing statement sufficiently provides the name of the debtor:
(a) Except as otherwise provided in paragraph (c), if the debtor is a registered organization or the collateral is held in a trust that is a registered organization, only if the financing statement provides the name of the debtor indicated that is stated to be the registered organization’s name on the public organic record most recently filed with or issued or enacted by the debtor’s registered organization’s jurisdiction of organization which shows the debtor to have been organized; purports to state, amend or restate the registered organization’s name;
(b) If the debtor is a decedent’s estate, Subject to subsection 6, if the collateral is being administered by the personal representative of a decedent, only if the financing statement provides, as the name of the debtor, the name of the decedent and, in a separate part of the financing statement, indicates that the collateral is being administered by a personal representative;

(c) If the debtor is a trust or a trustee acting with respect to property held in trust, only if the financing statement:

(1) Provides the name specified for the trust in its organic documents or, if no name is specified, provides the name of the settlor and additional information sufficient to distinguish the debtor from other trusts having one or more of the same settlors; and

(2) Indicates, in the debtor’s name or otherwise, that the debtor is a trust or is a trustee acting with respect to property held in trust, and collateral is held in a trust that is not a registered organization, only if the financing statement:

(I) Provides, as the name of the debtor:

(1) If the organic record of the trust specifies a name for the trust, the name so specified; or

(II) If the organic record of the trust does not specify a name for the trust, the name of the settlor or testator; and

(2) In a separate part of the financing statement:

(I) If the name is provided in accordance with sub-subparagraph (I) of subparagraph (1), indicates that the collateral is held in a trust; or

(II) If the name is provided in accordance with sub-subparagraph (II) of subparagraph (1), provides additional information sufficient to distinguish the trust from other trusts having one or more of the same settlors or the same testator and indicates that the collateral is held in a trust, unless the additional information so indicates;

(d) Subject to subsection 7, if the debtor is a natural person to whom this State or any other State has issued a driver’s license that has not expired or to whom the agency of this State that issues driver’s licenses has issued, in lieu of a driver’s license, a personal identification card that has not expired, or to whom the Federal Government has issued an identification card that has not expired, only if the financing statement provides the name of the natural person which is indicated on the driver’s license or personal identification card;

(e) If the debtor is a natural person to whom paragraph (d) does not apply, only if the financing statement provides the individual name of the debtor or the surname and first personal name of the debtor; and

(f) In other cases:

(1) If the debtor has a name, only if the financing statement provides the organizational name of the debtor;
(2) If the debtor does not have a name, only if the financing statement provides the names of the partners, members, associates or other persons comprising the debtor, in a manner that each name provided would be sufficient if the person named were the debtor.

2. A financing statement that provides the name of the debtor in accordance with subsection 1 is not rendered ineffective by the absence of:
   (a) A trade name or other name of the debtor; or
   (b) Unless required under subparagraph (2) of paragraph (f) of subsection 1, names of partners, members, associates or other persons comprising the debtor.

3. A financing statement that provides only the debtor’s trade name does not sufficiently provide the name of the debtor.

4. Failure to indicate the representative capacity of a secured party or representative of a secured party does not affect the sufficiency of a financing statement.

5. A financing statement may provide the name of more than one debtor and the name of more than one secured party.

6. The name of the decedent indicated on the order appointing the personal representative of the decedent issued by the court having jurisdiction over the collateral is sufficient as the “name of the decedent” under paragraph (b) of subsection 1.

7. If this State has issued to a natural person more than one driver’s license or, if none, more than one personal identification card, the one driver’s license or personal identification card, as applicable, that was issued most recently is the one to which paragraph (d) of subsection 1 refers.

8. In this section, the “name of the settlor or testator” means:
   (a) If the settlor is a registered organization, the name that is stated to be the settlor’s name on the public organic record most recently filed with or issued by the registered settlor’s jurisdiction of organization which purports to state, amend or restate the settlor’s name; or
   (b) In other cases, the name of the settlor or testator indicated in the trust’s organic record.

Sec. 20. NRS 104.9507 is hereby amended to read as follows:

104.9507  1. A filed financing statement remains effective with respect to collateral that is sold, exchanged, leased, licensed or otherwise disposed of and in which a security interest or agricultural lien continues, even if the secured party knows of or consents to the disposition.

2. Except as otherwise provided in subsection 3 and NRS 104.9508, a financing statement is not rendered ineffective if, after the financing statement is filed, the information provided in the financing statement becomes seriously misleading under NRS 104.9506.
3. If a debtor so changes its name that a filed financing statement provides for a debtor becomes insufficient as the name of the debtor under subsection 1 of NRS 104.9503 so that the financing statement becomes seriously misleading under NRS 104.9506:

(a) The financing statement is effective to perfect a security interest in collateral acquired by the debtor before, or within 4 months after, the filed financing statement becomes seriously misleading; and

(b) The financing statement is not effective to perfect a security interest in collateral acquired by the debtor more than 4 months after the filed financing statement becomes seriously misleading, unless an amendment to the financing statement which renders the financing statement not seriously misleading is filed within 4 months after the financing statement became seriously misleading.

Sec. 21. NRS 104.9515 is hereby amended to read as follows:

104.9515 1. Except as otherwise provided in subsections 2, 5, 6 and 7, a filed financing statement is effective for a period of 5 years after the date of filing.

2. Except as otherwise provided in subsections 5, 6 and 7, an initial financing statement filed in connection with a public-finance transaction or manufactured-home transaction is effective for a period of 30 years after the date of filing if it indicates that it is filed in connection with a public-finance transaction or manufactured-home transaction.

3. The effectiveness of a filed financing statement lapses on the expiration of the period of its effectiveness unless before the lapse a continuation statement is filed pursuant to subsection 4. Upon lapse, a financing statement ceases to be effective and any security interest or agricultural lien that was perfected by the financing statement becomes unperfected, unless the security interest is perfected otherwise. If the security interest or agricultural lien becomes unperfected upon lapse, it is deemed never to have been perfected as against a purchaser of the collateral for value.

4. A continuation statement may be filed only within 6 months before the expiration of the 5-year period specified in subsection 1 or the 30-year period specified in subsection 2, whichever is applicable.

5. Except as otherwise provided in NRS 104.9510, upon timely filing of a continuation statement, the effectiveness of the initial financing statement continues for a period of 5 years commencing on the day on which the financing statement would have become ineffective in the absence of the filing. Upon the expiration of the 5-year period, the financing statement lapses in the same manner as provided in subsection 3, unless, before the lapse, another continuation statement is filed pursuant to subsection 4. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the initial financing statement.

6. If a debtor is a transmitting utility and a filed initial financing statement so indicates, the financing statement is effective until a termination statement is filed.
7. A real property mortgage that is effective as a fixture filing under subsection 3 of NRS 104.9502 remains effective as a fixture filing until the mortgage is released or satisfied of record or its effectiveness otherwise terminates as to the real property.

Sec. 22. NRS 104.9516 is hereby amended to read as follows:

104.9516 1. Except as otherwise provided in subsection 2, communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

2. Filing does not occur with respect to a record that a filing office refuses to accept because:
   (a) The record is not communicated by a method or medium of communication authorized by the filing office;
   (b) An amount equal to or greater than the applicable filing fee is not tendered;
   (c) The filing office is unable to index the record because:
       (1) In the case of an initial financing statement, the record does not provide a name for the debtor;
       (2) In the case of an amendment or [correction] information statement, the record:
           (I) Does not identify the initial financing statement as required by NRS 104.9512 or 104.9518, as applicable; or
           (II) Identifies an initial financing statement whose effectiveness has lapsed under NRS 104.9515;
       (3) In the case of an initial financing statement that provides the name of a debtor identified as a natural person or an amendment that provides a name of a debtor identified as a natural person which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor’s surname; or
       (4) In the case of a record filed or recorded in the filing office described in paragraph (a) of subsection 1 of NRS 104.9501, the record does not provide a sufficient description of the real property to which it relates;
   (d) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;
   (e) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:
       (1) Provide a mailing address for the debtor; or
       (2) Indicate whether the name provided as the name of the debtor is the name of a natural person or an organization; or
       (3) If the financing statement indicates that the debtor is an organization, provide:

Assemblyman Bobzien moved that the Assembly concur in the Senate Amendment No. 624 to Assembly Bill No. 227.

Remarks by Assemblyman Bobzien.

Assembly Bill No. 290.

The following Senate amendment was read:

Amendment No. 601. AN ACT relating to education; authorizing the principal of a high school or the principal’s designee to postpone the administration of the high school proficiency examination in the subject areas of mathematics and science for a pupil who is not academically ready in those subject areas; authorizing the board of trustees of a school district to administer the practice test of the high school proficiency examination to pupils enrolled in high school; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, the high school proficiency examination is administered to pupils enrolled in high school in the subject areas of reading, mathematics, science and writing. (NRS 389.015, 389.550) Also under existing law, unless a pupil satisfies certain alternative criteria, passage of the
high school proficiency examination in its entirety is required for receipt of a standard high school diploma. (NRS 389.805) Existing administrative regulations of the State Board of Education set forth the times for the administration of the high school proficiency examination beginning with grade 10. (NAC 389.051) Section 4 of this bill authorizes the principal of a high school or the principal’s designee to postpone the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 for not more than 1 year if: (1) the principal or the principal’s designee and the pupil’s teacher who provides instruction in the applicable subject area determine, based upon the criteria for grading established by the school district for the applicable subject area, that the pupil is not academically ready to take the examination; (2) the parent or legal guardian of the pupil agrees in writing that the pupil is not academically ready for that subject area of the examination. If the administration of the examination is postponed, the pupil’s academic plan for high school must be revised to ensure that: (1) the pupil is enrolled in or scheduled to enroll in the appropriate course work for his or her grade level and receives the necessary preparation to enable the pupil to take the subject area of the high school proficiency examination which was postponed; and (2) the pupil participates in the statewide program to prepare pupils for the high school proficiency examination or enrolls in a course of study offered by the board of trustees of the school district designed to assist pupils with passing the high school proficiency examination.

Effective on July 1, 2011, existing law authorizes the board of trustees of each school district to require the administration of district-wide tests, examinations and assessments that are in addition to any other test, examination or assessment that is required by state or federal law. (NRS 389.006) Section 4.5 of this bill authorizes the board of trustees of each school district to administer the practice test of the high school proficiency examination to pupils enrolled in high school.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 388.205 is hereby amended to read as follows:

388.205 1. The board of trustees of each school district shall adopt a policy for each public school in the school district in which ninth grade pupils are enrolled to develop a 4-year academic plan for each of those pupils. The academic plan must set forth the specific educational goals that the pupil intends to achieve before graduation from high school. The plan may include, without limitation, the designation of a career pathway and enrollment in dual credit courses, career and technical education courses, advanced placement courses and honors courses.
2. The policy must require each pupil enrolled in ninth grade and the pupil’s parent or legal guardian to:
   (a) Work in consultation with a school counselor to develop an academic plan for the pupil;
   (b) Sign the academic plan; and
   (c) Review the academic plan at least once each school year in consultation with a school counselor and revise the plan if necessary.

3. If a pupil enrolls in a high school after ninth grade, an academic plan must be developed for that pupil with appropriate modifications for the grade level of the pupil.

4. If the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed for a pupil pursuant to section 4 of this act, the pupil’s academic plan must be revised in consultation with the pupil’s teacher who provides instruction in the applicable subject area and the pupil’s parent or legal guardian as set forth in section 4 of this act.

5. An academic plan for a pupil must be used as a guide for the pupil and the parent or legal guardian of the pupil to plan, monitor and manage the pupil’s educational and occupational development and make determinations of the appropriate courses of study for the pupil. If a pupil does not satisfy all the goals set forth in the academic plan, the pupil is eligible to graduate and receive a high school diploma if the pupil otherwise satisfies the requirements for a diploma.

Sec. 2. Chapter 389 of NRS is hereby amended by adding thereto the provisions set forth as sections 3 and 4 of this act.

Sec. 3. (Deleted by amendment.)

Sec. 4. 1. The principal of a high school, or the principal’s designee, may postpone, for not more than 1 year, the administration of the high school proficiency examination in the subject area of mathematics or science, or both, for a pupil enrolled in grade 10 at the high school if:
   (a) The principal, or the principal’s designee, and the pupil’s teacher who provides instruction in the applicable subject area determine, based upon the criteria for grading established by the school district for the applicable subject area, that the pupil is not academically ready to take the high school proficiency examination in the subject area of mathematics or science, or both, based upon a determination that the pupil is not achieving at least 70 percent competency in the applicable subject area. If the high school in which the pupil is enrolled administers the practice test of the high school proficiency examination, the results of the pupil on that test may be included as one of the factors to determine the pupil’s readiness.
   (b) The parent or legal guardian of the pupil agrees in writing with the determination of the principal, or the principal’s designee, and the teacher that the pupil is not academically ready to take the high school proficiency examination in the subject area of mathematics or science, or both.
2. If the administration of the mathematics or science subject area of the high school proficiency examination is postponed for a pupil pursuant to subsection 1, the principal of the school, or the principal’s designee, shall provide the pupil and his or her parent or legal guardian a copy of the informational pamphlet concerning the high school proficiency examination developed by the Department pursuant to NRS 389.0173.

3. If the administration of the mathematics or science subject area of the high school proficiency examination is postponed for a pupil pursuant to subsection 1, the academic plan of the pupil developed pursuant to NRS 388.205 must be revised to:
   (a) Ensure that the pupil is enrolled in or scheduled to enroll in the course work for his or her grade level and receives the necessary preparation to enable the pupil to take the subject area of the high school proficiency examination for which the examination is postponed; and
   (b) Require the pupil to participate in the statewide program to prepare pupils for the high school proficiency examination established pursuant to NRS 389.0175 or enroll in the course of study designed to assist pupils with passing the high school proficiency examination prescribed by the State Board pursuant to NRS 389.045, or both.

4. On or before July 1 of each year, the board of trustees of each school district shall submit a report to the Department and the Legislative Committee on Education indicating:
   (a) The number of pupils for whom the administration of the high school proficiency examination is postponed in the immediately preceding school year; and
   (b) A notation indicating whether the administration was postponed for the subject area of mathematics or science, or both.

Sec. 4.5. NRS 389.006 is hereby amended to read as follows:
389.006 1. In addition to any other test, examination or assessment required by state or federal law, the board of trustees of each school district may require the administration of district-wide tests, examinations and assessments, including, without limitation, the practice test of the high school proficiency examination to pupils enrolled in high school, that the board of trustees determines are vital to measure the achievement and progress of pupils. In making this determination, the board of trustees shall consider any applicable findings and recommendations of the Legislative Committee on Education.

2. The tests, examinations and assessments required pursuant to subsection 1 must be limited to those which can be demonstrated to provide a direct benefit to pupils or which are used by teachers to improve instruction and the achievement of pupils.

3. The board of trustees of each school district and the State Board shall periodically review the tests, examinations and assessments administered to pupils to ensure that the time taken from instruction to conduct a test,
examination or assessment is warranted because it is still accomplishing its original purpose.

Sec. 5. NRS 389.015 is hereby amended to read as follows:

389.015 1. The board of trustees of each school district shall administer examinations in all public schools of the school district. The governing body of a charter school shall administer the same examinations in the charter school. The examinations administered by the board of trustees and governing body must determine the achievement and proficiency of pupils in:

(a) Reading;
(b) Mathematics; and
(c) Science.

2. The examinations required by subsection 1 must be:

(a) Administered before the completion of grades 4, 7, 10 and 11, except for a pupil enrolled in grade 10 for whom the administration of the high school proficiency examination in the subject area of mathematics or science, or both, is postponed pursuant to section 4 of this act.
(b) Administered in each school district and each charter school at the same time during the spring semester. The time for the administration of the examinations must be prescribed by the State Board.
(c) Administered in each school in accordance with uniform procedures adopted by the State Board. The Department shall monitor the compliance of school districts and individual schools with the uniform procedures.
(d) Administered in each school in accordance with the plan adopted pursuant to NRS 389.616 by the Department and with the plan adopted pursuant to NRS 389.620 by the board of trustees of the school district in which the examinations are administered. The Department shall monitor the compliance of school districts and individual schools with:

(1) The plan adopted by the Department; and
(2) The plan adopted by the board of trustees of the applicable school district, to the extent that the plan adopted by the board of trustees of the school district is consistent with the plan adopted by the Department.
(e) Scored by a single private entity that has contracted with the State Board to score the examinations. The private entity that scores the examinations shall report the results of the examinations in the form and by the date required by the Department.

3. Not more than 14 working days after the results of the examinations are reported to the Department by a private entity that scored the examinations, the Superintendent of Public Instruction shall certify that the results of the examinations have been transmitted to each school district and each charter school. Not more than 10 working days after a school district receives the results of the examinations, the superintendent of schools of each school district shall certify that the results of the examinations have been transmitted to each school within the school district. Except as otherwise provided in this subsection, not more than 15 working days after each school receives the results of the examinations, the principal of each school and the
governing body of each charter school shall certify that the results for each pupil have been provided to the parent or legal guardian of the pupil:

(a) During a conference between the teacher of the pupil or administrator of the school and the parent or legal guardian of the pupil; or

(b) By mailing the results of the examinations to the last known address of the parent or legal guardian of the pupil.

If a pupil fails the high school proficiency examination, the school shall notify the pupil and the parents or legal guardian of the pupil of each subject area that the pupil failed as soon as practicable but not later than 15 working days after the school receives the results of the examination.

4. If a pupil fails to demonstrate at least adequate achievement on the examination administered before the completion of grade 4, 7 or 10, the pupil may be promoted to the next higher grade, but the results of the pupil’s examination must be evaluated to determine what remedial study is appropriate. If such a pupil is enrolled at a school that has failed to make adequate yearly progress or in which less than 60 percent of the pupils enrolled in grade 4, 7 or 10 in the school who took the examinations administered pursuant to this section received an average score on those examinations that is at least equal to the 26th percentile of the national reference group of pupils to which the examinations were compared, the pupil must, in accordance with the requirements set forth in this subsection, complete remedial study that is determined to be appropriate for the pupil.

5. Except as otherwise provided in subsection 6, if a pupil fails to pass the high school proficiency examination, the pupil must not be graduated unless he or she:

(a) Is able, through remedial study, to pass the proficiency examination; or

(b) Passes the subject areas of mathematics and reading tested on the proficiency examination, has at least a 2.75 grade point average on a 4.0 grading scale and satisfies the alternative criteria prescribed by the State Board pursuant to NRS 389.805, but the pupil may be given a certificate of attendance, in place of a diploma, if the pupil has reached the age of 18 years.

6. A pupil who transfers during grade 12 to a school in this State from a school outside this State because of the military transfer of the parent or legal guardian of the pupil may receive a waiver from the requirements of subsection 5 if, in accordance with the provisions of NRS 392C.010, the school district in which the pupil is enrolled:

(a) Accepts the results of the exit or end-of-course examinations required for graduation in the local education agency in which the pupil was previously enrolled;

(b) Accepts the results of a national norm-referenced achievement examination taken by the pupil; or

(c) Establishes an alternative test for the pupil which demonstrates proficiency in the subject areas tested on the high school proficiency examination, and the pupil successfully passes that test.
7. The State Board shall prescribe standard examinations of achievement and proficiency to be administered pursuant to subsection 1. The high school proficiency examination must include the subjects of reading, mathematics and science and, except for the writing portion prescribed pursuant to NRS 389.550, must be developed, printed and scored by a nationally recognized testing company in accordance with the process established by the testing company. The examinations on reading, mathematics and science prescribed for grades 4, 7 and 10 must be selected from examinations created by private entities and administered to a national reference group, and must allow for a comparison of the achievement and proficiency of pupils in grades 4, 7 and 10 in this State to that of a national reference group of pupils in grades 4, 7 and 10. The questions contained in the examinations and the approved answers used for grading them are confidential, and disclosure is unlawful except:

   (d) As required pursuant to NRS 239.0115.

  Amendment No. 622.
  SUMMARY—Revises provisions governing the participation by pupils and youths in certain sports activities.
  (BDR 34-1137)
AN ACT relating to [education], [public safety]; requiring the Nevada Interscholastic Activities Association and the board of trustees of each school district to adopt policies concerning the prevention and treatment of injuries to the head sustained by pupils while participating in sports and other athletic activities and events; requiring certain organizations for youth sports in this State to adopt a similar policy; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes the county school districts to form a nonprofit association to be known as the Nevada Interscholastic Activities Association for the purpose of controlling, supervising and regulating all interscholastic athletic events and other interscholastic events in the public schools. (NRS 386.420-386.470) Section 1 of this bill requires the Association to adopt a policy concerning the prevention and treatment of injuries to the head which may occur during a pupil’s participation in interscholastic activities and events, including, without limitation, concussion of the brain. The policy must require that a pupil who sustains or is suspected of sustaining an injury to the head while participating in such an activity or event: (1) be immediately removed from the activity or event; and (2) may not return to the activity or event unless the parent or legal guardian of the pupil provides a written statement from a provider of health care indicating that the pupil is medically cleared to participate and the date on which the pupil may return to the activity or event. A pupil who participates in interscholastic activities and events and his or her parent or legal guardian must sign a form acknowledging that they have received a copy of the policy and understand its terms and conditions before the pupil’s participation in the activity or event and must sign the form on an annual basis thereafter. Section 2 of this bill requires the board of trustees of each school district to adopt a similar policy for the participation of pupils in competitive sports within the school district which are not governed by the Association. Section 2.2 of this bill requires each organization for youth sports that sanctions or sponsors competitive sports for youths in this State to adopt a similar policy for the participation of youths in those competitive sports sanctioned or sponsored by the organization.

Whereas, A concussion is a brain injury that results from a bump, blow or jolt to the head or body which causes the brain to move rapidly in the skull and which disrupts normal brain function; and

Whereas, The Centers for Disease Control and Prevention of the United States Department of Health and Human Services estimates that as many as 3.8 million concussions occur each year in the United States which are related to participation in sports and other recreational activities; and

Whereas, Children who continue to participate in an athletic activity while suffering from a concussion or suffering from the symptoms of an injury to the head are at a greater risk for catastrophic injury to the brain or even death; and
WHEREAS, Ensuring that a child who sustains or is suspected of sustaining a concussion or other injury to the head receives the appropriate medical care before returning to an athletic activity will significantly reduce the child’s risk of sustaining greater injury; now, therefore,

Remarks by Assemblyman Atkinson.
Motion carried by a constitutional majority.
Bill ordered enrolled.

Assembly Bill No. 29.
The following Senate amendment was read:
Amendment No. 586.
AN ACT relating to health care; increasing the compensation of members of hospital advisory boards; revising provisions governing the staff of physicians at public hospitals; requiring certain hospitals to report information concerning the transfers of patients between hospitals to the Legislative Committee on Health Care; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:
Existing law authorizes certain boards of hospital trustees of public hospitals to appoint advisory boards and limits the compensation for the service of members of advisory boards to not more than $100 per month. (NRS 450.175) Section 1 of this bill increases the limit on compensation to an amount not to exceed $1,000 per month.

Existing law requires the board of hospital trustees of a public hospital to organize a staff of physicians composed of each regularly practicing physician, podiatric physician and dentist in the county who requests staff membership and prohibits the board from discriminating against a physician, podiatric physician or dentist. (NRS 450.440, 450.430) Section 3 of this bill provides that the staff of physicians, podiatric physicians and dentists may be required to be affiliated with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine. However, section 3 limits the number of physicians who may be required to be so affiliated to not more than 60 percent of the staff of physicians on or before January 1, 2013, and not more than 85 percent after that date but before January 1, 2018, and in such a percentage as the board of hospital
trustees deems appropriate thereafter. If so required, the physician, podiatric physician or dentist who requests staff membership must meet the standards in the regulations of the board of hospital trustees and hold and maintain a faculty or clinical appointment with one of the two Universities. An exception applies, however, if the board of hospital trustees enters into a contract with a physician or group of physicians to be the exclusive provider of certain services. Section 2 of this bill further provides that if a physician loses privileges at a hospital because the physician no longer holds a faculty or clinical appointment with one of the Universities, that action shall not be deemed to be an adverse action against the physician.

Hospitals in this State are required to provide emergency services and care, and it is unlawful for a hospital or a physician working in a hospital emergency room to refuse to accept or treat a patient in need of emergency services and care. (NRS 439B.410) Section 4 of this bill requires certain hospitals located in larger counties to provide a report of certain information to the Legislative Committee on Health Care concerning the transfer of patients from the hospital to another hospital and the availability of specialty medical services in the hospital. Such a report must be made quarterly beginning on October 15, 2011, and cover the period from July 1, 2011, through September 30, 2012.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 450.175 is hereby amended to read as follows:

450.175  1. In counties where the board of county commissioners is the board of hospital trustees, the board of hospital trustees may appoint a hospital advisory board which shall exercise powers and duties delegated to the advisory board by the board of hospital trustees.

2. Members of a hospital advisory board must be appointed by a majority vote of the board of hospital trustees and shall serve at the pleasure of the board.

3. Members of the hospital advisory board may receive compensation for their services in an amount not to exceed $500 per month.

Sec. 2. NRS 450.430 is hereby amended to read as follows:

450.430  1. Except as otherwise provided in NRS 450.440, in the management of the public hospital, no discrimination may be made against physicians, podiatric physicians or dentists licensed under the laws of this state or licensed practitioners of the allied health professions, and all such physicians, dentists, podiatric physicians and practitioners have privileges in treating patients in the hospital in accordance with their training and ability, except that practitioners of the allied health professions may not be members of the staff of physicians described in NRS 450.440. Practitioners of the allied health professions are subject to the bylaws and regulations established by the board of hospital trustees.
2. The patient has the right to employ, at the patient’s own expense, his or her own physician, if that physician is a member of the hospital staff, or the patient’s own nurse, and when acting for any patient in the hospital, the physician employed by the patient has charge of the care and treatment of the patient, and the nurses in the hospital shall comply with the directions of the physician concerning that patient, subject to the regulations established by the board of hospital trustees.

3. If a physician loses privileges at a hospital because the physician no longer holds a faculty or clinical appointment with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine, as required pursuant to NRS 450.440, that action shall not be deemed to be an adverse action by the hospital against the physician.

Sec. 3. NRS 450.440 is hereby amended to read as follows:

450.440 1. (a) Except as otherwise provided in subsection 2, the board of hospital trustees shall organize a staff of physicians composed of each regular practicing physician, podiatric physician and dentist in the county in which the hospital is located who requests staff membership and meets the standards set forth in the regulations prescribed by the board of hospital trustees.

2. The board of hospital trustees may, after consulting with the chief of staff of the hospital and the deans of the University of Nevada School of Medicine and the University of Nevada, Las Vegas, School of Dental Medicine, organize a staff of physicians composed of physicians, podiatric physicians and dentists who are affiliated with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of Dental Medicine who request staff membership and meet the requirements set forth in subsection 3. If the board of hospital trustees organizes a staff of physicians in accordance with this subsection, the board of hospital trustees may require:

   (c) The staff of physicians to have such an affiliation in such a percentage as the board of hospital trustees deems appropriate on or after January 1, 2018.

3. Except as otherwise provided in subsection 4, if the board of hospital trustees decides to organize the staff of physicians in accordance with subsection 2, a physician, podiatric physician or dentist who requests staff membership must:

   (a) Meet the standards set forth in the regulations prescribed by the board of hospital trustees; and

   (b) Hold a faculty or clinical appointment with the University of Nevada School of Medicine or the University of Nevada, Las Vegas, School of
Dental Medicine and maintain that appointment while he or she is on the staff of physicians.

4. If the board of hospital trustees decides to organize the staff of physicians in accordance with subsection 2, the board of hospital trustees may enter into a contract with a physician or group of physicians who do not meet the requirements of subsection 3 if the physician or group of physicians will be the exclusive provider of certain services for the hospital. Such services may include, without limitation, radiology, pathology, emergency medicine and neonatology services.

5. The provisions of subsections 2 and 3 shall not be deemed to prohibit a physician, podiatric physician or dentist who is on the staff of physicians from being affiliated with another institution of higher education.

6. The staff shall organize in a manner prescribed by the board so that there is a rotation of service among the members of the staff to give proper medical and surgical attention and service to the indigent sick, injured or maimed who may be admitted to the hospital for treatment.

7. The board of hospital trustees or the board of county commissioners may offer the following assistance to members of the staff to attract and retain them:
   (a) Establishment of clinic or group practice;
   (b) Malpractice insurance coverage under the hospital’s policy of professional liability insurance;
   (c) Professional fee billing; and
   (d) The opportunity to rent office space in facilities owned or operated by the hospital, as the space is available, if this opportunity is offered to all members of the staff on the same terms and conditions.

Sec. 4. 1. Each hospital located in a county whose population is 700,000 or more which is licensed to have more than 70 beds shall provide to the Legislative Committee on Health Care a report concerning the transfer of patients from one hospital to another hospital. Such information must include:

2. Each hospital subject to the provisions of subsection 1 shall provide a report to the Legislative Committee on Health Care with the information required at least once every 3 months, and the reports must include information from July 1, 2011, through September 30, 2012. The first report must be made by October 15, 2011, and must include information from July
1, 2011, through September 30, 2011. Subsequent reports must include information for the period since the last report.

3. The information reported pursuant to this section must be made available to each person or entity that provides information pursuant to this section to the extent that it is not required by law to be kept confidential.

4. The information reported pursuant to this section must be maintained and reported in a manner consistent with the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191.

Remarks by Assemblywoman Mastroluca.

Bill ordered transmitted to the Senate.

Assembly Bill No. 533.
The following Senate amendment was read:

Amendment No. 588.

AN ACT relating to group homes; providing certain financial protections for residents of group homes and similar facilities; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill prohibits the owner or administrator of a medical facility, facility for the dependent or home for individual residential care from receiving: (1) money or property devised by the will of a current or former resident of the facility or home; and (2) proceeds from a life insurance policy upon the life or body of a current or former resident of the facility or home. Under section 1, such an owner or administrator is deemed to have predeceased the resident and, as a result, the money, property and proceeds are then distributed to other devisees (in the case of a will) or other beneficiaries (in the case of a life insurance policy). In the event that there is no other devisee or beneficiary, the laws of this State pertaining to testate and intestate succession would control. Section 1 does not apply in the instance in which the owner or administrator of the facility or home is the spouse, legal guardian or next of kin of the resident or former resident.

Under existing law, a principal may not name his or her provider of health care, an employee of the provider of health care or an operator or employee of a health care facility as his or her agent in a power of attorney for health care; however, an exception is set forth if the provider, operator or employee is the principal’s spouse, legal guardian or next of kin. (NRS 162A.840)

Section 3 of this bill establishes a broader prohibition in the context of group homes and similar facilities, providing that a person who resides or is about to reside in a hospital, assisted living facility or facility for skilled nursing may not name such a facility or an owner, operator or employee of such a facility as his or her agent in any power of attorney for any purpose. The prohibition set forth in section 3 does not apply if the owner, operator or employee is the resident’s (principal’s) spouse, legal guardian or next of kin or, when certain conditions are met, if the owner, operator or employee is assisting the principal to establish eligibility for Medicaid.

Section 3 further makes it a category C felony to use a power of attorney which is created for the purpose of assisting a principal to establish
eligibility for Medicaid for any other purpose or in a manner inconsistent with the provisions of the power of attorney.

Assembly Bill No. 535.
The following Senate amendment was read:
Amendment No. 589.

AN ACT relating to residential facilities for groups; revising provisions
governing the referral of persons to such facilities; requiring the State Board
of Health to track certain violations and to disseminate certain information to
the public; providing a civil penalty; and providing other matters properly
relating thereto.

Legislative Counsel’s Digest:
To operate a business which provides referrals to residential facilities for
groups, existing law provides that a person must obtain a license from the
State Board of Health. Also under existing law, a business so licensed and its
employees are prohibited from referring a person to a residential facility for
groups if the facility is unlicensed or if the facility is owned by the same
person who owns the business. A person who violates that prohibition is
subject to a civil penalty. Existing law does not address referrals to residential facilities for groups that are made directly by individual providers of health care, and specifically exempts medical facilities that were already licensed as of October 1, 1999. (NRS 449.0305)

Section 3 of this bill adds to the list of activities in which a business licensed to provide referrals to residential facilities for groups, and its employees, may not engage by prohibiting a business so licensed and its employees from referring a person to a residential facility for groups if the business or its employee knows or reasonably should know that the facility or its services are not appropriate for the condition of the person being referred. Section 1 of this bill prohibits a licensed medical facility and its employees from: (1) referring a person to a residential facility for groups that is not licensed by the Health Division of the Department of Health and Human Services; and (2) referring a person to a residential facility for groups if the licensed medical facility or its employee knows or reasonably should know that the residential facility for groups, or the services provided by the residential facility for groups, are not appropriate for the condition of the person being referred. “Licensed medical facility” is defined to include medical facilities and facilities for the dependent that are licensed by the Health Division and other facilities that provide medical care and treatment and which are required to be licensed by the State Board of Health. If a licensed medical facility or an employee of the licensed medical facility violates the prohibitions established by section 1, the licensed medical facility is liable to the State Board of Health for a civil penalty of not more than $10,000 for a first offense, and of not less than $10,000 or more than $20,000 for a second or subsequent offense. Section 1 also requires the State Board of Health to establish and maintain a system to track violations of section 1 and NRS 449.0305, and directs the Board to educate the public regarding the requirements and prohibitions set forth in those sections.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 449 of NRS is hereby amended by adding thereto a new section to read as follows:

1. In addition to the requirements and prohibitions set forth in NRS 449.0305, and notwithstanding any exceptions set forth in that section, a licensed medical facility or an employee of such a medical facility shall not:

   (a) Refer a person to a residential facility for groups that is not licensed by the Health Division;

   (b) Refer a person to a residential facility for groups if the licensed medical facility or its employee knows or reasonably should know that the residential facility for groups, or the services provided by the residential facility for groups, are not appropriate for the condition of the person being referred.
2. If a licensed medical facility or an employee of such a medical facility violates the provisions of subsection 1, the licensed medical facility is liable for a civil penalty to be recovered by the Attorney General in the name of the Board for the first offense of not more than $10,000 and for a second or subsequent offense of not less than $10,000 or more than $20,000. Unless otherwise required by federal law, the Board shall deposit all civil penalties collected pursuant to this section into a separate account in the State General Fund to be used for the enforcement of this section and the protection of the health, safety, well-being and property of residents of residential facilities for groups.

3. The Board shall:
   (a) Establish and maintain a system to track violations of this section and NRS 449.0305. Except as otherwise provided in this paragraph, records created by or for the system are public records and are available for public inspection. The following information is confidential:

Sec. 2. NRS 449.030 is hereby amended to read as follows:

2. Unless licensed as a facility for hospice care, a person, state or local government or agency thereof shall not operate a program of hospice care without first obtaining a license for the program from the Board.

Sec. 3. NRS 449.0305 is hereby amended to read as follows:

449.0305 1. Except as otherwise provided in subsection 5, a person must obtain a license from the Board to operate a business that provides referrals to residential facilities for groups.

2. The Board shall adopt:
   (a) Standards for the licensing of businesses that provide referrals to residential facilities for groups;
   (b) Standards relating to the fees charged by such businesses;
   (c) Regulations governing the licensing of such businesses; and
(d) Regulations establishing requirements for training the employees of such businesses.

3. A licensed nurse, social worker, physician or hospital, or a provider of geriatric care who is licensed as a nurse or social worker, may provide referrals to residential facilities for groups through a business that is licensed pursuant to this section. The Board may, by regulation, authorize a public guardian or any other person it determines appropriate to provide referrals to residential facilities for groups through a business that is licensed pursuant to this section.

4. A business that is licensed pursuant to this section or an employee of such a business shall not:
   (a) Refer a person to a residential facility for groups that is not licensed.
   (b) Refer a person to a residential facility for groups if the business or its employee knows or reasonably should know that the facility, or the services provided by the facility, are not appropriate for the condition of the person being referred.
   (c) Refer a person to a residential facility for groups that is owned by the same person who owns the business.

A person who violates the provisions of this subsection is liable for a civil penalty to be recovered by the Attorney General in the name of the State Board of Health for the first offense of not more than $10,000 and for a second or subsequent offense of not less than $10,000 nor more than $20,000. Unless otherwise required by federal law, the State Board of Health shall deposit all civil penalties collected pursuant to this section into a separate account in the State General Fund to be used for the enforcement of this section and the protection of the health, safety, well-being and property of residents of residential facilities for groups.

5. This section does not apply to a medical facility that is licensed pursuant to NRS 449.001 to 449.240, inclusive, and section 1 of this act on October 1, 1999.

Sec. 4. NRS 654.190 is hereby amended to read as follows:
654.190 1. 4. An order that imposes discipline and the findings of fact and conclusions of law supporting that order are public records.

5. The expiration of a license by operation of law or by order or decision of the Board or a court, or the voluntary surrender of a license, does not deprive the Board of jurisdiction to proceed with any investigation of, or action or disciplinary proceeding against, the licensee or to render a decision suspending or revoking the license.
